

## **Chapter 51 - Pretending To Be A Boyfriend**

Ye Chen this time formed an array of layered arrays, To make an Array, we needed some special Khusu ingredients, fortunately Ye Chen already had all the ingredients needed.

There are several layers of array used by Ye Chen, first on the fence wall to prevent people trying to enter by force, if the array on the fence wall can be penetrated Ye Chen is still preparing a defense array that attacks anyone the enemy is entering, and there are still many again the array is installed inside and outside the villa.

This Array will be active on its own if the person entering has an evil mind.

After installing the array Ye Chen cleans the entire house from the existing dust, even though Ye Chen used his power to clean it still requires quite a long time, how come there aren't just 4 floors in this house plus 3 underground floors.

Ye Chen might have to find a maid to make it easier to clean a house this big.

When Ye Chen finished doing everything the sky was dark when Ye Chen looked at the clock that was on his phone and showed it at 7 pm.

Ye Chen was tired of spending time alone in this villa so Ye Chen decided to contact Zhao Yanyan to ask him to go for a night out.

But unfortunately Zhao Yanyan could not leave, because Zhao Yanyan was currently at his grandfather's house and intended to accompany his grandfather to dinner.

Ye Chen was quite disappointed, but Ye Chen could understand Zhao Yanyan's current situation, and not force him.

After Ye Chen closed the call, suddenly Ye Chen's cellphone rang, Ye Chen saw it and Yang Called Ye Chen was an Unknown Number.

Ye Chen picked up the call. "Hello, who is this? "

"Ye Chen, is this you? It's me, Teacher Lin." It turned out that the person who called Ye Chen was Lin Rouxi.

"Oh, it turns out Teacher Lin, what's up calling tonight at night," Ye Chen asked what Lin Rouxi needed to call him at this time of night.

Lin Rouxi: "Ye Chen can you go to my dorm. Right now, I need your help with something important, and make sure you wear nice clothes too."

"Okay, I'll go to Sena as soon as possible" after that Ye Chen cut the call.

Ye Chen did not know what assistance Lin Rouxi needed, even more so Lin Rouxi told him to wear nice clothes.

Ye Chen went to take a shower, after Ye Chen finished bathing Ye Chen changed the clothes Ye Chen found when Ye Chen cleaned this house, it seems like the previous owner didn't bring their belongings when selling this house, fortunately there were indeed a few male clothes. Suitable for Ye Chen to wear.

After completing changing his clothes, Ye Chen rushed towards the garage, and opened a cover that covered a car, when the car in Ye Chen saw a silver sports car that was quite cool.

Ye Chen didn't know what type of car this was. This sports car was definitely a Bugatti Brand, when Ye Chen found this car in the garage Ye Chen was intentionally not to open it, and it turned out that this car became a sports car that was quite luxurious.

But unfortunately this car ownership certificate Ye Chen did not know where to find it, Ye Chen then looked into the House ownership document and turned it over, until finally Ye Chen found a car ownership letter.

Fortunately, this car is a package with this house. Although Ye Chen does not have a driving license, Ye Chen used to drive several cars while taking food ingredients at the place where he worked part time.

Ye Chen went inside and started the car "rooommmmm" The sound of a very cool car engine sounded in the garage, This was the first time Ye Chen had tried driving a luxury car, Ye Chen had long dreamed of driving a car like this in his life.

Ye Chen drove the car and exited the Villa Area to the dormitory where Lin Rouxi and Zhao Yanyan lived.

On the road Ye Chen was driving at a speed of almost 200 Km / hr, the sensation of riding a luxury car was different from riding a delivery car.

Even though Ye Chen was driving at a speed of 200km / hour but Yang Ye Chen felt this was still slow, so Ye Chen was speeding again and again.

The time it took Ye Chen to get to Lin Rouxi's dormitory was only 5 minutes, Ye Chen immediately climbed to the floor where Lin Rouxi lived.

"Teacher Lin" Ye Chen while knocking on the door of Lin Rouxi's room.

The Door Opened and Lin Rouxi came out of the door, Lin Rouxi Wearing a White Dress that was quite fashionable, with long hair that was unraveling, wearing a white rose in her hair.

Lin Rouxi looked beautiful when wearing this dress that even Ye Chen couldn't say anything

Lin Rouxi: "Ye Chen, you took so long, I've been waiting a long time, I thought you wouldn't come" Lin Rouxi complained a little to Ye Chen.

"Sorry Teacher, I Needed Some Preparation Before I Got Here" Ye Chen was helpless to apologize.

Lin Rouxi "huh, forget it, the reason I asked you to come here tonight is, I want you to be my boyfriend"

"Are you serious teacher" Ye Chen did not hear me right, Lin Rouxi wanted for himself to be his boyfriend.

See Ye Chen a little misunderstood Lin rouxi Immediately explain "I want you to pretend to be my girlfriend For tonight just in front of my mother"

"Oh' it turns out that Teacher Lin Rouxi only asked Ye Chen to pretend to be his male girlfriend in front of his mother, Ye Chen almost misunderstood earlier, but why did Lin Rouxi want to do that.

"Teacher may I know why you want to do this" Ye Chen wanted to know the reason Lin Rouxi did this.

Lin Rouxi "That's because if I still don't have a boyfriend at my age, then my mom will give me a blind date with a man I don't know, I don't like it, so I decided to deceive my mother by saying that I already have a boyfriend The man on the phone, but I didn't expect that my mother would want to meet my boyfriend and come to this city today "

After hearing Lin Rouxi's explanation, Ye Chen finally understood why Lin Rouxi wanted Ye Chen to pretend to be his boyfriend in front of his mother.

"Oh dear teacher, you dragged your student into your own personal problem, is there no one else besides me? "Ye Chen was helpless to say.

Lin Rouxi "no, I don't know any other man, after all you are the first man to see my body half naked, so as a man you have to take responsibility" Lin Rouxi said that with a face flushed like an apple.

Ye Chen is "okay".

Lin Rouxi; "Let's go to my mother's hotel." Lin Rouxi immediately pulled Ye Chen and left.

## **Chapter 52 - Meet Mother**

Lin Rouxi dragged Ye Chen down from the female dormitory towards the Street.

Lin Rouxi "Ye Chen, let's get a taxi to go" Lin Rouxi advised Ye Chen to go to his mother's residence by using a taxi.

Ye Chen "Teacher Lin I brought the car, let's just ride my car" Ye Chen invited Lin Rouxi to go to his car.

Lin Rouxi: "Alright" Lin Rouxi then followed Ye Chen to the parking lot at the school, here are many cars belonging to students Rich students who live in male dorms.

Ye Chen headed towards one of the most striking cars among all the cars parked here.

Ye Chen approached A sports car that was pretty cool, Ye Chen pressed one of the remote remote buttons to unlock the car.

Lin Rouxi could not believe that Ye Chen had such a Luxury Sports Car, even though in the Student Data archive received from the headmaster When Ye Chen moved to his background, Ye Chen's background was just an ordinary family and even Ye Chen lived Alone in this city without having Kin.

But here Lin Rouxi saw that Ye Chen was not the same as the one in the Student data that belonged to Lin Rouxi.

Lin Rouxi: "Ye Chen, is this really your car? "Lin Rouxi still doesn't believe that Ye Chen has such a luxury car.

"Yes, this is my car. I just got it today, from the sale." Ye Chen answered

Lin Rouxi: "Ye Chen, what do you do for a job that you can buy a car like this?"

"Selling fruit" Ye Chen said very honestly

Lin Rouxi: "-\_-".

Who would believe that selling fruit could buy a luxury car like this.

What Ye Chen said was true, Ye Chen got money from selling Heaven's peaches, but it seemed like Lin Rouxi couldn't believe what Ye Chen had just said.

Lin Rouxi: "Ah, forget it, let's go. My mother must have been waiting."

After that Ye Chen and Lin Rouxi got into the car, Ye Chen immediately drove and headed to the hotel where Lin Rouxi's mother was staying for a while in this city.

Lin Rouxi was quite afraid of the way Ye Chen was driving, on a road which was quite crowded with Ye Chen's car running at a speed of almost 150km / hour, which made Lin Rouxi quite tense.

Lin Rouxi: "Ye Chen slowly, drive casually" Lin Rouxi scolded Ye Chen to slow down the speed of his car.

Ye Chen was helpless and lowered the speed of his car. After Ye Chen lowered the speed of his car, finally Lin Rouxi felt no more tension.

The distance to the hotel is not too far only 10 Km away from where Lin Rouxi lived, while on the Trip Lin Rouxi taught Ye Chen what to do to please his mother so that their play as a pair of Lovers would not be revealed later.

10 minutes later Ye Chen arrived near the hotel intended by Lin Rouxi, Lin Rouxi's cellphone rang when Lin Rouxi picked it up. Lin Rouxi exchanged a few words with the person who called it.

Lin Rouxi "Ye Chen my mother is currently in the restaurant a few KM from here, my mother wants to change the meeting place there".

"OK," Ye Chen didn't really ask and went to Yang Guided by Lin Rouxi.

After a few minutes Ye Chen finally arrived at the fast food restaurant, this restaurant did not look too expensive, but there were quite a lot of diners in this place.

Ye Chen looked for a place to park his car, after that Ye Chen and Lin Rouxi came out together from inside the car.

Lin Rouxi: "Ye Chen we must be able to be intimate in front of my mother".

"Okay Rouxi dear" Ye Chen called Rouxi with the title dear

It is necessary that their relationship not be revealed, because that is Lin Rouxi who told Ye Chen to call it that way.

Lin Rouxi was not accustomed to being called like that and her face turned slightly red.

Lin Rouxi: "Ye Chen, let's go." Lin Rouxi intertwined her hand in Ye Chen's arm, and walked into the restaurant.

Ye Chen and Lin Rouxi looked for the Table where Ms. Lin Rouxi was.

Lin Rouxi: "Mother" Lin Rouxi Called his mother who was sitting at one of the tables

Ye Chen and Lin Rouxi rushed to the table where his mother sat, but unfortunately, next to his mother there was a man who was the same age as Lin Rouxi and was wearing after the Neat black suit.

"Rouxi the day you come too, Come and sit" Lin Rouxi's mother told Ye Chen and Lin Rouxi to sit.

Ye Chen and Lin Rouxi sat together and Lin Rouxi still held Ye Chen's arm.

Lin Rouxi's mother looked at Ye Chen from the top down. All of Ye Chen's clothes looked normal, but Ye Chen was a tall and handsome man. This was the type of man that his daughter liked.

Lin Rouxi's Mother: "This mother is my boyfriend Ye Chen, and Ye Chen is my mother Sui Xi" Lin Rouxi introduced Ye Chen to her mother.

"Hello, aunty, nice to meet you," Ye Chen reached out to Ms. Lin Rouxi.

Ms. Lin Rouxi also welcomed Ye Chen by reaching out and shaking hands.

Sui Xi "Oh yeah, I forgot, this Rouxi is the son of my best friend at the campus, his name is Hu Jun, Hu Jun, introduce this to me, my only daughter is Lin Rouxi" Lin Rouxi's mother introduced the young man beside her.

"Hello, I'm Hu Jun" Hu Jun reached out his hand to shake hands with Lin Rouxi.

Actually Lin Rouxi didn't want to get acquainted with this guy, but to give his mother's face Lin Rouxi had no choice and reached out helplessly.

"Lin Rouxi" Lin Rouxi immediately let go of her hand after shaking hands with this man named Hu Jun.

"Since everyone has come, let's order food first." Lin Lin Rouxi's mother immediately ordered a few dishes to the waiter who was here.

While waiting for food to be served, Lin Rouxi's mother asked the extent of the relationship between Ye Chen and her daughter.

Lin Rouxi was afraid that Ye Chen would speak wrong with his mother, fortunately Ye Chen could answer all the questions asked by Lin Rouxi's mother.

"Oh yeah, Ye Chen, what do you do now? Lin Rouxi's mother asked about Ye Chen's current work.

"For the time being I sell peaches" Ye Chen honestly answered the work he was doing right now.

Luckily Lin Rouxi's mother didn't mind and Terseyum turned towards Ye Chen.

But the man named Hu Jun really sneered and looked down on Ye Chen.

"Hahaha, only a Fruit seller, indeed How many thousands of salaries can you get each month, will that be enough to pay for your and Lin Rouxi's life?" Hu Jun blatantly insulted Ye Chen.

"The income I have is more than enough for our living expenses" Ye Chen was not angry With the insult that had just been issued by Hu Jun, because after all the results of Selling Peaches had a turnover of millions of dollars in one day.

Lin Rouxi was angry with the words that Hu Jun had said to Ye Chen "How could Ye Chen only sell fruit, as long as Ye Chen could make me happy it would not be questioned" Lin Rouxi said quite angrily towards Hu Jun.

Hu Jun didn't think that Lin Rouxi would be angry because, Hujun insulted Ye Chen.

Luckily Aunt Sui Xi was not angry with that.

"Oh yes Hu Jun, where do you work now?" Lin's mother was also asked about Hu Jun's current work.

"My aunt now serves as General Manager at my father's company, with a monthly salary of eighty thousand dollars" Hu Jun bragged his rank and salary in front of Ye Chen.

"That's a pretty good job," Sui Xi praised Hu Jun's work.

Actually Sui Xi wanted to see the characteristics and properties of these two people, it could be seen that Ye Chen was a polythe and not easily angry person, while Hu Jun was quite arrogant, but Hu Jun did have the capital to be arrogant with his wealth at this time.

### **Chapter 53 - Slap On The Face**

Sui Xi prefers the character possessed by Ye Chen from Hu Jun, but instead Ye Chen is only a person who has an average income, Sui Xi is afraid that her daughter will accept in the future if she will ask Ye Chen.

Every mother wants her daughter to get the happiness she deserves, but for the time being, Sui Xi will not disturb their relationship, but in the future. If you Chen can't grow, Sui Xi needs to get them both.

Hu Jun when he first saw Lin Rouxi had been liked but rejected Lin Rouxi's attitude To him was indifferent, his girlfriend boyfriend was only male, the status needed was more than what was obtained by Hu Jun.

Sui Xi "oh yes Hu Jun, how is the business done by your father, is it going well?" Su Xi asked about Hu Jun's father's business.

Hu Jun "Aunt my father's business is growing very well, and can generate millions of Dollars Every Month" Again Hu Jun Bragged his wealth.

HuJ un Looking towards Ye Chen and also Lin Rouxi, and they were talking very excited, Ye Chen and Lin Rouxi seemed not to listen to what just said, by him, it made Hu Jun upset because of being ignored by others

Normally, orangutans will be amazed when Hu Jun shows off his wealth, and tries to get closer.

Immediately contact the food sent by Ms. Lin Rouxi, so Hu Jun is not awkward and embarrassed.

Sui Xi "Then let's have dinner right away" Sui Xi invited everyone to eat.

When eating Lin Rouxi questioned eating for Ye Chen, It was almost similar when Ye Chen was eating together with Lin Rouxi.

Sui Xi saw how close her daughter was to Ye Chen, it would be quite difficult to free these two people.

As for Hu Jun, he could only include his teeth in annoyance at seeing the couple making out.

After finishing dinner, Ye Chen and Lin Rouxi Intended to leave this place immediately, the purpose of Lin Rouxi was to come here only so that his mother believed that Lin Rouxi already had a boyfriend.

Lin Rouxi "our mother wants to go home" Lin Rouxi said goodbye to her mother.

Sui Xi "Rouxi today you come home with me, asked for a long time we did not spend time together" Sui Xi wants Lin Rouxi to go home with him.

"Alright mom" Lin Rouxi could only visit her hotel.

"Good" Sui Xi likes to look quite happy.

Hu Jun "aunt Sui what if I take you two together" Hu Jun did not miss this golden opportunity to get closer to Lin Rouxi, Hu Jun did not care if Lin Rouxi already had a boyfriend, Hu Jun could get what he wanted.

Sui Xi "sorry to bother you" Sui Xi did not receive delivered by Hu Jun home.

Lin Rouxi "No, Ye Chen will take us home, right Ye Chen", Lin Rouxi winked at Ye Chen.

"Yes, no problem" Ye Chen immediately intervened to respond to Lin Rouxi.

Hu Jun could only smile, but in anger Hu Jun cursed Lin Rouxi "just watch out Lin Rouxi Sooner or later, you will soon be mine".

After paying everyone out of the restaurant and into the parking lot.

Sui Xi "Rouxi where is your car?"

Lin Rouxi "there mother" Lin Rouxi pointed at the direction of a car.

The car pointed out by Lin Rouxi was an ordinary car, some of the cats had rusted.

Seeing the car received by Ye Chen Hu Jun Laughing and saying "it's your car, the car should not enter here, the car should have gone into the car moving place" Hu Jun was very satisfied to insult Ye Chen.

Lin Rouxi who listened to what Hu Jun had just said was very dissatisfied "indeed thinks of the car we have, is yours better than what Ye Chen has".

"Hahaha, such a wrecked car can be compared to the car I have."

Hu Jun was very proud after he displayed his luxury car.

"Hey, your name is Ye Chen, right? I suggest you buy a car like I have," Hu Jun insulted Ye Chen, who might not be able to buy the car Hu Jun has right now.

from the beginning Ye Chen did not want to respond to Hu Jun, for Ye Chen this man was like a clown who made jokes to Ye Chen, seen from anywhere The car owned by Ye Chen looked much better than Hu Jun's car, and strangely this person was still very arrogant in front of it.

Hu Jun "Aunt is better I will drive you, my car is much better than that of your daughter's boyfriend the Ugly one.

Lin Rouxi: "Huh, Ye Chen's car is dozens of times better than what you have" Lin Rouxi pulled her mother hurried towards Ye Chen's car.

Ye Chen followed behind Sui Xi and Lin Rouxi.

Hu Jun misunderstood, Ye Chen's car was actually covered behind the car designated by Lin Rouxi, so Hu Jun thought that Ye Chen's car was a bad car.

Sui Xi feels strange about her daughter, why does her daughter say that Ye Chen's car is far better than what Hu Jun has.

After being dragged behind the ugly car by Lin Rouxi, Sui Xi was able to see a very luxurious sports car. The design of this car was far better than that of Hu Jun's, Sui Xi finally understood why her daughter insisted that her boyfriend's car Much better than what Hu Jun has.

Ye Chen etc. Immediately got into the car, Hu Jun found it strange why they all did not get into the car and went behind the ugly car.

"Roommm. . . Roommm. . ."The sound of the car sounds, the sound of a car like this is only owned by luxury sports cars.

Hu Jun saw a luxury car crossing the place in front of him, the windshield was opened and could see the person who was riding it was Ye Chen.

Hu Jun's jaw almost fell to the ground, Hu Jun almost did not believe a Fruit Seller had a \$ 10 million luxury Car.

Hu Jun knew enough about the few cars and the car Ye Chen was driving was a limiter edition that only made 7 units in this world.

"Hey, it looks like your car looks quite old-fashioned, I suggest you buy one that is like mine" After saying that to Hu Jun, Ye Chen immediately dashed off the parking lot.

Hu Jun's brain could not process what had just happened, the words that just said by Hu Jun to Ye Chen suddenly used Ye Chen to himself, It was like a slap on his face, Hu Jun was so embarrassed, No wonder that person was not angry at him it turns out that the young man was far richer than Hu Jun, Hu Jun felt Like, a clown who made jokes.

In the future Hu Jun could not possibly have a face in front of Sui Xi and Lin Rouxi, because Disappointed Hu Jun went to leave the parking lot with Gloomy, given the stupidity that Hu Jun had just done.

## **Chapter 54 - Ye Chen Was Arrested**

Ye Chen drove Lin Rouxi and his mother back to the hotel, Ms. Lin Rouxi's attitude towards Ye Chen began to change when on the way Sui Xi asked Ye Chen a lot of things.

8 minutes later Ye Chen arrived in front of the hotel, Lin Rouxi and Sui Xi got down from Ye Chen's car.

Sui Xi "Ye Chen thanks for the ride" Sui Xi thanks Ye Chen.

Ye Chen: "No problem, aunt, after all it is my duty to escort you safely."

After thanking Sui Walking first to the hotel entrance, Lin Rouxi approached Ye Chen's candle glass and whispered into Ye Chen's ear.

Lin Rouxi: "Ye Chen thanks a lot thanks to you I can get out of trouble, I owe you a favor" Lin Rouxi suddenly kissed Ye Chen's cheek quickly, without saying much Lin Rouxi immediately followed her mother's steps to disappear into the hotel.

Ye Chen had no idea that Teacher Lin suddenly kissed him, was this a gift from Lin Rouxi for him, Ye Chen Terseyum towards Lin Rouxi's disappearance, even though it was only an act, but Ye Chen enjoyed being Lin Rouxi's partner.

Ye Chen stepped on the gas pedal and went back to his villa.

Lin Rouxi who was walking behind her mother had a red face, because for some reason she suddenly kissed Ye Chen, even though it was only a kiss on the cheek but it felt quite embarrassing, For Lin Rouxi Yang had never

"Ah, how can I face Ye Chen as a teacher tomorrow?" Lin Rouxi did not know how he felt for Ye Chen, because his position as a teacher would not allow him to fall in love with his own student.

Ye Chen drove his car home to his house, its speed was almost 100km / hour on a road which was quite busy with passing cars.

"Wiu. . . . Wiu . . . . Wiu . . . . Wiu . . . . Wiu . . . . Wiu . . . ." A police siren was heard from behind Ye Chen's car.

Ye Chen looked in the rearview mirror of his car, Ye Chen could see that there was a police car following him.

"People who are in the car, immediately pull over to the side of the road right now, you have violated the maximum speed limit set on this road" The police in the car gave Ye Chen a warning over the loudspeaker.

Ye Chen had no idea that at night there were still police on patrol, if Ye Chen was caught then his business would be quite troublesome, Ye Chen most disliked dealing with the police because it was quite troublesome for Ye Chen who was now a powerful cultivator.

Ye Chen didn't want to stop and increase the speed of his car, trying to escape from the police car that was behind.

The police did not make Ye Chen's car run away, so the police began to increase the speed of his car to catch up with Ye Chen's car.

The chase couldn't be evaded anymore, the policeman was still a few tens of meters behind Ye Chen's car, if it's like this then Ye Chen couldn't run away from this policeman, if it were any longer then there would definitely be more cops coming help.

Ye Chen did not want that to happen, Ye Chen began to increase the speed of his car again, Ye Chen chose a fairly busy road route, Ye Chen passed by a lot of cars very easily, as if a professional racer

the police saw that the distance between his car and Ye Chen's got farther away, the road was very crowded, if anyone dared to drive at that speed, then there was definitely one possibility, that was an accident.

although Ye Chen's car managed to flee, but the police remembered Ye Chen's license plate number, so the Police only needed to, notify another policy if it found Ye Chen's license plate.

Ye Chen saw that the police car that followed him was no longer visible, without Ye Chen attending himself. It's far from the center of the City and Towards the direction of the hill on the outskirts of the city, this hill is very famous in this city because it has a very amazing night view. can only see the night view of the city with a very beautiful, here can also see the stars in the sky with very clear.

Ye Chen drove his car Up to the top of this hill, from up here Ye Chen could see a pretty good view of the city, Ye Chen wasn't Alone there were some people who were enjoying the same view as Ye Chen.

Among these people, there was something that made Chen Chen the most interested, a woman in a black dress, a woman about 25/26 years old who had a beautiful face, with a perfectly tall body, attractive from a woman's body.

What made Ye Chen interested was because this woman turned out to be a cultivator, especially since this woman's level was very high, this woman's level was the 4th level Earth Realm.

on Earth, there are very few people who reach that stage, let alone this is a woman aged 25/26 years, this woman is probably from an ancient sect / ancient family, seeing the level of strength that is quite strong.

The woman looked at Ye Chen, Ye Chen could see a little smile on the face of the beautiful woman.

The Beautiful Woman moved from where she stood towards the direction Ye Chen was, the beautiful woman stopped Right in front of Ye Chen.

Ye Chen didn't know what this beautiful woman wanted, could this woman know that Ye Chen was also a cultivator, Ye Chen immediately threw away thoughts like that, after all Ye Chen had a higher cultivation base than this woman.

"Your car looks good, is this yours?" It turns out that the first thing this beautiful woman asked was Ye Chen's car.

"Yes, this is my own car, so what?" Ye Chen was suspicious of this woman because the first thing this woman asked was her car, did this beautiful woman intend to steal her car, but how could this beautiful woman become a thief?

"Oh, I see, then can you stretch out one of your hands?" That beautiful woman suddenly wanted Ye Chen to reach out his hand.

Out of curiosity Ye Chen wanted to see what this woman wanted to do to him, Ye Chen held out both hands.

"Clank. . . After hearing that voice Ye Chen looked at Yang's wrist, and suddenly one of them was drilled, and the other handcuff was in the key in that beautiful woman's hand.

Ye Chen: "-\_-"!

"Well, what does this mean, beautiful sister? "Ye Chen Doesn't Know why this beautiful woman suddenly handcuffs Himself.

Beautiful Woman "You have violated the traffic rules and also ran away from the pursuit of the Police, therefore you and your car must go to the office to do the responsibility" The woman also issued a police badge from her wallet.

Ye Chen "-\_-" , Ye Chen had no idea that this beautiful woman was actually a female policeman, Ye Chen would have surrendered himself with just that, if Ye Chen had known Ye Chen beforehand, it would be better to go away from this woman.

Beautiful woman "what are you waiting for Quick get into the car and come with me to the police station Right now" the policeman scolded Ye Chen.

"Beautiful policeman, maybe you are mistaken. I am a good citizen." Ye Chen looked for an excuse to run away from this beautiful cop.

"You want to lie to me, your car number has been cantat so I may not be wrong to catch another person"

The female police officer immediately dragged Ye Chen. To get into Ye Chen's car, the female policeman asked for a car belonging to Ye Chen, the female police officer drove a car leaving the hill and headed for the police station.

### **Chapter 55 - Luo Bing**

After reaching the police station, the policewoman pulled Ye Chen out of the car and into the car.

This was the first time Ye Chen had entered the police station, because it was late at night. Quite a few people were here.

"Determine Luo Bing who is the person you brought at this time of night" One of the policemen guarding the front immediately asked.

It turns out that this woman's name is a woman. This woman is Luo Bing, "I am carrying someone who is trying to escape from the police, I suspect this person is involved with something evil.

Ye Chen "What do you think is a beautiful policeman? I look like a criminal? I am a good citizen."

"I did not tell you to speak so shut your mouth" Luo Bing immediately scolded Ye Chen.

The police guarding the front knew Luo Bing's character. Even though Luo Bing was the police's interest, Luo Bing's problem was very difficult to approach.

Luo Bing immediately took Ye Chen to the interrogation room, and tied Ye Chen's handcuffs to the chair so he wouldn't run away.

"You stay here for a second, I'll be right back" Luo Bing then left the room.

Because Luo Bing left Ye Chen in Leave Alone in this room.

"Ye Chen, why don't you run away, with your strength, wouldn't that be so easy?" Chu Yue spoke to Ye Chen in his mind.

Ye Chen: "Running away is a trivial matter, but the problem is if I run away, the police will definitely keep chasing me and I will become a fugitive in the whole city."

"Well, it's up to you, but you have to put this woman in your harem list, because this woman has quite an innate talent, unfortunately her innate talent cannot be released to the maximum due to lack of guidance" Chu Yuechan explained about the Luo Bing woman to Ye Chen.

Ye Chen "So this woman has extraordinary innate talent, it is fitting that the level of cultivation is quite high at a young age considering this is on earth".

Luo Bing was really long enough, even after 10 minutes had passed there was still no sign of Luo Bing going back into this Room

.

20 minutes later finally Luo Bing returned to the room, but Luo Bing didn't wear a black dress anymore, now Luo Bing was wearing a police uniform with a short skirt.

Luo Bing immediately took a chair and sat in front of Ye Chen.

Luo Bing: "name?"

Ye Chen: "Ye Chen".

Luo Bing: "gender".

Ye Chen: "Police Luo, can't you see that I'm a man"

Luo Bing: "Who knows you are a woman with your face. Like that, you can be a beautiful woman".

Ye Chen: "-\_- " This policewoman really made Ye Chen a headache.

Luo Bing: "age"

"17 years" Ye Chen did not use his original age.

Luo Bing: "17 years old you're still a school student?" Luo Bing couldn't believe that Ye Chen was still a school student.

Luo Bing: "Last question, why did you run away when the police tried to stop you? "

"There is no other reason because I do not feel guilty"

"Bamm. . ." "Bad boy, you just broke the driving rules, and you said that you were innocent." Luo Bing struck the table with both hands angrily at Ye Chen.

The table in front of Ye Chen was almost split in two with the power Yang Luo Bing had just used.

Luo Bing's chest went up and down with anger at Ye Chen's attitude, Luo Bing was not accustomed to dealing with small children like Ye Chen, If Luo Bing knew Ye Chen was still a School Student, Luo Bing would look for others to interrogate Ye Chen.

Luo Bing "because you are still a school student then let your parents / guardians come here right now, and if no one comes here, then forget to get out of this room tonight".

Ye Chen didn't have parents or relatives in this city, so how would Ye Chen get out of this place? Did Ye Chen contact Lin Rouxi, not Ye Chen would most likely be scolded by Lin Rouxi again.

There is only one person, Liu Yue, who can help him get out of this prison.

Ye Chen then tried to contact Liu Yue at night, fortunately the call was successfully connected.

Liu Yue "Ye Chen has a need to call me at this time of night?" Liu Yue who wanted to go home heard her phone ring, seeing that the one who called out was Ye Chen, Liu Yue quickly picked it up and asked Ye Chen.

"Liu Yue can you come to the police station now, I have a little problem with the police named Luo Bing and need a little help from you" Ye Chen asked Liu Yue to come to help him finish instead, with the status of Liu Yue, everything would be easy to overcome.

Liu Yue "Alright I'll get there in a few minutes soon" Liu Yue didn't ask much, Liu Yue immediately changed the direction of her car and headed towards the police station.

Ye Chen continued to look towards Luo Bing who was wearing a police uniform, let alone the tight part of his chest that could break out of his shirt button at any time.

Luo Bing could feel Ye Chen's eyes staring at his chest "You've seen enough, if you look at me like that again I will pry both of your eyeballs".

Luo Bing again harshly scolded Ye Chen, Even though Luo Bing was beautiful but that arrogant and angry temper was this woman's biggest flaw.

Ye Chen activated the king's heart charm, Ye Chen wanted to see if the charm of the emperor's heart could affect Luo Bing.

When Luo Bing looked back at Ye Chen, Luo Bing felt that his heartbeat was racing very fast when he looked at Ye Chen, Ye Chen was like a magnet that made Luo Bing attracted towards him.

This made Luo Bing not dare to see Ye Chen's face again, Luo Bing looked down with a red face.

Ye Chen who saw the change in Luo Bing's behavior immediately smiled, it seemed that the charm of the King's heart could affect Luo Bing.

Ye Chen then stood up from his chair, even though one of Ye Chen's hands was handcuffed with a chair, Ye Chen could still approach Luo Bing.

Ye Chen lifted Luo Bing's chin and saw Luo Bing's face then said "Beautiful", Luo Bing's blushed face was very beautiful.

Luo Bing who saw Ye Chen's very handsome face was confused "Luo Bing immediately fell in love with Ye Chen.

Ye Chen brought his face closer to Luo Bing, seeing what Ye Chen would do, Luo Bing only closed his eyes accepting what Ye Chen would do to him.

"Clack. . ." The sound of the door opening immediately woke up Luo Bing, but unfortunately it was too late because the distance between Luo Bing's lips and Ye Chen was only a few cm.

The woman policeman who opened her door widened to see that the most beautiful woman in the cator would be kissed by a prisoner, in the wildest imagination the woman policeman would not have been imagined.

But after the female policeman who opened the door saw Ye Chen, the female policeman immediately fell in love with Ye Chen, the female cop had never seen a guy as handsome as in his life.

The female police now understand why Luo Bing, the prettiest woman in the office, did not fight when she would be kissed by prisoners, if the female police in Luo Bing's position she would surely also be happy to be kissed by a man as handsome as Ye Chen.

Ye Chen didn't mean to kiss Luo Bing, Ye Chen just wanted to tease Luobing a little unfortunately it was seen by the female police officer who had just opened the door by force.

"Ahem, what is it that you suddenly came in here" Luo Bing quickly recovered himself so that his image would not be damaged in public.

Luo Bing didn't dare to look at Ye Chen anymore, Luo Bing was afraid that if he continued to look at Ye Chen, Luo Bing could not maintain his authority anymore, and Doing things that were inappropriate with Ye Chen.

Police woman "Ms. Luo a woman named Liu Yue is looking for you and that woman wants to free someone".

Luo Bing "tell him to come in right now".

The female police officer was reluctant to leave after seeing Ye Chen, but even the female police officers had to obey Luo Bing, who was in a higher position than him.

Before the policewoman left, the policewoman did not forget to steal the last glance before leaving this room.

## **Chapter 56 - Poison**

LiuYue entered into the room where Ye Chen was being held, after entering the room Liu Yue saw Ye chen whose hand was handcuffed in the curse, and the female police officer who detained Ye Chen turned his face in the other direction.

Luo Bing still didn't dare to look at Ye Chen directly, after the door to the room opened Luo Bing immediately turned his attention to the woman who had just entered.

Liu Yue: "Hello, I am Liu Yue, I came yesterday to free Ye Chen" Liu Yue immediately introduced herself to Luo Bing.

Luo Bing: "After you pay the bail you can take this bad boy away, but make sure he no longer violates the driving rules and runs away from the police, so as not to cause misunderstandings like this again" LuoBing told Liu Yue to immediately complete the procedure first first

Liu Yue: "I have already paid, now I may take Ye Chen away from this place" before entering Liu Yue had already paid Ye Chen's guarantee of freedom.

Because Liu Yue had already paid the bail, Luo Bing opened Ye Chen's handcuffs and released him "now you may go" Luo Bing said by looking away.

Liu Yue did not know why this policewoman's behavior was so strange, because Liu Yue's initial support was to release Ye Chen, Liu Yue immediately took Ye Chen away from this place as soon as possible.

"Wait a minute there is one more thing I need from the Luo Bing police, Ye Chen and then go to Luo Bing.

Seeing Ye Chen approaching towards him Luo Bing was very tense "what does that bad boy want me, does that bad boy want to do bad things to me again" Luo Bing's mind began to walk wildly.

"Police Luo Bing is my car key, I want to ask him to come back," apparently Ye Chen just wanted to ask for the car key back.

Luo Bing didn't think that Ye Chen just wanted him to return the keys to his car, and Luo Bing just thought a strange thing, it made Luo Bing very embarrassed, Luo Bing immediately handed over the car key so Ye Chen would quickly leave this place.

After the departure of Ye Chen and Liu Yue, Luo Bing immediately sat down on his kuris limply, this was the first time Luo Bing had felt anything like this, Luo Bing suddenly became interested in a man whose age was much younger than himself.

Moreover, the two of them almost kissed, Luo Bing touched his lips with his fingers "My first kiss was almost taken away by that bad boy".

"But if you think that bad boy is very handsome," Luo Bing involuntarily said.

"Luo Bing Luo Bing remember you are a cultivator, and that boy is just an ordinary person, you are not from the same world, how could you possibly like that bad boy" even though Luo Bing said that, in fact Luo Bing really can't forget Ye Chen no matter how hard he tried.

Ye Chen and Liu Yue are now outside the police station "geez Ye Chen is only our last few hours and you already have problems with the police" Liu Yue said with Smile .

"Well what else can I do, I just wanted to go back to my behavior and the police suddenly chased after me for violating driving rules, because I didn't have a driving license so I decided to just run away, but who knew that the woman I met was a policeman who was being in disguise, if I knew beforehand I would definitely go as far away as possible "Ye Chen explained all the things that happened why he could be captured to Liu Yue.

"hahahaha" after hearing Ye Chen's story Liu Yue laughed "just because the woman is beautiful you approached her and didn't know that she was a police officer and you were arrested by her, poor Ye Chen".

Ye Chen could not say anything after Liu Yue said that, anyway he was originally the one who was wrong because he was interested in Luo Bing who made him get caught.

"Because you said you don't have a license, tomorrow I will make you one so that you will no longer be afraid of meeting the police while on the road." Liu Yue intended to make Ye Chen a driving license, because Ye Chen said he did not have one.

"Ah, thank you very much, I became too much trouble for you." Ye Chen felt that Liu Yue was very kind to him.

"Liu Yue:" what are you saying, we are friends and friends must help each other ".

"Yes, you're right, if you need my help in the future, don't hesitate to say to me" Ye Chen promised Liu Yue his future help.

Liu Yue: "oh yes Ye Chen I will go see my grandmother do you want to come, my grandmother would be very happy if you meet the person who saved her" Liu Yue invited Ye Chen to go with her.

"Yes, of course I will go with you, anyway I don't have anything else to do tonight". Ye Chen nodded at Liu Yue's invitation to visit Grandmother Liu Yue.

Liu Yue who heard this was very happy "then let's go".

Liu Yue got into his car and Ye Chen also got into his car, both of whom drove their cars and headed for the Hospital.

After arriving at the hospital Ye Chen and Liu Yue immediately headed to the ward where grandmother Liu Yue was being treated.

Ye Chen finally arrived at Grandmother Liu Yue's ward, Ye Chen saw an Old woman around 60-65 years old who was lying on the bed, Liu Yue's grandmother was currently talking to a nurse.

Liu Yue: "My grandmother is back" Liu Yue immediately ran towards her grandmother.

The two people who were talking immediately turned their attention towards the coming of Liu Yue.

"Yue'Er you're back," Liu Yue's grandmother immediately called Liu Yue's arrival and hugged her.

When Ye Chen entered the Ward, Ye Chen smelled a familiar scent, but why was this scent on Liu Yue's grandmother's ward.

"Miss Liu Yue because the lady has returned so I will continue my work, if there is a problem please just call me" the nurse immediately resigned and left the room.

When the nurse was about to leave the ward, the nurse was surprised to see a very handsome man standing near the door. The nurse had never seen a man as handsome as this, the nurse looked at Liu Yue, who was very beautiful, maybe this handsome man was the boyfriend of Miss Liu Yue The nurse is a little jealous of Liu Yue if only the nurse can have half the beauty of Liu Yue, so she doesn't need to bother working in this hospital, she just needs to find a handsome man who is rich and marry her, but unfortunately it can only be just be a dream.

When the nurse's passage did not forget to smile at Ye Chen, Ye Chen also responded with a smile.

Ye Chen approached the collar of Liu Yue and his grandmother who were hugging, this slightly reminded Ye Chen to his grandfather when he was still alive.

Grandmother Liu Yue who saw a handsome young man approaching towards the two of them, grandmother Liu Yue immediately let go of Liu Yue's arms and asked "Yue'Er who is this handsome young man".

Liu Yue Hanpir remembered that he had not introduced Ye Chen to his grandmother "This grandmother is my best friend Ye Chen, and she is the one who sold Zillao's bracelets to me, you could say this person saved your grandmother".

Liu Yue grandmother: "Thank you young people because thanks to you I can recover, I think I no longer have hope of living in this world, but it seems the god still gives me a chance to continue to live" grandmother Liu Yue thanked Ye Chen.

"That grandmother Liu doesn't need me to be thankful, because your granddaughter Liu Yue who already wants to buy a bracelet from me and trust me" somehow Ye Chen sold it instead of buying it so it could be considered fair, that's why Ye Chen didn't want Grandma Liu to thank her.

Grandmother Liu Yue: Your name is Ye Chen, you're really a good young man, my name is Situ Rui, from now on you can call me Rui's grandmother.

"okay, Rui's grandmother" because Liu Yue's grandmother had given permission, Ye Chen was no longer polite and called his name.

Liu Yue saw that the bracelet in her grandmother's hands turned both black beads, this morning only one bead turned black why now suddenly it became two, Liu Yue felt something strange.

Situ Rui: "Yue'er what's up?" Situ Rui who saw that his grandson's gaze was a little strange when he saw his wrist and asked.

"Liu Yue" Grandma, when this bead turned black, this morning it was still colored this morning. "Liu Yue asked her breathing.

Situ Rui immediately saw the Zillao bracelet he was wearing, and saw that the bracelet was two of the three beads now turned solid black "this afternoon the color is still there why is it now black" Grandmother Liu Yue also just realized that the beads turned black again Button" .

Liu Yue: "Ye Chen, you know what is going on actually" because he didn't get the answer. Liu Yue asked Ye Chen who knew the function of this Zillao Bracelet.

Ye Chen did not immediately answer Liu Yue's question, but Ye Chen instead went to the table where to put the used food bowls, Ye Chen took the bowl and sniffed it, it was true the source of the aroma that was smelled by Ye Chen came from this bowl.

"Rui's grandmother, did you just eat the food in this bowl?" Ye Chen immediately asked Grandmother Liu Yue to confirm.

Situ Rui "Yes, I just ate all the food in the bowl, so what?"

"Grandma Rui, the food in this bowl has been poisoned, you just ate it, that's what made the bead in Zillao's bracelet turn black" Ye Chen explained what really happened.

## **Chapter 57 - Bai Sheng's Evil Plan**

" What ! ! ! Liu Yue and Situ Rui both shouted with disbelief.

What's more Situ Rui suspected that the food he had just eaten contained poison.

If this was said by someone else Liu Yue would not believe, because the person who said it was Ye Chen Liu Yue believed it "then Ye Chen is this poison harmful to my grandmother? "Liu Yue immediately worried about the situation of her grandmother Situ Rui.

"This poison is quite dangerous and if it enters the body it will be difficult to detect by someone, even the medical devices will find it difficult to find this poison, the poison can make the person who swallows it become crippled and slowly will die, but fortunately the poison that just entered the body of the grandmother Rui should have been neutralized by the Zillao Bracelet "Ye Chen told me that the situation from Situ Rui was good right now, the main problem right now was finding out who was the person who did this.

"Rui's grandmother, may I know who this food is?" Ye Chen wanted to know who was the person who had brought this food to Situ Rui.

"It was the nurse who delivered this food, and right at that moment also Bai Shang and his friend came here, about 30 minutes ago" Situ Rui told everyone who had come here before.

"Bai Sheng, who is that?" Ye Chen didn't know Who was Bai Sheng being talked about by Situ Rui, so Ye Chen asked curiously.

Liu Yue: "Bai Sheng is the biological father of Bai San. He is also a very ambitious person, Bai Sheng also has" Liu Yue told Ye Chen who Bai Sheng was.

"So we now have 3 suspects" Poison This is not what an ordinary person can make, and for sure the ingredients used to make this poison are very difficult to obtain, Ye Chen is the most suspicious of friends brought by Bai Sheng This is the possibility that people put poison in Situ Rui's food.

But without Ye Chen's evidence it is impossible to accuse carelessly "Rui's grandmother may I know the Characteristics of the person who accompanied Bai Sheng here? "

Situ Rui "That person has a slightly pale dark skin, and the clothes of that person are a bit old-fashioned, that person also always smiles at him" Situ Rui Tells the person who accompanied Bai Sheng here.

Only from Situ Rui told Ye Chen that orange skin Ye Chen, already knew that the people who were with Bai Sheng were poison experts, anyone who had frequent contact with poison would usually have a skin that was a bit pale black, and it seemed like that person put poison in Situ Rui's food.

"Liu Yue I want to know where Bai Sheng lives I will try to see it myself" Ye Chen wanted to be sure of Sediri, remembering that Bai Sheng had gone 30 minutes ago that the two men should have been together now.

"The address is on XX Block XXx, but what do you want go to Bai Sheng's place?" Liu Yue did not know what Ye Chen would do to go to Bai Sheng's place.

"I just want to confirm something" after mapping that Ye Chen immediately left the ward.

Seeing Ye Chen wanting to leave, Liu Yue immediately caught up with him, when Liu Yue came out of the ward, Liu Yue could not see the figure of Ye Chen, Ye Chen really very quickly disappeared.

Ye Chen had now gone straight to the place where Bai Sheng was staying, Ye Chen because Ye Chen was flying at maximum speed, in just a few tens of seconds Ye Chen had arrived above Bai Sheng's Luxury Buildings.

By using Ye's spirit sense to find out how many people were in this house.

Inside the house there were a total of 4 people, their location was in the middle room, Guess Ye Chen was right that one of these 4 people turned out to be a cultivator, and this person's level was the first level Spirit Profound Realm.

Ye Chen wanted to know what these people were talking about so Ye Chen wore a dark colored robe and entered the house, Ye Chen hid in the dark to eavesdrop on these people's conversations.

In the house there were a total of 4 people. One was Bai San, the man Ye Chen had met at the antiques exhibition, the middle-aged man was probably Bai Sheng, and the woman sitting next to him was probably Bai Sheng's wife.

Ye Chen used his cellphone to record all Bai Sheng's conversations with this poison user cultivator.

"Mr. Du Yao, is the poison you gave Situ Rui this time really killing him?" The person who asked was of course Bai Sheng.

Du Yao "You don't need to worry I will make sure that in less than a week the grandmother will surely die, and of course the poison this time will definitely be difficult to cure, and this poison cannot be found so you don't have to worry about being a suspect".

"It's good that finally our plan this time will definitely run smoothly and soon we can take over Liu's company," the woman beside Bai Sheng spoke very happily.

"As long as the old lady dies soon, all her shares will be handed over to Liu Yue and we only need to make Liu Yue give all of her shares to us," Bai Sheng explained all his kind plans to everyone.

"But father, how do we get women like Liu Yue to give up their shares for free, isn't that really difficult for us to do.

Du Yao "don't worry I will give you a poison that can make that person obey what you want, all you need to do is give the poison to Liu Yue, then you can control Liu Yue as you wish".

Bai Sheng: "That's great, Mr. Du Yao. I'm glad to be able to work with you."

"But don't forget that your promise gives me 15% of shares, If you dare to renege then I will definitely not let you go" Du Yao asked the payer in the form of 15% shares from Liu's company.

Bai Sheng: "Take it easy Mr. Du Yao as long as this plan runs smoothly I will not forget the agreement we made from the start" Bai Sheng is very confident with the plan he made, especially 80% of the shareholders are in his stronghold, so the plan This time it will definitely be very successful.

Bai San this time is the most eager to hear this, if this plan is successful then Bai San can easily get Liu Yue to be his woman, Bai San can't wait to train Liu Yue to be his buddy in bed "

Ye Chen who was in the dark heard the evil plan that was made by Bai Sheng and his family, these two-faced people really made Ye Chen sick of seeing it.

Ye Chen now had evidence in his hand and now all that was left was to make a Plan to trap Bai Sheng.

Ye Chen then went around the house and looked for another clue

Ye Chen entered a workroom, it looks like this is Bai Sheng's work room.

Ye Chen then looked at each document stored in the archive, Ye Chen found a document containing the embezzlement of funds carried out by Bai Sheng and also several other shareholders, finally Ye Chen found evidence again, this time Bai Sheng would definitely not be able to do anything what's with the evidence in Ye Chen's hands.

When Ye Chen wanted to leave this house Ye Chen discovered that someone was approaching this room, Ye Chen immediately sought a way out of here, and Ye Chen then exited through the window.

Bai Sheng hears something in his office, therefore Bai Sheng enters his office, Bai Sheng looks around and doesn't find anyone in here.

"Who is the one who left the window open?" Bai Sheng then closed the window and left his office.

"That was almost" Ye Chen almost got caught, now Ye Chen just needs to give evidence to Liu Yue and Situ Rui, and make a plan with both of them.

## **Chapter 58 - Plans To Tackle Baisheng And His Accomplices**

After getting what Ye Chen wanted Ye Chen immediately returned to the hospital where Liu Yue was at the moment.

What Ye Chen found would definitely surprise Liu Yue, finally arriving at the hospital, Ye Chen descended on the balcony of the hospital.

Fortunately, because it was night, no one was aware of Ye Chen's existence. Ye Chen immediately rushed to Situ Rui's ward.

Liu Yue looked for Ye Chen's whereabouts from Earlier, Ye Chen's car was still in this hospital but Ye Chen's whereabouts are currently unknown.

"Clikk" Liu Yue heard the sound of the door opening, Liu Yue saw that the person who had opened the door was actually Ye Chen.

"Ye Chen, where have you been?" Liu Yue immediately asked where Ye Chen had just gone.

"I'm Going To Look For A Clue about who the mastermind poisoned your grandmother, and I found something interesting" Ye Chen then opened his cellphone, Ye Chen then showed the Conversation Video between Bai Sheng and Du Yao to Liu Yue.

"Bai Sheng, you dare to do that to my grandmother and myself, just watch out for you" Liu Yue immediately shouted with anger after seeing the video from Ye Chen's cellphone.

"Yue'er what's wrong" Situ Rui who was sleeping suddenly heard Liu Yue Shouting and Awakening from her sleep.

"Grandma, look at what Bai Sheng wants to do for us" Liu Yue then took the cellphone in Ye Chen's hand and showed the video to Situ Rui.

After seeing the whole video from the beginning to the end Situ Rui raised his eyebrows with dissatisfaction.

"Bai Sheng I can not believe that it turned out that your real face is like this, if only I knew beforehand I would have removed you from the company from the first" Situ Rui also seems very angry with what Bai Sheng has done to him.

Formerly Bai Sheng was helped By Situ Rui, when having trouble finding work, Bai Sheng was once a young man who was very poor and did not have anything, then Situ Rui picked it up and gave him a decent job for Bai Sheng in his company.

Over time Bai Sheng showed the results of his excellent work, and over the years Bai Sheng was finally able to climb the summit and was appointed by Situ Rui to be the representative of Liu Yue's company, and became a confidant of Situ Rui.

But Situ Rui was the one who Situ Rui thought the most trustworthy Turned out to be a Tiger in a Blanket, moreover Bai Sheng has now made 80% of the shareholders in his camp.

If these people get their money from the company, then surely the company will suffer a lot of losses, Situ Rui does not want that to happen.

Situ Rui: "Ye Chen, where did you get this video?" Situ Rui was very curious about how Ye Chen got this video.

"Rui's grandmother, you don't need to know how I can get this video, what we need to think about right now is how to deal with Bai Sheng and the people around him" even though Ye Chen explained Situ Rui would definitely not believe him.

"Ye Chen do you have a plan for this matter" Liu Yue asked whether Ye Chen had a plan or not in this matter.

"Of course I have a pretty good plan, but you two must play along with it." Ye Chen already had a plan to deal with Bai Sheng and those rogue shareholders.

Ye Chen then told Liu Yue and Situ Rui his plans.

Liu Yue: "That's a very good idea, but the problem is whether you have evidence of embezzlement of money that Bai Sheng and the shareholders did."

"Of course, I have all the evidence that Bai Sheng has done for many years" Ye Chen then took out a document and handed it to Liu Yue.

Liu Yue immediately took the documents in Ye Chen's hand and saw the contents in them, after seeing the contents in it Liu Yue was truly dumbfounded by the amount of embezzlement of funds carried out by Bai Sheng and several shareholders.

this was really all the embezzlement of funds in his company, Liu Yue asked, where did Ye Chen get all this from, this made Ye Chen increasingly and more mysterious to Liu Yue to know.

Situ Rui was also a little curious about what was in the document that Ye Chen had just released, after seeing the amount of money that had been embezzled in his company, Situ Rui also did not believe this.

If everything in the total value of the embezzlement of money is almost 30% of the total value of the Liu Group's current shares, this is a huge amount and this is really unknown for many years by him.

It seems like many of his employees are also plotting with Bai Sheng and hiding the embezzlement of money from Situ Rui and also Liu Yue, after this problem is over, Situ Rui will definitely look for and sue these people.

Situ Rui "I agree with Ye Chen's plan, and we must do it as soon as possible Tomorrow, Yue'er Immediately arrange everything well and correctly, so that this plan can succeed one hundred percent".

Liu Yue "good grandma I'll try my best to do it".

Liu Yue immediately called his Secretary and asked him to notify all shareholders to have a meeting tomorrow afternoon at the main building.

"Rui's grandmother, this is a pill for you. I hope after taking this pill you can get well soon" Ye Chen took out a bottle that contained a green pill, then Ye Chen handed it to Situ Rui.

Situ Rui: "thank you very much" situ Rui received the bottle.

"Then I will go home first" Because it was enough night Ye Chen wanted to immediately return to his villa.

Liu Yue: "Okay, but don't forget to come to the meeting tomorrow

## **Chapter 59 - 1 Vs 100 People**

Ye Chen went to the parking lot and put his sports car into the fairy gate storage. After finding out the fairy gate has a storage room that is bigger than the storage ring, Ye Chen now stores all his belongings in the fairy gate storage room.

Ye Chen returned to his villa by flying because he felt it was much faster than riding in a sports car.

Ye Chen returned to his own villa, Ye Chen immediately entered the fairy gate, it turns out that in the fairy Gate there was no Zhao Yanyan, it seemed that Zhao Yanyan did not enter the Fairy Gate, Ye Chen was quite disappointed.

"Ye Chen, who are you looking at?" Chu Yuechan suddenly stood beside Ye Chen.

"Yuechan did Yanyan not come here?" Ye Chen asked if Zhao Yanyan had come here before.

Chu Yuechan: "Yanyan's younger sister came here after school, and I trained her here for a long time, maybe now she is very tired".

"Actually, what training did you give Yanyan until she was exhausted" Ye Chen was afraid that Chu Yuechan would torture Zhao Yanyan with a pretty heavy training.

Chu Yuechan : "Well of course physical and mental training, that is what Yanyan's younger sister needs to quickly become stronger, even though Yanyan's younger sister has a high enough cultivation base but, her physical strength is still quite weak, therefore I trained She very tight" .

Ye Chen knew that climbing the path of the cultivator was not easy, before becoming like this Ye Chen also experienced the same thing that was experienced by Zhao Yanyan at this time.

Ye Chen remembered that the first training given by Gu Xuan to him was 200x push-ups, 200x sit-ups, 200x squat jumps, 200kg weight lifting 200x and 20 km running.

but thanks to the Exercise Now Ye Chen became a Great Cultivator.

because Zhao Yanyan wasn't there, Ye Chen went to cultivate in the practice room.

When Ye Chen finished cultivating and walked out of the fairy gate, it was already morning.

Ye Chen immediately showered and went to school, Ye Chen did not use the car because he did not want to be the center of attention in his school.

When Ye Chen passed the road he used to walk on, Ye Chen found it strange because Usually this road there would be many people passing it, but today not even a single person would pass here.

when Ye Chen used his Spirit Sensei to detect around here Ye Chen could find around 100 people carrying sharp weapons hiding in several places.

Ye Chen felt that he was being assaulted by someone, Ye Chen pretended not to know and continued walking forward.

When Ye Chen arrived in front of the people who were hiding they all came out one by one with the sharp weapons they were carrying, there were about 100 people who were carrying sharp weapons.

These people were standing a few meters from Ye Chen, those people were paving the way in the Middle of the Crowd, it seemed like the person who came out from behind the line was their boss.

This person is wearing a fur coat and smoking a cigar in his mouth.

Ye Chen really did not know this person. even Ye Chen never remembered having problems with these people.

"What do you want from me?" Ye Chen asked their boss.

"Wolf's brother, he is the one who dares to say we want to get rid of our gang from the face of this earth," a young man came out of the crowd and said to the man wearing a fur coat.

Ye Chen was very familiar with this young man, this person was the bad guys from Sen Tu who Ye Chen had hit yesterday, Ye Chen had no idea that this person was still brave looking for trouble with him, even after Ye Chen had warned them yesterday.

"What else are you waiting for Quickly Go kill that person, I want you to bring his head to me" The Red Wolf gangster Boss ordered all his men to kill Ye Chen.

The hundred people advanced towards Ye Chen, trying to kill Ye Chen.

How could normal people like this be a match for Ye Chen.

Ye Chen only needed to use his bare hands to defeat these people

"BAM ... BAM ... BAM ... BAM ... BAM ... BAM ... BAM ... BAM ... BAM ..." The gang men who attacked Ye Chen. Fly one by one.

one person with bare hands against 100 people using weapons, this is a battle that cannot be imagined by ordinary people.

but the results really make people not believe that 1 person can really Make 100 people depressed.

The gangster red wolf boss who saw this also could hardly believe it, seeing Ye Chen like a general raging on the battlefield, and none of his men could prevent Ye Chen from running amok.

100 people immediately reduced to 50, and 50 reduced to 25, until 100 people were really lying on the ground with bloody mouths.

Red wolf gangster boss really can't believe what he is seeing, for Red wolf boss Ye Chen is currently a monster.

Ye Chen walked closer towards the Red Wolf gangster Boss.

"Don't come near or I'll shoot you" The Red Wolf gangster boss pulled out a gun from his coat pocket and aimed it at Ye Chen.

Ye Chen paid no heed to the threat from the wolf boss and kept coming towards the Red Wolf gangster boss.

"Bang" the red wolf Gangster boss fired his gun at Ye Chen and hit Ye Chen's head.

Ye Chen only felt someone throw him with a small pebble, and Ye Chen accelerated his steps towards the red wolf gangster boss.

The red wolf gangster boss named Ai Lang, Ai Lang who saw that Ye Chen was really a lump of bullet, Ai Lang's entire body trembled and fell to the streets.

Ai Lang felt that he had just offended someone he could not offend, Ai Lang immediately bowed and asked forgiveness from Ye Chen.

"Predecessor please forgive me for offending you" Ai Lang bowed down and asked forgiveness from Ye Chen, someone like Ye Chen might indeed be able to make the entire Red Wolf Gang disappear from the face of this earth.

Ai Lang began to curse his men who offended people like this.

### **Chapter 60 - Sen Tu Became A Joke Material In Public**

"Didn't you say you wanted to kill me? Where did your courage go?" Ye Chen grabbed Ai Lang's hair and lifted him from the road.

Ai Lang "Forerunner, please forgive me, I will not repeat this mistake for the second time and I promise not to look for trouble with you anymore" Ai Lang hopes that Ye Chen will let go of himself.

"Okay, I will forgive you, but with one condition, you have to hit your own face 50 times then I will let you go" Ye Chen told the biggest gang boss in this city to slap himself.

Ai Lang had no choice but to slap himself as hard as possible.

In this city, who doesn't know Ai Lang, the big boss of the Red Wolf Gang who has a lot of followers, normal people will definitely get as far away from Ai Lang as possible so they don't get into trouble. Even influential people in this city also avoid friction with the Red Wolf Gang, because of being afraid of getting into a problem that is not cold, if this is known by someone else, their jaws will definitely fall to the floor.

Ye Chen saw Ai Lang's two cheeks that were like pig's buttocks "This time was the last time a warning from me, if you were still looking for trouble again with me then there would be no more words of apology" after that Ye Chen immediately went towards the Hexing school.

Ai Lang Who saw Ye Chen leaving could finally feel relieved, Ai Lang had never been embarrassed until like this before, even though he had been treated like this by Ye Chen, Ai Lang didn't have the courage to avenge people as strong as Ye Chen, see Ye Chen who could defeat all of his subordinates in less than 2 minutes made Ai Lang shudder.

Ai Lang guessed that Ye Chen's identity was unusual, there were two identities that could be thought of by Ai Lang, the first A Top Rank Rank killer, the second was an agent of the government, only people like that had the power to defeat 100 people alone.

That's why if Ai Lang wants to deal with Ye Chen he has to hire a Top Rank Assassin to get rid of Ye Chen, but the cost to do so must be tens / even hundreds of millions, instead of throwing that much money to kill one person Ai Lang prefers to use it for pleasure Himself.

Ai Lang: Hey swine die, let's hurry up, we're back to the headquarters right now "Ai Lang kicked some of his men to wake up.

These people were beaten up by Ye Chen quite badly, they even had difficulty standing up, but because of their orders all immediately rose up to help one another, they all headed for the Red Wolf Gang Headquarters to conduct a treatment for the wounds they suffered.

Ye Chen finally arrived in his classroom, Zhao Yanyan had come earlier. From Ye Chen, Zhao Yanyan didn't read the book as usual, Zhao Yanyan sat on his chair and closed his eyes.

Ye Chen then walked closer to Zhao Yanyan, it seemed that Zhao Yanyan was unaware of Ye Chen's arrival, Ye Chen then put his lips close to Zhao Yanyan and kissed Zhao Yanyan's cheek.

Zhao Yanyan who was studying the Melody Goddess Technique was Surprised and immediately opened her eyelids, and looked to the side.

Zhao Yanyan saw Ye Chen smile at him "Ye Chen, you surprised me, I thought it was someone else" Yanyan Panic and immediately opened his eyes, It turns out the person who kissed Himself was Ye Chen.

"Yanyan I miss you so much, why didn't you come to the Fairy gate last night?" Ye Chen wanted to know why Zhao Yanyan didn't enter the fairy gate.

Zhao Yanyan: "You know I'm in my grandfather's house, if my grandfather found out that I suddenly disappeared from the room he would definitely be very worried and look for me, so I can only stay in the room overnight".

"You really have a grandfather who is very Over-power in protecting you".

Zhao Yanyan "well what can I do, in my family only I, my grandmother and my grandfather are left, so surely my grandfather will not let me experience bad things happen to me".

Ye Chen didn't know that Zhao Yanyan didn't have any parents, Zhao Yanyan's life was almost similar to Ye Chen's, which was no longer having parents, except that Ye Chen didn't know who his parents were.

"Oh yeah, Ye Chen went last night. Where did you go?" Zhao Yanyan asked what did Ye Chen do last night.

Ye Chen told Zhao Yanyan what he had gone through last night, from the time Ye Chen sold the Heavenly Peaches to visiting Grandmother Liu Yue, even though there were some that Ye Chen didn't tell Zhao Yanyan about Lin Rouxi who kissed him.

"Ye Chen, you're really quite popular. Apparently, it seems like soon I have a new sister," Zhao Yanyan giggled after hearing Ye Chen's story.

Zhao Yanyan didn't expect that Ye Chen also knew Liu Yue Yang, the richest woman in this city, for Luo Bing Zhao Yanyan still didn't know about this woman, but Ye Chen said that this woman was also a cultivator.

"They are only acquaintances Can and there is nothing special about our relationship" Ye Chen immediately told Zhao Yanyan about his relationship with the women.

Zhao Yanyan "Well I do not mind even though you have a relationship with these women as long as you keep loving me in your heart I will not mind".

Ye Chen felt strange because Zhao Yanyan continued to encourage him to look for another woman, whether Zhao Yanyan was only testing Ye Chen's Love or indeed she let Ye Chen have another woman, Ye Chen was really confused with Zhao Yanyan's way of thinking.

Zhao Yanyan leaned his head on Ye Chen's shoulder and closed his eyes, Zhao Yanyan felt very safe when he was near Ye Chen.

Ye Chen felt someone who looked at him with a hostile look, when Ye Chen looked for it, it turned out that the person who was looking at him with a hostile look was Sen Tu.

Ye Chen Remember that Sen Tu was the one who had sent the gangsters to deal with Ye Chen.

"You'll see, I'll make a calculation with you Sen Tu" Ye Chen will make Sentu pay for what he tried to make to Ye Chen

The entrance bell rang, Today was a lesson from Lin Rouxi, when Lin Rouxi entered the classroom Lin Rouxi bowed his head, When Lin Rouxi saw Ye Chen Lin Rouxi's face was red like an apple.

Last night's events really still made an impression in Lin Rouxi's mind, that's why Lin Rouxi was very embarrassed when meeting with Ye Chen.

The lesson proceeded as usual, after the break rang Lin Linxi Immediately left the classroom, strangely Lin Rouxi did not call Ye Chen to go to his room for a free lunch.

Today Zhao Yanyan also did not bring lunch, so Ye Chen could only go to the School canteen with Zhao Yanyan to buy food.

On the way to the School canteen it happened that Ye Chen saw Sen Tu a few meters in front of Ye Chen.

Ye Chen Terseyum cunningly took out an illusionary spell paper and threw it at Sen Tu, this was unknown to anyone except Ye Chen.

Ye Chen couldn't wait for the show to be watched by Sen Tu later.

Upon arriving at the school canteen, Ye Chen and Zhao Yanyan ordered food and then looked for a place to sit.

Ye Chen continued to see the movements of Sen Tu, in the Illusion of Paper spells, Sen Tu saw a very beautiful woman, this was a very beautiful woman who had a very perfect body, what more could this woman really be half naked, the woman's fingers invited Sen Tu to come towards him

Sen Tu who saw beauty like this where could possibly keep him, so Sen Tu took off his clothes, Sen Tu only left her underwear and pounced towards the beautiful woman.

"Ahhh Please" All students in the school canteen immediately focus their attention towards the person who just asked for help.

When the students in the canteen saw it they were all dumbfounded. The eyes of the students who saw this widened. With disbelief at the scene they were seeing right now, because right now Sen Tu who was only wearing underwear was trying to do something that was indecent to someone, Moreover, what he was raping was the same sex

This is the famous Sen Tu As a Tyrant who is in this school.

People who try to separate Sentu Really are overwhelmed by the power possessed by Sen Tu.

Sen Tu is currently like a raging animal, more people are trying to separate Sentu from students who are being recorded by Sentu, unfortunately these people were actually slapped by Sen Tu.

For Sentu people who try to separate him from Beautiful women, Like flies that bother him because of anger Sentu slaps the flies.

The teachers and school security officers who received this report immediately went to the office and looked at this embarrassing event.

Soon the school teacher separated Sentu and tied it with a rope so Sen Tu could not fight.

And Sen Tu was brought by the teacher and the school security officer to leave the beautiful.

The students who saw this immediately whispered to each other, even some people photographed it and brought it up to social media, it seems that the news of Sentu who tried to \*\*\*\* a man would be really popular.
