

Chapter 511 - Ye Chen Lost Control

Ye Chen didn't let Cheng Mengyan rest, however right now he wanted to do that with this Cheng Mengyan who was in front of him.

Ye Chen started to play with Cheng Mengyan's secret garden below, Ye Chen's hand began to drill into the honey cave which was very moist and very warm.

"no . . . , ahhh . . ."Ye Chen's fingers enter the forbidden area, Cheng Mengyan immediately let out a rather loud groan, a groan this loud surely could be heard by the people around this courtyard.

The sensation of Ye Chen's hand was simply too amazing, it was even more pleasant than the caress Ye Chen had previously done.

Cheng Mengyan couldn't believe that in this world there was something this great.

One hand Ye Chen did not remain silent, one hand Ye Chen began to lower Cheng Mengyan's Sexy black lace bra , when the Sexy black lace bra was lowered, there were two pink cherry buds that were very hard.

Ye Chen started to put these Pink cherry buds into his mouth, Ye Chen started to enjoybuds cherry theselike the most delicious food in this world.

Ye Chen started to lick, suck, bite and pull Cheng Mengyan's cherry pink buds.

Cheng Mengyan continued to groan in a very loud voice, the stimulation she received from below and above made Cheng Mengyan unable to stand it, she felt that he would reach the top once again.

Qing Cheng was quite surprised when she saw Ye Chen treat Cheng Mengyan in this way.

If Qing Cheng herself was treated like this , she would definitely not stand it, let alone Cheng Mengyan was still a pure virgin, Cheng Mengyan definitely wouldn't last for a long time.

10 minutes have passed, Cheng Menyan has reached the peak of happiness several times.

Ye Chen now couldn't take it anymore, he currently needed Cheng Mengyan to overcome the discomfort in his body.

Ye Chen started to take off his clothes, after Ye Chen took off the clothes he had, an enormous object appeared in front of Cheng Mengyan's body.

Cheng Mengyan currentwas still not very conscious, the pleasure that Cheng Mengyan had previously felt made her exhausted.

When Cheng Mengyan saw Ye Chen's large object, Cheng Mengyan was very surprised, her eyes widened when she saw an immensely majestic object presented in front of her.

"So big, is a man's possession really that big? "Cheng Mengyan has never seen an object of this size in her life, not even the pictures and props in the Cherry Blossom Sect are as big as Ye Chen's in front of her.

Cheng Mengyan started to get scared when this thing got closer to her body, if this thing entered her body wouldn't his small body split into two parts.

Ye Chen didn't waste much of his time, he immediately positioned his younger brother in front of Cheng Mengyan's honey cave.

Ye Chen directly drilled Cheng Mengyan's virgin honey cave with a single motion.

"Ahh. . . . sick . . . !!!" Cheng Mengyan was in pain when an object this big entered, she felt that her body was split in half by Ye Chen's large object.

Cheng Mengyan was crying, she couldn't stand this pain, it wasn't like what Cheng Mengyan imagined, Cheng Mengyan thought doing this would be very comfortable, but it turned out to be very painful.

"Husband stopped, you are too rude, Mengyan is still the first time" Seeing Cheng Mengyan being bullied by Ye Chen, Qing Cheng tried to stop Ye Chen.

Ye Chen didn't hear any words from Qing Cheng, right now what Ye Chen wanted was to do Cheng Mengyan.

Ye Chen started to make back and forth movements, Ye Chen's large object directly smashed into Cheng Mengyan's flower core.

When Ye Chen did this, Cheng Mengyan started groaning in great pain.

Cheng Mengyan's small body was still unable to adapt to Ye Chen's large object, as a result Cheng Mengyan felt an unbearable pain.

Cheng Mengyan could only grit her teeth while enduring this unbearable pain, tears began to run down Cheng Mengyan's cheeks.

Qing Cheng felt very strange towards Ye Chen, this was the first time Qing Cheng had seen Ye Chen act this rudely towards a woman.

Ye Chen currently looks like he is being possessed by something "what is going on, why does husband look so weird" Qing Cheng finally started to realize that Ye Chen was currently very strange.

Ye Chen seemed to be under the influence of an aphrodisiac drug, Qing Cheng began to think about what made Ye Chen this way.

When she thought about this, she suddenly remembered the Yin u0026 Yang wine that Ye Chen drink earlier.

"Is that the source that made Ye Chen this way?" Qing Cheng guessed that it was caused by Yin u0026 Yang wine .

Qing Cheng still clearly remembered that Ye Chen had an ancient (Yang) body, this body was the body most sought after by every woman in the entire universe.

The possessor of an ancient (Yang) body possessed extremely rich and pure Yangqi, this Yangqi also had tremendous effects on women throughout this universe.

Because of Ye Chen's ancient (Yang) body, this allows Ye Chen can to handle many women at the same time.

Where a normal man couldn't possibly do what Ye Chen was doing.

Even though Ye Chen's body is very good, there is still a downside, when the owner of this body is superior to Yangqi, then he will become completely out of control and will become a machine that devours all the women around him.

Due to the effect of the Yin u0026 Yang wine, Ye Chen's Yangqi became excess and made Ye Chen become completely out of control.

From the start it was Qing Cheng's fault that she gave such an wine to Ye Chen.

"Geez, what should I do right now" Qing Cheng looked very confused over the condition of Ye Chen who was currently out of control.

Right now, the only way to help Ye Chen is to make Ye Chen take the Yangqi excess that is in his body.

The problem was that Qing Cheng herself was unable to do that alone, she knew how strong Ye Chen was right now, she thought she would not survive if she had to face Ye Chen together with Cheng Mengyan.

Ye Chen, who was in a normal state was quite difficult to beat, especially in such an uncontrollable state.

Qing Cheng thought of seeking a favor from Ye Chen's women who were in the villa to help Ye Chen's situation.

On second thought, Qing Cheng could not do that, if people realized that she gave something strange to Ye Chen and put Ye Chen's life in danger, she would definitely be scolded by Zhao Yanyan and other Ye Chen's women.

Qing Cheng started thinking about asking the woman in the Cherry Blossom Sect for help.

"No they will actually add to the problem for me" Qing Cheng immediately threw away her thoughts of asking the woman in the Cherry Blossom Sect for help.

After thinking for a while, Qing Cheng finally knew who to ask for help in a situation like this.

"Nanhua Caiyi, can definitely help me, I have to ask that woman for help." Qing Cheng intended to ask Nanhua Caiyi for help.

"Mengyan I hope you can hold Ye Chen until I come back." Qing Cheng hoped that Cheng Mengyan would be able to hold Ye Chen back until she returned.

Qing Cheng came out of this room, Qing Cheng went to the place where Nanhua Caiyi was.

Chapter 512 - Cheng Mengyan Asked For Help

Cheng Mengyan was currently being fed by Ye Chen's large object, the pain that she previously felt was now starting to decrease, the feeling of pain began to be replaced by a very pleasant feeling.

Cheng Mengyan started to embrace Ye Chen's neck, she started working together to get Ye Chen's pleasure.

"Yeah. . . , please be stronger, Ye Chen, you are so great." Cheng Mengyan started to say quite vulgar words.

As a woman from the Cherry Blossom Sect, it wouldn't be strange for Cheng Mengyan to say words like this, she had already been taught how to please a man from the moment she entered the sect, of course that included vulgar words like this.

Ye Chen looked so bad when Cheng Mengyan provoked himself, Ye Chen lifted Cheng Mengyan's body into the air, Cheng Mengyan's body was currently floating in the air, Cheng Mengyan's butt was currently being supported by Ye Chen's two hands.

With this position, Ye Chen was able to explore deeper into Cheng Mengyan's flower core

In order not to fall, Cheng Mengyan wrapped her legs around Ye Chen's waist.

"Uggggghhh" Cheng Mengyan was in a bit of pain when Ye Chen's large object penetrated into the core of the flower, Cheng Mengyan felt that her flower core was full of Ye Chen's large object.

If you look more clearly, Cheng Mengyan's stomach is currently slightly protruding, this bulge is certainly because of Ye Chen's large object.

Ye Chen began to move back and forth at an incredibly fast speed, Cheng Mengyan was easily brought to the seventh heaven by Ye Chen.

Ye Chen kissed Cheng Mengyan's face who was in front of him, Cheng Mengyan welcomed the kiss from Ye Chen.

"Chuuu. . . .", Even though Cheng Mengyan was still a little stiff in kissing at first, Cheng Mengyan learned from Ye Chen very quickly, she started to mimic every move Ye Chen made.

The two of them stuck together like magnets that were hard to separate, after 15 minutes Finally Ye Chen took out the burden of Yangqi Essence he had into Cheng Mengyan's flower core.

"Byurr. . ." In the instant that Cheng Mengyan was filled with Ye Chen's Yangqi Essence, Ye Chen's Essence. . . was too much, Cheng Mengyan's stomach started to swell when she received this Yangqi Essence.

Cheng Mengyan was very tired, he was glad that it was over, this pleasure was truly amazing, Cheng Mengyan was very happy to be able to taste something like this.

As Cheng Mengyan felt relieved knowing that it was all over, she suddenly felt that Ye Chen was starting to move again.

Ye Chen's big weapon did not look lethargic even after coming out that much, this was too shocking for Cheng Mengyan.

"Ye Chen, wait a minute, let me rest for a bit." Cheng Mengyan asked for a moment to rest for a bit.

Ye Chen didn't listen to Cheng Mengyan's whining, he kept moving like an uncontrolled machine.

Cheng Mengyan did not know that a man could do this, according to the lessons he learned, usually men would get tired after taking out their burdens.

But it doesn't seem like it applies to Ye Chen, Ye Chen really doesn't look tired after putting on that much weight.

Cheng Mengyan could n't stand Ye Chen's libido power as strong as that, she had to ask someone for help in this matter.

When Cheng Mengyan wanted to ask for help, Ye Chen kissed herself again, finally Cheng Mengyan couldn't ask for help, she could only swallow her words back.

Within this room Cheng Mengyan's little moans leaked could be heard very clearly.

.
. .
. .
. .

Currently, Qing Cheng went to the place where Nanhua Caiyi was, when she arrived at Nanhua Caiyi's place, Qing Cheng did not find Nanhua Caiyi's whereabouts.

Not finding the whereabouts of Nanhua Caiyi in this place, Qing Cheng decided to look for Nanhua Caiyi's whereabouts elsewhere.

It took about 20 more minutes for Qing Cheng to find the whereabouts of Nanhua Caiyi.

Nanhua Caiyi is currently using the sect's women's bath, Nanhua Caiyi is seen cleaning her slightly dirty body with sweat.

"Nanhua Caiyi, I need your help." Qing Cheng broke into the women's bath where Nanhua Caiyi was.

Seeing someone barging in, Nanhua Caiyi immediately became very alert.

When Nanhua Caiyi saw that it was Qing Cheng who was Ye Chen's woman, Nanhua Caiyi lowered her guard.

"What are you looking for me?" Nanhua Caiyi wants to know why Qing Cheng is looking for her.

"I need your help to take care of Ye Chen." Qing Cheng wanted to ask Nanhua Caiyi for help to take care of Ye Chen who was out of control.

"What happened to Ye Chen?" ,Nanhua Caiyi asked Qing Cheng.

Nanhua Caiyi wanted to know what happened to Ye Chen, with Ye Chen's strength being that strong, there was no way there could be anything in this world that could harm Ye Chen.

Qing Cheng started explaining a little what happened to Nanhua Caiyi.

" How can you be so careless as to give your man something like that? "Nanhua Caiyi is very helpless when she finds out about this.

"There is no time to argue, come with me quickly." Qing Cheng didn't have time to argue with Nanhua Caiyi.

If she didn't immediately do something with Ye Chen's current state, Qing Cheng was afraid that something bad would happen to Ye Chen.

Nanhua Caiyi was helplessly dragged away by Qing Cheng, Nanhua Caiyi took a cloth to cover her body so it wouldn't be seen by others.

In an instant Qing Cheng took Nanhua Caiyi to where Ye Chen was.

When they got to the front of the building where Ye Chen was, they both heard a woman's groan from inside the building.

Nanhua Caiyi already knew who the woman was in there.

"Come on in quickly." Qing Cheng invited Nanhua Caiyi into the room.

When the two of them entered the room, they saw that currently Cheng Mengyan and Ye Chen were fighting, Cheng Mengyan was currently under Ye Chen's body, so he was seen fighting all out against Ye Chen.

Cheng Mengyan's appearance was very disheveled, she seemed to be at her limit when holding back Ye Chen's strength which was too strong.

"Sect master. . . , please help me." Cheng Mengyan asked Qing Cheng for help.

"Husband, stop, you can kill her" Qing Cheng tried to pull Ye Chen away from Cheng Mengyan.

After considerable effort Qing Cheng was finally able to separate Ye Chen from Cheng Mengyan.

When Ye Chen was separated from Cheng Mengyan by Qing Cheng, Ye Chen's large object was presented in front of Nanhua Caiyi.

Nanhua Caiyi's eyes widened when she saw Ye Chen's majestic object, Nanhua Caiyi saw an object this big for the first time.

There was no man who could match Ye Chen's object that was so great.

Nanhua Caiyi's body became hot when she saw Ye Chen's immense object, Nanhua Caiyi currently wanted to try Ye Chen's large object.

Ye Chen's large thing would definitely be too delicious for her to eat.

"Nanhua Caiyi please help me" Qing Cheng tried to ask Nanhua Caiyi for help, Qing Cheng felt that she could not hold Ye Chen any longer.

Nanhua Caiyi understood, she immediately took off the cloth that was on her body.

Nanhua Caiyi rushed to the front of Ye Chen, kneeling right in front of Ye Chen's immense object.

Nanhua Caiyi started to stretch out her hand to touch Ye Chen's large object.

"Geez, this is real real, it's big, hot and so violent." After touching and feeling the heat and violence of Ye Chen's object, Nanhua Caiyi was absolutely certain that this was real and not a toy or an imitation.

Chapter 513 - Master, Hurry Up And Do Me

Nanhua Caiyi started rubbing Ye Chen's large object using the right hand she had.

Nanhua Caiyi's hand movements were very skilled, Ye Chen's object became even bigger when rubbed by Nanhua Caiyi's hands.

"wow, it can still get bigger again." Nanhua Caiyi couldn't believe that the thing in her hand could still get bigger again.

Nanhua Caiyi couldn't take it anymore, she wanted to taste Ye Chen's thing.

Nanhua Caiyi put these things into her mouth, Ye Chen's large objects were all swallowed up by Nanhua Caiyi with great ease.

Nanhua Caiyi didn't care if this was dirty, the taste of tasting this thing was indescribable.

Nanhua Caiyi's throat was full when she tried to eat this huge thing.

Nanhua Caiyi didn't look like she was in pain, she seemed to really enjoy the big thing in her mouth.

"Slurp. . . , Jubo. . ." Nanhua Caiyi started moving back and forth, her tongue also started working to serve this large object, Nanhua Caiyi's hand also stimulated Ye Chen's two ball sacks.

"Emmmm" Ye Chen started to groan when his object was stimulated by Nanhua Caiyi's mouth.

The service provided by Nanhua Caiyi is indescribable, Nanhua Caiyi is very experienced.

Nanhua Caiyi was really too stimulating, she was really like a succubus that was sucking its prey dry.

Qing Cheng saw what Nanhua Caiyi was doing, when Qing Cheng saw what Nanhua Caiyi was doing, she felt excited.

At this time, Qing Cheng also wanted to taste the large object that Nanhua Caiyi ate, which looked very delicious.

"Hmm, this is so delicious, master's is extraordinarily big." Nanhua Caiyi praised Ye Chen's thing which was too delicious to eat.

After praising Ye Chen's tastes, Nanhua Caiyi continued the service she had done for Ye Chen.

"Ahhh" Ye Chen walked over to Nanhua Caiyi who was in front of him.

Within 10 minutes, Ye Chen finally fired a very powerful shot into Nanhua Caiyi's mouth.

Ye Chen couldn't stand the stimulation given by Nanhua Caiyi.

"Ummmm" Nanhua Caiyi's cheeks puffed up as she received an immense amount of Yangqi Ye Chen's Essence.

Nanhua Caiyi did not expect that Ye Chen would bring out so much Yangqi and was so pure.

Plus, Ye Chen's Yangqi Essence was so delicious.

Nanhua Caiyi was just like the women who had tried Ye Chen's Essence taste, she was instantly hooked by this taste.

"Glup. . ., Glup. . .Glup. . ." Nanhua Caiyi started to ingest all the Yangqi essence that Ye Chen had.

She didn't spare a drop of Yangqi that came from Ye Chen, because Nanhua Caiyi used the Queen Heart Silk on Ye Chen, the amount of essence that came out was much greater than usual.

Even after more than 2 minutes Ye Chen had not stopped taking out his Yangqi within Nanhua Caiyi.

Finally, after 3 minutes Ye Chen stopped, even though he had taken out such a large amount of Yangqi, Ye Chen was still very strong.

There was no sign that Ye Chen was conscious after taking out that much Yangqi.

Qing Cheng was even more worried when she saw that nothing had changed to Ye Chen.

Ye Chen's situation only got worse, Qing Cheng had a hard time keeping the uncontrollable Ye Chen.

"Hey Nanhua Caiyi, is there nothing you can do, Ye Chen is still not aware." Qing Cheng urged Nanhua Caiyi to do something to Ye Chen.

"Slurp. . ." Nanhua Caiyi is currently focused on cleaning Ye Chen's things, she made sure that no Yangqi was left on Ye Chen's body.

After finishing cleaning, Nanhua Caiyi got up on the floor.

Nanhua Caiyi went to the wall in this room, she put her two hands on the wall, Nanhua Caiyi also leaned slightly forward.

From here Ye Chen and Qing Cheng could see the gate to the Nanhua Caiyi honey cave which was still pink and still very bright, plus the Nanhua Caiyi honey cave was like a river flowing in large amounts of water.

What Nanhua Caiyi was doing was very stimulating.

"Master, hurry up and do me" Nanhua Caiyi invited Ye Chen to do it herself.

Nanhua Caiyi couldn't wait to try how great Ye Chen's big thing would be if he entered her honey cave.

Ye Chen who was in Qing Cheng's arms started to rebel, he tried to get away from Qing Cheng.

Qing Cheng was no longer able to hold Ye Chen back, she finally let Ye Chen go.

Ye Chen was like a raging bull, he went towards Nanhua Caiyi who was making a very sexy pose.

Without waiting much time, little brother Ye Chen entered the honey cave which was extremely soft, tortuous and extremely narrow.

"Arghh" Ye Chen groaned as he tried to taste Nanhua Caiyi's honey cave.

Nanhua Caiyi's honey cave is very, very comfortable, Ye Chen feels that his thing is being swallowed into something very soft and very tight, plus it is a bit tortuous.

"Ahhh ..., this is amazing, Master ,your is enormous, it makes Caiyi very full." With a face filled with happiness, Nanhua Caiyi said to Ye Chen.

Nanhua Caiyi felt so full, this feeling was just extraordinary once.

she had never felt something like this in her life.

Ye Chen started to piston on Nanhua Caiyi, Ye Chen's movements were so fast, Nanhua Caiyi's body was shaking because the pleasure she was getting couldn't be described at all.

Nanhua Caiyi didn't know if she did relationships Dual Cultivation will be great fun, in thousands of years of her life, this was the first time she was feeling the most comfortable and enjoyable in this world.

"Gahhh" Ye Chen really can not stand the artifacts belong to Nanhua Caiyi.

walls Cave honey Nanhua Caiyi is amazing, sometimes it will be so tight, sometimes it will wrap up like a tongue, sometimes it will blow. suction Ye Chen's thing into flower Core.

The artifact that Nanhua Caiyi had was extraordinary, being inside was too inconvenient for Ye Chen.

Nanhua Caiyi could control the artifacts she had at will, this way a man who entered would be very comfortable with this.

What Nanhua Caiyi did could not be done by just any woman, it would take quite a long time to practice to master it to use it like Nanhua Caiyi.

"This is amazing." Nanhua Caiyi very quickly reached the peak of happiness, she was easily made like this by Ye Chen who was very aggressive.

Ye Chen didn't stop, he kept pumping to get more pleasure from the artifact that Nanhua Caiyi had.

Nanhua Caiyi was very surprised when she saw Ye Chen's endurance, Ye Chen's endurance was too strong.

Nanhua Caiyi was constantly fed by Ye Chen's large object, the two of them tried all the difficult moves to make, it's great that Nanhua Caiyi was able to do the difficult moves that Ye Chen wanted.

Next to the two of them, at this time Qing Cheng's face was very red, Qing Cheng could not bear to see the obscene thing Ye Chen and Nanhua Caiyi were doing.

Qing Cheng wanted to join, unfortunately for now he had to let Nanhua Caiyi heal Ye Chen first.

3 hours passed very quickly, Nanhua Caiyi is currently still under Ye Chen, looking from everywhere Nanhua Caiyi is very tired.

Nanhua Caiyi began to be unable to withstand this strong Ye Chen, apart from having strong strength, it turned out that Ye Chen was also very strong in this area, even Nanhua Caiyi the experienced was unable to match Ye Chen.

Chapter 514 - Foursome

Even though Nanhua Caiyi had absorbed quite a lot of Yangqi that Ye Chen had, strangely the Yangqi that Ye Chen had seemed endless.

Ye Chen seemed to have endless Yangqi.

If it continued like this, then sooner or later Nanhua Caiyi would lose.

He currently needed help from someone to fight against Ye Chen's abnormal strength.

Nanhua Caiyi finally had an idea to tackle Ye Chen.

"You two, ahhh come here quickly" Nanhua Caiyi ordered Qing Cheng and Cheng Mengyan to come closer to her.

Currently Cheng Mengyan has improved quite a bit, she is already conscious and is currently sitting next to Qing Cheng.

3 hours was enough for Cheng Mengyan to take a short break.

Seeing Nanhua Caiyi calling out, Qing Cheng and Cheng Mengyan headed towards Nanhua Caiyi.

I will give. . . . you two a. . . . Dual Cultivation technique named Queen Heart Silk. . . , you two prepare yourselves. . ."Nanhua Caiyi told Cheng Mengyan and Qing Cheng to prepare themselves to receive the Queen Heart Silk technique from her.

Nanhua Caiyi's tone was a little faltering, at this time she was enduring the pleasure emanating from Ye Chen's large object.

Qing Cheng and Cheng Mengyan understood, they immediately closed their eyes.

Nanhua Caiyi stretched her finger towards Qing Cheng and Cheng Mengyan, she started transferring information about the Queen Heart Silk.

A mass of information regarding the Queen Heart Silk technique began to enter the minds of Qing Cheng and Cheng Mengyan.

After giving information to Qing Cheng and Cheng Mengyan, Nanhua Caiyi pulled out her finger.

"You two quickly learn that, after finishing I want you two to help me, Ahhh. . . , master please a little slowly. "Nanhua Caiyi couldn't stand the pleasure that came from Ye Chen's large object.

Qing Cheng and Cheng Mengyan nodded, they were about to learn the Dual Cultivation Queen Heart Silk technique that Nanhua Caiyi had given them.

When Qing Cheng and Cheng Mengyan studied Queen Heart Silk, Nanhua Caiyi would continue to hold Ye Chen like this, she hoped that Qing Cheng and Cheng Mengyan would not disappoint her.

Time is ticking, Nanhua Caiyi is currently still fighting Ye Chen, Nanhua Caiyi already feels like she's reaching the limit she can do.

Nanhua Caiyi did not expect that Ye Chen was this strong, all of Nanhua Caiyi's arrogance immediately disappeared when fighting Ye Chen.

Now that Nanhua Caiyi had completely been conquered by Ye Chen, Nanhua Caiyi now could no longer leave Ye Chen in her lifetime.

"Master, Caiyi will always serve you forever." Nanhua Caiyi made an oath to forever serve Ye Chen.

It's a shame that Ye Chen is currently unconscious, currently Ye Chen just wants to continue doing the beautiful and very Sexy Nanhua Caiyi.

Finally, after a long time, Qing Cheng was finally able to master the Queen Heart Silk technique given by Nanhua Caiyi.

After he mastered the Queen Heart Silk technique, it was time for Qing Cheng to replace Nanhua Caiyi who was already very exhausted.

While Cheng Mengyan was a little slower in mastering the Queen Heart Silk technique, she would still need some more time for her to completely master the Queen Heart Silk.

Qing Cheng took over Nanhua Caiyi's position, so he immediately drove Ye Chen's body and entered Ye Chen's big brother, Qing Cheng starting a fierce battle with Ye Chen.

The feeling of having intercourse with Ye Chen was amazing, Qing Cheng couldn't stand Ye Chen being this aggressive.

"Ahh. . ., ahh. . ., ahh. . .," Now it is Qing Cheng's turn to moan that sounded quite loud in this room.

Nanhua Caiyi was very happy that Qing Cheng had taken her place, now that she had time to rest and recover.

Qing Cheng could only last for 2 hours only, the uncontrollable Ye Chen was not an opponent for Qing Cheng at all.

Luckily Cheng Mengyan had finished mastering Queen Heart Silk, so Qing Cheng's position could be replaced by Cheng Mengyan.

The exhausted Qing Cheng rested beside Nanhua Caiyi, she would let Cheng Mengyan take care of Ye Chen for a while.

Cheng Mengyan took the place of Qing Cheng, she immediately put Ye Chen's younger brother into her honey cave.

When Cheng Mengyan did this, she felt that her body was so full, she felt the pleasure she had previously felt.

To get more pleasure, Cheng Mengyan started moving up and down on top of Ye Chen's body, Cheng Mengyan started a new chapter with Ye Chen.

Nanhua Caiyi, Qing Cheng, Cheng Mengyan took turns to absorb the Yangqi advantage that Ye Chen had, even though they had worked together in absorbing Ye Chen's Yangqi using Queen Heart Silk, they still couldn't make Ye Chen aware.

3 days and 3 nights have passed, during these 3 days and 3 nights Qing Cheng, Cheng Mengyan and Nanhua Caiyi were continuously forced to serve Ye Chen's libido, the three of them joined hands to serve Ye Chen.

Qing Cheng, Cheng Mengyan, and Nanhua Caiyi's appearances were very lewd, their bodies were filled with Ye Chen's thick Essence, plus their hair was very messy.

3 days and 3 nights is such a long time, both Qing Cheng, Cheng Mengyan and Nanhua Caiyi are so tired right now, they can't even move their bodies.

they could only accept the invasion from Ye Chen passively, after 3 days 3 nights Yangqi Ye Chen's excess started to subside, now Ye Chen started to regain consciousness.

"What just happened?" When Ye Chen came to his senses he saw 3 beautiful women who were in a very extremely appearance lewd and passionate.

"Master, you just lost control because of the excess Yangqi in your body, these three women help you heal the Yangqi strength you have, otherwise you might be in danger." Chu Yuechan told Ye Chen what had happened earlier.

Ye Chen started to vaguely remember what happened to him during these 3 days and 3 nights, during these 3 days he forced Qing Cheng, Cheng Mengyan and Nanhua Caiyi to serve him.

he also remembered that he was extremely rude to Qing Cheng, Cheng Mengyan and Nanhua Caiyi, to the point that the lower part of the three of them was swollen quite badly.

Among Qing Cheng, Cheng Mengyan and Nanhua Caiyi, Cheng Mengyan's condition was the worst, because Cheng Mengyan was still the first time, she was suffering the most unbearable pain.

to make up for the mistakes he had done for 3 days and 3 nights to Qing Cheng, Cheng Mengyan and Nanhua Caiyi. Ye Chen decided to take care of the bodies of the three.

Qing Cheng, Cheng Mengyan are currently sleeping very peacefully, they look very satisfied after doing fun things for 3 days and 3 nights together with Ye Chen.

a while later Ye Chen finished taking care of Qing Cheng, Cheng Mengyan and Nanhua Caiyi.

now Qing Cheng, Cheng Mengyan and Nanhua Caiyi's appearances had gotten a little nicer.

Ye Chen looked at Qing Cheng, Cheng Mengyan and Nanhua Caiyi, after receiving Ye Chen's Yangqi Essence the three of them became even more beautiful, their skin looked more moist, soft and looked very beautiful.

the most amazing was the improvement made by Qing Cheng, Cheng Mengyan and Nanhua Caiyi.

Qing Cheng was currently in the fifth stage of Ancient Warrior Realm.

Cheng Mengyan was currently in the eighth stage of Emperor Realm.

whereas Nanhua Caiyi had already broken through to the first stage of the Divine Nascent Realm, thanks to Ye Chen's extremely pure Yangqi, she was able to break through to the highest stage that no cultivator on earth had ever reached.

Nanhua Caiyi was the first person to successfully step into the first stage of the Divine Nascent Realm. thanks to the Queen Heart Silk that the three of them used, the three of them were able to break through to this much stage.

It was not only these three women who managed to break through, at this time Ye Chen also broke through to the tenth level of the Overlord Realm, this was a blessing in the calamity that Ye Chen had previously experienced.

Ye Chen had a big problem in a situation like this, he just took Cheng Mengyan's first time, if Zhao Yanyan knew that Ye Chen had a relationship with Cheng Mengyan, Zhao Yanyan would definitely be angry with Ye Chen.

Ye Chen was confused about how he would solve this problem, as a man he couldn't possibly run away from a responsibility he had.

If he runs away from responsibility then he is tantamount to a coward.

"Let this happen, I will accept the worst consequences" Ye Chen was ready to accept the worst consequences that would happen later.

Chapter 515 - Sister Caiyi, Stop It, Don't Tease Me

For Nanhua Caiyi's problem, Ye Chen doesn't bother too much, Nanhua Caiyi is now Ye Chen's servant, she will remain Ye Chen's forever.

So Ye Chen's other women would easily accept Nanhua Caiyi.

When Ye Chen was thinking about Cheng Mengyan, it just so happened that Qing Cheng, Cheng Mengyan and Nanhua Caiyi woke up.

They all woke up at the same time, when they looked at Ye Chen who was already conscious, they all looked very happy.

"Husband, Ye Chen, Master." Qing Cheng, Cheng Mengyan, Nanhua Caiyi simultaneously called Ye Chen's name, the three of them hugged Ye Chen's body.

"Boing. . . , Boing. . . , Boing. . ."The soft objects belonging to Qing Cheng, Cheng Mengyan and Nanhua Caiyi are tightly pressed against Ye Chen's body.

The six large mountain peaks stuck to Ye Chen's body, this sensation was so amazing, Ye Chen's younger brother who was below started to rise again when receiving this kind of stimulation.

Qing Cheng, Cheng Mengyan and Nanhua Caiyi didn't know that what they were doing right now was so stimulating to Ye Chen.

The three of them were too happy after seeing Ye Chen recover from Yangqi's excess, to express the joy they had, they subconsciously embraced Ye Chen.

Ye Chen embraced Qing Cheng, Cheng Mengyan and Nanhua Caiyi, however these three women had struggled very hard to treat him previously uncontrollable self.

"husban you're okay?" Qing Cheng cried in Ye Chen's arms, she was happy when she found out that Ye Chen was fine.

"I'm fine, sorry to worry you." Ye Chen tried to comfort Qing Cheng to stop crying.

Cheng Mengyan and Nanhua Caiyi were speechless, the two of them were currently hugging Ye Chen with great joy.

"You three should rest, I know that you are all tired." Ye Chen told Qing Cheng, Cheng Mengyan and Nanhua Caiyi to rest.

The three of them were still very tired because of the fierce battle they had fought for 3 days and 3 nights.

The current Qing Cheng, Cheng Mengyan and Nanhua Caiyi were indeed very tired, they all felt that their feet were soft and a little sore.

The three of them knew that the lower part they had was swollen quite badly.

"Well we will rest." Qing Cheng, Cheng Mengyan and Nanhua Caiyi nodded, the three of them would rest.

"I'll go out first" Ye Chen wanted to go out to get some fresh air.

Ye Chen immediately took a new clothes to use, the previous clothes were dirty enough and couldn't be worn anymore, that's why Ye Chen took new clothes.

After changing clothes to new ones, Ye Chen walked out of this room.

After Ye Chen walked out of this room, finally Qing Cheng, Cheng Mengyan and Nanhua Caiyi could relax.

"Master is too strong, even after the fierce battle last night he can still move normally." Nanhua Caiyi did not expect that Ye Chen could still carry out normal activities after the long battle of 3 days and 3 nights.

"he is not normal, therefore it is quite difficult to fight Ye Chen without another sister to help" Qing Cheng said to Nanhua Caiyi.

"Hehehe, I wonder if Master still has other women outside, it's not strange, with the large capital he has, I'm sure no woman can leave after they taste the master's taste." Nanhua Caiyi was sure that no woman in this world would be hold after trying 1x the taste of Ye Chen's large object.

Qing Cheng and Cheng Mengyan smiled when they heard Nanhua Caiyi's words.

Qing Cheng and Cheng Mengyan also knew that after a woman tasted Ye Chen's taste, they wouldn't be able to leave Ye Chen.

Even Cheng Mengyan, who was previously a virgin, could no longer leave Ye Chen.

"Is this just my feeling or are you both prettier now?" Nanhua Caiyi just realized that Qing Cheng and Cheng Mengyan had become prettier than before.

Especially Cheng Mengyan, she looked absolutely prettier now and was even more moist than before.

Hearing this, Cheng Mengyan touched her skin, when she did that she felt that her skin had become more moist and beautiful than before, previously Cheng Mengyan did not remember that she had this good skin.

Cheng Mengyan currentwas eager to see how hers would look in the mirror.

"Fufufu, this is one of the greatness of Yangqi essence that husband has, this has the effect of beautifying women, in addition it can also increase the strength of us women." Qing Cheng began to explain one of the effects that could be obtained from Ye Chen's Yangqi Essence.

"Is it true?" Nanhua Caiyi couldn't believe that Ye Chen's Yangqi essence was that great.

Nanhua Caiyi took a mirror, she began to look at herself in the mirror, when Nanhua Caiyi looked at herself in the mirror, Nanhua Caiyi found that she had indeed become prettier and more humid than before.

In addition, Nanhua Caiyi felt that her strength had become very strong, Nanhua Caiyi felt that she had broken through to the legendary Divine Realm stage.

It was unexpected that doing something like that with Ye Chen would raise Nanhua Caiyi's strength to a legendary level no one had ever reached.

Nanhua Caiyi looked at Qing Cheng and Cheng Mengyan, she saw that these two women had also experienced a tremendous increase in strength.

It seems that what Qing Cheng said is true, Ye Chen's Yangqi essence is very special, if this is known to women around this world, then they will be very willing to be slept by Ye Chen.

Who is the woman in this world who doesn't want to be beautiful and has strong strength, all women must dream of that.

"This is so amazing, if this is leaked to the outside world, maybe there will be a lot of beauties who come to see Ye Chen" Nanhua Caiyi said with a little joking.

Qing Cheng and Cheng Mengyan smiled when they heard this.

"Let's rest, from now on we will be sisters." After the 3 days and 3 nights of fierce fighting, Nanhua Caiyi already considered Qing Cheng and Cheng Mengyan as sisters.

Qing Cheng and Cheng Mengyan nodded, they didn't mind being sisters with Nanhua Caiyi.

Qing Cheng, Cheng Mengyan and Nanhua Caiyi slept while hugging each other, their skin and bodies rubbing against each other as they hugged.

"sister Caiyi, I am quite jealous of the body you have, what is the secret that makes your body like that?" Qing Cheng wanted to know Nanhua Caiyi's secret to get a very sexy body like this.

Cheng Mengyan was just as curious as Qing Cheng, she wanted to know a secret from Nanhua Caiyi.

Every woman dreams of Nanhua Caiyi's Sexy and perfect body, that includes Qing Cheng and Cheng Mengyan.

"You don't need to worry, if you continue to cultivate Queen Heart Silk, you can have a body like mine." Nanhua Caiyi told Qing Cheng and Cheng Mengyan about Queen Heart Silk.

As long as Qing Cheng and Cheng Mengyan kept cultivate Queen Heart Silk, they could be like her.

"What are you jealous of me for, don't you already have a strong enough capital?" Nanhua Caiyi started touching Qing Cheng's double peak, this thing was a little bigger than Nanhua Caiyi's.

"Master, must have touched this large thing of yours a lot, right?" Whispered Nanhua Caiyi to Qing Cheng.

"Sister Caiyi, stop it, don't tease me, I am currently very tired." Qing Cheng asked Nanhua Caiyi to stop teasing her.

Unfortunately Nanhua Caiyi didn't want to stop, she continued to advocate for Qing Cheng, Cheng Mengyan who was next side was also dragged into the water by Nanhua Caiyi.

Qing Cheng, Cheng Mengyan and Nanhua Caiyi were currently joking in the room, they looked like a bunch of young girls that had just bloomed.

Chapter 516 - Kicked Ji Te

Ye Chen is currently going to a garden that is in the middle of the Cherry Blossom Sect, he is currently thinking about something that makes his heart uneasy.

Ye Chen was currently thinking about the ancient (Yang) body he had, it was unexpected that if he was Yangqi's superiority like before he became out of control.

Ye Chen felt like a wild beast when he lost his consciousness.

If that happened at an important moment what would happen to him, wouldn't Ye Chen be a beast that would rape every woman he met?

That was the thing Ye Chen didn't want the most, Ye Chen didn't want himself to change to the way he was before.

Ye Chen had to be a little careful with things like wine Yin u0026 Yang, otherwise he would be like last night.

" Ye Chen why are you here? " when Ye Chen was thinking alone in this garden, suddenly a woman came over to Ye Chen.

The woman who approached Ye Chen was Qing Yinan, Qing Yinan asked why Ye Chen was in this park alone.

"Nothing, I'm just getting some fresh air." Ye Chen didn't tell Qing Yinan what had happened to him, he didn't want this to be known to outsiders like Qing Yinan.

Qing Yinan: "oh. . . ."

"The garden in the Cherry Blossom Sect is pretty good too, who designed it." Ye Chen tried to change a topic of conversation with Qing Yinan.

"This garden was designed by female disciple in the Cherry Blossom Sect, because now there are more female than man, this place is converted into a nice and beautiful garden".

"We women like to collect flowers from various places and plant them in this place, this is done to overcome the boredom we have" Qing Yinan explained to Ye Chen about the origin of this garden.

"Oh, it's like that." Ye Chen nodded at Qing Yinan.

"Yinan! ! ! "When Ye Chen and Qing Yinan were alone in the Cherry Blossom Sect Garden, suddenly a man came and shouted at Qing Yinan.

The man who came was a leader of the Six Door organization, namely Ji Te, Ji Te looked angry when he went towards Ye Chen and Qing Yinan.

Ye Chen didn't know what Ji Te needed, judging by Ji Te's expression, he looked quite angry.

A few moments later Ji Te arrived in front of Ye Chen and Qing Yinan.

"Yinan, so this is what you mean by important matters, it turns out that the important business you mean is to be alone with this man." Ji Te took his anger out on Qing Yinan.

Ji Te deliberately followed Qing Yinan to find out what Qing Yinan was doing, unexpectedly Qing Yinan would instead be alone with a handsome young man.

Ye Chen looked at Ji Te, it seemed like he had a misunderstanding of what was happening right now.

"Ji Te I told you that I don't like you, why do you stick with me? ,You should go back to the Six Door organization." Qing Yinan was a little dissatisfied when she saw Ji Te always clinging to her, Qing Yinan wanted to expel Ji Te away as far as possible of herself.

"Yinan ,why are you doing this to me, now that I've become strong, why do you keep rejecting me?" Ji Te still didn't accept it when Qing Yinan rejected him.

Qing Yinan is Ji Te's first love, for all this Year Ji Te has always practiced and trained to become stronger, this he did to get his first love Qing Yinan.

Unfortunately, after a long effort, Ji Te was still rejected by Qing Yinan.

"I don't care if you become strong now and become a leader in the Six Door organization, I reject you because you are not the type of man I like." Qing Yinan told Ji Te that he was not the type of man she liked.

Ji Te didn't expect that he would get rejection from Qing Yinan like this, he was a little angry when he found out about this.

"After all the things I have done, you still dare to reject me in this way." Ji Te looked very annoyed with Qing Yinan who rejected him in this way.

From Ji Te's body came out a profound fire that was hot enough, this fire began to burn the flowers in this garden.

"Ji Te what are you doing? ,Quick, stop" Qing Yinan told Ji Te to stop.

Ji Te no longer listened to Qing Yinan's words, at this time Ji Te was like a demon.

Qing Yinan's rejection made Ji Te furious.

Ye Chen saw what Ji Te was doing, this leader of the Six Doors really dared to look for trouble at the Cherry Blossom Sect premises.

If he did this, sooner or later the elders and disciples from the Cherry Blossom Sect would come here.

The people from the Cherry Blossom Sect couldn't possibly allow Ji Te to cause trouble in the Cherry Blossom Sect.

Ji Te started burning ¼ Cherry Blossom Sect garden, seeing this flower garden burning, the female disciple immediately scattered and saw what happened to their garden.

Besides that, there were Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi who also came to this place.

when she felt a powerful force erupting in this garden, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi immediately checked what was going on.

Ji Te's strength was quite threatening for the Cherry Blossom Sect, because this was Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi came to this garden.

"Mr. Ji Te, what are you doing?" Seeing Ji Te burning the flower garden here, Wu Limin immediately questioned Ji Te.

Ji Te was currently not listening to Wu Limin's words, which was in his mind only to vent the anger he had on Qing Yinan.

Ji Te intended to attack Qing Yinan who was next to Ye Chen.

Before Ji Te could attack Qing Yinan, Ye Chen kicked Ji Te out of from Cherry Blossom Sect.

Ye Chen was a little annoyed that Ji Te disturbed his peace, even though he wanted to find a little fresh air to calm his heart, unexpectedly Ji Te came and bothered Ye Chen, this made Ye Chen annoyed.

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi, Qing Yifi and all the female disciple who were here saw how Ye Chen so easily kicked Ji Te out of this Sect.

Thanks to the Event that was held a few days ago, almost all the women in the Cherry Blossom Sect knew about Ye Chen.

Rumors about Ye Chen spread very quickly in the Cherry Blossom Sect, even Ye Chen's massage technique was also very popular among female disciples.

The girls who have experienced Ye Chen's massage technique always brag in front of their friends, they always say that Ye Chen's massage technique is too amazing.

Even some women who had experienced Ye Chen's massage technique began to dub Ye Chen the massage god.

Because of this, both female disciples who are still pure or already have partners in this sect know Ye Chen's name.

They all wanted to try Ye Chen's massage technique which was a hot topic of conversation in the Cherry Blossom Sect.

"Ye Chen, sorry to trouble you" Qing Yinan apologized to Ye Chen because of the incident Ji Te just did.

"You don't need to apologize, it's not your fault." Ye Chen didn't want Qing Yinan to apologize because she wasn't wrong.

Chapter 517 - Ye Chen Became Popular Among The Cherry Blossom Sect Female Disciples

"Sister Yinan, let's take care of Ji Te first, he has dared to cause trouble in our sect, we must not let him come back in and cause trouble "said Qing Hongyu to Qing Yinan.

Since previously Ji Te caused trouble in the Cherry Blossom Sect, the four of them would not allow Ji Te to re-enter the Cherry Blossom Sect.

"Okay, let's go take care of Ji Te." Qing Yinan didn't mind taking care of Ji Te who had dared to cause trouble at Cherry Blossom

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi went to see Ji Te who was Ye Chen kicked walked out of this sect.

They will prevent Ji Te from getting into Cherry Blossom and getting back into trouble.

Poor Ji Te will be kicked out of Cherry Blossom.

Ye Chen saw the departure of Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi, Ye Chen didn't want to interfere too much in matters like this.

He was sure that Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi were enough to drive away Ji Te away from the Cherry Blossom Sect.

Because this garden was messed up by Ji Te, Ye Chen decided to return to the courtyard where Qing Cheng, Cheng Mengyan and Nanghua Caiyi were.

"Young master Ye Chen, wait a moment." When Ye Chen was about to leave the Cherry Blossom Sect garden, suddenly a group of women stopped Ye Chen.

This girl group was a group of girls who had queued a few days ago in front of Ye Chen's yard.

These women wanted to ask Ye Chen for a massage session, a few days ago they hadn't had the chance to experience Ye Chen's massage technique, now they want to experience Ye Chen's massage technique.

"What's the matter", asked Ye Chen to the group of women who stopped him.

" that. . . , may we ask you for a massage session? "Asked the girl group to Ye Chen.

Ye Chen: "Of course you can, but the problem is that my room is currently being used, so. . . "

"You can use our place if you want." This girl group offered Ye Chen to use the space they had.

"Come with us." These women dragged Ye Chen towards where they were staying.

Today's women are eager to try the massage technique that Ye Chen has.

Ye Chen was helplessly dragged by this group of girls towards an area that was reserved for the girls of the Cherry Blossom Sect.

Ye Chen started giving massage to these women, like before Ye Chen only gave 5 minutes for each woman.

During the massage session Ye Chen did not forget to take a little Yinqi which is owned by women.

Within this area dedicated to girls, every time a girl's groaning sound is very exciting, inside this area, the girls from the Cherry Blossom Sect don't hold back their voices leaking out, instead they let their voices leak out for them to hear all women in this area.

The women who were not previously interested in Ye Chen's massage began to try one by one.

.
. .

In just an instant, several days passed very quickly, during these few days Ye Chen spent his time massaging the women in the Cherry Blossom Sect.

Ye Chen started to become very popular among the female disciples in the Cherry Blossom Sect, many girls were crazy about Ye Chen, even some of these female disciples asked Ye Chen to become their Dual Cultivation partner.

Not only did pure virgin women try to ask Ye Chen to be their partner, women who already had partners also asked Ye Chen to be their partner.

The male disciples in the Cherry Blossom Sect felt very depressed, they all began to be ignored by the female students who were their partners.

After trying Ye Chen's awesome massage technique, some of the Cherry Blossom Sect female disciples could no longer return to the normal intimate relationships they used to have with their respective partners.

Ye Chen's massage session was much more enjoyable than having sex with their partner.

Because of this, the male disciples tried to complain to the Qing Yinan Sect, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi.

Unfortunately, Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi did not listen to the complaints that came from these male disciples.

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi said that if Ye Chen did not violate the rules of the sect, what Ye Chen did was only give a massage, so Ye Chen did not have forbidden relationships with women in this sect.

Actually without anyone knowing Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi had already tried Ye Chen's massage technique, they didn't expect Ye Chen's massage technique to be so extraordinary.

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi were the same as the female disciples in this sect, they all also started getting addicted to Ye Chen's massage technique.

Because of this, Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi did not want to expel Ye Chen from the Cherry Blossom Sect.

Even though Ye Chen made quite a serious mistake within this sect, Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi still could not repel Ye Chen, with Ye Chen's very high strength, no one was around within this sect who were able to drive away Ye Chen.

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi could only let Ye Chen do what he wanted in this sect.

.
. .

Ye Chen currently went to see Qing Cheng, Cheng Mengyan and Nanhua Caiyi.

It is such a coincidence that they were currently still in the same room.

Ye Chen entered the room where Qing Cheng, Cheng Mengyan and Nanhua Caiyi, when Ye Chen entered the room, he was greeted by smiles from Qing Cheng, Cheng Mengyan and Nanhua Caiyi.

"Fufufu, husband, it looks like you are getting more and more popular in this sect" said Qing Cheng playfully.

" how do you know ?" Ye Chen asked Qing Cheng.

"All the female disciples in this sect are talking about you, you are the hottest topic among the female disciples here" Qing Cheng told Ye Chen where she got this information from.

" Sigh . . . These girls here are very aggressive, they don't let me go. " Ye Chen sighed when talking about the female disciples in the Cherry Blossom Sect.

The female disciples in the Cherry Blossom Sect were too aggressive, they didn't even let Ye Chen go and kept asking Ye Chen for a massage session.

Ye Chen even had to sneak away to get to this place, if he didn't do that, he would continue to be asked for help by the female disciples who were here.

"Chuckle." Qing Cheng giggled when she heard this from Ye Chen.

""How are you currently , Are you feeling better? " Ye Chen asked the circumstances of Qing Cheng, Cheng Mengyan and Nanhua Caiyi.

"We feel better already, you don't have to worry anymore " Qing Cheng, Cheng Mengyan and Nanhua Caiyi have gotten better thanks to a few days of rest, They are now fully recovered.

"Good, then let's leave this place, I've been away for a long time, it's time for me to come back." Ye Chen invited Qing Cheng, Cheng Mengyan and Nanhua Caiyi to return to Ye Chen's villa.

Chapter 518 - Leaving Cherry Blossom Sect

There was no way that Ye Chen would stay here for a long time, he had to return to the life he had, Ye Chen's goal was to become even stronger, he had to find resources to increase the strength he had.

The Cherry Blossom Sect wasn't a place that could provide Ye Chen with the resources he wanted.

"OK, we will all follow you." Qing Cheng, Cheng Mengyan and Nanhua Caiyi compactly answered Ye Chen.

The three of them would follow Ye Chen wherever he went.

"Good." Ye Chen nodded at Qing Cheng, Cheng Mengyan and Nanhua Caiyi.

"Then let's go." Ye Chen invited Qing Cheng, Cheng Mengyan left the Cherry Blossom Sect.

"Husband, wait a moment, before I leave I want to pass down the sect master position to someone." Before leaving, Qing Cheng wanted to pass the sect master position to one of the five elders of the Cherry Blossom Sect.

"So why do you want to pass the sect master position to others?" Asked Ye Chen to Qing Cheng.

"Since I can't continue to be here, then I'd better pass this position on to someone worthy", Qing Cheng told Ye Chen, why did she want to pass the position of the sect master she had to others who were worthy.

From now on, Qing Cheng wanted to live with Ye Chen's family, she didn't want to be away from Ye Chen anymore, after all, the Cherry Blossom Sect was strong enough even without her.

In addition, Qing Cheng left quite a lot of resources for everyone in the Cherry Blossom Sect, so she didn't have to worry about the Cherry Blossom Sect anymore.

"If that's what you want, then do it", since this is Qing Cheng's wish, Ye Chen will support this decision.

"Thank you very much." After getting Ye Chen's permission, Qing Cheng immediately went to look for the whereabouts of Qing Yinan and the others.

"Wife, I will wait for you outside the sect entrance", Ye Chen told Qing Cheng that they would be waiting at the entrance of the Cherry Blossom Sect sect.

"Okay, after I'm done with my business, I'll immediately go see you", Qing Cheng said to Ye Chen.

After saying to Ye Chen, Qing Cheng left this room.

"Let's wait at the Cherry Blossom Sect entrance." Ye Chen invited Cheng Mengyan and Nanhua Caiyi to wait in front of the Cherry Blossom Sect entrance.

"okay." Cheng Mengyan and Nanhua Caiyi simultaneously answered Ye Chen.

Ye Chen, Cheng Mengyan and Nanhua Caiyi headed for the Cherry Blossom Sect entrance.

The three of them waited for Qing Cheng to finish her business, after approximately 20 minutes of waiting at the entrance, Qing Cheng finally came here.

Qing Cheng came here together with Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi.

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi wanted to drive Qing Cheng away.

"Alright, from now on I leave the affairs of this sect to all of you, I hope you can manage this sect well" Qing Cheng told Qing Yinan, Qing Hongyu, Wu Limin, Zhou. Xi and Qing Yifi to better manage this sect.

"Sister Cheng, we will definitely manage this sect very well, you don't have to worry." Qing Yinan answered Qing Cheng.

Qing Yinan is now the new sect master of the Cherry Blossom Sect, after a lengthy negotiation, Qing Yinan finally decided to replace Qing Cheng.

Qing Yinan was very helpless about this, even though she didn't really like troublesome jobs like the sect master's position, but due to pressure from other elders Qing Yinan finally accepted the sect master position.

"Then I'll go first, if there is a problem that you all can't solve, you can look for me, you know where to find me", Qing Cheng said goodbye to Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi.

Qing Cheng hugged all the women before she left together with Ye Chen to leave the Cherry Blossom Sect.

after finishing hugging, Qing Cheng went to Ye Chen's side.

"Is it done ?" Ye Chen asked Qing Cheng.

" let's go right now." All the business here was finished, Qing Cheng didn't have to worry about the Cherry Blossom Sect.

"Okay, then let's go." Ye Chen took out a profound ark, this profound ark belonged to Dongfang Xiu which was still on Ye Chen's body.

Whenever Ye Chen saw this Profound Ark he always remembered Goddess Dongfang Xiu.

"Let's go up", Ye Chen invited Qing Cheng Mengyan and Nanhua Caiyi to board the profound ark.

After the four of them went up, "Rumble. . . ", The Profound Ark began to fly leaving the Cherry Blossom Sect.

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi waved their hands in the direction of Ye Chen, Qing Cheng, Cheng Mengyan and Nanhua Caiyi.

"Now sister Cheng and Ye Chen are gone." Qing Yinan saw that the profound ark that Ye Chen, Qing Cheng, Cheng Mengyan and Nanhua Caiyi were riding disappeared towards the horizon.

Qing Yinan felt a little lost when she saw Ye Chen leave, they now couldn't taste Ye Chen's massage technique which was extraordinarily pleasant.

Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi also felt the same way, they also felt a little lost.

"Let's go inside." Qing Yinan invited Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi to join the sect.

"Both sect masters" Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi answered Qing Yinan in a very unanimous manner.

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi belonged to the sect.

When Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi wanted to enter the sect, the female disciples walked out towards the sect entrance.

"Elder, what happened just now", the female disciples asked what kind of loud Rumble they had just heard.

"It's nothing, let's go inside" Qing Yinan told all the female disciples to re-enter the sect.

Qing Yinan purposely didn't tell his departure Ye about Chen told the women in this sect, she didn't want the female disciples to be sad when they found out about Ye Chen has left.

The female disciples returned to the sect, at this time they were still looking for Ye Chen's whereabouts, they wanted to find Ye Chen for a massage session that made them happy.

.
. .

Currently on top of the profound ark, Qing Cheng was currently looking towards the Cherry Blossom Sect.

"Are you having a hard leaving that place", Ye Chen asked Qing Cheng.

"No, it's just that I'm still a little worried for Yinan and the others" said Qing Cheng to Ye Chen.

"You don't need to worry, I'm sure that they'll be fine even if you're not around." Ye Chen told Qing Cheng not to worry about Qing Yinan and the others.

"You may be right" said Qing Cheng to Ye Chen.

Ye Chen nodded at Qing Cheng.

This profound ark headed straight for Villa Ye Chen, in just a few minutes. This profound ark had already arrived atop villa Ye Chen's.

After arriving at the villa, Ye Chen invited all the women to come downstairs.

The women followed Ye Chen down towards the villa, after Ye Chen and all the women got off, the Profound Ark turned into a necklace and returned to Ye Chen's hand.

"Let's go inside." Ye Chen invited Qing Cheng, Cheng Mengyan and Nanhua Caiyi to enter the villa.

Qing Cheng, Cheng Mengyan and Nanhua Caiyi followed Ye Chen into the villa.

Chapter 519 - Childhood Friends Get Along Well Again

Ye Chen, Qing Cheng, Cheng Mengyan and Nanhua Caiyi entered the villa, when they entered the villa they happened to meet Lin Rouxi and Zhao Yanyan.

Lin Rouxi and Zhao Yanyan currently wanted to go to school, when they both wanted to leave the Villa, it just so happened that Zhao Yanyan and Lin Rouxi met with Ye Chen's entourage.

Zhao Yanyan immediately looked at the two women behind Ye Chen, one was a beautiful woman who gave a similar feeling to Cheng Mengyan and one she didn't know who this beautiful woman was.

Zhao Yanyan started looking at Nanhua Caiyi from top to bottom, she saw that besides being very beautiful and also looked very sexy.

After that Zhao Yanyan looked at Cheng Mengyan, for some reason this woman gave Zhao Yanyan a feeling similar to Cheng Mengyan.

Zhao Yanyan herself still didn't know about Cheng Mengyan's real face, therefore Zhao Yanyan had a hard time knowing that this was Cheng Mengyan.

Cheng Mengyan was a little scared when she looked at Zhao Yanyan, she was afraid that Zhao Yanyan wouldn't let herself be with Ye Chen.

Most likely Ye Chen brought these two women home because they were beautiful and very sexy.

"Husband, where have you been?", Zhao Yanyan asked Ye Chen where he had gone from.

"I just went to the Cherry Blossom Sect to pick up Qing Cheng." Ye Chen told Zhao Yanyan where he had been for the past few days.

"Husband, so these are the two new women you brought from the Cherry Blossom Sect?" Lin Rouxi asked Ye Chen about the status of the two women who were behind Ye Chen.

Lin Rouxi already knew that Ye Chen went to the Cherry Blossom Sect, even a few days ago she and Liu Yue made a joke to Ye Chen to bring a new woman home.

It was unexpected that Ye Chen would actually bring two new women home.

Hearing this, Zhao Yanyan immediately looked at Cheng Mengyan and Nanhua Caiyi.

"Husband, is it true that the two of them are your new woman?" Zhao Yanyan asked Ye Chen.

"Well, that's right, this is Cheng Mengyan and Nanhua Caiyi." Ye Chen answered Zhao Yanyan's question, he didn't want to lie to Zhao Yanyan about this matter.

Ye Chen was ready for the worst consequences that would happen, Ye Chen guessed that Zhao Yanyan would be angry when she found out that Ye Chen had a relationship with Cheng Mengyan.

Hearing that this woman really was Cheng Mengyan, Zhao Yanyan immediately looked at Cheng Mengyan.

Cheng Mengyan lowered her head when he was stared at by Zhao Yanyan with such a gaze.

"I see, husband, didn't I tell you not to be close to Cheng Mengyan, why did you even make a relationship with this woman?" Zhao Yanyan said to Ye Chen dissatisfied.

"Yanyan, me. . . ." Ye Chen tried to give Zhao Yanyan an explanation.

"Yanyan, it's not Ye Chen's fault, I was the one who teased Ye Chen", Cheng Mengyan didn't want Ye Chen to scold Zhao Yanyan because of her.

Zhao Yanyan saw Cheng Mengyan stepping forward and tried to help Ye Chen.

It was unexpected that Cheng Mengyan stepped forward and told Zhao Yanyan that she was the wrong woman at first.

"Sigh. . ." Seeing this Zhao Yanyan sighed, Zhao Yanyan found it difficult to scold Ye Chen, Zhao Yanyan turned her attention towards Nanhua Caiyi.

"What is your name?" Zhao Yanyan asked the Sexy woman behind Ye Chen, she wanted to know who this woman was.

"My name is Nanhua Caiyi, I am Ye Chen's servant." Nanhua Caiyi introduced herself to Zhao Yanyan.

Nanhua Caiyi didn't hide the identity she had as a servant from Ye Chen.

Zhao Yanyan started to remember the name Nanhua Caiyi.

"You two come with me, I have something to say to you two" Zhao Yanyan told Cheng Mengyan and Nanhua Caiyi to come with her.

Cheng Mengyan still doubted whether she should follow Zhao Yanyan or not, but if she didn't follow Zhao Yanyan, then her situation would get worse.

While Nanhua Caiyi immediately followed Zhao Yanyan, she had no problem with Zhao Yanyan, so Nanhua Caiyi was more relaxed than Cheng Mengyan.

Seeing Nanhua Caiyi following Zhao Yanyan, Cheng Mengyan helplessly also had to follow Zhao Yanyan to the upper floor where Zhao Yanyan's room was.

"sister Rouxi, you can go to school together with husband, later I will go after you." Zhao Yanyan wanted Lin Rouxi to go to school with Ye Chen first.

"Okay, I'll go together with husband." Since Zhao Yanyan wanted to discuss important matters together with Cheng Mengyan and Nanhua Caiyi, Lin Rouxi would go to school together with Ye Chen.

Zhao Yanyan, Cheng Mengyan and Nanhua Caiyi disappeared and headed upstairs.

"Husband, let's go to school", Lin Rouxi invited Ye Chen to go to school.

"But" Ye Chen wanted to stay here, he wanted to know what Zhao Yanyan would do to Cheng Mengyan and Nanhua Caiyi, he was afraid that Zhao Yanyan would bully Cheng Mengyan.

"You don't need to worry, Yanyan definitely won't do bad things to the two women just now, she just wants to talk to the two of them about something." Lin Rouxi told Ye Chen not to worry, she was sure that Zhao Yanyan wouldn't do something that bad.

Zhao Yanyan is a good woman, she won't do anything bad to Cheng Mengyan.

"Husband, you've been skipping school for a few days, today is my class lesson, I won't let you skip, come with me." Lin Rouxi pulled Ye Chen, she wouldn't let Ye Chen skip again.

In the few days Ye Chen was always skipping class, he was too busy practicing to the point of forgetting about school.

Lin Rouxi knew that Ye Chen was already very smart, even so for now Ye Chen had to stay in school for a formality.

Ye Chen was helplessly dragged by Lin Rouxi to school.

"Goodbye, have a nice day" Qing Cheng waved her hand towards Ye Chen and Lin Rouxi who had just left.

After Ye Chen and Lin Rouxi left, Qing Cheng closed the door of this villa, Qing Cheng wanted to laze a little in her room.

Meanwhile, Zhao Yanyan invited Cheng Mengyan and Nanhua Caiyi to go to her room.

There were many things that Zhao Yanyan of Cheng Mengyan and Nanhua Caiyi wanted to know.

"I want to hear all about how you Two got together with Ye Chen." Zhao Yanyan wanted Cheng Mengyan and Nanhua Caiyi to tell her the beginning of the relationship they had with Ye Chen.

Cheng Mengyan and Nanhua Caiyi began to tell what happened when they were at the Cherry Blossom Sect.

Zhao Yanyan listened to Cheng Mengyan and Nanhua Caiyi's stories.

"So you Two can get in touch with Ye Chen because of an accident?" Zhao Yanyan didn't expect that their relationship would happen by accident.

It seemed that Zhao Yanyan had mistaken Ye Chen as the one who took the initiative to get close to Cheng Mengyan and Nanhua Caiyi.

Zhao Yanyan started to worry a little about Ye Chen's special body after hearing the story from Cheng Mengyan and Nanhua Caiyi, it seems that Ye Chen's body condition is still not in a safe state.

"Mengyan, I want to ask me something, do you like Ye Chen or not?" Zhao Yanyan wanted to know whether Cheng Mengyan liked Ye Chen or not.

"Yes I like Ye Chen, since the first time I saw him I already liked him", Cheng Mengyan told Zhao Yanyan that she liked Ye Chen.

"Is it true? , then what made you like Ye Chen?" Zhao Yanyan wants to find out what made Cheng Mengyan like Ye Chen.

"Ye Chen is, kind, handsome, helpful, so please don't separate me from Ye Chen" Cheng Mengyan told Zhao Yanyan what made her like Ye Chen, Cheng Mengyan also asked Zhao Yanyan not to separate herself from Ye Chen

Zhao Yanyan nodded to Cheng Mengyan "okay, you can be with Ye Chen" Seeing Cheng Mengyan's sincerity, Zhao Yanyan allowed Cheng Mengyan to join Ye Chen's wife group.

Cheng Mengyan did not expect that Zhao Yanyan would allow her to live with Ye Chen.

"Yanyan, thank you very much, I apologize for all the mistakes I did to you in the past." Cheng Mengyan thanked Zhao Yanyan, Cheng Mengyan even grabbed Zhao Yanyan's leg and apologized to Zhao Yanyan for all the mistakes she had made in the past.

Seeing what Cheng Mengyan was doing, Zhao Yanyan felt that she was a bad woman here.

"I've forgiven you, hurry up and wake up." Zhao Yanyan had already forgiven Cheng Mengyan, she told Cheng Mengyan to stand up.

"Thank you." Cheng Mengyan thanked Zhao Yanyan.

"You're welcome." Zhao Yanyan hugged Cheng Mengyan's body, Cheng Mengyan also hugged Zhao Yanyan's body.

It had been quite a while since Zhao Yanyan and Cheng Mengyan had embraced like this.

childhood friends who used to be enemies are now getting along again, all of this said Ye Chen.

Nanhua Caiyi could only see what Zhao Yanyan and Cheng Mengyan were doing from the side, she currently didn't know Zhao Yanyan and Cheng Mengyan's past.

after a while of hugging, Zhao Yanyan and Cheng Mengyan finally let go of each other.

Zhao Yanyan turned her attention to Nanhua Caiyi.

"You said you came from the Kunlun Holy Land, is that true? Zhao Yanyan asked Nanhua Caiyi.

"Yes, I do come from the Kunlun Holy Land , where I come from is the Spring Palace" Nanhua Caiyi told Zhao Yanyan where she came from.

Chapter 520 - Yu Ting Returned

"Spring palace? Isn't that one of the mysterious powers that exist in the Kunlun Holy Land." Zhao Yanyan said to Nanhua Caiyi.

Zhao Yanyan naturally knew quite a bit about Spring Palace from Nangong Xiang', Zhao Yanyan pretty much learned all kinds of knowledge from Nangong Xiang.

Not only Zhao Yanyan who learned knowledge from Nangong Xiang, almost all of Ye Chen's women also learned a lot of new knowledge from Nangong Xiang, Nangong Xiang's knowledge was quite rich, that's why she became the study teacher for Ye Chen's women.

If Zhao Yanyan is not mistaken, Spring Palace is a place filled with beautiful, sexy, and very seductive women, these women like to suck a man dry, in the Kunlun Holy land there are quite a few man cultivators who are afraid of the existence of the Spring Palace.

Even though the women in the Spring Palace are beautiful, sexy and very seductive, man cultivators don't dare to get too close to these women, they are afraid that they will be sucked up by the beautiful, sexy and very seductive women in Spring Palace.

Man cultivators prefer to stay away and run away when they meet women from Spring Palace, they cherish their lives more than the Sexy beauties in Spring Palace.

"Yes, that's absolutely true, we are indeed quite a mysterious power in the Kunlun holy land, not many people know the full power we have" Nanhua Caiyi said to Zhao Yanyan.

Spring Palace is very mysterious, not many man can come out after entering the Spring Palace, that's why Spring Palace is called one of the mysterious powers that exist in the Kunlun Holy Land.

"Isn't that place often said to be a place that likes to suck men dry to the bone, won't you harm Ye Chen?" Zhao Yanyan asked Nanhua Caiyi.

"You don't need to worry, I am now the servant master, I will not harm the master," Nanhua Caiyi replied to Zhao Yanyan.

"You are the servant of the husband, what does that mean?" Zhao Yanyan wants to know what Nanhua Caiyi means about being Ye Chen's servant.

"I now have a master u0026 servant contract with Ye Chen, so now I'm the servant." Nanhua Caiyi told Zhao Yanyan that she had a master u0026 servant contract with Ye Chen.

"Oh. . . .", "Now that Zhao Yanyan understood Nanhua Caiyi's status, it turned out that Nanhua Caiyi formed a Master u0026 Servant contract with Ye Chen.

Now that Zhao Yanyan knew what she wanted, she was no longer curious about Cheng Mengyan and Nanhua Caiyi.

"Mengyan, let's go to school right now" Zhao Yanyan invited Cheng Mengyan to go to school together.

"Alright, but first let me change clothes, I can't possibly go to school with dressed like this" Cheng Mengyan wanted to change clothes first, there was no way he would wear clothes like this to go to school.

Cheng Mengyan might be considered cosplaying if she went to school wearing ancient clothes like those in ancient serial dramas.

Cheng Mengyan immediately went to change clothes.

"May I go to the place you said school earlier, as a servant I want to continue to be beside Master" Nanhua Caiyi also wants to come to school, she wants to stay beside Ye Chen.

As Ye Chen's servant, Nanhua Caiyi had to stay beside Ye Chen.

"It's okay, but your appearance is too flashy, you have to change clothes" Zhao Yanyan saw that Nanhua Caiyi's appearance was too flashy, added that Nanhua Caiyi was too sexy, she must have very easily attracted the attention of the young boys in school.

"You don't need to worry, if I wanted ordinary people wouldn't be able to see where I was." Nanhua Caiyi told Zhao Yanyan that she would create a barrier around herself so that no one in school could see her.

It was easy enough for Nanhua Caiyi to hide herself from an ordinary human.

"Then you can come, but please don't suck the young boys in the school " Zhao Yanyan warned Nanhua Caiyi not to do bad things to the young boys in school.

"Fufufu, you don't need to worry, boy like them are not in my taste, I prefer master more than anything." Nanhua Caiyi giggled when she said this.

"Very good." Zhao Yanyan nodded with satisfaction at Nanhua Caiyi.

"I'm done, let's go." Cheng Mengyan had finished changing clothes, now she changed into a more normal outfit.

After being moisturized by Ye Chen, now that Cheng Mengyan had become a beauty, the aura of maturity she had radiated around her.

Zhao Yanyan, Cheng Mengyan, Nanhua Caiyi immediately left the villa to head to school.

They fly to save time in order to quickly get to school.

.
. .

Meanwhile Ye Chen and Lin Rouxi had just arrived near the school, Ye Chen and Lin Rouxi went to school by flying.

Now that both of them were cultivators, they could fly to save the time they had.

Ye Chen and Lin Rouxi got off near the school, after getting off , Ye Chen and Lin Rouxi walked like normal people.

Incidentally, there are currently quite a few students going to school.

"Husband, why is it so crowded there" Lin Rouxi asked Ye Chen about the crowd of male students at the school gate.

"I don't know either, let's see what happens there." Ye Chen invited Lin Rouxi to see what was going on in front of the school gate.

Why are the boys crowding in front of the school gate.

Ye Chen and Lin Rouxi decided to see what was going on, when they got near the crowd, Ye Chen and Lin Rouxi heard that the boys were cheering very excitedly.

The boys looked like they were watching a very interesting spectacle.

Since Ye Chen was quite tall, he could easily see what these Boys were looking at.

Currently these boys are watching a beautiful woman with a very hot figure, this woman's appearance is very sexy and very seductive.

This woman has long hair, the size of a woman's double peak is at least E Cup, plus she has a very sexy body that can make any guy really excited.

With the presence of Sexy and Seductive women like this, it is only fitting that these boy flock, it turns out that they are looking at women who are Sexy and very seductive.

Ye Chen started to observe this woman even more clearly, when he took a closer look at this woman, he found that this woman was no stranger to him.

"Ehh, Yu Ting? "This woman is definitely Yu Ting, Ye Chen's ex-girlfriend.

Ye Chen did not expect that Yu Ting would turn into a beautiful and very sexy woman like this, even though only 1 month Ye Chen did not see Yu Ting unexpectedly that she would turn out like this.

What made Ye Chen quite surprised was that Yu Ting was now a cultivator, moreover, Yu Ting's level of strength was not low, she was currently at the first level of the Emperor Realm.

This cultivation was quite high, at least with this kind of cultivation, no normal cultivator in the mortal world could threaten Yu Ting.

"Husband, do you know that sexy and seductive woman?" Lin Rouxi asked Ye Chen.

Seeing Ye Chen's expression, you can see that Ye Chen knows this sexy and seductive woman.

Ye Chen nodded at Lin Rouxi, "This woman is my ex-girlfriend, she is called Yu Ting." Ye Chen explained who this woman was to Lin Rouxi.
