

A True God 521

Chapter 521 - Yu Ting Charm

"So this is the Yu Ting that Yanyan told me." Lin Rouxi muttered to herself.

Lin Rouxi knew out about Yu Ting from Zhao Yanyan, Zhao Yanyan told Lin Rouxi everything about Yu Ting.

Lin Rouxi looked at Yu Ting who was currently the center of attention of the young boys in the school.

If you look closely, this woman is indeed beautiful and very seductive, surely many boys will be attracted to Yu Ting.

Despite having a beautiful face and sexy body, this woman was a woman who threw away Ye Chen for money, so that Yu Ting's was not good for Ye Chen at all.

Luckily Ye Chen left this woman first, otherwise Ye Chen would suffer even more if he was with a woman like Yu Ting.

Lin Rouxi started comparing herself to Yu Ting, this woman might be very sexy because the clothes she was wearing were so tight, but if the matter of beauty Lin Rouxi still won far more when compared to Yu Ting.

Yu Ting smiled at the boy who was close to her, the charm techniques learned are very effective in luring innocent boys like them.

Yu Ting can easily manipulate innocent young boys like them, Yu Ting can't wait to make these boys into toys and tools that she has.

After being in the Spring Palace for quite a long time, Yu Ting's mindset had started to change a little, she now considered all the males in this world as toys and tools for her own gratification.

Every man in this world can be subdued very easily if Yu Ting has a charm technique that can make men crazy about her.

In this world Yu Ting will get whatever she wants wealth and luxury she will definitely get soon, she can't wait to live a very luxurious life.

Yu Ting's target after returning to the mortal world was to find some of the men who possessed the most position and wealth in this city, so that she could live a luxurious life every day.

She no longer needs to be afraid of hard life like before, now she can do whatever she wants and nothing can stop her.

Just thinking about this made Yu Ting very happy, Yu Ting flicked her hair at the boys around her, she walked towards the school building.

Yu Ting's way of walking is also very sexy, she shakes her butt when walking.

this kept the young men from blinking when they saw Yu Ting's sexy butt.

The young men started to follow where Yu Ting went, they were all very attracted to Yu Ting, that's why they would follow wherever Yu Ting went.

what is in the minds of these young men now is only filled by Yu Ting alone, they are unable to think of anything other than Yu Ting's very seductive beauty.

they wanted to try their luck by confessing their love for Yu Ting, who knows if they are lucky they can get a beautiful and seductive woman like Yu Ting.

These young men did not know that they were currently under the influence of the technique Charm of Yu Ting's, they were unconsciously controlled by Yu Ting.

"Looks like she's become very popular among the boys in this school. Husband, aren't you bothered by that" asked Lin Rouxi to Ye Chen.

Lin Rouxi was afraid that Ye Chen was still thinking about Yu Ting, after all Yu Ting was Ye Chen's first girlfriend, of course Ye Chen might be a little difficult to forget a woman like Yu Ting.

"Just let her do whatever she wants, after all what she does is also none of my business, I have no relationship with that woman. she's just my the past "Ye Chen doesn't really care about Yu Ting, now he doesn't have any relationship with Yu Ting.

So there was no use for Ye Chen to think about Yu Ting.

"You are absolutely right, the past is the past, now you have all of us, you no longer need to think about women like that." Lin Rouxi was quite happy to hear that Ye Chen did not care about women who had bad qualities like Yu Ting.

Ye Chen made a good choice by leaving a woman like Yu Ting behind, it's not good to hang out with a woman like Yu Ting.

Ye Chen smiled when he heard words Lin's Rouxi, he felt very happy that Lin Rouxi was taking care of him.

Ye Chen stretched out his hand towards Lin Rouxi's waist, "Dear teacher, it's still a long time to school entrance bell, how about we go to your room for a little morning exercise." Ye Chen whispered in Lin Rouxi's ear.

Lin Rouxi's face instantly turned red when she heard Ye Chen's words.

Lin Rouxi immediately tried to get away from Ye Chen. "Husband, I still have important business, I'll go first." Lin Rouxi immediately went to the teacher's office.

She ran like a frightened rabbit when she saw the wolf.

Ye Chen smiled seeing teacher Lin Rouxi's run away in such a manner, it was quite fun to tease Teacher Lin Rouxi into that.

"Husband." Suddenly a woman's voice called Ye Chen from behind.

Ye Chen knew this voice very well, this was clearly Zhao's voice Yanyan, Ye Chen immediately turned to look at Zhao Yanyan.

When he turned around, he found that not only Zhao Yanyan was behind him, currently Zhao Yanyan's side had Cheng Mengyan and Nanhua Caiyi as well.

Ye Chen could still accept that Cheng Mengyan was currently beside Zhao Yanyan, but why was Nanhua Caiyi also currently beside Zhao Yanyan.

What Nanhua Caiyi wanted in a place like a school, was she willing to create a mess by going to a school like.

The chaos that Ye Chen meant was the same as what was previously done by Yu Ting, with the very beauty and sexy body that Nanhua Caiyi had, Ye Chen was very sure that Nanhua Caiyi could easily attract the attention of the young boys in this school.

If it had to be said to be sexier and more seductive between Nanhua Caiyi and Yu Ting, Ye Chen would definitely choose Nanhua Caiyi, Nanhua Caiyi was very sexy and too seductive, she was not an opponent for Yu Ting who was still developing.

"Yanyan, why did you bring Caiyi here?" Ye Chen wants to know why Zhao Yanyan brought Nanhua Caiyi to school.

"Husband, sister Caiyi insisted on coming, she said she wanted to always be by your side." Zhao Yanyan told Ye Chen why Nanhua Caiyi was able to come here.

Hearing this, Ye Chen turned his eyes to Nanhua Caiyi, "Is that true?", Ye Chen asked Nanhua Caiyi.

Nanhua Caiyi immediately nodded, "I want to always be by your side, as a servant it's my job to be by your side".

"Even though now we are master & servant, you don't need to be around me, you can do whatever you want as long as you don't go too far." Ye Chen told Nanhua Caiyi that she didn't need to do something like that.

"It's okay. I don't mind being on the side of the master at all." Nanhua Caiyi is fine with this, she likes being by Ye Chen's side, for Nanhua Caiyi being by Ye Chen's side is very pleasant for her.

Chapter 522 - Maybe I'll Break Their Two Eggs

"It's up to you then, but make sure not to be found out by anyone." Ye Chen told Nanhua Caiyi not to show herself in front of others.

Ye Chen knew that Nanhua Caiyi created a barrier that made ordinary people unable to see herself, therefore outsiders could currently not see Nanhua Caiyi's whereabouts.

"Okay, I understand." Nanhua Caiyi nodded to Ye Chen, she would make sure that she would not be found out by anyone in this school.

"Then let's enter the school building." Ye Chen invited Zhao Yanyan, Cheng Mengyan and Nanhua Caiyi to go into the school building.

Zhao Yanyan, Cheng Mengyan and Nanhua Caiyi nodded at Ye Chen, the three of them followed Ye Chen to the school building.

Because Cheng Mengyan's class was different from Ye Chen and Zhao Yanyan, Cheng Mengyan had to part with Ye Chen, Zhao Yanyan and Nanhua Caiyi. This made Cheng Mengyan feel left alone.

With a helpless heart, Cheng Mengyan went to her class, while Ye Chen, Zhao Yanyan and Nanhua Caiyi went to class J.

On the way, people could only see Ye Chen and Zhao Yanyan, they couldn't see Nanhua Caiyi who was a beautiful and very sexy woman behind Ye Chen and Zhao Yanyan.

If these boys had found out, they would have been very excited when they saw the extremely seductive Nanhua Caiyi.

This was one of the reasons why Ye Chen did not allow Nanhua Caiyi to appear in public.

It would be quite a stir if Nanhua Caiyi were to show herself in public.

Finally Ye Chen, Zhao Yanyan and Nanhua Caiyi arrived at the class, when they arrived at the class there were only female students present, while most male students currently still clinging to Yu Ting.

Ye Chen and Zhao Yanyan went to their seats, while Nanhua Caiyi followed behind Ye Chen.

Ye Chen, Zhao Yanyan and Nanhua Caiyi sat on the same bench. The three of them waited for the lesson to start.

Nanhua Caiyi looked around, she was quite interested in modern civilization.

"Ding. . . , Ding. . . , Ding. . . ", A few minutes later the bell rang, all the male students who were currently outside immediately entered their respective classes.

Some of the male students looked a little disappointed when they returned to class, the reason was very simple, they had just been rejected by Yu Ting who became a new goddess in the hearts of the male students in this school.

It just so happened that Zhang Liao came back with the male students outside.

"Hey Ye Chen, where have you been, you've been out of school for a long time," Zhang Liao immediately greeted Ye Chen who had not attended school for a long time.

"I'm on business, so I can't go to school," replied Ye Chen to Zhang Liao, Ye Chen did not tell in detail what kind of activity he was working on.

There was no way that Ye Chen would tell Zhang Liao that he was too busy cultivating and practicing to miss school.

"I thought you changed schools, you know since you weren't around, there were quite a few boys trying to get close to Zhao Yanyan," Zhang Liao told Ye Chen that when he wasn't at school, many male students tried to get close with Zhao Yanyan.

"What happened to the boys who tried to get close to Zhao Yanyan?" Ye Chen asked Zhang Liao.

Ye Chen was quite curious about what happened to the male student who tried to get close to Zhao Yanyan.

"Moreover, you must know the answer, they were all kicked out by Zhao Yanyan" said Zhang Liao to Ye Chen.

All the boys who tried to get close to Zhao Yanyan were chased out quite coldly by Zhao Yanyan, Zhao Yanyan didn't let the other boy get close to her.

Ye Chen had expected such a thing, Zhao Yanyan would definitely chase away every boy who tried to get close to her.

"Hey Ye Chen, I'm quite jealous of you, you know Zhao Yanyan is only gentle with you, while when dealing with other male students she is quite cold and indifferent," said Zhang Liao to Ye Chen.

Zhang Liao was quite jealous because Ye Chen had the gentle attitude of Zhao Yanyan who was so beautiful.

"Is it true?" Ye Chen looked at Zhao Yanyan.

"Don't look at me like that, I'm doing that because they are all very annoying, sometimes some even want to harass me", Zhao Yanyan was indifferent because the male students in this school were very annoying.

Some even dared to try to harass Zhao Yanyan.

They kept coming and trying to annoy her. This made Zhao Yanyan very uncomfortable, for that reason Zhao Yanyan started to act cold and indifferent to male students.

"Who would dare to harass My Yanyan, just say that name male student, I will beat him later", Ye Chen wanted to hit the student who dared to harass Zhao Yanyan.

Ye Chen didn't accept it when he found out that someone would dare to try to harass Zhao Yanyan.

Ye Chen had to make calculations with the male student trying to harass Zhao Yanyan.

"That's not necessary, you don't have to waste your time dealing with male students like them, if they dare to do bad things to me, I can defend myself", If there really was a male student who dared to abuse her, Zhao Yanyan. would immediately blow the male student away.

Zhao Yanyan disliked other men who tried to stain her body the most, Zhao Yanyan only allowed Ye Chen to do whatever she wanted to her body.

"Fine, but if they dare to come, make sure to drive them away as far as possible, if necessary you can use force." Ye Chen told Zhao Yanyan to drive out the male students who had such evil thoughts.

Zhao Yanyan immediately nodded at Ye Chen.

"If it was me who was in Yanyan's position, maybe I'll break their two eggs "Said Nanhua Caiyi to Ye Chen and Zhao Yanyan.

For some reason, when he heard Nanhua Caiyi's words about destroying a boy's egg, Ye Chen felt that his younger brother was a little sore.

If the two male eggs were destroyed, it would have been very painful, just imagining it made Ye Chen feel aching under his body.

Zhao Yanyan of course knew what meant Nanhua Caiyi, Zhao Yanyan is now no longer the innocent girl she used to be, after hanging out with Ye Chen for a long time she became used to adult things like this.

Zhao Yanyan was not even ashamed anymore when she heard vulgar words like this, if this was Zhao Yanyan 1 month ago, maybe he would have been very embarrassed when she heard words like this.

Zhao Yanyan felt that she had grown up too quickly, even her mind was no longer like that of an innocent young girl like before, the proof that he could forgive Cheng Mengyan very easily, it proved that Zhao Yanyan's mindset was more developed than before.

"Caiyi, don't teach Yanyan strange things like that." Ye Chen wanted Nanhua Caiyi not to teach Zhao Yanyan strange things.

Ye Chen didn't want Zhao Yanyan to turn into an S woman like Nanhua Caiyi, no matter how you look at it, Nanhua Caiyi is an S woman who likes to do bad things to men.

That's why Ye Chen doesn't want Zhao Yanyan to change to be like Nanhua Caiyi, Ye Chen prefers the current Zhao Yanyan.

"Fufufu" Nanhua Caiyi smiled at Ye Chen, this woman's smile could make anyone who saw her excited.

Chapter 523 - New Female Student

"Hey Ye Chen who are you talking to?" Zhang Liao didn't know who Ye Chen was talking to.

Zhang Liao just heard that Ye Chen called Caiyi's name, Zhang Liao did not remember that in this class there was a woman who had the name Caiyi.

"You may have heard wrong, right Yanyan", Ye Chen winked at Zhao Yanyan immediately, Ye Chen wanted Zhao Yanyan to help him.

Zhao Yanyan immediately nodded, she immediately helped Ye Chen to hide the whereabouts Nanhua Caiyi.

Ye Chen almost made it out earlier that, he forgot that Zhang Liao couldn't hear or see Nanhua Caiyi.

Zhang Liao only scratched his head when he heard this, maybe what said Ye Chen had a point too, he might wrong have heard what said Ye Chen.

"Oh yeah, where have you been by the way?" , Ye Chen wants to know where Zhang Liao went.

"I just went to a neighboring class, there was a woman who was very seductive, that woman is quite popular among the male students in this school", Zhang Liao told Ye Chen that he had just gone to see a woman who was very seductive.

The woman Zhang Liao meant it is Yu Ting, Zhang Liao had never seen a beautiful and very seductive woman like Yu Ting.

Just looking at Yu Ting once, Zhang Liao felt that he had fallen in love with that woman, Zhang Liao was just like the male students in this school, he began to think of Yu Ting as a goddess in his heart.

Zhang Liao doesn't even remember that he currently has a girlfriend who is quite beautiful, because of the charm that Yu Ting used, Zhang Liao could forget his very beautiful girlfriend.

Zhang Liao was starting to have a crush on Yu Ting, he really couldn't be helped.

"I suggest you stay away from that woman, don't let you be taken advantage of by that woman", Ye Chen told Zhang Liao to stay as far away from Yu Ting as possible.

Ye Chen already knew who the very seductive woman Zhang Liao was referring to, of course the woman Zhang Liao was referring to was Yu Ting.

As Zhang Liao's friend, Ye Chen did not want Zhang Liao to be enslaved by Yu Ting.

"Why, that woman is beautiful and very seductive, I'm sure if you see her you will also be interested", Zhang Liao did not agree with Ye Chen's words, he was very sure that Ye Chen would be interested if he saw the woman Very Seductive.

"I will not be interested in a woman like that", Ye Chen very firmly said that he was not interested in the Yu Ting that Zhang Liao was talking about.

For Ye Chen, a woman like Yu Ting was not suitable for him at all, Ye Chen could at least accept women who had previously betrayed him, because that was how long Ye Chen would never accept Yu Ting.

Even though Yu Ting turned into a very beautiful and very sexy woman, Ye Chen would never like Yu Ting.

"Maybe if you look at it you will change your mind, what a coincidence I took a picture of that woman earlier", Zhang Liao took his cellphone and then showed the very seductive woman he had just taken.

Zhao Yanyan was very curious about the woman Zhang Liao said, that's why Zhao Yanyan saw the picture of the woman on Zhang Liao's cellphone.

"Ye Chen, is this Yu Ting?" Zhao Yanyan asked Ye Chen about the picture of the woman on Zhang Liao's cellphone.

"Yanyan, That woman is indeed Yu Ting, she has now turned into a hot woman who is very seductive," Ye Chen told Zhao Yanyan that the picture of the woman on Zhang Liao's cellphone was Yu Ting.

"Do you two know this woman?", Zhang Liao asked Ye Chen and Zhao Yanyan.

Judging by the expressions shown by Ye Chen and Zhao Yanyan, the two of them recognized Yu Ting's picture on his cellphone.

"Of course, that woman is called Yu Ting, right, she is Ye Chen's ex-girlfriend," Zhao Yanyan told Zhang Liao that Yu Ting was Ye Chen's ex-girlfriend.

"What !!!, Yu Ting is an ex, um. . . ., um. . . ., um. . . .", Ye Chen immediately closed Zhang Liao's mouth so as not to leak this matter to the people in this class.

If this gets out, Ye Chen will become an enemy of the public again.

The students immediately looked at Zhang Liao, they all turned their heads because of the loud noise that Zhang Liao had previously made.

"Shut up, don't make a loud sound", Ye Chen told Zhang Liao not to make a loud sound.

Zhang Liao nodded to Ye Chen, after Zhang Liao nodded, Ye Chen finally let go of Zhang Liao's mouth.

"Hei Ye Chen how can you part with a sexy and seductive woman like Yu Ting?" Zhang Liao wanted to know why Ye Chen could part with Yu Ting.

"That's an old story, I don't want to discuss it", Ye Chen didn't want to discuss his gloomy past, currently Ye Chen wants to look at a brighter future, he doesn't like to remember the past that made him sad.

"Come on, just say it, I promise to keep this secret", Zhang Liao kept on forcing Ye Chen to say because he was separated from Yu Ting.

"Zhang Liao's classmate, Ye Chen doesn't want to say that, so don't force it." Zhao Yanyan who was at Ye Chen's side was a little angry at Zhang Liao who kept bringing up Ye Chen's past.

Zhao Yanyan knew that Ye Chen didn't want to remember his past with Yu Ting, so Zhao Yanyan scolded Zhang Liao for forcing Ye Chen.

"Fine, I understand." Zhang Liao was a little scared when he saw Zhao Yanyan angry with him.

Zhang Liao turned around and shifted his gaze towards the front of the class, he did not dare to look at Zhao Yanyan the currently angry.

"Husband, what really happened to Yu Ting, why did she become like that?" Zhao Yanyan whispered in Ye Chen's ear, she wanted to know why Yu Ting looked different from 1 month ago.

"I also don't know about that, but this morning I found out that Yu Ting is a cultivator who is not weak in strength, she is currently in the first stage of Emperor Realm," Ye Chen began to explain the findings he had found.

"What !! How can he become a cultivator just like us? ", Zhao Yanyan wanted to know how Yu Ting could become a cultivator like herself and Ye Chen,

" I don't know about it either, what is certain is that behind Yu Ting there should be great strength. "Ye Chen began to suspect that behind Yu Ting there was a great power helping her, otherwise there is no way that Yu Ting could reach the Emperor Realm so quickly.

Ye Chen began to think about the great power behind Yu Ting.

When Ye Chen thought what great power was behind Yu Ting, suddenly Lin Rouxi entered the classroom.

The students became orderly when they saw Lin Rouxi enter the classroom, they all became very obedient when they saw that Lin Rouxi was going to teach.

Lin Rouxi went up to the class podium, she looked at all the students in the class, Lin Rouxi was very happy when she saw all the students entered all.

"Everyone good morning, today I will introduce a new classmate who will join this class, she is from the nation's capital, I hope you can get along well with her", Lin Rouxi told all the students that there would be new female students joining this class. .

Chapter 524 - Feng Xue Came To Classroom

Ye Chen and everyone in the class were curious about who the new female student Lin Rouxi was talking about, they wanted to find out who this female student was.

"Okay, you can enter", Lin Rouxi ordered the female students outside to enter the classroom.

The woman who was outside the class immediately walked into the classroom, when she walked into the classroom, all the students looked directly at the woman who had just entered.

Many students were gawking when they saw the new female student who entered the classroom, some people's jaws almost fell to the floor when they saw this girl.

This female student is very beautiful, she has extraordinary beauty.

When he saw this beautiful woman here, Ye Chen was very shocked, Ye Chen clearly knew who the woman had just entered.

It's not only Ye Chen who knows who the woman who just entered the class is, almost students in here should know who the woman who just entered this class is.

This woman walked towards the top of the class podium, she stopped right beside Lin Rouxi.

"Please introduce yourself." Lin Rouxi told this woman to introduce herself to everyone in this class.

"Hello my name is Feng Xue, you probably already know a lot about me, so I don't need to introduce myself any more." Feng Xue introduced herself to everyone in this class.

"Woohoo. . . "All the students in this class immediately cheered with a very loud voice, the class next door could easily hear the screams of the students in this class.

"Wow, this really is the real Feng Xue. . ." A boy looked very happy when he saw the real Feng Xue, he didn't believe that he would see the real Feng Xue standing several meters in front of him.

"I'm in the same class as the real Feng Xue, am I not dreaming" Other boy still do not believe that he is in the same class as the most popular female star in this country, Feng Xue.

" Pahh !!! " Suddenly the student next to him slapped the boy who did not believe that this was the real Feng Xue.

"What are you doing, why are you slapping my face" The boy who was slapped by his own friend was angry at the person who slapped him.

"I slapped you because you said that you were dreaming", this person said with an innocent face.

"You rascal, I will repay you", the boy who was previously slapped was not satisfied, he wanted to take revenge for the slap he received.

The two of them started fighting and attacking each other.

The class really got very noisy when Feng Xue entered this class.

Zhao Yanyan who is by Ye Chen's side is also very excited, her idol is here, of course Zhao Yanyan will be very happy.

"Hey husband, you have to make Feng Xue your woman, I will fully support you" Zhao Yanyan whispered in Ye Chen's ear.

Zhao Yanyan wanted Feng Xue to enter Ye Chen's wife group, therefore Zhao Yanyan encouraged Ye Chen to get Feng Xue, Zhao Yanyan would even help Ye Chen to get Feng Xue.

If Feng Xue entered Ye Chen's harem, Zhao Yanyan could duet together with Feng Xue every day, it would be amazing to see Feng Xue collaborating with Zhao Yanyan.

Zhao Yanyan still didn't know that Feng Xue was now Ye Chen's girlfriend, if Zhao Yanyan found out about this she would be very happy.

Ye Chen smiled when he heard Zhao Yanyan say, Zhao Yanyan really pushed Ye Chen to get another woman.

Ye Chen was really very lucky when he found a woman like Zhao Yanyan who was very understanding about himself, Zhao Yanyan was the best gift from heaven to Ye Chen.

Feng Xue's arrival made this class very rowdy, there were lots of students who screamed hysterically when they saw their idol in this class, the students wanted to take a photo and asked for an autograph from Feng Xue.

"All of you calm down, don't make such a fuss", Lin Rouxi told all the students to calm down and behave in an orderly manner.

Too bad Lin's Rouxi words was not overheard by the students in this class, they were too overjoyed to ignore Lin's Rouxi words .

Lin Rouxi was so helpless about this, it was unexpected that the appearance of Feng Xue would make her class so noisy.

Feng Xue started looking around, when Feng Xue looked around the classroom she found Ye Chen's presence, Feng Xue was very-very happy when she saw Ye Chen again.

Even though it has only been around 1 week since she saw Ye Chen, Feng Xue already missed Ye Chen very much.

"You can choose the seat you want." Lin Rouxi allowed Feng Xue to choose the seat she wanted.

Feng Xue nodded, she walked towards the students in front of her.

The students immediately gave a space right next to their seats, they all hoped that Feng Xue would sit beside them.

Feng Xue continued walking towards the bench at the back, she was standing right in front of Ye Chen's bench.

"Ye Chen, can I sit here?" , Feng Xue immediately called out Ye Chen's name.

What Feng Xue did to turn Ye Chen into an enemy of the public, Ye Chen's reputation among boy would definitely get even worse.

All the students were surprised to find that Feng Xue had called Ye Chen's real name, if Feng Xue knew Ye Chen's name it meant that Feng Xue already knew Ye Chen.

"Damn again that man, is he not satisfied that he already has Goddess Zhao Yanyan, now he's also close to Feng Xue", some male students were dissatisfied when they saw Feng Xue close to Ye Chen.

In an instant, Ye Chen became the enemy of the boys in this class.

"Of course you can, please sit down." Ye Chen invited Feng Xue to sit next to him.

Ye Chen smiled wryly when he saw what Feng Xue was doing, What was done by Feng Xue made Ye Chen again become a public enemy.

Because Feng Xue wanted to sit beside Ye Chen, Nanhua Caiyi decided to go next to Zhao Yanyan who was still empty, she let Feng Xue sit beside Ye Chen.

Feng Xue sat next to Ye Chen, Feng Xue sat very close to Ye Chen's body, she was tightly attached to Ye Chen's body.

The eyes of the male students in the class became hot, for some reason at this time they all wanted to beat up Ye Chen, even though this had nothing to do with them, they were eager to beat up Ye Chen who was too greedy with the beauty around him.

Ye Chen is very helpless, he has again become an enemy of the public, it's no wonder Ye Chen doesn't have many male student friends in this school, all male students become Ye Chen's enemies because there are many beautiful women around Ye Chen.

The class became very noisy because of Feng Xue's presence, this made Lin Rouxi was very dissatisfied.

"Bamm." Lin Rouxi hit the blackboard quite hard, the students who heard this immediately fell silent.

They stop talking and begin to focus the attention they have on the future.

Chapter 525 - Ye Chen Becomes Public Enemy

"If any of you dare to make a fuss again, then I will chase away anyone who dares to make a fuss." Lin Rouxi warned the students not to make a fuss in her school hours.

All the students were extremely obedient to Lin Rouxi, no one else dared to make such a fuss.

Seeing that the students have calmed down, Lin Rouxi feels satisfied. " Quickly open page 100 of each of your books, I will explain the material to you. "Lin Rouxi told to all the students to open the books they had, she was about to start a lesson.

All the students opened the books they had, all the current students were very focused, they were afraid of being kicked out by Lin Rouxi from this class.

"Hey Xue, why are you here." Ye Chen whispered in Feng Xue's ear, he wanted to know why Feng Xue was in this city, moreover Feng Xue also entered the same school as Ye Chen.

"Oh that, I followed the advice you gave and told my grandfather the disease I have, as a result grandfather told me to leave the entertainment world", Feng Xue told Ye Chen that she followed Ye Chen's advice and left the entertainment world.

"Then why did you come here instead, can't you spend all the time you have resting in the capital? ", Ye Chen again asked Feng Xue why she came to this city instead.

"Actually I came here because I ran away from my Clan, you know even though my grandfather agreed, the problem is that the Clan elders didn't agree when they found out I left the entertainment world, they didn't allow it, that's why I decided to just run to this city", Feng Xue explained why she was here.

Feng Xue apparently ran away from her Clan, she ran away because she didn't want to be forced by the Clan elders to continue to be in the entertainment world, Feng Xue didn't like to accept coercion from other parties like Clan elders.

Since Feng Luo had already allowed Feng Xue to leave the entertainment world, Feng Xue didn't want to continue to be in the entertainment world.

Feng Xue continued to be in the entertainment world because of her grandfather, now Feng Xue does not have a solid reason to continue to be in the entertainment world.

"I see." After listening to Feng Xue's explanation, Ye Chen now understood what happened.

"Ye Chen, the Clan elder will definitely send some people to pick me up by force, if that happens, you will protect me , right ?" Said Feng Xue slightly spoiled.

"You don't need to worry, if someone dares to take you from me, they have to deal with me first," Ye Chen promised to protect Feng Xue.

Feng Xue was very happy when she heard Ye Chen's words that were so sweet, Feng Xue began to entangle Ye Chen's arm, she looked very intimate with Ye Chen.

What Feng Xue was doing did not escape the eyes of some of the students in this class, the male students were getting more and more fiery when they saw Feng Xue close to Ye Chen.

They did not believe that Feng Xue the number one female idol in this country would be close to Ye Chen, if this was found out by the fans of Feng Xue it would be very bad, this could be quite a scandal.

Feng Xue didn't really care about the scandal that was about to happen, she had already quit the entertainment world, so she didn't really think about the scandal that was going to happen, Feng Xue just wanted to live like a teen age girl her age.

"Xue, let me go quickly, if someone else takes a photo it will be very bad." Ye Chen asked Feng Xue to let him go, if someone took a photo of the two of them it would be bad for Ye Chen.

Ye Chen could become the enemy of Feng Xue fans around the world.

"No, I want to be like this." Feng Xue stuck out her tongue a little mischievously, she didn't want to let Ye Chen go no matter what, Feng Xue felt comfortable hugging Ye Chen like this.

Next to Ye Chen, Zhao Yanyan saw what Feng Xue was doing, it was unexpected that Feng Xue would act so spoiled for Ye Chen, any where else Feng Xue would like Ye Chen.

Zhao Yanyan smiled seeing this, it seemed like it would be very easy for her to make Feng Xue into Ye Chen's harem, so Zhao Yanyan could often sing and play musical instruments together with Feng Xue.

just thinking about this , made Zhao Yanyan very happy.

The class was running as usual, the difference was that male students often glanced at Feng Xue who was beside Ye Chen, the male students were still jealous of Ye Chen who was able to sit beside two beautiful Goddesses like Feng Xue and Zhao Yanyan.

"Ding. . . , Ding. . . , Ding. . . ", The recess bell finally rings, the students are happy that Lin Rouxi's lessons are finally over.

"Remember to do the assignment I gave earlier, those who do not do will be punished." Before ending the lesson Lin Rouxi did not forget to warn the students who were here to do the assignment she had previously given.

After saying that, Lin Rouxi left the classroom.

"Ye Chen let's go find food, I'm a little hungry." Feng Xue invited Ye Chen to go find food.

"Fine." Ye Chen nodded at Feng Xue.

"Yanyan, do you want to come too?" Ye Chen invited Zhao Yanyan to come along with him.

"No, I'm still full, you can just go together with Feng Xue, I'll be here." Zhao Yanyan refused Ye Chen's invitation, Zhao Yanyan would let Ye Chen go together with Feng Xue only.

Feng Xue looked at Zhao Yanyan with a smile, Feng Xue knew that Zhao Yanyan was Ye Chen's woman too, Feng Xue remembered that Zhao Yanyan was her fan, so dealing with Zhao Yanyan would be very easy for Feng Xue.

"Ye Chen, come on." Feng Xue dragged Ye Chen away to find food.

Ye Chen was helplessly dragged out of the classroom by Feng Xue.

Before leaving class Feng Xue did not forget to wink at Zhao Yanyan, Feng Xue thanked Zhao Yanyan for giving herself the opportunity to be alone with Ye Chen.

Zhao Yanyan saw a wink from Feng Xue, it looks like Feng Xue is smarter than Zhao Yanyan thought, Feng Xue already knows Zhao Yanyan's intentions.

"I'll join together with master." Nanhua Caiyi wanted to follow Ye Chen.

"Sister Caiyi, make sure not to disturb the two of them, if you have the chance make sure to make Ye Chen and Feng Xue very close." Zhao Yanyan told Nanhua Caiyi to create an opportunity for Feng Xue and Ye Chen to become close.

"Fine." Nanhua Caiyi knew what Zhao Yanyan wanted, Zhao Yanyan wanted her to make the relationship between Ye Chen and Feng Xue even closer.

It was not a difficult thing for Nanhua Caiyi, Nanhua Caiyi had several ways to make Ye Chen and Feng Xue's relationship very close.

Nanhua Caiyi followed Ye Chen and Feng Xue's departure.

.

.

.

While in the hallway of the school, almost all of the students stared at Ye Chen and Feng Xue, the students gawked when they saw the female star Feng Xue who walked quite affectionately with Ye Chen.

The reaction of these students was the same as the students in class J, they were all shocked when they saw Feng Xue in this school.

Some male students were even angry when they saw Ye Chen close to Feng Xue, they felt very jealous when they saw the closeness between Feng Xue and Ye Chen.

Chapter 526 - Reporters Arrival

Ye Chen felt an unpleasant gaze emanating from the students he met on the street, it seemed that from now on he would become public enemy number 1 in this school.

"Ye Chen just ignore the stares of people like them." Feng Xue told Ye Chen to ignore the gazes coming from the students they met.

Feng Xue was able to say this because she didn't feel the hostile gaze from the students they met.

The students only locked the gaze they had on Ye Chen alone, Ye Chen was very helpless about this, maybe school life will become more and more complicated from now .

When Ye Chen and Feng Xue walked in the school hallway, it so happened that in front of them was Yu Ting who was walking opposite Ye Chen and Feng Xue.

Yu Ting walked in front of Ye Chen, when she saw Ye Chen, there was a strange smile on her face.

Currently no one knows what Yu Ting wants from Ye Chen, Yu Ting started to use the Charm technique she had on Ye Chen, she wanted to try to control Ye Chen.

Ye Chen of course felt the Charm technique that was being used by Yu Ting, too bad this technique had no effect on Ye Chen, Ye Chen and Yu Ting just passed each other, it seemed like they both didn't know each other at all.

Ye Chen and Feng Xue ignored Yu Ting, both of them went to look for food outside the school.

Yu Ting felt very strange when she saw that nothing happened to Ye Chen, she should have used the Charm technique that she used earlier, Ye Chen would be infatuated with her.

"It's strange, why did nothing happen to Ye Chen, he should have been chasing me." Yu Ting was quite confused by this, Ye Chen was completely unaffected by the charm technique she used.

This was Yu Ting's first time seeing anyone who was not affected by her charm technique, usually she could easily control boys at will.

"Damn" Yu Ting felt dissatisfied with this, even though she wanted to take revenge on Ye Chen for the incident at that time, she did not expect Ye Chen to be able to fight the Charm technique that was owned by Yu Ting.

"Wait a minute, Is not that the woman beside Ye Chen is Feng Xue who is the country's most popular female star? "Yu Ting just remembered that the woman beside Ye Chen is Feng Xue who is the most popular female star in this country.

Yu Ting had a very good idea of dealing with Ye Chen, she was going to use female star Feng Xue to deal with Ye Chen.

Yu Ting immediately caught up with Ye Chen and Feng Xue.

Ye Chen and Feng Xue were looking for a restaurant near the school, Ye Chen immediately looked for a restaurant because he was lazy to go to the school canteen which was very busy with school students.

Ye Chen didn't want when he ate together with Feng Xue that there were students who disturbed him, Ye Chen must have been very sure that in the school canteen there would be many male or female students who didn't like seeing Ye Chen and Feng Xue close.

Feng Xue is the most popular female star in the country, of course she has countless fans, it is not strange that Feng Xue's fans will be angry when they see the idol as well as the Goddess in their hearts close to a foreign man like Ye Chen.

After walking around, Ye Chen and Feng Xue found a western-style restaurant, here the average person who came was a couple who were dating.

"Ye Chen, how about we eat at this restaurant." Feng Xue invited Ye Chen to eat at the restaurant in front of them.

"OK." Ye Chen nodded at Feng Xue.

Ye Chen and Feng Xue immediately entered this restaurant, when they entered the restaurant they were greeted very kindly by the restaurant waiter.

"Welcome young master dan and young lady, a table for two person , right? "The restaurant waiter asked Ye Chen and Feng Xue.

"Yes, a table for two person." Feng Xue answered the restaurant waiter who welcomed herself and Ye Chen.

All restaurant waiters were surprised when they saw that the woman was next to Ye Chen is Feng Xue, they all start to dumbfounded when they see Feng Xue in front of them.

"Hello." Feng Xue tried to wake up the waitresses who were currently looking dumbfounded.

The restaurant waiters realized when they heard Feng Xue's voice which was very pleasant to listen to.

"Yes. . ., Yes. . ., please both of you follow me." The waiter was very nervous about answering Feng Xue.

Feng Xue smiled seeing this, she was used to seeing this from her fans.

The restaurant waiter escorted Ye Chen to one of the empty tables.

Ye Chen and Feng Xue sat at an empty table that was pointed at by the restaurant waiter, the two of them sat opposite each other like a lover on a date.

"This is the food menu." With a slightly trembling hand, the waiter handed over the restaurant's menu to Feng Xue and Ye Chen.

due to being too nervous when met Feng Xue, the restaurant waiter became like this.

Feng Xue received the food menu from the restaurant waiter's hand, she started to look at the food menu in this restaurant.

"Ye Chen, what do you want to order? ", Feng Xue asked what Ye Chen wanted to order.

"I'll order the same food as you." Ye Chen told Feng Xue to choose food for himself.

Feng Xue was a little confused by this, she didn't know what kind of food taste Ye Chen liked.

Ye Chen is not picky when it comes to food, as long as it is edible then Ye Chen will eat it.

Feng Xue finally ordered some food that she thought was delicious, she hoped that Ye Chen would like the food she ordered.

After getting the order from Feng Xue, the restaurant waiter immediately went to get food for Feng Xue and Ye Chen.

Feng Xue and Ye Chen were waiting for the food to come to their table, while Ye Chen and Feng Xue were waiting for the food to come, suddenly there was a commotion outside, there were several news station cars that suddenly came to this restaurant.

The people who were in the car started to get out one by one, the people who got out of the car of course were reporters, they all immediately rushed into the restaurant.

"That's Feng Xue, let's go over there", one of the news station reporters pointed to Feng Xue and Ye Chen's seats, dozens of reporters immediately rushed towards Ye Chen and Feng Xue.

"It's bad, Ye Chen let's go out." Seeing the crowd of reporters coming this way, Feng Xue immediately asked Ye Chen to leave here, Feng Xue didn't want to be trapped by these annoying news reporters.

Ye Chen and Feng Xue immediately ran towards the kitchen, Feng Xue intended to use the back door in this restaurant to escape from the chase of reporters from the news station.

The reporters weren't willing to give up, they were all after Feng Xue and Ye Chen who was currently trying to escape.

The news they got turned out to be true that Feng Xue was currently dating an unknown man, if they could get this news, surely this would be the biggest scandal of this century.

Chapter 527 - Escape From Reporter

In a corner of this restaurant, Yu Ting looked at Ye Chen and Feng Xue who were trying to escape from the reporters' chase. Yu Ting was very happy when she saw Ye Chen being chased by many reporters in this city.

The person who had told the reporters was Yu Ting, Yu Ting told reporters that currently the most popular female star Feng Xue was in this city and was dating with a boy.

The reporters who received news from Yu Ting immediately went to the location, when these reporters went to their location they did find Feng Xue with a man he did not know, moreover the restaurant that the two chose was a restaurant that was often used by couples for dating.

"Ye Chen, now let's see how you will get out of this situation, soon you will be sought after by Feng Xue's fans, hahahaha" Yu Ting laughed happily when she thought that Ye Chen was the one that Feng Xue's fans were looking for.

which is sure to be a very interesting spectacle, considering that there are so many fans of Feng Xue, maybe all the people in this city will be looking for Ye Chen's existence.

Yu Ting felt that she was very smart, she borrowed the power of others to deal with Ye Chen.

.
. .
.

Ye Chen and Feng Xue are currently trying to run away from the reporters who continue to chase the two of them.

These reporters didn't want to give up, they kept running to catch up with Ye Chen and Feng Xue.

Feng Xue had just recovered from her illness, if she had to keep running and exhausted, maybe Feng Xue's illness would come back, Ye Chen didn't want that to happen.

"Damn, they are so annoying", Ye Chen felt that these reporters were very annoying, Ye Chen was forced to use the strength he had to forcefully drive these reporters away.

when Ye Chen wanted to use his own power to drive these reporters away, suddenly a strong enough force blew away all the reporters who were currently chasing Ye Chen.

These reporters were flown in all directions by this power.

"Master, do I need to get rid of these annoying people." Nanhua Caiyi descended from the sky, she asked Ye Chen, is he allowed to eliminate the reporters who dare to interfere with the date Ye Chen and Feng Xue.

"You don't have to kill them." Ye Chen didn't allow Nanhua Caiyi to kill these people.

If Nanhua Caiyi killed these people it would be very troublesome for Ye Chen.

Nanhua Caiyi was a little disappointed that Ye Chen didn't allow herself to eliminate these annoying reporters.

"Caiyi, you take care of them, don't let them chase us" Ye Chen gave orders to Nanhua Caiyi to take care of these people not to return to chasing him and Feng Xue.

"Okay, I understand", Nanhua Caiyi understood, he would prevent the reporters from chasing Ye Chen.

"Good, then I'll take Feng Xue away", Ye Chen would take Feng Xue away to a safe place.

Feng Xue doesn't understand what just happened, why are the reporters flying around everywhere, this makes Feng Xue a little afraid.

"Let's go", Ye Chen carried Feng Xue's body like a princess, he took Feng Xue away to a place far away from these annoying reporters.

Feng Xue felt very happy when she was carried like a princess by Ye Chen, it was every woman's dream to be carried like a princess by the man they liked.

Ye Chen ran very fast, in an instant Ye Chen had run quite far from where the reporters were.

After feeling that this place was quite far away, Ye Chen lowered Feng Xue's body.

"Ye Chen sorry, because the reporter earlier we didn't eat." Feng Xue apologized to Ye Chen for the unpleasant thing that just happened.

Whereas before they both wanted to enjoy a meal together, it was unexpected that the reporters came and disturbed both of them.

"You don't need to apologize, it's not your fault." Ye Chen prevented Feng Xue from apologizing, from the start it wasn't Feng Xue's fault.

Feng Xue was quite happy when she found out that Ye Chen was not angry with her.

"Why do those reporters know where we are, nobody should know about the two of us earlier." Feng Xue felt very strange why the news station reporters found out that she and Ye Chen were eating together.

the reporters earlier couldn't have known about this if there wasn't anyone to tell them about Feng Xue and Ye Chen's whereabouts.

"Maybe there are people who don't like us and tell the media about this." Ye Chen didn't find it strange when the reporters had found out about Feng Xue's whereabouts.

Feng Xue is the most popular female star in the country, even though she has withdrawn from the entertainment world she will still be in the public spotlight.

Ye Chen did not suspect Yu Ting at all, Ye Chen only estimated that this was done by people who didn't like seeing Ye Chen and Feng Xue close like this.

"You may be right, if I know who the culprit is I will definitely make him pay for this." If Feng Xue finds out who the person has done this, she will definitely make that person pay for interrupting the date she was on with Ye Chen. .

"Are we going back to school or going to find another place to eat? ", Ye Chen asked Feng Xue, does Feng Xue currently want to go back to school or does she want to find another place to eat.

"What if we both go to elder sister Yuya's place, this is not far from where Yuya's older sister lives, usually at this hour she just finished cooking food." Feng Xue invited Ye Chen to go to Su Yuya's house which is not far from here. .

Ye Chen realized that the two of them had gone far enough from the school that the two of them were near Su Yuya's house.

Ye Chen hadn't visited Su Yuya's place in a long time since that night, he was too busy practicing until he almost forgot Su Yuya.

"Alright, let's go there." Ye Chen was fine with it, Su Yuya's house wasn't far from here after all.

"Good, let's go." Feng Xue put her arm around Ye Chen's, she walked along with Ye Chen like a couple.

Ye Chen and Feng Xue went to Su Yuya's house, when Ye Chen was going to Su Yuya's house, he felt that a pair of eyes were watching him.

When Ye Chen was looking for her, he suddenly didn't feel the presence of the person who was just watching him.

"Who was that just now" Ye Chen muttered to himself, it's obvious that Ye Chen just felt someone watching him, when he searched for the source of that person's gaze suddenly that person disappeared without a trace.

The person who previously watched Ye Chen must be extremely powerful, otherwise how could he have disappeared so fast.

Because of this Ye Chen started to be on high alert.

.
. .
.

Meanwhile in the sky several tens of kilometers from where Ye Chen stood was a woman who was trying to hide herself very carefully, this woman tried not to be found out by Ye Chen.

"This man named Ye Chen is very amazing, he can even find my whereabouts very easily, I must immediately inform the Queen about this finding." This woman intends to report the findings about Ye Chen to Sexy Queen, she has got the information she wants from Ye Chen.

Chapter 528 - Su Yuya Was Jealous

In the instant that Ye Chen and Feng Xue arrived in front of Su Yuya's house, Feng Xue immediately pressed the doorbell of Su Yuya's house.

"Wait a minute" hearing someone outside the house, Su Yuya immediately rushed to go to the entrance.

Su Yuya was always at home in the morning, she would start work in the afternoon.

Su Yuya opened the entrance, when she opened the entrance, Su Yuya was very surprised to see that outside the house there were Ye Chen and Feng Xue who currently looked very affectionate.

"Yuya's sister?", Feng Xue swallowed back the words she was about to blurt out, she was quite surprised when she saw the appearance of Su Yuya.

The current Su Yuya looked younger and prettier than before, Feng Xue barely even recognized Su Yuya.

After receiving the extremely rich Yangqi essence from Ye Chen, Su Yuya's appearance was now much prettier and younger than before.

Milf Su Yuya now looked like a 20 year old young woman who had a very well developed body.

"Yuya's sister, is that you?" Feng Xue still couldn't believe that this was Su Yuya who had already she considered her older sister.

Su Yuya immediately realized from her shock, "Little sister Xue, how could you forget me so easily" Su Yuya smiled at Feng Xue in such a beautiful manner.

Su Yuya herself had just found out that she was becoming more beautiful and younger after having Dual Cultivation with Ye Chen.

At first Su Yuya also didn't believe that this was her, however now that Su Yuya looks back to being a young woman of Feng Xue's age, Su Yuya guessed that this was thanks to having an intimate relationship with Ye Chen.

hearing this voice, Feng Xue was finally convinced that this was the Su Yuya she knew.

Feng Xue was very curious how Su Yuya could become prettier and younger than last time.

"Little sister Xue why are you here?" Su Yuya asked why Feng Xue was in this city, she should be in the capital right now.

Moreover, Feng Xue was very close to Ye Chen, this made Su Yuya a little jealous of Feng Xue.

"I just moved to this city, because we happened to be around your house, I decided to visit here." Feng Xue told Su Yuya why she was in this city.

"Moving to this city?, What do you mean?" Su Yuya was a little confused by this, she didn't know what Feng Xue meant.

Feng Xue started explaining what happened to Su Yuya.

After getting Feng Xue's explanation, Su Yuya now understood why Feng Xue was in this city.

"So you're out of entertainment now? , I didn't expect that you would do that. "Su Yuya didn't expect that Feng Xue would really leave the entertainment world.

Whereas previously Su Yuya could not persuade Feng Xue to leave the entertainment world, it was unexpected that Feng Xue would leave the entertainment world on her own accord.

"Hehehehe" Feng Xue smiled at Su Yuya.

"Sister Yuya, what are you doing right now? "Feng Xue asked what Su Yuya was doing right now.

"I'm cooking food, what's wrong? ",Su Yuya asked Feng Xue.

"What a coincidence, can we also taste your cooking? " Feng Xue shamelessly told Su Yuya if she and Ye Chen wanted to try Su Yuya's food.

Su Yuya smiled when she heard Feng Xue's words, "Of course please both of you go inside." Su Yuya allowed Ye Chen and Feng Xue to enter this house.

Feng Xue was very happy when she heard this, Feng Xue immediately invited Ye Chen to enter Su Yuya's house.

When Ye Chen passed Su Yuya, Su Yuya suddenly pinched Ye Chen's waist without being noticed by Feng Xue.

Su Yuya looked sullenly at Ye Chen who seemed very close to Feng Xue.

Ye Chen saw that Su Yuya was a little jealous when she saw himself close to Feng Xue, Ye Chen tried to explain to Su Yuya using sign language, unfortunately Su Yuya actually sniffed coldly when she saw this.

Ye Chen was dragged by Feng Xue towards Su Yuya's kitchen.

" sister Yuya, is the food not ready yet?" Looking at the empty table, Feng Xue asked Su Yuya where the food Su Yuya made.

"I'm cooking it , you all just wait, the food will be ready soon" Su Yuya told Feng Xue that the food will be ready in a moment.

"I see, then I borrow the bathroom you have ?, I want to take a shower" Feng Xue wanted to take a shower first, after leaving the plane this morning, Feng Xue went straight to school and didn't have time to take a shower, that's why Feng Xue borrowed Su Yuya's bathroom to bathe and clean herself.

"You don't need to ask about it, you can use it as you wish." Su Yuya allowed Feng Xue to use the bathroom she had.

"Ye Chen, I want to take a shower first, you can chat with sister Yuya first" Feng Xue told Ye Chen that she wanted to take a shower first.

Feng Xue immediately went to Su Yuya's bathroom, she wanted to take a shower immediately so that her body was even more refreshed.

Ye Chen didn't understand why Feng Xue wanted to take a bath, even though Feng Xue still smelled very good, so according to Ye Chen Feng Xue didn't need to take a bath.

Women are like that, they like to clean their bodies before they get too dirty, so please understand.

After Feng Xue left, in this kitchen there were now only Ye Chen and Su Yuya, Su Yuya had now returned to cook food that was not fully cooked.

Su Yuya put on her apron again and started cooking food for Feng Xue and Ye Chen.

When Su Yuya was cooking she suddenly felt a very comfortable arm hugging her waist from behind.

Su Yuya knew whose arm was hugging her from behind, "Ye Chen, don't be naughty, hurry and let me go, I'm currently cooking." Su Yuya told Ye Chen to let go of herself.

"I don't want to, I want to hug you, it's been a long time since I saw you." Ye Chen hadn't seen Su Yuya for a long time, because of that he wanted to hug Su Yuya's well-developed Milf body.

"Hemp, you finally remembered to look at me, I thought you had forgotten me." Su Yuya turned around and looked at Ye Chen's face.

Su Yuya looked dissatisfied with Ye Chen, almost 1 week this Ye Chen didn't come to see her at all, this made Su Yuya worried that Ye Chen had forgotten herself.

Su Yuya originally intended to go to Ye Chen's villa, but she was a woman, how could a woman take the initiative first, because of this she discouraged and waited for Ye Chen to meet her.

"I'm sorry, I've been quite busy these past few days." Ye Chen apologized to Su Yuya because he didn't come here for a long time.

Su Yuya still looked away, she was still a little dissatisfied with Ye Chen.

Seeing that Su Yuya was still angry with himself, Ye Chen couldn't help but try to comfort Su Yuya, he pulled Su Yuya's body closer to himself.

Chapter 529 - News About Feng Xue's Scandal

Ye Chen touched Su Yuya's beautiful face which was now even more beautiful and moisturised than before.

"So beautiful" Ye Chen said to Su Yuya.

Su Yuya's face turned red when she heard the sweet words that came out of Ye Chen's mouth.

Su Yuya could not stand Ye Chen's words which were too sweet, when Su Yuya listened to Ye Chen's words just now his heart felt very sweet, Su Yuya liked it when Ye Chen praised her as beautiful.

As a woman who is almost 35 years old, it is not strange that Su Yuya is happy when a young man like Ye Chen praises her to be beautiful.

Su Yuya began to see Ye Chen's face, Ye Chen's and Su Yuya's eyes met, the two's lips began to get closer and closer, until finally Ye Chen's lips were intertwined with Su Yuya's lips.

"Chu. . . ♥♥♥♥", The two of them started making very exciting kisses, both Ye Chen and Su Yuya were very excited, they looked very passionate when kissing.

Since doing that together with Ye Chen, Su Yuya has become very brave, she is no longer ashamed to do things like this together with Ye Chen.

Su Yuya had completely accepted Ye Chen as her man.

Ye Chen and Su Yuya kissed for about 10 minutes, after Su Yuya had difficulty breathing, Ye Chen finally wanted to let Su Yuya go.

"Geez, you almost choked me to death" Su Yuya protested a little when Ye Chen kissed her very greedily.

"Hehehe." Ye Chen chuckled at Su Yuya, he quite liked this beautiful Milf.

Actually Ye Chen wanted to play more than this together with Su Yuya, unfortunately Ye Chen couldn't do that, soon Feng Xue would definitely finish taking a shower, it would be bad if Feng Xue saw Ye Chen and Su Yuya who were having an intimate relationship like this.

"Oh yes Yuya dear, when are you going to move from this place?" Ye Chen wanted to know when Su Yuya would move from this place to his Villa.

"Ye Chen, why do you really want me to move out of this place, what do you really want?" Su Yuya felt very strange, why did Ye Chen keep telling herself to move out of this house.

"Have you recently felt anything different from your body?" Ye Chen asked about the condition of Su Yuya's body. Su Yuya should have become a cultivator now, therefore Su Yuya must have felt that her body was different from the past.

"How, do you know about it" asked Su Yuya to Ye Chen, it's true that these few days Su Yuya felt strange about her body, Su Yuya felt that she was now very strong, all work felt very light for Su Yuya.

Ye Chen smiled at this, because Su Yuya was no longer an outsider, Ye Chen told Su Yuya about cultivation.

Su Yuya was initially confused by what Ye Chen meant, Su Yuya thought Ye Chen was joking with her, but after seeing the flames emerge from Ye Chen's hands, Su Yuya finally believed Ye Chen's words.

"So you can say that me and you are now superhuman? ", Su Yuya said to Ye Chen.

Su Yuya did not think that Ye Chen was a superhuman, naturally Ye Chen was not normal at all.

"Not a superhuman, to be precise it is called a cultivator." Ye Chen corrected Su Yuya's words.

"So can you move over to my place?" Ye Chen asked Su Yuya again.

"Okay, but only Monday to Saturday, on Sunday I will come back to this house, it doesn't matter?" said Su Yuya to Ye Chen.

"It doesn't matter at all." Ye Chen didn't really mind it, as long as Su Yuya stayed at his house and started cultivating then that would be enough for Ye Chen.

Ye Chen hugged Su Yuya back, he was currently eager to do this together with Su Yuya.

"Ye Chen, that's enough, I have to go back to cooking, if you continue like this the food will burn" Su Yuya told Ye Chen to let go.

Since Su Yuya currently wanted to cook, Ye Chen couldn't help but let Su Yuya go.

After Ye Chen released herself, Su Yuya immediately returned to cooking food,

Ye Chen went to the dining table and started to turn on the television in this kitchen.

Su Yuya purposely put the television in the kitchen for her to watch while she was cooking.

When turning on the television, the latest news appeared in front of Ye Chen, which contained the Feng Xue scandal, which was known to be dating a handsome man in a restaurant specifically for couples.

"Damn" Ye Chen was annoyed when he saw this, the media quickly reported what had happened before.

Almost all of the media reported the scandal that Feng Xue had with Ye Chen.

in addition, these media made the situation even more difficult, they even reported that Feng Xue had run away with Ye Chen, this proved that Feng Xue had a relationship with Ye Chen

even Ye Chen's photo has been spread in the media, now Ye Chen is the person Feng Xue's fans are looking for the most.

Feng Xue's fans did not accept it when they found out that their goddess was seized by Ye Chen.

Su Yuya looked at the news on television, she saw that the contents of the news on television were all filled with scandals perpetrated by Feng Xue.

"Ye Chen actually what happened before you came here, why did the television station tell something like that?" Su Yuya asked Ye Chen what happened before Ye Chen and Feng Xue came here.

Ye Chen started to tell what happened before they came here.

After hearing Ye Chen's story, Su Yuya finally knew what happened.

"Ye Chen, Xue little sister is a very famous public figure, even though she has left the entertainment world she will still be in the public spotlight." Su Yuya told Ye Chen that being a star was not as easy as other people imagined.

Ye Chen himself also knew the risk that Feng Xue had to endure to become the most popular female star in this country, which was definitely not easy for Feng Xue to endure in the entertainment world which was quite harsh.

"Ye Chen, in this city there are so many fans of Xue little sister , I'm afraid that these fans will look for you because you took Xue's little sister from them." Su Yuya smiled slightly when she said this.

It must be that currently Feng Xue fans are looking for the existence of Ye Chen who dares to steal Feng Xue from them.

Ye Chen is also helpless with this matter, it looks like he will become the enemy of everyone in this city.

While Ye Chen and Su Yuya were discussing the news on television, it just so happened that Feng Xue had finished taking a shower, Feng Xue was currently changing clothes that he found in Su Yuya's room.

Even though Su Yuya's clothes were a little bigger in some parts, they were still quite suitable for Feng Xue to wear.

"What are you talking about?" Feng Xue wants to know what Ye Chen and Su Yuya are talking about.

"The two of us are talking about the news that is on television, just look at the news for yourself." Su Yuya told Feng Xue to see the news that was currently on television.

Feng Xue turned her attention towards the television, when she looked at Television, she saw that the news that was currently broadcasting on television was the scandal of her dating with Ye Chen.

"The reporters are very brave enough to make trouble like this." Feng Xue looked annoyed when she saw the news on television.

"Looks like they have crossed the line in this matter", Ye Chen also felt the same way as Feng Xue, he felt that the this reporter had gone a little too far in delivering vague news like this.

"I will try to call Grandpa and ask him to take care of this matter so it doesn't get worse", Feng Xue tried to ask her grandfather for help to solve this problem.

Feng Xue tried to call her grandfather, too bad her grandfather refused the call from Feng Xue.

"How strange, why did you refuse my call." Feng Xue felt strange when her grandfather refused a call from her, usually Feng Luo would never refuse a call from Feng Xue, for some reason this time Feng Luo suddenly rejected a call from Feng Xue.

Feng Xue felt something bad about this matter.

Chapter 530 - Feng Xue's Fans Down The Aisle

Seeing Feng Xue become anxious, Ye Chen immediately asked Feng Xue what happened.

"Xue What wrong?", Ye Chen asked Feng Xue.

"Nothing." Feng Xue told Ye Chen that nothing happened.

"The food is ready, let's eat first, forget about that matter for a while", Su Yuya had finished cooking the food, she told Feng Xue to eat first and forget about this matter for a moment.

Feng Xue nodded at Su Yuya, maybe she should just forget about this matter for a moment.

Ye Chen turned off the television so as not to disturb him while he was eating.

Ye Chen, Feng Xue and Su Yuya started eating the food that was on the table, Ye Chen ate quite heartily, the food made by Su Yuya tasted quite good and could increase Ye Chen's appetite.

Su Yuya and Feng Xue only ate a little, while the left overs on the table went into Ye Chen's stomach.

Su Yuya and Feng Xue couldn't believe that Ye Chen would eat to much.

Su Yuya was very happy when she saw Ye Chen liked the food she had made.

Su Yuya felt proud to be able to make delicious food for Ye Chen.

After all the food on the table ran out, Ye Chen and Su Yuya started washing the dishes together.

While Feng Xue looked at her cellphone, she was currently looking into what was happening on social media.

Social media became very chaotic when the news of Feng Xue's scandal surfaced on the news station, the fans of Feng Xue did not accept it when they saw Feng Xue dating another man, they wrote many posts seeking Ye Chen's whereabouts.

The fans of Feng Xue wanted to beat Ye Chen to suffocation.

Feng Xue was so helpless about this, she made things difficult for Ye Chen again, because she was close to Ye Chen, this made Ye Chen very inconvenient.

Feng Xue was also confused about what to do to reduce the anger from her fans.

A while later Ye Chen and Su Yuya had finished washing the dishes.

"Let's go back to school." Ye Chen invited Feng Xue to go back to school.

"Alright let's go back." Feng Xue nodded, she was going to follow Ye Chen back to school.

"We'll go first" Ye Chen and Feng Xue bid Su Yuya farewell.

Su Yuya understood that Ye Chen and Feng Xue had to go back to school, so Su Yuya didn't stop Ye Chen and Feng Xue from leaving.

Ye Chen and Feng Xue quickly walked out of Su Yuya's house, they immediately headed towards the school.

Ye Chen and Su Yuya have discussed when Su Yuya will move out of this place, tonight Su Yuya will move to Ye Chen's villa.

When Ye Chen and Feng Xue were several hundred meters away from the school gate, they both saw that there were currently thousands of people filling the streets near the school.

These people were seen besieging the school, these people also brought along some Feng Xue pictures with (# Save Feng Xue).

Judging from afar, these people were fans of Feng Xue, fans of Feng Xue had completely surrounded the school where Ye Chen was studying.

These people were surprisingly fast too, they immediately found out where Ye Chen and Feng Xue went to school.

Wherever Ye Chen can estimate that the person behind all of this is also a student of this school, otherwise how could Feng Xue's fans know that Feng Xue is in this school.

It seemed that there were people who didn't like it when Ye Chen and Feng Xue were together and then reported this to reporters and Feng Xue's fans.

"look, it's Feng Xue." One of the people surrounding the school saw Ye Chen and Feng Xue's arrival. immediately thousands of eyes stared at Ye Chen and Feng Xue.

"There he is, that man who dared to take Feng Xue away from us. Let's kill that person." One of the people tried to provoke the people around him.

"Let's catch that man and save Feng Xue." Thousands of people rushed towards Ye Chen and Feng Xue.

"Ye Chen, let's run away." Feng Xue had no other choice but to invite Ye Chen to escape from here, if Ye Chen stayed here Feng Xue was afraid that Ye Chen would be beaten to death by this many people.

Ye Chen and Feng Xue fled to avoid the people who were chasing them.

"Husband, here" when Ye Chen and Feng Xue ran, in an alley not far from Ye Chen and Feng Xue's place, Zhao Yanyan suddenly appeared, she called Ye Chen to go towards her.

Seeing that it was Zhao Yanyan, Ye Chen immediately took Feng Xue away to see her.

Ye Chen and Feng Xue entered the Alley where Zhao Yanyan was.

they are hiding in this alley.

When Ye Chen and Feng Xue reached where Zhao Yanyan was, they both saw that this place also had Lin Rouxi ,Cheng Mengyan and Nanhua Caiyi.

Zhao Yanyan, Cheng Mengyan, Lin Rouxi and Nanhua Caiyi certainly could easily get out of the encirclement of Feng Xue's fans.

"Husband, the situation is chaotic, the fans of Feng Xue are starting to act anarchist once, they are scaring the students in the school." Zhao Yanyan told Ye Chen that the fans of Feng Xue had crossed the line and caused chaos at school.

"Indeed they have crossed the line." Ye Chen also felt that if these people had crossed the line, they were terrorizing people who had nothing to do with this matter.

Looks like Ye Chen has to do something about this, if this continues the city can become quite chaotic because of the behavior of irresponsible people like them.

Ye Chen had plans of his own to make these people clear about what they were doing.

"Yanyan, Rouxi , come here." Ye Chen told Zhao Yanyan and Lin Rouxi to come closer towards him.

Ye Chen started whispering the plans he had to Zhao Yanyan and Lin Rouxi.

"Do you understand?", Ye Chen asked Zhao Yanyan and Lin Rouxi.

Zhao Yanyan and Lin Rouxi nodded at Ye Chen, they understood the plan Ye Chen wanted to out.

"Good, then let's get started." Ye Chen told Zhao Yanyan and Lin Rouxi to get ready, they would start the plan they had previously talked about.

Zhao Yanyan and Lin Rouxi understood that they immediately did what Ye Chen said.

"Feng Xue. . . , Feng Xue. . . , Feng Xue. . . , "These people kept on chanting Feng Xue's name, they were trying to find the whereabouts of Feng Xue that Ye Chen had taken away.

when they were shouting Feng Xue's name, suddenly the sky that was previously bright became dark, lightning started to flash and very torrential rain started to fall and rained down on these people.

This very strange thing made the fans of Feng Xue a little scared, some of them immediately tried to find a safe place to take shelter from this very heavy rain, while the rest were still defending against this very heavy rain, they were constantly looking for Feng. Xue.

A few moments later they all heard a melody of a song that didn't know where it came from, this melody made the heads of these people become dizzy and very Sick.

Some of the people who couldn't endure started screaming quite loudly.

This oddity made the fans of Feng Xue even more terrified, they immediately dispersed to save themselves.

Ye Chen , Zhao Yanyan and Lin Rouxi saw that these people had fled to save themselves.

The lessons given by Ye Chen, Zhao Yanyan and Lin Rouxi would definitely deter these people and would no longer do this kind of thing.

These people had been taken care of, now was the time to clear up the news stations that had been reporting strange things about him and Feng Xue.

To deal with news station Ye Chen requires great strength to do that, Ye Chen will ask Zhao Jinshan and Su Wansen for help, Ye Chen is very confident that with his military power he will be able to make news stations scared and change the news they have released.

"Let's go back to the villa." Ye Chen invited everyone to come back to the villa.

Ye Chen took Feng Xue flying together with himself to his villa.

Feng Xue was dumbfounded when she saw that Ye Chen, Zhao Yanyan, Lin Rouxi, Cheng Mengyan and Nanhua Caiyi could fly like superhumans who often appear in Movie series.
