

Chapter 561 - Beautiful And Sexy Woman Zhang Shiyun

"So may I sit down? ", Asked the beautiful woman to Ye Chen.

"Of course, please have a seat." Ye Chen invited a beautiful sexy woman to sit in front of him.

"Thank you very much", beautiful woman thanked Ye Chen, she sat right in front of Ye Chen.

Ye Chen looked at the beautiful woman in front of him, he was quite curious about where this beautiful and sexy woman had come from.

Sexy beautiful woman started ordering food and drinks, she is still a little unfamiliar with the food and drinks that are here.

"Can you explain what this is to me? "The beautiful woman asked Ye Chen to explain the food on the menu.

Ye Chen looked at the food designated by beautiful women, he saw that the designated food was a food that was quite popular with all ages.

"Oh, it's called Hamburger, it's quite popular among many people." Ye Chen explained the food that is designated by a beautiful sexy woman.

"Oh," the beautiful woman nodded at Ye Chen, she now knows what food it is.

The beautiful woman immediately ordered 1 Hamburger, she was a little curious about the taste of the Hamburger which looked quite interesting to see.

Ye Chen felt strange with this beautiful woman in front of him, she looked so ancient that she didn't even know Hamburger food which was quite popular among children and the elderly.

"That's where you come from." Ye Chen asked the beautiful and sexy woman in front of him.

"I come from a place that is quite far away, this is the first time I've come to a place like this." The beautiful woman told Ye Chen that she came from a very far away place.

"Oh, I see." Ye Chen now understands why this woman looks old fashioned, even though this woman is very beautiful and looks sexy, she probably comes from a remote place in this country.

Ye Chen was not too strange anymore after knowing this, before Ye Chen came to the city, Ye Chen was also quite ancient, he didn't even know about what was in the big city, so he could tolerate the beautiful woman in front of him.

"Oh yeah, I don't know what your name is? "beautiful and Sexy women want to know Ye Chen's name.

"My name is Ye Chen, yourself who are you ? "Asked Ye Chen to a beautiful and sexy woman.

"My name is Zhang Shiyun, nice to meet you" this beautiful woman introduced herself to Ye Chen.

This beautiful woman's name turned out to be Zhang Shiyun, it was a very beautiful name.

Zhang Shiyun was so charming, she had a special charm that could attract Ye Chen.

"What a pretty name, it suits you." Ye Chen praised Zhang Shiyun's name.

Zhang Shiyun smiled in a very enchanting manner when she heard Ye Chen's very sweet words.

"You have very sweet words, it looks like you are very experienced with women." Zhang Shiyun guessed that Ye Chen had quite a lot of experience with women.

Only people who had a lot of experience could say such sweet words as Ye Chen.

Ye Chen rubbed his nose, it seemed that Zhang Shiyun was a little different from the woman Ye Chen often met, Zhang Shiyun was not like the woman Ye Chen had met, Zhang Shiyun was not affected by Ye Chen's sweet words.

"Not really, I'm telling you right, your name is very beautiful just like you" In order not to lose face in front of Zhang Shiyun, Ye Chen should not back down and try to praise Zhang Shiyun with the words he has.

"Fufufufu." Zhang Shiyun giggled when she heard this, she became very interested in Ye Chen.

Even though Ye Chen was still very young, he was quite promising, it could be said that Ye Chen was Zhang Shiyun's type.

Ye Chen became a little uneasy when being stared at like that by Zhang Shiyun, her gaze is very sharp, the eyes of Zhang Shiyun like to explore all the secrets owned by Ye Chen.

"Miss, here , your order comes ." The restaurant waiter came and gave Zhang Shiyun the food ordered.

The restaurant waiter was surprised to see another beautiful woman eating at this restaurant, the restaurant waiter had worked here for several years, in these few years he had never seen a woman who could rival the beauty of Su Mengxin and Zhang Shiyun who had just met.

"Thank you, you can go." After receiving the food from the waitre, Zhang Shiyun immediately drove the waitre away.

Zhang Shiyun only wanted to spend time with Ye Chen to find out about Ye Chen, she wouldn't let anyone interfere with her business.

Zhang Shiyun started to take the hamburger that was in front of him, Zhang Shiyun was very unfamiliar with this food, he didn't know how to eat this thing, this thing was too big to put in his mouth.

As a person with ancient ethics, Zhang Shiyun had never eaten such a large portion of food, she would normally only eat very small portions of food.

" That . . . , how do you eat this thing? "Zhang Shiyun asked Ye Chen how to eat this thing called Hamburger.

Ye Chen patted his forehead, it seemed like Zhang Shiyun really didn't know anything, she didn't even know how to eat Hamburger where even a little child knew how to eat it.

"You only need to hold it with both hands and then start to bite the tip in small portions." Ye Chen helplessly started explaining how to eat Hamburger to Zhang Shiyun.

Zhang Shiyun nodded, she started to try what Ye Chen said, Zhang Shiyun lifted the hamburger using her two hands.

After Zhang Shiyun took a small bite at the end of the hamburger, she started tasting the taste of this thing called Hamburger.

After tasting one small bite, Zhang Shiyun felt that it was not as bad as she thought, this food was quite delicious to eat.

Zhang Shiyun took another bite again, she started to taste the taste of the food that was in her hands.

Zhang Shiyun's way of eating was really very elegant, Ye Chen rarely saw a woman eating a hamburger in such an elegant manner as Zhang Shiyun.

"How, is it delicious?" asked Ye Chen to Zhang Shiyun.

"The taste is not bad." Zhang Shiyun told Ye Chen that the taste of hamburgers is not bad.

Ye Chen smiled at Zhang Shiyun, this woman is so strange, she looks like she has never tasted food in this world.

After finishing a quarter of the portion, Zhang Shiyun felt that she was full enough, she put the hamburger back on the plate.

Ye Chen looked at Zhang Shiyun, even though Zhang Shiyun had eaten quite elegantly, currently there was a sauce stain on Zhang Shiyun's cheek.

"do not move for a moment" Ye Chen told Zhang Shiyun to not move for a while so he could clean the remaining stain on Zhang Shiyun's cheek.

Zhang Shiyun didn't know what Ye Chen wanted to do, she became very alert when Ye Chen reached out to her.

Ye Chen with very skillful movements began to wipe away the blemishes that were on Zhang Shiyun's pretty face.

"It's finished, there was a stain on your cheek." Ye Chen said to Zhang Shiyun.

Zhang Shiyun touched the cheek of hers which was previously touched by Ye Chen, she did not believe that she would be treated like a little girl by Ye Chen.

Chapter 562 - Temptation Under The Table

This was the first time that a man had dared to treat herself this way.

Ye Chen was completely different from the man had Zhang Shiyun, met this little man was very brave to herself.

"How interesting", Zhang Shiyun muttered in a very small voice, Zhang Shiyun was getting more and more interested in Ye Chen.

"Huh, did you say something? Ye Chen asked Zhang Shiyun.

"Nothing, I didn't say anything." Zhang Shiyun smiled so enchantingly, she just looked more and more dazzling in front of Ye Chen.

Ye Chen felt more and more strange about Zhang Shiyun in front of him, he felt that Zhang Shiyun was planning something behind him.

suddenly under table Ye Chen felt a leg that was soft enough to try to entangle him.

Ye Chen didn't need to look to find out whose foot this was, what was clear was that this leg must belong to Zhang Shiyun.

Zhang Shiyun now acted very boldly, she tucked her foot into Ye Chen's, Zhang Shiyun's movements felt quite skillful, it seemed like Zhang Shiyun was very skilled in this field.

There was no way an ancient woman would know how to seduce men like the Zhang Shiyun current did.

Ye Chen's suspicion was finally proven, Zhang Shiyun was not as innocent as he thought.

"Who exactly are you and what do you want with me?" Ye Chen immediately asked Zhang Shiyun who was in front of him.

"Oh, so you've realized" said Zhang Shiyun with a very charming smile.

"At first I thought that you were an ancient and ignorant woman, but after seeing your footwork, I immediately changed my mind." At first Ye Chen really thought that Zhang Shiyun was an ancient woman and didn't know anything.

But after Zhang Shiyun teased Ye Chen with the legs she had, Ye Chen realized that Zhang Shiyun was not an innocent woman like he thought.

"You're pretty smart too, I like smart men like you" Zhang Shiyun likes smart men like Ye Chen, if Ye Chen still doesn't realize that something is wrong with Zhang Shiyun right now, then Ye Chen is really stupid.

Zhang Shiyun continued to tease Ye Chen with her legs, she even started to go up towards Ye Chen's younger brother who was currently deep asleep.

Ye Chen felt that Zhang Shiyun was getting bolder and bolder, with Zhang Shiyun's very skillful movements, it was easy for Ye Chen's younger brother who was downstairs to wake up from his deep sleep.

"Hemm, you have quite a lot of capital down there too." By using the long and soft legs she had, Zhang Shiyun could easily tell that Ye Chen had quite a lot of capital.

Zhang Shiyun couldn't be sure how big Ye Chen belonged, which was definitely quite large than the average man she had ever seen.

To be honest, Ye Chen has never done footwork like the one Zhang Shiyun was doing, this is something new for Ye Chen.

In a situation like this, Ye Chen tried to be calm, he was trying to resist the temptation of a beautiful and sexy woman like Zhang Shiyun.

After a while, Ye Chen was finally able to control the lust he had, he was no longer under the influence of Zhang Shiyun's temptation.

Zhang Shiyun was very surprised when she saw that Ye Chen could calm down in this kind of situation, with the skills she had, Zhang Shiyun was very sure that Ye Chen would not endure the temptation of her feet.

"So who exactly are you? ", Ye Chen asked very calmly.

Zhang Shiyun was really disappointed, for the first time there was a man who could endure her temptation.

Failing to tease Ye Chen, Zhang Shiyun pulled the long legs he had away from Ye Chen's younger brother.

"Ye Chen, you really are a very attractive man, it's no wonder you can have this kind of strength at such a young age." Zhang Shiyun started to act very mysteriously.

The words that Zhang Shiyun spat out were not what Ye Chen wanted, Ye Chen just wanted to know who Zhang Shiyun was and where she came from.

"I once asked you where you came from, if you don't answer my question then I will have to use a little harsh way to make you talk." Ye Chen threatened to use harsh means to make Zhang Shiyun speak.

"Ye Chen, are you really going to use such a rough means to deal with a beautiful woman like me," said Zhang Shiyun while blinking her exquisite eyelids.

"I will definitely do it, do you want to try it" Ye Chen asked Zhang Shiyun, Ye Chen smiled evilly at Zhang Shiyun, maybe he really should use that method to deal with Zhang Shiyun.

"Of course, I want to see what you are going to do." Zhang Shiyun did not look scared at Ye Chen's threat.

Zhang Shiyun was very confident in the abilities she had, she was very confident that he could overcome Ye Chen very easily.

"Well if you want to try it, I'll show you." Since Zhang Shiyun challenged himself, of course Ye Chen will serve this woman.

Ye Chen couldn't wait to get revenge on this woman who had previously dared to tease him.

Ye Chen started to take off the shoes he was wearing. hhe then lifted his leg which was under the table and started tucking it into Zhang Shiyun's pomegranate skirt.

"Ahh." Zhang Shiyun slightly groaned when she felt Ye Chen's legs enter into her skirt.

Zhang Shiyun tried to hold back Ye Chen's leg who had dared to enter the forbidden area that she had.

Unfortunately Zhang Shiyun was too late, Ye Chen had already entered Zhang Shiyun's forbidden zone.

Ye Chen started playing with Zhang Shiyun's forbidden zone, when Ye Chen touched Zhang Shiyun's forbidden zone, he found that Zhang Shiyun was currently not wearing anything under the skirt she was wearing.

Zhang Shiyun was so brave that she came out without wearing a single pair of underwear.

"What a very brave woman, you don't even use anything down here." Ye Chen pressed Zhang Shiyun's forbidden zone a little stronger.

"Ahh. . .", "While Ye Chen's toes were rummaging through the secret garden she had, Zhang Shiyun started groaning in a very stimulating voice.

Zhang Shiyun didn't know what Ye Chen meant, Zhang Shiyun had never worn the underwear that Ye Chen said.

Zhang Shiyun's body started to feel a little strange and hot when she felt Ye Chen's feet touching the forbidden place she had.

"What happened to me, why do I feel so strange about the body I have." Zhang Shiyun felt that her body was becoming strange, she felt that her body had become very sensitive and became very lustful.

In addition, Ye Chen's feet continued to invade the secret garden that she had, Ye Chen's feet were very pleasant, Zhang Shiyun had never felt such a pleasant feeling.

"Erm. . . .", Zhang Shiyun's sweet groaning began to attract attention from the people around Ye Chen, they all immediately looked at Zhang Shiyun who was enduring Ye Chen's bluff.

Right now the people around Ye Chen couldn't see what Ye Chen was doing under the table, they all didn't know that Ye Chen was currently bullying Zhang Shiyun.

Zhang Shiyun started grinding her teeth, she tried to endure the feeling of comfort emanating from Ye Chen's feet.

Chapter 563 - You Dare

Little by little the determination that Zhang Shiyun had began to crumble, she was completely unable to endure this pleasure.

Zhang Shiyun really did not expect that Ye Chen's skills would become this great.

Zhang Shiyun was trying to create a barrier around here, she didn't want the people here to see her in this state.

When Zhang Shiyun wanted to create a barrier, she found that she couldn't create a barrier, Zhang Shiyun really couldn't use the strength she had.

"What really happened to me? "This discovery made Zhang Shiyun panic, she still doesn't understand why the power she had suddenly disappeared like this.

Zhang Shiyun looked at Ye Chen who was in front of her, she saw that Ye Chen was currently smiling maliciously at her.

Zhang Shiyun started to get goosebumps when she saw Ye Chen's evil smile, she felt that what happened to her was Ye Chen's doing.

"Please stop." Zhang Shiyun finally couldn't take it anymore, she asked Ye Chen to stop teasing herself.

"Why? Didn't you say you wanted to try my skills, hehehe" Ye Chen chuckled at Zhang Shiyun, finally Ye Chen was able to take revenge on this woman.

Zhang Shiyun was left speechless, Ye Chen's words made Zhang Shiyun unable to move anymore.

From the start Zhang Shiyun was the first to challenge Ye Chen, after she knew that Ye Chen was this great she suddenly asked Ye Chen to stop, how could Ye Chen be according to Zhang Shiyun's words, she would naturally continue to torture Zhang Shiyun until she wanted to speak.

"Emmm" Zhang Shiyun continued to let out a very sweet groan, the men in this place started to get excited when they heard Zhang Shiyun's groan.

Even some men are not strong enough with this kind of temptation, Zhang Shiyun is really charming and very sexy, she can easily make the men here excited.

"What should I do to make you stop doing this? "Zhang Shiyun can't stand this stimulation anymore, if it continues like this, she can completely lose control of herself.

Seeing Zhang Shiyun was about to give up, it was time for Ye Chen to find out where Zhang Shiyun came from.

"Where do you come from?", Ye Chen asked where Zhang Shiyun came from.

"I come from the Kunlun Holy Land." In a small voice, Zhang Shiyun answered Ye Chen's question.

"Kunlun holy land?", Ye Chen muttered in a rather low voice.

It turned out that Zhang Shiyun came from the Kunlun holy land, no doubt he looked very strange, it turned out that Zhang Shiyun was a cultivator who hid herself very well.

"Then what is your goal to approach me?" Ye Chen wants to know the aim of Zhang Shiyun who is approaching him.

"I just want to see you, there is no other purpose" said Zhang Shiyun to Ye Chen.

"Hemmm, are you telling the truth?" Ye Chen still doesn't believe the words of a beautiful woman like Zhang Shiyun, it could be that Zhang Shiyun is currently lying to him.

"I'm completely honest, I don't have any ill intentions towards you." Zhang Shiyun said that she did not have bad intentions towards Ye Chen, at all she wanted was to find out a little about Ye Chen only.

Ye Chen looked directly at Zhang Shiyun who was in front of him, he saw that Zhang Shiyun did not have a bad intention towards him.

"If you dare to do something bad to me, I will immediately tear the clothes you have and immediately rape you" said Ye Chen to Zhang Shiyun.

"You dare" Zhang Shiyun roared at Ye Chen.

Seeing Zhang Shiyun daring to roar at him, Ye Chen immediately inserted the toes he had into Zhang Shiyun's honey cave .

"Ahh. . . ." Zhang Shiyun immediately reached the peak of happiness, for the first time Zhang Shiyun could feel the peak of happiness being a woman.

Zhang Shiyun was already very weak, she put her head on the table, Zhang Shiyun was currently panting heavily, the bottom of her was like a spring that could no longer be stopped.

Zhang Shiyun couldn't believe that she would be made this way by Ye Chen.

Seeing that Zhang Shiyun had reached the limit, Ye Chen immediately pulled his leg back, when Ye Chen pulled his leg back, he found that his leg was filled with Zhang Shiyun's Yinqi, Zhang Shiyun's Yinqi was quite rich, it seemed this woman cultivated a dual Cultivation technique like Ye Chen.

When Ye Chen pulled his leg away from Zhang Shiyun, Zhang Shiyun felt a little lost in her heart.

It seems that Zhang Shiyun unconsciously started to feel addicted to Ye Chen's extraordinary technique, it could be said that Ye Chen was the first man who could make Zhang Shiyun like this.

Zhang Shiyun started to inhale and tried to recover, after a while Zhang Shiyun finally recovered as before.

"Ye Chen you are so mean, you really bully a beautiful woman like me" Zhang Shiyun complained to Ye Chen.

"yourself asked me to do that, so don't complain to me" said Ye Chen to Zhang Shiyun.

"Yes, you are right" Zhang Shiyun said helplessly, from the start Zhang Shiyun was indeed the one who was wrong because she challenged Ye Chen, she now knew that Ye Chen did have strength that was no weaker than she had.

"How do you actually know about me?" Ye Chen wants to know how Zhang Shiyun found out about him.

"I know these are rumors that I have heard, you know that in the Kunlun Holy Land there may already be many who know about you, so be careful", Zhang Shiyun told Ye Chen that in the Kunlun Holy Land there were many people who might already know about Ye Chen.

Ye Chen didn't understand how the rumors about him had already spread in the Kunlun Holy Land, actually who had done that.

Zhang Shiyun smiled quite dazzlingly when she saw Ye Chen's face upon hearing her words.

"Ye Chen, I want to talk to you a little longer, but unfortunately time is up, I'll see you later." Zhang Shiyun got up from her seat with a little difficulty, she still felt that her legs were very soft.

Zhang Shiyun tried to act casual in front of Ye Chen, she left Ye Chen alone.

Ye Chen did not understand what Zhang Shiyun was thinking, whether that woman had really come just to see him.

"Husband, we're back." What a coincidence that Su Mengxin and Ling Yin had come back from buying clothes, both of them had lots of bags in their hands.

"So have you two been walking around this place enough?", Ye Chen asked Su Mengxin and Ling Yin.

"That's enough, let's go home." Su Mengxin was quite satisfied with shopping today, now she wanted to go home and show clothes she had just bought Ye Chen the.

Su Mengxin was very sure that Ye Chen would be very happy when he saw some of the clothes that Su Mengxin bought.

"Okay." Ye Chen quickly agreed to go home, this was what he wanted from earlier.

Ye Chen, Su Mengxin and Ling Yin finally left the shopping center, the three of them returned to the mansion where Su Mengxin lived.

Chapter 564 - Met With Su Mengxin's Mother

In a corner quite far from where Ye Chen was, Zhang Shiyun was currently watching Ye Chen who was preparing to leave this place.

"Gezz, it looks like what my servant said is true, this brat is so dangerous, he made me like this", Zhang Shiyun finally believed that Ye Chen was quite dangerous.

Ye Chen was a natural enemy of women, this could be seen from Zhang Shiyun's lower body which was still wet and dripping.

If Zhang Shiyun didn't see Ye Chen's own abilities, maybe she wouldn't have believed that Ye Chen had such great abilities.

Apart from having strong strength, it turned out that Ye Chen's seductive ability was also extraordinary when Zhang Shiyun liked it.

"Ye Chen, you are getting more and more interested in me, I want to make you mine." Zhang Shiyun licked the lips she had, Zhang Shiyun couldn't wait to see Ye Chen again.

"Okay, time to come back" time for Zhang Shiyun to return to the Kunlun Holy Land, what she wanted has been accomplished, there is nothing else Zhang Shiyun can do in this place.

Zhang Shiyun flew towards the Kunlun mountains, she actually returned to the Kunlun Holy Land.

Ye Chen, Su Mengxin and Ling Yin have now arrived at Su Mengxin's mansion, the three of them entered into Su Mengxin's mansion.

When the three of them entered the mansion, they saw a middle-aged woman sitting on a chair watching television, this woman seemed to be focused on watching the news on television,

"Mengxin, where have you been? ", Middle aged woman asked where Su Mengxin had gone.

"Mother, I just finished shopping." Su Mengxin told the middle aged woman that she was just shopping.

This middle-aged woman turned out to be the mother of Su Mengxin, this woman's name is Lian Nuije this year she is almost 50 years old.

As Lian Nuije turned around, she looked at Ye Chen and Lingyin who were beside Su Mengxin.

Ye Chen looked at Lian Nuije, this woman was almost like Su Mengxin, it wasn't strange that Lian Nuije was almost like Su Mengxin, this was Su Mengxin's own mother.

"Mengxin, who are the two people next to you" Lian Nuije asked who the two people were beside Su Mengxin.

"Oh this is Ye Chen and Ling Yin. This is the man I told you last night." Su Mengxin introduced Ye Chen to her mother.

she even acted very intimate with Ye Chen in front of Lian Nuije, Su Mengxin wanted to tell Lian Nuije if her relationship with Ye Chen is inseparable, so Lian Nuije will not be able to separate herself from Ye Chen.

Lian Nuije looked at Ye Chen from top to bottom, Lian Nuije saw that Ye Chen was very young, how could Su Mengxin look for a man as young as Ye Chen, in their age, the two of them were quite different.

So Ye Chen is not suitable for Su Mengxin, Lian Nuije tries to calm down, he will try to find out about Ye Chen and the background that Ye Chen has.

Even though Su Wansen had already blessed Ye Chen and Su Mengxin, Lian Nuije and Su Mengxin's father still didn't approve of the relationship that Ye Chen and Su Mengxin had.

Lian Nuije is like the mother of most women in this world, all she wants is that the daughter she has can live happily and without suffering.

"Your name is Ye Chen, can I talk to you alone for a moment?" Lian Nuije wanted to talk privately with Ye Chen, she wanted to see what kind of youth her daughter chose.

"Mother, don't bully Ye Chen." Su Mengxin didn't let her mother talk to Ye Chen alone, if Su Mengxin let Lian Nuije talk to Ye Chen, Lian Nuije would definitely tell Ye Chen to leave Su Mengxin.

Su Mengxin knows very well what her mother's, Lian Nuije character is a career woman who places importance on the career she has above all else, even Lian Nuije several times has matched Su Mengxin with a middle-aged man to make her career flourish.

It was for this reason that Su Mengxin disliked her mother a little, plus Lian Nuije never had time for Su Mengxin, every day she spent only pursuing the career she had.

"Mengxin I just wanted to talk to Ye Chen for a while." Lian Nuije tried to look good in front of Su Mengxin, she didn't want Su Mengxin to get angry again like last night.

" not "Su Mengxin still looked hesitant about leaving Ye Chen with Lian Nuije.

"Mengxin, let me talk to your mother." Ye Chen wanted to talk to Lian Nuije.

After all, Lian Nuije is still Su Mengxin's mother , so it can be said that Lian Nuije is still her mother-in-law.

" fine , if that is your wish", different from the answer Su Mengxin gave to Lian Nuije, Su Mengxin seemed to be very obedient when Ye Chen spoke.

This made Lian Nuije surprised, Su Mengxin control who was usually difficult to suddenly became a very obedient woman in front of Ye Chen.

Lian Nuije began to wonder what kind of potion Ye Chen gave to the point that Su Mengxin became very obedient to him.

Su Mengxin took Ling Yin upstairs, she left Ye Chen together with Lian Nuije.

Now downstairs are Ye Chen and Lian Nuije.

"Please sit down" Lian Nuije told Ye Chen to sit on the chair opposite her.

Ye Chen walked to the chair in front of Lian Nuije, after which Ye Chen sat in front of Lian Nuije, Ye Chen was now face to face with Lian Nuije.

"Ye Chen, how old are you? ", Lian Nuije asked Ye Chen's current age.

"19 years old", Ye Chen firmly answered Lian Nuije's question .

"What is your current job? ", Lian Nuije again asked Ye Chen's job.

"I'm still in school, so I'm still not working at the moment." Ye Chen told Lian Nuije that he was still in school.

Lian Nuije nodded after getting Ye Chen's answer, as she thought Ye Chen was still very young.

Lian Nuije did not know what her daughter was thinking by looking for a young man who was still very young like Ye Chen, at time Su Mengxin 's 30 years old he should have looked for a more mature man.

"Ye Chen, I'll just get to the point, I want you to leave Su Mengxin." Lian Nuije didn't want to waste too much time with Ye Chen, she said what she wanted.

" So what ? "Ye Chen looked calm when he heard Lian Nuije's words, he looked normal when he heard what Lian Nuije had just said to him.

" Why ? , you are too young, your age does not match my daughter. "Lian Nuije told the reason why she told Ye Chen to leave Su Mengxin.

"Auntie, age has nothing to do with love." Ye Chen tells Lian Nuije that age has nothing to do with love.

"Hmmpp, now maybe you can still say that when you see my daughter still looks beautiful, but after 1 or 2 decades I'm sure you might change your mind." Lian Nuije snorted coldly at Ye Chen.

The age difference between Ye Chen and Su Mengxin is very far away, Lian Nuije is afraid that one day Ye Chen will leave Su Mengxin because she has become an old woman.

Chapter 565 - Change Lian Nuije's Way Of Thinking

For Lian Nuije, the age difference is very important in establishing a household, the bigger the gap between the two, the worse thing in establishing a household.

Moreover, Ye Chen is still too young, he definitely doesn't know how to treat a mature woman like Su Mengxin.

It could be that Ye Chen is only interested in Su Mengxin's beauty, when Su Mengxin has become an old woman, it's possible that Ye Chen will leave Su Mengxin.

That was something Lian Nuije much didn't want so, she didn't want something like that to happen to Su Mengxin.

"That aunt will not happen, I really love Mengxin, so I will never leave her." Ye Chen said with very strong determination.

Ye Chen could not possibly leave Su Mengxin, he would never do something like that.

Ye Chen is a very responsible man, he certainly won't leave women because of something like Lian Nuije said.

Lian Nuije saw how determined Ye Chen was, Ye Chen was very determined that he would never do something like that to Su Mengxin.

"You are still young, you don't even have a good career yet, so you can't possibly support Su Mengxin." Lian Nuije tried to find other ways so that Ye Chen could leave Su Mengxin.

Lian Nuije knew that if she could not use normal means to deal with Ye Chen, she had to press Ye Chen so that she wanted to retreat.

In business people who oppress are better than those who are suppressed, because of this, Lian Nuije tried to suppress Ye Chen.

Lian Nuije knows that Ye Chen is still in school, therefore Ye Chen must not have the money to support Su Mengxin, this is a very deadly weapon that Lian Nuije just issued to suppress Ye Chen.

Ye Chen smiled when he heard this, for Ye Chen money was not a problem, he had thousands of ways to get as much money as he wanted, so he didn't really think about this.

"Auntie, career and money are not very important to me, for me to live a happy life is enough." Ye Chen didn't want to overly expose the wealth he had, he preferred to be seen as it is.

"Ye Chen, you are too naive, in this world money and career are the rulers of this world, you don't know that without money you can live in suffering" said Lian Nuije to Ye Chen.

Ye Chen may not think about this too much, the problem is Lian Nuije thinks about this, in this world money is everything, with money everything can be bought including happiness.

It is for this reason that at a very old age, Lian Nuije is still quite active in pursuing her career, she is enslaved by money so that she continues and continues to pursue a career that will never end.

"Auntie, do you know that in the world money is not everything, there is something more powerful than money" said Ye Chen to Lian Nuije.

"What is more powerful than money?" Lian Nuije wants to know what is more powerful than money.

As far as Lian Nuije knows, money is the ruler of this world, with money all kinds of things you want can be achieved.

"Aunt, The most powerful in this world is power, no matter how much money you have, it will definitely be defeated by someone who has strong power." Ye Chen told Lian Nuije that power is the most powerful in this world.

Lian Nuije started to raise the eyebrows she had when she heard this, she started to think quite hard at the words Ye Chen just said.

"Why can you think like that? "Lian Nuije wants to know why Ye Chen thinks that power is more powerful than money.

"That's a very easy question to answer," Ye Chen told Lian Nuije.

"Auntie just imagine this, if there is a group of powerful thieves who want to take everything you have, what can you do? "Asked Ye Chen to Lian Nuije.

"Moreover, of course I will fight them, I can use the money I have to hire a few soldiers to protect everything I have." Lian Nuije easily answered Ye Chen's question.

Lian Nuije answered Ye Chen's question very easily, Lian Nuije still thought that money could solve all the problems in this world.

Ye Chen looked at Lian Nuije, it seems that it will be difficult to tell Aunt Lian Nuije what she means, maybe Ye Chen should set an example for Lian Nuije so that she knows that money is not everything in this world.

"What if it is a strong person who you can't overcome using mercenaries." Ye Chen changed the question, if he used a simple example, Lian Nuije definitely would answer him easily.

"What kind of strong man are you talking about? "Lian Nuije is quite smart, he wants an example from Ye Chen so that he can answer Ye Chen's question very easily.

"For example a person who has a super strength, it is enough to seize everything in this world", said Ye Chen to Lian Nuije.

"Hahahaha" Lian Nuije burst into laughter at Ye Chen, she felt funny at what Ye Chen said, Ye Chen was like a child who likes watching cartoons on television.

"Ye Chen, people who have strength can only be seen on television, so it is absolutely impossible, money is still the rule in this world" Lian Nuije started to lecture Ye Chen.

Lian Nuije started to take the cup in front of her, she began to take a sip of the tea in the cup.

"Auntie, there is nothing impossible in this world, just look at this." Ye Chen showed a little of the strength he had.

The cup containing the tea immediately froze into ice, Lian Nuije who was holding the cup was immediately scared, she threw the cup that was in her hand to the floor.

"Clang. . , Clang. . , Clang. . , "The cup hit the floor several times and made a very loud noise.

Hearing this voice, Lian Nuije knew that what she had just seen was genuine, Ye Chen could actually freeze something into ice in a very short time.

Lian Nuije was a normal woman who didn't know about the Cultivator world, she had never dealt with this kind of thing.

Su Wansen had never dragged his family into military affairs, so it wasn't strange that Lian Nuije didn't know anything about cultivators.

"How aunt? , Do you now believe that there are people who have super powers in this world?" Asked Ye Chen to Lian Nuije, Ye Chen smiled a little at Lian Nuije.

Ye Chen wanted to tell Lian Nuije that in this world strength is everything, career and money are nothing when compared to strength.

"Aunt with the power of anyone can get whatever they want, whether it be career, money, influence and much more to get", Now it was Ye Chen's turn to give a lecture to Lian Nuije.

After hearing Ye Chen's words, Lian Nuije finally began to realize that she was wrong all this time, it turns out that all this time what he had been chasing was just something useless.

Lian Nuije always thought that if she had a career and money, she could get whatever she wanted, but it turned out to be a big mistake, she couldn't get what she wanted just by using her career and money.

Chapter 566 - Are You Two Cosplaying

"Applause, applause, applause" Suddenly someone clapped their hands to Ye Chen and Lian Nuije.

Ye Chen and Lian Nuije immediately looked at the direction where the voice was coming from, when both of them saw where the voice was coming from, they both saw that currently Su Wansen was standing not far from Ye Chen and Lian Nuije.

"Father-in-law" Lian Nuije frantically greets Su Wansen who just arrived , She didn't expect it to be Su Wansen was standing behind her.

Su Wansen been standing for a long time, he listened to the conversations being conducted by Ye Chen and Lian Nuije.

When Su Wansen heard Ye Chen and Lian Nuije discussing which of the world's most dominating power or money, Su Wansen was very interested.

Su Wansen wanted to know who would win the debate this time, Su Wansen himself already knew the answer among the debates that were being held by Ye Chen and Lian Nuije.

So Su Wansen just wanted to see if Ye Chen could change Lian Nuije's mind or not.

The result is so extraordinary that Ye Chen can make a smart woman like Lian Nuije become confused and waver like that.

"Nuije, do you now know that in this world strength is everything, you have only thought of your career as a bright and bright one, but you forget that without the power I have in the military you might not be

able to reach this stage" Su Wansen told Lian Nuije that everything Lian Nuije got was thanks to the strength that Su Wansen had in the military.

If only Su Wansen had no strength in the military, Lian Nuije's career might not have become like this.

"Well I understand that" Lian Nuije already understands that, in this world strength is everything, she has been pursuing a career that is useless.

"It's good if you understand, now don't judge someone by their career and money anymore." Su Wansen advised Lian Nuije not to look at people from career and money.

Sometimes strong people won't even show what they have, they prefer to keep it to themselves.

Su Wansen turned his eyes to Ye Chen. "Ye Chen, I heard you have successfully completed mission From Long Shumin, is that true?" Su Wansen just got the news that Ye Chen has successfully completed the mission of destroying the parasitic weapon very easily.

"Yes, I have done that." Ye Chen nodded at Su Wansen, he had completed the mission very neatly.

"Hahahahah, that's great, as expected of you." Su Wansen looked very happy when he heard this, he was quite proud of the work that Ye Chen was doing.

Even a mission that was quite difficult could easily be completed by Ye Chen in a matter of hours.

"Grandpa, you praise me too much, the task is too easy, so it's not difficult for me." The task of destroying the parasitic weapon wasn't that difficult, so Ye Chen could finish it in just a matter of hours.

No one would believe that destroying a Parasite weapon was such an easy job to do, even trained soldiers would find it very difficult to do it.

"Ye Chen, are you interested in joining the military, with the strength and intelligence you have, I'm pretty sure. You can definitely reach a very high position if you join the military." Su Wansen offered Ye Chen to join the military.

Su Wansen firmly believed that if Ye Chen joined the military, he would have a very bright achievement.

Lian Nuije's eyes lit up slightly when she heard this, if Ye Chen joins the military and can become like Su Wansen, then the fate of this family will continue to prevail.

Lian Nuije hopes that Ye Chen will accept the offer from her father-in-law.

"Sorry grandfather, but I have to refuse your offer, I don't want to be confined in this country, I want to explore a place that has never been visited by mankind in this world," Ye Chen said to Su Wansen.

Lian Nuije was quite surprised to hear Ye Chen's words just now, Ye Chen really rejected good intentions Su Wansen's, if this was someone else who accepted Su Wansen's offer, they would definitely be very happy to accept this.

Ye Chen did not want to be tied to a place on earth continuously, there were still places that Ye Chen wanted to visit like the immense God Realm.

Ye Chen already had the goal of becoming the strongest cultivator, so one day he would definitely leave the earth to become even stronger.

"Well, I understand, you have enormous potential, it would be a shame if you were bound in a place like this." Su Wansen can understand about Ye Chen, sooner or later Ye Chen will definitely go to a better place like the Kunlun Holy Land. .

Su Wansen himself didn't really know about the existence of God Realm, as far as Su Wansen knew, the place where the gods lived was the Kunlun Holy Land.

Lian Nuije felt dizzy about the direction of the conversation from Ye Chen and Su Wansen, she did not understand what Ye Chen and Su Wansen were talking about.

"Grandpa, auntie, everything is over, I want to go up and see Mengxin. " Since the conversation is over, Ye Chen wants to go up and see what are doing Su Mengxin and Ling Yin.

"Go ahead" Su Wansen invited Ye Chen to come up and see Su Mengxin.

Ye Chen immediately got up from the seat he had, he immediately went to Su Mengxin's room who is upstairs.

Su Wansen and Lian Nuije could only see Ye Chen's figure going upstairs.

Lian Nuije is getting more and more curious about Ye Chen, why her father-in-law admires Ye Chen so much, is it because Ye Chen has the power to freeze water like that or something else.

Lian Nuije is very curious, this curiosity can kill Lian Nuije.

"father-in-law ,Who is Ye Chen , why do you admire him so much?" Lian Nuije took the courage to ask Su Wansen.

She wanted to know more about the boy her daughter brought home.

Su Wansen smiled at Lian Nuije, he began to slowly explain to Lian Nuije, so that Lian Nuije would understand how great the son-in-law which Su Mengxin brought home.

.
. .
.

Ye Chen no longer knew what Su Wansen and Lian Nuije were talking about, he was currently rushing to Su Mengxin's room.

When Ye Chen arrived in front of Su Mengxin's room , he immediately opened the door to Su Mengxin's room.

"I came." When Ye Chen opened the entrance to Su Mengxin's room , he immediately froze. Ye Chen currently found a very beautiful scene in front of his eyes.

Currently Su Mengxin and Ling Yin were changing clothes, Su Mengxin was changing into a nurse's outfit while Ling Yin was changing into a flight attendant's outfit which looked more seductive than the last time Ye Chen saw.

The two of them were clearly very seductive when wearing this kind of clothes.

What Su Mengxin and Ling Yin wore, was something that all men in this world longed for.

"That, are you Two cosplaying? ", Ye Chen asked Su Mengxin and Ling Yin.

Su Mengxin and Ling Yin froze when they saw Ye Chen come in here, even though the two of them intended to surprise Ye Chen, it was unexpected that Ye Chen would come back sooner than they both thought.

Chapter 567 - Cosplay Temptation

Su Mengxin and Ling Yin hastily unfinished clothes they wear, they began to organize the clothing and appearance that they have to be aesthetically nice.

"Husband, why did you come back so early? "Su Mengxin was a little disappointed, she didn't give a surprise to Ye Chen.

"The conversation is over, so I decided to meet both of you." Ye Chen told Su Mengxin that the conversation that Ye Chen had with Lian Nuije was over.

"Does my mother intend to make you go away from me?" Su Mengxin wanted to know if Lian Nuije wanted to make Ye Chen stay away from her.

"Yes, at first your mother wanted to do that because she thought that our ages were not suitable, but after a bit of a long conversation, she finally understood." Ye Chen explained what had happened earlier to Su Mengxin.

"I'm glad you can convince my mother, Husband is the best." Su Mengxin was quite happy when she heard this, Lian Nuije finally understood what Su Mengxin wanted.

"Husband, what do you think about our appearance, is this good or not? "Su Mengxin started making a very sexy pose, she showed off the beautiful curves she had.

After doing Dual Cultivation several times with Ye Chen, Su Mengxin's mature body began to look even more seductive.

Now every move from Su Mengxin could make Ye Chen excited.

Su Mengxin didn't realize that her body was even more enchanting for Ye Chen, which Su Mengxin knew, she was now more and more beautiful than before.

"You are quite beautiful and very Sexy when wearing that nurse outfit" Ye Chen told Su Mengxin that she looked very beautiful and very Sexy when wearing a nurse outfit.

If Su Mengxin came out dressed like this, it was certain that Su Mengxin would attract attention from everyone she met.

Su Mengxin was quite happy to hear this, just as she thought Ye Chen would be happy when she bought this shirt.

Su Mengxin had read that some men like something like this, it seems like Ye Chen is one of those men who likes to see women wearing clothes like this.

Su Mengxin looked at Ling Yin who was currently silent behind her.

Su Mengxin immediately dragged Ling Yin in front of Ye Chen. "Husband, what about Ling Yin, do you like the clothes she wears?" Su Mengxin wanted to know what Ye Chen thought about the flight attendant clothes Ling Yin was wearing.

What is certain is that Ye Chen will like the flight attendant outfit Ling Yin is wearing.

"Ling Yin, I see that the flight attendant's outfit you are wearing is more seductive than the last time that I remember." Ye Chen told Ling Yin that the flight attendant's outfit he was wearing was more seductive than last time.

"Yes, I deliberately chose one that was much better than the previous one, how about that? , do you like this?" Ling Yin started to pose in a style like a flight attendant, this pose reminded Ye Chen when he first met Ling Yin on the plane.

At that time, Ye Chen still didn't know the identity of Ling Yin's who was a beautiful assassin, previously Ye Chen knew that Ling Yin was a beautiful cultivator who was very sassy and very seductive.

"Eh?, husband have you ever seen Yin's sister wear clothes like this?" Su Mengxin felt strange about Ye Chen's words just now.

Why did Ye Chen say that Ling Yin's flight attendant's clothes were so much more seductive than they used to be.

"Of course, the first time I met Ling Yin was when I went to the capital by plane, that time Ling Yin worked as a flight attendant" Ye Chen told Su Mengxin that the first time he met Ling Yin was when he went to the capital by plane.

"Oh no wonder, it turns out that all the days you've seen Yin's sister wearing a flight attendant outfit like this" Su Mengxin finally understood, it turns out that Ye Chen and Ling Yin met was at the time Ling Yin was wearing a flight attendant's outfit.

Ye Chen sees Su Mengxin and Ling Yin, he sees if these two women are deliberately dressed like this for himself.

"Wait a minute, they both wear clothes like this must be to tempt me" After thinking again Ye Chen finally realized that Su Mengxin and Ling Yin dressed like this for him.

These two women must have deliberately wanted to seduce him, because Su Mengxin and Ling Yin wanted to seduce him, then Ye Chen would accept this.

Ye Chen directly embraced Su Mengxin and Ling Yin using the two hands he had, each now on the arm side of Ye Chen, they were both in the hug by Ye Chen.

"You two are brave enough to tempt me by wearing clothes like this, are you ready to bear the consequences of teasing me by wearing clothes like this" Ye Chen began to show a wicked smile to Su Mengxin and Ling Yin.

he can't wait to try on Su Mengxin and Ling Yin's taste buds while wearing the cosplay outfits they currently wear.

Ye Chen's hand begins to dishonestly stroke the bodies of Su Mengxin and Ling Yin, she enjoys the bodies of both beautiful women on both arms of him.

Su Mengxin and Ling Yin's faces turn flushed, they both begin to feel the heat when they feel the touch of Ye Chen's magical hand.

Ye Chen doesn't want to waste any more time, he throws Su Mengxin and Ling Yin on the bed, he prepares to do something fun with Su Mengxin and Ling Yin.

"Husband, do you want to? , Ye Chen ,come here " Su Mengxin and Ling Yin began inviting Ye Chen to get on the bed, they both made very seductive poses to get Ye Chen excited.

Ye Chen is very excited, he feels that Su Mengxin and Ling Yin look very tempting, Ye Chen wants to go up and enjoy two beauties one wrapped in a nurse outfit and the other wrapped in a flight attendant outfit.

Ye Chen wasted no more time, he immediately jumped on the bed and immediately pounced on Su Mengxin and Ling Yin who were in front of him.

" Ahh. , Ahh. . . , "Su Mengxin and Ling Yin were equally surprised by what Ye Chen did, they were both totally unprepared with the arrival of Ye Chen who was very suddenly.

Ye Chen hugs Su Mengxin and Ling Yin's body, she begins to become very greedy to kiss Su Mengxin and Ling Yin's face.

Su Mengxin and Ling Yin could only surrender to the Ye Chen invasion .

"Husband be patient a little, let us help you",Su Mengxin told Ye Chen to be patient and not greedy like this.

Su Mengxin and Ling Yin wanted to please Ye Chen, of course they had to take an initiative to serve Ye Chen.

Su Mengxin and Ling Yin changed positions from passive to active, they began to take turns serving Ye Chen, they both split their respective duties to serve Ye Chen.

Su Mengxin is currently hugging Ye Chen from behind while Ling Yin hugs Ye Chen's body from the front.

Su Mengxin deftly begins to tease Ye Chen, using both of the big double peaks she has, she begins to rub Ye Chen's back.

"Boing-Boing" Ye Chen felt a very tender feeling that is currently pressing on his back, Ye Chen certainly knows what objects are pressing on his back.

Chapter 568 - Ehem,master, Sorry To Bothering You

This is definitely Su Mengxin's very large and soft double peak, the feeling of being pressed by this thing is so overwhelming, Ye Chen can't stand the stimuli coming from Su Mengxin.

Su Mengxin doesn't stop here alone, she starts biting Ye Chen's ears in a very seductive way, Su Mengxin begins to know how to tease Ye Chen well and correctly.

On the front Ling Yin does not stay still, she begins to kiss Ye Chen in front of her, she begins to kiss Ye Chen's lips a little aggressively.

Ling Yin's kiss was pretty good, she started kissing Ye Chen's lips very greedily.

Ling Yin became addicted when she kissed Ye Chen, she felt that kissing Ye Chen felt very comfortable.

As a virgin, Ling Yin's ability in this case is not bad at all, if Ling Yin is given the right direction, then Ling Yin will surely be a great tempter.

Ling Yin begins to become a very obscene woman when kissing Ye Chen.

Ye Chen was really seduced by Ling Yin and Su Mengxin from the front and back, this stimulus is certainly something very unusual for Ye Chen.

In the current situation, it is possible that Ye Chen will become passive and accept what Su Mengxin and Ling Yin did to him.

Ye Chen begins to extend his hand towards Ling Yin's double peak as he begins to play with Ling Yin's hefty double peak.

"emmm. . ."Ling Yin's moans began to leak out, he felt unparalleled pleasure from Ye Chen's very skilled fingers, Ling Yin felt that he was in a very comfortable heaven.

Su Mengxin who was behind Ye Chen saw what Ye Chen was doing along with Ling Yin, she was a little jealous of Ling Yin for being able to kiss Ye Chen.

Su Mengxin did not want to lose to Ling Yin, she began to extend her hand to Ye Chen's chest, Su Mengxin began stroking Ye Chen's stocky chest using her soft hands.

Su Mengxin's fingers begin to be dishonest, she begins to descend down towards Ye Chen's younger brother who is currently hiding from the invasion of Su Mengxin and Ling Yin.

Su Mengxin begins trying to seduce Ye Chen's younger brother into coming out of his hiding place.

Ye Chen is actually stimulated by Su Mengxin and Ling Yin who are currently wearing nurse and flight attendant clothes at the same time, what Ye Chen is currently doing is every man's dream in this world.

Ye Chen, Su Mengxin, Ling Yin begin to drown in a sea of flames of passion, the three begin to seek pleasure from each other, all three can't wait to enjoy all day in bed.

"ehem, master, sorry to bother you, I detected some very large power who had just come to this planet" When Ye Chen wanted to do more fun with Su Mengxin and Ling Yin, suddenly Chu Yuechan's voice was heard warning Ye Chen that she had just found some people with great power coming to the planet.

hearing this, Ye Chen immediately stopped playing with Su Mengxin and Ling Yin ,he wanted to know the full details of what Chu Yuechan had just meant.

"Yuechan what does that mean?" Ye Chen wanted to know what Chu Yuechan meant about the person with the great power who had just come to this planet.

"My point is there are some people who are not from the earth who have just come to This Planet" Chu Yuechan clarified her words.

"What the hell! " Ye Chen was surprised to hear this, he didn't expect that there would be some people from the God Realm coming back to earth.

Whereas not long since the last time people who chased Dongfang Xiu came to earth, why else would anyone from the God Realm come to earth, actually what they want to come to this earth.

"Master you better see what they're doing, I feel they're coming for something else, they're definitely not coming for you" Chu Yuechan is very sure that if these people come for something other than Ye Chen, they're all currently gathered in the same place.

"Husband , why did you stop" Su Mengxin and Ling Yin were confused by Ye Chen who suddenly remained silent.

They both want to know what's going on, why Ye Chen suddenly he's like this, this scares Su Mengxin and Ling Yin.

"Mengxin, Ling Yin, there is something I have to do, so I have to go, I'm sorry" Ye Chen pushed Su Mengxin and Ling Yin, there is something he must make sure of himself with his eyes.

"Where are you going?" Su Mengxi wants to know where Ye Chen is going.

"I want to go to see the powerful people who have just come to our planet" Ye Chen tells Su Mengxin that he wants to see the people of the God Realm who have just been detected by Chu Yuechan.

Ye Chen didn't hide anything from Su Mengxin, he told Su Mengxin what he wanted to do.

"Husband, you have to be careful, don't get hurt like last time" Su Mengxin wants Ye Chen to be more careful not to get hurt like last time.

Su Mengxin herself already knew about the existence of The God Realm from Nangong Xiang, Nangong Xiang had taught Ye Chen and all Ye Chen's women about general knowledge in God Realm.

All this in Nangong Xiang for a purpose, she wants all Ye Chen women to know that in this world there is a place much wider than the earth, as well as knowledge of Nangong Xiang can be used just in case something happens that is not wanted to Ye Chen women.

"You don't have to worry, I'll be very careful once, see you soon Ye Chen jumps out of Su Mengxin's bed room window, he immediately goes to the place where the strong men of the God Realm are.

Su Mengxin and Ling Yin can only see the departure of Ye Chen, Su Mengxin sighs a little, it looks like they both failed to do fun with Ye Chen.

Ling Yin was left confused on his own, he did not know what Ye Chen and Su Mengxin had just talked about, for Ling Yin what Ye Chen and Su Mengxin had just talked about was very strange to him.

Ling Yin doesn't know anything about God Realm, so it's not strange that she doesn't understand the content of the conversation just done by Su Mengxin and Ye Chen.

"Sister Mengxin where did Ye Chen go?" Ling Yin asked Su Mengxin where Ye Chen had just gone.

"Husband, is away to see powerful people that you would never have imagined before" Su Mengxin told Ling Yin that Ye Chen went to see powerful people that Ling Yin and Su Mengxin never imagined.

Ling Yin still doesn't understand the powerful people Su Mengxin is talking about.

Seeing that Ling Yin did not understand what she was saying, Su Mengxin had to explain more clearly to Ling Yin so that she could know what she was talking about.

After a long explanation from Su Mengxin, Ling Yin finally understood where Ye Chen was going currently, Ye Chen is now apparently going to meet powerful people from beyond the earth.

Chapter 569 - Something Stronger Than A Fairy Gate

"Sister Mengxin Ye Chen has left, then what should we do now?", Ling Yin asked what they should do now.

Ye Chen has now left this place, all the plans that Su Mengxin and Ling Yin have put together have failed.

"Sister Yin, I'm sorry, it looks like you have to keep yours for much longer, I can't do something about this matter." Su Mengxin couldn't do anything about this, she couldn't help Ling Yin anymore because Ye Chen had left this place.

Su Mengxin could only tell Ling Yin to wait for the opportunity that would come next time.

"Huft" Ling Yin was a little disappointed, even though she was only a little longer going to be Ye Chen's wife, it was unexpected that at important times something like this would happen.

Ling Yin had no other choice, she had to wait for the opportunity to come, next time Ling Yin would definitely become Ye Chen's wife completely.

"Let's just sleep alone." Su Mengxin invited Ling Yin to sleep together, actually Su Mengxin was still quite tired because she previously exercised with Ye Chen in the morning.

Su Mengxin now wanted to rest for a while and recover the energy she had.

Ling Yin could only nod, she was lying right beside Su Mengxin.

Ling Yin is currently still thinking about Ye Chen, she hopes that Ye Chen will quickly come back here so that they can continue what was previously delayed.

As Ling Yin was thinking about the relationship she had with Ye Chen, she suddenly felt a soft hand hugging her body from behind.

This gentle hand of course belonged to Su Mengxin, Su Mengxin was currently hugging and embracing Ling Yin's body.

"Don't think too much about it, everything will definitely go fine." Su Mengxin told Ling Yin not to worry too much, sooner or later things will definitely happen.

After all, Ye Chen already considered Ling Yin as her woman, so Ling Yin would definitely join Ye Chen's wife group soon.

"Thank you very much." Ling Yin thanked Su Mengxin for wanting to comfort her.

Just as Ling Yin's heart felt relieved, she felt Su Mengxin's hand begin to hug her tighter.

"Sister Mengxin what are you doing? ",Ling Yin panicked a little about what Su Mengxin was doing.

"There's nothing I can do. Hurry up and sleep." Su Mengxin pretended nothing had happened, She told Ling Yin to accompany himself to sleep.

Ling Yin understood, she started to close her eyes and sleep together with Su Mengxin.

Su Mengxin and Ling Yin hugged each other, the two of them started sleeping together on the bed.

Su Mengxin and Ling Yin were currently sleeping in the nurse and flight attendant outfit, the two of them looked like fine dining for any man who saw them.

It's a shame that Ye Chen is currently not here, if he is currently here, maybe he will be very excited when he sees Su Mengxin and Ling Yin who are currently sleeping while hugging.

Ye Chen was currently flying towards the west of the place where people from God Realm had come.

On the way, Ye Chen began to wonder what these people were looking for until they came to this earth, was there anything on this earth that attracted them to the point that they came to this place.

Ye Chen started to think a lot about the goals of the people of God Realm, he only hoped that people would not cause trouble on earth.

It took Ye Chen about 30 minutes to reach the place where the people of God Realm were currently.

After arriving at their destination, Ye Chen immediately used the Reideran pendant necklace to hide himself from being caught by the people of God Realm.

Ye Chen started to sneak around this place, Ye Chen started to be very vigilant, Ye Chen is currently completely 100% wary of what is around him.

"Hey Yuechan, where are the people you were referring to?" Ye Chen asked Chu Yuechan where the locations of those people Chu Yuechan had previously said.

The current Ye Chen couldn't use his Spirit Sense, if he used the Spirit Sense he had, he would definitely be caught by cultivators from God Realm.

"They are still far ahead." Chu Yuechan told Ye Chen that the people from God Realm were still far ahead.

"Okay, I understand." Ye Chen understands, he continues to walk forward.

Ye Chen walked very carefully, he tried not to be detected by the people in front of him.

A while later Ye Chen saw a cave mouth that was quite large in size.

"Master, they are currently entering that cave." Chu Yuechan told Ye Chen that the people of the current God Realm had entered this cave.

Ye Chen looked straight at the cave entrance that was in front of him, actually what these people wanted, why did they enter this cave, is there a treasure that is so precious in this cave that people God Realm entered in there.

"Yuechan, is there a treasure in there or something?" Ye Chen wants to know whether in this cave there is a treasure or not.

"Master, actually I detected a very strong object buried in this cave, I think this is something that is priceless, even the fairy gate you have is still inferior to this thing." Chu Yuechan told Ye Chen that in this place indeed stored a very valuable treasure.

"What, in there is something more precious than the Fairy Gate?" Ye Chen can't believe that in this cave there is an object more valuable than the Fairy gate.

The fairy gate is the most powerful artifact Ye Chen has ever had, the fairy gate is probably on the same tier as the Heavenly Tier artifact.

So what item is more valuable than the Fairy Gate ?, Ye Chen became very curious.

"master, you should be able to get that thing, it must be something very precious." Chu Yuechan asked Ye Chen to immediately get to the object buried in this cave.

If Ye Chen can get that thing, it will be very helpful for Ye Chen in the future.

"If you really believe that the thing is stronger than the fairy gate then there is no harm in trying to get it" Because Chu Yuechan believes that the thing buried in here is much stronger than the fairy gate, then there is no harm in Ye Chen trying to get it. .

Although Ye Chen might have to fight people from God Realm to get that precious thing.

Ye Chen knew that the risk he was going to take was quite dangerous, but if you remember that this thing was quite strong, then there was no harm in Ye Chen trying it.

To be able to become stronger requires a sacrifice, without a sacrifice, Ye Chen will not be able to become strong.

"Okay, I'll go in", Ye Chen started to enter the cave, when Ye Chen entered the cave, Ye Chen just felt that he had just passed through an illusory barrier.

When Ye Chen entered the illusory barrier, he found that what was inside the barrier was different from what was outside

Chapter 570 - An Ancient Tomb

This place was much better than it looked from the outside, in this place, there were several statues of people wearing a very complete combat outfit.

These statues are neatly lined up on the right and left of this cave, it can be said that this place looks like a very magnificent temple.

"Is this a temple? "Ye Chen started to become curious about this place, he started looking around to find out what place it is.

"Hemm, this is not a temple, rather it is like a tomb belonging to someone." Chu Yuechan began to suspect that this was someone's tomb.

"So an ancient tomb huh? "Chu Yuechan's words may have some truth, this place might be someone's ancient tomb.

Ye Chen wanted to know whose tomb this was, why did he have an object that was so much greater than the fairy gate that Ye Chen had.

To find out about this, Ye Chen had to go deeper into the core of this ancient tomb, that's where Ye Chen could find the thing that Chu Yuechan said.

"Yuechan please direct the path for me," Ye Chen asked Chu Yuechan to show him the way, Chu Yuechan was a good guide, Ye Chen was very sure that Chu Yuechan could easily show him the way.

"OK, I'll lead the way for you." Chu Yuechan understood, she would find a way for Ye Chen to go to the deepest part of the Tomb.

Ye Chen started to step forward, he slowly walked around this place.

While on the way to this ancient Tomb, Ye Chen found several traps that had been activated, he saw that there was some fresh blood that was still warm, it seemed that the people of God Realm had passed this way before.

Ye Chen started researching the traps that were in this place, he began to carefully look at what kind of traps were set in this place.

"Looks like this is indeed an ancient tomb left by someone, in this place is completely filled with a trap that is quite deadly".

After analyzing his findings, Ye Chen was able to conclude that this place was indeed an ancient tomb that was deliberately set in a trap to prevent outsiders from entering deeper.

Just at the beginning of the entrance, the traps that are installed are quite deadly, all of these traps are made of materials that are quite strong and are very rare to find in this world.

Cultivators like Ye Chen might be hurt very easily if they weren't careful when exposed to this trap.

Even people from God Realm can be injured by this trap which shows that this trap is quite deadly.

"Master, you have to be a little careful. This place is filled with a lot of hidden traps, if you take a little wrong step, you can be caught by this trap." Chu Yuechan told Ye Chen to be more careful in his steps because there are many places in this place an invisible trap.

The owner of this tomb seems so great at setting traps that in every corner of this place is a trap that has been so well prepared.

"Hehehe, Yuechan, you don't need to worry, I have a way not to get caught by the trap in this place." Ye Chen had an idea so that he wouldn't be hit by the trap in this place.

"Shadow Clone" Ye Chen used the technique he had just learned to create a Clone that he could use to check whether there was still a trap ahead.

This way Ye Chen won't be hit or fall into the trap in this place.

Ye Chen felt very smart, he used a clone to sacrifice so that he wouldn't be hit by the trap in this place.

"You quickly lead the way for me" Ye Chen ordered the Clone in front of him to advance first to see if there was a trap or not in ahead.

The clone that Ye Chen made immediately came forward, this Clone led the way to check whether there was a trap or not.

In just a few hundred meters, the Clone that Ye Chen had made suddenly stepped on a trap.

Immediately, the wall in this place directly squeezed the body of the clone made by Ye Chen.

The clone that Ye Chen made had no resistance when crushed by the walls in this place.

Ye Chen sweated a little when he saw this, for just now he wasn't the one who was hit, if he arrived at the Clone position earlier, Ye Chen would not be able to imagine what would happen to him.

"For sure I'm smart enough to use the Shadow Clone technique, otherwise I might be caught by the trap earlier" Ye Chen was even more grateful because he got this technique from the Phantom Blade.

If only Ye Chen didn't have the Shadow Clone technique, then it would be very troublesome to enter this ancient tomb.

Because the Clone that Ye Chen made disappeared, Ye Chen had to make a new Clone again, he again ordered the Clone he made to advance first to make sure the path ahead was safe for him to pass.

In just 15 minutes, Ye Chen had activated dozens of traps in this place, the deeper he went into this ancient tomb, the traps became more and more dangerous and deadly.

If Ye Chen is not careful, you can be sure that Ye Chen can be injured or die by the traps in this place.

This time, Ye Chen felt that he was like a rat who was in a place filled with a very deadly trap.

"Click. . ." Again Clone Ye Chen stepped on a trap, Clone Ye Chen had just stepped on a trap that made the floor in front of him open, from within the floor began to appear the figure of a warrior wearing a complete combat outfit.

This warrior wielded a spear and a shield which looked quite good.

"An artifact weapon?" Ye Chen saw that what was in these two soldiers' hands was an artifact that was probably at tier 9 or maybe even higher.

Ye Chen did not expect that this warrior had such excellent equipment, if the guard soldier alone had a Tier 9 or higher equipment, then what about the owner of this tomb, wouldn't the owner of this tomb have something thousands of times more valuable than this soldier.

Ye Chen couldn't see this warrior's face, this soldier was wearing a mask that covered his entire head.

"Master, you better get out of here, this warrior is very strong, you will not be able to fight this warrior."
Chu Yuechan warned Ye Chen that the warrior in front was very strong.

If Ye Chen decided to fight with this warrior, then Chu Yuechan could confirm that Ye Chen's chance of indeed would be very small.
