

Chapter 591 - Win Very Easily

Ye Chen started to see the armor on his body, for some reason Ye Chen thought this armor was very good to use.

Even behind Ye Chen appeared wings made of golden light, this appearance was almost incomparable to.

"This looks really cool." Ye Chen is really satisfied with the appearance he has right now.

After seeing the appearance he had, Ye Chen immediately looked at the demon in front of him.

Ye Chen wanted to try to fight the demon in front of him using this armor.

The demon in front of Ye Chen started to get scared when he saw Ye Chen who was wearing golden armor.

Ye Chen immediately flew towards the demon in front of him, this time Ye Chen didn't have a doubt to fight the demon in front of him.

Ye Chen's confidence became very high when Ye Chen wore golden armor.

"Feel this" Ye Chen hit the demon in front of him using the full strength he had.

"Bam" the demon in front of Ye Chen was very easily hit by Ye Chen.

The demon that was hit by Ye Chen's blow flew and slammed into the wall behind him very hard.

The demon began to be seen convulsing when he received the attack that Ye Chen had just launched.

"Damn it, it hurts so badly." The demon started to groan in pain as he felt the punch from Ye Chen.

After using the golden armor, the punch from Ye Chen became so powerful that the demon didn't even have the slightest bit of resistance against Ye Chen.

"This armor is so amazing." Ye Chen was quite satisfied after seeing this, he did not expect that the ordinary blow he just did was able to make a demon into this state.

"Where was your arrogance before, quickly show me." Ye Chen tried to insult the demon who was currently lying on the floor.

Ye Chen was finally able to avenge what this demon had done to him.

"Damn, I'll kill you." The demon tried to get up from the floor, he looked very angry when he was insulted by Ye Chen.

An explosion of dark power began to envelop the demon's body, the demon's body seemed to be slightly enlarged from its original size, now the devil was 3 times bigger than his normal size.

"kid, I will show you everything I have to you" demon said to Ye Chen if he will show all the strength he has to Ye Chen.

demon knows that he will not be able to win against Ye Chen if he doesn't use all the strength he has.

That's why the demon decided to use the full strength he had to fight against Ye Chen.

"Darkness Palm" the Demon once tried to attack Ye Chen using the Darkness Palm.

The Darkness Palm this time was different from before, this time the strength of the Darkness Palm was several times more terrifying than before.

This time Ye Chen didn't seem like he wanted to dodge the demon attack, he was currently floating in the air and waiting for the demon's Darkness palm attack.

"Bam" Darkness Palm hit Ye Chen's golden armor, when the demon's palm hit Ye Chen's golden armor, the demon was the one who was flung away.

Once again the demon hit the wall very hard, he looked in pain after hitting Ye Chen's golden armor.

"Hahahahah" Ye Chen was currently laughing in his heart when he saw that the demon was the one who bounced off when it attacked him.

Not only did it increase Ye Chen's attack, it looks like this armor has a very amazing defense, even the attacks launched by the devil are unable to make this golden armor scuffed.

"Shit. . ., Shit. . ., Shit. . ., Shit. . .," The demon cursed several times, even after using its full strength, he was still unable to attack Ye Chen who had used that golden armor.

If it continued like this it wouldn't be long for the demon to be defeated by Ye Che.

demon didn't want himself to lose to Ye Chen, even though his freedom was right before his eyes, how could his freedom just fail because of this.

demon will never accept this, he wants to be free and get out of this shitty place.

"There is no other way, I will use that forbidden technique." The demon had already decided to use a forbidden technique against Ye Chen.

"Darkness Soul" demon decided to use the forbidden technique at his disposal.

Darkness Soul is a technique where darkness can take someone's soul, this technique is very dangerous for anyone who has a soul.

An even more dense darkness began to emerge from behind the demon's body, this darkness went straight towards Ye Chen to.

In an instant, Ye Chen's body was enveloped in a profound darkness.

If the current golden armor did not protect Ye Chen from this darkness, then Ye Chen's current soul would have been taken away by the darkness that enveloped him.

"What a terrifying technique, I have to get rid of this darkness immediately." Ye Chen had to immediately dispel the darkness around him.

Ye Chen started to use the profound energy he had to strengthen this golden armor.

When Ye Chen put the profound energy he had into the golden armor, the 10 golden wings on Ye Chen's back glowed with everlasting brightness.

This extremely bright golden beam of light easily swept away all the darkness around Ye Chen.

Even the demon who were currently in the distance felt pain when this dazzling light appeared.

"Ahhh, no, it hurts." The demon started screaming in pain when he felt the golden light emanating from the 10 wings on Ye Chen's back.

Unable to endure the suppression from the excruciating pain anymore, the demon was forced to return to where he should have been.

The demon went back into the coffin that was in the middle of the hall, seeing that the demon had been forced back into where he should have been.

Ye Chen immediately withdrew the profound energy he had, after Ye Chen retracted the profound energy he had, the wings behind Ye Chen started to stop emitting a dazzling light.

After finishing the battle with demon, the golden armor on Ye Chen's body immediately disappeared somewhere, now Ye Chen's appearance looks like before.

"It's finally over." Ye Chen felt very relieved because he could make the ugly demon return to where he should be.

"That master, you looked really cool." Chu Yuechan praised Ye Chen's appearance while wearing golden armor.

"Is it true? , hehehehe." Ye Chen chuckled when he heard Chu Yuechan's praise.

What Chu Yuechan said earlier was true, Ye Chen looked really cool when wearing the armor just now, it's a shame that the armor has disappeared somewhere, even though earlier it was very cool for Ye Chen to wear.

"Applause, Applause ,Applause ," Suddenly Ye Chen heard the sound of people clapping in this room.

Hearing this voice, Ye Chen immediately became very alert, Ye Chen was afraid that there were other demons in this place.

When Ye Chen looked around this place, he found that there was a middle-aged man wearing an ancient garment that hovered right over the golden statue's shoulder.

Chapter 592 - Nine Heavenly Tier Artifacts

Again, the half man who had just appeared had the same face as the golden statue he was riding on.

Seeing this, Ye Chen became alert again, he began to suspect that this was another demon that was in this place.

"Hahaha, you don't need to be vigilant like that, I'm not a demon like the one you just fought." The middle-aged man had suddenly moved behind Ye Chen's body.

Ye Chen immediately surprised when he saw a middle-aged man who previously was in front of him now was behind him.

This person's movements were so fast, Ye Chen could barely see the movements this person had just made.

The middle-aged man began to draw closer to Ye Chen, after arriving a few meters from Ye Chen's body, the middle-aged man suddenly stopped.

This middle-aged man started to look at Ye Chen from top to bottom, "It seems that the Heavenly Armor has completely merged with your body." This middle-aged man said that the Heavenly Armor had merged with Ye Chen's body.

"Old man, who are you? "Ye Chen is still very vigilant, he doesn't know who this old man in front of him is.

"Hahaha, sorry I forgot to introduce myself, my name is Sun Yang, I am the one who has sealed the demon that you previously fought" The middle aged man told Ye Chen that he was the real Sun Yang.

"Is it true? , didn't you lie like the Demon before?" Ye Chen is still suspicious of this middle-aged man in front of him.

"Of course not, I'm just a remnant of a soul, I'm not like the previous Demon who can do whatever he wants" Sun Yang told Ye Chen that he was just a remnant of a soul left in this place.

Ye Chen still didn't fully believe this person's words, because Ye Chen didn't believe the middle-aged man in front of him.

Ye Chen decided to use God Eyes secretly to find out what kind of real this Sun Yang was in front of him.

When Ye Chen used God Eyes, he found that this Sun Yang who was in front of him was still the same as what Ye Chen was now seeing.

Since the appearance of Sun Yang who was in front of Ye Chen did not change, Ye Chen began to believe a little that the middle-aged man in front of him was the real figure in the Golden statue.

"So why did you decide to appear and meet me, why didn't you appear from the beginning?" Ye Chen wants to know why Sun Yang didn't appear from the start.

"Unfortunately I can't do that, like I said before, I'm just a very weak remnant of a soul, it's very hard for me to defend myself".

"That's why I will only appear when someone releases the demon seal that I sealed or someone manages to get the Heavenly Armor treasure that you just got."

Sun Yang started telling Ye Chen why he didn't appear from the start and warned everyone that they were being tricked by the demon that was sealed in this place.

It's not that Sun Yang doesn't want to appear, the problem is that he can't appear unless 2 things are triggered by someone, first is someone releasing the demon seal, and second is someone who managed to take and use the Heavenly armor that had been buried under the golden statue.

"So that's the reason you didn't appear from the start." Now Ye Chen understood why Sun Yang didn't appear and warned himself from the start.

"You said that the armor I just took was called Heavenly armor, is that true? ", Ye Chen asked Sun Yang's Remaining Soul once again.

Ye Chen wanted to confirm that what Sun Yang said, it was possible that Ye Chen had heard wrong.

"Yes, that's right, the armor you just took is the Heavenly armor which is one of the nine Heavenly Tier artifacts in the God Realm." Sun Yang told Ye Chen that the piece of armor he just took from under the golden statue was Heavenly armor. .

Heavenly armor is a Heavenly Tier artifact that is ranked fourth, this armor is said to have the most powerful protection in this entire world, in this world only a few artifact weapons are capable of scratch Heavenly armor.

In this world there are only nine Heavenly Tier Artifacts viz.

Rank 1 Heavenly God Sword

Rank 2 Soul Chain

Rank 3 Jade Of Life

Rank 4 Heavenly armor.

Rank 5 God-slaying Lance

Rank 6 Immortal Poison Blade

Rank 7 Universe Pagoda

Rank 8 Evil Pendant Necklace

Rank 9 Eternal Sky Ark

That is the name of the nine Heavenly Tier Artifacts that exist in this world.

Author's note: Please remember, in the future you will see this thing appear in God Realm.

Ye Chen and Chu Yuechan were both shocked when they heard that the piece of chest armor that Ye Chen had just taken was a Heavenly Tier Artifact that was in the fourth rank.

No wonder Chu Yuechan said that the treasure in this tomb was much stronger and more powerful than the fairy gate, it turned out that the treasure Chu Yuechan had just meant was a Heavenly Tier Artifact.

"Then where is the Heavenly armor, did you take it back from me? " Ye Chen didn't know where the Heavenly armor gone just had he wore, so he decided to ask Sun Yang who was in front of him.

"Are you still not aware that Heavenly armor has merged with your body, try to take off your upper of your shirt" Sun Yang told Ye Chen to try to take off his upper shirt.

Ye Chen immediately took off the upper shirt he was wearing, when Ye Chen took off the upper shirt he was wearing, Ye Chen found an armor mark with ten wings appearing in the middle of Ye Chen's chest.

Obviously this is a sign that proves that the Heavenly Armor has completely merged with Ye Chen's body, the Heavenly Armor truly acknowledges Ye Chen as its new master.

After seeing this, Ye Chen didn't know whether he should be happy or not when he found out about this.

On the one side, Ye Chen felt very happy when he found out that he had succeeded in obtaining the Heavenly Tier Artifact, but on the other side he was afraid that people from God Realm would come to seize the Heavenly Tier Artifact from Ye Chen.

The Heavenly Tier Artifact was a magnet that could attract every strong Cultivator in the entire God Realm to come here.

If someone knew that Ye Chen had just found a Heavenly Tier Artifact, there would definitely be such a big shock in the God Realm that there would be a lot of bloodshed to obtain the Heavenly Tier Artifact.

This is something that is very difficult for Ye Chen, apart from having the legacy of the Sage God, and the Heavenly Silver Flame, Ye Chen now has to hide his Heavenly armor so that it is not known by others.

"You are very lucky, Heavenly Armor really acknowledged you as a master completely, even I myself was not fully recognized by Heavenly Armor." Sun Yang was a little jealous of Ye Chen who had been recognized by Heavenly Armor.

To be recognized as a master by Heavenly armor requires a requirement which is certainly very difficult.

Even Sun Yang, who had a very strong life time, was not recognized by Heavenly armor, so strength alone was not enough to make Heavenly Armor acknowledge someone.

Chapter 593 - Information About Heavenly Armor

"Ancestors, praise me too much." Ye Chen tried to be modest in front of Sun Yang.

"Hahaha, you don't need to be humble like that, I know you have a special talent to beat Heavenly armor," said Sun Yang to Ye Chen.

Sun Yang believed that Ye Chen had a special talent that could make him the master of Heavenly armor.

"Thank you very much to the ancestors who have praised me" Ye Chen thanked Sun Yang for the compliments given.

"Ancestor do you have a way to use this Heavenly armor without being noticed by others?" Ye Chen asked Sun Yang about how to use Heavenly armor without anyone knowing.

"So you're afraid to get caught if you use Heavenly armor in front of other people," said Sun Yang to Ye Chen.

Ye Chen nodded at Sun Yang, Ye Chen was indeed a little afraid that if he used Heavenly armor then he would be targeted by all the powers in God Realm.

"Hahahaha I understand, it's not strange seeing you afraid to use Heavenly armor, considering Heavenly armor is a very rare treasure even in God Realm." Sun Yang could understand what Ye Chen was feeling.

With Ye Chen's strength still in the developing stage like he is now, he would definitely become an easy target if he used Heavenly armor right in front of the strong cultivators in God Realm.

"So do ancestors have a way?" Ye Chen asked Sun Yang, who used to use this Heavenly armor.

"Of course there is, but this method will make the strength of the Heavenly Armor cannot be maximized." Sun Yang told that there is a way to use Heavenly armor without being noticed by others.

However, the strength of the Heavenly armor will not be as great as when using it directly as previously done by Ye Chen.

"It doesn't matter to me", Ye Chen doesn't mind this, as long as he can use the Heavenly armor without anyone knowing, then that is enough for Ye Chen.

"Alright then, I will transfer the knowledge I have about how to use Heavenly armor to you." Sun Yang will transfer how to use Heavenly armor without being noticed by others.

Sun Yang started to touch Ye Chen's forehead with his fingers, when Sun Yang touched Ye Chen's forehead, a mass of information immediately entered Ye Chen's mind.

Ye Chen started to close his eyes and accepted the information that came from Sun Yang.

The information that came from Sun Yang was very simple, Ye Chen could easily study the information Sun Yang gave him.

After he finished transferring the information to Ye Chen, Sun Yang pulled back the finger he had.

"Those are all the things I know about Heavenly armor, Heavenly armor is a very special artifact, it can still develop something with the abilities of the user, so I hope you can find the use of this Heavenly armor yourself." Sun Yang Can Give few information about Heavenly armor to Ye Chen.

In the past, Sun Yang had not been recognized as a master by Heavenly armor, so Sun Yang could not fully use Heavenly armor.

Ye Chen was different, he was already the master of Heavenly armor, so Ye Chen should be able to do what Sun Yang could not do in the past.

"Thank you very much for this information." Even though there was very little information from Sun Yang about Heavenly armor, Ye Chen was still grateful that Sun Yang had been willing to give this bit of information to Ye Chen.

"You don't need to thank a remnant of a soul like me, I'm giving that information because it's my duty" said Sun Yang to Ye Chen.

"Ancestor, then what should I do with this Evil Blood Crystal?" Ye Chen asked what to do with this Evil Blood Crystal in his hand.

"You can return it to its original place, there's no point in you continuing to carry something like that." Sun Yang told Ye Chen to return the Evil Blood Crystal back to where it should have been.

"Okay, I understand." Ye Chen understands, he will return this Evil Blood Crystal to the place where before this Evil Blood Crystal was.

"Okay, if there is nothing else you need from me, then I will go." The Remaining Soul of Sun Yang must go right now, he could not linger talking to Ye Chen.

"Wait a moment Ancestor, may I know where the exit is from this place?" Ye Chen stopped Sun Yang who intends to leave, Ye Chen hasn't asked about a way out of this prison.

"Oh I almost forgot to tell you the way out of this place." Sun Yang almost forgot to tell Ye Chen the way out of this place.

From Sun Yang's hand appeared a scroll of paper "Here comes the map of this place, you can use this map to get out of this place." Sun Yang threw a map from this place to Ye Chen.

Ye Chen immediately received a map from Sun Yang, "thank you very much." Ye Chen thanked Sun Yang again.

"Alright, I wish you luck with the Heavenly armor that already belongs to you." After saying those last words to Ye Chen, Sun Yang disappeared from this place.

After Sun Yang's Remaining Soul disappeared, Now in this place only Ye Chen was left alone.

"Master, that person called Sun Yang is very kind, he gave you such a precious treasure like Heavenly armor for free like that." Chu Yuechan had to admit that the real Sun Yang was very kind.

He even gave Ye Chen Heavenly armor for free like that.

"You are absolutely right, Sun Yang's ancestor is very kind, it seems like in the past he was a very great person." Ye Chen felt that in the past Sun Yang was a very great person and very respected.

Just exchanging a few words with Sun Yang's remaining soul, Ye Chen could predict that Sun Yang was a very great person in the past.

"What are you waiting for, let's get out of this place." Chu Yuechan told Ye Chen to get out of this place.

Ye Chen's goal had been accomplished, he had already obtained the most valuable treasure within this place, so there was nothing Ye Chen could do in this place.

Apart from the Heavenly armor and artifact set that Ye Chen had previously obtained, Sun Yang left nothing behind in this place.

From the start, this place was indeed not Sun Yang's ancient tomb, this place was only a prison for demons that Ye Chen had just fought.

So it was not strange that in this place there were no other treasures left by Sun Yang.

Ye Chen opened the map he got from Sun Yang, the contents of this map showed about the way out of this place.

There is no shortcut to get out of this place, there is only one way in and one way out of this place, inevitably Ye Chen has to go through the path he previously took.

Ye Chen also needed to return the Evil Blood Crystal to its original place in the second Trial.

"Okay, let's go." Ye Chen decided to leave this place.

Ye Chen followed the directions on the map to get out of this place, without the directions from the map Sun Yang gave, it was likely that Ye Chen would take a little longer to get out of this place.

Chapter 594 - Meet Nang Bu Again

In order to get out of this place Ye Chen needed to go through the world of illusions without end, because Ye Chen had previously passed through this illusion, he very easily passed back this endless illusion.

After passing through Endless Illusions, Ye Chen arrived at the vast forest where the second Trial was conducted.

Here Ye Chen did not immediately go to find a way out, first Ye Chen had to return the Evil Blood Crystal to its original place in this forest.

Ye Chen had previously promised Sun Yang to return the Evil Blood Crystal to its original place, that's why Ye Chen had to keep the promise he had made.

Ye Chen returned the Evil Blood Crystal to its original place, fortunately Ye Chen's memory was excellent, so he could easily remember where he got the Evil Blood Crystal.

As for the Evil Blood Crystal, which was obtained from looting Nang Bu and his two servants, Ye Chen had to scatter it around this forest.

Ye Chen chose places that were difficult for anyone to find.

"It's finally over", after several hours of hard work to restore the Evil Blood Crystals, finally Ye Chen finished returning the 100 Evil Blood Crystals he had.

After finishing his work, Ye Chen now can leave this place.

It's been a few days since he was gone, Ye Chen couldn't wait to continue the previous thing that was delayed together with Su Mengxin and Ling Yin.

When Ye Chen remembered Su Mengxin and Ling Yin who were in the nurse and flight attendant costumes, it made Ye Chen very excited.

Ye Chen couldn't wait to continue with Su Mengxin and Ling Yin.

"Mengxin, Ling Yin just wait, I'll be right back." Ye Chen couldn't wait to go see Su Mengxin and Ling Yin.

"Damn, why am I stuck in this annoying place" suddenly in the distance, Ye Chen heard the voice of a person who was cursing his own misfortune.

This voice was quite familiar to Ye Chen, it was clear that this voice belonged to Nang Bu who was a young master who came from the God Realm.

It seemed that after the second Trial was over, Nang Bu was stuck here forever without knowing a way out of this place.

Most likely the people who previously came here had the same fate as Nang Bu, they were trapped in this place until death approached him.

Without the map Sun Yang provided, it was quite difficult to find a way out of this vast forest.

Ye Chen was lucky to have a map of this place, so he didn't have to worry about finding a way out of this forest.

A few moments later Nang Bu appeared right in front of Ye Chen, Nang Bu's current appearance looked quite bad, the clothes that Nang Bu were wearing were lots of rips and holes.

It can be seen that Nang Bu has just met a strong monster who lives in this forest.

Nang Bu was quite shocked when he saw Ye Chen in front of him, he did not expect that the cultivators of this world could survive in such a terrible place as this forest.

Even Nang Bu who had a high enough cultivation found it difficult to survive in this place filled with powerful monsters.

Nang Bu was a little happy when he met Ye Chen.

"Hey weak humans, quickly hand over all the food supplies you have and become my servant in this place, then you can survive in this place" Nang Bu told Ye Chen to hand over all the food supplies he had.

Apart from telling Ye Chen to hand over the food supplies, Nang Bu also wanted Ye Chen to serve him.

Nang Bu currently needs food supplies to survive in this forest, Nang Bu himself only has very little food supply, this will not be enough for him to survive in this forest.

As a young master, Nang Bu could not do everything alone, which was why he needed servants to serve him in this place for a while.

And it seems that Ye Chen is perfect for doing that, Ye Chen can be Nang Bu's servant for a while.

"I don't want " Ye Chen immediately rejected the offer from Nang Bu very loudly.

After having Heavenly armor, Ye Chen is no longer afraid of the Nang Bu in front of him, for the current Ye Chen, Nang Bu is not a very serious threat.

"How dare you refuse the offer from this young master, it seems I have to teach you a lesson so you know where you are." Nang Bu intends to teach Ye Chen a lesson so that he understands the difference between the two.

Nang Bu immediately rushed towards Ye Chen, he intended to teach Ye Chen a little lesson.

Nang Bu began to clench her fists, "feel this" Nang Bu hit Ye Chen using this fist.

"Bam" Nang Bu's punch landed on Ye Chen's body very hard.

After receiving a punch from Nang Bu, Ye Chen was still standing on the spot like before.

Ye Chen looked like a sturdy pillar that nothing in this world could move.

"Ouch it hurts" Nang Bu felt his hand hurt when he hit Ye Chen's body.

Ye Chen's body was very hard, Nang Bu first hit the body as hard as Ye Chen's.

"What is your body actually made of?" "Nang Bu asked what body Ye Chen had, why is Ye Chen's body so hard.

Ye Chen did not answer Nang Bu's question, he only smiled evilly at Nang Bu.

From the start, Ye Chen had activated Heavenly armor to protect his body, so it was not strange that Nang Bu felt pain when hitting his body.

After obtaining information from Sun Yang, Ye Chen can now wear Heavenly armor without being seen by anyone.

Even Nang Bu did not know that Ye Chen was currently using Heavenly armor on his body to protect himself.

"How dare you smile like that at me" Nang Bu was annoyed when he saw how Ye Chen smiled at him.

Nang Bu felt that he was being insulted by the evil smile shown by Ye Chen.

Nang Bu immediately took his boxing gloves, after using the boxing gloves he had, Nang Bu immediately used these boxing gloves to hit Ye Chen as hard as possible.

"Bam" Again Ye Chen was beaten very hard by Nang Bu.

When Nang Bu hit Ye Chen's body, he was the one who was knocked backwards.

This discovery made Nang Bu a little confused, even though he was the one who beat Ye Chen, but why was he the one who was forced to step back.

The current Ye Chen was still standing straight in his previous position, even after receiving two consecutive strikes from Nang Bu, Ye Chen did not falter in the least.

This proves that Heavenly armor, indeed, has a very amazing power that can make Ye Chen have this strong defense.

"Is that the only power you have? , with such strength You Have ,you want me to serve you? , just dream. "Ye Chen spat out harsh words to Nang Bu.

The spicy words that came out from Ye Chen ignited the fire of anger belonging to Nang Bu, Nang Bu currently looked very angry at Ye Chen who dared to underestimate the strength he had.

As a young master who came from the God Realm, never before had anyone from the weak mortal realm dared to insult him.

Ye Chen was the first person who dared to say that to Nang Bu.

Chapter 595 - One Hit To Defeat Nang Bu

"You sure have immense guts to challenge this young master, don't you know the consequences if will get you dare to find trouble with this young master? ", Nang Bu said to Ye Chen.

Nang Bu said that Ye Chen could get a consequence by challenging him.

"Do you think I will be afraid of you? , I'm not afraid of you at all, come here and show all the strength you have. "Ye Chen wasn't afraid of Nang Bu at all, he instead challenged Nang Bu to come forward and fight himself.

"You bastard, you really dare to challenge this young master, be prepared to accept the consequences for daring to challenge this Young Master." Nang Bu looked very angry at Ye Chen, because too angry , several veins began to appear on Nang Bu's face.

Ye Chen really knows how to make the enemy angry very easily, Nang Bu is currently completely out of control, he will definitely start attacking Ye Chen without control like Ye Chen had seen.

Because I had never seen a battle conducted by Nang Bu twice, Chen Ye may know what Nang Bu during the fight, this guy is strong in the power , but unfortunately he is weak to control the anger that he had.

This is one of the weaknesses that Nang Bu has, as long as Ye Chen is willing to provoke this person just a little, then Nang Bu will quickly become angry and become uncontrollable.

Nang Bu was so furious, he started to head towards Ye Chen with the maximum speed he had.

Nang Bu hit Ye Chen blindly, the problem was that every time Nang Bu tried to hit Ye Chen, he was the one who was bounced back.

Nang Bu really didn't know what technique Ye Chen was using to the point that his punches did not work against Whit Ye Chen.

"Alright, I'll try to hit this guy's weak part" Nang Bu wants to try to hit the weak part of every human being

Nang Bu is trying to hit Ye Chen again, the thing that Nang Bu is aiming for is Ye Chen's back neck, the Back neck is one weak point that is owned by humans, if you get hit by a hit it will be a very serious injury.

Nang Bu was very sure that if he hit Ye Chen's back neck, he could easily knock Ye Chen down.

"Bam" Nang Bu's hit Ye Chen's back neck, Nang Bu really used his full strength when using this punch.

Since Ye Chen still didn't move from where he was standing from the start, Nang Bu could very easily hit Ye Chen's back neck.

When Nang Bu hit Ye Chen's back neck, Ye Chen was still standing as if nothing had happened to him.

Ye Chen didn't feel any pain when Nang Bu hit the back of his neck, when Ye Chen using Heavenly armor, this made Ye Chen have a defense that made no sense at all.

" What ! ! ! "Nang Bu was shocked again when he saw Ye Chen managed to withstand the blow from him.

"Hoammmmm" Ye Chen yawned slightly when he saw Nang Bu's punch that didn't feel for him at all.

"Is that the only ability you have? " Ye Chen started to question the abilities that Nang Bu possessed.

According to Ye Chen at this time, Nang Bu was not as strong as previously imagined, now Nang Bu looked weak to Ye Chen.

"Damn it." Nang Bu cursed very loudly once again, he was insulted by Ye Chen again with such disparaging words.

Nang Bu had no other choice but to use the strongest attack he had.

Nang Bu started to lift the boxing gloves he had, he prepared to use his best technique to kill Ye Chen.

Nang Bu began to gather a large amount of strength into one of his hands.

When Nang Bu did this, the area around Nang Bu started to shake, it felt like a very strong earthquake.

The ground around Nang Bu began to crack and crumble when Nang Bu released this powerful energy.

"Hoo, so you've decided to get serious now." Seeing the immense power that Nang Bu exerted, Ye Chen was very sure that Nang Bu used his strongest technique against him.

"Yes, that's absolutely right. Are you afraid of this now? , it's not too late for you to ask forgiveness from me, hahahaha "Nang Bu started laughing out loud.

Finally, Nang Bu could boast of his strength in front of Ye Chen.

"Huh? , beg your pardon? , are you kidding me? , I will never do that, hurry up and show the strongest strength you have. "Ye Chen told Nang Bu to quickly show the strongest technique he had.

The answer that came out of Ye Chen's mouth made Nang Bu dumbfounded, he did not expect that Ye Chen was not afraid of him even after Nang Bu took out the strongest technique he had.

"You asked for this," feel this, Super crushing punch "Nang Bu immediately launched the strongest attack he had towards Ye Chen.

Nang Bu struck Ye Chen with all his might, "Boom." A very strong explosion occurred when Nang Bu hit Ye Chen.

This explosion was very powerful, this explosion was able to sweep away whatever was in front of him, Ye Chen and the forest were swept away by this super strong explosion.

Tens of kilometers of forest immediately flattened to the ground when he received the attack that Nang Bu had just launched.

"Hahaha, feel that bastard" Nang Bu laughed with satisfaction when he saw his attack on Ye Chen.

With such a powerful attack, Nang Bu was very sure that Ye Chen would definitely be seriously injured.

After the huge explosion that just happened, dust began to envelop this whole place, the view from Nang Bu became a little limited as the dust covered this place.

Nang Bu wanted to see if Ye Chen was still alive or dead when he received the Super crushing punch he just launched.

after a while the dust began to disappear from this place, after the dust disappeared from this place, a black figure began to appear behind the dust that enveloped Nang Bu's front.

"Impossible" Nang Bu was very surprised when he saw a black figure that was behind the dust.

The black figure that was behind the dust started to become clear, this was Ye Chen who was still standing where it was original Place.

Ye Chen didn't even seem to back a bit after receiving the Super crushing punch from Nang Bu.

"Not bad, but it's still not enough to beat me", Ye Chen slightly admitted that Nang Bu's attack just now was quite strong.

If Ye Chen didn't use Heavenly Armor earlier, then Ye Chen would definitely be seriously injured when he received Nang Bu's powerful attack.

"You, you, what kind of person you are." Nang Bu was very surprised by Ye Chen, according to Nang Bu Ye Chen was completely abnormal.

"I'm just an ordinary cultivator, there's nothing special about me, now it's my turn to attack you, prepare yourself." It's enough for Ye Chen to play with Nang Bu, it's time for Ye Chen to attack Nang Bu.

Ye Chen used Nine Shadow Step to head towards Nang Bu,

after arriving right in front of Nang Bu, Ye Chen immediately used the fist he had to attack Nang Bu.

"Bam" Nang Bu was not ready at all to welcome the arrival of Ye Chen's sudden attack, because he was not ready finally Nang Bu was immediately hit by Ye Chen's punch.

Nang Bu who was hit by Ye Chen's punch immediately flew hundreds of Kilometers away.

Nang Bu finally stopped after crashing into a mountain several hundred Kilometers away from here.

"Cough" after hitting a mountain, Nang Bu immediately vomited a mouthful of blood, Ye Chen's attack just now was too terrifying, Nang Bu was not even able to withstand Ye Chen's attack .

Nang Bu did not believe that Ye Chen's attack would be that strong, it seemed from the start Nang Bu took one eye at Ye Chen.

It turned out that the people he had thought of as weak were hiding such great strength.

"Damn, I was fooled" Nang Bu felt that he had been deceived by Ye Chen, if only Nang Bu knew that Ye Chen was this strong, he'd better try to befriend with Ye Chen and use Ye Chen to survive in this place.

Unfortunately time could not be repeated, Nang Bu could not turn back the time before he met Ye Chen.

"Damn" Nang Bu's consciousness started to become foggy and dark, Nang Bu finally fainted unconscious.

After having Heavenly armor, Ye Chen's strength is now too strong, with just one punch Ye Chen managed to defeat Nang Bu.

even Nang Bu who was at the ninth stage of the Divine Nascent Realm was unable to withstand Ye Chen's punch.

"Master, it looks like your punch was very strong, the possibility of that person was seriously injured or died after receiving your blow earlier" said Chu Yuechan to Ye Chen,

"yes, you may be right, it seems I was too strong when I hit that person " after using Heavenly Amor, therefore he could not control the strength he had.

"Why don't you just look at that person, if that person is dead, then you can take the treasure that is owned by that person." Chu Yuechan told Ye Chen to go and see Nang Bu's condition.

"Okay, I'll go see that person." Ye Chen decided to see Nang Bu's condition.

Ye Chen immediately flew to the place where Nang Bu was, when Ye Chen arrived at where Nang Bu was, he found that Nang Bu was lying on the ground with a mouth full of blood,

Seeing this Ye Chen immediately went to see what happened to Nang Bu.

Chapter 596 - Call From Feng Xue

Ye Chen immediately went to see Nang Bu's situation, when Ye Chen saw the state of Nang Bu, Ye Chen found that Nang Bu had turned into a disabled person after receiving a beating from him.

It seemed that Ye Chen's punch was too strong to the point that Nang Bu was crippled with just one hit.

"Looks like he became disabled." Ye Chen told Chu Yuechan that Nang Bu had turned into a disability.

"You don't have to think about this person's fate, you better find out if there are any good treasures in this person's body." Chu Yuechan told Ye Chen not to care about Nang Bu's fate.

This person deserves something like this, a person like Nang Bu is the person Chu Yuechan dislikes the most.

Without being asked by Chu Yuechan, Ye Chen already knew what to do, Ye Chen began to search whether Nang Bu's body had a precious object or not.

After Ye Chen searched for a while, Ye Chen did not find a valuable object in Nang Bu's body.

Even within this person's Storage Room Ring, there wasn't an object that Ye Chen could be interested in.

"There aren't any good items in this guy's body." Ye Chen was a little disappointed when he didn't find anything good in Nang Bu's body.

"This man is so poor, is he really a young master who comes from God Realm? "Chu Yuechan doesn't believe that someone from the God Realm will be so poor.

Even in this person's body, there was not an object valuable for Ye Chen to take away.

"Forget it, there's no point in wasting time cursing this person, it's better to get out of this place right away." Ye Chen didn't have time to continue living here, it's better for him to get out of this place immediately.

Ye Chen didn't care about Nang Bu anymore, if he helped this person, it was very likely that this person would bring even more people to earth.

Ye Chen didn't want more trouble to come from God Realm, which was why it was better to let Nang Bu remain cooped up in this place.

That way the earth will be safe and peaceful free from people who come from God Realm like Nang Bu.

Ye Chen left this vast forest, with the help of the map given by Sun Yang, Ye Chen very quickly found a way out of this forest.

The way out of this forest is very hidden, it is not strange that many people never find their way out of this forest.

If Ye Chen didn't have a map, it was likely that he would also be very difficult to find this hidden way out.

Ye Chen immediately went out of this vast forest, when Ye Chen went out of the vast forest, he suddenly arrived right in front of the entrance gate to the first trial.

"Okay, time to get to the surface." Since it was here, Ye Chen now just had to go to the surface.

With Ye Chen's current strength, he no longer needed to use the Shadow Clone to lead the way, using the help of Ye Chen's Heavenly Armor, he could easily pass every trap in this place.

In just less than 4 hours, Ye Chen had managed to rise to the surface, he was now out of the cave.

"Finally I came out too." Ye Chen started to breathe the fresh air outside, being trapped for almost 1 week down there made Ye Chen almost forget the fresh air on the surface.

When Ye Chen came out of the cave, he found that it was getting dark, it meant it was already night.

"Master, by the way where did the servants of the person you just fought go to? , I can't feel their presence anymore?" Chu Yuechan told Ye Chen that he couldn't feel the presence of the Nang Bu servants who had been sent out by the Demon

" Is it true ? Maybe they were sent to another place by that demon, or they have returned to God Realm. "Here Ye Chen has 2 speculations, first those people were sent to another place by Evil demon, and secondly those people have returned. God Realm.

With Nang Bu's arbitrary treatment, it wouldn't be strange that those people would prefer to leave Nang Bu, if it was Ye Chen, then he would probably do the same and leave Nang Bu in this place alone.

"Well it doesn't matter, the important thing is that those people are no longer here" Ye Chen doesn't really mind the existence of Nang Bu's servants, as long as those people are no longer in this, then it is very, very good news .

"It's time to go to Mengxin's. house " Ye Chen couldn't wait to go to Su Mengxin's mansion.

"Geez, looking at your expression, you look like a hungry wolf that hasn't eaten for months." Chu Yuechan said with a giggle.

"Let it be, I've been trapped in that place for almost 1 week, it doesn't matter if I have a little fun now." Ye Chen wanted to go see Su Mengxin and Ling Yin.

He didn't even care if Chu Yuechan thought of himself as a wolf.

Ye Chen immediately headed towards the capital at full speed.

In just 20 minutes, Ye Chen arrived at Su Mengxin's mansion, after arriving at Su Mengxin's Mansion, Ye Chen immediately went to look for the whereabouts of Su Mengxin and Ling Yin.

When Ye Chen searched for the whereabouts of Su Mengxin and Ling Yin, he found that Su Mengxin and Ling Yin were no longer in this mansion.

"Eh, where did Mengxin and Ling Yin go?" Ye Chen wants to know where Su Mengxin and Ling Yin have gone right now.

Could it be that the two of them had already returned to their Villa?

"Chuckling" Suddenly Chu Yuechan giggled.

"Yuechan, What's wrong?" Hearing Chu Yuechan giggle, Ye Chen immediately asked what happened.

"Master, actually sisters Mengxin and Ling Yin have returned to your villa, you are wasting your time coming here." Chu Yuechan felt funny when she saw Ye Chen did not find Su Mengxin and Ling Yin in this place.

"Why didn't you tell me earlier" Ye Chen was a little annoyed when he found out that Chu Yuechan did not tell himself this matter.

If Ye Chen knew this beforehand, he would just go back to his villa.

"It's because you didn't ask me," Chu Yuechan said with an innocent face.

Ye Chen's face twitched slightly when he heard this, this beautiful fairy from the start just wanted to tease himself.

Ye Chen started to ignore Chu Yuechan, he started to take out the cellphone he had to see if anyone had called him or not.

When Ye Chen took out his cell phone, he saw that Feng Xue had tried to call himself dozens of times.

The call that Feng Xue made did not last long, this was still several hours ago.

Because Ye Chen wanted to know the reason Feng Xue had made calls to him several times, Ye Chen decided to make a call to Feng Xue.

"Sorry, the number you are calling is busy, please try again in a while or leave a message." When Ye Chen called Feng Xue, he found that Feng Xue did not receive the call he made.

"How strange, why doesn't Xue even answer my calls?" Ye Chen felt strange when he found out that Feng Xue didn't receive a call from him.

Chapter 597 - Elder Chen ,do You Want To Do Dual Cultivation With Us

If indeed Feng Xue was looking for Ye Chen, Feng Xue should have immediately received a call from Ye Chen, but what happened at this time was Feng Xue instead ignoring the call that came from Ye Chen.

"Looks like I have to ask Yanyan about the whereabouts of Feng Xue right now." Not getting the answer he wanted, Ye Chen intended to call Zhao Yanyan and ask whether Feng Xue was with him or not.

When Ye Chen called Zhao Yanyan, he found that Zhao Yanyan didn't receive calls from him either.

"Where did Yanyan go?" ,Ye Chen became curious about where Zhao Yanyan was going at this time.

"Master, if you are looking for Yanyan's younger sister, she is currently inside the fairy gate, she is currently cultivating in the practice room." Chu Yuechan told Ye Chen that Zhao Yanyan was currently inside the Fairy Gate.

"Oh so Yanyan is currently inside the fairy gate, it's no wonder she didn't receive a call from me." Ye Chen now knows why Zhao Yanyan didn't receive a call from him, from the start Zhao Yanyan couldn't receive a call from him.

"Then I will meet Yanyan inside the fairy gate." Ye Chen decided to meet Zhao Yanyan who was currently inside the fairy gate.

Ye Chen immediately disappeared, he was currently entering the fairy gate, when Ye Chen entered the fairy gate, he was greeted by Nanhua Caiyi who suddenly came and hugged him.

"Master, wherever you are ?, I miss you so much." Nanhua Caiyi hugged Ye Chen's body very tightly.

Nanhua Caiyi currently misses Ye Chen a lot, she has never missed anyone like this, it is likely that this is the effect of the Servant Love Contract that made Nanhua Caiyi miss Ye Chen so much.

When Nanhua Caiyi was not by Ye Chen's side, she felt she would miss Ye Chen a lot.

Ye Chen's head was currently sinking into the double peak that Nanhua Caiyi had, Nanhua Caiyi's double peak was not only huge but also very gentle, Ye Chen felt that he was sinking into the softest thing in this world.

Ye Chen subconsciously enjoyed the feeling that Nanhua Caiyi's double peak gave him.

Nanhua Caiyi was indeed very good at teasing Ye Chen, she could easily make Ye Chen feel good with just a little stimulation.

"Caiyi, hurry up and let me go, I still have important business to do," Ye Chen finally realized that he still had things to do, that's why Ye Chen told Nanhua Caiyi to let him go.

If only the current Ye Chen had nothing to do with Feng Xue, he would have happily played with Nanhua Caiyi, after all this woman was too seductive that Ye Chen was excited just from seeing her figure.

"OK, I understand." With a feeling of disappointment Nanhua Caiyi was forced to let Ye Chen go, when Nanhua Caiyi released Ye Chen from her embrace, she felt a sense of loss.

"Thank you very much, I'll go first." Ye Chen said goodbye to Nanhua Caiyi, he wanted to go to see Zhao Yanyan.

Nanhua Caiyi helplessly saw Ye Chen's departure.

According to the information that Ye Chen obtained from Chu Yuechan, Zhao Yanyan was currently in the practice room, Zhao Yanyan was currently cultivating inside the practice room.

On the way Ye Chen met several times the beautiful woman from the Frozen Ice Sect who had become his woman.

These beautiful women now live inside the fairy gate, they prefer to live inside the fairy gate because the energy in this place is tens of times purer than on earth.

After becoming Ye Chen's women, they got a really amazing benefit, not only did they become more and more beautiful, but they also grew stronger.

Now that they could be said to be comparable to the Elders of the Frozen Ice Sect, when the women from the Frozen Ice Sect met Ye Chen, they started inviting Ye Chen to do Dual Cultivation together.

"Elder Chen, do you want to do Dual Cultivation with us" These beautiful women invited Ye Chen to do Dual Cultivation.

After doing that with Ye Chen several times, these women became bolder and asked for more from Ye Chen.

"I'm sorry, my beautiful women, but I have some business now, so maybe another time", Just like before, Ye Chen had to refuse the sweet invitation of these beautiful women, he still had things to do.

"Oh too bad, even though we've learned a little about how to fight on the bed, if Elder Chen could possibly that would be amazing," said one of the women very seductively.

These women are no longer pure women like before who did not know anything about the lives of men and women, they are now women who can feel happiness and pleasure.

Right now Ye Chen is very helpless, even though there are so many women who invite himself to do fun things, unfortunately he can't do it because there is something to be done.

If there was currently a man who was invited by a beauty from the Frozen Ice Sect, they would definitely be happy to accept these women's invitation to do Dual Cultivation.

"We'll discuss it another time, bye." Ye Chen left this place immediately, if he continues to be here then he will be ensnared by this beauty in front of him.

The beautiful women from the Frozen Ice Sect giggled when they saw Ye Chen run away like that, they all loved and liked Ye Chen, when they saw Ye Chen's cute behavior, of course they would feel happy.

"So all of you are here, hurry back to training now, don't waste the time you have" when the women from the Frozen Ice Sect were giggling very cheerfully.

suddenly Mu Lanyin came and told these women to continue their unfinished training.

Seeing Mu Lanyin's arrival, these women immediately stopped giggling.

"Yes, sister Lanyin , we understand, "These beautiful women immediately obeyed orders Mu Lanyin's to continue their practice.

While inside the fairy gate, the women from the Frozen Ice Sect would named Mu Lanyin calls her sister, while when outside they will still call Mu Lanyin as sect master in her honor.

Now that they had all become Ye Chen's women, it was better to get along well with each other.

After leaving behind the beautiful women from the Frozen Ice Sect, Ye Chen finally arrived at the practice room where Zhao Yanyan was.

"knock ..,knock.., knock "Ye Chen knocked on the practice room entrance.

When Ye Chen knocked on the practice room door, Zhao Yanyan immediately opened the door of her practice room for Ye Chen.

"Husband? "When she saw that the person who visited her practice room was Ye Chen, Zhao Yanyan looked very happy.

Zhao Yanyan went to hug Ye Chen's body, she missed a little because she didn't see Ye Chen for almost 1 week.

"Where have you been, I heard that you went to see the people of God Realm Is that true?", Zhao Yanyan immediately interrogated Ye Chen.

Whenever Zhao Yanyan heard Ye Chen dealing with people from God Realm, she always felt worried about Ye Chen's situation.

Chapter 598 - The Circumstances Of Feng Xue

"I just went through a very long adventure, it would be too long to explain it in detail." Ye Chen told Zhao Yanyan that he had just had a very long adventure.

"What a long adventure , Huh? , so did you come home with a new woman again? "When Zhao Yanyan heard that Ye Chen had just gone through a long adventure, the first thing Zhao Yanyan thought of was Ye Chen bringing a new woman home.

Because as long as Zhao Yanyan remembered, whenever Ye Chen went on an adventure he always met a new woman and got entangled with him.

Ye Chen: "-_-"

Ye Chen was helpless when he heard Zhao Yanyan's words, every time Ye Chen went far away, surely Zhao Yanyan thought that he was caught with another woman.

"Yanyan, how can you think like that about me? "Ye Chen wanted to know why Zhao Yanyan could think that of himself.

"Hemp" Zhao Yanyan sniffed coldly at Ye Chen, "isn't that a reality, every time you go away for a long time, you will definitely come home with a new woman." Zhao Yanyan knew Ye Chen very well, almost every time Ye Chen came home from adventures, he always brings new women.

"So where's the new beauty you just got? "Zhao Yanyan wants to meet the woman Ye Chen just got.

"This time, I didn't bring a new woman at all, I swear" Ye Chen swore to Zhao Yanyan that he didn't bring a new woman.

"Huh, really? "Zhao Yanyan could hardly believe that Ye Chen didn't bring a new woman home this time.

"Yes of course, why would I lie to you ?" Ye Chen said earnestly.

During these few days Ye Chen was trapped in a place used to imprison demons, where perhaps Ye Chen would come home with a new woman when he was trapped in such a terrible place.

Looks like Zhao Yanyan's guess this time missed, Ye Chen really didn't bring a new woman home.

"Oh right, Yanyan, where is Xue at the moment? ", Ye Chen immediately asked where Feng Xue was at the moment.

"Sister Xue is currently supposed to be in the capital, I heard yesterday that her grandfather had fallen ill, so she had to return to the capital." Zhao Yanyan told Ye Chen that Feng Xue was currently in the capital.

" capital ?" muttered from Ye Chen

" What is going on ? "Zhao Yanyan wants to know why Ye Chen is looking for Feng Xue.

"No, it's just that Feng Xue called me a few times, so I think there is something she needs from me." Ye Chen told Zhao Yanyan that Feng Xue had called himself several times today.

"That's why sister Xue called you, didn't I already give her some pills that could be used to heal her grandfather." yesterday Zhao Yanyan gave a lot of healing pills to Feng Xue.

Zhao Yanyan gave the pill to Feng Xue to cure her grandfather who was sick, Zhao Yanyan believed that the pill she previously gave should be enough to cure Feng Xue's grandfather's illness.

"Well I don't know about that matter, I know Feng Xue called me several times today, oddly when I called Feng Xue, she didn't answer me." Ye Chen told Zhao Yanyan that Feng Xue did not accept the calls made by Him.

"Hmm, how strange, if sister Xue really needs your help, she will definitely pick up a call from you right away." Just like Ye Chen, Zhao Yanyan also felt something strange about this.

Zhao Yanyan felt that something was amiss about this, something must have happened to the point that Feng Xue didn't want to pick up the call from Ye Chen.

"Do I need to go see it? "Ye Chen wants to go and see Feng Xue in the Feng family mansion.

"Husband, where is your current location? ", Zhao Yanyan asked where Ye Chen's current location was.

"What a coincidence that I'm still in the capital." Ye Chen told Zhao Yanyan that he was currently still in the capital.

"If you are currently still in the capital, you should go and see sister Feng Xue's condition, maybe she currently needs help from you." Zhao Yanyan told Ye Chen to go and see Feng Xue.

"Then I will try to go and see Feng Xue's state in the capital." Ye Chen promised to see where Feng Xue was in the capital.

"Husband, make sure nothing happens to sister Xue, do you understand? ",Zhao Yanyan told Ye Chen to make sure nothing happened to Feng Xue.

Zhao Yanyan seemed to like practicing music skills with Feng Xue, so it wasn't strange that Zhao Yanyan told Ye Chen not to let anything happen to Feng Xue.

"Well ,my beautiful queen, I will carry out your orders" Ye Chen couldn't refuse when Zhao Yanyan asked himself something.

"Giggled." Zhao Yanyan giggled when she heard Ye Chen call herself a beautiful queen.

Zhao Yanyan felt very happy to be praised as beautiful by Ye Chen.

"Then I'll go first." Ye Chen had to go immediately to the Feng family mansion, so he immediately came out of the fairy gate.

Zhao Yanyan could only wave her hand at Ye Chen who had left the fairy gate.

"I hope that nothing bad happens to sister Xue." Zhao Yanyan hoped that nothing would happen to Feng Xue.

In Zhao's heart Yanyan, she felt that something bad was happening to Feng Xue, Zhao Yanyan tried to get rid of this thought, but unfortunately this thought still crossed Zhao Yanyan's heart.

.
. .
. .
. .

Meanwhile somewhere in a very nice five-star hotel, there was a beautiful woman who had her hands and feet tied with very tight ropes.

This woman's face looks sluggish and looks desperate, it can be seen that this beautiful woman has put up various kinds of resistance to try to escape from this place , but all failed .

Meanwhile, near this beautiful woman, there are four men who are guarding this beautiful woman from leaving this place.

"Boss, can I taste this beauty a little" One of the four men could not take it anymore when he saw the beauty possessed by this woman.

"Pah! ! ! , you idiot, we are not allowed to do something to this woman, otherwise we will not get our payment. "The boss immediately hit the head of his subordinate who was too passionate when he saw this beautiful woman.

Actually the boss of these people was also interested in the woman who was being tied up beside them, but since this was a duty, he couldn't do anything about this woman.

"But boss, doesn't it matter if we just touch this woman, no one will know either, after all this woman is still the first female star in the country." This man was trying to persuade the boss to play a little with this beautiful woman.

The boss of these people started to think about the words his men just said, it might not matter if he touched this beautiful woman a little.

The beautiful woman who is being tied up is the most popular female star, Feng Xue, Feng Xue still doesn't know why she was brought here by the evil person in front of her.

Feng Xue also didn't know who the person who had ordered these bad guys to bring himself here.

Chapter 599 - Selling Feng Xue

Feng Xue was currently hearing the conversation these people were having, these people were clearly plotting bad things against him.

Feng Xue felt disgusted when she heard that people intended to do evil things to her.

"Boss look, this woman looks at us with a look that finds us disgusting." One of the four men saw that Feng Xue was looking at the four of them with a look of disgust.

"Let's play with this woman a little, after all I have never played with a woman this beautiful in my life" after being persuaded by the people around him, finally the boss of these people was persuaded too.

They all decided to play around a little with Feng Xue's beautiful body.

These four people started to get closer to Feng Xue, the four of them showed quite a perverted face when they saw Feng Xue.

Some even drooled when they saw Feng Xue's beauty.

"Go away , you disgusting humans." Feng Xue was trying to drive these evil people away.

Just looking at the faces of these evil people made Feng Xue want to vomit.

"Hahaha, beautiful girl you don't have to put on a face like that, we won't do anything bad to you, we all just want to touch you a little." The boss of the people said that he just wanted to touch Feng Xue's body a little.

"I won't let you touch me." Feng Xue wouldn't let these people touch her body.

Feng Xue started to try to use her tied leg to kick people away.

Unfortunately Feng Xue did not have the strength to drive people away.

"Calm down, if you continue to fight, we will do harsher things to you." The boss of these people started threatening that he would use harsh means if Feng Xue continued to fight back.

The current Feng Xue was so helpless, she hoped that in a situation like Ye Chen would come to save herself.

"Ye Chen please come and save me." Feng Xue prayed in her heart, she really, really hoped that Ye Chen immediately came and helped herself.

"Bang. . . ." Suddenly the door was opened by someone, everyone in the room immediately looked at the door that had just opened.

When she saw the door opened by someone, Feng Xue looked directly at the door, when Feng Xue looked at the door, she was a little disappointed.

The person who just came was not Ye Chen, the person who came was Feng Xue's uncle, Feng Jinx, while beside Feng Jinx was a middle-aged man who was around 40 ~ 45 years old.

This middle-aged man named Xiao Yunce, he was the father of Xiao Yan who had previously been looking for trouble with Ye Chen.

Xiao Yunce looked at Feng Xue, who was currently tied with the straps on both her hands and feet.

Seeing that the people who came were Feng Jinx and Xiao Yunce, the four men who previously wanted to do something to Feng Xue immediately abandoned their intentions.

After Feng Jinx and Xiao Yunce arrival, they did not dare to have bad thoughts about Feng Xue anymore.

"Uncle please save me." Feng Xue tried to ask Feng Jinx for help.

Even though Feng Xue didn't have a good relationship with Feng Jinx, they were still related by blood, so Feng Jinx should be willing to help her.

Feng Jinx didn't seem to be silent, he didn't answer Feng Xue who was asking him for help.

"Mister Xiao, what do you think, are you willing to pay 100 million dollars for our Feng Xue?", Feng Jinx started asking Xiao Yunce about the business they had previously talked about.

"100 million dollars for just one night is not fair, how about for 3 nights." Xiao Yunce tried to bid Feng Jinx.

"Hehehe, that's fine, but I want you to help me to get the head position in the Feng family." Feng Jinx wanted Xiao Yunce to help him gain the top position in the Feng family.

"Help you get a position in the Feng family?, then what about that old man Feng Luo." Xiao Yunce asked about the fate of Feng Luo.

"Hahaha, you don't have to worry, I have poisoned the old man, sooner or later he will be sent to the ground soon." Feng Jinx told Xiao Yunce that it would not be long until Feng Luo was sent to the ground.

"You are a very cunning person, I never thought you would do that to win the highest position in your family, but I like that." Xiao Yunce praised Feng Jinx's cunning.

"Hahaha, thank you for the compliment." Feng Jinx felt happy when he was praised by Xiao Yunce.

Feng Xue, who was tied up, heard the conversation that was being held by Feng Jinx and Xiao Yunce.

Feng Xue did not expect that her uncle had sold herself to old man like Xiao Yunce.

Moreover, Feng Jinx had also dared to poison her grandfather to fall ill, this was a crime that Feng Xue could not forgive.

"Feng Jinx, how dare you commit such a crime." Feng Xue shouted in a loud voice.

In this life, Feng Xue had never shouted in this loud voice, Feng Xue took all the anger she had on Feng Jinx who was at the door.

Feng Jinx and Xiao Yunce immediately looked at Feng Xue, they both saw Feng Xue who was currently angry.

"You stupid woman, do you think by screaming like that you can solve everything, soon you will be a toy of the men in this world, so prepare yourself to become a whore" Feng Jinx said to Feng Xue.

Feng Jinx already had a plan to sell Feng Xue as the comfort of every rich man in this world, with Feng Xue's beauty and the status she had as the most famous female star, there would definitely be many who paid a high price for Feng Xue's evening service. .

Feng Jinx firmly believed that Feng Xue would become a very fast money-making machine for him.

"Feng Jinx, you will see, I will not remain silent watching your evil behavior." Feng Xue was currently trying to break free, unfortunately Feng Xue's hands and feet were tied so she couldn't do anything.

"Shout whatever you want, soon you will serve Mr. Xiao, so prepare yourself." Feng Jinx told Feng Xue that tonight she would serve Xiao Yunce.

"Mister Xiao, let's settle everything, after that you can do whatever you want to our Feng Xue." Feng Jinx invited Xiao Yunce to settle the outstanding payment.

After the payment has been completed, then for 3 nights Feng Xue will belong to Xiao Yunce.

"Okay, let's go." Xiao Yunce immediately agreed, he wanted to finish everything in order to enjoy Feng Xue.

It had been a long time since Xiao Yunce wanted to try out what the country's most popular female star felt like.

"You four, make sure not to do anything to this woman, if something goes wrong, you will lose your heads." Xiao Yunce told the four people who were here not to do anything to Feng Xue.

"Well we understand." The four men who were near Feng Xue started breaking out in cold sweat.

Luckily they didn't touch Feng Xue before, otherwise they could lose the head they had now.

After giving a warning to the four people who were here, Xiao Yunce left with Feng Jinx to finish their business.

Chapter 600 - Xue, Where Are You ?

The four people in the room became relieved when they saw that Feng Jinx and Xiao Yunce had left this place.

"It's your fault, we almost lost our lives." The boss of these people started blaming his men for inciting him to play with Feng Xue.

If only earlier he had actually played with Feng Xue, he would definitely lose his head now.

In this city, who doesn't know the name of Xiao Yunce, he is the current head of the Xiao family.

The Xiao family is one of the four great families in the capital, the Xiao family has great power both in the industry and in government circles, if you look for trouble with the leader of the Xiao family, you will definitely end up with a terrible end.

"Sorry boss, I didn't know that this woman is the woman Xiao Yunce likes " The subordinates who previously instigated to play with Feng Xue, immediately apologized for what he had done.

If they were all really bad things to Feng Xue earlier, they would have lost their heads by now.

"It's good if you already know your mistake, next time don't ever think about dirty things again or our lives can disappear because of your thoughts." The boss of the people told all his men not to do this in the future.

They are currently looking for money to become richer, if because of this they lose their lives then it will surely be a joke in the world of criminals.

On the other side Feng Xue is currently very helpless, after hearing that her grandfather had been poisoned by Feng Jinx, she became very sad.

In the Feng family, perhaps only Feng Luo is kind to Feng Xue, while other people can be said to only consider Feng Xue as a tool to boost the Feng family and the Feng Group even more.

It was for this reason that Feng Xue didn't really like people in her family.

"Ye Chen, where are you, please save me." In this condition Feng Xue can only hope that Ye Chen will come and save herself.

Even though Feng Xue knew that the possibility would be very little, but there was no harm in Feng Xue hoping and praying.

.
. .
.

Meanwhile Ye Chen was currently on his way to the Feng family mansion, when Ye Chen arrived at the Feng family mansion, he started searching for Feng Xue's whereabouts by using his Spirit Sense.

"It's strange, I didn't find the existence of Xue." After using his Spirit Sense, Ye Chen still had not found any sign of Feng Xue in this mansion.

"Xue isn't here, so where did she go? ",Ye Chen became more and more worried about Feng Xue's circumstances.

Ye Chen went downstairs, he wanted to ask the security guards who were in this house, maybe they know where Feng Xue had gone.

"Hello, may I ask where Feng Xue is?" Ye Chen went over to the gatekeeper and asked where Feng Xue was.

The gatekeeper looked at Ye Chen from top to bottom, this guard was clearly still remembering about Ye Chen who was an important guest invited by Feng Xue.

"Sorry young master, but Miss Feng Xue ran away from the house and hasn't returned, we don't know where Miss Feng Xue is currently." With a respectful attitude, this guard told Ye Chen that Feng Xue had run away from this house.

"You mean she's not back here yet?" Ye Chen asked the guards again.

"Sorry but Miss Feng Xue has not returned, currently the Feng family is also looking for Miss Feng Xue's whereabouts." The guard told Ye Chen that Feng Xue still had not returned to this house.

Ye Chen felt strange after hearing this, if Feng Xue had returned to the capital, she should have returned to this house.

Is it possible that Feng Xue would go straight to visit her grandfather in the hospital and not return to this house.

Ye Chen started to think that Feng Xue might be currently in the hospital accompanying her grandfather, considering that Feng Luo fell ill, it was likely that Feng Luo was hospitalized.

"Then where is Feng Luo?" ,Ye Chen asked the guard where Feng Luo is currently.

"Big master is currently at home, he just got sick so maybe you can't see him." The guard told Ye Chen that Feng Luo was currently sick and was being treated at this house.

Hearing this, Ye Chen felt that something was wrong, if Feng Luo was in this house, then where exactly is Feng Xue.

"Could something bad happen to Feng Xue?" Ye Chen started to think that something bad happened to Feng Xue.

"That's bad, I have to find Feng Xue immediately." Feeling bad things might happen to Feng Xue, Ye Chen decided to look for Feng Xue.

Without saying anything, Ye Chen immediately went to look for Feng Xue's whereabouts.

"What a strange man, how can Miss Feng Xue have such a strange friend." Seeing Ye Chen's strange behavior, the guards began to think that Ye Chen was a little strange.

Ye Chen immediately flew around this city, he used the Spirit Sense he possessed to search for Feng Xue's whereabouts.

"Xue, where are you?" Ye Chen started to use all the means at his disposal to find Feng Xue.

.

Feng Xue has now been transferred to a better room than before, Feng Xue's state is still the same as before, Feng Xue's two hands and feet are still very tightly tied.

"Bang! ! ! "The door was opened by someone, the person who opened the door is of course Xiao Yunce.

Xiao Yunce immediately entered and locked the door so that no one would interfere with what he was going to do together with Feng Xue.

Seeing Xiao Yunce coming here, Feng Xue was so scared that she started frantically trying to untie the ties that were on her legs and arms.

Because the bonds were so strong, Feng Xue was unable to let go of her hands and feet.

"Xue girl, finally after waiting for a long time, I can taste the most popular female star in this country." Xiao Yunce felt very proud that he finally got to taste Feng Xue.

Xiao Yunce himself has tasted dozens of female stars in this country with different styles, it is not strange that Xiao Yunce is famous among female stars in this country.

With a little lure of money from Xiao Yunce, these women very easily climbed onto Xiao Yunce's bed .

They all happily served Xiao Yunce on the bed for more money and fame.

and now the most popular star was finally on Xiao Yunce's bed.

Xiao Yunce didn't want to waste any more time, he immediately took off the clothes he had and climbed onto the bed on which was Feng Xue who was lying down and tied up.

"You pervert beast, quickly get away from me." Seeing Xiao Yunce climbing into the bed, Feng Xue was currently trying to drive Xiao Yunce away.

"Oi, oi, oi calm down, after tasting the forbidden fruit with me you will definitely like it." Xiao Yunce was currently holding onto Feng Xue's beautiful legs.

He tried to hold back Feng Xue's beautiful leg that was intending to kick him.

"Quickly let me go" seeing Xiao Yunce hold her feet , Feng Xue became stronger in rebellion.
