

A True God 601

Chapter 601 - Save Feng Xue From Xiao Yunce's Evil Grip

"Letting go of you ?, it can't happen, you know I already paid a big enough price to get you, how could I just let go of you after I spent a lot of money." Xiao Yunce would not just let Feng Xue go.

Xiao Yunce had paid 100 million dollars just for Feng Xue's virginity, how could he possibly let go of Feng Xue so easily after spending quite a lot of money.

100 million dollars may not be a lot of money for Xiao Yunce , the reason Xiao Yunce doesn't want to give up Feng Xue is because he wants to enjoy Feng Xue's beauty.

"Quickly let me go, if you don't let go of me then my man will not let you go" Feng Xue tried to threaten Xiao Yunce by using Ye Chen.

With Ye Chen's strength that was beyond human ability, Feng Xue was very sure that Xiao Yunce would be afraid of Ye Chen.

"Hahaha" Xiao Yunce laughed at Feng Xue, he didn't know that this innocent looking female star actually had a man, it seemed that Xiao Yunce had mistaken Feng Xue.

"Are you kidding me? , do you think there are people in this world who can scare me?" Xiao Yunce is absolutely not afraid of the threat that Feng Xue is making, in this world there is almost no one to Xiao Yunce scare.

"You just wait and see." While crying, Feng Xue continued to threaten Xiao Yunce.

"Hahaha keep on hoping that in this world no one can save you from me." Xiao Yunce started trying to tear off Feng Xue's clothes.

"Kyahhh" Feng Xue started screaming when her clothes were torn by Xiao Yunce, Feng Xue looked very desperate when she saw the clothes she had torn by Xiao Yunce.

When she saw that she wanted to be tainted by Xiao Yunce, Feng Xue began to think about biting her tongue and killing herself.

"Shout at will, soon you will continue to scream under my body. hahaha "When Xiao Yunce thought that he was going to sleep with Feng Xue, he was very excited.

Even Xiao Yunce 's small weapon was eager to fight Feng Xue.

"How dare you touch my woman" When Xiao Yunce wanted to do something more for Feng Xue, suddenly an angry male voice was heard beside Xiao Yunce.

"Bam" Xiao Yunce's body was flown and hit the wall very hard, the wall that was hit by Xiao Yunce immediately collapsed because it was unable to withstand the impact that occurred.

Hearing this voice, Feng Xue who was crying immediately looked up, when Feng Xue looked up, she found that Ye Chen was already beside her.

"Ye Chen." Feng Xue looked very happy when she saw Ye Chen here to save herself.

Finally Feng Xue's wish was granted, Ye Chen actually came to save herself.

"Are you okay?" Ye Chen started untying the ties that were on Feng Xue's hands and feet.

"I'm fine, just for you to come on time, otherwise that person might, sob. . ., Sob. . ., Sob. . .," Feng Xue started to hug Ye Chen and cry as she remembered what had happened to her before.

"Calm down, I'm already here, no one can do anything bad to me when I'm here" Ye Chen tried to calm Feng Xue down, he hugged Feng Xue's body so that Feng Xue could calm down a little.

Ye Chen's embrace felt very warm and very comfortable, Feng Xue felt very comfortable when she was in Ye Chen's embrace.

After a while, Feng Xue finally calmed down, seeing that Feng Xue had calmed down, it was time for Ye Chen to make a calculation with the man who previously wanted to do bad things to Feng Xue.

"You wait here, I want to settle something with that person." Ye Chen wanted to settle his business with Xiao Yunce, he had to make that person pay for what he just did to Feng Xue.

Feng Xue only nodded to Ye Chen, she obediently waited for Ye Chen on this bed.

Ye Chen immediately got off the bed, he walked towards Xiao Yunce who was currently buried by the rubble of the wall he had previously hit.

Ye Chen started to take Xiao Yunce, who was currently being buried by a concrete wall.

Ye Chen picked up and lifted Xiao Yunce into the air, when Ye Chen did this, he looked like he was lifting things from a pile of cardboard

Ye Chen grabbed Xiao Yunce's neck very firmly, Xiao Yunce's state current was pretty bad, at least the bones The back he had was broken from being hit by Ye Chen's punch.

From Xiao Yunce's mouth, quite a lot of blood started to come out.

"Who are you?", With a voice that sounded very hoarse, Xiao Yunce asked Ye Chen.

"I am Ye Chen, I came here to make you regret that you have done bad things to Xue." Ye Chen was quite annoyed with the man who had dared to do bad things to Feng Xue.

"Pah" Ye Chen started to slap Xiao Yunce's face very hard.

"Ahhhhh" Xiao Yunce started screaming in exasperation when he received a slap from Ye Chen.

The slap that Ye Chen made was very violent, Xiao face Yunce's was very easily made to resemble a pig's rump in just a few seconds.

Xiao Yunce had never felt this kind of pain in his life.

Actually Xiao Yunce is a cultivator, as a cultivator Xiao Yunce is very confident in his fighting abilities.

but it seems that this time it is a little different, Xiao Yunce is completely helpless against this young man in front of him.

"You bastard, hurry up and let me go, don't you know that Xiao Yunce is the leader of the Xiao family, one of the four major families in the capital." Xiao Yunce tried to use his background to scare Ye Chen.

"Do you think that if you come from the Xiao family I will be afraid of you, I am not afraid of the Xiao family you have at all." Ye Chen is not afraid of a small family like the Xiao family owned by Xiao Yunce.

This was the first time that Xiao Yunce had seen someone who blatantly dared to offend his Xiao family, Xiao Yunce was getting more and more annoyed with Ye Chen.

"You, watch out later, I will definitely make you regret having done this to me, I will definitely cut yours and give it to the dog." Xiao Yunce again threatened Ye Chen.

This time the words that came out from Xiao Yunce were very inappropriate to hear.

"I didn't think you would still dare to say that in front of me, if you really want to do that to me, why don't you just become an eunuch first." Ye Chen kicked Xiao Yunce's crotch as hard as possible.

Xiao Yunce felt an unbearable pain in his groin, because the pain was too terrible, Xiao Yunce immediately fainted.

Seeing Xiao Yunce fainted because of this, Ye Chen looked happy, Ye Chen threw Xiao Yunce's body onto the floor.

Ye Chen didn't kill Xiao Yunce, according to Ye Chen this punishment is enough for Xiao Yunce, let this man suffer all his life.

After teaching a lesson for Xiao Yunce, Ye Chen immediately returned to Feng Xue's side.

Chapter 602 - Above The Starry Night Sky

Ye Chen immediately climbed onto the bed and approached Feng Xue, when Ye Chen climbed onto the bed, Feng Xue immediately hugged Ye Chen's body.

"Ye Chen, I'm so glad you finally came and helped me." Feng Xue was very happy because Ye Chen really came to help her.

Ye Chen is like a prince who comes when the princess is in trouble, Feng Xue likes this, she feels a sweet feeling when she thinks about this.

"I will definitely always help you if you are in trouble," Ye Chen will definitely help Feng Xue if he is in trouble.

Ye Chen started kissing Feng Xue's forehead who was in his embrace.

Feng Xue's heart grew cuter when she heard Ye Chen's words, Feng Xue felt that she liked Ye Chen more and more.

Feng Xue didn't care if Ye Chen had many women, as long as Ye Chen loved herself in his heart, it was enough for Feng Xue.

"Let's get away from this place." Ye Chen invited Feng Xue to leave this place.

According to Ye Chen this place is not good for Feng Xue, he should find a nicer place for Feng Xue.

after all in This place there is Xiao Yunce , so it's better to just leave this place.

"Okay." Feng Xue looked very obedient today, she obediently followed Ye Chen's every word.

"Good." Ye Chen started to hug Feng Xue even tighter in his arms, Ye Chen brought Feng Xue flying out of this room.

Xiao Yunce was still left lying on the ground with his bottom broken, it was impossible for Xiao Yunce to recover his belongings down there.

Ye Chen did not care at all about Xiao Yunce's fate, that person's life and death were none of Ye Chen's business, what Ye Chen was thinking about right now was to make Feng Xue forget what had happened to her before.

"That, Ye Chen my grandfather is currently poisoned , can you help me save my grandfather?" Feng Xue who was in Ye Chen's arms started asking Ye Chen to save Feng Luo who was currently poisoned by Feng Jinx.

"Your grandfather was poisoned? , How did it happen ? "Ye Chen wants to know how Feng Luo was poisoned.

"I don't know about that matter, what I heard before that Feng Jinx poisoned my grandfather." Feng Xue told Ye Chen that Feng Jinx had said this to herself.

"Feng Jinx, wasn't that your uncle , why then how could he do that?" Ye Chen still remembers Feng Jinx who used to make things difficult when doing an advertising contract in Feng Group.

"Actually Feng Jinx is a bad person, not only did he dare to poison my grandfather, he is also the person who sold me to Xiao Yunce. " Feng Xue started telling about everything that happened to Ye Chen.

" What! ! So the mastermind behind all this is that person?" Ye Chen was a little annoyed when he heard this, how could Feng Jinx who is Feng Xue's uncle sell his nephew like that.

That was something Ye Chen could not forgive, Ye Chen had to do something to Feng jinx.

"Xue, you don't need to worry, I will definitely help you find justice." Ye Chen told Feng Xue that he would help her find justice.

Ye Chen couldn't possibly stay silent when he saw Feng Xue suffer this kind of injustice, Ye Chen would definitely help Feng Xue.

"Ye Chen, thank you very much." Feng Xue was very happy, she started to hug Ye Chen's neck and kiss Ye Chen's lips.

Being too happy, Feng Xue unconsciously hugged and kissed Ye Chen, she wanted to thank Ye Chen who was always there for her.

Seeing Feng Xue's courage, Ye Chen started to welcome Feng Xue's kisses.

He began to greedily kiss the cherry on the lips of this beautiful star in his arms.

Above the starry night sky, Ye Chen and Feng Xue were kissing passionately, Feng Xue even started to sink into this extraordinary kiss.

Feng Xue fans definitely wouldn't believe that the Goddess in their hearts was currently on his own initiative to kiss Ye Chen.

If currently there were people who saw this, they would definitely be very jealous of Ye Chen, Feng Xue's fans would definitely be jealous and bite their fingers in dissatisfaction.

After 10 minutes of passionate kissing, the two of them finally started to separate, Feng Xue was almost out of breath while kissing Ye Chen.

The feeling of kissing was so pleasant, Feng Xue wanted to continue doing it all day with Ye Chen.

Feng Xue actually wanted to do that, but considering her grandfather's condition was still unknown, Feng Xue couldn't stay here and kiss together with Ye Chen.

"Ye Chen, let's see my grandfather right now." Feng Xue invited Ye Chen to go and see how Feng Luo was doing.

"Okay, let's go." While hugging Feng Xue, Ye Chen took Feng Xue off to the big house belonging to the Feng family.

With the current flying speed that Ye Chen had, he was able to fly in a very short time to the Feng family mansion.

"Let's sneak inside." Ye Chen invited Feng Xue to sneak inside.

Because according to Feng Xue's story, Feng Jinx was the one who poisoned Feng Luo, it meant that Feng Jinx was currently in control of this mansion.

If Ye Chen and Feng Xue entered from the front door, there would definitely be unnecessary trouble, which was why it would be better for Ye Chen and Feng Xue to sneak into Feng Luo's room.

Ye Chen immediately led Feng Xue towards the room where Feng Luo was.

When Ye Chen and Feng Xue reached the room Feng Luo was in, they saw that Feng Luo was currently lying on the bed.

Feng Luo's face was pale and slightly black, it could be seen that Feng Luo was really poisoned.

"Grandfather" Feng Xue immediately went to where Feng Luo was, she wanted to see Feng Luo's situation immediately.

"Xue, wait a moment." Ye Chen immediately stopped Feng Xue who wanted to go to where Feng Luo was.

"Ye Chen why did you stop me? , I want to see my grandfather. "Feng Xue didn't understand why Ye Chen stopped herself from seeing Feng Luo.

"Xue, around your grandfather's bed there is a poison powder, if you get close you will be exposed to the poison." Ye Chen told Feng Xue that around Feng Luo's body was a poison powder that was odorless and invisible.

"What!! Is that true!" Feng Xue did not know that around Feng Luo's bed there was a poison powder.

If only Feng Xue had gone to Feng Luo's side, he would have been exposed to this poison, fortunately Ye Chen stopped himself from getting closer to Feng Luo.

"Wait a minute, let me clean the poison around here." Ye Chen told Feng Xue to wait a little, he will immediately clean up the poison around this place.

Ye Chen waved his hand, when Ye Chen waved his hand, the poison that was around Feng Luo started to disappear, Ye Chen raised and put this poison into a container to be examined later

Chapter 603 - Heal Feng Luo

"Alright, it's over, You can see your grandfather." Ye Chen told Feng Xue that the poison around her grandfather's body had been cleaned.

Now Feng Xue could see the state of Feng Luo.

"Thank you very much." Feng Xue thanked Ye Chen, if Ye Chen wasn't here, maybe Feng Xue didn't know about the poison around her grandfather's bed.

Feng Xue immediately went to see Feng Luo.

"Grandpa get up, are you okay" while crying, Feng Xue tried to wake up Feng Luo who was currently unconscious.

Too bad Feng Luo couldn't listen to Feng Xue's words, the poison in Feng Luo's body made Feng Luo's body weak and helpless

Feng Xue couldn't bear to see her grandfather in a state like

"Ye Chen, can you help my grandfather?", Feng Xue asked Ye Chen to save her grandfather.

"Of course, do you still have the pill that Yanyan gave you." Ye Chen asked Feng Xue about the pill given by Zhao Yanyan.

"Well I still have it." Feng Xue immediately took out several bottles of pills from her bag, she handed all these bottles to Ye Chen.

Ye Chen received the pill bottle from Feng Xue, he began to see what pills Zhao Yanyan gave to Feng Xue.

When Ye Chen saw the pill Zhao Yanyan gave Feng Xue, Ye Chen was a little surprised.

All of the pills that Zhao Yanyan gave were high grade pills whose manufacturing materials were extremely difficult to obtain.

Ye Chen didn't know where Zhao Yanyan stole this pill from, it was certain that the girl didn't get this pill from Ye Chen.

It is very likely that Zhao Yanyan got this pill from Fu Lanling, Nangong Xiang or Nanhua Caiyi, Ye Chen was very sure that if the person asking was Zhao Yanyan, it would be Fu Lanling, Nangong Xiang or Nanhua Caiyi would give Zhao Yanyan what she wanted.

"Ye Chen, is one of the pills that sister Yanyan gave me to help my grandfather? "Feng Xue wants to know if the pill Zhao Yanyan gave her would be able to help her grandfather.

"Of course you can, with this pill, I really believe that your grandfather can be cured." Ye Chen told Feng Xue that Feng Luo could be cured.

It would be strange if Ye Chen couldn't cure Feng Luo using the pills that Zhao Yanyan gave , a pill like this would definitely be able to easily expel poison and heal Feng Luo.

Ye Chen started to open the pill bottle that Zhao Yanyan gave to Feng Xue, when Ye Chen opened the pill bottle that was in his hand, a fragrance that really should start filling this room.

"Ye Chen, what's in it, why does it smell so good to smell." Feng Xue immediately asked Ye Chen what was in the bottle in his hand.

The aroma from the bottle in Ye Chen's hand was very fragrant, Feng Xue liked this scent.

"This is a high quality pill, so it must smell really good." Ye Chen explained a little to Feng Xue, who was still a little unfamiliar with this.

"Huh? "Feng Xue is still confused by what Ye Chen just said, to Feng Xue all pills according to her are the same.

As expected of the common people Feng Xue, she was completely clueless about what Ye Chen had just said.

"Forget it, let's give this to your grandfather." Ye Chen told Feng Xue to forget what he previously said, there was no point in continuing the conversation that the other side didn't know about.

Ye Chen started to give the pill that was in the bottle to Feng Luo, Ye Chen put the pill in Feng Luo's mouth.

After Feng Luo swallowed the pill, it was time to wait and see how this pill worked.

By using high quality healing pills, Feng Luo's poison starch would be neutralized very quickly.

Ye Chen's guess was very precise, in just a matter of seconds, Feng Luo's body which was previously pale and slightly black began to become fresher, Feng Luo's face also began to gradually improve.

Feng Xue who was by Ye Chen's side saw the miracle that was before her eyes, she could not believe that the pill bottle given by Zhao Yanyan would have such a miraculous effect.

After all the poison in Feng Luo's body was neutralized, Feng Luo started to open his eyes.

"Grandfather" saw that Feng Luo was a little aware, Feng Xue immediately rushed over to see the situation of Feng Luo.

"Xue, why are you here?" Feng Luo was a little confused when he saw Feng Xue here.

The current Feng Luo still didn't realize that he had just been poisoned.

"Grandfather, I came here to see how you are, you were poisoned just now." Feng Xue told Feng Luo about what had happened to him.

"Poisoned, who dared to poison me?" Feng Luo wanted to know who the person who poisoned him was.

"It's Feng Jinx, the guy that planned bad things to you, he also just sold me to someone else." Feng Xue told Feng Luo that the person who poisoned him was Feng Jinx.

"Feng Jinx, how dare that person do that to me and Xue, I have to settle this business." Feng Luo looked furious when he heard this from Feng Xue.

Feng Luo wanted to punish Feng Jinx right away for the actions taken by Feng Jinx, how brave Feng Jinx did bad things to his own family.

Feng Luo immediately contacted the housekeeper Feng, when Feng Luo called the housekeeper hand, an old man came and saluted Feng Luo.

"Mr. Feng is healed?", The housekeeper Feng asked Feng Luo the situation.

"Yes, I am healed at this time." Feng Luo told the housekeeper that he was healed.

"Hurry up and call Feng Jinx here." Feng Luo told the Feng family housekeeper to call Feng Jinx here.

"Sorry Mr. Feng, I can't do that, now you are no longer the head of the Feng Clan, so you can no longer do that, the Feng family housekeeper told Feng Luo that he is no longer the leader of the Feng Clan.

"What does this mean?", Feng Luo asked what the housekeeper meant about this matter.

"When you were unconscious for a few days, other elders started discussing to discuss a new leader for the Feng Clan, from the discussion that was discussed, it was decided that a new leader would be chosen tomorrow." The housekeeper told Feng Luo what happened.

"I see, those old people actually took advantage of this opportunity to remove me from my position." Feng Luo did not expect that the elders would take advantage of this moment to depose him.

"Grandfather, you lost your position as Clan leader?", Feng Xue asked Feng Luo.

"I think so." Feng Luo helplessly said to Feng Xue, it seemed that he was completely pushed aside by those elders rotten.

Feng Xue felt angry when she heard this, it was unexpected that those people took this opportunity to do something like this to her grandfather.

"You said tomorrow there will be a new Clan leader election, then who is the candidate?" Feng Luo wants to know which candidate will step up to become the leader of the Clan.

Chapter 604 - Tonight I Want You To Accompany Me To Sleep

"There are several people who will become candidates, one of them is Feng Jinx and Feng Lunze, they are both the strongest candidates recommended by the elders." The housekeeper told Feng Luo that there were two strongest candidates to become the leader of this Feng Clan.

One of them was Feng Jinx who had poisoned him and the other was Feng Lunze who was the son of the first elder.

The first elder was the one who had the highest position in this family, he was the oldest child among all, even Feng Luo had to call the first elder the elder brother.

"I see." Feng Luo understood what was happening right now, it seemed that the elders wanted to use their children to rule this Feng Clan.

"Xue, what if you get into this problem? , I will recommend you." Feng Luo finally made a decision, he wanted Feng Xue to participate in this power struggle.

"Eh? , you mean I have to participate in this?" Feng Xue was a little surprised when she heard this, she didn't expect that her grandfather would order her to join the power struggle that was happening in the Clan right now.

"That's why, even though you are young, you have a talent to do that." Feng Luo told Feng Xue that she had a hidden talent for managing things.

Plus Feng Xue's contribution in this family was quite large, with the current Feng Xue's contribution, she was enough to become a candidate for Clan head.

"But grandfather", Feng Xue still felt a little confused when she had to interfere in such a big matter, she wasn't sure that he could get the current position of the head of the Clan.

"Don't be afraid, I will help you." Feng Luo told Feng Xue not to be afraid, Feng Luo himself would help Feng Xue to get to the head of the Clan.

If the Clan head position fell to the wrong person like Feng Jinx, then this Clan would be in a very difficult position, it was better for Feng Luo to let Feng Xue hold that position, he was sure that Feng Xue would not do something like the evil Feng Jinx .

"Xue, we have to stop Feng Jinx from getting what he wants." Ye Chen supported what Feng Luo wanted to do, he would not let Feng Jinx get what he wanted.

"Ye Chen, I'm not sure about that, if I join there will definitely be many people who try to oppose me." Feng Xue doubted that she could be chosen as the leader of the Clan, she was too young, there was no way people would choose her.

"You don't have to worry about that problem, I will help you, after you become the leader of the Clan you can give that position back to your grandfather if you really don't want that." Ye Chen tried to persuade Feng Xue to cooperate with him and Feng Luo.

"Okay, you will try" after being persuaded by Ye Chen, Feng Xue finally wanted to try it.

Feng Xue wanted to take revenge on Feng Jinx, she had to expel everyone related to Feng Jinx from this family.

Feng Luo looked at Ye Chen, Feng Luo just realized that Ye Chen was in this place.

"Aren't you Ye Chen, what are you doing here?" , Feng Luo asked Ye Chen.

Ye Chen: "I'm here to. . . "

"Grandpa, Ye Chen is here to help me, if it weren't for Ye Chen, I would have been sold by Feng Jinx to a pervert man. "Feng Xue told Feng Luo why Ye Chen could be in this place.

"Oh, I see, thank you for helping Xue" Feng Luo thanked Ye Chen.

It turned out that apart from having good musical talent, this man was also very kind, he was really a heroic who wanted to help Feng Xue who was in trouble.

"No need to be grateful like that, I just did what I thought was right," said Ye Chen to Feng Luo.

"Hahaha, you are a very attractive young man, it's no wonder Xue always said that you are a great person." Feng Luo had to admit that Ye Chen was indeed attractive.

"Grandfather, don't say that." Feng Xue felt very embarrassed when Feng Luo said the secret that Ye Chen had been hiding.

Hearing this, Ye Chen could only smile, it seemed that Feng Xue was telling himself to Feng Luo.

Feng Luo started to get up from the bed, after eating the healing pill, Feng Luo felt that he felt so refreshed, it had been a long time since he had felt this feeling of freshness.

Feng Luo felt that he had returned to his former youth.

"Grandfather, are you okay?" Feng Xue was a little worried about Feng Luo's situation.

"Xue, you don't need to worry, I'm very healthy." Feng Luo told Feng Xue that she was fine.

Feng Luo had to do something to make Feng Xue win the Clan head position, which was why he had to get votes from people close to him.

"Xue go and accompany Ye Chen, I will do something first." Feng Luo told Feng Xue to go and accompany Ye Chen, he had to do something.

"Fine." Feng Xue obediently obeyed Feng Luo, she took Ye Chen away from this room.

After Feng Xue left this room, Feng Luo looked at the housekeeper who was in front of him.

"Come with me, I want you to help me a little as a friend not as the head of this Clan." Feng Luo asked the housekeeper to accompany him to do something.

"Alright, since the head position is not there, I am now a little free." The housekeeper promised to accompany Feng Luo.

As a person who had served Feng Luo for a long time, the housekeeper had naturally become a close friend to Feng Luo.

"Good. let's go." Feng Luo nodded in satisfaction, he went to meet the closest people in this Clan to help Feng Xue get the position of Clan head.

Meanwhile, currently Feng Xue invited Ye Chen to go to her room.

"Ye Chen come in, this is my room, tonight I want you to accompany me to sleep." Feng Xue openly invited Ye Chen to come into her room.

Hearing Feng Xue's invitation, Ye Chen became very excited.

Ye Chen immediately hugged Feng Xue's waist, "Xue, let's go to sleep." Ye Chen shamelessly invited Feng Xue to go to bed right now.

Whoever was a fool who was willing to refuse Feng Xue's invitation, any male would be excited to receive an invitation like this from Feng Xue.

Feng Xue's face turned red when she heard Ye Chen's words, she didn't expect that Ye Chen would be so excited when she invited her to sleep together.

Ye Chen opened the door to the room, while hugging Feng Xue's waist, Ye Chen entered Feng Xue's room, what a coincidence that when Ye Chen and Feng Xue entered the room it looked very dark.

"Xue, where's the light switch? ", Ye Chen asked Feng Xue where the light switch was.

"The light switch is 2 meters to your left." Feng Xue told Ye Chen that the light switch was 2 meters to Ye Chen's left.

After knowing the light switch was on, Ye Chen rushed over to turn on the light of this room.

"Click." The room lights turn on, when the room lights are turned on, Ye Chen looks at the room Feng Xue used to sleep in.

Chapter 605 - Xue , Does It Taste Good?

Feng Xue's bedroom looks ordinary, there is nothing too special about Feng Xue's bedroom, only a few posters and dolls belonging to Feng Xue in this place.

it looks like these posters and dolls are from Feng Xue fans.

"So this is your bedroom? "Ye Chen is starting to look around this place, apart from looking neat, this place is also very fragrant, the smell in this room is the same as the fragrance on Feng Xue's body.

Ye Chen began to wonder why every woman had a room that smelled so good, Ye Chen wanted to know how much perfume was used by Feng Xue to keep this room smelling good like this.

"Ye Chen, can you lower the light a little." Feng Xue asked Ye Chen to slightly lower the light of this room.

Feng Xue doesn't really like sleeping in bright light, she prefers sleeping in a dimmer light.

"OK." Ye Chen lowered the light in this room, after Ye Chen lowered the light enough, Feng Xue felt more comfortable.

"Thank you, I'll go change clothes first." Feng Xue wanted to go to change her clothes into pajamas.

Feng Xue went to the wardrobe, she started to take her favorite pajamas, Feng Xue took a plain white pajamas, even though they were not transparent these pajamas would be very sexy if Feng Xue used them.

"Ye Chen, can you turn around for a bit." Feng Xue wanted Ye Chen to turn around for a while while wearing these pajamas.

"What for? , haven't I seen it before." Ye Chen told Feng Xue that he had seen Feng Xue's body.

Feng Xue's face turned red when she heard this, Ye Chen was really very honest with herself.

"Stupid." Feng Xue turned her back on Ye Chen's body, she started to take off the clothes she was wearing.

When Feng Xue took off the clothes she was wearing, she could see Ye Chen's gaze that was very sharp on her.

Feng Xue, who wanted to take off her clothes, immediately stopped, she didn't take off her clothes.

"Ye Chen, don't look at me like that, it makes me embarrassed." Feng Xue felt embarrassed when she was stared at in that way by Ye Chen.

Feng Xue was a woman who was still a virgin, so it wasn't strange that she was embarrassed when Ye Chen saw her.

"You don't need to be ashamed like that, didn't you tell me to be my woman?" Ye Chen told Feng Xue not to be embarrassed in front of him.

"Even so, I still feel ashamed." Even though Feng Xue had agreed to become Ye Chen's woman, she was still embarrassed if she had to change clothes in front of Ye Chen.

"Do I need to help you put on those pajamas?" Ye Chen took the initiative to help Feng Xue put on the pajamas she had .

"No need, I can do it myself." Feng Xue started to step back, she was afraid of Ye Chen who wanted to take off her clothes.

Ye Chen smiled at Feng Xue's behavior, he felt that flirting with this famous star was very exciting.

Feng Xue turned around again, she started to take off the clothes she was currently wearing.

Little by little the clothes that Feng Xue was wearing fell to the floor, now Feng Xue was only using an inner garment.

Ye Chen who was behind Feng Xue admired the beauty of Feng Xue's body, although Ye Chen could only look at Feng Xue's back, it was very exciting.

If only the current Feng Xue would turn around, the beauty that Ye Chen saw would be even more perfect.

Feng Xue was very embarrassed, her face was red like apple skin, Feng Xue began to very skillfully put on the pajamas she had taken.

Within seconds Feng Xue had finished putting the pajamas onto her body, after she finished putting the pajamas on, Feng Xue immediately turned around and looked at Ye Chen.

"Why do you look disappointed like that?" When Feng Xue turned around, she found that Ye Chen's face looked disappointed.

"No, it's just that it was too fast, I wasn't clear when I saw it." Ye Chen told Feng Xue that he wasn't too clear when he saw Feng Xue's beautiful body.

"Gezz, why do you keep teasing me" Feng Xue started hitting Ye Chen with her fist, Feng Xue was venting her annoyance because Ye Chen kept teasing her.

The blow that Feng Xue did not feel for Ye Chen at all, Ye Chen was even happy to see Feng Xue who had returned to the way it was before.

It seemed that Feng Xue had already forgotten the incident that she had previously experienced, Ye Chen had to make Feng Xue forget the bad incident that had previously happened, therefore he continued to tease Feng Xue.

Ye Chen saw Feng Xue who was wearing a pajama, according to Ye Chen Feng Xue was very seductive when wearing pajamas like that.

"Let's sleep." Ye Chen couldn't take it anymore, he started to carry Feng Xue onto the bed.

Feng Xue had absolutely no resistance when Ye Chen lifted herself up, Feng Xue was very easily carried onto the bed by Ye Chen.

Ye Chen laid Feng Xue on the bed, Feng Xue's bed was quite large, at least it could accommodate up to 3 adults.

Ye Chen looked at Feng Xue with a gaze that seemed to want Feng Xue.

"Ye Chen, what do you want?" Feng Xue saw Ye Chen's gaze, Ye Chen currently looks like a hungry wolf that wants to eat her.

"Moreover, of course sleeping with you." Ye Chen started to hug Feng Xue's body who was under him.

Ye Chen's hand began to dishonestly touch Feng Xue's body, he began to stimulate Feng Xue who was in his embrace.

"Emmmm" when her body was touched by Ye Chen, Feng Xue started to let out a groan that was very pleasant to hear.

Feng Xue's groaning voice is very comfortable to hear, it seems this woman has a talent to stimulate someone by using her sweet voice .

Feng Xue feels a very comfortable feeling when Ye Chen's hand touches her body, this feeling is extraordinary for Feng Xue.

Unconsciously Feng Xue began to enjoy the feeling emanating from Ye Chen's hands, she continued to let out a groan that was very pleasant to listen .

Seeing that Feng Xue did not fight back, Ye Chen started to be even more courageous, he started to reach into Feng Xue's pajamas, Ye Chen started to squeeze the soft double peak belonging to Feng Xue who was just developing.

"Ahh, Ye Chen don't ? ", Feng Xue started to panic a little when Ye Chen stuck his hand into the pajamas she was wearing.

"Xue calm down, I just want to make you happy." Ye Chen told Feng Xue not to fight back, let Feng Xue enjoy Ye Chen's extraordinary technique.

Feng Xue felt immense pleasure from Ye Chen's hand touching the two peaks she had.

"Ye Chen, a little stronger", Feng Xue started to become lustful, she started asking for more from Ye Chen.

Ye Chen started to increase the dose of his own abilities to make Feng Xue feel even happier.

"Well, that's great." Indeed, when Ye Chen increased the dose of the technique he had a little, Feng Xue began to feel immense pleasure.

"Xue, does it taste good?", Ye Chen whispered in Feng Xue's ear, Ye Chen didn't forget to blow Feng Xue's ear.

Feng Xue was amused when Ye Chen blew her ears, this stimulation was really extraordinary, Feng Xue felt a very comfortable feeling when trying Ye Chen's hand skills.

Chapter 606 - I'm Afraid Of That Big Thing

"Ye Chen is so comfortable, how can there be such a thing in this world?" Feng Xue feels so comfortable, this is feeling more fun than anything in this world

"Really? , so you like this? ", Ye Chen asked Feng Xue.

"Yes, I like it." Feng Xue immediately nodded at Ye Chen, she really likes doing things like this together with Ye Chen.

"It's good if you like it, from now on I will often do this for you." Ye Chen promised to do this often with Feng Xue.

" Is it true ? "Feng Xue feels a little happy when she hears this, if every day she feels this kind of pleasant feeling, Feng Xue is very sure that she will be very happy.

"Of course, do you know? , I really like the sound of your moaning, it seems that besides being great at singing your moaning is also very nice to hear." Ye Chen told Feng Xue that he liked Feng Xue's moaning sound.

That's why he wanted to do things like this every day so he could listen to Feng Xue's moaning which was pleasant to hear.

"Gezz, so it turns out that you did this because you wanted to? "Feng Xue is helpless, it turns out that Ye Chen wants to do things like this with herself every day because of his personal will.

"Hahaha." Ye Chen smiled with satisfaction at Feng Xue, he started to continue teasing Feng Xue.

Ye Chen started teasing Feng Xue's body, he started to squeeze Feng Xue's double peak and kissed Feng Xue's cherry lips.

Feng Xue couldn't stand this temptation, she felt that something was about to gush out from the bottom.

"Ahhhhh" Feng Xue groaned with a very loud voice, to Ye Chen, Feng Xue's moaning was a very comfortable music to listen to.

"This Ye Chen is truly amazing." For the first time that Feng Xue had reached the pinnacle of happiness being a woman, this feeling was simply amazing.

"Are you satisfied now?" Asked Ye Chen to Feng Xue.

"Of course I am very satisfied, you are so amazing." Feng Xue told Ye Chen that what Ye Chen was doing was amazing.

Feng Xue really hoped that every day she could do this together with Ye Chen, she couldn't wait to continue doing things like this together with Ye Chen.

"Do you finally know how strong your husband ? "Ye Chen said with great pride.

"Fufufu." Feng Xue giggled when she heard this, this kind of Ye Chen looks like a child.

"Husband." Feng Xue called Ye Chen's name as husband, Feng Xue's voice also sounded very soft.

" Yes, What is up ? ", Ye Chen answered Feng Xue.

"Are we going to move on to something even more intimate?" Feng Xue wanted to know if the two of them would have any further intimate relations, Feng Xue wanted to try to do that with Ye Chen.

Feng Xue wanted to give first time to Ye Chen , so she offered Ye Chen a Dual Cultivation relationship.

"What kind of intimate thing? "Ye Chen pretended not to know what Feng Xue was referring to.

Ye Chen actually already knew what was getting at Feng Xue, he purposely pretended not to know to tease Feng Xue.

"Hate, I mean a real male and female relationship." Feng Xue was a little embarrassed when she said such vulgar words.

"Do you really want to do that? ", Ye Chen asked Feng Xue.

"Of course, I want to try what it feels like, whether it's much more fun than before or not, you know Sister Yanyan teases me a lot about this matter." Feng Xue told me that she wanted to try Dual Cultivation with Ye Chen.

From what she heard from Zhao Yanyan, doing this was so much fun, even Zhao Yanyan said that that feeling was second to none in this world.

It was for this reason that Feng Xue wanted to try it, as well as she wanted to be Ye Chen's woman completely, so that she could continue to be with Ye Chen.

Ye Chen smiled wryly when he heard this, Ye Chen didn't expect that Zhao Yanyan would brainwash Feng Xue with this kind of thing, after Zhao Yanyan's Saintess body Wake up.

Zhao Yanyan was a little difficult for anyone to understand, now it was quite difficult to guess Zhao Yanyan's way of thinking, even if it was Chu Yuechan, she would have a hard time understanding Zhao Yanyan at this time.

"Xue, actually I also want to do it, but looking at your current state, I think we still can't do that." Ye Chen told Feng Xue that doing hard things is not good for Feng Xue's current condition.

Feng Xue needed a little more time for her heart to be strong when doing strenuous sports like Dual Cultivation with Ye Chen.

"Ah, I see." Feng Xue was a little disappointed, it seemed like she still had a little patience to do this together with Ye Chen.

"If you really want to get well soon, let's have a treatment session." Ye Chen took a set of gold needles from the fairy gate storage room.

"Husband, wait a moment." Seeing the big needle in Ye Chen's hand, Feng Xue started to get scared, Feng Xue started to move away from Ye Chen, Feng Xue tried to escape from the big needle in Ye Chen's hand.

"Where are you going?" Seeing Feng Xue who wanted to run away from the treatment session, Ye Chen immediately locked Feng Xue's waist using the left hand he had.

Feng Xue couldn't run away anymore after being held back by Ye Chen's strong arm, she was now being hugged by Ye Chen very tightly.

"Don't, let go of me, I don't want to do that anymore, I'm afraid." Feng Xue tried to escape from Ye Chen's embrace, for the first time Feng Xue tried to break away from Ye Chen's comfortable embrace.

"I won't let you go, you have missed the treatment session several times, so this time you have to obey and be cared for by me." Ye Chen told Feng Xue to shut up and obey.

"No, no, no, I'm afraid of that big thing." Feng Xue told Ye Chen that she was afraid of the big needle in Ye Chen's right hand.

"Be quiet and obedient, it doesn't hurt at all." Ye Chen looked like a doctor coaxing a child who was afraid of being injected.

" No ! ! ! " Feng Xue screamed in fear, she really didn't like the needle in Ye Chen's hand.

Ye Chen started to ignore Feng Xue's screams, he started sticking his needles into Feng Xue's breast.

When Feng Xue saw the large needle piercing through her left breast she started to feel dizzy and lost consciousness, this woman was so scared that she fainted like that.

Ye Chen shook his head, Feng Xue would faint again from something like this.

It seemed that Feng Xue was so afraid of needles that she would even pass out like this.

After Feng Xue fainted, Ye Chen became easier to treat Feng Xue, he quickly started to treat Feng Xue.

After about 20 minutes, Ye Chen finally finished treating Feng Xue.

Chapter 607 - The Big Gathering Of The Feng Clan

From what Ye Chen could see, Feng Xue's condition was now getting even better than last time.

It probably won't be long until Feng Xue is fully healed.

Ye Chen looked at Feng Xue who was currently sleeping very soundly.

"Master, with this woman's current state, she might be able to do that together with you, after all, if this woman does Dual Cultivation with you, then this woman's body will be repaired, so her heart disease will soon be cured." Chu Yuechan told Ye Chen that Feng Xue can already do that together with Ye Chen.

"I know about it, the problem tomorrow is an important day for Xue, if I do it now, I'm afraid this girl won't be able to wake up tomorrow." Ye Chen actually wanted to do this together with Feng Xue, but tomorrow they have to do something important, so he had to postpone it first.

"But, isn't the thing under you really uncomfortable right now? , Do I need to help you with my hands?" Chu Yuechan said such seductive words in Ye Chen's mind.

Chu Yuechan's voice sounded very soft when she said that, Ye Chen's bones felt soft when he heard things like this from Chu Yuechan.

Chu Yuechan was a very beautiful fairy, even Chu Yuechan's beauty was comparable to Dongfang Xiu and Nangong Xiang who were goddesses in the God Realm.

When a beautiful fairy like Chu Yuechan teased herself, of course Ye Chen would be very excited.

Ye Chen wanted to try to do what Chu Yuechan said just now.

"Really." Ye Chen asked Chu Yuechan if the words he just said were real.

"Fufufufu, master do you really want to do that with me?" Chu Yuechan started giggling.

Hearing Chu Yuechan's giggling voice, Ye Chen knew that right now he was being teased by Chu Yuechan, from the beginning this beautiful fairy didn't want to do that, from the start Chu Yuechan only wanted to tease Ye Chen.

"Stop acting like that, I know you just want to tease me." Ye Chen already knew what Chu Yuechan wanted, so he wouldn't be fooled by Chu Yuechan.

"I'm not teasing you, I'm serious" Chu Yuechan said that he is currently serious

"don't expect to trick me in such a way, how could you do something like that with me" Ye Chen said that he would not be fooled by Chu Yuechan's words.

"If it is Master, I don't mind." Chu Yuechan said that she did not mind doing that while together with Ye Chen.

Ye Chen was speechless after hearing Chu Yuechan's extremely gentle voice, could it be that this beautiful fairy really wanted to help himself.

If that was true then Ye Chen shouldn't miss this opportunity, it was rare for Chu Yuechan to offer Ye Chen something like this to himself.

"Are you really serious?" Asked Ye Chen again to Chu Yuechan.

"Fufufufu, of course I'm lying, you're still being deceived by things like that" Chu Yuechan laughed with satisfaction when she managed to deceive Ye Chen.

"-_- " Ye Chen's face is currently not being looked at, just now he was completely deceived by Chu Yuechan's words, it seems that next time he must be careful when dealing with Chu Yuechan's temptation.

After being satisfied with teasing Ye Chen, Chu Yuechan stopped talking, it seemed like she didn't want to talk to Ye Chen anymore.

In the future, Ye Chen will definitely repay Chu Yuechan, when he already has enough strength, surely Ye Chen will make this beautiful fairy moan for a whole month in bed.

After calming himself down for a while, Ye Chen started to take out the poison he previously collected from Feng Luo's bed.

Ye Chen started researching what kind of poison Feng Jinx had put on Feng Luo's bed.

After researching for a while, Ye Chen finally knew what kind of poison this was.

"I see, now I understand a little of what that Feng Jinx wants." Ye Chen now understands what Feng Jinx wants, tomorrow he has a weapon to deal with that person.

Ye Chen decided to sleep with Feng Xue, tomorrow he had to help Feng Xue solve the problems in his family.

.
. .
. .
. .

The day swiftly passed, the next day everyone gathered in the main hall to choose who would be the new head of the Clan Feng.

Almost everyone who held high positions in the Feng Clan was present here, all of them gathered to cast their votes.

every vote of the people was very important in determining who would be the leader of the Clan.

Ye Chen, Feng Xue and Feng Luo came to this room, when Ye Chen, Feng Xue and Feng Luo came, most of the people who were here looked very shocked.

From the news they heard that Feng Luo should have fallen ill, and could not continue to lead the Feng Clan, therefore a new leader should be chosen as quickly as possible to lead this Clan.

After seeing Feng Luo looking so refreshed like this, some people had doubts about the truth of the news they heard.

The first and second great elders were also shocked when they saw that Feng Luo had recovered, the two of them began to wonder what had happened, wasn't that yesterday he was still lying on the bed and unconscious, but why did Feng Luo look so refreshed today.

Feng Luo led Ye Chen and Feng Xue to their seats.

When Ye Chen, Feng Xue and Feng Luo arrived at their seats, they were both greeted by the words of the first elder.

"Feng Luo, so you've recovered, are you here to reclaim the Clan head position?" Asked the first elder to Feng Luo.

"I'm not here to do that, I'm here to recommend Xue to become the head of the Clan." Feng Luo didn't come here to reclaim his position, he is here to recommend Feng Xue as a candidate for the new Clan leader.

"Huh, are you kidding me, indeed being your granddaughter's current age, she is absolutely not suitable for the position of Clan head" The second elder sneered at Feng Luo who wanted to make Feng Xue the new Clan head.

This second elder was the father of Feng Jinx, he was probably meddling in the matter of poisoning Feng Luo.

"You don't need to be such a nag, just mind your own business." Feng Luo told the second elder to shut up.

Feng Luo was already a little fed up with Feng Jinx and this second elder, he was not in a good mood to talk to people like the second elder.

"You old man, just watch my son will definitely become the new leader of this Clan." The second elder looked very confident when he said this.

It seemed that this second elder was very confident that Feng Jinx would become the new head of this Feng Clan.

Feng Jinx had prepared a very mature plan, it was definitely impossible for them to fail to seize power in this Feng Clan.

A while later Feng Jinx and Feng Kunze came into this room, when both of them came everyone looked at them.

Feng Jinx and Feng Kunze were the stars of the gathering this time, so it wasn't strange that they immediately became the center of attention by the people who were here.

Chapter 608 - Recommended Candidate

Currently by Feng Jinx's side was an old man who was already looking very wrinkled, at least this old man was more than 100 years old.

Even though he was very old, the old man by Feng Jinx's side looked so healthy, he could even walk like a normal man.

When Ye Chen saw this old man, he immediately knew that this old man was a cultivator, most likely this old man was a cultivator who was invited by Feng Jinx to help himself in this matter.

While on Feng Kunze's side there was also an old man who looked much nicer, just like the old man who was by Feng Jinx's side, this old man was also a cultivator.

It could be seen that each of the two was currently inviting a cultivator to help gain the position of the head of the Clan.

Both Feng Jinx and Feng Kunze were prepared for the worst, if anything bad happened they would immediately use the cultivators they had invited to help them solve the problem.

Even though they believe in themselves, they both need a strength to help them, therefore cultivators are indispensable in this regard.

When Feng Jinx came to this room, he found that Feng Luo and Feng Xue were in this room, these two people suddenly appeared on this occasion.

Feng Xue looked angry when she saw Feng Jinx who was standing in front of her, she was eager to vent the irritation she had on this person.

"Xue calm down", seeing Feng Xue give a slightly hostile gaze towards Feng Jinx, Ye Chen immediately tried to stop Feng Xue from being reckless and ruining everything.

Previously Feng Luo had explained all the plans that he had to Feng Xue, Feng Luo had gained a lot of votes to make sure Feng Xue could win this battle.

Ye Chen didn't want Feng Luo's plan to fail because Feng Xue was too reckless.

"Ye Chen, you don't have to worry, I won't do something that reckless." Feng Xue told Ye Chen that she wouldn't do something reckless like that.

"Good, act like you don't know anything. I'll help you later if trouble occurs." Ye Chen told Feng Xue to act casually in front of Feng Jinx.

If there was something Ye Chen would immediately help Feng Xue solve everything.

"Fine." Feng Xue nodded to Ye Chen, she wouldn't disappoint Ye Chen.

"Hello, former Clan leader, it looks like you have recovered from your illness." Feng Jinx came to Feng Luo, he congratulated Feng Luo's recovery.

Feng Jinx had to hide the dissatisfaction he had in front of Feng Luo, even though Feng Jinx had already bothered to poison this old fellow, never expecting Feng Luo to be able to recover and appear on the show this time.

In addition, Feng Xue was also currently appearing in front of him, it should be this female star along with Xiao Yunce, why is she even here with Feng Luo.

Feng Jinx did not know what Xiao Yunce was thinking, how could he let Feng Xue go for just one night, was the old man's ability in bed so bad that he was unable to fight against this little girl like Feng Xue.

"Well, I am healed." Feng Luo only answered a few words to Feng Jinx.

Feng Luo was currently trying to act normal in front of Feng Jinx, he acted like he didn't know anything about what Feng Jinx had done to him.

"That's good news. I'm glad to hear that." Feng Jinx smiled wryly at Feng Luo.

After greeting Feng Luo, Feng Jinx took the old man behind him to go to the second elder's side.

On the other side Feng Kunze did not greet Feng Luo and the second elder, it seemed man this was so arrogant, he didn't even want to greet Feng Luo and the second elder .

This man immediately went to the seat at the side of the first elder, Feng Kunze looked very proud of himself, he didn't even glance at Feng Luo and the second elder who was beside.

Feng Luo and the second elder were used to Feng Kunze's arrogant behavior, so they ignored what Feng Kunze was doing.

After everyone has gathered it's time to start this event.

"Everyone welcome, today is a very historic day for the Feng Clan, because today we will choose a new leader to lead us all to great times." The second elder began addressing everyone.

After the second elder made a speech, everyone in this place clapped their hands very loudly.

These people couldn't wait to see who the head would be Clan new.

Seeing the second elder taking the initiative to start the speech, Feng Luo and the first elder let him do it.

"No further ado, let's start the show." The second elder didn't want to waste any more time, he wanted his son to become the leader of this Clan immediately.

"Here I am recommending my son Feng Jinx to be the candidate, whose first elder would you recommend?" The second elder asked who the first elder would recommend.

"I will recommend Feng Kunze." The first elder informed him that he would recommend Feng Kunze.

"Feng Luo, do you have someone you would like to recommend?" The second elder asked if Feng Luo had a suitable person to recommend to be the leader of this Clan.

"I recommend Feng Xue to become the leader of the Clan." Feng Luo said to everyone who was here.

When Feng Luo's words came out, most of the people here were stunned, they didn't believe that Feng Luo would recommend Feng Xue to become a Clan leader.

How old is Feng Xue right now ?, she is at least around 18 ~ 19 years old, most people disagree when they are led by a girl who still smells like that.

The people who were here started whispering to each other, they were discussing what Feng Luo had said.

"Oi, oi, oi, Feng Luo, do you seriously want that little girl for something like this? "Second elder doesn't believe that Feng Luo will really recommend Feng Xue.

This old man seemed to have given up on it to the point of recommending his granddaughter for this matter.

Seeing the refusal of the people around here, Feng Xue started to lower her head.

"Xue, don't show your weakness because of their words, you have to be strong so that they know who you are." Ye Chen told Feng Xue to be more firm and not show her weakness in front of everyone here.

After hearing Ye Chen's words, Feng Xue finally wanted to raise her face, what Ye Chen said was true she shouldn't show her weakness in front of these people, she had to look stern in front of all these people.

"I am very serious, with Xue's contribution to the Clan, she of course can be recommended for me." Feng Luo informed that Feng Xue had contributed a lot to the Clan and Feng Group.

That's why Feng Luo dared to recommend Feng Xue to participate in this election.

Feng Luo's words so easily confused the second elder, the second elder was speechless after hearing this.

It was true that Feng Xue had contributed greatly to the development of both the Clan and the Feng Group in recent years, therefore Feng Luo could indeed recommend Feng Xue to participate in this election.

Chapter 609 - I Do Not Agree With This Result,

After hearing the words from Feng Luo, no one else dared to whisper about Feng Xue anymore.

What Feng Luo said was indeed true, Feng Xue had a huge contribution in the entertainment world that no one in this family had ever achieved.

It's not strange that Feng Luo uses this method, no one can do anything when Feng Luo uses this method.

"It's up to you" because he had lost arguing, the second elder didn't want to argue with Feng Luo any more, if this continued then the second elder would lose even more face.

It was better to let Feng Luo do whatever he wanted, the result would be the same, Feng Jinx would be the next Clan leader.

"Alright, now every candidate should give a speech regarding the vision and mission you have." The second elder ordered Feng Xue, Feng Jinx and Feng Kunze to make a speech.

One by one, Feng Xue, Feng Jinx and Feng Kunze began to convey what they would do after becoming Clan leaders.

Everything was going well. Feng Xue managed to deliver a speech that was very great.

Luckily Feng Luo had prepared a speech for Feng Xue, so Feng Xue only needed to memorize the script that Feng Luo had prepared.

Feng Xue was a star, so memorizing text to speech was not a difficult thing for her.

"Okay, after all of you have seen their speech, please vote by raising your hands when I mention the person." The second elder wanted these people to raise their hands when he mentioned the names of the participants who had just appeared.

Starting with Feng Kunze, he had at least 7 votes.

Feng Jinx, he got a total of 20 votes

Whereas Feng Xue, he only got 3 votes only, Feng Xue got the least number of votes among the three.

Feng Luo felt confused when he saw this, the majority of the personal acquaintances he had were actually supporting Feng Jinx.

Whereas last night, Feng Luo had discussed with the people closest to him to help win Feng Xue to get Clan leader, but now everyone suddenly turned around and betrayed him.

"Grandfather, why did the people who previously supported you suddenly turn around and betrayed you." Feng Xue immediately asked her grandfather.

"I also don't know why they suddenly switched sides like this." Feng Luo didn't know why people close to him supported the evil Feng Jinx .

Feng Luo glared at the people who were close to himself, Feng Luo looked disappointed with these people.

"Feng Luo, I see that there are only a few people who are willing to choose your granddaughter, hahaha." The second elder seemed pleased to find that there were only a few people who were willing to choose Feng Luo.

Hearing the words of the second elder, Feng Luo gritted his teeth slightly, all the plans he had prepared all night suddenly failed like this, this made Feng Luo a little annoyed.

If this result was valid, then Feng Jinx would win and become the current Clan leader.

The current Feng Jinx looked very happy, he managed to make many people choose him.

"I am indeed a smart person, I can make all these people choose me, hahaha" Feng Jinx laughed with satisfaction in his heart, he even started to praise the intelligence he had.

"If no one has any objections to this, then Feng Jinx will be the new leader of this Clan." The second elder immediately declared Feng Jinx's victory.

"Wait a minute, I do not agree with this result, I think there is a fraud going on." Ye Chen, who had been silent all this time, immediately voiced a voice.

Ye Chen thought that this result was rigged from the start.

"Hey kid, who are you? , and do you want to speak like that?" The second elder asked Ye Chen.

The second elder felt displeased with what Ye Chen just said, he felt Ye Chen was offending him.

"I haven't introduced myself, my name is Ye Chen , I am the one who was invited by Feng Xue in this matter. " Ye Chen began to introduce himself to everyone who was here.

"So you are the one who was invited by Feng Xue, how presumptuous you are meddling in this matter" when the second elder found out that Ye Chen was only a person who was invited by Feng Xue, he immediately sneered at Ye Chen who wanted to interfere in the matters of the Feng Clan

"I was presumptuous about meddling in your business, but when I saw the cheating that was happening, of course I wouldn't just stay quiet." Ye Chen might be a little presumptuous here, but seeing the current cheating, Ye Chen can no longer just stand by and see. .

The already desperate Feng Luo started to look at Ye Chen, he wanted to know what this young man was going to do.

"Xue, what does Ye Chen want to do." Feng Luo whispered to Feng Xue, he asked what Ye Chen was going to do.

"Grandfather, I also don't know what Ye Chen will do, but I think Ye Chen will do something to change things." Feng Xue herself also didn't know what Ye Chen wanted to do.

Even though Feng Xue didn't know what Ye Chen wanted, she believed that Ye Chen had a way of dealing with Feng Jinx and the second elder.

"You always talk about cheating and cheating, what cheating do you mean? ",The second elder asked what cheating Ye Chen meant.

"Why do you even ask me, your son should know what I mean right now" Ye Chen pointed at Feng Jinx who is beside the second elder .

"What do you mean by that? " Feng Jinx immediately got up from his chair when pointed at by Ye Chen.

Feng Jinx started to question what Ye Chen meant, Feng Jinx felt a little annoyed with this man, why did Feng Xue invite Ye Chen here.

Feng Jinx bit out capability that is owned by Chen Ye, Feng Ye Chen Jinx seen beating Xiao Yan with the utmost ease.

If Ye Chen dared to cause trouble in this place, then Feng Jinx would ask the great master next to him to help him pack Ye Chen.

"Are you still acting stupid or pretending to be stupid, why don't you just admit all the sins you have committed "said Ye Chen to Feng Jinx.

"Damn, what are you talking about, don't be so convoluted like that." The second elder began to lose his temper, this young man was very brave enough to slander his son's victory.

"Well if you want the truth, I will show you the truth." Since Feng Jinx still doesn't want to confess all the sins he has committed, Ye Chen will reveal everything in front of everyone who is here.

"Actually, half of the people present here have extremely dangerous poison in their bodies." Ye Chen started to say that half of the people here had deadly poison in their bodies.

Hear what Ye Chen said , some of the people who were here looked at each other, they wanted to know who the person referring by Ye Chen, who has have a very dangerous poison in his body.

Chapter 610 - Exposing Feng Jinx's Crimes

"If you are curious, I will appoint the person." Ye Chen started pointing at one by one the people who were currently poisoned.

Ye Chen started pointing at the people who were exposed to this quite dangerous poison, the people pointed at Ye Chen was quite surprised when they found out that Ye Chen Was could tell that they were currently poisoned.

The people who were exposed to the poison started to look towards Ye Chen, they started to wonder how Ye Chen knew about this.

"How do you know if they were poisoned? "The first elder immediately asked how Ye Chen knew that these people were poisoned.

"It's very easy for me who is a medical expert , only from the breath they exhale I can tell that people are poisoned." From the start Ye Chen already knew that people were poisoned by Feng Jinx.

Ye Chen could tell that the poison in these people's bodies was similar to the poison in Feng Luo's room.

The average person who was poisoned was someone close to Feng Luo, so it meant that these people had visited the room where Feng Luo was being treated.

It seemed that Feng Jinx had already planned this, he had purposely put poison around Feng Luo's bed for this purpose, from the start he wanted to threaten the people close to Feng Luo into betraying Feng Luo.

"What are you saying, at your current age how could you be a medical expert, you must be joking." Feng Jinx started to look trembling when Ye Chen wanted to expose what he had done.

Even though Feng Jinx firmly believed that the poison he bought had no smell and was impossible for anyone to find.

even the person who sold this poison to Feng Jinx told me that this poison was very effective, if someone was not given the antidote within 3x24 hours it would make the affected person become permanently paralyzed or worse was death.

"Are you doubting me? , you can ask Mr. Feng Luo who is the person who cured him. " Ye Chen gave a signal for Feng Luo to cooperate with him.

Feng Luo immediately understood what Ye Chen wanted, Ye Chen wanted him to work together to expose all the rottenness that Feng Jinx was doing.

"That's right, Ye Chen is the one who healed me, I believe what he said is the truth. " Feng Luo confirmed what happened.

Feng Luo told everyone who was here that Ye Chen is a person who has saved himself.

After hearing this from Feng Luo, the people here began to believe that Ye Chen was a medical expert, he was even able to make Feng Xue recover in just one night, it meant that the abilities he possessed were truly extraordinary.

"After hearing that, are you still doubting me? Ye Chen asked Feng Jinx.

Feng Jinx felt even more depressed, Feng Jinx did not think that Ye Chen was someone who was quite proficient in medical matters.

No wonder Feng Luo could recover from the poison he gave, it turned out that Ye Chen was the one who had treated Feng Luo.

Ye Chen looked at Feng Jinx, from what he saw Feng Jinx was getting a little depressed, this was the right time for Ye Chen to reveal everything in front of these people.

Ye Chen left where he was standing, he went towards the one who was currently suffering from poison in his body.

"Everyone, this time I will reveal who the person who has given poison to these people" Ye Chen told everyone who was here, that he would reveal the mastermind behind all this.

"Tell me, who is the person who has threatened you, I believe that you are currently being threatened with this poison." Ye Chen asked the man in front of him about who was the person who had threatened him.

The person in front of Ye Chen was a little nervous, he was afraid to speak, this man glanced at Feng Jinx with a little fear.

When this man looked at Feng Jinx, he found that Feng Jinx was glaring at him very hard, Feng Jinx seemed to be telling him that he would not give up the antidote if this person dared to talk about him.

The man in front of Ye Chen was afraid to speak, he preferred to remain silent and not tell Ye Chen what really happened.

After all his life and death were in Feng Jinx's hands, if he said who was the one who threatened him with poison, then he would definitely be finished.

Ye Chen could see that the person in front of him was afraid to speak.

"You don't need to worry, if you tell the truth I will give you an antidote to remove the poison that is in your body." Ye Chen promised to provide an antidote for poison if this person would speak up.

Again, the person in front of Ye Chen still didn't want to talk, he still didn't believe Ye Chen.

"I don't know, nobody threatens me." This man insisted not to speak, preferring to keep quiet to find safety.

"Too bad, it seems you don't want to get rid of that poison in your body, I should just find someone else who is willing to cooperate." Seeing that the person in front of him doesn't want to cooperate with him.

Ye Chen decided to find someone else who was willing to work with him.

Ye Chen tried to get closer to the second person who had poison in his body, just like before, Ye Chen asked the same thing, he wanted this person to say the person who had threatened him with poison.

Unfortunately this person was the same as the previous person, he refused to tell the person who had threatened him.

It seems quite difficult to get these people to talk, they look afraid of Feng Jinx, if they dare to speak, then they probably won't get the antidote from Feng Jinx.

Feng Jinx looks happy when he sees these people afraid of him, after all, the antidote is in his hands, if they dare to expose the evil he has, then Feng Jinx will not give these people the antidote he has.

"Hey kid, what are you doing for nothing, they don't know anything about this matter, are you sure that these people were poisoned?" Feng Jinx finally had a weapon against Ye Chen.

Feng Jinx started to slander Ye Chen as the one who lied in this place.

Everyone here is not willing to confess, as long as people are unwilling to admit what happened, Feng Jinx will remain safe.

Ye Chen only smiled when he heard what Feng said Jinx, he wasn't angry when he heard what Feng said Jinx.

Ye Chen looked at the people in front of him, it seemed that these people did not want to say the ugliness that Feng Jinx had.

Since ordinary means were useless to get these people to talk, it seemed like Ye Chen was forced to use a little force to get these people to speak.

Feng Xue and Feng Luo started to worry seeing Ye Chen fail to expose Feng Jinx's rottenness, it seemed that these people were more difficult to deal with than Feng Xue and Feng Luo thought.

Feng Luo and Feng Xue were eager to help Ye Chen with this matter, unfortunately the two of them didn't know what to do to help Ye Chen.
