

Chapter 61 - Become A Public Enemy

Seeing what happened to Sen Tu Ye Chen Terseyum with great satisfaction.

Actually Ye Chen wanted to see Sen Tu's face when he woke up from the influence of the illusion spell, unfortunately Sen Tu had been taken away by the teacher, so Ye Chen would not be able to see Sen Tu's reaction when he woke up.

Zhao Yanyan could already guess who the person who did this to Sen Tu.

"Ye Chen, you are so naughty," Zhao Yanyan Terseyum was naughty to Ye Chen.

Ye Chen: "let it go, who told him to look for a problem with me, you know today he sent 100 people to kill me".

Zhao Yanyan didn't expect that Sen Tu would actually want to kill Ye Chen, "It seems like Sen Tu is looking for trouble with the wrong person, now he feels his revenge." Zhao Yanyan supports Ye Chen.

"Now Sen Tu will definitely not dare to reveal his face in public" Ye Chen Terseyum witnessed the misfortune that happened to Sen Tu.

This world is a cruel place if Ye Chen doesn't have the strength maybe now Ye Chen is a person who will lie in the hospital, if Ye Chen doesn't act cruel enough then Sen Tu will definitely continue to look for trouble With Ye Chen, Ye Chen is already kind hearted not make Sen Tu disabled / stupid.

The food that Ye Chen and Zhao Yanyan ordered finally arrived, both of them immediately ate the food they ordered.

"Oh who is this ?? aren't you Ye Chen's girlfriend, it seems like you've left Ye Chen and found a new handsome man, I know you can't stand poor men like Ye Chen. "

a woman's voice disturbed Ye Chen and Zhao Yanyan who were eating, this voice Ye Chen was very familiar with, of course this was Yu Ting and Hu Ji's affair, These two people always bothered Ye Chen.

Zhao Yanyan: "Do you not see that me and Ye Chen are still together, I think you should check your observation to the doctor, maybe you have nearsightedness" Zhao Yanyan is not too fond of Ye Chen's ex-girlfriend.

According to Zhao Yanyan, Yu Ting always insulted Ye Chen which made She unhappy with this, especially the man beside Yu Ting, besides wealth there was nothing good about this person.

When Yu Ting was heading to the canteen, Yu Ting saw a female figure

the beauty he met a few days ago, this beautiful woman was a woman who claimed to be Ye Chen's girlfriend.

But seeing that Zhao Yanyan was together with a man who was not Ye Chen, Yu Ting immediately approached him and wanted to tease him, but Yu Ting had no idea that Zhao Yanyan was even insulting himself.

Yu Ting: "Who do you call Nearsightedness, you still want to dodge it, you eat with a handsome man next to you and even look very intimate with him".

Yu Ting did not know that the person next to Zhao Yanyan was Ye Chen, because now Ye Chen was not wearing a leather mask and was using his current real face.

Yu Ting had to admit that Zhao Yanyan's tastes were very good, she could get a handsome man like this, which even Yu Ting was a little interested in.

Zhao Yanyan: "That is why I say that you are nearsighted, do you not see that he is Ye Chen" Zhao Yanyan said that the handsome man in sebalhany was Ye Chen.

"Ah !! how could he be Ye Chen? Yu Ting could hardly believe that the handsome man beside Zhao Yanyan was Ye Chen, how could Ye Chen turn into this handsome in just a few days.

Because of the screams made by Yu Ting, many students at the school looked at Yu Ting and Ye Chen.

Some female students who were gossiping while eating also looked at Ye Chen.

"Hey Who is that handsome man I have never seen in this school".

"Maybe he is a transfer student, but you're right he is very handsome".

"Ah, he is from my class, he is very handsome, but unfortunately he is very close to Zhao Yanyan, so I do not dare to approach him" in this school Who does not know Zhao Yanyan, even though the women in this school are known to be pretty pretty but it's still far if compared to Zhao Yanyan.

Many women started talking about Ye Chen, Yu Ting did not like Ye Chen who became more popular than him, so Yu Ting made a way to publicly put Ye Chen in public.

Yu Ting "Ye Chen you must do surgery on your face right, if not how it is possible in just a few days you can turn into like this" Yu Ting suspected that Ye Chen had surgery on his face.

"How could I have the money to do that, your imagination is too high?" Ye Chen denied what Yu Ting said.

Yu Ting could not believe what Ye Chen said, "You must have made your girlfriend pay for all your surgery costs, that must have happened," this time Yu Ting suspected that the person who was supporting Ye Chen was Zhao Yanyan, Yu Ting only remembered that Zhao Yanyan was a rich girl, for Zhao Yanyan to pay for Ye Chen's facial surgery it must be very easy to do.

Ye Chen did not want to bother explaining everything to Yu Ting anyway, she was also who Ye Chen was right now, so what did Ye Chen explain to him?

Ye Chen didn't want to stay any longer here, Ye Chen could feel the gazes of the women who roamed him, on one side many men were staring at Ye Chen with a killing look for stealing their goddess Zhao Yanyan.

"Yanyan, let's go from this place," Ye Chen invited Zhao Yanyan to leave the canteen.

Zhao Yanyan hadn't finished eating all of his food, because Ye Chen wanted to leave here. Zhao Yanyan had to follow him.

Ye Chen immediately paid for all the food they ordered and left this place.

"Hey Ye Chen where are you going, are you afraid to admit that you did surgery on your face, hahaha, I know that you don't dare to admit it, being the white face of your girlfriend, are you not ashamed" Yu Ting said that in a voice Loud enough so everyone can hear it.

Ye Chen didn't care too much about what Yu Ting had just said, for Ye Chen Yuting like a dog to open its collar, it would be a waste of time dealing with Yu Ting.

Maybe Ye Chen didn't care too much about what Yu Ting had just said, but not to Zhao Yanyan, Zhao Yanyan was patient enough with the attitude that Yu Ting showed, but Yu Ting kept going and insulting Ye Chen which made Zhao Yanyan very annoyed.

Not only Zhao Yanyan was angry, but some women who liked Ye Chen at first glance were also angry with Yu Ting's words, They looked at Yu Ting with a look of hostility.

"Before you insult others you should look at yourself, aren't you just a prostitute raised by the man beside you" Zhao Yanyan immediately said.

Hu Ji, who at the beginning looked quite proud, now his face blackened, what Zhao Yanyan had just said was like someone throwing shit at him.

Yu Ting was not too happy about what Zhao Yanyan said: "Who do you call a prostitute huh? If that's what you deserve to be a prostitute with your pretty face". Yu Ting said quite loudly, many men in the school cafeteria looked at Yu Ting with a look of hostility.

Just now someone dared to call the goddess in their hearts as prostitutes, secret admirers of Zhao Yanyan were very angry with Yu Ting, they looked at Yu Ting with a very hostile look.

Hu Ji could feel the angry gaze from the crowd in the School canteen. If Hu Ji continued to be here he was afraid that he would be targeted by these people, so Hu Ji immediately dragged Yu Ting away from this place.

"Husband. Why did you drag me away, I'm not done talking to him yet" Yu Ting complained to Hu Ji.

Hu Ji did not say anything and continued to drag Yu Ting away from the school canteen.

Seeing Hu Ji's fear Ye Chen and Zhao Yanyan looked at each other and smiled.

Chapter 62 - Was Almost Discovered By Lin Rouxi

Ye Chen and Zhao Yanyan left the school canteen, both of them did not immediately return to class, Ye Chen invited Zhao Yanyan to go to the park behind the school.

Ye Chen wanted to spend more time alone with Zhao Yanyan.

Ye Chen saw that Zhao Yanyan was a little sullen so Ye Chen asked "Yanyan what's up? "

"That I am still a little upset with the girl whose name is Yu Ting, She is always insulting you, but husband Why do you not want to Fight" Zhao Yanyan Asked why Ye Chen remained silent even though insulted like that.

Ye Chen: "Wife why are you bothering bothering those two people, from the start they just wanted to brag about themselves, and the reason Yu Ting was always looking for trouble with me was because she didn't accept me getting a girl who was better and more beautiful than him".

"Is it true?" Zhao Yanyan was very pleased to hear Ye Chen praise her.

"How could I lie to my beautiful wife, Yanyan is the most beautiful girl in the whole world" Ye Chen hugged Zhao Yanyan in his arms.

Zhao Yanyan felt very happy in his heart to hear the man he loved praising him.

Ye Chen was very grateful to Yu Ting, because now Ye Chen could embrace Beauty like Zhao Yanyan in his arms.

The two of them looked at each other and the two lips approached each other, Ye Chen and Zhao Yanyan Kissing, Ye Chen started to Insert his tongue into Zhao Yanyan's soul, Zhao Yanyan moaned and began to greet Ye Chen's tongue, both kissing for a long time.

Ye Chen began to be dissatisfied, Ye Chen's hands wandered around the top of the chest Selecting Zhao Yanyan, Ye Chen began to squeeze and pinch the two pink Cherry belonging to Zhao Yanyan.

"Ah! ! ! husband don't "Zhao Yanyan tried to protest, but Ye Chen immediately Kissed Zhao Yanyan again.

Ye Chen started playing the peak of Zhao Yanyan which was developing, with stimulation like this, Zhao Yanyan's brain became empty and Zhao Yanyan could only accept what Ye Chen would do to his body.

Ye Chen Stop kissing Zhao Yanyan and whisper in Zhao Yanyan's ear "Your body's wife is very fragrant" Ye Chen then bit Zhao Yanyan's ear.

"Ahhhh! ! ! "Ye Chen's stimulation was extraordinary, Zhao Yanyan no longer had the strength to rebel anymore and could only continue to accept this endless pleasure.

Ye Chen used all the skills he had learned from the king's heart book, therefore Zhao Yanyan had tremendous pleasure.

Ye Chen's hands began to fall between Zhao Yanyan's smooth thighs, Seeing Ye Chen's hands began to descend into the Forbidden area Zhao Yanyan tried to stop him.

"Don't Someone's Husband might come here" Zhao Yanyan was afraid that others would see what He and Ye Chen were doing.

"Just calm down as long as someone approaches I can definitely detect it" Ye Chen then moved Zhao Yanyan's blocking hand and started playing with Zhao Yanyan's lower lip.

As Ye Chen played with the restricted area belonging to Zhao Yayan, Zhao Yanyan felt more and more pleasure.

Zhao Yanyan then kissed Ye Chen again, the two continued to have fun. Zhao Yanyan could feel the majesty of Ye Chen's sister in his buttocks.

"My wife wants," Ye Chen said in Zhao Yanyan's ear.

Zhao Yanyan knew what Ye Chen wanted from him, but right now they were in the open, Zhao Yanyan was very ashamed.

Zhao Yanyan: "No husband now, I can promise you tonight, okay? "

"But my wife is very uncomfortable. Are you going to leave me like this?" Ye Chen complained that his little brother who had raised his spear was ready to fight.

Zhao Yanyan saw that Ye Chen's groin was swollen, Zhao Yanyan had read in the book that this kind of thing was very uncomfortable for men.

"Husband, what if I help you with my hands?" Zhao Yanyan shyly said.

Ye Chen agreed with what was suggested by Zhao Yanyan, Ye Chen brought Zhao Yanyan to a bench that sat the most corner that can not be seen by others.

Zhao Yanyan Kneeling between Ye Chen's legs, Zhao Yanyan could see a sizable bulge between Ye Chen's feet, Zhao Yanyan's hand awkwardly began to unzip Ye Chen.

When Ye Chen's Big Meat Stick came out of his pants, Zhao Yanyan was very surprised to see this huge and sturdy object, Zhao Yanyan could not believe something this large could enter his body yesterday.

Zhao Yanyan's hand began to touch Ye Chen's younger brother, Zhao Yanyan could feel that the meat stick was very hot in his hand, because one hand was not enough to hold it Zhao Yanyan used both hands.

Zhao Yanyan's breathing had gone down and his face was very red, Zhao Yanyan began to move his hands up and down slowly.

Ye Chen felt Zhao Yanyan's hand was very soft and it felt very pleasant when Zhao Yanyan moved it up and down.

Zhao Yanyan who saw Ye Chen's enjoyment's face accelerated up and down.

After 15 minutes Zhao Yanyan helped Ye Chen still not come out, Zhao Yanyan's hand was already feeling very tired at this time "Ye Chen you have not come out, my hands are tired enough" Zhao Yanyan Megeluh To Ye Chen.

"The wife will be okay soon" Ye Chen asked Zhao Yanyan to continue.

Zhao Yanyan continued to help Ye Chen with his hands.

"Ye Chen" suddenly called a voice from behind YE Chen .

Surprised Ye Chen brought out all of the White Magma on Zhao Yanyan's face,

"Ah! ! ! Zhao Yanyan shouted because he wasn't ready for it, and his entire face was covered by Ye Chen's white liquid.

Ye Chen was very familiar with this voice, Ye Chen looked back and saw that Lin Rouxi had already stood a few feet from Ye Chen.

Fortunately behind Ye Chen's bench sitting at this time, there was a bush that was quite tall, only Ye Chen's head could be seen by Lin Rouxi.

Lin Rouxi Couldn't See Zhao Yanyan who was kneeling in front of Ye Chen and holding Ye Chen's little brother, what more was Zhao Yanyan's face now covered in thick white liquid.

If Lin Rouxi saw this surely she would be very surprised, and did not know what face would be made by Lin Rouxi.

"Teacher Lin what are you doing here" Ye Chen immediately greeted Lin Rouxi so as not to be suspicious of what Ye Chen was doing.

"It's not me who should be asking like that" Lin Rouxi then walked towards Ye Chen.

Even though the Sound made by Zhao Yanyan was quite small, Lin Rouxi could hear it, which was why Lin Rouxi was very curious and approached towards Ye Chen.

Seeing Lin Rouxi approaching Ye Chen's heart and also Zhao Yanyan was racing fast, if this was discovered by Lin Rouxi it would be a problem.

Ye Chen began to think of knocking Lin Rouxi unconscious so he would not see this.

"Ding ... ding ... ding ... ding" the sound of the bell sounded.

Lin Rouxi stopped his footsteps towards Ye Chen "Ye Chen hurry back to class the lesson will start immediately" after saying that Lin Rouxi turned around and returned to the school building.

Ye Chen was relieved to see Lin Rouxi leave here. "Ahhhh! ! ! " Ye Chen shouted in pain because Zhao Yanyan gripped his younger brother very strongly.

Ye Chen could see Zhao Yanyan's angry face, According to Ye Chen Zhao Yanyan's angry face was quite funny.

"Obscene Ye Chen, die Ye Chen, you said you could detect anyone who was coming here, then why did Rouxi's sister almost caught us".

Ye Chen "Wife is not angry, I'm trapped by the pleasure given by your hands to forget and lower my guard".

"Who is your wife? Huh, next time you will not help you anymore" after saying that Zhao Yanyan wiped her face with her handkerchief and walked back to class.

Ye Chen knew Zhao Yanyan was angry, so Ye Chen followed Zhao Yanyan and continued to persuade him not to be angry.

Chapter 63 - Zhao Jinshan

The school bell sign finally arrived, "Yanyan what will you do after this?" Ye Chen asked.

Zhao Yanyan "Looks like I will practice with Yuechan's sister, you know after I learned the Technique Technique of Melody of the Goddess, now my ability to play a musical instrument has improved a lot".

Zhao Yanyan was very pleased with the name of the instrument, that's why Zhao Yanyan was quite excited when practicing Technique Melody of the goddess

"Yanyan I have a gift for you" Ye Chen then took out a Pill bottle, inside this bottle there are four Pills named Soul Absorption which can increase the speed of absorbing Yuanqi.

"My husband doesn't need that pill. You can use it for yourself, I haven't even used the marrow washing pills you gave me yesterday." Zhao Yanyan refused because Zhao Yanyan thought that the Pill was more useful for Ye Chen.

"To be honest, this pill is not very useful for me since my cultivation level is already quite high, but it must be very useful for you," Ye Chen forced Zhao Yanyan to accept the pill.

Zhao Yanyan was very touched and accepted the pill and put it in his bag.

Ye Chen "oh yeah Yanyan I still have one more gift for you, give me your hand".

Zhao Yanyan obediently reached out his hand, Ye Chen then took out a ring and put it on Zhao Yanyan's middle finger.

Ye Chen saw that Zhao Yanyan still did not yet have a Storage Ring, because Ye Chen already had an Unlimited Fairy Gate Storage, so Ye Chen decided to give the old Storage Ring to Zhao Yanyan.

Seeing Ye Chen give him a heart ring Zhao Yanyan Flowering flower "what is this husband An application ring" Zhao Yanyan Thinks that This is a sign of their Love Ring.

Ye Chen smiled when he heard, "Yanyan is a Storage Ring, you can put all the items you have in it" Ye Chen explained to Zhao Yanyan about the function of the Storage Ring.

Zhao Yanyan never knew what a Storage Ring was, certainly this must have been something quite valuable and expensive.

Ye Chen then instructed how to use the storage ring to Zhao Yanyan.

Luckily the Storage Ring system wasn't too difficult and Zhao Yanyan was able to use it quickly.

"This husband is quite great, now I can keep all my clothes in this thing" Zhao Yanyan was quite happy to get a Storage Ring Prize.

Ye Chen almost fell from his chair after hearing that the Storage Ring he gave wanted to be used for Zhao Yanyan's wardrobe.

The storage ring normally used for storing twilight, pills, medicinal materials, and technical books, and Zhao Yanyan only thought of using it as a storage place for all her clothes.

Well, because Ye Chen had given it to Zhao Yanyan, whatever Zhao Yanyan wanted to use.

"Ye Chen is a beautiful adult woman looking for you in front of the school gate" a male classmate came to Ye Chen, and said that there was a beautiful woman who was looking for him.

"Who is she?" Ye Chen asked his classmate.

"I don't know, but she wears an OL outfit and drives a very luxurious Sport car."

Ye Chen: "Alright I'll be there soon"

"Husband It looks like I will soon get 1 additional sister" Zhao Yanyan giggled.

"Yanyan He is just an ordinary friend, you are too hopeful" Ye Chen immediately explained to Zhao Yanyan.

"Hemm ordinary friend ??" Zhao Yanyan could not believe that woman's relationship with Ye Chen was only an ordinary friend

what are you waiting for let's meet she "Zhao Ya Encourage Ye Chen to immediately meet the woman.

Zhao Yanyan was also actually a little curious who this woman was.

Arriving at the gate of Ye Chen School saw the woman who was wearing a beautiful OL uniform turned out to be Liu Yue.

Liu Yue Dressed Very hot today, the eyes of the male students looked towards Liu Yue standing up.

"Liu Yue, what are you doing here?" Ye Chen immediately approached and asked.

Liu Yue: "Of course I want to pick you up, I am afraid you will not come" Liu Yue Terseyum towards Ye Chen.

Seeing that this Beautiful Adult woman was close to Ye Chen, some men had the look of Ye Chen's collar hostility.

"Hey, you already have the interest of the school and you still dare to associate other women outside" the men didn't say it but only spoke in their hearts.

"When you pick me up I will definitely come there, Oh Yes, introduce this Zhao Yanyan my girlfriend" Ye Chen then introduced Zhao Yanyan to Liu Yue.

Ye Chen felt a piercing gaze from behind

Liu Yue immediately looked at Zhao Yanyan, Liu Yue could see that Zhao Yanyan was also very beautiful, Liu Yue had to admit that Zhao Yanyan looked prettier than her.

When Liu Yue heard that Ye Chen had a girlfriend, Liu Yue felt a little lost in her heart.

"Hello, I'm Liu Yue, happy to be with you" Liu Yue was the first to hold out her hand.

Zhao Yanyan also reached out and shook hands with Liu Yue "Hello sister Liu, my name is Zhao Yanyan Nice to meet you".

Both of them smiled at each other and no one wanted to let go of each other's hands.

Ye Chen saw the ambiguous situation of these two women, Ye Chen immediately said to melt away "Liu Yue what if we immediately go to the meeting place".

"Oh, you're right, let's go to the company, Yanyan, sister. I'll borrow your girlfriend for today." Liu Yue wanted to tease Zhao Yanyan.

after saying that Liu Yue got into the car and took the driver's seat.

"Okay yanyan I'll go wait for me tonight" after saying goodbye, Ye Chen then went into the car.

Hearing this, Zhao Yanyan's face immediately turned red.

Zhao Yanyan waved his hand the collar of the departure of Liu Yue's car, when the car disappeared from the sight, Zhao Yanyan decided to return to the women's dormitory.

In Liu Yue's car

Liu Yue "Ye Chen, I didn't expect you to have a pretty woman as your girlfriend", in fact Liu Yue was quite jealous of Zhao Yanyan.

Ye Chen: "Yes, I am very lucky to have a woman like Zhao Yanyan, but you are also a beautiful woman, surely a man who has you in the future will be very lucky."

Hearing the words Ye Chen had just said, Liu Yue's heart was slightly happy, Liu Yue's face turned red like an apple.

"How do you plan? Everything has been very well prepared," Ye Chen asked

Liu Yue immediately recovered her "yes I have prepared everything well for sure we will definitely make Bai Sheng show his real face".

After a few minutes Ye Chen and Liu Yue finally arrived at the headquarters of the Liu company, some luxury cars were neatly parked, it seemed like this belonged to the shareholders

The total share owned by Liu Yue's grandmother in the company is 45%, and the other 40% is held by 30 people who have authority in the company, the rest is owned by outsiders.

"Ye Chen first, let's go see my grandmother first" Liu Yue took Ye Chen to where his grandmother was.

Liu Yue took Ye Chen up to the top floor, this was a private room, in this room besides Rui there were two other people, one of whom was the Luo Bing woman police who picked up Ye Chen yesterday and an elderly grandfather whose age was around 60 ~ 65 Year.

Luo Bing was not wearing a police uniform, but was wearing an OL uniform, Luo Bing's hair was rolled up showing off a neck that looked very sexy.

Liu Yue had collaborated with the police department and it seemed that Luo Bing was assigned to disguise as secretary Liu.

Ye Chen suddenly felt a gaze piercing towards him, the origin came from Luo Bing's gaze, it seemed that Luo Bing was angry because of the Overnight Event.

Liu Yue: "Grandma" Liu Yue walked closer to her grandmother.

"Yueer you have returned, Ye Chen you have also come Yes" Liu Yue's grandmother welcomed the arrival of Liu Yue and Ye Chen.

Liu Yue Get to know this grandfather who is an old friend of his grandmother so Liu Yue greets as a young generation.

Liu Yue: "greeting snicker Zhao" Liu Yue greets grandfather who sat facing Situ Rui.

"Oh Ye Ye Chen Introduces This Is General Zhao Jinshan He is my old friend, and he also has a 4% stake in our company" Situ Rui Introduces Zhao Jinshan.

Ye Chen "greetings General Zhao nice to meet you"

Zhao Jinshan "don't listen to Situ Rui, young man, I've retired a long time ago from the military and am not a general anymore, you can call me Grandfather Zhao".

"Knock! Knock! Knock!" Someone knocked on the Door from the Outside.

"Come in." Liu Yue gave permission to someone outside

"Ceo Liu the shareholders have come and now just waiting for you" a woman entered the room, this woman also wore an office uniform with a very beautiful face, and a body that developed very well, this woman's style was like the ideal older sister of the Male.

"Ling told them I will be there soon" Liu Yue said that she came to the meeting place.

"I'll deliver your message" before this woman left, she winked at Ye Chen.

"Everyone, let's go there" Liu Yue invited everyone to go to the meeting place.

Chapter 64 - Not According To Plan

Liu Yue Invited everyone to the meeting room, Ye Chen pushed Situ Rui's wheelchair, Luo Bing was currently following behind Liu Yue.

When Ye Chen entered into the room, Ye Chen saw that there were a total of 32 people who were already in this room, among them Ye Chen Kenal namely Bai Sheng, behind Bai Sheng there was also Bai San, and Du Yao, they stood and looked like bodyguards .

Ye Chen did not know why Bai San and Du Yao were following this meeting, didn't they not have a Special Position within Liu Yue's company.

Everyone's focus is of course Liu Yue and Luo Bing, these two beauties are really a perfect combination, the beauty of both can spoil the eyes of the men who see it.

After Situ Rui entered everyone immediately stood up "greeting the director of Situ" everyone immediately saluted Situ Rui.

Situ Rui Terseyum and told everyone to sit back, actually Situ Rui was very disgusted with the people in Bai Sheng's camp, after learning that people were actually loan sharks in his company.

Everyone immediately occupied their seats and only Ye Chen and Luo Bing did not sit.

Luo Bing was behind Liu Yue and Ye Chen was behind Situ Rui.

Situ Rui: "Alright, I'll just get to the point, the reason I called you here is because I have something to say, you know that my health has deteriorated lately, so I decided to give all my shares to Liu Yue, and from now on I will resign from the position of director".

Shareholders have guessed that this will happen sooner or later.

"Luo Bing brought the documents" Situ Rui told the Luo Bing police to bring the transfer documents.

Luo Bing immediately handed over a document to Situ Rui, after that Liu Yue and Situ Rui both signed the document.

With this right, Situ Rui's share rights officially belong to Liu Yue, Liu Yue is now not only a CEO but also a director of this company.

"How about we celebrate this good thing by cheating" Bai Sheng Yang first raised his tea cup and invited everyone to toast.

Actually Bai Sheng had told Du Yao to put Mind Control poison into Situ Rui's and Liu Yue's tea, as well as the shareholders who were not in his camp.

Bai Sheng knew that Situ Rui would attend this meeting, so Bai Sheng decided to speed up his plans.

Ye Chen had felt something was wrong with this tea from the moment he entered, Ye Chen estimated that this tea had been poisoned by Du Yao.

"Grandmother Situ and Miss Liu Yue how do I make a special tea for you" Ye Chen immediately positioned himself as a servant of Liu Yue and Situ Rui, Ye Chen also gave a signal to Liu Yue with a blink of an eye, to participate in his plan.

Liu Yue was a smart woman, Liu Yue suspected that something was wrong with this tea, so Liu Yue began to work with Ye Chen "Yes, please make a delicious tea as usual"

Hearing this, Bai Sheng's face turned black, Bai Sheng did not expect that this boy from nowhere had interfered with the Perfect Plan he had made.

"CEO Liu, director of Situ This tea has the best taste in the whole world, besides the price is very expensive, I'm afraid in this world there is no more tea that can match this .

Liu Yue: "Sorry uncle Bai. But, I prefer to drink tea made by Ye Chen".

"But CEO Liu wouldn't waste money if nobody drank this tea" Bai Sheng went on and on insisting that Liu Yue and Situ Rui drink this tea.

The shareholders also don't dare to drink their tea because Liu Yue and Situ Rui haven't wanted to drink it.

"What if this tea is given to the two people behind Mr. Bai, it is not good to let them stand alone and not give them a drink" Ye Chen immediately brought the tea to Bai San and Du Yao.

Luo Bing is currently confused with Ye Chen's true status, Luo Bing thinks Ye Chen is Liu Yue's friend, but now Ye Chen is acting as Liu Yue's waiter. It's likely Liu Yue lent his car to Ye Chen.

Luo Bing's mind was very chaotic because of thinking about this "wait why am I bothering thinking about this bad boy Humm, whatever it is, it's none of my business" Luo Bing discarded such thoughts, and returned to his true self.

"This friend is tea for you" Ye Chen first handed the cup to Bai San, Bai San was hesitant to accept the cup from Ye Chen, because Bai San knew that in this tea had been poisoned by Du Yao.

Bai San Can Only Stare at his father, Bai Sheng replied with a nod, saw his father nod Bai San gritted his teeth and took the tea from Ye Chen's hands.

"Now this one friend is also for you" this time Ye Chen handed over tea to the person who had given poison to this tea.

Du Yao did not receive that tea but Terseyum told Ye Chen "Boy do you know I hate the most people who disturb my business"

"What friend did you say I don't understand?" Ye Chen pretended to be stupid and didn't know anything.

"Don't pretend to be a fool in front of me" After saying that Du Yao took out a needle from behind his shirt and stabbed right in Ye Chen's chest.

after being stabbed by the Needle right in his chest Ye Chen fell to the floor, and was unconscious.

"Ye Chen !!!" Liu Yue and Situ Rui both called out Ye Chen's name in a panic in panic.

"Bai Sheng, what did your people do to Ye Chen?" Liu Yue was immediately angry with Bai Sheng.

Bai Sheng did not think that Du Yao would suddenly stab Ye Chen "Du Yao what you really want to do" Bai Sheng immediately said to Du Yao.

"Bai Sheng, I'm sick of playing, let's just finish the plan." Du Yao immediately walked towards Liu Yue and Situ Rui, Du Yao also took out another poison needle from behind his arm.

Liu Yue and Situ Rui were scared when Du Yao approached them, this was not according to their plan from the start, what else was Liu Yue relying heavily on Ye Chen, but now Liu Yue saw that Ye Chen was lying on the floor whether alive or dead.

Liu Yue remembers that next to her was the female police officer Luo Bing, "Luo police please arrest that person." Liu Yue could only hope that Luo Bing would stop Du Yao.

Luo Bing, who had been silent all this time, finally moved, Luo Bing took out a powder from a bag and threw it into the air, one by one the people who inhaled this powder began to lose consciousness and fainted.

"Ye Chen" Liu Yue called Ye Chen's name for the last time before she fainted.

The powder that Luo Bing just threw was a sleeper, all those who inhale this powder will not wake up anytime soon.

"Hmmm, it turns out you're also a cultivator, it looks like I'll have a beautiful New Doll hahaha" Du Yao seemed to have just gotten a very tasty prey.

Du Yao did not know that he was actually the prey himself

If Du Yao knew the true level of cultivation of Luo Bing, surely Du Yao had run away like a cat that his tail had stepped on from before.

Luo Bing's face was still the same as before. Very cold, and indifferent, there wasn't even a trace of anger on Luo Bing's face right now.

"I don't know who you are and what you want, as long as you turn yourself in well then I won't do any rude ways to catch you," Luo Bing told Du Yao to immediately turn himself in.

How could Du Yao want to give up, Du Yao immediately fired several rancid projectiles that went to Luo Bing.

Chapter 65 - Luo Bing Vs Du Yao

Luo Bing raised his palm, a blue light enveloped Luo Bing's entire palm, Luo Bing used his palm to deflect the needle Thrown by Du Yao.

"Clank. . . . Clank. . . ."When Du Yao's needle collided with Luo Bing's palm, making a sound that was quite loud, like colliding with steel.

The needle that Du Yao threw possessed power that was almost the same as a bullet, but Luo Bing easily deflected it with his bare hands.

"I gave you the last chance, hurry up and surrender yourself" Luo Bing's face was still as indifferent as before.

Luo Bing didn't even regard Du Yao as a threat to him, however Luo Bing's cultivation level was at the Earth Realm stage. While Du Yao's cultivation level was only Spirit Profound Realm in the early stages, the difference in stiffness was very far.

That's why Luo Bing has 100% confidence to defeat Du Yao.

As a practitioner in the field of poison, the combat power possessed by Du Yao can be said to be quite weak, but Du Yao has several poisons that can threaten his enemies, even though Luo Bing has strength over him Du Yao is sure to defeat Luo Bing in this fight .

Du Yao did not know that their power difference was like heaven and earth

"Don't joke, you're a woman, even though your power is above me doesn't mean you can defeat me easily, Let me show you how scary the poison cultivator is." Du Yao's skin changed color to a blackish black color, let alone Du Yao's body emitting steam as if it was on fire, whoever touching Du Yao's skin will definitely be directly contaminated with this poison.

"Poison Killer body mode" is a Special Technique that belongs to the Du Yao Poison Sect.

Du Yao opened his mouth wide, from inside Du Yao's mouth came out a black sword, this is a fighting weapon owned by Du Yao.

"Shall we begin?" Du Yao raised his sword and hurried towards Luo Bing.

Luo Bing was disgusted seeing the sword come out from Du Yao's stomach, Luo Bing then solidified his deep strength and made a sword out of ice.

Luo Bing then stepped forward and collided with sword skills with Du Yao.

Clang . . . , Clang. . . . , Clang. . . . , Clang. . . . , Clang. . . . , Clang. . . . ,

The collision between the two swords was unavoidable, especially Luo Bing had to fight in this fairly narrow room, with innocent people in it, so Luo Bing had to be careful not to hurt these people.

Du Yao is currently very depressed under Luo Bing's sword technique, Du Yao who was supposed to be a Peyerang changed position to become a survivor of Luo Bing's sword attack.

Luo Bing Aiming his ice sword towards Du Yao's shoulders, Du Yao who saw the direction of this attack immediately dodged, Luo Bing's sword slash suddenly changed direction, Du Yao was not ready with that and was hit by Luo Bing's swords just in his chest.

Du Yao Yang who was just hit by Luo Bing's attack immediately retreated back, and looked for a safe position.

What came out of the wound on Du Yao's chest was not blood, it was a black liquid, the black liquid was dripping on the floor, the floor that was hit by the black liquid immediately issued a vapor of smoke, this black liquid was like a very strong acid.

Luo Bing looked at his ice sword, the sword was also contaminated with this black liquid, little by little also eroded by this black liquid.

Seeing this Luo Bing slightly raised his eyebrows, this sword was removed using the power of the fourth level Earth Realm.

It seems like the poison in Du Yao's body really cannot be underestimated.

"Hand Poison Killer Technique" Du Yao Directing His Palm Towards Luo Bing, The Hand Poison Killer Technique Flew towards Luo Bing.

"Ice Barrier" Luo Bing made a barrier from the Deep Ice Energy.

Du Yao's "Bam" Hand Poison Killer Technique struck Luo Bing's Barrier.

Luo Bing's barrier did not even budge in the slightest bit from Du Yao's attack

Du Yao "Tch doesn't work, it seems like this woman's strength is far from my initial expectations".

"There seems to be no other choice but to use the technique," Du Yao then closed his eyes.

Du Yao's body released a black gas which is very concentrated, this gas contains poison which can kill anyone who breathes it in a short time.

The name of the Du Yao Ultimate technique is called Scorpion poisonous refiner, this technique has claimed the lives of many cultivators in the Spirit Profound Realm realm.

This poisonous scorpion refiner starts to spread in all directions.

saw Du Yao wanting to poison everyone who was here Luo Bing also acted immediately, to cope.

Luo Bing Takes out her Ice Energy depth, the temperature in this room immediately drops dramatically.

Luo Bing reached out, above Luo Bing's palm, several ice crystals appeared, Luo Bing blew the ice crystal to Du Yao.

Instantly Du Yao turned into a statue of Ice.

"I told you to give up from the beginning, whatever the outcome will be the same as now" Luo Bing did not kill Du Yao but only froze him for a while.

Luo Bing walked towards Ye Chen to confirm Ye Chen's current state.

Before Luo Bing arrived at the place where Ye Chen was lying, someone made a sneak attack towards him, Luo Bing was too late to realize this attack, this attack immediately blew Luo Bing into the wall very loudly "bam. . . ."

Luo Bing hit several walls before he fell to the floor and vomited blood, Luo Bing saw that there was a middle-aged man standing behind where Luo Bing was standing earlier.

This middle-aged man gave off a very strong killing aura, Luo Bing could see that this middle-aged man was releasing a very powerful poison-deep energy.

Luo Bing tried to stand, while trying to stand up, Luo Bing felt his body begin to numb, Luo Bing fell to the floor "I have been poisoned".

"How dare you do this to my brother and sister?" This man turned out to be from the same sect as Du Yao.

Luo Bing couldn't detect the level of this middle-aged man, which indicates that the cultivation level of this man is higher than Luo Bing's.

The middle-aged man walked towards Du Yao, which was frozen into a statue of ice.

Middle-aged man's palm turned black, when the ice that covered Du Yao's body came into contact with this palm, the ice that covered Du Yao's body immediately melted.

After Du Yao's Whole Body Thawed, Du Yao Immediately Greeted this Middle-aged Man "uncle" Khun, Du Yao Immediately Called This middle-aged man by the name Khun.

The name of middle-aged man is Du Khun, although he looks 40 years old, actually Du Khun's age is more than 90 years, Du Khun's cultivation level is also very high, which is the seventh height of the Earth Realm.

there is a large gap between Du Khun and Luo Bing's strength.

Chapter 66 - Ye Chen Began To Act

"Uncle Khun how about the photo of the woman I gave you do you like him" Du Yao knows the hobby of Du Khun who likes beautiful women, therefore Du Yao intends to give Liu Yue as a gift for his uncle.

Du Yao's initial mission was to get funding for his sect, with money owned by Liu's company, enough to buy medicinal plants to speed up the cultivation of his sect.

Du Yao did not care about Bai Sheng and Bai San, for Du Yao this father and child were only tools for him, they had been like dancing dolls in Du Yao's palm, after the plan to take control of the Liu Liu Company was successful Du Yao intended to get rid of these two people.

"Yes, sister, I like the photo of the woman you sent, and now I see that there is one more woman who is very beautiful, how am I not satisfied?" Du Khun looked at Luo Bing who was on the floor with a sordid look.

Luo Bing was very disgusted with this middle-aged man, Luo Bing tried to get up from the floor, but his body was anxious and would not move, awareness of Luo Bing was also starting to run away, Luo Bing didn't think that Du Khun's poison worked very fast.

"I'm glad you like this woman, you don't forget to give me a gift" Du Yao can't wait to get the benefit from Du Khun.

"Take it easy when returning to the sect I will give you some pills to increase your strength" Du Khun presents a gift to Du Yao.

Du khun walked the collar where Liu Yue fainted, Du Khun wanted to see Liu Yue's real face, was it far more beautiful than the one in the photo given by Du Yao.

Liu Yue was fainted and her head was currently leaning on the table, Du Khun could not see Liu Yue's face because it was covered by Liu Yue's long hair.

Du Khun stretched out his right hand and wanted to touch Liu Yue.

Before Du Yao could touch Liu Yue, his hand was stopped by someone.

The person who stopped him of course was Ye Chen.

"Crakk. . ."Ye Chen immediately destroyed Du Khun's right hand.

Du Khun is not ready with this "ahhh Silan hurts" Du Khun cried out in pain, Du Khun held his broken right hand, Du khun's right hand was broken to the bone, it would be very difficult to recover.

Du Yao did not think that Ye Chen was still alive after being stabbed by his poisonous needle, moreover Ye Chen was really able to hurt his teacher's uncle.

From the beginning Ye Chen only pretended to be hit by Du Yao's poisoned needle stab, the reason was very simple because there was Luo Bing in this room, Ye Chen was sure that Luo Bing could handle everything alone.

Luo Bing's very high cultivation level should be able to handle Du Yao easily, but this middle-aged man suddenly slipped and attacked Luo Bing.

Seeing the situation that was already out of control Ye Chen decided to move.

So Ye Chen immediately approached Du Khun and destroyed his right hand that wanted to touch Liu Yue.

"You, you, how dare you do that to me, I will kill you" Du Khun roared, this time he was really angry, Du Khun released the Full aura from the 7th level Earth Realm.

The whole room was shaking and the contents inside were shaking, the glass of the window and the lamp had all been shattered into pieces, even the floor that had been trampled on by Du Khun began to crack.

If this continues, let Ye Chen be afraid that this building will be destroyed and will endanger others in this building.

Ye Chen used the Nine Shadow step, Ye Chen hurried towards Du Yao, Ye Chen used the breaking meteor blow to hit Du Yao "Bamm" Du Yao was bounced until it came out of the building.

Du Khun couldn't even see Ye Chen's movement just now, Ye Chen had managed to attack Du Yao.

Du Khun wanted to save Du Yao but unfortunately, Chief Du Khun was gripped by Ye Chen very strongly.

Ye Chen grabbed Du Khun's head and took him Fly away from the Liu Company Building.

Before leaving Ye Chen had already installed a barrier in the room so that others could not enter it.

Ye Chen flew at full speed, Ye Chen brought Du Khun to an abandoned Old Warehouse, this was quite far from the Settlement.

Ye Chen slammed Du Khun to the ground, "Bamm" Ye Chen then also went down.

Here they both can use force freely.

Du Khun immediately got up from the ground, and looked around then looked towards Ye Chen standing.

Du Khun could not see when Ye Chen took him to Fly, so Du Khun did not know whether Ye Chen could purely fly or use an artifact to fly.

moreover Du Khun could not see Ye Chen's cultivation level, there were two possibilities, first Ye Chen's cultivation level was higher than hers or Ye Chen used an artifact to hide his cultivation base.

Du Khun could not believe that Ye Chen was an Emperor Emperor Realm stage cultivator, if True Ye Chen could fly Du Khun predicted that Ye Chen was a cultivator at the Sky Realm stage.

.

At that level, a cultivator can start to fly, at the level of Sky Realm, cultivators can fly within a certain period of time, while at the level of the emperor the Realm they can be free to fly without being limited by time.

And seeing Ye Chen's age could not be in the stage of the Emperor Realm, even Du Khun to reach the 7th level of the Earth Realm took 7 decades to reach this level.

Du Khun has been practicing since he was 10 years old and began to enter the world of cultivators when he was 15 years old.

As a middle class sect, to reach this stage is already an extraordinary achievement.

And if it's true that this boy in front of him is a cultivator in the Sky Realm stage, isn't that an insult to him who has been training for decades.

"Your real kid" Du Khun asked Ye Chen directly.

"I'm just an ordinary school student" Ye Chen answered Du Khun's question.

Du Khun could not believe that Ye Chen was only an ordinary school student, if ordinary school students could have such a high cultivation level, all the students in the sect would definitely enroll in an ordinary school.

If the situation is unfavorable for him, Du Khun has no choice but to use 100 poison magic beasts, this poison was made by Du Khun's teacher, this poison has a very violent ferocity that even his teacher had killed a cultivator in the early levels of Sky Realm by using this poison.

"Nothing here can disturb us. Let's fight." Ye Chen released the one hundred thousand fire Swords technique, immediately 10 fire swords appeared behind Ye Chen.

When Ye Chen released the Duoun hundred thousand fire Swords fire technique, Ye Chen's cultivation level turned out to be only the second level Earth Realm.

when a cultivator uses his strength the original level can be seen and it cannot be hidden by an artifact

Du khun Seems to think Ye Chen is too great, it turns out that his strength is far below him.

The reason Ye Chen could destroy his arm was because Du Khun was unmindful and unprepared, Du Khun finally gained his confidence to kill this damn boy.

Ye Chen used the Riederan Pendant necklace to conceal his true strength, Ye Chen could change as he desired the height of strength he wanted.

Ye Chen wanted to see if this Riederan Pendant necklace worked or not.

"Hahaha, son. It turns out that you are only at the level of the second level Earth Realm, unfortunately I'm already at the 7th level, so you definitely don't have a chance to win from me" Du Khun released a poisonous aura from his body.

Even though Du Khun had only one hand left it was enough to fight with Ye Chen.

Chapter 67 - One Punch

Du Khun was very angry, he unleashed the full power he had.

"Boy, I'll make you feel what's more frightening than death" Du Khun's body turned black, it's almost like Du Yao, the difference this time the black color is very concentrated, the poison in Du Khun's body is several times stronger than what Du Yao has.

Du Khun then attacked Ye Chen's "Poisonous Claw". Du Khun's left hand turned into an animal claw shape, Du Khun focused all the poisons in his body for this technique.

"Feel this bastard" Du Khun roared and directed the Poisonous Claw to Ye Chen.

Ye Chen mobilized 10 fire swords to the front, 10 flying fire swords formed a circle and made a fire shield for Ye Chen.

"Bamm" Poisonous Claw technique collided with Ye Chen's Flame Sword, Du Khun Lost and retreated a few meters back.

Du Khun Seeing that his left hand was burning and it hurt, Du Khun did not expect Ye Chen's Flame Sword technique to be that powerful.

Du Khun had never seen such a flame sword technique, even though he had met a top-level sect Du Khun could not remember that there was someone who could use a technique like Ye Chen.

Because the poison sect is a fairly evil sect, the poison sect is often chased by other righteous sects, because of that the poison sect is aligned with other evil sects so that it can Survive from the attack of the True road sect.

"If I fight close to this person I will definitely lose, I have no other choice but to use that" Du khun Giving out a full aura, Du khun then made strange movements.

Ye Chen didn't know what Du Khun wanted to do,

After the Movement is complete, Du Khun's body spasms and spits out a large amount of Black Liquid, this black liquid collects and gradually makes a shape.

The black liquid finally made the shape of a giant scorpion that was 6 meters in size and 3 meters high, the giant scorpion roared towards Ye Chen, Du Khun was currently on top of this scorpion, Du Khun's face was quite pale as Du Khun spent all his energy to summon Monster. this.

"How do you like the summoning technique that I used" Du Khun laughed underestimating Ye Chen.

This scorpion monstery is Du khun's pride, this monstery is a frightening specter for his enemies

"Let's attack" Du Khun ordered a giant monster to attack Ye Chen.

The giant monster roared once more and walked towards Ye Chen, just walking. This monster made the whole ground tremble.

The scorpion monster held out its claws and wanted to cut Ye Chen's body

How could Ye Chen expect the Monster to attack him, Ye Chen's flame sword flew and Cut off the two scorpion's claws.

"Woaaaagggg" The scorpion monster cut off its arm is very angry, the scorpion's arm and claws regenerate rapidly.

Ye Chen who saw this slightly raised his eyebrows, this monster really could regenerate very quickly.

Scorpion monsters use their tails and sting Ye Chen.

Ye Chen dodged all the onslaught of scorpion monsters.

The poison that originated from the scorpion's tail is quite dangerous, even though it can dissolve in just an instant, if it is poisoned by this monster.

Well because Ye Chen's cultivation level was quite high in poison it wasn't dangerous to Ye Chen.

"Tch, this guy is very fast, the movements of my scorpion monster can't follow him at all, the scorpion sprays your poison at him" after being instructed by Du Khun the scorpion monster spits out poison from his mouth, the radius of the poison spout is very wide even covers several hundred meters.

Poisonous Bursts Regarding Ye Chen, the whole place was covered in poison fumes, because all those affected by the spraying of melt and evaporated, even the old warehouse buildings also melted with this poison.

Seeing this Du Khun was very happy, surely Ye Chen had melted after being hit by this poison, "hahaha that jerk must have died right now" Du Khun laughed very happy.

Du Khun's laughter suddenly stopped, Du Khun saw that Ye Chen was still standing upright, even though Ye Chen's upper clothes were melting, but Ye Chen's body had no signs of being injured after being poisoned by a scorpion monster.

This really made Du Khun dumbfounded, even the top Realm earth experts would not dare to accept poison from this scorpion monster without using any protection, and Ye Chen really accepted this poison without using any protection at all.

Du Khun started to be a little afraid of Ye Chen, this person was completely abnormal at all.

"It's quite well that your Monstoxic Poison is, but it's enough to get here Your arrogance" Ye Chen stepped forward and hit the scorpion monster.

"Bamm" Ye Chen's one punch really did make a scorpion monster turn into pieces.

Du Khun who was above the monster, bounced a few dozen meters and crashed into a building.

Because Du Khun was already very weak, it was difficult for him to get back up.

Du Khun looked at Ye Chen with a look of horror "even his scorpion monster was destroyed by Ye Chen with just one blow".

How strong could this person really be, if previously Du khun believed that Ye Chen was only the second level of the Earth Realm, then after seeing Ye Chen Yang's fearsome power, Du Khun no longer believed that Ye Chen was only the second level of the Earth Realm.

"Wait, why did my Scorpion Monster not regenerate" Even though it became pieces in the scorpion monster, it can regenerate again, but why there are no signs of regeneration.

Du Khun: "is it impossible if he knows the weakness of the scorpion monster".

"Are you looking for this" Ye Chen opened his palm inside Ye Chen's palm there was a Core.

Ye Chen's "cheap trick" destroyed the cores of scorpion monsters.

Even though the scorpion monster can continue to regenerate, but as long as you can find the core of life and destroy it, the monster will not be able to regenerate again.

Ye Chen then approached Du Khun.

Seeing Ye Chen approaching towards him Du Khun was very scared because right now there was nothing he could do.

"Don't come closer, I know I'm wrong, please spare me" Du Khun this time begged for mercy.

Ye Chen ignored it and drew closer to Du Khun and pulled Du Khun's collar. "Tell me why your sect is after Liu Yue's company?"

"I, I" Du Khun stuttered when he wanted to answer Ye Chen's question.

"Quickly say" Ye Chen was angry and slapped Du Khun very hard.

"Actually we are targeting Liu's company because we are currently underfunded, you know evil sects like us have no good relations with big families who have influence in the world, therefore to get something we will usually take from small sects or rich people who are rich. has no influence, in contrast to the evil sect, the true sect of the road will benefit from the Government and a large extended family, usually large families pay tribute to the Sect so that their families are protected by the Sect, therefore influential families are difficult to overthrow because it is in behind them there are sects that are very strong, ordinary sects can also accept a quest to kill dangerous criminals like us evil sects, that is the reason we are targeting Liu's company, with Liu's company finances, in a few decades our sect will not be short of funds at all "Du Khun explains in great detail a gar Ye Chen was satisfied.

The large family in question was most likely in the capital, Ye Chen only learned that an influential family had a connection with a hidden sect.

Ye Chen then let go of Du Khun's collar.

"Boy, you are too naive" Du Khun pulled a knife from his arm and stabbed Ye Chen.

But before Du Khun's knife touched Ye Chen Du Khun froze and turned into an ice sculpture.

Ye Chen was not surprised to see this, instead Ye Chen spoke "want to when will you hide, come out" Ye Chen told the newcomer to come out.

When Fighting with Du Khun Ye Chen had detected someone coming, but this person had only been silent and watched the fight between him and Du Khun.

Chapter 68 - See The Beauty Behind The Veil

Ye Chen shouted for the person who defeated Du Khun to come out, but it seemed like that person didn't want to appear.

"Hey, I know you are hiding behind the Storehouse, why not just come out" This time Ye Chen immediately exposed the person's hideout.

The person who was hiding was a little surprised because Ye Chen could find the place she was in, so his level should be far higher than Ye Chen's, and with his camouflage technique it was even very difficult for someone who had the same cultivation level to find it.

Finally the person decided to appear in front of Ye Chen,

A woman wearing a white Phoenix shirt came down from the sky, she had snow white skin and a very well-developed body, long hair that was unraveling, crystal-clear blue eyes, unfortunately this woman was wearing a veil to cover her face, so Ye Chen could not see his face.

Although Ye Chen could not see his face, Ye Chen knew that this woman must be very beautiful.

"Ah, it turns out that a beautiful woman, thank you for helping me." See how graceful this woman is. Down Ye Chen immediately complimented this woman and thanked her.

"How did you find my hiding place? "This woman's voice is as cold as ice.

Ye Chen Could Feel the sharp gaze of the woman in the White Phoenix suit towards him, this was the first time Ye Chen had met a woman this cold.

"Maybe it was just a guess of the lucky ones", because Ye Chen was currently changing at the level of his cultivation into an Earth Realm, so Ye Chen was only pretending to be stupid.

The woman in white dress thought with Ye Chen's current level of cultivation. It was impossible for Ye Chen to find his own whereabouts.

"I can not believe what you said, tell me honestly what method you used to find me" This woman's voice is getting cold again.

Ye Chen could only smile wryly, this woman was quite difficult to deal with with words.

"Miss, I am only a cultivator with the knowledge of earth cultivation Realm, how could I possibly be compared to you who are this strong?" Ye Chen tried to act low profile in front of this woman in Phoenix clothes.

"If I hadn't seen your battle with the monster I would have believed that you were only the second level of the Earth Realm, but after seeing your battle I really couldn't believe that you were only at the level of weak Earth Realm 2, you must have cultivated a Cheat Skill to Get That terrible power like that "the woman in the white Phoenix dress wanted to explore the secret that Ye Chen had.

Ye Chen now understood the purpose of this woman coming out and Speaking to her, this woman was only Interested in the cultivation technique that Ye Chen had.

"So Miss is very interested in the technique I have, I will be happy to address it, but there is one condition." Ye Chen did not mind showing his cultivation techniques.

" What is that ? "The woman in the Phoenix suit immediately asked what conditions Ye Chen wanted.

"It's very easy, I just want to see your real face." Ye Chen was very curious about this woman's face.

After saying this Ye Chen felt the killing air of the woman in the white Phoenix suit.

Ye Chen had no idea that this woman would be very angry with the Terms Ye Chen had put forward.

"How dare you mention that kind of condition, do you really want to die?" The woman in white Phoenix dress was angry and threatened Ye Chen.

Ye Chen didn't like a threat the most, Ye Chen didn't care anymore, he used the Nine Shadow Step and Took the Veil of the woman in the white Phoenix suit.

"Very Beautiful" Ye Chen was immediately fascinated by the perfect beauty of a woman in a white Phoenix shirt

The woman in the white Phoenix shirt felt that her face was exposed to the wind, without realizing that the veil she was wearing had disappeared, she immediately looked at Ye Chen and her veil was already in Ye Chen's right hand.

the woman in the white Phoenix shirt couldn't even see Ye Chen's movements while taking her veil.

The temperature around Ye Chen immediately dropped dramatically and became very cold, the woman in the white Phoenix shirt brought out a very strong killer to Ye Chen.

This woman possessed the highest level of cultivation that Ye Chen had met to date, this woman possessed the 9th level of the Sky Realm.

"Death" An ice pillar appeared from underneath Ye Chen's feet, Fortunately Ye Chen easily avoided this woman's attack.

This Woman's Attack really intended to kill Ye Chen with one step, Ye Chen had no idea that a woman's reaction would be like this after he took this woman's veil.

Seeing Ye Chen be able to escape from his attacks, the beautiful woman became even more angry again, the beautiful woman made an ice flower floating around her, floating ice flower immediately went towards Ye Chen and attacked Ye Chen.

Ye Chen could feel that a woman's floating ice flower contained the full power of the 9th level of the Sky Realm.

Ye Chen finally used the one hundred thousand fire Swords, 10 Ye Chen's fire swords were directed to the arrival of the floating Ice flower.

"Bang. . . . , bang. . . . , bang. . . . , bang. . . . , bang. . . . , bang. . . . , bang. . . . , bang. . . . , bang. . . . , bang. . . . , "When the ten Ye Chen's flame swords and her Ice Flowers collided

creating a very loud sound like a bomb.

Beautiful woman Immediately surprised to see this incident, it was very clear that the power that had just been used by Ye Chen was only a second-level earth Realm, but what surprised her was that her Ice Flower Technique could be destroyed by Ye Chen's Flying Flame Sword Technique.

Beautiful Woman Never heard of anyone who could do this, what else is the level of her spiritual strength? They differ so much like heaven and earth.

This is really beyond common sense that she had ever known

The beautiful cold woman did not know that the strength Ye Chen possessed was far higher than what she possessed.

"I actually want to admire your beauty for much longer, but unfortunately you are very bad-tempered, then I'll leave first." Ye Chen gave back the veil of a beautiful, cold woman.

Angry women who are usually going to do crazy things, It's better that Ye Chen leave this place as soon as possible.

The beautiful woman who coldly took back her veil and immediately put it back on, but after finishing wearing the veil Ye Chen had disappeared from his sight.

she tried to find Ye Chen's whereabouts with his spirit sensei but unfortunately, he couldn't feel Ye Chen at all nearby.

Beautiful woman is really very angry "Look at you later if I see you again surely I'll kill you, Bamm" the statue of Ice Du Khun broke and scattered into pieces of ice.

After doing that the beautiful woman immediately went flying towards the horizon.

Chapter 69 - The Great Power That Exists In The World

Ye Chen returned to the Liu company building, but when Ye Chen looked down he could not find any sign of Du Yao's whereabouts.

"So he is still alive and can escape", in the future Maybe Du Yao will come back here and take revenge on himself and Liu Yue, it seems the problem is not finished up here.

Because of the fight between him and Du Khun for a long time, that gave Du Yao plenty of time to escape from this place, surely by this time Du Yao had left the city.

Ye Chen did not chase after Du Yao, but went back into the meeting room. First of all Ye Chen confirmed the situation of Liu Yue and Situ Rui, saw that they were fine and only fainted by the medicine from Luo Bing. Ye Chen was relieved.

Luo Bing was currently lying on the floor and his breathing was irregular, Ye Chen walked to his side and saw how he was, when Ye Chen touched Luo Bing's skin Ye Chen could feel that Luo Bing's body temperature was hot and cold.

The poison from Du Khun's palm began to spread throughout Luo Bing's body, Ye Chen did not think long and immediately opened Luo Bing's OL shirt, when Luo Bing's shirt was opened it showed a very smooth skin without any slight flaws, Luo Bing was wearing a purple bra , Ye Chen admired the beautiful work he saw at the moment.

Ye Chen had to admit that Luo Bing was a very beautiful beauty.

But Ye Chen immediately realized, Ye Chen saw that Luo Bing's right chest was black, Ye Chen immediately let go of Luo Bing's Superior Bra, after the bra was removed, the two mountain ridges that were previously covered by Bra, were now exposed before Ye Chen's eyes.

Ye Chen then took out a set of needles from his storage room, Ye Chen started by piercing the blood circulation path so that Luo Bing's poison stopped spreading.

After the poison stopped spreading now all that was left was to remove the poison from Luo Bing's body.

Ye Chen lowered his head then opened his lips, Ye Chen put Luo Bing's pink cherries into his mouth and started to suck the poison, when Ye Chen Ye Chen sucked on her breasts, Luo Bing attacked, Luo Bing's eyelashes trembled slightly.

Ye Chen sucked the poison and then spat it out on the floor, Ye Chen repeated it continuously until the poison in Luo Bing's body was completely gone, after the poison was successfully released, Luo Bing's body temperature and breathing began to return to normal.

After finishing removing Luo Bing's poison, Ye Chen took all the needles in Luo Bing's body and put them back into the Storage Room.

Ye Chen then took Luo Bing to another room and laid Luo Bing on the sofa in this room, Ye Chen gave him a pill so that Luo Bing could recover quickly.

"Luo police you owe me my life" after saying that Ye Chen came out of the room, and returned to the meeting room.

among all these people there was only one person who didn't suck Luo Bing's sleeping powder, this person of course was Zhao Jinshan, if Ye Chen hadn't checked everyone's breath, Ye Chen wouldn't have known that Zhao Jinshan was only pretending to faint at the moment.

Ye Chen: "Zhao's grandfather is just the two of us now who are aware, why is Zhao's grandfather still pretending to sleep".

Zhao Jinshan opened his eyes and looked at Ye Chen standing "As expected of a cultivator, you can see through my tricks" Zhao Jinshan Praised the skills possessed by Ye Chen, even though Zhao Jinshan was very confident with his breathing control ability.

"Looks like Zhao's grandfather knows quite a lot about cultivators whether Zhao's grandfather has met with many cultivators before" Ye Chen asked Zhao Jinshan.

Zhao Jinshan: "You're right, even though I am not a cultivator, but when I was serving as general I met a lot of cultivators, they were very strong people, even the highest generals respected them very much"

as a former General Of course Zhao Jinshan's knowledge of cultivators is not small, although Zhao Jinshan is not a cultivator, but he has met many cultivators while still serving as a general.

"Grandfather Zhao, I want to know that behind our government is a very strong cultivator," with Zhao Jinshan's connection as a general, he should know a little about it.

Zhao Jinshan: "Behind the Government there are indeed powerful cultivators. They are called Guardians. Their job is to protect the country if the situation cannot be overcome anymore. splitting the sea, or being able to destroy a big city, they can even be called a walking nuclear power plant.

Ye Chen Thoroughly Refreshes the story of Zhao Jinshan "if this country has such power why this country does not become the ruler of the world" from the story of Zhao Jinshan should not be a problem for this country to become the strongest country in the world.

Zhao Jinshan: "Ye Chen Even though We Have Guardians, Other Countries Also Have Them, Even though They Are Not Called Cultivators, Their Strengths Are Even Above Our Country, Some of the names of the Great strongholds I know are: Holy Church, Chaos Bridge, Dark Legacy , Carmilla's Rose, Yagatama Orochi, Blue Esper, Devil Lucifer ".

Zhao Jinshan: "That's all I know, all the names of the basebacks I mentioned earlier are the forces that currently dominate this world, countries around the world as much as possible to avoid conflict with this power".

After hearing Zhao Jinshan's explanation, Ye Chen began to understand that the Earth also had very strong people, if ordinary people heard the Zhao Jinshan story, they would definitely treat him as a crazy person making it up, but not for Ye Chen if it was said by Zhao Jinshan was right, Ye Chen was no longer the strongest person on this Earth.

when he came to earth Ye Chen was very confident that no one could defeat him, but now Ye Chen had to think again, now all Ye Chen had to think about was increasing his own power as fast as possible, so that it could be proportional to the strength of the Great Like them.

"Then in our country is there no power that can match them all? Ye Chen was increasingly interested in what Zhao Jinshan said.

"Of course there are. They are the most powerful cultivators currently in the Holy Land of Kunlun" when Zhao Jinshan said Kunlun, Ye Chen felt a bit of hostility from Zhao Jinshan's tone.

out of curiosity Ye Chen immediately asked Zhao Jinshan "Grandfather Zhao did you have a conflict with the Khulun people" Ye Chen wanted to know if Zhao Jinshan had a dispute with Kunlun

Chapter 70 - Meet Grandfather

Zhao Jinshan: "Not exactly conflict is a grudge" Zhao Jinshan sighed, "even so I prefer to continue my life rather than revenge, because I know that I might not be able to fight them, in their eyes I am just a little ant".

"I understand how you feel", Ye Chen knew Zhao Jinshan's choice was not wrong, if Zhao Jinshan remained adamant to fight with Kunlun then it could be confirmed that he would not get a good ending.

Zhao Jinshan was just an ordinary person, even though he had many connections in the government, there was no way the government would offend such a large force.

in this world strength is everything, now Ye Chen began to understand what Gu Xuan was saying, in the face of strength everything was nothing.

"In this life I only have one hope that is my granddaughter, I hope she lives her life well, she is the only treasure I have with my wife at the moment".

"So that is the reason why you do not want to take revenge" is a wise choice not to harm his wife and granddaughter.

"By the way, my granddaughter is still quite young, she is a very beautiful young girl, I can introduce you to you if you want, hahahaha" Zhao Jinshan was very proud when she said her granddaughter.

"Sorry, Grandpa Zhao, I already have a girlfriend." Ye Chen smiled wryly at Zhao Jinshan.

"I see," Zhao Jinshan was a little disappointed.

"Are you sure my granddaughter is very beautiful, after seeing that you will definitely be interested in her" Zhao Jinshan still did not give up, he then took a photo from under his shirt pocket and handed it to Ye Chen.

Ye Chen appreciated Zhao Jinshan's good intentions and accepted the photo, Ye Chen wanted to know what Zhao Jinshan's granddaughter looked like.

When Ye Chen flipped the photo and saw the picture that was captured on the photo paper he was astonished, the girl in this photo was no stranger to Ye Chen.

Ye Chen: "Zhao's grandfather did your granddaughter study at hexing school".

"Yes, right now he is studying at the Hexing School, it is the number one school in this city" Zhao Jinshan said while praising his only grandchild.

Ye Chen "what's his name Zhao Yanyan".

"Yes his name is Zhao Yanyan" Zhao Jinshan nodded, Zhao Jinshan felt something was wrong after hearing this, immediately Zhao Jinshan realized "wait how do you know the name of my granddaughter, I haven't told her name to you".

"Zhao's grandfather I hate to lie. Zhao Yanyan is my classmate and my girlfriend" Ye Chen told the truth to Zhao Jinshan.

"What !!" Zhao Jinshan shouted and stood up from his seat, Zhao Jinshan could not believe what he had just heard, the young man in front of him turned out to be the boyfriend of his granddaughter.

Ye Chen had no idea that the reaction from Zhao Jinshan would be like this, whether Zhao's grandfather was angry because he was dating Yanyan without Zhao Jinshan's knowledge.

"Hahahaha" Zhao Jinshan immediately laughed very happy.

Ye Chen was increasingly confused with Zhao Yanyan's grandfather, actually was he angry or happy?

"My granddaughter Yanyan is indeed great, she has very good eyes, can find a daughter-in-law like this" Zhao Jinshan walked towards Ye Chen then embraced her.

Ye Chen could only smile at the behavior of Zhao Jinshan, Ye Chen also did not think that Zhao Jinshan would become his father-in-law in the future.

Liu Yue began to realize "what just happened here."

Liu Yue immediately remembered what happened before she fainted "Ye Chen" Liu Yue cried and shouted Ye Chen's name, before she fainted Liu Yue remembered that Ye Chen was stabbed by Du Yao right in his heart.

"Liu Yue, what's wrong?" Ye Chen immediately rushed to Liu Yue's side to calm her down

Liu Yue looked to the side and found that Ye Chen was fine "Ye Chen, you're fine" Liu Yue immediately hugged Ye Chen.

Boing Boing

Ye Chen could feel the two soft objects sticking to his chest "wait for this sensation whether Liu Yue is not wearing a bra" Ye Chen felt that Liu Yue's was very chewy, and was only separated by a piece of cloth.

Ye Chen didn't dare to say it. He only dared to think in his brain.

"Ye Chen, I'm glad you're fine, I thought you already ..." Liu Yue could not finish his words, Liu Yue's eyes were very moist as if to cry out.

Although Liu Yue only briefly became acquainted with Ye Chen, but she felt very safe and warm when she was near Ye Chen, such feelings had not been felt by Liu Yue for a long time after her parents and grandfather were gone.

Ye Chen was quite touched because Liu Yue wanted to worry about herself, aside from Zhao Yanyan maybe Liu Yue was the second woman who wanted to worry about him "Don't worry, you see I'm fine now" Ye Chen tried to calm Liu Yue by stroking her hair.

Zhao jinshan looked at Liu Yue who was hugging Ye Chen "It seems that the relationship between Liu Yue and Ye Chen is unusual" will interfere too much.

After a while Liu Yue finally calmed down "Ye Chen is actually what's going on here" Liu Yue asked what had just happened to this room as if it had just been randomly randomized by a large typhoon.

"The story is quite long, I'll explain later, now let's take care of these people first." Ye Chen looked at Bai Sheng and his friends, this problem originally originated from all these people.

Liu Yue looked at Bai Sheng with a look of fury, this person not only dared to harm his grandmother, but also the people He loved.

Liu Yue no longer wanted to compromise with these people anymore, it was time for them to get the proper punishment.

"Yue'er, what is really happening here?" Situ Rui's grandmother also woke up, when Situ Rui looked around she saw this room destroyed

very confused, this room is really very chaotic even the walls are sturdy to the point that it can have big holes.

"My grandmother also did not know what just happened here" Liu Yue also did not know what happened before in this place, it is likely that only Ye Chen knew what had happened here before.

One by one the people who fainted began to wake up, these people were also confused. Seeing this messy room, before they fainted they only saw the scene of Du Yao stabbing Liu Yue's maid.

But seeing that the current Liu Yue servant is fine, these people are starting to think that it might just be a dream or a hallucination.

Among the people who just woke up were Bai San and Bai Sheng who were scared right now, the two of them were in the worst situation, the Du Yao they relied on now didn't know where he was.

"Bai Sheng" Liu Yue shouted Bai Sheng's name quite loudly, this time the tone of Liu Yue's voice was also very angry.

Bai Sheng has been sweating all over his body "bad Liu Yue looks very angry, what should I do, let's think think" Bai Sheng pushed himself to think how to escape from Liu Yue's anger.
