

Chapter 611 - Steal Out The Antidote From Feng Jinx's Body

"Well, if you really don't want to admit what happened, I'll make sure that you won't get the antidote from myself or the person who poisoned you".

"Now choose whether you want to side with me or to the person who poisoned you, I give you 1 minute to think."

Ye Chen gave these people 1 minute to think where they would anchor, whether they would choose to anchor at his stronghold or Feng Jinx's stronghold.

The decisions they take now will affect the future destiny they have.

The people that Ye Chen had previously pointed at were now starting to think very hard, they were all a little confused about whether they should believe Ye Chen or Feng Jinx.

The choice in front of them is very difficult, right now they are all in quite a serious dilemma.

The other people didn't stop Ye Chen, they wanted to see what Ye Chen would do.

While these people were thinking, Ye Chen secretly used Perfect Steal to take out the antidote that was in Feng Jinx's body.

Using Perfect Steal, Ye Chen could very easily take out the antidote that was in Feng Jinx's body.

Now that Feng Jinx no longer had an antidote on his body, the antidote that Feng Jinx have was already in Ye Chen's hands.

As said by Ye Chen before, if these people didn't side with him, then they wouldn't get the antidote from Feng Jinx.

Because now the antidote that Feng Jinx had was in Ye Chen's hands.

The time of 1 minute quickly passed, it was time for these people to vote.

"So , what are your choices ?" Ye Chen asked the choice taken by the people who were poisoned.

Of all the people who were exposed to the poison, only 2 were willing to believe in Ye Chen, the rest still believed in Feng Jinx who did have an antidote for the poison in their body.

Seeing that there were two people who chose to be in his stronghold, Ye Chen felt quite happy, these two people alone were enough for Ye Chen to change things.

"This is the antidote for the two of you." Ye Chen didn't immediately order these people to talk about who the person who poisoned them was.

Ye Chen first gave the antidote to the two people who decided to be key witnesses to Feng Jinx's crimes.

Seeing Ye Chen giving the antidote to the two of them, these two people were very excited, they both immediately received the antidote from Ye Chen.

When Ye Chen took out the antidote bottle, Feng Jinx who was in the distance felt that the bottle looked very familiar to him.

"Wait a minute, why is that bottle so similar to the one I have?" Feng Jinx began to feel that the bottle in Ye Chen's hand was very similar to the one he had.

The two people who received the bottle from Ye Chen immediately opened and drank what was in the bottle, both of them had great confidence in Ye Chen.

After drinking the antidote that was in the bottle, the two of them felt that their bodies had become a little lighter, this was different from before it felt a little heavy.

After finding out that this really was genuine, the two people who had been poisoned before were overjoyed.

"So, can you tell me who is the person who threatened you with poison?" After giving these two people the antidote, Ye Chen immediately asked who was the person who had threatened the two of them using this poison.

"It's Feng Jinx, he is the one who threatened us with poison." These two people told Ye Chen said that the person who had threatened them was Feng Jinx.

"You two, how dare you conspire with outsiders to frame me?" Feng Jinx started to act like the person Ye Chen was trapping.

"These two people have admitted, you still insist on arguing." Feng Jinx does have quite thick facial skin, this person still doesn't want to admit to the crimes he has committed.

"Feng Jinx, just admit to all the crimes you committed, not only did you poison my grandfather and these people, yesterday you also dared to sell me to someone." Feng Xue started to speak to help Ye Chen.

Feng Xue was fed up with Feng Jinx's behavior like this, she wanted this shameless man to admit to all the crimes he had committed.

everyone was quite shocked when they heard this, they still didn't believe that Feng Jinx would sell his own nephew to someone else for money.

Feng Jinx, still unwilling to admit his actions, he still insisted that he was innocent.

If all the bad people admit the crimes they have committed, then the prison in this world can be full of criminals.

"So you still don't want to admit it, then don't blame me for using this method." Ye Chen will use a special method to cornered Feng Jinx.

"You dare to. . . , cough." When Feng Jinx wanted to curse Ye Chen, he suddenly felt something enter his mouth.

Ye Chen just threw something into Feng Jinx's mouth in an extremely fast motion.

"Cough. . . , cough. . . ," Feng Jinx coughed very painfully.

"What did you just give my son?" The second elder immediately asked what Ye Chen given to Feng Jinx.

"Hmmm, who knows, I found it in near Mr. Feng Luo's bed, so you should know something about it." Ye Chen told me that what he just gave Feng Jinx was something found on Feng Luo's bed.

Hearing this, Feng Jinx immediately broke out in cold sweat, Feng Jinx of course knew what Ye Chen was talking about, this must be the poison that he put on Feng Luo's bed.

Feng Jinx frantically started to search for the antidote bottle in his body, when Feng Jinx searched for the antidote bottle in his body, he found that the antidote bottle in his body had disappeared somewhere.

Feng Jinx started to panic when he couldn't find the antidote bottle that was stored in his body.

"Jinx, what happened?" Seeing the oddity of his son, the second elder immediately asked what really happened.

"Father, the antidote bottle that was in my body is gone." Feng Jinx informs Second Elder that the antidote bottle in his body is missing.

"What!!!" The second elder was quite surprised when he heard this, how could Feng Jinx be so careless and omit such an extremely important item.

Some people started to hear what Feng Jinx said, especially the people who believed that Feng Jinx had an antidote for their poison.

"Hey Feng Jinx, what do you mean by that, so you didn't have from the start the antidote for this poison?" The people who previously defended Feng Jinx starts to get angry when he sees Feng Jinx doesn't have the antidote.

When these people found out that Feng Jinx didn't have what they wanted, these people were quite disappointed.

Even though they already really believed in Feng Jinx, it's unexpected that it's Feng Jinx will trick them all.

If they all knew this from the start, they'd rather be a witness for Ye Chen to get an antidote from Ye Chen.

The discord in Feng Jinx's stronghold could no longer be avoided, the people who previously believed in Feng Jinx began to question Feng Jinx about their antidote.

Chapter 612 - Feng Jinx's Rottenness Was Exposed

Ye Chen was happy to see a split in Feng Jinx's stronghold, this way, they would attack each other.

This is what Ye Chen wanted, from the start he wanted the stronghold of Feng Jinx to become divided.

"You all shut up." Feng Jinx told these people to shut up and not speak anymore.

"Who are you so brave enough to rule us, you now don't have anything to control us" one by one the people who were previously threatened by Feng Jinx started defecting to Feng Jinx

Feng Jinx was very depressed, he did not expect that the situation would turn like this.

This man named Ye Chen had actually dared to interfere with a plan that had been so thoroughly prepared.

It was only in the count of all Feng Jinx's plans that had been so perfectly planned that they could just be destroyed.

"You all stop saying bad things to my son, you all have no right to judge someone", the second elder started to get angry when he saw his son being pressured by people.

"Second elder, your son made a pretty big mistake, if you defend him then that means you collaborated with your son from the start." Feng Luo tried to pressure the second elder.

"Brother, are you really doing something cruel like that?" The first elder did not expect that the second elder would defend Feng Jinx like that.

Even though the first elder wanted Feng Kunze to be the leader of the Clan, he wouldn't do anything bad like Feng Jinx and the second elder did.

The second elder looked at Feng Luo and the first elder, it turned out that these two old farts also suppressed him too.

It seems like the father and son have cornered each other, they can no longer move as they wish.

"Look at these people who have admitted directly that you are the one who has the antidote, it means you are the one who has threatened these people right?" All the witnesses there are enough for Ye Chen to turn Feng Jinx into a criminal.

A bad person like Feng Jinx is not worthy of being a Clan leader, if for a bad person like Feng Jinx to become a Clan leader, then this Clan will stray from its original path.

"You bastard." Feng Jinx glared at Ye Chen, he looked very angry at Ye Chen.

If only Ye Chen hadn't been here in the first place, then Feng Jinx would have been able to get the Clan head position very easily.

"I think that with this incident Feng Jinx will be declared disqualified." Feng Luo immediately took this opportunity to disqualify Feng Jinx from the future Clan leader.

That way Feng Jinx would no longer be able to become the leader of the Feng Clan.

"Get rid of him, don't let him become the leader of this Clan", many people supported what Feng Luo was doing, they didn't want this Clan to be led by someone like the greedy and evil Feng Jinx.

The second elder immediately slumped into his seat when he heard this, he did not believe that Feng Jinx would fail at such an important moment.

Even though they almost got what they wanted, everything immediately turned 180 degrees like this.

Feng Jinx gritted his teeth, it seemed like he had completely failed to get the Clan head position, according to Feng Jinx all of this was Ye Chen's fault.

"Very nice. . ., Very nice. . ., Very nice. . ., so you dare to drive me out, since you are all now my enemies, don't blame me for using this method." Feng Jinx couldn't stand this humiliation anymore, this time he had to get what he wanted even if he had to kill the people there. here.

"Grand Master Junya, please help me to take care of these people, after you finish taking care of them, I will give you everything you want" Feng Jinx asks Grand Master Junya who is beside his father to help take care of those who have opposed him.

"Finally you asked me too, you know my hands have been itching to beat people", Grand Master Junya was quite excited to hear this, finally he was able to beat up the people who were here.

Grand Master Junya started to emit an intimidating aura from his body, when the Grand Master Junya gave off this intimidating aura, everyone who was here felt that their bodies felt a little heavy.

The people here didn't know why their bodies were getting heavy, they only felt that there was concrete pressing on their bodies.

The people in this place were all normal humans, it wasn't strange that the pressure emanating from Grand Master Junya made their bodies heavy as if they were pressed by concrete.

In this place there were only two people who weren't affected by the intimidating aura emitted by Grand Master Junya.

First was Ye Chen, and the second was the old man who was beside Feng Kunze.

"It doesn't matter if I kill them? , Grand Master Junye asked Feng Jinx is it okay to kill these people.

"It's up to you, the important thing is for people to accept the consequences for having dared to fight me." Feng Jinx no longer cares about the life and death of these people.

What Feng Jinx had in mind right now was that he wanted to master this Feng Clan.

"Feng Jinx, how dare you do this, are you not ashamed of that Feng surname you have." One by one the people who were here cursed Feng Jinx's actions.

They were very annoyed when they heard that Feng Jinx wanted to kill them all.

"Shout as you please, your old bones will soon fall out, hahahaha." Feng Jinx laughed in satisfaction at the people who were being suppressed by the aura emitted by Grand Master Junyi.

"Second elder, you really raised a shameless child, he even dared to kill his own family, how will you meet our ancestors in the future", The first elder looked at the second elder with a gaze of wrath.

How could someone like the second elder not be angry when he saw a member of this family who wanted to slaughter everyone in here, anyone would be angry when they saw this.

The first elders might not really like Feng Luo, but they still had the same blood, so there was no way the first elders or Feng Luo would injure each other, at best they would fight to try to seize power in this Clan.

The second elder started to cover his ears and pretended not to hear what the first elder said.

Everything has become like this, there is no more reason for the two of them to retreat, if they retreated at this time, surely both of them would be expelled from this Feng Clan.

The Second elder had been comfortable living in luxury for a long time, he didn't want to be a tramp on the streets together with Feng Jinx.

It would be better if the second elder should join his son in getting rid of these people, so that the treasures in the Feng Clan and Feng Group could become theirs completely.

It was not a bad thing to obtain all the treasures and assets that existed in the Feng Clan and Feng Group.

"Grand Master Junya , hurry up and get rid of these people, their voices make my ears hurt." Feng Jinx told Grand Master Junya to immediately get rid of the people who were here.

"Very well." Grand Master Junye started to move forward to get rid of the people who were Feng Jinx's enemies.

"master Muye , please help us." The first elder tasked Master Muye for help to them against Grand Master Junye.

Chapter 613 - Momes From The Same Martial Arts School

Master Muye finally opened his eyes, he looked straight at Grand Master Junye.

"Senior brother, even though it's been a long time since we saw you, you still like to fight like that." Master Muye calls Grand Master Junye a senior brother.

It seems that the two of them are the same martial arts school siblings, they almost have very similar names behind them, so no this is not unusual.

Everyone here was quite surprised to find that these two people were from the same martial arts school, this was something that no one here had thought of.

Even Feng Jinx and Feng Kunze did not know that these two people were from the same martial arts school.

Master Muye and Grand Master Junye were not from the capital, it wasn't strange that Feng Jinx and Feng Kunze didn't know about this.

"Grand Master Junye, do you know that person?" Feng Jinx asked Grand Master Junye if he knew Master Muye or not.

"Yes, I know that person, we used to come from the same martial arts college." Grand Master Junye did not deny that he knew Master Muye.

Hearing this, Feng Jinx was quite happy, if Master Muye was indeed Grand Master Junye's junior, then Feng Jinx could make the two of them help him.

"Grand Master Junye, why don't you invite Master Muye to join us, I'm sure he will become our friend." Feng Jinx told Grand Master Junye to invite Master Muye to be friends.

"That's impossible, my relationship with that person is not very good, so maybe he won't want to talk to" Grand Master Junye told Feng Jinx that the relationship he had with Master Muye was not very good.

In the past, Grand Master Junye and Master Muye had a problem that made their relationship worse.

Therefore, the masters of the two of them put them in different places, now Master Junye lives in the western part of the country, while Master Muye lives in the eastern part of the country.

The two of them were in opposite areas, therefore they had not seen each other for a while.

"I see, what a shame." Feng Jinx was a little disappointed after hearing this, it seems this person can't be included in his stronghold.

"Looks like you already look a lot better than the last time we met." Grand Master Junye informed him that Master Muye had only gotten a little stronger than the last time the two of them met.

"You too, you are now getting older and wrinkled from the last time we met." Master Muye told Grand Master Junye that he had gotten older since the last time they met.

These two old men were like children who when they met each other mocked each other.

"You are brave enough to insult this old man, do you really have the confidence to fight me? ", Grand Master Junye challenged Master Muye.

" Why not? I've been training hard for several years, now my strength is much stronger than before.

"Master Muye is not afraid of Grand Master Junye's challenge.

Master Muye is eager to compare the strength he has with the strength possessed by him Grand Master Junye.

"Then let's see who is stronger between the two of us." Grand Master Junye couldn't take it anymore, he was very itching to fight Master Muye.

Master Muye looked very excited, he immediately advanced towards Grand Master Junye.

Grand Master Junye and Master Muye started exchanging blows, when the two of them exchanged blows, a blast of wind occurred in this room.

This wind blow is not too strong, at most like standing on a wide expanse of grass while enjoying the refreshing breeze.

Almost everyone here was shocked when they saw what Grand Master Junye and Master Muye had just done , just from exchanging blows, the two of them could create a blow of wind.

Ye Chen retreated slightly, he made room for the two to fight.

Ye Chen didn't stop Grand Master Junye and Master Muye from fighting, he let the two of them fight with each other.

Ye Chen was not at all worried that these two people would destroy this mansion, with the strength of these two who were only at the early stages of the Earth Realm, they were not strong enough to destroy the Feng family mansion.

Especially with Ye Chen here, the two of them definitely wouldn't be able to do something like that.

Grand Master Junye and Master Muye kept exchanging blows, every time they exchanged blows, there would be a slight gust of wind.

The battle that occurred between Grand Master Junye vs Master Muye became a very interesting spectacle for the people who were here.

They rarely saw a Grand Master fighting like this.

Ye Chen started to yawn a little when he saw the battle that took place between Grand Master Junye vs Master Muye, according to Ye Chen the battle of the two was very boring to see.

Ye Chen's current cultivation level was already very high, so it wasn't strange that he was bored when he saw the battle that took place between Grand Master Junye vs Master Muye.

The battle between the two of them looked quite fierce, no one wanted to budge between Grand Master Junye and Master Muye.

Even though the battle was quite fierce, Ye Chen already knew who would win and who would lose this battle.

"Take this." Grand Master Junye finally let out a fairly powerful palm strike towards Master Muye.

Master Muye didn't have time to fend off the attacks coming from Grand Master Junye.

"Bam" Master Muye finally flew through the wall and out of this room.

Everyone who was here was quite shocked when they saw this, they did not expect that the scene that is usually on television would be seen in the real world like this.

The battle between martial arts masters was extremely powerful, the two of them were extremely powerful beyond human expectations.

Master Muye vomited a large amount of blood, it seemed like the attack just now was badly injured.

"Hahahaha, junior brother, is that the only ability you have? , you really haven't progressed from the last time we met. " Grand Master Junye started insulting Master Muye who was currently quite badly injured.

Master Muye didn't expect that Grand Master Junye would become this strong since the last time meeting they had.

At first Master Muye thought that he was much stronger than Grand Master Junye, unexpectedly he was still far behind Grand Master Junye.

"Master Muye, are you all right? "The first elder immediately asked Master Muye's situation.

If Master Muye lost here, then all of them would be finished.

"Sorry, I can't help you in a situation like this." Master Muye suddenly fled from this place.

Seeing Master Muye running away from this place, everyone here became dumbfounded.

"Hahaha, he really did run away." Feng Jinx looked very happy when he saw the Master who was invited by Feng Kunze running away like that.

"Grand Master Junye, you are really amazing." Feng Jinx praised Grand Master Junye, Feng Jinx was very happy because it was right to invite the right person to help him.

"Always that person was like that, he always ran away when he lost a fight with me." Grand Master Junye told Feng Jinx that Master Muye was like that.

"Jinx, don't waste any more time, hurry up and finish everyone here." The first elder told Feng Jinx to immediately finish the people here.

"Father you need not worry, soon I'll tell the Grand Master Junye for right away these people" Feng Jinx said to the elder first.

"Grand Master Junye please take care of them as soon as possible." Feng Jinx asked Grand Master Junye to get rid of the people as soon as possible.

"Very well" since the distraction has been eliminated, it's time to get rid of the people who are here.

Everyone here started to be very anxious, the only person who could fight against Grand Master Junye had already left this place.

now they didn't have someone who could help them against the mighty power from Grand Master Junye.

Grand Master Junye started to take light steps forward, when Grand Master Junye took light steps, almost everyone in this place reflexively retreated backwards.

almost everyone in this place was afraid when they saw Grand Master Junye's arrival

Chapter 614 - Crushed Grand Master Junye's Old Bones

"Now that nothing can protect you anymore, be prepared to experience a torment more painful than death." Grand Master Junye couldn't wait to beat up the people who were here.

"Feng Jinx You bastard, watch out for you." Everyone started cursing Feng Jinx as loud as they could, they were all venting their frustration with Feng Jinx.

"Hahahaha." Feng Jinx burst out laughing, he was enjoying the moment when he became a winner.

Ye Chen, who had been silent all this time, began to move forward, he blocked Grand Master Junye's path.

Grand Master Junye looked at Ye Chen who was currently blocking the road, for some reason this young man did not have a fear of him.

While everyone here was afraid of him, Ye Chen even very boldly blocked his way.

Everyone who was here looked at Ye Chen, they all wanted to know what Ye Chen would do by blocking Grand Master Junye's path.

"Hey old man, you better go home and enjoy your old age, here is not suitable for an old man like you." Ye Chen told Grand Master Junye to come home immediately to enjoy the old age he had.

The jaws of everyone here almost fell when they heard what Ye Chen had just said.

This young man was very brave enough to speak of someone like Grand Master Junye in such a manner, this was something that no one in this place had ever imagined.

After seeing Grand Master Junye's abilities, who would dare insult Grand Master Junye with the words of a weak old man.

"kid, you are very brave, I admit that at this young age you are a very brave person, but you have to limit something in the world." Grand Master Junye admitted that Ye Chen was a very brave person.

"Old man, I warned you, don't let me knock out those old bones that you have." Ye Chen again warned the old man in front of him to get out of here as fast as he could.

Ye Chen is a good man, he was kind enough to tell Grand Master Junye to leave this place.

"Grand Master Junye, just kill him, I hate that man enough." Feng Jinx ordered Grand Master Junye to kill Ye Chen.

Ye Chen was the one who had messed up all of Feng Jinx's perfect plans, it wasn't strange that Feng Jinx now hated Ye Chen so much.

"Looks like you are looking for death, if that's what you want then I will grant it" Grand Master Junye prepared to hit Ye Chen with all his strength.

When Grand Master Junye's punch was about to hit Ye Chen, Ye Chen used his left hand to hold back the punch launched by Grand Master Junye.

"Bam" a strong blow occurred when Ye Chen's palm met Grand Master Junye's punch.

Grand Master Junye's punch was held back very easily by Ye Chen.

"Huh?" Everyone was shocked when they saw Ye Chen endure the blow from Grand Master Junye quite easily.

"Old man, you are so weak, you better go home and rest at home." Ye Chen told Grand Master Junye to just go home and rest, his strength is still far from fighting against Ye Chen.

"Grand Master Junye, what are you doing, quickly kill that boy." Feng Jinx thought that Grand Master Junye was playing with Ye Chen, so he ordered Grand Master Junye to get serious and kill Ye Chen.

Grand Master Junye was someone who really knew what was going on, he still couldn't believe that his attack was so easily resisted by Ye Chen.

Grand Master Junye tried to pull his hand back, when Grand Master Junye tried to pull his hand back, he found that his hand was caught and couldn't be pulled back.

Grand Master Junye tried to use all the strengths he had, but he still couldn't get his hands out of Ye Chen's grip.

"Quickly let my hand go" Grand Master Junye shouted at Ye Chen to let go of his hand.

"I will let you go if you promise to leave this place." Ye Chen will let go of Grand Master Junye's hand if he wants to leave this place.

"No, I won't leave this place." Grand Master Junye refused to leave this place.

Grand Master Junye didn't want take the words from a young man like Ye Chen, if he does what says Ye Chen, then he would lose face quite a lot in the cultivator world.

"Listen old man, I've warned you many times, don't let me really shed your old bones." Ye Chen was kind enough to warn Grand Master Junye repeatedly.

Unfortunately Grand Master Junye continued and continued to ignore the warnings he gave.

"Kid, you are so arrogant, then feel this." Grand Master Junye used the profound energy he had to drive Ye Chen who was in front of him.

Ye Chen only felt amused when he felt the power that Grand Master Junye had just released .

"I gave you one last chance, so don't blame me for being cruel" because Grand Master Junye kept ignoring Ye Chen's warnings.

Ye Chen was forced to use force to deal with this old man.

Ye Chen started to accumulate a bit of the profound energy he had in his hand that was used to hold Grand Master Junye's hand.

"Crack" Suddenly a very loud cracking sound echoed throughout this room.

"Arrgggghhh" after a very loud cracking sound was heard, a scream of pain began to fill this place.

This screaming sound naturally came from Grand Master Junye, at this time the arm used by Grand Master Junye had been torn into pieces.

Because the arm that Grand Master Junye was using was torn apart, everyone could see what was going on with Grand Master Junye's hand .

Grand Master Junye's hand began to spit out a large amount of blood from between the pores he had.

The blood that flowed quite a lot, this blood began to pool the floor under Grand Master Junye's feet.

Everyone saw what happened to Grand Master Junye's hand, they all saw that Grand Master Junye's hand suddenly hurt like that.

Whereas previously Ye Chen had done nothing to Grand Master Junye, but now Grand Master Junye suddenly became like this.

At this moment, the bones in Grand Master Junye's hands were completely crushed into pieces.

The power that Ye Chen had just used crushed Grand Master Junye's bones so easily .

"Xue, is Ye Chen a master? "Seeing this incident, Feng Luo immediately asked Feng Xue.

"Grandfather, I remember Ye Chen called himself a cultivator." Feng Xue told Feng Luo that Ye Chen was a cultivator.

"Cultivator." Feng Luo muttered in a low voice.

It turned out that all this time Ye Chen was a cultivator who was still quite young, it's no wonder he looked not afraid when dealing with Grand Master Junye who was also a cultivator.

It was unexpected that Feng Xue would have a relationship with a cultivator like Ye Chen.

If Feng Xue could have a good relationship with Ye Chen, surely in the future all matters would be very easy to handle.

Chapter 615 - Feng Jinx Was The Target Of The Mob Rampage

"Arghh my hand" Grand Master Junye continued to scream in pain when he felt his hand that had been crushed like this.

"You, how dare you do this to me" Grand Master Junye pointed at Ye Chen using his intact hand.

"Hey old man, I warned you before, so don't blame me" Ye Chen had warned Grand Master Junye to leave here, but Grand Master Junye was still stubborn and didn't want to listen to his warning.

Grand Master Junye kept looking at Ye Chen, he still didn't believe that Ye Chen was a cultivator just like himself.

"So do you want to go or not?" Ye Chen asked one last time whether Grand Master Junye wanted to go or not.

Ye Chen started to use the aura he had to suppress Grand Master Junye.

The current Grand Master Junye was quite oppressed by the strength possessed by Ye Chen, he was like being suppressed by an enormous mountain.

"Fine, I'll go." Grand Master Junye became more and more afraid of Ye Chen, he preferred to leave instead of dealing with Ye Chen.

Grand Master Junye tried to escape as fast as he could, he didn't want to stay any longer with this little devil.

"Grand Master Junye, where do you want to go? "Feng Jinx wants to stop Grand Master Junye from trying to leave here.

"I want to go. Find someone else to help you." Grand Master Junye snapped at Feng Jinx who tried to stop him, he even asked Feng Jinx to find someone else who would deal with Ye Chen.

Honestly, Grand Master Junye couldn't afford to deal with Ye Chen, therefore he preferred to run away from dealing with Ye Chen.

Feng Jinx was dumbfounded at the words of Grand Master Junye, he couldn't believe that a Grand Master like Junye would be afraid of a young man like Ye Chen.

Grand Master Junye didn't dare to stay any longer, he immediately left this place.

"Feng Jinx" everyone who was here started screaming towards Feng Jinx.

The people who were here wanted to vent their annoyance on Feng Jinx who previously wanted to kill them all.

Now that Grand Master Junye was gone, Feng Jinx did not have a weapon to deal with the people who were here.

"Hey guys, before I was just joking so don't take it personally." Feng Jinx started to panic when he was being chased by the people who were here.

Not only was Feng Jinx panicked, at this time the second elder was also a little panicked, now that Grand Master Junye had left, then who else could help both of them from the rage of the people who were here.

"Everyone let's beat them both." One person started to invite the others to go beat up Feng Jinx and the second elder.

"Yes, let's beat them both." Everyone here immediately agreed, they all immediately rushed towards Feng Jinx and the second elder.

"Father, let's get out of here." Feng Jinx invited the second elder to escape from this place, if they continued here then they would die beaten by this many people.

"Yes, let's go." The second elder completely agreed with Feng Jinx's suggestion, he immediately followed Feng Jinx away from this place.

Everyone didn't let Feng Jinx and the second elder escape so easily, they all chased after Feng Jinx and the second elder.

Everyone wants to settle the accounts they have with this son and father.

Very quickly everyone in this room chased towards Feng Jinx and the second elder who had fled.

In this room now only Ye Chen, Feng Xue, Feng Luo and the first elder were left.

"I can't believe that the second elder and his son are this kind of person." The first elder still couldn't believe that the second elder and Feng Jinx were planning something this evil.

"I'm the same too, I don't believe the two of them would do something like that." Feng Luo also still didn't believe that the second elder and Feng Jinx would do something like that to their fellow Clan members.

"Luckily this time all their plans both failed, if they both managed to get what they wanted, surely this Clan will be very chaotic." The first elder was relieved when he saw the plan of the second elder and Feng Jinx fail.

"Yes luckily those two plans failed, I also have to thank master Ye Chen, he has helped in this matter." Feng Luo lowered his head and thanked Ye Chen.

After seeing Ye Chen's strength and abilities, Feng Luo now began to have great respect for Ye Chen.

In this world strength is everything, as long as you have strength you will be respected.

"Grandpa Feng raise your head, you don't have to do that, I did it because I wanted to help this family." Ye Chen told Feng Luo to raise his head.

Feng Luo raised his head, he started to look straight at Ye Chen.

"What a really great youth, at this young age you already have this kind of ability." The first elder began to praise Ye Chen.

"Thank you very much for the compliment." Ye Chen thanked the praise that came from the first elder.

On Ye Chen's side, the current Feng Xue was very happy, she was happy when she saw Ye Chen being praised by her grandfather and the first elder.

Every woman will be like this, they like to see the guy they like being complimented like this.

"Rumble. . ., Rumble. . ., Rumble. . .," Suddenly there was a violent shaking that hit this place, the Feng family's Mansion began to shake violently in when there was a shaking.

"The bitch from the Feng family, hurry out now." Outside came the voice of a man who could shake the whole Mansion.

"What's more?" Feng Luo wanted to know what was happening outside right now, who was the owner of this voice.

"Father, father, father." Feng Kunze frantically walked into this room.

"Kunze, what's wrong? ", The first elder immediately asked Feng Kunze what was going on outside.

"Father, outside there is a man who can float while covered by lightning." In a very panic Feng Kunze started to tell everyone that outside there was a man who was floating around while his whole body was covered by lightning.

"What! ! "Feng Luo and the first elder were both shocked when they heard this.

"Let's have a look." Feng Luo invited everyone to go and see what was happening outside at this time.

Feng Luo, first elder and Feng Kunze immediately went outside to see what was happening at this time.

"Husband, what really happened?" Feng Xue started to get scared by what just happened.

"Calm down, this is just an insect that wants to find trouble with us." Ye Chen told Feng Xue not to worry, the people outside weren't capable enough to make things difficult for Ye Chen.

"Let's go out." Ye Chen took Feng Xue out and saw the person who wanted to find Feng Xue.

Feng Xue immediately followed Ye Chen, she started hugging Ye Chen's hand as she was still a little afraid of what was going on out there.

Chapter 616 - Ye Chen Vs Xiao Xian

Ye Chen and Feng Xue immediately went to the front yard of this mansion.

When Ye Chen and Feng Xue arrived outside the mansion, there were already countless people in front of the mansion.

Ye Chen and Feng Xue saw that the sky around the city became very dark, there were lots of lightning and lightning striking everywhere.

This phenomenon is very frightening, many people are afraid of the strange phenomenon that is happening at this time.

Right above the sky, there was a man who was hovering while being enveloped by thousands of thunderbolts around his body.

This man exuded an extremely terrifying strength, just looking at this person made everyone here feel oppressed.

"Dear senior, what have you come here for?", Feng Luo stepped forward and saluted the man who was currently hovering above the sky.

Feng Luo knew that this man above the sky was extremely strong, he couldn't help offending the senior who was currently hovering above the sky.

"Stop making small talk with me, quickly call the Bitch from the Feng family here." The man in the sky told Feng Luo to call the prostitute of the Feng family.

"Senior, who do you mean by that? "Feng Luo still doesn't understand who this senior is referring to.

"I'm looking for Feng Xue's Bitch, hurry up and bring her here." The man in the sky had actually come here looking for Feng Xue.

Hearing what the man who was currently in the sky said, everyone immediately looked at Feng Xue with suspicious gaze.

Actually what Feng Xue did until a great senior came here looking for him.

Hearing this, Feng Xue started to hide behind Ye Chen's body, she started to be afraid of the man above the sky.

"What is it? Senior is looking for Xue." Feng Luo wanted to know why a great senior wanted to find Feng Xue.

"I came here to settle business with that bitch" the man in the sky said to Feng Luo that he came to settle me with Feng Xue.

"Husband, this person really came for me." Feng Xue became afraid, she continued to hide behind Ye Chen.

"Xue calm down, I am here, nothing will be able to hurt you if I am here" Ye Chen tried to calm Feng Xue who was currently looking scared.

Ye Chen looked at the man who was currently hovering above the sky, this man was really so brave to make Feng Xue fear like this.

Ye Chen was going to make this person pay for daring to frighten her woman like this.

"Who are you, why are you looking for Feng Xue? ",Ye Chen asked the man who was currently hovering above the sky, Ye Chen wanted to know where this person came from.

"My name is Xiao Xian, I am an ancestor of the Clan Xiao" This man told Ye Chen his name.

Xiao Xian is an ancestor who comes from the Xiao Clan, Xiao Xian lives in the Holy Land of Kunlun to be precise and serves the Gates of Eternity Sect.

Due to some important reason Xiao Xian returned to the Xiao Clan he had left behind for a long time.

If it weren't for an important reason, Xiao Xian might never have returned to this mortal world again.

Ye Chen looked at Xiao Xian who was above the sky, it turned out that this man was an ancestor of the Clan Xiao.

If Xiao Xian is from the Xiao Clan, then that means Xiao Yunce is behind all of this.

It was unexpected that the Xiao Clan would have a strong person like Xiao Xian.

"So Xiao Yunce sent you here? " Ye Chen said to Xiao Xian.

"Xiao Yunce ?, He does not have the right to send me here , I came here because it involves the pride of belonging to Xiao Clan "with a force which is owned by Xiao Xian, no anyone who is able to make or ruled Xiao Xian.

Xiao Xian came here because of his own will, he wanted to punish those who dared to insult his Xiao Clan.

Although he was long gone from the Xiao Clan, Xiao Xian was still from the Xiao Clan, so it was not strange that he would be angry when someone dared to insult the Clan he belonged to.

It seemed that Xiao Xian was being used by Xiao Yunce to take revenge for what Ye Chen had done.

Xiao Yunce must have told Xiao Xian strange things that he wanted to go alone to this Feng Clan.

"I don't care about the pride that your Xiao Clan has, but you have scared Xue, be prepared to accept the consequences." Ye Chen wanted to make this person pay for scaring Feng Xue.

"Xue you wait here, I want to solve the problem with this person" Ye Chen told Feng Xue to wait here while he went to take care of Xiao Xian.

"Fine, but be careful when fighting that person." Feng Xue nodded very obediently, she told Ye Chen to be careful.

"Take it easy, I will definitely always be careful when fighting this person." Even though Ye Chen was much stronger, he was still very careful when fighting every enemy he encountered.

Ye Chen went towards Xiao Xian, he flew right in front of Xiao Xian's figure.

Everyone below was stunned by what Ye Chen was doing.

The people here couldn't believe that Ye Chen could fly like the great senior in front of them.

In Xiao Xian's eyes, there was a hint of shock when he saw that Ye Chen could fly, it seemed that this young man in front of him was a cultivator.

"So you are a cultivator, it is fitting that you are very brave to challenge me." Xiao Xian said to Ye Chen who was in front of him.

"Don't talk too much anymore, let's solve this problem as soon as possible", Ye Chen didn't want to waste any more time he had, he had to beat Xiao Xian immediately.

"Such an arrogant kid, be prepared to accept this old man's wrath." Xiao Xian felt insulted by Ye Chen, as a strong cultivator from the Kunlun Holy Land, Ye Chen's words were an insult to him.

Xiao Xian decided to go ahead and attack Ye Chen, he would make Ye Chen understand who he really was.

While being enveloped by lightning on his body, Xiao Xian charged towards Ye Chen.

Ye Chen also decided to go forward and attack Xiao Xian, from Ye Chen's body began to come out a profound fire that was extremely hot, this fire began to envelop Ye Chen's body.

Ye Chen and Xiao Xian were getting closer, both of them reached out and started to attack each other.

"Boom" Ye Chen's palm and Xiao Xian's palm met, when the two strikes of fire and lightning met, an extremely powerful explosion occurred above the sky.

This explosion was like a bomb shook the area around here, the people below began to leave to save themselves.

From below Feng Xue saw the battle that Ye Chen was fighting.

"Xue, let's get out of here, it's not safe here." Feng Luo invited Feng Xue to immediately go find a safer place.

This place was not safe, Feng Luo was afraid that they would all be dragged into the battle that Ye Chen and Feng Luo were doing.

This was the first time Feng Luo had seen the battle of someone who looked like God, he never imagined that the two powerful masters would meet and fight on top of his Feng Clan headquarters.

Chapter 617 - Open Warning For Xiao Clan

"No, I want to stay here." Feng Xue refused to leave, she was worried about Ye Chen who was currently meeting a strong person like Xiao Xian.

"Xue, Ye Chen will definitely be fine, we'd better save ourselves first." Feng Luo kept persuading Feng Xue to leave this dangerous place.

"No, grandfather can go alone." Again Feng Xue refused Feng Luo, she still insisted on staying in this place and watching the battle that Ye Chen was fighting.

Even though Feng Xue knew that she was of no use to Ye Chen, she still wanted to stay here to accompany Ye Chen.

"Sigh." Feng Luo sighed, it seemed that Feng Luo was unable to move the thoughts that Feng Xue had.

Unable to take Feng Xue away from this place, Ye Chen was forced to stay in this place to accompany Feng Xue.

As a grandfather, Feng Luo could not possibly have died Feng Xue in this place alone, which was why he would still accompany Feng Xue.

Meanwhile above the sky.

Currently Xiao Xian was forced to retreat a few kilometers from the exchange of blows they had just executed.

Xiao Xian still doesn't expect that he can experience defeat from the exchange they just had.

"This boy is not normal, he really has very strong strength." Xiao Xian said in his heart.

From the exchange just now he could immediately know that Ye Chen is a person who is no weaker than himself.

It seemed that Xiao Xian had underestimated Ye Chen from the start, he might have to be more serious in fighting Ye Chen.

Xiao Xian charged again at Ye Chen, this time he would use his full strength to attack Ye Chen.

"Lightning Hammer Fist" from Xiao Xian's fist appeared a terrifying thunderbolt.

Xiao Xian intends to use the Lightning Hammer Fist to attack Ye Chen.

Ye Chen saw the technique Xiao Xian was using, somehow Xiao Xian's technique was no stranger to Ye Chen.

"Is this person from the Gates of Eternity Sect?" Ye Chen started to think that Xiao Xian came from the Gates of Eternity Sect.

"I see, this person is from the Gates of Eternity Sect, then there is no more reason to hold back against this person." Seeing that Xiao Xian was from the Gates of Eternity Sect, Ye Chen would no longer hold back.

After the Frozen Ice Sect raid incident by the Gates of Eternity Sect, Ye Chen didn't really like the Gates of Eternity Sect.

It could be said that the Gates of Eternity Sect were now Ye Chen's enemy.

Ye Chen greeted Xiao Xian's attack using just an ordinary punch.

"Bamm" Ye Chen's punch collided with Xiao Xian's Lightning Hammer Fist.

Again Xiao Xian was forced to retreat by the punch that came from Ye Chen.

Xiao Xian immediately grabbed his hand which he just used to attack Ye Chen.

The hand that Xiao Xian had just used to attack Ye Chen, was now broken and could no longer be used by him.

Xiao Xian tried to endure the pain in his hand which was just broken by Ye Chen.

"So you're from the Gates of Eternity Sect?" Asked Ye Chen to Xiao Xian who was in front of him.

"How do you know that I'm from the Gates of Eternity Sect?" Xiao Xian was a little surprised when he saw that Ye Chen could tell he was from the Gates of Eternity Sect.

Even though Xiao Xian never mentioned anything about the Gates of Eternity Sect, why did Ye Chen know that he came from the Gates of Eternity Sect.

"Wasn't that attack you just used from the Gates of Eternity Sect?", Ye Chen said to Xiao Xian.

Ye Chen firmly believed that the Lightning Hammer Fist came from the Gates of Eternity Sect, it was the attack Hong Ming had used against Ye Chen.

"So you know that the Lightning Hammer Fist I use comes from the Gates of Eternity Sect, have you ever met anyone from the Gates of Eternity Sect?", Xiao Xian asked Ye Chen.

"Of course, I have quite a bit of unfinished business with your young master." Ye Chen still hasn't finished the account with Hong Won, if he meets Hong Won again then he definitely won't let that person go.

"Young Master Hong Won has died, are you one of the people involved in the murder of Young Master Hong Won?" Xiao Xian starts to suspect that Ye Chen is one of the people involved in Hong Won's murder.

"What ?, so that shameless man is dead? I don't think I need to bother looking for that person." Ye Chen felt a little happy when he heard Hong Won died, that man really deserved what he should get.

"Bastard, how dare you say that to the young master of the Gates of Eternity Sect, I'll kill you." Xiao Xian didn't like way Ye's Chen looked down on the Gates of Eternity Sect.

Xiao Xian wanted to go and kill this young man in front of him using his own hands.

"You are not an opponent for me, I will immediately cripple your cultivation base," Ye Chen told Xiao Xian that he was not a worthy opponent for himself.

Ye Chen didn't want to waste time fighting Xiao Xian, he wanted to end this battle immediately.

"Breaking Meteor Blow" Ye Chen immediately attacked Xiao Xian who was in front of him by using the Breaking Meteor Blow.

Ye Chen used a swift motion towards Xiao Xian. "Bamm" Breaking Meteor Blow hit Xiao Xian's head.

Xiao Xian was immediately flown tens of kilometers when he received an attack from Ye Chen.

After receiving Ye Chen's Breaking Meteor Blow, Xiao Xian fell unconscious, he was seen fainted on the spot.

Ye Chen immediately went to Xiao Xian's body that was lying on the ground, Ye Chen lifted Xiao Xian's body using the strength he had.

Ye Chen brought Xiao Xian's body up into the sky, he went to bring Xiao Xian's body towards the Xiao Clan.

Ye Chen intends to return Xiao Xian who has become stupid to the direction where the Xiao Clan is.

After arriving over the territory belonging to Clan Xiao, Ye Chen threw Xiao Xian's body at the entrance of Clan Xiao.

Ye Chen also gave an open letter of warning to the Xiao Clan not to look for trouble with anyone anymore, otherwise everyone from the Xiao family would change like Xiao Xian.

After doing this, Ye Chen immediately left the Xiao Clan.

Hearing a strange sound that had just happened, people from the Xiao Clan started to go outside to see what was going on.

When they came out and saw what was happening, everyone was shocked, they saw that at this time Xiao Xian's ancestor was outside unconscious.

The guards don't dare to come near and see what happened to Xiao Xian, they are all afraid of the legendary Xiao Xian ancestor.

"Quickly call the Clan leader and the elders." One of the people ordered to call the Clan elders to see what was going on at this moment.

one of the guards immediately went to notify the Clan leader and the elders..

Chapter 618: Invite Feng Xue out on a date

Hearing this news, Xiao Yunce and the elders from Xiao Clan immediately went out to see what was going on, Xiao Yunce was currently sitting in a wheelchair, after being injured by Ye Chen right in the crotch, Xiao Yunce still couldn't walk or stand.

Xiao Yunce still felt an unbearable pain from the part of his crotch that Ye Chen had crushed.

When Xiao Yunce and the elders arrived outside, they all found that Xiao Xian was lying at the entrance.

"Ancestor Xiao Xian" everyone immediately checked what happened to the great ancestor of the Xiao Clan, when everyone examined Xiao Xian's body, they found that Xiao Xian's body became a vegetable, there was also a letter tucked into Xiao Xian's body.

"What is this letter", one of the elders of the Xiao family immediately saw the letter tucked into Xiao Xian's body.

The person who took the letter on Xiao Xian's body began to read the letter, when that person read the contents of the letter in his hand, he was very dumbfounded.

The contents of the letter in his hand turned out to be a warning to his Clan not to keep up with anyone else, otherwise they would all have the same fate as Xiao Xian.

"Everyone, look at this." The person who had read the warning letter immediately told everyone who was here to see what was in this letter.

Everyone immediately gathered and saw what was written in this letter, when they saw what was written in this letter, everyone was very surprised, they did not believe that what was written would be like this.

"It seems that Xiao Xian's ancestor has just offended a very strong person, otherwise how could he be defeated to such an extent?" One elder from the Xiao Clan said to everyone in this place.

"Looks like you are right, from now on we have to be a little careful, otherwise we will all be transformed into like Xiao Xian's ancestors." The elders began discussing with each other to discuss the contents of the warning letter written by Ye Chen.

Meanwhile Xiao Yunce crumpled the warning letter in his hands, Xiao Yunce did not expect that someone as strong as Xiao Xian could lose and be like this when dealing with the Feng Clan, actually who is the strong person behind the current Feng Clan.

Why was he so strong that a cultivator from the Kunlun holy land like Xiao Xian was unable to fight against him.

This is still a question for Xiao Yunce, he becomes curious who is the person behind the Feng Clan.

That night Xiao Yunce only vaguely remembers Ye Chen, he doesn't know who the person who saved Feng Xue is.

Xiao Yunce remembered that a mysterious man saved Feng Xue from him, after which Xiao Yunce did not know what had happened.

"Damn it." Xiao Yunce was so helpless, not only did he not get Feng Xue, he also lost his most precious thing as a man.

Fortunately, the elders still don't know that he has become an eunuch, if these elders find out that Xiao Yunce has lost his belongings, then it is certain that his position will be changed.

Xiao Yunce had to find a way to restore the lower body he had, otherwise sooner or later everything would be discovered.

After throwing Xiao Xian into the Xiao Clan territory, Ye Chen returned to the Feng family's Mansion.

"Master, who do you think killed Hong Won?" Chu Yuechan is a little curious about Hong Won's death.

"I also don't know about it, maybe he offended someone on the escape trip and was killed by that person." Ye Chen answered a question from Chu Yuechan.

With Hong Won's arrogance, that man might have offended someone other than Ye Chen.

"Well that might happen" Chu Yuechan said to Ye Chen.

Actually, Chu Yuechan already guessed who the person who killed Hong Won was, it was very likely that Dongfang Xiu was the person who killed Hong Won.

That cold woman was always helping Ye Chen behind the scenes, so it wouldn't be strange for Chu Yuechan to suspect that Dongfang Xiu was the one who killed Hong Won.

Ye Chen didn't think much of this, after all the person concerned had died, so there was no point talking about it.

In no time at all, Ye Chen had returned to the mansion, when Ye Chen arrived at the Mansion he found that Feng Xue was currently standing in the same place waiting for his return.

This girl was more daring than Ye Chen thought, she thought Feng Xue would go to find a safe place, it was unexpected that Feng Xue would remain here waiting for him.

Ye Chen descended right in front of Feng Xue and Feng Luo.

"Ye Chen" saw that Ye Chen had returned safely, Feng Xue immediately went towards Ye Chen.

Feng Xue immediately went to hug Ye Chen's body, Ye Chen also hugged Feng Xue's beautiful body.

The two of them embraced like lovers who had not seen each other for a long time.

"I'm back." While hugging Feng Xue's beautiful body, Ye Chen whispered in Feng Xue's ear.

"I'm glad you came back safely, I thought you wouldn't come back." Just now Feng Xue was very, very worried about Ye Chen's safety.

"Yes, I have, I'm back now, you don't need to worry anymore." Ye Chen tried to comfort Feng Xue.

Feng Xue seemed to be very worried about Ye Chen, she seemed to have considered Ye Chen the most precious person in her heart.

Feng Luo from a distance saw what Ye Chen and Feng Xue were doing, it seemed that the relationship the two had was more intimate than he thought.

Not wanting to disturb Ye Chen and Feng Xue's moment, Feng Luo decided to leave this place, he let Feng Xue and Ye Chen enjoy the beautiful moment they had.

Feng Luo turned out to be very understanding, he allowed Ye Chen and Feng Xue to make out like that.

After 10 minutes of hugging the two of them, Feng Xue finally wanted to let Ye Chen go.

As Ye Chen and Feng Xue looked around this place, the two of them no longer saw Feng Luo around this place.

"Uh, where did grandfather go?" Feng Xue immediately asked where Feng Luo had gone.

"Looks like he's gone, do you have a place you want to go to? ", Ye Chen asked if Feng Xue had a place to visit.

Since everything was finished, Ye Chen intended to invite Feng Xue to have a good time, for the rest Ye Chen could completely leave the affairs of the Feng Clan to Feng Luo.

Ye Chen didn't want to interfere too much in this matter anymore, after all Feng Jinx had already been kicked out of the Clan, Ye Chen and Feng Xue's goal had already been fulfilled.

"Is this a date invitation? ",Feng Xue asked Ye Chen.

"Yes, this is a date invitation" said Ye Chen to Feng Xue.

"It's fun, we can go to the cinema, the playground and many more places I want to visit." Feng Xue was immediately excited when she heard Ye Chen asking herself to go out on a date.

"So where do you want to go, let's go to the cinema first, there is a film I want to watch." Feng Xue wants to go to the cinema, she wants to watch a film together with Ye Chen.

Chapter 619: Feng Xue again Invited Ye Chen to hotel

Ye Chen invited Feng Xue to go to various places that he liked, the two of them looked very affectionate when taking a walk in the crowd.

Feng Xue was a little difficult to get out with Ye Chen when using the original appearance she had, which was why Feng Xue was forced to use something to hide the original appearance she had.

Luckily, Ye Chen has a way of dealing with this, he has already prepared a ring that can change one's appearance for a limited time.

Even though it was not as great as Fu Lanling's Nuwa ring, it was still more tolerable than having to wear a leather mask.

In this way, Ye Chen can still walk together with Feng Xue without having to worry about the fans of Feng Xue that they often meet.

As a star, Feng Xue had a lot of loyal fans in every corner of the country, moreover this was the capital city which was the headquarters of Feng Xue fans.

If they found out that their idol was dating Ye Chen, these people would have immediately hunted down Ye Chen like a big criminal.

Ye Chen still clearly remembered when Feng Xue's fans hunted him, it was very uncomfortable for Ye Chen to be chased by Feng Xue's fans like a criminal who had committed an enormous crime.

According to Feng Xue's request, Ye Chen invited Feng Xue to go to the cinema, playground, shopping center and many other places that Ye Chen visited.

All time Ye Chen accompanied Feng Xue to wherever she wanted, without realizing it was getting very dark.

Since it was already dark Ye Chen and Feng Xue decided to find a place to have dinner.

Ye Chen has not eaten for several days, he is currently quite hungry, Ye Chen feels that he can eat a lot of food at once.

During dinner Feng Xue continued to look at Ye Chen who was eating food, almost all of the food he ordered entered Ye Chen's stomach.

Feng Xue was delighted when she saw Ye Chen eating so heartily.

Initially Feng Xue was quite surprised to see Ye Chen's portion of food which was quite large.

"Husband, it was so much fun, I haven't enjoyed a date like this." Feng Xue looks very happy, she feels that today she feels very happy when dating with Ye Chen.

"Well I'm happy that you're happy, so where else do you want to go?" Ye Chen wants to know where they are going.

"It's enough night, how about we we look for a hotel to stay tonight" Feng Xue invited Ye Chen to find a hotel for them to stay tonight.

Ye Chen who was eating was a little dumbfounded when he heard Feng Xue invite himself to look for a hotel.

For Ye Chen, Feng Xue's invitation was an invitation to have a relationship between a man and a woman.

Seeing Ye Chen's gaze, Feng Xue's face turned slightly red.

Actually Feng Xue wanted to show something for Ye Chen a little, therefore Feng Xue invited Ye Chen to go to the hotel, at the hotel there would be no one to interfere with what Feng Xue wanted to show Ye Chen.

"Fine, but let me finish all of this." Ye Chen immediately agreed with Feng Xue's suggestion of finding a hotel.

Ye Chen very quickly finished all the food he had ordered, after finishing all the food that had been ordered, Ye Chen and Feng Xue immediately searched for the most beautiful hotel in this city.

Because of Feng Xue here, Ye Chen could easily find a hotel with the best facilities in the capital.

Ye Chen and Feng Xue immediately carried out a check in at this 5-star hotel, the receptionist at this hotel did not recognize Feng Xue at all, if they knew Feng Xue opened a room with Ye Chen, this would definitely be the biggest news in this century.

"This is the room key belonging to you two, have a good night." The receptionist gave a greeting to Ye Chen and Feng Xue.

Feng Xue received the room key from the receptionist, the room ordered by Ye Chen and Feng Xue was the best Extra Vip room in this hotel, they both could enjoy a happy night without needing to be disturbed by anyone.

"Let's go." Feng Xue invited Ye Chen to see what kind of room they had.

"Come on." Ye Chen was quite excited, he immediately carried Feng Xue to the room they had rented.

"I'm a little jealous of that woman, she got a very handsome man." The receptionist was jealous of Feng Xue for finding a handsome man like Ye Chen.

In the receptionist's eyes, Feng Xue looked like a normal woman, even the hotel receptionist felt that she was much prettier and sexier than Feng Xue.

The receptionist didn't know at all that this was Feng Xue who was a female star who was famous for her beauty all over the world

"Never mind, look at yourself, can you rent a room like that woman earlier, even though the woman's appearance is normal but she is quite rich, so it is possible that the man will want it because the woman is rich." The friend from the receptionist began to say not to be jealous of the life he has. by others.

"Well you're right, I'd better work hard so that I become a rich woman, that way I can get a handsome man like that." The receptionist decided to work hard so that one day she gets a handsome man like Ye Chen.

Ye Chen has now taken Feng Xue to the room they have rented, the room they rented is actually quite good, besides the room is very spacious, the bed here is also very large, at least this bed can fit. 15 adults above.

Ye Chen immediately threw Feng Xue onto the bed very gently.

After Ye Chen threw Feng Xue onto the bed Ye Chen began to climb onto the bed, Ye Chen immediately pounced on Feng Xue.

Feng Xue now looked like a little rabbit ready to be eaten by a hungry wolf.

"Husband, wait a moment." Feng Xue stopped Ye Chen from wanting to do something about her.

"What else ? ", Ye Chen asked why Feng Xue stopped him.

"It's my body is dirty, I want to take a shower first." It turned out that Feng Xue wanted to take a bath and clean her body.

Since Feng Xue had been out with Ye Chen all day long, Feng Xue's body was now a little dirty, which was why Feng Xue wanted to clean up first.

All women were the same, they didn't like it when they saw that their bodies were dirty, it seemed that it was true for Feng Xue too.

"That's not necessary, I think you're still pretty clean." To be honest, Ye Chen was a little reluctant when he had to let Feng Xue go, Ye Chen wanted to immediately try the tastes of the most popular female stars of this century.

Last night Ye Chen didn't get what he wanted, therefore today Ye Chen has to get what he wants, he has to get this girl completely.

"No, let me take a shower first" Feng Xue still insisted on taking a shower first.

Feng Xue likes to be clean, she doesn't want to look dirty in front of Ye Chen, that's why Feng Xue insists on taking a shower first.

Ye Chen is helpless, he is forced to let go of Feng Xue first, Ye Chen should probably be even more patient to get what he wants.

Chapter 620: Feng Xue's private concert

After being released by Ye Chen, Feng Xue immediately got up from the bed.

"Husband, please take out my shopping bag earlier." Feng Xue asked Ye Chen to take out the shopping bag that was previously purchased.

In order to simplify the date the two of them had previously had, Ye Chen decided to put Feng Xue's shopping bag in the fairy gate storage room.

"What do you want your shopping bag for?" Ye Chen wanted to know why Feng Xue wanted the shopping bag Ye Chen kept in the fairy gate storage room.

"Get it out quickly." Feng Xue told Ye Chen not to ask many questions and took out what she asked for.

Ye Chen started to take out Feng Xue's shopping bags, a few moments later in front of Ye Chen and Feng Xue several shopping bags appeared.

Feng Xue immediately chose a bag that was in front of him, Feng Xue began to check what was inside, after confirming that it contained the item he wanted.

Feng Xue immediately headed towards the bathroom in this room.

Feng Xue ran like a thief who was being chased by the crowd.

"Husband, don't peek, if you peek I'll be angry." Before going into the bathroom, Feng Xue didn't forget to warn Ye Chen not to peek at her.

"Click", then Feng Xue closed the bathroom door.

"What does this girl really want?" Ye Chen was curious about what Feng Xue wanted.

"If you are really curious about what that woman wants to do, why don't you just use the **God Eyes** technique you have to peek at what that beautiful star wants." Chu Yuechan suggested to Ye Chen to use the **God Eyes** technique to peek at Feng Xue who was in the bathroom.

"Yuechan That's a very good idea, let's try." Ye Chen wanted to try the advice given by Chu Yuechan.

Ye Chen started to use **God Eyes** to look inside the bathroom where Feng Xue was.

When Ye Chen used the **God Eyes** technique, the wall in front of Ye Chen immediately turned transparent.

after the wall became transparent he found that Feng Xue was currently starting to take off all the clothes she had.

After taking off all the clothes she had, Feng Xue immediately went to take a bath under the shower which was pouring out warm water.

Ye Chen who was currently peeking at Feng Xue became a little excited when he saw Feng Xue taking a bath right in front of him.

Feng Xue's beautiful body was visible very clearly before Ye Chen's eyes.

To think that Ye Chen would use a **God Eyes** technique for this kind of thing.

Feng Xue, who was washing herself, felt that someone was peeking at her taking a shower.

"It's strange, why do I feel someone is peeking huh?" Feng Xue's female intuition told her that right now someone was peeking at her.

Feng Xue started to look around this place, this place is so closed, there shouldn't be anyone who can peek inside this place.

Feng Xue then tried to go to the entrance, she wanted to make sure that Ye Chen didn't go to peek at her.

When Feng Xue arrived in front of the bathroom entrance, he saw that the door was still locked very tightly.

"Hmm, maybe it's just my feeling." Maybe it was just Feng Xue's feeling.

"OK, I'll continue to take a bath." Not finding someone peeking at her, Feng Xue started to continue cleaning up.

Outside the bathroom, Ye Chen saw what Feng Xue had just done.

"Looks like Xue can feel it when I peek at her." Ye Chen smiled with great pride.

It seemed that in the future he could use these **God Eyes** to do as many things as he wanted.

Ye Chen kept watching Feng Xue who was taking a shower, this girl was showering while singing very cheerfully.

5 minutes have started to pass, Until now Feng Xue still hasn't finished taking a bath.

Ye Chen started to feel dizzy when he used the **God Eyes** technique for a long time, it seemed like this technique could not be used continuously by him.

Feeling unbearably dizzy, Ye Chen was forced to retract the **God Eyes** technique he had.

When Ye Chen retracted his **God Eyes** technique, the sight of Feng Xue who was in front of Ye Chen disappeared and was replaced by a wall.

Ye Chen now knew that the **God Eyes** technique couldn't be used for a long period of time.

Since Ye Chen was a little dizzy, he started sleeping and closed his eyes, he needed some time to recover from his slightly dizzy self.

Time quickly passed, now almost 40 minutes have passed, and Feng Xue still hasn't come out of the bathroom.

This girl seemed to like taking baths too much to the point of forgetting that she had been inside for almost an hour.

Actually, Ye Chen couldn't take it anymore, he had always wanted to join Feng Xue in the bathroom.

But since he had already made a promise with Feng Xue, then Ye Chen couldn't help but have to wait.

Ye Chen didn't want to be labeled as a rude person by Feng Xue, which was why he tried to be a little patient a little longer in waiting for Feng Xue.

"Click" the sound of the door opening rang in Ye Chen's ears.

finally after Ye Chen's long wait, Feng Xue finally wanted to get out of the bathroom.

When Feng Xue came out of the bathroom, Ye Chen found that Feng Xue was wearing a very striking suit with a short skirt and long sleeves filled with fine decorations.

Feng Xue also used some accessories in her hair, Feng Xue's current appearance looked like she was going to do a music concert.

"Sorry to make you wait." Feng Xue apologized a little for making Ye Chen wait a long time.

"Husband, how do I look right now? ", Feng Xue asked how her current appearance was.

"Of course you look very beautiful, no matter what clothes you wear, Xue still looks beautiful ." Ye Chen praised Feng Xue's appearance.

Feng Xue was slightly embarrassed when she heard the praise that came from Ye Chen.

"Husband, I want to sing some songs for you, do you want to hear them" Feng Xue wanted to sing a few songs for Ye Chen.

Tonight he will only become an idol that only Ye Chen has.

"Of course." Ye Chen of course is willing to listen to some songs from Feng Xue, the night is still quite long, there is no harm in enjoying every second that is with Feng Xue.

Feng Xue was so happy, she started singing a few songs for Ye Chen.

Feng Xue's voice was so beautiful, it was only fitting that she could become the most popular female star in this country.

Ye Chen started to enjoy the singing and dancing that Feng Xue performed in front of himself.

After singing a few songs Feng Xue was getting a little tired, she decided to sit beside Ye Chen.

"That was great." Ye Chen praised Feng Xue's excellent appearance.

Feng Xue felt happy about the praise given by Ye Chen.

Ye Chen started to hug Feng Xue's body, he dropped Feng Xue on the big bed that was behind the two of them.

This time Feng Xue looked resigned when she was knocked down on the bed by Ye Chen.

"Xue, do you want to do that?" Ye Chen whispered in Feng Xue's ear.
