

A True God 621

Chapter 621: Tonight I will only become an idol that belongs only to you

Feng Xue of course knew what Ye Chen was talking about. "Yes, of course I want to, tonight I will only become an idol that belongs only to you." Feng Xue started to stretch out her arms, she started to hug Ye Chen's neck.

Feng Xue already likes Ye Chen so much, she really wants to be Ye Chen's woman completely.

Ye Chen was happy when he heard this, he started kissing Feng Xue's cherry lips.

"Ummm, Chuuu, Ummm." Ye Chen and Feng Xue started to have a very passionate adult kiss.

The two of them started rolling on the very soft and comfortable mattress in this room.

Since Feng Xue was still a virgin, Ye Chen had to guide Feng Xue a little about how to have a relationship between a man and woman

Luckily Feng Xue is a smart woman, she can very easily learn what Ye Chen said

Feng Xue started to ensnare Ye Chen's body, she looked like an octopus that was eating her food.

While Ye Chen was stroking Feng Xue's body, he started to stimulate Feng Xue's body.

Ye Chen purposely didn't take off Feng Xue's clothes, he wanted to enjoy Feng Xue in idol clothes like this.

Ye Chen and Feng Xue kissed for about 20 minutes, after they were exhausted, they finally wanted to separate.

Feng Xue was slightly breathless after a long kiss with Ye Chen.

Ye Chen started to unbutton the idol's clothes that Feng Xue was wearing, Ye Chen didn't immediately take off the clothes that Feng Xue was wearing, he only opened it a little so that Feng Xue's two double peaks appeared.

When Ye Chen took off Feng Xue's idol shirt, he found that Feng Xue was not wearing anything under this idol's shirt, Feng Xue's mountain peak was actually immediately presented in front of Ye Chen.

Feng Xue was currently looking away, she was embarrassed to be stared at by Ye Chen in this manner.

"Xue, are you on stage when you don't wear anything under your clothes? ",Ye Chen whispered in Feng Xue's ear.

"Husband, don't think like that, I'm not such a perverted woman." Feng Xue shyly said to Ye Chen.

Feng Xue actually did this because she followed Zhao Yanyan's advice, Zhao Yanyan had once told Feng Xue how to seduce Ye Chen.

And Zhao Yanyan told Feng Xue this way to tease Ye Chen to get him excited.

"Really? So then you specially use this for me" Asked Ye Chen to Feng Xue.

Feng Xue nodded at Ye Chen, she was deliberately wearing these clothes to make Ye Chen excited.

Ye Chen couldn't believe that Feng Xue was wearing clothes like this to seduce himself, it seems that Feng Xue learned this from someone, there was no way a pure virgin like Feng Xue would know how to seduce men like this.

Ye Chen started to bring his face closer to Feng Xue's cherry bud, Ye Chen started to suck and put Feng Xue's pink cherry bud.

"iyahhh. . . .", Feng Xue began to make a voice that was very pleasant to listen to.

"Husband, no.. . . "Feng Xue is not ready to accept this pleasure.

Ye Chen didn't want to stop, he really enjoyed sucking Feng Xue's cherry buds, it was delicious enough to taste the taste of a female star like Feng Xue.

Feng Xue is the idol of so many people in this world, if Feng Xue's fans know that currently Feng Xue is being treated like this by Ye Chen, they will definitely be very jealous.

There were millions of people out there who dreamed of this together with Feng Xue every day.

So if they knew the Goddess in their hearts was treated like this by Ye Chen, they would all be very angry with Ye Chen.

Ye Chen continued to suck Feng Xue's cherry bud with great fear, he seemed to be enjoying Feng Xue's cherry bud.

"Slurp.. . , Slurp.. . , Slurp.. . , Slurp.. . , "Ye Chen's sucking voice could be heard very clearly in this room.

"Ahhh, no.. . , don't be too strong, husband, please. "Feng Xue started begging and groaning to Ye Chen.

For Feng Xue, this was too enjoyable, she felt that he would reach the peak of happiness.

"Xue, you don't need to hold back, just bring out all the complaints you have." Ye Chen asked Feng Xue not to hold back anymore.

Ye Chen continued to suck on the beautiful cherry pink bud that was in front of him.

"This is so amazing." Feng Xue cried out in pleasure when she reached the peak, this kind of feeling was very comfortable Feng Xue felt very, very happy.

Whenever Feng Xue did this together with Ye Chen, she found that she was getting addicted to doing this.

Ye Chen was quite happy to see Feng Xue feeling happy, now it's time for Ye Chen to have a little fun too.

Ye Chen started to take out his younger brother who was already very tough, from earlier Ye Chen's younger brother had felt uncomfortable and wanted to immediately try Feng Xue's taste.

The current Feng Xue was still a little tired from doing just now, Feng Xue's breath was still slightly fluctuating.

Feng Xue was a little curious about what Ye Chen was doing, when Feng Xue looked at Ye Chen, he found that currently Ye Chen took out an enormous object at the bottom of his body.

This thing was so huge, Feng Xue couldn't believe that men possessed something this big.

"It's Big" Feng Xue was shocked when she saw the appearance of Ye Chen's large object.

As a man, Ye Chen naturally likes to be praised a lot by Feng Xue, who is a man who doesn't like being praised by a beautiful female star like Feng Xue.

Ye Chen started to grab Feng Xue's hand and put Feng Xue's hand on his large object.

Feng Xue felt that her hand was touching something Big, hard and very hot.

Even Feng Xue's one hand was unable to fully grasp Ye Chen's large object.

"Xue, can you help me?" Ye Chen asked Feng Xue to help him.

"That, how?" Feng Xue doesn't know what to do about the current situation, she still doesn't know anything about this kind of thing.

"Use your own hands to make me happy." Ye Chen told Feng Xue to help himself using the hands she had.

Feng Xue understood, she started helping Ye Chen's large object using her own hand.

Since Feng Xue was still the first time, Ye Chen had to guide Feng Xue a little, under the guidance of Ye Chen Feng Xue had quickly become very adept at doing this.

Since one hand was not enough to hold this large object, Feng Xue began to use both hands to rub Ye Chen's large object.

Ye Chen groaned a little while enjoying Feng Xue's hand service, this beautiful star was really very smart at doing what Ye Chen said.

"Husband, how does it feel?, Is it comfortable or not?" Feng Xue asked whether Ye Chen was comfortable with what he was doing at the moment.

"Xue, this is very comfortable, please be faster and stronger." Ye Chen felt comfortable with Feng Xue's hand, he wanted Feng Xue to Fast so him feel more comfortable.

Chapter 622: Ye Chen & Feng Xue (1)

Feng Xue understood, she was trying to be even faster in moving her hands, apart from stimulating Ye Chen's large object, Feng Xue also touched the two ball sacks that Ye Chen had.

Ye Chen was a little surprised when he saw what Feng Xue was doing, it seemed this woman was learning on her own instinct.

The current Feng Xue was still not aware of what he was doing, what Feng Xue had in mind at this time was just to please Ye Chen.

He didn't realize that what he was doing right now was really very fun for Ye Chen.

10 minutes began to pass, at this time Ye Chen still showed no signs of bringing out the precious essence he had.

Currently Feng Xue had started to get tired and her hands were getting sore from doing this for a long time.

Ye Chen began to feel that the hand movements that Feng Xue had were starting to become a little slower, Ye Chen knew that Feng Xue was getting tired from helping him.

Seeing that Feng Xue was already exhausted, Ye Chen decided to do Dual Cultivation immediately.

Ye Chen hugged Feng Xue's body, he started to lay Feng Xue down in order to get a position that was very comfortable for Feng Xue.

"Xue, are you ready?" Ye Chen asked if Feng Xue was ready to do Dual Cultivation together with him.

"I'm ready whenever you want." Feng Xue is ready whenever Ye Chen wants.

Ye Chen understood, he immediately lifted the idol skirt that was worn by Feng Xue.

When Ye Chen lifted Feng Xue's skirt, he found a beautiful garden that was still growing.

Feng Xue's garden was very beautiful, there was only a little grass growing in this garden, besides that the springs in this garden seemed to have flowed very fast, so Ye Chen could immediately do fun things together with Feng Xue.

Feng Xue was currently closing her eyes, she looked very embarrassed when Ye Chen saw her.

From infancy until now, maybe only Ye Chen had seen the private garden she had, which was why Feng Xue was a little embarrassed.

"Xue, look at your bottom so wet, do you really want to do that together with me?" Ye Chen tried to tease Feng Xue with slightly obscene words.

"Hate, husband, please don't tease me anymore, I'm so embarrassed." Feng Xue was so embarrassed, she felt she could die from this shame.

"Hehehe, I did not think that our Xue could be embarrassed like that, you know this is very beautiful, husband likes it" Ye Chen likes Feng Xue's, he thinks this is very beautiful.

Ye Chen's words didn't help at all, Feng Xue became even more embarrassed.

Ye Chen started touching Feng Xue's garden, he started exploring Feng Xue's secret garden using his fingers.

"Ah, husband, what are you doing, this feels strange and amused." Feng Xue was amused when she felt Ye Chen's fingers roaming her secret garden.

"Don't worry, just leave everything to me, I'll make sure you get the most extraordinary comfort in this world." Ye Chen will definitely make Feng Xue very happy.

Ye Chen continued to explore Feng Xue's garden, he looked very happy when exploring Feng Xue's garden.

After feeling quite satisfied exploring Feng Xue's garden, Ye Chen decided to explore what kind of honey cave Feng Xue had.

"Ahh." Feng Xue groaned as Ye Chen stuck his fingers into the forbidden space she had.

Feng Xue felt an extraordinary feeling, this was a very new feeling for Feng Xue.

"Erm." Feng Xue kept making very adorable sounds, Ye Chen didn't get tired of hearing Feng Xue's sweet voice.

The feeling that Ye Chen gave was extremely enjoyable, Feng Xue was quickly made to the pinnacle a second time.

"Husband, this is very, very extraordinary." Feng Xue's day was really very ecstatic, she really felt the feeling of being a real woman is truly extraordinary.

"It's still okay, let me show you something more comfortable for the two of us." Ye Chen told Feng Xue that what the two of them would do next would be even more extraordinary.

"Is it true?" Asked Feng Xue in disbelief, Feng Xue couldn't believe that there was still something much more extraordinary than earlier.

"Of course, how could I possibly lie to you" said Ye Chen to Feng Xue.

Ye Chen will not lie, doing Dual Cultivation will be very pleasant for both Ye Chen and Feng Xue, they will both get happiness and benefit from doing that.

Because all the preparations are ready. It's time for Ye Chen to get this beautiful Star.

Ye Chen started the big thing he had, he started pointing his huge object towards Feng Xue's honey cave which was still not opened by anyone in this world.

Feng Xue saw what Ye Chen was going to do, when Feng Xue saw Ye Chen's immense great thing, Feng Xue became a little scared.

Feng Xue began to wonder if Ye Chen's large thing would fit into such a small space.

"Husband, are you sure it will be okay?" ,Feng Xue asked Ye Chen, she is still afraid to do this together with Ye Chen.

"Don't worry, it will only hurt for a while after that it will feel very comfortable." Ye Chen told Feng Xue that there was going to be pain at first, so he told Feng Xue to get ready.

"I'll start." Ye Chen was about to start, he started using the large spear he had to break through Feng Xue's gate.

When Ye Chen's big spear entered, Feng Xue felt an extremely unbearable pain, she felt that her body felt like it was split into two parts.

"Husband, it hurts so much." Feng Xue started screaming in pain when Ye Chen's object entered.

Ye Chen's thing was too big, therefore Feng Xue, who was still a virgin, was unable to withstand Ye Chen's large object which was so fierce.

"Calm down, this will only be temporary." Ye Chen tried to comfort the crying Feng Xue.

Even though Ye Chen only entered half of it, it was unexpected that Feng Xue would feel such pain when only half of it entered.

Feng Xue didn't lie to Ye Chen, this feeling was so painful, Feng Xue had never felt pain like this.

After a while the pain started to little subside a, the pain started to be replaced by a strange feeling for Feng Xue, Feng Xue felt that her body became itchy and a little comfortable at the same time.

"Xue , I will start moving" Ye Chen told me that he will start moving.

"Okay, but please take it a little bit slowly." Feng Xue asked Ye Chen to take it slow.

"I understand." Ye Chen nodded at Feng Xue, he would do it a little slowly.

Ye Chen is now a combat veteran in bed with woman , he naturally knows the best way to treat a virgin woman like Feng Xue.

Ye Chen started pumping slowly, as he did the piston up and down, Feng Xue started to groan in a voice that was very pleasant to listen to.

Chapter 623: Ye Chen & Feng Xue (2)

Feng Xue started to get confused, This is too comfortable for Feng Xue, she felt that the thoughts she had felt like drifting to seventh heaven.

"Husband, this is amazing, I feel like I am floating." Feng Xue said what she felt right now.

Ye Chen's large object really gave Feng Xue immense pleasure.

What Zhao Yanyan said was proven true, doing this was extremely extraordinary, the feeling of having a Dual Cultivation relationship was really very pleasant, Feng Xue felt that he would be driven crazy with this extraordinary pleasure.

"Xue, your little hole is truly extraordinary, I feel sucked and squeezed by it." Ye Chen also felt a very pleasant feeling from Feng Xue's honey cave.

Feng Xue's honey cave was very comfortable, apart from being narrow and tight, Ye Chen felt that his thing was like being sucked into an even deeper depth.

Sometimes Feng Xue's Honey Cave walls would suddenly narrow and give Ye Chen a very comfortable feeling.

If Ye Chen didn't know that Feng Xue was still a pure virgin, he must have thought that Feng Xue was a veteran in bed.

Feng Xue seemed to be able to control her belongings below like moving parts of her body.

Feng Xue was not aware of what she was doing, because of the pleasure she was getting, Feng Xue subconsciously tightened the grip on her mil wall.

It seemed that from the start Feng Xue was already proficient in Dual Cultivation relationships, she was really very good at working with Ye Chen to achieve happiness.

Ye Chen looked at the Feng Xue under him, the current Feng Xue really looked very passionate, she showed a lewd face that Ye Chen had never seen.

The Idol costume that was used by Feng Xue also added a little fighting spirit possessed by Ye Chen.

Ye Chen never thought that he would put the most beautiful female star in this entire country under his body.

In the past Ye Chen never had a dream to get a beautiful star like Feng Xue, according to Ye Chen, his former status could not be compared to the beautiful stars on television.

But now he actually did a super beautiful female star like Feng Xue.

Ye Chen started to get even more excited, he started pumping at the full speed he could.

"Uhhh." Feng Xue felt an even more overwhelming feeling when Ye Chen's thing penetrated into the flower core she possessed.

Feng Xue felt that she was getting full of Ye Chen's large object, even Feng Xue's stomach became a little bloated when Ye Chen's object entered almost $\frac{3}{4}$ in her.

Ye Chen could no longer go deeper into Feng Xue's cave, he felt that if he went deeper Feng Xue could be crushed by his object.

"Husband, you are great, please be stronger." Feng Xue asked Ye Chen to be even stronger in doing herself.

Feng Xue's mind was now completely blank, Feng Xue's mind was only enjoying love together with Ye Chen.

"Dear Xue, I love you." Ye Chen started kissing Feng Xue, he liked Feng Xue more and more.

This female star is very seductive, besides her voice is very comfortable to hear, her lower body is also very comfortable for Ye Chen to treat.

"I love you too, from now on I am only yours, no one can have me except you." Feng Xue also loves Ye Chen, she is really very happy to be with Ye Chen.

Every second that Feng Xue spent with Ye Chen was so precious, she would definitely remember this forever in her life.

Both Ye Chen and Feng Xue were currently in ecstasy, the two of them had started to become very active once and for all.

Ye Chen and Feng Xue started to try countless moves to add to the fun.

Feng Xue was very obedient to Ye Chen's orders, she did everything Ye Chen ordered.

Ye Chen and Feng Xue continued to do Dual Cultivation for nearly 2 hours.

Right now, Ye Chen felt that if he had almost reached his limit, he might end the long battle the two of them had been through soon.

"Xue, I'll be out soon." Ye Chen was at his limit, he would immediately bring out the precious Yangqi essence he possessed.

"Ummm" Feng Xue can no longer answer Ye Chen, Feng Xue is already very helpless, she already looks like a ship that is currently being swayed in a very long storm.

Feng Xue, who was still the first time, could not possibly be able to fight against Ye Chen who was a God in Dual Cultivation matters.

"Ahhh." Ye Chen was at his limit, he brought out his Yangqi essence to Feng Xue's flower core.

Feng Xue felt something hot enter his body, this feeling was very comfortable, Feng Xue felt comfortable with this warm feeling.

Ye Chen took out an enormous amount of Essence and was so rich, Feng Xue's stomach started to bulge because of the Essence that Ye Chen put out too much.

Feng Xue looked like a woman in a young pregnancy, her stomach was swollen by Ye Chen's Yangqi Essence.

Ye Chen looked at Feng Xue, who was already in a very messy appearance, the sweat was currently filling Feng Xue's body, Feng Xue's hair was also messy, big star Feng Xue really looked like a whip in this appearance.

Ye Chen look towards Xue Feng belly currently swollen,, After getting the inheritance of the Azure Dragon, Ye Chen felt that the essence Yangqi he spends more and more rich.

No one would believe that someone like Ye Chen could bring out this amount of Yangqi Essence.

Feng Xue was currently unconscious, he was too tired after a long battle with Ye Chen.

"Looks like I was overdoing it." Ye Chen started stroking Feng Xue's head who was currently fainting.

Ye Chen felt that he was going too far earlier, he actually did Feng Xue for almost 2 hours.

Luckily during the Dual Cultivation session that the two of them did nothing bad happened to Feng Xue's heart.

If something happened, maybe Ye Chen would blame himself for being too excited while doing battle with Feng Xue.

Seeing that Feng Xue had already passed out, then Ye Chen couldn't help but have to hold back, even though at this time Ye Chen was still not satisfied, he knew when to hold back.

If Ye Chen kept insisting even though Feng Xue's situation was like this, then Feng Xue's body could really be damaged by Ye Chen.

Feng Xue was just a mortal human who hadn't even become a cultivator, she was already good enough to be able to last for 2 hours against Ye Chen who was a veteran on the bed.

Ye Chen started to hug Feng Xue's body in front of him, he started to very tightly hug Feng Xue who was currently fainted.

Feng Xue's face now looked very satisfied, even though she was turned into this state by Ye Chen, but Feng Xue really enjoyed what had previously been done together with Ye Chen.

If Feng Xue still had the strength to fight, she would definitely continue fighting together with Ye Chen.

"My beautiful star, have a good night." Ye Chen said good night to Feng Xue, after saying good night to Feng Xue, Ye Chen also fell asleep while hugging Feng Xue's body.

Chapter 624: Feng Xue Officially withdrew from the entertainment world

In the morning before sunrise, Feng Xue started to open her eyes, when Feng Xue opened her Eyes, she found that she was currently hugged by Ye Chen

Feng Xue was still a little confused by what had happened, she began to remember a little about what happened last night , when Feng Xue recalled what happened last night, Feng Xue's face turned red as she remembered what the two of them did last night.

Feng Xue had actually done that together with Ye Chen, now she really has become Ye Chen's woman completely.

Feng Xue felt a very happy feeling when she discovered this, Feng Xue finally became Ye Chen's woman.

Feng Xue looked at Ye Chen, she saw Ye Chen with a very gentle gaze.

Feng Xue started to hug Ye Chen who was beside her, she currently looked like a young woman who had just found her dream lover.

When Feng Xue moved a little, she found that her lower half ached a little.

Feng Xue knew that this pain was coming from her lower body, last night Ye Chen was too strong to the point that Feng Xue's was swollen, Ye Chen really didn't pity the virgin Feng Xue.

Ye Chen who was sleeping immediately felt the movement made by Feng Xue, Ye Chen immediately got up when he felt a movement from Feng Xue.

When Ye Chen opened his eyes, he found that Feng Xue was currently smiling at him.

"Since when have you been awake?" Ye Chen asked Feng Xue.

"I just woke up." Feng Xue answered Ye Chen's question.

"Husband, I still can't believe that last night we did that." Feng Xue still couldn't believe that the two of them did that last night.

"If you don't believe it, let's do it again." Ye Chen said teasingly Feng Xue.

"No, no, no, husband please spare me, you know my bottom still hurts because of your big thing." Feng Xue immediately shook her head, she was afraid that Ye Chen would ask her again.

Ye Chen's libido is too high, it's no wonder Zhao Yanyan is looking for many sisters for Ye Chen, if Zhao Yanyan is alone he might be killed by Ye Chen's great big thing.

"Hahaha, look at your reaction, I'm just kidding with you, don't take it so seriously." Ye Chen laughed while pinching Feng Xue's butt.

"You dare to laugh, I'll tell this to Yanyan to help pack you." Feng Xue started complaining to Ye Chen who was bullying herself.

Ye Chen continued to laugh happily, he was happy when he teased Feng Xue.

"Hey husband, do you still remember when we first met?" Feng Xue asked if Ye Chen still remembered the original story they met several months ago.

"Of course I still remember why?" Ye Chen, of course, still remembers the first time he met Feng Xue.

At that time, Ye Chen saved Feng Xue from the hands of those punks who wanted to do bad things to Feng Xue.

"At that time, didn't you initially know that I was a star, did you lie or not?" Feng Xue asked Ye Chen.

"I'm not lying, at that time I did not know that you were a star". At that time Ye Chen did not know Feng Xue at all, he didn't even know that the beautiful woman he had just saved was a famous star.

In the past, Ye Chen was not very interested in the entertainment world, he was too busy working to live in a harsh city, such things did not attract Ye Chen's intentions.

"You know, since you didn't know about me at first, it made an impression I couldn't forget." Feng Xue told Ye Chen that it was the first impression she had.

Feng Xue is a famous Super Star, almost everyone in this country knows about her.

Therefore when Ye Chen didn't know herself, it made an impression that was very deep in Feng Xue's heart.

"Maybe it was a fortune for me not to know you from the start, if I knew you from the beginning, maybe things wouldn't have turned out like this," said Ye Chen to Feng Xue.

"You might be right" Feng Xue started to think that everything that happened was a coincidence, if only at that time Ye Chen had known her, maybe Ye Chen would not have left an impression on Feng Xue.

While waiting for the sun to rise Feng Xue and Ye Chen started discussing the past of the two of them.

Ye Chen and Feng Xue both felt happy when discussing the past they had.

After the sun rose, Ye Chen and Feng Xue decided to get out of bed.

When Feng Xue got out of bed, she found that her legs were very soft, Feng Xue didn't get off the bed, she was forced to sit back on the bed.

"What is wrong?", Ye Chen asked Feng Xue who was currently back sitting on the bed.

"My husband's feet feel so soft, I can't even stand up." Feng Xue told Ye Chen that her feet felt so soft.

"Do I need to help you? "Ye Chen wants to help Feng Xue, he feels sorry for Feng Xue who can't stand properly.

"Isn't it your fault that last night was too strong." Feng Xue complained to Ye Chen, because last night Ye Chen was strong while doing his bottom.

"Last night I still remember that someone shouted to ask me more" Ye Chen started telling Feng Xue that last night someone asked for more from him.

Feng Xue's face turned red when she remembered what she had previously said to Ye Chen, previously Feng Xue asked Ye Chen more to get more pleasure.

"Husband, please don't tease me anymore, hurry up and help me." Feng Xue told Ye Chen to help herself.

"Okay." Ye Chen started to help Feng Xue up, he took Feng Xue to the bathroom.

As per Feng Xue's request, she wanted to take a bath together with Ye Chen.

Ye Chen and Feng Xue took a bath together, the two of them helped clean up with each other.

While bathing together with Ye Chen, Feng Xue made an extraordinary discovery, she found that the skin she had was even more moist and prettier than before.

Feng Xue already knew what had caused her to be so much prettier than before, it was most likely due to the pure Yangqi essence that came from Ye Chen.

No wonder Zhao Yanyan and all of Ye Chen's women looked so beautiful, it turned out that this was their secret to being beautiful.

Ye Chen and Feng Xue did nothing but take a bath, they were enjoying soaking together in a tub that was quite large.

After finishing a bath together, they both changed clothes and had breakfast.

When finished doing all they need. Ye Chen and Feng Xue immediately left this hotel, the two of them immediately went to Feng Group.

today is a big day for everyone in this country, Feng Xue decided to quit the entertainment world for good, she even released a press release that was broadcast on almost all television stations in the world.

Chapter 625: Meet New Maid

Today is the saddest day that all the fans of Feng Xue have ever experienced, they all feel sad when they see the idol they like leaving the entertainment world.

This day will be remembered as the saddest day by everyone in this country, everyone felt very lost when Feng Xue withdrew from the entertainment world.

Many people deeply regretted what Feng Xue had done, even though Feng Xue's current career was in the most brilliant period ever in history.

Feng Xue had already made up her mind that she had no one who could change the decision Feng Xue made.

Not even the people from the Feng Clan dared to oppose Feng Xue's decision, they were all afraid because behind Feng Xue was Ye Chen.

The people from the Feng Clan also still needed Ye Chen for the antidote that was in their bodies.

Due to Feng Luo's request, Ye Chen gave a medicine that could remove the poison that was in everyone's body.

The Press Release quickly ended, after everything was over Feng Xue immediately went to see Ye Chen.

"Is everything finished?" Ye Chen asked Feng Xue whether everything was finished or not.

"I have finished everything, now we can go." Feng Xue nodded to Ye Chen, everything in the capital was finished so she was ready to return to Ye Chen's Villa.

The matter of the Feng Clan has also been resolved successfully, Feng Luo will remain the Clan leader for the time being until there is a suitable person to replace him.

As for Feng Jinx and the second elder they had already paid for the crimes they had both committed, they were both currently in prison to take responsibility for the crimes they had committed.

"Come on." Ye Chen asked Feng Xue to go back to the Villa, it has been a long time since he returned to the Villa.

Ye Chen and Feng Xue immediately flew out of the capital, Ye Chen took Feng Xue flying towards the direction where the city he lived in was.

With Ye Chen's full speed, he along with Feng Xue very quickly arrived at Ye Chen's Villa.

Feng Xue still couldn't believe that they would be this fast to reach Ye Chen's villa.

"Come on in." Ye Chen invited Feng Xue into the villa.

When Ye Chen wanted to enter the villa he found that the current villa was locked from the inside.

Inevitably Ye Chen had to press the doorbell so that the Ye Chen woman who was inside opened the door.

Ye Chen felt a little strange, it was unusual for the door to be locked when it was still daytime like this.

A while after Ye Chen pressed the bell, the door was opened by a woman wearing a maid uniform.

This woman in a maid uniform was no stranger to Ye Chen, this woman was Li Qingzu who was one of the four school flowers.

"Eh?" Ye Chen was a little confused when he saw Li Qingzu in his villa.

"Li Qingzu, why are you here?" Ye Chen immediately asked why Li Qingzu was in his villa.

Feng Xue who was beside Ye Chen looked at Li Qingzu who was in maid clothes, Feng Xue had to admit that this maid had a very beautiful figure.

Feng Xue couldn't help thinking, even the maid in Ye Chen's house was so beautiful, were all the women in this villa really rare beauties in this world.

"Ye Chen, from now on I worked here, Teacher Lin Rouxi who have hired me here" Ye Chen Li Qingzu tell that from now on she worked here.

Li Qingzu needed a little money for her living, therefore she was looking for a part-time job, when Li Qingzu was looking for a job, she met Lin Rouxi who offered a job to Li Qingzu.

Li Qingzu is a smart and enterprising woman, when she saw a woman like Li Qingzu looking for a job, Lin Rouxi immediately offered Li Qingzu a job in this villa.

Lin Rouxi knew that Ye Chen wouldn't mind if he hired a girl at his house, which was why Lin Rouxi dared to recruit Li Qingzu.

Lin Rouxi didn't offer Li Qingzu nothing for, first she made an agreement with Li Qingzu.

The agreement that Lin Rouxi and Li Qingzu made was very easy, she wanted Li Qingzu to keep what she would see in Ye Chen's Villa a secret to others.

Lin Rouxi didn't want Li Qingzu to leak what she saw in Ye Chen's villa to anyone else, let alone the students in the school, otherwise there would definitely be an extremely violent commotion.

"So Rouxi who hired you in this house" after receiving a little information from Li Qingzu, Ye Chen now knew why Li Qingzu was in his villa wearing maid clothes.

It turned out that Li Qingzu was employed by Lin Rouxi , previously Ye Chen thought that he mistakenly entered the Villa, it turned out that this was his villa.

"How long have you been working here?" Ye Chen wants to know how long Li Qingzu has been working at this place.

"I just started working today" Li Qingzu said that he just worked today.

"Husband, is this woman an acquaintance of yours? ",Feng Xue asked Ye Chen.

hearing the conversation that Ye Chen and Li Qingzu had, Ye Chen just found out that Li Qingzu worked in this place.

"He is Li Qingzu , she is my friend at school, I didn't expect that she would start working here." Ye Chen told Feng Xue about what happened.

Li Qingzu looked at Feng Xue, when Li Qingzu looked towards Feng Xue, Li Qingzu's eyes began to glow full of light.

Ye Chen could see the changes that Li Qingzu made had after seeing Feng Xue, it seemed that this girl also idolized Feng Xue.

"Wow, is this really the real Feng Xue? ", Li Qingzu looked happy when she saw the real Feng Xue in front of her.

Li Qingzu often heard songs sung by Feng Xue, she really liked Feng Xue's song because it made her excited about going through difficult days.

"Yes, I am Feng Xue indeed." Feng Xue answered Li Qingzu who was in front of her.

"Can, I ask for your autograph", just like fans in general, Li Qingzu wanted to ask for an autograph to become a memento for herself.

"You don't need to ask for an autograph from me, from now on I live here, as long as you work here, we can meet every day" Feng Xue told Li Qingzu that from now on she will stay in this villa.

"Is it true?" Li Qingzu can't believe that from now on Feng Xue will live in this villa.

That means that every day Li Qingzu can meet Feng Xue, Li Qingzu is quite happy to hear this.

Li Qingzu saw Feng Xue who clung to Ye Chen tightly, it seemed that Feng Xue had a special relationship with Ye Chen, otherwise how could Feng Xue live in this villa.

Li Qingzu did not expect that Ye Chen would have this many beautiful women, in this house alone Li Qingzu had seen dozens of beautiful women who had amazing beauty.

Chapter 626: Lin Rouxi was looking for Ye Chen

"Husband, are you back?" Zhao Yanyan suddenly appeared and welcomed Ye Chen and Feng Xue.

Zhao Yanyan looked happy when she saw Ye Chen coming home with Feng Xue.

"Yes, I've come home" Ye Chen told Zhao Yanyan that he had returned.

"Hmm, looks like the relationship that you two have developed quite far." Zhao Yanyan said to Ye Chen and Feng Xue who were in front of her.

Zhao Yanyan saw the change that had happened to Feng Xue, she already knew that Ye Chen and Feng Xue must have done that.

Zhao Yanyan was very happy to see Ye Chen made Feng Xue his woman, so that Zhao Yanyan could train together with Feng Xue every day.

Feng Xue's face turned red when Zhao Yanyan discussed this, Feng Xue did not expect that Zhao Yanyan knew that she had done this together with Ye Chen.

"Yanyan, please don't tease me." Feng Xue was embarrassed when she was teased by Zhao Yanyan.

"Puchi." Zhao Yanyan laughed when he heard what Feng Xue had just said.

Feng Xue was apparently still shy when discussing matters like this together with herself.

Zhao Yanyan was no longer the innocent woman she used to be, she was no longer ashamed to talk about adult things like this.

"Husband, so you've met Qingzu, she is now a new maid hired by elder sister Rouxi, I hope you can accept it." Zhao Yanyan told Ye Chen that Li Qingzu would become the new maid working here.

"Yes, I just found out, Li Qingzu just told me that she was hired here by Rouxi. " Ye Chen told Zhao Yanyan that she had heard everything from Li Qingzu.

"Good, if you already know, you also have a good relationship with Qingzu, so you two are very close." Zhao Yanyan already knew that Li Qingzu had a good relationship with Ye Chen.

Several times Zhao Yanyan saw Ye Chen with Li Qingzu, so Zhao Yanyan knew that the two of them already had a relationship.

Li Qingzu was a little embarrassed when Zhao Yanyan said that if he had a relationship with Ye Chen, she felt like an affair that was discovered by her own master.

"Oh yeah, husband, sister Rouxi entrusts her greetings with me when you come back, she wants you to go and meet her" Zhao Yanyan told Ye Chen if teacher Lin Rouxi wanted Ye Chen went and found him.

"What the heck is Rouxi looking for me? "Ye Chen wants to know why Lin Rouxi is looking for him.

"I don't know, but there might be something you want to talk about with yourself." Zhao Yanyan didn't know the specifics of why Lin Rouxi was looking for Ye Chen.

Zhao Yanyan only conveyed the greetings she got from Lin Rouxi alone.

"Then where is she now? "Ye Chen wants to know where Lin Rouxi is right now.

"older sister Rouxi should still be in school." Zhao Yanyan told Ye Chen where Lin Rouxi was at the moment.

"Okay, I'll go see her, Yanyan you take Feng Xue to that place huh" Ye Chen will go to meet Lin Rouxi, before leaving Ye Chen didn't forget to tell Zhao Yanyan to go take Feng Xue into the fairy gate, let Zhao Yanyan introduce fairy gate world to Feng Xue.

"Fine, I understand." Zhao Yanyan understood, she would do what Ye Chen told her to do.

Ye Chen didn't waste any more time, he immediately went to the school to meet Lin Rouxi.

Zhao Yanyan, Feng Xue and Li Qingzu saw Ye Chen's departure, after Ye Chen really left this place, Zhao Yanyan invited Feng Xue and Li Qingzu to enter the villa.

"Come in." Zhao Yanyan invited Feng Xue and Li Qingzu to go back into the villa.

Li Qingzu and Feng Xue followed Zhao Yanyan into the villa, Li Qingzu still had some unfinished work, therefore he immediately finished her work.

Meanwhile, Zhao Yanyan invited Feng Xue to go to the fairy gate to be given basic instructions on how to become a cultivator.

Feng Xue had been ready for a long time, she was quite looking forward to becoming a cultivator like Ye Chen and Zhao Yanyan.

According to Feng Xue, Zhao Yanyan and Ye Chen were really really cool, they both looked like superhuman who could do whatever they wanted.

Even Zhao Yanyan could use of the melody being played to kill and torture enemies from a great distance away.

Feng Xue couldn't wait to find a suitable cultivation technique for her, she hoped to find something related to singing.

.
. .
.

Meanwhile Ye Chen was currently going to the school to meet Lin Rouxi who was currently at the school.

Ye Chen quite quickly discovered the whereabouts of Lin Rouxi, currently Lin Rouxi was in the private room that he had, because Lin Rouxi was currently in the private room he had, Ye Chen could easily meet Lin Rouxi.

Ye Chen started sneaking into Lin Rouxi's room , Ye Chen wanted to surprise Lin Rouxi.

Lin Rouxi was currently reviewing a document that was on her desk, this document was a document that contained this week's student work report.

Ye Chen easily sneaked into Lin Rouxi's room, Ye Chen started to get closer to Lin Rouxi who was in front of him.

Lin Rouxi was currently focused on reviewing the documents that were in front of her, she didn't notice the arrival of Ye Chen who was currently behind her.

Ye Chen immediately pounced and grabbed the double peak that Lin Rouxi had from behind.

Lin Rouxi's body immediately trembled when she saw someone hugging her body.

Lin Rouxi reflexively expelled the profound energy she had to drive the person who was hugging her.

Ye Chen, who was not ready to be blown away by the power Lin Rouxi had just released .

Ye Chen hit the wall in this room, the wall in this room shook when it was hit by Ye Chen.

Lin Rouxi immediately turned around and saw who was the flower thief who dared to enter the room she owned.

When Lin Rouxi turned around, she found that behind her was Ye Chen.

Lin Rouxi was a little confused when she saw that the person she had just kicked out was Ye Chen, she didn't think that the person she had just thought of as a flower thief was Ye Chen.

" Dear teacher, why are you so mean to me" Ye Chen who was currently lying on the floor complained that Lin Rouxi kicked himself out.

Lin Rouxi immediately went to see Ye Chen's state, she started helping Ye Chen sit on the floor.

"Husband, are you okay?" Lin Rouxi asked the state of Ye Chen.

"Do you think I look okay?" Ye Chen asked Lin Rouxi.

Lin Rouxi started looking at Ye Chen from top to bottom, Lin Rouxi didn't find anything wrong with Ye Chen.

"You look fine." Lin Rouxi saw that Ye Chen looked fine.

"Ahh, my chest hurts a little." Ye Chen started to pretend that his chest ached.

"Where, let me see." Lin Rouxi looked panicked when she heard Ye Chen's chest hurt.

Just now Lin Rouxi used enough force to blow Ye Chen away, so she was worried that Ye Chen would be hurt by the power she just used.

"Here." Ye Chen started guiding Lin Rouxi's hand to his chest, he told Lin Rouxi to check it herself.

Chapter 627: Do sports with Lin Rouxi

Lin Rouxi started lifting the clothes that Ye Chen was wearing, she wanted to see if Ye Chen was injured or not.

When Lin Rouxi lifted the clothes worn by Ye Chen, she only found Ye Chen's chest which was completely perfect.

"Where?" Lin Rouxi didn't find any wounds on Ye Chen's body.

"Really, maybe it's the wrong place, it should be here." Ye Chen again guided Lin Rouxi's hand towards Ye Chen's younger brother who was below.

"Yagh, husband, you tricked me" finally Lin Rouxi realized that she was being tricked by Ye Chen just now.

Ye Chen wasn't hurt at all, he only pretended to be hurt in order to deceive herself.

Ye Chen chuckled when he managed to trick Lin Rouxi, it was quite rare for Ye Chen to trick the beautiful Teacher in front of him.

Lin Rouxi pulled her hand away from Ye Chen's large object, she was a little annoyed by Ye Chen who dared to deceive her, whereas previously Lin Rouxi was very worried about Ye Chen's situation.

Ye Chen saw that Lin Rouxi was becoming a little cranky with himself, inevitably Ye Chen had to persuade Lin Rouxi not to sulk anymore.

"Dear teacher, please don't get angry like that, I was just kidding." Ye Chen tried to persuade Lin Rouxi who was cranky.

"Hempp." Lin Rouxi sniffed coldly, she was still angry with Ye Chen.

Seeing that Lin Rouxi couldn't be persuaded by using his own words, Ye Chen couldn't help but have to use some real action to persuade Lin Rouxi.

Ye Chen started to approach and embrace Lin's perfect waist Rouxi.

"Husband, what do you want? "Lin Rouxi became afraid of what Ye Chen would do, Lin Rouxi tried to stay away from Ye Chen.

Ye Chen didn't let Lin Rouxi go away, he hugged Lin Rouxi's waist and drew closer to his body.

"Of course I want to calm down the angry teacher." Ye Chen wanted to calm Lin Rouxi over the angry, therefore he had to use methods so that Lin Rouxi became happy.

Ye Chen's other hand began to caress Lin Rouxi's double peak .

"Erm" Lin Rouxi started to groan when Ye Chen touched the sensitive part she had.

Ye Chen and Lin Rouxi had often had intercourse, so Ye Chen knew very well where Lin Rouxi's sensitive point was.

With the slightest gentle touch carried out by Ye Chen, Lin Rouxi was very easily rendered helpless.

"Husband, please stop, we are currently still in school." withstand the stimulation from Ye Chen, Lin Rouxi was to ask Ye Chen to stop.

If this continued then Lin Rouxi would definitely not last long, ever since Lin Rouxi tried Ye Chen's taste, her body had become very sensitive, just a little touch from Ye Chen made Lin Rouxi become excited.

"No, weren't you angry just now, do you know that the fastest way to resolve the anger between partners is to have Rouxi. " Ye Chen whispered in Lin Rouxi.'s ear

Lin Rouxi body tremble slightly as the touch of Ye Chen's hand squeezed the double peak she had.

Lin Rouxi continued to let out coquettish groans that echoed through this private room of hers.

Lin Rouxi was no longer able to withstand the pleasure that came from Ye Chen's touch and caress.

Lin Rouxi's bottom right now was like a rushing spring, she felt extremely itchy and very uncomfortable in her body.

"Husband, don't tease me anymore, quickly give it to me." Lin Rouxi had given up on the onslaught of Ye Chen, she wanted Ye Chen to enter her last line of defense.

" What should I give you? " , Ye Chen asked Lin Rouxi what he should give.

"Hate, why are you still asking about it" said Lin Rouxi to Ye Chen.

"If you don't tell clearly, I won't understand." Ye Chen smiled wickedly at Lin Rouxi, if Lin Rouxi didn't say then Ye Chen won't give it.

Right now Ye Chen was quite excited when he played like this together with Lin Rouxi in the teacher's room.

Ye Chen had never tried exercising with Lin Rouxi in this room, which was sure to do that in this place would be very enjoyable for Ye Chen.

Lin Rouxi current was so embarrassed that Ye Chen actually forced herself to say obscene words so that he could get what she wanted.

"Husband, I want your big thing, hurry up and do this your teacher." Lin Rouxi said very stimulating words to Ye Chen.

Lin Rouxi was very embarrassed when she said words like that, as a moral teacher her shattered when she met Ye Chen's evil claws.

"Alright, husband ,will give you what you want" Ye Chen lifted Lin Rouxi's body onto the table not far from the two of them.

Ye Chen started to lay Lin Rouxi on the table and opened Lin's two legs Rouxi, without waiting for Lin Rouxi to be ready, Ye Chen immediately put the large object he had into Lin Rouxi honey cave swchich was already like an unstoppable spring.

When Ye Chen's large thing entered, Lin Rouxi felt an indescribable feeling, she felt a very pleasant, comfortable and extraordinary feeling.

This so extraordinary feeling for Lin Rouxi , she started to become unable to hold back anymore and let out an extremely loud groan.

Luckily, this room had excellent sound insulation, so even if Lin Rouxi shouted so loudly no one would be able to hear Lin Rouxi's voice.

Ye Chen and Lin Rouxi continued their battle, both of them had already fallen into the same pleasure.

.
.

Meanwhile in the most spacious room in this school, there was an old man who was currently kneeling right under the skirt of a very sexy girl.

This old man is really serving a girl who is only around 17 years old, he looks very excited when he serves the girl in front of him.

The old man and the beautiful girl who were in this relationship were Yu Ting and the school's Dean.

The two of them actually do things like this in the room the school dean uses to work every day.

"Have you done what I told you earlier?" Yu Ting asked the Dean if he had done what she told him to do.

The dean who was serving Yu Ting immediately stopped, he looked up and looked at Yu Ting.

"My dear, you don't have to worry, I have done what you told me to, that person will soon be leaving this school soon." The dean told Yu Ting that he had done what he had previously asked.

"Fufufu , is very good, you are doing very well." Yu Ting looked very happy when she found out that the Dean had done what she wanted.

Yu Ting was getting worse, she used her Charm ability to do things like this.

Yu Ting actually used the charm she had to confuse an old man like this.

"Dear, can I ask for that?" The dean couldn't take it anymore, he wanted to immediately taste Yu Ting's taste.

"Geez , you can't wait, you can do it." Yu Ting allowed the dean to taste the abilities she had.

The dean was so excited, he started to insert his small object into Yu Ting's hooker hole.

The two men began to have relationship in this office.

Chapter 628: Ye Chen was kicked out of school

Ye Chen and Lin Rouxi were currently lying together on the sofa in this room, the two of them embraced on the fairly small sofa.

After doing a long battle for more than 3 hours, Ye Chen finally let go of Lin Rouxi who was already very exhausted.

Lin Rouxi was forced to serve Ye Chen for more than 3 hours, she was quite exhausted after having a long battle with Ye Chen.

If only Lin Rouxi was n't a cultivator, she would have passed out by now after a long battle against the extremely powerful Ye Chen.

Ye Chen's strength in this field is completely unbeatable, even Ye Chen's women have to admit that Ye Chen is too strong to the point that they all have to work together if they want to match Ye Chen's fighting strength.

"Teacher, a few days without meeting, Your skills are just getting better, where did you learn that? " Ye Chen asked Lin Rouxi who was in his arms.

Ye Chen felt that Lin Rouxi's ability was current much better than before.

Coupled with the Dual Cultivation session that the two of them just did, Ye Chen felt that Lin Rouxi could cooperate with him very well.

"I learned that skill from Sister Caiyi, she taught me how to make a man feel comfortable." Lin Rouxi learned this skill from Nanhua Caiyi.

Apart from learning the skills how to make a man feel man from Nanhua Caiyi, Lin Rouxi also learned **Queen Heart Silk** from Nanhua Caiyi.

It was for this reason that previously Ye Chen felt that Lin Rouxi could cooperate with him when conducting the Dual Cultivation session, it turned out that this was the reason.

Not only was Lin Rouxi learning this kind of skill from Nanhua Caiyi, all the women also learned from Nanhua Caiyi.

They all started to learn from Nanhua Caiyi who was indeed a specialist in matters like this, even Qing Cheng who was from the Dual Cultivation Sect also learned from Nanhua Caiyi.

It seemed like bringing Caiyi home was not a bad thing, she was very useful in guiding Ye Chen's women to become even more powerful in bed.

If all of Ye Chen's women had abilities like Nanhua Caiyi, then Ye Chen would definitely be very happy.

Ye Chen couldn't imagine if all of Ye Chen's women looked as seductive as Nanhua Caiyi, Ye Chen will definitely be very excited every day.

"So you've learned a lot from Caiyi, I didn't expect that you would learn something like this for me." Ye Chen did not expect that Lin Rouxi who is a teacher would learn things like this for himself.

Lin Rouxi's face reddened slightly when she heard Ye Chen's words.

"If it weren't because you were too strong, I wouldn't have learned from sister Caiyi." The reason all of Ye Chen's women learned from Nanhua Caiyi was because they wanted to beat Ye Chen in this aspect.

Unfortunately, these women didn't know that Nanhua Caiyi, who was a veteran, was not Ye Chen's opponent either.

Lin Rouxi started to get up from Ye Chen's body, she started to tidy up the clothes and hair that were tangled from the battle just now.

Ye Chen currently sat and looked at Lin Rouxi who was refining the appearance she had.

"Husband, a few days away is the birthday of Yanyan, if you've already set up a gift?" Lin Rouxi told Ye Chen that few days Zhao Yanyan would have a birthday in a.

This year Zhao Yanyan should have turned 17 years old, at 17 this is the age of a person who has grown up, that's why this birthday should be very important for Zhao Yanyan.

"Is that true?" Ye Chen doesn't know about this matter at all, he doesn't know that few days Zhao Yanyan will have a birthday in a.

"Hempp, so you really don't know about this matter." Lin Rouxi put both hands on her waist.

Lin Rouxi was dissatisfied that Ye Chen was completely unaware of this kind of thing.

"I almost forgot it, fortunately you reminded me." Ye Chen looked for an excuse not to get scolded by Lin Rouxi.

"You have to quickly find a nice gift for Yanyan, otherwise don't expect to get a share from us." Lin Rouxi warned Ye Chen to find a nice gift for Zhao Yanyan.

"You don't need to worry, I will find a nice gift for beloved Yanyan." Ye Chen promised to find the best present for Zhao Yanyan.

Ye Chen started thinking about a suitable gift for Zhao Yanyan, Ye Chen knew that Zhao Yanyan would definitely accept all the gifts from him, but he had to find something really good for Zhao Yanyan.

Ye Chen had to give the best gift so that Zhao Yanyan liked him even more.

Just as Ye Chen was thinking about a gift for Zhao Yanyan, Lin Rouxi finally finished tidying up the appearance she had.

"Sorry to keep you waiting." Lin Rouxi started to sit beside Ye Chen.

"Oh yeah, dear teacher, what do you need with me, Yanyan told me that you were looking for me?" Ye Chen immediately asked of business what kind Lin Rouxi needed from him.

"Oh, I almost forgot, you wait here I'll get something." Lin Rouxi immediately went to get something from her drawer.

From the desk drawer, Lin Rouxi took out a letter that had a school stamp on it.

Lin Rouxi brought this letter to Ye Chen, she wanted Ye Chen to see what was in this letter.

"Husband, you try to read the contents in it." Lin Rouxi told Ye Chen to read the contents in this letter.

Ye Chen received a letter from Lin Rouxi, he began to open the contents of the letter that was in his hands at this time.

The contents of this letter is a paper folded very neatly.

Ye Chen unfolded the paper and started to read the contents in this paper.

When Ye Chen read the contents on the paper, he found that the contents in this paper were a letter of his expulsion from this school.

"Teacher what does this mean?" Ye Chen immediately asked what this letter meant.

"Husband as you can see, the Dean decided to get yourself out of this school, I still don't know why you were expelled from this school." Lin Rouxi told Ye Chen that she got this letter directly from the school's dean.

Initially Lin Rouxi didn't know what the gave school dean to Ye Chen at all, but when she opened and read the letter given by the school's Dean, Lin Rouxi finally found out that this was Ye Chen's expenditure letter from this school.

Initially when Lin Rouxi found this out, she was very angry, Ye Chen had never done anything wrong, so there shouldn't be a reason for the school's Dean to expel Ye Chen.

"What's the reason?" Ye Chen asked Lin Rouxi what was the reason he was expelled from the school.

Ye Chen didn't remember that he caused a serious problem at school.

"That, the dean said that you often skip school lessons." Lin Rouxi explained the reason to Ye Chen.

When Lin Rouxi was complained to the school dean, she was told by the dean that Ye Chen's reason was because she often skipped school lessons.

For Lin Rouxi reasons like this are completely absurd, in class J there are a lot of students who often skip school even worse than Ye Chen, but there has never been a case of being expelled from school for skipping class.

At most they will be given a little guidance by Special teachers.

In this school. as long as students are still able to pay the school fees, they will not be excluded from this school.

Chapter 629: recording the affair between Yu Ting and the school's Dean

"Husband, what are you going to do next for this? ", Lin Rouxi asked what Ye Chen would do about this matter.

Ye Chen himself was not too worried even though he was expelled from the school, after all, now that Ye Chen was a cultivator, all knowledge of school subjects had been mastered very easily.

Ye Chen was also busy cultivating, so he had very little time to go to this school.

Even though Ye Chen no longer cared much about school anymore, he still wanted to attend school to meet his women.

"I will talk to the school dean about this matter." Ye Chen wanted to talk to the school dean about this matter.

"What if I accompany you to meet Dean, I will help you speak." Lin Rouxi offered to go accompany Ye Chen, she wanted to help Ye Chen solve this problem.

"Alright." Ye Chen nodded at Lin Rouxi, he would go together with Lin Rouxi to meet the dean of this school to discuss this matter.

Ye Chen and Lin Rouxi didn't waste any more time, the two of them immediately headed to the dean's office.

Now that the school was very quiet, Ye Chen and Lin Rouxi were free to use the strength they had, both of them very quickly arrived at the entrance of the school's Dean's room.

This was the second time Ye Chen went to visit the Dean's room, the first time was when Ye Chen came to earth for the first time again after training hard with Gu Xuan, Now he came back to this room together with Lin Rouxi.

When Ye Chen and Lin Rouxi wanted to enter the room, the two of them found that the current dean room was locked very tightly.

"Husband, is it possible.. .. , Sssttt ,quickly hide your whereabouts, "Ye Chen immediately told Lin Rouxi not to make a sound anymore.

Ye Chen already knows that currently the school Dean is in the room with Yu Ting.

Ye Chen just felt Yu Ting's presence in there, he seemed to be doing something with the school's Dean.

Ye Chen wanted to use the **God Eyes** he had to see what the Dean and Yu Ting were up to.

"**God Eyes**" Ye Chen used **God Eyes**, when Ye Chen used **God Eyes**, the wall in front of Ye Chen became very transparent, he could see everything in the room.

In Ye Chen's room, he could see that the School Dean was currently doing Yu Ting on the sofa in this room.

Ye Chen couldn't believe what he was seeing right now, Yu Ting was really in contact with the very old school Dean.

The current school dean actually pounced on Yu Ting under his body, the Yu Ting who was under the Dean began to let out a very stimulating moan for the school dean.

Ye Chen continued to observe what Yu Ting and the school Dean were doing.

Ye Chen didn't expect that Yu Ting would become a woman like this who would do this kind of thing with an old man like the school Dean.

Ye Chen really couldn't believe that his first lover would turn out like this.

Yu Ting sure looks like a pervert Bitch who would do anything for money.

Luckily Ye Chen had left a woman like Yu Ting, Ye Chen's choice at that time was perfect.

"Dear teacher, you wait here a moment, I want to do something first" Ye Chen whispered in Lin Rouxi's ear .

"Fine, I understand." Lin Rouxi didn't ask many questions what Ye chen was going to do, she would be waiting in this place.

Ye Chen immediately snuck in to find a place to peek at Yu Ting and the school Dean who were in touch in the room.

Ye Chen had a pretty good idea to deal with the School dean who wanted to get himself out.

Ye Chen tried to find an crack for himself to peek into the room belonging to the school Dean.

After searching for a while, Ye Chen found what he was looking for, he found a crack in the window outside the school building.

Ye Chen started to peek into the crack he found near the window of the school Dean's room.

When Ye Chen peeked at the open window of the school dean's room, he saw a scene that was still exactly the same as before, at this time Yu Ting and the School Dean were still enjoying the relationship they were in.

Ye Chen took out the cellphone he had, he began to capture the moment that Yu Ting and the school dean were doing.

this can be a weapon that can be used by Ye Chen to corner Yu Ting or the school dean.

"Honey, your skills are truly extraordinary, I feel really excited." The School Dean was very excited when he had a relationship with Yu Ting.

Yu Ting is like a teaser who can make the school dean overly excited.

The school dean had suffered from a disease of weak vitality for a long time, he had not tasted the taste of a woman for a long time.

Today when he is with Yu Ting, he feels full of vitality, it is like he is at the peak of his youth which is still full of enthusiasm when he meets a Sexy woman like Yu Ting.

According to the Dean, Yu Ting was too seductive, he could not stand when he saw Yu Ting's Sexy body that could stimulate normal men who saw her.

"Really, then continue, I will squeeze everything you have." Yu Ting told the Dean to continue until the last drop of Yangqi Essence he had was used up.

The school dean did not realize that the Yangqi Essence he had was being slowly taken away by Yu Ting.

This was one of the reasons why Yu Ting chose the school's Dean to be a partner, this old man's Yangqi accumulated quite a lot.

It would be a waste if this Yangqi remained inside this old man to death, it was better for Yu Ting to take it.

After all, this old man will sooner or later be sent to the cemetery, so it will be the same for the school dean.

Yu Ting continued to squeeze the school dean, this old man might lose his life under Yu Ting's pomegranate skirt.

While filming a video of the battle that Yu Ting and the Dean were doing, Ye Chen saw Yu Ting's body which had become a sexy and plump from the last time Ye Chen remembered.

body is Yu Ting's already growing, especially in the two double tops which previously were only around B ~ C Cup is now a quite large E Cup.

Besides that height has Yu Ting's also increased, now Yu Ting is no longer as small as before.

Ye Chen did not know what had made Yu Ting change during the 1 month absence, what was certain was that all of these changes must have something to do with Yu Ting who had become a cultivator.

Ye Chen might have to be a little wary of Yu Ting, lest this woman find trouble with herself again.

Ye Chen continued to record the affair that Yu Ting and the school dean had had, after feeling that the recorded video was enough, Ye Chen stopped peeping and returned to see Lin Rouxi.

With the video that Ye Chen just got, Ye Chen could easily take care of the dean who later wanted to find a problem with him.

If this video comes out, it will definitely be a very embarrassing thing for Yu Ting and the school dean.

Ye Chen immediately returned to Lin Rouxi side who was still waiting very patiently at the entrance of the school's Dean's room.

Because the sound insulation was quite good, Lin Rouxi still didn't know what was going on inside the school dean's room.

Chapter 630: bothered intimate relationship dean and Yu Ting

"What did you just do." Lin Rouxi wanted to know what Ye Chen had just done.

"Soon you will find out what I just did, let's knock on the door belonging to the Dean." Ye Chen chuckled at Lin Rouxi, in a moment Lin Rouxi would know what kind of thing he just did.

Lin Rouxi became even more curious, exactly what Ye Chen had just done.

This curiosity was very disturbing to Lin Rouxi, women are like this, the curiosity they have is so strong that it can even get them caught in a problem.

"knock. . .,knock. . . , knock. . . , "Ye Chen banged on the door of the school dean's room very hard.

Yu Ting and the school dean who were having an intimate relationship panicked when they saw someone banging on the door very hard.

Yu Ting immediately pushed the dean away from herself, she immediately looked for the clothes she was wearing and started to wear them.

The school dean was very helpless when she was pushed away by Yu Ting. She felt very lost at the pleasant feeling she had just now.

The current school dean is very angry, even though they are both having intercourse, who would dare to disturb both of them when having an intimate relationship like this.

From the start, Ye Chen had deliberately banged on the door very hard so that Yu Ting and the school dean panicked.

That way they both will definitely panic and stop having intimate relationship immediately.

"Who is outside?" the school dean immediately asked who the person was out there.

Ye Chen immediately gave a signal for Lin Rouxi to answer the words of the school dean.

Lin Rouxi immediately understood the signal Ye Chen was giving her.

"Dean, it's me Lin Rouxi, I came here with Ye Chen to discuss something with you." Lin Rouxi immediately answered the words of the school dean.

"Damn, this woman dared to disturb the important moment I was doing." The school dean was a little angry at Lin Rouxi for disturbing him while he was doing important things together with Yu Ting.

The school dean didn't have time to discuss anything with these two people, right now there were more important things to do together with Yu Ting.

"Quick, put your clothes on and welcome them both" when the school dean wanted to kick out Ye Chen and Lin Rouxi left, Yu Ting told him to immediately put on clothes and welcome arrival Ye's Chen and Lin Rouxi.

Yu Ting herself had predicted what made these two people come to see the school dean, Ye Chen would definitely want to file a complaint about his expulsion letter from the school.

It seemed that plan was Yu Ting's completely successful, Ye Chen was really afraid of being expelled from this school.

Yu Ting had known Ye Chen for a long time, that's why Yu Ting knew that going to school was something very important for Ye Chen.

If Ye Chen is expelled from this school, then Yu Ting is afraid that no school will want to accept Ye Chen back.

Yu Ting could use this opportunity to threaten Ye Chen to obey her, after all the school's dean was under her control, so Yu Ting now fully held Ye Chen's future in this school.

This is an important moment for Yu Ting to take revenge on Ye Chen, he will definitely make Ye Chen obey him and serve himself as a slave.

Until now, Yu Ting still didn't realize that Ye Chen was a cultivator, so worldly things like school were meaningless to Ye Chen anymore.

Because Yu Ting ordered to welcome Ye Chen, the school dean did not dare to refuse Yu Ting's order, if he refused Yu Ting's order then he would no longer get the body of this beautiful girl.

"Wait a minute." The school dean told Ye Chen and Lin Rouxi who were outside the room to wait for him just a little bit.

The dean hastily started wearing the clothes he had, while on the other hand Yu Ting was currently clearing the battlefield that the two of them had just had.

Yu Ting used the strength she had to clear the rest of the battlefield she had just fought with the school dean.

Several minutes passed, the current dean had finished wearing all the clothes on his body, while Yu Ting had also just finished cleaning up the rest of the battlefield they had just fought.

After confirming that no traces were left in this room, the dean immediately left to open the entrance.

"It's been taking so long, why doesn't he come out right away? ",Lin Rouxi felt a little strange why the Dean took so long to open the door for the two of them.

"Who knows, maybe he's a little busy doing something." Ye Chen told Lin Rouxi that it was possible that the Dean was still busy doing something.

Ye Chen already knew what those two people were doing in the room, the two people must be currently in a panic to clean up the mess they both did just now.

"Click" while Ye Chen and Lin Rouxi were discussing what the dean was doing, suddenly the door was opened from within.

The dean opened the entrance for Ye Chen and Lin Rouxi , "Come in." The dean told Ye Chen and Lin Rouxi to enter the room he had.

Ye Chen and Lin Rouxi followed behind the school dean, the two of them entered the school's dean room.

When Lin Rouxi walked into the school dean's room, she smelled something very familiar to her.

This smell was familiar enough to Lin Rouxi who had been with Ye Chen for a long time.

Obviously this scent is the result of having intimate relationship between a man and a woman.

Inside here Lin Rouxi found a Sexy woman who was currently sitting on a sofa not far from the school dean's desk.

Yu Ting was currently sitting smiling pretty towards the arrival of Ye Chen and Lin Rouxi.

Lin Rouxi looked at Yu Ting with a very strange look, she felt that this woman had become a little strange.

"You two sit down." The dean asked Ye Chen and Lin Rouxi to sit on the chairs in front of his table.

Ye Chen and Lin Rouxi began to sit on the chairs in front of the school dean's work desk.

"So what do you need to come here?" The school dean was trying to be his usual self, he asked Ye Chen's needs and Lin Rouxi came to see him.

"The two of us came here to discuss the matter regarding Ye Chen's letter of expulsion from this school." Lin Rouxi told the school's Dean the reason for their coming here.

"Isn't the contents of the letter very clear to you." The school dean told Lin Rouxi that the contents of the letter he gave were very clear.

"But dean, you still didn't give a clear reason for Ye Chen's expulsion from school." Lin Rouxi tried to find out a worthy reason to get Ye Chen out of this school.

According to Lin Rouxi, the reason given by the dean was not at all worthy of driving Ye Chen out of this school.

"All the decisions I have given are final, you can no longer change that." The dean told Lin Rouxi that the decision he had made was correct.
