

Chapter 631: The situation started to heat up between Lin Rouxi and Yu Ting

"Still the decision you took was baseless, in my class there were more students skipping classes than Ye Chen, why don't you just kick them out as well." Lin Rouxi told the dean that the decisions made were completely baseless.

If Ye Chen is expelled, there will be many students in his class that the school dean will have to participate in expelling.

Heard the words from Lin Rouxi, the school dean became confused in answering Lin Rouxi's words .

Lin Rouxi was quite a smart woman, she naturally knew how to talk to someone like a dean.

"School dean, what Teacher Rouxi said is true you don't have a clear reason for doing that." Ye Chen helped Lin Rouxi to suppress the school's dean who gave a very vague reason.

The current dean was being cornered by Ye Chen and Lin Rouxi, he was having a hard time answering Ye Chen and Lin Rouxi's words.

The reasons that were said by Ye Chen and Lin Rouxi were very reasonable, it was difficult to refute the reasons said by Ye Chen and Lin Rouxi.

The school dean started to look at Yu Ting, he tried to ask for Yu Ting help .

Yu Ting was so helpless, why did she have to have a fool like the school dean who couldn't handle this kind of thing.

"Teacher Lin, you must respect the decision the dean has taken, he is up to you, don't let you fight your boss for defending a troubled student." Yu Ting started to help the Dean to talk against Ye Chen and Lin Rouxi.

Yu Ting tried to use the power the dean had to suppress Ye Chen and Lin Rouxi.

Lin Rouxi turned the attention she had towards Yu Ting, she looked at Yu Ting who was sitting on the sofa beside her.

"Do you know what this matter is?" Lin Rouxi said to Yu Ting who was currently sitting on the sofa beside.

"From what I heard earlier, this is a problem about Ye Chen being kicked out of this school because he skipped too much during lessons" said Yu Ting to Lin Rouxi.

Yu Ting of course knows about this matter, after all she was the one who had planned this from the start, she was the one who had made the dean write Ye Chen's letter from school.

"So you also know about this matter? ", Lin Rouxi became a little suspicious of Yu Ting who also knew about this.

Lin Rouxi began to suspect that this girl had something to do with this matter, as a woman Lin Rouxi had a very strong intuition, it was her intuition that told her that Yu Ting was definitely involved in this matter.

Yu Ting nodded to Lin Rouxi "Teacher Lin, you can't defend someone who has done something wrong by skipping school, how can a teacher like yourself defend a student who is often truant like Ye Chen." Yu Ting started trying to corner Lin Rouxi who tried to defend Ye Chen.

"What's wrong with it if a teacher defends the wrong student, as long as the student is smart there is no problem with it" Lin Rouxi didn't want to lose, she was trying to fight Yu Ting who wanted to fight herself using words.

Yu Ting and Lin Rouxi put off terrifying auras at each other, they were trying to intimidate each other using this aura.

Ye Chen and the dean could only watch the battle that Yu Ting and Lin Rouxi were fighting, neither of them dared to interfere with the battle that was being fought by Yu Ting and Lin Rouxi.

If Ye Chen and the dean bothered the two at this time, the two of them would definitely be told to shut up by Lin Rouxi and Yu Ting.

There is an old saying that never deal with a woman who is angry or you could get the result.

Lin Rouxi and Yu Ting stared at each other with each other, the gaze issued by both could kill each other.

"Teacher Lin, you better not defend Ye Chen, there is nothing good if you defend Ye Chen" Yu Ting warned Lin Rouxi not to defend Ye Chen.

Yu Ting felt hatred when she saw Lin Rouxi trying to defend Ye Chen, why would this very beautiful teacher want to defend Ye Chen, what good is Ye Chen to the point that Lin Rouxi wanted to defend Ye Chen like this.

Yu Ting did not understand why Ye Chen could get to know so many beautiful women that were better than him.

For example: Zhao Yanyan, Feng Xue, and now Lin Rouxi knows Ye Chen.

Yu Ting didn't know why these beautiful women gathered and surrounded Ye Chen like this, whether Ye Chen was lucky to get the attention of these beautiful women.

"It's up to me if you want to defend Ye Chen, after all Ye Chen is a student in my class." Lin Rouxi didn't want to back away from Yu Ting's threat, she wanted to fight this girl.

Lin Rouxi couldn't possibly be afraid of the threat that came from a little girl like Yu Ting.

"So you are challenging me?" Yu Ting said to Lin Rouxi, Yu Ting started to become with the arrogant attitude Lin Rouxi showed.

"Yes, I dare you little girl." Lin Rouxi did not step back, she stepped forward to fight Yu Ting.

Ye Chen didn't expect that something like this would actually happen, Lin Rouxi really looked very dislike of Yu Ting.

"Teacher, calm down, don't get provoked by her words." Seeing the situation became more tense, Ye Chen decided to calm the two who wanted to fight.

Ye Chen really knew very well how Lin Rouxi's character was, Lin Rouxi disliked students who dared to fight teachers the most, therefore when she met Yu Ting who was very brave about her teacher status, Lin Rouxi started to get provoked and fight Yu Ting.

If Lin Rouxi and Yu Ting really fought, then it was certain that Yu Ting would suffer defeat at the hands of Lin Rouxi.

Lin Rouxi's strength was far higher than Yu Ting's, so if Yu Ting really pushed against Lin Rouxi, then it was certain that she would suffer quite a bitter defeat.

Because of Ye Chen's request, Lin Rouxi finally wanted to calm down a little when faced with the hot words that came from Yu Ting's spicy mouth.

Seeing Lin Rouxi giving up on herself, Yu Ting showed a triumphant expression.

"Hide behind that disciple of yours" Yu Ting again mocked Lin Rouxi.

Lin Rouxi heated up a little when she heard the taunts from Yu Ting, Lin Rouxi really wanted to teach this shameless girl a lesson.

Ye Chen immediately held back Lin Rouxi who wanted to get up from the seat he had.

Lin Rouxi looked at Ye Chen, Lin Rouxi's eyes began to question Ye Chen who stopped herself from teaching Yu Ting a lesson.

Even though this girl was the person who had left Ye Chen when Ye Chen was in trouble, why did Ye Chen keep defending bad girls like Yu Ting.

"Dear teacher, don't be impulsive like this, there will be times for you to embarrass her." Ye Chen sent a voice telepathy to Lin Rouxi.

He told Lin Rouxi that there would be a time to turn things around.

Chapter 632: showed the video to Yu Ting and Dean

Lin Rouxi nodded, she would try to be even more patient in dealing with Yu Ting.

Ye Chen was happy when Lin Rouxi could understand what he wanted, Ye Chen then turned his attention to the dean sitting in front of him.

"Dean, let's talk about our initial topic, I hope you revoke my letter of release from this school" Ye Chen asked the dean to revoke the letter that had been issued.

"Sorry, but I can't do something like that." The dean refused Ye Chen's request, who wanted him to revoke his letter expulsion from this school.

"Then tell me if there is anything I can do for you to withdraw the letter." Ye Chen asked the school dean.

Hearing this, Yu Ting started to smile with great satisfaction, his plan finally started to work, it's time to execute Ye Chen.

Yu Ting started to get up from the sofa she was sitting on, she started walking behind Ye Chen's body.

Yu Ting was currently standing right behind Ye Chen who was sitting, Yu Ting began to extend her hand over Ye Chen's shoulder.

Yu Ting started to bring her face closer to Ye Chen's ear, it seemed that Yu Ting wanted to say something to Ye Chen.

"Ye Chen, if you want to be my servant, then maybe I will help you get out of this situation" Yu Ting told Ye Chen that she could provide a favor, as long as Ye Chen wanted to become her slave.

Ye Chen, who just heard Yu Ting's words, immediately looked at Yu Ting with a strange gaze, he suspected that Yu Ting was the one who had made the dean expel himself.

This woman was still trying to find trouble with himself, this made Ye Chen not very happy.

Even though Ye Chen had tried not to get in touch with anymore Yu Ting, this girl was still looking for unnecessary trouble with him.

Looks like Ye Chen must really teach a lesson so that Yu Ting no longer looks for a problem with him.

"Can you really help me? ",Ye Chen asked Yu Ting.

"Of course, I can help you out of this." Yu Ting left Ye Chen's side, she was now sitting on the armrest on the dean's chair.

Yu Ting sat impolitely on the armrest of the dean's chair.

Yu Ting started stroking the dean head like a pet she had, the school dean did not fight back when his head was rubbed by a little girl like Yu Ting.

"School dean, you will listen to my words right? ", Yu Ting asked the school dean beside her.

"Yes, Yes, Yes." The school dean immediately nodded at Yu Ting, he looked very obedient to Yu Ting's words.

The school dean was completely devoid of any pride anymore, he was now Yu Ting's extremely obedient pet.

Lin Rouxi saw what Yu Ting was doing right now, the school dean looked very obedient to the words of a girl like Yu Ting.

Lin Rouxi could tell that the Dean was currently controlled by Yu Ting, it meant that the person who wanted to get Ye Chen out of school was not the dean but Yu Ting.

Lin Rouxi hated this woman even more, not only had she left Ye Chen, this woman also dared to find trouble with Ye Chen.

"You, so you've been the one behind all this." Lin Rouxi said to Yu Ting who was beside the dean.

"Did you just realize this, hahahaha" Yu Ting laughed at Lin Rouxi, who just realized that she was the person that Ye Chen wanted out of this school.

"Aren't you ashamed of yourself?" Lin Rouxi felt that this girl was really no good.

Lin Rouxi was unkind very grateful that Ye Chen had left such a woman like Yu Ting.

"Whatever, I don't care about it." Yu Ting didn't care about embarrassment at all, now she has become a shameless woman anymore.

"School dean, be aware, how can you be controlled by this woman" Lin Rouxi tried to awaken the school dean who was currently under Yu Ting's control.

"It's useless, he has become my loyal servant, he will never listen to orders from other people." Yu Ting told Lin Rouxi that the dean was completely under her control.

"What Yu Ting said is true, now she is the young lady I care about." The old dean started to act spoiled to Yu Ting who was stroking his head.

Lin Rouxi didn't believe that the dean had become Yu Ting's servant, it seemed that Lin Rouxi could no longer resuscitate the school dean who had been controlled by Yu Ting.

"Dean, did you really listen to Yu Ting's words, if you listen to Yu Ting's words, you could lose your current position." Ye Chen warned the school dean who was currently acting very intimate with Yu. Ting.

Ye Chen felt nauseous when he saw the intimate relationship this old man was having with Yu Ting, Ye Chen had tried to be patient, but because he was provoked by Yu Ting, Ye Chen had to fight the two of them.

Ye Chen was forced to have to use the video he had just recorded to make these two people feel the consequences for looking for trouble with him.

"What are you, you do not have the strength to get me kicked out of my current position" The dean was not afraid of the threat that came from Ye Chen.

For the dean Ye Chen did not have the strength to threaten him from the position he currently had.

"Really? Then what if this thing gets out." Ye Chen started to open the cellphone he had.

he started showing the video he had captured when the dean and Yu Ting were having a good time having intimate.

Dean "Honey, your skills are truly extraordinary, I feel very excited".

Yu Ting "Really, then continue, I will squeeze everything you have."

In the video that Ye Chen was currently playing, there was a sound of conversation being carried out by Yu Ting and the school dean.

The faces of Yu Ting and the school dean immediately turned black after seeing the video on Ye Chen's cellphone.

Yu Ting and the school dean did not expect that Ye Chen would take their video while having an intimate relationship.

Lin Rouxi who was beside Ye Chen was quite surprised when she saw the video on Ye Chen's cellphone.

Lin Rouxi didn't expect that these two people would do something like that in this room just now.

No wonder this room had a scent that was familiar to Lin Rouxi, it turned out that this room had just been used by these two people to have an affair.

"Wait, where did you get that video?" Yu Ting started to panic when she saw Ye Chen having the video of an affair she had with the school dean.

If this video gets out, then Yu Ting's reputation that has just been created will be destroyed.

It is necessary to know that now Yu Ting has many fans in school and outside this school, if these fans see the contents of the video on Ye Chen's cellphone at this time, then they will definitely leave Yu Ting.

No matter how great Charm is Yu Ting's have , if this video gets out her reputation will be destroyed.

She would definitely be labeled a shameless bitch when she hooked up with an old man like the dean.

Chapter 633: Lin Rouxi Vs Yu Ting

"Who knows where I got this video from, hehehehe" Ye Chen chuckled at Yu Ting and the school dean.

Ye Chen was currently smiling evilly at Yu Ting and the school dean, he finally made these two people feel the consequences for having dared to find trouble with him.

The dean was the one who hit the hardest when he saw the contents of the video that Ye Chen had just shown, if this video spread to the public, then he would definitely lose the dean position he had.

"Quickly give the cellphone to me" The dean tried to take the cellphone in Ye Chen's hand.

Ye Chen didn't let the dean take the cellphone that was in his hand, he immediately put his cellphone into his pants pocket.

"I won't let you two get it" Ye Chen told the dean and Yu Ting that the two of them would not be able to get what they wanted from him.

"Ye Chen quickly give your cellphone, otherwise don't blame me for doing something to you" Yu Ting also asked for Ye Chen's cell phone.

"What are you going to do if I don't hand over this phone?" Ye Chen wants to know what will do Yu Ting if he doesn't hand over the video he just took.

"Ye Chen, don't blame me if I use violence against you if you don't want to hand over the video." Yu Ting threatened to use force to deal with Ye Chen.

Yu Ting started to expend strength to intimidate Ye Chen, because Yu Ting was a cultivator she could easily bully Ye Chen.

"Uh, I'm so scared," Ye Chen started to pretend he looked scared when threatened by Yu Ting.

"It's good if you're afraid, quickly hand over your cell phone." Yu Ting looked very proud when she saw Ye Chen scared.

"I'm just kidding, I'm not at all afraid of your threat, hehehehe" Ye Chen burst out laughing.

Hearing Ye Chen's words, Yu Ting started to raise her eyebrows, she felt displeased with Ye Chen who dared to deceive her.

"Teacher what do you think, do we need to submit the video of the affair between these two people?" Ye Chen started asking Lin Rouxi who was beside him.

"Don't give the video to them, you better upload it to the internet" Lin Rouxi instead told Ye Chen to upload this video to the internet.

That way the real face of this woman would be exposed to the public, Lin Rouxi wanted to see how Yu Ting got humiliated after everyone around the world saw this Video.

"That's great, you two are really brave enough to challenge me, I will definitely pay for it." Yu Ting began to lose the patience she had.

Yu Ting was tired of using normal means to deal with Ye Chen, it was better if she used hard means to make Ye Chen obey her.

From Yu Ting's body began to a terrifying force, this room began to shake violently when Yu Ting released the strength he had.

Ye Chen and Lin Rouxi saw what was going to do Yu Ting, they both didn't expect that Yu Ting would use her strength in a small place like this.

Yu Ting was now in the early stages of Emperor Realm, so when she used the strength she had, she could easily shake the entire school building.

Seeing this room shaking, the dean immediately hid under the table, he cowered in fear when there was an earthquake in this place.

"You two who forced me to use this, now feel the consequences." Yu Ting immediately flew towards Ye Chen and Lin Rouxi.

"Dear teacher, I leave her to you, do whatever you want her" Ye Chen said to Lin Rouxi who was beside him.

Ye Chen knew that Lin Rouxi really wanted to teach lesson Yu Ting a, that's why he let Lin Rouxi take care of Yu Ting.

"Husband, thank you very much, you really know very well that I want to teach this woman a lesson." Lin Rouxi was very pleased with Ye Chen who understood what she wanted earlier.

Lin Rouxi had held back for quite a while, and now finally she could fight with this shameless girl.

Lin Rouxi advanced towards arrival Yu Ting's, she stretched out a palm as soft as the silk she had towards Yu Ting.

Yu Ting was a little surprised when she saw Lin Rouxi come forward to fight her, this woman had absolutely no idea who she was fighting at the moment.

Yu Ting sneered at what Lin Rouxi was doing, this woman actually dared come forward to fight against her.

"Die" Yu Ting intended to pat Lin Rouxi who was in front of her.

With Yu Ting's current strength, she could easily make Lin Rouxi become a mist of blood with just one clap.

"Bamm" Lin Rouxi's palm and Yu Ting's palm met.

When Yu Ting's palm met Lin Rouxi's palm, Yu Ting felt an intense pain right in the hand that had just been used to attack Lin Rouxi.

Lin Rouxi's palm strength was too terrifying, Yu Ting even slammed backwards and hit the wall behind her.

The wall easily collapsed when hit by Yu Ting's body, Yu Ting was literally blown out of this room by Lin Rouxi.

When Lin Rouxi saw Yu Ting who had just been flown out of the room, Lin Rouxi felt very happy, she was finally able to repay Yu Ting's humiliation.

Yu Ting landed several hundred meters from the room where Lin Rouxi was currently, Yu Ting could not believe that she lost in the exchange just now.

Yu Ting suffered a crushing defeat in the exchange of attacks with Lin Rouxi, even though her current arm was seriously injured due to the exchange of attacks she just made with Lin Rouxi.

"Who exactly is that woman?, why does she have such terrifying strength." Yu Ting began to wonder who Lin Rouxi really was, why did Lin Rouxi have a much higher strength than Yu Ting currently.

Even though Yu Ting was very confident in the strength he currently possessed, she did not expect that in this school there would be a hidden master like Lin Rouxi.

No wonder Lin Rouxi was not afraid of her at all, it turned out that this woman from the start had the capital to fight against her.

"Damn, why does Ye Chen know such a strong woman?" Yu Ting started cursing very loudly.

Yu Ting was very upset with Ye Chen, who knew a strong woman like Lin Rouxi.

Now Yu Ting will definitely be a little difficult when taking revenge on Ye Chen, Ye Chen is a strong woman like Lin Rouxi, beside him, it will be very difficult for her to find trouble with Ye Chen.

Yu Ting flew back to the room where Lin Rouxi was, while holding onto her injured arm, she entered and looked at Lin Rouxi with a gaze of intense hostility.

"Have you got a lesson today?" Lin Rouxi said to Yu Ting who was in front of her, Lin Rouxi really gave Yu Ting an unforgettable lesson.

Yu Ting could only grit the teeth she had, she couldn't possibly win against the Lin Rouxi who was in front of her.

Chapter 634: Yu Ting was defeated

"So all this time you've been hiding your true strength from me?" Yu Ting finally realized that Lin Rouxi was much stronger than her.

No wonder Lin Rouxi wasn't afraid of herself from the start, it turned out that Lin Rouxi was much stronger than Yu Ting.

"I'm not hiding the strength I have from you at all, just you are too weak to realize that I am much stronger than you." Lin Rouxi told Yu Ting that she was too weak to the point of not being able to detect the strength Lin Rouxi possessed.

"Damn, how dare you underestimate me, I will make sure to make you regret it for being brave... ..
"Before Yu Ting can finish the words she has.

body was Yu Ting's now covered with water that came out of nowhere, this water wrapped around Yu Ting's body.

Yu Ting who was imprisoned in the water was no longer able to speak, she even started to have difficulty breathing in this water.

Seeing Yu Ting still speaking arrogantly in front of herself, Lin Rouxi looked very angry, she used the technique ***Ocean Blessing*** to lock up Yu Ting.

Yu Ting looks quite difficult to breathe in the water that envelops her's body ,Yu Ting also starts to feel very heavy, she is like being hit by a mountain on top of her body

Yu Ting tries to use the strength she has to repel the water that wraps her body, when Yu Ting tried to use the strength she had to repel the water that was confining her, Yu Ting found that she could not repel the water around her.

In the water, Yu Ting started to run out of oxygen, she began to look very, very sick when she ran out of oxygen in her body.

Yu Ting did not believe that she would be in a situation like this when she fought Lin Rouxi.

Lin Rouxi was too strong to the point that Yu Ting was rendered helpless like this.

Lin Rouxi saw that Yu Ting was starting to be in pain while in the water prison she had created.

Lin Rouxi felt a little sorry for this woman, she decided to release Yu Ting who was in the water prison.

When Lin Rouxi pulled back the strength she had, Yu Ting was immediately freed from the water prison, she immediately fell to the floor below.

"Cough.. . , cough.. . , cough.. . , "Yu Ting started coughing very, very painfully, if Lin Rouxi hadn't let go of herself before, then Yu Ting would probably pass out and be unconscious.

"Yu Ting, I warned you enough earlier, don't make me lose the patience I have." Lin Rouxi started talking to Yu Ting.

Yu Ting who was on the floor started to look at Lin Rouxi who was in front of her, Yu Ting looked at Lin Rouxi with a look of very strong hostility.

This time Yu Ting did not dare to go back to words Lin Rouxi like before.

Yu Ting was afraid that Lin Rouxi would do bad things to her like before.

Yu Ting knew that she was not a match for Lin Rouxi, if she continued to insist on fighting Lin Rouxi, then Yu Ting would definitely suffer even more from this.

"Teacher Lin, why would someone as strong as you want to protect Ye Chen, what exactly is so good about a man like Ye Chen?" Yu Ting wants to know the reason why Lin Rouxi wants to help Ye Chen.

What was so special about Ye Chen that Lin Rouxi who was this strong wanted to help Ye Chen.

"Ye Chen is a special person for me, so if you dare to find trouble with Ye Chen again in the future, I will make sure that worse things will happen to you more than now." Lin Rouxi gave a warning to Yu Ting who was in in front of her.

Yu Ting was just the past that belonged to Ye Chen, Lin Rouxi didn't want Yu Ting to appear in Ye Chen's life anymore.

Now that Ye Chen was happy to be with Lin Rouxi and the other women of Ye Chen, Lin Rouxi didn't want a woman like Yu Ting to enter Ye Chen's happiness.

"Hemp." Yu Ting only coldly when she received warning from Lin Rouxi.

Lin Rouxi had at least warned Yu Ting, so if in the future this woman went back to looking for trouble with Ye Chen, Lin Rouxi and the other Ye Chen women would definitely make Yu Ting feel the consequences.

"Ye Chen, let's go." Lin Rouxi invited Ye Chen left this place, because the problem had been resolved, there was nothing else Ye Chen and Lin Rouxi could do in this place.

The essence of the problem has been resolved, from the start Ye Chen was not expelled from this school, he was only framed by Yu Ting.

"Wait a minute, I have to say something to someone" Ye Chen asked Lin Rouxi to wait just a little bit, he wanted to talk to the school dean.

"School dean, come out." Ye Chen told the school dean to come out of his current hiding place.

The school dean started to come out of his hiding place, he peeked at Ye Chen and Lin Rouxi who were in front of him.

"School dean, if you still dare to look for trouble again in the future, I will make sure that this video will be spread and seen by everyone in this world." Ye Chen also warned the school dean not to look for trouble in the future, or Ye Chen will spread the video of the affair he had with Yu Ting.

"I understand, I understand, please don't do it." The dean immediately nodded to Ye Chen, he would not dare to find trouble with Ye Chen anymore.

The dean did not want to lose the position he had earned so hard.

"Very good." Ye Chen seemed satisfied hearing the answer from the school dean.

After warning the dean, Ye Chen and Lin Rouxi went out of this room.

Right now in this room only Yu Ting and the school Dean.

Yu Ting started to get up from the floor, she began to see that her body was currently drenched in water that had locked her up.

"Damn it" Yu Ting cursed very loudly once again, she failed to take revenge on Ye Chen again and was humiliated again by Ye Chen.

Yu Ting's hatred for Ye Chen is getting stronger than ever before, Yu Ting hates more and more Ye Chen in her heart.

"Honey, are you okay?" The school dean started to hug Yu Ting's body, which was currently soaked with water.

The appearance of Yu Ting who is soaking wet is very sexy, she looks very tempting to the school dean, the school dean feels himself getting excited again when he sees Yu Ting's appearance like this.

"You old man get away from me." Yu Ting immediately pushed away the school dean who was trying to hug her.

Yu Ting became even more disgusted by this old man. This old man was of no use to her at all, he had no meaning to Yu Ting anymore.

The dean was so easily flown by Yu Ting that he fainted at the scene.

Yu Ting no longer cares about the life of this old man, the dean is no longer of use to Yu Ting, that's why Yu Ting dumped the school dean.

Yu Ting now saw a man as a toy and a tool that he could use whenever she pleased, after feeling there was no use for her anymore, Yu Ting would immediately throw the man away.

Chapter 635: Su Yuyu and Xia Ningzi visit to Ye Chen's villa

Yu Ting began to think about how to get revenge for the treatment she had just received.

After thinking for a while, Yu Ting had a way of dealing with Ye Chen and Lin Rouxi.

"Looks like I have to ask the master for help." Yu Ting decided to ask the master for help, with the strength of her master, Yu Ting was very sure that Lin Rouxi could be defeated very easily.

" I will send a letter to master asking for help, I hope he will be here soon ".

Master Yu Ting is currently still in the Kunlun holy land, therefore Yu Ting has to send a letter so that she will come here.

With the current Yu Ting's strength, she could not freely enter and exit the Kunlun Holy Land, she would definitely die if she forced her way back to the Kunlun Holy Land.

The forest at the entrance to the Kunlun Holy Land was very dangerous for Yu Ting, if she forced to enter the Kunlun Holy Land then she would die in that forest.

Yu Ting was able to come back to the mortal world because of being delivered by her master, if Yu Ting's master did not lead Yu Ting to the mortal world, Yu Ting would never return to the mortal world.

Yu Ting took out a doll in the shape of a butterfly, she began to whisper a word on the butterfly puppet in her hand.

When Yu Ting finished whispering something to the butterfly doll, the butterfly doll that was in Yu Ting's hand started to come to life and flew around above Yu Ting's head.

"Quickly convey my greetings to the master." Yu Ting ordered the butterfly doll to immediately convey her message to the master.

The butterfly puppet immediately flew towards the Kunlun mountains, butterfly puppet immediately went towards the place where the Spring Palace was.

"Ye Chen, Lin Rouxi, get ready, this time with the help of my master, I can definitely make both of you bend your knees at my feet".

Yu Ting had already imagined what would happen when her master came and helped her, that Bitch Lin Rouxi would definitely bend her knees before her master's strength.

After sending a message to her Master, Yu Ting left this place, she left the Dean who was currently unconscious on the floor.

Yu Ting really turned into a very cruel woman, even though a while ago the two of them were still on the sofa having fun, but now she left the Dean in this state.

Yu Ting really didn't care about the dean's life anymore, the main focus of Yu Ting's mind was to take revenge on Ye Chen and Lin Rouxi who had just humiliated her.

Plus Yu Ting had to get the video from Ye Chen's hands immediately or something worse would happen to her.

.
. .

After leaving the room belonging to the dean, Ye Chen and Lin Rouxi immediately returned to the Villa.

"Dear teacher, are you still angry with Yu Ting?" Seeing the expression Lin Rouxi was showing currently, Ye Chen immediately asked if Lin Rouxi was still angry with Yu Ting.

"Husband, I'm still a little angry with that woman, even after leaving you, she still dares to find trouble with you." Lin Rouxi told Ye Chen the reason she was angry with Yu Ting.

Not only had he ever left Ye Chen, Yu Ting also continued to look for an unnecessary problem with Ye Chen, this made Lin Rouxi wasn't happy.

Not only Lin Rouxi actually disliked Yu Ting, Zhao Yanyan also really disliked Yu Ting.

If earlier the person who was with Ye Chen was Zhao Yanyan, surely Yu Ting's fate would be even more tragic.

Zhao Yanyan would definitely torture Yu Ting using the *curse melody* even more.

"Yu Ting has completely changed from what I have ever known, she is no longer the Yu Ting I knew before." Ye Chen felt that Yu Ting was now completely different from the cute Yu Ting that Ye Chen had known in the past.

Now that Yu Ting has become a woman who craves power and money, even now Yu Ting is using dirty means to get what she wants.

Yu Ting has strayed quite far from the right path, Ye Chen only hopes that the woman used to return to how she used to be.

The possibility that this will be very difficult to happen, Yu Ting has already entered deep enough into the hole to become like this, so it will probably be very difficult for Yu Ting to be like before.

"Husband, if that woman comes back looking for trouble with you again, you just tell me, I and the sisters will take care of it" Lin Rouxi said to Ye Chen to report if Yu Ting returned to look for a problem with Ye Chen.

It's a problem between girls, so it's best for Ye Chen's ladies to take care of this.

"Fine." Ye Chen understood, he did not want to interfere with the affairs of his women and Yu Ting.

Ye Chen and Lin Rouxi very quickly returned to the villa, when the two of them returned to the villa, Ye Chen and Lin Rouxi found two visitors who were visiting the villa.

Two of the visitors to the villa were women, one was a loli with a flat chest, while the other had a very well developed body like a magazine model.

These two women were of course Su Yuyu and Xia Ningzi, both of whom went to visit Villa Ye Chen's.

"Why did Ningzi and Yuyu come here?" Asked Ye Chen curiously.

"It seems like Yuyu and Ningzi came to train to become cultivators." Lin Rouxi said to Ye Chen why the two of them came to this villa.

Lin Rouxi already knew Su Yuyu and Xia Ningzi, these two women often came to visit Ye Chen's villa to train to become a cultivator.

The reason Su Yuyu and Xia Ningzi often visited Ye Chen's Villa was because both of them were attracted to the world of cultivators.

Xia Ningzi, who initially didn't even know the world of cultivators, became interested like Su Yuyu, she started training with Su Yuyu to become a cultivator.

Xia Ningzi hoped that after becoming a cultivator she would not be bothered by others anymore.

The kidnapping incident at that time still traumatized Xia Ningzi a little, so she tried to train like Su Yuyu to be able to defend herself from the bad people out there.

Xia Ningzi has a very, very good body shape, which is why she easily attracts the attention of the evil males who are out there.

"Oh, so both of them came to practice." Ye Chen began to understand why Su Yuyu and Xia Ningzi visited his villa.

Su Yuyu and Xia Ningzi's older sister was Ye Chen's woman, so it wasn't strange that Ye Chen's women were willing to train Su Yuyu and Xia Ningzi.

"Let's go down and see the two of them." Ye Chen invited Lin Rouxi to come down and meet Xia Ningzi and Su Yuyu.

Xia Ningzi and Su Yuyu immediately became aware of the arrival of Ye Chen and Lin Rouxi.

Su Yuyu excitedly went to Ye Chen's side. "Hey brother-in-law, give me a good artifact weapon, or a good technique." Su Yuyu started calling Ye Chen as brother-in-law, she excitedly asked for an artifact and technique to Ye Chen.

After finding out that her older sister had a relationship with Ye Chen, Su Yuyu no longer held back and started acting spoiled by asking for something nice from Ye Chen.

If it's up to Ye Chen didn't give her anything, then Su Yuyu would complain to her older sister Su Yuya who has become Ye Chen's woman .

Chapter 636: Visit Xia Qingyu

Ye Chen had a little headache when he saw Su Yuyu who was trying to blackmail himself, this little loli was really trying to blackmail himself in this way.

"Come on brother-in-law don't be stingy with me or I'll tell my sister if you bully me" Su Yuyu tried to threaten Ye Chen by using Su Yuya's status as Ye Chen's woman.

"Come on, come on." Su Yuyu kept on forcing Ye Chen to let Ye Chen give her what she wanted.

Ye Chen knew very well what kind of character belonged to Su Yuyu, this little Loli doesn't want to let go Ye Chen before her request was granted by Ye Chen.

On Ye Chen's side, Lin Rouxi felt very funny when she saw Su Yuyu who was asking Ye Chen something.

This little loli knew very well how to force Ye Chen to give something to herself.

"Okay, okay, later I will give you something as a gift" because he could no longer stand the whining voice from Su Yuyu, Ye Chen was forced to promise that this little loli would be quiet for a while.

"Yay," Su Yuyu looked very happy when she managed to get something from Ye Chen, finally her way of working for Ye Chen.

Su Yuyu couldn't wait to get an artifact or technique from Ye Chen, she hoped that Ye Chen would give herself something really good.

If Ye Chen gave her something that wasn't good, Su Yuyu would come back to whining like this.

Meanwhile Xia Ningzi's face flushed slightly when she looked at Ye Chen, Xia Ningzi still remembered the embarrassing incident she had experienced with Ye Chen that night.

The image that Ye Chen had made could not disappear from Xia Ningzi's mind, Xia Ningzi still remembered what Ye Chen did that night.

"Ningzi, how is your elder sister doing, is she okay?", Ye Chen asked Xia Ningzi how Xia Qingyu doing was.

Ye Chen had not seen Xia Qingyu in a long time, she wanted to know how Xia Qingyu was at this time.

Xia Ningzi daydreamed, she didn't listen to what Ye Chen was saying.

"Huh, brother-in-law what did you just say?" Because Xia Ningzi was just daydreaming, Xia Ningzi didn't hear what Ye Chen just said.

"Ningzi, I'm asking how your older sister is, is she okay or not?" Ye Chen asked Xia Ningzi again.

"Ohh, older sister is currently fine, it's just that she looks a little strange these days." Xia Ningzi told Xia Qingyu the current state.

"How strange?" Ye Chen asked Xia Ningzi, Ye Chen wanted to know what happened to Xia Qingyu.

"These past few days, my older sister has often locked herself in the room, I don't know what she is doing in her room." Xia Ningzi found this strange a few days ago, every time Xia Qingyu came home from work, she would immediately lock herself in her room.

Even Xia Qingyu didn't let anyone into her room.

"Is it possible she was angry about something?", Ye Chen asked Xia Ningzi.

"I don't understand about it, I know that my older sister doesn't show any signs of anger or annoyance." Xia Ningzi didn't see that Xia Qingyu was upset, Xia Qingyu looked just ordinary.

"Or maybe she is not satisfied because brother-in-law hasn't come and see elder sister for a long time." Xia Ningzi began to suspect that Xia Qingyu was not satisfied because Ye Chen had not come to see Xia Qingyu for a long time.

"Maybe you're right, I think I should go and visit Qingyu." What Xia Ningzi said seemed right, Ye Chen felt that he needed to go visit Xia Qingyu.

"Then I'll go see Qingyu." Ye Chen decided to go see Xia Qingyu, he said goodbye to Lin Rouxi, Su Yuyu, and Xia Ningzi to go find Xia Qingyu.

Ye Chen immediately left this place to find Xia Qingyu's whereabouts.

Lin Rouxi, Su Yuyu and Xia Ningzi could only see Ye Chen leaving.

"Huh, he ran away." Seeing Ye Chen who ran away leaving this place, Su Yuyu intended to chase after Ye Chen who had run away.

Su Yuyu didn't get anything from Ye Chen, so she tried to chase after Ye Chen who was running away.

"Yuyu, stop." Xia Ningzi stopped Su Yuyu who was going to chase after Ye Chen.

"Ningzi, why did you stop me, I want to chase after that person, he hasn't given me anything good." Su Yuyu told Xia Ningzi to let go.

She wanted to chase after Ye Chen and ask for the item that Ye Chen had previously promised.

"Yuyu, brother-in-law is busy, you better ask him later." Xia Ningzi tried to calm Loli Su Yuyu who wanted to go after Ye Chen.

"But... .." Su Yuyu is still reluctant to let Ye Chen go, she wants an artifact or a good technique from Ye Chen.

"Yuyu, what Ningzi said is right, you better ask for it later, after all, you can't possibly catch up with your husband." Lin Rouxi also told Su Yuyu to be more patient.

"Okay, I understand." Due to the pressure from Xia Ningzi and Lin Rouxi, Su Yuyu finally wanted to let Ye Chen go.

Even though Su Yuyu released Ye Chen now, when Ye Chen came back, she had to get an artifact or a technique from Ye Chen.

If Ye Chen still refused to give herself something good, Su Yuyu would definitely stick to Ye Chen until Ye Chen wanted to give herself something.

.
. .
.

Ye Chen is currently going to Xiannu company , it's been quite a while since Ye Chen went to visit his company.

The last time Ye Chen went to visit his company was when the company was experiencing a great fire, after that Ye Chen had never visited his company again.

When Ye Chen arrived at the Xiannu company building, he found that the building that was burned down had been renovated, better and more magnificent than before.

Now the company building Xiannu is more magnificent than before.

Ye Chen immediately descended and entered the building, he immediately went to the top floor where the room where Xia Qingyu was.

At full speed, Ye Chen very quickly arrived at the door of Xia Qingyu's room.

Ye Chen knew that Xia Qingyu was currently alone in this room, this was the perfect time to meet Xia Qingyu.

Ye Chen found that Xia Qingyu's door was currently locked from the inside, it seemed that this girl was doing something.

"Master, there is a very strong woman inside, it seems like this woman comes from the God Realm." Chu Yuechan told Ye Chen that in the room where Xia Qingyu was currently there was a very strong woman.

Judging from this woman's cultivation, Chu Yuechan could predict that this woman was from the God Realm.

"What? Inside is a woman from the God Realm?" Ye Chen was a little surprised when he heard this.

Ye Chen himself did not sense the presence of the woman Chu Yuechan said, it was likely that this woman was too strong to the point that Ye Chen couldn't feel the presence of this woman.

"Yes, that's absolutely right," Chu Yuechan confirmed the words she previously said to Ye Chen.

Chapter 637: calmed the angry Xia Qingyu

Ye Chen began to wonder why there was a woman from the God Realm in Xia Qingyu's room, who was that woman and what she wanted to be in the same room as Xia Qingyu.

Recently, many people from God Realm have come to this earth, which is actually what makes these people come to this planet more and more often.

It seemed that what Madam Laura was talking about came true, she really had predicted that people from God Realm would come to this planet.

" Master, try to go in and see, you find out where that woman came from." Chu Yuechan told Ye Chen to come in and find out who the woman was with Xia Qingyu.

"Fine, I will find out who this woman is and what she wants to be with Xia Qingyu." Ye Chen must find out what this woman wants from Xia Qingyu, don't let this woman plan something bad on Xia Qingyu.

"Tap.. . , tap.. . , tap.. . "Ye Chen started knocking on the door of Xia Qingyu's room, Xia Qingyu and the woman in there were shocked by Ye Chen's sudden arrival.

Even women from God Realm were completely unaware of Ye Chen's arrival.

" who is that ? " Xia Qingyu immediately asked the person outside in a cold voice.

"Qingyu, it's me, quickly open the door." Ye Chen, who was outside immediately answered Xia Qingyu's question.

Xia Qingyu was a little surprised when she found out that this was Ye Chen, Ye Chen had not seen her for a long time, which made Xia Qingyu a little upset.

"Qingyu, who is this man?" The woman from God Realm asked who the real Ye Chen was outside.

"Sister Yueli, he is Ye Chen who is my fiancé." Xia Qingyu told the woman from God Realm who was the one out there.

This woman's name was Mei Yueli, she belonged to a sect called the Nine immortals peak From the God Realm.

Mei Yueli came here because she heard a rumor that a treasure existed on this planet.

When Mei Yueli came here, she had an accident that left her with an injury that made Mei Yueli desperate.

For this, Mei Yueli met Xia Qingyu who wanted to help her and take care of herself until she recovered a little.

Because of this the relationship between the two became so close, even Mei Yueli began to think of Xia Qingyu as her little sister.

Because Xia Qingyu had a pure Yin body, Mei Yueli started helping Xia Qingyu to become a great cultivator.

Xia Qingyu's pure Yin body was quite rare in God Realm, there were only a few people who had a body like Xia Qingyu in God Realm, because of this Mei Yueli helped Xia Qingyu train to become a cultivator.

"So he is the fiancé that you talk about a lot, I want to see what kind of man you are proud of." Mei Yueli wanted to see what kind of man Xia Qingyu was so proud of herself.

"Can you hide somewhere first, I don't want Ye Chen to find you." Xia Qingyu told Mei Yueli to hide somewhere first.

"Qingyu, you don't need to worry, I can create a barrier that can hide my existence, your fiancé won't be able to find me." Mei Yueli told Xia Qingyu that she had a barrier technique that could help hide herself from Ye Chen's eyesight.

"But.. ." Xia Qingyu still doubts that Mei Yueli can hide herself from Ye Chen.

Ye Chen is a great cultivator, Xia Qingyu is afraid that Mei Yueli can be found easily by Ye Chen.

"Qingyu, why are you taking so long, quickly open the door." Ye Chen asked Xia Qingyu to immediately open the door for himself.

"Qingyu, you don't need to worry, quickly open the door." Mei Yueli told Xia Qingyu to immediately open the door for Ye Chen.

Xia Qingyu nodded at Mei Yueli, she started to open the door for Ye Chen, "Click", Xia Qingyu opened the door for Ye Chen.

From the outside, Ye Chen rushed in and embraced Xia Qingyu's body.

Xia Qingyu was very surprised by what Ye Chen was doing, she did not expect that Ye Chen would hug her so suddenly.

"Qingyu, why are you taking so long, I'm already tired of waiting for you outside" Ye Chen complained a little when he was told to wait outside for a long time by Xia Qingyu.

"Ye Chen, what are you doing here? ", Xia Qingyu immediately asked what Ye Chen was doing in this place.

Xia Qingyu's voice became quite cold towards Ye Chen, it seemed that this woman was angry with Ye Chen.

"You are still asking why I am here?. Of course I am here to visit my dear fiancée." Ye Chen told Xia Qingyu that he had come here to visit her.

"Hemp, you still remember your fiancée, I think you've forgotten me and had fun with the enchanters by your side." Xia Qingyu felt unhappy when she was almost forgotten by Ye Chen.

Xia Qingyu had been waiting for Ye Chen's arrival for weeks, but Ye Chen never came to see her, this made Xia Qingyu feel annoyed at Ye Chen.

"Oh come on Qingyu, how could I forget a beauty like you." Ye Chen started to persuade Xia Qingyu who looked angry.

Xia Qingyu still looked away, she still looked annoyed that Ye Chen had not visited her for a long time, it was quite difficult to persuade Xia Qingyu who was already angry with Ye Chen.

Ye Chen looked difficult to persuade Xia Qingyu who was cranky to him.

Because ordinary methods did not work to persuade Xia Qingyu, Ye Chen was forced to use a harsher approach so that Xia Qingyu would want to forgive himself.

Ye Chen started to hug Xia Qingyu's body even tighter, Ye Chen brought his face closer to Xia Qingyu's lips.

"Ye Chen, what do you want to do? "Xia Qingyu panicked a little when she saw what Ye Chen wanted to do, Ye Chen really wanted to kiss herself in a place like this.

If there was currently no one else in this place, maybe Xia Qingyu wouldn't refuse a kiss from Ye Chen, the problem was that Mei Yueli was currently watching what the two of them were doing.

Ye Chen didn't care at all if Mei Yueli saw what the two of them would do, just let this woman see what Ye Chen and Xia Qingyu would do.

Ye Chen started kissing Xia Qingyu's Cherry lips , he started to enjoy Cherry Xia Qingyu's lips which were very sweet.

Xia Qingyu started trying to rebel and break away from Ye Chen, Xia Qingyu didn't want it until Mei Yueli saw what she was doing together with Ye Chen.

Too bad Xia Qingyu's efforts were in vain, she was unable to escape the evil grip of Ye Chen's claws.

Ye Chen continued to kiss Xia Qingyu's Cherry lips very greedily, Xia Qingyu began to lose resistance to Ye Chen, she began to enjoy the kiss she had together with Ye Chen.

No matter how cold Xia Qingyu, when kissed by Ye Chen, she will melt into a normal woman who seeks pleasure from Ye Chen.

Chapter 638: Mei Yueli

Xia Qingyu had completely forgotten Mei Yueli who was by the side, she started to hug Ye Chen's neck and kiss Ye Chen very greedily.

Xia Qingyu really liked the feeling of kissing Ye Chen, the feeling of kissing Ye Chen was so pleasant, this was something that Xia Qingyu was addicted to.

Mei Yueli was completely dumbfounded when she saw what Ye Chen and Xia Qingyu were doing right in front of her eyes, she didn't expect that these two would do something like this right in front of her.

This was Mei Yueli's first time seeing a scene like this, as long as she had lived for thousands of years, Mei Yueli had never seen something like this.

Mei Yueli had never seen an adult engage in such an intimate kiss as Ye Chen and Xia Qingyu this time.

"What happened to Qingyu, why did she become like that when kissed by this man" Mei Yueli began to wonder what was happening to Xia Qingyu, why was Xia Qingyu being like that when kissed by Ye Chen.

Even Xia Qingyu, who usually looked cold, became lustful when she was kissed by Ye Chen.

Mei Yueli is a woman who is not interested in this kind of thing, every day she only spends the time she has cultivating and cultivating. There is nothing that Mei Yueli can be interested in except cultivation.

Ye Chen and Xia Qingyu completely ignored Mei Yueli who was looking at them from the side, the two of them were currently enjoying the kiss they were both having.

Ye Chen and Xia Qingyu felt that they were in their own world that couldn't be bothered by anyone.

After about 10 minutes of kissing, finally the two of them wanted to part, Xia Qingyu gasped for breath after kissing Ye Chen.

"Qingyu, now do you want to forgive me?" Ye Chen asked Xia Qingyu.

"Stupid." Xia Qingyu turned her gaze to the side, she didn't dare to answer Ye Chen's words.

From the beginning of Xia Qingyu not angry with Ye Chen, she's just a little jealous of Ye Chen, who spends time with the women in his villa .

Ye Chen saw the slightly shy expression shown by Xia Qingyu, it seemed that Xia Qingyu was no longer angry with him.

Ye Chen hugged Xia Qingyu who was in front of him again, he put Xia Qingyu in his embrace.

Xia Qingyu felt a warm feeling when she was in Ye Chen's arms, this feeling was very comfortable, she felt very safe and comfortable when in Ye Chen's arms.

Xia Qingyu continued to enjoy Ye Chen's hug, after a long time, finally Xia Qingyu realized that Mei Yueli was still in the same room as her.

Xia Qingyu immediately pushed Ye Chen away from herself, Xia Qingyu looked towards where Mei Yueli was.

Ye Chen saw that Xia Qingyu suddenly pushed himself away, Xia Qingyu currently looked panicked as she stared at the direction where her table was.

Ye Chen followed Xia Qingyu's gaze, when Ye Chen followed Xia Qingyu's gaze, he found an ancient beautiful woman who was standing not far from Xia Qingyu's table.

This woman from the God Realm was wearing an ancient red dress with a few pretty motifs, this woman had very beautiful long black hair and red eyelids.

This woman also uses a red veil to cover her face so that it is not seen by others.

Even though it was covered by a red veil, it was certain that this woman was extremely beautiful.

Ye Chen did not expect that women from God Realm would become this beautiful.

"Hey, Qingyu, who is this woman." Ye Chen immediately asked about the identity of the woman who came from the God Realm.

Ye Chen wanted to know who this woman really was and her relationship with Xia Qingyu.

Mei Yueli's eyes widened when she knew that Ye Chen could see her, Mei Yueli looked surprised when she was found by Ye Chen.

Even though Mei Yueli had used a barrier to make herself invisible in front of Ye Chen, it was unexpected that Ye Chen could still see her.

"Can you see me?" Mei Yueli asked Ye Chen.

"Of course I can see you very clearly." Ye Chen answered Mei Yueli's question.

Mei Yueli didn't know what else to say in a situation like this, Ye Chen could really see herself.

"Qingyu, who is this woman, and what is this woman's relationship with you?" Ye Chen asked Xia Qingyu about Mei Yueli's identity again.

"That.. .", Xia Qingyu looked at Mei Yueli, she was a little hesitant about whether to tell Ye Chen the identity of Mei Yueli.

Mei Yueli's identity was so special, Xia Qingyu didn't even fully know about Mei Yueli's identity yet.

Mei Yueli nodded at Xia Qingyu, she allowed Xia Qingyu to tell Ye Chen her identity a little.

"Ye Chen, introduce this is Mei Yueli, Mei Yueli is a person who happened to save her accidentally." Xia Qingyu told Ye Chen that she met Mei Yueli accidentally.

When Xia Qingyu accidentally found Mei Yueli lying on the road, seeing a beautiful woman like Mei Yueli lying on the road, Xia Qingyu decided to pick her up and take Mei Yueli home.

After Mei Yueli awakened, Xia Qingyu found that Mei Yueli was a cultivator like Ye Chen and Liu Yue.

Xia Qingyu and Mei Yueli's relationship started to become close over time, Mei Yueli even started teaching Xia Qingyu to become a cultivator.

"Oh." Ye Chen now understands what happened, it turned out that Xia Qingyu saved Mei Yueli by chance.

"You said Mei Yueli was injured, is that true? ", Ye Chen asked Xia Qingyu.

"That's so true, Sister Yueli is injured, Ye Chen can you help heal Sister Yueli" Xia Qingyu asked whether Ye Chen could help heal Mei Yueli or not.

"Let me check it first, if possible maybe I can cure it." Ye Chen should know Mei Yueli's condition first, if he already knows Mei Yueli's condition, Ye Chen might be able to cure her.

"Then try it." Xia Qingyu told Ye Chen to try to check on Mei Yueli.

"Fine." Ye Chen nodded, he started walking closer to Mei Yueli.

"Don't get close." When Ye Chen wanted to get closer to Mei Yueli, Mei Yueli suddenly kicked Ye Chen away.

" Eh why can't I come closer ? " Ye Chen asked Mei Yueli why he couldn't get close.

"Just don't get close." Mei Yueli forbade Ye Chen to get close to her.

Ye Chen didn't care about Mei Yueli's words, he continued to advance and draw closer to Mei Yueli.

Seeing Ye Chen getting closer and closer, Mei Yueli subconsciously used her strength to drive Ye Chen away.

"Bamm" Ye Chen was blown away by Mei Yueli, even though Mei Yueli's strength was still recovering a little, Mei Yueli could easily drive Ye Chen away.

Mei Yueli is a cultivator from the God Realm, even though she is injured, her strength is still much stronger than the current Ye Chen.

Ye Chen was flown and hit a wall behind him, the wall behind Ye Chen collapsed because he was unable to withstand the impact.

Chapter 639: Mei Yueli was afraid of men

"Ye Chen." Xia Qingyu immediately called Ye Chen name who had just flown by Mei Yueli.

Xia Qingyu did not expect that Ye Chen would be flown that easily by Mei Yueli.

Xia Qingyu immediately went to Ye Chen who was currently crushed by a concrete wall, she was very worried about Ye Chen's situation.

"Uh." Ye Chen started to come out of the pile of concrete that hit him, he couldn't believe that Mei Yueli would throw himself out like that.

Luckily Ye Chen had a strong body, otherwise he would have been injured by Mei Yueli's strength.

Even though Mei Yueli was injured, this beautiful woman's strength was still quite strong, even Ye Chen was easily kicked out by this woman.

"Ye Chen, are you okay?" Xia Qingyu immediately asked Ye Chen's situation.

"I'm fine, you don't have to worry." Ye Chen told Xia Qingyu that he was fine.

Xia Qingyu was very grateful when she found out that Ye Chen was fine, she thought something would happen to Ye Chen earlier.

Xia Qingyu shifted her eyesight towards Mei Yueli. "Sister Yueli, why did you attack Ye Chen earlier?" Xia Qingyu asked the reason why Mei Yueli attacked Ye Chen.

Even though Ye Chen had no bad intentions for Mei Yueli, Ye Chen only wanted to see Mei Yueli's condition.

"I'm sorry, I didn't mean to do it earlier" Mei Yueli tried to apologize to Ye Chen and Xia Qingyu.

Just now she really didn't mean to chase Ye Chen away.

"Sister Yueli, you look so weird, what exactly happened to you?" Xia Qingyu tried to find out what happened, why did Mei Yueli look afraid to say the reason when she kicked Ye Chen away.

"That, how should I say it?" It's not that Mei Yueli doesn't want to say it to Xia Qingyu, the problem is she is afraid that Xia Qingyu and Ye Chen will laugh at her.

"Sister Yueli, you just say, Ye Chen and I won't be angry." Xia Qingyu won't be angry, she just wants to know the reason why Mei Yueli drove Ye Chen away.

Mei Yueli started to get closer to Xia Qingyu, she started whispering in Xia Qingyu's ear,

"Actually, I'm afraid when I'm close to a man." Mei Yueli told Xia Qingyu that she was afraid of a man.

Mei Yueli is a woman who doesn't really like men, whenever she has close contact with men, Mei Yueli feels scared and subconsciously drives away men who try to get close to her.

That's why Mei Yueli never had close contact with a man, whenever a man approached her, Mei Yueli would immediately drive the man away.

"Huh?", Xia Qingyu was a little surprised when she heard that Mei Yueli was afraid of this kind of thing.

It was unexpected that a strong woman like Mei Yueli would be afraid of this kind of thing.

So for this reason, Mei Yueli pushed Ye Chen away, Mei Yueli didn't want Ye Chen to get too close to herself because she was afraid of Ye Chen.

According to Xia Qingyu, this was quite a problem, how could Mei Yueli be afraid of being close to a man, it was not normal at all, Maybe this was a special illness that belonged to Mei Yueli.

Xia Qingyu used to often chase away every male who tried to get close to her, the difference is that Xia Qingyu was not afraid when interacting with men, she felt normal when interacting with men.

It seemed that Xia Qingyu had to discuss this matter privately with Mei Yueli.

"Ye Chen can you leave the two of us alone for a moment", Xia Qingyu asked Ye Chen to leave the two of them alone, Xia Qingyu wanted to talk privately with Mei Yueli.

"What do you two want to discuss?", Ye Chen became curious about what Xia Qingyu and Mei Yueli were discussing.

"That is a secret, don't ask too many questions, this is a problem between women." Xia Qingyu pushed Ye Chen out of her room.

"Why did Qingyu kick me out, what do the two of them want to talk about" Ye Chen scratched his head in confusion, he was actually kicked out of the room by Xia Qingyu.

After driving Ye Chen out of this room, Xia Qingyu returned to Mei Yueli's side.

"Sister Yueli, please explain in more detail what you said earlier." Xia Qingyu wanted Mei Yueli to go into more detail about what she said earlier.

"I told you that I am afraid of a man." Mei Yueli again told Xia Qingyu that she was afraid of a man.

"Aren't you a cultivator? , if you are a cultivator, how can you be afraid of men? ", Xia Qingyu started to question Mei Yueli about this.

Mei Yueli was a cultivator, as a cultivator how could she be afraid of this kind of thing.

"Well it can't be helped, I'm really afraid of this kind of thing." Mei Yueli was also helpless, it was also quite annoying for Mei Yueli.

"How did you start out afraid of a Men ?" Xia Qingyu asked how Mei Yueli was initially afraid of men.

"In the past I was kidnapped by a group of Men bandits who were very evil, because I was beautiful, they wanted to do something bad to me, fortunately my master came and saved me, since that incident I started to be afraid of men." Yueli started telling Xia Qingyu the reason she was afraid of men.

Xia Qingyu now understood the reason why Mei Yueli was afraid of men.

The reason Mei Yueli was afraid of men was because of the old trauma she experienced in the past, because of this Mei Yueli became afraid of all the men in this world.

Mei Yueli began to imagine that the Mens in this world were evil creatures.

"Sister Yueli, not all men are like you might imagine, there are some good men in the world." Xia Qingyu told Mei Yueli that not all men in this world were evil.

"You're lying all men are the same." Mei Yueli didn't believe that there were good guys in this world.

"Sister Yueli, what I'm saying is true, not all men are bad, there are some Mens who are good, ahem, for example, Ye Chen." Xia Qingyu tried to explain to Mei Yueli that in this world there are several men the good one.

"You mean your fiancé, didn't he force you to kiss earlier?" Mei Yueli's face turned red when she said such vulgar words.

Mei Yueli is a woman who is still innocent and ancient, these kinds of words are not suitable for Mei Yueli to say.

"Yes, he might be a little raunchy, despite that he is a good person, responsible and helpful" Xia Qingyu evasive when talking The Ye Chen slightly perverted.

Ye Chen might be a little pervert, even though he is a slightly perverted man, he is a very kind and very responsible man.

It was for this reason that Xia Qingyu liked Ye Chen, according to her, Ye Chen was a pretty good figure for her.

" Is it true ? ", Mei Yueli still had some doubts about what Xia Qingyu said.

"I can't possibly lie to you, let's try get rid of your fear of men. " Xia Qingyu wanted toto try get rid of the fear that Mei Yueli had for men.

"How? ", Mei Yueli asked her how to get rid of her fear of men.

Chapter 640: What do you want ?, you pervert

"Let's try interacting with Ye Chen, let him see your condition for a while." Xia Qingyu wanted Mei Yueli to try interacting with Ye Chen a little.

She hoped that if Mei Yueli interacted with Ye Chen, she could reduce the fear she had a little.

"Are you sure this will work" Mei Yueli wasn't sure if the method Xia Qingyu said would work on her.

"If we don't try it, we won't know the result." Xia Qingyu told Mei Yueli to try it first so she knew the result.

Mei Yueli started to think about Xia Qingyu's words, maybe she should try the suggestion Xia Qingyu said.

Mei Yueli didn't want to continue like this, she wanted to be a normal woman.

"Alright, I'll try the suggestion you said earlier." After much thought, finally Mei Yueli agreed with the method said by Xia Qingyu.

"Good, then let's try it now." Xia Qingyu wanted to immediately find out whether Mei Yueli could fight the fear she had.

Xia Qingyu went to open the door for Ye Chen who was currently outside the room alone, Ye Chen was completely alienated by Xia Qingyu and Mei Yueli for a long period of time.

"It's been a long time, actually what are the two of them talking about in there." Ye Chen had been waiting out here for a long time, he really was tired of being told to wait outside alone like this.

Several times Ye Chen wanted to break through the door and enter Xia Qingyu's room.

Unfortunately Ye Chen didn't do that, he appreciated what Xia Qingyu and Mei Yueli were doing in there.

"Click." Ye Chen heard the sound of the door opening again, Xia Qingyu was the one who opened the door for Ye Chen.

"Ye Chen, you can come in." Xia Qingyu allowed Ye Chen into her room.

Ye Chen immediately entered Xia Qingyu's room.

"What did you just talk about in there?" Ye Chen asked what Xia Qingyu and Mei Yueli just talked about in there.

"Just a little talk between women, you don't need to think about it." Xia Qingyu hid what Mei Yueli just talked about.

Xia Qingyu didn't want Ye Chen to know that Mei Yueli was afraid of men, Ye Chen might even laugh at Mei Yueli, which made Ye Chen's image become bad in Mei Yueli's eyes.

"Ye Chen, please check Sister Yueli's condition." Xia Qingyu asked Ye Chen to check again from Mei Yueli.

"This time she won't fly me again right?", Ye Chen asked Xia Qingyu.

"this time Sister Yueli will definitely not do it", Xia Qingyu looked at Mei Yueli, she hoped that this time Mei Yueli could fight the fear she had.

"Fine, if you guarantee this." Since Xia Qingyu guaranteed that Mei Yueli would not fly Ye Chen back, Ye Chen promised to see Mei Yueli's condition.

Ye Chen started walking closer towards where Mei Yueli was currently standing, when Ye Chen went closer, Mei Yueli felt a little scared in her heart.

This feeling of fear was still in Mei Yueli's heart Mei Yueli felt that she couldn't do what Xia Qingyu said.

Ye Chen was getting closer and closer, he started reaching out and grabbing the wrist.

Mei Yueli's body started to shake when she saw Ye Chen holding her hand, she didn't expect that Ye Chen would immediately grab the wrist she had.

Ye Chen, who was holding Mei Yueli's wrist, felt that Meibody was Yueli's trembling slightly, it seemed that there was something strange about this woman.

"Are you okay?", Ye Chen asked Mei Yueli.

"I'm fine, please continue." Mei Yueli tried to restrain herself from driving Ye Chen away.

Ye Chen understood, he started to check the situation of Mei Yueli, when Ye Chen checked the situation of Mei Yueli, he found that Mei Yueli's condition was worse than he expected.

Some of Mei Yueli's internal organs were injured and blocked, if only Mei Yueli's cultivation was not high, then Ye Chen could confirm that at this time Mei Yueli would be lying on the bed.

"Looks like you are over-pushing yourself, with your current condition your body must be hurting if you use it to move." Ye Chen started to tell Mei Yueli's current condition.

"How did you know about this?" Mei Yueli was a little surprised by Ye Chen's diagnosis.

It was true that Mei Yueli's body felt very painful every time she moved, Mei Yueli felt very uncomfortable when she moved.

"Of course I know, I am a very good medical doctor." Ye Chen started to boast about himself in front of Mei Yueli.

"Don't be proud of yourself, hurry and tell me if you have a way to cure sister Yueli." Xia Qingyu told Ye Chen not to boast about himself in front of Mei Yueli.

"Of course I can heal it, it's easy." Ye Chen of course can easily treat Mei Yueli's wounds.

"Then what are you waiting for, hurry up and treat sister Yueli." Xia Qingyu immediately asked Ye Chen to heal Mei Yueli.

"Fine, I understand." Ye Chen understands, he will start treating Mei Yueli.

"Miss Mei Yueli can you take off your top shirt" Ye Chen asked Mei Yueli to take off her shirt.

"What do you want, you pervert." Mei Yueli immediately pulled her hands and body away from Ye Chen.

She became afraid of Ye Chen forcing herself to take off the clothes she had, it turned out that all men in the world were the same, none of them were good.

"hah, Pervert why?" Ye Chen really doesn't understand Mei Yueli's line of mind, this woman is really very strange.

"Sister Yueli, you might have misunderstood, Ye Chen didn't mean that, Ye Chen quickly explained in more detail so that sister Yueli didn't misunderstand" Xia Qingyu told Ye Chen to explain the meaning of the words he just said.

"Eh, why, what I said earlier was not wrong, I asked her to take off her upper shirt." Ye Chen didn't feel that his words were wrong.

Ye Chen asked Mei Yueli to undress to give this woman medicine.

"Qingyu, I didn't expect that your fiancé would become a man like this, I seem to have misjudged him." Mei Yueli looked dissatisfied when she saw Ye Chen.

Mei Yueli looked at Ye Chen as if she was looking at a terrifying beast.

"Ye Chen." Xia Qingyu looked angry with, Ye Chen was completely insensitive to what she wanted.

"Qingyu, why are you angry too?" Ye Chen is confused why Xia Qingyu is angry with him, Ye Chen hasn't done anything wrong.

"I'm angry that you bully sister Yueli." Xia Qingyu told Ye Chen the reason why she was angry like this.

"That's when I bullied Miss Mei Yueli" Ye Chen didn't remember bullying Mei Yueli.

With Mei Yueli's strength, it was impossible for Ye Chen to bully Mei Yueli.

"You still don't understand either, didn't you just tell sister Yueli to take off her clothes, isn't that called bullying?" Xia Qingyu made clear what she meant to Ye Chen.

"I told her to undress to give medication, how can that be called bluffing ?" Ye Chen asked Xia Qingyu.
