

Chapter 641: Origin from Mei Yueli

"Eh? "Looks like Xia Qingyu misunderstood Ye Chen's words, it turns out that Ye Chen told Mei Yueli to take off her clothes to treat her.

"So, you want to treat sister Yueli? ", Xia Qingyu asked Ye Chen.

"Yes, what did you think of me earlier? ",Ye Chen asked Xia Qingyu and Mei Yueli.

Xia Qingyu and Mei Yueli's faces turned red, both of them thought that Ye Chen wanted to do something perverted.

Even Xia Qingyu felt guilty for accusing Ye Chen of nonsense.

"Oh, I see, I thought you wanted to bully sister Yueli" said Xia Qingyu to Ye Chen.

Xia Qingyu doesn't feel guilty towards Ye Chen, you guys know women are always right even if they are wrong.

"Sister Yueli, Ye Chen wants to do treatment like that, do you agree or not?" Xia Qingyu asked Mei Yueli if she agreed to the conditions that Ye Chen needed to treat herself.

"Qingyu, I can't do that, I can't possibly show my body to a man." Mei Yueli immediately firmly rejected the conditions necessary for herself medication.

Mei Yueli preferred to remain like this rather than showing her body to a man.

Xia Qingyu nodded, she understood Mei Yueli's condition , Xia Qingyu was also a woman, so she really understood that a woman would not possibly show her body that easily to a man.

"Ye Chen, isn't there any other way you can do it? ", Xia Qingyu asked if there was no other way Ye Chen could cure Mei Yueli.

"Of course there is, but this method will take much longer than the first method." Ye Chen did have another way of treating Mei Yueli.

However, this method will take longer than the first method that Ye Chen wanted to use.

"It doesn't matter, as long as Sister Yueli can recover." Xia Qingyu doesn't matter if this method takes longer, as long as Mei Yueli can recover.

"Alright, then I'll give her some medicine." Ye Chen took out a bottle containing dozens of pills from the fairy gate storage room, he started to give the medicine bottle he just took to Mei Yueli.

"Here you go, you can take this medicinal pill twice a day, besides that you have to rest a lot on the bed." Ye Chen told Mei Yueli how to take the medicinal pills he gave her, he also told Mei Yueli to rest a lot.

With this pill, Ye Chen couldn't guarantee how long it would take Mei Yueli's condition to recover, if Mei Yueli continued to push herself and didn't rest then she would recover and become even worse.

Mei Yueli received the pill bottle from Ye Chen, she started to open it and looked at what was inside.

Mei Yueli didn't find anything strange about this Pill, it didn't seem like a pill that was dangerous to her.

"Ye Chen, can eating these pills heal sister Yueli? ", Xia Qingyu asked Ye Chen if Mei Yueli could be cured with just the pills she just gave him.

"It depends, if she continues to push herself and doesn't rest, then her condition will get worse." Ye Chen told Xia Qingyu that Mei Yueli needed a lot of rest to recover.

"So it's like that." Xia Qingyu understood, from now on she would try to make Mei Yueli less active.

"Thank you very much." Mei Yueli thanked Ye Chen for the kindness that has been given.

Even though there were many misunderstandings between the two of them earlier, Ye Chen was still a pretty good person according to Mei Yueli.

After giving Mei Yueli a medicine , Ye Chen started chatting with Mei Yueli.

Ye Chen wanted to know a little about Mei Yueli, he wanted to know where Mei Yueli came from.

"Miss Mei Yueli, where exactly are you from?", Ye Chen asked where Mei Yueli came from.

"I come from a very far place." Mei Yueli didn't tell him where she came from, she only told Ye Chen that she came from a very far away place that Ye Chen could not imagine.

Ye Chen saw that Mei Yueli wanted to hide the identity she had from Ye Chen.

"You are from the God Realm right? "Ye Chen immediately asked if Mei Yueli was from the God Realm.

Mei Yueli's eyes widened immediately when she heard Ye Chen mention that she came from the God Realm.

Mei Yueli did not believe that Ye Chen would find out about the existence of God Realm, Mei Yueli had a little search for information about this small planet, on this small planet Mei Yueli found that this planet was quite behind in terms of cultivation, so it was impossible for the people there here knowing about God Realm.

"You know about God Realm? ", Mei Yueli asked Ye Chen.

"I know very little about God Realm, my knowledge is still very limited." Ye Chen knowledge about God Realm was still a little bit, so he did not dare to say that he fully knew God Realm to Mei Yueli.

"I see, I did not expect that a small planet like this would know about God Realm, it seems I have underestimated the civilization on this planet." Mei Yueli probably underestimated the civilizations on planet Earth.

"So Miss Mei Yueli, where are you from? ",Ye Chen asked where Mei Yueli came from again.

"I am indeed from the God Realm, to be exact, from the Nine Immortals Peak sect." Mei Yueli told Ye Chen where she came from.

"Nine Immortals Peak sect? , what kind of sect is it? "Ye Chen has never heard of a sect with such a name, it seems that it is not a famous sect in God Realm.

"The Nine Immortals Peak sect is a sect that is in the middle rank stars, this sect is controlled by the nine peaks within it, I am from the Jade Lotus Peak." Mei Yueli told Ye Chen about the Nine Immortals Peak sect.

The Nine Immortals Peak Sect was a sect made up of nine peaks, each peak of this sect was controlled by the most powerful master who was at that peak.

It just so happened that Mei Yueli's Master was the master of the Jade Lotus Peak.

"Oh so Miss Mei Yueli comes from a sect called Nine Immortals Peak which is a mid-ranked star." Ye Chen started nodding at Mei Yueli.

Xia Qingyu also just found out that Mei Yueli was a person from a faraway place called the God Realm.

Xia Qingyu thought that if Mei Yueli was from Earth, it was unexpected that Mei Yueli came from a faraway place called God Realm.

"Miss Mei Yueli , may I know why you came to this remote planet" Ye Chen asked Mei Yueli what she meant to come here.

"I told you from the beginning, I came here because I heard that there is a treasure on this planet." Mei Yueli came here because she heard that on this planet there is a treasure that is very valuable.

"Precious treasure, what kind of treasure? " Ye Chen immediately asked what treasure Mei Yueli meant .

"I don't know that myself either, what I heard from rumors is that there is an inheritance left by the powerful gods on this planet" said Mei Yueli to Ye Chen.

Chapter 642: Heavenly Goddess Diamond

Ye Chen, who heard this, slightly raised his eyebrows. "Miss Mei Yueli, do you mean that this is an inheritance from God of War? "Ye Chen said whether what Mei Yueli meant was the inheritance of the God of War.

If Ye Chen remembered that the servants from Nang Bu at that time were not found by Ye Chen, it was likely the servants from Nang Bu who had made this rumor.

" how do you know ? "Mei Yueli was again shocked by Ye Chen, she didn't expect that Ye Chen could correctly guess what she was hiding.

Mei Yueli began to wonder if Ye Chen had the power to read someone's mind, how could he always guess so completely what was being hidden.

"Of course I know, I've been to that place" Ye Chen told Mei Yueli that he had gone to a place where legacy was God's Of The war that Mei Yueli said.

Instead of getting an inheritance, Ye Chen was tricked by the demons in that place.

luckily Ye Chen got a rare treasure that was priceless, otherwise he would really be very upset.

"If you've been there, can you take me there?" Mei Yueli wants Ye Chen to escort herself to the place where the legacy of the God of War resides.

"Miss Mei Yueli, you better forget about this." Ye Chen told Mei Yueli to forget the inheritance from God of War.

"Eh, what's wrong?" Mei Yueli asked Ye Chen, Mei Yueli wanted to know why Ye Chen wanted her to forget about the inheritance from God of War.

"Actually, the legacy of God of War doesn't exist at all, the place you mean as the inheritance of God of War is the place where demon is sealed." Ye Chen told Mei Yueli what was in that place.

"What?" Mei Yueli was very surprised when she heard Ye Chen's story, it seems that she has been tricked by the rumors that are spreading.

Mei Yueli didn't expect this to happen, even though she had come all the way here, it was unexpected that what she was looking for wasn't what she wanted.

Even though Mei Yueli had a lot of trouble getting here, everything Mei Yueli did was in vain.

Ye Chen and Xia Qingyu saw that Mei Yueli looked very disappointed after hearing this.

It wasn't strange that Mei Yueli looked very disappointed like that, Mei Yueli had already used up quite a lot of resources she had to go to this earth, it wasn't strange that she would be sad when she didn't get what she wanted.

"Ye Chen, is there nothing you can do about this?" Xia Qingyu asked if Ye Chen couldn't do something to the sad Mei Yueli.

"Qingyu, what can I do in a situation like this?" Ye Chen can't do something about this.

He couldn't possibly compensate for all the resources Mei Yueli had, after all this was not Ye Chen's fault from the start because Mei Yueli came here.

Unable to do anything about the matter, Ye Chen and Xia Qingyu could only wait for Mei Yueli to calm down for a while.

After Mei Yueli calmed down, perhaps they could continue talking.

"Hey, Qingyu dear, do you know what women like the most as gifts?" Ye Chen asked Xia Qingyu what women liked the most.

"Why do you ask questions like this?" Xia Qingyu wanted to know why Ye Chen asked something like this.

"It's a few days for my woman to have a birthday, so I want to give her a nice gift." Ye Chen told Xia Qingyu that in a few days Zhao Yanyan would have a birthday.

Because Xia Qingyu already knew that he had several women, Ye Chen no longer hid this from Xia Qingyu.

Ye Chen was a little confused about what gift to give Zhao Yanyan, initially Ye Chen wanted to give Zhao Yanyan a zither, but when he remembered that Zhao Yanyan's zither was already good, Ye Chen started giving up his intention of giving Zhao Yanyan a zither.

"Maybe you can give him the most beautiful jewelry in the world, with your current wealth you can buy it" Xia Qingyu advised Ye Chen to give the most beautiful jewelry in the world.

Every woman likes pretty jewelry, even Xia Qingyu likes things like pretty jewelry.

"Jewelry, do women really like things like this? "Why do women always like sparkling things like jewelry like this.

"Of course, all women like to look beautiful, and jewelry is the one that can enhance a woman's appearance." Xia Qingyu explained a little to Ye Chen why women like jewelry.

No matter what kind of temperament women have, they definitely want to look beautiful, that is a common thing among many women.

"If it's your suggestion then I will try to find materials for the finest jewelry for Yanyan's birthday. " Ye Chen nodded, he would try to follow Xia Qingyu's advice.

He hoped that Xia Qingyu's advice would work to make Zhao Yanyan happy.

Since Ye Chen was quite good at making things, he preferred to make jewelry with his own hands, so that no one else could imitate the jewelry that Ye Chen would make.

The problem is where Ye Chen has to find materials to make the finest jewelry in this world.

"Are you two discussing jewelry? "Mei Yueli who was beside suddenly joined in the conversation that was being held by Ye Chen and Xia Qingyu. It seems that Mei Yueli is also interested in this kind of thing.

After a while Mei Yueli finally calmed down, she was able to accept everything that had happened, according to her that this trip was not in vain, she still had hope of finding something good on this planet.

"Sister Yueli, are you interested in jewelry?", Xia Qingyu asked Mei Yueli.

"Of course I like this, I even have a rare piece of jewelry that you can't possibly find on your planet." Mei Yueli began to show off that she had jewelry that would never be found on this planet.

"Really, then why don't you show it to us" Ye Chen wanted to see what kind of jewelry Mei Yueli proud of was.

"I also want to see it." Xia Qingyu also wanted to see what kind of fine jewelry Mei Yueli had.

"Wait a minute, I'll take it." Mei Yueli started to take something from the storage room ring on her finger.

Mei Yueli took out a small treasure chest the size of two palms.

Mei Yueli started to open the chest in her hand, when the treasure chest was opened by Mei Yueli, a dazzling light started to come out from inside the chest in Mei Yueli's hand.

Ye Chen and Xia Qingyu saw a piece of jewelry that was similar to a diamond, the difference was that this diamond was very shiny and emitted a strong aura.

"So beautiful." Xia Qingyu's eyes lit up when he saw the diamond in the treasure chest in Mei Yueli's hand.

Xia Qingyu had never seen something so beautiful and shiny as this.

"Wow, a Heavenly Goddess Diamond." Chu Yuechan was just as surprised when she saw the Heavenly Goddess Diamond in Mei Yueli's hand.

Chapter 643: Transacted with Mei Yueli

Just like Xia Qingyu, Chu Yuechan also looked very excited when she saw the Heavenly Goddess Diamond in Mei Yueli's hand.

"Hey Yuechan, are these diamonds any good? ", Ye Chen asked whether the diamond in Mei Yueli's hand was good or not.

"Master, your question is really ridiculous, if the Heavenly Goddess Diamond is not good then no other diamond in this world can be said to be good." Chu Yuechan told Ye Chen that this was the best and most beautiful diamond in God Realm.

Heavenly Goddess Diamond is the most beautiful and most magnificent jewelry in the entire God Realm, no jewelry is much better than the Heavenly Goddess Diamond.

Even Chu Yuechan, who had lived for a long time, was also interested when she saw the Heavenly Goddess Diamond, she also wanted to use the Heavenly Goddess Diamond to beautify herself.

Besides looking good, the Heavenly Goddess Diamond has an extraordinary beauty effect, women who wear the Heavenly Goddess Diamond will look prettier and more charming, this is something every woman in this world craves.

Because of this, almost all Goddesses in God Realm want to get this thing, unfortunately Heavenly Goddess Diamond is very rare, there are only a few Heavenly Goddess Diamonds in the God Realm realm.

And now in front of Ye Chen is a huge piece of Heavenly Goddess Diamond, this is something that every woman in the whole world dreams of the most.

"Wow, this is so beautiful, sister Yueli, how come you have such wonderful jewelry" Even Xia Qingyu who was beside Ye Chen was very interested in the Heavenly Goddess Diamond that Mei Yueli had.

Xia Qingyu had never seen anything as good as the Heavenly Goddess Diamond that Mei Yueli had.

As a woman, the Heavenly Goddess Diamond was an irresistible attraction for Xia Qingyu, Xia Qingyu felt that she wanted to have Mei Yueli's Heavenly Goddess Diamond.

"I told you , this is my best collection." Mei Yueli was a little proud when Xia Qingyu praised the Diamond that had just been issued.

This was something Mei Yueli got by accident, she always kept this as a private collection.

Mei Yueli has never seen anything better than the Heavenly Goddess Diamond in her hands.

"Master, you must get the Heavenly Goddess Diamond from this woman." Chu Yuechan told Ye Chen to try to get the Heavenly Goddess Diamond from this woman.

Chu Yuechan is very interested in the Heavenly Goddess Diamond, she hopes that Ye Chen can try to get the Heavenly Goddess Diamond from Mei Yueli's hand.

"How, I can't possibly snatch something from this strong woman, after all she is a friend of the Qingyu, Qingyu must be angry if I snatch something from Mei Yueli." Ye Chen had no way to get the Heavenly Goddess Diamond from Mei Yueli's hands.

"Why don't you try to buy it using the Divine Rainbow Crystal, I'm sure this woman will give you the Heavenly Goddess Diamond if you pay a fair price." Chu Yuechan tried to advise Ye Chen to buy the Heavenly Goddess Diamond from Mei Yueli using the Divine Rainbow Crystal.

"It's not a bad idea, I'll try it." Ye Chen felt that the idea Chu Yuechan said was not bad, Ye Chen might be able to try to buy the Heavenly Goddess Diamond in Mei Yueli's hands using the Divine Rainbow Crystal.

"Ahem, Miss Mei Yueli, can I buy the Diamond that is in your hands" Ye Chen asked Mei Yueli if he could buy the Heavenly Goddess Diamond in Mei Yueli's hand.

"Huh?, Buy this Diamond?" Mei Yueli asked Ye Chen, Mei Yueli didn't believe that Ye Chen wanted the Diamond she had.

"Yes, I'm a little interested in Miss Mei Yueli's Diamond." Ye Chen was trying to be a wise buyer, he was trying to do business with Mei Yueli.

"This diamond is quite valuable, I won't sell it to you." Mei Yueli immediately refused to sell the Heavenly Goddess Diamond to Ye Chen.

"Miss Mei Yueli, why did you refuse, I can give something that is commensurate with your Diamond." Ye Chen did not give up, he had to get the Heavenly Goddess Diamond from Mei Yueli's hands.

The Heavenly Goddess Diamond had a strong attraction to women, even Xia Qingyu, who usually didn't show a strong sense of interest, could easily be attracted to the Heavenly Goddess Diamond in Mei Yueli's hands.

Ye Chen felt that the Heavenly Goddess Diamond could be a suitable gift for Zhao Yanyan's birthday, Zhao Yanyan would be very happy when she received this gift from Ye Chen.

"Ye Chen heard, money in your world can't buy this thing that I have." Mei Yueli told Ye Chen that the money he has in this world won't be able to buy the Heavenly Goddess Diamond in her hand.

Mei Yueli already knows quite a bit about the currency in this world, this world actually uses a piece of paper to carry out a transaction of goods.

"Miss Mei Yueli, I'm not talking about money in my world, I intend to buy your Diamond using the Divine Rainbow Crystal that I have." Ye Chen told Mei Yueli that he would buy Heavenly Goddess Diamond using the Divine Rainbow Crystal.

"Huh, what did you say earlier, Divine Rainbow Crystal? ,You're not kidding me, are you?" Mei Yueli started to become uneasy when she heard this.

Mei Yeli couldn't believe what Ye Chen just said, Ye Chen really intended to buy her Diamond using the Divine Rainbow Crystal.

"Yes, I want to buy your Diamond with the Divine Rainbow Crystal that I have." Ye Chen began to emphasize what he just said.

"Then how many Divine Rainbow Crystals do you have?" Mei Yueli wants to know how many Divine Rainbow Crystals Ye Chen will use to buy her diamonds.

"Hemm, how about you 15 pieces of Divine Rainbow Crystal." Ye Chen started to open the initial price to Mei Yueli.

Mei Yueli's hand used to hold the Heavenly Goddess Diamond started to tremble when she heard the initial price that Ye Chen had just opened.

Mei Yueli couldn't believe that Ye Chen would open at such a high starting price.

The Yueli's of Divine Rainbow Crystals was an enormous amount, even in her life Mei Yueli had never wielded such a large number of Divine Rainbow Crystals.

At most, Mei Yueli only has 1 ~ 2 Divine Rainbow Crystals.

Even then, she had to accumulate hundreds of years to get 1 Divine Rainbow Crystal.

Divine Rainbow Crystal is an item that is very rare in God Realm, it is not strange that Mei Yueli has difficulty obtaining 1 Divine Rainbow Crystal piece.

"You.. ., you.. ., you're not kidding with me right?", Mei Yueli started to lose the calm she had, she started to panic a little when she heard Ye Chen's words.

"Of course I'm not lying." Ye Chen started to take the Divine Rainbow Crystal from the fairy gate storage room, he put 15 Divine Rainbow Crystal pieces in a bag to make it easier.

Ye Chen threw the pouch containing the Divine Rainbow Crystal to place in front of Mei Yueli.

Mei Yueli looked at the pouch Ye Chen just threw, Mei Yueli took out the pouch and looked at what was inside.

Chapter 644: Terms condition from Mei Yueli

When Mei Yueli peeked into the pouch that Ye Chen had just thrown, she found that the contents in this bag were 15 Divine Rainbow Crystals.

Mei Yueli started to take out one of the Divine Rainbow Crystals from the bag, she began to observe whether this Divine Rainbow Crystal was real or fake.

When Mei Yueli looked at the Divine Rainbow Crystal on her finger, she found that the Divine Rainbow Crystal on her finger was truly genuine.

Mei Yueli started to look at Ye Chen with a strange gaze, Mei Yueli wanted to know where Ye Chen got this amount of Divine Rainbow Crystals from.

Divine Rainbow Crystal is in this bag with all the resources owned by Jade Lotus Peak belongs Mei Yueli .

"Where did you get this many Divine Rainbow Crystals?" Mei Yueli wanted to know where Ye Chen got this large number of Divine Rainbow Crystals.

"Why do you want to know where I got the Divine Rainbow Crystal, the important thing is I want to buy your Diamond using that Divine Rainbow Crystal." Ye Chen didn't want to tell where he got the Divine Rainbow Crystal from.

Ye Chen still has a lot of Divine Rainbow Crystals in the fairy gate storage room, he got all of these Divine Rainbow Crystals from the ancient heritage place.

If Mei Yueli found out that Ye Chen's body still had more Divine Rainbow Crystals, Mei Yueli would definitely be completely dumbfounded.

Mei Yueli hates Ye Chen a little for keeping this a secret, Mei Yueli is getting more and more curious about the secret that Ye Chen has, Mei Yueli has never felt curiosity like this.

"So what, do you agree or not with my offer? ",Ye Chen asked Mei Yueli whether or not she agreed with the offer she made.

Mei Yueli started to think about the offer that Ye Chen gave, the Divine Rainbow Crystal offered by Ye Chen was really very exciting, Anyone would be very interested in the offer offered by Ye Chen at this time.

Mei Yueli didn't immediately agree with Ye Chen's offer, she started to wonder if she needed to give the Heavenly Goddess Diamond she had to Ye Chen.

The Heavenly Goddess Diamond is a personal collection that she has, Mei Yueli is very difficult to part with the Heavenly Goddess Diamond that she has.

But Ye Chen's offer was too tempting, with the Divine Rainbow Crystal offered by Ye Chen, Mei Yueli could increase the power base she had.

This choice was very difficult for Mei Yueli, she felt that she couldn't choose between the two options she had.

Xia Qingyu had seen what Ye Chen and Mei Yueli were doing, she wanted to know why Ye Chen insisted on getting Mei Yueli's Diamond.

"Ye Chen, what are you going to do with Sister Yueli's Diamond?", Xia Qingyu asked Ye Chen what he would do after getting the Diamond from Mei Yueli.

There was no way that Ye Chen would immediately give this large chunk of Diamond as Zhao Yanyan's birthday present.

"I'll make some jewelry using that Diamond." Ye Chen told Xia Qingyu what he would do with the Diamond that Mei Yueli had.

With such a big Heavenly Goddess Diamond, Ye Chen is very confident that he can make lots of beautiful jewelry.

One of them will be given by Ye Chen at Zhao Yanyan's birthday, Ye Chen will make something special for Zhao Yanyan.

Hearing this, there was a hint of light in Xia Qingyu's eyes, "Ahem, Ye Chen will you also give me one piece of jewelry that you are going to make, right?", Xia Qingyu asked Ye Chen in a soft voice.

Ye Chen shuddered a little when he heard Xia Qingyu's soft voice, Ye Chen had never heard Xia Qingyu speak such gentle words to herself.

Xia Qingyu wanted just one piece of jewelry made by Ye Chen using the Heavenly Goddess Diamond, she was very interested in the jewelry that Ye Chen would make using the Heavenly Goddess Diamond.

The power of the Heavenly Goddess Diamond is indeed very dangerous for women, even the usually cold Xia Qingyu immediately turned soft when she wanted jewelry made of Heavenly Goddess Diamond.

"Of course I will give you one, please help me to persuade this woman to sell it to me" Ye Chen whispered in Xia Qingyu's ear, he wanted Xia Qingyu to help him get the Heavenly Goddess Diamond.

Xia Qingyu immediately nodded, she would help Ye Chen get the Heavenly Goddess Diamond from Mei Yueli's hand.

"Sister Yueli, why don't you just sell your Diamond to Ye Chen, the price that Ye Chen is offering is already very good." Xia Qingyu really started helping Ye Chen get the Heavenly Goddess Diamond from Mei Yueli's hand.

She began to use her negotiation skills to convince Mei Yueli to want to sell the Heavenly Goddess Diamond to Ye Chen.

Ye Chen was happy when he saw Xia Qingyu standing by his side to help get the Heavenly Goddess Diamond, with Xia Qingyu's help, it seemed like Ye Chen's chances of getting the Heavenly Goddess Diamond would be even greater.

"Can you really make a piece of jewelry with this Diamond?", Mei Yueli asked Ye Chen if he could really make a piece of jewelry using the Heavenly Goddess Diamond.

Please note, Mei Yueli has tried to go to the best weapon maker in her sect, unfortunately everyone has no way to make jewelry using the Heavenly Goddess Diamond.

Heavenly Goddess Diamond is the hardest item in this world, it is very difficult to destroy the Heavenly Goddess Diamond, it is not strange that experts do not have a way to make jewelry using Heavenly Goddess Diamond.

"Of course I have a way to make jewelry." Ye Chen nodded at Mei Yueli, he has his own way of making jewelry from Heavenly Goddess Diamond.

Mei Yueli saw that Ye Chen was very confident in this matter.

"Fine, I agree, but I have a condition that you must fulfill." Mei Yueli agreed, but she had a condition for Ye Chen.

"What conditions are they quickly tell me?" Ye Chen asked the conditions proposed by Mei Yueli.

"I want you to make me an earring using this Diamond, can you or not?", Mei Yueli announced the conditions she wanted.

"That is it?" Ye Chen asked Mei Yueli, Ye Chen thought Mei Yueli's condition would be difficult to do, it turns out that this woman only wanted him to make earrings from the Heavenly Goddess Diamond.

"Yes, that's all my condition, so do you agree or not?", Mei Yueli told Ye Chen that this was all she wanted.

"Okay, I agree." Ye Chen immediately agreed, he didn't want Mei Yueli to change her mind and not sell her the Heavenly Goddess Diamond.

"Good." Mei Yueli nodded in satisfaction to Ye Chen, Ye Chen and Mei Yueli did a handshake to make a deal.

After that, both of them gave each other's belongings to their new owner.

Mei Yueli got the Divine Rainbow Crystal from Ye Chen, while Ye Chen got the Heavenly Goddess Diamond from Mei Yueli.

Both of them were satisfied with the items they got from the transaction they had just done.

Chapter 645: making jewelry

Mei Yueli was very happy because she got the Divine Rainbow Crystal from Ye Chen, Mei Yueli felt that her trip here was not in vain.

Mei Yueli started to be a little unafraid of Ye Chen, according to her, Ye Chen was not a bad man.

Ye Chen was now much happier than Mei Yueli, Ye Chen had really gained something valuable from Mei Yueli.

Heavenly Goddess Diamond is a very valuable item, if it is sold, you may get a Divine Rainbow Crystal that is far more than gave Ye Chen to Mei Yueli.

If Mei Yueli found out that the item she had just sold to Ye Chen was worth a lot, Mei Yueli would definitely be very sorry for having sold it to Ye Chen.

Even though she was at a loss, Mei Yueli could still taste Ye Chen's crafts, so she should still be happy about this.

After getting what he wanted, Ye Chen accompanied Xia Qingyu throughout the Afternoon, Ye Chen spent the whole afternoon together with Xia Qingyu and Mei Yueli.

Because Mei Yueli was always around Xia Qingyu, Ye Chen couldn't do intimate things together with Xia Qingyu.

Again, it was impossible for Xia Qingyu to allow Ye Chen to do something if there was Mei Yueli around the two of them.

Ye Chen could only come home with a disappointed face, he couldn't do something together with Xia Qingyu.

Ye Chen said goodbye to Xia Qingyu and Mei Yueli, he headed back to his villa.

Mei Yueli and Xia Qingyu saw Ye Chen's departure, both of them saw Ye Chen's departure from the window in Xia Qingyu's Room.

"Qingyu, you have a very mysterious fiancé." Mei Yueli felt that Ye Chen was very mysterious, Mei Yueli felt that Ye Chen was hiding many things in his body.

Mei Yueli did not expect that in a remote place like this there would be such a mysterious man like Ye Chen.

"You're absolutely right, Ye Chen is a little mysterious, I don't even fully understand him." Xia Qingyu also felt the same way as Mei Yueli, she felt that Ye Chen was very mysterious.

As Ye Chen's fiancée, Xia Qingyu wanted to know more about Ye Chen, Xia Qingyu wanted to know more about Ye Chen.

Women are creatures that like the mystery, it is not strange that Xia Qingyu and Mei Yueli are a little attracted to Ye Chen.

Mei Yueli nodded at Xia Qingyu, it turned out that Xia Qingyu felt the same way as she did.

"Let's continue our practice." Mei Yueli invited Xia Qingyu to continue practicing, Mei Yueli wanted to train Xia Qingyu to become a great cultivator.

"Is your body okay, don't push yourself too hard." Xia Qingyu asked Mei Yueli to just rest, Mei Yueli's condition still didn't improve.

"You don't need to worry, I'll just give you a little direction." Mei Yueli told Xia Qingyu that she would just give a little direction Xia Qingyu, so it wouldn't burden her body.

Xia Qingyu nodded, she followed Mei Yueli to train to become a cultivator.

After arriving home, Ye Chen immediately entered the fairy gate, intending to make jewelry from the Heavenly Goddess Diamond.

Ye Chen used a private practice room to do this job, he wanted to do this secretly without the women finding him.

Ye Chen wanted to give a surprise to all the women, because of this he wanted to secretly work on this project.

"Alright, let's start." Ye Chen wanted to start immediately to make a piece of jewelry that was very beautiful for Zhao Yanyan.

Ye Chen wanted to make a piece of jewelry in the form of a very beautiful necklace for Zhao Yanyan.

First of all, Ye Chen had to cut the Heavenly Goddess Diamond and carve it to make it look prettier and according to size.

Ye Chen took a knife, he intended to use this knife to cut the Heavenly Goddess Diamond.

Of course Ye Chen tried to use the strength he had to cut this thing off to make it look the way he wanted.

Ye Chen started to take a deep breath in preparation for cutting the Heavenly Goddess Diamond.

"Slash." Ye Chen started to cut a small portion of the Heavenly Goddess Diamond.

When Ye Chen tried to cut the Heavenly Goddess Diamond, it wasn't the Heavenly Goddess Diamond that was cut, but Ye Chen's knife that was cut in half while trying to cut the Heavenly Goddess Diamond.

"Very hard." Ye Chen found that the Heavenly Goddess Diamond was so hard, that with Ye Chen's current strength, he was unable to cut the Heavenly Goddess Diamond.

Ye Chen wanted to try one more time, he started cutting the Heavenly Goddess Diamond using a one-handed sword.

"Slash" When Ye Chen tried to cut the Heavenly Goddess Diamond, he found again that the one-handed sword was in two pieces.

"Is it broken again? "Ye Chen didn't expect that the one-handed sword he used would break into two pieces, even though the one-handed sword that Ye Chen just took was a Tier 9 artifact weapon, the Tier 9 weapon couldn't even scratch the Heavenly Goddess Diamond.

"Hey ,Yuechan" because he failed to cut the Heavenly Goddess Diamond twice, Ye Chen was forced to call Chu Yuechan here.

The Heavenly Goddess Diamond is very, very hard, Ye Chen really has a hard time cutting it.

Chu Yuechan immediately appeared beside Ye Chen, " master ,What is calling me? "Chu Yuechan asked why Ye Chen called herself.

"How do I cut this thing? , I've tried twice and all of the weapons I used were broken when used to cut this thing. "Ye Chen immediately asked how the method used to cut the Heavenly Goddess Diamond.

"Try to use the Divine Yin Yang Sword, maybe it can cut the Heavenly Goddess Diamond." Chu Yuechan told Ye Chen to use the Divine Yin Yang Sword.

"Using Ying'er, are you sure Ying'er will not get hurt?" Ye Chen hesitated to use Yin Ying'er, he was afraid that Yin Ying'er would be hurt if used to cut the Heavenly Goddess Diamond.

"Master, you don't need to worry, Yin Ying'er is a sword spirit that you contracted with, as long as you are alive then Yin Ying'er will not be damaged." Chu Yuechan told Ye Chen that Yin Ying'er would not be damaged.

"I see." After receiving Chu Yuechan's explanation, now Ye Chen understands that Yin Ying'er will not break.

" Ying'er come out" Ye Chen told Yin Ying'er to come out.

"Hoam" Yin Ying'er appeared in front of Ye Chen, this little loli looked like she just woke up from a long sleep.

"Master, I'm hungry." The first thing that Yin Ying'er of Ye Chen did was ask for food rations.

Yin Ying'er immediately embraced Ye Chen and immediately bit Ye Chen's neck and started to suck Ye Chen's blood.

Ye Chen was already used to what Yin Ying'er did , so he no longer felt strange being sucked by Yin Ying'er.

"Ahhh, this is delicious." After being full, Yin Ying'er finally wanted to let Ye Chen go.

Yin Ying'er looked really excited after getting breakfast from Ye Chen.

Yin Ying'er started to look around this place, when Yin Ying'er looked around this place, she saw a shiny object that was very beautiful, namely the Heavenly Goddess Diamond.

Yin Ying'er was immediately attracted when she saw the Heavenly Goddess Diamond.

"Master, what is this thing? "Ye Chen asked this shiny thing in front of her, Yin Ying'er has never seen such a beautiful and shiny thing.

The attractiveness of the Heavenly Goddess Diamond was extraordinary, even Yin Ying'er was attracted to this kind of thing.

Chapter 646: Chu Yuechan showed a little of her strength

"This thing is called Heavenly Goddess Diamond." Ye Chen answered Yin Ying'er's question .

" Ohh " Yin Ying'er nodded at Ye Chen, actually Yin Ying'er didn't understand what was saying Ye Chen, she just nodded as if she knew what saying Ye Chen was.

" Ying'er please help me cut the Heavenly Goddess Diamond." Ye Chen asked Yin Ying'er's to help cut the Heavenly Goddess Diamond.

"OK." Yin Ying'er immediately turned into a ray of light and immediately turned into a Divine Yin Yang Sword that was in Ye Chen's right hand.

Ye Chen saw the Divine Yin Yang Sword, with the Divine Yin Yang Sword he should be able to cut the Heavenly Goddess Diamond.

Ye Chen started to take a breath, he started to focus on trying to cut the Heavenly Goddess Diamond as he wanted.

Chu Yuechan who was by the side saw what Ye Chen was doing, Ye Chen really seemed to be concentrating on getting maximum and satisfying results.

After feeling that the preparation was sufficient, Ye Chen immediately swung his Divine Yin Yang Sword to cut the Heavenly Goddess Diamond.

"Clang" when Ye Chen used his Divine Yin Yang Sword to cut the Heavenly Goddess Diamond, a loud thud occurred.

Neither the Heavenly Goddess Diamond and Divine Yin Yang Sword were scratched at all.

"Uh my hand hurts" Ye Chen felt that his hand felt numb when used to cut the Heavenly Goddess Diamond.

It was unexpected that the one who would be injured was Ye Chen, while the Heavenly Goddess Diamond and Divine Yin Yang Sword were fine.

"Hey Yuechan, your suggestion didn't work at all, it's still not scratched in the slightest." Ye Chen complained to Chu Yuechan, the advice given by Chu Yuechan didn't work at all.

"Hemp, maybe you are too weak, so you can't cut the Heavenly Goddess Diamond." Chu Yuechan told Ye Chen that the power he had was very lacking to cut the Heavenly Goddess Diamond.

"Then what should I do, there's no way I have to wait until it's strong enough to cut this thing." Ye Chen couldn't believe that he wasn't strong enough to cut the Heavenly Goddess Diamond.

Zhao Yanyan's birthday is just around the corner, Ye Chen doesn't have enough time to become stronger than now.

"Sigh." Chu Yuechan sighed, it seems that she should help Ye Chen a little in this matter.

"Bring the Divine Yin Yang Sword in your hand." Chu Yuechan told Ye Chen to give herself the Divine Yin Yang Sword.

"What do you want to do with the Divine Yin Yang Sword?" Ye Chen wants to know what Chu Yuechan will do with the Divine Yin Yang Sword.

"You don't have to ask too many questions, quickly give the Divine Yin Yang Sword to me" Chu Yuechan told Ye Chen to give Divine Yin Yang Sword herself.

"This is it," Ye Chen handed the Divine Yin Yang Sword to Chu Yuechan.

When Ye Chen wanted to hand over the Yin Yang Divine Sword to Chu Yuechan, he found that the Yin Yang Divine Sword was unwilling to leave his hand..

The Divine Yin Yang Sword seemed to stick to Ye Chen's hand. "Eh, why don't you let go?", Ye Chen was a little confused when he found out that the Divine Yin Yang Sword didn't want to let go.

"Ying'er what's wrong?" Ye Chen asked Yin Ying'er, he wanted to know why Yin Ying'er couldn't be separated from his hands.

"I can only be used by you, no one can use me other than master" Yin Ying'er told the reason why he didn't want to get out of Ye Chen's hands. it turns out that Yin Ying'er didn't want to be used by Chu Yuechan.

"Sorry, Yuechan looks like Ying'er doesn't allow you to use it." Ye Chen told Chu Yuechan that Yin Ying'er didn't want to be used by Chu Yuechan.

"So it's like that." Chu Yuechan can understand, it seems that Yin Ying'er can only be used by Ye Chen.

Unable to use the Divine Yin Yang Sword, Chu Yuechan took out a weapon of her own.

Chu Yuechan picked up a plain white sword weapon, Ye Chen didn't know where Chu Yuechan took this plain sword weapon from.

"Master, you better step back a little further, don't let me wrong cut you , Fufufu." Chu Yuechan giggled at Ye Chen.

Chu Yuechan told Ye Chen to step back, she would use her true power to cut the Heavenly Goddess Diamond.

"Ye Chen understands, he retreated a little away from Chu Yuechan, Ye Chen gave a lot of space for Chu Yuechan.

After seeing Ye Chen move away, Chu Yuechan started to take out her sword from the scabbard.

A very thin sword appeared before Ye Chen's eyes, from just a glance, this sword looks very amazing.

Chu Yuechan began to look at the Heavenly Goddess Diamond in front of her, she began to measure the right angle to cut the Heavenly Goddess Diamond.

After finding a suitable angle, Chu Yuechan began cutting the Heavenly Goddess Diamond in front of her.

"Slash, Slash, Slash, Slash, Slash," Chu Yuechan began to cut the Heavenly Goddess Diamond into tiny neat and beautiful pieces.

Ye Chen who was by the side gawked a little when he saw what Chu Yuechan had just done, Chu Yuechan actually cut the Heavenly Goddess Diamond like cutting a soft Tofu

Ye Chen also could barely see the sword movement Chu Yuechan made. the sword that Chu Yuechan wielded was extremely fast.

Ye Chen's eyes could only see one slash move made by Chu Yuechan, the remainder of the slashes made by Chu Yuechan couldn't be seen by Ye Chen.

"Yuechan is very strong." Ye Chen just realized that Chu Yuechan was very strong, from what Chu Yuechan had just done, Ye Chen could confirm that Chu Yuechan was stronger than Gu Xuan.

This was something that Ye Chen didn't have much, it seemed like Ye Chen would not be able to bring this beautiful fairy onto his bed with the strength he currently had.

"master, is this enough?" Chu Yuechan asked Ye Chen whether the cut she did was enough for Ye Chen.

Ye Chen immediately woke up from the confusion he experienced, Ye Chen began to approach and saw the results of the work that Chu Yuechan was doing.

When Ye Chen saw the results of Chu Yuechan's Heavenly Goddess Diamond, Ye Chen found that Chu Yuechan's cut was very perfect.

This was even better than Ye Chen thought. Everything seemed to be exactly what Ye Chen wanted.

"This is so perfect, thank you very much." Ye Chen thanked Chu Yuechan for helping him cut the Heavenly Goddess Diamond.

"You're welcome, then I'll go first." Chu Yuechan put back her sword, she immediately left this place.

"Oh yes master, please make me something good too, I also want one" Chu Yuechan told Ye Chen to make a nice piece of jewelry.

after saying this, Chu Yuechan walked out of this room

Now that only Ye Chen was left in this place, seeing Chu Yuechan leaving this place, Ye Chen decided to immediately make jewelry.

Ye Chen would make a lot of jewelry for the women, as a man he had to be fair to all the women.

That's why he decided to make a lot of the most beautiful jewelry in the world for his women.

He was going to melt the Heavenly Goddess Diamond using the Heavenly Silver Flame, the process would probably take a little longer, so maybe for the next few days Ye Chen wouldn't leave this room.

Chapter 647: give something to Chu Yuechan

As the days passed, Ye Chen spent the days he had in the room making jewelry.

When Ye Chen made a piece of jewelry, no one dared to bother Ye Chen, all women knew that Ye Chen was doing something very important.

15 days so quickly passed in the fairy gate, finally Ye Chen could finish everything so perfectly.

Especially the necklace that he had specially made for Zhao Yanyan, Ye Chen really wholeheartedly used the soul he had to make this beautiful necklace.

"It's finally over." Ye Chen finally felt relieved when he saw that the thing he had made was completely finished.

Now finally Ye Chen could rest after finishing all the jewels for the ladies.

Ye Chen decided to go to sleep to recover from the fatigue experienced for 15 days inside the fairy gate.

Ye Chen began to sleep very soundly, he had forgotten everything, what was in Ye Chen's mind only rested for a moment.

.

.

.

"Master, hurry up and wake up." When Ye Chen was dreaming quite beautifully, suddenly he heard a very sweet voice in his ear.

When Ye Chen opened his eyes, he found that Chu Yuechan's beautiful face was right in front of his eyes.

Chu Yuechan was currently looking down at Ye Chen, Chu Yuechan's position was currently holding Ye Chen's head, so it wasn't strange that Chu Yuechan was currently looking down.

"Why are you here?" Ye Chen asked why Chu Yuechan was in this place.

"I actually want to see how the work you do, when I got here I found you sleeping on the floor, seeing you sleeping on the floor I decided to give you a lap." Chu Yuechan told Ye Chen what was going on.

It turned out that Chu Yuechan happened to come here to see Ye Chen, when Chu Yuechan came here he found Ye Chen who was sleeping on the floor, saw Ye Chen who was sleeping on the floor Chu Yuechan decided to give him a soft and comfortable lap of his thigh.

Ye Chen had to admit that Chu Yuechan's thighs felt very soft, Ye Chen really enjoyed this sensation, he wanted to continue to linger on Chu Yuechan's lap.

"Master, why are you sleeping again, everyone has started getting ready for Yanyan's birthday party, but you're just relaxing here." Chu Yuechan told Ye Chen that everyone is currently getting ready to welcome Zhao Yanyan's birthday. .

"What, it's time." Ye Chen did not expect that tonight will be the day Zhao Yanyan has a birthday.

Because Ye Chen previously worked on jewelry, he was not aware of the time he was spending, fortunately Ye Chen was not late in working on gifts for Zhao Yanyan.

Ye Chen hurriedly got up from Chu Yuechan's lap, he had to get ready as well to go to Zhao Yanyan's birthday party.

Ye Chen frantically started to leave this room, he had to immediately go to take a shower and change into a nicer one.

"Puchi" Chu Yuechan giggled when she saw Ye Chen who was panicking like that, Ye Chen who was panicking looked very funny to Chu Yuechan.

Ye Chen who was about to leave suddenly stopped, he took out something and gave it a small box to Chu Yuechan.

"This is for you." Ye Chen gave a gift to Chu Yuechan, Chu Yuechan received a gift from Ye Chen, without needing to open it, Chu Yuechan already knew what was in this box.

After giving this box to Chu Yuechan, Ye Chen immediately left the fairy gate.

"Fufufu, he really made me one." Chu Yuechan was very happy because Ye Chen made a piece of jewelry from the Heavenly Goddess Diamond.

Chu Yuechan began to open the box given by Ye Chen, when Chu Yuechan opened the box given by Ye Chen, Chu Yuechan found a pair of earrings that looked really pretty.

Chu Yuechan was quite fond of the earrings that were in this box, he began to pick them up and put them on.

After wearing them, Chu Yuechan immediately saw his appearance in the mirror, Chu Yuechan's appearance now looked much more beautiful and dazzling when wearing these earrings.

It seems like Heavenly Goddess Diamond does have the effect of adding beauty to the wearer, even Chu Yuechan becomes more beautiful and enchanting when wearing these earrings.

Chu Yuechan was quite satisfied with what gift Ye Chen gave, she felt that this gift was something that was of no value to her.

from now on Chu Yuechan would continue to use these earrings every day, she would make these earrings the most valuable items she had.

Ye Chen immediately came out of the fairy gate, he began to see the time in the outside world, when Ye Chen looked at the time in the outside world, he found that it was already 6 in the afternoon, soon night would soon arrive.

Seeing this, Ye Chen started going to clean himself who was soiled from taking too long to make jewelry.

After taking a bath, Ye Chen immediately looked for a suitable outfit for himself, Ye Chen had a little trouble finding a suitable outfit for him to wear.

When Ye Chen opened his wardrobe, he found that all the suits he had were missing somewhere.

"Huh, Where my suit?" Ye Chen was a little confused when he saw that all the suits he had were missing.

Ye Chen saw a note right where his suit was.

In this note it is written that all of coats his are being washed.

"Damn, if I knew this I would definitely buy a new suit." If only Ye Chen had time, he might be able to buy a new suit for himself.

Time is too late for Ye Chen, if he bought a suit now, he would be late for Zhao Yanyan birthday.

"Ah, what should I do?" Ye Chen was confused about what to do at a time like this.

"Knock.. , knock.. . ., knock.. . .", "When Ye Chen was confused about looking for a coat to wear at the party, from outside he heard someone knocking on the door.

Ye Chen immediately opened the door and saw who was outside, when Ye Chen opened the door, he found that the person outside was Li Qingzu who was currently wearing a dress that looked very beautiful to Li Qingzu.

"That, Ye Chen, I brought a suit for you to wear tonight." Li Qingzu came here to hand over the coat that Ye Chen would wear tonight.

Ye Chen immediately accepted the white coat that Li Qingzu gave him, he felt very helped by what Li Qingzu did for him.

"Li Qingzu, you are very kind, I thank you" because Ye Chen was too happy to hug Li Qingzu's body in front of him.

Li Qingzu was very dumbfounded by what Ye Chen was doing, she did not expect that Ye Chen would suddenly hug her like this.

Li Qingzu didn't know what to do for now, she was confused whether to push Ye Chen or not in such a situation.

If she pushed Ye Chen into a situation like this, then it was the same as Li Qingzu disrespecting Ye Chen as the person she was serving, because of this, Li Qingzu had no choice but to let Ye Chen hug her for a while.

Chapter 648: Attended Zhao Yanyan's birthday party

After a while, Ye Chen finally wanted to let Li Qingzu go, after letting go of Li Qingzu, Ye Chen immediately tried on the coat that Li Qingzu had brought for him.

The suit that Li Qingzu brought had been prepared from scratch by Liu Yue for Ye Chen, so it would definitely fit Ye Chen very well.

Ye Chen started to take off his upper clothes right in front of Li Qingzu, Li Qingzu who saw this immediately flushed red, she did not expect that Ye Chen would undress right in front of her.

Li Qingzu remembered the incident during the accident that night, that night Li Qingzu saw Ye Chen's big brother who was very great.

Every day Ye Chen's big brother always appeared in Li Qingzu dreams, this made Li Qingzu very embarrassed, she turned into a shameless woman after the accident at that time.

"Ye Chen, I'll wait for you outside." Li Qingzu couldn't help but stay here, she decided to immediately go out of Ye Chen's room.

Ye Chen didn't say anything, he immediately put on a white coat on his body, in a short time the white coat was already worn by Ye Chen.

Ye Chen has also combed his hair very neatly, Ye Chen's current appearance is very handsome, every woman who sees Ye Chen today will immediately fall in love with Ye Chen.

"Well this is very good" Ye Chen felt that the appearance he had was very good.

Now it's time to go to Zhao Yanyan's birthday.

After he finished dressing quite neatly, Ye Chen came out to meet Li Qingzu.

Li Qingzu was currently still outside waiting for Ye Chen, who was changing into the suit she had brought.

After waiting outside for a while, Li Qingzu heard the door to Ye Chen's room open.

Seeing Ye Chen's room door being opened, Li Qingzu unconsciously turned her head to look at Ye Chen who was coming out of the room.

When Li Qingzu saw Ye Chen, who was in a white suit and hair that had been so neatly arranged, Li Qingzu was quite surprised.

Li Qingzu couldn't believe that Ye Chen had become much more handsome than usual, usually Ye Chen was already very handsome, but now Ye Chen is super-super handsome.

Li Qingzu felt that Ye Chen was the most handsome man she had ever seen in her life, there was no other man who was more handsome than Ye Chen.

"Hey Li Qingzu... . , hey Li Qingzu.. . , hey Li Qingzu... .. " Ye Chen tried to call out to Li Qingzu who was currently dumbfounded.

Li Qingzu did not hear anything from Ye Chen, she was currently looking at Ye Chen's good looks.

Seeing that Li Qingzu was still unconscious, Ye Chen was forced to grab Li Qingzu's shoulder and began to revive Li Qingzu.

When Li Qingzu body was shaken by Ye Chen, Li Qingzu regained the consciousness she had.

Li Qingzu did not expect that she would be blown away by Ye Chen's good looks.

Li Qingzu was a little embarrassed by Ye Chen, she really showed Ye Chen something inscrutable, this made her very embarrassed.

Ye Chen could only smile when he saw face Li Qingzu turned red with embarrassment, it seemed that this girl was ashamed of her.

"Where are the others anyway?", Ye Chen asked where the other women were.

"Oh, that, they already went to Yanyan's birthday party first. " Li Qingzu told Ye Chen that all the current women had already left first.

In this house now there are only Ye Chen and Li Qingzu, that means Ye Chen will go together with Li Qingzu to a party together.

Maybe Ye Chen's women had prepared this matter, they definitely wanted Ye Chen to be closer to Li Qingzu, Li Qingzu was a beautiful woman and had a good personality, so Ye Chen women wanted Li Qingzu to be close to Ye Chen.

Ye Chen didn't know what the women were planning at all, they were actually planning to find more women to help them fight Ye Chen in bed.

"Then let's go together" Ye Chen invited Li Qingzu to go together to Zhao Yanyan's house , that's where the party will be held.

"OK" Li Qingzu nodded at Ye Chen, he would go together with Ye Chen to Zhao Yanyan's party.

After Li Qingzu agreed to go together, Ye Chen immediately invited Li Qingzu to go to his car garage, this time Ye Chen wanted to get on his old car that had not been used for a long time.

Li Qingzu got into Ye Chen's car, the two of them sat together in the front seat.

Li Qingzu didn't expect that she could ride a vehicle like this with Ye Chen, she was quite grateful to be able to work at Ye Chen's villa.

The people in this villa are very kind, even the women here are not stingy with Li Qingzu, they even bought the dress that Li Qingzu wore for tonight's party.

Initially, Li Qingzu was quite surprised when he saw the price of the dress that Lin Rouxi gave to herself, the price of the dress given by Lin Rouxi was around 10,000 \$, that price was very high for Li Qingzu.

With \$ 10,000 in cash, Li Qingzu and her mother were able to eat delicious food for months.

Li Qingzu was a kind woman and not very demanding, therefore she initially refused the dress Lin Rouxi gave her.

Seeing the character of Li Qingzu such, Lin Rouxi more and more like Li Qingzu, because that Lin Rouxi forced Li Qingzu to accept it, if not Lin Rouxi threatened to fire her from the job.

Li Qingzu, who was afraid of losing her job, couldn't help but accept gift of a dress From Lin Rouxi.

Finally Li Qingzu wore this dress for tonight's party, the dress given by Lin Rouxi was very, very suitable for Li Qingzu to wear , Li Qingzu looked very beautiful when wearing this dress.

Ye Chen no longer wasted any time, he immediately drove to Zhao Yayan's house in the military district.

With Ye Chen's driving speed, Ye Chen and Li Qingzu very quickly reached the military district.

When Ye Chen and Li Qingzu arrived in front of Grandpa Zhao's house, the two of them saw that there were lots of cars parked in front of Grandpa Zhao's house.

It seemed that Zhao Jinshan invited some of the close friends he had to attend Zhao Yanyan's birthday.

"Let's go in." Ye Chen invited Li Qingzu to enter Grandpa Zhao's house.

Li Qingzu nodded he followed right in front of Ye Chen, Ye Chen and Li Qingzu went straight into the house, when both of them entered they were already greeted by Liu Yue who was in after the blue dress.

Needless to say, Liu Yue's appearance tonight was extremely beautiful, she was like a fairy that had fallen from the moon.

"Husband, you've finally come, we've all been waiting for you." Liu Yue looked very happy when she saw Ye Chen had come.

Previously Liu Yue had intended to pick up Ye Chen, who was probably still at home.

"Yes, I will of course come, where are the others? ", Ye Chen asked where the other women were.

"Everything is already in, let's go inside." Liu Yue invited Ye Chen to enter Zhao Yanyan's party

Chapter 649: Zhao Yanyan's birthday (1)

Liu Yue guided Ye Chen and Li Qingzu into the house, in the house there were already a lot of people waiting for Ye Chen's arrival.

When Ye Chen walked into the house, he found that there were already countless people who had come to this place.

Most of the people who were here were acquaintances of Zhao Jinshan, they were all invited by Zhao Jinshan to this Party.

After Zhao Yanyan was safe with Ye Chen, Zhao Jinshan became more open with outsiders.

He no longer hid Zhao Yanyan from outsiders like he used to, in the past Zhao Yanyan was so protective ,so Zhao Yanyan that she wasn't allowed to be close to outsiders, but now Zhao Yanyan seemed very free.

Liu Yue led the way for Ye Chen to enter Grandpa Zhao's house.

Actually Ye Chen was already familiar with Zhao Jinshan's house, but because Liu Yue wanted to guide himself, Ye Chen gave her space to escort him to the room used for the party.

Liu Yue escorted Ye Chen and Li Qingzu to where the party was being held, Zhao Yanyan's birthday party was held in the main room of this house.

When Liu Yue escorted Ye Chen to the main room, Ye Chen found that there were a lot of people present in this place.

Among the people in this room, there were several Ye Chen women who attended the event from Zhao Yanyan's birthday, for example: Fu Lanling, Su Mengxin, Lin Rouxi, Qing Cheng, Cheng Mengyan, Xia Qingyu Nanhua Caiyi, Feng Xue and there were several more who came to Zhao Yanyan's birthday.

Whereas the rest of the women were currently in separate rooms, they refused to mingle with the people present here, especially the women from the Frozen Ice Sect, they refused to appear in public.

That's why Zhao Yanyan gave a private room for the women to enjoy the party without anyone outside seeing them.

Ye Chen saw all the women who belonged to him who were present in this room, all of Ye Chen's women really looked very beautiful, they were all like beauties that came down from the sky.

Among the women, Nanhua Caiyi was the most prominent among all, her seductive body made every boy feel excited.

Even though Nanhua Caiyi was already wearing a dress that was quite closed and didn't really accentuate her body, but she was still very seductive for men.

This woman was born to flirt with men, her every move can make her excited.

Nanhua Caiyi was a little displeased with the gazes of the men who were here, after being completely overpowered by Ye Chen, all the men apart from Ye Che felt boring to Nanhua Caiyi.

Nanhua Caiyi is now completely Ye Chen's captive.

Whereas the most enchanting for Ye Che at this time was Fu Lanling, for the first time Ye Chen saw Fu Lanling in a modern dress that looked absolutely elegant.

If the current Fu Lanling didn't use Ye Chen's Nuwa Ring, the men here would definitely be enslaved by the beauty of Fu Lanling, the goddess charm that Fu Lanling possessed was too strong for any man who saw her.

Ye Chen looked around this place again, he was trying to find where Zhao Yanyan was right now, when Ye Chen looked around this place, he found that Zhao Yanyan wasn't around.

It looks like Zhao Yanyan is still getting ready upstairs, tonight's main star will definitely come last, so it's not strange that Zhao Yanyan still hasn't appeared.

Ye Chen really couldn't wait to see the beauty that Zhao Yanyan had, Ye Chen was curious about Zhao Yanyan's appearance tonight.

As a star tonight, Zhao Yanyan definitely would put on the best performance tonight, because of this Ye Chen really couldn't wait to see Zhao Yanyan's appearance.

When Ye Chen, Liu Yue and Li Qingzu walked into the room, almost everyone looked towards Ye Chen's arrival.

Everyone who was here was curious about Ye Chen's identity, because Ye Chen was very handsome and looked so classy, everyone was sure that Ye Chen had a very high background.

Even the women present at this place were very interested in Ye Chen's good looks, they all felt like they had fallen for the good looks possessed by Ye Chen.

Even some women who are married are also fascinated by Ye Chen's good looks.

"Wow, so handsome, who is that young man, why is he so handsome".

"Wow, so handsome, I feel like I returned to my youth." One by one the women who were here began to praise the good looks of Ye Chen.

All of these women fell in love with Ye Chen's very handsome appearance.

Ye Chen's appearance tonight was indeed very special, even all of Ye Chen's women recognized the good looks currently possessed by Ye Chen.

Among Ye Chen's women, Nanhua Caiyi could not bear the most when she saw Ye Chen, currently Nanhua Caiyi was eager to go and hug Ye Chen, she wanted to spend the night together with Ye Chen.

Luckily the other women realized what Nanhua Caiyi wanted to do which is why they stopped Nanhua Caiyi from doing something stupid.

Nanhua Caiyi looked helpless when she saw this, she was actually being held back by the women of Ye Chen.

"Ye Chen, let's go to meet Zhao grandfather." Liu Yue invited Ye Chen to meet Zhao Jinshan.

Zhao Jinshan was the owner of this house, it wasn't strange that Liu Yue wanted Ye Chen to meet Zhao Jinshan first.

Ye Chen, Liu Yue and Li Qingzu went to see Zhao Jinshan, it just so happened that Zhao Jinshan was currently talking to Su Wansen and some old friends in the military.

Everyone looks like they are talking about the old war they have fought in the past.

"Hello", Ye Chen approached and greeted the old veterans who were all nearing retirement.

"Oh Ye Chen, you've arrived." Zhao Jinshan was very happy when he saw that Ye Chen had come here.

After consuming Ye Chen's pill, Zhao Jinshan's appearance started to get even younger, he now looked dozens of years younger than his real age.

Everyone here could hardly believe that this was the Zhao Jinshan they knew, they still couldn't believe that Zhao Jinshan's appearance had become so young.

Zhao Jishan started introducing Ye Chen to old friends who were in the army with him.

Ye Chen nodded, he greeted all the friends of Zhao Jinshan, he looked like he respected these past war veterans.

Right beside Su Wansen, Ye Chen saw a woman who was no stranger to him, this woman of course was Long Shumin who was the leader of the Special Forces Dragon Army.

Long Shumin came here to accompany and keep Su Wansen safe.

Long Shumin was not wearing the work clothes she normally wore, this time wearing a green dress that looked perfect on her.

Long Shumin looked at Ye Chen with a curious gaze, this woman was still a little curious about what Ye Chen did with Golden Paradise Island to become like that.

If Only Long Shumin wasn't currently on a mission, she would have definitely spoken up and asked a few things about what was happening on Golden Paradise Island.

Chapter 650: Zhao Yanyan's birthday (2)

After exchanging a few words with all the war veterans in front of him, Ye Chen decided to go and meet all of the women.

Because Zhao Yanyan still hadn't come down, Ye Chen still had time to tease his women a little, who tonight looked very beautiful.

Ye Chen started flirting and joking with one by one the beautiful women he had.

The men who were here were very jealous of Ye Chen who could talk to these peerless beauties.

Previously, the men who were here had tried to talk to these peerless beauties, when they tried to get close to Ye Chen's women, all the men were kicked out by Ye Chen's women.

All the males that were here weren't allowed to get close by the Ye Chen women.

Ye Chen ignored the gazes of those who were jealous of him, tonight was quite special for Ye Chen, he could be with his women like this, it was quite rare for Ye Chen to be able to gather together like this with his women.

A happy atmosphere enveloped Ye Chen and all the women.

Time is running out, everyone is currently waiting for the main star, Zhao Yanyan, who hasn't come down yet.

Everyone was waiting for Zhao Yanyan to come down, they wanted to see what Zhao Yanyan would be like tonight.

Even Ye Chen couldn't wait to see Zhao Yanyan's appearance tonight.

Ye Chen wanted to go upstairs several times and see what Zhao Yanyan was doing right now, unfortunately when Ye Chen did this, he was stopped by Liu Yue and the other women.

They all forbade Ye Chen to go upstairs, all the women who were here wanted to give Ye Chen a surprise, so of course they would keep like a secret Zhao Yanyan looking tonight.

Ye Chen was helpless, he could only wait until Zhao Yanyan came down on her own accord.

After a few extra minutes, the lights in the room were a little dim, the people who were talking started to become silent, they looked towards the stairs leading to the upper floor.

When everyone looked towards the stairs on the top floor, they all saw a woman in a white dress like a princess wearing a bow-tie in her hair, the hair of this beautiful woman was unraveled making her look even more beautiful and enchanting.

this woman was like a beautiful goddess who had just descended from the sky, everyone recognized the beauty this woman possessed.

This beautiful goddess is Zhao Yanyan, tonight Zhao Yanyan looks even beautiful, more dazzling and more mature than usual.

Zhao Yanyan's beauty tonight is extraordinary, it is necessary to know that Zhao Yanyan is still developing, in this period Zhao Yanyan is already very beautiful, if she is given any longer, Ye Chen is very sure that Zhao Yanyan can match With goddess Nangong Xiang and goddess Dongfang Xiu.

Beside Zhao Yanyan current stood a woman whose appearance was quite good, this woman was Zhao Yanyan's grandmother , Tang Nu.

Grandma Tang Nu's appearance now resembles that of a woman around 30 years old, after taking beauty pills regularly, Grandma Tang Nu started to return to being like when she was young.

If Tang Nu came out with Zhao Yanyan now , they would definitely think that Tang Nu was Zhao Yanyan's mother, even though Tang Nu was Zhao Yanyan's grandmother.

Since the skirt on Zhao Yanyan Dress was a little long, Tang Nu had to help Zhao Yanyan get down safely.

Tang Nu's grandmother started helping Zhao Yanyan go downstairs, Zhao Yanyan and Tang Nu started to slowly descend down.

"Ahem" Liu Yue started to cough lightly to wake up Ye Chen who was currently dumbfounded when he saw the beauty that Zhao Yanyan had.

Unfortunately the cough from Liu Yue still didn't wake Ye Chen from seeing the beauty that Zhao Yanyan had.

"Husband, how long do you want to be dumbfounded like that, hurry up and welcome Yanyan." Liu Yue tried to wake up Ye Chen who was currently stunned when he saw Zhao Yanyan.

After being awakened by Liu Yue, Ye Chen finally regained consciousness, he immediately came forward to greet Zhao Yanyan who was about to come downstairs.

Ye Chen is currently like a handsome prince who is currently waiting for his beautiful princess, the beautiful princess is of course Zhao Yanyan.

Zhao Yanyan, who had just come down, saw that Ye Chen was waiting downstairs to greet her.

Zhao Yanyan also saw that Ye Chen's appearance this time was so perfect, Zhao Yanyan had never seen Ye Chen's appearance so perfect like this, it seemed like Ye Chen was deliberately looking like this for herself.

Zhao Yanyan was very happy about this, she didn't expect that Ye Chen would do something like that for herself, it seemed that Ye Chen loved Zhao Yanyan so much that he did something like this for Zhao Yanyan.

After Zhao Yanyan arrived in front of Ye Chen for a while, she began to let go of Grandma Tang Nu's hand that was helping her down.

Zhao Yanyan started extending her hand towards the front where Ye Chen was.

Ye Chen very quickly understood what Zhao Yanyan wanted, he started to hold Zhao Yanyan's hand who was currently wearing a glove made of extremely soft silk.

Actually, without using a glove made of silk like this, Zhao Yanyan's hands already felt very soft.

Now it was Ye Chen's turn to take Zhao Yanyan to the center of the room, he helped Zhao Yanyan towards the center of the room.

Everyone felt very, very jealous when they saw Ye Chen could touch a beauty like Zhao Yanyan.

The men who were here also wanted to touch a goddess like Zhao Yanyan, they were eager to find a beautiful woman like Zhao Yanyan.

These people were even willing to pay for the age they had as long as they got a woman like Zhao Yanyan.

Ye Chen and Zhao Yanyan started walking into the middle of the room, Zhao Yanyan smiled and waved her hand at everyone who was here.

Because Zhao Yanyan had come, the party could start right away, birthday cakes began to be issued by the chefs hired by Zhao Jinshan to make a birthday cake for Zhao Yanyan.

The chef and his assistant began to put a large birthday cake in front of Zhao Yanyan and Ye Chen.

"Please." The chef gave a match to Ye Chen to light the birthday candle.

Ye Chen received a match from the chef, for some reason he felt strange when he had to light a candle with a match.
