

Chapter 651: Zhao Yanyan's birthday (3)

After saying what wish she wanted, Zhao Yanyan started blowing out all the candles that were in front of her.

All the candles on the birthday cake were so easily blown out by Zhao Yanyan.

" Applause. .. , Applause. .. , Applause. .. , "Everyone started clapping after Zhao Yanyan managed to blow out the birthday candles.

"Jinshan, it looks like the little girl we always protect now has grown into a mature, beautiful and graceful woman." Tang Nu felt both happy and happy when she saw Zhao Yanyan was old enough.

Now that the little girl she always protected had grown into a truly amazing beauty, everyone would admit that the current Zhao Yanyan was very beautiful.

"Yes, you are absolutely right that Yanyan has grown up and has a life of her own, it seems that she doesn't need protection from the two of us anymore." Zhao Jinshan agreed with what Tang Nu said.

Zhao Yanyan had now grown into a beautiful Mature woman, she didn't need Zhao Jinshan's protection anymore.

It seemed that Zhao Jinshan's decision to let Zhao Yanyan be with Ye Chen was a very precise decision, Ye Chen could really take care of Zhao Yanyan better than him.

With the abilities that Ye Chen currently has, Zhao Jinshan really believes that Ye Chen can keep Zhao Yanyan happy.

"Yanyan, what wish you just wanted." Ye Chen wondered what wish Zhao Yanyan just wanted before blowing out the birthday cake candle.

"It's a secret." Zhao Yanyan didn't want to tell Ye Chen what kind of wish she wanted .

"You cheapskate." Ye Chen was a little dissatisfied with the answer given by Zhao Yanyan, even though Ye Chen wanted to know what plea Zhao Yanyan had just made .

"Puchi." Zhao Yanyan laughed when she saw Ye Chen's childlike behavior not getting what he wanted.

It seemed like it was time for Ye Chen to give Zhao Yanyan a birthday present.

Ye Chen took a beautiful box from the fairy gate storage, the beautiful box that Ye Chen took had been modified by Ye Chen so that it attracted the interest of everyone who saw this gift box.

Ye Chen knelt down right in front of Zhao Yanyan, who tonight looked absolutely gorgeous.

Zhao Yanyan did not understand what Ye Chen was going to do, why did Ye Chen suddenly kneel in front of him like this.

"Ye Chen, what are you doing? ", Zhao Yanyan asked what Ye Chen was doing right now.

It was not only Zhao Yanyan who began to wonder what Ye Chen wanted to do, everyone also wanted to know what Ye Chen was doing right now.

"Yanyan, I have something for you." Ye Chen took out the beautiful box that he had previously taken from the fairy gate, Ye Chen started thrusting this beautiful box towards Zhao Yanyan.

"Ye Chen, what is this?" Zhao Yanyan asked what was in the box that was currently in Ye Chen's hand.

"Why don't you open it and see what's inside." Ye Chen asked Zhao Yanyan to open and see for herself what was in this box.

Zhao Yanyan understood, she started to stretch out her hand towards the beautiful box in Ye Chen's hand, when Zhao Yanyan touched the beautiful box in Ye Chen's hand, the beautiful box in Ye Chen's hand immediately opened by itself.

When the box in Ye Chen's hand opened, Zhao Yanyan and everyone else in this room immediately saw a very shimmering light.

This sparkling light was a butterfly-shaped necklace with several Heavenly Goddess Diamonds adorning it.

From just a glance, all the women in this place were very interested in the necklace that Ye Chen had brought as a present for Zhao Yanyan.

All the women who were here had never seen such a fine and beautiful necklace like the one in Ye Chen's hand.

"Wow, that's great, I've never seen such fine jewelry".

"Where did the jewelry come from, I also want one", one by one the women who were here began to admire the work that Ye Chen had made.

They were all blown away by the exquisite work Ye Chen had created for Zhao Yanyan.

Even Ye Chen's women such as Liu Yue, Fu Lanling, Su Mengxin and others, were also very interested in the butterfly necklace that Ye Chen gave to Zhao Yanyan.

Ye Chen's ladies had never seen jewelry this beautiful in their lives, if allowed, they would all want jewelry as beautiful as this from Ye Chen.

No matter what temperament all of these women had, they would definitely be blown away by the beauty that came from the Heavenly Goddess Diamond, which was more beautifully polished by Ye Chen.

Zhao Yanyan current was very happy when she saw a butterfly necklace that was so beautiful like this, she really liked the butterfly necklace in Ye Chen's hand.

"Ye Chen, is this for me?" Zhao Yanyan still doesn't believe that Ye Chen will give herself such a picturesque and beautiful gift.

Zhao Yanyan believed that the necklace in Ye Chen's hand was very valuable, Zhao Yanyan could feel that this butterfly necklace was made by Ye Chen using all the soul he has.

"Of course this is for you my beautiful goddess." Ye Chen told Zhao Yanyan that this was something to be given as a birthday present.

Hearing this, Zhao Yanyan was very happy, she felt very happy in her Heart .

Zhao Yanyan started extending her hand towards the butterfly necklace in Ye Chen's hand.

Zhao Yanyan admired the beauty that radiated from this necklace, she felt that she was the luckiest woman to get something like this from Ye Chen.

"Ye Chen, can you help me put on that necklace?" Zhao Yanyan asked Ye Chen to help her put on the butterfly necklace that Ye Chen had.

"Of course." Ye Chen started to stand up, he would help Zhao Yanyan put this butterfly necklace around her neck.

Zhao Yanyan started turning around and turning her back on Ye Chen's body, she started to brush the hair she had so that Ye Chen could easily put a necklace around her neck.

Chen Ye see what is being done by Zhao Yanyan, what is done by Zhao Yanyan is currently very tempting for Ye Chen, who is now exactly is behind the body of Zhao Yanyan.

From here Ye Chen could see Zhao Yanyan's white and smooth Jade neck which was so perfect, Ye Chen felt anxious to play with Zhao Yanyan's Jade neck.

It's too bad that currently Ye Chen is in public, so he can't do anything bad for Zhao Yanyan.

Maybe later at midnight he should wait for the perfect time to be alone with Zhao Yanyan, Ye Chen couldn't wait to enjoy the beauty that Zhao Yanyan had tonight, Tonight Ye Chen would definitely treat Zhao Yanyan very well.

Ye Chen started to attach the necklace that he had painstakingly made around Zhao Yanyan's neck with great care, Ye Chen made sure that the butterfly necklace that was paired would look good on Zhao Yanyan.

"Done." After feeling that the necklace position was suitable for Zhao Yanyan, Ye Chen immediately pulled his hand away from Zhao Yanyan's seductive neck.

Chapter 652: Zhao Yanyan's birthday (4)

After Ye Chen finished putting the butterfly necklace around Zhao Yanyan's neck , Zhao Yanyan immediately took off her hair that she had previously put aside.

Now that Zhao Yanyan's hair was back down like before, Zhao Yanyan began to look at the necklace that was currently attached to her neck, this necklace really suited Zhao Yanyan a lot.

Zhao Yanyan looked even more beautiful and enchanting when she wore the Heavenly Goddess Diamond.

It seems that what Chu Yuechan said has come true, the woman wearing the Heavenly Goddess Diamond will look even more beautiful and dazzling.

It seemed that this time Ye Chen did not go wrong in choosing a gift for the Zhao Yanyan he loved.

"Ye Chen, thank you very much, I really like the gift you gave." Zhao Yanyan was very happy, she started to hug Ye Chen who was in front of her.

Ye Chen of course welcomed Zhao Yanyan's warm embrace, Ye Chen was also happy when Zhao Yanyan felt happy with what he had given her.

Everyone who was here saw the beautiful moment that Ye Chen and Zhao Yanyan were doing, they all didn't expect that Ye Chen would be so romantic like this.

All the female guests who saw this were very jealous of Zhao Yanyan, why couldn't they find one man like Ye Chen who was so romantic like this.

If they could find a man like Ye Chen who was romantic and extremely handsome, then they would be willing not to look at other men in this world.

Meanwhile, the men here were very jealous of Ye Chen who could hug a beautiful woman like a goddess, they were all very, very jealous of Ye Chen who could hug Zhao Yanyan.

(Lol) wow.

Meanwhile, Ye Chen's women had nothing to complain about this matter, they all seemed to accept that when Ye Chen gave the Heavenly Goddess Diamond to Zhao Yanyan, there was no envy in the hearts of these women.

Ye Chen's women were pretty good at getting along, they knew not to fight over something like this.

Even though the Heavenly Goddess Diamond is indeed good and enchants all women, the women belonging to Ye Chen will not fight and split for something like this.

The aim of the Ye Chen women was fixed, they all wanted to beat Ye Chen on the bed, which was why they needed a lot of new strength to do that.

After hugging for a while, finally Ye Chen and Zhao Yanyan wanted to separate too, both of them wanted to separate because there were still many outsiders who saw what they were doing.

If only there were no outsiders here at this point, it was possible that Ye Chen and Zhao Yanyan would do more than just hug.

But since there were outsiders here, Ye Chen and Zhao Yanyan couldn't do that.

After hugging Ye Chen, Zhao Yanyan started to continue what she had to do, Zhao Yanyan started to cut the cake and give it to someone special for her.

Here Zhao Yanyan gave him cakes to people he knew, even all of Ye Chen's women who were here got Cake from Zhao Yanyan.

Everyone started enjoying Zhao Yanyan's birthday party, even Feng Xue also joined in to enliven Zhao Yanyan's birthday party by singing several songs for everyone who was here.

Everyone was enjoying the song that Feng Xue sang, for some reason the song that Feng Xue sang could easily touch the hearts of these people.

This was completely different from the Song they had heard before, it was far melodious for everyone present in this place to listen to.

This song is so melodious that it can drown the people here.

Feng Xue had just become a cultivator, she had just learned a technique called the ***Song of Destiny Art***.

This is a technique that can influence a person and even this technique can make Feng Xue do whatever he wants.

If Feng Xue returned to the entertainment world using this technique, she would definitely become the most successful star in this entire world.

Feng Xue's name will definitely go down in the history books as the greatest singer ever in history.

thanks to Feng Xue's song, the atmosphere in this place is even more lively, everyone looks very happy when they hear Feng Xue sing.

If only Zhao Yanyan had collaborated with Feng Xue, it would have created a fusion much better than this time.

Unfortunately Zhao Yanyan couldn't do that, she was currently enjoying chatting together with Ye Chen in a chair that had been prepared in advance.

Ye Chen and Zhao Yanyan are like a husband and wife who are enjoying the most pleasant times during the wedding.

When Ye Chen and Zhao Yanyan were alone, the other Ye Chen women did not interfere with what Ye Chen and Zhao Yanyan were doing.

tonight All the women agreed to let Ye Chen and Zhao Yanyan be alone, they had all talked about this before.

"Husband, thank you for the gift you have given me tonight, I am very happy to receive this from you." Zhao Yanyan said that she really liked the gift gave By Ye Chen.

", I'm glad you like it, I hope you always wear it every day, that way you will look even more beautiful." Ye Chen hoped that Zhao Yanyan could wear the butterfly necklace he gave her every day.

That way Zhao Yanyan would look even prettier and more enchanting.

"You mean I'm not pretty if I don't wear this necklace?", Zhao Yanyan looked dissatisfied when Ye Chen said that.

"Wife, it's not that, everyday you look beautiful." Seeing Zhao Yanyan a little dissatisfied, Ye Chen immediately tried to calm her down.

Just now, Ye Chen had a little slip when he said that Zhao Yanyan was beautiful if she wore the necklace that Ye Chen had just given her.

The butterfly necklace that Ye Chen just gave can indeed make the woman who wears it look even more charming and prettier.

But that doesn't mean Zhao Yanyan is n't pretty if she doesn't wear the butterfly necklace he just gave her.

Even if you don't use the butterfly necklace that comes from the Heavenly Goddess Diamond, Zhao Yanyan is still a beautiful woman in Ye Chen's heart, that thing will never change at any time.

"Fufufu, husband, don't take it too seriously, I'm just joking with you." Zhao Yanyan started giggling when she saw Ye Chen who was panicking while trying to explain to herself.

Ye Chen was so helpless, Zhao Yanyan was really starting to be difficult for understand , even just now Ye Chen couldn't understand that Zhao Yanyan was joking with him.

"Husband ,why do you look unhappy, are you angry because of that?" Seeing Ye Chen's face turned black, Zhao Yanyan started to think that Ye Chen was angry with her.

"No-no, how could I be angry with my beloved Yanyan." Ye Chen tried to find an excuse so that he wouldn't make Zhao Yanyan down.

"I see." hear this, Zhao Yanyan was a little relieved to, she thought that Ye Chen was angry because of something like that.

"Let's dance together" Ye Chen invited Zhao Yanyan to dance with himself.

"OK." Zhao Yanyan immediately agreed, stretching out her hand forward.

Ye Chen immediately grabbed Zhao Yanyan's hand, he immediately brought Zhao Yanyan to dance together with the people who were here.

The party is getting more and more festive, everyone looks really excited about the party tonight.

"Bang" when everyone was enjoying the party, suddenly the door was smashed by someone from outside.

Chapter 653: People from the Wu Clan

Everyone who was here immediately looked towards the entrance that someone from outside had just kicked.

Everyone wanted to see who was the one who dared to make a mess at Zhao Yanyan's birthday party.

Everyone thought that only fools would want to find trouble in a military district like this, especially in this place where there were so many war veterans who still had some influence in the military world.

If it causes trouble in this place, then it is certain that this person will get into very serious trouble.

That's why the people who attended this party wanted to know who would dare to cause trouble at this party.

Did they really have so many lives that they caused trouble at Zhao Yanyan's birthday party.

Some people wearing after ancient clothes walked straight into the room where the party was being held.

These people were led by a woman whose appearance was quite beautiful with a very well developed body.

This woman led the people behind her into the room.

It could be seen that the people who had just entered were extremely strong cultivators, they were mostly at the beginning of the Overlord Realm.

Meanwhile Ye Chen and Zhao Yanyan who were dancing immediately stopped what the two of them were doing, the two of them immediately looked at the people who had just entered

"Husband, do you know them?" Zhao Yanyan started asking whether he knew these people or not.

"Wife, I don't know these people at all." Ye Chen didn't remember meeting these people at all, he felt strange about the people who were currently entering this room.

"Then what are they here for?" Zhao Yanyan is starting to wonder why these people have come here this way.

"I don't know what purpose they came here for, but if they dare to cause trouble here, I will definitely fix them right away." Ye Chen didn't know and didn't want to know what purpose these people came here for.

But if these people came and looked for trouble with Ye Chen, Ye Chen would not stay quiet and get rid of these people.

After all, this is Zhao Yanyan's birthday party, Ye Chen won't let anyone mess around or they will have to pay an exorbitant price.

The leader of this party started to look around this place, it seemed this woman was looking for something in this place.

Everyone who is here is confused by what this group of foreigners and strange looks want, the guests feel that these people are like they are taking Videos for scenes from ancient drama series that they often see on television.

The woman who led the group looked straight at Zhao Yanyan who was beside Ye Chen, for some reason women seemed to have come to look for Zhao Yanyan's whereabouts.

After finding Zhao Yanyan, this beautiful woman immediately took the people behind her to go to where Zhao Yanyan was.

They all walked as if nothing happened just now, these people seem to have forgotten that they just broke a door to enter this place.

This group very quickly arrived in front of Zhao Yanyan, the woman who led the group immediately advanced until it was only a few meters away from Zhao Yanyan.

"Are you called Zhao Yanyan?" This woman immediately asked whether this was Zhao Yanyan or not.

"Yes, I'm Zhao Yanyan, What do you need to come here looking for me?" Zhao Yanyan nodded to the woman in front of her, Zhao Yanyan really said her true identity in front of this woman.

The reason Zhao Yanyan said this to the woman in front of her, was because she did not feel any hostility from this woman, It meant that this woman came in peace.

If Zhao Yanyan had felt hostility from this woman in the first place, she definitely wouldn't have told this woman her identity.

"Thank God if this is you, you really look like your mother, even you become a woman who is much prettier than your mother." Knowing that this was Zhao Yanyan who she was looking for, this woman felt very satisfied.

This woman did not expect that Zhao Yanyan would look so much like her mother, even Zhao Yanyan looked much prettier than previously imagined.

Maybe even Zhao Yanyan's beauty could be comparable to that of the ruling queen of the royal family.

"Eh?, You know my mother?" Zhao Yanyan was a little surprised when she found out that this woman in front of her knew her mother.

"Of course I know Miss Zhao Yanyan's mother, I'm even very close to your mother." This woman told me that she had a very close relationship with Zhao Yanyan's mother.

"That, who exactly are you, why do you know about my mother? ", Zhao Yanyan started asking about the identity of this woman in front of her.

Zhao Yanyan wanted to know who this woman really was and why she knew about her mother.

This woman almost forgot to introduce herself to Zhao Yanyan. "Sorry because late I introduced myself, my name is Yu Tifa, I am a servant of the Wu Clan who has served your mother for several years. "This woman started introducing herself to Zhao Yanyan.

This woman's name is Yu Tifa, she said that she was a servant who came from the Wu Clan.

"Wu Clan?" Zhao Yanyan doesn't know about the Wu family that Yu Tifa is referring to.

Zhao Yanyan's mother was indeed Wu Zheli, but Zhao Yanyan did not know the origin of her mother's family, she thought that her mother had no distant relatives.

"So Miss Zhao Yanyan doesn't know anything about your mother's family origins?" Yu Tifa asked Zhao Yanyan who didn't seem to know anything about her mother's background.

It wouldn't be strange if Zhao Yanyan didn't know about her mother's background, after all, when Wu Zheli left, Zhao Yanyan was still quite young and didn't know anything about this matter.

Zhao Jinshan also never told Zhao Yanyan about this matter.

"I don't know." Zhao Yanyan immediately shook her head, Zhao Yanyan really doesn't know about her mother's background.

"Then, let me explain it to you", Yu Tifa took the initiative to tell Zhao Yanyan everything.

"Stop", Zhao Jinshan suddenly came towards Yu Tifa who wanted to tell Zhao Yanyan about Wu Zheli's background.

Zhao Jinshan didn't seem to want Yu Tifa to tell Zhao Yanyan about this.

"What did the Wu family want to send you here?" Zhao Jinshan suddenly shouted at Yu Tifa, he looked like he didn't like it when she heard that this woman was from the Wu family.

Somehow Ye Chen and Zhao Yanyan could sense that Zhao Jinshan was not friendly with these people from the Wu Family.

"We came to take Miss Zhao Yanyan away from this place, a place like this is not suitable for Miss Zhao Yanyan." Yu Tifa told Zhao Jinshan what the Wu family wanted to send her here.

"Is that Wu family you serve still dissatisfied after destroying this family's life before?" Tang Nu suddenly stepped forward and spoke to Yu Tifa in a very, very unfriendly tone.

It could be seen that Tang Nu's grandmother was also displeased when she heard that these people were from the Wu family.

Zhao Yanyan was confused by this, why her grandparents were not happy about the arrival of people related to her mother.

Chapter 654: a secret that was hidden by Zhao Jinshan and Tang Nu

"Mr. Zhao, Madame Zhao, we didn't mean to do that, we really came here in peace and wanted Miss Zhao Yanyan to go to the Kunlun holy land to meet her other grandfather." Yu Tifa told Zhao Jinshan and Tang Nu if the two of them come in peace.

Yu Tifa came here to take Zhao Yanyan to meet her mother's grandfather who was currently in the Kunlun Holy Land.

"We will not let that happen, we will not let our Yanyan come with you to a place like that, she better stay here" Zhao Jishan won't let Yu Tifa take Zhao Yanyan, she doesn't want Zhao Yanyan to go to the Clan Wu who is in the Kunlun holy land.

"Mr. Zhao, Madame Zhao, why don't you let Miss Zhao Yanyan meet her other grandfather, the head of the Clan also wants to see his granddaughter." Yu Tifa told Zhao Jinshan and Tang Nu that Zhao Yanyan's grandfather who is currently in kunlun also wants to see his granddaughter.

"What nonsense are you talking about, does that person still remember that he has a granddaughter, he couldn't even do something when that night's incident happened" Zhao Jinshan told Yu Tifa that the old man couldn't even do anything at night it happened.

How could Zhao Jinshan hand Zhao Yanyan over to someone who couldn't do something at such an important moment as the tragedy of that night, that's why Zhao Jinshan wouldn't let Zhao Yanyan go to the Wu Clan that was in the Kunlun Holy Land.

"But we were told by the head of the Clan to take Miss Zhao Yanyan away, if we don't take her we won't be able to go home." Yu Tifa told Zhao Jinshan that they weren't allowed to go home if they didn't take Zhao Yanyan with them.

"We don't care, anyway Yanyan shouldn't come with you." Zhao Jinshan didn't care about Yu Tifa's problems, the most important thing for Zhao Jinshan was that Zhao Yanyan was still here.

"Miss Yu, why do you want to spend time with this old man, we better bring it now Miss Zhao so that our mission will be completed soon" The people behind Yu Tifa are impatient, they all want to finish their mission immediately get to bring Zhao Yanyan back to the Wu Clan.

"Don't do anything reckless, we are here to take good care of Miss Zhao Yanyan." Yu Tifa told the people behind to be even more patient.

Zhao Yanyan started to become curious about what this grandfather and woman named Yu Tifa had just talked about.

Why did her grandfather always bring up the events of that night when talking to Yu Tifa , actually what Zhao Jinshan meant by the tragedy of that night.

Zhao Yanyan felt more and more curious, Zhao Yanyan wanted to know what her grandfather and grandmother had been hiding from her.

"Grandpa, what exactly happened? , what are you guys talking about right now "Zhao Yanyan wanted to know about this matter, which was why she asked Zhao Jinshan and Tang Nu.

"Yanyan, you don't need to know about this matter." Tang Nu told Zhao Yanyan that she didn't need to know about this matter.

"Eh, why can't I find out about this matter? ",Zhao Yanyan asked Tang Nu.

"Yanyan, don't ask many more questions, you shouldn't know this." Tang Nu tried to scold Zhao Yanyan who kept asking about this matter.

Zhao Yanyan was shocked when she saw her grandmother scold her like this, Zhao Yanyan had never seen Tang Nu scolded herself like this.

This made Zhao Yanyan more and more curious about what her grandfather and grandmother were hiding.

Seeing that she could not find an answer to the question she had previously asked Zhao Jinshan and Tang Nu, Zhao Yanyan tried to find the answer through Yu Tifa who was in front of her, this woman might know what her grandfather and grandmother were hiding.

"Ahem, Miss Yu Tifa, may I know what you were talking about just now?", Zhao Yanyan stepped forward and asked Yu Tifa who was in front of her, she wanted to know about the matter that was related to her mother.

"Of course, we are talking about the night your father and mother died." Yu Tifa told Zhao Yanyan that they were talking about the night of the death of Zhao Yanyan's father and mother.

"The night father and mother died? ", Zhao Yanyan muttered in a very small voice.

Even though Zhao Yanyan was a child back then, she certainly still remembered that her mother and father died in an accident.

Until now Zhao Yanyan still didn't know what kind of accident took the lives of her parents, this was still a question for Zhao Yanyan.

"Stop, don't say that to Zhao Yanyan." Zhao Jinshan panicked again when Yu Tifa tried to leak what Zhao Jinshan and Tang Nu had been hiding from Zhao Yanyan.

Zhao Jinshan and Tang Nu didn't want Zhao Yanyan to find out about this matter, or that Zhao Yanyan could be so sad.

"Grandpa, Grandma, what exactly have you two been ringing from me, quickly tell me." Zhao Yanyan told Zhao Jinshan and Tang Nu said what they both had hidden from her.

"Yanyan, you don't need to know this, it's a troublesome matter to explain." Zhao Jinshan and Tang Nu again refused to tell Zhao Yanyan what happened.

From the start Zhao Jinshan and Tang Nu didn't want to tell Zhao Yanyan about this, they were both afraid that Zhao Yanyan's life would change if they found out about this.

"Grandpa, grandma, tell me the reason why I can't find this out?" Zhao Yanyan wants to know the reason why he shouldn't know about this matter.

Zhao Jinshan and Tang Nu had a little trouble replying to Zhao Yanyan's questions, both of them were confused about giving Zhao Yanyan a proper answer.

Zhao Yanyan saw that her grandfather and grandmother were confused when they wanted to answer questions from her.

Zhao Yanyan was really curious about this matter, it seemed that she really had to find out this matter from Yu Tifa, Yu Tifa might be the one who could answer this matter.

"Grandpa, I'm sorry, but I have to know this." Zhao Yanyan snapped the finger she had, When Zhao Yanyan did this, Zhao Jinshan and Tang Nu immediately fainted and collapsed.

Zhao Yanyan really made Zhao Jinshan and Tang Nu unconscious, Zhao Yanyan now has a high level of cultivation, of course being able to do this will be very easy Zhao Yanyan.

To the normal people here, what Zhao Yanyan doing was an astonishing magic trick.

They didn't expect that Zhao Yanyan would know such a little magic trick.

After confirming that Zhao Jinshan and Tang Nu were unconscious, Zhao Yanyan immediately turned the attention she had to Yu Tifa.

"Miss Yu Tifa, please tell me what happened to father and my mother in the past." Zhao Yanyan wanted to know what happened to her father and mother in the past.

Zhao Yanyan wanted to know what accident happened to the death of her father and mother, Zhao Yanyan wanted to know everything that had happened to her father and mother in the past.

Chapter 655: bitter truth

"Okay, I'll explain it to Miss Zhao Yanyan." Yu Tifa began to explain what happened on the night Zhao Yanyan's father and mother died.

Yu Tifa tells what really happened to Zhao Yanyan's father and mother in the past.

Yu Tifa tells Zhao Yanyan when her father and mother did not die because of an accident, rather the father and mother of Zhao Yanyan forced to commit suicide.

Yu Tifa told Zhao Yanyan that the two of them died because someone forced them to lose their lives.

"What?" Zhao Yanyan was a little surprised when she heard this, she didn't expect that her father and mother were forced by someone to commit suicide.

Zhao Yanyan's body began to tremble a little when she heard that her father and mother had actually died because someone forced to, what she thought was that her father and mother died in an accident.

No wonder Zhao Jinshan and Tang Nu didn't want to tell Zhao Yanyan about this, if Zhao Yanyan found out about this, she would be very sad.

Ye Chen immediately went to Zhao Yanyan's side, he started to hug Zhao Yanyan whose heart looked shocked and chaotic.

"Yanyan, calm down." Ye Chen tried to calm Zhao Yanyan, whose heart seemed to be in a mess when she heard things like this.

If Zhao Yanyan hadn't awakened the special Saintess body she had, she would have burst into tears when she heard this.

Anyone who is currently in Zhao Yanyan's position will definitely feel shocked when she hears of this kind of thing, when she finds out that her parents she thought were dead because of an accident turned out to be forced by someone to die, this will surely make anyone feel sad.

Ye Chen kept trying to calm Zhao Yanyan in his arms, Ye Chen told Zhao Yanyan to be more patient in dealing with this problem.

After a while, Zhao Yanyan finally managed to calm her heart, she began to accept what she had just heard.

"Husband, thank you very much." Zhao Yanyan thanked Ye Chen for helping her calm down.

"Are you sure you're okay?" Ye Chen was still a little worried about Zhao Yanyan.

"You don't need to worry, you're fine right now." Zhao Yanyan told Ye Chen that she was fine.

"Yanyan, so you already know everything?", Zhao Jinshan asked Zhao Yanyan.

When Ye Chen calmed Zhao Yanyan earlier, Zhao Jinshan and Tang Nu had regained their senses.

Seeing Zhao Yanyan like this, Zhao Jinshan and Tang Nu had guessed that Yu Tifa had told Zhao Yanyan everything.

"Grandfather, is what Miss Yu Tifa said just now true that Mom and Dad died because someone forced them to die? "Zhao Yanyan wants to confirm this matter from Zhao Jinshan and Tang Nu, she wants to know the truth on this matter.

Zhao Jinshan and Tang Nu looked at each other, it seemed they could no longer hide this from Zhao Yanyan, Zhao Yanyan had learned everything from Yu Tifa.

"Huft." Zhao Jinshan sighed, it seemed he had no choice but to be honest with Zhao Yanyan.

After all, Zhao Yanyan was now an adult, so there was nothing Zhao Jinshan needed to hide from Zhao Yanyan.

"Yanyan, what that woman said was true, your father and mother were indeed forced by someone to death" Zhao Jinshan himself confirmed that what Yu Tifa said was the truth.

Zhao Yanyan's heart, which had started to calm down before, started to flare up again after hearing what Zhao Jinshan just said.

Zhao Yanyan did not expect that her father and mother would die this way, Zhao Yanyan wanted to know who was the person who had dared to force her father and mother to death.

" Grandfather, who is the real person who did that to father and mother? Tell me quickly." Zhao Yanyan asked Zhao Jinshan to tell herself who was the person who had done such a thing to his parents.

"About that matter." Zhao Jinshan and Tang Nu had a little trouble answering Zhao Yanyan's questions , they both still didn't know the origin of the enemy that had made Zhao Yanyan's father and mother die.

Zhao Jinshan and Tang Nu only knew the name of the man who killed Zhao Yanyan's mother and father named Hong Man, Zhao Jinshan only knew that this man was from the Kunlun Holy Land.

Therefore Zhao Jinshan thought that everyone from the Kunlun Holy Land was the same to him.

"Miss Zhao Yanyan, the person who did that is called Hong Man , she is a very powerful ruler who controls a sect called the Gates of Eternity", Yu Tifa immediately told Zhao Yanyan who was the person who had done such a thing to father and Zhao Yanyan's mother.

"Gates of Eternity Sect? Husband, isn't that the sect that has destroyed the Frozen Ice Sect? ",Zhao Yanyan asked Ye Chen.

"Yes, the Gates of Eternity Sect is a sect that once wanted to destroy the Frozen Ice Sect." Ye Chen nodded at Zhao Yanyan.

"So they are the ones who have done things like that to mom and dad." Zhao Yanyan began to tightly grasp her fists.

For the first time, Zhao Yanyan felt that she wanted to destroy the Gates of Eternity Sect that had done such a thing to her father and mother.

"Calm down, we will work together to find a solution to this problem." Ye Chen hugged Zhao Yanyan, she tried to calm Zhao Yanyan down.

"Miss Zhao Yanyan, how about it, do you want to come with us or not?" Yu Tifa again invited Zhao Yanyan to go to the ancient Holy Land to meet her mother's side of the family.

"Don't you understand either, Yanyan won't go to that place, you'd better go home and tell the old man not to bother Yanyan anymore." Zhao Jinshan chased the people assigned by the Wu Clan to take Zhao Yanyan away.

"Yanyan, grandfather hope you stay here and don't come with these people, the Kunlun Holy Land is a very dangerous place, I don't want you to have the same fate as your father and mother." Zhao Jinshan really didn't want to reach Zhao Yanyan fared the same as her father and mother.

Zhao Jinshan wanted Zhao Yanyan to live a normal life as usual, Zhao Jinshan didn't want Zhao Yanyan to be dragged into the Kunlun holy land trouble.

Zhao Yanyan was currently unable to answer Zhao Jinshan's words, currently Zhao Yanyan's heart was in chaos so she could no longer answer Zhao Jinshan's words.

"Grandfather, it looks like Zhao Yanyan can't talk about this for a while, we'd better wait for her to calm down first." Ye Chen told Zhao Jinshan that Zhao Yanyan can't currently be spoken to to discuss this matter.

Zhao Jinshan understood what Ye Chen meant, it seemed Zhao Yanyan's mind was in chaos for now.

"Miss Yu, don't waste any more time, let's bring Miss Zhao right now so we can come back soon, I can't stand this place." The people behind Yu Tifa can no longer stand being in the mortal world.

According to them the mortal world is a place so full of pollution that those from the Kunlun Pure land feel uncomfortable with the pure energies that exist in the mortal world.

Chapter 656: Fu Lanling and Nanhua Caiyi

The people behind Yu Tifa were completely insensitive when they saw Zhao Yanyan in grief, they wanted to take Zhao Yanyan by using unkind means of coercion.

Ye Chen didn't really like the unfriendly people behind Yu Tifa.

"All of you quickly get out of here right now, I don't want to see your faces." Ye Chen told the people from the Kunlun Holy Land to leave this place immediately.

Ye Chen didn't want to see the faces belonging to these people anymore, he was especially sick of seeing the faces that belonged to the people behind Yu Tifa.

"Hey kid don't play with us, you know we are on an important mission here" the person behind Yu Tifa said to Ye Chen if they were on an important mission to take Zhao Yanyan away.

"Bah, what an important mission, I won't let you guys take Yanyan away from this place." Ye Chen said that he wouldn't let these people take Zhao Yanyan away.

"Do you think you have the ability to do that, if we want we can bring Miss Zhao right now" This person did not accept Ye Chen's words, he told Ye Chen that he could take Zhao Yanyan very easily from him. .

"Then let's see if you can do that" Ye Chen thought that this person wanted to challenge him.

Ye Chen didn't like it when people wanted to take the woman away, that's why Ye Chen immediately challenged this person.

"Let me show you the difference between the two of us." This person wanted to show the difference in strength he had with Ye Chen.

"Ye Chen, let's go upstairs." Zhao Yanyan told Ye Chen to stop, he wanted Ye Chen to accompany him upstairs.

"Hemp, you're lucky." Ye Chen sniffed coldly at the person behind Yu Tifa, after which Ye Chen took Zhao Yanyan upstairs.

"Where are you going. . ."The person who previously argued with Ye Chen still didn't accept Ye Chen's words just now, he wanted to make a calculation with Ye Chen.

As this person wanted to advance towards Ye Chen, he was stopped by Yu Tifa so as not to look for trouble with Ye Chen.

"Don't create unnecessary trouble." Yu Tifa told this person not to cause trouble in this place.

"Miss Yu, don't stop me, I want to teach this person a lesson." This person told Yu Tifa to step back so that he could make a calculation with Ye Chen.

In terms of strength, Yu Tifa was comparable to someone who had just spoken harsh words with Ye Chen which is why this person didn't really listen to Yu Tifa's words.

"Linger, Caiyi, you two please take care of these people so as not to cause trouble, make sure not to kill them." Ye Chen sent a voice transmission to Fu Lanling and Nanhua Caiyi.

Ye Chen wanted the two of them to take care of the people who came from the Kunlun Holy Land so as not to create bigger troubles in this place.

Among the Ye Chen women who were here Fu Lanling and Nanhua Caiyi were the strongest in this room, both of them would definitely be very easy to handle these people.

Fu Lanling and Nanhua Caiyi immediately nodded to Ye Chen, the two of them will definitely take care of the people from the Kunlun Holy Land so as not to cause unnecessary trouble in this place.

After telling Fu Lanling and Nanhua Caiyi to take care of the people from the Kunlun Holy Land, Ye Chen took Zhao Yanyan upstairs.

"Where do you want to come down here quickly." The people from the Wu Clan still didn't let Ye Chen leave this place, he hadn't taught Ye Chen a lesson.

When this man wanted to leave following the departure of Ye Chen and Zhao Yanyan, he was stopped by Fu Lanling and Nanhua Caiyi, both of whom stopped this person from following Ye Chen.

"You two get out of my way." The people from the Wu Clan told Fu Lanling and Nanhua Caiyi to get out of their way.

"You mongrel, how dare you bark at my master, I will definitely give you a lesson so that you understand manners." Nanhua Caiyi was already very annoyed with this person who came from the Kunlun Holy Land, this person really dared to insult Ye Chen who is the master for Nanhua Caiyi.

Nanhua Caiyi really didn't like this, if previously Ye Chen didn't order not to kill these people, maybe now Nanhua Caiyi has turned this person into a mist of blood.

Nanhua Caiyi is now very strong, maybe now no one can beat Nanhua Caiyi in the entire Kunlun Holy Land or the entire planet.

While Fu Lanling didn't say much to this person, she only emitted an extremely powerful killing aura towards the person who came from the Kunlun Holy Land.

Nanhua Caiyi didn't want to lose to Fu Lanling, she started to give off her aura to bully this person.

With Nanhua Caiyi's cultivation base already at the early stage Divine Nascent Realm, she could now possibly kill this person without even touching him.

When Nanhua Caiyi and Fu Lanling emitted the aura they possessed, the instant the person from the Kunlun Holy Land immediately collapsed on the floor, he looked like he was being oppressed by something so heavy that he couldn't even get up.

Yu Tifa and the people from the Kunlun Holy Land were quite surprised when they felt the aura emitted by Fu Lanling and Nanhua Caiyi, they did not expect that these two women were so fierce and so terrifying.

Even the head of the Clan couldn't possibly compare to the aura currently emitted by Nanhua Caiyi and Fu Lanling.

The person who previously wanted to find trouble with Ye Chen is now lying on the ground and unable to get up, he looks very painful when being oppressed by the aura of Nanhua Caiyi and Fu Lanling.

Even the bones that were in this person's body began to sound when being suppressed by the aura possessed by Nanhua Caiyi and Fu Lanling.

The person from the Wu Clan did not expect that the two women in front of him were so strong that they could make himself like this with just the aura they both gave off.

It seemed that he had just offended the wrong person, he had actually offended power plants like Nanhua Caiyi and Fu Lanling.

The person from the Wu Clan started to sweat profusely when he thought that he had just offended these two strong women.

"Two honorable seniors, please forgive me, I have eyes but can't see the strength of respectable seniors." The person from the Wu Clan is so smart, he tried to apologize to Nanhua Caiyi and Fu Lanling.

"Do you think that by apologizing like that, we will easily let you go? , you are too hopeful. "Nanhua Caiyi will not let go of the person who dared to insult Ye Chen that easily.

this person must learn a proper lesson so that in the future he will not repeat this kind of thing again.

Nanhua Caiyi took out a Whip from her storage ring, she wanted to use this whip to teach this person a little lesson.

Don't ask why Nanhua Caiyi has a whip in her storage room, in the past Nanhua Caiyi has often used things like this to torture anyone who disobeys her.

It was because of this that Nanhua Caiyi still had this kind of thing in the storage room ring she had.

Chapter 657: Torture perpetrated by Fu Lanling and Nanhua Caiyi

"Sister Caiyi, there are so many people here, you better not use your strength in that way." Fu Lanling told Nanhua Caiyi not to use her power in this way, or the two of them would be exposed to these people.

"You don't have to worry, I'll take care of the people who are here." Nanhua Caiyi snapped her fingers.

When Nanhua Caiyi snapped the fingers she had, everyone who was here suddenly fainted and fell unconscious, they all seemed to be knocked out by Nanhua Caiyi.

For Nanhua Caiyi it was very easy to knock these people out, she could easily knock these people out.

This way, Nanhua Caiyi no longer needed to hold back when dealing with people from the Kunlun Holy Land.

Now that Nanhua Caiyi could use all the strength she had at will, Nanhua Caiyi couldn't wait to teach these people a lesson.

"Pah, prepare yourselves, I will definitely make all of you regret coming here." Nanhua Caiyi showed an evil face to the people who came from the Wu Clan.

Fu Lanling was helpless when she saw what Nanhua Caiyi was going to do, it seemed like this woman became sadistic when dealing with her enemies.

Seeing Nanhua Caiyi's evil face, Yu Tifa and the people behind her began to slowly retreat, they all felt scared when they saw this kind of Nanhua Caiyi.

Nanhua Caiyi started to use her whip to whip the person who was currently lying to the floor.

"Pah" a very loud whipping sound echoed through this room.

From the sound alone, it could show what kind of power Nanhua Caiyi had just used.

The power that Nanhua Caiyi used must be so strong that it made a sound like that.

Actually Nanhua Caiyi still held back the strength she had, if Nanhua Caiyi seriously used the strength she had, the person who was currently on the floor would have immediately died from this whip of hers.

"Ah, my waist." The person on the floor felt that his back was sore and hot when he got a whip from Nanhua Caiyi.

"This is just the beginning, prepare yourself to receive a punishment that is much more painful than this, fufufu." Nanhua Caiyi laughed evilly at the person who previously dared to find trouble with Ye Chen.

Seeing Nanhua Caiyi's terrifying face, the person who fell to the floor became even more afraid.

"Young lady, please spare me, I beg your pardon." This person was trying to ask Nanhua Caiyi for mercy.

"You brat, don't you know who you are talking to, I can even be your ancestor so don't you dare call me that" Nanhua Caiyi didn't like hearing this person calling herself a young lady.

This made Nanhua Caiyi look like a young girl who had just grown up and didn't understand anything.

The person who was on the floor started to break out in cold sweat, it seemed like he spoke incorrectly, how could he call a respected senior like Nanhua Caiyi a young girl, it must be the same as he had just insulted Nanhua Caiyi.

"Dear senior, please forget about earlier, please let me go." This person from the Clan Wu is completely shameless, after saying those words just now to Nanhua Caiyi, he still wanted to ask Nanhua Caiyi for mercy.

"Sorry, but I can't let you go, I just enjoyed it, so maybe I won't let go of it for a while." Nanhua Caiyi again made a wicked smile towards the person on the floor, Nanhua Caiyi really refused to let go of this person.

"Pah.. ., Pah.. ., Pah.. ., Pah.. .," Nanhua Caiyi continuously whipped the man on the floor, the man on the floor felt the worst torment of his life, he felt that his entire back was very painful because of the whip that Nanhua Caiyi had done.

The sound of screams of pain echoed throughout this room, to the point that it could be heard from outside the room.

Meanwhile, this person's friends had absolutely no desire to help him, they were all trying to find it safe because they didn't want to feel the same way as the person who was currently being whipped by Nanhua Caiyi.

They all preferred to remain silent and not interfere because Nanhua Caiyi was too strong for them to fight even if they all pooled the strength they had.

After several dozen lashes carried out by Nanhua Caiyi, Nanhua Caiyi was finally able to let go of all her grievances to this person.

She was very happy to be able to punish people who had dared to find trouble with Ye Chen.

The person on the floor felt relieved when Nanhua Caiyi stopped punishing him.

When the person on the floor just felt relieved when he saw Nanhua Caiyi stop whipping him, suddenly the person on the floor felt that the temperature around him became very hot.

The wounds on his body became very painful when he felt this extraordinary heat.

A phoenix flame began to circle around the body of the person on the floor, the person on the floor was now surrounded by the phoenix flames that were extremely hot.

"Ah, it hurts, it's hot." The person on the floor started screaming in pain and heat from the Phoenix flames that were around his body.

"Phoenix flames?" Yu Tifa and everyone from the Wu family were shocked again by the appearance of the legendary Phoenix flames that were used by Fu Lanling.

Since these people were cultivators, it wouldn't be strange for them to find out about the type of Phoenix flames that Fu Lanling had.

In the Kunlun Holy Land there was only one person capable of using the Phoenix flames, if I was not mistaken she was a woman who was said to possess peerless beauty in the Kunlun Holy land to the point that many people were crazy about the beauty possessed by that woman.

If these people remembered correctly, that woman's name would be Fu Lanling.

"Help anyone save me" The person who was in the Phoenix flames could no longer endure this torment, he felt that his body felt like melting around Fu Lanling's Phoenix flames.

Even though Fu Lanling's Phoenix flames were still quite far from this person's body, but the heat this person felt was so extraordinary that it felt like it was about to melt.

Fu Lanling was good enough not to immediately burn this person using her Phoenix flames, if Fu Lanling was really serious about killing this person, this person must have turned to ashes from earlier.

Fu Lanling and Nanhua Caiyi really didn't play around in punishing people who had dared to cause trouble with Ye Chen, they both really became cruel when they faced people who dared to find trouble with Ye Chen.

Yu Tifa saw that her friend was in a very bad situation after offending Ye Chen.

Yu Tifa was a very kind woman, she didn't want to see her people continue to be punished in this way by Nanhua Caiyi and Fu Lanling.

"Two honorable seniors, please spare my friend who previously offended you, I ask you to be kind and spare it " Yu Tifa lowered his head and asked Fu Lanling and Nanhua Caiyi to let go of the person who had previously been looking for trouble with Ye Chen.

Fu Lanling and Nanhua Caiyi looked at Yu Tifa who was currently trying to apologize for the mistake of one of the friends she had brought here.

This woman is kind enough to want to apologize like this for a mistake she did.

Chapter 658: story from Zhao Jinshan

"Why do you want to apologize for this person's mistake, he doesn't deserve it." Nanhua Caiyi tried to tell Yu Tifa that this person wasn't worthy of making Yu Tifa apologize like that.

"He's still the person I brought here, so if anything happens then I'll be in trouble too", Yu Tifa told them that this person is still a part of them, that's why she should try to get Nanhua Caiyi and Fu Lanling to let this guy go.

Nanhua Caiyi and Fu Lanling looked at each other, the two of them nodded at each other, seeing the sincerity shown by Yu Tifa, Nanhua Caiyi and Fu Lanling decided to let this person go.

"Fine, we will release this person but on a condition." Nanhua Caiyi will release this person on a condition.

" senior, just tell me the conditions you want, as long as I can make them come true I will fulfill them." Yu Tifa wanted to know the conditions Nanhua Caiyi wanted.

"I want All of you to leave for a while from this place, when the situation has improved I will call you, how?, Do you agree or not with the conditions I said earlier" Nanhua Caiyi told Yu Tifa the conditions she wanted.

Yu Tifa did not think that requirement is in want of Nanhua Caiyi will be very simple, she thought it was Nanhua Caiyi want something from her, turned out to be what is in want of Nanhua Caiyi very easy.

"How do you agree or not?" Nanhua Caiyi asked Yu Tifa again about the Conditions she said earlier.

"Okay, I'll agree." Yu Tifa very easily agreed to the conditions given by Nanhua Caiyi.

"It's good if you agree to the conditions I have given" Nanhua Caiyi nodded in satisfaction when she saw Yu Tifa agree very easily with the conditions she gave.

Nanhua Caiyi placed a special token on Yu Tifa, using this token, Nanhua Caiyi could find out Yu Tifa's location

"When I need you, I'll call you using a long distance transmission stone" Nanhua Caiyi told Yu Tifa that she was going to use a long transmission stone distance to call Yu Tifa here.

"Okay, I understand." Yu Tifa immediately nodded to Nanhua Caiyi, Yu Tifa would definitely come when Nanhua Caiyi used a long-distance transmission stone to contact her.

After seeing the strength shown by Nanhua Caiyi and Fu Lanling, Yu Tifa believed that he would not be able to escape from the clutches of Nanhua Caiyi and Fu Lanling.

"Very good, you can go" Nanhua Caiyi told Yu Tifa that she and the people from the Wu Clan could leave right away.

"Sister Lanling, please let this person go." Nanhua Caiyi asked Fu Lanling to retract the Phoenix flames she had.

Fu Lanling understood, she immediately retracted the fire phoenix that she had.

After Fu Lanling withdrew the Phoenix flames that she had, the people of the Wu Clan felt that the temperature around him had become very cold and cool, he felt that this was a very, very enjoyable thing for him.

"Quickly take him away" Yu Tifa immediately ordered the people behind her to bring the person who was currently injured due to the torture that was carried out by Nanhua Caiyi and Fu Lanling.

The people behind Yu Tifa didn't dare to waste any more time, they currently wanted to get away as quickly as possible from this place.

Yu Tifa and her entourage immediately left this place, they all didn't want to stay any longer in a place like this.

"Sister Caiyi, why do you want them to come back again, wouldn't it be better if they never returned to this place?" Fu Lanling wants to know the reason why Nanhua Caiyi did this just now.

"I want them to come back here so that Master and Yanyan can do what they both want with those people." Nanhua Caiyi told Fu Lanling the reason she wanted these people back here.

"So that's how" Fu Lanling now understands what Nanhua Caiyi wants, it turns out that Nanhua Caiyi wants Ye Chen and Zhao Yanyan to decide what to do with these people in the future.

The problem has been resolved now it's time for Nanhua Caiyi and Fu Lanling to wake up the people who are here.

.
. .

Meanwhile Ye Chen was currently carrying Zhao Yanyan to her room in upstairs, Ye Chen started helping Zhao Yanyan sit on the bed in this room.

"Yanyan how are you feeling, are you okay?" Ye Chen asked about the current state of Zhao Yanyan .

"My feelings are currently mixed up, I still can't believe what I heard just now." Zhao Yanyan still couldn't believe what she just heard from grandfather, grandmother and Yu Tifa.

"Yanyan, strengthen yourself to accept this, you are a woman who is strong and smart, I believe that you can accept this and find a way to deal with this." Seeing that Zhao Yanyan still didn't look like the Zhao Yanyan who was usually familiar with Ye Chen.

Ye Chen was forced to have to give Zhao Yanyan little encouragement so that she could accept this kind of thing and turn it into a weapon against people who had harmed her father and mother.

Zhao Yanyan started listening to Ye Chen's words, what Ye Chen said was indeed true, if she continued like this then this matter would not be resolved either.

"Knock.. ., knock.. ., knock.. .," When Ye Chen was giving Zhao Yanyan a push , suddenly someone knocked on the door from outside.

"Yanyan, are you inside?" From outside Zhao Jinshan tries to call Zhao Yanyan who is in the room.

"Grandpa come in, the door is not locked." Zhao Yanyan invited Zhao Jinshan to enter her room.

Zhao Jinshan, who had received Zhao Yanyan's approval, immediately entered Zhao Yanyan's room.

Zhao Jinshan went straight to the side where Zhao Yanyan was sitting.

"Yanyan, can you calm down?", Zhao Jinshan asked if Zhao Yanyan could accept the reality that had just happened.

Zhao Yanyan shook her head, she still had a hard time accepting what had happened to her parents.

"Grandfather, actually what happened to something like that could happen, please explain to me." Zhao Yanyan wanted to know the origin of what happened to her father and mother.

"Sigh.. ." Zhao Jinshan sighed slightly when he recalled the incident at that time, but because Zhao Yanyan asked himself to tell her what really happened, Zhao Jinshan would tell Zhao Yanyan's father and mother what really happened.

"Well if you do insist then I will tell you what happened" Zhao Jinshan finally agreed to tell what happened to Zhao Yanyan's father and mother.

"It started when your father was quite young." Zhao Jinshan started telling Zhao Yanyan what happened.

Zhao Yanyan's father name is Zhao Jung, he was a soldier who served as a colonel at a very young age.

Zhao Jung is a person who is highly respected by his subordinates, he is known as a kind and helpful person, therefore all his subordinates really respect Zhao Jung.

One day Zhao Jung got a mission to train new soldiers in the Kunlun mountains, the Kunlun mountains were known as a very dangerous place, therefore it became a very suitable place to train New soldiers who had just joined the military.

Chapter 659: A story about Wu Zheli and Zhao Jung

Zhao Jung started training the new army as usual, giving him a tough training in the dangerous Kunlun Mountains.

Of course Zhao Jung himself watched every move of the new soldiers so that nothing bad happened to all of them.

When Zhao Jung and the new soldiers were on their way to follow the route they had agreed to before.

Zhao Jung met a woman who fainted in the middle of the road, saw a woman fainted in the middle of the road like that, Zhao Jung of course immediately went over to the woman to see how the woman was.

When Zhao Jung approached the woman who was on a fainted, Zhao Jung was quite surprised to see the beauty of this woman, according to Zhao Jung, this woman was the most beautiful woman Zhao Jung had ever seen.

This woman had such a perfect face that it would confuse Zhao Jung when he saw her.

Zhao Jung fell in love when he first saw the beauty of a beautiful woman who was passed out in the middle of the road.

The beautiful woman who was passing out in the middle of the road was of course Wu Zheli who was Zhao Yanyan's mother.

Zhao Jung met Wu Zheli by coincidence like this, the two of them met in the extremely dangerous Kunlun Mountains.

Zhao Jung immediately took Wu Zheli back to the military hospital to be examined and treated there.

When Wu Zheli was unconscious, whenever Zhao Jung had free time, he would use it to visit Wu Zheli the unconscious.

He patiently waited for Wu Zheli the unconscious, even every time he visited Wu Zheli, Zhao Jung always brought flowers and talked Wu Zheli to the unconscious.

Time passed imperceptibly, Wu Zheli was still unconscious for almost 1 whole month.

During that time, Zhao Jung always visited Wu Zheli , he was very patiently waiting for Wu Zheli to wake up.

When Zhao Jung visited the room where Wu Zheli was being treated one day, he found that Wu Zheli, who usually slept unconscious, was now sitting on the bed looking out the window.

Wu Zheli looked very beautiful to Zhao Jung, Zhao Jung felt that no woman could match the beauty of Wu Zheli.

Zhao Jung started to get closer to Wu Zheli , he started trying to get closer to Wu Zheli who was currently sitting looking outside.

Zhao Jung started trying to talk to Wu Zheli who was looking outside.

When Zhao Jung talked to Wu Zheli, he found that this woman was still looking outside as if she was not paying any attention to her.

Zhao Jung was not at all angry when he saw this, he kept trying to get close to Wu Zheli.

After Zhao Jung's hard struggle, Zhao Jung was finally able to talk to Wu Zheli.

Wu Zheli looked at Zhao Jung, she saw Zhao Jung with a strange look.

Wu Zheli asked Zhao Jung a few questions, especially when she asked why she was in a place like this.

Zhao Jung answered all questions from Wu Zheli, he told what happened to Wu Zheli when he found her in the Kunlun Mountains.

Wu Zheli listened to all the stories that Zhao Jung said, she now understood that Zhao Jung was the one who had helped herself when she was injured.

Wu Zheli is a kind and friendly woman, of course she will treat Zhao Jung who is her savior.

Zhao Jung and Wu Zheli started exchanging the bit of information they had, the two of them finally knew each other's names.

The relationship between the two started now, Zhao Jung increasingly visited Wu Zheli who was still being treated in the hospital.

Wu Zheli is of course happy with the visits made by Zhao Jung, Wu Zheli always welcomes Zhao Jung's arrival with a beautiful and charming smile.

The two of them continued to strengthen their relationship, until one day when Wu Zheli was going to be discharged from the military hospital and wanted to leave the city.

Zhao Jung immediately tried to propose to Wu Zheli to become his wife, Wu Zheli was initially confused whether she should accept a proposal from Zhao Jung who had a place in her heart.

Wu Zheli has her own problems for Zhao Jung's proposal, she has an arranged marriage that his family has arranged for her.

It was for this reason that Wu Zheli wanted to reject Zhao Jung who was proposing to her.

Despite being rejected by Wu Zheli, Zhao Jung didn't want to just give up, he kept trying to persuade Wu Zheli to become his wife.

Wu Zheli saw Zhao Jung's tenacity, she did not expect that Zhao Jung would be this persistent to propose to her.

Zhao Jung is a very kind man, Wu Zheli could not bear to reject a good man like Zhao Jung.

Unable to resist refusing Zhao Jung, Wu Zheli began to think of living in this place with Zhao Jung and never returning to the Wu Clan where she was supposed to live.

Wu Zheli thought that this was the only way she could be with Zhao Jung without fear of being disturbed by her Clan.

Wu Zheli started nodding at Zhao Jung, who hinted that she accepted the proposal that came from Zhao Jung .

Zhao Jung was very happy when Wu Zheli agreed to the marriage proposal he made.

The happy Zhao Jung began to hug Wu Zheli's body in front of him, he was too happy to find a woman as beautiful like Wu Zheli.

Wu Zheli was also happy to be with the Zhao Jung that she liked, she would never regret the decision she had taken at this time.

Wu Zheli and Zhao Jung held a wedding that was quite large and magnificent, because Wu Zheli's temperament and beauty were so good, Zhao Jinshan and Tang Nu immediately agreed to their marriage.

Zhao Jinshan didn't really care about Wu Zheli's background , as long as Zhao Jung was happy and didn't mind this, then it would be fine for Zhao Jinshan.

Zhao Jung's life started to get better after marrying Wu Zheli, he was getting more and more shining in the military career he had.

Wu Zheli is a woman who is very good at helping in the side of men, that's why Zhao Jung can get a better career thanks to what Wu Zheli did.

Several years later Zhao Yanyan was finally born into this world, the life of Zhao Jung and Wu Zheli became more and more colorful after Zhao Yanyan's arrival to this world.

Even Zhao Jinshan and Tang Nu were happy when they were able to carry a granddaughter like Zhao Yanyan.

During the 6 years Zhao family life was at the peak of happiness, they enjoyed a normal life that was very happy.

Unfortunately, this happy life did not last forever, the people from the Gates of Eternity Sect who were assigned to search for Wu Zheli's existence for nearly a decade finally managed to find the whereabouts of Wu Zheli, who is now become Zhao Jung's wife.

The people from the Gates of Eternity Sect who discovered this immediately reported to Hong Man who was Wu Zheli's fiancé who had been prearranged by Wu Zheli's father and Hong Man's own.

Hong Man who hear this very, very angry, he does not believe Wu Zheli that he seek now another man's wife.

Hong Man was a person who cultivated the Dual Cultivation technique secretly, he had so many concubines in the Gates of Eternity Sect and outside the sect, to the point that it was hard to count how many concubines this person had.

Chapter 660: the end of love journey Wu Zheli and Zhao Jung

Hong Man is also often known to steal other people's wives, he did not expect that today the woman he wants will be stolen by other people too.

Hong Man cannot allow this to become public or his name will be tarnished.

As a leader of the Gates of Eternity Sect he could not be humiliated by someone from the Mortal world or he would become a joke among the higher ups in the Kunlun Holy Land.

Hong Man immediately gathered all his trusted right hands to help himself solve this problem.

After gathering the trusted people he had, Hong Man immediately went to the place where Wu Zheli was.

Hong Man and his trusted people soon reached the mortal world where Wu Zheli and Zhao Jung lived.

Wu Clan also heard this, everyone did not expect that Wu Zheli would marry someone from the mortal world.

Clan Wu is very well aware of the character which is owned by Hong Man, he would do something bad to Wu Zheli

Clan Wu immediately panic with circumstances, Wu Zheli therefore they tried to seek asylum in the royal family to resolve this problem.

clan Wu is Clan who had been so long devoted to the royal family, therefore they have a strong influence on the royal family circle.

The Wu Clan hopes that by asking for help from the royal family, all these problems can be resolved.

.
. .
.

It so happened that Zhao Jung and Wu Zheli were enjoying dinner together with Zhao Jinshan and Tang Nu.

While everyone was enjoying a beautiful dinner together, suddenly they all heard a very strong rumble outside the house.

Even though the sky is bright and starry tonight, how could there be the rumble of lightning outside the house where the night sky is so bright that there are not even the slightest clouds to be seen.

Everyone who was eating immediately went to see what was really going on out there.

When Zhao Jung, Wu Zheli, Zhao Jinshan and Tang Nu went to see what was out there, they were all taken aback by the several figures floating above the night sky that had now turned very dark.

Lots of lightning striking above the sky that scared anyone when they saw it.

Among Zhao Jung, Wu Zheli, Zhao Jinshan and Tang Nu, only Wu Zheli knew who these people really were.

Wu Zheli was a little tense when she saw Hong Man and these people managed to find where she was, even though Wu Zheli already felt that she was hiding the existence she had.

It was unexpected that Hong Man could still find his whereabouts even after Wu Zheli hid her whereabouts.

Until now, Zhao Jung, Zhao Jinshan and Tang Nu still didn't know that Wu Zheli was a cultivator from the Kunlun Holy Land.

They only knew that Wu Zheli was a normal woman who became a good housewife every day.

Seeing Hong Man's arrival, Wu Zheli immediately asked Zhao Jinshan and Tang Nu to take Zhao Yanyan away from this place.

She knew that bad things would happen soon which was why she wanted Zhao Yanyan to stay safe and live.

Hong Man didn't waste any more time, he immediately wanted to take Wu Zheli away from this place.

When Hong Man wanted to take Wu Zheli away from this place, Zhao Jung tried to stop him with the ability he had.

Hong Man only laughed when he saw Zhao Jung trying to fight himself, it was obvious that Zhao Jung was like an ant in Hong Man's eyes which was not worth seeing.

It was so easy for Hong Man to injure Zhao Jung that he was dying.

Wu Zheli who saw this was very sad, the person she loved was now lying dying right before her eyes.

Wu Zheli tried to go to where Zhao Jung was, she tried to treat Zhao Jung who was very badly injured.

Unfortunately Zhao Jung's condition was so bad that it was impossible to cure it.

When Wu Zheli wanted to treat Zhao Jung's wound, she was dragged by Hong Man away from Zhao Jung.

Hong Man didn't like it when he saw Wu Zheli close to Zhao Jung.

Wu Zheli was so helpless, she was actually dragged by Hong Man away from Zhao Jung who was in her current state.

Hong Man didn't care anymore about this, he kept on forcing Wu Zheli to come along with him or else he would destroy the Wu Clan and Zhao family which was owned by Wu Zheli.

Wu Zheli knew that if she fell into the hands of Hong Man, she would suffer a lot for the rest of her life, therefore it would be better for her to commit suicide than to join Hong Man.

Wu Zheli was completely helpless when she saw the people she loved and her family in danger because of Hong Man's acted.

Wu Zheli would rather commit suicide than see everything she cares about hurt because of herself.

In the face of Hong Man and the people from the Gates of Eternity Sect, Wu Zheli took her own life.

Everyone couldn't believe it when they saw Wu Zheli decide to end her life this way.

Wu Zheli fell right next to Zhao Jung, who was almost dead at this time, at the last moment Wu Zheli held Zhao Jung's hand, who might not be able to open his eyes forever.

Wu Zheli will never regret having married together with Zhao Jung, the days she spent with Zhao Jung were the most beautiful days that Wu Zheli had ever gone through .

Zhao Jung and Wu Zheli died, at least they could Die as husband and wife like this.

Sometime later after the death of Zhao Jung and Wu Zheli , the Wu Clan came here, unfortunately when they came it was too late Wu Zheli was dead when they came.

The people from the Wu Clan were furious when they saw this, they wanted to fight against Hong Man and the people from the Gates of Eternity Sect.

Unfortunately the people from the Wu Clan were stopped by the people from the royal family, the people from the royal family stopped what the people from the Wu Clan wanted to do.

The reason is very simple, the people they are currently carrying are very lacking in strength, if they were to fight against Hong Man who was currently carrying all the strength that was on his side, they would definitely be defeated immediately if they fought the people of the Gates of Eternity Sect.

While the current strength of the royal family was incomparable to the Gates of Eternity Sect, they were still below the Gates of Eternity Sect in terms of strength, if they forced their will for war right now, the royal family would be very troublesome.

Plus there would be countless casualties that would be seen in the large scale war that was coming.

Maybe even the Shaolin and other sects would interfere in the large scale war that was about to occur.

It was for this reason that the people from the royal family stopped the people from the Wu Clan from doing things that could make things worse.

They also didn't want the people from the Wu Clan to die in vain like this.

Everyone from the Wu Clan understood what the people from the royal family were doing.

They had no other choice but to accept this for a while, when it was time the Wu Clan wanted to take revenge for what happened today.
