

A True God 661

### **Chapter 661: Decision taken by Zhao Yanyan**

After that Zhao Jinshan didn't know what happened anymore, all he knew was that he took Zhao Yanyan to a secret military base, there was the safest place for himself, Tang Nu and Zhao Yanyan.

At the military base, Zhao Jinshan received news that Zhao Jung had been found dead.

According to the investigation, it seems that Wu Zheli was also killed along with Zhao Jung, but her corpse had been taken away by someone.

Hearing this news, Zhao Jinshan and Tang Nu were so shocked that they did not expect that Zhao Jung and Wu Zheli would die like this.

Zhao Jinshan, who was in anger, tried to mobilize the troops he had to hunt down the man who had killed his son and daughter-in-law.

Unfortunately when Zhao Jinshan wanted to do that, he was immediately stopped by Su Wansen and also a strange man who was now known as Lord Guardian.

The two of them stopped Zhao Jinshan from doing something stupid and unreasonable.

Lord Guardian started explaining everything to Zhao Jinshan, he told Zhao Jinshan that the enemy he was facing was also much stronger than he expected.

Even though Zhao Jinshan used the military power he currently had, he would still not be able to kill Hong Man and his loyal followers, instead the safety of Zhao Yanyan would be jeopardized if he did so.

That's why Lord Guardian gave Zhao Jinshan and his family a protection so they could live their lives as before.

But the condition was that Zhao Jinshan had to give up all the troops and positions he currently had.

Zhao Jinshan was a bit of a dilemma when he heard that the enemy had a power far greater than the military strength of this country, it meant that he couldn't avenge the deaths of Zhao Jung and Wu Zheli.

Because Unable to avenge death Zhao Jung and Wu's Zheli, Zhao Jinshan decided to accept the offer that Lord Guardian had given him.

Zhao Jinshan gave up all his troops and also his position to care for Zhao Yanyan so that he could grow up like a normal woman.

Zhao Jinshan didn't want Zhao Yanyan to live in sadness and loneliness without having anyone else in this world.

That's why Zhao Jinshan forgot his revenge and chose to take care of Zhao Yanyan.

Zhao Jinshan was finally transferred to this city by Lord Guardian and Su Wansen, according to them both this city was a city that was safe enough for Zhao Jinshan, Tang Nu and Zhao Yanyan to live.

Zhao Jinshan also started faking Zhao Jung and Wu Zheli's death from Zhao Yanyan, he only told Zhao Yanyan that his parents both died in an accident.

After that Zhao Jinshan and Tang Nu started raising Zhao Yanyan like a replacement for Zhao Jung and Wu Zhetian.

.

.

"Yanyan, is a little story that I know from your father and mother, maybe there are some that I missed in that story." Zhao Jinshan told Zhao Yanyan that it was something that had been hidden all this time.

Some of the stories that Zhao Jinshan obtained from information from very reliable sources.

he hid this solely because she wanted Zhao Yanyan to live like a normal girl with a family.

"Please forgive grandfather for hiding this from you." Zhao Jinshan apologized for hiding this from Zhao Yanyan for a long time.

"Grandpa you don't need to apologize for that, I know that you did this because you wanted to protect me." Zhao Yanyan easily forgave Zhao Jinshan.

In the first place, this was not the fault of Zhao Jinshan or the Wu Clan. From the start, it was the fault of Hong Man who had disturbed the peaceful life of her family.

Zhao Yanyan had already decided that she would avenge the injustices suffered by her father and mother.

She would definitely make this man called Hong Man pay for having dared to turn her family into this.

"Well I told you what I should have said, grandfather will go downstairs first to check on the guests." After telling what really happened, Zhao Jinshan decided to go downstairs and check on the guests.

Zhao Jinshan left Zhao Yanyan's room, after Zhao Jinshan left this room, only Ye Chen and Zhao Yanyan left.

"Husband, what do you think about the story of grandfather just now?" Zhao Yanyan asked Ye Chen who was currently not far from her.

Ye Chen had always been here while listening from the side, he was listening to the whole story from the beginning to the end that happened.

"I think it's a really sad story, both of them just love each other, but unfortunately they have to end up like that because of someone like Hong Man." Ye Chen told Zhao Yanyan about what he was thinking right now.

Zhao Jinshan's story was quite touching that Ye Chen, Zhao Jung and Wu Zheli died because of love.

Actually Wu Zheli should still be alive if she wanted to follow Hong Man, but because Wu Zheli was quite loyal to Zhao Jung, she refused to follow Hong Man and preferred to commit suicide rather than end up in the hands of someone like Hong Man.

"Mother and father really love each other, but they both have to die at the hands of Mother's fiancé." Zhao Yanyan was initially quite sad when she found out about this.

The two of them just wanted to live comfortably together with their loved ones, unexpectedly if something like this would happen to them both.

"Husband, I've made a decision." Zhao Yanyan looked very serious when she said this.

"Decide what for?" Ye Chen asked Zhao Yanyan, Ye Chen wanted to know what decision Zhao Yanyan made.

"I've decided to get stronger so I can make Hong Man and the Gates of Eternity Sect pay for what they have done to Father and Mother" Zhao Yanyan told Ye Chen that she wanted to become stronger so she could make Hong Man and the Gates of Eternity Sect pay for what they have done.

Ye Chen saw the seriousness that Zhao Yanyan showed to himself, Zhao Yanyan was very serious if she wanted to use her own strength to deal with the Gates of Eternity Sect.

Actually, with Ye Chen's current strength, he could very easily destroy the Gates of Eternity Sect, but it seemed that Zhao Yanyan didn't want Ye Chen to do that, she wanted to use her own strength to do this.

Zhao Yanyan's strength current was still quite low if she wanted to fight against Hong Man and the Gates of Eternity Sect, after all, Zhao Yanyan had also just entered the early stages of the Ancient Warrior Realm, so maybe she wouldn't be able to do that.

"Master, you better just let Yanyan do what she wants, it will push her to become stronger faster" Chu Yuechan told Ye Chen to let Zhao Yanyan do what she wanted.

Perhaps with revenge, Zhao Yanyan's cultivation speed would become even faster, so she would be able to become a strong cultivator in a short time.

Ye Chen started to think about Chu Yuechan's words, maybe he really should let Zhao Yanyan do what she wants, Ye Chen will try to support Zhao Yanyan a little with the best resources so that Zhao Yanyan can reach the highest level very quickly.

### **Chapter 662: looking for a way to increase Zhao Yanyan's strength**

"Well if that's what you want, I will definitely try my best to support you." Ye Chen promised to support Zhao Yanyan as hard as she could.

"Thank you very much." Zhao Yanyan stood up, she started hugging Ye Chen's body in front of her.

Zhao Yanyan felt comfortable when she hugged Ye Chen who was in front of her, she felt she could do anything when she hugged Ye Chen's body.

Ye Chen also started to hug Zhao Yanyan's beautiful body that was in front of him, he tried to provide the best comfort for Zhao Yanyan.

The two of them continued to hug for a while, after feeling better, Zhao Yanyan finally let go of the hug from Ye Chen's body.

When Zhao Yanyan wanted to push Ye Chen away, she found herself unable to push Ye Chen away.

"Husband?" Zhao feels confused about this, she doesn't understand why Ye Chen doesn't want to let go her.

Ye Chen just smiled at Zhao Yanyan who was in front of him, Zhao Yanyan was really more and more beautiful and more dazzling, this woman looked more and more like a fairy that came down from the sky.

he started to carry Zhao Yanyan like a beautiful princess, Ye Chen immediately brought Zhao Yanyan up on the bed in this room.

Ye Chen very slowly began to put Zhao Yanyan on the bed, this time Ye Chen really looked like a prince who was carrying a princess onto his bed.

After laying Zhao Yanyan on the bed, Ye Chen then slept beside Zhao Yanyan, He started to hug Zhao Yanyan who was lying on the bed.

Tonight Ye Chen wanted to sleep together with Zhao Yanyan, that's why he brought Zhao Yanyan onto the bed.

Ye Chen knew that Zhao Yanyan was in a bad mood today, that's why Zhao Yanyan wouldn't be able to have relationship with him.

Unable to have intercourse, Ye Chen prefers to accompany Zhao Yanyan to sleep, at least he can feel satisfied when he hugs Zhao Yanyan in bed.

Zhao Yanyan was a little surprised by what Ye Chen, was doing Ye Chen actually carried herself onto the bed and then hugged herself in this way.

Zhao Yanyan started snuggling in Ye Chen's warm embrace, she felt that it was very comfortable and very warm.

Zhao Yanyan started to close her eyes and enjoyed this comfortable feeling.

"Yanyan, let's sleep." Ye Chen invited Zhao Yanyan to sleep together.

Hearing this, Zhao Yanyan even opened the eyes she had, she couldn't believe that Ye Chen brought her up on the bed just to sleep together like this.

This was unlike the Ye Chen she was familiar with, usually Ye Chen would pounce on Zhao Yanyan like a hungry wolf looking at delicious meat.

But tonight Ye Chen just wanted to sleep with herself and do nothing.

The current Ye Chen didn't know what Zhao Yanyan thinking was, if he knew what Zhao Yanyan thinking was right now, he would definitely be so helpless.

The current Zhao Yanyan really thought that Ye Chen was an evil wolf who liked to pounce on her while in bed.

"Husband, don't you want to do that?" Zhao Yanyan asked Ye Chen directly if Ye Chen didn't want to do this together with her.

"Yanyan, forget about it for a while, you better go to sleep to restore your mind and heart that is chaotic" Ye Chen said to Zhao Yanyan who was in his arms.

Ye Chen actually wanted to do that too, but unfortunately he couldn't force it because the incident just now made Zhao's heart and mind Yanyan's messed up.

Hearing Ye Chen's words just now, Zhao Yanyan smiled slightly, she did not expect that Ye Chen would think of herself like this, she was even willing to give in to the ego he had for her sake.

Zhao Yanyan liked Ye Chen more and more, she felt lucky to have a man like Ye Chen who could understand her.

Live only once in a lifetime, it's better to spend the time you have to be with the people you love.

No one knows what tomorrow will bring, everything can change and not according to the wishes you have.

Zhao Yanyan had already decided to spend the time she had with Ye Chen even more.

" husband, Thank you very much." Zhao Yanyan thanked Ye Chen for understanding her.

Ye Chen was a man who was very great because he could make Zhao Yanyan's sorrow disappear in an instant.

Now that Zhao Yanyan had returned to her usual, she seemed to have accepted what had happened.

Zhao Yanyan started to close her eyes, she started sleeping in Ye Chen's arms.

Ye Chen saw that Zhao Yanyan had fallen asleep in his arms, Ye Chen was very happy when he saw the peaceful face Zhao Yanyan had.

Even though he couldn't do anything intimate together with Zhao Yanyan tonight, Ye Chen was still able to enjoy Zhao Yanyan's beautiful face sleeping very peacefully.

This was good enough for Ye Chen to enjoy this beautiful sight.

Zhao Yanyan was completely asleep, Ye Chen could tell from Zhao Yanyan's breath, which was very stable.

"What a very unfortunate girl, I didn't expect that she would experience this kind of thing." Ye Chen was a little sorry for Zhao Yanyan who had to experience this kind of thing.

Zhao Yanyan must have been very sad when she found out that her parents would die in such an inappropriate manner, Zhao Yanyan must have been very angry.

If Ye Chen is in the position of Zhao Yanyan, he will definitely be very angry, Zhao Yanyan is still better than Ye Chen because he can hide the emotions she has.

Without realizing it, Zhao Yanyan has grown into a woman with a very mature mind, it is not strange that Chu Yuechan once told himself that Zhao Yanyan would become a woman who has a way of thinking like a wise person, it seems that Chu Yuechan's words proved to be true.

Now Ye Chen had to find a way so that Zhao Yanyan could very quickly increase the strength she had, so that Zhao Yanyan could take revenge on her enemies.

"What can I do to make Zhao Yanyan stronger so quickly?" Ye Chen started to think very hard about ways to increase Zhao Yanyan's strength.

"Master, if I can suggest to you, how about you make a Pill called Divine Awakening Pill." Chu Yuechan said in Ye Chen mind. , she told Ye Chen to make a pill called Divine awakening pill.

"Divine awakening pill , what pill is that?" Ye Chen asked Chu Yuechan about the pill she just told himself.

"It is a pill that can allow a person who eats it to penetrate the Divine Nascent Realm very easily, besides that there are no side effects after consuming this item." Chu Yuechan told Ye Chen about the effect of the Divine Awakening Pill.

Ye Chen was a little surprised when he heard what Chu Yuechan just said, he did not expect that there was such a pill in this world.

With that pill anyone could break through from the Overlord Realm stage to Divine Nascent Realm very easily.

### **Chapter 663: Planning to go to the Kunlun Holy Land**

"Is there really a pill like that?" Ye Chen asked Chu Yuechan.

"Of course there is, but the problem is that the materials needed are very rare, so it will be very difficult to get them." Chu Yuechan told Ye Chen that the materials needed to make this pill were extremely rare and might be very difficult for Ye Chen to find.

"Quickly tell me what ingredients are needed to make the Divine Awakening Pill." Ye Chen wanted to know the recipe needed to make the Divine Awakening Pill that Chu Yuechan said.

"Well if you insist then I will tell you what ingredients are needed" Because Ye Chen wanted to know, Chu Yuechan didn't mind telling Ye Chen, what ingredients do you need to make the Divine Awakening Pill.

The first ingredient for making the Divine Awakening Pill is.

1 x grass root light.

1x Qili fruit.

1x Ginseng of life edge.

"Those are the 3 ingredients for making Divine Awakening Pill." Chu Yuechan explained to Ye Chen the 3 ingredients Awakening Pill needed to make Divine.

"1 x grass root light, 1x Qili fruit, 1x Ginseng of life edge." Ye Chen started muttering the name of the item that Chu Yeuchan had previously mentioned .

If I'm not mistaken, Ye Chen has 2 of the 3 items mentioned by Chu Yuechan, which Ye Chen got from raising the fairy gate level up.

The 2 items that Ye Chen has are 1 x grass root light, 1x Qili fruit, while for 1x Ginseng of life edge, Ye Chen still doesn't have it.

Ye Chen was very lucky because he had not used it to make something, otherwise he would be very inconvenient to get these two items.

So Ye Chen now only has to find the Ginseng of life edge, it seems like it will be very difficult to get the Ginseng of life edge.

"Hey Yuechan, where do you think I can find this Ginseng of life edge? ", Ye Chen asked Chu Yuechan about the location that might be the place where the Ginseng of life edge is.

"The Ginseng of life edge should be where a lot of pure life energy is, maybe you can search for it in the Kunlun Holy Land, most likely there is the Ginseng of life edge you are looking for." Chu Yuechan told Ye Chen about the possible location where. Ginseng of life edge is likely.

Ginseng of life edge is usually found where pure life energy resides, and on this earth that has the most possibility of having pure life energy may only exist in the Kunlun Holy land.

Chu Yuechan even doubted that the Ginseng of life edge existed in a mortal world like this which had a life energy that was extremely polluted due to the waste made by humans.

It is because of this that Ginseng of life edge cannot grow in a world filled with human waste like this.

"Kunlun Holy Land?, It looks like I have to find time to go to that place." Ye Chen muttered to himself.

Ye Chen had already decided to return to the Kunlun Holy Land to find the Ginseng of life edge.

With the strength that Ye Chen now has, he no longer needs to be afraid to go to the Kunlun Holy Land, now there is nothing to threaten Ye Chen anymore.

After making a plan to go to the Kunlun Holy Land, Ye Chen decided to sleep with Zhao Yanyan.

Tonight Ye Chen will accompany Zhao Yanyan to sleep, he will continue to be with Zhao Yanyan for the night.

.  
. .  
. .  
. .

The next morning, Ye Chen felt something trying to tickle his face, sensing this , Ye Chen immediately opened his eyes.

When Ye Chen opened his eyes, he found that currently Zhao Yanyan was playing with him using the exquisite long hair she had.

"Husband, wake up, it is too late." Zhao Yanyan told Ye Chen to get up from his sleep.

This morning Zhao Yanyan felt better, she was able to smile as usual.

Ye Chen saw that Zhao Yanyan could smile like usual, he was also happy when he saw Zhao Yanyan smile like this.

"Little goddess, you really dare to disturb my sleep, maybe I should punish you a little because of this." Ye Chen embraced Zhao Yanyan who was on top of him, he immediately hugged Zhao Yanyan and rolled on the bed.

Ye Chen started using his skillful fingers to tickle Zhao Yanyan.

Because Ye Chen knew very well about Zhao Yanyan's body, he very easily found the sensitive point Zhao Yanyan had.

"Ah, husband, don't be, it's amused, hahahaha." Zhao Yanyan couldn't help but laugh when she was tickled by Ye Chen.

"This has just started, I will punish you even more." Ye Chen kept tickling Zhao Yanyan who was in front of him.

Zhao Yanyan who was under Ye Chen didn't want to lose, she also started to tickle Ye Chen body.

The two of them continued to play around and have fun in bed, Zhao Yanyan really started to become the self that Ye Chen usually knew.

"Knock.. ., Knock.. ., Knock.. .," When Ye Chen and Zhao Yanyan were having a good time, suddenly someone knocked on the door from outside.

Zhao Yanyan and Ye Chen immediately stopped having fun when they heard a knocking sound coming from outside.

"Husband, it looks like Sister Caiyi." Zhao Yanyan whispered to Ye Chen that the person outside was Nanhua Caiyi.

"You are right, this must be Caiyi, what does he want to do so early in the morning?" Ye Chen wanted to know what Nanhua Caiyi wanted to come to this room.

"Caiyi come in." Ye Chen told Nanhua Caiyi to come in here.

Nanhua Caiyi who was outside immediately walked into the room where Ye Chen and Zhao Yanyan were.

"Caiyi, what do you want?" Ye Chen asked what Nanhua Caiyi wanted.

"Master, it's about the people who made a mess last night, do you want to do something about these people or not?" Nanhua Caiyi asked if Ye Chen wanted to do something about the people who were from the Wu Clan.

Hearing this, Ye Chen immediately turned his eyes to Zhao Yanyan, Ye Chen wanted to know whether Zhao Yanyan needed these people or not.

Zhao Yanyan understood what Ye Chen was thinking, she naturally wanted to meet people from her mother's family side.

"Sister Caiyi, can you bring the person last night here? "Zhao Yanyan wants Nanhua Caiyi to call the people from the Wu Clan over.

"Well if that's what Yanyan wants, I'll call them here." Nanhua Caiyi nodded at Zhao Yanyan, she would immediately call the people of the Wu Clan over.

Nanhua Caiyi immediately left this room, she immediately went to call Yu Tifa and the others.

" Hey Yanyan, what do you need from these people? " Ye Chen wanted to know what Zhao Yanyan needed from these people.

"I want them to take me to the place where my mother's grave is, I want to see tomb my mother's real." Zhao Yanyan told Ye Chen what she needs from Yu Tifa.

Zhao Yanyan wanted to go to the Kunlun Holy Land as well to see her mother's grave.

#### **Chapter 664: Nangong Xiang and Nanhua caiyi want to come along**

"Are you serious about going there? ", Ye Chen asked Zhao Yanyan if she really seriously wanted to go to the Kunlun Holy Land.

"husband, im is very serious about going there, and I want you to accompany me there." Zhao Yanyan was really serious about going to the Kunlun Holy Land where the Wu Clan was.

Zhao Yanyan also wanted Ye Chen to accompany herself to the Kunlun Holy Land which was still quite dangerous for Zhao Yanyan.

The Kunlun Holy Land was a very dangerous place, there were countless people who could do bad things to Zhao Yanyan at any time, which was why Zhao Yanyan wanted Ye Chen to accompany her there.

Zhao Yanyan firmly believed that Ye Chen could protect herself in such a place.

"You want to go with me? ", Ye Chen pointed at himself using the index finger he had.

"Yes." Zhao Yanyan immediately nodded to Ye Chen, she wanted Ye Chen to accompany her to see Wu Zheli's grave.

Ye Chen started to think about the Ginseng of life edge that Chu Yuechan talked about last night.

Last night Ye Chen also thought about going to the Kunlun Holy Land to look for this, it was unexpected that this morning Zhao Yanyan would instead invite himself to go to the Kunlun Holy Land.

This is a very unexpected coincidence.

"Husband, do you not want to accompany me? "Zhao Yanyan asked Ye Chen, seeing Ye Chen was just silent, Zhao Yanyan began to think that Ye Chen didn't want to accompany her.

"Of course I want to, what a coincidence I'm also thinking of going there." Ye Chen immediately answered Zhao Yanyan's words.

"Thank God, with you I will feel safe there." Zhao Yanyan was grateful that Ye Chen was willing to accompany her to the Kunlun Holy Land.

Ye Chen and Zhao Yanyan started discussing when they would go to the Kunlun Holy Land, Zhao Yanyan herself wanted to leave as fast as she could, which was why Zhao Yanyan wanted Yu Tifa to guide the way to the Wu Clan.

Zhao Yanyan's idea wasn't bad for Yu Tifa to guide the two of them, Zhao Yanyan and Ye Chen anyway was still quite unfamiliar with the Kunlun Holy Land, so it was better to have Yu Tifa guide the path for the two of them.

After discussing the plan to go to the Kunlun Holy Land, Ye Chen and Zhao Yanyan immediately got out of bed.

Ye Chen and Zhao Yanyan started changing clothes and went downstairs to see if Yu Tifa had come here or not.

When Ye Chen and Zhao Yanyan got downstairs, both of them saw that Yu Tifa had come to this place, this time Yu Tifa came alone, no one who followed Yu Tifa came here like last night.

In this room right now there were only Nanhua Caiyi and also Nangong Xiang who were wearing a mask to cover the beautiful face she had.

Somehow today Nangong Xiang suddenly wore a mask on her face, this was not like the usual Nangong Xiang who never wore a mask again after moving to Ye Chen's villa.

The reason Nangong Xiang wore a mask was none other than Yu Tifa who came here.

Yu Tifa was very surprised when she saw Nangong Xiang in this place, it seemed that Yu Tifa knew Nangong Xiang a little.

Nangong Xiang had a good relationship with the royal family, so it wasn't strange that Yu Tifa would know Nangong Xiang a little.

Today Yu Tifa was again shocked by what was in this house, she couldn't believe that someone like Nangong Xiang who had a good relationship with the queen would exist in this kind of place.

This was something Yu Tifa could never have imagined seeing someone like Nangong Xiang.

When Ye Chen and Zhao Yanyan came, Nangong Xiang, Nanhua Caiyi and Yu Tifa immediately looked towards the arrival of Ye Chen and Zhao Yanyan.

"Master, Yanyan, I have called the person you want." Nanhua Caiyi immediately got up from the seat and welcomed Ye Chen and Zhao Yanyan.

"Good." Ye Chen nodded in satisfaction at Nanhua Caiyi who did a fine job for himself.

Nanhua Caiyi felt very happy because she could be of use to Ye Chen for a small problem like this.

Zhao Yanyan went straight to the direction Yu Tifa was, he sat directly in front of Yu Tifa and beside Nangong Xiang.

"Miss Zhao Yanyan " Seeing Zhao Yanyan coming here, Yu Tifa immediately greeted him.

"You don't need to be so formal like that, you can sit back down." Zhao Yanyan told Yu Tifa to sit back in her seat.

Yu Tifa didn't dare go against Zhao Yanyan's orders, she immediately sat back down to face Zhao Yanyan.

"Yu Tifa, do you know what I mean to call you here?" Zhao Yanyan asked if Yu Tifa knew what Zhao Yanyan meant to call herself to a place like this.

"Miss Zhao Yanyan, I don't know what you need to call me here." Yu Tifa immediately shook her head, she didn't know what Zhao Yanyan wanted to call her.

"I called you here to guide me to the Kunlun Holy Land." Zhao Yanyan told Yu Tifa that she wanted to go to the Kunlun Holy Land.

Yu Tifa, Nanhua Caiyi and Nangong Xia were quite surprised to hear what Zhao Yanyan wanted, they didn't expect that Zhao Yanyan wanted Yu Tifa to guide the way to the Kunlun holy land.

Yu Tifa was the person who was most happy when she heard this, she was very happy that Zhao Yanyan wanted to go to the Kunlun holy land with her.

This way the mission she has can be completed when she takes Zhao Yanyan away with her.

"Yanyan, if you want to go to the Kunlun Holy Land, I might be able to take you there." Nangong Xiang told Zhao Yanyan that she could take Zhao Yanyan to the Kunlun Holy Land very easily.

After all, Nangong Xiang had lived in the Kunlun Holy Land for quite a long time, therefore she already knew almost all the hidden areas that existed in the Kunlun Holy Land.

"Yanyan, sister Xiang has a point too, if you want to go to the Kunlun Holy Land I can take you there too." Nanhua Caiyi also volunteered to take Zhao Yanyan to the Kunlun Holy Land.

Zhao Yanyan was quite happy to see Nangong Xiang and Nanhua Caiyi volunteered to escort her to the Kunlun Holy Land.

But the problem was, she wanted to go over to her mother's Grave and maybe Yu Tifa alone could help her get there, so Zhao Yanyan had to completely refuse the offer from Nangong Xiang and Nanhua Caiyi.

"Sorry sister Caiyi and sister Xiang, but I want Yu Tifa to take me to a place in the Kunlun Holy Land, and Ye Chen is with me anyway, so you two don't have to worry." Zhao Yanyan told Nangong Xiang and Nanhua Caiyi that she was leaving. to the Kunlun Holy Land together with Ye Chen.

"If that's the case, then I want to come together with you." Hearing that, Nanhua Caiyi wanted to come along with Zhao Yanyan and Ye Chen, she also had to return to the Spring Palace to get some of the items she had.

"I will also come, it has been a long time since I visited my friend." Nangong Xiang also wanted to join Ye Chen and Zhao Yanyan's entourage who wanted to go to the Kunlun Holy Land.

**Chapter 665: returned to the Kunlun Holy Land**

Ye Chen and Zhao Yanyan didn't expect that Nangong Xiang and Nanhua Caiyi would want to come together with the two of them to the Kunlun Holy Land.

"Why do you two even want to come like this, Zhao Yanyan and I don't want to travel in a place like that," said Ye Chen to Nangong Xiang and Nanhua Caiyi.

"So what if I want to be with master, I'm your servant anyway, so I want to always follow you" Nanhua Caiyi told Ye Chen if she wanted to come with Ye Chen to the Kunlun Holy Land as a servant.

Nanhua Caiyi really really wanted to come along with Ye Chen because she wanted to be away from Ye Chen.

This might be one of the effects of the Servant Love Contract created by Ye Chen and Nanhua Caiyi so that she couldn't stay away from Ye Chen.

Whenever Nanhua Caiyi was away from Ye Chen, she would somehow become a little lonely, which was why Nanhua Caiyi always wanted to be with Ye Chen no matter what.

"I wanted to go because I was free and didn't do anything, so it wouldn't hurt if I went to meet an old friend who was there." Nangong Xiang also had her own reason to come together with Ye Chen to the Kunlun Holy Land.

Ye Chen this time is really very helpless, these two beautiful women have reasons that are very difficult to refuse.

"Husband, wouldn't it be great if more people came with us", Zhao Yanyan didn't mind at all when Nanhua Caiyi and Nangong Xiang wanted to come with her. '

In fact, it would be of great help to her and Ye Chen when these two beautiful and strong women came with them.

There is no need to doubt the strength of Nangong Xiang and Nanhua Caiyi, both of them are the most powerful cultivators on this earth apart from Ye Chen.

This did not include Mei Yueli who had just arrived from the God Realm to earth.

"Fine, you can come with us" Since Zhao Yanyan allowed the two of them to come, of course Ye Chen had to agree with this.

"Then let's go right now." Zhao Yanyan wanted to go straight to the Kunlun Holy Land, she wanted to immediately see what the Wu Clan was like which was the place where her mother had grown up.

Ye Chen, Nangong Xiang, Nanhua Caiyi and Yu Tifa immediately nodded as they all immediately prepared to go to the Kunlun Holy Land.

After all the preparations were completed, Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi, and Yu Tifa immediately headed for the kunlun mountains where the gates to the Kunlun Holy Land were located.

"Master, have you ever been to the Kunlun Holy Land before? " Nanhua Caiyi asked Ye Chen if he had ever been to the Kunlun Holy Land before.

"Of course I did, the first time I went to the Kunlun Holy Land, I met Linger and Little Fox Xiu." Ye Chen told Nanhua Caiyi that he had been to Kunlun Holy Land in the past.

"Who did just you call little fox, Huh?" when Ye Chen said to Nanhua Caiyi ,suddenly Ye Xiu interrupted Ye Chen words , she doesn't like it when Ye Chen called herself the Little Fox .

It should be noted that Ye Xiu was not a little fox, she was a beautiful mature woman with two large balls hanging from her chest, these two balls were enough to make anyone who saw her excited.

Ye Chen didn't expect that Ye Xiu would interrupt the words he just said, it's been a long time since Ye Xiu never spoke or came out to meet Ye Chen, that's why Ye Chen was a little surprised when he saw Ye Xiu want to reply to his words.

The reason why Ye Xiu didn't want to come out to meet Ye Chen was because Ye Xiu was in closed-door training to increase the strength she had, now that Ye Xiu had reached the 10th Overlord Realm, Ye Xiu's strength could now be said to be quite strong.

"Little Fox Xiu, who is it? "Nanhua Caiyi doesn't know who Ye Chen is referring to right now.

Nanhua Caiyi of course knew the Linger that Ye Chen was referring to, but she didn't know Little Fox Xiu what Ye Chen meant.

Not only did Nanhua Caiyi not know who Ye Chen meant Little Fox Xiu, Nangong Xiang also didn't know who Little Fox Xiu was.

Here only Ye Chen and Zhao Yanyan knew about Ye Xiu's whereabouts, other than that no one knew who Ye Xiu was.

"Forget it, you haven't met her either." Ye Chen told Nanhua Caiyi and Nangong Xiang to forget what he just said about Little Fox Xiu.

Nanhua Caiyi and Nangong Xiang were confused by this.

"Hemp.. .. " While Ye Xiu was currently sniffing Ye Chen coldly, she was still a little dissatisfied when Ye Chen called herself the little fox.

After sniffing Ye Chen coldly, Ye Xiu didn't want to talk to Ye Chen anymore, she chose silence and made no more words.

Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Yu Tifa continued their journey, the five of them very quickly reached the top of the abyss where the portal to the Kunlun Holy Land was located.

"We've arrived." Yu Tifa told everyone that they had arrived at their destination.

"This is Kunlun Holy Land?" Zhao Yanyan started to wonder if this was really the Kunlun Holy Land that she had often heard of from Nangong Xiang.

"The portal to the Kunlun Holy Land is brought down, we must go down." Nanhua caiyi told Zhao Yanyan that the entrance to the Kunlun Holy Land was down there.

"Let's go down." Ye Chen invited everyone to come down to the bottom of the abyss.

Everyone nodded, they all immediately descended below the abyss where the portal to the Kunlun Holy Land was located.

Since Ye Chen had been here before, he dared to lead the way for all women.

Ye Chen and all the women descended thousands of meters down, after descending several thousand meters, Ye Chen and all the women arrived in front of the portal leading to the Kunlun Holy Land.

"Let's go in." Ye Chen invited all the women to enter the portal.

All the women nodded, they all started following Ye Chen into the portal.

When everyone entered the portal, the views they had immediately turned white and were out of sight.

When they could all see again, everyone saw that in front of them right now was a forest that looked really scary.

Besides being scary, this forest also has a very strong smell of blood.

It's been quite a while since Ye Chen came to this place last time, unexpectedly, this place still looks the same as the last time Ye Chen was here.

"What is this place?" Zhao Yanyan, who was here for the first time, was surprised by what was in this forest.

She didn't expect that the entrance to the Kunlun Holy Land would be like this.

Besides being creepy and having a very strong smell of blood, this place was also filled with skeletons human that were scattered everywhere.

This sight was enough to make a normal woman faint on the spot.

Luckily Zhao Yanyan had a strong mind and was a cultivator, so she wasn't affected by this kind of thing.

### **Chapter 666: Ye Chen was intimidating the Magical Beast**

"This is called the forest of death, here are many cultivators from the mortal world who died and buried in this place." Nangong Xiang began to explain to Zhao Yanyan where they were currently.

The Forest of Death is a place where countless cultivators from the mortal world died while trying to enter the Kunlun Holy Land.

It could be said that this forest was a trial ground before entering the Kunlun Holy Land.

Here, a weak cultivator would instantly be killed by the monsters in this place.

That is why only a few people from the mortal world can get out of this forest of death.

"Roar... , Roar... , Roar... , "A monster roar was heard very loudly around this forest.

It seemed that these monsters had detected the arrival of Ye Chen's party.

The hordes of magical beasts that inhabit this place immediately head towards the place where Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Yu Tifa are located.

Since Ye Chen had come here before, he already knew that this was this forest guardian monster.

These monsters are very annoying, when Ye Chen first came here with minimal strength, Ye Chen was beaten up by monsters in this forest.

Now that Ye Chen already had a strong enough strength, he wanted to get back at these annoying monsters.

Ye Chen will definitely make these monsters run away scared by the power he has.

Tens of thousands of magical beasts immediately gathered around Ye Chen's party, they looked like they had just seen prey that was very delicious to eat.

"These magical beasts are annoying, I'll take care of them all." Nanhua Caiyi intended to take care of magical beasts that dared to bark at Ye Chen and herself.

"Let me do it." Ye Chen stopped Nanhua Caiyi who wanted to take care of the magical beasts that surrounded them.

Ye Chen himself will take care of the magical beasts here, it can be said that Ye Chen currently wants to take revenge on the magical beasts in this forest.

Ye Chen came forward, he was now standing near the magical beasts that had gathered around this place.

Ye Chen saw the magical beasts in front of him, Ye Chen's face grinned a little when he saw the magical beasts in this place.

Ye Chen can't wait to get revenge on this magical beast in front of him.

"Get ready to run scurry." Ye Chen told the magical beasts that were here to get ready to run away like little rabbits who saw scary monsters.

**"Azure Dragon Domain"** Ye Chen opened an Azure Dragon Domain.

When Ye Chen did this the area around here darkened, an Azure Dragon projection appeared behind Ye Chen's body.

"Roar.. .", The shadow projection from the Azure Dragon roared towards the magical beasts around here.

The roar carried an ancient power so terrifying that it terrified the entire Magical Beast around here.

All the Magical Beasts felt goosebumps when they heard the roar from the Azure Dragon projection.

The Magical Beasts who were here wanted to run as fast as they could from this place, but all of the Magical Beasts felt that their legs were soft and unable to move.

Zhao Yanyan, Nanhua Caiyi and Yu Tifa were quite surprised when they saw the **Azure Dragon Domain** that Ye Chen had just opened, the power of the Domain that Ye Chen had just opened was truly very powerful.

Among the four women, Nangong Xiang was the one who was the most shocked when she saw the Azure Dragon who was behind Ye Chen.

Nangong Xiang did not expect that Ye Chen would have a complete inheritance from the Azure Dragon.

Ye Chen was able to surprise Nangong Xiang with what he had.

When Ye Chen opened the **Azure Dragon Domain**, he looked at the Magical Beast who was currently bowing fearfully at him.

The strength of the **Azure Dragon Domain** was indeed so great, all beings could be frightened by this Domain.

Ye Chen started to enjoy seeing all the Magical Beasts who were currently looking down at him in fear, this Magical Beast actually wanted to quickly escape from this place.

Unfortunately they couldn't escape due to the pressure emanating from the **Azure Dragon Domain**.

After feeling enough torment on all the Magical Beasts in this place, Ye Chen finally pulled back the **Azure Dragon Domain** he had opened.

When Ye Chen withdrew the **Azure Dragon Domain**, all of the Magical Beasts regained a bit of their strength.

All of the magical beasts didn't dare to stay in this place anymore, they all immediately ran away like little animals that had just met a terrifying predator.

"Hahahahaha" Ye Chen laughed with satisfaction when he saw this, he was really very happy when he saw all the Magical Beasts run away like that.

If Azure Dragon saw what Ye Chen was doing right now, he would definitely helplessly shake his head.

Ye Chen was so unreasonable, he used the inheritance given by the Azure Dragon to bully the weak magical beasts in this forest.

This was a very ridiculous thing to do using the Azure Dragon Domain, even though with the current pressure Ye Chen had, he could easily repel the Magical Beast that had previously surrounded this place.

But Ye Chen instead used an extreme method to repel all the Magical Beasts in this place.

"I've cleared everything." Ye Chen returned to Zhao Yanyan and the others' side, he told Zhao Yanyan and the others that he had cleared the obstacles blocking the way.

Zhao Yanyan and the others were a little helpless when they saw just now, they didn't believe that Ye Chen would bully the Magical Beasts here in such a manner.

"Why are you shaking your heads, is there something wrong?" Seeing all the women shaking their heads at Ye Chen, Ye Chen immediately asked all the women.

"Nothing is wrong, let's continue our journey." Nangong Xiang told Ye Chen that nothing was wrong.

Even though all the women felt sorry for the Magical Beast that Ye Chen was just bullying.

All women of course knew that they couldn't blame what Ye Chen had just done when bullying the Magical Beasts earlier.

What Ye Chen did was right to drive all of the Magical Beasts away from returning to cause trouble on the next trip.

"Come on." Ye Chen invited everyone to get out of this forest of death, here it is very unsuitable to live in for a long time.

Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Yu Tifa continued their journey to get out of this forest of death.

On this trip, Ye Chen's party did not encounter any obstacles, all of the Magical Beasts avoided Ye Chen's party who was passing by.

All of the magical beasts in this forest were afraid to block Ye Chen's Party's Road.

Because there were no more obstacles blocking the way, Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Yu Tifa very quickly came out of the terrifying forest of death.

After leaving the forest of death, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Yu Tifa were greeted by a very beautiful scene in the Kunlun Holy Land.

Although it wasn't as beautiful as the Fairy Gate, this place was still quite beautiful when compared to all the beautiful places that were in the mortal world.

### **Chapter 667: Royal Capital**

"So this is the Kunlun Holy Land ?, it's pretty good too." Zhao Yanyan felt that the Kunlun Holy Land was quite good when compared to the modern world, this place still looked very natural and very well maintained.

" Miss Zhao Yanyan, it's still nothing compared to the royal capital." Yu Tifa told Zhao Yanyan that this place was still nothing compared to the royal capital.

The royal capital was the best place in the Kunlun Holy Land, where it was so well preserved that there was no trash to be found.

The Queen is very sensitive to the cleanliness of her territory, therefore anyone who is caught dirtying her territory will immediately be sentenced to prison for several years.

It is for this reason that the royal capital is always clean and looks good, no one dares to make something dirty in the territory of the royal capital or they will get into trouble from the royal family.

" Is it true ? "Then why don't we just go there, I want to see what kind of royal capital you said earlier" Ye Chen wanted to know what kind of royal capital that was in the Kunlun Holy land was like, he wanted to see for himself what the royal capital was like.

"Alright, then follow me" Yu Tifa told everyone to follow her to the royal capital where the Wu Clan was.

Ye Chen, Zhao Yanyan, Nangong Xiang, and Nanhua Caiyi followed behind Yu Tifa, the four of them letting Yu Tifa lead the way for them.

Actually Nangong Xiang and Nanhua Caiyi already knew all the places in this Kunlun Holy Land, but because Yu Tifa wanted to lead the way for all of them, the two of them let Yu Tifa lead the way for all of them.

It took Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Yu Tifa about 30 minutes to arrive near the gates of the royal capital.

From here, Ye Chen and Zhao Yanyan could see a beautiful and magnificent city.

Even though it still used an architecture that was slightly more ancient than the one in the mortal world, this place still had a very good aesthetic according to Ye Chen and Zhao Yanyan.

Apart from that this place is very neat and very clean, almost all the details are taken into account very well so that the results seen by people are very perfect.

Plus there are several floating islands that are at the top of this city which makes the city even more amazing.

Of course, all islands can float because of a special array made to support the island so that it can stay floating forever.

If this array array was destroyed, then these floating islands would collapse and hit something beneath them.

Above this floating island there are several buildings that look very large and magnificent, it looks like this is a special and very important building in this city.

What attracted Ye Chen was a floating island that had the largest area among all the floating islands above the capital.

Above this floating island was a very nice and magnificent palace, almost all of this palace was made of extraordinarily shiny gold.

It can be seen that this is a palace that belongs to the ruler of the royal family.

"How? , isn't this wonderful?" Yu Tifa asked Ye Chen and Zhao Yanyan about the royal capital that was in front of them.

"This is pretty good." Zhao Yanyan felt that this place looked pretty good and was very neat.

"I told you that the royal capital is the best place in the Kunlun Holy Land, nothing can match this place." Yu Tifa started to boast that the royal capital is the best place in the Kunlun Holy Land.

"Yes, yes, yes, this is indeed a pretty good place, so quickly show me where the Wu Clan is." Ye Chen was curious about where the Wu Clan was where they all went.

"The Wu Clan is over there" Yu Tifa pointed at a place on the east side of the royal capital, Yu Tifa pointed at a large building that was quite striking in its existence.

"Is that the Wu Clan where mother grew up?" Zhao Yanyan immediately asked Yu Tifa the truth of this matter.

"That's absolutely true Miss Zhao Yanyan, there is where your mother grew up." Yu Tifa told Zhao Yanyan that it was the Wu Clan where Zhao Yanyan's mother had lived.

"Then let's go there." Zhao Yanyan wanted to immediately go see the place where her mother had grown up, she wanted to know what kind of environment his mother grew up in.

"Then let's go downstairs" Yu Tifa invited everyone to come downstairs.

"Huh, coming down, why do we have to go down, wouldn't it be faster if we just flew there?" Ye Chen wanted to know why Yu Tifa didn't immediately invite them to fly to the place where the Wu Clan was.

"That's impossible." Yu Tifa told Ye Chen that it couldn't be done.

"So why can't something like that be done, don't we just need to fly over there?" Ye Chen asked the reason why they couldn't fly towards where the Wu Clan was.

"That's because the sky region of the royal capital is an area where flying freely is prohibited, only a few people with special permits and status are allowed to fly at will over the sky region of the royal capital, otherwise you will be caught by the guards guarding the the royal capital "Yu Tifa told Ye Chen, if the sky region in the royal capital cannot be passed at will.

Only people of importance and special status could fly at will in the sky region of the royal capital.

"Indeed, why should we be afraid of the guards, if they dare to find trouble, we only need to take care of these people." Nanhua Caiyi immediately told Yu Tifa that she was not afraid of the guards in this capital city.

As for Nanhua Caiyi, these guards simply couldn't arrest her or do anything to her.

Even if what appeared was the strongest person in the royal family, the person from the royal family would not dare mess with Nanhua Caiyi who had a high enough status in the Spring Palace.

"I agree with Caiyi, I'm not afraid of the guards." Ye Chen quite agreed with Nanhua Caiyi, Ye Chen felt that he was not afraid of the guards belonging to the royal family.

If they dared to find trouble with him, Ye Chen would not hesitate to beat up these guards.

Yu Tifa was so helpless when she saw this, these two people really didn't know who they were dealing with.

This is the royal family which is one of the great powers controlling the Kunlun Holy Land, if they dare to mess around in this place, then it is certain that something bad will happen.

"Husband, Sister Caiyi, we'd better just obey Miss Yu Tifa's words, we just came here, it's not good to cause trouble in this place", Zhao Yanyan wanted Ye Chen to obey Yu Tifa's words so that they don't get into trouble which is not needed.

When Zhao Yanyan spoke about the matter, Ye Chen and Nanhua Caiyi looked very obedient and didn't raise a refusal like before.

## **Chapter 668: Wu Clan Manor**

"Fine, if that's what you want." Since Zhao Yanyan spoke this time, Ye Chen had no choice but to confirm what Zhao Yanyan wanted.

Yu Tifa was surprised to see Ye Chen and Nanhua Caiyi being very obedient when Zhao Yanyan spoke, Yu Tifa didn't expect that Zhao Yanyan could make someone like Nanhua Caiyi and Ye Chen who stubbornly obey like this.

"We don't need to walk to the Wu Clan, we can fly there directly, after all the people from the royal family know me, so they can't possibly move to catch us." Nangong Xiang, who had been silent all this time, finally agreed to speak.

She told everyone that she had a very good relationship with the royal family so that the royal family would definitely not dare to make a small trouble like this for Nangong Xiang.

"Xiang, why didn't you say this earlier so we don't have to argue in that way." If Ye Chen had known about this earlier, he and Nanhua Caiyi wouldn't need to argue with Yu Tifa like before.

"you never asked me From the start , so don't blame me for that." Nangong Xiang said as she crossed her arms under her mountain peak.

Nangong Xiang looked like an innocent woman, from the start Nangong Xiang did not feel that she was guilty for not telling Ye Chen about this matter.

"Ah forget it, let's go to the Wu Clan." Ye Chen asked Nangong Xiang to forget about this matter, and there was no point in continuing this matter anyway.

Because Nangong Xiang had a special status, she led everyone to head towards the direction the Wu Clan was in.

As Nangong Xiang had said from the start, the royal guards who were passing did not dare to stop or find trouble with Ye Chen's party.

They all seemed to know about Nangong Xiang's identity, which was why they didn't dare to stop Ye Chen's party.

The average royal guard would naturally know about Nangong Xiang from the mask and golden hair she had.

That's why they didn't dare to stop Nangong Xiang who was currently in Ye Chen's party.

"Hey Xiang, what kind of relationship do you have with the royal family, why do all the guards look respectful towards you? " Ye Chen wanted to know why all the guards they met were afraid when they saw Nangong Xiang.

" Ye Chen, they all respect me not because of my relationship with the royal family, all the guards respect me because they fear the power that I have, in the Holy Land Kunlun everything is determined by the strength, as long as you have the strength you would be respected by many people "Nangong Xiang started telling Ye Chen is the reason why the guards respect her so much.

The reason the guards respected Nangong Xiang was not because of the relationship she had with the royal family, but because of the strength she currently possessed.

If Nangong Xiang only had good relations with the royal family but did not have the current strength, these guards would have only behaved casually to Nangong Xiang.

"I see, as expected of the world of cultivators." Ye Chen understood, it seems that the Kunlun Holy Land is the same as the God Realm, here people who have strength will definitely be respected by everyone.

Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Yu Tifa arrived very quickly at the Wu Clan territory.

The territory of the Wu Clan was quite large, at least several times the size of a golf course with several large and grand buildings.

"Everyone please follow me" Yu Tifa told everyone to follow him into the Wu Clan's manor.

Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi began to follow Yu Tifa into the Wu Clan manor, when they entered the manor, they were greeted by a servant from the Wu Clan.

"Miss Yu, the master is waiting for you in the main room." The servant informed Yu Tifa that the current Clan leader was waiting for her in the main room in this manor .

"Okay, I understand, I'll go there immediately." Yu Tifa understood, she would immediately go to the head of the Clan.

After giving the news to Yu Tifa, the servant just now immediately resigned, he had gone somewhere.

"Miss Zhao Yanyan, come with me to meet your grandfather." Yu Tifa invited Zhao Yanyan to meet the current leader of the Wu Clan.

Zhao Yanyan nodded at Yu Tifa, Zhao Yanyan wanted to see what her grandfather looked like, she wanted to see for herself using her two eyes.

Yu Tifa led everyone to head to the main room in the Wu Clan manor.

After a while, Ye Chen's party finally arrived in front of the main room in this manor.

The main room looks very large from the outside, it looks like this is a special place used to discuss or do something important.

"Clan Leader, I'm in." Before entering the room, Yu Tifa gave a greeting to the Clan Leader who was inside.

"Come in." The person inside allowed Yu Tifa to enter the main room.

After obtaining the approval of the Clan Leader, Yu Tifa immediately opened the door to the room.

When Yu Tifa opened the door of the room, Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi saw an old man sitting cross-legged on a chair that had several ancient carvings.

This old man was currently closing his eyes while cross-legged on a chair.

The appearance of this old man was still tolerable by having all of his hair turned white, with the white hair he had, this old man looked much older than Zhao Jinshan.

Zhao Yanyan immediately focused his gaze towards the old man who was sitting on the chair, Zhao Yanyan could feel this old man's slight family ties.

It looks like the old man sitting on the chair is his mother's father.

"Clan Leader, I have brought Miss Zhao Yanyan here." Yu Tifa reported that she had brought Zhao Yanyan here.

Hearing Yu Tifa's words, the old man who was closing his eyes immediately opened his eyes, he immediately looked at Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi.

When this old man looked at Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi, he found some foreign figures and some very familiar ones.

Among Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi, this old man seemed to only recognize Zhao Yanyan and also Nangong Xiang.

The reason this old man easily recognized Zhao Yanyan was because Zhao Yanyan almost looked the same as Wu Zheli who was his daughter.

As a father of Wu Zheli, this old man of course knew that Zhao Yanyan was Wu Zheli's daughter and was also the granddaughter he had.

This old man did not expect that Zhao Yanyan would grow up to be a woman that was much more beautiful than her mother, with the beauty that Zhao Yanyan currently had, she could very easily steal the hearts of boys from the big families in the Royal capital.

Meanwhile the old man was a little surprised when he saw Nangong Xiang being in this place as well, he did not expect that an important person like Nangong Xiang would come to this place.

Nangong Xiang was a fairly strong person in the Kunlun Holy Land, it wasn't strange that people with a background like the leader of the Wu Clan would easily find out about Nangong Xiang.

### **Chapter 669: Wu Ping**

The old man immediately went to the front of Zhao Yanyan, he looked almost in tears when he saw his granddaughter in front of him.

"Are you Yanyan, my granddaughter?" The old man began to stretch out his hand towards Zhao Yanyan, he wanted to hold onto Zhao Yanyan who was his granddaughter.

When the old man stretched his hand towards herself, Zhao Yanyan didn't feel any threat or discomfort from this old man.

Perhaps it was because this was her grandfather, so Zhao Yanyan didn't feel that this old man was no stranger to her.

This old man's hand started to touch Zhao Yanyan's beautiful hair, he started to caress Zhao Yanyan who was in front of him.

After more than a decade, finally this old man could see his granddaughter, this was a very, very happy thing for him.

Zhao Yanyan continued to look at the old man in front of her, Zhao Yanyan was a little confused about what to say to this grandfather who had never met before.

"Grandfather" Zhao Yanyan started calling this old man grandfather.

"What did you just say earlier?" the old man wanted to listen to what Zhao Yanyan had just said.

"grandfather" Zhao Yanyan again called the old man in front of her as grandfather.

"Yes, Yes, Yes, I am your grandfather , hahahaha." The old man laughed with great satisfaction when he heard Zhao Yanyan calling himself grandfather again.

It had been quite a while since this old man laughed, since the death of Wu Zheli this old man could no longer laugh, every day this old man only pondered what regrets he had done in the past.

he was quite sorry that he had paired Wu Zheli with Hong Man, every day this old man felt very heavy regret.

he always regretted the decisions he had taken in the past which resulted in him losing the most precious pearl in his heart.

Because he kept thinking about the regret he had done in the past, this old man's hair had turned white like this without realizing it.

Ye Chen, Nangong Xiang, Nanhua Caiyi, and Yu Tifa could only see what were doing Zhao Yanyan and the old man from the side, they all didn't want to interfere with the reunion of the two who had never met before.

"You look so much like your beautiful mother, it looks like you inherited the genes of your beautiful mother" the old man praised his granddaughter who looked very beautiful.

"Grandpa, thank you for the compliment." Zhao Yanyan thanked the old man for the compliment this old man gave her.

The old man continued to look at Zhao Yanyan from top to bottom, he was really very satisfied with Zhao Yanyan's beautiful appearance and graceful.

The man who gets Zhao Yanyan in the future will definitely be very lucky because he can have a beautiful woman like Zhao Yanyan.

Satisfied with seeing his granddaughter Zhao Yanyan, the old man turned his attention to the people beside them.

The old man looked at Nangong Xiang who had the most striking appearance because he was wearing a mask and also had very beautiful and magnificent golden hair.

"Goddess Nangong, I'm sorry that old man Wu could not welcome you." This old man first welcomed the arrival of Nangong Xiang.

With the super strength of Nangong Xiang, the old man was afraid that Nangong Xiang would not be satisfied with himself and destroy this Wu Clan.

With Nangong Xiang's immense power, she could easily destroy the entire Wu Clan Manor and everyone in it.

It was for this reason that this old man hastily greeted Nangong Xiang first.

Ye Chen, Zhao Yanyan and Yu Tifa were quite surprised by the treatment that Nangong Xiang received, again Nangong Xiang received a special treatment from the leader of the Wu Clan.

"Lord Wu Ping, you don't need to be so formal like that, I came here only to accompany my younger sister, Yanyan." Nangong Xiang told Wu Ping that she came here to accompany Zhao Yanyan.

If Nangong Xiang remembered correctly, the name of the leader of the Wu Clan was Wu Ping, she was known to be fair enough to solve many problems.

Nangong Xiang's words were like a bolt of lightning in broad daylight to Wu Ping, Wu Ping could hardly believe what he had just heard, he had just heard that Goddess Nangong would call Zhao Yanyan the word little sister.

Wu Ping still couldn't believe what she had just heard, a powerful goddess like Nangong Xiang actually considered Zhao Yanyan who was his granddaughter a little sister.

It was something Wu Ping had never imagined before, a strong woman like Nangong Xiang actually considered Zhao Yanyan as her younger sister, this was an amazing thing for Wu Ping to hear.

"So Goddess Nangong has a close relationship with my granddaughter?" Wu Ping asked in disbelief to Nangong Xiang.

"Yes, just now I do have a good relationship with Yanyan" Nangong Xiang told Wu Ping that he had a good relationship with Zhao Yanyan.

"Grandfather, sister Xiang is a good person, she often taught me a lot of knowledge." Zhao Yanyan told Wu Ping that Nangong Xiang is a sister and also a good teacher for Zhao Yanyan.

"Really? , Then I have to thank Goddess Nangong for wanting to teach Yanyan about the knowledge you have." Wu Ping thanked Nangong Xiang for educating Zhao Yanyan.

Wu Ping knew that Nangong Xiang's knowledge would be immense, so Zhao Yanyan would definitely get some very valuable knowledge from Nangong Xiang.

"I told you not to be so formal like that" Nangong Xiang told Wu Ping not to be too formal with herself

"Oh yeah, why don't you first introduce yourself to everyone here, Yanyan still doesn't even know your name." Nangong Xiang reminded Wu Ping that he hadn't introduced himself to everyone here, even Zhao Yanyan still didn't know what is the name of this grandfather.

"Oh, my goodness, I almost forgot about this, thanks to Goddess Nangong for reminding me." Wu Ping really forgot to introduce himself to Zhao Yanyan and the others, as a grandfather, how could he not introduce himself to his granddaughter who had just met him.

"My name is Wu Ping and I am a leader in this Clan." Wu Ping started introducing himself to everyone who was here.

Everyone immediately nodded at Wu Ping, they all now knew what this old man's name was.

Even Zhao Yanyan, who previously didn't know now knew what her grandfather's name was, it turned out that this grandfather's name was Wu Ping.

"Yanyan, why don't you introduce me to these two people?" Wu Ping wants Zhao Yanyan to introduce Ye Chen and Nanhua Caiyi to himself.

Wu Ping wanted to know the identity these two possessed, judging by the radiance of the two of them, both of them must be quite powerful Cultivators.

Due to his years of experience with strong people, Wu Ping could tell that Ye Chen and Nanhua Caiyi were quite strong people.

"Grandpa, this is Ye Chen, he is my man." Zhao Yanyan started introducing Ye Chen to Wu Ping.

Zhao Yanyan immediately told Wu Ping that Ye Chen was her husband.

"What?", Wu Ping looked dumbfounded when she heard this, he didn't expect that the handsome man who was brought here was a man who was so lucky to get Zhao Yanyan.

#### **Chapter 670: old couple quarrel**

"Yanyan, don't tell me that you've chosen your partner?" Wu Ping asked Zhao Yanyan with a little stutter.

"Actually, my grandfather and my grandmother have already blessed the relationship I have with Ye Chen, so now we are a couple." Zhao Yanyan told Wu Ping that she and Ye Chen had obtained an agreement from Zhao Jinshan and Tang Nu.

"I see, so it was your grandparents who gave permission to the two of you." Wu Ping nodded at Zhao Yanyan.

Since Zhao Jinshan and Tang Nu had already blessed their relationship, Wu Ping could no longer interfere in this matter.

Last time he had made the mistake of letting his daughter marry someone he didn't love, which was why Wu Ping didn't want to make a mistake the second time around.

Wu Ping no longer wanted to interfere in youth love affairs, he would let Ye Chen and Zhao Yanyan decide the future they had.

Zhao Yanyan immediately nodded at Wu Ping to confirm that grandparents had allowed her relationship with Ye Chen.

"Hello grandfather, I am Ye Chen, nice to meet you." Ye Chen greeted Wu Ping.

Wu Ping nodded at Ye Chen, he liked it when he saw Ye Chen's good temperament and not arrogant.

"then, this is Nanhua Caiyi, she is from the Spring Palace." Zhao Yanyan introduced Nanhua Caiyi to Wu Ping.

"Spring palace?" Wu Ping trembled a little and stepped back a little, when she heard about the Spring Palace from Zhao Yanyan.

As a person who had been in the Kunlun Holy Land for a long time, Wu Ping naturally knew about the Spring Palace that Zhao Yanyan was talking about.

The Spring Palace was one of the places that male cultivators feared the most in this Kunlun Holy Land.

Women in the Spring Palace are said to be able to eat a man without leaving the bones behind, Note : (you will know what is being meant this time).

Because of that, every man would mostly stay away from the women of the Spring Palace or their lives would be taken away by the beautiful and seductive enchantress who were in that place.

No wonder Nanhua Caiyi will have a beautiful, sexy and very seductive figure, it turns out that this woman comes from the Spring Palace.

"Hello , Sir Wu Ping, I am Nanhua Caiyi, nice to meet you" Nanhua Caiyi greeted Wu Ping.

"Hello." Wu ping was a little scared when he answered Nanhua Caiyi, he was a little afraid to face someone from the Spring Palace like Nanhua Caiyi.

Nanhua Caiyi smiled when she saw that Wu Ping was afraid of her, it seemed that the reputation of the Spring Palace was quite well known among the mans in the Kunlun Holy Land.

"Bang.. ! "Suddenly the door was opened very loudly, an adult woman appeared from behind the door.

This woman entered in such a hurry, she looked like she was being hunted and chased by someone.

"Old man, where is my granddaughter" when this adult woman came in, she immediately asked Wu Ping about her granddaughter.

It was most likely that the woman today was Wu Pin's wife as well as Zhao Yanyan's grandmother.

Zhao Yanyan's grandmother looks quite young, at most she looks like a 34 ~ 36 year old adult woman.

Seeing the Adult woman coming, Wu Ping immediately pointed at Zhao Yanyan.

"Old granny, that's your granddaughter." Wu Ping said to adult women that Zhao Yanyan is her granddaughter.

"Who are you calling old granny, you old man." The adult woman looked displeased when Wu Ping called herself old.

"Sorry, sorry, I blurted out earlier." Wu Ping started to be scared and apologized to adult women .

Wu Ping looked scared of the Adult woman who had just come into this room.

From the interactions made by Wu Ping and the adult woman, they both looked like an old couple who often quarreled with each other because of differences of opinion.

"Hempp." The adult woman sniffed coldly at Wu Ping, she began to turn her attention to Zhao Yanyan who was standing not far from Wu Ping.

When the adult woman looked at Zhao Yanyan, she found that Zhao Yanyan looked just like Wu Zheli, she looked very beautiful and very elegant.

The adult woman immediately rushed towards Zhao Yanyan, she began to hug Zhao Yanyan's body in front of her.

"My granddaughter, finally Grandma can meet you" while hugging Zhao Yanyan, the mature woman told Zhao Yanyan that she was very happy to see Zhao Yanyan.

Zhao Yanyan saw the adult woman hugging her, Zhao Yanyan did not think that her grandmother would be younger than Wu Ping's grandfather.

"Rou, finally our granddaughter has come." Wu Ping said to the adult woman who was in front of him.

The name of the adult woman at the front was Yu Rou, she was Wu Ping's wife and mother from Wu Zheli.

"Who are you calling our granddaughter, this is my granddaughter, you have no right to have it" Yu Rou refused to admit that Wu Ping had the right to have Zhao Yanyan as his granddaughter.

Since the incident of Wu Zheli and Zhao Jung's death, the relationship between Wu Ping and Yu Rou started to become like this, every day they kept fighting and blaming each other for Wu Zheli's death.

It wasn't strange that whenever Wu Ping and Yu Rou met, the two of them would be seen fighting like this.

"Come on, Yanyan is also my granddaughter too, don't be like that to me." Wu Ping complained a little to Yu Rou for not allowing himself to acknowledge Zhao Yanyan as his granddaughter.

"I won't let that happen" Yu Rou told Wu Ping that she wouldn't let Wu Ping have Zhao Yanyan.

She didn't want Zhao Yanyan to suffer the same fate as Wu Zheli if it was in Wu Ping's hands.

Ye Chen, Nangong Xiang, Nanhua Caiyi and Yu Tifa were helpless when they saw the bickering that Wu Ping and Yu Rou were doing.

Ye Chen, Nangong Xiang, Nanhua Caiyi and Yu Tifa felt that they were currently watching a soap opera in which there was an argument between an old couple.

"Grandpa, Grandma, stop fighting like that, no matter what, you are still my grandfather and my grandmother." Seeing the two of them continue to fight like this, Zhao Yanyan had no other choice but to calm both parties so they wouldn't fight again.

"Look at, Rou, even our granddaughter knows what is good for both of us." Wu Ping was delighted when Zhao Yanyan helped himself to get along with Yu Rou.

Wu Ping had been fighting with Yu Rou for a long time, he wanted the two to have a harmonious relationship like before.

"Hempp, you're lucky that Yanyan spoke for you, otherwise I might have packed you just now." Yu Rou sniffed coldly at Wu Ping.

It seemed that Yu Rou still didn't want to forgive the mistakes that Wu Ping had made in the past.

Yu Rou still seemed to have a hard time accepting the death of her daughter Wu Zheli, whoever was by Yu Rou's side would definitely do the same thing as what Yu Rou was currently doing.

Zhao Yanyan looked back and forth at Wu Ping and Yu Rou, it seemed like she had to think of a way for her grandfather and grandmother to get along like a normal couple again.

Zhao Yanyan is a woman who is good at planning things, she can definitely get Wu Ping and Yu Rou together again like in the past.
