

A True God 671

Chapter 671: Wu Zheli's tomb

Yu Rou introduced herself to Zhao Yanyan, Ye Chen, Nangong Xiang, & Nanhua Caiyi, Yu Rou looked friendly to everyone.

The attitude shown by Yu Rou was different from the attitude shown to Wu Ping, Yu Rou this time looked very friendly to everyone.

"Everyone, let's go for a banquet, all of you must be hungry because of the long journey." Yu Rou invited everyone to go eat.

Yu Rou will prepare food for everyone who is here.

"Grandpa, Grandma, I want to go see Mother's grave." Zhao Yanyan said to Wu Ping and Yu Rou that she wanted to see Wu Zheli's tomb .

Wu Ping and Yu Rou looked at each other, they were both a little sad when they heard Zhao Yanyan's words.

"Yanyan, your mother's grave is behind." Wu Ping told Zhao Yanyan that Wu Zheli's grave was behind.

"Then I'll go see" Zhao Yanyan said to Wu Ping and Wu Zheli that she was going to see her mother's grave.

"Husband, let's go," Zhao Yanyan invited Ye Chen to accompany her to see Wu Zheli's grave.

"OK" Ye Chen nodded at Zhao Yanyan, he would accompany Zhao Yanyan to go to Wu Zheli's grave.

Ye Chen and Zhao Yanyan went to the back of the manor of the Wu Clan, the two of them were going to visit Wu Zheli's grave .

Meanwhile, Nangong Xiang and Nanhua Caiyi followed Yu Rou and Wu Ping to the room where the banquet was being held, they both agreed to let Ye Chen and Zhao Yanyan go together towards Wu Zheli's grave.

Ye Chen and Zhao Yanyan went from the main room to the back of the Wu Clan manor.

"This place is enormous, Yanyan, your mother has a very rich family." Ye Chen quite admired the greatness of the Wu Clan manor.

At least the area of the Wu Clan manor was tens of times larger than the Villa that Ye Chen belonged to.

"Husband, why are you jealous of this kind of thing, don't you have a fairy gate that is much wider than this place." Zhao Yanyan told Ye Chen that he still had a huge fairy gate.

Even the area of the fairy gate was still unknown to Zhao Yanyan or Ye Chen, the fairy gate was so vast that it could not be seen at the end.

"Well, maybe I do have a very wide fairy gate, but the fairy gate can't be exhibited like this." The fairy gate is indeed very wide, but the fairy gate can't be shown off to others like this Wu Clan manor.

"Why don't you just enlarge your villa, with the money you currently have, you can easily enlarge our villa." Zhao Yanyan gave Ye Chen an idea to enlarge the villa he owned.

"Maybe that's a point too, maybe I should buy all of the Golden Eagle District." Ye Chen started thinking about buying all the land in the Golden Eagle District and started building a large manor like this.

"Are you sure that the owner of the Golden Eagle District is willing to sell everything to you?" Zhao Yanyan said to Ye Chen.

"If he doesn't want to sell it to me, I will force the owner of the Golden Eagle district using the strength I have." Ye Chen answered Zhao Yanyan while showing off his muscular arm.

"Puchi" Zhao Yanyan laughed when she saw what Ye Chen was doing, what Ye Chen was doing right now was quite entertaining for her.

Ye Chen and Zhao Yanyan immediately arrived at the very backyard of the Wu Clan manor, in this very backyard there was a special garden decorated with several beautiful and charming flowers.

Formerly this park was a park that was often visited by Wu Zheli when her mood was happy or in chaos, this is where Wu Zheli often spends the time she has staring at the beautiful flowers that are in this place.

That's why Wu Zheli's grave is placed here, it's in honor of Wu Zheli.

When she saw a tombstone with Wu Zheli name writing on it, Zhao Yanyan felt very sad.

Zhao Yanyan This time was actually standing right in front of her mother's tombstone, Zhao Yanyan began to slowly approach her, she started to hold onto her mother's tombstone.

Zhao Yanyan truly felt sad when she remembered the story she had heard from Zhao Jinshan about the story of her mother and father.

"Mother, I'm sorry that I never visited you, I really apologize to you." Zhao Yanyan apologized for not being a daughter who was not devoted enough to her mother.

For more than a decade, Zhao Yanyan had never visited her mother's grave in the Kunlun Holy Land, Zhao Yanyan began to feel that she was an unfilial daughter.

Ye Chen saw what Zhao Yanyan was doing, Ye Chen felt sorry when he saw Zhao Yanyan who was like this.

Ye Chen started to approach and tried to win Zhao Yanyan " Yanyan, don't blame yourself like that, it's not your fault for not being able to visit your mother's grave, I'm sure your mother can understand the problem you have." Ye Chen started telling Zhao Yanyan not to blame her alone.

"Husband, isn't this so unfair to mom and dad?" Zhao Yanyan said to Ye Chen, she still felt that her father and mother were suffering injustice in this world.

"Yanyan, I know that this is unfair to your father and mother, but everything has happened, so you will not be able to repeat the past, now what you can do is only seeking justice in your own way." Ye Chen told Zhao Yanyan to seek justice for Wu Zheli and Zhao Jung.

Of course, the way to seek justice is to take revenge on Hong Man who has made Wu Zheli and Zhao Jung in this state.

After hearing Ye Chen's words just now, Zhao Yanyan looked straight at Wu Zheli's tombstone .

Zhao Yanyan tried to steel the resolve she had in front of her mother's grave.

"Mother, you don't have to worry, your daughter will seek justice for you, once I do that I will unite you with father" Zhao Yanyan promised in front of her mother's grave that she would seek justice for Wu Zheli.

Zhao Yanyan even promised to unite the graves of his father and mother in one place so that the two of them could be calm in the realm.

This is a promise that Zhao Yanyan made, Zhao Yanyan will definitely keep the promise she made in front of her mother's grave.

Ye Chen saw the seriousness shown by Zhao Yanyan, Zhao Yanyan this time was really serious about seeking justice for Wu Zheli and Zhao Jung.

Seeing this, Ye Chen became more and more eager to help Zhao Yanyan become even stronger, he would definitely get the last ingredient to make a Divine Awakening Pill so that Zhao Yanyan could increase the strength she had very quickly.

Ye Chen will definitely use all the strength he has to obtain the last ingredient which is the Ginseng of life edge in this Kunlun Holy Land.

Ye Chen really believed that he could get the Ginseng of life edge in this Kunlun Holy Land.

If the Ginseng of life edge wasn't in the Kunlun Holy Land, then Ye Chen didn't know where to look for this last ingredient.

The Kunlun Holy Land was a place that had the life energy still preserved, so there should still be the possibility of the Ginseng of the life edge Grow in this place.

Chapter 672: Nangong Xiang and Sexy Queen talks (1)

Ye Chen spent a long time accompanying Zhao Yanyan in this place, after feeling enough, Zhao Yanyan decided to leave this place.

Before leaving this place, Ye Chen and Zhao Yanyan did not forget to pay their respects to Wu Zheli.

However, Wu Zheli is his mother-in-law, so Ye Chen should also pay tribute to Wu Zheli.

After paying their respects, Ye Chen and Zhao Yanyan left the back garden of the Wu Clan manor, the two had to go meet Nangong Xiang and Nanhua Caiyi who may have been waiting for them.

When Ye Chen and Zhao Yanyan left the garden area, they were both waiting for a maid who had been prepared by Yu Rou for Ye Chen and Zhao Yanyan.

"Young lady, young master, you two have been waiting in the banquet hall by the big master and the big lady" The maid told Ye Chen and Zhao Yanyan if they were both waiting for Wu Ping and Yu Rou in the banquet hall.

"Please take us to a place where Grandma and Grandpa were" Zhao Yanyan asked the maid to guide both went to the place of the banquet was held.

"Young lady, young master, please follow me both" the maid told Ye Chen and Zhao Yanyan to follow her to the room where the banquet was held.

Zhao Yanyan and Ye Chen nodded, both of them would follow the maid to the banquet venue.

With the help of instructions given by the maid, Ye Chen and Zhao Yanyan very quickly reached the front of the room where the banquet was held.

"Young lady, young master, this is her room, please you two stay in" the maid allowed Zhao Yanyan and Ye Chen to enter the room.

After showing the way to Zhao Yanyan and also Ye Chen, the maid immediately left this place, she still has to do a job that needs to be done.

"Husband, let's go inside" Zhao Yanyan invited Ye Chen to enter the room where the banquet was held.

"Let's go inside" Ye Chen nodded to Zhao Yanyan.

Ye Chen and Zhao Yanyan immediately opened the entrance to the room, after opening the door, Ye Chen and Zhao Yanyan immediately entered the room.

Arriving in the room, Ye Chen and Zhao Yanyan see that Nanghua Caiyi, Wu Ping and Yu Rou are already in this room, they are currently waiting for the arrival of Ye Chen and Zhao Yanyan here.

"You two have come, please sit down" saw Ye Chen and Zhao Yanyan have come, Yu Rou immediately welcomed the two, she told Ye Chen and Zhao Yanyan to sit down and enjoy the food that has been made specifically for them all.

"Master, here" Nanhua Caiyi told Ye Chen to sit in the empty chair next to her.

Ye Chen and Zhao Yanyan immediately went to the empty seat next to Nanhua Caiyi.

Ye Chen and Zhao Yanyan sat next to Nanhua Caiyi.

"Hey, Caiyi, where about Xiang is right now?" Ye Chen asked where Nangong Xiang is now.

"Sister Xiang went to meet an old friend, she refused dinner because she was currently wearing a mask to hide her appearance, so it will be difficult for her to attend such an event" Nanhua Caiyi told Ye Chen if Nangong Xiang has gone to meet an old friend.

"Oh, so be it" Ye Chen nodded lightly to Nanhua Caiyi, Ye Chen could understand the difficulties that Nangong Xiang had when using such a mask to hide her appearance,

Nangong Xiang would not be free to do anything while wearing such a mask.

After Ye Chen and Zhao Yanyan sat down, Wu Ping began to lift the wine cup that was on the table.

"Everyone, let's celebrate Yanyan's arrival here, have a toast" Wu Ping invited everyone to have a toast and drink the wine in the cup.

Seeing Wu Ping lift the cup of wine on the table, everyone here began to do the same thing as Wu Ping.

They all began to lift the cup of wine that had been prepared right in front of them.

Everyone immediately drank the wine in the cup of wine, even Zhao Yanyan also drank from the cup of wine in the cup.

Zhao Yanyan did this in honor of Wu Ping and Yu Rou, she would not be nice if she did not do it herself while everyone drank wine from a cup.

After everyone drank the wine from the cups in their respective hands, everyone immediately started eating.

.
. .

Meanwhile elsewhere.

Currently Nangong Xiang is walking in a hallway made of very pure gold.

The only place in the royal capital that has a building made of gold belongs only to the royal palace.

So Nangong Xiang is currently in the royal palace, it looks like she wants to meet an old friend who is in the royal palace.

Nangong Xiang went to a place where only certain people can go to this place.

In this royal palace building, no one dared to stop's footsteps Nangong Xiang, they were quite respectful when meeting Nangong Xiang.

After walking for a while, finally Nangong Xiang arrived at her destination, until Nangong Xiang was greeted by several maid.

"Is the woman inside?" Nangong Xiang asked the maid in front of her.

"Goddess Nangong, at this time the queen is inside" The waiter told Nangong Xiang that the person he was looking for was inside.

"Good, I will go in" seeing that the person he was looking for was in nature, Nangong Xiang immediately entered a special room that not anyone can enter.

When Nangong Xiang entered the room, she found a beautiful and very sexy woman lying on the bed with some maids who were currently serving her.

This woman's appearance is very seductive, this beautiful woman only uses a very thin and translucent silk fabric, Nangong Xiang can see all parts of this woman's body very clearly.

If a man saw what Nangong Xiang saw today, they would definitely be very aroused and excited, Queen's beauty and Sexy body was amazing for a man's eyes to see.

"You still haven't changed apparently, what if outsiders see you in a situation like this, wouldn't they think that the great queen they respect will be a lazy woman like this" Nangong Xiang said to the Sexy Queen who is currently lying lazy in bed.

"Oh my friend Xiang, I haven't seen you in a long time, how are you now, are you better after closing for decades? " Queen asked Nangong Xiang.

"My condition has been good enough lately, you do not have to worry about the problem" Nangong Xiang told Sexy Queen if the situation is better.

When Nangong Xiang first came here, she was saved by this Sexy Queen, that's why this Sexy Queen knows the condition of Nangong Xiang today.

this is also the reason why Nangong Xiang can be friends with this Sexy Queen.

Although Nangong Xiang is very strong, in fact she is a person who has a severely injured meridian pathway, if only Nangong Xiang was not injured, maybe this woman will be much stronger than now.

"I'm glad you've become better" Sexy Queen is happy to hear this news.

Chapter 673: Nangong Xiang and Sexy Queen talks (2)

Sexy Queen got out of bed, after getting out of bed she began to stretch her body very seductive.

This woman did not know that what she was doing was so seductive that it caused a man to have a large number of nosebleeds.

This woman was indeed born as a Vixen, every move she made was very tempting to see.

"Ahhh, this is fun." Sexy Queen began to enjoy the comfort as she stretched her body.

"Maid, hurry and get my robe." Sexy Queen asked the maids who were here to get her robe.

The Maid around Sexy Queen deftly took a robe for Sexy Queen.

"Queen, this is your robe" The waiter gave Sexy Queen a black robe with several beautiful motifs engraved on this robe.

"Quickly help me wear it" Sexy Queen asked the maid to help her wear this robe.

Maid nodded to Sexy Queen, she immediately helped Sexy Queen to wear this robe.

Some of the other Maids also started to help put on the robe for the queen, they very skillfully dressed the queen in black robes.

The Maid very quickly put a black robe on the Queen's body, after finishing dressing the Queen's robe, all the Maids immediately withdrew and moved away from the queen's body.

After wearing the black robe, this woman's temperament now became that of a great queen.

Queen started advancing towards Nangong Xiang, she started to stand right in front of Nangong Xiang.

"So, what brought you here?", Queen asked what Nangong Xiang wanted to meet her.

There was no way that Nangong Xiang would come just to meet herself, there must be something wanted this woman.

"Looks like you really understand me" Nangong Xiang said to the Sexy Queen.

"We've known him for a long time, so of course I know about your habit." Queen has known Nangong Xiang for a long time, so she naturally knows about what Nangong Xiang wants.

"Tell me what you want from me ?" Queen asked what Nangong Xiang wanted from her.

"I want to know all the information you have over the past decades, I want to hear everything from you, with the great spy you have, I believe that you have all the information I want." Nangong Xiang wanted all the information about what was going on in This world.

Especially information about what was unknown and very hidden.

"So that means your coming here, okay I will tell you what you want, let's both sit down" Queen asked Nangong Xiang to sit on the seat in this room.

Nangong Xiang nodded, she went towards the seat in this room.

After Queen and Nangong Xiang sat down, the maid began to pour tea for the two of them.

"All of you can get out of this place." Queen told all the Maids to leave this place, there is something that must be discussed privately with Nangong Xiang.

All the servants paid their respects to Queen, after which they all left this place.

"Why don't you take off your mask, here now only the two of us are left, so you don't need to be afraid to show your face." Queen said to Nangong Xiang to take off the mask she had.

Queen already knew that Nangong Xiang's beautiful face was broken, so she was the one who could accept Nangong Xiang's shortcomings.

Nangong Xiang started to take off the mask that was on her face, when Nangong Xiang took off the mask she was wearing, a beautiful flawless face appeared on Queen's eyelids.

Queen was quite surprised to see this flawless beauty in front of her, Nangong Xiang's beauty was completely indescribable using words.

"You.. ., you.. ., what happened to you." Queen immediately asked what happened to Nangong Xiang, why did Nangong Xiang look so beautiful, even more beautiful than herself and the beauty in the Kunlun Holy Land.

"Why are you surprised like that, this is the original appearance that I have" Nangong Xiang told Queen that this was his real appearance.

"But.. ., but, didn't your face hurt before, why did it become like this? "Queen wants to know what happened, why did Nangong Xiang's face recover and look so beautiful.

"Actually, what a coincidence I met a nice man who gave me a pill that can restore the appearance I have." Nangong Xiang started to tell Queen what happened to her.

"But haven't you tried all kinds of pills to heal the wounds you have and nothing works" Queen asked about what happened.

As far as she could remember, Queen had given countless pills to try to heal the wounds on Nangong Xiang's face, but all the pills she gave did not have any effect on Nangong Xiang's face.

"The pill given by that man is very different from what you have, it is a very, very valuable pill, I am lucky that he wants to give me a pill like that" Nangong Xiang told Queen that she was very lucky because of Ye Chen. very good and gave her the heavenly beauty pill which was very valuable.

"I see, you accidentally met a very kind man and gave you an amazing pill, then where is that man now, do you know where the man who helped you" while raising a glass of tea, Queen asked if Nangong Xiang knew where a man who gave her such a great pill.

"Of course I know, I'm currently living with that man" Nangong Xiang told Queen that she was currently living with Ye Chen.

"Buftt " Queen sprayed the tea she just drank, she could not believe what she just heard.

She were truly words that the Nangong Xiang she was familiar with could not possibly say.

"Wait a minute, didn't you ever say you used to hate a man more than anything, but why are you now staying with a man at night? ", Queen started to question Nangong Xiang.

Queen of course knows that Nangong Xiang really hates a man, every man who tries to get close to Nangong Xiang will definitely be beaten directly by Nangong Xiang or maybe killed if her mood is bad, it is unexpected that Nangong Xiang who hates a man will suddenly live with a man.

"This person is different from the men I have met before, he is really very kind and can accept me as I am, he even bravely proposed to me to be his woman" Nangong Xiang told Queen that the man she met was different once with men all over this universe.

Ye Chen is a figure who can make a goddess like Nangong Xiang who used to hate men become able to like a man.

"I still didn't expect that you would be with a man, it really really shocked me." Queen still did not believe that Nangong Xiang would live with a man.

Especially from the words that Nangong Xiang just said, she heard that Nangong Xiang seemed to like this man.

Queen wants to really want to know what kind of man can make a beautiful goddess like Nangong Xiang fall in love like this.

Nangong Xiang smiled slightly at the Queen in front of her, Nangong Xiang initially did not expect that she would fall for a young man like Ye Chen, whose age was very much different from herself.

Chapter 674: Nangong Xiang and Sexy Queen talks (3)

When Nangong Xiang thought about this, her face suddenly turned slightly red, what she was thinking about was quite embarrassing.

"Fufufu, I didn't expect that you would fall for a man, it seems like you have changed a little since the last time I met you." Queen felt that Nangong Xiang was a little different from the last time they met.

Now that Nangong Xiang was no longer as indifferent as before, she was now even more open.

"Do you need a little guidance to flirt with that guy, I can teach you a little how to flirt with that guy you like, fufufu." Queen offered a little lesson to flirt with men to Nangong Xiang.

With Nangong Xiang's current state, Queen firmly believed that Nangong Xiang was very clumsy in the relationship she had with the man she liked.

It is for this reason that Queen offers to assist Nangong Xiang in flirting with the man she likes.

"Why are you offering such an obscene thing to me, I don't need that kind of thing" Nangong Xiang immediately rejected the good intentions that Queen wanted to do.

"Why are you rejecting your friend's good intentions, you should know that male and female relationships require this kind of thing, if you don't give men the things they want, they might look for a Vixen outside." Queen began to teach Nangong Xiang to be more courageous in this kind of thing or she will lose the guy she likes.

"Of course because I don't need something like that." Nangong Xiang told Queen that she didn't need that kind of lesson.

Queen, sighed, "My friend Xiang, do you know that most of the men have a lecherous side to them, if you want to get a boy, especially if it's a young man, you have to be able to control the lewd side belonging to that man." Queen told Nangong Xiang to control Ye Chen by using the lecherous side of Ye Chen.

Nangong Xiang started to think about Queen's words just now, what Queen said was true, Ye Chen did have a lecherous attitude, it seemed like it was very natural for a young male like Ye Chen.

"If you are interested in this, I can teach you how to flirt with men." Queen started to cross her legs, Queen looks very sexy when doing this move.

Nangong Xiang saw what this woman was doing, this woman was really as seductive as Nanhua Caiyi, every move made by Queen could always make men excited.

Nangong Xiang began to imagine that if she acted like a Queen, if she was currently acting like a Queen who was very seductive and shameless, it would be very embarrassing for her.

Nangong Xiang was a former empress who had received such strict moral and ethical training, there was no way a woman like Nangong Xiang could do something as shameless as the current Queen.

After all, Ye Chen didn't see herself from that kind of side, Ye Chen saw herself as an ethical and moral woman.

Nangong Xiang would rather be herself like this, this was more convenient for Nangong Xiang herself.

"Sorry, but I want to be myself, after all the man I like doesn't mind this from me." Nangong Xiang again rejected Queen's good intentions.

"Hey, you really are stubborn, if in the future you need my help with the matter we talked about earlier, you can go see me." Queen still hasn't given up on making Goddess Nangong Xiang become like her.

Queen felt it would be great if a beautiful woman like Nangong Xiang could act as seductive as her.

"Ahem, let's discuss the matter another time, now I want to know about news from you." Nangong Xiang decided to change the subject.

If the previous topic was passed on, then there would be no end to both.

"So where should we start? Queen asked Nangong Xiang where she should start.

"It's up to you to start from where" Nangong Xiang does not really care about this, what is needed is information, for Nangong Xiang information is a very important thing, with information Nangong Xiang can know the possibility of what may happen in the future and look for a way of dealing with it.

"Sigh, you're really boring like always." Queen sighed to Nangong Xiang, Nangong Xiang was really boring and couldn't be taken to have a little fun.

"Okay, I'll tell you the information I got." Queen began to tell Nangong Xiang about the information she's been getting lately.

The most important information is of course the movements of the big factions that control this world, some of the big factions have started to make an alliance, this has never happened in the history of thousands of years.

"What made the factions start making an alliance? " Nangong Xiang asked Queen about this matter.

"Of course because of the mysterious disappearance of the Dark Legacy Faction." Queen told Nangong Xiang the reason why several factions had started to form an alliance.

When Queen said this, her eyes staring straight at Nangong Xiang, she wanted to see if Nangong Xiang was behind the disappearance of the Dark Legacy Faction.

"So that was the reason they made an alliance because they were afraid of the same fate as the Dark Legacy Faction that had perished." Nangong Xiang now understood why the great factions ruling this world began to form an alliance.

It turned out that they were afraid of experiencing something similar to the Dark Legacy Faction.

Queen continued to look at Nangong Xiang, from the expression shown by Nangong Xiang, Queen could see that Nangong Xiang did not know anything about this.

" Eh ? Are you not involved in the annihilation of the faction Dark Legacy?" Queen asked if Nangong Xiang was not involved in eliminating the Faction Dark Legacy from this world.

"I don't seem to be in such trouble, but the man who lives with me might be involved in this matter." Nangong Xiang told Queen that Ye Chen might be involved in the loss of the Dark Legacy Faction.

"Glup" hearing this, Queen started to gulp her own saliva.

"Hey Xiang, how strong is that guy you like?? Queen began to ask how strong the strength of the man that Nangong Xiang currently possesses.

"He should be at the tenth stage of the Overlord Realm, but his true strength cannot be seen from the surface alone, he even amazed and was surprised me several times by the power he has." Nangong Xiang told Queen that Ye Chen made herself surprised and amazed several times .

"Looks like the man you said was really great, I wanted to meet that man" Queen wanted to meet the man that was being said by Nangong Xiang.

He wanted to know what kind of a strong man could Nangong Xiang be able to surprised and amazed like the one she had just heard.

The current Queen still doesn't realize that the man Nangong Xiang is referring to is Ye Chen who she is aiming for.

If Queen knew that the man Nangong Xiang was referring to was Ye Chen, maybe she would start to stop aiming Ye Chen or she would get into trouble from Nangong Xiang.

"What a coincidence that right now, he is in the royal capital, so sooner or later you might meet him." Nangong Xiang informed Queen that the man she was referring to was currently in the royal capital.

Considering that the Wu Clan was currently serving under Queen's command, Ye Chen should have met with Queen sooner or later.

Chapter 675: strife in the Wu Clan's trading territory

"I can't wait to meet the man you just said." Queen can't wait to meet the man that Nangong Xiang just said.

"One more thing, I warn you not to mess with him, otherwise you will definitely suffer a bad luck" Nangong Xiang warned the Queen not to mess with Ye Chen or get into trouble.

"Fufufu, I'm not your enemy, you don't need to warn me like that." Queen just giggled when she heard the warning that came from Nangong Xiang, Queen seemed to disdain Nangong Xiang's warning.

Queen did not know that in the future she could get into trouble for not listening to Nangong Xiang's warning at this time.

The Queen and Nangong Xiang continued to exchange information that was quite useful for the two of them, they were both very serious in discussing this kind of thing.

After getting enough information from Queen, Nangong Xiang decided to leave this place.

"Oh yeah, before I leave, I would like some information about the power possessed by the Gates of Eternity Sect, you must have information about the powers possessed by the Gates of Eternity Sect." Before leaving, Nangong Xiang wanted to know about the powers possessed by the Gates of Eternity Sect.

Maybe this information will be very useful for Ye Chen and also Zhao Yanyan later in fighting against the Gates of Eternity Sect.

"What do you want information from the Gates of Eternity Sect, do you have any business with the Gates of Eternity Sect." Queen asked Nangong Xiang, she wanted to know what Nangong Xiang wanted from the power information possessed by the Gates of Eternity Sect.

"You don't need to ask about it, all I want is the power information from the Gates of Eternity Sect." Nangong Xiang didn't want to tell the Queen what she would do with this information.

For a while Nangong Xiang didn't want Queen to know what Ye Chen and Zhao Yanyan wanted to do, or else this woman would take advantage of Ye Chen and Zhao Yanyan.

"You really are a very woman stingy " Queen complained to Nangong Xiang who didn't want to tell herself what she wanted to do.

"In the future you will definitely know what use I ask this to you" Nangong Xiang tells Queen that in the future he will find out what happened.

"You have become so mysterious with me, just watch I will definitely find out what you are planning" Queen became curious, she would try to find out what Nangong Xiang was planning.

Queen liked mysterious things, so she would definitely try to find out for herself what Nangong Xiang wanted.

"Quick, give me the information." Nangong Xiang told Queen to immediately inform herself of the information from the Gates of Eternity Sect.

"Alright, alright, you're a very impatient person." Queen started to get up from her seat, she went to a shelf in this place.

Queen searched for a scroll on this shelf, after searching for a while, Queen found what Nangong Xiang needed.

Queen immediately took a scroll and handed it to Nangong Xiang.

"Here ,This the information you need" Queen told Nangong Xiang that the required information was in this scroll.

"Thank you very much, then I'll go first." After receiving the scroll from Queen, Nangong Xiang decided to leave this place.

Nangong Xiang suddenly disappeared from this room, Nangong Xiang very quickly disappeared from this room.

Now in this room only Queen was left alone, Queen began to take a sip of the tea in the glass, she began to close her eyes and reflect on the conversation she had previously had with Nangong Xiang.

"It looks like there will be a bit of a storm in this Kunlun Holy Land, I have to prepare for the worst that could happen." Queen must start preparing for the worst that could happen.

From the conversation she had together with Nangong Xiang, Queen could conclude that there would be a huge storm that could shake the entire Kunlun Holy Land, the intuition she had said this, Queen's female intuition was very strong and very accurate, she was always trust the intuition she has.

Queen started to get up from her seat, she had to start preparing for the big storm that might happen in the Kunlun Holy Land.

.
. .
. .
. .

We're back in the Wu Clan manor.

The banquet in this place is still the same as in the mortal world, the difference here is that it still holds a fairly strong culture.

Yu Rou started to get food for Zhao Yanyan , she started to treat Zhao Yanyan very well.

Meanwhile Nanhua Caiyi started to get food for Ye Chen, she was the first woman to really care about Ye Chen.

On the other side, Yu Rou saw what Nanhua Caiyi was doing right now, Nanhua Caiyi was really getting food for Ye Chen, she looked like a very filial wife.

Yu Rou started to wonder what kind of relationship Ye Chen had with this beautiful Vixen who came from the Spring palace.

Of course Yu Rou knew a little about the Spring Palace, women in the Spring Palace would usually treat men arbitrarily or could also be interpreted as slaves.

Here she saw a bit of an oddity when Nanhua Caiyi was very attentive to Ye Chen, this Vixen really didn't look like the rumors she heard from people about the Spring palace.

Zhao Yanyan didn't want to lose, she started to get some vegetables and meat for Ye Chen.

"Husband, you have to eat lots of vegetables and meat to keep you healthy." Zhao Yanyan smiled at Ye Chen, she wanted Ye Chen to eat a healthy and balanced diet.

Since the two beauties brought food for himself, Ye Chen's plate was immediately filled with various kinds of food.

Ye Chen of course was quite happy with this, she started to eat the food on his plate with great satisfaction.

Wu Ping saw the treatment that Ye Chen received from the two beautiful women beside him, he was quite jealous because Ye Chen had received such treatment from Zhao Yanyan and Nanhua Caiyi.

Wu Ping's plate was currently empty and no food had been taken, no one wanted to get Wu Ping food.

Even Yu Rou didn't want to get food for Wu Ping.

"Rou, can't you get your husband some food?" Wu Ping whispered to Yu Rou who was beside him.

"Don't you still have complete hands, you can take it yourself" Yu Rou told Wu Ping to take food for himself.

"Sigh.. ." Wu Ping could only sigh when he heard this, it seemed like he wouldn't be able to get the same treatment as Ye Chen from his own wife.

"Grandpa, this is food for you, eat it." Seeing that Wu Ping's plate was still empty, Zhao Yanyan decided to get Wu Ping a meal.

"Yanyan, why are you getting food for this old man, he can still take his own food" Yu Rou said to Zhao Yanyan who was getting currently food for Wu Ping.

"Grandma, do not like it, let grandfather ate like any other" Zhao Yanyan told Yu Rou's not evil to Wu Ping.

Zhao Yanyan wanted to fix Yu Rou and Wu Ping's relationship, so she had to try to get the two of them close.

Yu Rou was speechless, she didn't know what to say let alone Zhao Yanyan, she felt that she was the one who had committed a crime.

Not wanting to look bad in front of Zhao Yanyan, Yu Rou started helping to get food for Wu Ping, she started to put food on Wu Ping's plate.

Wu Ping was very grateful to Zhao Yanyan, his granddaughter was really very kind to him.

If it weren't for Zhao Yanyan's words just now perhaps Yu Rou wouldn't have wanted to get himself some food.

Everyone started enjoying this banquet, they all looked happy when they enjoyed the banquet.

"Knock, Knock, Knock," While everyone was enjoying the banquet, from outside a someone suddenly came and knocked on the door several times.

"Yu Tifa, what do you want to knock on the door like that" Yu Rou asked the people outside, Yu Rou already knew that the person outside was Yu Tifa.

"Madame, there is a bit of a dispute in the Wu Clan trading area." Yu Tifa told Yu Rou that there was a dispute in the Wu Clan trading area.

Chapter 676: issue regarding the Qin pavilion

"It's just a dispute right? ",You should be able to take care of it yourself" Yu Rou said to Yu Tifa who was outside the room.

"But madam, this matter has something to do with the Shen Clan." Yu Tifa told Yu Rou that this matter concerns the Shen Clan.

"Shen Clan?, Come in quickly and tell me what happened." Wu Ping told Yu Tifa to come into the room and explain what happened to him.

When he heard that this matter had something to do with the Shen Clan, Wu Ping immediately responded to the matter.

The Shen Clan was the enemy of the Wu Clan, the two of them were always enemies no matter where they were.

Even when they were at important meetings in the royal family palace, the Wu Clan and Shen Clan were always fighting.

These two Clans could be said to be mortal enemies who would fight when they met.

Yu Tifa started to enter the banquet hall, she started telling Wu Ping what happened.

Wu Ping started to listen to stories from Yu Tifa, when he listened to stories from Yu Tifa, Wu Ping started to get very angry.

"Damn, those guys from Shen Clan really want to grab the Qin pavilion from the Wu Clan's trading territory" Wu Ping was furious when she heard that the Shen Clan was targeting the Qin Pavilion which was in the Wu Clan's trading territory.

"Grandpa, What kind of place is Qin Pavilion?" Zhao Yanyan is curious about the Qin Pavilion that Yu Tifa was referring to.

"The Qin Pavilion is a place where rare medicinal herbs and pills can be sold and bought, it is a place where cultivators look for resources to cultivate." Wu Ping told Zhao Yanyan about the Qin Pavilion.

The Qin Pavilion was a place where medicinal herbs as well as pills were sold, the Qin Pavilion could be said to be a place devoted to selling and buying resources for a cultivator.

The Qin Pavilion was something very precious to the Wu Clan, it was a place that allowed the Wu Clan's business to run until recently.

In the royal capital, the Qin Pavilion was a place frequented by cultivators to find resources for them to cultivate, it was also the thing that led to countless people setting up stalls in the Wu Clan trading territory.

Instead of setting up a Kiosk, every year they had to pay a tribute to the Wu Clan, the tribute in this place was not dollars or gold, the currency in this place was all kinds of Profound Crystal

Profound Crystal in the Holy Land of Kunlun is used as a legitimate purchase tool, apart from using Profound Crystal here there is also a system of exchanging goods for goods that have the exact same value.

It was for this reason that the Qin pavilion was something so precious to the Wu Clan, the Wu Clan could not possibly allow the Qin Pavilion to be taken away by the Shen Clan.

"Yu Tifa why don't you tell one of the elders to take care of this matter, here we are busy welcoming Yanyan." Yu Rou didn't like it when he saw the family reunion event being bothered with this kind of problem.

"Yes, that's right, have you gone looking for another elder ? "Wu Ping asked Yu Tifa whether she had gone to ask for help to the other elders.

"Sorry, but all the elders from the Clan are currently in the royal palace, they are all preparing a birthday ceremony for the royal family who is only a few days away." Yu Tifa told Wu Ping that all the elders from the Wu Clan current were asked to prepare for the birthday ceremony from the royal family.

"So right now there are no elders in this Clan who can go there." Wu Ping also just remembered that the elders of the Wu Clan were given the task of taking care of all the things needed for the birthday ceremony of the founding of the Royal Family.

So right now within this manor there weren't many people from the Wu Clan left.

"I came here because I was unable to make a decision on this matter, I hope the Clan Master can make a decision to resolve this matter." Yu Tifa wanted Wu Ping to go over this matter.

Wu Ping did not expect that this kind of thing would happen when there were no elders in the Wu Clan manor.

It seemed that the Shen Clan had planned this out, to the point that they knew that the elders in the Wu Clan were currently at the royal palace.

If Wu Ping didn't make up his mind now, he would lose the extremely precious Qin Pavilion.

Wu Ping stood up from his chair, I will go to take care of this, all of you please just continue without me. "Wu Ping must go to solve this problem as soon as possible.

"Wait, I want to join." Ye Chen, who was enjoying a meal before, wanted to join Wu Ping.

When Ye Chen heard that Wu Ping wanted to go to a place where rare medicinal plants were sold, Ye Chen wanted to see if he could find the Ginseng of life edge in the Qin Pavilion that Wu Ping had just intended.

"I also want to come" Zhao Yanyan also decided to come and help solve this problem for Wu Ping.

"Then I will come too, after all wherever master goes, I will go with him" Nanhua Caiyi also wanted to come along with Ye Chen to go to the Qin Pavilion.

Wu Ping did not expect that Ye Chen, Zhao Yanyan, and Nanhua Caiyi would want to come together with him to the Qin Pavilion.

"Are you sure you want to come with me ?, I want to go solve an important problem" Wu Ping asked Ye Chen, Zhao Yanyan, and Nanhua Caiyi.

"It doesn't matter, I just so happen to be looking for a medicinal plant, maybe I can find it there" Ye Chen told Wu Ping the reason why he wanted to come.

"I want to go to accompany both of you." Zhao Yanyan told the reason why she wanted to come with Ye Chen and Wu Ping.

Whereas Nanhua Caiyi didn't say the reason she had, Nanhua Caiyi wanted to come because of Ye Chen, she had no interest in anything other than Ye Chen.

"Fine if you all insist on coming with me." Seeing that they all made sense, Wu Ping allowed Ye Chen, Zhao Yanyan, and Nanhua Caiyi to go with him to the Qin Pavilion.

Wu Ping, Ye Chen, Zhao Yanyan, and Nanhua Caiyi immediately left this room, Ye Chen, Zhao Yanyan, and Nanhua Caiyi immediately followed Wu Ping to the Qin Pavilion.

After Wu Ping, Ye Chen, Zhao Yanyan, and Nanhua Caiyi left, only Yu Tifa and Yu Rou remained in this room.

The two of them were speechless after seeing Wu Ping, Ye Chen, Zhao Yanyan, and Nanhua Caiyi head towards the Qin Pavilion.

"Madam, then I will go to help the Clan master." Yu Tifa also wanted to go to help Wu Ping deal with this matter.

"That's not necessary, you can just stay here to accompany me, after all that old man was accompanied by Yanyan, Ye Chen and Nanhua Caiyi, so I thought he would be fine." Yu Rou forbade Yu Tifa to leave This room.

Yu Rou wanted Yu Tifa to accompany her in this place, it was annoying to have to wait here alone while Wu Ping, Ye Chen, Zhao Yanyan, and Nanhua Caiyi left.

It would be best to let Yu Tifa be here to chat with herself

Chapter 677: Alchemical battle (1)

Wu Ping, Ye Chen, Zhao Yanyan and Nanhua Caiyi immediately rushed to the Qin Pavilion.

The distance between the Wu Clan manor and Qin Pavilion was not too far away, so Wu Ping, Ye Chen, Zhao Yanyan and Nanhua Caiyi were able to quickly reach the Qin Pavilion.

When Wu Ping, Ye Chen, Zhao Yanyan and Nanhua Caiyi reached the Qin Pavilion they saw a crowd of people huddled around the Qin Pavilion.

The crowd was most likely looking at what was happening inside the Qin pavilion.

"All of you quickly get off the road." Wu Ping tried to drive away the people who were currently blocking the path leading to the Qin pavilion.

Seeing that the person who was screaming was Duke Wu Ping, everyone immediately stepped aside to make way for Wu Ping, Ye Chen, Zhao Yanyan and Nanhua Caiyi.

When Wu Ping, Ye Chen, Zhao Yanyan and Nanhua Caiyi's entourage arrived, everyone first looked at Wu Ping, Ye Chen, Zhao Yanyan and Nanhua Caiyi.

Some people, especially men, were surprised to see Zhao Yanyan and Nanhua Caiyi's peerless beauty.

These people had never seen a beauty like Zhao Yanyan and Nanhua Caiyi, one was an innocent and graceful like a goddess, while the other was very sexy and very seductive, both of them had different appearances from each other.

But they have the same thing, which is a beautiful face and a body that looks really well groomed.

Zhao Yanyan and Nanhua Caiyi ignored the gazes of the men who were here, for these two people were just empty air that they encountered on the street and were not worthy of attention.

When Wu Ping, Ye Chen, Zhao Yanyan and Nanhua Caiyi arrived at the Qin pavilion, they saw that there were several people who were arguing, one from the Shen Clan side and one from the Qin pavilion side.

Seeing this, Wu Ping was starting to get closer to the side of the Qin Pavilion, he wanted to know what really happened from the start.

"Oh Duke Wu, welcome." A young man suddenly said to Wu Ping.

This young man was the young master of the Shen Clan, it seemed he was the one who had caused trouble from the start.

Wu Ping ignored the words of the young master of the Shen Clan, he continued walking towards the old man whose hair had turned white like himself.

"Sir Qin, what happened?" Wu Ping asked this old man what had originally happened in this place.

This old man was named Qin Shao, he was the owner of the Qin Pavilion as well as an alchemist who was quite powerful in the Royal Capital.

"Duke Wu, it seems that the young master of the Shen Clan wants to cause a little trouble in my territory." Qin Shao told Wu Ping that the young master of the Shen Clan was trying to cause trouble in his place.

"Lord Qin, why do you say that, I came here for a very good purpose, I want your Pavilion to join our Shen Clan, we will give Lord Qin a place worthy." The young master of the Shen Clan openly invited the Pavilion Qin to join them.

The name of this young man is Shen Fuma, he is a young master who is very ambitious to make the Shen Clan the strongest Clan in the entire royal capital.

Shen Fuma's nature descended from his father, Duke Shen, Duke Shen was also known as a very ambitious person, he continuously tried to expand the influence of the Shen Clan, even into the royal palace.

The Shen Clan is also the most powerful Clan in the circle Duke's, the Shen Clan is also trusted by the royal family to lead the main army in the Royal Family.

It was for this reason that the Shen Clan could become the most powerful Clan in terms of strength among all the Clans serving the royal family.

"Young master Shen, I told you that I don't want to move to the territory of the Shen Clan, The Qin Pavilion has been standing here for thousands of years and has never moved anywhere else." Qin Shao again refused Shen Fuma's offer.

The Qin Pavilion was a place established by the ancestors of the Qin Pavilion, there was no way Qin Shao would transfer the legacy of his Pavilion ancestors who had been standing here for a long time to another place.

Come to think of it, Shen Fuma's offer was indeed very tempting, but Qing Shao naturally knew that the Shen Clan would not give him an offer that was free there must be something the Shen Clan wanted from his Qin Pavilion.

"Brat, tell your father that the Qin Pavilion will never want to be invited to join your Shen Clan." Wu Ping told Shen Fuma that the Qin Pavilion would remain in the Wu Clan trading area.

"Too bad." Shen Fuma shook his head helplessly, again he couldn't get Qin Shao to join his Shen Clan.

"Mister Qin, how about we have an alchemy duel, here my friend wants to fight with the best disciple you have, in this duel, both of us will bet something, whether you are in or not." Shao.

Having failed to invite the Qin Pavilion to join the Shen Clan, Shen Fuma decided to challenge Qin Shao to an alchemical duel.

"Sorry, I have absolutely no interest in this matter." Qin Shao again rejected the duel proposed by Shen Fuma.

Qin Shao had no interest in dragging his students into this kind of alchemical duels.

"Hey man, old are you afraid of your disciples will lose to me "a man young who was behind Shen Fuma said to Qin Shao with harsh words.

This man seemed to look down on Qin Shao and his disciples in the Qin pavilion.

Qin Shao was an extremely formidable old man, he did not show the slightest bit of anger when he heard the harsh words of the young man behind Shen Fuma.

Qin Shao probably didn't get angry when he heard the harsh words of the young man behind Shen Fuma, however, the disciples in the Pavilion Qin did not like what this young man had just said.

One of the disciples from the Qin Pavilion immediately went to the front of Qin Shao.

"Master, let me fight with this arrogant man, I don't want your reputation to be ruined because of that young man's words." This male student said to Qin. Shao.

This man called Min Cu, he was the best disciple in this Qin pavilion.

Min Cu couldn't stand the words of the young man behind Shen Fuma, that's why he wanted to fight alchemy with the young man behind Shen Fuma.

Qin Shao saw Min Cu kneeling in front of him, he could see the determination possessed by Min Cu who wanted to fight the young man behind Shen Fuma.

"Look Sir Qin, even your disciple dares to accept challenge this, but you are even afraid of challenge this, do you not want this disciple of yours" Shen Fuma said to Qin Shao.

Shen Fuma was very happy when he saw Min Cu who dared to accept this challenge.

"Very good, hurry up for accept this challenge, whatever happens you will lose against me, hahahaha" Shen Fuma laughed in his heart.

"Very well, I agree." Qin Shao had no other choice but to agree, if he continued to retreat in this state, then the Reputation of the Qin Pavilion would be completely lost in the royal capital.

Qin Shao didn't want the Qin pavilion's reputation to be lost in his hands like this.

Chapter 678: Alchemical battle (2)

"Hahaha it's great if Sir Qin dares to accept this challenge, I think Sir Qin will be scared and run away from the challenge I have given." Shen Fuma looked very happy when he saw Qin Shao accept the challenge he had given.

Now it only remains to execute Qin Shao who will definitely lose at his hands.

"Sir Qin, let's discuss the bet we will both make." Shen Fuma wanted to make a bet with Qin Shao.

"What bet do you want from me?" Qin Shao asked about the bet Shen Fuma wanted.

Qin Shao knew that in this case there would definitely be a bet, Qin Shao was already prepared for the worst that would happen.

"How about this, if I lose I will give 100 rare plants in my family to Sir Qin, whereas if Sir Qin loses, then Sir Qin must be a guest in the Shen family For 3 years, during those 3 years, Mr. Shen did not allowed to leave our Shen Clan." Shen Fuma started telling Qin Shao about the bet he wanted.

This time Shen Fuma was no longer eyeing the Qin Pavilion, the one Shen Fuma was eyeing right now was Qin Shao.

It seemed that from the start Shen Fuma's aim was not the Qin pavilion but Qin Shao, it was likely that the Shen Clan wanted Qin Shao to make a High Tier pill for them for free.

In the Kunlun Holy Land, the Alchemists profession was a very noble profession, the pay for once making a Pill was enormous, it wasn't strange that most Alchemists were quite wealthy in the Kunlun Holy Land.

Every cultivator who wanted to make a Pill had to pay an Alchemist to help make a pill.

The pay in this case can vary, some give profound crystals, medicinal herbs, a promise to help whenever needed, some even give a technique to alchemists so they want to make a pill.

There are many young cultivators who want to become an Alchemist, but some of them don't have the requirements to become an Alchemist.

Out of 1000 cultivators there would only be 1-3 people who could become an Alchemist, so it wasn't strange that the number of Alchemists was quite rare in the Kunlun Holy Land.

"Alright, I agree." Qin Shao easily agreed with the bet Shen Fuma wanted.

To Qin Shao this bet was not bad, 100 rare medicinal herbs was a considerable amount when compared to being a guest in the Shen Clan for 3 years.

3 years was an extremely short amount of time for a cultivator, it felt like 3 months for a mortal.

So it wouldn't be strange for Qin Shao to easily agree to the bet Shen Fuma wanted.

Shen Fuma smiled wickedly when he saw Qin Shao eating the bait he had given, Shen Fuma deliberately made a bet that was favorable to one side so that Qin Shao could easily be willing to bet with him.

If Shen Fuma made a bet that was in his own favor, Qin Shao would definitely reject this outright, for this reason Shen Fuma made a bet that Qin Shao could not refuse.

Even though he was still young, Shen Fuma was also quite smart, he was already very good at trapping someone into the trap he had set.

"Alright then what kind of competition do you want, my friend will follow whatever you want" Shen Fuma asked Qin Shao and Min Cu about what kind of battle Qin Shao and Min Cu want.

Shen Fuma gave Qin Shao and Min Cu the final decision to choose what alchemical battle they would do.

"How about making a Pill in Tier 3 called Poison Exterminator?" Qin Shao advised the two of them to make a pill called Poison exterminator.

Poison exterminator is a pill that is in tier 3 which has the middle level of difficulty, that means this pill is not the failure rate is not too high.

"Okay, I agree." Shen Fuma easily agreed with what Qin Shao just said.

"My friend, how can you make a Poison exterminator Pill?" Shen Fuma asked the young man behind him, he wants to know if this friend can make a Poison Exterminator Pill or not.

"Poison exterminator pills? ,It's too easy to make and not at all challenging for me." This young man felt that making Poison exterminator pills in the 3rd tier was not challenging for him at all.

"Then what kind of pill do you want to make?" Min Cu asked the man behind Shen Fuma.

Min Cu could not stand the arrogance shown by this young man, he wanted to immediately embarrass this young man with his Alchemist skill.

"Let's just make the Yellow Supreme Jade Pill, that's more interesting to do." This young man told Min Cu that he wanted to slightly increase the difficulty level.

The Yellow Supreme Jade Pill was an extremely high tier Tier 3 Pill, so the failure rate in making this pill was far greater than the Poison Exterminator Pill Qin Shao had just said.

The disciples from the Qin Pavilion were quite surprised to hear that this person was challenging Min Cu to make the Yellow Supreme Jade Pill.

The Yellow Supreme Jade Pill was extremely difficult to manufacture, at least making the Yellow Golden Jade Pill the equivalent of making a Pill that was in Tier 4.

This was probably an easy job for an old Alchemist with decades or hundreds of years of experience.

But for Min Cu who has only a few years of experience in the world of Alchemist, so this is a pretty difficult challenge for Min Cu.

"Why are you just silent like that, are you afraid to fight me, if you are afraid you can step down right now and I will be the winner" The young man behind Shen Fuma started to underestimate Min Cu.

"Who is afraid of you, I am not afraid of you at all, I will definitely fight you in an Alchemy battle." Min Cu seemed not afraid of the challenge the young man behind Shen Fuma wanted.

As an Alchemist, Min Cu should not be afraid of this kind of thing, he must dare to fight the fear he has in order to continue to go further in the world of Alchemist.

In the world of Alchemist failure is a common thing, without going through such a thing as failure, anyone will not be able to reach the highest stage of becoming an Alchemist.

"It's good if you dare, then let's start right away." The young man invited Min Cu to immediately start the Alchemical battle.

Min Cu and the young man started to get ready for the Alchemical battle, the two of them began to prepare the Furnace for making pills.

"Hey, husband are we going to see this or should we come to help?" Zhao Yanyan was currently in the crowd along with Ye Chen and Nanhua Caiyi, they had been watching what was going on between the Shen Clan and the Qin Pavilion.

"Let's see first what will happen, if the situation goes bad we will help them." Ye Chen told Zhao Yanyan to see what would happen next.

If the situation got out of hand perhaps they should provide assistance to the Qin pavilion.

"OK, I understand." Zhao Yanyan nodded at Ye Chen, they would continue to watch in the crowd and see what would happen next.

Chapter 679: Alchemical battle (3)

Min Cu and the youth who was where Shen Fuma was preparing to start their match, the people who were here also started to become denser, they all wanted to see what kind of battle an Alchemist was doing.

Some of these people even started to bet who would win the Alchemical battle that Min Cu and the young man who became Shen Fuma's friends would be.

"Oh yes, what's your name? ", Min Cu asked what is the name of the young man he will fight in the Alchemical battle.

"My name is Kang Dim, You can call me whatever you like." The name of this young man turned out to be Kang Dim.

"So your name is Kang Dim, alright, I am Min Cu, I will definitely beat you in this match." Min Cu is very confident if he can fight Kang Dim.

"We'll see who will lose." Kang Dim looks very underestimating Min Cu, he sees Min Cu as an opponent who is not worthy to use all the Alchemist abilities he has.

"You will see, I will definitely beat you." Min Cu will definitely beat this arrogant Kang Dim, he swore within himself to use all the abilities he had.

Min Cu and Kang Dim began to take out the cauldron they had, the materials for making Yellow Supreme Jade Pill had already been prepared by the Qin Pavilion, so Min Cu and Kang Dim only had to mix them until they became Yellow Supreme Jade Pill.

The Qin Pavilion only prepared one Set of materials to make the Yellow Supreme Jade Pill, so each person only had 1 chance to make the Yellow Supreme Jade Pill.

If you fail in the process of making the Yellow Supreme Jade Pill, you can be sure that you will immediately lose on the spot.

Min Cu and Kang Dim only have 1 chance, they must not make a small mistake during the process of making the Yellow Supreme Jade Pill or they will immediately lose on the spot.

Min Cu and Kang Dim started to put the ingredients set one by one into the cauldron they had, first they had to purify the ingredients before making a pill.

This process was a process that would determine the purity and efficacy of the Yellow Supreme Jade Pill that the two of them would make, so in this process they had to be able to refine the set of ingredients to make the Yellow Supreme Jade Pill into a pill of high purity.

Min Cu and Kang Dim started to focus on what was in their furnace, they both tried to keep the temperature inside the fire waiting to remain stable and not burn the ingredients to make the Yellow Supreme Jade Pill.

At this time all the audience tried to be quiet and not make a loud voice so as not to disturb the concentration that Min Cu and Kim Dim did.

"Mister Qin, can your disciple win against that young man named Kang Dim " Wu Ping asked Qin Shao is Min Cu can win against Kang Dim.

"Duke Wu, I also don't know about this matter, the Yellow Supreme Jade Pill is a pill that is quite difficult to make for young Min Cu in the Alchemist world, so I can only estimate that the chances of Min Cu succeeding in making the Yellow Supreme Jade Pill are only around Just 15%. "Qin Shao estimated that the success rate of Min Cu in making Yellow Supreme Jade Pill was only around 15%.

"Isn't that a very small number, are you not mistaken in predicting this?" Wu Ping felt that the prediction Qin Shao said was very small.

"I know my own disciple very well, so I won't be wrong in predicting this, if he succeeds in making the Yellow Supreme Jade Pill perfectly, then it will be a fortune he has." Qin Shao told Wu Ping that Min Cu only can count on his luck for now.

"So you're not even sure of your own disciple." Wu Ping could only sigh, it seemed that the Qin Pavilion had a very hard time winning battle.

If only current Wu Ping could help with this, he would definitely try to help the Qin Pavilion win this match.

"Husband, is the Yellow Supreme Jade Pill hard enough to make?" After hearing the conversation that Wu Ping and Qin Shao said, Zhao Yanyan asked Ye Chen whether the Yellow Supreme Jade Pill is difficult for someone to make.

"It's not a difficult pill to make, I think making the Yellow Supreme Jade Pill is as easy as turning a palm." Ye Chen told Zhao Yanyan that making the Yellow Supreme Jade Pill was easy enough to do.

The Yellow Supreme Jade Pill could be said to be a pill similar to the Pill which was in the early 4th tier, so for Ye Chen making the Yellow Supreme Jade Pill was quite easy to do.

The Yellow Supreme Jade Pill was a pill that could restore the profound energy of a cultivator, this pill only had 1 x use in 1 day, so if one took this pill once then they would not be able to take the effect of this pill a second time.

"you brag." The people around Ye Chen started sneering at Ye Chen, they didn't believe that Ye Chen could make Yellow Supreme Jade Pill so easily.

Everyone here was a cultivator, naturally they knew how hard it was to make a Yellow Supreme Jade Pill, even a talented young Alchemist like Min Cu and Kang Dim would have a little trouble making a Yellow Supreme Jade Pill.

And now there is a young man in strange clothes who is brave enough to say that making Yellow Supreme Jade Pill is very easy to do.

For a cultivator in the Kunlun Holy Land, the clothes worn by Ye Chen looked quite strange and not good to look at.

The average person here wore ancient clothes that could only be seen in ancient Movies, clothes like those in the Kunlun Holy Land were rarely seen in the mortal world.

Hearing these people start sneering at Ye Chen, Nanhua Caiyi did not feel very dislike, Nanhua Caiyi wanted to make people who had just sneered at Ye Chen feel the consequences for having dared to say such words.

This is the Kunlun Holy land, there is no law governing killing, every day killing occurs everywhere, it can be said that this place is like a jungle where the strong will survive.

"Caiyi, ignore the words of these people." Seeing Nanhua Caiyi want to make a move against people who sneer at him, Ye Chen immediately tried to stop Nanhua Caiyi.

Ye Chen didn't want Nanhua Caiyi to make a fuss bigger than this.

"Master, why did you stop me?" Nanhua Caiyi asked why Ye Chen stopped her, even though Nanhua Caiyi wanted to teach a lesson to people who were sneering at Ye Chen.

"Don't make trouble, just stand still beside me." Ye Chen told Nanhua Caiyi to be quiet and not create a problem.

Nanhua Caiyi could only nod at Ye Chen, she was very obedient to Ye Chen's words.

Ye Chen returned his attention to the Alchemical battle that was being carried out by Min Cu and Kang Dim, Ye Chen saw that the two of them had finished refining the ingredients to make the Yellow Supreme Jade Pill.

Now it remains only to extract all the refined ingredients into the Yellow Supreme Jade Pill.

This process seemed to be the most difficult process for Min Cu and Kang Dim, the slightest mistake could destroy them and lose.

Chapter 680: true identity of Kang Dim

In this process, every stage is very important, just a little mistake in extracting the material will be an explosion in the cauldron owned by Min Cu and Kang Dim.

Min Cu is currently sweating very hard all over his body, in this process he looks quite difficult, it seems that what Qin Shao said is true, Min Cu is still too ordinary to be able to make Yellow Supreme Jade Pill perfectly.

Meanwhile Kang Dim looked very relaxed when he was doing the process of extracting all the ingredients into the Yellow Supreme Jade Pill, he didn't have any pressure at all when doing this.

From here Ye Chen can see that the Alchemist skills of the two are not balanced, it is clear that Min Cu is far below Kang Dim in terms of Alchemist skills.

From this it can be concluded that Min Cu can have a chance to win if he gets a high level of luck.

Now Min Cu's fate is only determined by the luck he has, if he is not lucky then it is certain that the cauldron he has will explode.

Everyone saw Min Cu and Kang Dim who were very concentrated in making the Yellow Supreme Jade Pill, both of them seemed to be in their own world and couldn't be bothered by others.

These people might not know what was going on inside the cauldron of the two of them, but they knew that it must be a final process before the pills were made.

"Boom.. . , Boom.. . , "Suddenly a small explosion occurred in Kang Dim's cauldron.

Seeing that there was a small explosion in Kang Dim's cauldron, all eyes that were here immediately looked at Kang Dim's cauldron.

"Did he fail? "The people here want to know if Kang Dim failed in the process of extracting the purified ingredients.

"Looks like he just failed." One of the disciples from the Qin pavilion said in a loud and loud voice.

Seeing just now there was an explosion in Kang Dim's cauldron, the disciples who from the Qin Pavilion looked excited, finally they saw this arrogant man getting the result of his arrogant attitude earlier.

Now Min Cu just has to be able to make the Yellow Supreme Jade Pill and he will win this match.

Just as the disciples from the Qin Pavilion were about to celebrate their victory, Qin Shao began to close his eyes, he was displeased so quickly.

After watching what Kang Dim was doing in making Pill, he knew that this young man named Kang Dim had a higher talent than his student Min Cu.

So the chances of Kang Dim succeeding in making the Yellow Supreme Jade Pill are around 60% and above.

Kang Dim started to open his eyes, he started to open the lid of the cauldron that he had, when the lid of Kang Dim's cauldron opened, a very strong pill scent started to spread in all directions.

The disciples of the Qin Pavilion became gloomy when they smelled the scent emanating from Kang Dim's cauldron, this scent would only be smelled if someone managed to perfectly make a Pill.

That means that Kang Dim has now succeeded in making a Yellow Supreme Jade Pill perfectly.

It seemed they couldn't celebrate their victory any sooner after finding out that Kang Dim managed to make a Yellow Supreme Jade Pill.

Kang Dim started peeking into his cauldron, when Kang Dim peeked into his cauldron, he found a yellow pill which was quite perfect, with this pill Kang Dim was sure that victory would be his.

"Kang Dim smiled with great pride, now it's just a matter of waiting for Min Cu to finish the Yellow Supreme Jade Pill that he will make.

Shen Fuma looked very happy when he saw that Kang Dim had succeeded in making the Yellow Supreme Jade Pill perfectly, now that his victory was in sight.

Ye Chen who was in the crowd looked at Min Cu, he saw that Min Cu was in a depressed position, he looked very difficult when the process of extracting the ingredients into the Yellow Supreme Jade Pill.

Ye Chen decided to use **God Eyes** to look inside Min Cu's Cauldron, when Ye Chen used his **God Eyes** to peek inside Min Cu's Cauldron, Ye Chen found that Min Cu's Cauldron looked very messy.

Looks like Min Cu is no longer able to maintain the ingredients in the Cauldron.

From here alone Ye Chen can see that Min Cu 95% will fail in extracting the ingredients that have been purified before.

After just looking inside Min Cu's Cauldron, Ye Chen turned his attention to Kang Dim's Cauldron.

When Ye Chen looked inside Kang Dim's Cauldron, he found that the Yellow Supreme Jade Pill made by Kang Dim was quite perfect.

At least the purity level of the Yellow Supreme Jade Pill made by Kang Dim was about 80%, it was good enough to be above the standard set in the Kunlun Holy Land.

The pill purity standard set by the Kunlun Holy Land was around 70%, if it was below that it would be declared a pill of poor quality, meanwhile if it was above 70% it would be given a good quality.

"Bomm.. ., Bomm.. ., "Min Cu's Cauldron started to vibrate uncontrollably, Min Cu had lost access to control the fire and the ingredients in the Cauldron that he had.

So Min Cu's Cauldron is now very messy and can explode at any time.

"Min Cu, hurry back from there right now" Seeing this Qin Shao immediately told Min Cu to leave the Cauldron he had.

"No, Master, I can still do it." Min Cu still insisted not to leave that place, he wanted to try to control the chaos that was in his Cauldron.

Too bad Min Cu is too late, he can no longer control the chaos in his Cauldron.

"Boom" Min Cu's Cauldron exploded with a very loud sound, Min Cu who was in front of the Cauldron was immediately blown away by the explosion that had just happened to his Cauldron.

Min Cu was thrown hundreds of meters back, seeing Min Cu who was blown away by the explosion, Qin Shao immediately went to help Min Cu, he immediately grabbed Min Cu so as not to fly any further.

Min Cu's condition this time is quite bad, his whole body is black because he received the explosion from the Cauldron just now.

"Master, forgive me for disappointing you" Min Cu apologized to Qin Shao because he failed to beat Kang Dim.

"It is okay, everyone fails, you will not be disappointed as it is, failure is the best teacher for everyone" Qin Shao told Min Cu not to be disappointed and sad because he failed to beat Kang Dim.

"Sir Qin, it seems that your disciple has lost against my friend, according to our previous agreement, you must be a guest in my Shen family for the next 3 years" Shen Fuma immediately declared his victory.

"Okay, losing still losing, I'll accept the bet just now." Qin Shao easily accepted his loss.

"Master." All the disciples in this place want to try to stop Qin Shao from going to the Shen Clan.

"You all stop there, a deal is a deal, we must not deny what we have made." Qin Shao stopped all his students from stopping himself.

Qin Shao has already accepted his defeat, so he will be going to the Shen Clan for 3 years.

Wu Ping really couldn't do anything at this point, he couldn't possibly fight Kang Dim who had won the competition just now honestly and fairly.

Wu Ping would probably find a way to take Qin Shao back to this Qin Pavilion

Qin Shao advanced towards Kang Dim, "Hey Young Man, who is your real master, why do you have such great Alchemist skills at such a young age.

"Hehehe, my master's name is Hong Tei or better known as King Pill" Kang Dim told Qin Shao what the name of his master was.

Kang Dim's words just now were like a bolt of lightning for everyone in this place.

Everyone in this place naturally knew the name Hong Tei or King Pill.

Hong Tei is the greatest Alchemist in this Kunlun Holy Land, everyone in the Kunlun Holy Land must know how great Hong Tei is in Alchemist.

There was hardly anyone who could beat the skills Hong Tei possessed.
