

A True God 701

### **Chapter 701: let's go eat together**

"Yanyan, do you know how strong Queen is?" Wu Ping asked Zhao Yanyan if she knew how much power the current Queen had.

Zhao Yanyan shook her head at Wu Ping, Zhao Yanyan did n't know the cultivation base that Queen had.

"According to the rumors I heard, Queen's strength is currently at the tenth stage of the Overlord Realm, she is much stronger than you can imagine." Wu Ping told Zhao Yanyan what cultivation level Queen possessed.

"Tenth level of the Overlord Realm? ",Zhao Yanyan started to say what Wu Ping said earlier.

"Yes, that's right, even your grandfather is not an opponent for Queen, if something happens to Ye Chen I can't do something." Wu Ping told Zhao Yanyan that if Queen did something to Ye Chen, he wouldn't be able to do anything about it. that.

"Grandfather you don't need to worry like that, I'm sure Queen won't do anything bad to Ye. Chen, with Ye Chen's Alchemist talent, there's no way Queen would do something bad to Ye Chen. "Zhao Yanyan said to Wu Ping that there is a high chance that the Queen won't do anything bad to Ye Chen remembered Ye Chen is a talented in Alchemist.

Hearing Zhao Yanyan's words, Wu Ping started to think again, maybe the reason Queen invited Ye Chen to seek a friendship with Ye Chen, after all Ye Chen is a talented alchemist, so there is no harm in making a good relationship with Ye Chen.

The news about Ye Chen's Alchemist ability had spread very quickly to all corners of the Kunlun Holy Land, there would definitely be a lot of great power that would try to make good relations with Ye Chen.

so it's not strange that Queen also immediately sent a courier from the kingdom to invite Ye Chen to the royal palace.

That was probably the only reason Queen invited Ye Chen to go to the royal palace.

"Yes, maybe what you said is true" Wu Ping said that what Zhao Yanyan said was true too, Queen might just want to find a friendship with Ye Chen and would not do anything bad to Ye Chen.

Ye Chen smiled when he saw Zhao Yanyan so easily persuaded Wu Ping, Zhao Yanyan was very smart, she very easily persuaded Wu Ping to change his mind so quickly.

"Husband, let's go for a walk before you go to the royal palace." Zhao Yanyan invited Ye Chen took a short walk before going to the royal palace.

"Let's go for a walk for a while." Ye Chen nodded, he agreed to go for a short walk together with Zhao Yanyan.

"Are you two sure you want to meet that woman?" Wu Ping asked Ye Chen and Zhao Yanyan were they really going to meet Queen.

"Old man, let him do what he wants, after all, Ye Chen is still young, He is free to do what he likes." Yu Rou suddenly came and told Wu Ping to let Ye Chen go.

Ye Chen is a promising young man, there's no use for Wu Ping to hold Ye Chen in this place, it's better to let Ye Chen do what he wants.

Heard Yu Rou also defended Ye Chen, Wu Ping no longer voiced the voice he had, these two women had defended Ye Chen, there's no point in him saying any more.

"Grandma, thank you very much for allowing us." Zhao Yanyan thanked Yu Rou for letting them go.

"Husband, let's go." Zhao Yanyan grabbed Ye Chen's hand, she asked Ye Chen to go for a walk.

Ye Chen could only come along when Zhao Yanyan pulled him away from this room.

After Ye Chen and Zhao Yanyan left, Wu Ping and Yu Rou looked at each other.

" why are you looking at me like that ? ", Yu Rou asked why it was Wu Ping who saw herself in that way.

"No." Wu Ping shook his head.

"Rou, why did you just let your son-in-law leave, don't you know what a Queen is like." Wu Ping started questioning Yu Rou about this matter.

"Of course I know what Queen is like." Yu Rou answered that he knew what Queen was like.

"Then why did you let him go, aren't you afraid that Queen will steal Ye Chen from us by using her deadly charm? ",Wu Ping said to Yu Rou.

"Old Grandpa don't scream at me like that, I know what you are thinking right now, but try to think more logically, the granddaughter has very beautiful, even Queen is a little inferior to our granddaughter in terms of beauty, then what are you afraid of that "Yu Rou said to Wu Ping.

"It is true that Yanyan has very beautiful, but Queen has a charm that is much deadlier than the beauty of Yanyan, maybe you girls don't know what Queen's charm is like, but for men of course Queen's charm is hard to resist. Wu Ping said to Yu Rou.

"Forget it, let them do what they want, don't you take care of things like this again" Yu Rou told Wu Ping not to interfere in youth affairs.

Wu Ping can no longer say anything when Yu Rou said like this.

"Let's go have breakfast together." Yu Rou invited Wu Ping to go eat together.

"What did you just say ? ", Wu Ping asked Yu Rou who was beside him, Wu Ping could hardly believe what he just heard.

"Old man, are you already deaf, I said let's have a breakfast together" Yu Rou repeated the words she just said.

"Sigh, are you not wrong to say something like that, did you swallow a wrong pill today?" Wu Ping couldn't believe what just came out of Yu Rou's mouth.

"Bah, I didn't take the wrong pill." Yu Rou tried to refute what Wu Ping said.

Yu Rou tried to follow Zhao Yanyan's advice to try to improve the relationship she had with Wu Ping, it was for this reason that she was trying little by little to become what she used to be.

Yu Rou couldn't possibly be living together with Wu Ping like this, she had to start improving the relationship he had with Wu Ping.

After Zhao Yanyan came, Yu Rou felt that her life was back to how it used to be, so it wasn't strange that Yu Rou's hatred had started to decrease.

Even though Yu Rou wanted to repair the relationship she had with Wu Ping, Yu Rou didn't want to do it overtly, as a woman the pride she had couldn't do it.

"So you want it or not, otherwise I'll go alone." Seeing that Wu Ping did not respond to her words, Yu Rou became annoyed, she decided to go alone.

If Wu Ping no longer needed him, then what good would he do to mend her relationship with this old man.

"Wait, I'll come." Wu Ping immediately followed Yu Rou who was about to leave this place.

It was quite rare for Yu Rou to take an initiative like this, Wu Ping shouldn't miss this opportunity.

Wu Ping hopes to improve the relationship he has with Yu Rou, Wu Ping wanted them both to return to how they were before

## **Chapter 702: Take a walk in the royal capital**

Meanwhile Wu Ping and Yu Rou were trying to improve the relationship they had.

Ye Chen as well as Zhao Yanyan were currently taking a walk around the Wu Clan's territory, the two of them were looking around this place.

when Ye Chen and Zhao Yanyan looked around, the two of them saw that there were countless lanterns hanging on the roofs of every building along the way.

When Ye Chen and Zhao Yanyan were walking on the streets of the royal capital, several men and women often peeked at Ye Chen and Zhao Yanyan.

Men and women noticed Ye Chen's good looks and Zhao Yanyan's beauty.

Some women also looked at the butterfly necklace that was on Zhao Yanyan's, they felt very jealous when they saw the butterfly necklace hanging on Zhao Yanyan's neck.

The attraction possessed by the Heavenly Goddess Diamond is simply amazing, all women are really interested in this.

Zhao Yanyan and Ye Chen started to ignore the people who were looking at the two.

"Husband, isn't this our first time doing this kind of thing?" Zhao Yanyan said to Ye Chen.

As long as he and Zhao Yanyan were in touch, maybe this was the first time the two of them had a date like this, usually Ye Chen and Zhao Yanyan would go out together while looking for food.

"You're absolutely right, this is our first time out on a walk like this, Ye Chen has to admit that this is the first time he and Zhao Yanyan have done this kind of thing.

"Husband, let's go see the clothes shop, it looks like there are some good clothes." Zhao Yanyan pointed to a clothes shop located on the side of the road.

The clothing shop Zhao pointed to was Yanyan not that big. Even though the size was not very big, quite a number of people bought clothes at the shop.

It can be seen that the business in this shop is growing very well.

Ye Chen and Zhao Yanyan started to look at the clothes in this shop, there are various kinds of clothes that are presented in this place starting for children, young men, young women and there are even clothes specifically for the elderly.

Besides having good fabrics, the clothes in this place also have various motifs and patterns, you can choose all the clothes you like in this place.

"The clothes here are good." After entering the shop, Zhao Yanyan saw that the clothes in here were pretty good. It's no wonder this shop is busy, it turns out that what they sell can attract buyers.

"Husband, let's find clothes for you, you have to wear clothes like the people here." Zhao Yanyan told Ye Chen to wear old clothes too.

"Eh, why do I have to wear clothes like that?" Ye Chen asked why he had to wear the same as the people who were here.

"Never mind, don't ask too many questions, let's find a suitable dress for you." Zhao Yanyan didn't let Ye Chen ask more, he dragged Ye Chen away to find a suitable outfit.

Zhao Yanyan also wanted to see Ye Chen in an ancient outfit, he wanted to see if Ye Chen was suitable when wearing an ancient outfit.

"Young lady and young master, is there anything I can do for you two." A woman who worked in this shop immediately greeted Ye Chen and Zhao Yanyan with a smile that was quite friendly.

"I want a dress for my husband, please recommend it for me." Zhao Yanyan told the female employees to choose a suitable dress for Ye Chen.

Oh so young lady wants clothes for this young master, I have some recommended clothes for your husband, please come with me. "The shop employee told Ye Chen and Zhao Yanyan to go to the place where men's clothes were.

The shop employees took Ye Chan and Zhao Yanyan to the place where the most popular men's clothes were, this is where there are various types of clothes worn by men from the Kunlun Holy land.

"Zhao Yanyan started to look at all the clothes in this place, she started to carefully choose an outfit for Ye Chen.

Zhao Yanyan knew what Ye Chen was like, he didn't really care about this kind of thing, so he couldn't help but choose this for Ye Chen.

Zhao Yanyan began to carefully select the ones he thought were the best for Ye Chen.

Zhao Yanyan know that Ye Chen will receive all that he chose, karena Zhao Yanyan berniat untuk memilih yang paling tepat untuk Ye Chen.

After looking around, Zhao Yanyan found a black silk garment that looked quite good.

Zhao Yanyan felt that this black silk outfit would suit Ye Chen very well.

Zhao Yanyan hurriedly took the clothes.

"Ye Chen what do you think, do you like this" Zhao Yanyan showed the clothes in her hand to Ye Chen.

"I think it's good." Ye Chen felt that the clothes Zhaohad taken were Yanyan good.

"Then try it" Zhao Yanyan told Ye Chen to try on this outfit.

"Alright." Ye Chen nodded, he started to take the clothes that were in Zhao Yanyan's hand.

Ye Chen started to go to a small booth used for changing clothes.

"Miss, you are very lucky to have such a handsome husband." When Ye Chen just walked into the small room, the female employee who was beside said to Zhao Yanyan.

This female employee was quite jealous when she saw that Zhao Yanyan had such a handsome man, this woman had never seen a man who was more handsome than Ye Chen, even the rich young master who was in the capital was nothing compared to Ye Chen.

Zhao Yanyan smiled when he heard this, Zhao Yanyan felt very happy when there were women who praised Ye Chen like this.

Who is a woman who is not happy when they see the man they have complimented by others like this.

Ye Chen quickly started wearing the clothes Zhao Yanyan chose for him.

Ye Chen started to look at himself in the mirror right in front of him, Ye Chen's appearance in this suit was not bad, he thought it was good enough for him.

After finishing wearing the black silk shirt, Ye Chen came out of the booth to change clothes.

When Ye Chen came out, the two women who were outside the booth immediately looked at Ye Chen, they both saw Ye Chen who is in black clothes

Ye Chen's in this outfit looks very handsome, he looks like a handsome prince in a fantasy story.

"Husband, it suits you very well." Zhao Yanyan said that the clothes were quite suitable for Ye Chen to wear, Ye Chen looked even more handsome when wearing these clothes.

"Fine, if Yanyan says that I will take these clothes" Ye Chen decided to take these clothes for himself.

Ye Chen thought that this outfit was not bad, it felt quite comfortable for him to wear.

Ye Chen and Zhao Yanyan continued to look at the clothes that were in this shop, the two of them bought some clothes to spare if needed any time.

When Ye Chen and Zhao Yanyan walked out of the clothes shop, the two of them saw a crowd of people neatly lined up on the side of the road.

These people seem to be making way for someone.

"Husband, what's going on? ", Zhao Yanyan asked what was going on.

"I also don't know, let's ask one of the people who are here" Ye Chen wanted to ask one of the people who was here.

"Hello uncle, what is going on?", Ye Chen asked a middle-aged man who was nearby.

"Oh this, the people from the Gates of Eternity Sect seem to have come to the royal capital." This uncle said what was going on right now.

### **Chapter 703: Gates of Eternity Sect came to the royal capital**

Hearing this, Ye Chen and Zhao Yanyan looked at each other, it turned out that these people were making way for the group of people who came from the Gates of Eternity Sect.

"What is the purpose of this party coming to the royal capital? ",Ye Chen asked the uncle in front of him.

"Most likely these people will come to attend the 5000 year anniversary ceremony of the founding of the royal family." This uncle again told Ye Chen and Zhao Yanyan were most likely the people from the Gates of Eternity Sect who came to the capital.

Ye Chen nodded at the uncle in front of him, it turned out that these people had come to attend an event held by the royal family.

"Is the relationship between the royal family and the Gates of Eternity Sect good enough? " Ye Chen asked the uncle in front of him, Ye Chen wanted to know what relationship the Gates of Eternity Sect and the royal family had enough.

"Not really, these people are likely to come to cause a little trouble, you know that the anniversary of the establishment of this royal family coincided with the presence of the martial arts competition for young talented cultivators."

" cultivators Young from all corners of the Kunlun Holy Land with extraordinary talent will come to the royal capital to participate in this martial arts competition event, everyone is eyeing the grand prizes given to winners, even young talents from large sects as strong as the Gates of Eternity Sect are participating this thing ", this uncle started telling Ye Chen what was going to happen.

The young people of the Gates of Eternity Sect came because of this competition, they wanted to show everyone that their talents and abilities were stronger than all the other great powers.

"Oh, I see, it could be said that these people came to attend the upcoming competition" said Ye Chen to the uncle in front of him.

"Well it can be said like that" Uncle nodded to Ye Chen.

"Among the great powers that control the Kunlun Holy Land, the young talents of the royal family are always at the very back, maybe this year will repeat itself." This uncle said very helplessly.

"Last position? , Is the young talent in the royal family weak that? " Ye Chen asked the uncle in front of him.

"The young talent in the royal family is good, but the strength of the young talents of Shaolin and the Gates of Eternity Sect has recently gotten even better, which is why the royal family has always been in a bad position.

Hearing the explanation from the uncle in front of him, Ye Chen began to understand a little what was going to happen.

It looks like there will be a fierce battle between the young talents of the great power who control this Kunlun Holy Land, it looks like there will be something quite interesting to see.

When Ye Chen had just finished talking to this uncle, 15 people came wearing clothes from the Gates of Eternity Sect, because Ye Chen had met several times with the Gates of Eternity Sect, he naturally knew the clothes that people from Gates often wore. of Eternity Sect.

Here Ye Chen saw that there were a total of 12 young talents, 9 boys and 3 girls, while the remaining three 3 were 2 old man and 1 woman wearing a hood.

For a woman wearing a hood, Ye Chen felt a dangerous feeling from this woman, Ye Chen felt that a woman using this hood was very dangerous.

Ye Chen didn't know why he felt this dangerous feeling from this woman, he felt that this woman was very strong.

With the current Ye Chen's strength, he shouldn't be afraid of cultivators at the peak stage of the Overlord Realm or Divine Nascent Realm early stage.

But why did he feel such a dangerous feeling from this woman.

These people looked very proud when they walked in the middle of the crowd who opened the way for them.

Zhao Yanyan looked displeased when she saw that this was an entourage from the Gates of Eternity Sect.

For Zhao Yanyan today the Gates of Eternity Sect is an immortal enemy that must be stale quickly.

Ye Chen saw the changes that Zhao Yanyan doing was at this time, it seemed that Zhao Yanyan hated the Gates of Eternity Sect more than anything in this world.

As long as Ye Chen was with Zhao Yanyan, he had never seen Zhao Yanyan hate something like this.

It seemed that the Gates of Eternity Sect were something Zhao Yanyan hated the most in this world.

"Yanyan, calm down." Ye Chen told Zhao Yanyan to be more calm in dealing with this problem.

If Zhao Yanyan continued to show things like this so blatantly then, it wouldn't be good for their future plans.

Zhao Yanyan started to try to calm herself down, she tried to stay calm in the face of the people who came from the Gates of Eternity Sect.

The people from the Gates of Eternity Sect passed in front of Zhao Yanyan and Ye Chen.

When the people from the Gates of Eternity Sect passed in front of him, Ye Chen immediately memorized the faces that these people from the Gates of Eternity Sect had.

It would be useful for Ye Chen to deal with these people if the need arose.

When the woman wearing the hood crossed with Ye Chen, the woman wearing the hood suddenly turned towards Ye Chen.

Ye Chen's eyes and this woman's eyes met each other, the two of them looked at each other, both Ye Chen and this woman were looking for information from each other.

Both of them are both curious about the other party.

"Miss, is there anything" the old man who was beside this woman said to the woman wearing the hood.

From the attitude shown by this old man, he really respected the woman who was wearing the hood.

"It's nothing, let's continue." The woman with the hood told the man beside her that nothing happened.

Ye Chen and this woman couldn't stare for a long time, the two of them could only stare at each other for a moment before this woman walked away from where Ye Chen was.

"The aura given off by those people is truly amazing, they are indeed worthy of being the strongest sect in this Kunlun Holy Land." After the people from the Gates of Eternity Sect left, the uncle who was in front of Ye Chen finally said in an amazed voice. .

Earlier this uncle had difficulty speaking when he felt the aura emitted by the people from the Gates of Eternity Sect.

According to Ye Chen, those people had deliberately put out the aura they had to show the strength they had.

If only before that Ye Chen had not held back, he would definitely have countered the aura these people emitted.

The uncle in front of Ye Chen turned his gaze towards Ye Chen.

"Are you new here, you look foreign to the things in this place" This uncle began to ask if Ye Chen was new to this place.

"Yes, I'm still new to this place, so my wife and I still don't really understand what's in this place." Ye Chen told the uncle in front of him that he was still quite new in this place.

It was for this reason that Ye Chen didn't know about trivial matters like this.

"So you really are new to this place, you are lucky to come at a time of celebration like this, enjoy every time you have with your wife, you can get whatever you want in this place" Uncle told Ye Chen to enjoy this celebration.

#### **Chapter 704: You must get Queen's heart**

A celebration like this did not come every year, in the Kunlun Holy Land a celebration like this would only occur every 100 years.

"Thank you very much for the advice, my wife and I will continue to walk in this place" Ye Chen said to the uncle in front of him.

After thanking the uncle in front of him, Ye Chen and Zhao Yanyan started to continue their date.

Here Ye Chen was trying to make Zhao Yanyan's mood back to how it was before.

Zhao Yanyan currently seemed to be thinking about something, she was currently thinking of a way to fight the Gates of Eternity Sect, Zhao Yanyan didn't want to completely rely on Ye Chen, she wanted to make her own plans to fight the Gates of Eternity Sect.

"Yanyan, what are you thinking right now? ", Ye Chen asked what was thinking Zhao Yanyan right now.

"I'm thinking of a plan to fight the Gates of Eternity Sect." Zhao Yanyan told Ye Chen what she was thinking right now.

"Do you have your own plans for dealing with the Gates of Eternity Sect?" Ye Chen asked if Zhao Yanyan already had his own plans to deal with the Gates of Eternity Sect.

"I've been thinking about this problem since last night, it seems I have a separate plan for this matter." Zhao Yanyan said to Ye Chen that she already had a plan for this matter.

"What is your plan, I want to hear it." Ye Chen wanted to hear the plan Zhao Yanyan had.

Because Ye Chen wanted to listen to her plan had , Zhao Yanyan started whispering what she was planning todo to Ye Chen, Zhao Yanyan told full details of what she was planning .

"Eh, are you sure you want to do something like that?" Ye Chen was quite shocked when he heard Zhao Yanyan's plan.

"So why, do you think the plan I made was bad?" Zhao Yanyan asked Ye Chen.

"It's actually a good plan, but how did you get the Royal family to lend a helping hand to your plan just now? "Ye Chen asked how Zhao Yanyan made the royal family want to help her.

Inside Zhao Yanyan's plan that was just told to Ye Chen involved the royal family meddling, so Ye Chen wanted to know how Zhao Yanyan would convince the royal family to go help her.

"Fufufufu, it's very easy, isn't there you who can help me convince the royal family, after all, the leader of the royal family is Queen, just make her join us it will be easier" Zhao Yanyan told Ye Chen to subdue Queen and make her a member of the Harem.

"Huh, you want me to get Queen? "Ye Chen doesn't believe that Zhao Yanyan will force himself to get Queen.

"So why? ,What I heard from my grandmother last night Queen is a woman who is very beautiful and very sexy, I'm sure you will like a woman like Queen" Zhao Yanyan told Ye Chen that Queen is a very beautiful and sexy woman, Zhao Yanyan sure that Ye Chen will like a woman like Queen.

"Actually, what did you talk about with your grandmother last night, why do you know so much about this matter? "Ye Chen wants to know why Zhao Yanyan knows so much about this matter.

Actually what Zhao Yanyan and Yu Rou talked about last night, Ye Chen wanted to know this.

" Ye Chen is a private talk between women, you shouldn't know about that matter. "Zhao Yanyan told Ye Chen for not needing to know about this matter.

"Yanyan, why are you being so stingy with me." Ye Chen really wanted to know what Zhao Yanyan and Yu Rou were talking about .

"I won't tell you." Zhao Yanyan still insisted on refusing to tell Ye Chen what She And Yu Rou talked about last night.

For Zhao Yanyan what Yu Rou talked about last night was a secret that had to be very well guarded.

Since Zhao Yanyan didn't want to say it, Ye Chen had no other choice but to back down.

"So how do you get Queen?" Zhao Yanyan asked if Ye Chen could get Queen or not.

"I don't know, after all I've never seen that woman before, so I don't know if I can get that woman." Ye Chen said in an uncertain tone.

Ye Chen himself has never met Queen and has never seen for himself what Queen has, so it's not strange that he still doubts whether he can get a woman like Queen.

"Don't hesitate to yourself, you are quite competent when it comes to getting women, getting Queen shouldn't be difficult for you." Zhao Yanyan gave Ye Chen an encouragement to gain Queen's heart and body.

"Well if you insist, I'll try." Because Zhao Yanyan wanted himself to do it, Ye Chen would do it.

Ye Chen was quite happy to see Zhao Yanyan telling himself to get Queen, who is a man who is not happy when he finds out that their own woman ordered to get a beautiful woman like the ruler of this country.

"Fufufu, very good, I will look forward to good news from you" Zhao Yanyan will be looking forward to good news from Ye Chen, she hopes Ye Chen can get Queen as soon as possible to facilitate all the plans she has.

"Let's continue touring around this place." Ye Chen asked Zhao Yanyan to continue their date which had been delayed for a while because of the people from the Gates of Eternity Sect.

"Come on." Zhao Yanyan nodded, she started to wrap her arms around Ye Chen's.

It seemed that Zhao Yanyan's mood had gotten better again.

Seeing that Zhao Yanyan had returned to the way before, Ye Chen felt happy, now the two of them can continue to tour this place to enjoy this festival.

Ye Chen and Zhao Yanyan enjoyed touring around the royal capital, the two of them continued to enjoy everything around this place.

After hours of walking around and trying out the various stalls around this place, Zhao Yanyan was very satisfied.

"Earlier it was fun, this place turned out to be much more fun than a mall in our city." Zhao Yanyan felt that this place was much more fun than a big mall in big cities.

"Of course, there are so many things that we can't find in the Mall in the big city," Ye Chen told Zhao Yanyan that the two of them wouldn't be able to find things like this in the big cities in the mortal world.

"Then sometime we can do this again." Zhao Yanyan wanted to do something like this again with Ye Chen, she felt that it was quite fun to do.

"Okay, if there is time we can do things like this again" Ye Chen promised Zhao Yanyan that he would invite Zhao Yanyan again like this if there was free time.

Zhao Yanyan smiled at this. "Let's go back, I'm tired, After all, don't you have to go to the royal palace now?" Zhao Yanyan invited Ye Chen back to the Wu Clan manor.

Ye Chen nodded, he would escort Zhao Yanyan back to the Wu Clan manor before going to the royal palace to meet the Queen.

It would not be good to let Zhao Yanyan go home alone or something bad might happen to Zhao Yanyan halfway.

This was a cultivator's territory, in this place there were a lot of people who could do Zhao Yanyan badly, that's why Ye Chen had to make sure that Zhao Yanyan was still okay.

### **Chapter 705: Go To Royal Palace**

Ye Chen escorted Zhao Yanyan back to the Wu Clan manor, the two of them very quickly arrived at the entrance to the Wu Clan manor.

"Husband, just stop here for you to take me" Zhao Yanyan said to Ye Chen that if it is enough to stop here, Ye Chen will take her.

From here Zhao Yanyan was sure that he would be fine without Ye Chen.

"Okay, then I'll go see Queen first." Ye Chen started walking away from the entrance of the Wu Clan manor.

After confirming that Zhao Yanyan had arrived at the entrance to the Wu Clan manor, Ye Chen was able to go to the royal palace quite relieved.

"Husband, wait a moment" suddenly Zhao Yanyan stopped Ye Chen who wanted to go to the royal palace.

"What is wrong?" Hearing Zhao Yanyan calling himself, Ye Chen immediately turned around and looked at Zhao Yanyan.

When Ye Chen turned around to look at Zhao Yanyan, he found that Zhao Yanyan was right in front of him.

Zhao Yanyan suddenly stood on tiptoe and started to kiss Ye Chen's lips in front of her.

Ye Chen was completely unprepared for what Zhao had done to him.

Ye Chen didn't expect that Zhao Yanyan would suddenly kiss him like this.

Ye Chen and Zhao Yanyan kissed for some time before Zhao Yanyan took the lips she had away from Ye Chen's.

"Husbands fight hard, I will give you more rewards if you can get Queen" Zhao Yanyan told Ye Chen to fight harder to get Queen, she even promised Ye Chen a reward more than this if you can get Queen.

Ye Chen did not expect that Zhao Yanyan would say this, this girl is becoming bolder and bolder, Zhao Yanyan even started to dare to promise things like this to Ye Chen.

"What gift will you give if I can get Queen?", With a wicked smile Ye Chen asked what Zhao Yanyan would give him.

"This is a secret, if you have gotten the Queen I will tell you" Zhao's face blushed a little when she said this.

Hearing Zhao Yanyan's answer, Ye Chen started to guess what Zhao Yanyan might give him, Ye Chen became very excited about this.

"Wife, you promised me, you can't go back to your words just now, hehehe." Ye Chen chuckled at Zhao Yanyan.

Ye Chen couldn't wait to see what Zhao Yanyan would give him, if he succeeded in getting Queen.

Zhao Yanyan smiled at Ye Chen, she expected a lot from Ye Chen.

"Then what are you waiting for quickly leave right now" Zhao Yanyan drove Ye Chen to go to the royal palace as quickly as possible.

"Okay, I'll go, bye, bye." Ye Chen went to where the royal palace, he will go to meet Queen.

Since the royal palace hovered above the capital exactly, Ye Chen had to fly towards the royal palace that was above the sky.

Ye Chen very quickly arrived in front of the royal palace, if you look closely, the royal palace is bigger and more magnificent than Ye Chen thought.

Here Ye Chen saw that there were hundreds of guards guarding the outer walls that surrounded the area of this royal palace.

When Ye Chen came, several guards immediately went to question Ye Chen.

"What are you doing flying around this place, without any special permission are prohibited from flying around the royal palace" The guard approached Ye Chen and told Ye Chen if he is.

"I came here to meet Queen" Ye Chen was not angry when this guard warned him to stay away from the territory of the royal palace, he told the guard that he came here to see Queen.

Hearing what Ye Chen had just said, the guards who approached Ye Chen saw each other.

"You came to meet Queen, do you have anything as evidence" one of the guards asked Ye Chen about the evidence that he had an appointment with Queen.

Ye Chen took a paper that the courier sent by Queen to himself, he gave this paper to the guard in front of him.

The guards accepted the paper Ye Chen gave them, they started to look at the contents in the paper.

When the guards looked at the contents of the paper Ye Chen gave them, they found something truly extraordinary.

It was clear that there was a lipstick mark belonging to Queen on this paper, seeing this the guards immediately believed that Ye Chen was indeed invited by Queen to enter the palace.

"This is real, you can take it back." The guard hurriedly gave back the letter that the Queen gave to Ye Chen, he didn't dare to keep something like this.

Ye Chen received the paper back from the guard "So can I go inside?", Ye Chen asked whether he could go inside or not.

"Of course you can come in." The guard allowed Ye Chen entered the royal palace.

After seeing the letter from Queen just now, there was no way the guards would dare to stop Ye Chen, if they dared to stop or drive Ye Chen away, they and their families would be buried on the spot by Queen.

"Thank you very much, then I'll go inside" Ye Chen thanked this friendly guard, the guard in the royal palace was kind enough to him.

After thanking Ye Chen, he immediately went to the inner part of the royal palace.

"Poor young man , it looks like he will get bad luck from being targeted by the Queen." After Ye Chen's departure, the guards finally whispered to each other.

They all felt sorry for Ye Chen, after seeing the contents of the letter just now the guards knew that Queen was targeting this handsome young man.

The guards knew what would happen to the man who was being targeted by Queen, they would definitely not have a good ending when being pursued by Queen.

"Shh, don't be too harsh, do you want to lose your head?" One of the other guards reminded them not to discuss this matter or they will lose the head they have.

The problem about Queen is something that is quite sensitive, if it comes to them this matter reaches Queen's ears, then they can definitely be executed for committing defamation for Queen.

Everyone in the palace already knows that the man who deals with Queen will definitely end badly, that's why in this palace circle everyone tries to stay as far away from Queen as possible.

They didn't want to get into trouble with the Queen who said Rumors was a Succubus who ate men without vomiting bones.

"He's right, we better get back to work, that person's problem is none of our business." Another guard told people to go back to work.

There's no use lamenting other people's misfortunes like that, it's better that they improve their own lives to be even better.

Ye Chen is currently in the royal palace, he doesn't know that the guard he previously met was talking about himself wanting to meet Queen.

"Approximately where Queen is" Ye Chen began to wonder where Queen is currently.

"Hello, are you young master Ye Chen?" While Ye Chen was thinking where Queen was, a young woman came and approached him.

#### **Chapter 706: sneak into Queen's place**

"Yes, I am Ye Chen, what's wrong?" Ye Chen asked the young woman who came to him.

"Young master Ye Chen, I was given a mandate by Queen to take care of you for a while, Queen herself is currently discussing something very personal with someone important" This young woman told Ye Chen that she was assigned by Queen to take care of Ye Chen's needs for a while.

Queen was currently discussing something with someone, so she was unable to meet Ye Chen.

"Oh, so Queen is busy, then I'll just go back." Seeing the person he wanted to meet was busy, Ye Chen chose to go home and come back later when Queen had free time for him.

"Young master Ye Chen, please don't go." Seeing Ye Chen wanted to leave this place, this young woman immediately stopped Ye Chen.

"What else?" Ye Chen asked the young woman in front of him what he needed from him.

"Young master Ye Chen, please don't go, Queen has ordered this servant to meet your needs as long as Queen is not in this place, if Queen finds out that the young master left because of my negligence, then this servant will definitely be punished by Queen." The young woman told Ye Chen not to go leave this palace.

If Queen finds out that Ye Chen left this way, Queen will definitely be very angry with this young woman.

This young woman is just a maid who works in the royal palace, if she makes a mistake that makes Queen dissatisfied, then she will get a punishment from Queen.

Ye Chen saw this young woman in front of him, this woman looked like she wanted to cry in front of him.

Ye Chen felt guilty for looking like someone who had bully this young woman in front of him.

"Fine, I'll stay here." Seeing this, Ye Chen couldn't help but stay in this place.

"Thank you very much young master Ye Chen, you are very kind." The young woman in front of Ye Chen smiled very cheerfully, she was glad that Ye Chen did not leave this palace.

"Young master Ye Chen, come with me, I will show you a room where you can wait for the Queen." The young woman told Ye Chen to follow herself to a room that had been specially prepared for Ye Chen.

Ye Chen had no other choice but to follow behind this young woman, there was no way that Ye Chen would wait for Queen in the open like this.

The young woman guided Ye Chen to a special room that the Queen had prepared for Ye Chen.

In the room there are a total of 10 young women who have beautiful and shapely faces, it looks like these young women are maids who have been prepared to accompany Ye Chen in this room.

"Young master Ye Chen, while waiting for Queen to finish with her business, you can use this room at will." The young woman told Ye Chen that she could use this room at will until Queen came here.

Ye Chen immediately nodded to the young woman in front of him.

"Then I'll excuse me first, if you need anything you can order the young women inside to serve you." This young woman told Ye Chen that he could order the young woman inside to do whatever he wanted.

After telling Ye Chen if he could order all the maids inside to serve him at will, this young woman went to report to Queen that Ye Chen has arrived at this place.

After being abandoned by the young woman just now, Ye Chen was now in the same room as 10 maids who had quite a beautiful appearance.

Ye Chen started to remember what the young woman said just now, the young woman just said that he could do anything to these women.

Ye Chen smiled at these 10 beautiful maids in front of him, he wanted to try whether these women would do what he wanted.

"You all line up in front of me." Ye Chen tried to order all the maids in front of him to line up neatly in front of him.

Hearing Ye Chen's order, 10 maids who were standing scattered around this room immediately gathered right in front of Ye Chen.

They began to line up neatly right in front of Ye Chen, 10 beautiful maids were extremely obedient to the orders issued by Ye Chen just now.

Seeing this, Ye Chen felt very happy, this time he had 10 Maids who were quite beautiful who would accompany him in this room until Queen came here.

Ye Chen began to think of some way to enjoy the time he had with the 10 maids in front of him, rarely could he do this.

"Okay, I want you to do something for me." Ye Chen wanted all the maids to do something for him.

"Young master, what are your orders for all of us." All the maids responded very unanimously to Ye Chen's words.

Ye Chen started telling all the maids what he wanted, what Ye Chen wanted was very simple, he wanted a little service from the 10 maids in front of him.

All the maids who were lined up in front of Ye Chen nodded, they quickly carried out what Ye Chen wanted.

Some of the maids started to fetch dishes of food and fresh fruit for Ye Chen to eat, while others gave Ye Chen a massage.

Currently, Ye Chen was served very well by these 10 maids, he felt like a king who had immense Rule.

These maids worked with all their hearts, they were seen serving Ye Chen like serving their own master, Ye Chen even felt comfortable by the service provided by all the maids around him.

This way Ye Chen will not be bored while waiting for Queen to come here.

Time began to pass, until this second there was no sign of Queen's arrival here either.

"So long, how long does she want to make me wait like this?" Ye Chen was tired enough to wait for Queen to come here.

If you calculate it, Ye Chen has been waiting for almost 8 hours here for the arrival of Queen, until now there has been no sign of Queen coming here.

If it weren't for the 10 maids who served him wholeheartedly, Ye Chen might have left this place a long time ago.

Ye Chen felt tired to wait, he wanted to immediately settle the business he had.

Ye Chen started to think, since Queen didn't see him, why can't he just meet Queen, it will make this matter easier.

Ye Chen started to get up from the seat, when Ye Chen got up from the Seat, the maid who was massaging Ye Chen was shocked.

"Young master Ye Chen, where are you going?" One of the maids near Ye Chen asked where Ye Chen was going.

"I want to get fresh air outside" Ye Chen told Maid, that he wanted to find some fresh air in outside.

After saying this Ye Chen left this room, he would try to sneak into the place where Queen lived.

Ye Chen currently doesn't know where the Queen lives, because he doesn't know Ye Chen will try to go around the entire palace to find the whereabouts of Queen.

Ye Chen will start searching in the room closest to this place, it is possible that Queen's location is near here.

### **Chapter 707: met with Zhang Shiyun again**

Ye Chen started to wander around this palace, he started looking for where the Queen's residence was currently.

After searching for a while, Ye Chen still didn't find any sign of Queen's being, this left him quite confused.

"Approximately where is Queen at the moment." Ye Chen started to think quite hard about where Queen was right now.

"Is it possible that he is in the core of this palace? ",After thinking for a long time, Ye Chen started to think about the place Queen most likely lived in.

It was likely that the current Queen was in the core of this palace, as the No. 1 leader of the royal family, this woman must be given the safest and most comfortable place in this palace.

And it was most likely at the very depths of this palace.

"I will try to find it in the deeper part." Ye Chen tried to search the deeper part of this palace, maybe he would find Queen in the deepest part of this palace.

Ye Chen started to sneak into the inner part of the royal palace, when he slipped deeper Ye Chen found that around this place there were countless women guarding around the building that looked the most striking among all the other buildings in this place.

"Could this be Queen's residence?" When Ye Chen saw what was around him, he saw that it looked the best around here among all the places Ye Chen had visited in this palace.

So most likely this place was a very large Queen residence.

"I will look for him around this place." Ye Chen decided to look for Queen's whereabouts around this place.

Ye Chen started sneaking into a special area that not many people were allowed to come here, if someone was found sneaking around this place then they would be in quite a problem.

Ye Chen doesn't really care if he gets into trouble in this place, what Ye Chen wants right now is to meet Queen and discuss the matter of Ginseng of life edge, Ye Chen wants to get Ginseng of life edge right away from Queen's hand.

When Ye Chen sneaked to the back of the building, Ye Chen found an enormous bathing pool with several beautiful trees around this place.

Right in the bathing pool there is a beautiful and sexy woman who was washing her body lightly.

This woman had a very seductive body, even Ye Chen estimated that this woman was as seductive as Nanhua Caiyi.

In addition, this beautiful woman is wearing a very transparent outfit, when this outfit is exposed to water, Ye Chen can easily see this woman's Sexy body.

Currently this woman's position is back to Ye Chen, so Ye Chen can't see the face that has a woman who is bathing at night like this.

"Why is this woman a little familiar? ",Ye Chen muttered to himself.

Ye Chen felt that this woman was quite familiar with himself, Ye Chen felt that he had seen this woman somewhere.

Out of curiosity, once, Ye Chen tried to sneak closer so that he could see the sexy beauty taking a bath in the middle of the night like this.

Ye Chen started sneaking close to the bathing pool, he started to slowly get closer to the bathing pool.

When Ye Chen was very close to this beautiful and Sexy woman, he was finally able to clearly see the face that this beautiful and Sexy woman had.

This woman's face was already familiar to Ye Chen, he remembered that a few weeks ago he had seen this woman.

This woman was of course Zhang Shiyun, she was the mysterious woman Ye Chen met when he was dating with Su Mengxin and Ling Yin.

Ye Chen did not expect that he would meet Zhang Shiyun again in a place like this.

Ye Chen still remembered what Zhang Shiyun was like when he first met her, this woman had dared to tease himself under the table.

And now Ye Chen saw this woman taking a bath in the middle of the night like this.

When Zhang Shiyun was washing the body she had, Zhang Shiyun felt someone was watching her.

Feeling someone was watching her, Zhang Shiyun immediately turned her head to the direction where Ye Chen was hiding.

"Who's over there , hurry out right now or I'll attack you." Zhang Shiyun ordered the thief who was peeking out from her hiding place.

Zhang Shiyun wanted to know who was the one who had dared to peek at her bathing, this was the first time anyone had peeked at her in the bathing.

Ye Chen seemed to have just made a mistake that was quite fatal, Ye Chen made himself found by Zhang Shiyun.

Because Zhang Shiyun found himself, there was no use for Ye Chen to hide. It's better to go out and meet this woman.

Ye Chen came out of his hiding place and stood right beside the bathing pool that Zhang Shiyun was currently using.

"Ye Chen, how did you get here" Zhang Shiyun was quite surprised when he saw that the person who was peeking at him was Ye Chen.

Zhang Shiyun could not understand that the thief peeking at her was Ye Chen.

"I just happened to be passing by this place, unexpectedly in a place like this there is you." Ye Chen told Zhang Shiyun what happened.

Zhang Shiyun was quite a woman who was quite brave, she didn't look embarrassed when Ye Chen was standing right in front of her like this.

Hearing this, Zhang Shiyun smiled gently at Ye Chen. "So you just peeked at me, I didn't think you were a young man who was brave enough." Zhang Shiyun said that Ye Chen was someone who was brave enough to peek at her in the bathing.

Ye Chen was a little awkward when he heard Zhang Shiyun's words, this made Ye Chen look like a thief who was peeking at Zhang Shiyun.

"Ye Chen, why are you in the Kunlun Holy Land, let alone in this royal palace?" Zhang Shiyun asked why Ye Chen was here.

"I'm here because Queen invited me here " Ye Chen told Zhang Shiyun, that he came here because of an invitation from Queen.

"Oh, so came here because of an invitation from Queen?" Zhang Shiyun nodded slowly to Ye Chen.

"Why are you here, are you part of the royal family?" Ye Chen wants to know what identity Zhang Shiyun has, he wants to know who the real Zhang Shiyun is in front of him.

"I am a loyal servant of Queen, of course I am part of the royal family." Zhang Shiyun told Ye Chen about her identity.

As Ye Chen thought rightly, this woman was a loyal servant of Queen.

" Ye Chen, you are brave enough to sneak into the Queen's residence, if Queen finds out that you sneaked into her place, I wonder what she will do to you. " Zhang Shiyun told Ye Chen about the consequences of sneaking into the Queen's residence.

"Who is afraid of Queen, if he dares to find trouble with me, I have a thousand ways to deal with that woman" Ye Chen told Zhang Shiyun that he had a thousand ways to deal with Queen.

Zhang Shiyun could only smile wryly when she heard this from Ye Chen, Zhang Shiyun did not expect that Ye Chen would dare to say this in front of herself.

### **Chapter 708: Do you dare ?**

"Zhang Shiyun, do you know where Queen is right now?" Ye Chen asked about Queen's whereabouts to Zhang Shiyun who was in front of him.

"Queen is currently not here, you are very lucky Queen is not here, if not possible you will get a big enough problem" Zhang Shiyun said that Ye Chen is very lucky because Queen is not here.

"Too bad, even though I really wanted to meet him" hearing that Queen was not here, Ye Chen looked very disappointed.

It looks like the Queen he is looking for is still not here, Ye Chen starts to wonder where Queen is currently.

"Hey, Zhang Shiyun do you know where the current Queen is?" Ye Chen wants to know where the current Queen is.

"I don't know," Zhang Shiyun answered Ye Chen's question, she told Ye Chen that she did not know where the current Queen was.

"Aren't you the Queen's servant, you should know where the current Queen is" said Ye Chen to Zhang Shiyun.

"Do you think I am the worm in Queen's stomach who knows where she is right now?" Zhang Shiyun looked dissatisfied when she said these words to Ye Chen.

The answer given by Zhang Shiyun made Ye Chen utterly helpless, it seemed that Ye Chen could not expect from this woman.

Since Ye Chen met Zhang Shiyun in this place, he began to think that Queen had been eyeing him for a long time.

"At that time you met me because of Queen's orders?" Ye Chen started to interrogate Zhang Shiyun who was in front of him.

"So what do you think, whether the Queen sent me or not" Zhang Shiyun instead asked Ye Chen back.

"I think Queen has sent you to see me at that time" Ye Chen told Zhang Shiyun that Zhang Shiyun must have been ordered by Queen to spy on him.

"Bingo, you're pretty smart too, Queen has known about you for a long time, and I know Queen is after you" Zhang Shiyun told Ye Chen that he was being targeted by Queen.

"Why is Queen targeting me do you know what she wants from me?" Ye Chen asked Zhang Shiyun who was in front of him.

"Ye Chen, I am the servant of the Queen, do you think I will tell what Queen is planning for you?" Zhang Shiyun said that she wouldn't tell Ye Chen what is planning by Queen.

"Why not, if you wanted to talk to me, you would definitely want to tell me what that woman was up to?" Ye Chen said to Zhang Shiyun.

"Hmm, how interesting, you are very confident that I will tell you about this, unfortunately I will not tell you what you want" Zhang Shiyun said that he would not tell Ye Chen about what Queen planned.

"So you really don't want to tell me?", Ye Chen once again asked Zhang Shiyun who was in front of him.

"I won't say anything even if you force me to do it" Zhang Shiyun told Ye Chen that she would not tell Ye Chen about the secret she had.

"If you insist on not saying it, don't blame me if I use a few difficult means to get you to talk." Ye Chen threatened to use a slightly difficult method to get Zhang Shiyun to speak the truth.

"Do you dare to do that, here is a restricted area which is quite tight, if I shout then all the guards will come here immediately to arrest you" Zhang Shiyun told Ye Chen that here she was in full power.

"Hahahaha." Ye Chen burst out laughing when he heard what Zhang Shiyun had just said.

For Ye Chen the threat from Zhang Shiyun was meaningless to him at this time, even if all the guards came here, Ye Chen had countless ways of dealing with them.

"Why are you laughing instead, is there something funny?" Zhang Shiyun felt strange about Ye Chen, why did Ye Chen suddenly laugh like that.

"You are really funny, do you think I'm afraid of the little guards in this palace, to me they are not a threat so don't use them to threaten me like that." Ye Chen told Zhang Shiyun that the threat he just made was a threat jokes funny enough to be heard.

"Ye Chen. You may not be afraid of the little guards around here, but this is still the territory of the royal family, if you cause trouble in this place, you will get a big problem." Zhang Shiyun warned Ye Chen again if this is the territory that belongs to the royal family, if it is Ye Chen made trouble in this place so it can be that confirmed Ye Chen will offend the royal family.

"You know, I've never been afraid of the royal family, the royal family doesn't have enough strength to move me." Ye Chen suddenly appeared in front of Zhang Shiyun, he stretched his hand around Zhang Shiyun's snake waist.

When Ye Chen touched Zhang Shiyun's snake waist, he found that Zhang Shiyun's waist was quite perfect, this woman was really born with a very sexy body, every man who saw Zhang Shiyun's appearance would be very excited.

Unlike the woman Ye Chen had cornered like this, Zhang Shiyun looked very relaxed when Ye Chen grabbed her waist.

Zhang Shiyun looked quite ordinary when Ye Chen held her body in this manner.

Zhang Shiyun smiled slightly when she saw what Ye Chen was doing to her at this time.

"Ye Chen, your courage is quite high too, apart from peeking at me you even dare to do this to me" Zhang Shiyun said to Ye Chen who was in front of him.

"If I don't have this kind of courage, then I am not worthy of being a man", Ye Che answered Zhang Shiyun's words.

Ye Chen was a man, if he didn't have the courage of a woman like Zhang Shiyun, then he wasn't worthy of being called a man.

"You are more and more attracted to me," Zhang Shiyun felt that she felt more and more attracted to Ye Chen, Ye Chen was the first man that Zhang Shiyun was attracted to like this.

Ye Chen : " Zhang Shiyun, hurry and tell me what Queen really planned, I want to know everything from you, if you do not tell me what you know then".

"Then what?" Zhang Shiyun wanted to know what Ye Chen would do to her.

"Then I will use the means of that time to deal with you" Ye Chen whispered in Zhang Shiyun's ear.

Ye Chen told Zhang Shiyun that he would use the method at that time to deal with Zhang Shiyun.

Zhang Shiyun immediately remembered what happened when she met Ye Chen in the capital, at that time Ye Chen made herself lose with the technique she had.

Zhang Shiyun, still clearly remembered the pleasure provided by Ye Chen's touch of feet, Ye Chen's skills were the best Zhang Shiyun had ever seen in this life.

"Do you dare?" Zhang Shiyun seemed to be challenging Ye Chen, Zhang Shiyun was ready to expose the identity she had in front of Ye Chen.

Zhang Shiyun wanted to see Ye Chen's reaction when he found out who he really was.

### **Chapter 709: Ye Chen & Zhang Shiyun (1)**

Ye Chen didn't expect that this woman would challenge himself in this way, it seemed like he had to make this woman remember the lesson he had taught at that time.

Ye Chen started to touch the sexy and plump body in front of him, Ye Chen already felt quite excited when he saw Zhang Shiyun in this appearance.

There is nothing wrong with playing with women a little more, after all Zhang Shiyun is quite beautiful and smart, plus she is a trusted Queen, if Ye Chen can get it, it will be easier for him to get Queen.

When Ye Chen's hand touched Zhang Shiyun's body, Zhang Shiyun began to feel that her body was getting hot and uncomfortable.

This situation was the same as before, he had become weak when it came to Ye Chen's technique.

"Damn, why did I become weak by this brat's technique." Zhang Shiyun cursed herself for being weak when dealing with Ye Chen.

Zhang Shiyun herself cultivated a high enough Dual Cultivation technique, it should be with her Dual Cultivation technique that she could resist the invasion from Ye Chen's fingers.

However, the reality is not like the image of Zhang Shiyun, Zhang Shiyun became weak with the hand skills that Ye Chen had.

"Huft.. . , huft.. . , huft.. . , "Zhang Shiyun's breathing started to become irregular, it can be seen that Zhang Shiyun was holding back the invasion from the hands of this naughty Ye Chen.

"So what, do you want to say it or not? ", Ye Chen asked whether Zhang Shiyun wanted to tell Queen's secret or not.

"Me.. . , Will not. . . , tell you "Zhang Shiyun still refuses to tell Ye Chen about the Plan Queen has for Ye Chen.

"You're such a stubborn woman." Ye Chen told Zhang Shiyun that she was a very stubborn woman.

"I am indeed a stubborn woman, you will not be able to force me to say what I do not want" Zhang Shiyun told Ye Chen that she is indeed a stubborn woman.

Zhang Shiyun also said that she would not tell Ye Chen about the secrets she had.

"Then let's see if your stance will remain standing or collapse" Ye Chen will destroy stance Zhang Shiyun's.

Ye Chen would definitely make this woman obey him, for that Ye Chen had to let Zhang Shiyun know who he really was.

Ye Chen's hand that previously touched Zhang Shiyun's body, now began to move towards the double peak F Cup size that Zhang Shiyun had.

Zhang Shiyun's double peak size was quite large as well as it turned out, this was the same as some of Ye Chen's other women who were already quite well developed.

Although this is still inferior when compared to Qing Cheng and Ye Xiu's G Cup size.

Despite losing to Qing Cheng and Ye Xiu, Zhang Shiyun was still something good, namely the softness of these two things.

These two things were very soft and very springy, this was the softest and chewiest Ye Chen had ever tried.

Perhaps it would be very comfortable if Ye Chen buried his head in the gap in the middle of this towering double peak.

"Um.. ., Um.. ., Um.. .," Zhang Shiyun started to let out a very soft moan when her double peak was played by Ye Chen.

This feeling was truly extraordinary, Zhang Shiyun felt that this was the best thing he had ever felt in this life.

Zhang Shiyun did not believe that Ye Chen's technique of flirting with women would be this strong, it was fitting that there were many women who followed this man, it turned out that Ye Chen's technique was so great that it made the experienced Zhang Shiyun have to admit this.

Ye Chen saw that Zhang Shiyun had truly fallen into his evil grip.

"So you want to say it or not" Ye Chen whispered again in Zhang Shiyun's ear.

While squeezing these two large, soft and springy objects, Ye Chen asked if Zhang Shiyun would like to tell him what the Queen was planning against him.

"Me.. . will not. . . tell you.. ." Zhang Shiyun's words halted slightly, Zhang Shiyun was trying to resist Ye Chen's powerful invasion.

It seemed that Zhang Shiyun was more difficult than Ye Chen thought, it seemed that Ye Chen had to use his true skills to subdue this woman.

Ye Chen's two hands started to go up to the top of Zhang Shiyun's mountain, he began to pinch Zhang Shiyun's two cherries which already felt quite hard.

It seemed that Zhang Shiyun's body was already very excited when she was being toyed with by Ye Chen's fingers.

"You pervert woman, you are hardened even by a little touch." Finding this out, Ye Chen whispered in Zhang Shiyun's ear.

"Isn't it because of you?" Zhang Shiyun started to blame Ye Chen, if it weren't for Ye Chen herself wouldn't be excited like this.

"Really, then why don't you tell me what happened to me, if you say it I will make you even more comfortable" Ye Chen told Zhang Shiyun to say what he wanted.

"I told you that I wouldn't tell you" Zhang Shiyun still stood in her stance to say nothing to Ye Chen.

Zhang Shiyun was still so stubborn, it seemed like Ye Chen had to use some other means to get women to talk.

In her heart, Zhang Shiyun currently felt very happy, Ye Chen's technique was truly Great, Zhang Shiyun felt that she was in heaven when she felt Ye Chen's hand technique.

Zhang Shiyun felt that he would soon reach the top, Zhang Shiyun longed for the feelings brought by Ye Chen like that time.

When Zhang Shiyun felt that she would reach the top, Zhang Shiyun suddenly felt that Ye Chen's hand suddenly moved away from her.

When Zhang Shiyun looked back, she found that Ye Chen was starting to move away from her.

From the start, Ye Chen did this on purpose, he let Zhang Shiyun feel uncomfortable so that this woman would feel the consequences for daring to oppose him.

Now Ye Chen only needed to wait for Zhang Shiyun to beg him to continue what he had previously done, so Ye Chen could make this woman do what he wanted.

Zhang Shiyun currently felt a very uncomfortable feeling, she felt that her body was very uncomfortable because she didn't get the intake from Ye Chen's technique just now.

"Why did you stop? , Didn't you say you wanted to force me to tell secrets about Queen?" Zhang Shiyun asked why Ye Chen suddenly stopped like this.

Zhang Shiyun herself didn't want to lose herself for Ye Chen, that's why Zhang Shiyun was seen pretending to challenge Ye Chen so that Ye Chen would want to continue what he had previously done.

"Forget it, because you don't want to say it there is no use forcing you." Ye Chen told the reason why he had stopped teasing Zhang Shiyun.

Ye Chen's play was so clever, he tried to corner Zhang Shiyun into pleading with him.

Ye Chen very well knows that Zhang Shiyun is currently very uncomfortable, Zhang Shiyun must have wanted to continue what the two of them had previously done.

### **Chapter 710: Ye Chen & Zhang Shiyun (2)**

What Ye Chen thought was right, Zhang Shiyun was currently very uncomfortable, she wanted to feel Ye Chen's touch again which made her very excited.

"This person really pissed me off, why did he stop when I was happy" Zhang Shiyun was very dissatisfied with Ye Chen who suddenly stopped halfway like that.

Even though Zhang Shiyun would already feel the feeling of being a real woman, it was undermined by Ye Chen who suddenly stopped like that.

Zhang Shiyun wanted to get the comfortable feeling that Ye Chen gave to her, Zhang Shiyun always got what she wanted, therefore she had to make Ye Chen a person who was loyal to herself.

Zhang Shiyun knew how to make Ye Chen loyal to himself, he would use his charm to make Ye Chen a loyal man who served by his side.

Zhang Shiyun started walking toward Ye Chen who was in front of him, after arriving in front of Ye Chen, Zhang Shiyun suddenly cornered Ye Chen to the edge of this bathing pool.

"Ye Chen, you really are quite naughty, after doing that to this woman, you were brave enough to stop and make this woman feel uncomfortable." Zhang Shiyun said to Ye Chen who was in front of her.

Zhang Shiyun really felt very uncomfortable with what Ye Chen was doing, she felt that Ye Chen was playing around and teasing her from the start.

"If you want to beg maybe I will continue what I previously did" Ye Chen answered Zhang Shiyun who was in front of him.

Ye Chen told Zhang Shiyun that he will continue to do them if you Zhang Shiyun want appealed to him.

"So you want me to beg you, unfortunately I don't like begging anyone, I prefer to be aggressive and attack you." Zhang Shiyun suddenly started acting aggressively in Ye Chen teasing body.

Zhang Shiyun's hand began to reach into Ye Chen's trousers, Zhang Shiyun's small and soft fingers began to touch the big brother who was in the cage.

Zhang Shiyun was quite surprised when she touched Ye Chen's younger brother who was down there, she could not believe that Ye Chen had this much capital.

"Geez, this is so big, it hasn't even fully risen from its sleep yet." Zhang Shiyun could hardly believe what she was holding right now.

For Zhang Shiyun, Ye Chen's thing was enormous even when he was still not fully awake, if this large thing woke up Zhang Shiyun did not know what kind of terrifying weapon this would be.

When Zhang Shiyun's fingers started teasing the one belonging to Ye Chen who was below, Ye Chen's sleeping younger brother immediately woke up and raised his weapon up high.

Zhang Shiyun's hand skills were far more powerful than Ye Chen thought, it seemed this Zhang Shiyun had experience in this kind of thing.

When Ye Chen looked at Zhang Shiyun, he found that Zhang Shiyun's eyes were filled with a very strong love, it turned out that this woman was more perverted than Ye Chen.

"You're brave enough to wake up a sleeping dragon, aren't you afraid of the consequences" Ye Chen said to Zhang Shiyun.

"Of course I knew the consequences would I get, you have a large object under, I so wanted to try a little" Zhang Shiyun not take it anymore, she wanted to try a taste of the weapons possessed by Ye Chen.

Without waiting for Ye Chen's approval, Zhang Shiyun removed Ye Chen's belt.

After removing Ye Chen's belt, Zhang Shiyun immediately stripped Ye Chen's clothes very quickly.

Ye Chen was again shocked by Zhang Shiyun's courage, Zhang Shiyun was very brave to take off the clothes that Ye Chen was wearing.

After being stripped of Ye Chen's clothes, Zhang Shiyun saw an enormous and immense object right before her eyes.

This thing was bigger than Zhang Shiyun's estimate, at least it was bigger than the wrist she had.

"Glup" Zhang Shiyun swallowed her saliva, she still couldn't believe that there would be an object this big in this world.

Ye Chen's weapon was extremely extraordinary, this was something that every woman in this world dreamed of so much.

Ye Chen was a little happy when he saw Zhang Shiyun's face, who was shocked when she saw his object, now he could feel proud in front of this beautiful and sexy woman.

Who is a man who is not proud when he sees a beautiful and sexy woman like Zhang Shiyun who looks surprised when she sees his object, all men will feel proud of this.

Zhang Shiyun was still unconscious from the shock, Ye Chen's object made her very shocked.

"So do you want this thing? ",Ye Chen asked Zhang Shiyun who is currently kneeling under his feet.

Zhang Shiyun looked up, she subconsciously nodded at Ye Chen.

Zhang Shiyun looked absent-minded, she actually nodded at the words Ye Chen had just asked.

Even Zhang Shiyun had forgotten the pride she had maintained so far.

Now think of Zhang Shiyun only in the large thing Ye Chen that is before her eyes.

Seeing Zhang Shiyun being obedient like this, Ye Chen looked very happy, it turned out that making this woman obedient was very easy to do.

Zhang Shiyun began extending her hand towards Ye Chen's large object, she began to grip Ye Chen's large object very gently.

Zhang Shiyun was afraid that if she was a little hard she could injure this large object, if that happened then Zhang Shiyun would not be able to taste the taste of Ye Chen's large object.

"I did not expect that a child like you would have such a great thing" While stroking the object in her hand with gentle movements, Zhang Shiyun said to Ye Chen.

"Who are you saying a kid, don't you see mine, how dare you call me a kid" Ye Chen doesn't like it when someone calls him a kid like this.

"Fufufu, you are very young, so I call you that" because Ye Chen is 17 years old, it is not strange that Zhang Shiyun, who has lived hundreds of years, would call Ye Chen a child.

"We'll see if you dare to say that after trying mine." Ye Chen challenged Zhang Shiyun to try his thing.

"Really, then let's try how great your abilities are." Zhang Shiyun began to bring her lips closer to the large object in front of her.

Zhang Shiyun started to open her mouth and swallowed this huge object.

Almost  $\frac{3}{4}$  of this large object entered Zhang Shiyun's mouth, Zhang Shiyun seemed to have no trouble eating this large object.

Zhang Shiyun began to move to serve this large object in front of her, she looked like she was eating the best food in this world.

"Emmm" suddenly Ye Chen groaned as he tried the feeling of Zhang Shiyun's warm mouth.

Zhang Shiyun's mouth was too comfortable, Ye Chen felt his belongings enter into a warm and very soft place.

In addition, Zhang Shiyun's tongue was very skillful, she knew how to make Ye Chen feel comfortable.

Ye Chen enjoyed this very much, he left everything to Zhang Shiyun to lead the way.

After all, this woman was quite skilled, so Ye Chen no longer needed to teach Zhang Shiyun about this matter.
