

Chapter 71 - Bai Sheng Is On The Edge

"Bai Sheng, are you aware of your actions?" Liu Yue was very angry, even the shareholders could feel the anger of Liu Yue who was blazing.

"Director Liu must be a little mistaken, Du Yao is the bodyguard that I just hired, and I'm not too familiar with him" Bai Sheng could only find an excuse for what Du Yao had done before they all fainted.

"Du Yao is a bastard where did you go when this situation" Bai Sheng cursed Du Yao in his heart.

"Are you sure you don't have the person who just stabbed Ye Chen just now?" Liu Yue questioned that to Bai Sheng.

Liu Yue Actually knew the relationship between Du Yao and Bai Sheng from the video shown by Ye Chen yesterday, Liu Yue was just waiting for the right time to show the video so that Bai Sheng could not do anything else.

"Of course I am telling the truth, I will immediately call the company that employs that person and complain about this problem." Bai Sheng was very happy when he won his cellphone.

"Alright I'll take your word just now, Ye Chen please release the video" Liu Yue immediately told Ye Chen to issue proof of the conversation between Bai Sheng and Du Yao.

Ye Chen understood and immediately took the cellphone out of his pocket, Ye Chen immediately played a video of the conversation between Bai Sheng and Du Yao, and showed everyone who was here.

Bai Sheng: "Mr. Du Yao did the poison you gave Situ Rui this time really kill him".

Du Yao "You don't need to worry. I'll make sure that in less than one week the grandmother will surely die, this time the poison will definitely be difficult to cure, this poison can't be found so you don't have to worry about being suspected of being a suspect".

Bai Sheng's Wife: "It's good that our plan this time will run smoothly and soon we can take over Liu's company,"...

Bai Sheng: "As long as the old lady dies soon, all of her shares will be handed over to Liu Yue, we only need to make Liu Yue surrender all her shares to us".

"But father, how do we get women like Liu Yue to give up their shares for free, isn't that really difficult for us to do.

Du Yao "don't worry I will give you a poison that can make people obey what you want, all you need to do is give the poison to Liu Yue, then you can control Liu Yue all you want like a puppet".

Bai Sheng: "That's great, Mr. Du Yao. I'm glad to be able to work with you."

Du Yao: "But don't forget that your promise gives me 15% of shares, if you dare to renege then I will definitely not let you go"

Bai Sheng: "Take it easy Mr. Du Yao as long as this plan runs smoothly I will not forget the agreement we made from the beginning".

After the video on the entire room was silent, even the slightest sound could not be heard, the 24 shareholders who were in Bai Sheng's camp were shocked, Bai Sheng was the hardest hit person, he immediately fell back into his seat.

"It's over, my life is over" That's all that could cross Bai Sheng's brain

"Bang" door suddenly arrived by force, immediately everyone's eyes focused on the door that had just opened.

Luo Bing no longer wears OL, but wears his police uniform.

It turned out that the person who opened the door by force was policeman Luo Bing, Bai Sheng and Bai San shrunk when this female policeman entered the room by force.

Luo Bing who saw the situation in the room was shocked, because Du Yao and the person who Sneak attacked him had disappeared from this room, the situation in this room was well controlled, even though this room was far more chaotic than before he fainted.

"What really happened here, where did the two people from the evil sect go" Luo Bing was very confused about what happened after he collapsed, the situation in this room was not what Luo Bing had imagined.

Even though Luo Bing thought that the two people from the evil sect were holding people in the room, but the situation on the ground was different from Luo Bing's expression.

Previous

Luo Bing woke up and rose from the sofa, while looking around

Luo Bing immediately found himself in another room, what else was the clothes on his body exposed, even his bra was currently not in its proper place.

In one of his chest Luo Bing Can see someone's bite marks, Luo Bing is angry with this "You shameless guy how defiled you defile my body" Luo bing then changed clothes and rushed back into the meeting room to make calculations with the two people from the evil sect .

But after entering the room the situation was completely different from what Luo Bing had imagined.

Knowing that the person who entered was only Luo Bing police Liu Yue immediately returned to the problem with Bai Sheng "Bai Sheng all the evidence is already available now tell me how you will avoid this" Liu Yue immediately cornered Bai Sheng.

Bai Sheng has no words to say to Liu Yue, there is no point in looking for excuses after the evidence of the evil possessed by Liu Yue "ends, all the plans that I have compiled for years must end up failing like this" Bai Sheng looks very pale , and Bai Sheng's entire body trembled.

"Bai Sheng, you are a shameless person, how can you do such a disgusting thing," one of the shareholders who was in Bai Sheng's camp immediately attacked words at Bai Sheng.

"That's right, you shameless person, how can you have such evil thoughts towards the director of Situ and Liu?"

"In director Liu, this person does not deserve to be in this office, you should take him to the police station to get a proper sentence."

Finally one by one the people who were in Bai Sheng's camp began to rebel against Bai Sheng.

Ye Chen laughed in his heart Seeing the behavior of these people, they were all just a group of people who cared about their own safety, before they all agreed to be with Bai Sheng because of the benefits they received, but after knowing there were no more benefits to these people immediately leave Bai Sheng, to seek security.

"As far as I know you guys are in the same camp why now you are even enemies" These people always support all proposals from Bai Sheng and have never wanted to listen to Liu Yue before.

"Our new director Liu is only limited to working partners who want this company to be more developed, if I knew that Bai Sheng would do such a thing to the old director I certainly would not want to be associated with this person" one of the pemengang said to save himself, because Liu Yue began to distrust them, this would be dangerous for their survival in this company in the future.

"That's right, Liu's new director. Believe us, we have never conspired to harm the old director."

Bai Sheng could only sit in his chair looking at everything, even out of the 24 people who were in his camp none of them wanted to defend himself.

But they did not know that, Liu Yue already had evidence of embezzlement of funds that they had done for years.

If they know for sure their condition now is the same as Bai Sheng who is helpless.

"Police Luo, do your men have proof from Bai Sheng's residence?" Liu Yue asked Luo Bing, who was currently in a daze about something.

Luo Bing was thinking who was the one who fought with people from the evil sect after he fainted, Because this place was a battlefield between high-level cultivators, so Previously there must have been people who fought with the two people from the evil sect, but who was that person?

"Police Luo. . . , Police Luo. . ." Liu Yue called out Luo Bing's name many times but Luo Bing didn't even answer the call from him "Miss Luo Bing Police !!!" Liu Yue raised her tone so that Luo Bing could hear it.

" huh what ? What ? Luo Bing woke up immediately after hearing Liu Yue's scream.

Chapter 72 - Give Candy

"Luo Bing police whether your people have obtained evidence from Bai Sheng's home" Liu Yue once again asked Luo Bing.

"Wait a minute I'll call them" Luo Bing then took out a smart phone and then dialed someone's number.

"Beep, Beep, Beep" unfortunately those on the other side don't want to answer calls from Luo Bing.

"It's strange why they took so long" Luo Bing Feeling strange, the two people assigned to look for evidence of embezzlement of funds carried out by Bai Sheng and the shareholders should have been back here for a long time, but until now these two people haven't come here yet , especially since they can't be contacted, Luo Bing is getting increasingly suspicious.

So Luo Bing contacted Headquarters to send others to check it out. "Sorry, Miss Liu, it seems we have a little obstacle, so it still takes a little longer ". Luo Bing apologized to Liu Yue for the delay in the people.

Liu Yue "it's okay, I hope the police will soon find the proof"

"Director Liu what do you mean by what you just said, are you also suspicious of us being seen in Bai Sheng's plan" one of the shareholders suddenly voiced a displeased voice towards Liu Yue.

"Liu Yue, don't forget. If we have share rights in this company, if you make us unhappy, we can revoke our shares." Other shareholders also began to threaten Liu Yue.

Liu Yue was a little depressed because at this time in his hand there was no evidence that was strong enough to drag these people into the realm of law, there was only one proof so far that was the document found by Ye Chen at Bai Sheng's house.

Liu Yue then looked at Ye Chen for help from him.

Ye Chen saw Liu Yue's gaze and understood that Liu Yue could not overcome these people.

"You have the opportunity to admit your crimes, otherwise I will issue evidence that can put all of you in prison." Ye Chen immediately spoke and threatened everyone in this room.

the shareholders were confused by what Ye Chen just said.

"What is this servant talking about? Actually, son, you should be quiet or I will send you away from this city forever," a man named Xiao Bull, the famous Xiao Bull family, has a connection with the Red Wolf Gang boss Ai Lang, because that is Xiao Bull is very so arrogant here.

Ye Chen did not respond to Xiao Bull's words, Ye Chen was waiting for these people to admit their crime, unfortunately after waiting a few minutes, none of these 24 people would admit their crime.

"Well, if you really keep insisting you don't admit it, then I have no other choice," Ye Chen sounded a document and put it on the table.

"Do you know what this is?" Ye Chen pointed to the document on the table.

"hahaha, everyone also knows that it's a document." Many shareholders were putting Ye Chen on the line.

Ye Chen ignored their insults and said "you know this is a history of transfers carried out without the knowledge of the company".

After hearing the contents of this document, 24 shareholders who had previously laughed turned pale, if it is true that what is in this document is evidence of a history of embezzlement, their lives will be ruined.

Ye Chen opened the document and showed the contents in it to everyone

Xiao Bull Slapping the table "Kid, this proof is still not enough to accuse us, if this is fake, then we can sue you back".

Among the 24 people that only Xiao Bull could still say was to avoid the evidence, Xiao Bull hurried to retrieve the Documents from Ye Chen's hands.

Unfortunately, Xiao Bull is one step behind Ye Chen "why don't we let the Luo Bing police check it out" Ye Chen gave the document to Luo Bing to check.

Luo Bing received a document from Ye Chen "I need a Computer for this job" Luo Bing looked around the room but could not find a computer.

"In my office there is one you can use, I'll take you there" Liu Yue drove Luo Bing into his room.

"Liu Yue, you better bring Situ Rui's grandmother to the place

safe, this place is very chaotic, unsuitable for Situ Rui's grandmother's health. "Ye Chen wanted Liu Yue to take Situ Rui away from this place.

"Alright, Ye Chen please make sure these people don't leave this room before we come back" Liu Yue, Situ Rui and Luo Bing Bejalan together left the room.

The only people left here are Ye Chen, 30 shareholders, Bai Sheng and Bai San.

The 24 shareholders all looked at Ye Chen with a killing look.

All of this was the fault of the youth in front of them, if there wasn't Ye Chen right now they wouldn't be in this position.

Xiao Bull is the most impatient of these 24 people.

Xiao Bull walked towards Ye Chen, Xiao Bull then lifted Ye Chen's collar, Xiao Bull had strong muscles so he was able to lift Ye Chen.

"Son, I don't care where you come from, but all the chaos here is caused by you" Xiao Bull sounded very angry at Ye Chen.

Ye Chen: "Then what do you want, beating me with your weak hands? ".

Xiao Bull was even angrier when Ye Chen looked down on him, the veins on Xiao Bull's head protruded.

"My patience is over, I will kill you" Xiao Bull clenched his fist preparing to hit Ye Chen on the head.

"Bamm" The sound of a vicious blow was heard in the quiet room, the audience who saw this was shocked, the person flying was not Ye Chen but Xiao Bull.

Ye Chen patted his clothes Clean his clothes from dirt.

Everyone was surprised to see this, except for Zhao Jinshan who from the beginning had known Ye Chen's strength.

Ye Chen ignored the injured Xiao Bull on the floor, Ye Chen walked towards Ke Bai Sheng who was sitting in his chair in a daze.

Ye Chen grabbed Bai Sheng's neck then put a pill into Bai Sheng's mouth.

Bai Sheng immediately noticed that someone put a foreign object into his mouth "You what you just gave me" Bai Sheng asked what object that Ye Chen had just put into his mouth.

Ye Chen: "This Bai Sheng Poison will Work when you say Lie".

Bai Sheng: "It is impossible for you to give me poison".

If you don't believe it, let's try "Bai Sheng said, are you plotting with some shareholders to wipe out funds in this company?" Ye Chen asked Ye Chen.

"I have never done that" if Bai Sheng did not lie then Bai Sheng would be the target of the tantrum of these 24 people.

"Bai Sheng, do you feel heat in your body, and a little discomfort in your throat?" Ye Chen asked.

after hearing it from Ye Chen, Bai Sheng's body was a little hot and the throat was uncomfortable, Bai Sheng swallowed "maybe I was really poisoned".

Ye Chen "if you lie one more time then you can die, if you don't believe you can try it".

After hearing these words from Ye Che Bai Sheng was very scared, Bai Sheng was most afraid of death.

"Bai Sheng tells me honestly whether you are plotting with some shareholders to wipe out funds in this company," Ye Chen asked.

"Yes, we did" This time Bai Sheng confessed, Bai Sheng was very afraid that what Ye Chen said was true, if he lied he would die.

"Then Mention who are the people involved in it" Ye Chen asked who was involved in the embezzlement of funds in the company.

Bai Sheng said one by one the names of people involved in embezzlement of company funds.

"Bai Sheng I have recorded everything you said, this will be strong evidence to imprison everyone involved in embezzlement of company funds." Ye Chen waved his phone in front of Bai Sheng.

everyone was shocked Ye Chen recorded all of Bai Sheng's words.

"Then please give me the antidote" Bai Sheng asked Ye Chen for the antidote.

"What antidote?" Ye Chen says like he doesn't know anything.

Bai Sheng: "Of course the antidote to poison pills" Bai Sheng glared at Ye Chen who did not want to offer the antidote.

Ye Chen "What poison? that was just ginger candy. "

Bai Sheng "what, so you've been lying to me all this time? "

Ye Chen "When did I ever say that what I threw into your mouth is poisonous? "From the beginning Ye Chen never said what he gave to Bai Sheng was Poison, Ye Chen only said Poison would Work when he said Lying.

Ye Chen never mentioned that he had given poison to Bai Sheng, from the start Ye Chen had never had poison

all of this was just Ye Chen's strategy for Bai Sheng to admit everything.

"You you," Bai Sheng pointed at Ye Chen, Bai Sheng did not expect himself to be played by a boy who was 2 decades younger than him.

Bai Sheng was so angry that he vomited blood and collapsed on the spot

Chapter 73 - Everything Has Ended

"All of you why are you still silent, Quickly take that cellphone or our lives will all be over" Xiao Bull Shouted at the 23 shareholders whose name Bai Sheng just mentioned.

23 people immediately rose from their seats and headed towards Ye Chen.

But before they arrived, suddenly these 23 people fell to the floor.

"What's wrong, why is my body so heavy?" One of 23 people complained that his body was heavy and could not be moved.

Ye Chen let out his aura to suppress 23 of these people, even though Ye Chen only used his little aura that was enough to make these people lay limp on the floor.

Xiao Bull was surprised. Seeing this, unfortunately he also couldn't open his mouth, something like locking his mouth to not speak.

"You all should be there first for a while" Ye Chen then took a chair next to Zhao JinShan, Ye Chen wanted to know more about Zhao Yanyan from Zhao's grandfather.

The 5 people who were not involved with this were afraid of Ye Chen, they only dared to sit quietly in their place, and did not dare to speak.

After 30 Minutes Liu Yue and Luo Bing finally returned to the room, before Luo Bing entered Ye Chen had withdrawn all of his aura, this time behind Liu Yue and Luo Bing Stand up with a dozen police officers, it looks like Luo Bing who has called this police cop

"What is this actually? "Liu Yue was very surprised to see 23 people lying on the floor, they looked very weak.

"You're back, how are things? Ye Chen asked the results of the investigation conducted by Luo Bing.

"As a result, after checking everything in this document is true, we also have pocketed the names of the names seen in it" Liu Yue said to Ye Chen.

"I also just Menai Bai Sheng, he said everyone involved in it" Ye Chen showed Bai Sheng Video that said people involved in embezzlement of company funds, including several employees.

Luo Bing immediately took the cellphone from Ye Chen's hand "How can you get all this?" Luo Bing was very curious about how Ye Chen could get all this evidence.

= Ye Chen is one step ahead of himself in uncovering this case.

Ye Chen: "Does it matter where I get all this? Isn't it important that we succeed in uncovering all these bad guys" Ye Chen turned his gaze to the 23 people who lay limp on the floor.

Luo Bing did not give up on knowing where Ye Chen got all this evidence from, women's curiosity was very strong, sometimes even women's curiosity could harm themselves.

"Tell me first where you got all this, otherwise I will arrest you because I do not want to cooperate with the police" Luo Bing threatened Ye Chen.

"Just beat me and catch me, after all I am the one who helped resolve the embezzlement case." Ye Chen held out his hand to challenge Luo Bing.

"You" Luo Bing took a handcuff and wanted to handcuff into Ye Chen's hands.

"Luo Bing Wait" there is another new policeman coming into the room, here he is the police commissioner in this city named Bei Wu.

"After getting reports from his subordinates that there was a case of embezzlement of large amounts of funds and handled by Luo Bing, Bei Wu immediately came to Liu's company, Bei Wu was afraid that Luo Bing would solve this case in extreme ways.

Considering Luo Bing is a Criminal Police who usually finishes his work in Extreme ways.

When Bei Wu came in he saw more than a hundred people lying on the ground, it seems like what Bei Wu was afraid of happened, Bei Wu shook his head "Police Luo Bing, from here I will take over the case, you may return to the station right now" Bei Wu told Luo Bing to just go back to the headquarters.

"Ye Chen you are lucky this time, the next time I see you breaking the law I will never let you go" Luo Bing angrily handed over all the evidence to Bei Wu and left the room.

Bei Wu approached Ye Chen and patted Ye Chen on the shoulder. "Son, from now on you should be careful when meeting Luo Bing, that woman will definitely do the thing she said just now" Bei Wu Warns Ye Chen to be careful with Luo Bing.

Even Bei Wu who is a commissioner in the police is afraid of Luo Bing's background, especially Luo Bing's identity is very special. Only a few people know Luo Bing's true identity.

"thank you for the warning to the police station" Ye Chen Thanking Bei Wu for warning him.

Bei Wu nodded to Ye Chen then turned "well let's bring all the suspects back to the office" Bei Wu told all his men to bring the suspects into the car under the Building.

Ye Chen and Liu Yue also followed behind this police policeman, in front of the building there were already many police cars parked, there were even some reporters who had been waiting.

"Hey, let go, do you not know that I am a rich man, I can make you lose your job right now" some people who were arrested tried to fight when being herded into the car, the police did not care and kept putting the suspects into the car.

Liu Yue massaged her forehead a little, she did not expect that the people involved in the embezzlement of funds of more than 100 people including its employees, it seems like Liu Yue had to start cleaning the company.

Bei Wu "Miss Liu we will bring these people to be examined, we will give the results to you as soon as possible".

Liu Yue: "well I'm waiting for good news from you commissioner Bei".

from inside the building Ye Chen and Liu Yue saw the police taking these people away.

reporters who want to enter the building are stopped by security officers, security officers do not allow reporters to enter into Gedung.

"Huff" Liu Yue felt her legs gently fall backwards, for Ye Ye to be behind her, Ye Chen opened her chest to lean against Liu Yue.

" You are okay ? "Ye Chen asked.

Liu Yue "I'm just a little tired because of today's problems" Liu Yue released all the stress that she had kept alone.

Ye Chen understood how much responsibility he had to bear on Liu Yue for this company.

"How about if I give massage, it might be able to relieve the stress you have" Ye Chen offered a massage to Ye Chen.

"Then let's go to my room to try it" Liu Yue invited Ye Chen to go to his office.

Chapter 74 - Massage Session For Liu Yue

Liu Yue brought Ye Chen into his room, Liu Yue's room still looked the same as before.

Liu Yue sat on the sofa and let go of her high heels "Ye Chen I'm Ready Let's Get Started" Liu Yue really wanted to try the massage skills from Ye Chen.

Ye Chen went behind the Sofa occupied by Liu Yue, Ye Chen then placed both hands on both shoulders of Liu Yue "I will start" and Ye Chen began to massage Liu Yue.

"Ahh. . . ."when Ye Chen started massaging, Liu Yue Shouted.

"Is that too strong?" Ye Chen asked worriedly.

"No no, just continue" Liu Yue shook her head, and told Ye Chen to continue his massage.

Ye Chen began to continue his massage, Liu Yue's muscular body was very stiff, perhaps this was caused by Liu Yue who rarely exercise and the pressure of work every day.

"Emhhhh" Liu Yue tried to hold back her voice so as not to leak out, for some reason the massage done by Ye Chen feels very delicious, this has never been felt by Liu Yue in his life.

Liu Yue felt that her body was very sensitive, even with just a slight touch of Ye Chen's body trembled, Liu Yue's breathing was getting heavier.

The reason Liu Yue had become like this was because Ye Chen used the King's Heart technique to absorb pure Yin from Liu Yue's body.

Ye Chen hadn't even used the massage technique he learned from the king's heart to please women, but Liu Yue had become like this.

"Ahhhhh, Ye Chen is even stronger. That feels really good" Liu Yue couldn't hold it anymore and shouted to ask more from Ye Chen.

because Liu Yue Ye Chen's request slightly strengthened his massage, "Ah. . . ., Ah. . . ., Ah. . . ., Ah. . . ., Ah. . . ., Ah. . . ."The room that had been quite quiet was now filled with a very sassy Liu Yue moan.

Even Ye Chen who heard the sassy moan from Liu Yue could barely contain himself, fortunately this room had a pretty good sound isolation, so that other people outside could not hear Liu Yue's sassy moan.

after 10 minutes Ye Chen left the back of Liu Yue and went to the front of Liu Yue.

Liu Yue's body sank slightly to the sofa, Liu Yue currently did not have the strength to sit up straight.

Ye Chen took one of Liu Yue's smooth legs and put it on his lap, Ye Chen admired Liu Yue's sexy Long legs, if Liu Yue wore stockings on her legs would definitely look even more stimulating.

Ye Chen slowly began massaging Liu Yue's feet. "Ah." Liu Yue who had just rested was once again stimulated by Ye Chen's massage which made him moan again.

Liu Yue wanted to make Ye Chen stop massaging her, but Liu Yue's body said differently, maybe because Liu Yue's body really enjoyed this massage session.

Finally Ye Chen finished the massage session for Liu Yue.

Liu Yue lay on the soft Sofa, sweat soaking Liu Yue's entire body, even though it was filled with sweat Liu Yue's body still smelled sweet.

The YinQi harvested from Liu Yue was quite a lot, maybe because Liu Yue was an adult woman, that's why the Yin Yin in Liu Yue's body was more than the school girl.

Although Ye Chen's massage session was over, the effect on Liu Yue's body was not over yet, Liu Yue felt her body felt hot, Liu Yue's bottom was also very wet, it felt very uncomfortable, Liu Yue felt hundreds of thousands of insects crawling in her lower body.

Liu Yue got up from the sofa and immediately hugged Ye Chen who was next to him.

Ye Chen was very surprised when Liu Yue suddenly hugged herself like a koala.

"Ye Chen I Want It" Liu Yue whispered in Ye Chen's voice in a very sweet voice.

Hearing this voice all of Ye Chen's bones became very gentle, If Ye Chen didn't know what Liu Yue wanted at this time then he was an idiot.

Liu Yue began to take off her own shirt, after removing the top of the shirt Ye Chen could see a plain white bra, wrapped in white bras, were two breasts that developed very well, this size was even bigger than Luo Bing's and Zhao Yanyan, at least it's F cup.

Liu Yue embraced Ye Chen and placed his two mountain peaks on Ye Chen's chest.

"Wait, Liu Yue, we can't do this" if it continues like this Ye Chen is afraid of losing control of him.

"Ye Che do you hate me" Liu Yue wanted to cry out when Ye Chen refused it, The person he liked didn't want her.

"No, I like you only. . . "Ye Chen was slightly confused to explain it to Liu Yue.

"Do you really like me too?" Liu Yue was very happy and happy when Ye Chen said he liked her.

Ye Chen nodded to Liu Yue, the problem was that Ye Chen had Zhao Yanyan, even though Zhao Yanyan Disgusted him had another woman, but Ye Chen was still afraid that Zhao Yanyan could not accept when he was truly together with another woman.

Chapter 75 - Liu Yue Can Accept

Ye Chen looked into the eyes of Liu Yue who was full of tenderness towards him, it seemed that Liu Yue loved him very much.

No need to doubt that Liu Yue is a beautiful and smart woman, Liu Yue also has many pursuers outside.

Especially when Liu Yue was as naked as possible, which normal man could withstand this, Ye Chen felt his body getting hotter, Ye Chen's younger brother began to raise his weapon ready to fight.

Liu Yue felt something stabbing into his lower body, this thing was very big and hot, Liu Yue tried to hold this thing and then felt it.

"Ahhh" Ye Chen shouted as Liu Yue squeezed her little brother with a strong enough.

Liu Yue immediately understood what the object she was holding was "Ahh Sorry" Liu Yue apologized and immediately released her hand from Ye Chen's younger brother.

Liu Yue's face was red like a tomato, this was the first time Liu Yue had held an object belonging to an opposite sex.

"It's OK" The atmosphere becomes awkward, no one wants to start a conversation first.

Seeing this awkwardness Ye Chen finally spoke first "Liu Yue me. . . . Before Ye Chen finished saying Ye Chen's lips were pressed by Liu Yue's index finger.

"Ye Chen, you don't need to say it, I'm happy to know you like me too, I understand you already have a girlfriend who is much younger and prettier than me, how could you be willing to leave your beautiful girlfriend for me" Liu Yue remembered that Ye Chen already has a beautiful girlfriend, That's why Ye Chen couldn't be with Her.

"Liu Yue you and Zhao Yanyan are beautiful and kind girls, I like you two, the problem is that one of you may find it difficult to share the same man," Ye Chen said.

In this country it is very difficult to accept Polygamy, maybe Liu Yue will be very difficult to accept Ye Chen has another woman.

Liu Yue laughed at this "Ye Chen, I didn't expect your appetite to be very big, you want to hug me and Zhao Yanyan on your arms, you're really bad".

Hearing this Ye Chen knew that Liu Yue could not accept this.

Liu Yue brought her lips to Ye Chen's lips and whispered into Ye Chen's ears. "Actually I don't mind that, but are you sure that Zhao Yanyan's younger sister can accept us together? Liu Yue's tone was slightly seductive while whispering in Ye Chen's voice.

Ye Chen scratched his cheeks then "Well actually Yanyan actually allowed me to look for lots of beautiful women".

Hearing this from Ye Chen, Liu Yue was dumbfounded, Zhao Yanyan really allowed Ye Chen to look for another woman outside, in fact Liu Yue wanted to tease Ye Chen with the words just now, but the answer Ye Chen gave astonished Liu Yue.

if Zhao Yanyan really disgusted Ye Chen to look for a woman outside, then Liu Yue didn't need to be afraid to get in touch with Ye Chen, considering Ye Chen was a capable man there would definitely be many Beautiful women who approached Ye Chen.

Liu Yue was happy and hugged Ye Chen firmly "Ye Chen what you said just now is right"

"Yes" Ye Chen nodded.

"Ye Chen, can you make me your woman too?" Liu Yue said with a little embarrassed.

Ye Chen threw away all of his worries, Ye Chen hugged Liu Yue and started kissing Liu Yue.

Liu Yue was not ready with Ye Chen's aggressiveness, but it felt extraordinary that Liu Yue was immersed in it, Ye Chen stuck his tongue into Liu Yue's mouth and guided Liu Yue's tongue, with Ye Chen's guidance, Liu Yue began to work together.

both deep into a very pleasant kiss

The second kiss lasted for 10 minutes, after Liu Yue gasped, Ye Chen let Liu Yue go.

Ye Chen lifted Liu Yue from his lap and laid Liu Yue onto the sofa.

"Husband Wait, how about we change the place, I feel this place is too open" Liu Yue began to call Ye Chen by the name of the husband.

This building is indeed very high, but this is not the only tallest building in the city, if there are people using long-range binoculars then they can look into this room.

"If that's what you want, how about we just go to my villa" Ye Chen called to go to the new villa he bought yesterday.

Liu Yue nodded, "this is for you" Ye Chen took a blanket from his storage room and handed it to Liu Yue to cover his body.

Liu Yue did not know where Ye Chen pulled out this blanket, Liu Yue immediately wrapped herself in a blanket given by Ye Chen, Liu Yue did not understand why Ye Chen told her to Wear this blanket.

Ye Chen then carried Liu Yue like a princess, in the arms of Ye Chen Liu Yue Curled up like a little bird, this was the first time that Liu Yue had been treated this way by a man, Liu Yue was very comfortable when she was in Ye Chen's arms.

Ye Chen brought Liu Yue to a window that could be opened, Ye Chen then opened the pain with his feet.

"Husband, what are you going to do?" Liu Yue was very confused with what Ye Chen was doing right now.

Ye Chen immediately jumped out the window "Ahh" Liu Yue was very scared of what Ye Chen was doing right now.

This is the top floor in this building, if it falls there is only one possibility that is death, Liu Yue is very scared and closes her eyes.

"Are we both dead?" Liu Yue felt a cool breeze around her, it was like floating in the air.

Liu Yue ventured to open her eyes, what Liu Yue saw after opening her eyes was extraordinary.

Liu Yue Seeing that she and Ye Chen were flying above the sky, this was the most extraordinary thing Liu Yue had ever seen.

"Husband, you" Liu Yue could not believe what she was seeing right now, Ye Chen could fly? .

"Are you surprised" This is just one of my small abilities, you will be more surprised to see the ability of your husband.

Liu Yue smiled and saw the scenery below, from up here the view was very beautiful, even more exciting than when Liu Yue boarded an airplane.

In just a few minutes Ye CHen brought Liu Yue back to his villa.

Ye Chen went down and walked into the door of the villa, Liu Yue was still carried like a princess by Ye Chen.

Ye Chen immediately headed to his room at full speed, after arriving in the room, Ye Chen threw Liu Yue onto a large, soft bed.

Ye Chen forcefully pulled out the blanket that Liu Yue was wearing.

Chapter 76 - Ye Chen & Liu Yue (1)

Ye Chen let go of Liu Yue's plain white Bra, the two big rabbits of Liu Yue looked very beautiful, Ye Chen started playing with the two big rabbits of Liu Yue.

"Ahh. . . Liu Yue growled while enjoying Ye Chen playing with his two rabbits.

Ye Chen began to squeeze and pinch Liu Yue's two big rabbits.

Liu Yue did not stop growling as Ye Chen played with her two big rabbits

Ye Chen was not satisfied just playing with his hands, Ye Chen approached and sucked one of Liu Yue's pink cherries like a baby.

"Ahh." Liu Yue came out when Ye Chen sucked his two pink cherries, Liu Yue's body trembled from the pleasure she had never felt before.

"Slurp Slurp" Ye Chen continued to suck the two big rabbits of Liu Yue, sometimes Ye Chen would bite.

when Ye Chen bit Liu Yue's cherries, Liu Yue would shout in a sassy tone.

After being satisfied playing with Big Rabbit Yue Liu, Ye Chen immediately opened his clothes.

Ye Chen's younger brother who was below had already raised his spear ready to fight.

This was the first time Liu Yue saw a male meat stick, Liu Yue was very surprised when she saw Ye Chen's meat stick, its size was not only long but also very big.

"Is that thing going into my body?" Liu Yue was a little scared when thinking about that thing.

Ye Chen helped Liu Yue to sit on the outside of the bed.

Ye Chen then brought his younger brother closer to Liu Yue's face, Ye Chen took one of Liu Yue's hands and put it on his younger brother's "let's touch don't be afraid".

Liu Yue felt this thing was so hot and so hard, the smell made her a little dizzy.

"Yue wife's movements of your hands are rising" Ye Chen coaxed Liu Yue to move his hands up and down.

Liu Yue was a bit scared while holding this thing, Liu Yue ventured and did what was said by Ye Chen, Liu Yue began to move her hands up and down, because one hand of Liu Yue was unable to hold this thing, Liu Yue had to use both hands to holding Ye Chen's younger brother.

Ye Chen FEEDED Liu Yue's Gentle hands continued to move up and down on his younger brother, This felt very delicious.

Liu Yue looked up, she saw Ye Chen's satisfied face, Liu Yue was very happy Ye Chen enjoyed the service from him, Liu Yue further accelerated her up and down movements.

After 20 Minutes Liu Yue's hands were very tired but Ye Chen's younger brother still hadn't come out either.

"Is your husband still not? Liu Yue's hands are very tired.

Ye Chen saw that Liu Yue was very exhausted helping her younger brother, Ye Chen lifted Liu Yue onto the bed and laid him down.

Ye Chen helped Liu Yue take off her underwear, this was the last cloth on Liu Yue's body, after being released Liu Yue was completely naked.

Liu Yue was very embarrassed and tightly closed her legs, Liu Yue's hands also blocked the most important place of hers.

Seeing this Ye Chen smiled, Ye Chen opened Liu Yue's two legs to form a crash M, Ye Chen moved Liu Yue's hand.

"Beautiful" Ye Chen praised this beautiful work, wrinkling the lower part of Liu Yue was more intense than Zhao Yanyan.

Liu Yue's lower lip looked very fat, Ye Chen immediately put his finger into the cave under Liu Yue.

"Ahhh. . . . the husband. . . . hold on. . . . Liu Yue felt an electric shock on her body as Ye Chen stuck his finger in her lower body.

Ye Chen then smoked Liu Yue's pink cherries while continuing to play with Liu Yue's bottom.

From now on Ye Chen used the art he had learned from the king's heart technique.

Liu Yue Having great pleasure, Liu Yue felt herself flying to the seventh level, her brain could not even think clearly anymore.

In less than 50 seconds, Liu Yue had come out twice, Liu Yue's body shook violently.

Ye Chen looked at the juice in his hand, and showed it to Liu Yue "Yue's wife saw that there was a lot of water underneath you".

Liu Yue was very embarrassed to see this, she did not want to be labeled a pervert by Ye Chen, but Liu Yue could not stand the Ye Chen technique.

"Let my husband rest for a while" Liu Yue wants to rest for a while to recover her strength.

"Okay" Ye Chen understood and let Liu Yue rest for a while.

After 10 Minutes finally Liu Yue's body stopped shaking, and her breathing had begun to stabilize.

Liu Yue: "My husband is better, let's continue".

Ye Chen eagerly embraced Liu Yue, the main event was about to begin, Ye Chen grabbed his younger brother and rubbed it at the entrance of the Liu Yue Cave.

This stimulation was extraordinary, Liu Yue felt increasingly itchy in her lower body "husband what are you waiting for, I can't take it anymore" Liu Yue could not stand it anymore and wanted to be immediately inserted by Ye Chen's big meat stick.

Chapter 77 - Ye Chen & Liu Yue (2)

"What wife do you want, if you don't say it clearly I don't understand" Ye Chen said to Liu Yue,

Liu Yue knew that Ye Chen was teasing herself "husband, you're bad" Liu Yue was very embarrassed to say.

"Say, if you don't say it clearly I won't give it to you" Ye Chen continued to rub his meat stick to the entrance of the already very runny Liu Yue Cave.

Liu Yue's face turned even redder "husband make me your woman by using your big stick" Liu Yue said in a small voice.

"The wife says louder I can't hear it clearly" Ye Chen continued to tease Liu Yue.

"Husband do me with your big meat stick, my little hole wants your big stick" Liu Yue spoke louder so Ye Chen could hear it.

Ye Chen smiled very satisfied. Ye Chen put his meat stick into Liu Yue's hole with a single jerk.

"Ahhhhhhh. "Liu Yue Feeling that her lower body was torn and it was very painful, Liu Yue's tears came out.

Ye Chen's 11-inch stick drilled into the virgin cave of Liu Yue.

Liu Yue's body stretched as Ye Chen put in his large meat stick "does it hurt a little?" Ye Chen asked while stroking Liu Yue's hair.

Liu Yue felt extreme pain as if her body had been split into two, perhaps because Ye Chen's was too big.

Ye Chen had to wait for Liu Yue's pain to disappear, after 5 Minutes Liu Yue had gotten used to Ye Chen's size and didn't hurt anymore.

"Husband, you can Move" Liu Yue wanted Ye Chen to do it.

Ye Chen nodded and began to Move Slowly, Liu Yue Cave's hole was very tight, it squeezed Ye Chen's younger brother strongly.

"Ahh. . . Ahh . . . Ahh . . . Ahh . . . Ahh . . . Ahh . . . Ahh . . ."Liu Yue felt very extraordinary when Ye Chen's meat stick struck the innermost part of the Flower Path.

"Husband. . . Faster Make me more comfortable. ahhh . . My hole. . . will be. . . in destroyed by. . . husband's big stick. . . "Liu Yue's voice was like music in Ye Chen's ears.

Ye Chen used the dual cultivation technique of the king's heart, and accelerated the pumping speed.

"Ahh. . . Ahh . . . Ahh . . . , this is amazing I will come out, Ahh."In just a few minutes Liu Yue immediately came out, Liu Yue's body cramped because it had just come out.

"Wife, we continue again, I still haven't come out" Ye Chen started his movements again and continued to pump his younger brother inside Liu Yue's honey cave.

"Ah husband wait let me rest" Liu Yue tried to ask for mercy from Ye Chen.

Ye Chen ignored it and continued to move within Liu Yue's flower path.

Ye Chen tried various poses with Liu Yue and left a trace of their love in this room, starting from the floor, table and chairs.

After more than an hour Liu Yue had come out dozens of times, while Ye Chen was still not out.

Right now Ye Chen was sleeping comfortably and Liu Yue was driving it "ahh. . . the husband. . . This is incredible. "Liu Yue was up and down on Ye Chen's body, Liu Yue's hand was currently pressing Ye Chen's burly chest.

" Wife, your hole is very tight. I feel like it will be squeezed by her " Ye Chen while playing with the two big rabbits belonging to Liu Yue.

"Husband, I want a kiss" Liu Yue looked down and kissed Ye Chen, both of them kissed very greedy.

again Liu Yue came out, Liu Yue was exhausted and put her head into Ye Chen's chest "husband, I'm tired let's change positions", this position is very tiring for Liu Yue.

Ye Chen lifted Liu Yue and laid Liu Yue on the bed, Ye Chen opened Liu Yue's legs and immediately put his Large Meat Stick into Liu Yue again.

Ye Chen pumped very fast, every time Ye Chen's wand struck the inside of the Flower path, Liu Yue felt like he was flying up to the seventh heaven.

Dual Cultivation with Ye Chen tastes so amazing, this can't be compared to normal sex.

"Ahhh. . . husband, yours is too big. . . it will kill me."Even though Says that, Liu Yue still moves her waist and works the same as Ye Chen.

Ye Chen's breathing grew more disorganized. Ye Chen felt that he would explode, so Ye Chen accelerated the pumping speed.

Liu Yue: "My husband will come out again",

Ye Chen: "Let's do it together"

Ye Chen accelerated his pumping movements again and released all of his burden into Liu Yue's body.

"Ahhhh. . . Liu Yue felt her body fill with a very warm liquid, Ye Chen's ejaculation continued for 40 seconds.

Liu Yue's stomach was slightly inflated because it was filled with Ye Chen's YangQi.

Ye Chen didn't Pull his younger brother out and hugged Liu Yue.

"Husband, that was great, I never felt that good in this life." Liu Yue looked very happy

Liu Yue could feel that Ye Chen's flesh stick began to swell in his body.

This made Liu Yue very scared, normally normal people would last a maximum of 15 ~ 30 minutes, but Ye Chen really could last for an hour and a half.

Moreover, it was still as hard as before, Ye Chen suddenly Bergera in his body "ahh. . . , husband, do you still want to, but I'm already very tired right now "Liu Yue complained to Ye Chen for being too strong.

Ye Chen was delighted to see this, this was exactly the same as when he first conducted Dual Cultivation with Zhao Yanyan.

"No, let's just rest" Ye Chen embraced Liu Yue in his arms while Ye Chen's younger brother was still lodged in Liu Yue's body.

Liu Yue nodded and huddled in Ye Chen's arms and fell asleep.

Chapter 78 - Mu Lanyin

Ye Chen felt something tickle on his nose, Ye Chen opened his eyes and saw Liu Yue lying on his chest while smiling, Liu Yue used her rabbits to tickle Ye Chen's nose.

"Finally the husband woke up too" Liu Yue spoiled.

Ye Chen looked at the clock beside the bed, the watch showed eight o'clock at night.

After doing Dual Cultivation, Ye Chen unconsciously fell asleep with Liu Yue.

"Glurrrrr. . . ."The sound of hungry stomachs rang out

"Yue, are you hungry?" Asked Ye Chen

Liu Yue was very embarrassed, Liu Yue's face and ears were red like a tomato, from the morning Liu Yue did not eat anything, at this time her stomach was very hungry.

"Go to sleep, I will make dinner for you" Ye Chen awoke from the bed and immediately put back his clothes and pants.

Ye Chen then went out of the room and headed to the kitchen on the first floor.

Liu Yue felt her heart was sweet seeing Ye Chen treating herself so well, it was very rare to see a man cook for a wife.

Feeling his body sticky Liu Yue wanted to wash up as soon as possible, Liu Yue crawled towards the edge of the bed and wanted to get off this bed.

"Ah" When Liu Yue touched the floor with her feet, her lower body felt a little sore, Liu Yue tried to hold back the pain walking towards the bathroom with a limp.

Ye Chen went to the kitchen, but seeing that the kitchen only had cooking utensils, Ye Chen scratched his head, Ye Chen almost forgot that he had not bought any food supplies after moving to this place.

There is no other choice but to go to the nearest supermarket to buy groceries.

Ye Chen checked Liu Yue's whereabouts using his spirit sensei, seeing that Liu Yue was in the bathroom Ye Chen pulled his spirit sensei.

"Well I'll go there alone" Ye Chen went out of the villa by flying.

Ye Chen was not too worried about Liu Yue's safety when he was in his villa, because Ye Chen had installed several arrays so that thieves and those who intended to be evil could not enter his villa.

unless that person was strong enough to break through the array Ye Chen made, If there were people who broke through by force then Ye Chen would definitely be able to find out.

Ye Chen left the Golde eagle district and flew to the nearest supermarket.

Ye Chen finally found a supermarket that was quite large, Ye Chen went down and entered the supermarket.

Fortunately there are still a lot of fresh meat and vegetables for sale, Ye Chen wants to buy everything for supplies for the next few weeks.

Ye Chen took various spices, special chicken meat and vegetables that were still fresh, Ye Chen put them all into the basket and went to the cashier to pay.

"Our master, there are some special offers, are you interested in buying it," the lady cashier smiled and offered Ye Chen some discounted items.

"No need, please calculate the bill for this item alone" Ye Chen didn't really need these discounted items.

When calculating the goods, the female cashier's eyes almost never left Ye Chen, the female cashier realized that Ye Chen was very handsome.

The female cashier has never seen a guy as handsome as this before "ahh Seems like this is love at first sight" women's cashier hearts are beating very fast.

Ye Chen saw the cashier of the woman who was daydreaming while looking at he, Ye Chen did not mind this woman staring at he, the problem was the woman cashier did not see when she was counting the items Ye Chen wanted to buy, and instead counted the total purchases of others "Hey miss you miscalculated" .

After Ye Chen's words, the female cashier immediately realized, the female cashier blushed, because what she counted was not the item Ye Chen bought.

The female cashier immediately began counting from the beginning all the items purchased by Ye Chen "a total of 1000 dollars" The female cashier gave the Amount to be paid by Ye Chen.

Ye Chen paid for everything then took the items he bought and immediately left this supermarket.

"Ahhh. . . Handsome man wait. Can we exchange contact information? Before the lady cashier could ask for Ye Chen's contact info, Ye Chen had already left the supermarket.

The female cashier was disappointed because Ye Chen left too soon.

After taking all the ingredients needed to cook, Ye Chen walked back to the Villa.

"I finally found you rotten man," a very cold voice thudded from behind Ye Chen's back.

This sound can make people who hear it shiver

Ye Chen was not too familiar with this voice, Ye Chen turned around and saw the woman in the white Phoenix Shirt standing several tens of meters from Ye Chen.

This woman was the woman who helped Ye Chen at the same time wanted to kill Ye Chen.

Ye Chen had no idea that this woman would look for him. "Oh beautiful fairy long time no see, what do you want from this handsome man".

"Who are you to call a fairy, Know your place?" The woman in the white Phoenix dress was cold.

"So what should I call you, I don't even know your name" Ye Chen said helplessly.

"What's the use of knowing my name? , soon you will also die, but because this is your last request before death then I will grant you, I am Mu Lanyin "It turns out that this woman's name is Mu Lanyin, Mu lanyin gives off a killing aura to Ye Chen.

What Ye Chen did only seized the woman's veil, wasn't the reaction from Mu Lanyin very excessive.

"Sorry Miss Mu Lanyin, I don't have time to deal with you, I still have things to do" Ye Chen turned around and waved his hand at Mu Lanyin.

Mu Lanyin stared at Ye Chen even more coldly, Mu Lanyin took out the sword from her storage ring and pointed it at Ye Chen. "Be a man and die honorably." Beautiful Fairy Mu Lanyin said like that so Ye Chen would fight with him.

But Ye Chen ignored her and continued walking towards his villa.

Seeing Ye Chen who completely ignored him, Mu Lanyin disappeared from where she stood and appeared next to Ye Chen.

Mu Lanyin swung her sword and aimed at Ye Chen's head.

"Clankk"

Mu Lanyin's eyes widened when she saw the splinters of her swords scattered before her eyes, Mu Lanyin immediately pulled herself back several tens of meters.

Mu Lanyin could hardly believe what she had just seen, the man in front of her , was using his teeth to destroy her sword.

Mu Lanyin's sword is not an ordinary sword, this sword is called the Blue Snow Sword, the Blue Snow Sword is very Light, Sharp and Strong.

To make the Blue Snow sword, Mu Lanyin used the best ingredients from the powerful Magic Beast section, the sword was forged by a famous spiritual twilight expert, so the quality was not in doubt.

But the man in front of her. Only by using teeth can he destroy his blue snow blade, this really makes Mu Lanyin very surprised.

Mu Lanyin looked at Ye Chen like staring at a monster.

"Fairy Mu Lanyin, I already said I don't have time to deal with you, don't you understand me too?" Ye Chen was angry and raised his voice.

Mu Lanyin blocked his path which made Ye Chen angry. Right now Liu Yue was starving so Ye Chen had to hurry back to the villa and cook food for Liu Yue.

Chapter 79 - Frozen Ice Sect

"Rotten man, what kind of creature are you? "Mu Lanyin began to doubt that Ye Chen was human.

"Mu Lanyin fairy are you blind, isn't it clear that I am a human, and my name is Ye Chen is not a rotten man" Ye Chen is not too happy when called by a rotten man by Mu Lanyin.

Mu Lanyin "shut up, to me you are a shameless man who is very shameless".

"What is wrong with me that you label me as a shameless man, I have never even done anything bad to you" Ye Chen could not remember what made him in the stamp of a shameless man by Mu Lanyin.

Though Ye Chen had never even touched an Incident in Mu Lanyin's Body.

"You are still trying to deny it, ever since you took the veil from me, to me you are a shameless man" Mu Lanyin pointed to the veil that covered her face.

"Oh come on. That only sees your beautiful face, anyway it won't hurt you", after Ye Chen finished speaking Mu Lanyin looked at him with a killing look.

"You rotten bastard, you won't understand that," Mu Lanyin let out a profound energy of ice and covered her entire body.

The temperature around this place immediately dropped dramatically, Even the ground on Ye Chen's Step was covered in Ice.

After hearing Ye Chen's words just now Mu Lanyin was even more angry, this was the first time Mu Lanyin had lost his composure.

For some reason when Mu Lanyin talked to Ye Chen she always lost, Mu Lanyin wanted to blow Ye Chen to pieces.

u Lanyin Soared to the night sky, the deep ice enegy in Mu Lanyin's body also became stronger and stronger.

In the sky Mu Lanyin made five very large floating ice swords, at least still from the length of this sword 15 meters with a diameter of 1 meter.

This time Mu Lanyin sincerely wanted to kill Ye Chen, Mu Lanyin used all of her profound energy to use this attack.

Mu Lanyin directed the Five Ice Swords towards Ye Chen who was underneath "Die, Ice Sword of Destiny" Mu Lanyin moved his two fingers Forward and 5 Flying Ice Swords towards Ye Chen.

A very strong gust of wind was released by the five ice swords, while moving towards Ye Chen.

Mu Lanyin really did not play this time. With this much strength it was enough to destroy the building 100 meters away.

Ye Chen put his shopping bag on the ground and soared to the sky, now Ye Chen was above Mu Lanyin.

"I don't have time to play with you, let's finish this with one strike." Ye Chen then made a special move.

Mu Lanyin was very surprised to see Ye Chen being able to Fly, because the cultivator who could fly was only a cultivator in the Sky Realm stage, and even then in a limited amount of time.

Ye Chen who was only in the second stage of the Earth Realm could truly fly?

Again Ye Chen opposed Mu Lanyin's common sense, Mu Lanyin repeatedly felt the level of Ye Chen's strength, but still it was only in the second stage of the Earth Realm.

Mu Lanyin's Ice Sword of Destiny technique that would pounce on the ground immediately turned upwards and headed towards Ye Chen.

The Ice Sword of Destiny truly will not release its prey unless the owner of this technique cancels it.

The night sky that was previously starred, suddenly filled with thick clouds that are very concentrated.

Ye Chen "DESOLATE PALMS First finger" Ye Chen pushed his palm forward with only one finger open, from behind the clouds a large palm with one finger appeared, the large palm that appeared from behind the clouds like a reflection from Ye Chen's palm when this, DESOLATE PALMS Technique radiates an intimidating Ancient Aura.

Even Mu Lanyin who was several tens of meters from the DESOLATE PALMS technique was shivering, Mu Lanyin felt a very strong pressure released by this palm.

Ye Chen's DESOLATE PALMS Technique Getting closer to Mu Lanyin's Ice Sword of Destiny Technique.

"Bamm. . ." Even before Colliding with DESOLATE PALMS, Mu Lanyin's Ice Sword of Destiny was destroyed first.

DESOLATE PALMS Ye Chen was getting closer to Mu Lanyin.

Mu Lanyin at this time could not move her body at all, her body shivered and trembled violently, Mu Lanyin was afraid and closed her eyes.

Before reaching Mu Lanyin Ye Chen had withdrawn the power of DESOLATE PALMS back, DESOLATE PALMS immediately disappeared from this world.

"Ah" Mu Lanyin is still being flown by the remaining power of DESOLATE PALMS and hit the ground.

Ye Chen immediately descended and saw the condition of Mu Lanyin.

At this time Mu Lanyin was crouched on the ground with her eyes closed, 70 percent of Mu Lanyin's white Phoenix clothes were torn to shreds.

At this moment Ye Chen could see the body of Jade Mu Lanyin which was very perfect.

Mulanyin's eyelashes trembled slightly, Mu Lanyin opened her eyes and looked at Ye Chen in terror.

All pride in the eyes of Mu Lanyin vanished instantly and is now replaced by fear, Mu Lanyin does not have the confidence as before.

Ye Chen walked over to Mu Lanyin.

Mu Lanyin was afraid as Ye Chen walked over to her, Mu Lanyin closed his eyes and resignedly accepted what Ye Chen would do to her.

Mu Lanyin could hear Ye Chen's footsteps approaching, Mu lanyin felt her body covered by Something.

When Mu Lanyin opened her eyes, there was a coat that covered her body.

Mu Lanyin looked at Ye Chen very confused.

"The weather is getting colder you should go back to your house" after giving the coat to Mu Lanyin Ye Chen turned around, Ye Chen took a shopping bag and rushed to leave this place.

Mu Lanyin was left alone in this place, Mu Lanyin was in the process of what had just happened.

"It's very warm." Mu Lanyin grabbed at the coat Ye Chen gave.

Mu Lanyin was very strange with Ye Chen, even though she had twice tried to kill him, but still Ye Chen was good to him.

"Your sister is okay?" A voice came from the sky, after that there were two women coming down from the sky, these two women were wearing white Phoenix clothes like the one in Mu Lanyin, both of them were also wearing a veil to cover their faces.

Even though these two women's faces were covered with a veil, it still could not hide their beauty

Mu Lanyin immediately turned around and saw these two women. "Zhue, Xi, you two have returned, what about the transaction?"

The names of these two women are Mu Zhue and Feng Xi.

Mu Zhue was raised by master Mu Lanyin when she was a child, when she was found Mu Zhue was only 5 years old because she did not know her name, then Master from Mu Lanyin gave her name to Mu Zhue and entered it into the sect.

Whereas Feng Xi entered the sect when he was 15 years old, the whole Feng Xi family was killed by bandits who made her homeless. One day Feng Xi met with a master from Mu Lanyin and after that master Mu Lanyin brought him back to the sect.

"Everything is going very well, but sister actually what happened to you?" Older Mu Zhue immediately asked me why Mu Lanyin, whose entire shirt was torn and is currently wearing a coat.

"It's okay if I just met with a very strong senior, we swapped a few swords and the result I became like this" Mu Lanyin ashamed to admit that she was defeated by a young man who was several decades younger.

"What!!" The two women shouted with great surprise that Mu Lanyin was defeated, Mu Lanyin was the master of the Frozen Ice Sect at this time, only a few people were able to fight with Mu Lanyin hand to hand.

Mu Zhue and Feng Xi did not expect that in such a mortal place a Great Cultivator was hidden.

"Forget it, Let's Return to the Frozen Ice Sect" Mu Lanyin extended her hand, the back of Mu Lanyin's palm appeared a symbol, this was a magical beast contract, A large Snow bird appeared in front of these three women, this bird had snow white feathers.

"Let's go," Mu Lanyin invited Mu Zhue and Feng Xi to ride this Magic Beast.

All three climbed on the back of this large bird, the Snow bird immediately flapped its Wings and flew into the sky and left the city.

Mu Lanyin stood on the back of the bersar bird and looked towards the city that was getting further away, Mu Lanyin then muttered "Ye Chen, I will remember this name" after that Mu Lanyin averted her gaze from the city

Chapter 80 - Build A Company

Ye Chen flew back to his own villa, Ye Chen immediately entered the villa and headed for the kitchen.

Ye Chen searched for Liu Yue's existence by using his spirit sensei, it turns out that Liu Yue was still in the bathroom.

Ye Chen started to cut chicken and vegetables, then Ye Chen washed all the ingredients that had been cut.

Ye Chen intended to make Sauteed Spicy Soy Chicken.

Ye Chen turned on the stove and started to heat the water, after the water boiled Ye Chen put some herbs into the water, the chicken that Ye Chen had washed was put into the seasoned water.

After all the seasonings had absorbed Ye Chen removed the chicken from the water, Ye Chen put the chicken into the skillet and started to stir-fry it, Ye Chen also made several other dishes as a complement.

After 20 minutes the entire table was filled with food that Ye Chen made.

"It's time to call Liu Yue" Ye Chen went upstairs and went to his room.

When Ye Chen entered, Ye Chen saw Liu Yue in front of the glass, Liu Yue was touching the skin with her hand.

Ye Chen walked up to Liu Yue and hugged her from behind, Liu Yue was surprised Ye Chen was behind her, "Wife, what are you doing? "

"Husband, are you seeing something different from me?" Liu Yue released herself from Ye Chen's arms and twisted her body 360 ° in front of Ye Chen.

Ye Chen looked up at Liu Yue's body, Liu Yue now looked more glamorous than before, Liu Yue's skin now looked healthier and more beautiful than before.

This was the effect of Dual Cultivation with Ye Chen, only Doing the Dual Cultivation of Liu Yue's body had been moisturized.

Not only was the dual benefit of Cultivation with Ye Chen, Liu Yue had also broken through to the level 6 condensation Realm , now Liu Yue had entered the beginning of the cultivator stage.

"Now, Yue's wife looks more beautiful" Ye Chen praised Liu Yue.

"You mean before I didn't look pretty? Humm, "Liu Yue sniffed coldly and looked away, looking dissatisfied.

It seems like Ye Chen mispronounced "Don't be angry, Yue's wife always looks beautiful all the time" Ye Chen approached and held Liu Yue's hand.

"Giggling" Liu Yue Laughing "husband, just now I just teased you a little" Liu Yue then hugged Ye Chen.
After being satisfied, Hug Yue released Ye Chen.

"The food is ready, let's go down" Ye Chen invited Liu Yue to go to the dining room on the 1st floor.

Liu Yue trembled slightly while trying to walk.

" What is wrong ? "Ye Chen asked.

"Husband, isn't this your fault for being too rude while doing it this afternoon?" Liu Yue complained to Ye Chen.

Ye Chen understood, Liu Yue, who was doing the Dual Cultivation for the first time, must feel pain in that part, every normal woman would be the same as Liu Yue right now.

Ye Chen lifted Liu Yue and held her like a princess "I will take you down," Ye Chen then came out of this room and went down to the 1st floor.

This was the second time Liu Yue was carried like a princess, Liu Yue who was in the arms of Ye Chen was very happy.

After arriving at the dining room Ye Chen lowered Liu Yue, Liu Yue saw several plates of food that were placed very neatly.

The food on the plate looks good to eat.

"Sit down" Ye Chen prepared a sitting chair for Liu Yue.

Liu Yue immediately sat on the Chair Ye Chen had prepared, while Ye Chen sat opposite Liu Yue.

Both of them then began to eat dinner, when Ye Chen was about to take the food he was stopped by Liu Yue, Liu Yue took what Ye Chen wanted and put it on a plate.

Now it was Liu Yue's turn to serve Ye Chen to eat, both of whom ate very happily.

Ye Chen: "Oh yes, Yue's wife, I forgot to say it, you are now a cultivator, so you can practice to become immortal from now on."

" Immortal ? "Liu Yue is a little confused about what Ye Chen just said, what is it that cultivator Liu Yue never knew.

Because Liu Yue did not understand, Ye Chen explained to Liu Yue from the start, after Ye Chen's lecture for 20 Minutes, Liu Yue finally began to understand.

"Oh, so from now on I can do things like those in martial arts drama? "Liu Yue really likes martial arts films, Liu Yue always imagined she could fly and meet a handsome and great man on a cliff, and now Liu Yue has found him.

Ye Chen: "Yes, it depends on how high your level is, for now you can't possibly imitate the scenes on TV, anyway you also haven't learned the basics from cultivators," Ye Chen explained to Liu Yue.

"Then husband, besides flying, what else can you do?" Liu Yue was very interested in wanting to know.

In the eyes of Liu Yue Ye Chen could see the glitter of the stars, Ye Chen was helpless and showed a little of his abilities.

"Look carefully" Ye Chen raised his hand up. A fire appeared and covered Ye Chen's hand.

"You See I can Put out fire in all parts of my body" Ye Chen proudly flaunted it to Liu Yue.

"Pat. . . pat. . . "

seeing this amazing thing Liu Yue applauded "Husbands are indeed great".

"You don't have to praise me one day, you can also be like me" Ye Chen then removed the fire in his hand.

"But if I can do it, I don't even know anything about the World of Cultivators." Liu Yue was a bit pessimistic because she didn't know anything about the world of cultivators.

"I will guide you, as long as you have the determination you can do everything" Ye Chen gave encouragement to Liu Yue.

"Yes" Liu Yue smiled and nodded to Ye Chen.

After finishing eating, Ye Chen helped Liu Yue wash the dishes.

"Wife, I plan to make a small company, what do you think? Ye Chen asked Liu Yue who is the Business Queen for advice.

" a company ? Why suddenly? "Liu Yue wants to know the reason Ye Chen wants to create a company.

"You know that to become a cultivator we need herbs to quickly move up, the price of herbs is also very expensive, we need money to buy it" Ye Chen had to resolve his financial crisis, otherwise it would be very difficult for Zhao Yanyan and Liu Yue to increase their strength.

"Why are you confused, you can use my money, after all, now I am your wife, my money is also your money" Liu Yue did not mind the money used by Ye Chen, as long as it was for their benefit.

Ye Chen shook his head "no, I can't use your money, as a man I also want to make my own money" as an independent man Ye Chen wanted to make money, Ye Chen didn't want to use the money that Liu Yue earned with hard work.

"Yes, I understand" Liu Yue did not expect Ye Chen to be this adult, if it was replaced by someone else, they would definitely be very happy to use her money.

Liu Yue will always support Ye Chen's decision "then what do you want to create a company for? "Liu Yue wants to know what company Ye Chen will make.

"I want to make a Cosmetic Company, what do you think? "Since returning to Earth Ye Chen has always wanted to create a cosmetics company.

Ye Chen has several recipes for making beauty creams and ointments that have extraordinary effects for beauty.
