

A True God 711

Chapter 711: Ye Chen & Zhang Shiyun (3)

"Jubo.. . , Jubo.. . , Jubo.. . , Jubo.. . , " Zhang Shiyun started greedily, sucking, licking and swallowing the large object that was in her mouth.

She looked like she was eating something that had never been tried in this life.

Being overly excited, Zhang Shiyun's current mind was only this large object.

"This is amazing, not only very big, it tastes really good too." Zhang Shiyun seemed addicted to the large object in her mouth right now.

This time Zhang Shiyun had actually found a treasure that was unmatched in this world.

She had to make this thing her own, if Zhang Shiyun could have this thing every day, then Zhang Shiyun would live happily ever after.

Zhang Shiyun looked back at Ye Chen, she wanted to see Ye Chen's reaction when she did this kind of thing.

When Zhang Shiyun saw Ye Chen, she found that Ye Chen was currently enjoying this service very much, Ye Chen felt a very good feeling when receiving services from Zhang Shiyun.

Seeing this, Zhang Shiyun showed a smile full of triumph "Ye Chen, just look, soon you will definitely be kneeling under the pomegranate skirt I have." Zhang Shiyun muttered in her heart.

Zhang Shiyun was very confident in her abilities, Zhang Shiyun was confident enough to tame a young man like Ye Chen, and make her a man who would do everything for herself.

Zhang Shiyun didn't hold back anymore, she started to use all the abilities she had to please Ye Chen.

Meanwhile Ye Chen was currently enjoying the service provided by Zhang Shiyun's small mouth, Zhang Shiyun's mouth was too comfortable, Ye Chen felt tremendous ecstasy.

If Ye Chen could get this service every day, then Ye Chen would feel very happy.

Zhang Shiyun continued to provide services to Ye Chen for almost 30 minutes, during this nearly 30 minutes Zhang Shiyun never stopped to serve Ye Chen.

Zhang Shiyun felt that her jaw was very tired, Zhang Shiyun did not believe in Ye Chen's endurance, Ye Chen had really been able to endure this long against her technique.

Zhang Shiyun tried to strengthen herself, she couldn't lose to Ye Chen, if she lost then she wouldn't be able to get this man.

Zhang Shiyun had to keep trying to get Ye Chen to bring out the Yangqi Essence he had.

After a very hard struggle, Zhang Shiyun finally felt that Ye Chen was showing signs of defeat.

Zhang Shiyun did not just miss this opportunity, she immediately used all the abilities she had to make Ye Chen happy.

"Jubo.. . , Jubo.. . , Jubo.. . , Jubo.. . " Zhang Shiyun sped up the movement she had, she immediately tried to make Ye Chen came out as fast as he could.

Ye Chen could no longer stand Zhang Shiyun's abilities, Ye Chen immediately grabbed Zhang Shiyun's head and started shooting out an enormous amount of Essence.

"Umm.. . Zhang Shiyun was shocked by the amount of Yangqi Essence that Ye Chen spat out, her mouth bulging when she received Ye Chen's Yangqi essence.

"Glup.. . , Glup.. . , Glup.. . , Glup.. . , "Zhang Shiyun started to swallow up all the Yangqi Essences that Ye Chen had, he didn't waste even a bit of the Yangqi Essences that Ye Chen had.

After 1 full minute, Ye Chen finally finished taking out the burden he had, he felt comfortable after removing the burden he had.

"Slurp.. . , Slurp.. . , Slurp.. . , Slurp.. . , ", Zhang Shiyun currently doesn't want to let Ye Chen go, she keeps trying to find the remnants of Yangqi Essence that are left in there.

Zhang Shiyun was quite addicted to the taste of the thing she had just tried, she felt that the taste of this Yangqi Essence was very delicious, even from all the delicious food in this world, what Zhang Shiyun had just tried was the most amazing.

Apart from having an unrivaled taste, the purity of Yangqi Ye Chen was simply amazing, she had never seen anyone who had a Yangqi purer than Ye Chen's made.

"You have a very delicious essence, I like that", Zhang Shiyun told Ye Chen that she liked Ye Che's Yangqi Essence.

According to Zhang Shiyun, Ye Chen's Essence was the most valuable treasure she had ever encountered in this world.

Zhang Shiyun continued to hug Ye Chen', she looked like he had found the best thing in this world.

Zhang Shiyun's current behavior made Ye Chen very excited, Ye Chen felt that he was starting to get excited.

Zhang Shiyun, who was hugging Ye Chen, felt that the large object in his hand was hard like before.

Zhang Shiyun was again shocked by this discovery, Zhang Shiyun did not expect that Ye Chen would recover this quickly.

Zhang Shiyun who was below pushed Ye Chen down, Zhang Shiyun began to ride on Ye Chen's body.

"That's right, you're still young right, going out once is definitely not enough for you, let me eat this again" Zhang Shiyun wanted to try this big thing under her, she wanted to feel what if this thing was inside his body.

It must have felt very comfortable to do, Ye Chen saw that Zhang Shiyun was very excited, he had forgotten the identity he currently had.

"Wait, just a moment." Ye Chen stopped Zhang Shiyun from doing something to him.

"What else?" Zhang Shiyun asked what happened to Ye Chen, Zhang Shiyun currently wants to hurry up and try this big thing, Zhang Shiyun has been lonely for a long time, so she needs a man to fill this loneliness.

"If you want to do it, you have to promise me first" Ye Chen told Zhang Shiyun that he had to make a promise to first Ye Chen, if you want to continue this.

"What is it?" Zhang Shiyun asked Ye Chen what she wanted.

"I want you to leave Queen's side and join me as my woman." Ye Chen told Zhang Shiyun what he wanted.

Ye Chen wanted Zhang Shiyun to go to his side, that way Ye Chen would be younger to keep an eye on Queen using Zhang Shiyun's help.

Zhang Shiyun smiled softly when she heard this, it seemed that until now Ye Chen was still not aware of the identity she had even after she had provided services like just now.

"Is this a proposal?" Zhang Shiyun asked if Ye Chen's words just now were a proposal for her.

"Yes, you can say it like that" Ye Chen said to Zhang Shiyun who was on top of his body.

"This is the first time a man has dared to propose to me in this way, usually men will be afraid of me and dare not get close to me", Zhang Shiyun was a little touched by the words Ye Chen just said.

Not many men dared to be close to Zhang Shiyun because of her reputation in this Royal Family, so Zhang Shiyun felt touched by Ye Chen's sincere words.

"So what is your answer?" Ye Chen wanted to know what answer Zhang Shiyun would give him.

"OK, I agree." Zhang Shiyun agreed very quickly with Ye Chen, right now she wanted to try this big thing immediately.

"Good." Ye Chen nodded in satisfaction to Zhang Shiyun, it looks like from here on everything will go very smoothly.

Soon he would find out what Zhang Shiyun's Queen was planning.

Chapter 712: Queen refuses to see Ye Chen

"Tap.. ., Tap.. ., Tap.. .", "When Ye Chen and Zhang Shiyun were about to do a Dual Cultivation Session, both of them heard the sound of footsteps approaching here.

Hearing the footsteps that were getting closer to here, Zhang Shiyun immediately woke up and got up from Ye Chen's body.

"Ye Chen, it looks like someone has come here, let's just continue this another time." Zhang Shiyun told Ye Chen to continue this for another time.

Zhang Shiyun had plans of her own, she didn't want to prematurely expose the identity she had to Ye Chen.

Zhang Shiyun would find time to surprise Ye Chen at the anniversary of the founding of the royal family.

It would be great to see Ye Chen's face when he found out the true identity she had.

"Ye Chen don't get caught, if you get caught then you will get into trouble." Zhang Shiyun warned Ye Chen not to get caught by people who would come here.

After saying those things just now Zhang Shiyun disappeared from Ye Chen's sight.

Ye Chen looked helpless when he saw Zhang Shiyun leave this place, even though good things were about to start, but Zhang Shiyun instead left this way.

"Tap.. ., Tap.. ., Tap.. .," The sound of footsteps, getting closer and closer, it looks like someone will come to this place.

Seeing that there would be people coming to this place, Ye Chen hurriedly tidied the clothes he was wearing, after tidying his clothes, Ye Chen immediately slipped away from this place.

Ye Chen immediately went back to the room where the 10 beautiful maids were.

"Bang.. .." The door was opened very loudly by a woman.

"Your Majesty, are you inside?" This woman immediately said in a gentle voice.

Unfortunately in this place there were no other people, Ye Chen and Zhang Shiyun had already left this place a few moments earlier than this woman's arrival.

"It's strange, didn't the servants say that Queen is in the bath, why isn't she here?" This woman was a little confused when she didn't find Queen's whereabouts in this bath.

Though he has some important news to report to Queen.

"Where exactly is Majesty?" This woman is confused about where Queen is currently.

Seeing that Queen was no longer in this place, this woman decided to look for Queen elsewhere.

.

.

.

Ye Chen has now slipped back to the room where he had to wait for Queen.

"Has Queen been here" Ye Chen asked the 10 maids in front of him, He wanted to know whether Queen had come here or not.

"Young master Ye Chen, until now the Queen hasn't come here." One of the 10 maids answered Ye Chen's question.

Hearing this, Ye Chen was a little relieved, it looks like Queen still hasn't returned to this palace, if Queen earlier came back and found him, then things would be a little chaotic.

Since Queen still hasn't returned, then Ye Chen can't help but have to wait for her in this place.

Ye Chen started telling the maids who were here to serve him like before.

About 15 minutes later, the young woman who previously welcomed Ye Chen now came back.

"Young master Ye Chen, I have a message from Queen for you" This young woman told Ye Chen that she had come here to give a message from Queen.

Hearing the intention of this young woman's arrival, Ye Chen immediately got up from the floor, finally the long-awaited moment had arrived.

"What's the message from Queen?" Ye Chen wants to know a message from Queen for himself, did Queen send this young woman to invite himself to go see Queen right now.

"Queen advised that she is currently not feeling well, so she apologized for not being able to meet Young Master Ye Chen for today." This young woman told what Queen's message for Ye Chen.

Ye Chen's face turned black when he heard this, he couldn't believe that he had waited here for a long time and didn't get what he wanted.

Ye Chen is currently quite annoyed with Queen, why was she told to wait in this place, whereas from the start Queen did not want to meet him.

Seeing Ye Chen become annoyed, the young woman who was sent by Queen immediately panicked.

Looks like Ye Chen was very upset because he was told to wait for a long time, but he didn't meet Queen.

"Young Master Ye Chen, please don't be angry, Queen didn't mean to do that to you, so please don't get angry like that." The young woman told Ye Chen to calm down and not be angry with what happened at this time.

"How can I be calm when treated like this, where is the current Queen, I want to go and meet her" Ye Chen wants to go see Queen right now, he wants to immediately solve the problem he has with Queen.

"Young master Ye Chen, Queen really can't meet you, 2 days from now there is an important event for Queen to attend." This young woman tried to persuade the angry Ye Chen, she hoped Ye Chen would calm down and listen to her.

"What kind of event will Queen attend to the point that she can't meet me" Ye Chen wanted to know what event Queen couldn't meet him.

"Young master Ye Chen, 2 days to go is the commemoration of the founding of the royal family, that's why Queen gave you this invitation." The young woman handed an invitation to Ye Chen.

This invitation was given by Queen so that Ye Chen could come to attend the event commemorating the founding of this country the royal family.

Ye Chen accepted an invitation given by a young woman, he didn't know why Queen didn't meet him and instead gave himself something like this.

"Young master Ye Chen, you can meet Queen at the event, I hope you can understand this" The young woman told Ye Chen that he could meet Queen at this event.

"Alright, I will accept this invitation, I will meet the Queen next time" Ye Chen finally relented, he will meet Queen at the ceremony for the founding of the royal family.

After receiving the invitation from the Queen, Ye Chen immediately left this palace, there was no use for Ye Chen to continue to be here.

The Other party didn't want to see him anyway, so why did Ye Chen continues to be in the royal palace like that, it's better Ye Chen accompanied the women.

The young woman wanted to escort Ye Chen away from this place, but she could not keep up with Ye Chen's extremely fast speed.

In just seconds, Ye Chen left this palace, he had already gone to the Wu Clan manor where Zhao Yanyan was.

When Ye Chen left the royal palace, Queen happened to be at the top of the palace tower, from the window she saw Ye Chen's departure.

"What a very attractive man, I can't wait to see you again." Queen can't wait to see Ye Chen again in the next 2 days.

It would be great to meet Ye Chen 2 days later.

"your majesty, it turns out that you are here, I've been looking for you everywhere?" A woman came to meet Queen.

This woman was naturally the one who had interfered with what Ye Chen was doing just now.

Chapter 713: Two Suspicious People

"What is it you looking for me?" Queen asked why this servant was looking for her.

"I want to tell Your Majesty about an important news, this is about the people who came from the Gates of Eternity Sect." This woman reported about the people who came from the Gates of Eternity Sect.

"So what about the people from the Gates of Eternity Sect, did they do anything?" Queen wants to know what this servant really wants to say.

"Starting, it's a matter of young representatives sent by the Gates of Eternity Sect, their strength is really above the average we have, I'm afraid that in the next battle, the royal family will be defeated".

The woman received a news about the young talent sent by the Gates of Eternity Sect to have far greater strength than the young talent possessed by the royal family.

"Is that all the news you want to tell me? ", Queen asked the woman who was behind.

Queen doesn't seem to care about this matter, she looks very relaxed when she hears about this matter.

For Queen this kind of problem is not very important to her, she does not care if the younger generation belonging to the royal family loses at the hands of the Gates of Eternity Sect,

For her, as long as the royal family has power above the Gates of Eternity Sect, it is enough herself.

And now that Queen is building the Royal Family's power behind the scenes, she must not expose the current Royal Family's power to outsiders.

Let the people think that the current royal family is very weak and vulnerable.

There is an old saying that it is easy to defeat an enemy who is off guard, perhaps these are the words that Queen took to deal with another great power controlling this Kunlun Holy land.

"That is the only news that this servant has, Your Majesty, are you not worried about this news" The servant asked if Queen was not worried after hearing this news.

"As for, am I worried about a small matter like this, this is not something to be worried about." Queen told the woman behind her that she was not worried about this kind of problem.

"But Your Majesty, it concerns the reputation of our royal family, if we lose again then we will lose face." The maid told the Queen that if they lose again in the martial arts battle this time, then the royal family will lose face.

"You may be right, maybe I should raise a little trouble about this." After hearing what the servant behind her said, Queen started to think about handling this matter.

"Are there any remaining slots for the participant?" Queen asked if there are still empty slots left for participants who will take part in this battle.

"If I'm not mistaken there are still 2 empty slots" the female servant told Queen that there were still 2 empty slots left.

"Good, then I want you to enter Ye Chen into this competition." Queen told her servants that she wanted to enter Ye Chen in the battle competition that would be held.

With the strength of Ye Chen, he should be able to get 1st place very easily.

"Your Majesty, are you sure you want to include foreigners in our camp?" The female servant asked Queen.

"Don't ask too many questions, do as I command." Queen looked dissatisfied when this female servant dared to oppose the decision she had made.

"Your Majesty, Please forgive me" The servant immediately knelt down asking for mercy, she seemed very scared by Queen who was angry with her.

"I forgive your mistake just now. Hurry up and do what I said earlier" Queen ordered the servant to immediately carry out the order she had given just now.

"Well, I understand." The servant no longer dared to defy Queen's orders, she immediately went over to take care of what Queen just wanted to enlist Ye Chen in this battle competition.

After the female servants left, only Queen was now in this place.

"Fufufufu, looks like the martial arts battle competition this time will be very interesting, I can't wait to see the Gates of Eternity Sect and Shaolin suffer defeat." Queen suddenly laughed to herself, she looked impatient waiting for the battle that Ye Chen would show. .

"Shit! ! ! "On his way back to the Wu Clan manor, Ye Chen suddenly sneezed.

"Who's talking about me right now" While rubbing his nose, Ye Chen began to wonder who the person was talking about him.

"Who are those two suspicious people? "When Ye Chen flew in the sky, he found two suspicious people walking on the roof tile of the house.

These two people were wearing robes to cover their bodies, this was what made Ye Chen suspicious of these two people.

The two of them seemed to be in a hurry to head to a place in the Wu Clan territory.

"Looks like I have to follow them." Seeing these suspicious people, Ye Chen decided to follow these two people.

He wanted to find out who these two people really were, and what they wanted to sneak around like this in the territory ruled by the Wu Clan.

Ye Chen continued to follow these two people from the shadows, he tried not to be found by these two.

A while later, Ye Chen saw that these two people entered a luxury inn in the Wu Clan territory.

"It's strange, why did they go to an inn? , Are they not doing something bad? "Seeing this, Ye Chen began to doubt whether the two people he had just followed were people who wanted to do bad things.

"Better, I make sure these two people don't do something bad." Ye Chen was still quite curious about the identity of the two people earlier, he smelled a suspicious scent from the two men.

Ye Chen immediately followed these two people towards the inn, Ye Chen tried to mingle with the people in the lower inn.

As usual the first and second floor inns are usually used for dining rooms, so on the first floor there are quite a number of people eating together with their friends, family or lovers.

While the second floor was reserved for important guests of considerable status and wealth, only the rich and high status could go up to the upper floors.

Ye Chen saw that the two people just went up to the second floor, Ye Chen tried to follow the two people up to the second floor.

When Ye Chen wanted to go up to the second floor, he was stopped by the guard who was guarding the stairs leading to the top floor.

"Wow.. , Wow.. , Wow.. , young people, Where are you going ?, this upstairs is only for certain people. "This guard told Ye Chen that the top floor was only for certain people.

"What do I have to do to get to the top floor? ", Ye Chen asked what needs to be done to go upstairs.

"You have to have a special membership card if you want to go upstairs." The guard told Ye Chen that he had to have a special membership card to go upstairs.

Chapter 714: Shen Clan's covert plan (1)

Ye Chen slightly raised his eyebrows when he heard this, it seemed like he couldn't go upstairs without having a special membership card.

Inevitably Ye Chen had to use a method to get to the top floor.

"Too bad I don't have the membership card you mean, it seems I can't go upstairs." Ye Chen pretended to leave this place.

"Good go, don't come near here anymore, hahahaha" The two guards kicked Ye Chen out of this place again, they both looked happy when Ye Chen left this place.

Ye Chen did not respond to the words of these two people, he immediately went to a corner not far from the stairs on the first floor.

After reaching the corner, Ye Chen took out a black robe to cover himself, after finishing covering his body, it was time for Ye Chen to sneak upstairs.

"**Nine Shadow Step**" Ye Chen used **Nine Shadow Step** to get past the two guards guarding the stairs leading to the second floor.

"You idiot." When Ye Chen passed these two people, he didn't forget to call these two people stupid.

"Did you just say that I was stupid" The two guards guarding the stairs both asked each other, they heard that one of them called out with stupid words.

"Why do you even ask me like that, didn't you say that I was stupid?" The first guard said to his colleague who was beside him.

"I didn't say anything earlier, it must be you who said stupid words just now" The second guard did not accept being accused of saying those words just now, he felt that he did not say the words just now.

"Don't lie to me, I know you must be the one who said the words just now, confess and apologize to me." The first guard said that he did not believe what the second guard just said.

"I told you if I didn't say anything, you should be the one who apologized to me for calling me stupid." The second guard was angry at the first guard who had accused him.

"If you don't want to apologize, let's finish it manly." The first guard challenged the second guard to solve this problem in a male way.

"OK, who's afraid." The second guard was not afraid of the challenge given by the first guard, he accepted this challenge with open arms.

Because both of them feel they are both right and not wrong, they can only solve this in a male way, namely fighting to determine who is the most right.

The first guard and the second guard immediately fought each other, the two of them started attacking each other as if the opposing side were the enemy to defeat.

What these two were doing caught the attention of the people who were eating and enjoying the wine downstairs, everyone saw the battle that was carried out by the two guards who had previously blocked Ye Chen's path.

It was unexpected that a word from Ye Chen just now would make the two guards guarding the stairs to the second floor going to fight like that.

This actually becomes an interesting spectacle for people on the first floor, rarely can they see a free battle like this.

When Ye Chen made it to the second floor, he didn't care what the two guards who had previously blocked his path were doing.

Now what Ye Chen needed was to find out who exactly the identity of the two suspicious people had, Ye Chen felt uneasy if he didn't know the identity of these two suspicious people.

The second floor is completely different from the first floor, on this floor the lighting is very minimal, ordinary people must be very difficult to see each other.

For others, it might be difficult to see on this second floor, but for Ye Chen this was an extremely easy thing to do.

Ye Chen could see everything there, he saw that there were some people who were having fun with some women with very hot looks.

These people even had intercourse in this place without waiting to go to their rooms upstairs.

No wonder the previous guard forbade Ye Chen to go upstairs, it turned out that the upper floors were filled with these kinds of things.

Ye Chen wanted to know what the two suspicious people earlier in this place wanted, whether the two of them also wanted to do the same with the people in this place.

Ye Chen started looking around this place, he started looking for the whereabouts of the suspicious people he had met earlier.

After searching for a while, Ye Chen finally found the whereabouts of the person he had just followed.

This time Ye Chen found that there were 2 additional new people sitting in front of the two mysterious people he was following earlier.

For the 2 additional people this time Ye Chen knew who they were, these two people were the elders who came from the Gates of Eternity Sect.

Ye Chen still clearly remembered that these two people were the people he met this morning.

Luckily, Ye Chen remembered clearly the people from the Gates of Eternity Sect, so he could tell that these were the two elders from the Gates of Eternity Sect.

Ye Chen's suspicion deepened and deepened, he wanted to know why these great people had gathered, in a place like this.

Whether the four of them were discussing a business or something else, Ye Chen wanted to find out what the Gates of Eternity Sect wanted from these two mysterious people.

Ye Chen started looking for a seat a little away from the four people he was watching.

Ye Chen kept a distance away enough so that no one would be suspicious of him.

Ye Chen wasn't worried if he couldn't listen to the conversations that the four of them had, Ye Chen had very good hearing, he should be able to hear what these people were planning.

The two suspicious people started to take off the headgear they had, when these two people opened the headgear they had, the faces of the two of them began to be clearly visible to Ye Chen.

Ye Chen was very unfamiliar with the faces these two had, he had never seen the faces these two had.

These two people were Shen Ao and the first elder of the Shen Clan, both of them had actually come so late to meet the two elders who came from the Gates of Eternity Sect.

"Shen Ao, has been a long time since we last met, it looks like your strength hasn't increased much since the last time we met" the elder of the Gates of Eternity Sect said to Shen Ao.

The two elders from the Gates of Eternity Sect were named Hong Zim and Hong Yepu, both of whom were quite influential in the Gates of Eternity Sect.

"Hahaha, Mr. Hong Zim, you could be." Shen Ao could only laugh when he heard the taunts from Hong Zim.

Shen Ao didn't dare to be angry after hearing the taunts from Hong Zim, if Shen Ao offended Hong Zim and Hong Yepu, then the grand plan planned by the Shen Clan would fall apart.

The Shen Clan needed the support of the Gates of Eternity Sect to carry out their grand plan, which was why Shen Ao and the first elder were currently discussing with Hong Zim and Hong Yepu to discuss the Shen Clan's grand plan.

"Lord Hong Zim, is your Gates of Eternity Sect willing to lend a helping hand to our Shen Clan?" Shen Ao started asking Hong Zim about this matter.

Chapter 715: Shen Clan's covert plan (2)

"The sect master said he could help your Shen Clan to help usurp power from the royal family, but the sect leader wants 40% of the territory owned by the royal family" Hong Zim told Shen Ao if the Gates of Eternity Sect is willing to help as long as the Shen Clan is willing to hand over 40% of the territory owned by the royal family to the Gates of Eternity Sect.

Shen Ao and the first elder's faces became a little unsightly when they heard this.

Originally the Shen Clan offered the Gates of Eternity Sect 25% of the territory owned by the royal family if the Gates of Eternity Sect were willing to help them stage a coup.

It was unexpected that the Gates of Eternity Sect would ask for more than the offer made by the Shen Clan to them.

"So do you agree or not? ", Hong Zim asked whether Shen Ao agreed with this or not.

If Shen Ao didn't agree then the Gates of Eternity Sect would not have reached out to assist the Shen Clan in its plans.

"Just agree to what wants our Sect Master, otherwise you will definitely be destroyed by the royal family." Hong Yepu said to Shen Ao and the first elder Shen Clan to agree with what Hong Man wanted who was the Sect Master of the Gates of Eternity Sect.

Shen Ao and the first Elder looked at each other, both of them began asking whether they should agree to a request from the Gates of Eternity Sect which is slightly higher than the initial bid has been given by Shen Clan.

The demand for the Gates of Eternity Sect is too high, the Shen Clan will have a little trouble letting go of this.

40% of the royal family's territory is quite a lot, if 40% of it is cultivated properly by the Shen Clan, then they will be able to gain an immense advantage.

Shen Ao and the first elder started discussing this matter, the two of them started asking whether they should agree to this matter or not.

"First elder, what should we do once." Shen Ao used voice transmission to talk to the first elder, he wanted to know what First elder would do in this matter.

"This is a very difficult choice, if we don't get help from the Gates of Eternity Sect, then our chances of winning against the royal family will be very bit, we have no other choice but to accept this agreement." The first elder said to Shen Ao to accept this deal.

This is better than losing in battle with the royal family, at least having the Gates of Eternity Sect can guarantee their victory against the Royal Family.

"So how do you answer, do you agree or not? ", Hong Zim asked whether Shen Ao agreed or not with the deal Hong Man wanted.

"OK, we agree, as long as the Gates of Eternity Sect can guarantee our victory, then our Shen Clan will definitely give the Gates of Eternity Sect 40% of the territory owned by the royal family." Shen Ao agreed with what Hong Man wanted, he agreed to give 40% of the looted territory if successful in overthrowing the royal family.

"Good, then we agree." Hong Zim and Hong Yepu are very happy to hear this, it looks like they will get an award from the Gates of Eternity Sect for having succeeded in making a good deal like this.

"So, when did the help from the Gates of Eternity Sect come? ", Shen Ao asked when the help from the Gates of Eternity Sect would come to aid.

"You don't have to worry about that problem, the Gates of Eternity Sect will send the best fighters to help you, you just have to tell when the Shen Clan will attack the royal family." Hong Zim said that the Gates of Eternity Sect will send the best people to help Shen Clan against the royal family.

Hong Zim also wants to know when the Shen Clan will attack the royal family.

"For that, we intend to attack Shen Clan 2 days from now precisely at the commemoration of the founding of the royal family, warning this time will be different with the caveat that has past, this time it will be a warning destruction of the royal family" Shen Ao told Hong Zim and Hong Yepu when Shen Clan will carry out the coup against the royal family.

"Hahahaha, that's great." Hong Zim and Hong Yepu laughed at this, they both couldn't wait to get the reward for overthrowing the royal family.

Ye Chen who was in the distance saw everything, he did not expect that the Shen Clan planned a coup like that.

Ye Chen actually couldn't hear the contents of the conversation carried out by these four people because of a sound insulation they made.

Luckily Ye Chen was quite proficient with lip language, so even though he couldn't listen to the contents of the Shen Clan and the Gates of Eternity Sect, he knew that both the Shen Clan and the Gates of Eternity Sect wanted to destroy the royal family.

The two of them wanted to wrest the territory of the Royal Family for themselves.

"This will be a very interesting thing." Ye Chen felt that this would be a very interesting thing, it seems like something very interesting will happen between the royal family and also the Shen Clan.

After obtaining the required information, Ye Chen immediately got up and left this place.

"Hey there you, wait a minute" When Ye Chen just got up from his seat, he happened to be stopped by Hong Zim.

Hong Zim has started to feel strange about the presence of Ye Chen who did not order food or anything else, Hong Zim began to suspect that Ye Chen was a spy who was eavesdropping on the conversation he had with Shen Ao.

"Brat, what's the matter with you stopping this old man." Ye Chen started to change his voice tone to a little hoarse, he started talking like an old man.

Hong Zim's face twitched when Ye Chen called himself a brat, he didn't expect that someone would dare to call himself a brat.

Hong Zim himself is now thousands of years old, so when Ye Chen calls him a brat, of course Hong Zim will get angry.

"You bastard, how dare you call me a Bart, don't you know who I am?" Hong Zim started roaring at Ye Chen, he really looked very angry at Ye Chen.

"Do you want to make this old man angry? ", With a hoarse voice, Ye Chen said to Hong Zim who was behind him.

"Do you think I'm afraid of you, come here let me show who the boss is here" Hong Zim challenged Ye Chen to a fight.

Ye Chen could feel Hong Zim's strong killing spree, it seemed Hong Zim was really serious about fighting Ye Chen.

"Hahahahaha, Brat, you want to fight with this old man, are you kidding This Old Man ?" Ye Chen burst out laughing when he heard what Hong Zim said.

Hong Zim was getting more and more annoyed with Ye Chen, he felt humiliated by Ye Chen's words.

"You bastard, feel this." Hong Zim advanced towards Ye Chen, he wanted to try to attack Ye Chen with all the strength he had.

Seeing Hong Zim advancing towards him, Ye Chen immediately gave off an extremely terrifying pressure to suppress Hong Zim who was currently heading towards him.

Chapter 716: The acting you did earlier was so good

When Ye Chen took out the strength he had, Hong Zim immediately felt a very frightening pressure, he immediately stopped in place when he felt this extremely oppressive pressure.

It was not only Hong Zim who felt the pressure that Ye Chen had, Hong Yepu, Shen Ao and also the first elder felt an oppressive pressure exerted by Ye Chen.

This pressure was so strong that it made the bodies of these four people tremble with fear.

Hong Zim, Hong Yepu, Shen Ao and also the first elder did not expect that this mysterious man had such a high cultivation base, it is only natural that he dared to call Hong Zim a Brat, it turns out that the strength of this old man was Very Strong.

From the strength that was currently being extracted by Ye Chen. Hong Zim, Hong Yepu, Shen Ao and also the first elder guessed that Ye Chen was in the realm of Half step Divine Realm.

In this Kunlun Holy Land there are only a few people who have stepped towards the half-step realm Divine Realm, and these people are commonly called old monsters, because they can cultivate to such a high stage.

"Senior, please forgive me for the impudence I just did, I really didn't think that senior is such a strong person." Hong Zim tried to kneel and apologize to Ye Chen.

After seeing the power that Ye Chen was currently exerting, Hong Zim did not dare to appear arrogant like before, before the Old Beast like the person in front of him.

"Hehehe, Brat, so now that you understand this old man's strength, do you still dare to fight with this old man, If you are still brave then, let this old man eliminate the cultivation base that you all have. "Ye Chen said to Hong Zim who was in front of him.

Hong Zim immediately broke into a sweat when he heard what Ye Chen just said, if this old monster eliminate his cultivation base, then Hong Zim would lose his position as well as what he currently had.

And even worse, Hong Zim could no longer use the power of the Gates of Eternity Sect to threaten Ye Chen.

The Gates of Eternity Sect would definitely not want to look into trouble with an old monster like this just because Hong Zim was alone.

Surely the Gates of Eternity Sect wouldn't want to help Hong Zim if he fought this Old monster.

"Senior, senior, please forgive me, I know I was wrong, so please let me go" Hong Zim bowed to Ye Chen, he's trying to apologize to Ye Chen.

Hong Yepu, Shen Ao, and the first elder didn't dare to interfere in this matter, they were better off watching than being dragged into this.

Even Hong Yepu who was both from the Gates of Eternity Sect didn't want to help Hong Zim, he didn't want to be dragged down by what Hong Zim started.

"I will forgive you, but you have to keep kneeling in this place for 2 days, if you dare to leave this place, then I will come back here to beat you" Ye Chen said to Hong Zim who was behind him.

In his heart, Ye Chen burst out laughing, he really liked it when he bullied Hong Zim like this, at least the people from the Gates of Eternity Sect felt the consequences for having dared to stop him just now.

"Thanks to seniors for grandeur, thanks to seniors for grandeur" Hong Zim thanked Ye Chen because of his majesty that wants to escape himself.

After giving Hong Zim a punishment, Ye Chen immediately left the second floor, he quickly disappeared from the sight of these four people.

Hong Zim still continued to kneel on the floor, according to what Ye Chen ordered, he didn't dare to move an inch from where he was kneeling at the moment.

The other people on the second floor could only smile when they saw Hong Zim's misfortune.

"Mr. Hong Zim, Mr. Hong Yepu, thank you for your time to discuss business with us, then we will leave first." Shen Ao doesn't want to stay any longer in this place, if he continues to live in this place, people anyone here would be suspicious of him meeting the people from the Gates of Eternity Sect.

Shen Ao and the first elder immediately left this place, they hurriedly left like a rabbit that had just seen its predator.

Hong Yepu was helpless to see this, he didn't expect that his partner Hong Zim would offend an old monster like that.

"Hong Zim, I will return to my room, I will send the results of our discussion to the Sect master." Hong Yepu decided to return to his room, he is not strong enough to accompany Hong Zim in this place.

Hong Yepu could lose his face if he accompanied Hong Zim like this.

Hong Zim couldn't stop Hong Yepu from leaving himself alone in this place, after all this was his own fault to offend someone as strong as Ye Chen.

Ye Chen is currently standing beside the inn building with the face of a whale, tonight he can make Hong Zim from the Gates of Eternity Sect kneel at the inn for 2 days, it is something that is very wonderful for Ye Chen.

What Ye Chen said just now was just a bluff, he would no longer bother to keep an eye on Hong Zim in that place, rather than watching Hong Zim, Ye Chen would rather spend time with Zhao Yanyan, Nangong Xiang or Nanhua Caiyi.

"It's time to come back." Ye Chen has already got a very useful information, maybe he should tell Wu Ping information about the Shen Clan that will stage a coup.

"The acting you did earlier was so good." When Ye Chen wanted to leave this place, right from behind his body Ye Chen listened to a woman's voice.

Ye Chen was very surprised, he didn't detect a presence near him from the start.

Ye Chen immediately turned around to see who the woman behind him was, when Ye Chen turned around he found a woman who was extremely beautiful.

This woman has a beautiful face, Very Long Hair and also a very well developed body.

It can be said that this woman has a beauty that is almost equal to Zhao Yanyan who has also recently developed, if this beautiful woman is given a little time, then Ye Chen is very sure that this woman will become an amazing beauty that can shake a country.

Somehow Ye Chen had heard this woman's voice somewhere, he began to remember this woman's voice.

When Ye Chen started to remember it, he finally remembered the voice of this woman who was in front of him, this woman was definitely the woman who had come together with Hong Zim and Hong Yepu.

It was unexpected that a woman who wore a hood would be this beautiful if she took off the hood she was wearing.

This woman walked closer to Ye Chen, Ye Chen stepped back a little when she saw this woman walking closer to herself, according to Ye Chen this woman gave a dangerous feeling and should be shunned.

As this woman advanced, Ye Chen took a step backwards, for this matter the distance between the two remained the same and was not getting any closer.

A few steps later, Ye Chen found that he was already at the edge of the wall fence, he had no other way to go backwards.

Looking at Ye Chen who was trying to get away from her, this woman continued to walk closer to Ye Chen, she kept trying to get closer to Ye Chen.

Chapter 717: Heavenly seven constellations

"Wait don't get closer, otherwise I will make you feel the consequences" seeing this woman keep approaching Ye Chen tried to threaten this woman using force.

This woman didn't seem afraid of the threat that Ye Chen had just said, she continued to go closer to Ye Chen.

Ye Chen wanted to try to leave this place, unfortunately when he tried to leave this place, Ye Chen found that his body could not be moved.

Ye Chen felt like something was holding his body so it couldn't be moved.

This beautiful woman started to become very close to Ye Chen, when she got close to Ye Chen, this beautiful woman started to sniff out the smell that was on Ye Chen's body.

Ye Chen didn't know what this beautiful woman was doing, this beautiful woman looked very strange to Ye Chen.

"You have a very fragrant body scent, do you have an ancient (Yang) body?" This beautiful woman asked Ye Chen who was in front of her.

Hearing what this beautiful woman just said, Ye Chen's body stiffened, he did not expect that this woman could know that he had an Ancient (Yang) body just from sniffing the smell in his body.

"Little miss, what are you talking about, I really don't understand what you're talking about." Ye Chen as much as possible tried to avoid this beautiful woman in front of him.

"You can't lie to me, I know that you are the owner of the Ancient (Yang) body." This beautiful woman already knew that Ye Chen was the owner of the Ancient (Yang) body.

Ye Chen could not believe that this woman knew that he had an Ancient (Yang) body, in this world other than Ye Chen's woman, there might be almost no outsiders who knew about the secrets of the Ancient (Yang) body.

Ye Chen began to wonder who this woman really was, why could he easily find out that he had an Ancient (Yang) body.

"Master, this woman seems to have been born with a special body called Heavenly seven constellations." Chu Yuechan told Ye Chen that this woman in front of him had the rarest special body in the world.

Chu Yuechan herself only realized this when this woman was close to Ye Chen, before Chu Yuechan could not know this woman's special body.

Chu Yuechan had to admit that this woman was quite powerful, this woman was able to hide the special body she had from the eyesight possessed by Chu Yuechan.

If only this woman wasn't very close to Ye Chen just now, perhaps Chu Yuechan would never have found out about this woman's special body.

"Heavenly seven constellations, what's more, why haven't I heard of it? "Ye Chen has never heard of the special body called Heavenly seven constellations that Chu Yuechan said just now.

"Heavenly seven constellations are the most amazing Special body in this world, this Special body can provide a benefit to someone with a body condition like yourself, Zhao Yanyan, Xia Qingyu and anyone with a Special body." Chu Yuechan began to tell Ye Chen. about the greatness possessed by the beautiful woman in front of him.

"You mean? "Ye Chen still doesn't understand what Chu Yuechan said just now.

"I mean, this woman can provide a benefit to people with Special bodies close to her, don't you understand either?" Chu Yuechan said to Ye Chen.

"Are you sure about that, when I got close to this woman, I felt that this woman gave off a very dangerous feeling." Ye Chen still doubted what Chu Yuechan said just now.

When Ye Chen was close to this woman, he felt a very dangerous feeling, Ye Chen himself didn't know why that could happen, this was the first time Ye Chen felt threatened by the existence of this beautiful woman in front of him.

"Most likely this woman used an artifact or technique to make anyone feel a sense of danger and discomfort when being close to this woman," Chu Yuechan told Ye Chen.

"After all, the Heavenly Seven Constellations is a special body that is very special, If this woman is found to have the body of Heavenly Seven Constellations, she will definitely be targeted by all the cultivators in this world for their own sake." Chu Yuechan told Ye Chen that a special body. Heavenly seven constellations are exposed, this woman will definitely become the target of all cultivators in this world.

Heavenly seven constellations are very rare special bodies, in history only 2 people have ever had a body like this.

And the two people who were recorded in history experienced tragic lives because they had special bodies of Heavenly seven constellations.

It is said in history that the two special body owners of Heavenly seven constellations were sacrificed to strengthen a tribe or race to obtain Strong power in a short time.

"So that's how" hearing Chu Yuechan's explanation, Ye Chen now understands why this woman can easily find out that she has an Ancient (Yang) body, it turns out that this woman has a Special body that can let her know other people's Special bodies.

"Why are you just silent, speak up." Beautiful woman told Ye Chen to talk.

"Fine I'll admit it" because he could not lie in front of this beautiful woman, Ye Chen couldn't help but admit it.

"Correct what I said just now, you can't hide something from me" a beautiful woman looked very satisfied when she saw Ye Chen willing to admit that he had an ancient (Yang) body.

At first Ye Chen thought that this woman was a cold woman like Mu Nianci, and Mu Lanyin, but after interacting with this woman, Ye Chen began to feel that his guess was wrong.

This beautiful woman is very volatile, Ye Chen doesn't know what kind of trait this woman has.

"Little girl, what do you want from this old man." Ye Chen said to this beautiful woman in front of him.

Because Ye Chen's identity had still not been found, Ye Chen pretended to be an old man who was much older than the beautiful woman in front of him.

"You don't need to pretend in front of me like that anymore, I know that you are the young man I met this morning." This beautiful woman already knew about Ye Chen's identity.

"Hahahaha, master looks like you just lost face in front of this woman." Chu Yuechan burst out laughing when she heard the words of a beautiful woman.

Behind the robe, Ye Chen's face turned black, it was unexpected that this beautiful woman had already known Ye Chen's identity from the start.

So all this time, what Ye Chen had done to hide himself was in vain, from the start this beautiful woman already knew Ye Chen's identity.

Because this beautiful woman had caught him, Ye Chen had no other choice but to show his face in front of this beautiful woman.

"Who exactly are you, and what do you want with me?" Ye Chen asked what this beautiful woman wanted from him.

"Before you ask about other people's identities, you should introduce yourself first," this beautiful woman said to Ye Chen to introduce himself first.

Ye Chen started to become very helpless, this beautiful woman in front of him was really very troublesome.

Chapter 718: Xing Mei

"My name is Ye Chen." Ye Chen introduced himself to this woman.

Ye Chen didn't introduce himself in detail to this beautiful woman who could most likely become his enemy.

Even though at this time Ye Chen didn't feel any hostility from this woman, it could be that in the future he and this woman would become enemies.

After all, this woman came together with Hong Zim and Hong Yepu, so it was very likely that this woman would become enemies.

"So your name is Ye Chen, my name is Xing Mei ", Xing Mei started to introduce herself to Ye Chen.

"Xing Mei, are you from the Gates of Eternity Sect?" Ye Chen asked if Xing Mei was from the Gates of Eternity Sect.

"So why do you want to know where I'm from?" Xing Mei asked Ye Chen.

"I just want to know where a woman as beautiful as you comes from." Ye Chen spat out a few sweet words to Xing Mei.

"Ye Chen, you have a pretty sweet tongue, there must be a lot of women who have been deceived by your sweet words," said Xing Mei to Ye Chen.

Ye Chen became awkward, this woman seemed more difficult handled than Ye Chen thought.

Most likely this woman has a large enough age gap with Ye Chen, Ye Chen can't judge a woman from her outer appearance alone, although Xing Mei looks like a 18 ~ 21 year old woman, it's likely that this woman is already hundreds or thousands of years old.

"You old lady." Ye Chen muttered in a very small voice, in Ye Chen's words just now, Ye Chen insinuated Xing Mei as an old woman in the appearance of a young woman.

As soon as Ye Chen called Xing Mei an old woman in the appearance of a young woman, he felt an extremely terrifying murderous force from the front of his body.

When Ye Chen went to take a look, he found Xing Mei's body enveloped in a terrifying killing aura, this girl looked like she wanted to kill Ye Chen.

"What did you just say, you dare to call this young woman an old woman." Xing Mei didn't like it when Ye Chen called her an old woman.

"that.. , that. . . , you may have heard it wrong, how could I dare to say that to a woman as beautiful as Miss Xing Mei " Ye Chen heard a little panicked trying to explain to Xing Mei.

Ye Chen did not expect that Xing Mei could be scary like this, if he had known this beforehand, Ye Chen would not have dared to mutter like that.

"It's good if you know that this young woman is beautiful, this young woman is only 16 years old, so don't ever say that this young woman is old." Xing Mei told Ye Chen that this year she was only 16 years old.

As a young woman who was only 16 years old, it wasn't strange that Xing Mei would be angry when she heard Ye Chen refer to herself as an old woman.

There was no young woman anyone wanted to be called old woman, including Xing Mei.

"Huh, 16 years?" Ye Chen can hardly believe that Xing Mei is only 16 years old, it turns out that this beautiful woman is younger than Ye Chen's current age.

Ye Chen looked back at Xing Mei from top to bottom, he could hardly believe that Xing Mei was still 16 years old.

"So what, don't you believe I'm 16 years old? ", Xing Mei said to Ye Chen with a very sharp gaze.

Xing Mei's gaze was very sharp, if this gaze could kill, maybe Ye Chen had been killed a thousand times by this gaze.

"Fine I believe, please spare me" saw Xing Mei like this, Ye Chen immediately said that he believed what just said Xing Mei.

For the first time Ye Chen felt that he was being bullied by a woman, Xing Mei was really terrible, Ye Chen felt that this woman was very terrible.

"Hemp" Xing Mei sniffed coldly at Ye Chen, she was satisfied that she won an argument with Ye Chen.

"Miss Xing Mei, if there is nothing else then I'll go first." Ye Chen said goodbye to Xing Mei, he wanted to leave this place as fast as he could.

Ye Chen didn't care anymore what this woman wanted from him, what Ye Chen wanted right now was to stay as far away from this woman named Xing Mei as possible.

When Ye Chen had only walked a few steps away from this place, he found that his body felt heavy again and could not be moved.

"Who said you can go, this young woman still hasn't let you leave this place." Xing Mei didn't allow Ye Chen to leave this place.

There was still something Xing Mei wanted from Ye Chen, so Xing Mei didn't allow Ye Chen to leave this place.

"Miss Xing Mei, what else do you need from me, I don't have anything that can satisfy you." Ye Chen told Xing Mei that there wasn't anything good about him.

Ye Chen felt that Xing Mei was just getting more and more troublesome to handle.

Xing Mei didn't say anything to Ye Chen, she started to draw closer to Ye Chen, who was now a little away from her.

Without saying anything, Xing Mei suddenly brought her Cherry lips closer to kiss Ye Chen's lips that were in front of her.

Ye Chen was shocked by what Xing Mei did to him, he couldn't believe that Xing Mei suddenly came to kiss him like this.

The kiss that Xing Mei made was a very normal type of kiss, this kiss was just a kiss that brought lips between hers and Ye Chen's.

After about 20 seconds of kissing Ye Chen, Xing Mei finally took her lips away from Ye Chen's.

After making a brief kiss with Ye Chen, Xing Mei's face turned red, Xing Mei's breath also became irregular after kissing Ye Chen.

"So this is the greatness of the Ancient (Yang) body, it's no wonder that many people are eyeing men who have Ancient (Yang) body." Xing Mei acknowledged the Ancient (Yang) body that Ye Chen had, Just from kissing Ye Chen, Xing Mei felt extremely pure Yangqi Energy flowing into her body.

This pure Yangqi energy was far better than Xing Mei's cultivation for several weeks, this discovery made Xing Mei very excited.

If Xing Mei could stay close and stay in touch with Ye Chen, then Xing Mei was sure that she would develop faster than practice where she came from.

Ye Chen also felt the same way as Xing Mei, from the kiss just now Ye Chen felt a very pure Energy that was still in his body.

Ye Chen didn't expect that what Chu Yuechan just said would come true, when Ye Chen kissed Xing Mei for just a few seconds, he had obtained a tremendous benefit.

It seems that Heavenly seven constellations are not mere nonsense, this woman is really capable of making Ye Chen, who has an Ancient (Yang) body, get tremendous benefits when he is around this woman.

Even though Ye Chen liked the benefits obtained from Xing Mei, but this woman was a little dangerous for the current Ye Chen, it was better for Ye Chen to try to stay away from dealing with women like Xing Mei.

Ye Chen still didn't know what cultivation level Xing Mei had, but Ye Chen could tell that this woman had already stepped into the Divine Realm stage.

Chapter 719 - Chased By Xing Mei

"It's time to escape from this place." Seeing that Xing Mei was daydreaming, Ye Chen had to take this opportunity to leave this place as quickly as possible.

Ye Chen used the highest speed he had to leave this place.

He didn't want to be with Xing Mei in this place, he wanted to get away from this woman as quickly as possible.

Xing Mei, who was daydreaming, immediately realized that Ye Chen had run away from this place.

"Do you think you can run away from this young woman, you are wrong, wherever you go this young woman can find you." After seeing Ye Chen's Special Ancient (Yang) body ability, Xing Mei would never let Ye Chen go.

Xing Mei went to catch up with Ye Chen, she had to catch Ye Chen no matter what.

Ye Chen's ancient (Yang) body was extremely difficult in this world, Xing Mei was fortunate enough to find something like this on a remote planet like Earth.

Ye Chen did not have time to look back, at this time, Ye Chen only wanted to return to the Wu Clan manor.

With the flying speed used by Ye Chen, it took only a few minutes for Ye Chen to arrive at the Wu Clan Manor.

After arriving at the Wu Clan manor, Ye Chen immediately went to his room, he wanted to hide in his room.

Ye Chen immediately opened the door to his room, when Ye Chen opened the door to his room, he found that in his room there were Zhao Yanyan, Nangong Xiang and Nanhua Caiyi who were in a pajama outfit.

Zhao Yanyan, Nangong Xiang and Nanhua Caiyi in pajamas were very tempting for Ye Chen, Ye Chen felt very excited when he saw Zhao Yanyan, Nangong Xiang and Nanhua Caiyi in this pajama appearance.

Even Nangong Xiang, who is rarely seen in her pajamas, also wore pajamas like this.

"Husband, how have you managed to get what you want? "Seeing that Ye Chen was back, Zhao Yanyan immediately welcomed Ye Chen's arrival.

Zhao Yanyan wanted to know if Ye Chen had managed to make a relationship with Queen.

"I didn't make it, I haven't even met her." Ye Chen told Zhao Yanyan that he hadn't even met Queen.

"Oh so you still haven't met her" turns out to be Ye Chen hasn't met Queen yet, then why Ye Chen took so long in the royal palace what was he actually doing in the royal palace during that long.

After telling Zhao Yanyan that he failed to meet Queen, Ye Chen immediately went to close the window that was still open, he locked all the entrances in this room.

Zhao Yanyan, Nangong Xiang, Nanhua Caiyi saw the strangeness that Ye Chen was doing at this time.

"Ye Chen what are you doing, you look like a person who is being hunted by ghosts." Nangong Xiang said to Ye Chen who looked panicked as he closed all the entrances into this room.

"You all don't understand, I'm being chased by a woman." Ye Chen told Zhao Yanyan, Nangong Xiang and Nanhua Caiyi that he was being targeted by a woman.

"Fufufufu" Zhao Yanyan and Nanhua Caiyi laughed when they heard what Ye Chen just said.

They both didn't believe that words like this would come out of a womanizer like Ye Chen, Zhao Yanyan and Nanhua Caiyi didn't believe that Ye Chen would act like this because of a woman.

The woman who was afraid to meet Ye Chen should now be the opposite.

"Yanyan, Caiyi why are you all laughing this time I'm not lying to what I said just now, the woman who was chasing me was really.. .., Knock.. .., Knock.. ..,Knock.. .. "When Ye Chen wanted to finish his words, he found that the door to this room was knocked on by someone from outside.

Suddenly this made Ye Chen surprised, Could it be that this woman had caught up with what she had with Ye Chen.

"Who is visiting this room at night?" Zhao Yanyan was curious about who was visiting this room last night, maybe this is her grandmother who was visiting this room last night.

"Yanyan, don't open it." Ye Chen tried to stop Zhao Yanyan from opening the door to this room.

Ye Chen was afraid that the person outside would be Xing Mei who was after him.

"Husband , calm down, if the woman who chases you here, I, Sister Xiang, and Sister Caiyi will take care of it for you" said Zhao Yanyan slightly jokingly.

Zhao Yanyan went to open the bedroom door, when Zhao Yanyan opened the door, she found Yu Rou at the door.

"Yanyan, why did you take so long to open the door." Yu Rou asked why Zhao Yanyan took so long to open the door.

It turned out that the person who came was not Xing Mei but Yu Rou.

"Grandma, what are you looking for me at these nights?" Zhao Yanyan wants to know why Yu Rou is looking for her at night like this.

Yu Rou looked into the room occupied by Zhao Yanyan, when Yu Rou saw the room occupied by Zhao Yanyan, she found that there were Ye Chen, Nangong Xiang, and Nanhua Caiyi.

Yu Rou of course knew what 1 boy and 3 pretty girls could do in the same room.

"Sorry, since grandma bothered you, I'll be going first." Yu Rou felt embarrassed for disturbing what the youths were doing.

Yu Rou hurriedly left this place.

At first Yu Rou wanted to ask Zhao Yanyan for advice about her relationship with Wu Ping, it was unexpected that Zhao Yanyan would do something like this together with Ye Chen and 2 beautiful women like Nangong Xiang and Nanhua Caiyi.

Zhao Yanyan was a little confused by what her grandmother Yu Rou was doing.

After Yu Rou left, Zhao Yanyan closed the door to the room, Zhao Yanyan returned to Ye Chen's side.

"husband, is just a grandmother." Zhao Yanyan told Ye Chen that it was only Yu Rou.

"Knock.. ., Knock.. .." A while after Zhao Yanyan said that, there was another knock outside.

Everyone refocused the attention they had toward the entrance.

"Ouch who else is this?" Zhao Yanyan looks helpless, why are people knocking on the door of this room again.

Zhao Yanyan went back to the door, she wanted to see who else was knocking on the door.

Is it possible for Yu Rou to change her mind and come back to discuss something with Zhao Yanyan.

Zhao Yanyan opened the door again, when Zhao Yanyan opened the door she saw a beautiful woman who looked the same age as her.

Zhao Yanyan was a little unfamiliar with this woman in front of her, she had never seen this beautiful woman in the Wu Clan manor.

Not only Zhao Yanyan who felt foreign to this woman, Nangong Xiang and Nanhua Caiyi also didn't know who this woman was.

Among the four people in this room, only Ye Chen knew the identity of this woman.

This woman was Xing Mei, Xing Mei had actually followed Ye Chen to this Wu Clan manor.

"That. . ., Who are you?" Zhao Yanyan asked this beautiful woman in front of her.

Chapter 720 - Xing Mei's Acting Was Really Good

Xing Mei who was outside the door began to look at Zhao Yanyan, Nangong Xiang, and Nanhua Caiyi who were currently in this room.

Xing Mei did not expect that she would meet a beauty that was far more beautiful than herself.

Especially Nangong Xiang who was in the distance, Xing Mei felt that this woman was so beautiful that it might even be able to match the beauty possessed by the four Beautiful Goddesses who were in the God Realm.

When Xing Mei saw Zhao Yanyan, Nangong Xiang, and Nanhua Caiyi, she knew that these three women had a close relationship with Ye Chen.

So Xing Mei came up with an idea of being able to deal with Ye Chen, Xing Mei started to put an evil smile on her face.

" beautiful sister , You has to help me." Xing Mei came and hugged Zhao Yanyan's body.

Xing Mei suddenly acted like a little girl who was being bullied by someone.

Ye Chen immediately saw what Xing Mei was doing right now, this woman is really very good at acting, she can quickly change like this.

Zhao Yanyan felt confused when she saw this beautiful woman complaining to herself.

Zhao Yanyan didn't know the reason why this woman would suddenly complain to herself in this way.

"That, what happened , please explain to me." Zhao Yanyan asked Xing Mei what really happened.

"That, beautiful sister, This guy that just bullied me, you have to help me get justice" while pointing at Ye. Chen, Xing Mei told Zhao Yanyan that she was being bullied by Ye Chen.

Hearing this, Zhao Yanyan, Nangong Xiang and Nanhua Caiyi immediately looked at Ye Chen.

They didn't expect that Ye Chen would bully this beautiful woman into looking like this.

Ye Chen stared at him when he heard what Xing Mei said about him, it was unexpected that this woman would trap him like this.

"Husband, how could you do such a thing to a beautiful and innocent woman like this, I didn't expect that you would do such a thing to a woman." Zhao Yanyan started questioning Ye Chen who had bullied Xing Mei.

Zhao Yanyan herself did not believe that Ye Chen would bully a beautiful woman like Xing Mei, this was not like the usual Ye Chen.

"Ye Chen, you really do things like that to women, I didn't think that you would bully women." Nangong Xiang also started to question Ye Chen who bully innocent women like Xing Mei.

Xing Mei is currently acting as an innocent woman who is being bullied by Ye Chen, Xing Mei's acting is so convincing that it can even trick Nangong Xiang.

"Master, if you want to bully a woman, you can just do it to me, why do you have to look for an innocent woman like that." different from Zhao Yanyan and Nangong Xiang, Nanhua Caiyi was disappointed because Ye Chen was looking for women outside even though there was already her who would accept any treatment from Ye Chen.

Ye Chen was really pressed, Zhao Yanyan, Nangong Xiang and Nanhua Caiyi believed Xing Mei's words.

Ye Chen started to look at Xing Mei with an extremely hostile gaze, this woman is really making things difficult for himself.

Ye Chen was really very unlucky because he met Xing Mei, this woman was really very troublesome to handle, she was smarter and more cunning than all the women Ye Chen had met in this life.

"Yanyan, Xiang, Caiyi don't believe the words of that cunning woman, how could I bully that woman, she is clearly the one who bullied me just now." Ye Chen tried to convince Zhao Yanyan, Nangong Xiang and Nanhua Caiyi that he was innocent in this matter.

Xing Mei was a woman who had a higher cultivation base than Ye Chen, it was impossible for Ye Chen to bully Xing Mei, who was Ye Chen who was bullied by this woman.

"Look , beautiful sister , he still evades, you have to help me pack this bad guy." Xing Mei continued to act spoiled in front of Zhao Yanyan, she even started hugging Zhao Yanyan like she was hugging her older sister.

"Husband, look what you have done to make this woman become like this, hurry over here and apologize to this woman." Zhao Yanyan told Ye Chen to apologize to Xing Mei.

Ye Chen looked at Xing Mei who was in Zhao Yanyan's arm , Xing Mei suddenly stuck out her tongue at Ye Chen mischievously, this woman was really on purpose to frame Ye Chen with the acting she had.

Ye Chen's face became unsightly when he saw Xing Mei's mischievous behavior, this woman really trap him up

Ye Chen had to try to find a way to deal with this cunning woman, lest his reputation fall in the eyes of Zhao Yanyan and Nangong Xiang.

After thinking for a while, Ye Chen finally had a way of dealing with Xing Mei.

"Yanyan Dear please don't listen to this woman, do you know that this woman is the woman we met this morning who came along with the people from the Gates of Eternity Sect." Ye Chen told Zhao Yanyan that Xing Mei who was in her arms came from from the Gates of Eternity Sect.

Ye Chen knew very well that Zhao Yanyan didn't like people from the Gates of Eternity Sect, that's why Ye Chen used Xing Mei's background from the Gates of Eternity Sect to make herself hated by Zhao Yanyan.

If Zhao Yanyan knew that Xing Mei was from the Gates of Eternity Sect, Ye Chen believed that Zhao Yanyan would no longer support Xing Mei who was in her arms.

Hearing this from Ye Chen, Zhao Yanyan immediately pushed Xing Mei away from her embrace, Zhao Yanyan's previously compassionate gaze had turned hostile towards Xing Mei.

Xing Mei was quite surprised when she saw Zhao Yanyan push herself away, she didn't know why this woman would suddenly push herself away like this.

Xing Mei felt extremely strong hostility from Zhao Yanyan to her.

Xing Mei didn't know why Zhao Yanyan was suddenly angry with her, even though Xing Mei's acting was already very good, it was impossible for Zhao Yanyan to know that she was acting to trap Ye Chen.

Ye Chen was very satisfied when Xing Mei was pushed by Zhao Yanyan, like that, finally Ye Chen was able to get back at the cunning woman who wanted to trap him.

Now Xing Mei will definitely become the enemy of Zhao Yanyan, Nangong Xiang and Nanhua Caiyi who are in this room.

Ye Chen couldn't wait to see Xing Mei being cornered by Zhao Yanyan, Nangong Xiang and Nanhua Caiyi, it would have been great to see Xing Mei being cornered by Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

Zhao Yanyan, Nangong Xiang and Nanhua Caiyi were more terrifying than Xing Mei if they were to face the enemy, Xing Mei would definitely shrink against Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

"Are you from the Gates of Eternity Sect?" Zhao Yanyan asked if Xing Mei was from the Gates of Eternity Sect.

Hearing Zhao Yanyan's question, Xing Mei now understood why Zhao Yanyan's attitude had turned 180° towards her, it turned out that this was the problem with the Gates of Eternity Sect who was with her.

"beautiful Sister, I am not from the Gates of Eternity Sect, believe me, that man must be making an excuse to bully me again." Xing Mei continued to act in front of Zhao Yanyan, she kept trying to convince Zhao Yanyan that she was not from the Gates of Eternity Sect.
