

A True God 721

Chapter 721 - The Origin Place From Xing Mei

"You won't be able to deceive me, this time I trust my husband more than you." Zhao Yanyan no longer believed in Xing Mei, she trusted Ye Chen more as her man.

Zhao Yanyan started comparing Xing Mei to the woman she had previously met this morning, from a glance Xing Mei was indeed very similar to the hooded woman who came along with the people from the Gates of Eternity Sect.

Zhao Yanyan became convinced that Xing Mei was one of the people from the Gates of Eternity Sect, if Xing Mei was from the Gates of Eternity Sect, then Xing Mei was the same as her enemy.

Zhao Yanyan wouldn't let her enemy go so easily after trying to Trap Ye Chen like this, Xing Mei had to pay the price for daring to badmouth Ye Chen in front of her.

Not only was Zhao Yanyan staring at Xing Mei with hostile gaze, Nangong Xiang and also Nanhua Caiyi were staring at Xing Mei with quite a hostile gaze.

If indeed Xing Mei dared to deceive them and dared to Trap Ye Chen, then Nangong Xiang and Nanhua Caiyi would help Zhao Yanyan to clean up Xing Mei.

Xing Mei was deeply depressed by the gazes given by Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

She didn't expect that these women would give off such terrifying gazes, which made Xing Mei feel uneasy in her heart.

It was not a matter of cultivation strength, it was more pressure that made Xing Mei mentally drop suddenly, Xing Mei became very nervous with the gazes given by Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

In an instant, Xing Mei became the most depressed party here.

Ye Chen was quite happy when he saw Xing Mei being cornered by Zhao Yanyan, Nangong Xiang and Nanhua Caiyi, he was very satisfied to see this woman opposed by Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

"Wife, let's get her out of here, I will definitely support you all" in his heart Ye Chen supported what Zhao Yanyan, Nangong Xiang and Nanhua Caiyi were doing.

Ye Chen really hoped that Zhao Yanyan, Nangong Xiang and Nanhua Caiyi would kick Xing Mei out of this room.

"Why are you just silent, quickly tell me where you are from." Zhao Yanyan urged Xing Mei to tell her where she came from.

Xing Mei felt more and more depressed, she became confused about what to do in a situation like this.

If Xing Mei gave an unsatisfactory answer, then she wouldn't be able to get close to Ye Chen who had an Ancient (Yang) body.

If Xing Mei couldn't get close to Ye Chen, then Xing Mei wouldn't be able to level up quickly.

After thinking for a while Xing Mei had no choice but to be honest with Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

The gazes Zhao Yanyan, Nangong Xiang and Nanhua Caiyi had made it difficult for Xing Mei to lie.

"Yes.. . , Yes.. . , I did come together with people from the Gates of Eternity Sect, but I am not one of them." Xing Mei told Ye Chen, Zhao Yanyan, Nangong Xiang and Nanhua Caiyi that she did come here with people from Gates of Eternity Sect.

Even though she came along with people from the Gates of Eternity Sect, Xing Mei was not part of the Gates of Eternity Sect, she had nothing to do with people from the Gates of Eternity Sect.

"If you're not from the Gates of Eternity Sect, then where do you really come from?", Zhao Yanyan asked Xing Mei.

If not from the Gates of Eternity Sect, Zhao Yanyan was starting to wonder where Xing Mei had actually come from.

"I come from a very far away place, you all won't know even if I tell you all." Xing Mei told Ye Chen, Zhao Yanyan, Nangong Xiang and Nanhua Caiyi that she came from a very far away and impossible place to know by Ye Chen, Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

"Little girl, are you underestimating the knowledge we have?" Nangong Xiang felt dissatisfied when Xing Mei told them all that they all did not know where Xing Mei was from.

As a former cultivator who had once stood at the peak of this world, the knowledge that Nangong Xiang possessed was no longer necessary for questioning.

"I am telling the truth, even if I tell you, you all will not know and will not believe me." Xing Mei did not want to be seen as a fraud by Ye Chen, Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

If Xing Mei told her where she came from, surely Ye Chen, Zhao Yanyan, Nangong Xiang and Nanhua Caiyi would think that she was making things up.

"Just tell me, where are you from, if I don't know I will admit it" Nangong Xiang urged Xing Mei to say where she came from.

"Alright, I'll tell you where I'm from, I come from a place called Immortal Destiny Star Realm" Xing Mei told everyone that she came from the Immortal Destiny Star Realm.

"Immortal Destiny Star Realm?" Ye Chen, Zhao Yanyan and Nanhua Caiyi both said what Xing Mei just said, they don't know where the Immortal Destiny Star Realm is, it doesn't hurt for Xing Mei to tell Ye Chen, Zhao Yanyan, Nangong. Xiang and Nanhua Caiyi.

"You are from the Immortal Destiny Star Realm?" Nangong Xiang asked in disbelief.

Among Ye Chen, Zhao Yanyan and Nanhua Caiyi, only Nangong Xiang seemed to know where Xing Mei came from.

"Yes, I do come from the Immortal Destiny Star Realm, do you know about the planet I come from?"
"Seeing that Nangong Xiang knew about the Immortal Destiny Star Realm, Xing Mei immediately asked Nangong Xiang.

"Of course I know, anyone from God Realm must know about the existence of the Immortal Destiny Star Realm." Nangong Xiang certainly knows about Immortal Destiny Star Realm.

It was the most sacred place in the Western God Realm, even the powers in the God Realm region did not dare to go as they pleased in Immortal Destiny Star Realm.

"Xiang, do you know where this woman came from? ", Ye Chen immediately asked Nangong Xiang about the Immortal Destiny Star Realm which was the origin of Xing Mei.

"Ye Chen, did your master never tell you about the Immortal Destiny Star Realm? ", Nangong Xiang asked Ye Chen if Gu Xuan never told Ye Chen about the Immortal Destiny Star Realm.

Ye Chen started to remember in his brain, after searching for a while, Ye Chen still didn't find any information about Immortal Destiny Star Realm.

"Hemmmmmmm, my master, never seems to tell me about the Immortal Destiny Star Realm." Ye Chen didn't want Gu Xuan to ever tell himself about the Immortal Destiny Star Realm.

"So your master never told you about the Immortal Destiny Star Realm, fine, I'll tell you about the Immortal Destiny Star Realm" because Ye Chen's Master never told Ye Chen about the Immortal Destiny Star Realm.

"Immortal Destiny Star Realm is known to be a place where people can see the destiny they have, once every 1000 years, a select few people can see the destiny they have in the future." Nangong Xiang explained a little about the Immortal Destiny Star Realm being discussed at the moment.

Chapter 722 - Okay, I'll Take Responsibility

"So it's a place where people can see the destiny they have? ",Ye Chen asked Nangong Xiang.

Nangong Xiang nodded at Ye Chen, she told Ye Chen that the Immortal Destiny Star Realm was a place where people could see the destiny they had.

It turned out that the Immortal Destiny Star Realm was a place where one could see the destiny they had.

Ye Chen just found out about this, it turns out that there is a place that can find out someone's destiny.

"Are you really from that place? "Nangong Xiang still doesn't believe that Xing Mei came from such a place.

"Yes, I do come from that place, isn't that a really great thing?" Xing Mei looked very proud when she said this.

She was confused when she said about the house where she currently lives.

Nangong Xiang smiled when she heard this, Xing Mei turned out to be just a young woman who had just grown up.

"Please introduce yourself first and say what you want from Ye Chen." Nangong Xiang wanted Xing Mei to introduce herself in front of everyone.

Zhao Yanyan, Nangong Xiang and Nanhua Caiyi didn't know Xing Mei's name yet.

"Ahh, my name is Xing Mei, my age is 16 years old, as you can see right now, I came here to make this boy named Ye Chen take responsibility for taking what I have first." Xing Mei said to everyone in this place who was she and what she wanted from Ye Chen.

Hearing what Xing Mei said, Zhao Yanyan & Nangong Xiang immediately looked at Ye Chen who was near them.

The gazes from Zhao Yanyan and Nangong Xiang were quite sharp towards Ye Chen.

Ye Chen felt a little shrunken when he felt the gazes emanating from Zhao Yanyan and Nangong Xiang.

"Damn, again, this woman's words created a misunderstanding" in his heart, Ye Chen cursed Xing Mei for making such misunderstandings again.

"Husband, have you really done that together with this woman? ", Zhao Yanyan asked if Ye Chen had taken the first time from Xing Mei.

If it was true that Ye Chen had taken the first time from Xing Mei, then Zhao Yanyan would have to force Ye Chen to take responsibility.

"That I didn't do anything to that woman, I swear." Ye Chen said that he had never done anything to Xing Mei.

" Sob. . , Sob. . , Sob. . , beautiful sister, look what she said, he doesn't want to admit what he has done to me. " Xing Mei looked very sad when Ye Chen did not admit what he had done to herself.

Zhao Yanyan felt very sorry when she saw the crying Xing Mei.

The tears that Xing Mei shed were so convincing, Zhao Yanyan even believed what Xing Mei said.

"Husband, this is not like your usual self, why don't you want to take responsibility after doing something like that to little sister Mei." Zhao Yanyan started questioning Ye Chen.

It's not like Ye Chen who is known by Zhao Yanyan, Ye Chen who is known by Zhao Yanyan will usually be very responsible after doing such things to women.

"How should I be responsible, I really didn't do anything to this woman" Ye Chen raised both of his hands forward, he told Zhao Yanyan that he didn't do anything to Xing Mei.

"Ye Chen, you.. . "Zhao Yanyan was very helpless when she saw Ye Chen not admitting what he had done to Xing Mei.

"Yanyan, calm down for a moment, let's find out what has been done by Ye Chen on Xing Mei" Nanhua Caiyi told Zhao Yanyan to calm beforehand and find out what happened to Xing Mei said that.

Nanhua Caiyi turned her attention to Xing Mei. "Little sister Mei, I feel that your body is still a pure virgin, so how did Ye Chen steal your first time, please explain in more detail so that we understand." Nanhua Caiyi wanted Xing Mei to explain what she meant before.

As a cultivator who had practiced the Dual Cultivation technique for a long time, Nanhua Caiyi could easily tell whether Xing Mei was still a pure virgin or not.

And Nanhua Caiyi discovered that Xing Mei was still a pure virgin, so Ye Chen shouldn't have done anything to Xing Mei.

"That, Ye Chen took my first kiss, so he has to take responsibility for what he did. " Xing Mei told Nanhua Caiyi what had done by Ye Chen.

"That's a lie, isn't it you who kissed me before suddenly? "Ye Chen strongly denied that he took Xing Mei's first kiss.

Instead, Xing Mei offered this kiss to Ye Chen voluntarily, without any coercion on his part.

"Isn't that the same, you're still the one who took my first kiss, so you have to take responsibility for what you've done." Xing Mei smiled innocently at Ye Chen.

Ye Chen: "-_-".

Zhao Yanyan and Nangong Xiang were rendered helpless by what had happened, again they misunderstood what was really going on here.

"So you want Ye Chen to take responsibility for something like that? ", Zhao Yanyan asked Xing Mei.

"Yes, that's what I came here for." Xing Mei nodded at Zhao Yanyan.

"Fine, if that's what you want then Ye Chen will take responsibility." Zhao Yanyan told Xing Mei that Ye Chen would take responsibility for taking Xing Mei's first kiss.

"Huh ?, Yanyan, what are you saying, how can you promise such a thing to this woman?" Ye Chen immediately questioned Zhao Yanyan who promised this kind of thing to Xing Mei.

"Come on Husband, do you have the heart to see this beautiful woman cry, look at Mei's younger sister is quite beautiful right?" Zhao Yanyan showed Ye Chen the beauty that Xing Mei had.

Xing Mei smiled very dazzlingly in front of Ye Chen.

Ye Chen looked at Xing Mei who was in front of him, this woman was indeed very beautiful, but Xing Mei's beauty was not comparable to the headache that Ye Chen suffered from what Xing Mei was doing.

If Ye Chen had to accept this woman, Xing Mei might end up giving himself a headache from the tantrums she caused.

"But" Ye Chen still found it difficult to accept Xing Mei, he felt that Xing Mei was a woman who could give him a lot of trouble.

"Come on" Zhao Yanyan begged Ye Chen to accept Xing Mei, at least Ye Chen could let Xing Mei stay with them.

"Big Brother Ye Chen, please take responsibility" Xing Mei called Ye Chen as Big Brother Ye Chen.

Seeing this, Ye Chen found it difficult to reject Xing Mei, Ye Chen found it difficult to refuse the wishes of Zhao Yanyan who was his first wife.

If the first wife had already given Ye Chen the green flag, there was no way Ye Chen could refuse this.

"Alright, I'll agree to take responsibility", It was with a heavy heart that Ye Chen was forced to accept Xing Mei.

"Yay" Xing Mei was delighted to hear this, finally she could be with Ye Chen who had a special Ancient (Yang) body.

In this way, Xing Mei could raise the level of cultivation she had if she continued to be with Ye Chen.

Chapter 723 - Xing Mei Ran Away From Home

Zhao Yanyan, Nangong Xiang, Nanhua Caiyi smiled at Xing Mei's excitement when she found out that she could be with Ye Chen.

Judging from her reaction just now, it seemed that Xing Mei was quite fond of Ye Chen.

Zhao Yanyan, Nangong Xiang, Nanhua Caiyi didn't know that Xing Mei was only aiming for the Ancient (Yang) body that Ye Chen had for her own benefit.

Regarding whether Xing Mei likes Ye Chen or not, Xing Mei still doesn't know, Xing Mei is still meeting Ye Chen for the first time so her feelings haven't grown.

What Xing Mei likes from Ye Chen is the ancient (Yang) body and also the good looks possessed by Ye Chen, that is a plus point that is currently owned by Ye Chen.

"Mei younger sister , what do you want to come to such a remote place? " Nangong Xiang asked what Xing Mei wanted to come to this place.

" That. . . . , actually I ran away from my house. "While playing with her two fingers, Xing Mei told Ye Chen, Zhao Yanyan, Nangong Xiang, Nanhua Caiyi the reason why she could be on a remote planet like this.

Ye Chen Zhao Yanyan, Nangong Xiang, Nanhua Caiyi were quite surprised when they heard what Xing Mei said, it turned out that the reason Xing Mei was here was because she had run away from her house.

"So why did you run away from home, is there a problem? ", Zhao Yanyan asked Xing Mei.

Zhao Yanyan wanted to know why Xing Mei decided to run away from her home.

"I ran away from home because my father scolded me." Xing Mei told everyone the reason she ran away from her house.

"It's not strange if your father scolded you, you are a bad woman." Ye Chen said that Xing Mei is a bad woman.

Ye Chen did not know what Xing Mei's father was like and how he could survive when he had a daughter like Xing Mei who was so difficult to manage like that.

Ye Chen himself even suffered from a tremendous headache when dealing with Xing Mei.

"Who are you saying a bad woman, I'm not a bad woman" Xing Mei did not accept that Ye Chen labeled her naughty.

"If you're not naughty, then why did your father scold, didn't your father scold because you were naughty, hehehe" Ye Chen chuckled at Xing Mei.

Finally Ye Chen was able to vent the frustration he had on Xing Mei a little.

Xing Mei glared at Ye Chen, if there weren't Zhao Yanyan, Nangong Xiang and Nanhua Caiyi right here, Xing Mei would have beaten Ye Chen because of what he said just now.

But because of Zhao Yanyan, Nangong Xiang and Nanhua Caiyi, Xing Mei abandoned hers.

"Never mind, don't fight all the time, can't you two get along a little more" Zhao Yanyan tried to melting the situation between Xing Mei and Ye Chen who looked hostile to each other.

"Hemp.. ." Ye Chen and Xing Mei both sniffed coldly at each other.

Zhao Yanyan was very helpless when she saw what happened to Ye Chen and Xing Mei.

"Mei younger sister, what's the reason your father scolded you?" Zhao Yanyan wanted to know why Xing Mei was scolded by her father.

"It's because my father forbids the hobbies that I have," Xing Mei told Zhao Yanyan and the others that her father forbade the hobbies she liked.

"What is your hobby that your father forbids it?" Zhao Yanyan wanted to know what hobbies Xing Mei had to the point that her own father forbade her.

"My hobby is playing a drama, I like doing dramas in front of people." Xing Mei told everyone what hobbies she has.

Ye Chen patted his own forehead, unexpectedly, Xing Mei's hobby was to become an actress, no wonder this woman is very good at acting, it turns out that Xing Mei has a hobby like that.

It seemed that from now on Ye Chen had to be careful of Xing Mei so as not to be tricked by this woman.

"What's wrong with it if you like to play a drama?, Isn't that something you can do?" Zhao Yanyan asked Xing Mei.

"Father said that my hobby is pointless and it would be better if I spend all the time I have cultivating, because of this I fought and decided to run away from home." Xing Mei told Zhao Yanyan what happened.

"Ohh" Zhao Yanyan nodded at Xing Mei, Zhao Yanyan finally understood why Xing Mei was able to run away from home.

It turned out that the reason Xing Mei ran away from home was because her father had not allowed her to do what she wanted.

"Then why did you choose a small planet like this as your destination? ", Zhao Yanyan asked why Xing Mei chose this Tiny Planet as her escape destination.

"To be honest I accidentally found this planet, because this planet is quite remote, so I decided to hide in this place, I'm sure that my father and his people won't be able to find me in this place." Xing Mei looked very confident that she wouldn't be found by her father's people if she was hiding in this place.

"So this is the reason you chose our earth as the location to hide" Zhao Yanyan said to Xing Mei.

"Yes, that's absolutely true, I'll be here for a while, so please allow me to live with you all." Xing Mei asked permission to live with Ye Chen and the others.

"No, I refused." Ye Chen very quickly rejected Xing Mei who wanted to stay here.

"Eh, why are you rejecting me again? ", Xing Mei asked why Ye Chen rejected her.

"It's because you are a woman who runs away from home, if until your father know you're here, then it would be troublesome for us all" Ye Chen told Xing Mei the reason he rejected Xing Mei.

Ye Chen didn't want to take the risk of accommodating a runaway like Xing Mei.

Regardless of where Xing Mei's parents are, they must be very extraordinary people, if Xing Mei's parents mistakenly think that Ye Chen kidnapped Xing Mei, then it will be a very troublesome problem for Ye Chen to handle.

Xing Mei was a little annoyed by the words that came from Ye Chen, again Ye Chen dared to reject her.

What was missing from Xing Mei, Xing Mei was also a beautiful woman, plus Xing Mei could change the temperament she had at will.

Xing Mei could easily turn into a cold woman, sassy woman, graceful, charming and there were many more temperaments that Xing Mei could emulate.

Indeed, when compared to the extremely beautiful Zhao Yanyan, Xing Mei was clearly still a little lower than the Zhao Yanyan who Ye Chen had so many times moisturized.

"Husband, don't be too harsh with Mei younger sister, didn't you just say that you want to take responsibility, so you have to accept it." Zhao Yanyan came back to defend Xing Mei, he didn't allow Ye Chen to kick Xing Mei out of this place.

To Zhao Yanyan, Xing Mei was a woman who could enter Ye Chen's harem candidate, so Zhao Yanyan tried to hold back Xing Mei from leaving this place.

Maybe at this time Ye Chen could not fully accept Xing Mei like this, but Zhao Yanyan believed that over time Ye Chen might be able to accept Xing Mei.

After all, Xing Mei looked beautiful and smart, Zhao Yanyan was sure that Ye Chen would like Xing Mei sooner or later.

Chapter 724 - Let's Sleep Together

Even if Ye Chen and Xing Mei continued to fight like this, Zhao Yanyan was sure that the two of them would get along sooner or later.

There is an old saying that love can grow from hatred, Zhao Yanyan hopes that this can happen to Ye Chen and Xing Mei.

Ye Chen himself felt quite frustrated when Zhao Yanyan kept replying to Xing Mei, even though Ye Chen hoped that Xing Mei would leave this place as soon as possible.

If Ye Chen continued to be with Xing Mei, he felt that he would suffer from headaches every day.

"Mei, younger sister, come with me for a moment." Zhao Yanyan invited Xing Mei to go to her room, there were a few things she wanted to do together with Xing Mei.

Xing Mei actually didn't want to come together with Zhao Yanyan, she wanted to stay here with Ye Chen.

Unfortunately Xing Mei was dragged by Zhao Yanyan forcibly leaving this room.

Ye Chen felt relieved when he saw Xing Mei leaving this place.

"Why did Yanyan even defend that woman, even though that woman is quite dangerous" Ye Chen began to wonder why Zhao Yanyan defended Xing Mei like that.

"Well who knows what Yanyan wants from the Mei younger sister, for sure Yanyan has her own plans in this matter" Nangong Xiang said to Ye Chen.

Nangong Xiang herself did not know what Zhao Yanyan wanted from Xing Mei, but Nangong Xiang knew that Zhao Yanyan had something planned in this matter.

"It's just getting troublesome, I hope Xing Mei doesn't give me more trouble." Ye Chen understood what Nangong Xiang meant, it was quite difficult to know what Zhao Yanyan had in This mind right now.

Ye Chen could only hope that Xing Mei didn't give him any more trouble.

"Why do you look gloomy like that, you should be happy because the woman who has the Heavenly Seven Constellations wants to stay with you, as long as you and Yanyan continue to be around that woman named Xing Mei, then you and Yanyan will benefit from a fairly fast cultivation speed." silent for a long time, finally Chu Yuechan was willing to comment on this matter.

Chu Yuechan told Ye Chen to be happy that Xing Mei would live with him from now on, Ye Chen should take this opportunity to get as much benefit as possible from Xing Mei.

"Fine, I understand." Seeing Zhao Yanyan, Nangong Xiang and Chu Yuechan defending Xing Mei, Ye Chen did not have a chance to drive Xing Mei away.

Ye Chen forgot about Xing Mei's problem for a while, it was better for him to talk to Nangong Xiang to discuss yesterday's unresolved matter.

Yesterday was a very important moment for Ye Chen who almost got the goddess Nangong Xiang, if it weren't for Nanhua Caiyi, Ye Chen would have gotten Nangong Xiang completely.

Without waiting anymore for Ye Chen to go to Nangong Xiang's side, he immediately hugged Nangong Xiang's body from behind.

Nangong Xiang, who was sitting on the edge of the bed, was surprised by what Ye Chen was doing, suddenly hugging himself like this.

"Ye Chen, what are you doing, hurry and let me go, look at Sister Caiyi here, don't make me lose face." Nangong Xiang told Ye Chen to let go of her body.

"Xiang, Caiyi is not an outsider, so you don't need to be embarrassed like that." Ye Chen told Nangong Xiang that Nanhua Caiyi was not an outsider.

So there was no need for Nangong Xiang to be embarrassed when in front of Nanhua Caiyi.

Even though Nangong Xiang knew that Nanhua Caiyi was not an outsider, she was still ashamed to show such embarrassing things to outsiders.

"Xiang, tonight you look very beautiful and seductive when wearing this pajama set, are you deliberately using this to seduce your husband on the bed" Ye Chen whispered in Nangong Xiang's ear.

He began to try to tease Nangong Xiang with sweet words so that Nangong Xiang could melt.

Nangong Xiang really couldn't stand Ye Chen's sweet words, she felt her heart blossom when Ye Chen praised her.

Ye Chen saw that Nangong Xiang's face started to turn red, he knew that when Nangong Xiang's mood was getting better, this was the right time for Ye Chen to act.

Now Ye Chen only had to try to convince Nangong Xiang to sleep with him tonight.

Ye Chen would probably ask Nanhua Caiyi for help to help get Nangong Xiang in bed.

Ye Chen started extending his hand towards the double peak that was owned by Nangong Xiang, Ye Chen couldn't wait to come back to touch and play with Nangong Xiang's double peak like last night.

"Bang !!!" When Ye Chen wanted to extend his hand to Nangong Xiang's body, suddenly the door was opened open with a loud sound.

"I'm back." Xing Mei appeared from behind the door and said to everyone in the room.

Xing Mei this time returned wearing a set of pajamas similar to those used by Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

It seemed Yanyan had given this set of clothes to Xing Mei.

Seeing the arrival of Xing Mei to this place, Nangong Xiang hurriedly pushed Ye Chen away from her.

Again Ye Chen was chased away by Nangong Xiang away.

"Puchi" Nanhua Caiyi giggled when she saw Ye Chen who was kicked out by Nangong Xiang, she felt funny when she saw Nangong Xiang kicked Ye Chen out like that.

Ye Chen was quite annoyed when he saw Xing Mei messing up at such an important moment before, this woman was really a natural enemy sent by god to him.

Right behind Xing Mei, stood Zhao Yanyan, who was currently crossing her arms under the double peak.

Xing Mei ignored Ye Chen's dissatisfied gaze, she immediately climbed onto the bed that Ye Chen were currently on.

Xing Mei shamelessly went to hug Ye Chen's body, she clung tightly to Ye Chen like an octopus that got its prey.

"Hey, what are you doing, hurry up and let me go" Ye Chen tried to break free from Xing Mei who was hugging himself.

"Not tonight we sleep with you" Xing Mei refused to let Ye Chen go, tonight Xing Mei wanted to sleep together with Ye Chen.

If Xing Mei could sleep hugging Ye Chen for 1 night, then Xing Mei would get a benefit she previously got from kissing Ye Chen's lips.

Zhao Yanyan smiled gently when she saw the intimacy that Ye Chen and Xing Mei were doing.

previously Zhao Yanyan had had a private conversation with Xing Mei, without anyone knowing, Zhao Yanyan made a secret agreement with Xing Mei.

"It's getting late, let's sleep together." Zhao Yanyan invited everyone to sleep together.

Nangong Xiang and Nanhua Caiyi nodded at Zhao Yanyan, tonight they had planned to sleep together with Ye Chen.

Even Nangong Xiang agreed to share sleep with Ye Chen with Zhao Yanyan and Nanhua Caiyi.

Zhao Yanyan waved her hand, when Zhao Yanyan waved his hand the lights in this room immediately went out.

When the lights went out, the room turned very dark.

Zhao Yanyan, Nangong Xiang and Nanhua Caiyi didn't waste any more time, they immediately got on the bed and went to the side of Ye Chen and Xing Mei who were already on the bed.

Zhao Yanyan, Nangong Xiang, and Nanhua Caiyi slept around Ye Chen's body.

In a short time Ye Chen's body was surrounded by an extraordinarily gentle tenderness.

Chapter 725 - Sleep With Four Beauties

Ye Chen who was surrounded by this gentleness felt like he was in heaven.

Ye Chen currently felt like hugging and touching this tenderness around himself.

Ye Chen wanted to hug Zhao Yanyan, Nangong Xiang and Nanhua Caiyi who were currently sleeping near him.

Unfortunately Ye Chen's hope might not be fulfilled because Ye Chen's body was currently being hugged quite tightly by Xing Mei, this made Ye Chen unable to move his body.

If only currently Xing Mei wasn't here, maybe Ye Chen could do something with Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

"Damn, if I didn't meet this woman tonight, maybe I could enjoy the beauty of Yanyan, Xiang and Caiyi." Ye Chen cursed very loudly in his heart.

If only tonight he didn't meet Xing Mei, then maybe tonight Ye Chen could do something fun together with Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

Ye Chen could only sigh of his own, it seemed that tonight he couldn't do the things he wanted together with Zhao Yanyan, Nangong Xiang and Nanhua Caiyi.

Ye Chen is indeed uncomfortable with this, unfortunately he can't do anything about this problem.

Tonight Ye Chen was only able to absorb the Yinqi that Zhao Yanyan, Xing Mei, Nangong Xiang and Nanhua Caiyi had around him.

Tonight Ye Chen slept while embraced by the four extraordinary beauties that were rarely found in this Kunlun Holy land, if someone saw the fortune that Ye Chen was currently getting, they would definitely be very jealous to death.

Who is the man who doesn't want to be in Ye Chen's current position, Ye Chen can sleep together with four beauties like Zhao Yanyan, Xing Mei, Nangong Xiang and Nanhua Caiyi.

All men would want the position that Ye Chen got right now, everyone wanted to be embraced by four beautiful beauties who looked like goddesses.

Zhao Yanyan, Nangong Xiang and Nanhua Caiyi felt strange about Ye Chen tonight. It was unusual for Ye Chen to be quiet when there was a beauty near his bed.

The Ye Chen they usually knew would definitely pounce on Zhao Yanyan, Nangong Xiang or Nanhua Caiyi who were near him.

It was unusual for Ye Chen to let go of a fresh meat bait that was thrown in front of him.

Zhao Yanyan, Nangong Xiang and Nanhua Caiyi did not know that Ye Chen was currently unable to move because Xing Mei's embrace was so strong that it locked Ye Chen's body so that it could not be moved.

If only Ye Chen didn't have a very strong body, maybe Ye Chen's current bones would have been crushed because of Xing Mei's hug.

Xing Mei was completely unaware that the hug she was holding was so strong that it made Ye Chen unable to move.

Xing Mei currently thought that Ye Chen was a new doll that she got, so it wasn't strange for Xing Mei to hug Ye Chen like she was hugging the most precious thing she had.

When Xing Mei was close to Ye Chen, Xing Mei felt that her body had regained its very pure Yangqi energy from Ye Chen.

If Xing Mei could continue like this for a long period of time then, Xing Mei would probably get stronger quickly.

Luckily Ye Chen didn't know what Xing Mei had in mind, if Ye Chen knew what Xing Mei was thinking right now, Ye Chen would definitely be very upset because he was treated like a personal doll.

Time began to pass, everyone began to fall asleep very soundly, Zhao Yanyan, Nangong Xiang and Nanhua Caiyi really enjoyed sleeping beside Ye Chen, they all felt a very comfortable feeling when beside Ye Chen.

Nangong Xiang did this for the first time, she felt quite comfortable when sleeping beside Ye Chen, this was very comfortable. Nangong Xiang felt that she did not want to leave Ye Chen and wanted to continue like this.

Unfortunately Nangong Xiang was unable to do so, morning would sooner or later come and wake them all from sleep.

Sure enough, time was running very fast, in just a short time the light started shining on this place.

Feeling a light shining on him, Ye Chen immediately woke up from his sleep, it seemed that last night Ye Chen had overslept while absorbing the Yinqi in Zhao Yanyan, Nangong Xiang and Nanhua Caiyi's bodies.

Even though he was sleeping, it seemed like Ye Chen was still absorbing the Yinqi in Zhao Yanyan, Xing Mei, Nangong Xiang and Nanhua Caiyi's body.

The Yinqi harvested by Ye Chen was far more than expected, even though usually Ye Chen would only get very little Yinqi from harvesting Yinqi by touching like this.

"Could it be because of Xing Mei's special body?" Ye Chen started to see Xing Mei next to him, Xing Mei is currently sleeping very soundly.

Most likely the reason Ye Chen was able to obtain such Yinqi a large amount of might have something to do with the body of the Heavenly Seven Constellations that Xing Mei possessed.

Only that alone could explain the reason why Ye Chen was able to get so Yinqi much more than usual.

Ye Chen started to look at Xing Mei who was beside him, Ye Chen saw that Xing Mei was currently drooling right next to him.

Seeing this, Ye Chen immediately tried to stay away from Xing Mei, fortunately by this time Xing Mei had loosened her embrace from Ye Chen's body, this allowed Ye Chen to move freely again.

After distancing himself from Xing Mei, Ye Chen had a sinister idea of dealing with Xing Mei, there was no way that Ye Chen should continue to lose when dealing with Xing Mei like last night.

Ye Chen took out an imagery stone and started to ignore Xing Mei who was drooling at this time, it would definitely be very embarrassing to be seen by outsiders.

This could be a useful weapon for Ye Chen to deal with Xing Mei, with the image taken using the image stone, Ye Chen was sure that Xing Mei no longer dared to do as she pleased with himself.

Sometime after Ye Chen took the embarrassing picture of Xing Mei, Zhao Yanyan just happened to wake up from her sleep.

"Husband, good morning." While rubbing her eyes, Zhao Yanyan wished Ye Chen good morning.

Seeing Zhao Yanyan who suddenly woke up from his sleep, Ye Chen immediately hid the imaging stone that was previously used to take pictures of Xing Mei.

"Good morning too." Ye Chen replied to Zhao Yanyan, who had just woken up.

It had been quite a while Ye Chen had seen Zhao Yanyan since who looked cute when she was awake from sleep.

Because Ye Chen has been busy with many problems lately, he rarely sleeps with Zhao Yanyan, who is his first wife.

Maybe Ye Chen should spend the little time he has for Zhao Yanyan, after all, if Ye Chen's first woman wasn't Zhao Yanyan, Ye Chen probably wouldn't know if he could have as many women as he is now.

The reason Ye Chen could have many women was because of Zhao Yanyan's permission and help, so Ye Chen had to thank Zhao Yanyan for allowing him to make the Harem kingdom what it is today.

Chapter 726 - May I Take A Shower With All Of You

"Husband, what were you doing just now? ", Zhao Yanyan asked what did Ye Chen just do.

"Nothing, I'm just trying to get away from Xing Mei, last night this woman hugged me so tightly that I couldn't move." Ye Chen told Zhao Yanyan what happened.

"Puchi" Zhao Yanyan laughed when she heard this, so this is the reason last night Ye Chen didn't do anything to the three of them, it turned out that last night Ye Chen couldn't move because he was hugged by Xing Mei.

"How can you laugh like that, you should defend your husband, just watch out." Ye Chen pounced at Zhao Yanyan, he started tickling Zhao's body Yanyan under him.

Zhao Yanyan really couldn't stop laughing, feeling amused when Ye Chen was tickled like that.

The movements made by Ye Chen and Zhao Yanyan caused the bed to shake quite strongly, this made Xing Mei, Nangong Xiang and Nanhua Caiyi who were still sleeping wake up.

Xing Mei, Nangong Xiang and Nanhua Caiyi started to open their eyes and see what was going on.

When Xing Mei, Nangong Xiang and Nanhua Caiyi opened their eyes and saw what was going on, the three of them saw that Ye Chen was joking with Zhao Yanyan on the bed not far from them.

"Husband, please stop, it's amused." Zhao Yanyan asked Ye Chen to stop, she couldn't stand the amusement that Ye Chen gave him.

"Do you still dare to laugh at your husband?" Ye Chen said to Zhao Yanyan who was under his body.

"I won't do that anymore, Husband, please let me go." Zhao Yanyan tried to ask Ye Chen to let go.

Seeing Zhao Yanyan who gave up, Ye Chen felt proud of himself.

Because Ye Chen already felt victorious in this matter, Ye Chen immediately let go of Zhao Yanyan who was under his body.

Zhao Yanyan who had been free immediately got out of bed, Zhao Yanyan got off the bed.

"Sister Xiang, Sister Caiyi, Young sister Mei, do you all want to take a bath?" Zhao Yanyan offered Nangong Xiang, Nanhua Caiyi and Xing Mei a bath together.

"Come on." Nangong Xiang, Nanhua Caiyi and Xing Mei quickly agreed to go take a bath together.

"Ahem... ., May I take a shower with all of you ? "Ye Chen asked Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Xing Mei.

Ye Chen didn't mind to accompany Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Xing Mei to take a bath.

Ye Chen also wanted to bathe together with beauties like Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Xing Mei.

"I reject it" Xing Mei and Nangong Xiang immediately rejected Ye Chen, they were both embarrassed if they had to bathe together with Ye Chen.

Zhao Yanyan could only smile at the refusal made by Xing Mei and Nangong Xiang, it seems that Ye Chen will not be able to join together with herself, Nangong Xiang, Nanhua Caiyi and Xing Mei.

"Sorry husband, but it looks like you are rejected, so you can't come with us." Zhao Yanyan said to Ye Chen that Ye Chen couldn't take a bath together with the four of them.

Hearing this, Ye Chen felt disappointed once again, he couldn't have fun with his women again.

Seeing Ye Chen disappointed, Zhao Yanyan felt a little guilty towards Ye Chen, Zhao Yanyan started to approach and tried to comfort Ye Chen.

"Husband, how about next time we take a bath alone" Zhao Yanyan whispered in Ye Chen's ear.

Zhao Yanyan's voice was so small it could barely be heard by Ye Chen.

" Is it true ? "Ye Chen asked Zhao Yanyan who was in front of him.

"Of course, but first you have to get Queen like you promised last night, if you can get Queen, I will give you whatever you want" Zhao Yanyan said that she will give Ye Chen whatever he wants as long as Ye Chen can pull Queen to his stronghold.

Hearing this, Ye Chen's determination to get Queen is getting bigger and bigger, he will definitely immediately get Queen on his side in order to facilitate all the affairs that exist in this Kunlun Holy Land.

Zhao Yanyan smiled when she saw Ye Chen who was excited again.

"Everyone, let's go" Zhao Yanyan invited Nangong Xiang, Nanhua Caiyi and Xing Mei to go to the baths in the Wu Clan manor.

Zhao Yanyan herself had already tried the baths that the Wu Clan manor had with her grandmother, the baths here were not bad when compared to the baths inside the fairy gate which were very refreshing for the body.

If only Nangong Xiang and Xing Mei could enter the fairy gate, maybe Zhao Yanyan would invite the two of them to try the bath inside the fairy gate.

Unfortunately these two women still couldn't enter the fairy gate because they weren't yet completely Ye Chen's women.

Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Xing Mei left this place.

Now in this room only Ye Chen was left, Ye Chen started to get off the bed, he had to tell Wu Ping what he found last night.

There was no way that Ye Chen would let the Shen Clan plan of destroying the royal family run smoothly.

If the Shen Clan became the new leader, then the Wu Clan would definitely suffer immensely under the cruelty of the Shen Clan.

As is well known, the Wu Clan is the Clan that most often opposes the decisions of the Shen Clan wherever they are, so after the Shen Clan destroys the royal family, surely the next target will be the Wu Clan.

Ye Chen immediately went to look for Wu Ping's whereabouts, he tried to find the existence of Wu Ping around this Wu Clan manor.

After searching around the Wu Clan manor for a while, Ye Chen finally found the existence of Wu Ping.

Wu Ping was currently near a water pool fish that was in one of the locations in the Wu Clan manor.

Seen from a distance, Ye Chen felt that Wu Ping seemed to be daydreaming and thinking about something.

Ye Chen started walking over to Wu Ping who was currently daydreaming.

"Grandfather Wu, grandfather Wu" from behind Ye Chen tried to call Wu Ping.

Unfortunately Ye Chen did not get an answer from Wu Ping, who stared at the pond very deeply.

Seeing that his call was not answered, Ye Chen tried to pat Wu Ping's shoulder.

When Ye Chen tapped Wu Ping's shoulder, Wu Ping immediately woke up from his reverie.

"Huh, who? ", Wu Ping immediately turned around to see who the person had tapped his shoulder.

When Wu Ping turned around, he found that Ye Chen was already behind him.

"Ye Chen, what are you doing here ?." Wu Ping immediately asked what Ye Chen was doing in this place.

"Of course I'm looking for you" Ye Chen told Wu Ping that he was looking for him.

" Looking for me? " Wu Ping asked Ye Chen.

Ye Chen nodded at Wu Ping. "Grandfather Wu, why are you daydreaming in this place, what are you thinking right now?" Ye Chen wanted to know what Wu Ping was thinking.

Ye Chen was absolutely sure that Wu Ping was thinking about something to the point of daydreaming in this place alone.

"Well you are right, I am indeed thinking about something right now." Wu Ping was indeed thinking about something.

Chapter 727 - Discussion With Wu Ping

" Ye Chen, I'm contemplating a matter of heart. " Wu Ping told Ye Chen if he is contemplating his heart problem.

"What problem do you have?", Ye Chen asked what problem was making Wu Ping's heart restless.

"It's about the relationship that I have with Rou, you know it seems like our relationship is hard to return to before." Wu Ping said the reason why his heart was troubled.

It turned out that the reason Wu Ping was daydreaming like this was because he was still dumped by Yu Rou.

"Oh" Ye Chen said oh to Wu Ping, Ye Chen began to understand why Wu Ping was daydreaming like this, the reason turned out to be love.

Wu Ping spoke to a very apt person, if the matter of Ye Chen's love was his master in this matter.

"Hey grandpa Wu, do you want to restore the relationship you had with Grandma Yu to the way it used to be?" Ye Chen said to Wu Ping who was beside him.

"Of course I want our relationship back to how it used to be." Wu Ping immediately nodded at Ye Chen.

It had been a long time since Wu Ping wanted his relationship with Yu Rou to go back to when the two of them still loved each other.

"Fine, then let me give you a little advice." Ye Chen intended to give Wu Ping a little advice to make the relationship he had with Yu Rou harmonious like before.

"What advice do you have? "Wu Ping wants to hear the advice that Ye Chen will give him.

The current Wu Ping really needed Ye Chen's advice to make the relationship he had with Yu Rou back to the same harmony as it used to be.

"Well, Grandpa Wu first of all I want to ask, have you ever taken the initiative to try to seduce or just try to get close to Grandma Yu? "First, Ye Chen wants to know whether Wu Ping has ever tried to seduce or simply explain to Yu Rou the problem they have.

"So why are you asking about it?" Wu Ping wanted to know why Ye Chen was asking about this.

"I just want to know if you've ever taken an initiative to restore the relationship you two have." Ye Chen just wanted to know whether Wu Ping had ever done that.

If Wu Ping had done this before, then Ye Chen would have given Wu Ping another suggestion.

"I've never tried it, I'm afraid if I try I will make Rou even more angry with me" Wu Ping told Ye Chen that he had never taken the initiative to seduce or just tried to get close to Yu Rou.

"Now that's the problem, Grandpa Wu you are a man, as a man you have to take an initiative first, you don't need to be afraid if Grandma Yu is angry, the most important thing is you have tried everything you can, as long as grandma. You saw the persistence you have, I really believe that Yu's grandmother will melt with the persistence you do." Ye Chen started to give a short lecture to Wu Ping, he wanted Wu Ping.

Ye Chen wanted Wu Ping to take the initiative first to improve the relationship he had with Yu Rou.

Wu Ping was a man, there was no way a man would wait for a woman to take the initiative first.

"Are you sure that this method can work?" Wu Ping had a little doubt that Ye Chen's suggestion would work.

"Grandpa Wu I told you not to worry when you take the initiative, the most important thing is that you have an intention to make the relationship you have with Grandma Yu to be better," said Ye Chen to Wu Ping.

Ye Chen didn't want Wu Ping to think about this too much, conquering a woman's heart is not as easy as imagined, there must be some sacrifices to cultivate a love.

Wu Ping started thinking about the words that Ye Chen had, after thinking for a while, Wu Ping finally started to have the confidence to do this.

"Do you have a suggestion to melt a woman's heart?" Wu Ping wanted to ask Ye Chen for advice on how to melt a woman's heart.

Ye Chen started telling Wu Ping the best way to make Wu Ping and Yu Rou relationship back to how it used to be.

"Grandpa Wu, do you understand what you have to do?", Ye Chen asked again if Wu Ping understood what he should do next.

Wu Ping nodded at Ye Chen, as much as possible Wu Ping would try to do what Ye Chen said before.

After receiving Ye Chen's suggestion, Wu Ping wanted to try to take the initiative to be with Yu Rou.

"Hey, Grandpa Wu where are you going?", Ye Chen asked where Wu Ping was going.

"Of course being a Rou, so what?" Wu Ping asked Ye Chen.

"Grandpa Wu, I haven't finished talking, I have other things to talk to you about." Ye Chen told Wu Ping that there was anything else he wanted to talk about.

"What do you want to talk to me about, is this very important?" Seeing the serious face shown by Ye Chen, Wu Ping wanted to know what Ye Chen wanted to talk about.

"I want to discuss Shen Clan matters with you." Ye Chen told Wu Ping that he wanted to discuss matters concerning Shen Clan.

"Shen Clan, is the Shen Clan back looking for trouble with you, if so then I will recalculate with them." When he heard Ye Chen wanted to discuss matters concerning the Shen Clan with himself, Wu Ping immediately became very angry.

The Shen Clan had been enemies with the Wu Clan for generations, so it wasn't strange that Wu Ping hated the Shen Clan more than anything.

"They are not looking for trouble with me, this time I found a grand plan that the Shen Clan wants to carry out behind the royal family." Ye Chen told about the secret he discovered last night about the great plans of the Shen Clan.

"What big plan?" Wu Ping started to wonder what Ye Chen was talking about, Wu Ping didn't understand what the big plan Ye Chen was talking about.

Ye Chen started to explain in detail what he was referring to, Ye Chen told all the things he saw last night during the Shen Clan and the representatives of the Gates of Eternity Sect.

"What !!!" Wu Ping was very, very shocked when he heard this, he did not expect that the Shen Clan would collaborate with the Gates of Eternity Sect to destroy the royal family.

"Ye Chen, are you sure that the Shen Clan is planning such a thing?", Wu Ping asked Ye Chen in a very serious tone.

"From what I saw last night they planned it" Ye Chen said that this is the thing that Ye Chen heard last night.

"Do you have any evidence for this matter?", Wu Ping asked if Ye Chen had any evidence of the conversation that the Shen Clan and Gates of Eternity Sect had.

"I don't have it, last night I had a little trouble hearing their conversation because of the sound insulation they made, fortunately I could find out the conversation they were having by using lip language." Ye Chen told Wu Ping that he had no evidence.

Last night the Shen Clan and the Gates of Eternity Sect were extremely careful, they really didn't let other people know what they were planning behind the scenes.

Chapter 728 - Attend Royal Family Celebrations (1)

"So they are very careful in this matter." Wu Ping nodded at Ye Chen.

"If it is true that what you saw last night was a big plan from the Shen Clan, then I will tell this message to Queen." Wu Ping intends to inform about this matter to Queen via message latter.

Wu Ping is likely to be very difficult to meet Queen at a celebration like this, Queen must be very busy and do not have time to meet him.

It was because of this that Wu Ping intended to send a letter as quickly as possible to Queen and tell Queen what the might have planned Shen Clan to the royal family.

If only Ye Chen had evidence of the conversation that the Shen Clan and Gates of Eternity Sect had, then everything would be easy and the Shen Clan would be quickly executed.

Unfortunately Ye Chen didn't have solid evidence in this matter, so Wu Ping could only warn Queen just in case the worst happened.

"Ye Chen I will go first, thank you for this information you provide." Wu Ping thanked Ye Chen, who had told him the grand plan that the wanted to carry out Shen Clan.

After thanking Ye Chen, Wu Ping immediately left to do what he had to do.

"I hope Queen will listen to this." Ye Chen could only hope that Queen would listen to Wu Ping's warning.

If Queen did not listen to what Wu Ping said, then the situation would become even more difficult to handle, Ye Chen might also be dragged into this matter.

For this matter, Ye Chen could only continue to wait for the good news that Wu Ping gave him.

In order to spend the time he had, Ye Chen decided to train and strengthen himself, Ye Chen shouldn't be lazing around like this, Ye Chen should immediately try to break through to the half-step realm towards Divine Realm.

Ye Chen started to spend the time he had training inside the gate fairy, this also kept Ye Chen from being bothered by the annoying Xing Mei.

"Master, do you want to spar with me, I want to try the strength I have right now." When Ye Chen was training alone inside the fairy gate, Ye Xiu suddenly came and invited Ye Chen to do sparring.

Ye Xiu was currently in a beautiful Milf appearance with a large double G Cup and wearing a kimono on her body.

It can be seen that Ye Xiu's current appearance is too seductive, if Ye Xiu was willing to take out her fox tail and ears, it would be even more tempting for every man who saw her.

"Of course, come on, come here little fox." Ye Chen didn't mind Ye Xiu's invitation at all, Ye Chen himself wanted to see Ye Xiu's current strength, whether Ye Chen Xiu had grown stronger or not.

"You still dare to call this queen a little fox, just watch I will definitely teach you a lesson." Ye Xiu was angry when Ye Chen called herself a little fox.

It should be emphasized again that Ye Xiu was not a little girl, she was an adult and had a very seductive Milf body.

"Hehehe, then go ahead." Ye Chen chuckled at Ye Xiu, it was quite fun to tease this Milf Fox.

Ye Xiu started to take out the fox's tail and ears that she had, after which Ye Xiu immediately charged towards Ye Chen.

Ye Xiu used all the strength she had, he used all the strength she had to deal with Ye Chen.

Finally, the one Ye Chen had been waiting for appeared, Ye Xiu took out the nine tail and ears of the fox she had

Ye Chen and Ye Xiu started sparring, the two of them had a very intense battle inside the fairy gate.

In just an instant several days had passed at the fairy gate, in these few days Ye Xiu had accompanied Ye Chen to train inside the fairy gate.

Ye Chen was currently resting in Ye Xiu's lap, Ye Xiu lent her lap to Ye Chen.

"Looks like the strength you have is much stronger than the last time we met." Ye Chen praised Ye Xiu's strength which had risen quite a lot since the last time they met.

"Thank you very much." Ye Xiu smiled at the praise that came from Ye Chen. Ye Xiu was very happy when Ye Chen praised the increase in strength she had made.

"Do you want to come out with me, today is the day of the royal family's celebration, there will be a martial arts show." Ye Chen invited Ye Xiu to come out and see the celebration held by the royal family.

"Of course" Ye Xiu very quickly agreed with Ye Chen's invitation, Ye Xiu hadn't come out for a long time, she wanted to come out and look back at this Kunlun Holy Land.

Ye Chen and Ye Xiu immediately walked out of the fairy gate, the two of them appeared near the pool where Ye Chen and Wu Ping had previously spoken.

"Let's find Yanyan and the others." Ye Chen invited Ye Xiu to go find the whereabouts of Zhao Yanyan and the others.

Ye Xiu nodded, she followed behind Ye Chen to look for the whereabouts of Zhao Yanyan and others woman.

Ye Chen used God Eyes to try to find the whereabouts of Zhao Yanyan and the others.

It just so happened when Ye Chen was looking for whereabouts Zhao Yanyan and the others.

Ye Chen accidentally saw Wu Ping and Yu Rou alone under a tree.

Judging from what the two of them were doing, it seemed the two of them were enjoying their old age.

Ye Chen smiled seeing this, it seems like the advice that Ye Chen had given yesterday worked.

"Master, why did you stop?" Ye Xiu asked why Ye Chen suddenly stopped like this.

"Nothing happened, let's go." Ye Chen told Ye Xiu to continue searching for whereabouts Zhao Yanyan and the others'.

Using the help of his God Eyes, Ye Chen quickly discovered Zhao Yanyan's whereabouts.

Zhao Yanyan is currently in a library. he was looking for some useful information for himself to deal with the Gates of Eternity Sect.

Zhao Yanyan tried to find a history and location and terrain of the Gates of Eternity Sect, looking very serious when learning new things.

Ye Chen invited Ye Xiu to go to the library where Zhao Yanyan was.

"Yanyan, are you busy right now? Ye Chen asked if Zhao Yanyan was busy and couldn't be bothered.

Seeing Ye Chen coming, Zhao Yanyan immediately placed her book on the table.

"Husband, I am not busy, what are you looking for me?" Zhao Yanyan asked why Ye Chen was looking for her.

"Yanyan, I want to invite you to attend the celebration that is organized by the royal family, do you want to come or not? " Ye Chen asked whether Zhao Yanyan wanted to participate or not to the celebration held by the royal family.

"Of course I want to join." Zhao Yanyan immediately agreed to join Ye Chen in going to the celebration of the founding of the royal family.

"Good, then let's go." Ye Chen immediately invited Zhao Yanyan to go to the royal palace.

"Are we not going to invite grandparents?", Zhao Yanyan asked if they wouldn't invite Wu Ping and Yu Rou to go together to the royal palace.

"Granpa Wu and Granma Yu are busy with their own business, later they will definitely catch up with us" Ye Chen told Zhao Yanyan that Wu Ping and Yu Rou were busy right now and couldn't be bothered.

Chapter 729 - Attend Royal Family Celebrations (2)

"Then let's go first" Zhao Yanyan invited Ye Chen to go to the royal palace right now.

"Yanyan, where are Xiang, Caiyi and Xing Mei? ", Ye Chen asked about the whereabouts of Nangong Xiang, Nanhua Caiyi and Xing Mei.

Ye Chen had already used his God Eyes to see the entire Wu Clan manor, but Ye Chen did not find the existence of Nangong Xiang, Nanhua Caiyi and Xing Mei around the Wu Clan manor at all.

"Oh, they are out on business, I don't think they will be back anytime soon, we better go now." Zhao Yanyan told Ye. Chen if it's Nangong Xiang, Nanhua Caiyi and Xing Mei were out on some business.

Zhao Yanyan did not go into detail about what Nangong Xiang, Nanhua Caiyi and Xing Mei were doing out there.

"I see, then let's go to the royal palace." Since Nangong Xiang, Nanhua Caiyi and Xing Mei were not here, Ye Chen could only attend this event together with Zhao Yanyan and Ye Xiu.

"Sister Xiu, you finally want to come out too, I thought you wouldn't come out of your nest. " Zhao Yanyan greeted Ye Xiu who was beside Ye Chen.

Previously Zhao Yanyan had met Ye Xiu when Ye Xiu first got her true form, Zhao Yanyan and some of Ye Chen's women were initially surprised to see that Ye Xiu had this original appearance, this was far from what they had all imagined so far.

Previously Zhao Yanyan thought that Ye Xiu was a little fox who might still be immature, Zhao Yanyan would never have thought that Ye Xiu's true form was a beautiful Milf with a very well developed body.

"Well, I'm quite tired of being inside the fairy gate, it no problem if I go out for a little bit of air immediately for a bit." Ye Xiu answered Zhao Yanyan with a very dazzling smile.

"Yes, that's very good, it's not good to stay inside the fairy gate, once in a while you also have to come out, after all Sister Xiu is quite beautiful, there must be many who will glance at Sister Xiu including husband." Zhao Yanyan joked a little to Ye Xiu.

"Master is a wolf, if I let my guard down I might be eaten by him." Ye Xiu said helplessly.

"Well I know what you are thinking", Zhao Yanyan knew what meant Ye Xiu at this time.

Ye Chen was so helpless when he heard the conversation that Zhao Yanyan and Ye Xiu had, why was his reputation always like this in the eyes of his women.

"You two, let's go." Ye Chen invited Zhao Yanyan and Ye Xiu to head to the royal palace.

Zhao Yanyan and Ye Xiu both nodded at Ye Chen, the three of them immediately flew away from the Wu Clan manor towards the royal palace.

When Ye Chen, Zhao Yanyan and Ye Xiu arrived near the royal palace, the three of them saw a new floating island hovering near the royal palace.

This floating island was several times larger than the island where the royal palace stood.

Right in the middle of the floating island was a colossal stadium, so big that it could accommodate hundreds of thousands of people at once.

Meanwhile, outside the colossal stadium there was a vast expanse of land filled with various kinds of stalls selling goods for needs cultivator.

Here almost all the rare and expensive items that were in the Kunlun Holy Land could be found, all the sellers from the various Kunlun Holy lands had all gathered in this place to simply exchange goods or sell items with a few profound crystals.

Outside this colossal stadium there are several projection screens that can be used to see what is happening inside the stadium.

From just a glance, Ye Chen could conclude that this was the place to be used to have a martial arts match between all the great powers in the Kunlun Holy Land.

"Wow, it turns out that there are so many people here." From up here Zhao Yanyan could see that there were a lot of people coming.

"Yanyan, you are absolutely right, this place is very busy, it seems that everyone from various corners of the Kunlun Holy Land has come here." Ye Chen agreed with Zhao Yanyan's words, this place is very busy, there are many strong cultivators who come out of their hiding places.

"It's not strange that strong people from all corners of the Holy Land of Kunlun come out to attend events like this, this doesn't come all the time, this kind of thing only comes once a decade, so naturally

cultivators will come out of their hideouts to get there. attending this. "Ye Xiu explained to Zhao Yanyan and Ye Chen why there were so many strong cultivators who came to this event.

"You seem familiar with this, have you ever attended this kind of thing? ", Ye Chen asked Ye Xiu.

"Master, did you forget that I came from the Kunlun Holy Land, so it's not strange that I know this kind of thing." Ye Chen Xiu tried to remind Ye Chen that he came from the Kunlun Holy Land, so it wasn't strange that Ye Xiu knew a little about this matter. .

"That's right, you are from the Kunlun Holy Land, I almost forgot about that." Ye Chen almost forgot that Ye Xiu came from the Kunlun Holy Land.

"Husband, sister Xiu, let's go take a look around this place first, who knows we might find something good around here." Zhao Yanyan invited Ye Chen and Ye Xiu to see the things around this place.

Maybe they could find good things around this place, after This place used for Trade between cultivators, Zhao Yanyan was there were lots of items being sure that there were many interesting items that they had never seen before.

"Come on." Ye Chen quickly agreed with Zhao's suggestion Yanyan, he quickly invited Zhao Yanyan and Ye Xiu to have a look around this place.

It just so happens that Ye Chen intends to find the Ginseng of life edge in this place, who knows Ye Chen will find the Ginseng of life edge in this place.

Because Ye Chen couldn't get the Ginseng of life edge from Queen's hand, there was nothing wrong with Ye Chen looking for it in this place, after all in this place there were lots of sellers from all over the area, Ye Chen was very sure that this place existed the possibility that he could get what he wanted.

Ye Chen, Zhao Yanyan and Ye Xiu started walking around this place, they were all looking around for any valuable objects they might be able to use.

"Hey Yuechan, is there anything that you think is good around this place? "Ye Chen asked Chu Yuechan whether or not this place was likely to have any good things.

Ye Chen himself had used his own power to see the objects around here, unfortunately Ye Chen did not find an object that attracted him.

Unlike the antiques market that existed in the mortal world, all the objects in this place were genuine, they were all artifacts that had power within them.

After all, this is the world of cultivators, who would dare to forge an item in front of other cultivators, it is an absolutely impossible thing.

"Walk to the north, I feel something valuable around there." Chu Yuechan told Ye Chen to walk north, there Chu Yuechan found something good for Ye Chen.

Chapter 730 - Saint Light Zither & Chi Yin Hand Fan (1)

"Is there something good in the north you just said? "Ye Chen asked Chu Yuechan about the words he heard just now.

"Of course, you go and see what's there?" Chu Yuechan told Ye Chen to go and see.

"Okay, I'll go and see for my eyes." Ye Chen started to be very excited when he heard that there was something good in the north.

"Yanyan, little Xiu, come with me." Ye Chen invited Zhao Yanyan and Ye Xiu to go with him to the north.

Zhao Yanyan and Ye Xiu were dragged towards the north by Ye Chen, the two of them don't have time to ask where Ye Chen will take the two of them away.

Ye Chen embraced Zhao Yanyan and also Ye Xiu go towards the north, when Ye Chen embraced Zhao Yanyan and Ye Xiu towards the north, there were countless people who stared at Ye Chen with quite a look of hostility.

Especially young people who were just growing up, they felt angry when Ye Chen acted intimate with Zhao Yanyan and Ye Xiu like this.

Zhao Yanyan and Ye Xiu are beautiful women, wherever they go, they will definitely attract the attention of countless people.

Ye Chen didn't have time to think about the people around him, Ye Chen was currently thinking about the precious object that Chu Yuechan said.

Ye Chen was very curious what kind of precious item this was, whether it was a pill, medicinal plant, weapon artifact or something even better to use.

Ye Chen, Zhao Yanyan and Ye Xiu finally arrived at the location Chu Yuechan said.

After arriving at the location Chu Yuechan said, Ye Chen immediately surveyed his surroundings.

Ye Chen tried to find the valuables that Chu Yuechan said, after observing for a while, Ye Chen finally found a very small stall that was only a small cloth mat to put the items being sold.

The owner of this small stall is an old man who is quite old, this man has white hair and a long white beard.

Because this man's eyes were slightly slanted, Ye Chen didn't know whether this old man was opening or closing his eyes.

Among the stalls in this place, the stall owned by this old man was a little quiet, I don't know why this old man's stall was empty of buyers even though Ye Chen saw that there were some good items available in this stall.

Among the items on the small cloth mat, Ye Chen found a zither and a hand fan that seemed to have a tremendous glow of power.

These two things were covered in dust so thick that it was so thick that people who bought them would think that these were trash objects that they wanted to resell in this place.

"Hey Yuechan, is this what you said earlier?" Ye Chen asked if this was what Chu Yuechan said earlier.

"Yes, these two things I told you before." Chu Yuechan nodded at Ye Chen, Chu Yuechan told Ye Chen that these two things were the best things Chu Yuechan could find around this place.

"Yuechan can you explain these two things to me? "Ye Chen wants to know these two things that attracted him.

"Hmm, if I'm not mistaken, the names of the two objects are Saint Light Zither and also Chi Yin Hand Fan, these two things are very valuable artifacts." Chu Yuechan started explaining to Ye Chen about the names of the two objects in front of him.

"Then what is the function of these two items? ", Ye Chen asked Chu Yuechan what the function of these two items was.

"What's more, of course these two things can be used with great weapons if they are in the right hands." Chu Yuechan told Ye Chen that these two things could become terrifying weapons if they were in the right hands.

Ye Chen nodded at Chu Yuechan, it seemed that these two things were extremely extraordinary.

"Do you think that Tier is in these two artifacts? "Ye Chen wants to know from the Chu Yuechan Tier where these two artifacts are.

"Hemm, this possibility is almost close to an Earth Tier artifact, unfortunately both of them are still asleep, so I can't confirm which Tier these two belong to." Chu Yuechan said uncertainly to Ye Chen.

These two artifacts are currently sleeping and haven't awakened, so the strength of these two artifacts is still questionable.

"Is that so? , So these two things are still sleeping and haven't woken up yet, then do you know what to do to make this weapon wake up from its long sleep? "Ye Chen asked if Chu Yuechan knew a way to awaken the Saint Light Zither and Chi Yin Hand Fan.

"For Saint Light Zither I might know a way to make This item wake up again, you just need to make Zhao Yanyan use the power of light she has to build up the Saint Light Zither, with Zhao's light power Yanyan, maybe she can wake up the Saint Light Zither. "Chu Yuechan said to Ye Chen's way to awaken the Saint Light Zither.

All that needs to be done is to make Zhao Yanyan use the power of light that is possessed by the Saint Light Zither, so it is very likely that the Saint Light Zither will awaken by itself.

The Saint Light Zither is a light artifact, only light element users are able to awaken the Saint Light Zither.

"Then what about the Chi Yin Hand Fan, do you have a way to wake up this Chi Yin Hand Fan? "Ye Chen asked how to wake up the Chi Yin Hand Fan.

"I don't know about that problem, after you get it, you can try to find a method to wake up this Chi Yin Hand Fan." For Chi Yin Hand Fan Chu Yuechan really didn't know how to awaken this artifact.

"Then I will try to get it first." Ye Chen intends to get these two precious things, Ye Chen will not let something valuable like this go away.

Ye Chen started walking closer towards the Stall that was owned by the old man, he started pretending to look at the items that this old man was selling.

Ye Chen did not immediately express his intention to buy Saint Light Zither and Chi Yin Hand Fan, if Ye Chen immediately came and bought these two items, this old man would have immediately known Ye Chen's intention and increased the prices for Saint Light Zither and Chi Yin Hand Fan.

"Sir, how much does this item cost?" Ye Chen picked up a random item and asked how much this item cost.

The item that Ye Chen took could be said to be something of no use, at best the price of the item Ye Chen took was less than a single Purple Profound Crystal.

"The price of that thing is 30 Purple Profound Crystals." Without opening his eyes, this old man told Ye Chen the price of the item in Ye Chen's hand.

Ye Chen almost fell when he heard the starting price said by this old man, the starting price of this old man was very expensive for the size of an item that costs less than 1 Purple Profound Crystal.

"Sir, you are not joking with me right, isn't this just a piece of rock used to make Tier 3 ~ 5 weapons, why is it so expensive?", Ye Chen started asking the old man in front of him.

This old man's starting price was extremely high, this was even hundreds of times the price that Ye Chen could find at other stalls.
