

Chapter 751 - One Person Vs Dozens Of Cultivators

All the participants in this place were stunned when they heard what Ye Chen just said, they did not expect that Ye Chen wanted to fight everyone at the same time.

This was something that no one in this place would have imagined.

the genius participants like Yui Mui, Yui Mi, Mo Coun, Tai Ji, and Zhang Jingu couldn't believe what Ye Chen just said.

Yui Mui, Yui Mi, Mo Coun, Tai Ji, and Zhang Jingu do not have the confidence to win against that many participants, plus there are participants from the royal family, the Gates of Eternity Sect, Shaolin, and Spring Palace. .

If you force against all the normal participants plus the participants from the royal family, the Gates of Eternity Sect, Shaolin, and the Spring Palace.

then it is certain that anyone will suffer a terrible defeat.

"Ye Chen, do you mean what you just said?" Shun Buzi also almost couldn't believe what he just heard from Ye Chen's mouth, Ye Chen really wanted to challenge all the participants at the same time, this was something that no one who heard it could believe.

"Of course I mean it, it will be faster if all the participants fight me at the same time" Ye Chen said to Shun Buzi if he meant it in his words just now.

"Are you looking down on us?" All the participants felt very angry when they heard what Ye Chen just said.

They all didn't like it when they saw Ye Chen daring to underestimate the fighting strength they had.

"I'm not underestimating you, it's just that I want to quickly end this competition" Ye Chen wanted to end this game as soon as possible, He was quite bored with a game like this.

Ye Chen's words even made all the challengers even more angry, they all wanted to immediately destroy Ye Chen with the strength they had.

"Your Majesty, what do I do now?" seeing the situation in this place getting more and more heated, Shun Buzi immediately asked Zhang Shiyun.

Shun Buzi wants to know whether Queen will support this or not.

"General Shun, you don't have to worry, let him do what he wants" Zhang Shiyun told Shun Buzi to let Ye Chen do what he wanted.

Zhang Shiyun was very confident in Ye Chen's strength, fighting all these participants was definitely not a problem for Ye Chen.

Shun Buzi nodded at Zhang Shiyun, he would do what Zhang Shiyun ordered.

Shun Buzi himself didn't know what Queen was thinking right now, all Shun Buzi needed to do was do what Zhang Shiyun ordered.

"Well, if that's what you want then you can fight against all challengers at once." Shun Buzi finally gave Ye Chen's approval to fight all challengers.

The decision given by Shun Buzi again surprised the people in this place, unexpectedly, Shun Buzi will allow something crazy like this.

The challengers felt so happy about this, they were finally able to fight and destroy Ye Chen.

All challengers no matter who will get the first seat, what they want right now is to destroy Ye Chen, that is the greatest wish of everyone.

Ye Chen and all the challengers went to the middle of the arena, Ye Chen stood alone on the left side alone, while all the challengers lined up on the right side like a crowd of people who were angry at Ye Chen.

"Well this match will be held soon, whoever can beat Ye Chen will get a seat that belongs to Ye Chen." Shun Buzi said to all the challengers that they could get Ye Chen's seat if one of them could beat Ye Chen.

All the challengers became excited when they heard this, if they could be the first to defeat Ye Chen, then it was certain that they would get the first Seat that Ye Chen had.

All challengers must be the first to defeat Ye Chen.

In this case the challengers from the royal family, the Gates of Eternity Sect, Shaolin, and Spring Palace will defeat Ye Chen as fast as they can, these people have the confidence to win against Ye Chen.

Everyone in the audience began to look straight at the middle of the arena, something like this was absurd, how could one person win against dozens of people at once.

It looked like all the challengers were trying to bully Ye Chen.

"Ye Chen's match can only be stopped if you win or admit your defeat, so if you are no longer able you can give up" before the match started, Shun Buzi told Ye Chen an important detail.

Shun Buzi told Ye Chen that the match would not stop if Ye Chen won against all these people or Ye Chen admitted his defeat.

Ye Chen nodded at Shun Buzi, he understood what Shun Buzi meant just now.

"Are you ready" Shun Buzi asked everyone whether they were ready for battle or not.

Everyone had been preparing for a while, they couldn't wait to crush Ye Chen who was in front of them.

"Then, start" Shun Buzi officially started the battle.

When Shun Buzi started this match, all the challengers immediately rushed towards Ye Chen like a raging bull, they charged towards Ye Chen at their full speed.

"Shadow Clone" Ye Chen's used the Shadow Clone technique to create several Clones out of himself.

About 10 Clones appeared in front of Ye Chen's body, the 10 Clones that Ye Chen had just created were not very strong, even this Clone's strength was less than 1% of Ye Chen's original strength.

Even though the strength of the Clone that Ye Chen created was less than 1% of the strength that Ye Chen currently had, this was enough to deal with all of these people.

All the challengers saw the 10 Clones that Ye Chen had made at this time, all the challengers didn't really care about Ye Chen's Clone, they continued to advance towards Ye Chen.

Dozens of challengers who wanted to attack Ye Chen were immediately stopped by the Clone that Ye Chen had made.

The clone that Ye Chen made directly attacked everyone who tried to get closer to Ye Chen.

It was very easy for the Clone that Ye Chen made flew the participants one by one out of the arena, even though it was only 1%, the strength of Ye Chen's Clone was terrible.

This clone was like a hefty bodyguard protecting Ye Chen from his enemies' attacks.

"What the hell?"

"Is that a Clone?"

The audience who saw this became rowdy when they found out that the Clone made by Ye Chen began to defeat one by one the challengers very, very easily.

All of the challengers became like weak ants when faced with the Clone made by Ye Chen.

The challengers who had been very confident in defeating Ye Chen, now began to retreat backwards, they all started to keep their distance from Ye Chen's clone which was very powerful.

The challengers could not understand how Ye Chen would make something like this, this is completely unreasonable for the challengers in this place.

At first the participants thought that the Clone that Ye Chen had just made was just a substitute shadow that aimed to confuse them all.

When they tried to attack this replacement shadow, suddenly the replacement shadow could strike back at them, this made a part of the challenge flew out of the arena because they were not ready for what was going to happen.

Chapter 752 - Ye Chen Vs Shen Fuma

The clone made by Ye Chen was very dominating, all the challengers looked terrified by the clone made by Ye Chen.

Ye Chen smiled with great satisfaction when he saw this, it seemed that the Shadow Clone technique was very useful against so many people at once.

Now all Ye Chen needed to do was wait for the Clone he made to defeat all the participants that challenged him.

Ye Chen started to take a lounge chair along with an umbrella from the fairy gate storage room, he started to put a chair in the middle and slept on it.

This made everyone who saw dumbfounded, the jaws of the audience almost dropped when they saw what Ye Chen was doing.

in a battle like this ,this guy still has the time to do this kind of weird thing.

This fellow was too relaxed in fighting the dozens of challengers who were challenging him.

He even had time to relax like that, when in front of him were dozens of enemies who wanted to destroy him.

Zhang Shiyun was utterly helpless when she saw what Ye Chen was doing right now, this person was really too relaxed in facing this many enemies.

"Puchi.. .."Zhang Yanyan, Nanhua Caiyi giggled seeing what Ye Chen was doing at this time.

Meanwhile Ye Xiu and Nangong Xiang felt sorry for all the challengers who challenged Ye Chen, it is certain that they will get a bad ending for challenging Ye Chen like that.

The battle between Ye Chen's Clone against all challengers continued, the participants from the royal family, the Gates of Eternity Sect, Shaolin, and Spring Palace looked very depressed when fighting against Ye Chen's Clone, they were completely suppressed by Ye Chen Clone.

All of Ye Chen's challengers have been greatly reduced, now the number of challengers from Ye Chen is only 1/3 of the initial number.

This result is really far from the imagination of everyone here, initially the people here thought that Ye Chen would be beaten up by all the challengers, it was unexpected that all the challengers were beaten up by Ye Chen. like this.

"You coward, how dare you hide behind this kind of thing." Some of the participants started cursing Ye Chen for hiding using a clone like this.

Ye Chen didn't care about the provocations coming from all of these people, he didn't need to listen to dogs barking like them.

Ye Chen waved his hand, he told all of his Clones to immediately get rid of these annoying people.

All of Ye Chen's Clones obeyed what Ye Chen ordered, they immediately got rid of everyone who had previously challenged Ye Chen.

All the remaining participants were immediately pushed aside by Ye Chen's Clone, now there was only one person left standing at the very end of this arena.

The last person remaining was Shen Fuma, Shen Fuma being the only challenger left alone.

From the very beginning Shen Fuma was at the very back, he didn't dare to come forward and fight like the other challengers.

Shen Fuma was a little scared when he saw Ye Chen's Clone defeat another challenger so easily, it was because of this that Shen Fuma immediately retreated to the very back to secure himself.

"Ye Chen, you only dare to hide in your shadow like that, come here quickly and fight me as a man." Shen Fuma tried to challenge Ye Chen who was currently sitting on a chair to relax.

Hearing that this is Shen Fuma's Voice, Ye Chen immediately opened his eyes, he immediately got up from the sleeping chair.

Ye Chen wanted to make this man from the Shen Clan embarrassed, the last time Ye Chen was not satisfied made this man feel embarrassed in public.

Ye Chen snapped his fingers, in an instant all of Ye Chen's Clones disappeared into thin air.

"Hahaha, Shen Fuma, looks like the lesson I gave you last time wasn't enough for you." Ye Chen chuckled at Shen Fuma, he reminded Shen Fuma about the last lesson he had given this time.

The audience started whispering to each other when they heard what Ye Chen just said, they started talking about the incident a few days ago that happened to Shen Fuma.

face Shen's Fuma became dark when he heard what Ye Chen said, when Shen Fuma recalled contempt at that time Shen's Fuma was very upset, he wanted to take revenge on Ye Chen for the humiliation he had given at that time.

"Ye Chen, just watch, I will definitely beat you and make you regret it." Shen Fuma will definitely make Ye Chen regret having dared to provoke him.

Shen Fuma advanced towards Ye Chen, he used his claw technique to shred Ye Chen's body into pieces.

After Ye Chen's Clone disappeared, Shen Fuma's confidence became very high against Ye Chen, Shen Fuma was sure that he could win against Ye Chen.

Shen Fuma is not afraid of Ye Chen, Shen Fuma is only afraid of the Clone technique that Ye Chen just used.

Seeing the arrival of Shen Fuma's attack, Ye Chen started to back off a little, he dodged the attacks coming from Shen Fuma very easily.

Shen Fuma's movement just now can be said to be very fast, unexpectedly with such a fast movement from Shen Fuma, Shen Fuma's attack can still be avoided by Ye Chen.

"You're too slow." Ye Chen told Shen Fuma that the attack just now was very slow.

"It's noisy, feel this" Shen Fuma snapped Ye Chen in a tone that was quite harsh, he intended to attack Ye Chen who was near him.

When Shen Fuma was about to attack Ye Chen, Ye Chen immediately used one leg of his to kick in the Shen Fuma face, Shen Fuma was blown several tens of meters by the kick that Ye Chen had just done.

Ye Chen's kick just now was quite strong, Shen Fuma's mouth and nose immediately bled profusely when he received Ye Chen's kick.

Shen Fuma held his mouth which was injured by the kick taken by Ye Chen, Shen Fuma felt that his jaw was cracked by Ye Chen's kick.

Shen Fuma felt unbearable pain from his jaw, he was getting more and more annoyed with Ye Chen.

Shen Fuma's anger is unstoppable anymore, Shen Fuma currently wants to kill Ye Chen who is in front of him.

From afar, Ye Chen could feel the killing aura emanating from Shen Fuma, it seemed that Shen Fuma really intended to kill himself.

Ye Chen disliked Shen Fuma more and more, he felt that this person was very annoying and should be taught a lesson more.

Ye Chen immediately went to the side of Shen Fuma, without waiting for Shen Fuma to be ready, Ye Chen kicked Shen Fuma's stomach until Shen Fuma's internal organs shifted slightly.

Shen Fuma immediately vomited a mouthful of fresh blood when Ye Chen kicked his stomach.

"Fuma" Shen Ao who was in the audience seat immediately called out Shen Fuma's name very loudly.

What happened was completely unexpected from Shen Ao, he did not expect that Ye Chen would be so cruel to Shen Fuma that it would make Shen Fuma in this state.

Some audience became confused by the cruelty committed by Ye Chen, even though Ye Chen and Shen Fuma both came from the royal family, how could Ye Chen be so cruel to Shen Fuma to be like this.

Most of the people who were here did not know that Ye Chen had personal animosity with Shen Fuma, because of this Ye Chen became a little ruthless when dealing with Shen Fuma.

Chapter 753 - Zhang Shiyun Intervened

Shen Fuma tried to get up, he didn't want to lose to Ye Chen in this way.

Seeing Shen Fuma trying to get back up, Ye Chen started to kick Shen Fuma who tried to stand up.

Again, Shen Fuma was injured by the kick from Ye Chen.

"So where's your arrogance just now, is this the only ability of the young master of the Shen Clan?" Ye Chen kicked repeatedly towards Shen Fuma.

Shen Fuma could only curl up when he was kicked by Ye Chen, he already looks helpless by attacks Ye Chen in a row.

Shen Ao looked very angry with what Ye Chen did to Shen Fuma, he could no longer bear to see Ye Chen treat Shen Fuma in this way.

"Brat, how dare you do such a thing to my son." Shen Ao couldn't take it anymore, Shen Ao rushed towards Ye Chen who was currently on top of the arena.

Shen Ao emitted a very-very strong killing aura, it was seen that Shen Ao was currently wanting to attack Ye Chen.

"Duke Shen stopped." Seeing Shen Ao wanted to attack Ye Chen, Shun Buzi tried to stop Shen Ao from attacking Ye Chen.

Shen Ao immediately drove Shun Buzi who was blocking his path, with the full power that Shen Ao is currently using, Shen Ao can easily get rid of Shun Buzi who is blocking his path.

Shun Buzi was not prepared for the full attack by Shen Ao, as a result Shun Buzi was knocked out of Shen Ao's path.

Shun Buzi who was eliminated immediately tried to catch up with Shen Ao who wanted to attack Ye Chen, unfortunately Shun Buzi did not have time to catch up with Shen Ao who was very close to Ye Chen.

"Brat, die." Shen Ao really intended to attack Ye Chen with the full strength he had.

What Shen Ao was currently doing was beyond the expectations of everyone in this place, Shen Ao who was an Duke who was strong enough to actually attack a junior like Ye Chen.

This is something that is very, very unexpected for all the audience in this place.

Ye Chen saw that Shen Ao wanted to kill himself, seeing this Ye Chen intended to use the strength he had to fend off the attacks that would be carried out by Shen Ao.

When Ye Chen wanted to expose his true strength, suddenly the figure of a woman stood in front of Ye Chen.

This woman immediately blocked the attack launched by Shen Ao.

"Boom" a very loud explosion occurred, this explosion began to shake the entire arena very hard.

In the exchange just now, it was seen that Shen Ao was pushed back and hit the barrier wall in the Colossal stadium.

The female figure standing in front of Ye Chen was none other than Zhang Shiyun, Zhang Shiyun stood in front of Ye Chen to protect Ye Chen from Shen Ao's attack.

Zhang Shiyun looked like she didn't like what Shan Ao had just tried to do to, Zhang Shiyun already considered Ye Chen hers, she wouldn't let anyone hurt Ye Chen.

Shen Ao tried to get up from the ground, in the exchange just now, it was very clear that Shen Ao had suffered serious injuries from the attack inflicted by Zhang Shiyun.

The difference in strength between the two was vast, Shen Ao was not a suitable opponent for Zhang Shiyun.

" Duke Shen, are you not ashamed to have interfered in this battle? " Zhang Shiyun said to Shen Ao in front of her.

Zhang Shiyun's tone looked very angry with Shen Ao, Zhang Shiyun was angry with what Shan Ao had just done.

Shen Ao looked at Zhang Shiyun who had just stopped himself, if Zhang Shiyun had not stopped himself before, it was certain that Shen Ao would have been able to kill Ye Chen.

Shen Ao feels very angry in his heart, if later he has a chance, then Shen Ao will definitely kill this bitch.

"Why don't you speak, don't you have a defense?" Seeing that Shen Ao was still silent and not speaking, Zhang Shiyun asked Shen Ao again .

"Majesty, me did not mean to do that, it's just what people have done this already very outrageous for Shen Clan" Shen Ao trying to come up with a reasonable excuse to justify what he previously did.

The reason Shen Ao attacked Ye Chen was because Ye Chen had gone too far in this matter, Ye Chen had actually dared to make Shen Fuma in such a miserable state which made Shen Ao very angry.

"Duke Shen, the excuse you gave is not good at all, this is a battle, in battle an attack has no eyes, so if anyone is injured they should blame themselves for being incompetent." Zhang Shiyun broke the reason that was held by Shen Ao.

As a Queen, Zhang Shiyun can be said to be a very smart woman, if Zhang Shiyun wasn't smart, Zhang Shiyun would definitely not get this Queen position.

"After all, your son has not admitted his defeat, as long as he has not admitted defeat then the match continues." Zhang Shiyun began to remind Shen Ao that Shen Fuma had not admitted his defeat from the start, Shen Fuma never admitted his defeat to Ye Chen.

If only Shen Fuma had admitted his defeat to Ye Chen, then Shun Buzi would have stopped this match earlier.

Zhang Shiyun's words left Shen Ao speechless, Zhang Shiyun could very easily break the excuses he had, this way Shen Ao didn't have a real reason to attack Ye Chen.

"Majesty, I was wrong at first, so please forgive the obstacle." Because it no longer has a logical reason, Shen Ao must apologize to Zhang Shiyun and Ye Chen.

"Fine, I will forgive you this time, but remember not to repeat this mistake a second time." Zhang Shiyun forgave what Shen Ao had done just now.

Zhang Shiyun did not forget to warn Shen Ao not to make the same mistake as earlier.

In order to keep his face, Zhang Shiyun was forced to let go of Shen Ao, he pardoned Shen Ao just this time.

If it reaches Shen Ao dared to do something like this to again Ye Chen in the future, Zhang Shiyun would not hesitate to give proper punishment Shen Ao.

"Thank you so much for the greatness of Majesty." Shen Ao is grateful for Zhang Shiyun's compassion.

On the surface of Shen Ao may be grateful to Zhang Shiyun, but in his heart it is Shen Ao had cursed Zhang Shiyun hundreds of times.

Shen Ao went to Shen Fuma's side, he took Shen Fuma who was currently unconscious due to the injury caused by Ye Chen.

"Brat, watch out for you later" before leaving the arena, Shen Ao didn't forget to warn Ye Chen.

Shen Ao's voice was so small, he tried to talk to Ye Chen without Zhang Shiyun noticing.

Ye Chen only smiled when he heard the threat given by Shen Ao, for Ye Chen Shen Ao's threat was nothing more than a bluff made by a child.

"Majesty, thank you for helping me" Ye Chen did not forget to thank Zhang Shiyun wanting for to help him.

Ye Chen felt a little touched by what Zhang Shiyun was doing, this woman was too kind to him.

Chapter 754 - Zhang Jingu Vs Yui Mui

"You don't need to be grateful, it is Queen's duty to defend the right thing," said Zhang Shiyun to Ye Chen.

Ye Chen could only smile wryly when he heard Zhang Shiyun starting to become a wise woman, the Zhang Shiyun in front of Ye Chen at this time was completely different from the Zhang Shiyun that Ye Chen often met.

If only Ye Chen had never seen Zhang Shiyun's true nature before, Ye Chen would have believed that Zhang Shiyun was a kind and wise woman.

"This Queen is coming back, you can continue this match." Zhang Shiyun had to go back to where she should have been, she also didn't forget to give orders to Shun Buzi to continue the match.

Zhang Shiyun left the arena, she returned to her throne.

Since Zhang Shiyun had resolved the problem herself, Shun Buzi was able to continue this competition.

Now it was time for Shun Buzi to continue the competition, since all the challengers had been defeated by Ye Chen alone, now it was up to decide the owner of the 10 seats.

"Now is the time for the 10 best participants to determine the final result they can get, ten of you can challenge one of you who has a higher seat" Shun Buzi began to explain that these 10 best participants can challenge each participant who is taller than the seat they have.

For example, the owner of a 10th seat can challenge the owner of a 9th to 1st seat.

"The rules are still the same as before, whoever loses when challenging another participant who is on it, then they will lose the prize they got, their prize will be given to the winner" Shun Buzi explained that the rules of the game are still the same as before.

The prizes here are even greater, the 10 best participants will get prizes that can be said to be special, their prizes are different from the participants who did not get a seat like the one Ye Chen fought just now.

"Alright, let's start from the owner of the 10th seat" Shun Buzi started this from the owner of the 10th seat.

It so happened that the owner of the 10th seat was a woman from the Spring palace.

"Miss, do you want to challenge other participants?" Shun Buzi asked the woman from the Spring Palace if she would like to challenge one of the participants who was above her.

"Sorry I don't want to challenge the other participants" This woman doesn't want to challenge the other participants who are above her, she doesn't want to lose her prize because of this.

"Well, if that's your decision then I will respect it" Shun Buzi appreciates the decision made by this woman, it is wiser to step back than suffer a defeat and lose the prize.

Since the owner of the 10th seat has withdrawn, Shun Buzi has no other choice but to move on to the owner of the 9th seat.

Just like the owner of the 10th seat, the owner of the 9th seat also refuses to challenge the competitor who is above him, he doesn't have the confidence to win against the participants who are above it.

Seeing the 9th Seat doing the same thing, Shun Buzi went to the 8th and 7th participant the answers given by the 8th and 7th participants were the same as before, they didn't want to challenge the participants who were above them.

They feel very satisfied with the results they got this time.

Now it was time to ask Zhang Jingu "Jingu, do you want to challenge any of the participants who are above you" Shun Buzi asked Zhang Jingu if he wanted to challenge any of the participants who were above him.

"I want to challenge the second seat owner" Zhang Jingu wanted to challenge Yui Mui who had the second rank seat.

Initially Zhang Jingu wanted to challenge Ye Chen who was in the first seat, unfortunately after the match just now Zhang Jingu abandoned his intentions, he did not have the confidence to fight Ye Chen who could win against dozens of people alone.

"Yui Mui participant, do you dare to accept Zhang Jingu's challenge?" Shun Buzi asked whether Yui Mui was brave or not to accept Zhang Jingu's challenge.

"Of course I dare, come here and show the strength that you belong to." Yui Mui very confidently accepted the challenge that came from Zhang Jingu, she seemed not afraid of the challenge from Zhang Jingu.

"Very well, since both parties have agreed, you can start to go up to the arena and fight." Shun Buzi invited Zhang Jingu and Yui Mui to go up to the arena.

Zhang Jingu and Yui Mui got up from their respective seats, the two of them immediately went up to the arena to fight and determine who was entitled to the 2nd seat.

"Alright start" after the two participants boarded Shun Buzi immediately started the competition.

When Shun Buzi started the match, Zhang Jingu and Yui Mui started fighting, both of them began to attack each other using the full strength they had.

Zhang Jingu is a spear user, meanwhile Yui Mui is a weapon user like a shawl that is as sharp as a knife.

Zhang Jingu is a very aggressive style person, he strikes at full speed and stabs him with death.

On the other side, Yui Mui's fighting style was exquisite, she took all the aggressive attacks coming from Zhang Jingu with grace and graceful movements.

Yui Mui looked like a fairy dancing on the battlefield, she could completely dominate against Zhang Jingu very easily.

Zhang Jingu started to get overwhelmed when fighting Yui Mui, he felt that Yui Mui was much stronger than his imagine.

In addition, Yui Mui continued to use her charm to lure Zhang Jingu who was in front of her, Zhang Jingu had difficulty concentrating when she saw Yui Mui who was so seductive when fighting with him.

"This older sister wants to play with you a bit, but it seems like you are not a man for me." Yui Mui was getting a little tired of fighting against Zhang Jingu, Zhang Jingu was a very boring man for Yui Mui.

Yui Mui didn't like boring men like Zhang Jingu, she preferred brave and shameless men like Ye Chen.

After seeing Ye Chen's battle just now, Yui Mui started to become interested in Ye Chen, she wanted to try to fight against Ye Chen.

Zhang Jingu's face turned black when he heard what Yui Mui said, this woman really thought it was a toy?.

Zhang Jingu is actually the laziest when it comes to fighting women from the Spring Palace, he least likes to be close to a woman who can suck a man become dry bone.

"Let's end this battle" Yui Mui decided to end this battle.

"Blossom Circle Dance" Yui Mui's started to dance with very seductive movements, When this happened around Yui Mui's body several flower petals began to appear, the flower petals around Yui Mui started to become a storm.

This flower storm continued to grow and began to crash into Zhang Jingu who was in front of her.

Without being able to put up a fight, Zhang Jingu was flown by Yui Mui's technique and left the arena.

When Zhang Jingu was flown out of the arena, the winner of this match was Yui Mui.

Zhang Jingu was forced to give Yui Mui the prize he had.

"Thank you for giving me the gift that you have, I am very flattered by the gift you gave me" Yui Mui thanked Zhang Jingu who had handed herself a prize for free like this.

after defeating Zhang Jingu, Yui Mui turned to leave the arena, she returned to the seat she had.

Zhang Jingu who was defeated by Yui Mui became very gloomy, Zhang Jingu did not expect that he would be defeated by a woman like Yui Mui who came from the Dual Cultivation place.

Chapter 755 - Tai Ji Vs Yui Mi

All of the audience looked at Yui Mui, they couldn't believe it when they saw Yui Mui's fighting ability which was quite strong.

The audience in this place always thought that the women from the Spring Palace were only good at flirting with a man, it was unexpected that their fighting strength would be this terrible.

After this competition, From now on all spectators will no longer label the women of the Spring Palace with a weak title.

Shun Buzi could only shake his head when he saw Zhang Jingu beaten by Yui Mui.

"Jingu, keep practicing really hard, someday you will definitely surpass that woman." Shun Buzi tried to cheer up Zhang Jingu, he tried to motivate Zhang Jingu to be even more active in practicing.

Where there is a strong will there is an open path.

"Thank you for your advice, I will always remember this." Zhang Jingu is grateful for the motivation given by Shun Buzi.

From now on Zhang Jingu will try to train even harder to become stronger than Yui Mui.

After listening to Shun Buzi's words, Zhang Jingu finally wanted to accept his defeat, he had to admit that he was still inferior to Yui Mui in terms of strength.

Zhang Jingu could only return to his seat, he had no more chance to challenge anyone, he had to be content to get his current position.

After Zhang Jingu failed, now it was Tai Ji's turn to challenge the other participants.

Tai Ji doesn't think much, he immediately challenges Yui Mi, Tai Ji is not a greedy person, he knows his own strength, if Tai Ji forces a fight with Yui Mui, then chance Tai Ji's to win will be a little less.

It would be better for Tai Ji to go against Yui Mi, at least this woman might be inferior to Yui Mui.

Just like Yui Mui, Yui Mi immediately agrees to fight Tai Ji, she looks very excited when she finds out Tai Ji is challenging her.

Since the two sides had agreed, Shun Buzi ordered Tai Ji and Yui Mi to climb onto the arena.

Yui Mi and Tai Ji immediately stepped onto the stage, the two of them standing on either side of the arena.

"Ready.. ., Go." Shun Buzi started the battle between Tai Ji and Yui Mi.

After Shun Buzi started the match, Tai Ji and Yui Mi immediately rushed towards each other.

The two of them immediately exchanged quite a few strong blows, in this battle, Tai Ji and Yui Mui were not seen using a weapon.

The two of them only used their bare hands to attack each other.

The battle this time is a little different from the battle that took place between Zhang Jingu and Yui Mui, in this battle, it seems that the strength of the two is quite balanced.

Most likely this was due to Tai Ji not being affected by Yui Mi's Charm technique, so concentration was Tai Ji's much better than Zhang Jingu.

Tai Ji comes from Shaolin, so it's not strange that Tai Ji can fight Yui Mi's Charm techniques.

Shaolin highly upholds discipline and rules, they don't let students from Shaolin fall for worldly passions, so that the average student from Shaolin doesn't know what the opposite sex is like.

Yui Mi looked at Tai Ji with a very strange look, this man was completely unfazed by the charm She used.

Yui Mi began to wonder if this Tai Ji had an abnormality in this matter.

Yui Mi is very confident in her appearance, with her current appearance and body, Yui Mi is very confident that every man can easily be attracted & glanced at her.

Too bad this does not apply to Tai Ji, this man does not have an attraction to the opposite sex.

Unable to use her charm on Tai Ji, Yui Mi is forced to use her own power to defeat Tai Ji.

"Thousand Lotus Flow " Yui Mi finally used her signature technique.

Around the arena immediately appeared a thousand green colored lotuses, these lotuses rotating like a terrifying wind current.

Tai Ji is now trapped in this lotus Flow, Tai Ji must be careful, if he gets hit by the lotus in this Flow, it will be very dangerous for him.

The lotus made by Yui Mi was like a moving mine bomb, if it was hit by this, then it was certain that someone would receive severe enough injuries.

"Buddha enhancement Body" The body of Tai Ji starts to enlarge and form a Buddha-like body.

The technique that had just used Tai Ji was a defensive technique, with this technique Tai Ji's body would become very strong.

"Boom.. . , boom.. . boom.. . boom.. . " As explosion after explosion occurred, the lotus currents continued to smash into Tai Ji Body which had been strengthened by using the Buddha Enhancement Body Art.

Even though he had strengthened his body using the Buddha enhancement Body Art, the Tai Ji current still felt the pain from the explosion emanating from the Thousand Lotus Flow used by Yui Mi.

If it continues like this, sooner or later Tai Ji will lose because it is no longer able to withstand the onslaught of attacks coming from Yui Mi.

Tai Ji had no other choice but to break through the Thousand Lotus Flow in front of him, so he could attack Yui Mi who was hiding behind the Thousand Lotus Flow technique.

The viewers shuddered when they saw the battle that Tai Ji was displaying , they did not expect that Tai Ji would break through so many mine bombs.

If the one in this place wasn't Tai Ji right now, it was likely that that person would already be bleeding all over from receiving successive explosions.

Yui Mi saw that Tai Ji was starting to try to break in here, this man was so insane, she actually broke through her Thousand Lotus Flow technique in that way.

"I will end this fight soon." Yui Mi started waving her hand, when Yui Mi did this, all the Lotus in the Flow immediately flew towards Tai Ji.

"Boom." An enormous explosion occurred, nearly hundreds of lotuses smashed into Tai Ji's body, causing a terrifying explosion like this.

The impact of this explosion was so violent, the arena shook slightly when it received this huge explosion.

body Tai Ji bounced out of the arena, seemed Buddha enhancement Body Art of Tai Ji is unable to hold a full attack from Yui Mi.

After Tai Ji leaves the arena, the winner in this match will automatically be Yui Mi.

Yui Mi automatically managed to defend the seat she had.

The audience was astonished when they saw the strength of this older sister and Young sister, both of them were so powerful that even strong challengers like Tai Ji and Zhang Jingu were unable to beat them both.

It seemed from the start that the strongest participants in this competition were Yui Mui and Yui Mi, these two women always took the lead in front of the other participants.

The injured Tai Ji was immediately brought by people from Shaolin to be healed.

wounds were Tai Ji not severe, so Tai Ji was still as easy to heal as before.

The match between Tai Ji and Yui Mi is over, now is the time for the genius Mo Coun to show his fangs, whether Mo Coun will get one of the best three seats or he will remain in the fourth seat he currently has.

The audience was waiting to see who will be challenged by Mo Coun, Mo Coun whether will challenge Ye Chen, Yui Mui or Yui Mi.

Chapter 756 - Ye Chen Vs Mo Coun (1)

"Mo Coun now it's your turn, are you going to challenge one of the three people above you?" Shun Buzi asked Mo Coun if he would challenge one of the three participants who were above him.

The three participants who were above Shun Buzi were of course Ye Chen, Yui Mui and Yui Mi.

Mo Coun only had one chance, he had to choose which one of these three people he would challenge.

"I want to challenge the owner of the first seat." Mo Coun very loudly challenged Ye Chen, he wanted to take Ye Chen's first seat.

The first seat that Ye Chen had should be him, as the genius of the Gates of Eternity Sect, Mo Coun should be able to get the first seat.

If he failed to get the first seat then his genius reputation could be destroyed in the eyes of the seniors and elders within the Gates of Eternity Sect.

"Are you sure you want to challenge Ye Chen?" Shun Buzi asked Mo Coun back if he really wanted to fight Ye Chen.

After the battle that Ye Chen had previously shown, everyone in this place knew that Ye Chen was very strong enough.

If Ye Chen and Mo Coun fought, no one would know who would win this match.

"I've made up my mind that I have, I want the first seat that person has." Mo Coun told Shun Buzi that he wanted the first seat that Ye Chen had.

Whatever happens, Mo Coun should be able to get that seat even if he has to fight against Ye Chen who is quite strong.

Mo Coun had a few aces up his sleeve, he still had the confidence to win against Ye Chen.

"Ye Chen, do you want to dare to accept Mo Coun's challenge or do you refuse and admit your defeat." Shun Buzi asked Ye Chen.

"I will accept this challenge." Ye Chen immediately accepted Mo Coun's challenge .

"Very well, since both parties have agreed, then please both of you go up to the arena." Shun Buzi told Ye Chen and Mo Coun to go up to the arena.

Ye Chen and Mo Coun immediately went up to the top of the Arena, Ye Chen and Mo Coun stood on one side of the Arena, both of them were ready to fight at any time.

"Mo Coun do well, don't embarrass the name of the Gates of Eternity Sect." Hong Zim and Hong Yepu delivered voice telepathy to Mo Coun.

The two of them wanted Mo Coun to win this match so that the name of the Gates of Eternity Sect would not be tarnished.

Throughout the centuries the Gates of Eternity Sect has always won first place in this kind of competition, that's why if Mo Coun can't get first place in this competition, then it is certain that the reputation of the Gates of Eternity Sect will be tarnished.

The Gates of Eternity Sect is a force that is recognized as the most powerful in this Kunlun Holy Land, no one can beat the Gates of Eternity Sect in all aspects.

This was also what made everyone in the Kunlun Holy Land respect the Gates of Eternity Sect as an invincible force.

"Ready.. . . , Go "seeing that the two of them were ready to fight, Shun Buzi immediately started this match.

All the spectators were currently focusing their eyes on the arena, they wanted to see who would win this battle.

Is it Genius Mo Coun who will win or, this young man of unknown origins.

the audience was looking forward to the battle of the two, they couldn't wait to see what kind of battle

Mo Coun was about to show off as soon as he started the match, Mo Coun's body was immediately enveloped by a profound lightning which looked terrible.

When lightning enveloped Mo Coun's body, the sky area that was around the arena immediately turned black.

Dense black clouds began to envelop the sky around arena this.

The cultivation technique possessed by the Gates of Eternity Sect was indeed great, they could create a phenomenon like this very easily.

Mo Coun's hand started making strange movements, it seemed Mo Coun wanted to use a technique to attack Ye Chen.

"Thunder Rain Laws" Mo Coun's began to use the high ranking technique he possessed.

The lightning cloud above the sky began to be enveloped by flashes of lightning.

A flash of lightning began to flash with a very loud sound, this made the spectators below look up at the sky.

When the audience looked up at the sky, they saw that the black clouds were starting to fill with countless lightning strikes, these lightning strikes looked abnormal, this looked quite frightening for cultivators who had a cultivation base that was still quite low.

"Hooo, I don't think so that this guy will immediately use a high ranking technique." Zhang Shinyun did not expect that Mo Coun would immediately use a high ranking technique like this.

Even though the match had just started, it was unexpected that Mo Coun had already used the strongest technique he had to beat Ye Chen.

The Thunder Rain Laws technique can be said to be a problem-killing technique, if the use is strong enough and you are experienced in using the Thunder Rain Laws technique, this technique can have a fairly wide attack radius.

This technique could reach the enemy from a great distance away, Ye Chen looked up at the sky, he could see that Mo Coun intended to use a powerful technique against him.

Ye Chen had often fought with people from the Gates of Eternity Sect, he knew that the people from the Gates of Eternity Sect cultivated a fairly strong lightning element.

"Prepare to lose in this place." Mo Coun told Ye Chen that he would lose in this place.

"Fall down, Thunder Rain Laws." Mo Coun moved his finger down, as Mo Coun moved his finger down, thousands of flashes of lightning began to flash around where Ye Chen was currently standing.

"Boom.. . , Boom.. . , Boom.. . , Boom.. . , "Thousands of lightning hit Ye Chen's body and made an extremely violent explosion.

The viewers who were here were horrified when they saw the technique Mo Coun was using, the technique used by Mo Coun was even more terrifying than the one previously used by Yui Mi.

Lightning continued to flare endlessly around Ye Chen's body, the arena under Ye Chen began to tremble due to the impact of the repeated and extremely powerful thunder.

Yui Mi and Yui Mui saw the technique used by Mo Coun, the Thunder Rain Laws technique looked very powerful.

If the two of them received this attack without any protection, then it was certain that the two of them would suffer a terrible loss.

Yui Mi and Yui Mui analyzed the Mo Coun battle, they were both looking for a way to deal with Mo Coun.

"Hahaha, Mo Coun doing is very well, you are indeed a very reliable person." Hong Zim looked very happy when he saw Mo Coun signature using High technique to attack Ye Chen.

"Do you think, this attack succeeded in defeating that person?" Hong Yepu hesitated a little that this attack could defeat Ye Chen.

"Are you kidding, don't you know how powerful this Thunder Rain Laws technique is? This technique is one of the strongest techniques in our sect, there is no way someone can survive after receiving a technique this powerful." Hong Zim said to Hong Yepu.

Hong Zim knew very well how powerful this Thunder Rain Laws technique was, he himself also learned this technique and often used this technique to kill many of his enemies.

The enemies that Hong Zim had fought mostly died after receiving this powerful technique, some of the lucky ones were even dying after receiving this Thunder Rain Laws technique.

Chapter 757 - Ye Chen Vs Mo Coun (2)

The lightning strikes continuously rained down on the area around Ye Chen, the lightning strikes showed no sign of stopping around Ye Chen's body.

The people in this place could no longer see what was going on at the moment, the area around Ye Chen's body was filled with pitch black smoke, this made everyone's vision very limited.

All of these people knew whether Ye Chen was able to survive or not from the thunderbolt that came from Mo Coun.

After approximately 3 minutes had passed, finally the lightning strikes began to subside, Mo Coun began to stop showering Ye Chen with lightning strikes.

Mo Coun had used up quite a lot of Profound Energy to launch the attack just now, now there wasn't much Profound Energy left in Mo Coun's body.

The black smoke that enveloped Ye Chen's body began to dissipate, everyone was currently focusing the vision he had on the place where Ye Chen was standing.

Everyone wanted to see whether Ye Chen was alive or dead after receiving that many lightning strikes.

After the black smoke disappeared, a figure began to appear slightly within this smoke.

When the smoke had completely disappeared, everyone could see what kind of figure was behind the smoke.

The figure behind the smoke is Ye Chen, Ye Chen's current condition is still very, very good, not the slightest trace of damage can be found on Ye Chen's body.

It seemed like Ye Chen didn't receive a lightning strike on his body.

"What !!!" Hong Zim was shocked when he saw Ye Chen was unharmed after receiving such a continuous lightning attack.

He couldn't believe that the Thunder Rain Laws couldn't scratch even a bit of Ye Chen's body.

This is completely beyond Hong's reasoning Zim, Hong Zim doesn't know how Ye Chen can survive such a large amount of lightning strikes.

Previously Ye Chen made a barrier around his body, because of this Ye Chen's clothes were not scratched when he received Mo's lightning attack Coun.

"You, what kind of creature are you?" Mo Coun couldn't understand how Ye Chen wasn't injured after receiving his attack just now.

"Are you blind, I am clearly human, what do you think I am?", Ye Chen said to Mo Coun.

Mo Coun could only grit his teeth when he heard Ye Chen's words.

This man really annoyed for him, Mo Coun felt that he was being seemed to underestimated by Ye Chen, he have no pride when fighting Ye Chen.

"Is this all you can do, if this is all you can do, let's end this as soon as possible" said Ye Chen to Mo Coun.

Ye Chen wanted to end this match as fast as he could, he wanted to immediately win this competition to get reward From Zhang Shiyun.

"You bastard, you dare underestimate me, just watch, I'll definitely kill you." Mo Coun was already very angry with Ye Chen, he wanted to kill Ye Chen to vent the anger he had.

Mo Coun began to return to combat mode, Mo Coun's body was again enveloped in profound lightning.

Mo Coun's profound energy was left with very little, with a little profound energy left, he still had time to force himself to fight against Ye Chen.

Mo Coun started to gather the profound energy in his hands, it seemed he intended to use this one strike to defeat Ye Chen.

"Lightning Hammer Fist" Mo Coun's hand became a lightning hammer, this Lightning Hammer Fist technique was quite a powerful technique, only special people could learn this technique.

Ye Chen saw what Mo Coun was doing at the moment, Mo Coun this time used the Lightning Hammer Fist technique.

Ye Chen has often seen the enemies of the Gates of Eternity Sect use this technique, it seems that this is a powerful attack technique possessed by the Gates of Eternity Sect.

"die." Using a flash step, Mo Coun started attacking Ye Chen.

"Let's see who will die." Ye Chen this time will not remain motionless anymore, he will fight Mo Coun seriously.

"Breaking Meteor Blow" Ye Chen used the Breaking Meteor Blow to respond to the Lightning Hammer Fist used by Mo Coun.

Ye Chen directed the Breaking Meteor Blow towards the coming of the Lightning Hammer Fist.

"Bam", Ye Chen's fist and Mo Coun's fist started colliding with each other.

When Mo's attack Coun hit the Breaking Meteor Blow, Mo Coun felt a terrible pain all over his body.

Mo Coun felt that he had just been hit by an object that was very strong and very hard.

Mo Coun's body immediately flew out of the arena, Mo Coun's body crashing into a barrier wall very hard.

The barrier wall which was quite sturdy was cracked by the impact from Mo Coun's body.

"Uh.. ." the audience saw that it must be very painful, Mo Coun must have been in a lot of pain when he hit the wall with such a hard way.

After crashing into the wall of Mo Coun's body now lying on the floor, blood gushed quite profusely from various parts of Mo Coun's body.

From here it can be seen that the wounds suffered by Mo Coun were quite severe.

Seeing Mo Coun who was badly injured, Hong Zim and Hong Yepu immediately went to see how he was.

They were both very quickly to the side of the body of Mo Coun, Hong Zim and Hong Yepu began to examine the state of Mo Coun.

When Hong Zim and Hong Yepu examine the state of Mo Coun, they found that the meridians in the Mo Coun body is quite badly damaged.

The two of them feared that it would be difficult enough to heal Mo Coun in the future.

"Hey Brat, how dare you hurt a Gates of Eternity Sect disciple this much." Hong Zim immediately said to Ye Chen who was on top of the arena.

"Huh ?, wasn't it your man who wanted to kill me, I'm just defending myself, so if he gets hurt don't blame me" Ye Chen very easily answered Hong Zim's words.

Ye Chen showed an innocent face when he said this, the Gates of Eternity Sect was his enemy, so it didn't matter if Ye Chen offended the people of the Gates of Eternity Sect.

"You.. . , how dare you say that, are you not afraid of our wrath? ", Ye Chen's answer made Hong Zim feel really annoyed, he felt like he wanted to beat up and turn this person into a vegetable.

"Why am I afraid of you, nothing can scare me in this world" Ye Chen very loudly answered the words of Hong Zim.

Ye Chen has never been afraid of the Gates of Eternity Sect, he will never back down when he gets a threat from his enemy.

Ye Chen was the person who didn't like to receive threats especially if it was a threat from the enemy.

"You.. . ., You.. . ., You.. . ., how presumptuous you are to you "Hong Zim said while pointing at Ye Chen.

Hong Zim didn't expect that Ye Chen would be so presumptuous to himself, Ye Chen wasn't even afraid when he got a threat from the Gates of Eternity Sect.

In this Kunlun Holy Land, indeed, who would dare to oppose the Gates of Eternity Sect, no one would dare to oppose the Gates of Eternity Sect,.

There will be a result if you dare to oppose the Gates of Eternity Sect, which is bad luck.

Hong Zim started to use his own power to suppress Ye Chen, Hong Zim must make this man feel the consequences for having dared to oppose the Gates of Eternity Sect.

The pressure that Hong Zim exuded was like a bluff to Ye Chen, Ye Chen was completely unfazed by the pressure Hong Zim was exerting.

Chapter 758 - Forced The People From The Gates Of Eternity Sect Out

The audience saw that the situation was getting more and more chaotic, they couldn't believe that this young man named Ye Chen was challenging Hong Zim who was a high ranking elder in the Gates of Eternity Sect.

"Hong Zim, stop bullying this Queen's person." Seeing Hong Zim starting to intimidate Ye Chen, Zhang Shiyun couldn't help but step in again to help Ye Chen.

In this place, except for Zhang Shiyun, there was no one else who dared to rebuke Hong Zim, only Zhang Shiyun was the only one who dared to rebuke Hong Zim.

Zhang Shiyun started having headaches when Ye Chen made another unnecessary trouble, this little man was really too brave even in front of a great power like the Gates of Eternity Sect.

"Queen Zhang, this person of yours is very presumptuous, I hope you can educate your people to appreciate our Gates of Eternity Sect even more." Hong Zim told Zhang Shiyun to educate Ye Chen to respect the Gates of Eternity Sect.

"Since when did you have the power to rule this Queen?" Zhang Shiyun looked angry, when she saw Hong Zim was so presumptuous in front of her.

As a Queen, no one should rule Zhang Shiyun, let alone this is still in front of her own people, this could embarrass Zhang Shiyun.

If Zhang Shiyun was afraid of the snapping coming from the Gates of Eternity Sect, how could Zhang Shiyun lead this kingdom as a Queen, he would definitely not be trusted by his own people if he was afraid of the Gates of Eternity Sect.

"I do not have the power to rule you, but I just want to tell you that your person has gone too far to our disciple, if he becomes disabled it will be a loss for us" said Hong Zim to Zhang Shiyun.

"Hong Zim, have you forgotten that in the past people from your sect had also injured one of the participants from the royal family to become permanently injured, has in the past this Queen ever blamed your Gates of Eternity Sect for that?" Zhang Shiyun began to remind Hong Zim about the incident several decades ago when a participant who came from the royal family was disabled by one of the disciples from the Gates of Eternity Sect.

Hong Zim of course still clearly remembers the incident a few decades ago when a disciple from the Gates of Eternity Sect paralyzed one of the participants from the royal family.

"If you still remember the incident at that time, did this Queen ever do what you are doing right now?, This Queen knows that in battle this kind of thing can happen, so this Queen can accept the consequences of a competition." Zhang Shiyun said to Hong Zim who is in front of her.

Zhang Shiyun very skillfully told Hong Zim, Zhang Shiyun used past events to solve this problem.

Hong Zim fell silent when he heard what Zhang Shiyun had just said.

This woman is very clever, she uses the events of the past to avenge what is now happening.

"If you can't accept your disciple being defeated like this, it is better that in the future the Gates of Eternity Sect doesn't have to participate in competitions like this again." Zhang Shiyun did not miss this golden opportunity to corner Hong Zim.

Now Hong Zim will definitely find it difficult to find an excuse for this incident.

"Queen Zhang, we should just forget about this matter, what you said earlier is true, in battle things like this are common, that's why we can only blame Mo Coun the incompetent." Seeing the situation getting more and more out of control, Hong Yepu was Act to must step in and help Hong Zim solve this problem.

For now, it is inevitable that he and Hong Zim must accept the results of what is happening right now, if they continue with this then the Gates of Eternity Sect will definitely lose even more faces in public.

As the sect leader Hong Man said, Zhang Shiyun is a very terrible woman, this woman is too smart and cunning to deal with, if this matter continues then it is certain that Hong Zim will suffer even more defeats.

"Mr. Hong Yepu, you are much wiser than your comrades, I am glad that you are willing to accept this result gracefully, you should immediately treat Mo Coun that injured, otherwise his injuries will get worse." Zhang Shiyun made a triumphant smiles towards Hong Zim and Hong Yepu.

Hong Zim and Hong Yepu could only grit their teeth when they heard Zhang Shiyun's words.

"Then we'll leave first." In order not to lose more faces, Hong Zim and Hong Yepu decided to take Mo Coun and all the disciples from the Gates of Eternity Sect to leave this place.

For the first time ever, the people from the Gates of Eternity Sect did not gain anything in this competition.

They had to settle for returning empty-handed and some of the humiliation they received today.

Hong Zim and Hong Yepu will definitely remember this humiliation, it won't be long before the two of them will definitely repay Zhang Shiyun's humiliation.

After Shen Ao and Shen Fuma left this place, now it was the turn of the Gates of Eternity Sect to leave this place.

The audience could only see the people departing from the Gates of Eternity Sect.

Inevitably Xing Mei had to follow the people from the Gates of Eternity Sect to leave this place.

Xing Mei was actually very lazy to join the group of people from the Gates of Eternity Sect, but because she was in disguise, she couldn't help but have to come with these people.

Ye Chen looked at Zhang Shiyun, this woman is so terrifying, with just a few words, this woman can easily drive the Gates of Eternity Sect from this place.

Seeing Ye Chen staring at herself, Zhang Shiyun immediately replied to Ye Chen with a gentle gaze.

After the people of the Gates of Eternity Sect, the competition can resume, now only need to determine the first winner in this match.

Everyone was waiting whether Yui Mui and Yui Mi would challenge Ye Chen or not.

"Older sister, this man is stronger than we thought, if we fight with strength it is certain that we will lose." Yui Mi said to Yui Mui about Ye Chen's abilities.

"Young sister, you are absolutely right, this man is very strong, we can't win if we use force, we inevitably have to make this person want to give up voluntarily to us." Yui Mui began planning a way to deal with Ye Chen.

"How?" Yui Mi asked how Yui Mui got Ye Chen to give up voluntarily to the two of them.

"Do you want when we are still in pagoda, this man is clearly trying to get close and teasing both of us, I'm sure that men must be easy to seduce, we just need to use the Charm we have to make him submit" Yui Mui began to tell how to deal with Ye Chen.

"Older sister, that's a very good idea, let's use the idea you have." Yui Mi very quickly agreed with the idea proposed by Yui Mui.

"Fufufu" Yui Mui and Yui Mi laughed at the thought that the two of them could control Ye Chen using the charms they had.

These two women turned out to be discussing how to deal with Ye Chen, both of them really wanted to try to deal with Ye Chen how to seduce Ye Chen.

Chapter 759 - Teasing From Yui Mui And Yui Mi

"Now only the two of you are left, do you want to challenge each other or do you want to challenge Ye Chen?" Shun Buzi asked Yui Mui and Yui Mi if they would fight each other or they would challenge Ye Chen.

"The two of us of course will challenge Ye Chen" Yui Mui replied that she and Yui Mi would challenge Ye Chen.

"Fine, if you two want to challenge Ye Chen." Shun Buzi nodded at Yui Mui and Yui Mi.

"Ye Chen, these two women want to challenge you, which one will you accept first?" Shun Buzi asked which one would be accepted by Ye Chen first, whether Ye Chen would accept a challenge from Yui Mui or Yui Mi.

"To speed things up, why don't you just fight me together" Ye Chen didn't want to waste time, he wanted to end this competition as soon as possible.

"You really are a very brave man, if you really want to fight both of us at the same time, how can we both refuse it" Yui Mui looked very happy when she heard Ye Chen say this.

If she and Yui Mi joined hands to tease Ye Chen, the chance for the two of them to control Ye Chen would be even higher.

"Since you have decided, then you can go straight to the top of the arena to start it." Shun Buzi told Ye Chen, Yui Mui and Yui Mi to go up on the arena to start the match.

Ye Chen, Yui Mui and Yui Mi immediately got up from their seats, the three of them immediately went to the top of the arena to start the battle.

"Handsome, please be a little gentler towards the two of us, we are girls so please give in to us a little" Before starting battle. Yui Mui didn't forget to tease Ye Chen.

Yui Mui spoke very softly to Ye Chen.

Yui Mui is an expert at flirting with men it is not difficult for Yui Mui to flirt with men using the gentle voice she has.

"Hehehe, I'll try to be gentle with beauties like you." Ye Chen felt a little happy when he saw what Yui Mui was trying to do to him.

This woman tries to seduce himself by using the charm she has.

If only ordinary men heard Yui Mui's soft and seductive voice, they would definitely feel hot and become excited.

"Thank you very much." Yui Mui smiled at Ye Chen, the smile Yui Mui made was so charming, this woman is indeed a very seductive woman.

On the other side, Yui Mi looks silent, unlike Yui Mui who is very seductive and very coquettish, Yui Mi is a little more quiet, it seems Yui Mi is not as brave as her older sister when it comes to flirting with man.

Actually, Yui Mi's flirting skills were no worse than Yui Mui's, it's just that this time Yui Mi let her older sister tease Ye Chen first by using charms.

The viewers, especially men, feel uncomfortable when they see what Yui Mui is doing at this time, this woman is so seductive, this woman's charm can easily make men excited and excited.

Shun Buzi didn't care about the conversation that Ye Chen and Yui Mui were having, all Shun Buzi needed to do right now was just to be a judge in this battle.

"You three get ready, the battle will start soon" Shun Buzi told Ye Chen, Yui Mui and Yui Mi that the match was about to start.

Since the match was about to start, Ye Chen and Yui Mui had to stop teasing each other.

Ye Chen, Yui Mui and Yui Mi nodded at Shun Buzi, the three of them were ready whenever Shun Buzi started this match.

"Ready.. ., Go.. ." Shun Buzi immediately started the battle between Ye Chen and Yui Mui and Yui Mi.

Unlike the previous match, Yui Mui and Yui Mi did not directly attack Ye Chen, they looked more relaxed when fighting Ye Chen.

On the other side, Ye Chen also didn't look like he wanted to attack Yui Mui and Yui Mi, Ye Chen was currently waiting for these two women to attack him.

"Young Sister, hurry up and create a barrier around this arena." Yui Mui told Yui Mi to create a barrier around this place.

"Okay, I'll do it right away." Yui Mi nodded at Yui Mui.

"Solid Wind Wall Barrier" Yui Mi started to create a very thick wind barrier around here.

The wind barrier Yui Mui made was extremely thick, it was like a wall blocking the audience view.

The audience in this place could no longer see what was going on above this arena because the wind barrier created by Yui Mi blocked their vision.

Because of this incident, people became very curious about what was going on inside this barrier, they wanted to see what Ye Chen, Yui Mui and Yui Mi were doing inside this wind barrier.

Meanwhile inside the Solid Wind Wall Barrier.

Ye Chen started to look around himself, he saw that around the arena there was now a thick wall made of wind.

Judging from the size and thickness of this wind, this wall must be very strong and difficult for someone to penetrate from within or from outside.

Ye Chen didn't know why Yui Mi had created a barrier while he was currently in it as well, they should have created this barrier only around themselves.

After creating a barrier around this place, it was time for Yui Mui and Yui Mi to do what they needed to do now.

Yui Mui and Yui Mi began to slightly put down the ancient white clothes they were currently wearing.

When they slightly lowered the clothes they had, Ye Chen could see Yui Mui and Yui Mi's perfect jade skin.

Yui Mui and Yui Mi's skin looks quite flawless, plus there is a special attraction when one sees Yui Mui and Yui Mi's skin.

In addition, these two women showed a gap between two large mountains which was very seductive, a man could not stand to see the scene that Yui Mui and Yui Mi were showing to Ye Chen.

"Handsome, aren't we both pretty and seductive, don't you want to play a little with the two of us?" Yui Mui invited Ye Chen to do something fun together at this place.

"brother, don't be quiet, come here quickly and let's have a little fun" Yui Mi also didn't want to lose, she also invited Ye Chen to do fun things together.

When Yui Mui and Yui Mi invited Ye Chen, these two women didn't forget to use their charms to lure Ye Chen into coming towards them.

Under the wind barrier created by Yui Mi at this time, no one outside could see what they were doing at the moment.

Ye Chen finally understood what Yui Mui and Yui Mi wanted, it turned out that these two women wanted to seduce him by using their charms.

It seemed that Yui Mui and Yui Mi wanted to use their charms to charm and confuse Ye Chen.

The two of them wanted Ye Chen to back down and give up the first seat position voluntarily without resorting to violence.

Ye Chen smiled wickedly when he saw this, it seemed like he could play around with Yui Mui and Yui Mi a little in this place.

Ye Chen couldn't wait to let these two women know who he really was.

Chapter 760 - Ye Chen Showed Yui Mui And Yui Mi His Skills

"Are you serious about what you just said?" Ye Chen looked very excited when he heard what Yui Mui and Yui Mi had just said.

"Of course we mean it, come here and let us show the sincerity that we previously said" Yui Mui used the index juice she had to invite Ye Chen headed her way.

As Yui Mui expected, Ye Chen looked quite easy to be tricked by the charm they both had, it seemed this handsome man was just a Playboy who was easy to deal with.

Ye Chen had just eaten the bait given by Yui Mui and Yui Mi, now Yui Mui and Yui Mi needed to do was completely control Ye Chen's mind by using their charms.

It seemed that the two of them would be able to very easily get Ye Chen's first seat.

Ye Chen didn't waste the time he had, he immediately went over to Yui Mui and Yui Mi's side which was not far from him.

Ye Chen shamelessly embraced Yui Mui and Yui Mi's snake waists.

what Ye Chen was doing right now made Yui Mi and Yui Mui surprised, they both didn't expect that Ye Chen would be so brave.

"Wow, you two have very good bodies, surely you Two do a lot of maintenance to keep your bodies looking good" Ye Chen started touching some parts of Yui Mui and Yui Mi's body, he started to try a little what the taste had by Yui Mui and Yui Mi.

As expected of the woman from the Spring Palace, the woman from the Spring Palace had an extremely Sexy and Seductive body.

"Fufufufu, we really take care of our bodies very well, do you want to try a little" Yui Mui very boldly offered this kind of thing to Ye Chen.

Yui Mui is getting more and more confident in controlling Ye Chen, as Yui Mui thought, Ye Chen looks like a Playboy who is easy to handle.

"Alright, let me try it." Ye Chen started to stretch out his evil claws towards Yui Mui and Yui Mi's body, he began to show the skills he had in satisfying a woman.

This time Ye Chen no longer held back, he immediately used the king's heart technique to make Yui Mui and Yui Mi feel a feeling of ecstasy that was driving the two of them crazy.

when touched by Ye Chen, Yui Mui and Yui Mi felt a strange feeling in their bodies, they both began to feel a very good feeling.

This kind of feeling had never been felt by Yui Mui and Yui Mi in this life.

Yui Mui and Yui Mi's bodies in Ye Chen's hands became very weak, both of them felt that the strength in their bodies disappeared in an instant.

Yui Mui and Yui Mi didn't know why their bodies had become like this, they suddenly became excited and hot.

"You, what are you doing to both of us" Yui Mi asked Ye Chen.

Yui Mui immediately realized that her body had become very strange when Ye Chen started touching her, Yui Mui began to suspect that the cause of their bodies had become strange because of Ye Chen's actions.

"I didn't do anything to you, I was just touching you" Ye Chen showed an evil smile to Yui Mui and Yui Mi who were currently in his hands.

Ye Chen is a little happy when he can make women like Yui Mui and Yui Mi in this condition, these two seducers now know that they are looking for trouble with the wrong enemy.

"Quickly get off the two of us" Yui Mi tried to break away from Ye Chen's grip, unfortunately she was currently so weak that she was unable to break away from Ye Chen.

On the one hand Yui Mui also started pushing Ye Chen away, she started to feel a dangerous feeling when she was around Ye Chen.

"Why do you two want to get away from me, didn't you want to play with me before, let's enjoy this a little bit." Ye Chen couldn't possibly let these two women be free before they both learned an unforgettable lesson in their lives.

Yui Mui and Yui Mi often play with a man until they are death, now it's their turn to feel being teased by Ye Chen until they both feel helpless.

"You two get ready, soon you will feel something that you will never forget in your life" Ye Chen told Yui Mui and Yui Mi to get ready, soon the real event will begin.

"What do you want to do to both of us" Yui Mui and Yui Mi looked panicked when they heard what Ye Chen just said, both of them felt a very bad feeling when they heard this from Ye Chen.

"You don't have to worry like that, soon both of you will know what I'm going to do." Ye Chen told Yui Mui and Yui Mi not to panic.

It's quite fun to see the faces of the two Sexy and seductive women who are currently looking panicked.

Time for Ye Chen to give a special massage to these two women, Ye Chen started moving his fingers around Yui Mui and Yui Mi's bodies.

"Ahhh... . ." Yui Mui and Yui Mi groaned simultaneously when they felt Ye Chen's extremely good hand technique.

Yui Mui and Yui Mi's bodies trembled when they sensed Ye Chen's extraordinarily good technique.

Yui Mui and Yui Mi felt a very extraordinary feeling in their entire body, both of them felt that they were both in the seventh level of heaven.

The feeling that Ye Chen's hand skill gave was simply excellent, these two women had never felt this kind of feeling even in their lives.

In just a matter of seconds, a veteran woman like Yui Mui and Yui Mi was forced to reach the peak by Ye Chen, the two of them felt a feeling that words could no longer describe.
