

A True God 761

### **Chapter 761 - Ye Chen Win In The Martial Arts Competition**

The viewers outside were quite disappointed when they found out that they couldn't see what was happening between Ye Chen, Yui Mui and Yui Mi.

Even though these people are looking forward to the upcoming battle between Ye Chen and Yui Mui and Yui Mi.

When people feel disappointed because they can't see what's going on.

Suddenly the wind barrier wall that was around the arena collapsed and disappeared.

When the wind barrier collapsed, all the spectators were finally able to see the figures of Ye Chen, Yui Mui and Yui Mi very clearly.

When they looked at the arena, everyone was shocked when they saw Yui Mui and Yui Mi lying on the floor of the arena, currently both of them looked unconscious.

Yui Mui and Yui Mi's appearance looked a little strange, their faces were flushed red and their bodies also looked sweaty.

The audience does not know what really happened, how could the conditions for Yui Mui and Yui Mi be like this.

The two of them looked like they had just done something very heavy, it could be seen from the bodies of Yui Mui and Yui Mi who were now sweating.

People started to wonder what really happened when the three of them were inside the barrier.

Everyone was really very curious about this, their curiosity about this was very strong.

Zhao Yanyan, Nanhua Caiyi and Zhang Shiyun looked at Yui Mui and Yui Mi who were currently lying on the floor with a satisfied expression, from the expressions they both showed, it was most likely that Ye Chen did something mean to these two women just now.

Zhao Yanyan, Nanhua Caiyi and Zhang Shiyun knew very well what Ye Chen's skills were in that field, no woman could endure when it came to Ye Chen's temptation skills.

All the women from the Spring Palace were quite surprised when they saw Yui Mui and Yui Mi be defeated by Ye Chen in this way, they did not expect that two women who were students of mistress would be defeated by Ye Chen so easily.

Shun Buzi immediately saw the condition of Yui Mui and Yui Mi, when he checked the condition of the two of them, Shun Buzi found that Yui Mui and Yui Mi were only unconscious, there was no wound on the bodies of these two women.

"Yui Mui and Yui Mi from Spring Palace have passed out, the winner of this match is Ye Chen." Shun Buzi announced that the winner of this match was Ye Chen.

With this, Ye Chen would automatically become the first winner in this competition.

" applause.. . , applause.. . , applause.. . , "Zhang Shiyun was the first to applaud when she learned of the results Ye Chen had obtained.

When Zhang Shiyun started clapping, the viewers who were here followed what Zhang Shiyun was doing, they started clapping their hands for the victory that Ye Chen had.

Most of the people still didn't believe in the results of this competition, they didn't expect that the royal family that usually got last place would suddenly be able to get first place.

This is really very amazing, all thanks to a man named Ye Chen, he suddenly turned the defeat field into a victory battlefield for the royal family.

Wu Ping was very proud when he saw Ye Chen get the first place in this competition, it seems that his granddaughter was not wrong in choosing a competent man like Ye Chen.

With Ye Chen winning this competition, surely Ye Chen's future will be very bright.

Most likely the royal family will recruit Ye Chen to join them as a part of them.

Ye Chen's talent is quite great, surely in the future there will be many people who are eyeing Ye Chen to join their side.

"Ye Chen come with me" Shun Buzi invited Ye Chen to come with him.

Ye Chen followed Shun Buzi, Ye Chen wanted to know where Shun Buzi was going to take him.

Shun Buzi invited Ye Chen to go in front of Zhang Shiyun, the handover of prizes would not be done by Shun Buzi, the person who would hand over the prize for this competition was Zhang Shiyun.

"Ye Chen, come here." Zhang Shiyun told Ye Chen to come towards her.

Ye Chen started advancing further towards Zhang Shiyun, after being approximately 1 meter away from Zhang Shiyun, Ye Chen finally stopped.

Now Ye Chen is very close to Zhang Shiyun, the distance between the two of them is only 1 meter.

Zhang Shiyun smiled gently at Ye Chen, Zhang Shiyun was very satisfied with the results obtained by Ye Chen.

The results that Ye Chen had succeeded in exceeding the expectations of Zhang Shiyun.

"Congratulations because you have become the winner in this competition, this is the prize you have got for winning the competition and the prize belongs to all the enemies you previously fought" Zhang Shiyun told Ye Chen that Ye Chen would get a fair amount of prizes.

"Quickly you all bring Ye Chen's gift here." Zhang Shiyun ordered the maids to immediately bring Ye Chen's gift.

The palace maids immediately went to bring Ye Chen's gifts, there were more than dozens of palace maids who came to bring the gifts Ye Chen got.

Most of these prizes came from people who were previously defeated by Ye Chen, according to the rules of everyone who loses while challenging, the prize will belong to the winner.

All the maids immediately put all the gift packages in front of Ye Chen, after putting all the gift packages in front of Ye Chen, all the maids went back to where they should have been to wait for Zhang Shiyun's next order.

"These are all the prizes you managed to get, congratulations on your victory, you are now the best generation in this century" Zhang Shiyun congratulated Ye Chen for the victory he managed to get.

"applause. . . , applause. . . , applause. . . " Everyone immediately clapped towards Ye Chen and Zhang Shiyun.

"That, how about the special gift that you promised beforehand? " Ye Chen asked Zhang Shiyun about the special gift she had previously promised himself.

"Fufufu, I will give it later, meet me alone tonight" Zhang Shiyun told Ye Chen to meet her later tonight.

the words spoken by Zhang Shiyun at this time can make someone misunderstand including Ye Chen, why did Zhang Shiyun want Ye Chen to wait until nightfall to give that special gift, actually what kind of surprise is Zhang Shiyun preparing to Ye Chen.

Ye Chen became very curious about this.

After giving Ye Chen a gift, Zhang Shiyun gave a short closing speech.

After officially closing the competition, Zhang Shiyun left this place, Zhang Shiyun returned to the royal palace.

After Zhang Shiyun's departure, the entertainment program was still continuing, everyone could still enjoy the celebration to their heart's content.

Ye Chen was suddenly surrounded by many strangers who didn't know where they came from, these foreigners were trying to get close to Ye Chen and have a relationship with Ye Chen.

Some of these people even started offering Ye Chen to marry their daughter.

as a winner in this competition, there will be many benefits that Ye Chen can get in the future, it's no wonder that many people have started trying to get close and have a relationship with Ye Chen.

Some even tried to recruit Ye Chen into the family by offering a family member who was beautiful enough for Ye Chen to marry.

Ye Chen looked helpless about this, he felt dizzy when he saw these people suddenly surrounded him like this.

### **Chapter 762 - Fireworks Display**

"All of you please don't bother Ye Chen, he is the son-in-law of the Wu family." Wu Ping came and tried to drive away the people who were bothering Ye Chen.

These people were shocked when they found out that Ye Chen had a relationship with the Wu Clan, it was unexpected that Ye Chen had a relationship with the Wu Clan.

No wonder Ye Chen can participate in this competition, it turns out that behind Ye Chen is Wu Ping, surely Wu Ping is the person who recommended Ye Chen to take part in this competition.

"Husband, that was really very extraordinary, you did so very well." Zhao Yanyan suddenly came and embraced Ye Chen's body intimately.

Zhao Yanyan wanted to tell this person that Ye Chen already had a relationship with her, that's why Zhao Yanyan wanted these people to leave Ye Chen.

Here Zhao Yanyan is seen helping Ye Chen to drive away people who try to offer Ye Chen marriage.

The people who previously wanted to be matchmakers were now speechless, they didn't expect that Ye Chen already had such a beautiful woman like Zhao Yanyan.

Zhao Yanyan looked very beautiful like a goddess who descended from the sky, an ordinary woman couldn't be compared to Zhao Yanyan.

Seeing that Ye Chen already had a very beautiful woman like Zhao Yanyan, their chance to get Ye Chen by marriage would probably be useless.

Zhao Yanyan immediately dragged Ye Chen away from this place, she immediately secured Ye Chen from the people who tried to disturb Ye Chen.

Ye Chen was taken away by Zhao Yanyan to a safe place, here these people would not dare to bother Ye Chen.

" husband ,here is safe enough, no one is safe to bother you in this place." Zhao Yanyan told Ye Chen that this was the safest place.

"Wife, thank you very much, you have helped me from those people" Ye Chen is very grateful to Zhao Yanyan for helping him.

"You don't need to be grateful, it is the duty of a wife to help her husband." Zhao Yanyan smiled at Ye Chen.

Ye Chen was very lucky because he was given a woman like Zhao Yanyan who was so understanding towards him.

"Husband, what did you do to Yui Mui and Yui Mi before while inside the barrier?" Zhao Yanyan wanted to know what Ye Chen was doing to Yui Mui and Yui Mi while inside the barrier.

"Hehehe, I was just playing a little with the two women, after all the two women were very brave in teasing me." Ye Chen told Zhao Yanyan that he was playing a little with Yui Mui and Yui Mi.

"You really are very naughty, those two women will definitely no longer dare to find trouble with you" Zhang Yanyan giggled when listening to the story that Ye Chen just said.

"Hehehe, I hope so, women from Spring Palace are indeed quite seductive, it is not strange if they are said to be able to suck men dry like corpses" said Ye Chen to Ye Chen.

"Looks like things like that don't apply to you, Husband, having a special body that is very special, it would be strange if a woman can suck you dry." Zhao Yanyan giggled again at Ye Chen.

Ye Chen has an ancient (Yang) body, it would be strange if there was a woman who could suck Ye Chen dry, Ye Chen's Yangqi essence was too much, it was quite difficult for a woman who cultivated a Dual Cultivation technique to suck Ye Chen dry like a corpse.

In addition, now that Ye Chen had almost completely fused with the Azure Dragon Bone Marrow, now that the amount of essence was Yangqi Ye Chen's far greater than before, the average woman would definitely not be able to fight Ye Chen alone.

Zhao Yanyan spent their time in this lonely place alone, in this place no one could interfere with the two of them doing what they wanted.

Ye Chen and Zhao Yanyan enjoyed relaxing time together, it was rare for Ye Chen and Zhao Yanyan to relax like this.

It was getting dark, some fireworks started to be lit to celebrate the founding of the royal family.

All corners of the royal capital were in joy, everyone was feeling happy and delighted by this massive celebration.

Ye Chen and Zhao Yanyan were enjoying the fireworks in the night sky, the fireworks that were being displayed right now were much more beautiful than those in the mortal world.

Most likely this was because the maker of these fireworks was a cultivator, so it wouldn't be strange that it looked really good and beautiful.

"This is so beautiful." Zhao Yanyan admired the fire show which was so beautiful, she felt that this fire show was truly extraordinary.

Ye Chen took the opportunity to hug Zhao Yanyan's body, Ye Chen began to embrace Zhao Yanyan into his embrace.

Zhao Yanyan didn't fight back when she saw what Ye Chen was doing, she was very obedient as she entered Ye Chen's warm embrace.

"Yanyan." Ye Chen started calling Zhao Yanyan.

"Um?" Zhao Yanyan turned her face away, she started to look at Ye Chen.

At this time the two of them looked at each other, without them both knowing that their lips began to get closer to each other.

Moments later Ye Chen and Zhao Yanyan's lips intertwined with each other, the two of them began to make a passionate kiss.

Since there were no people in this place, Ye Chen and Zhao Yanyan were no longer holding back, the two of them were making a passionate kiss in a quiet place like this.

Time began to pass very quickly, until now Ye Chen Zhao Yanyan was still making a passionate kiss.

The two of them were really sticky like a glue that couldn't be removed.

"Ehemmm" When Ye Chen and Zhao Yanyan were quite engrossed in kissing, suddenly from behind came the voice of someone who was lightly coughing.

Ye Chen and Zhao Yanyan immediately rushed away from each other, the two of them looked back to find out who would dare to interfere with the fun they were doing.

When Ye Chen and Zhao Yanyan looked back, the two of them saw the figure of a glamorous MILF woman, it was obvious that this was Ye Xiu.

At this moment Ye Xiu's face turned slightly red, this was because she had just seen what Ye Chen and Zhao Yanyan had just done.

For Ye Xiu something like this was still a little embarrassing for a virgin MILF like herself.

Even though Ye Xiu had been with Ye Chen for quite a long time, Ye Xiu should have often seen what Ye Chen was doing together with all of his wives.

To be honest, Ye Xiu was never interested in what Ye Chen and all of his wives were doing, whenever Ye Chen did something like that with all of his wives, Ye Xiu always closed her eyes and ears so that she didn't see and hear what Ye Chen was doing.

So it wasn't strange that Ye Xiu felt embarrassed when she saw what Ye Chen and Zhao Yanyan had just done.

"Little Xiu, why are you here?" Ye Chen immediately asked why Ye Xiu came here.

"That, Uncle Wu is looking for you, he said that now there is a celebration party at the Wu Clan manor, he wants you both to return to the Wu Clan manor." Ye Xiu told Ye Chen and Zhao Yanyan about the reason he was looking for both of them.

"Oh so grandpa is looking for both of us, husband, let's go back" Zhao Yanyan invited Ye Chen to return with herself to the Wu Clan manor.

"You can go back first together with Xiu, I want to meet Queen to discuss the reward that was previously promised to me" Ye Chen told Zhao Yanyan to go together with Ye Xiu back to the Wu Clan Manor.

Ye Chen himself had to meet Zhang Shiyun to take the Ginseng of life edge.

Ye Chen had to immediately get the Ginseng of life edge so that he could quickly make the Divine Awakening Pill for Zhao Yanyan.

"If you still have unfinished business, then I'll come back together with Sister Xiu." Seeing that Ye Chen still had unfinished problems with Zhang Shiyun, Zhao Yanyan could only let Ye Chen solve the problems he had.

### **Chapter 763 - A Special Reward From Zhang Shiyun**

Ye Chen nodded to Zhao Yanyan, Ye Chen was happy that Zhao Yanyan could understand himself by breeding.

"Little Xiu, make sure you take good care of Yanyan, just watch out if anything happens to Yanyan." Ye Chen warned Ye Xiu to protect Zhao Yanyan well.

in Kunlun Holy Land was quite a dangerous place, there were countless people here who could harm Zhao Yanyan.

With Zhao Yanyan appearance like goddess, there would definitely be a lot of people eyeing Zhao Yanyan, there is an old saying that a woman's beauty can sometimes cause problems for themselves.

because of this Ye Chen didn't want anything bad to happen to Zhao Yanyan in a place like this.

"You don't underestimate me, I am a woman who is quite strong, there are only a few people who can match the strength I have." Ye Xiu felt dissatisfied when she saw Ye Chen belittle herself.

Ye Xiu is now not the old Ye Xiu, Ye Xiu is now much stronger, with Ye Xiu's current cultivation base, there are only a few people who are able to match Ye Xiu in terms of strength.

"It's good if you have confidence like that, I hope what you said before is true" Ye Chen nodded with satisfaction at Ye Xiu, he hoped that what Ye Xiu said was true, Ye Chen really hoped that Ye Xiu would protect Zhao Yanyan seriously.

"I'll go first" Ye Chen immediately said goodbye to Zhao Yanyan and Ye Xiu, after that Ye Chen flew towards the royal palace in the sky.

Zhao Yanyan and Ye Xiu could only see Ye Chen leaving.

"Yanyan, let's go back." Ye Xiu invited Zhao Yanyan back to the Wu Clan manor.

"Okay." Zhao Yanyan nodded at Ye Xiu, Zhao Yanyan started following Ye Xiu flying towards the Wu Clan manor.

Ye Chen at full speed went to the royal palace, after arriving in front of the royal palace, Ye Chen immediately went to the place where Zhang Shiyun lived.

Ye Chen was no longer as formal as he first came to this place, he immediately slipped towards the place where Zhang Shiyun was.

Ye Chen very easily passed all the guards on guarding this place, Ye Chen quickly arrived in front of a special room whose door looked quite magnificent.

Ye Chen could clearly feel that Zhang Shiyun was in this place.

After confirming that Zhang Shiyun was in this place, Ye Chen immediately sneak into the room.

When Ye Chen sneaked into the room, Ye Chen found that Zhang Shiyun was indeed in this room.

Currently Zhang Shiyun was lying lazily on a bed that looked very luxurious, there were various kinds of very fine carvings on Zhang Shiyun's bed.

In addition, Zhang Shiyun was currently wearing a pajama that was quite transparent, from here Ye Chen could clearly see Zhang Shiyun's beautiful and sexy body.

Zhang Shiyun, who previously looked dignified, immediately turned into a lazy woman who was very tempting to be seen by the eye.

Ye Chen was slightly drooling when he saw this scene in front of him, Ye Chen did not expect that the woman who was the Queen of the royal family would become a very sexy and very seductive woman.

No normal man would reject Zhang Shiyun's current charm of beauty, this woman could confuse all the men who saw her current appearance.

The current Zhang Shiyun looked like fresh meat that was so delicious to eat, Ye Chen felt that he wanted to taste this delicious meat.

"naughty boy, how long do you want to peek at this Queen, come out quickly and show me yourself." Because of Ye Chen's fiery gaze towards Zhang Shiyun, Zhang Shiyun immediately felt Ye Chen's presence peeking at her.

Ye Chen just now accidentally exposed his existence to Zhang Shiyun.

Now inevitably Ye Chen had to go out to meet Zhang Shiyun.

Ye Chen came out of his hiding place, he came to the front of Zhang Shiyun's bed.

"Finally you want to come see me, I thought you would not come to see this Queen" Seeing that this was Ye Chen, Zhang Shiyun looked very excited.

Zhang Shiyun had been waiting for Ye Chen for such a long time, she did not expect that one day someone would dare to make herself wait this long.

"How could I not come here, I still want the gift that you promised me" Ye Chen told Zhang Shiyun that he wanted a gift from Zhang Shiyun.

"Fufufu, so you really can't wait to receive this present from Queen?" Zhang Shiyun laughed happily when she heard Ye Chen's words.

Ye Chen was really quite an attractive man, this man could make Zhang Shiyun smile and laugh very easily.

Zhang Shiyun had already made up her mind, she had to get Ye Chen to be a loyal person by her side.

"Ye Chen, hurry up into the bed, I will immediately give you the gift you want." Zhang Shiyun used her index finger to invite Ye Chen to get on the bed.

Seeing an invitation like this from Zhang Shiyun, Ye Chen no longer wasted his time, he immediately climbed onto Zhang Shiyun's bed.

Zhang Shiyun was even more happy when she saw the enthusiasm shown by Ye Chen, it seemed that Zhang Shiyun's chance of getting Ye Chen would be quite high.

When Ye Chen got on the bed, Zhang Shiyun immediately pushed Ye Chen on the bed.

Ye Chen was quite surprised when he saw Zhang Shiyun suddenly push himself this way.

"Majesty what do you want to do?" Ye Chen asked what Zhang Shiyun wanted from him.

After pushing Ye Chen, Zhang Shiyun immediately climbed into Ye Chen's body, Zhang Shiyun's current position was like she was riding a horse.

The difference is that the horse Zhang Shiyun was riding is Ye Chen.

"Ye Chen, don't call me formal like that, you can call me Shiyun like before." Zhang Shiyun told Ye Chen not to be too formal when they were alone.

Ye Chen immediately nodded to Zhang Shiyun.

"Shiyun, what do you want to do?" Ye Chen again asked what Zhang Shiyun was doing at the moment.

Zhang Shiyun was happy to hear Ye Chen calling herself this way, there was a sweet feeling when she heard Ye Chen calling herself this way.

"What do you think this Queen is doing to you?" Zhang Shiyun asked Ye back Chen about what she might do.

"I am not a worm in your stomach, how could I know what you will do" Ye Chen said that he did not know what would do Zhang Shiyun.

Actually Ye Chen knew what Zhang Shiyun might do this time, he was only pretending not to know to make things even more fun.

Zhang Shiyun saw that Ye Chen who was below her was really very relaxed.

Zhang Shiyun smiled gently at Ye Chen, she began to bring her cherry lips closer to Ye Chen's ear.

"Ye Chen, do you know, this Queen will give you a special gift that you will never forget in your life." Zhang Shiyun whispered that she would give Ye Chen a gift that Ye Chen would never forget in this life.

"What kind of gift is it, hurry up and give it to me." Ye Chen asked curiously, looking impatient to see what gift Zhang Shiyun would give.

"Fufufu, soon you will know what I will give you." Zhang Shiyun smiled triumphantly at Ye Chen.

#### **Chapter 764 - Royal Palace Was Attacked By The Enemy**

Currently Zhang Shiyun started to help remove the clothes that were on Ye Chen's body, Zhang Shiyun skillfully took off the clothes that were on Ye Chen's body.

Zhang Shiyun did not immediately take off all of Ye Chen's clothes, she still left a few clothes on Ye Chen's body.

"You have very good chest muscles, this Queen likes virile men like you" Zhang Shiyun really likes strong men like Ye Chen.

Ye Chen did not answer Zhang Shiyun, Ye Chen just kept quiet and watched what Queen would do to him.

Who would believe that currently the Queen who is respected by everyone will sit on top of Ye Chen's body while helping to take off Ye Chen's clothes.

Ye Chen enjoyed the touch that Zhang Shiyun did, This woman knew very well how to make Ye Chen happy.

Zhang Shiyun began to bring her face closer to Ye Chen, she began to kiss Ye Chen's lips in front of her.

"Umm" , Zhang Shiyun very greedily started kissing Ye Chen, Zhang Shiyun really likes handsome men like Ye Chen.

Zhang Shiyun started to insert her tongue into Ye Chen's mouth, she began to nibble Ye Chen's tongue in a very exciting move.

Ye Chen could feel the passion that Zhang Shiyun gave him, this woman was actually kissing herself passionately.

Feeling Zhang Shiyun teasing himself like this, Ye Chen couldn't take it anymore.

Ye Chen started to hug Zhang Shiyun's body who was above him, he began to bring Zhang Shiyun's body closer to him.

Ye Chen and Zhang Shiyun were currently tangled up with each other, the two of them looked like they were crazily tangled on this bed.

Ye Chen and Zhang Shiyun no longer care what is around them, all they want is to love each other in the way they have.

"Queen.. . , Queen.. . , Queen.. . , "When Ye Chen and Zhang Shiyun were entangled with each other and enjoying their love, suddenly someone again tried to bother them.

This made Ye Chen and Zhang Shiyun both very angry, even though Zhang Shiyun had previously told all Maid not to disturb her tonight, but there were still those who dared to interfere with her affairs together with Ye Chen.

"What do you really want, don't you know that you've disturbed this Queen's peace?" Zhang Shiyun's tone was quite angry when she spoke to the people outside.

"Queen.. . ,Please forgive me, obstruction does not mean to disturb your peace, it's just that something very serious happened. "The female maid in outside said that something very bad happened.

"What serious thing do you mean, come in quickly and tell me" Zhang Shiyun told the maid to come in and explain what really happened.

If this maid's answer did not satisfy her, Zhang Shiyun would definitely punish this maid.

As per Zhang Shiyun's orders, Maid immediately walked into the room to report what had happened.

When Maid went inside, she saw that Queen was currently on the bed with Ye Chen.

This maid tried to act casual when she saw what she was seeing in front of her eyes right now.

"Queen, currently the palace is being attacked by a lot of people who are not famous, the current condition is very bad" Maid told Zhang Shiyun that the condition of the royal palace was being attacked by a large number of people.

" What ! , how could that be? " Zhang Shiyun was shocked when she heard that the royal palace was attacked by someone, who was the person who had dared to attack her palace.

"Queen, hinder doesn't know, the identities of the attackers are still unknown." Maid told Zhang Shiyun that the secrets of the attackers were still unknown.

"Where are all the generals currently located?" Zhang Shiyun asked about the whereabouts of the strongest generals she had.

"Queen, all of your current generals are nowhere to be found, they all suddenly disappeared and cannot be contacted." The maid told Zhang Shiyun that all the generals were unreachable and their whereabouts were unknown.

"How could that happen? , What exactly happened" Zhang Shiyun did not expect that all the great generals she had would suddenly disappear like this.

"My Queen, I also doesn't know about this, I hope the Queen will immediately take action on this matter, otherwise I am afraid that this palace will really be overrun by the enemy." The maid told Zhang Shiyun to take action immediately or this royal palace will taken over by the enemy.

"Okay, you go and tell all the soldiers to hold back all the enemies until I come." Zhang Shiyun gave an order to the maid to tell all soldiers the remaining.

"Well I understand." Maid understood, she immediately went to carry out Zhang Shiyun's orders.

After the maid withdrew from this room, now in this room only Ye Chen and Zhang Shiyun remained.

"Ye Chen is sorry for this, it looks like we have to postpone it first, let me have to solve this problem first." Zhang Shiyun apologized to Ye Chen for not being able to give the gift that Ye Chen wanted.

"It's okay if I know your problem." Ye Chen could understand the problem Zhang Shiyun currently had.

Ye Chen already knew that these attackers were likely people from the Shen Clan and the Gates of Eternity Sect, this possibility was the greatest considering that the Shen Clan was planning a coup.

Zhang Shiyun got down from Ye Chen's body, she started to take her imperial clothes, Zhang Shiyun deftly put these clothes onto her body.

"Hey Shiyun, didn't grandfather Wu already give you a warning letter that the Shen Clan will most likely carry out a rebellion, why didn't you prepare earlier after receiving Grandpa Wu's warning?" Ye Chen asked why Zhang Shiyun didn't prepare earlier for this.

"Huh? , what did you just say, what warning letter ?, so far I have received nothing from the Duke Wu" Zhang Shiyun told Ye Chen said that she didn't get anything from Wu Ping.

Zhang Shiyun really didn't know what Ye Chen was talking about, it seemed like Zhang Shiyun really didn't know about the Shen Clan wanting to rebel against the royal family.

The reaction that Zhang Shiyun showed made Ye Chen feel quite strange, Ye Chen did not expect that Zhang Shiyun did not get a warning letter from Wu Ping.

If this was the case, it was likely that the Shen Clan had people in this palace, otherwise the letter from Wu Ping should have already reached Zhang Shiyun.

"I'll explain to you." Ye Chen started explaining to Zhang Shiyun about the things he discovered a few nights ago.

"Ye Chen, is what you said right?" Zhang Shiyun was very surprised to find that the Shen Clan was planning a rebellion against her.

If this was indeed the work of the Shen Clan, then it wouldn't be strange for all of his best generals to suddenly disappear like this.

The Shen Clan has strong power in the military, many royal troops are under the command of the Shen Clan.

Most likely the generals have already been eliminated by the Shen Clan, the Shen Clan must think that all these generals are an obstacle, it is better to get rid of them to refine their plans.

### **Chapter 765 - Unexpected Betrayal (1)**

"Of course I'm telling the truth, there's no point in me lying to you about this matter" Ye Chen told Zhang Shiyun that he could not possibly lie.

Zhang Shiyun looked straight at Ye Chen, in this situation Ye Chen would not possibly lie to herself.

After all, why did Ye Chen lie to herself about a matter like this, there was no point in even Ye Chen lying in a matter like this.

"If you say it is true, it looks like there are a lot of traitors in this palace" Zhang Shiyun began to conclude that in this palace there must be a lot of traitors.

"Most likely it's true, I feel strange when you don't receive a message from Grandpa Wu, there must be someone who has taken and discarded the message before it reaches you." Ye Chen also guessed what was happening here, it was likely that within this palace there were countless traitors who had joined the Shen Clan stronghold.

"Ye Chen, thank you for the information you provided, if the mastermind behind this attack is the Shen Clan, then I will definitely make them regret that they dare to rebel against me?" if it was true what Ye Chen had previously said to her, Zhang Shiyun would definitely make the Shen Clan suffer the consequences for daring to rebel against her.

Zhang Shiyun is the type of person who does not like betrayal, she hates the most against a traitor who has betrayed the trust that has been given wholeheartedly.

Zhang Shiyun had entrusted military power to the Shen Clan so much, it was unexpected that the Shen Clan would use the trust placed in Zhang Shiyun in this way.

The strength of the troops under the command of the Shen Clan was no weaker than the main force that the royal family had under the command of Zhang Shiyun.

With the loss of all the generals who belonged to Zhang Shiyun disappeared, the difference in troop strength between Zhang Shiyun's and Shen Clan's would be far away.

"I will go over all of this, Ye Chen, you should just wait here." Zhang Shiyun was going to go over all this alone, she would soon finish her business with the Shen Clan.

After saying that to Ye Chen, Zhang Shiyun left this place.

she immediately went out to deal with it all alone.

Ye Chen was a little worried when he saw Zhang Shiyun who was too impulsive like this, it wasn't good to let Zhang Shiyun be like this.

Out of fear that something untoward would happen, Ye Chen couldn't help but follow Zhang Shiyun towards the exit.

He wanted to ascertain who was the real person who had attacked this palace, whether this was really the Shen Clan or not.

Ye Chen returned to wearing his clothes that were previously removed by Zhang Shiyun, Ye Chen with quick movements began to tidy up his clothes that were messy because of Zhang Shiyun's actions.

After completely finished tidying his clothes, Ye Chen immediately caught up with Zhang Shiyun.

When Ye Chen managed to catch up with Zhang Shiyun, Ye Chen found that there was a very fierce battle here.

There were more or less hundreds of attackers who were currently wearing a robe and also a mask, these attackers looked very strong, the tens of thousands of soldiers in this palace were unable to fight against these hundreds of attackers.

"All of these people are so strong, is it possible that this is the ally that Shen Ao was talking about back then?" Seeing the strength of these attackers, Ye Chen could confirm that these attackers were strong and had a very high cultural base.

Even the weakest of these people was at the fifth stage of the Overlord Realm, this was an extremely strong enemy party, normal soldiers of the royal family would definitely not be able to fight against those people.

Zhang Shiyun looked at the battlefield, she saw a scene of massacre that was so terrifying.

Royal soldiers were killed so easily by these people, Zhang Shiyun felt angry about this.

Zhang Shiyun had to act immediately or there would be more casualties.

Zhang Shiyun started to bring out her true power, when Zhang Shiyun took out her strength the area around here started to tremble.

Strong winds began to envelop this place, this wind was very strong like, it looked like a hurricane storm was hitting this place.

This was Ye Chen's first time seeing Zhang Shiyun fighting, it could be seen that Zhang Shiyun cultivated a wind attribute technique.

"Crack.. .. , Crack.. .. , Crack.. .. , "The onslaught of attacks carried out by the enemy was very strong, Zhang Shiyun's Wind Thorn Shield seemed unable to withstand the onslaught of attacks in large numbers like this.

Seeing the wind thorn shield that was shaking and about to break, Zhang Shiyun immediately retreated back to secure herself.

"Slash.. ." When Zhang Shiyun retreated back towards the palace soldiers who were not far from her, suddenly several palace soldiers who were behind Zhang Shiyun slashed Zhang Shiyun's back.

Zhang Shiyun really did not expect that someone would sneak up on her from behind.

"Ahh" Zhang Shiyun groaned in pain when he received this attack, it was clear that Zhang Shiyun's back was badly injured when receiving this sneak attack.

### **Chapter 766 - Unexpected Betrayal (2)**

A considerable amount of fresh blood started to come out, in an instant Zhang Shiyun's imperial clothes were covered in fresh blood.

The wounds that Zhang Shiyun suffered were quite deep, this could be seen from the amount of blood that came out from the wound just now.

Zhang Shiyun tried to look back, she wanting to see who the real person who had sneaked attacked at her was.

When Zhang Shiyun looked back, she saw several familiar figures.

The people who were in these warrior clothes were Zhang Shiyun's trusted generals, she didn't believe that these generals would disguise themselves as soldiers and attack her from behind.

"Why are you attacking me?" Zhang Shiyun asked why the person who was supposed to protect her would stab her in the back.

"We have our own reasons for doing that" all the generals said they had their own problems doing this.

"Hahahaha, Zhang Shiyun you really are a very stupid woman" suddenly someone laughed at Zhang Shiyun.

Zhang Shiyun immediately looked at the person who had just laughed at her, here Zhang Shiyun saw a person wearing a robe to hide the appearance he had.

Although Zhang Shiyun could not see who the person behind the clothes was, Zhang Shiyun felt quite familiar with this person's voice, Zhang Shiyun was already familiar with this man's voice, this voice was clearly Shen Ao.

"Shen Ao how dare you plan something like this on this Queen" While enduring the pain in her body, Zhang Shiyun spoke to the man in the robe.

"Hahaha, you bitch, do you think you have the strength to say that to me?" Shen Ao burst into laughter at Zhang Shiyun who looked in pain.

"Look closely around you, all the confidants that you have been proud of have now become your enemies" Shen Ao pointed to the people around him, previously they were quite loyal to Zhang Shiyun, but now they became the enemy of Zhang Shiyun.

Zhang Shiyun could only grit her teeth when she heard Shen Ao's words.

Zhang Shiyun couldn't deny that Shen Ao's words were true, even though she didn't know the faces and appearances of these people, Zhang Shiyun could be sure that everyone here was most likely an insider who was previously quite loyal to her.

"Do you know why it happened?", Shen Ao asked Zhang Shiyun.

Zhang Shiyun did not answer Shen Ao's words, she just kept quiet and looked at Shen Ao.

"Let me tell you the reason, it's because you don't have the strength anymore to control this royal family, a woman like yourself doesn't deserve to lead this kingdom anymore" Shen Ao told Zhang Shiyun the reason people defect Zhang Shiyun.

Actually from the beginning people didn't like it when Zhang Shiyun became a Queen, they didn't like it when they were led by a woman like Zhang Shiyun.

Zhang Shiyun may be favored by her folk because of her non-tyrannical leadership style, but Zhang Shiyun is quite hated among insiders in the royal family.

Besides that Zhang Shiyun is a woman, how can a woman rule them, most men don't like being led by a woman.

"All of you bastards" Zhang Shiyun glared at everyone who was here, she was really very angry with what these people were doing.

Zhang Shiyun did not expect before that these people were two-faced, in front of her they all acted obediently but behind her they were planning a rebellion like this.

Zhang Shiyun was really stupid for not realizing this for a long time, if she knew this, maybe Zhang Shiyun could handle this incident.

Unfortunately things like this were hidden from her eyes, this made Zhang Shiyun unable to deal with this.

Zhang Shiyun's spy army should be good, what a shame with a good spy army, this kind of thing was never known to Zhang Shiyun.

Zhang Shiyun began to suspect that her spy army was also unfaithful to her, otherwise how could information like this be overlooked.

"Hahaha, don't look at us like that, I don't like that look of you." Shen Ao felt displeased with the gaze emanating from Zhang Shiyun.

"All of you are inferior to dogs, not even a dog will bite their master." Zhang Shiyun began to berate these people who were in front of her.

Zhang Shiyun began to vent the frustration she had on Shen Ao and the people who had betrayed her.

"Hahahaha" Everyone laughed when they heard what Zhang Shiyun said, they felt very funny about what Zhang Shiyun just said.

"Bitch, soon you'll die, you still have time to say that to all of us, that's so funny" laughed Shen Ao said to Zhang Shiyun.

"Just watch out you all, the ancestors will definitely not let what you have been doing at this time." Zhang Shiyun threatened that everyone involved in this matter would suffer the consequences of their actions.

"Hahaha, Queen Zhang you already do not have the strength to do it, royal family ancestors also gone, then who else can save you from us all" Shen Ao said that nothing else could save Zhang Shiyun.

Zhang Shiyun's eyes widened when she heard what Shen Ao had just said, she did not expect that Shen Ao already knew about the matter that had been hidden from the public.

"Let's see what we have to do with you." Shen Ao started thinking about what they should do with Zhang Shiyun.

"Um, do we have to kill you right away, or.. .." Shen Ao began to think about what to do with Zhang Shiyun.

"What if we cripple this woman's cultivation and throw her into a brothel, I'm sure that with the beauty she has she will become popular and can make a lot of money for us" one person started suggesting to Shen Ao.

"That's not a bad idea, we might be able to do that to this woman" Shen Ao felt that the suggestion just now wasn't bad, rather than killing Zhang Shiyun it would be better to make this woman bear shame in this life.

Zhang Shiyun looked desperate when she heard this, these people in front of her were really shameless, they wanted to do something very cruel to her.

Zhang Shiyun started to shed tears, in this situation who would save her from the evil hands of these people.

From behind the darkness Ye Chen saw what was going on at the moment, the current situation was completely beyond Ye Chen's expectations.

Ye Chen thought that the rebels only came from the Shen Clan and the Gates of Eternity Sect, it was unexpected that the inner people in the royal family were also involved in this.

If this was the case, then Ye Chen could confirm that the situation was more complicated and complex than he thought.

In this kind of situation Ye Chen didn't know who the opponent was and who was the friend, everything was so dark and vague.

The Shen Clan were indeed very powerful, they were able to make a perfect and hidden plan.

In addition, the Shen Clan was able to turn people who had previously been obedient to Zhang Shiyun betray Zhang Shiyun.

With the strength of the Shen Clan, Ye Chen doubted that they could make these people want to betray Zhang Shiyun.

In this matter there must be interference from the higher ups of the Gates of Eternity Sect.

Zhang Shiyun's situation was getting worse, Ye Chen had to help Zhang Shiyun immediately or this woman could die.

Ye Chen started to take out a mask and a robe to cover himself.

After hiding his appearance, Ye Chen immediately went towards Zhang Shiyun.

### **Chapter 767 - Save Zhang Shiyun**

"Let's cripple Bitch's cultivation base, after that we can do what we want to her." Shen Ao will cripple Zhang Shiyun's cultivation base.

Once Zhang Shiyun's cultivation base is crippled, Zhang Shiyun will no longer be a threat to them.

Without strength, Zhang Shiyun would not be able to do anything to them.

Zhang Shiyun's face had turned very pale, you could see that Zhang Shiyun's injuries were getting worse from time to time.

In addition to Zhang Shiyun's anger, it only worsened her current condition.

In this desperate situation, Zhang Shiyun hoped that someone would come and save her from this kind of situation.

Zhang Shiyun's eyes became blurry, she felt that her eyes were getting harder to open.

Zhang Shiyun had lost quite a lot of blood, so it wasn't strange that Zhang Shiyun had become very weak.

Shen Ao started walking closer to Zhang Shiyun, herself preparing to erase Zhang Shiyun's cultivation.

Shen Ao raised his palm, Shen Ao preparing to attack Zhang Shiyun, who was badly injured.

If Zhang Shiyun was hit by Shen Ao's attack in this condition, then Zhang Shiyun would definitely suffer much more severe injuries than this time.

Shen Ao immediately dropped his hand towards Zhang Shiyun, Zhang Shiyun closed her eyes, she was already prepared for the worst that could happen to her.

"Someone help me" In this situation Zhang Shiyun could only hope that someone would help her.

"Bamm" When Shen Ao's hand was about to touch Zhang Shiyun's body, Shen Ao's body suddenly bounced back and hit the walls of the royal palace.

What happened so fast, everyone couldn't see what just happened.

"An attack from the enemy." One of the people immediately shouted to warn everyone that they were being ambushed by someone.

Hearing this, people started on their guard, they put on a battle mode around this place.

These people didn't know where the attack was coming from just now, they couldn't see what really happened to Shen Ao.

Ye Chen immediately took advantage of the panic from these people, he immediately took Zhang Shiyun who was currently in the midst of the enemy.

Using Nine Shadow Step, Ye Chen easily slipped over to Zhang Shiyun's side, himself immediately carrying Zhang Shiyun who was lying on the ground.

Zhang Shiyun couldn't see who the person who had saved her was, Ye Chen was currently in disguise, so it wasn't strange that Zhang Shiyun didn't know that this was Ye Chen.

After successfully taking Zhang Shiyun, Ye Chen immediately fled from the crowd of enemies.

Since people were focused on finding the enemy who had just attacked Shen Ao, they didn't realize that Zhang Shiyun had been taken by Ye Chen.

"Look at the attackers over there." One of the people pointed at Ye Chen who was on top of the royal fortress wall.

Everyone immediately focused their eyes on Ye Chen was, when they looked towards Ye Chen, they found a man wearing a mask and robe to cover himself.

besides that currently Ye Chen was carrying Zhang Shiyun in his arms.

"Who are you?" one of the generals who had previously attacked Zhang Shiyun immediately asked Ye Chen.

"I am a nobody, I came here to save a woman who is being hurt by the actions of irresponsible people like you" Ye Chen said like a very wise old man.

Ye Chen had even changed his voice style to look like an old man.

"Hey man old, quickly show your face, how dare you interfere in our business" the generals of the royal family said to Ye Chen to show his face.

They were all annoyed that Ye Chen had dared to interfere in their business.

"Hahahaha, you guys don't have the right to say that to this old man." Ye Chen burst out laughing at everyone here.

"You bastard how dare you say that, let's attack him" One of the people invited everyone to attack Ye Chen.

Everyone nodded, they immediately went towards Ye Chen.

"You fools, do you guys think this old man is a soft persimmon that can be destroyed so easily?, Azure Dragon Domain." Ye Chen opened a domain to deal with these people.

The area around this palace darkened, a terrifying ancient aura began to be felt by the people in this place.

An Azure Dragon projection appeared behind Ye Chen, this time the Azure Dragon projection couldn't be seen by the people in front of Ye Chen, this time only Ye Chen could see the Azure Dragon projection behind him.

After a little experimentation, Ye Chen was finally able to understand how to use the Azure Dragon Domain almost perfectly.

Ye Chen could use the Azure Domain without needing to show his enemy's Azure Dragon projection.

This method will be very effective in scaring the enemy to be fought.

"Roar" The Azure Dragon projection started to roar, a terrifying pressure immediately filled this entire palace.

When they felt this terrifying pressure, everyone in this place immediately knelt to the ground, their bodies shaking like a jelly that someone was shaking.

Even a strongest cultivator who was at the tenth stage of the Overlord Realm was forced to kneel to the ground by the pressure that was held by Ye Chen.

The pressure that was felt at this time was truly terrifying, it was even more terrifying than a cultivator who was half-step towards Divine Realm.

People immediately became sweaty when they found out that this mysterious old man could give off an aura of extremely terrifying pressure like this, all of them who were here were being completely suppressed by this ancient aura.

"Seniors, please forgive on impudence our people just now, we do not mean to offend you" cultivator is in the tenth stage of trying to apologize to Ye Chen.

This person knows that Ye Chen is very strong, if they fight against Ye Chen, then the chances of winning will be very small.

Ye Chen may be as strong as the old monsters in the Gates of Eternity Sect, if his guess is correct then their chance of winning against Ye Chen is very small.

Ten-stage Overlord Realm and half-step towards Divine Realm is very far away, their difference in strength is like heaven and earth.

If you want to deal with Ye Chen, then it is necessary for the old monsters from the Gates of Eternity Sect to interfere in this matter.

"This old man doesn't have time to talk nonsense with you guys, see you later." Ye Chen bid farewell to the people who were kneeling on the ground.

Ye Chen actually wanted to fight these people, the problem was that Zhang Shiyun's condition was getting worse over time, if Ye Chen continued to buy time with these people, then Zhang Shiyun might not be able to be saved.

The reason Ye Chen used the Azure Dragon Domain is to weaken these people, when Ye Chen runs away then no one will catch up with him.

After seeing these people become weak and helpless under the Azure Dragon Domain, Ye Chen immediately withdrew the Azure Dragon Domain that had just opened.

Ye Chen immediately took Zhang Shiyun who was in his arms and left this palace.

After the Azure Dragon Domain disappeared, people began to fall to the ground, they felt that their entire bodies were exhausted from the terrible pressure that had just hit their bodies.

As planned by Ye Chen, these people didn't have the strength anymore to catch up to Ye Chen who had gone to take Zhang Shiyun.

Shen Ao was badly injured from Ye Chen's attack, he vomited a large amount of blood when he received Ye Chen's attack.

At least Shen Ao's internal organs were seriously injured from the attack just now.

"Damn, who the hell was that person just now, how dare that person interfere with my plans." Shen Ao looked very angry when a mysterious person just interfered with the Shen Clan's perfect plan.

Even though it was only one step away from the Shen Clan to incapacitate Zhang Shiyun, it was unexpected that in such an important situation someone would interfere with their plans.

"Everyone, please chase that person" Shen Ao ordered the people lying on the floor to chase after Ye Chen and catch Zhang Shiyun who was taken away by Ye Chen.

Too bad the people still looked so tired, they still couldn't stand up like normal people.

"Shen Ao, that fellow is quite strong, these people can't possibly catch up with or deal with that person, at least you need a cultivator in the half-step Divine Realm to deal with that person," a cultivator who was in the Ten-stage Overlord Realm stage told Shen Ao otherwise they won't be able to deal with Ye Chen.

Shen Ao gritted his teeth when he heard the words of a cultivator who was at the tenth stage of the Overlord Realm.

Hearing this, Shen Ao could only grit his teeth, inevitably Shen Ao could only ask his father to look for the whereabouts of Ye Chen and Zhang Shiyun.

"Everyone please stay alert here, I will go somewhere to meet someone" Shen Ao gave orders to all of his allies to stay in the royal palace for a while.

Shen Ao himself will discuss this matter with his father, he hopes his father has a solution to this problem.

With his injured body, Shen Ao left this place to where the Shen Clan was.

These people can only be in this place for a while, their bodies are still immovable, so inevitably they have to stay here for a while.

## Chapter 768 - Treat Zhang Shiyun

Ye Chen immediately took Zhang Shiyun away towards the Wu Clan manor, the Wu Clan was the only safest place for Zhang Shiyun at this time.

When Ye Chen arrived at the Wu Clan manor, there was a party inside the Wu Clan manor, everyone from the Wu Clan manor was having fun and joy.

These people have absolutely no idea that the royal palace has just been attacked by the Shen Clan and its enormous allies.

Ye Chen didn't go directly to meet the people from the Wu Clan, he was afraid that one of the Wu Clan members would ally with the Shen Clan.

After the incident just now, Ye Chen knew more and more that the Shen Clan had a quite large and extensive connection, it could be that one of the Wu Clan members was included.

Ye Chen went to his room, he sneaked into his room very easily without being noticed by people.

When Ye Chen arrived at his room, it just so happened that Nanhua Caiyi and Nangong Xiang were playing a game of chess, both of them looked very serious in playing this game.

Since Nangong Xiang and Nanhua Caiyi didn't want to join the party, inevitably the two of them could only play a game inside Ye Chen's room.

In this place there is only this game, so like it or not the two of them play this game together.

"Bang" when the door was opened by Ye Chen, Nangong Xiang and Nanhua Caiyi immediately shifted their sight towards the entrance.

The two of them currently saw a person in a mask and a robe, this person in the mask and robe was carrying an injured woman.

"Master, who are you carrying." Nanhua Caiyi immediately asked which woman Ye Chen was carrying.

Nanhua Caiyi immediately knew that the man in front of her was Ye Chen.

Nangong Xiang also wanted to know who the woman in Ye Chen's arms was, from a glance Nangong Xiang felt that the woman in Ye Chen's arms was familiar for her.

"This is Zhang Shiyun, she is currently injured and needs treatment" Ye Chen told Nangong Xiang and Nanhua Caiyi about the woman in his arms.

"Is that Shiyun? , how could she be injured like that? " Nangong Xiang asked why Zhang Shiyun was injured like this.

Nangong Xiang was a close friend of Zhang Shiyun, when she saw that the woman who was injured was Zhang Shiyun, Nangong Xiang immediately asked what really happened.

"The story is a little long to say, let's treat her first first." Ye Chen told Nangong Xiang to prioritize Zhang Shiyun's safety first.

Zhang Shiyun's condition was quite severe, she had already lost quite a bit of blood from the wounds she had previously received.

"Then let's treat her first" Nangong Xiang nodded at Ye Chen, what Ye Chen said was true, she had to prioritize the safety of Zhang Shiyun.

"You two please help me take off Shiyun's clothes" Ye Chen told Nangong Xiang and Nanhua Caiyi to help him take off Zhang Shiyun's clothes.

Nangong Xiang and Nanhua Caiyi nodded, both of them immediately went to help Ye Chen remove Zhang Shiyun's clothes which were currently covered with blood.

"Please clean the blood on her body" Ye Chen told Nangong Xiang and Nanhua Caiyi to clean the blood from Zhang Shiyun's body.

Nangong Xiang and Nanhua Caiyi immediately went to get a basin of water and a rag, both of them used this thing to clean Zhang Shiyun's bloodstained body.

In just a short time, Zhang shiyun's body was cleaned by Nangong Xiang and Nanhua Caiyi.

During the process of cleansing Zhang Shiyun's body, Ye Chen kept holding Zhang Shiyun's body, Ye Chen continued to flow his profound energy into Zhang Shiyun's body so that Zhang Shiyun could still maintain her life.

After all the blood was cleared by Nangong Xiang and Nanhua Caiyi, Ye Chen immediately took out a bottle of high grade potions and several sets of medical equipment.

Ye Chen started to see whether Zhang Shiyun's wound was poisonous or not, if there was poison in this wound, then Ye Chen had to first remove the poison from Zhang Shiyun's body.

When Ye Chen checked Zhang Shiyun's wound, Ye Chen did not find any poison in Zhang Shiyun's body, it seemed that treating Zhang Shiyun would be easier because there was no poison in Zhang Shiyun's wound.

Since this wasn't an internal organ wound, Ye Chen didn't need to resort to overly complicated treatment using needles.

Ye Chen started to open the bottle and poured the liquid that was in the bottle on Zhang Shiyun's wound.

When this liquid came into contact with Zhang Shiyun's wound, Zhang Shiyun's facial expression was in extreme pain.

This potion would indeed feel a little sore the first time it was hit, after which this potion would quickly heal Zhang Shiyun's wounds.

The wounds on Zhang Shiyun's body, began to emit a thin puff of smoke, Zhang Shiyun's wound closed very quickly, within seconds Zhang Shiyun's wound had completely disappeared without leaving a trace.

Nanhua Caiyi was quite surprised when she saw this, she didn't expect that there was a potion that could heal wounds this quickly without leaving a mark on the body.

"Master, what medicinal herbs did you just use?" Nanhua Caiyi immediately asked what Ye Chen was using just now.

"This is a high grade Shuu potion." Ye Chen told Nanhua Caiyi what the name of the potion he just used to heal Zhang Shiyun's wounds.

"High grade Shuu potion, Ye Chen, where did you get such rare medicine from?", Nangong Xiang asked where did Ye Chen get this rare medicine.

As a former cultivator who had once stood at the top of the pyramid, Nangong Xiang naturally knew about high grade Shuu potions.

This was a potion that could heal anyone's wounds in just a few seconds without leaving a mark or pain.

Seeing the reaction shown by Nangong Xiang Ye Chen, he could tell that high grade Shuu potions were quite valuable.

"I happened to get this from someone" Ye Chen told Nangong Xiang that he got this from someone.

Actually Ye Chen got this from the fairy gate leveling up, when the fairy gate leveled up Ye Chen accidentally got the high grade Shuu potion.

According to the explanation that Ye Chen got from Chu Yuechan, high grade Shuu potion was a potion that could heal anyone's wounds in just a few seconds without leaving a mark or pain.

This herb can be said to be very effective in treating external wounds very quickly and very efficiently.

The reward that came from the gates left was very good indeed, it was worthy of leveling up the gate.

"I see." Nangong Xiang began to nod at Ye Chen, for Nangong Xiang Ye Chen was very lucky to be able to get good things like this.

After Zhang Shiyun's wound was treated, Ye Chen began to lift Zhang Shiyun onto the bed, he began to lay Zhang Shiyun's body on the bed.

Even though Zhang Shiyun's wound had healed, Zhang Shiyun was still unconscious, it seemed this was because Zhang Shiyun had lost enough blood that Zhang Shiyun was still unconscious.

After laying down Zhang Shiyun's body, Ye Chen began to cover Zhang Shiyun's body using a blanket, it was not good to let Zhang Shiyun's Sexy body continue to look like this, this could ignite a fire in Ye Chen's body.

### **Chapter 769 - Explain What Really Happened**

"Ye Chen actually what happened, quickly explain to me" Nangong Xiang wanted Ye Chen to explain what really happened.

Zhang Shiyun's condition was safe now, so it didn't matter if Zhang Shiyun asked what happened, why did Zhang Shiyun get hurt like this.

"OK, I'll explain what really happened." Ye Chen started to explain what really happened to Nangong Xiang.

He explained in great detail what had just happened to him and Zhang Shiyun.

"How is that possible" Nangong Xiang was surprised when she heard what just said Ye Chen, she didn't believe that anyone in the royal family would betray Zhang Shiyun.

Nangong Xiang would probably believe that if the Shen Clan betrayed, this matter also had something to do with insiders in the royal family.

"I also don't understand the root cause of why people side with the Shen Clan, most likely it is due to the influence of the Gates of Eternity Sect or the Shen Clan promising them something quite tantalizing." Ye Chen can now only deduce these two possibilities.

Only these two possibilities can be the cause of betrayal, humans are quite greedy people, they can easily change if offered by something they don't have.

"I know what you mean." Nangong Xiang knew what Ye Chen was referring to at the moment.

Everyone does have a side of greed within them, even people who are at the peak of God Realm also have greed.

It could be said that almost all beings in this world have greed.

"Ye Chen, do you know who was involved in the attack just now " Nangong Xiang asked if Ye Chen knew who was involved in this attack.

"Hmmm, about that matter I currently don't know much, there are so many people involved, this is making things even more complicated." Ye Chen really didn't know who were the people involved in this matter.

The mysterious attackers just now were only part of it. According to Ye Chen, there are still many more people involved in this matter.

"This matter is getting serious, if we don't know who our opponents are friends in this matter then it will be very troublesome." Nangong Xiang started to think as Ye Chen thought.

"This is indeed difficult, there are so many people to be suspicious of." Ye Chen felt that there were many people who could be suspected in this matter.

"Ye Chen, I will go to see the current situation, I will also find out the people involved in this matter." Nangong Xiang has already decided to go and take a look at the current situation.

Nangong Xiang herself will also find out who were the people involved in this matter.

"Are you sure you want to go alone?" Ye Chen said to Zhang Shiyun.

Ye Chen himself was worried that Zhang Shiyun would go alone like this.

Nangong Xiang felt a sweet feeling in her heart when she saw Ye Chen worrying about her.

"Ye Chen, you don't have to worry too much about me, I'm still a cultivator who once stood at the peak of God Realm, those people won't be able to harm me." Nangong Xiang told Ye Chen not to worry too much about her.

Although now that Nangong Xiang's strength had complied, Nangong Xiang was still a cultivator at the peak Divine Realm stage, so Nangong Xiang's strength could be said to be quite strong.

"Fine if you want, but make sure to take care of yourself" Ye Chen finally allowed Nangong Xiang to go to find out what really happened.

"Thank you, then I'll go first, please take good care of Shiyun" Nangong Xiang took her mask, she put on this mask and left this room.

Ye Chen didn't know where Nangong Xiang would go for information, he could only believe that Nangong Xiang would be fine.

"Master, what should I do now?" Nanhua Caiyi asked what he should do at this time.

"Caiyi, you can guard around this Wu Clan manor, you can get rid of whoever the enemy comes here." Ye Chen gave an order to Nanhua Caiyi.

Ye Chen wanted Nanhua Caiyi to guard the Wu Clan manor from enemy attacks.

With Nanhua Caiyi's cultivation base that was not weaker than her own, Ye Chen firmly believed that Nanhua Caiyi could get rid of the enemies who were trying to attack here.

After attacking the royal family, the target of the Shen Clan and its allies would definitely target the dukes who were still loyal to Zhang Shiyun.

For the Shen Clan and its allies, People who are still loyal to Zhang Shiyun are a threat that must be eliminated.

"Okay, I understand, I'll do what you tell me to." Nanhua Caiyi nodded, she would be on guard around this place.

Nanhua Caiyi left this room, she would stand guard around this manor so that no one would dare to attack this place.

If anyone dared to attack this place, then Nanhua Caiyi would definitely exterminate them all.

Now in this room only Ye Chen and Zhang Shiyun were left unconscious.

Ye Chen would not leave Zhang Shiyun, even though the Wu Clan manor was quite safe, it didn't mean that it guaranteed that no one would hurt Zhang Shiyun.

Ye Chen sat not far from Zhang Shiyun's bed, at least here he could supervise Zhang Shiyun very well.

When Ye Chen was watching Zhang Shiyun, from outside Ye Chen heard a very loud siren sounded throughout the Wu Clan manor.

Hearing this voice, Ye Chen knew that there was likely an intruder or someone who was attacking.

"Tap.. ., tap.. ., tap.. .," From outside there was the sound of several footsteps on their way here.

A few moments later someone opened the door to Ye Chen's room.

"Husband, this is bad." The person who just walked in was Zhang Yanyan, Zhang Yanyan looked panicked when she went inside.

"Yanyan, what's wrong?" Ye Chen asked what really happened, why did Zhao Yanyan look panicked like that.

"Husband, I just got a message from young sister Mei, she said that the Gates of Eternity Sect and some people are moving here and want to destroy the Wu Clan." Zhao Yanyan told Ye Chen about the information she just got from Xing Mei.

Ye Chen slightly raised his eyebrows when he heard this, this was faster than what Ye Chen had previously thought.

The Shen Clan and its allies were moving so fast, they all wanted to exterminate everyone who got in their way of taking over the Kunlun Holy Land.

"Husband, please do something." Zhao Yanyan could only hope for Ye Chen.

Zhao Yanyan's strength was still weak, she couldn't do much in this matter.

Zhao Yanyan didn't want anything to happen to her mother's family's Clan.

"Yanyan, you do not need to worry, Caiyi be out there, she will destroy all those who try to attack this place" Ye Chen told Zhao Yanyan not to worry.

Nanhua Caiyi was out there, as a cultivator who had reached the Early Divine Nascent Realm, it shouldn't be difficult for Nanhua Caiyi to eliminate the person who would come to attack this Wu Clan manor.

"Are you sure that sister Caiyi is capable of fighting the people who come here?" Zhao Yanyan asked Ye Chen whether Nanhua Caiyi can win against the dozens of people who will come to attack the Wu Clan manor.

"Believe in Caiyi, she can definitely do it" Ye Chen told Zhao Yanyan to believe in Nanhua Caiyi.

Nanhua Caiyi alone will definitely be enough to defeat all the enemies that have come here.

### **Chapter 770 - Nanhua Caiyi Against The Rebels**

Zhao Yanyan nodded she would believe what Ye Chen said.

"Husband, by the way who is the woman in your bed right now?" Zhao Yanyan asked which woman was currently on Ye Chen's bed.

Zhao Yanyan had just realized that in Ye Chen's bed there was a woman who was quite beautiful.

"Oh, it's Queen." Ye Chen told Zhao Yanyan that the woman on his bed right now was Queen.

"Husband, maybe you have got the Queen" Zhao Yanyan asked if Ye Chen had got the Queen.

Looking at the naked Zhang Shiyun on the bed, Zhao Yanyan thought that Ye Chen had managed to gain Queen's heart and body.

"Yanyan, what are you saying?, At this time Queen is often injured, I just treated her" Ye Chen told Zhao Yanyan that he had just treated Queen.

"Treat Queen?, Is it true what just happened to Queen until you treated her" Zhao Yanyan asked Ye Chen.

Inevitably Ye Chen had to explain what happened to Zhao Yanyan.

Zhao Yanyan listened carefully to Ye Chen's explanation.

"How very sorry" Zhao Yanyan felt very sorry when she heard what happened to Zhang Shiyun.

" husband ,You will definitely help her right?" Zhao Yanyan asked if Ye Chen would help Zhang Shiyun solve this problem.

"I will of course help her, the problem is quite difficult to distinguish between enemies and friends, I'm a little difficult to distinguish between enemies and friends." Ye Chen could actually easily help Zhang Shiyun defeat her enemies.

The problem here is that Ye Chen doesn't know which enemies and friends are, if he attacks randomly then Ye Chen will drag people who are still loyal to Zhang Shiyun.

Ye Chen would first let Nangong Xiang find the traitors, after which Ye Chen could easily take care of the people involved.

"Husband maybe I have a little idea?" Zhao Yanyan had very few ideas to solve this problem.

"What's that idea?" Ye Chen asked what ideas Zhao Yanyan had.

"How about you let the Shen Clan ascend the throne first, if you let the Shen Clan take the throne you can find out who is the person who supports the Shen Clan" Zhao Yanyan told Ye Chen about the idea she has.

In order to know who is on the side of the Shen Clan, then they must let the Shen Clan take the throne first, so that they can find out who supports the Shen Clan.

The supporters of the Shen Clan would definitely look different from people who were forced to support the Shen Clan.

It was the only way that Zhao Yanyan thought was powerful enough to find out who supported the Shen Clan.

If they had to search one by one then that would definitely be very difficult to do, even if it was for Nangong Xiang.

"Yanyan , is a pretty good idea." Ye Chen quite agreed with the idea suggested by Zhao Yanyan.

Instead of looking for the enemy one by one, they better wait for the enemy to reveal themselves, idea was Zhao Yanyan's very good.

"Yanyan, you try to tell your grandfather about your idea, make sure grandfather Wu for a while just keep quiet and observe the situation" Ye Chen told Zhao Yanyan to talk about this idea to Wu Ping.

"Okay, I understand, I will immediately explain to grandfather." Zhao Yanyan nodded at Ye Chen, she would try to persuade Wu Ping to carry out her idea.

Zhao Yanyan immediately left this place, she was going to tell Wu Ping about her plans.

"Yanyan, wait a moment." Ye Chen suddenly stopped Zhao Yanyan.

"Husband, what's wrong?" Zhao Yanyan asked why Ye Chen stopped herself.

"Please you say also to your grandfather not to be hasty in making decisions, the current situation is a little unfortunate, lest he be deceived by the enemy disguised as a friend" Ye Chen wanted Zhao Yanyan to warn Wu Ping about a problem.

"Okay, I understand, I will definitely convey your words to grandfather." Zhao Yanyan would definitely convey these words to Wu Ping.

Ye Chen nodded lightly at Zhao Yanyan, he sincerely hoped that Wu Ping could cooperate on this matter.

After ruling over the entire royal family, it would not be long before the Shen Clan would proclaim itself as the new ruler, that's when Ye Chen was sure that people who were allied with the Shen Clan would attend, it was a very good time to turn things around.

.

.

.

Meanwhile outside the Wu Clan manor.

Currently Nanhua Caiyi was standing at the entrance of the Wu Clan manor while wearing a veil to cover her face, Nanhua Caiyi now saw the enemy in front of her.

The enemy that Nanhua Caiyi saw was wearing a robe, this made their appearance mysterious.

When these attackers looked at Nanhua Caiyi they felt an extremely strong attraction from Nanhua Caiyi, this was probably due to Nanhua Caiyi's amazing charm when wearing a veil to cover her appearance.

"You all hurry away from this place right now or you will be annihilated" Nanhua Caiyi told the mysterious assailants to leave this place immediately.

Nanhua Caiyi looked quite good because she still gave people the opportunity to repent and leave right now.

"Hahahaha, beautiful ,are you kidding with us" These people laughed at what Zhang Shiyun had just said, they considered Zhang Shiyun's words a joke.

The strength of these people was not weak, they were strong enough to flatten the Wu Clan to the ground.

"I warned you to leave this place, don't blame it if you die in this place" Nanhua Caiyi has warned these people, if they really don't want to listen her, then they will have to suffer the consequences.

Nanhua Caiyi took a whip from her storage room ring, to fight against these weak people, Nanhua Caiyi didn't need to use her whip, this whip was enough to deal with these people.

"Hi, beautiful why are you taking a whip, do you want to play an attraction for us" One of the attackers said to Nanhua Caiyi in a mocking tone.

"Pah!!! " before the person mocking Nanhua Caiyi could react, Nanhua Caiyi's whip landed on this person's body.

This person's body immediately spat out a lot of blood when it was hit by Nanhua Caiyi's whip.

The attack that Nanhua Caiyi just launched was quite strong, the power of Nanhua Caiyi's whip was like a sword that could injure an opponent very easily.

Seeing this incident, everyone who had previously laughed at Nanhua Caiyi became silent, they did not expect that Nanhua Caiyi could injure one of them with the whip in her hand.

"Pah.. ., Pah.. ., Pah.. ., Pah.. ., "Without giving the enemy time to prepare, Nanhua Caiyi swung her whip to whip these people.

All the enemies in front of Nanhua Caiyi were now in a state of paying little attention, some had deep cuts, some had fractured bones and shattered internal organs.

Nanhua Caiyi no longer held back her strength against people, she didn't care whether this was dead or alive after receiving her attack.

Ye Chen's only order was to eliminate all enemies who tried to attack the Wu Clan manor, so Nanhua Caiyi no longer held back.
