

Chapter 781 - Dragon And Phoenix Positions

"Master survived the fight, I hope you can win against this woman." In this state, Chu Yuechan could only support Ye Chen in order to win against Xue Suyin.

.

.

Time passed, Ye Chen was trying hard enough to survive the onslaught of Xue Suyin.

Xue Suyin was quite surprised to find that Ye Chen's endurance was much stronger than most of the men.

Xue Suyin is very confident in her skills, even an experienced man will definitely not be able to survive her very skilled and formidable technique.

"Ye Chen, you don't have to endure it, you can take out all the burdens you have endured all this time." Xue Suyin tried to persuade Ye Chen by using very seductive words.

Xue Suyin hoped that Ye Chen would end this soon so that he could harvest Ye Chen's Yangqi Essence.

Xue Suyin felt that she wasn't just taking Ye Chen Yangqi by touching him, she wanted to get more from Ye Chen.

Xue Suyin is really quite greedy enough, Xue Suyin's greed could get her the consequences it deserves.

"Sister, please continue." Ye Chen didn't say much, he told Xue Suyin to continue the service that had previously stopped halfway.

"Well, this older sister will make you even more comfortable." Xue Suyin would definitely make Ye Chen give up everything she had.

If she couldn't beat Ye Chen, then Xue Suyin wasn't worthy of being called the Spring Palace Mistress.

Xue Suyin started to continue what she was doing before, she returned to giving Ye Chen a special double service.

When Xue Suyin started what she had previously stopped, Ye Chen again felt a very good feeling, this feeling was very extraordinary for him.

In stark contrast to what Xue Suyin had done before, the current Xue Suyin was even more aggressive, the movements and power used by Xue Suyin were more skilled and better than before.

It could be said by now that Xue Suyin didn't hold back anymore, she showed all the abilities she had.

Xue Suyin believed in her technique, soon Ye Chen would soon lose in her hands.

Just like before, Ye Chen didn't want to lose at the hands of Xue Suyin, Ye Chen tried to refrain from being defeated by Xue Suyin.

The battle between Ye Chen and Xue Suyin continued, it had been nearly 30 minutes since they had started this Dual Cultivation session.

Xue Suyin started to become exhausted in helping Ye Chen, she couldn't believe that there was a man in this world who could endure her skillful technique.

For the first time Xue Suyin was exhausted by a man, this was the first time Xue Suyin felt something like this.

"Ye Chen, is this older sister's technique not good." Seeing this oddity, Xue Suyin finally asked if her technique was uncomfortable.

Xue Suyin hasn't done this for a long time, maybe the reason Ye Chen still hasn't vented is because her technique has decreased.

"Sister, your technique is extraordinary, the younger generation feels a very comfortable feeling." Ye Chen told Xue Suyin that he felt very comfortable.

Hearing Ye Chen say that this was convenient, Xue Suyin became even more confused about where her fault lay.

"Is it possible that I am less seductive for him?" After thinking for a while, Xue Suyin began to know where her fault was, it was likely that she was less stimulating to Ye Chen, this made Ye Chen not to take her own burden off.

If she wanted to make Ye Chen feel even more comfortable, Xue Suyin had to tease Ye Chen even harder.

"Ye Chen, sister is tired, now it's your turn to make sister feel comfortable" Xue Suyin said to Ye Chen to make changes.

"Sister, what do you mean?" Ye Chen looked confused at Xue Suyin's intentions.

Xue Suyin didn't say much to Ye Chen, it's better for Xue Suyin to explain using actions, it will stimulate Ye Chen more quickly.

Xue Suyin started to take off her dress, in an instant Xue Suyin's beautiful body was displayed right in front of Ye Chen.

"Ye Chen, are you interested in older sister's body?" Xue Suyin with a shy expression Xue Suyin asked Ye Chen.

Xue Suyin really knew how to get Ye Chen excited, this woman was obviously acting shyly to make Ye Chen excited.

Ye Chen nodded at Xue Suyin, he told Xue Suyin that he was very interested in Xue Suyin body.

"Then come here, do whatever you want to older sister." Xue Suyin opened her two hands, she looked like she was waiting for Ye Chen to come to her.

In a situation like this, Ye Chen couldn't help but act to be such a passionate young man, Ye Chen went straight to Xue Suyin's embrace.

Without further ado, Ye Chen buried his head between Xue Suyin's two huge double peaks.

Ye Chen started rubbing his face against this soft thing like he was rubbing the best pillow in this world.

Xue Suyin smiled when she saw what Ye Chen was doing, it seemed like Xue Suyin's plan to get Ye Chen excited had worked.

"sister, This is so gentle." Ye Chen told Xue Suyin that this was very gentle.

" Is it true.. , if you want , you can play to your heart's content. "Xue Suyin told Ye Chen that she could do whatever she wanted to herself.

" Is it true ?" Ye Chen asked again with a little disbelief.

"Why am I lying, do what you want" Xue Suyin told Ye Chen to do what he wanted.

Xue Suyin would let Ye Chen do whatever he wanted, after he had had enough, Xue Suyin would definitely beat Ye Chen straight away.

Xue Suyin still didn't accept it when she lost in that case just now.

As a Mistress from the Spring Palace, Xue Suyin couldn't possibly let a man who could endure her charms slip away, it would be an insult to Xue Suyin if that happened.

That's why Xue Suyin must be able to win and conquer Ye Chen with the charm and technique she has.

What Xue Suyin was doing now was one of her own ways to make Ye Chen submit to her.

Hearing that Xue Suyin allowed to do anything to these two great mountain peaks, Ye Chen no longer held back.

Ye Chen started to play and squeezed Xue Suyin's peak a little hard.

"Um.. ." Xue Suyin started to groan when she felt Ye Chen's hand which was quite pleasant.

Ye Chen's movements were completely random, he looked like he was kneading an enormous amount of cookie dough.

Apart from playing with his hands, Ye Chen also started picking up one of the Cherry buds to try out what it was like.

When she saw Ye Chen taste her Cherry buds, Xue Suyin felt an unbearable feeling.

Xue Suyin couldn't believe that good things like this kept happening.

After about 5 minutes since Ye Chen started his activities, Xue Suyin started to feel a dangerous feeling, if this continues, Xue Suyin is afraid that she will soon reach the top.

Xue Suyin didn't want to lose without putting up a fight, she had to win this match no matter what.

Xue Suyin was a veteran woman, how could she be defeated like this by Ye Chen, Xue Suyin had to stop Ye Chen immediately, this handsome boy was really her natural enemy.

"Ye Chen, please stop for a moment." Xue Suyin told Ye Chen to pause for a moment.

"sister,What's wrong ?" Ye Chen asked why Xue Suyin told himself to stop.

"Let's change positions?" Xue Suyin invited Ye Chen to change positions again.

"What position?" Ye Chen asked Xue Suyin what position she wanted.

"Let older sister take the lead." Xue Suyin pushed Ye Chen down into the bed, after pushing Ye Chen into the bed, Xue Suyin started to climb into Ye Chen's body, when Xue Suyin climbed into Ye Chen's body, she started to rotate her body 180 °.

When Xue Suyin turned her body 180 °, a very beautiful private garden appeared in Ye Chen's eyes.

Ye Chen was quite excited when he saw this, it was unexpected that Xue Suyin's personal garden was still very good.

Ye Chen wanted to taste Xue Suyin's tastes as soon as possible.

"Ye Chen, older sister will help you, you should help older sister in return." Xue Suyin told Ye Chen what to do.

"Fine, I understand." Ye Chen immediately understood what Xue Suyin wanted, he knew that Xue Suyin wanted to change the position of dragon and Phoenix.

This position can be said to be the favorite position of most modern couples, with this position, both partners can serve each other.

Xue Suyin didn't say much anymore, she returned to giving mouth service to Ye Chen's large object.

On the one side, Ye Chen also didn't want to lose, he also started to try the honey cave which was already flooded like a river.

Both Ye Chen and Xue Suyin started serving each other, neither of them wanted to lose this battle.

In this battle, whoever took it first would lose, so the two of them tried their best to attack each other.

.

.

.

Meanwhile, outside the door, Zhang Shiyun and Nanhua Caiyi were watching what Ye Chen and Xue Suyin were doing from a small gap in the wall, both of them saw what Ye Chen and Xue Suyin were doing.

"They both look strong." After seeing what happened, Zhang Shiyun could conclude that Ye Chen and Xue Suyin were both strong.

"Fufufu, not necessarily, I see that master is still not serious, if master is serious, that woman will definitely lose" in a small voice Nanhua Caiyi told Zhang Shiyun that Ye Chen looked still not serious.

"Do you think Ye Chen can beat that woman?" Zhang Shiyun asked if Ye Chen could beat Xue Suyin or not.

"You should never underestimate my master, he is the most super man, a woman who has tried his taste will never be able to leave him again." Nanhua Caiyi told Zhang Shiyun that Ye Chen's abilities were extraordinary.

Zhang Shiyun turned red when she heard what Nanhua Caiyi had just said, it was unexpected that a great woman like Nanhua Caiyi would highly praise Ye Chen like this, it seems that Ye Chen's ability is indeed great to the point that Nanhua Caiyi highly praised Ye Chen.

In terms of Zhang Shiyun's ability is still lower than Nanhua Caiyi, if an experienced woman like Nanhua Caiyi said that Ye Chen was great, then Ye Chen's ability would be extraordinary.

"Have you never done anything with master?" Nanhua Caiyi asked Zhang Shiyun, Nanhua Caiyi wanted to know if Zhang Shiyun had ever tasted Ye Chen's taste.

"I haven't had time yet." Zhang Shiyun shook her head, she had not had time to taste Ye Chen's taste.

Whenever Zhang Shiyun wanted to unite with Ye Chen, there were always problems that made her fail to unite with Ye Chen.

Actually Zhang Shiyun was also quite annoyed by this, but she couldn't do anything about this matter.

Now that Zhang Shiyun could only see her favorite man with Xue Suyin, this made Zhang Shiyun feel a little dissatisfied.

"How about after this we join them" Nanhua Caiyi invited Zhang Shiyun to join the battle.

After Ye Chen had successfully counterattacked Xue Suyin, Nanhua Caiyi wanted to join the battle.

"Huh?" Zhang Shiyun looked very surprised when she heard something like this, it was unexpected that Nanhua Caiyi would invite herself to do something like this.

"Why are you making such a reaction, don't you want to join in and help master?" Nanhua Caiyi questioned Zhang Shiyun.

"Isn't that right, is it okay for us to interfere with both of them?" Zhang Shiyun said to Nanhua Caiyi.

"You don't have to worry, the master is a strong man, one or more women is not enough to beat him" Nanhua Caiyi told Zhang Shiyun about Ye Chen's abilities.

Zhang Shiyun held her breath when she heard this, she did not expect that Ye Chen would be that strong.

Zhang Shiyun felt lucky that at that time she did not fight Ye Chen alone, if what Nanhua Caiyi had just said was true, Zhang Shiyun would definitely suffer an embarrassing defeat.

"So mhow?" Zhang Shiyun asked Nanhua Caiyi whether he wanted to join or not.

"Of course I would." After listening to Nanhua Caiyi's story, Zhang Shiyun increasingly wanted to try Dual Cultivation with Ye Chen.

She wanted to see how good ability Ye Chen was, is what Nanhua Caiyi said is the truth or is it just nonsense.

"That's a very good answer, when the time is right, we will both enter together" Nanhua Caiyi said to Zhang Shiyun.

Zhang Shiyun immediately nodded, she understood when to step in and help Ye Chen.

.
. .
.

While Zhang Shiyun and Nanhua Caiyi were discussing, Ye Chen and Xue Suyin were in an all-out battle, Xue Suyin was currently swallowing a whole piece of Ye Chen's big and long thing, she very easily put this entire large object into her mouth.

On the other side, Ye Chen also played with Xue Suyin's secret garden, himself playing and having fun in this secret garden.

Both of them serve each other.

Xue Suyin felt that something would come out of her, she didn't expect that Ye Chen could make herself like this with her skills.

Meanwhile Ye Chen also felt that he was going to take out all the burdens he had endured all this time, Xue Suyin's mouth skills were extremely powerful, this woman was really like a vacuum machine that sucked him up very strongly.

"Ah.. . , Ah.. . , "Ye Chen and Xue Suyin both groaned, it seemed they both reached the top at the same time.

Xue Suyin sprayed an enormous amount of pure Yinqi Essence at Ye Chen, while Ye Chen also expelled an enormous amount of Yangqi Essence into Xue Suyin's throat.

Xue Suyin was shocked to find that Ye Chen was bringing out an enormous amount of Yangqi essence.

"Glup.. . , Glup.. . , Glup.. . , Glup.. . , "Xue Suyin with all her might swallowed all of Yangqi's essence into her stomach.

To Xue Suyin the Yangqi Essence was something very precious, she shouldn't waste this matter.

After 2 minutes, Xue Suyin finally was able to swallow everything into her stomach.

"It's delicious and rich with Yangqi", the essence just now is quite delicious and the amount is so amazing, Xue Suyin feels addicted to this taste.

After discovering this, Xue Suyin felt like squeeze all of Ye Chen's Yangqi without leaving anything behind.

In this match it was seen that the two were evenly, both Ye Chen and Xue Suyin lost at the same time.

Chapter 782 - Sister, I Still Want

"Ye Chen, you really are Best Man, this is the first time that older sister has felt something like this." Xue Suyin praised Ye Chen, she really likes this handsome man.

Xue Suyin has already made up her mind, she will teach Ye Chen more in the future so that she can make her happy.

Xue Suyin didn't care if the previous match was a draw, she was quite happy with what Ye Chen had previously done so that she reached the peak of happiness being a woman.

Even though Ye Chen was quite talented in this matter, from what Xue Suyin saw, the current Ye Chen still looked quite clumsy, therefore Xue Suyin intended to teach Ye Chen so that Ye Chen would become much more powerful and more experienced.

Before doing that, Xue Suyin had to make Ye Chen her loyal servant, she would make Ye Chen obey her by using the Queen Heart Silk which had been trained to a very high level.

"Sister, you are really amazing too, Young brother feels a very comfortable feeling." Ye Chen must praise Xue Suyin's skills, this woman has the most powerful skills Ye Chen has ever met.

"Fufufu, you praise older sister too much." Xue Suyin felt very happy when she heard the praise that came from Ye Chen.

"sister, I still want" Ye Chen told Xue Suyin that he still wanted to.

"Huh?" Xue Suyin was shocked when she heard what Ye Chen had just said, she did not expect that Ye Chen still wanted to continue this fight.

Xue Suyin looked at Ye Chen's object, when Xue Suyin saw Ye Chen's object, she found that Ye Chen's object had recovered.

This discovery made Xue Suyin shocked, Xue Suyin did not expect that Ye Chen would recover so quickly like this.

Usually a man will become limp after a fight and will need a short break to recover.

While Ye Chen could really recover quickly from the battle with herself just now, this discovery made Xue Suyin like Ye Chen more and more.

According to Xue Suyin, Ye Chen was the most valuable gift Zhang Shiyun gave her.

"dear brother, you are very strong, you are indeed the enemy of older sister" Xue Suyin said that Ye Chen was the mortal enemy who was sent here.

Currently Xue Suyin is smiling very beautifully and full of charm, the man who sees Xue Suyin now will immediately be captivated by the charm of Xue Suyin.

"sister, I can't take it anymore, I want you" Ye Chen couldn't take it anymore, he wanted to immediately taste Xue Suyin's taste.

Xue Suyin smiled when she was hugged by Ye Chen, if a random man dared to hug her like what Ye Chen was doing right now, Xue Suyin would have immediately hit the random man into a mist of blood, Xue Suyin hated a man who dare to act without orders from her.

Because Xue Suyin liked Ye Chen enough, she didn't drive Ye Chen away.

"Dear brother, you are too excited, do you really want this older sister to be your woman?" In a coquettish voice, Xue Suyin asked if Ye Chen wanted her.

"Yes.. .,yes.. ., younger brother wants a sister. "Ye Chen didn't think much, he answered Xue Suyin's question according to what Xue Suyin wanted.

In this case Ye Chen had to pretend to be tricked by Xue Suyin, that way Xue Suyin would not be wary of him, when the time was right, Ye Chen would immediately counterattack Xue Suyin.

"Fufufu, you are really very honest, then older sister is willing to be your woman" Xue Suyin said that she was willing to be Ye Chen's woman.

" sister, do you mean it?" Ye Chen again asked Xue Suyin who was in front of him.

"Of course I'm not lying, but I have a condition for you." Xue Suyin said that she had a condition for Ye Chen.

" What is that?" Ye Chen asked what condition Xue Suyin wanted from him.

"From now on, older sister wants you to be obedient to every word of older sister, are you willing or not?" Xue Suyin finally showed her true nature Ye Chen, you can see that Xue Suyin wants to try to rule Ye Chen at will.

In his heart Ye Chen sneered at what Xue Suyin just said, this woman really wanted to try to make herself an obedient servant.

If Ye Chen didn't have a strong mental mind, he would have been overpowered by Xue Suyin.

"OK, I agree." Ye Chen quickly agreed, he pretended to be excited when he heard Xue Suyin's words.

Xue Suyin smiled at Ye Chen, it was quite easy for Ye Chen to obey her.

After successfully conquering Ye Chen's mind, now Xue Suyin only had to conquer Ye Chen's body, after Ye Chen's mind and body had been conquered, Ye Chen would be her toy for This life.

"That's great, then older sister will show you the most extraordinary thing in this world." Xue Suyin said that she would show Ye Chen something much better than the service she had previously given Ye Chen.

Xue Suyin began to climb on top of Ye Chen's body, and began to sit on Ye Chen's muscular stomach.

Xue Suyin's current position was like a woman riding a horse.

Ye Chen saw what Xue Suyin was going to do, from Xue Suyin Ye Chen's posture could already guess what this woman wanted.

Xue Suyin definitely wants to ride Ye Chen, this position is the position most favored by women like Xue Suyin, with this position Xue Suyin can make men easily lose under her body.

It can be seen that this is the position that Xue Suyin likes, with this position Xue Suyin hopes that she can master Ye Chen very easily.

Ye Chen could see that Xue Suyin had a little temperament like a Queen who had to obey her every whim and order, it could be seen from the actions taken by Xue Suyin.

Looks like what Nanhua Caiyi said was true, this woman had a temperament like that of an attacking Queen and an older sister.

What Xue Suyin had shown Ye Chen all this time was only the temperament of an older sister that spoiled her little sister, she only showed a little Queen's temperament when giving Ye Chen a condition to be an obedient man.

Xue Suyin started holding Ye Chen's large object with her hands, Xue Suyin began to position Ye Chen's younger brother towards the entrance of her honey cave.

"Dear brother, you are a very lucky person to be able to taste this honey cave belonging to this older sister, it has been a long time since someone visited it," Xue Suyin told Ye Chen that she was very lucky to be able to reopen Xue Suyin's honey cave. which someone hasn't visited in a long time.

Xue Suyin started playing with Ye Chen's large object at the entrance to her honey cave.

"Sister I want you, hurry and give it to me immediately" Ye Chen could not bear to see this woman continue to play with him.

"Fufufu, get ready to be eaten by this older sister." Finally, Xue Suyin's Honey Cave started to swallow up Ye Chen's large object.

Chapter 783 - Conquer Xue Suyin

When Ye Chen tried to enter Xue Suyin's honey cave, he encountered a bit of resistance from Xue Suyin's honey cave.

It could be seen that Ye Chen's size was heavy enough for Xue Suyin's honey cave to bear.

Xue Suyin did not expect that Ye Chen's thing would become this big, her honey cave seemed to be having a hard time accommodating this big thing.

Xue Suyin tasted something this big for the first time, the wooden stick that Xue Suyin could use couldn't be compared to that of the mighty and powerful Ye Chen.

"Finally entered, this really makes me full" After quite a lot of effort, Xue Suyin was finally able to fit almost all of these large objects.

Her body felt completely filled with large objects that had never been tried in this life.

On the lower side of Xue Suyin, Ye Chen felt a very tight feeling from the walls of Xue Suyin's Honey Cave, Ye Chen felt sucked in by Xue Suyin's honey cave.

Apart from being extremely tight, Xue Suyin's walls also felt like thousands of flower petals were gripping Ye Chen's large object, the feeling of being inside was really very good.

"Dear brother, older sister will move, you just need to enjoy this thing." Xue Suyin told Ye Chen that she was going to start the second round match.

Xue Suyin started moving up and down Ye Chen's body, Xue Suyin started with a slightly slow motion.

The reason Xue Suyin started off a little slowly was because she wasn't used to this large object yet.

Ye Chen's size was enormous, Xue Suyin felt a little sick with this big thing.

Even though it hurt at first, Xue Suyin gradually felt a very good feeling, this feeling was the most extraordinary she had ever felt for thousands of years.

"Dear brother, this is really great, big sister feels like she is in heaven." Xue Suyin said that she felt a very good feeling.

"sister, little brother also feels the same way, inside you is really very good" Ye Chen said to Xue Suyin that he also felt very good feelings.

"Fufufu, then big sister will make you even more comfortable" Xue Suyin started to move more aggressively than before, she started very aggressively moving her waist up and down, left and right.

Xue Suyin is indeed something, this woman's skill is number 1 among all the women Ye Chen has fought, inside Xue Suyin's Honey Cave feels very comfortable, this woman seems to be able to control at will the walls in her honey cave.

The walls of Xue Suyin's Honey Cave would sometimes narrow, sometimes it would become loose, and sometimes it would twist like a maze that could mislead any incoming enemy.

Ye Chen felt a dangerous feeling from Xue Suyin, this woman's skills were beyond his expectations, if it continued like this Ye Chen would not last long against Xue Suyin.

Xue Suyin saw the face of pleasure shown by Ye Chen, it seemed that Ye Chen was enjoying this very much.

It was time for Xue Suyin to harvest Ye Chen's Yangqi for herself, with Ye Chen's pure Yangqi should Xue Suyin be able to break through to a legendary stage that no one in this world had ever reached.

Xue Suyin had been trapped in the realm of half a step to Divine Realm for quite a long time, she also wanted to break through to a realm higher than half a step to Divine Realm.

With rich Yangqi Ye Chen, Xue Suyin should have the possibility to break through to the early realm of the Divine Nascent Realm.

When Ye Chen was enjoying the love that came from Xue Suyin, he suddenly felt that his Yangqi was being sucked by Xue Suyin's honey cave, this discovery made Ye Chen wary of Xue Suyin.

Looks like Xue Suyin has started showing herself to Ye Chen.

"That.. , sister what are you doing? ,Little brother felt something was wrong "Ye Chen said frantically to Xue Suyin.

"Big sister only takes a little your Yangqi, so my dear brother doesn't have to worry." Xue Suyin's triumphant face told Ye Chen what is being done.

"sister please stop, younger brother feels strange?" Ye Chen tried to get Xue Suyin to stop sucking himself.

"Fufufu, it's too late to say that, this older sister will suck you dry." Xue Suyin giggled at Ye Chen, she seemed to be enjoying herself when she saw the terrified face shown by Ye Chen.

The terrified face shown by Ye Chen was quite cute for Xue Suyin.

Xue Suyin continued to move her waist as fast as she could, she was trying to absorb more of the Yangqi that was in Ye Chen's body.

In a short time, the Yangqi in Ye Chen's body was taken by Xue Suyin, this woman's absorbing speed was quite fast.

In his heart, Ye Chen was still very relaxed, he had deliberately let Xue Suyin absorb his Yangqi.

For Ye Chen who had an ancient (Yang) body, what Xue Suyin did was a good thing for Ye Chen.

In this way, Ye Chen won't have to worry about Yangqi's superiority for the foreseeable future.

Ye Chen is currently enjoying the service from Xue Suyin who is really very good and very comfortable, that woman's movements can really make Ye Chen's things feel comfortable.

"Ahhh.. ., ahhh.. ., ahhh.. .," Xue Suyin started to let out a voice that was very soft and very coquettish for Ye Chen to listen to.

Ye Chen who heard this became excited, his thing that was exploring Xue Suyin's honey cave began to swell to the largest size he had ever done.

Xue Suyin is a woman who is quite strong, there are not many women who are able to withstand the strength of Ye Chen's large object when it is at full size, even Nanhua Caiyi is still having trouble withstanding the strength of Ye Chen's large object.

Ye Chen looked at Xue Suyin who was already in the abyss of passion, Maybe now is the time for Ye Chen to counterattack Xue Suyin.

Ye Chen started to circulate his king's heart technique into Xue Suyin's body, Ye Chen tried to get Xue Suyin excited.

Xue Suyin started to get drunk, Xue Suyin's face started to turn red and her breathing started to become faster, Xue Suyin's appearance started to look very lewd .

Xue Suyin started to feel her body getting hot and weak, she also felt a very good feeling in her body, this feeling was really extraordinary, Xue Suyin felt that this feeling was much better than before

"sister, what's going on, why is your face so red ? " Ye Chen asked Xue Suyin who was in front of him.

Ye Chen no longer pretended to be an innocent man like before, now Ye Chen had become himself as usual.

"It's okay, older sister just feels too happy about this." Xue Suyin answered Ye Chen's question.

Xue Suyin still didn't realize that Ye Chen had changed, she was no longer like the innocent boy she had previously played with.

This feeling was too good, Xue Suyin felt that her body became very weak when she felt this good feeling.

This feeling was so good, if it continued like this, Xue Suyin could lose first to Ye Chen.

Xue Suyin decided to stop for a moment to take a short break.

"sister, why did you stop?" Ye Chen smiled when he saw Xue Suyin stop like this.

"It's okay, just a little tired at the waist." Xue Suyin said that she was just a little tired at the waist.

"If sister is tired, let little brother move." Ye Chen started pushing Xue Suyin's body which was on top of him, Ye Chen was currently on top of Xue Suyin's body.

"You, what are you doing how dare you do this" Xue Suyin looked angry when she saw Ye Chen pushing her like this.

"Hehehe, sister, this younger brother will give you a lesson that will never be forgotten" Ye Chen said to Xue Suyin that he would give a lesson that Xue Suyin would never forget.

"How dare you say that to this Mistress, I will definitely make you regret it" Xue Suyin looked angry when she heard Ye Chen words.

"Whatever you say, be prepared to suffer the consequences for daring to play with this little brother." Ye Chen smiled evilly at Xue Suyin.

"Damn" Xue Suyin stretched out her hand towards Ye Chen, she wanted to hit Ye Chen and teach this selfless man a lesson.

"Uhhh.. ." when Xue Suyin wanted to hit Ye Chen, Xue Suyin suddenly felt Ye Chen's large object hit her flower core, which is the innermost part.

Xue Suyin immediately felt a very good feeling when this happened.

Xue Suyin's body trembled as Ye Chen started pumping with a very strong motion, Ye Chen didn't seem to hold back anymore when doing Xue Suyin.

Ye Chen knew he couldn't beat Xue Suyin unless he was serious, that's why Ye Chen used all his abilities to deal with Xue Suyin.

When Ye Chen was really serious, a woman could become damaged when she received the repeated blows from Ye Chen's large object.

Even Xue Suyin who was a veteran found it difficult to hold back the bull-like Ye Chen from rampaging.

"Umm.. . , ahhh.. . , ahhh.. . , "Xue Suyin groaned in a very lewd voice , Xue Suyin really enjoyed this feeling, she felt that her head had become chaotic when Ye Chen moved so aggressively.

It was the first time Xue Suyin felt this feeling, she felt like she was in the highest heaven in the sky, this was really very good.

Ye Chen could see Xue Suyin's face that looked very lewd, this woman seemed to have started to lose consciousness because of the nice and comfortable feeling she got from Ye Chen's big thing.

Seeing Xue Suyin's current expression, Ye Chen felt a very proud feeling, Ye Chen felt proud when he made an experienced woman into this state.

This was an achievement that was proud enough for Ye Chen to be able to make Xue Suyin like this.

Ye Chen used the king's heart technique to take Yinqi Xue Suyin and cultivate it.

When Ye Chen took Xue Suyin Yinqi, Ye Chen found that Yinqi Xue Suyin was quite rich, with this much Yinqi, it should be enough to make Ye Chen break through the half-step realm to Divine Realm.

Xue Suyin really enjoyed Ye Chen's abilities, she loved Ye Chen's skillful abilities, as long as Xue Suyin enjoyed the abilities shown by Ye Chen, Xue Suyin didn't forget to continue absorbing Ye Chen's Yangqi.

Xue Suyin is really lucky, he gets two benefits at one time like this.

When Xue Suyin was absorbed in Ye Chen's Yangqi, suddenly something strange happened to her, Xue Suyin felt that she could no longer absorb Ye Chen's Yangqi, while Xue Suyin felt that her Yinqi was coming out towards Ye Chen's body.

"What happened?" This discovery made Xue Suyin quite shocked, she did not expect that her Yinqi would go to Ye Chen's body at such a terrifying speed.

"Stop.., Stop.. Stop.. ." Xue Suyin told Ye Chen to stop right now, she was trying to push Ye Chen away from her.

If her Yinqi continued to leak at such speed, then Xue Suyin would be in danger.

Xue Suyin tried to push Ye Chen as hard as she could, unfortunately Xue Suyin didn't have the strength to push Ye Chen away.

Xue Suyin felt that all the strength in her body was starting to dissipate.

"Stop, dear brother, please stop.. ." Xue Suyin's desperate voice tried to ask Ye Chen to stop right now.

If this continued, Xue Suyin's cultivates & youth could disappear, Xue Suyin didn't want that to happen, she had to ask Ye Chen to stop right away.

"Dear brother, please stop right now, older sister promises to do whatever you want as long as you want to stop", Xue Suyin had thrown away all her Mistress pride, she tried to ask Ye Chen.

"sister I don't want to stop, it's too comfortable inside, little brother feels very comfortable." Ye Chen refused to stop halfway, Xue Suyin honey cave was very comfortable, Ye Chen didn't want to leave this comfortable place.

"Ends.., over.., it is over.., my youth will end." Xue Suyin closed her eyes, she was already feeling very desperate, she said farewell in her youth.

When Xue Suyin was very desperate, Xue Suyin suddenly felt a very rich Yuan Yin energy enter her body, this discovery made Xue Suyin very surprised.

Xue Suyin opened her eyes, she looked at Ye Chen with a strange look.

Xue Suyin did not expect that Ye Chen would give her Yinqi back in the form that had been taken by Yuanyin, this way Xue Suyin no longer needed to bother turning Yangqi Ye Chen into Yuanyin.

Ye Chen just cultivated the Yinqi he got from Xue Suyin into pure Yuanyin, he didn't absorb it for himself, Ye Chen gave more than half of this Yuanyin to Xue Suyin.

This was done by Ye Chen solely so that his soul could be imprinted on Xue Suyin's soul, so Xue Suyin would find it difficult to leave himself.

"Beautiful sister why are you looking at me like that?" with a very handsome smile Ye Chen asked Xue Suyin.

Seeing Ye Chen's extremely handsome face, Xue Suyin immediately became embarrassed and flushed, Xue Suyin tried to take her face away from Ye Chen.

Somehow Xue Suyin started to feel different when she saw Ye Chen, she felt that Ye Chen had entered the depths of her soul.

"Ye Chen why are you doing this?" Xue Suyin asked why Ye Chen did something like this to him.

What Ye Chen just did made Xue Suyin very touched, maybe Xue Suyin won't be able to leave this little boy again in the future.

"Beautiful sister, I'm doing this because I want you, please be my woman" Ye Chen whispered in Xue Suyin's ear in a serious tone.

Xue Suyin's heart was beating hard when she listened to Ye Chen's proposal, Xue Suyin felt that she had returned to being a young woman who had just fallen in love.

And the lucky person Xue Suyin loved was Ye Chen.

"Really, this older sister will no longer be able to leave little brother anymore, from now on older sister will be your wife forever" Xue Suyin couldn't take it anymore, she promised to be loyal and become Ye Chen's woman.

After tasting Ye Chen's taste, Xue Suyin couldn't possibly leave Ye Chen again, her soul and body had already belonged to Ye Chen.

Ye Chen felt happy when he succeeded in conquering Xue Suyin, from now on Xue Suyin would only belong to him.

Chapter 784 - Zhang Zhiyun Confessed Her Feelings

"Husband, I want you" Xue Suyin started calling Ye Chen as husband, Xue Suyin started acting spoiled towards Ye Chen.

"Dear wife, what do you want from me?" Ye Chen asked Xue Suyin, Ye Chen currently pretended that he didn't know what Xue Suyin meant.

Ye Chen actually knew what wanted Xue Suyin, it's just that Ye Chen wanted to tease Xue Suyin a little.

"Hate, why are you playing with me, you must already know what I mean?" Xue Suyin complained to Ye Chen who was trying to tease her.

"Come on, if you don't say it, how can I know" Ye Chen said that he wouldn't know if Xue Suyin didn't tell himself.

"Husband, I want you to move now, it's really uncomfortable and itchy inside." Xue Suyin couldn't help but say obscene words like this to Ye Chen.

Ye Chen became excited when he heard Xue Suyin's words, he started pumping back inside Xue Suyin's honey cave.

The fight between Ye Chen and Xue Suyin was resumed, different from the previous battle, this time Xue Suyin was more seductive and enchanting than before, this was because Xue Suyin no longer had bad intentions towards Ye Chen, Xue Suyin's mind just wanted to please. Ye Chen alone.

Ye Chen could feel a much more pleasant feeling than before, it seems that after gaining Xue Suyin's soul and body, Xue Suyin started to serve herself better than before.

The two of them continued their dual cultivation sessions, both of them seemed to be enjoying this very much.

Time quickly passed, it had been nearly 8 hours since Ye Chen and Xue Suyin had a Dual Cultivation session.

Xue Suyin felt a little tired from Ye Chen's extremely powerful ability.

If Xue Suyin's position was replaced by a normal woman, the woman who was in Xue Suyin's position would have fainted earlier.

"Husband, I want to rest for a while." Xue Suyin finally tried to ask for a short break, she couldn't stand it anymore like this.

Ye Chen was really abnormal, this man's strength seemed endless, plus Ye Chen's very strong and large weapon made Xue Suyin feel very exhausted by the pleasant feeling given by Ye Chen's weapon.

"Wife just a little longer, I'm not satisfied" Ye Chen said that he wanted to do this any longer.

Xue Suyin's honey cave is too comfortable, Ye Chen is getting addicted to the taste of Cave honey Xue Suyin.

Xue Suyin became helpless when she saw this, she did not expect that Ye Chen would not let herself go, if this continued, Xue Suyin might be killed by Ye Chen's large weapon.

The problem here is that Xue Suyin has a little trouble rejecting Ye Chen, she feels bad about rejecting Ye Chen.

Xue Suyin had no choice but to endure it for a while.

8 hours passed again, Xue Suyin already looked very tired when fighting with Ye Chen.

Xue Suyin could not believe that Ye Chen's libido was still very strong, Xue Suyin this time met someone who could completely defeat herself like Ye Chen.

If this continued, Xue Suyin feared that she would not be able to stand normally for a long time.

16 hours is a very long time, from the beginning until now Xue Suyin has never been to rest.

After Ye Chen erupted, Ye Chen recovered very quickly, this made Xue Suyin feel utterly helpless.

"Bang.. ." When Xue Suyin was in trouble, suddenly someone opened the entrance to this room.

The people who had opened this door were Zhang Shiyun and Nanhua Caiyi, Zhang Shiyun and Nanhua Caiyi standing in front of the entrance of Xue Suyin's room.

Without saying anything Zhang Shiyun and Nanhua Caiyi closed the door again, the two of them immediately walked over to Xue Suyin's bed.

Before climbing into bed Zhang Shiyun and Nanhua Caiyi took off their clothes, the two of them were now naked right in front of Ye Chen.

Ye Chen didn't know what Zhang Shiyun and Nanhua Caiyi wanted in a situation like this.

Zhang Shiyun and Nanhua Caiyi immediately climbed onto the bed and then ensnared Ye Chen on both sides.

"Ye Chen I love you, want you" Zhang Shiyun suddenly whispered that she liked Ye Chen, it's been a long time since Zhang Shiyun wanted to be with Ye Chen, unfortunately it was always delayed because of unwanted things.

From the start Zhang Shiyun already liked Ye Chen, unfortunately she did not dare to admit her own feelings, but today when she saw Ye Chen together with Xue Suyin, Zhang Shiyun felt very uncomfortable in her heart.

Previously, Zhang Shiyun felt worried and lost when she saw that Ye Chen would be controlled by Xue Suyin, this made her know that she actually liked Ye Chen.

If not, how would she feel worried and very lost when she saw Ye Chen would be overpowered by Xue Suyin.

"Huh?" Ye Chen was surprised by confession Zhang Shiyun's very sudden, it was unexpected that the Queen ruler of this kunlun Holy Land would express her feelings to himself.

Even though Ye Chen had thought of enough ways to make Zhang Shiyun fall in love with him, it was unexpected that Zhang Shiyun would express her feelings like this.

"Master, Queen Zhang is not lying, before when you would be overpowered by Mistress, she was very worried, she even forced to come in and help you" Nanhua Caiyi whispered in Ye Chen ear, herself told Ye Chen what happened before.

Previously when Ye Chen was fighting Xue Suyin, Zhang Shiyun looked very worried, Zhang Shiyun even wanted to come in and help Ye Chen from Xue Suyin.

Hearing this, Ye Chen looked at Zhang Shiyun, it seemed this woman had sincerity towards him.

Ye Chen let go of Xue Suyin, he went to take Zhang Shiyun's body beside him.

Xue Suyin felt relieved when she found out that Ye Chen had let go of herself, finally Xue Suyin could rest too.

Xue Suyin really didn't have the strength anymore, she was already very tired, even Xue Suyin had a hard time moving her fingers after fighting Ye Chen for the whole 16 hours.

"Shiyun, is what you said real, do you really like me?" Ye Chen asked Zhang Shiyun if what she just said was the truth or just a joke.

"I tell you honestly, I like you" Zhang Shiyun showed the determination she had to Ye Chen, Zhang Shiyun told Ye Chen that she liked him.

Ye Chen felt happy hearing this, never expected a Queen like Zhang Shiyun would like him.

"Shiyun, I also like you, don't you mind being with me?, You know I already have enough women so.. .

"Before Ye Chen could finish his words, Zhang Shiyun's finger was on Ye Chen's lips to stop Ye Chen from speaking any more.

"Ye Chen I love you, I don't care if you have a lot of women, as long as you can accept me as it is that's enough for me." Zhang Shiyun knew her position, she was no longer pure, she could no longer be compared to a pure and virgin woman owned by Ye Chen.

"Don't talk like that, I don't see a woman just from that aspect alone, as long as you can love me, I can accept you for who you are." Ye Chen tried to comfort Zhang Shiyun from saying that.

After having many women, Ye Chen gaze about a woman is very different , he did not see a woman from the past, now is now the past is the past, as long as Zhang Shiyun is loyal and does not betray Ye Chen, Ye Chen can accept all the shortcomings of Zhang Shiyun.

Ye Chen is still the same as before, he doesn't like women who betray him, that's why until now Ye Chen still can't accept Yu Ting even though Yu Ting has become a beautiful woman and is very seductive.

It doesn't matter if Yu Ting has the appearance of a goddess, Ye Chen still won't want to be with her, Ye Chen's stance is clear, he can't accept Yu Ting at any time.

"Thank you very much." Zhang Shiyun almost cried when she heard this, she was happy to know that Ye Chen could accept her.

Ye Chen can accept women like Xue Suyin and Nanhua Caiyi, why Ye Chen can't accept a beautiful, sexy, seductive and kind woman like Zhang Shiyun, Ye Chen can't possibly reject a beauty like Zhang Shiyun.

"Thank you very much." Zhang Shiyun thanked Ye Chen, it seemed that her choice to confess her feelings to Ye Chen was not wrong.

Ye Chen started to touch Zhang Shiyun's body, he started to touch Zhang Shiyun's double peak and Zhang Shiyun's private garden.

Zhang Shiyun's double peak might be huge, but this could not be compared to Xue Suyin's absurd size.

When Ye Chen explored Zhang Shiyun's garden, he found that Zhang Shiyun was already very watery, it looked like a spring.

Zhang Shiyun had seen what Ye Chen and Xue Suyin were doing for a long time, so it wasn't strange that Zhang Shiyun was already very wet.

Just looking at Ye Chen and Xue Suyin made Zhang Shiyun excited.

"You are so wet here, you are so perverted" Ye Chen whispered in Zhang Shiyun's ear, himself telling Zhang Shiyun that she was a perverted girl.

"Ye Chen, please don't say that, it's a normal reaction." Zhang Shiyun was a little embarrassed when she said this, for the first time Zhang Shiyun showed Ye Chen an embarrassed face.

Ye Chen smiled when he heard this "Shiyun don't call me Ye Chen, from now on you can call me husband, we have officially become a couple" Ye Chen whispered to Zhang Shiyun to call himself husband.

Zhang Shiyun did not expect that Ye Chen would tell herself to call himself that way.

"husband" Zhang Shiyun's strengthened her resolve, she began to call Ye Chen as husband.

Chapter 785 - Collect Three Vixens In One Bed

Ye Chen felt satisfied when he heard Zhang Shiyun's words, from now on he would definitely make Zhang Shiyun happy.

"wife Your is very beautiful and very sexy, you deserve to be my Queen" Ye Chen began to say sweet words to flatter Zhang Shiyun in front of him

Zhang's Shiyun heart was very sweet when she heard Ye Chen words. Ye Chen was probably the first to flatter herself with words like this.

"My King, please don't tease your Queen anymore, your Queen really wants you" Zhang Shiyun did not call Ye Chen husband, he instead called Ye Chen the King.

According to Zhang Shiyun this was much more fun than calling Ye Chen husband, this way Zhang Shiyun could stimulate Ye Chen to be more enthusiastic in loving himself.

Ye Chen nodded at Zhang Shiyun, he would definitely make Zhang Shiyun completely his woman.

Ye Chen couldn't take it anymore, he who was in a high desire to immediately do Zhang Shiyun

Ye Chen began to lift his large object, he was already prepared to break through into Zhang Shiyun's defense.

Since Zhang Shiyun was ready, Ye Chen no longer needed to spend too long on preparations, he only had to break through into Zhang Shiyun's honey cave.

Ye Chen's large object began to move to drill into Zhang Shiyun's honey cave.

Zhang Shiyun felt her body torn when Ye Chen's large object entered, even though Zhang Shiyun had already prepared herself with Ye Chen's large object, it was unexpected that she still had difficulty holding Ye Chen's large object that was too big.

When Ye Chen went inside, Ye Chen found that Zhang Shiyun's honey cave was narrow and felt very soft, there were so many small folds that gave Ye Chen a comfortable feeling, the feeling inside Zhang Shiyun felt comfortable for Ye Chen.

After entering, Ye Chen immediately moved, he started pumping back and forth in a motion that could be said to be normal.

Zhang Shiyun felt a very good feeling, this feeling was so comfortable that it made Zhang Shiyun's mind chaotic.

"My Queen, how?, do you feel do you feel good?" Ye Chen asked Zhang Shiyun who was under his body.

"My King, this is very comfortable, your big thing is so extraordinary, I feel like I will die because of this happiness, ahh... , well it goes deeper." Zhang Shiyun told Ye Chen the feelings she had.

Zhang Shiyun said to be honest, the feeling of doing Dual Cultivation together with Ye Chen was amazing, this was incomparable to Zhang Shiyun.

After trying Ye Chen's taste like this, Zhang Shiyun finally believed what Nanhua Caiyi said, after trying this kind of pleasure Zhang Shiyun could not possibly leave Ye Chen.

"My Queen, inside you is also very comfortable I feel sucked by your little honey Cave" Ye Chen also felt the feeling of comfort given by Zhang Shiyun.

Zhang Shiyun is a woman who cultivated the Dual Cultivation technique, Zhang Shiyun's ability to control the walls of her honey cave need not be doubted, Zhang Shiyun can easily control the walls of her honey cave so that Ye Chen can get more enjoyment.

" husband, I loves you very much, do your wife more stronger" Zhang Shiyun asked Ye Chen to be even stronger so that she could get a better pleasure than this.

Ye Chen nodded, himself no longer holding back, Ye Chen wholeheartedly started to speed up his movements.

When Ye Chen made faster moves, the pleasure that Zhang Shiyun was getting was increasing, Zhang Shiyun felt very good.

She now felt that she was in the highest heaven ever attained in this life.

Currently Nanhua Caiyi can only see Ye Chen and Zhang Shiyun who are busy doing a Dual Cultivation session, Nanhua Caiyi is jealous of Zhang Shiyun who got Ye Chen's large object inside of her.

The current Nanhua Caiyi was very itchy and uncomfortable, and she also wanted Ye Chen's large object to fill the emptiness in her body.

Too bad Nanhua Caiyi could only hold back for a while, she gave Zhang Shiyun time to be with Ye Chen.

Ye Chen and Zhang Shiyun continued to fight for approximately 8 hours without even taking a break.

Zhang Shiyun's appearance looked chaotic, Zhang Shiyun was really thrown by Ye Chen into a state of spring like this.

Zhang Shiyun didn't believe Ye Chen's libido was too strong, even after doing Xue Suyin for 16 hours, Ye Chen was still able to fight herself for a full 8 hours without taking the slightest break.

Zhang Shiyun now understood what Nanhua Caiyi was saying about Ye Chen's ability that one woman couldn't handle, it turned out that this was what Nanhua Caiyi meant.

Zhang Shiyun was already very tired, she needed a little rest to recover, even though this was very fun, Zhang Shiyun was no longer able to withstand Ye Chen's endless attacks.

"Sister Caiyi, please help me" Finally Zhang Shiyun asked Nanhua Caiyi for help in taking her position so that she could rest for a while.

"OK" Nanhua Caiyi nodded immediately, she had been waiting for this for a long time.

Nanhua Caiyi finally took Zhang Shiyun's position to fight Ye Chen.

"Master, please do your servant " Nanhua Caiyi very seductively tried to tease Ye Chen.

Seeing this, Ye Chen let go of Zhang Shiyun who was already very weak, Ye Chen immediately went to Nanhua Caiyi's side and put his belongings into Nanhua Caiyi's Honey Cave.

Ye Chen now began to do battle with Nanhua Caiyi with great passion and passion.

Nanhua Caiyi had often done this together with Ye Chen, she already knew what to do to satisfy Ye Chen.

Among the three women in this room, Nanhua Caiyi was the only woman who knew Ye Chen's preferred taste.

That's why Ye Chen could easily do what he wanted to Nanhua Caiyi.

Time very quickly passed, in an instant, 10 hours had passed, Nanhua Caiyi was already exhausted from facing Ye Chen, he was no longer able to endure the invincible Ye Chen.

"Husband, next me" When Nanhua Caiyi was very desperate, Xue Suyin suddenly got up and asked Ye Chen again.

Xue Suyin was addicted to the feeling that Ye Chen had previously given her, she wanted Ye Chen's big thing to fill her.

Ye Chen nodded, he let go of the helpless Nanhua Caiyi, he went to Xue Suyin's side, Ye Chen put his big object back into Xue Suyin's Honey Cave.

The third round of battle between Ye Chen and Xue Suyin started again, this room was once again filled with Xue Suyin's sweet and gentle groans.

After Xue Suyin was exhausted, Zhang Shiyun stepped forward to replace Xue Suyin, herself back to doing Dual Cultivation together with Ye Chen.

Xue Suyin, Zhang Shiyun and Nanhua Caiyi kept taking turns to serve Ye Chen, the three of them had to join hands if they wanted to defeat Ye Chen.

Inside the room belonging to the Spring Palace Mistress, at the moment there were moans from three different women, this voice clearly belonged to Xue Suyin, Zhang Shiyun and Nanhua Caiyi.

The three of them continued to be forced by Ye Chen to let out a moan that was full of passion.

.
. .
.

Time flies so fast, very quickly 10 days have passed, in these 10 days Ye Chen continued to do Xue Suyin, Zhang Shiyun and Nanhua Caiyi in turn.

The conditions of Xue Suyin, Zhang Shiyun and Nanhua Caiyi were very bad, the three of them were currently quite disheveled, their hair was matted, their bodies were full of sweat, their stomachs looked bulging like pregnant women because they were constantly filled with Ye Chen's Yangqi essence which is endless.

It could be said that currently the appearance of Xue Suyin, Zhang Shiyun and Nanhua Caiyi looked very lewd.

Ye Chen did not expect that he would collect three Vixens like Xue Suyin, Zhang Shiyun and Nanhua Caiyi on the same bed, this was an achievement for Ye Chen who was able to collect beautiful and seductive Vixens like Xue Suyin, Zhang Shiyun and Nanhua Caiyi.

All men in this world would be very jealous when they saw Ye Chen get three beautiful and seductive vixens like Xue Suyin, Zhang Shiyun and Nanhua Caiyi.

All men also want to do the same as Ye Chen who can enjoy the beautiful and seductive Vixens like Xue Suyin, Zhang Shiyun and Nanhua Caiyi.

It's a shame that ordinary men couldn't possibly stand against three beautiful and seductive Vixens like Xue Suyin, Zhang Shiyun and Nanhua Caiyi, if ordinary men forced a fight against Vixens like Xue Suyin, Zhang Shiyun and Nanhua Caiyi, they would have now become dry corpses because they suction by Xue Suyin, Zhang Shiyun and Nanhua Caiyi.

The skills of Xue Suyin, Zhang Shiyun and Nanhua Caiyi need not be said anymore, just one of the three could easily make a mighty man dry like a corpse.

Ye Chen was probably the only man capable of bringing these three beauties into this state.

Ye Chen hugged the three of them in his arms, he decided to sleep with the three Vixens who now belonged completely to him.

After a long battle of 10 days and 10 nights, Xue Suyin, Zhang Shiyun and Nanhua Caiyi were completely defeated by Ye Chen, after trying Ye Chen's ability that was too strong the three of them would no longer be able to leave Ye Chen.

Ye Chen was a little tired after a long battle with Xue Suyin, Zhang Shiyun and Nanhua Caiyi, he decided to sleep and rest for a while with Xue Suyin, Zhang Shiyun and Nanhua Caiyi who were currently in his arms.

Ye Chen enjoyed the beauty of Vixens in his arms, he felt that life was very beautiful, if he could continue to live like this, then Ye Chen was very satisfied.

Chapter 786 - Situation In Royal Capital

Meanwhile in the current capital.

The situation in the capital was very heated up, the Shen Clan began to form an opinion that Zhang Shiyun had been killed by someone, this made the situation very chaotic, without a leader of the royal family it would be very easy to attack by the enemy.

That's why the Shen Clan and the rebels suggested that they immediately find a replacement for Zhang Shiyun to become the new leader for the royal family.

The ministers and all the dukes were already ruled by the Shen Clan, the final decision made would definitely make the Shen Clan the new leader.

Anyone who dared to refuse and disagree would be immediately eliminated by the Shen Clan and its loyal allies.

That's why no one dared to refuse and disagree with the results of the decisions made.

Until now, the Wu Clan had remained silent, they didn't seem to want to interfere in this matter.

Whereas usually the Wu Clan would be at the forefront when dealing with the Shen Clan, but now they seemed silent and did nothing when they saw the Shen Clan want to take the throne to replace Zhang Shiyun.

As instructed by Zhang Shiyun before leaving, Wu Ping was prohibited from doing anything useless during his absence, because of this Wu Ping did not want to move even though he knew that there were already so many people who had been eliminated by the Shen Clan in order to become a ruler.

Even from the news that Wu Ping heard, the Yu Clan and Min Clan were already controlled by the Shen Clan.

The Yu Clan and Min Clan rejected the proposal of making the Shen Clan the new ruler of the royal family, according to them the Shen Clan was not feasible because they were too ambitious to do anything.

The Yu Clan and Min Clan feared that if the Shen Clan came to power then the Shen Clan would definitely become a tyrant who would justify any means for their own benefit, because of this the Min Clan and Yu Clan disagreed when they found out that the Shen Clan wanted to become a new leader.

Seeing the refusal of the Yu Clan and Min Clan, the Shen Clan was forced to use force so that these two Clans would submit to them, with the strength of the Shen Clan and its very strong allies, it was not difficult for them to subdue the Yu Clan and Min Clan.

Now there is only the Wu Clan alone who has not submitted to the Shen Clan.

As if the Shen Clan couldn't subdue the Wu Clan, in the Wu Clan there were two great experts like Xing Mei and Nangong Xiang.

When the Shen Clan sent people to destroy the Wu Clan, the Shen Clan people were always beaten by Xing Mei and Nangong Xiang very easily, they had no resistance when fighting Xing Mei and Nangong Xiang.

Everyone who had malicious intentions for the Wu Clan was swiftly purged by Xing Mei and Nangong Xiang.

.
. .

In a Wu Clan manor room that became Ye Chen's room, Zhao Yanyan was currently looking out the window, she seemed to be thinking about something.

"Yanyan sister, what are you thinking about?" While Zhao Yanyan was daydreaming, Xing Mei came over and asked Zhao Yanyan.

Hearing the voice from Xing Mei, Zhao Yanyan immediately turned around and looked behind her, behind her already was Xing Mei and Nangong Xiang who were standing behind her.

"Nothing, I'm just thinking about Ye Chen who went to the Spring Palace" Zhao Yanyan told Xing Mei and Nangong Xiang that he was currently thinking about Ye Chen.

She was thinking about Ye Chen who went to the Spring Palace together with Zhang Shiyun and also Nanhua Caiyi, it has been ten days that Ye Chen left without a word, Zhao Yanyan was worried that something would happen to Ye Chen.

"Ye Chen will definitely be fine, maybe he is doing something important." Xing Mei tried to convince Zhao Yanyan not to worry about Ye Chen.

Ye Chen's strength is not weak, definitely nothing will happen to Ye Chen.

"Maybe he is currently having fun with the Vixen in the Spring Palace, the place is full of beautiful and sexy women, there is a place that Ye Chen likes." Unlike Xing Mei, Nangong Xiang told Zhao Yanyan that Ye Chen might be currently having fun with the woman from the Spring Palace.

Nangong Xiang already knew what Ye Chen and Zhang Shiyun would do at the Spring Palace, so it was not strange for her to say things like this.

Zhao Yanyan could only smile when she heard the opinion that Xing Mei and Nangong Xiang had, what Xing Mei and Nangong Xiang Nangong Xiang said might be true.

The current Ye Chen must be fine when he is in the Spring Palace, there should be nothing that can harm Ye Chen in this place, otherwise the women from the Spring Palace must instead be wary of Ye Chen or they will become Ye Chen's delicious food.

"Sister Xiang, what's the current situation?" Zhao Yanyan asked the current situation of the royal palaces and capitals that the Shen Clan had ruled.

Zhao Yanyan put Ye Chen's business aside, she was sure that Ye Chen would return as soon as possible.

"The situation becomes bad, people who oppose Shen Clan one by one began to be arrested and get rid of not it secretly, now no one can stop Shen Clan to become the new ruler" Nangong Xiang told Zhao Yanyan that the situation in the royal capital and royal palace was getting worse.

The Shen Clan had already expanded its power to the lowest level on its own, now that everything was almost completely overtaken by the Shen Clan.

It was only a matter of time before the Shen Clan declared themselves the new rulers who controlled a portion of the Kunlun Holy Land.

"So the situation is getting worse." Zhao Yanyan nodded at Nangong Xiang, it looks like the Shen Clan will soon take the throne.

If Ye Chen and Zhang Shiyun didn't come back as soon as possible, then Zhao Yanyan would have no choice but to go to contact Ye Chen and Zhang Shiyun.

Her own grandfather couldn't bear to see what happened to the good people who had been Wu Clan's allies for a very long time.

If only Wu Ping had gotten the order right now, he would definitely take up arms and fight against the Shen Clan who had so dared to carry out a rebellion like this.

Unfortunately due to Zhang Shiyun's orders to wait for the right timing, Wu Ping had no choice but to wait and be patient.

"Sister Yanyan, let me take care of these people, I can quickly take care of the rebels." Xing Mei told Zhao Yanyan that she was willing to take care of the rebels.

Zhao Yanyan could only smile when she heard Xing Mei's words that wanted to eradicate all the rebels who had seized power from the royal family.

" Young Sister Mei, you can't just make decisions like that, if you act recklessly like that, you will drag people who have nothing to do with this matter. "Zhao Yanyan stopped Xing Mei.

Zhao Yanyan didn't want Xing Mei to drag innocent people into this situation, if it was until Xing Mei to attack everyone there, Xing Mei would definitely involve unrelated people in the matter of the Shen Clan rebellion.

Just like before, the Shen Clan moved very neatly and hiddenly, their movements were very difficult to track which made it difficult to determine which enemies were friends.

It was for this reason that Zhao Yanyan forbade Xing Mei to rush into action or else they would injure people who were completely uninvolved in this matter.

Xing Mei was quite disappointed by the answer given by Zhao Yanyan, even though Xing Mei wanted to help solve this problem a little for Zhao Yanyan.

Zhao Yanyan understood what wanted Xing Mei, but the problem was that for the time being they had to focus on the original goal, they had to wait for the Shen Clan and the enemies to show themselves in front of the public, that way this situation would be reversed very easily.

Zhao Yanyan could only hope that Ye Chen and Zhang Shiyun would return as soon as possible, if both of them came back then this plan would be carried out very well.

Chapter 787 - Spring Palace Treasure Warehouse

Meanwhile at the Spring Palace, Ye Chen started to wake up from his sleep, when Ye Chen woke up from his sleep, he found that Xue Suyin, Zhang Shiyun and Nanhua Caiyi were still sleeping very peacefully.

The three of them were still very exhausted when they fought Ye Chen for 10 days and ten nights.

"How long have you been together with the three of them?" Ye Chen did not remember that a long time had passed, when he and Xue Suyin, Zhang Shiyun and Nanhua Caiyi had forgotten everything.

Even Ye Chen couldn't remember how much time had passed when he did Dual Cultivation together with Xue Suyin, Zhang Shiyun and Nanhua Caiyi.

"Master, it's been 10 days since you did Dual Cultivation with the three of them." Chu Yuechan told Ye Chen that 10 days had passed.

"What !!!" Ye Chen was very surprised when he found out that it had been 10 days since he had done the three beauties in his arms.

Ye Chen thought that only 2 days had passed since he started Dual Cultivation with Xue Suyin, Zhang Shiyun and Nanhua Caiyi, unexpectedly it had been 10 days since the four of them did Dual Cultivation.

when Ye Chen did Dual Cultivation together with Xue Suyin, Zhang Shiyun and Nanhua Caiyi himself forgetting everything, these three were too stimulating for Ye Chen, this made Ye Chen addicted and didn't want to stop doing Xue Suyin, Zhang Shiyun and Nanhua Caiyi.

When Ye Chen found out that ten days had passed since he did Dual Cultivation together with Xue Suyin, Zhang Shiyun and Nanhua Caiyi. himself became worried about the state of Zhao Yanyan and Nangong Xiang who were in the royal capital, the two of them were currently very worried about Ye Chen.

Ye Chen had to immediately get the Ginseng of life edge from Xue Suyin's hand, after getting the Ginseng of life edge Ye Chen could make a Divine awakening pill for Zhao Yanyan.

"Suyin wake up, Suyin wake up, Suyin wake up" Ye Chen tried to wake Xue Suyin quite gently, Xue Suyin was tired so Ye Chen tried to be as gentle as possible while waking Xue Suyin.

"Emmm, my husband is very tired please let me go, your thing is too big, I was completely overpowered by him." Xue Suyin started delirious, you can see that Xue Suyin is currently dreaming of doing Dual Cultivation together with Ye Chen.

What she had previously done together with Ye Chen turned out to be brought by Xue Suyin into her dream.

Ye Chen shook his head when he saw the delirious Xue Suyin, this woman had actually dreamed of that again in her dreams.

"Suyin wake up." Ye Chen tried to wake Xue Suyin again, this time Ye Chen used a little bit of strength to wake up.

When Ye Chen used a little of his strength, Xue Suyin finally came to her senses, she immediately got up and looked at Ye Chen.

"Hoamm. . . , Husband why did you wake me up, is there a problem?" Xue Suyin was still yawning, you could see that Xue Suyin was still a little tired from the Dual Cultivation session they had previously done.

"Suyin, is the Ginseng of life edge in your hands?" Ye Chen asked if the Ginseng of life edge was in Xue Suyin's hands.

"Huh? , Ginseng of life edge?" Xue Suyin was still not very conscious, she did not understand what Ye Chen was referring to at the moment.

Seeing that Xue Suyin was still not very conscious, Ye Chen began to explain what he wanted from Xue Suyin.

Ye Chen explained to Xue Suyin that he needed the Ginseng of life edge that Zhang Shiyun had given her.

"Oh that thing, it is on me, but I'm not carrying it now" Xue Suyin told Ye Chen if she is not carrying Ginseng of life edge.

"Where did you put it?" Ye Chen asked where Xue Suyin put the Ginseng of life edge.

"The ginseng of life edge is in the treasure warehouse, I put it there so that it is safe from someone's reach." Xue Suyin told Ye Chen where the Ginseng of life edge was.

Xue Suyin put the Ginseng of life edge in the treasure storehouse, that's where Xue Suyin kept all the precious items that were owned by the Spring Palace.

"Where is it? , please take me there." Ye Chen wanted Xue Suyin to escort himself to the Spring Palace treasure warehouse.

"Okay, let's go" Xue Suyin started trying to get off the bed, when Xue Suyin tried to put her feet on the floor, Xue Suyin felt her feet feel very soft, she felt a sharp pain from her lower body.

Xue Suyin canceled her intention to get out of bed, she sat back on the edge of the bed.

Xue Suyin was helpless to find this out, it seemed that her lower body was swollen very badly due to the long battle she had together with Ye Chen.

Xue Suyin has never experienced this problem, it was her first time experiencing this kind of problem.

This was most likely because Ye Chen's object was too big and so strong, Xue Suyin's lower part had become quite swollen.

"Why are you sitting back down?" Ye Chen asked why Xue Suyin even returned to sitting on the edge of the bed.

Even though Xue Suyin just now said that she wanted to take Ye Chen to the treasure warehouse.

"husband, this is your fault, you are so bad." Xue Suyin complained that Ye Chen was insensitive to what was happening to her.

"Huh? bad why?" Ye Chen didn't understand what Xue Suyin said just now, why did Xue Suyin think of himself as bad man, even though Ye Chen didn't do anything to Xue Suyin.

"It's because you were too strong yesterday, my lower body is now sore and swollen." Xue Suyin told Ye Chen what had happened to her.

Hearing this, Ye Chen smiled at Xue Suyin, it seemed like Xue Suyin's lower body was badly injured because of the 10 day battle that Ye Chen had together.

"So what should I do to make up for my mistakes?" Ye Chen asked what he had to do to make amends.

"You have to carry me to the treasure warehouse." Xue Suyin told Ye Chen to carry her away to the treasure warehouse.

"Okay, I'll do it, but first you put your clothes on." Ye Chen agreed to do that, Ye Chen also told Xue Suyin to wear her clothes.

"why, in the Spring Palace there are only women, you don't need to worry" Xue Suyin told Ye Chen that there were only women in this place.

"It's not that, the problem is your body is too seductive, I can't bear to keep looking at it like this" Ye Chen told Xue Suyin that he has a very seductive body and can make Ye Chen become excited again.

Xue Suyin smiled charmingly when she heard this, she was delighted by the praise Ye Chen just said.

"Husband, is my body beautiful?" Xue Shuyin asked Ye Chen if his body looked beautiful.

"You don't need to ask questions like that, you have a very beautiful body" Ye Chen said to Xue Suyin.

Xue Suyin has a very blessed body, most women will envy Xue Suyin's body which is very beautiful.

Xue Suyin's heart felt sweet when she heard this, the feeling of being praised by the man she liked was really very sweet.

Xue Suyin likes Ye Chen more and more, she will definitely continue to serve Ye Chen with all her heart.

Xue Suyin started to make a very sexy pose, she started showing off her beautiful body to Ye Chen.

"Hurry up and put on your clothes, don't let you wake up the sleeping wolf" Ye Chen told Xue Suyin to immediately put on a proper outfit to cover her body.

"yes. . ., yes. . ., I understand." Xue Suyin became afraid as she listened to what Ye Chen had just said.

Xue Suyin's lower body was still swollen, if she had to fight Ye Chen again, then Xue Suyin would definitely die under Ye Chen's great weapon.

Xue Suyin started to take out a dress from her storage ring, she immediately put on a plain white dress to cover her body.

Xue Suyin had become completely different from before, now Xue Suyin looked even prettier and more dazzling than before.

After doing Dual Cultivation together with Ye Chen, Xue Suyin's body became even more moist and prettier than before.

Xue Suyin had not yet discovered the changes that had occurred to her body, she was still not aware of what was happening to her body.

"Husband, please carry me." After finishing the clothes, Xue Suyin asked Ye Chen to carry her to the treasure warehouse that belonged to the Spring Palace.

"Okay" Ye Chen nodded at Xue Suyin, he began to carry Xue Suyin like a prince carrying a beautiful princess in a fairy tale.

Xue Suyin felt so happy when she was treated this way by Ye Chen, she felt like a princess who was spoiled by a prince.

"Where is it going?" Ye Chen asked where to go to the Spring Palace treasure warehouse.

"After exiting the door you take the path to the left." Xue Suyin told the Path to the Spring Palace treasure warehouse.

Ye Chen followed the directions given by Xue Suyin, he walked away leaving Zhang Shiyun and Nanhua Caiyi who were in the room.

Zhang Shiyun and Nanhua Caiyi were still sleeping quite soundly, Ye Che could not bear to wake them both from their sleep.

Therefore Ye Chen let these two women stay asleep even longer.

Ye Chen carried Xue Suyin to the treasure warehouse, with the directions given by Xue Suyin, Ye Chen easily found the treasure warehouse that belonged to the Spring Palace.

Chapter 788 - Sage God's Wind Veins (1)

Ye Chen and Xue Suyin went to the treasure warehouse that belonged to the Spring Palace, on the way to the treasure warehouse, Ye Chen saw that there were countless women from the Spring Palace on guard around this place.

Women were on guard against those who wanted to steal the treasure that was in the warehouse

When Ye Chen and Xue Suyin walked, these women lowered their heads and paid their respects to Xue Suyin and Ye Chen.

These women certainly salute the Spring Palace mistress, they fear if the law does not give the glory to Spring Palace Mistress.

Xue Suyin didn't care about these women at all, she was focused on enjoying the feelings in Ye Chen's arms, she forgot everything around her.

Women who are in love are weird, they can ignore everything around them because of the love they have.

In the instant that Ye Chen arrived in front of the enormous gate, this gate was at least 5 meters high by 3 meters wide.

"Is this the treasure warehouse you mean?" Ye Chen asked if this was the treasure store that Xue Suyin had previously intended.

"Yes, this is the treasure warehouse I mean, Ginseng of The life edge you are looking for is in there." Xue Suyin told Ye Chen if Ginseng of the life edge that was looking for Ye Chen is in there.

"Then let's go in." Ye Chen started trying to push the entrance to the Treasure Warehouse.

When Ye Chen tried to push the entrance to the treasure warehouse, he found that this door was locked, Ye Chen couldn't open it in the normal way.

"The door is locked?" Ye Chen asked why the door was locked.

"Fufufu, husband of course this is locked, the key is in my hand." Xue Suyin giggled at Ye Chen, she told Ye Chen that the key was in her hand.

"Why don't you say, quickly open the door." Ye Chen was helpless with Xue Suyin, Xue Suyin loved to make fun of himself.

Xue Suyin continued to giggle, she was quite happy to tease Ye Chen, there was a pleasant feeling when she teased Ye Chen.

Xue Suyin stretched out her hand, a symbol that resembled a flower appeared in Xue Suyin's hand.

When Xue Suyin touched the door, the flower symbol in her hand glowed.

"rumble.. . , rumble.. . ,rumble "The door began to rumble in a voice loud enough to be heard.

A few moments after that the door opened by itself without the need to be pushed again.

When the door opened, Ye Chen could see what was inside the Spring Palace treasure warehouse, inside this warehouse Ye Chen saw the countless profound crystals, artifacts, medicinal herbs, pill bottles, and many more treasures that were stored in this place.

"Wow.. . " Ye Chen was a little surprised when he saw the pile of treasures that the Spring Palace had, not unexpectedly that the Spring Palace was quite rich as well.

"Husband, this is the treasure warehouse of the Spring Palace, from now on everything in this room is also yours." Xue Suyin told Ye Chen that what was in this room would belong to Ye Chen.

"Huh?" Ye Chen shocked when heard Xue Suyin words, not in the thought that Xue Suyin would say just now to Ye Chen.

Xue Suyin really gave everything in this room to Ye Chen.

Xue Suyin wanted to prove her love for Ye Chen, therefore she share treasure that is here to Ye Chen.

Women in love are totally crazy, they are willing to give their all to the man they love.

Ye Chen felt touched by what Xue Suyin was doing, this woman was willing to give the precious thing she had to Ye Chen.

"Suyin, you don't need to do something like that, I don't need this kind of thing from you, all I want is you." Ye Chen said to Xue Suyin who was in his arms.

Ye Chen did not need Xue Suyin's belongings, all Ye Chen wanted was Xue Suyin, for Ye Chen this much was useless, he had Xue Suyin more than all the treasures in this treasure warehouse.

Xue Suyin felt the sincerity of Ye Chen, according to Xue Suyin, Ye Chen was quite a sincere man, it was quite difficult to find a man like Ye Chen in this world.

Xue Suyin felt lucky to be able to meet Ye Chen, Ye Chen was the most suitable man for her in this life.

"Husband, you are very kind." Xue Suyin thanked Ye Chen, Xue Suyin's smile became even more and more charming for Ye Chen.

Xue Suyin started to look different from the first time Ye Chen met her, now Xue Suyin could really be honest with her own feelings.

"Where did you put the Ginseng of life edge from Shiyun?" Ye Chen asked where Xue Suyin put the Ginseng of life edge that Zhang Shiyun gave her.

"Please put me down, let me find it for you" Xue Suyin wanted Ye Chen to lose herself.

Xue Suyin herself will help Ye Chen find the Ginseng of life edge.

"OK" Ye Chen put Xue Suyin down from his embrace.

When Xue Suyin tried to stand up, she still felt a little limp in her legs, Ye Chen was forced to help Xue Suyin stand properly.

"Are you sure you're okay?" Ye Chen asked Xue Suyin.

"I'm fine, you don't have to worry." Xue Suyin is fine, she needs some time to adapt to this slight pain.

After a while, Xue Suyin began to adapt to this pain, she was getting used to it.

After feeling better, Xue Suyin immediately went to look for the existence of the Ginseng of life edge.

Xue Suyin remembered that she kept the Ginseng of life edge in a special chest, it meant that the Ginseng of life edge was in a pile of crates that were piled very high.

After searching for a long time, Xue Suyin finally found the box that contained the Ginseng of life edge.

"Husband, this is the item you are looking for." Xue Suyin handed over a chest that was quite large in size to Ye Chen.

Ye Chen received the chest from Xue Suyin, he began to open and look at the contents in this chest.

When Ye Chen opened the chest that Xue Suyin gave him, Ye Chen found that in this chest there was a ginseng which was quite large in size.

Judging from its size, the Ginseng of life edge in his hand was quite old.

The older the Ginseng of life edge, the better and better quality pills will be.

"How, are you satisfied with that?" Xue Suyin asked whether Ye Chen was satisfied or not with what she had given the Ginseng of life edge.

"Yes, I'm satisfied, thank you very much." Ye Chen was satisfied with the Ginseng of life edge in his hand, this had already exceeded his expectations.

"I am happy when you are satisfied." Xue Suyin felt happy when Ye Chen was satisfied.

Xue Suyin started to hug Ye Chen, she looked very spoiled in front of Ye Chen.

"You're getting more and more spoiled, where did your older sister's character go last night?" Ye Chen said to Xue Suyin who acted spoiled to him.

"So what?" Xue Suyin asked Ye Chen.

Chapter 789 - Sage God's Wind Veins (2)

"There's no problem, it's just that I prefer you who look like an older sister who likes to spoil me like that night." Ye Chen said that he liked to see Xue Suyin who looked like an older sister who spoiled her sister.

Ye Chen prefers to be spoiled by a beautiful and Sexy older sister like Xue Suyin.

Xue Suyin smiled when she heard this, it turned out that Ye Chen liked her to spoil her like that night.

If that's what Ye Chen wants, then Xue Suyin will start looking like that again.

"So you like something like that, I never thought you have a fetish like that" Xue Suyin smiled at Ye Chen.

"It can't be helped, I like things like that" Ye Chen did not dodge Xue Suyin's words, he really likes mature women who want to pamper him.

Somehow being spoiled by beautiful and sexy adult women is quite fun, Ye Chen feels very happy about it.

Maybe some will find Ye Chen strange because he has this kind of thing, Ye Chen doesn't really care what other people think of him, as long as Ye Chen feels happy and cheerful, then he won't care about the opinions that come from other people.

Xue Suyin went to Ye Chen's side, she started hugging Ye Chen affectionately.

"Boing.. "Xue Suyin's H Cup double peak was so tightly attached to Ye Chen's body, Ye Chen couldn't focus on Xue Suyin when these two large and soft objects pressed against him.

Xue Siyun's two double peaks were truly a weapon quite dangerous for men who saw it or felt it, Ye Chen even became excited when these two huge double peaks pressed against him.

Xue Suyin seemed to be on purpose to do this to Ye Chen, what Xue Suyin wanted to do was spoil Ye Chen even more.

"Alright, alright, that's enough." Ye Chen pushed Xue Suyin away from himself, Ye Chen was not strong anymore if he continued like this, he might do something unwanted to Xue Suyin.

"Eh why? Didn't you say you wanted to be spoiled by older sister?" Xue Suyin was confused by Ye Chen who suddenly pushed her away.

"There is no problem, it's just that these two things are too seductive, it makes me excited" Ye Chen said that he couldn't stand the temptation just now.

Xue Suyin smiled dazzlingly when she heard this, it seemed that her assets made Ye Chen couldn't stand it.

If only Xue Suyin wasn't in a bad condition, Xue Suyin would have dared to tease Ye Chen even more, but her body was still injured, so Xue Suyin didn't dare to tease Ye Chen too hard.

"Is this all you need?" Xue Suyin asked if this was all that was needed by Ye Chen from this place.

"I only need this, let's go right now." What Ye Chen needed was just this, he didn't need anything else in this place.

"Let's go" because Ye Chen no longer needed what was here, Xue Suyin invited Ye Chen to leave this place.

Just when Ye Chen was about to leave this place, he felt that something was calling him.

Feeling this feeling Ye Chen immediately stopped his footsteps, he immediately turned around and looked back.

"Husband, what's wrong?" Seeing Ye Chen stop suddenly like this, Xue Suyin immediately asked what happened.

"I felt something calling me from within this room" Ye Chen told me that he felt something was trying to call him.

"Husband, there are only the two of us here, are you sure someone just called you?" Xue Suyin didn't hear anything, she didn't know who just called Ye Chen.

"I really believe that if something just called me, I will go and find out" Ye Chen canceled his intention to leave this place, he went to the source of the thing that called him.

Seeing Ye Chen leaving like that, Xue Suyin started to follow Ye Chen, she wondered what Ye Chen would do.

Ye Chen headed towards the pile of treasure chests where the Ginseng of Life Edge had previously been placed.

Ye Chen started rummaging through the pile of treasure chests in front of him, as if he was looking for something in this pile of treasures.

Xue Suyin was very curious about what Ye Chen was doing, she didn't understand what Ye Chen really wanted.

After rummaging through the pile of treasure chests, Ye Chen found a chest that made him feel a very familiar feeling, it was clear that what was in this chest was closely related to Ye Chen.

Ye Chen had also felt this way before, what was in here must have something to do with the legacy of the Sage God.

Inside this chest there must be a Crystal inheritance left by the Sage God.

Xue Suyin looked at the chest that Ye Chen had just taken, if he remembered correctly, inside this chest was a green crystal that was given to her by an old hermit, the old hermit who gave this told herself to take good care of it until it arrived, it's time for someone to come and take this crystal.

If Xue Suyin remembered correctly, the old hermit had a message that the person who took the contents in this box would change her life.

Until now Xue Suyin still didn't understand the old hermit's words.

When Ye Chen was happy to find the treasure in this place, suddenly the box in Ye Chen's hand started to shake quite strangely.

Ye Chen and Xue Suyin were both shocked when they saw this, they both didn't know what really happened to this chest.

The chest in Ye Chen's hand suddenly flew between Ye Chen Xue Suyin.

"What happened?" Xue Suyin was confused by what was happening before her eyes, she didn't know why the chest in Ye Chen's hand suddenly floated up like that.

"I don't know either, I didn't do anything" Ye Chen also didn't know, he didn't do anything to the chest he just took.

"Click" suddenly the chest opened by itself, when the chest opened this treasure warehouse was immediately filled with a very strong wind.

This phenomenon was quite strange, even though this room was so closed off, there was no way strong winds could enter unless a cultivator used the strength they had in this place.

Both Ye Chen and Xue Suyin didn't use their strength, it meant that this wind came from what was inside the chest.

The crystal inside the chest started to give off a green light, after the crystal in the chest gave off a light, the crystal immediately shot out and entered Ye Chen's body.

Ye Chen couldn't react when he saw this, all he could feel was the feeling of a gentle wind enveloping his body.

The green crystal started to fuse with Ye Chen's Sage God Vein, one of the 6 Sage God's Veins that previously did not emit a color, now became green like the color of the wind.

After the green crystal completely fused with the Sage God's Veins, Ye Chen felt that the wind around him was getting very friendly.

"As I thought, this is the wind crystal left by the Sage God." Ye Chen said in his heart, Ye Chen guessed that what was in the chest was the crystal that the Sage God left for him.

Chapter 790 - Sage God's Wind Veins (3)

Ye Chen started looking for information about the Sage God Wind Vein that was in his memory, he looked it up in the manual given by Sage God to find out the details of the Inheritance of the wind vein he had just obtained.

After obtaining the inheritance of the wind crystal, the manual that was in his memory opened, Ye Chen could now learn some of the techniques left by the Sage God and also the information about the inheritance Sage God Wind Vein He had just acquired.

When Ye Chen opened the Sage God Wind Vein, he would gain increased speed in all aspects, even when carrying out an attack or launching a technique, Ye Chen's speed would increase very quickly.

When Ye Chen uses the Sage God Wind Vein, Ye Chen will consume quite a lot of his Stamina, the longer the Sage God Wind Vein is opened, then Ye Chen will quickly become exhausted, the worst thing that happens is that Ye Chen's heart will receive a heavy burden for his activities, that is excessive and will get hurt.

This means that the Sage God Wind Vein relies on Ye Chen's physical strength, the stronger the physical strength, the longer the time using the Sage God Wind Vein will be.

According to Ye Chen, increasing speed is not a bad thing, it can help in important times such as in battle or when running from enemy chases.

If Ye Chen could double his speed, then that would be an advantage for Ye Chen.

Ye Chen didn't know how fast the speed increase was obtained when using the Sage God Wind Vein, for this he would find out later.

Currently near Ye Chen is Xue Suyin, Ye Chen can't be careless to show his strength carelessly or Xue Suyin can be suspicious of him.

Ye Chen always kept the matter of the Sage God inheritance secret from all of his wives, he did not want this secret to be known by his wives.

It's not that Ye Chen doesn't believe in his wife, this problem is a very serious problem, if this thing leaks out, then it will be a problem for Ye Chen and all the women.

The legacy of the Sage God is something very, very precious, throughout this universe there are countless people who dream of obtaining an inheritance from one of the strongest true gods in the past such as the Sage God.

That's why Ye Chen didn't want to drag his woman into big trouble like this.

Xue Suyin didn't know what just happened, why did the green crystal disappear into Ye Chen's body just now, actually what happened, Xue Suyin was curious about this.

"Husband, what just happened?" Xue Suyin asked Ye Chen, she wanted to know what happened just now.

"I don't know either." Ye Chen pretended not to know about this matter, Ye Chen trying to hide his Sage God legacy from Xue Suyin.

"Did you feel strange after that thing just happened?" Seeing that Ye Chen also didn't know what had happened, Xue Suyin asked if Ye Chen felt an uncomfortable feeling when the green light just entered his body.

"I don't feel anything, I feel fine." Ye Chen told Xue Suyin that he was fine, nothing wrong had happened to him.

"How strange." Xue Suyin felt confused by this, if nothing happened then what exactly was the green light just now.

Xue Suyin started to look at Ye Chen, she started to analyze what just happened.

In his heart, Ye Chen felt a little nervous, he hoped that Xue Suyin would not find anything strange about him.

after analyzing for a while, Xue Suyin finally got the answer for her question.

"Husband, maybe this is fate for both of us." Xue Suyin said to Ye Chen if this is destiny.

"Huh ?, you mean?" Ye Chen didn't understand what Xue Suyin just said.

"Husband, you know, long ago an old hermit gave this to me, the old hermit was telling me to save it and keep it well until someone worthy of coming to pick it up, people who take this thing to say would change my life"

"Initially I thought that The old hermit's words are just nonsense, but now I understand that this is a fate that can make me meet you." Xue Suyin said to Ye Chen about the beginning of her getting the Wind Crystal that was left by the Sage God.

what the old hermit said seemed to make a lot of sense, when he met Ye Chen, his life immediately changed.

Because of this, Xue Suyin thought that her meeting with Ye Chen was destiny.

Xue Suyin was getting more and more convinced that Ye Chen was a man who would be her only man forever.

"Yes, it might be fate." Ye Chen didn't understand what Xue Suyin was saying, he could only nod at Xue Suyin.

"Suyin, let's get out of here." Ye Chen asked Xue Suyin to leave here, he wanted to immediately try to make the Divine Awakening Pill.

"okay let go out." Xue Suyin immediately agreed to leave this place, she began to wrap her hands around Ye Chen's arms, Xue Suyin started to drag Ye Chen away from this treasure warehouse.

Ye Chen and Xue Suyin left the treasure warehouse that belonged to the Spring Palace, before leaving, Xue Suyin didn't forget to close the door so that no one would steal the things that were in here.

"Let's go back to your room" Ye Chen invited Xue Suyin back to Xue Suyin's room, he wanted to see the situation of Nanhua Caiyi and Zhang Shiyun.

Whether the two women are awake now or not.

Ye Chen and Xue Suyin returned to Xue Suyin's private room, when they arrived at Xue Suyin's room, the two of them immediately went into the room.

When Ye Chen and Xue Suyin entered, both saw that Zhang Shiyun and Nanhua Caiyi had awakened, both of them had just finished cleaning themselves and this room was chaotic because of the long battle they had been through for ten days and ten nights.

"Husband, Mistress, where have you been?" Nanhua Caiyi asked where Ye Chen and Xue Suyin had been just a moment ago.

"I just went to get something with Suyin" Ye Chen explained where he had just disappeared.

"Oh" Nanhua Caiyi nodded to Ye Chen, it turned out that Ye Chen and Xue Suyin had gone to get something, she thought Ye Chen and Xue Suyin had moved to continue their battle elsewhere.

If Ye Chen and Xue Suyin found out what Nanhua Caiyi was thinking, the two of them would definitely be very helpless, Nanhua Caiyi still had time to think things like that about Ye Chen and Xue Suyin.

"I will go to make a pill, you two please find a solution to reclaim Shiyun's power." Ye Chen asked Xue Suyin and Nanhua Caiyi to find a solution to help Zhang Shiyun regain her property.

"Husband, you don't have to worry, I will definitely find a solution to help my sister Shiyun." Xue Suyin promised to help Zhang Shiyun regain her property.

After joining hands during the battle against Ye Chen for several days, Now the three of them could be said to be sister in arms.

hard and happy they passed when they fought with Ye Chen for 10 days and 10 nights.

"Thank you, I leave everything to you." Ye Chen nodded in satisfaction when he listened to the answer that came from Xue Suyin, with the help of Xue Suyin Zhang Shiyun would definitely easily regain her rights as Queen ruler of the royal family.

Ye Chen immediately disappeared from sight, Xue Suyin, Zhang Shiyun and Nanhua Caiyi, Ye Chen entered the fairy gate to make a pill, inside the fairy gate, Ye Chen didn't need to be afraid of being disturbed when making pills inside the fairy gate.
