

Chapter 81 - Unexpected Visitors At Night

"I think that's pretty good, then what product do you want to sell? Liu Yue asked what beauty products Ye Chen had for sale.

"I have several beauty recipes that are ingredients that are easy to get, for example." Ye Chen took an ointment from inside the Fairy Gate storage room.

"I named this the Quchu ointment. This saleb effect can remove scars, so that there are no more visible marks" Ye Chen explained the effect of the Quacu ointment to Liu Yue.

Liu Yue was a little surprised to hear the effects of the Quchu ointment, currently on the market Salve like this can only remove 70-80% of the scars, that means there will still be scars that are slightly visible, women will usually be dissatisfied with small scars like this , women will definitely be very happy to hear Ointment Quchu which can eliminate their Scar 100%.

" then what again ? "Liu Yue is increasingly interested in the items Ye Chen has, if these items are sold it will definitely be very in demand in the market.

This time Ye Chen released a beauty cream "next is a beauty cream that can make women look 10 years younger, if you use this cream continuously then the effect will be permanent" Ye Chen explained the effect of this cream.

Liu Yue immediately took the beauty cream in Ye Chen's hand. "Husband, is this effect really the beauty cream like you said before? "

"Yes, the effect of this cream is indeed like that" Ye Chen nodded at Liu Yue.

Liu Yue looked at the beauty cream in her hand, if the effect of this cream was as good as Ye Chen was talking about, it would shake the global market.

"This husband is truly extraordinary, with these two things I'm sure the company that you will set up is a huge success, has enormous profits." Liu Yue looked very excited when she said that.

Ye Chen: "Really? "

"Yes, I guarantee 100%" Liu Yue nodded, "then how much budget do you have now? ", Liu Yue wondered how much money Ye Chen currently has.

To make a small company require at least 20-50 million dollars in capital.

"Right now I only have a few hundred thousand dollars in my account." Ye Chen was a little embarrassed when he said the amount of money, Ye Chen intended to sell heaven peaches to get extra money.

Liu Yue began to think about giving Ye Chen initial capital, and besides, 50 million dollars for Liu Yue was not too big.

"Your husband does not need to think about this, I will take care of everything for you, all you need to do is just control it from behind the scenes when the company is set up later" Liu Yue will take care of

everything for Ye Chen, after all Ye Chen is still sitting in school, it was impossible for Ye Chen to take care of the conditions needed to set up a company.

"Yes, okay," Ye Chen didn't want to continue to reject the good intentions of Liu Yue, because after all they were a couple.

"Good, I'll ask for a recipe for Quchu ointment and a beauty cream to register for copyright tomorrow." Liu Yue asked for a recipe for these two items to Ye Chen.

Ye Chen wrote all the ingredients needed to make Quchu ointment and beauty cream, then handed it over to Liu Yue.

Liu Yue received the recipe written by Ye Chen "Oh yeah you haven't told me what name to use for the company later" Liu Yue asked the name of the company that Ye Chen would set up.

Ye Chen began to name what was good for his company "how about Xiannu" it looked very good.

Liu Yue: "Yes, not bad, but are you sure you can still think about it again?"

"I'm sure this name is the most suitable for the company" Ye Chen made up his mind.

"Well, if that's what you want," after finishing discussing everything with Ye Chen, Liu Yue borrowed Ye Chen's cellphone and called the Secretary to take care of all the processes of establishing the company.

"Tomorrow my secretary will take care of all the processes of establishing a company, you don't need to think about it" Liu Yue has left all the affairs to the secretary.

Ye Chen then took Liu Yue to a relaxing room in the family, both of them sitting on the couch watching TV.

Liu Yue leaned on Ye Chen's shoulder while watching a romantic drama.

"Ding" The doorbell rings.

"Who's the one who is visiting at night? Ye Chen got up from the sofa and intended to open the door.

"Husband just let me open the door" Liu Yue immediately pulled Ye Chen's hand and told him to sit down again.

Liu Yue looked happy when she went to the entrance, "ding" the doorbell continued to ring "for a moment I dantang" Liu Yue then opened the door.

Liu Yue saw who was in front of the door, Liu Yue's expression immediately changed to see the beautiful woman who was in front of the entrance.

Liu Yue did not know what to say in her current condition. Liu Yue felt like a thief who was interrupted by the first wife.

The person at the door was of course Zhao Yanyan's First wife Ye Chen, this time Zhao Yanyan was wearing a casual dress, Zhao Yanyan looked very beautiful wearing a monitor dress and a blue butterfly ribbon in her hair.

"Yue sister, is Ye Chen inside?" Zhao Yanyan asked whether Ye Chen was inside, Zhao Yanyan actually knew that Ye Chen was in this villa.

Liu Yue nodded and invited Zhao Yanyan to enter the villa.

Zhao Yanyan immediately entered the villa, Zhao Yanyan saw the interior of this large villa, Zhao Yanyan did not expect Ye Chen to have a large villa like this.

Zhao Yanyan "Where is Ye Chen right now?"

"He is in the family lounge," Liu Yue then led Zhao Yanyan to the room where Ye Chen was.

When on the way Liu Yue always looked down, Liu Yue did not say a word to Zhao Yanyan, more precisely Liu Yue was a little afraid that Zhao Yanyan would find her relationship with Ye Chen at this time.

Zhao Yanyan slightly looked at Liu Yue who was afraid of him.

Chapter 82 - Happy Life

Liu Yue and Zhao Yanyan finally arrived at the room where Ye Chen was, Ye Chen was currently focusing on watching television.

Hearing the sound of the door opening Ye Chen immediately asked "Yue's wife who is the one who nightly presses the door bell?" When he said Ye Chen did not look back.

Liu Yue immediately panicked when Ye Chen called her wife in front of Zhao Yanyan "over, it's over" Zhao Yanyan already knew everything.

Zhao Yanyan did not say anything, Zhao Yanyan approached towards Ye Chen, Zhao Yanyan then wrapped her arms around Ye Chen's neck "husband" Zhao Yanyan whispered in Ye Chen's ear with a very gentle tone.

Ye Chen immediately recognized this voice, Ye Chen stood in panic "Yanyan what are you doing here? Ye Chen was quite surprised that Zhao Yanyan suddenly came to his villa.

"Why? Can I not come here?" Zhao Yanyan was a little dissatisfied.

"That's not what I mean, how do you know the location of the villa, I haven't even told you the location of this place to you" Ye Chen might have said to Zhao Yanyan that he bought a villa, but Ye Chen had not yet told the location of his villa as to Zhao Yanyan.

"Husband come with me, there is something I want to discuss privately with you" Zhao Yanyan told Ye Chen to follow her.

Before exiting the room Zhao Yanyan gave a smile to Liu Yue, Ye Chen was helplessly following behind Zhao Yanyan.

"Hahaha, Look who was caught cheating" Chu Yuechan spoke in Ye Chen's mind, Chu Yuechan did not talk to Ye Chen in a day at all, Usually Chu Yuechan would be the most noisy when it came to matters of women.

"You. . . , are you the one who told Yanyan about my existence?" Ye Chen asked Chu Yuechan.

"Yes, I did tell Yanyan's younger sister your location, because she herself asked me, giggling" Chu Yue laughed at Ye Chen's distress.

"Husband" Zhao Yanyan called out to Ye Chen.

"Yes" Ye Chen immediately stopped talking to Chu Yue and focused on Zhao Yanyan.

"Husband, you said you had no connection with Liu Yue, but what I saw was that you called her Yue's wife, so you've been lying to me all this time?" Zhao Yanyan said in a tone of loss.

Seeing this Ye Chen felt very guilty towards Zhao Yanyan "Yanyan listen to me, before what I said was true, I also Did not expect my relationship with Liu Yue will develop this fast, but you can be sure that I will not lie to my beloved Yanyan" Ye Chen said it earnestly.

"Really, then tell me have you done that with Liu Yue?" Zhao Yanyan asked Ye Chen.

from the beginning Zhao Yanyan already knew everything from Chu Yuechan, Zhao Yanyan only wanted to test Ye Chen's honesty.

"Yes, I did with Liu Yue, now she is my woman too" Ye Chen answered honestly.

"Giggling" Zhao Yanyan laughed "I'm glad you want to tell me the truth"

"Yanyan you're not angry? Ye Chen wanted to know if Zhao Yanyan was angry with him.

Zhao Yanyan "Huh? , why should I be mad at you, you did not make mistakes, from the beginning I already said it very clearly, I allow you to have another woman, as long as in your heart there is always me That's enough for me, from the beginning I knew I could not monopolize you alone , considering you have a special ancient (Yang) body, where you need a lot of female Yin to balance (Yang) in your body ".

"Yanyan dear, how did you know that I have such a special body, did Yuechan tell you?" Ye Chen should never have said specifically body to Zhao Yanyan, so only Chu Yuechan might tell Zhao Yanyan.

"You're right Yue Chan's sister told me all about you, because that is your first woman I must do what I can so that you do not die" Zhao Yanyan then hugged Ye Chen.

"My husband is very scared, if you suddenly die because of your body (Yang), I don't care how many women you have. As long as you stay alive, it makes me happy" Zhao Yanyan cried in Ye Chen's arms.

Ye Chen hugged Zhao Yanyan very tightly and stroked Zhao Yanyan's long hair, Ye Chen was very grateful to have a woman who could understand him like Zhao Yanyan.

After 10 minutes Zhao Yanyan finally calmed down "husband let's go back to the room, sister Yue must have been waiting a long time" Zhao Yanyan returned cheerful and smiled, Zhao Yanyan's smile was like a flower that blooms very beautiful, Zhao Yanyan then pulled Ye Chen back into the family room.

When Ye Chen and Zhao Yanyan reentered the room, both of them saw Liu Yue sitting on the couch and lowered her head, even when Ye Chen and Zhao Yanyan entered the room Liu Yue still kept her head down fearful of looking at Zhao Yanyan.

Liu Yue looked scared, Zhao Yanyan immediately went to Liu Yue's side, "Sister Yue, are you alright?"
"The first thing Zhao Yanyan asked was Liu Yue's situation.

Liu Yue shook her head "I'm okay? "

Zhao Yanyan "good, then sister Yue what is your relationship with Ye Chen right now? "

The thing Liu Yue feared finally happened, Zhao Yanyan caught her having an affair with Ye Chen.

Yanyan's younger sister forgive me, I was the one who teased Ye Chen first, so please don't blame Ye Chen for this" Liu Yue apologized to Zhao Yanyan.

"Hehehe, I'm not mad at you, sister Yue, I know that you love Ye Chen very much, so from now on we are family, welcome to this family." Zhao Yanyan welcomed Liu Yue as the new member of the family.

Liu Yue was astonished to hear what Zhao Yanyan had just said, the stone that had previously floated in Liu Yue's heart was now sinking, there was no longer any concern in Liu Yue's heart "Yanyan's younger sister thanks" Liu Yue and Zhao Yanyan hugged each other.

Ye Chen walked towards Zhao Yanyan and Liu Yue, Ye Chen then sat in the middle of the two and grabbed the Waist of Zhao Yanyan and Liu Yue, Ye Chen embraced these two beauties in his arms.

"I really love you two" The left and right hands held two incomparable beauties Ye Chen was very happy.

Zhao Yanyan and Liu Yue put their heads on Ye Chen's chest.

Ye Chen's hands began to be dishonest and touched the breasts of Zhao Yanya and Liu Yue "ah. . " the two crab claws twisted Ye Chen's Waist.

"Please, there is a wife who wants to kill him husband" Ye Chen shouted in pain, actually Chen Chen did not feel pain, this was done so that the two women were just happy

" husband began to be naughty again, sister Yue helped me pack it" Laughter could be heard in this room.

"Life like this is not bad" Ye Chen was grateful to have a life like this.

Chapter 83 - Poison Sect Want To Get Revenge

in a very dark forest, with this man's body full of wounds going through the dark forest, if Ye Chen was here surely he would recognize it, this was Du Yao who managed to escape, after escaping, Du Yao immediately returned to the sect to report What happened .

"Damn I have to immediately report what happened to the teacher, only the teacher can save Uncle Khun," the Du Yao sect is not far from here.

Some time later, Du Yao reached the Poison sect, at the entrance of Du Yao, it was stopped by 2 guards who were guarding the gate.

"Take out your identity token" the two guards immediately told Du Yao to issue the membership token.

Du Yao immediately issued the Sect of Membership Sect, Du Yao then handed over his tokens to the two guards

"Oh it turns out Brother Du Yao, what happened to you why your body is full of wounds, did someone attack you" one of the gate guards asked Du Yao.

"The story is long, I want to talk to the teacher do you know where my teacher is now?" Du Yao immediately asked where the teacher is now.

"Elder Gou is currently in the meeting room, you can find him there."

After getting the answer that Du Yao wanted, Du Yao immediately went to the meeting room, while there Du Yao was not only see the master Du Gou, the first elder of Du Naru also in this room.

"Master, first elder, Du Yao reports back to the sect" Du Yao immediately bowed and saluted Du Gou and Du Naru

"Du Yao you are back, jade Du Khun's life goes out, tell me what happened to my third brother, if your answer is not satisfying you will know the consequences" Du Gou looks very angry at Du Khun.

Du Yao did not think that Khun's uncle was dead, Du Yao immediately explained what had happened to his master and the first elder "what?, Bamm! ! "When Du Gou was angry he slapped the table with his hand, the wooden table was immediately smashed to pieces.

"Who is that, how dare he interfere with my sect's affairs" Du Gou immediately asked the person who killed Du Khun.

"Teacher, that person's name, if I'm not mistaken Ye Chen, that person really hid his strength very deeply, I think he is also the one who killed Du Khun's uncle" Du Yao immediately told Ye Chen his name to his master.

"Ye Chen" Du Gou murmuring "I myself will go to avenge the death of the third brother, I will bring the man's head to be presented to the third brother" Du Gou immediately headed to the exit.

"Second brother, don't be so rash, we don't know how strong that person is, if you go in this situation, you might catch up to the third brother." Du Naru stopped Du Gou from being rash in his decision.

"But first brother, do you not want to take revenge on the third brother?" Du Gou is not satisfied with being stopped by Du Naru.

"I also want to take revenge for the death of the third brother, but we don't know how strong the man named Ye Chen is, if we rash ourselves that will lose" Du Naru is a person who is very careful in making every decision.

"We will send people to search for Ye Chen's information first, after knowing his weaknesses we will immediately kill him" Du Naru Comes with a Plan.

"That's a very good plan, then let's send our best students to watch over him, then find out the weakness of the man named Ye Chen" Du Gou nodded and followed the plan Du Naru suggested.

"Du Yao come back and take care of your wound, from now on you are not allowed to get out of this sect, unless we disgust you" Du Gou ordered Du Yao to return.

Du Yao saluted and then left the meeting room.

The next morning

Sunlight illuminated Ye Chen's bed, Ye Chen opened his eyes, in Ye Chen's hands laying down two Beauty of Zhao Yanyan and Liu Yue who were still sleeping comfortably on Ye Chen's arms.

Ye Chen moved his hands slowly so that they didn't wake up, Ye Chen's slight movements turned out to wake Zhao Yanyan.

Zhao Yanyan Rubbed her two eyes with his hand, Zhao Yanyan looked very cute when she did "husband good morning" Zhao Yanyan gave a greeting to Ye Chen.

Liu Yue was still fast asleep, it seemed she was still very tired from exercise last night.

Zhao Yanyan immediately Get out of bed "husband, I'll make breakfast, you take a shower first" Zhao Yanyan then left this room to make breakfast for the three.

Ye Chen also immediately got up from bed, Ye Chen stroked the hair of Liu Yue who was fast asleep, Ye Chen then went to the bathroom,

after Ye Chen left Liu Yue opened her eyes, Liu Yue still thought that this was a dream, Liu Yue tried to pinch her cheek "ahh it hurts, so this is not a dream" Liu Yue remembered what happened last night, now she and Zhao Yanyan were Ye's women Chen.

Liu Yue got off the bed then left the room, Liu Yue wanted to help Zhao Yanyan make breakfast.

When Ye Chen finished bathing, Liu Yue was not in bed, Ye Chen then changed his clothes, after finishing changing Ye Chen's clothes went down to the first floor.

When he got to the kitchen Ye Chen saw his two women cooking, Zhao Yanyan and Liu Yue looked very well together while cooking food.

after 20 minutes the table was filled with food that had been made by Zhao Yanyan and Liu Yue "I use all the ingredients that I can find in this kitchen, hopefully my husband likes the food we make".

Ye Chen did not think much and began to eat all the food made by Zhao Yanyan and Liu Yue "This is delicious" Ye Chen continued to devour all the food on the plate.

Zhao Yanyan and Liu Yue smiled. Seeing how greedy Ye Chen ate "husband slowly, no one will take it away from you" Zhao Yanyan and Liu Yue also began to eat their food.

Within a few minutes all the food on the table was gone, Zhao Yanyan and Liu Yue's meals were quite a bit so Ye Chen was the one who consumed all the food on the table.

After finishing eating well Ye Chen, Zhao Yanyan and Liu Yue washed the dishes.

"Oh yeah, Yue's wife, you don't have any cultivation techniques yet, we should find the one that suits you." Ye Chen wanted Liu Yue to immediately cultivate like himself and Zhao Yanyan so as not to lag far behind.

"Have we eaten?" Liu Yue asked

"Alright close your eyes" Ye Chen told Liu Yue to close his eyes.

Liu Yue did what Ye Chen wanted and then closed her eyes, Liu Yue felt that the floor she stepped on suddenly turned into Grass.

Ye Chen "Now you can open your eyes".

When Liu Yue opened her eyes, Liu Yue was very surprised to see the scenery in front of her, this place was very beautiful and amazing, even the air here was very fresh.

Liu Yue didn't know where they were right now, Liu Yue asked Ye Chen "husband, where is this? "

"This is the fairy gate, only my woman can enter it, right now the only one who can take you in is Yanyan and me" Ye Chen began to explain the fairy gate to Liu Yue.

"Welcome to the fairy gate," a woman's voice came from the sky.

Liu Yue immediately looked up, Liu Yue saw a very beautiful woman flying in the sky, this woman had wings on her back, this woman's face and body were very perfect, this woman was like a fairy coming out of the painting, Liu Yue felt nothing compared to that with this woman.

Chu Yuechan immediately descended from the sky and stood in front of Ye Chen, Zhao Yanyan and Liu Yue.

"Hello, I am Chu Yuechan, guard at this place, nice to meet you," Chu Yue Chan introduced herself to Liu Yue.

"Not only is this beautiful woman's voice also very beautiful to hear, is she the Ye Chen woman?" Liu Yue said in her heart.

"My name is Liu Yue, nice to meet you Miss Chu" Liu Yue also introduced herself to Chu Yue Chan.

Chu Yuechan "You don't need to be too formal, you can call me Yuechan's sister".

Liu Yue: "well, Yuechan's sister".

"Then let's find cultivation techniques that are suitable for you" Chu Yuechan dragged everyone away.

Chapter 84 - Blue Moon God Art

Ye Chen, Zhao Yanyan, Liu Yue and Chu Yuechan Arrived outside the entrance of the pagoda "come on in" Chu Yuechan invited everyone to enter the room.

"Now, sister Yue please choose the technique that you think is suitable for you" Chu Yuechan pushed Liu Yue to go to the technique she wanted.

Liu Yue was very confused about what kind of cultivation technique to choose, Liu Yue began to look at the cultivation books one by one.

After reading dozens of books Liu Yue still had not found a cultivation technique suitable for her, until Liu Yue saw a book placed on the top shelf.

Liu Yue felt that the book was emitting blue light which made Liu Yue slightly interested "Yuechan's sister can you get the technique for me" Liu Yue pointed to the technique she wanted.

Chu Yuechan flew and took the manual that Liu Yue wanted and saw "Blue Moon God Art" Chu Yuechan then gave the technique to Liu Yue.

Liu Yue happily accepted the technique given by Chu Yuechan, Liu Yue began to see the contents of this technique.

Blue Moon God art is like the Moon in a very beautiful sky, this technique cultivates a very beautiful blue moonlight.

The first stage: Blue Moon Shadow blink, move to the desired place with a blink of an eye, there will be a shadow replacing in the previous place.

The second stage: Blue Moon Light, controlling the power of the Blue Moon Light at will, can be used to attack and also defend, the stronger the user the faster and stronger this technique

Third phase ??????

It seems like this technical manual is still incomplete, continued this technique is on the top floor

"Are you sure you want to take this technique, even though this powerful technique is still incomplete, it looks like the Continued page of this technique is on the top floor." Chu Yuechan warned Liu Yue first so that Liu Yue made no wrong decision.

Again the continuation of the Blue Moon God Art is definitely on the top floor, and currently the upper floor is still not accessible by anyone.

"I have decided to take this technique", Liu Yue hugged the Blue Moon God art manual on her chest, for some reason Liu Yue was very interested in this technique.

"Okay, if that is your decision," continued Chu Yuechan, intending to lecture Liu Yue.

On the other hand

"Yanyan takes out the marrow washing pills, I'll help you" Ye Chen told Zhao Yanyan Take out the marrow washing pills that he had previously given.

Zhao Yanyan immediately issued a marrow washing pills "husband, what should I do" Asked Zhao Yanyan.

"Just take the pill, then sit down" Ye Chen gave directions to Zhao Yanyan.

Zhao Yanyan followed the direction Ye Chen gave, she ate marrow washing pills, Zhao Yanyan then sat down cross-legged.

Ye Chen went behind Zhao Yanyan and placed his palm on Zhao Yanyan's back, Ye Chen began to use his energy to guide the marrow washing pills on Zhao Yanyan's body.

Existing stools in the body of Zhao Yanyan started out through skin pores.

If Zhao Yanyan consumed it herself the time needed would definitely be very long and his efficacy depended on Zhao Yanyan's ability, but if assisted by Ye Chen, it would not only be faster but the efficacy of marrow washing pills would be 100%.

After 5 minutes had passed Ye Chen pulled his energy from Zhao Yanyan's body, Zhao Yanyan's body was currently filled with black dirt, all the dirt in Zhao Yanyan's body had been completely discharged by marrow washing pills.

Now Zhao Yanyan's cultivation speed will be even faster.

Ye Chen: "Yanyan you should take a shower first, I will help Yue to consume marrow washing pills".

Zhao Yanyan immediately went to the baths that were inside the Fairy Gate, Zhao Yanyan was uncomfortable with the impurities that clung to her body, Zhao Yanyan wanted to quickly take a shower and remove all this black stuff from her body.

Ye Chen immediately went to Liu Yue and Chu Yuechan's "how did Yue have you found a technique that suits you?" Because it focused on helping Zhao Yanyan consume marrow washing pills Ye Chen did not pay attention to Liu Yue and Chu Yuechan.

"Yes, I've found it" Liu Yue showed Blue Moon God Art to Ye Chen.

Ye Chen nodded "this technique seems to suit you, this is for you" Ye Chen gave Liu Yue a marrow washing pills.

"What is this?" Liu Yue asked.

"It is a marrow washing pills that can get rid of all the impurities in the body, now eat I will help you fix it" Ye Chen explained the effect of marrow washing pills to Liu Yue.

Liu Yue did not ask many questions and immediately took this pill.

"Now sit cross-legged" Ye Chen then walked behind Liu Yue.

Liu Yue immediately crossed, Ye Chen then began to guide the marrow washing pills on Liu Yue's body.

After 5 minutes all the dirt in Liu Yue's body also came out, Liu Yue who saw her body filled with dirty black liquid Liu Yue wanted to leave this place immediately and take a bath.

Women most do not like his body Dirty "husband, where is the bath in this place?" Liu Yue immediately asked Ye Chen a place to take a bath.

Ye Chen gave Liu Yue directions.

After knowing the direction to the bath, Liu Yue immediately ran there as fast as possible.

Now only Ye Chen and Chu Yuechan were left in this place.

"Looks like the two of them can get along with each other" Chu Yuechan was already standing beside Ye Chen.

Ye Chen nodded "Yes I'm glad they both can accept each other".

"Then who will it be? Next, Lin Rouxi or any other woman, I can't wait to see this place filled with beautiful sisters" Chu Yuechan whispered in Ye Chen's ear in a very seductive voice.

"How do I know?" Ye Chen said helplessly.

"Giggling" Chu Yuechan laughed "it's good time to play with two sisters" Chu Yue chan then disappeared from this place.

Ye Chen shook his head Seeing the departure of Chu Yuechan, Ye Chen wondered how Chu Yuechan knew that Ye Chen was also starting to like Lin Rouxi, did this woman have the technique of reading other people's minds.

Ye Chen didn't bother thinking about it, Ye Chen looked at the ownership status of the fairy gate

It seems like doing Dual Cultivation with Liu Yue increases the exp from the fairy gate, but it's still not enough to go up to the next level.

From the beginning Ye Chen was very curious as to why the Fairy Gate makers made such a system, if only this system did not exist it would have been extraordinary. What mystery was inside this fairy gate Ye Chen was truly more curious.

Meanwhile in the baths Zhao Yanyan and Liu Yue are currently cleaning their Whole Bodies from dirt.

Liu Yue who was here for the first time really Really enjoyed the water in this pool, Liu Yue had never bathed as comfortable as this before, the warm water that was here was really warm and soothing to the soul.

"Ah, Yanyan's younger sister, what are you." Liu Yue's words stuck in her throat, because when she looked back it turned out to be Chu Yuechan.

"Wow, this is pretty big, surely Ye Chen really likes this thing," Chu Yuechan squeezed Liu Yue's two big rabbits.

Zhao Yanyan watched from the side, Zhao Yanyan began to look at her own even though it was already quite large, if compared to Liu Yue's it was still defeated.

"Yanyan's younger sister help me" Liu Yue could only ask for Zhao Yanyan's help on the side.

Chu Yuechan immediately released Liu Yue's chest and approached Zhao Yanyan "Yanyan's younger sister in the past few days I have not touched her, it looks like it has grown even bigger so I can touch her".

"Ah don't" the woman's scream echoed throughout the baths

Chapter 85 - Car Accident

"husband, sorry for making you wait so long" finally Zhao Yanyan and Liu Yue finished bathing.

Zhao Yanyan and Liu Yue had changed clothes that were cleaner and more beautiful, because Liu Yue did not bring a change of clothes. Zhao Yanyan borrowed her property from Liu Yue.

Unfortunately Zhao Yanyan's clothes were too small for Liu Yue to wear, so Liu Yue found it hard to move because this shirt was tight enough to wear, especially on the part of Liu Yue's breast as if to burst out.

"You guys finally came back, why is it taking so long when you guys shower?" Ye Chen had been waiting here for more than 1 hour.

Zhao Yanyan and Liu Yue immediately blushed as they remembered what happened when they showered.

"Why are your faces blushing instead?" Ye Chen asked confused.

"Master, aren't you going to school today?" Chu Yuechan came from nowhere and reminded Ye Chen to go to school.

Ye Chen: "Yanyan, let's go or we'll be late" Ye Chen invited Zhao Yanyan to go to school.

before they came here it was already 7 in the morning, while school started at 8 in the morning.

Ye Chen and Zhao Yanyan came out of the fairy gate, while Liu Yue would stay and learn cultivation with Chu Yuechan here.

"Yanyan do you want to go by car?" This is a good opportunity to show off his new car to Zhao Yanyan.

"Do you really have a car?" Zhao Yanyan asked.

Ye Chen pulled the Sports Car out of the Fairy Gate storage room, a very good Sports car appeared in front of the two.

"Wow, husband, is this your car?" Zhao Yanyan likes Ye Chen's cool sports car.

"Please come in" Ye Chen opened the door for Zhao Yanyan.

Zhao Yanyan then got into the car, Ye Chen closed the door and entered the driver's seat.

Ye Chen immediately stepped on the car accelerator and left the villa.

"Husband, look at this, the big female star Feng Xue today will come to the city." Zhao Yanyan showed Ye Chen the latest news on her cellphone.

Ye Chen looked at the contents of the news on Zhao Yanyan's cellphone, in this news Feng Xue was on a plane trip to this city, and in 3 days Feng Xue would hold a big concert in this city.

Ye Chen knew that Zhao Yanyan really idolized the big star Woman Feng Xue.

"Didn't you say he will come next week why suddenly came today" Ye Chen questioned this.

"I don't know maybe they will speed things up a bit from the initial schedule," Zhao Yanyan said uncertainly.

"husband, husband, can you find me a VVIP ticket, I really want to watch in the front row with you" Zhao Yanyan Shook Ye Chen's Arm and acted spoiled.

The car almost lost control because of this "why did you not ask Yue, with the connection she has, surely she can get it very easily, the three of us can go there together".

"huh, you're right, sister Yue can definitely get it easily" Zhao Yanyan couldn't wait to ask Liu Yue later.

When on the journey many pedestrians looked at Ye Chen's very striking car, there was a red light at the intersection so Ye Chen had to stop.

"Ding" lights turn Green, Ye Chen continued his journey

"Bang ...!" Ye Chen's car suddenly hit a hit from the side.

Ye Chen's car was dragged several tens of meters from its original place

"Damn who dares to hit my car" Ye Chen cursed the person who crashed into his car

"Yanyan, are you alright?" Ye Chen immediately checked Zhao Yanyan's condition.

"I'm fine, I'm just a little surprised" Zhao Yanyan wasn't hurt, he was just a little surprised because of the collision just now.

Fortunately this car has a strong body, only the outside that may be badly damaged.

Ye Chen immediately got out of his car, the side of Ye Chen's car was really badly damaged, Ye Chen then saw the car that had crashed into him, the car that crashed into Ye Cehn was a luxurious white Rolls Royce,

The driver didn't dare get out of the car, but a young man got out of the passenger seat and approached Ye Chen.

"Hey, can't you see how dare you dare to stand in my way, quickly get rid of your car" This young man's car, which obviously clearly crashed into Ye Chen's car, but instead he was chiding Ye Chen.

Ye Chen was very unhappy with this young man, he was the one who had damaged Ye Chen's car, instead of apologizing but instead chiding Ye Chen.

"Hey dude, obviously you were the one who was wrong from the start, fortunately my wife is okay, now I ask you to apologize and compensation for the damage you have caused to my car" Ye Chen asked for compensation to this young man.

"huh, what are you saying? I should have asked you for compensation, you know that the cost of repairing my car is even tens of times more expensive than yours?" This young man proudly said.

"I don't care, from the start you were the one who ran the red light, if you don't want to set it on don't blame me for being rude" Ye Chen could not stand this arrogant young man anymore.

"Hahaha, you dare? Don't you know who I am?" From his tone, this young man is very confident from his background.

"Don't know" Ye Chen didn't know who this young man was and didn't want to know, Yang Ye Chen wanted only an apology and compensation.

Chapter 86 - Yun Hao

"I am Yun Hao, one of the 4 princes in the capital," The man named Yun Hao said it very proudly.

The title he got acknowledged that he was one of the young masters who was very strong and feared in the capital, in the capital no one dared to take Yun Hao's feelings, instead they were as much as possible to make Yun Hao happy in order to get a tantalizing benefit.

Unfortunately Ye Chen did not care at all, want That Young master or whatever it was still this person from the beginning who made a mistake because of Breaking the red light.

"Ye Chen, what happened? Seeing the chaotic situation outside, Zhao Yanyan decided to get out of the car and walk towards Ye Chen.

Seeing Zhao Yanyan very beautiful Yun Hao's eyes immediately lit up, Yun Hao did not expect in the city. There was a very beautiful woman, even Yun Hao's saliva was almost dripping when he saw Zhao Yanyan.

"If you don't want to pay for the loss of my car, then just give this woman to me for one night" Yun Hao held out his hands and wanted to reach Zhao Yanyan's body.

Yun Hao's hand was only a few centimeters from Zhao Yayan's body, "pahhh", Yun Hao was directly slapped by Zhao Yanyan until his cheeks were swollen.

Zhao Yanyan was now a cultivator about the strength that Zhao Yanyan had increased, the slap must have been very painful for Yun Hao

Zhao Yanyan is very difficult to be angry, but this time she really didn't like this shameless guy.

Yun Hao Rubbed His Cheek The sick, Yun Hao looked at Zhao Yanyan with an angry look "you bitch, how dare you hit me on my face" Yun Hao raised his hand preparing to hit Zhao Yanyan.

How could Ye Chen let Yun Hao hurt Zhao Yanyan, Ye Chen stopped Yun Hao's hand "Hey you keep your dirty hands away from my wife, Bang" Ye Chen hit Yun Hao until he flew several meters away.

Ye Chen was not as good as Zhao Yanyan, Ye Chen hit Yun Hao because Yun Hao made him annoyed.

Yun Hao immediately stood up and pointed at Ye Chen and Zhao Yanyan "You two dare to dare to hit me, do you not know, I am the young master of the Yun family one of the four Great families in the

Capital City" Yun Hao Scared Ye Chen by using the background behind him as the young master of the Yun family.

Ye Chen was not afraid of the big family in this country, if they were looking for trouble Ye Chen would not hesitate to fight with them.

so this man is very rich Why not rob more than this person "so you are the young master of a very rich family, then you should immediately replace the damage to my car, if not maybe there will be some teeth scattered on the ground" Ye Chen smiled smirking.

Yun Hao Swallowed Saliva when he heard what Ye Chen had said just now, Yun Hao felt shudder when he saw Ye Chen's smile "Uncle Han saved me" Yun Hao asked the help of Uncle Han who was in the car.

Out of the passenger car came a middle-aged man ,, the name of this middle-aged man was Li Hun, Li Hun walked towards Yun Hao and stood in front of Yun Hao, this person was very calm like calm lake water.

Ye Chen saw a middle-aged man who just came out "a cultivator?" "Ye Chen felt the strength of this middle-aged man was in the early stages of the Realm's spirit formation.

"Son, you should immediately apologize to our young master, those who offended the Yun family will not have a good ending" Li Hun tried to warn Ye Chen not to offend the Yun family for his own good.

"Uncle from the start, I just wanted him to apologize and compensate for the damage to my car, but who knows this idiot is looking for trouble with me" Ye Chen pointed at Yun Hao who hid behind Li Hun.

"Uncle Hun, why bother talking to this person? You should just break some of his bones so he knows the place." Yun Hao asked Li Hun to make Ye Chen deformed.

Li Hun didn't want to move, but Li Hun felt that the young man in front was very dangerous to fight.

Years of experience of fighting made Li Hun able to see the strength of the enemy he was fighting, but when dealing with the young man in front of him Li Hun really felt unable to measure the strength of this young man.

"Uncle Hun, hurry up and make this bastard kneel under my feet and beg for forgiveness from me" Yun Hao pushed Li Hun to take care of Ye Chen immediately.

"Son, I'm giving you the last chance you should apologize to our young master right now, if not. . ." Li Hun gave Ye Chen a second chance.

"If not what?" Asked Ye Chen.

"Don't blame me for not warning you" Li Hao immediately ran towards Ye Chen.

"Enhance earth arm" Li Hun's arm turned to stone and began to expand.

Li Hun jumped and prepared to hit Ye Chen "Bang. . . !" The collision between Ye Chen's body and Li Hun's middle was very strong.

Li Hun's enhance earth arm technique was destroyed, so he had to Retreat Backward, Li Hun was very surprised that Ye Chen had not been scratched in the slightest even after being hit by his attack, Li Hun was very confident in his technique. This was because it could destroy an iron.

But Ye Chen really fended it off with only his Body.

"So you want to use violence, okay if that's what you want" Ye Chen used the Nine-Shadow Step and went to Li Hun's side.

Because this place did not exist, Ye Chen did not hesitate to use his own power.

Li Hun was very surprised to see Ye Chen already beside him, Li Hun intended to retreat as far as possible.

How could Ye Chen let it go? So easily, Ye Chen used his elbow to hit Li Hun's chest.

Li Hun immediately used both of his hands to resist Ye Chen's "bamm. . ." Li Hun bounced a few dozen Meters.

Li Hun swirled in the air to stabilize his body and landed on the road, even though he successfully landed both of Li Hun's arms were broken from Ye Chen's attack just now.

After receiving Ye Chen Li Hun's attack he could no longer calm down like before.

"Uncle Hun why are you still playing fast for him to kneel for me: Yun Hao still doesn't understand that Li Hun's situation is cornered.

Li Hun really cursed Yun Hao, this idiot didn't know that the person he was referring to was very strong.

Li Hun can't call in for help. right now they were not in the capital region, if they were in the capital city Li Hun would not be afraid of Ye Chen, because Li Hun could call on other masters in the Yun family.

Ye Chen went to Yun Hao, he grabbed Yun Hao's neck and lifted him up.

"You said you want to make me kneel at your feet, now do you still dare to talk like that? Ye Chen slightly strengthened the strength of his grip.

Yun Hao felt unable to breathe because he was suffocated by Ye Chen's very strong hand "Please let me go, I will apologize and change all your car's losses, cough cough".

"Release our young master or I will kill this woman," Li Hun pointed a knife at Zhao Yanyan's neck.

Chapter 87 - Curse Of Melody

"What are you waiting for? Quick release the young master or this woman's life will be lost" Li Hun threatened Zhao Yanyan.

Ye Chen did not let go of Yun Hao "Yanyan why don't you show me the results of your training".

Zhao Yanyan's power now was comparable to Li Hun.

"Ah" Li Hun cried out in pain and knelt on the ground, Li Hun's face blackened and holding his crotch with both hands.

Zhao Yanyan really kicked Li Hun's vital part, Ye Chen was a little horrified when Zhao Yanyan did that.

Where did this girl learn things like that "Yanyan isn't the thing you did too extreme, where did you learn it from? "

"Yuechan's sister taught me, she said that part is the weak point of all men" Zhao Yanyan smiled innocently.

Ye Chen Shook His Head, Looks like Chu Yuechan Teaches Zhao Yanyan A strange strange thing.

"Hey you, if you don't release me immediately, I will make your whole family disappear from the face of this earth." Yun Hao still has the courage to threaten Ye Chen.

"Pahhhhh. . ! "The sound of a slap that is very Reyah sounded.

"You still haven't learned too. Apparently, pahhhhh. . " Ye Chen slapped Yun Hao many times.

Yun Hao's face turned into a pork butt "well I'm sorry, please let me go" Yun Hao is not strong because his face is really hot and sick

"I asked for 10 million dollars to compensate for my car" Ye Chen mentioned nominal.

"Are you crazy, why not just rob me" Yun Hao considered Ye Chen insane.

"So you don't want it, OK, you're the one who forced me" Ye Chen let go of Yun Hao and went to the side of Zhao Yanyan.

Yun Hao was very confused about what Ye Chen would do

Ye Chen then whispered in Zhao Yanyan's ear, Zhao Yanyan immediately nodded and took out the lotus zither from inside the storage clove.

One of Zhao Yanyan's hands grabbed the Zither Lotus and the other hand began to play it, very melodious music began to come out.

Ye Chen felt his soul calm down when he listened to the Zither lotus played by Zhao Yanyan.

"Aghhhhhhhhh. , stop your music "Yun Hao and Li Hun feel their ears hurt listening to Zhao Yanyan playing the zither.

So this was the power of Zhao Yanyan's goddess Melody Technique, Ye Chen Seeing Yun Hao and Li Hun rolling around on the ground in pain, they covered their ears with their hands.

"Stop it, stop it, I beg you, I will pay 10 million to compensate your car as long as the woman stops playing her zither" Yun Hao was the first to surrender because he couldn't take it anymore.

Yun Hao had never heard of anyone playing a zither this badly, to the point that his head wanted to break.

That was because the goddess's melody technique gave curses to Yun Hao and Li Hun, music that was supposed to be beautiful turned out to be very painful for both of them.

moreover the Zither Lotus strengthened the goddess Melody technique. Belongs to Zhao Yanyan.

"Why is this so melodious, Yanyan keeps playing I want to hear it again" Ye Chen told Zhao Yanyan to continue playing and he smiled wickedly at Yun Hao.

Zhao Yanyan was very happy and continued playing her lotus zither.

"Please stop playing the zither, I can't take this anymore, just take all my money" Yun Hao handed over a card in which there was more than 10 million dollars in cash.

Ye Chen immediately took the card from Yun Hao's hand "If only you had done it earlier, we don't need to go through all of this, Yanyan let's go later we are late" Ye Chen invited Zhao Yanyan into the car.

Even though the side of the body is broken, the tire part isn't damaged, so Ye Chen can still use this car.

Ye Chen immediately started the car and left this place.

"Damn, just watch out you guys later, I'll reply you two with worse than this" Yun Hao gritted his teeth because he was angry.

"Young master, are you alright?" Li Hun immediately approached Yun Hao and asked his situation.

"Uncle Hun, how did you lose to that damn brat, you once said that your strength is even stronger than even trained soldiers" Yun Hao scolded Li Hun for being incompetent in carrying out his duties as a bodyguard.

"That young master's person is not an ordinary person. You should stay away from him. I'm afraid you will get hurt if you deal with him." Li Hun was not angry at Yun Hao's insults, instead Li Hun warned Yun Hao to stay away from Ye Chen.

"Do you think I will release that person just like that, as a young master of Yun Yun's family heir to put where my face later, forget I will ask Dad to send a killer to kill that person, let's go I haven't seen Xue'er in a long time, I want immediately met her" Yun Hao got back in the car.

Li Hun sighed, and joined in the car, Rolls Royce Yun Hao's car went to the airport.

"Husband, you really blackmailed that person as much as 10 million dollars, he will definitely look for you back to get revenge" Zhao Yanyan was worried that Yun Hao would take revenge.

"If he dares to come revenge Next I will not be merciful to that person" this time Ye Chen let him go but if Next he was still looking for trouble Ye Chen would not let him go.

Ye Chen and Zhao Yanyan finally arrived near the school, both of them immediately got out of the car, Ye Chen put the car back into the fairy gate storage, Ye Chen intended to fix this car later.

Ye Chen walked alongside Zhao Yanyan, some of the male students who saw this were very jealous of Ye Chen.

Ye Chen and Zhao Yanyan entered the classroom and sat in their seats.

"Hey Ye Chen, have you seen the news on the school forum today," Zhang Liao immediately turned to talk to Ye Chen.

"Where have you been in the past few days?" Ye Chen asked, Zhang Liao has been absent for a few days.

"My girlfriend is sick so I have to take care of her in the hospital, fortunately she is already old so I can go to school again".

"Does your girlfriend not go to school here?" Ye Chen didn't know that Zhang Liao already had a girlfriend.

"Hehehe My girlfriend is a few years older than me and she graduated here so now she's studying at the university" Zhang Liao was a little embarrassed when she talked about her girlfriend to Ye Chen and Zhao Yanyan.

"Ohh, then what interesting news is in the school forum?" Ye Chen asked, Ye Chen had never followed developments in the school Forum.

Chapter 88 - Four Beauty Flower School

Zhang Liao: "The first news came from Sen Tu, because yesterday he tried to **** the same sex spread on the internet, now he has been expelled from this school"

"So he was really expelled from this school, it's good that no one will bother Yanyan anymore, then what else?" Ye Chen asked.

"Now the most popular is the list of the four most beautiful flower schools, all the women who enter the four beauty flower schools are very beautiful women," Zhang Liao was very excited when he mentioned.

"The four beauty flower schools?" Muttered Ye Chen, Ye Chen had heard that every year there would be the election of the most beautiful women in this school, the men would vote by votes, the 4 most votes would be the beauty recognized by all students in the school this.

"So whoever it is" Ye Chen wondered who the 4 newest school flowers were, whether in the first year there would be a new beauty or not.

Zhang Liao smiled. "The 4th place was Cheng Mengyan, he was in the second year of class A, not only was beautiful. Cheng mengyan was also very smart, last year at the exam she got perfect scores in several lessons.

Zhao Yanyan who hadn't previously paid attention to the conversation suddenly looked at Zhang Liao with a cynical look.

Zhang Liao immediately drank his saliva, seeing Zhao Yanyan looked at him sarcastically. Zhang Liao didn't dare to continue his words.

This did not escape Ye Chen's eyes, "Yanyan what's wrong?" Ye Chen did not understand why Zhao Yanyan looked at Zhang Liao with a cynical look.

"I just don't like a girl named Cheng Mengyan," Zhao Yanyan said nonchalantly.

"What did she do to make you dislike her?" Ye Chen wanted to know the reason Zhao Yanyan didn't like Cheng Mengyan.

"We were classmates when we were in elementary school, but the girl always wanted to take what I liked so I and she always competed for what we liked" Zhao Yanyan was very unhappy when talking about Cheng Mengyan.

"So you and Cheng Mengyan are Rival" Ye Chen did not expect that Zhao Yanyan and Cheng Mengyan were Rival as a child.

"Huh, I really don't like that girl, Ye Chen, you should look as far away as possible from that Cheng Cheng girl," Zhao Yanyan warned Ye Chen not to be close to Cheng Mengyan.

"I understand" Ye Chen nodded at Zhao Yanyan.

"Zhang Liao continue I want to know Next" Ye Chen urged Zhang Liao to continue the conversation earlier.

Zhang Liao "number 3 is Xia Ningzi, she is in her first year," Zhao Liao approached Ye Chen's ears slightly and whispered "even though she was in her first year Xiao Ningzi has a very well-developed body shape, if you see her you will definitely understand I mean ".

Ye Chen understood what was meant by Zhang Liao just now. "Ahem continued" Ye Chen pretended not to know and told Zhang Liao to proceed to Number 2.

Zhang Liao: "Now in the second place is Li Qingzu, this woman is very beautiful and has a cold nature to all men who try to approach her, even the rich young masters who try to approach her are also driven away by her, some people call her flowers that are not touched ".

"And who is ranked first comes from Our Class, she is Zhao Yanyan the most beautiful woman in this class", It turns out that Zhao Yanyan Entered in the top list of school flower beauty let alone it was in the First Place.

"Look Yanyan we got the first order of beauty flower school" Ye Chen congratulated Zhao Yanyan.

Zhao Yanyan's face was red like a tomato, Zhao Yanyan was very happy to get the first degree of beauty school flower.

"All of you soon book your family" without Zhang Liao knowing that the teacher had already entered the classroom.

The lesson goes as usual the teacher explains in front of the class and some students are still chatting with each other.

Because Ye Chen had learned all the lessons that Ye Chen preferred to sleep to kill time.

"Hey pig lazy to wake up, it's time to go home from school" Zhao Yanyan woke up Ye Chen who was sleeping.

"Huh, it's time to go home from school" Ye Chen didn't expect that time would go so fast.

"Everyone has gone home, let's go home too" Zhao Yanyan invited Ye Chen to go home together.

Ye Chen followed behind Zhao Yanyan "Yanyan, are you going to go back to the dorm or go back to my villa? ".

Zhao Yanyan: "I'm going back to the dormitory, maybe Rouxi's sister is already home"

"Where did Teacher Lin go last night? "

"Last night she went to accompany her mother to stay at the hotel, actually I was also invited by Rouxi's sister to come along but I refused and instead went to your place".

"Ding" notification Enter Zhao Yanyan's cellphone, Zhao Yanyan immediately looked into her cellphone.

"Husband, big star Feng Xue will visit the music instrument course. Now, accompany me there" Zhao Yanyan dragged Ye Chen to the place where the musical instrument Yang Zhao Yanyan followed.

"Ringing Ringing" this time the phone was Ye Chen, the one who called Ye Chen was Liu Yue.

Ye Chen immediately answered it. Maybe there was something important "hello".

"Husband, where are you?" Liu Yue asked where Ye Chen was right now

"Yanyan and I just came out of the school gate, so why did my wife miss me" Ye Chen teased Liu Yue.

"Hate, go to my company now, I need your signature for the company permit" Liu Yue immediately asked Ye Chen to go to his company.

"Okay" after that Ye Chen hung up the phone.

"Sorry Yanyan I have real business with Yue, you go first I'll follow later" Ye Chen apologized for not being able to go with Zhao Yanyan now.

Zhao Yanyan: "It's okay what's important is you promise after your business is over you will go there".

"Well I promise" Ye Chen swore in front of Zhao Yanyan.

"OK, then I'll go first" Zhao Yanyan Stop the taxi and go to the music instrument course alone.

After escorting Zhao Yanyan Ye Chen's departure also went to Liu Yue's company

Chapter 89 - Save A Beauty

Ye Chen entered Liu Yue's office, Liu Yue was currently reading the pile of files that were on the table.

"Husband, finally you come too, Hurry up and come see this, does everything fit what you want?" Seeing Ye Chen come Liu Yue immediately told him to come closer and see the results of his work.

Ye Chen approached and sat next to Liu Yue, Ye Chen looked at the file that Liu Yue had submitted to him, he began to see the entire contents of the existing file.

Ye Chen: "Everything's fine, then where should I sign it? "

"Here" Liu Yue took out another paper and handed it to Ye Chen, Liu Yue also gave a pen to Ye Chen.

Ye Chen immediately signed the permission to set up a company.

"Yue, If there is nothing else then I will go" Ye Chen still had an appointment with Zhao Yayan, so he had to be fast.

Liu Yue stood up from her seat and walked in front of Ye Chen, Liu Yue then went up to Ye Che and hugged Ye Chen's neck "Why are you in a hurry do you not want to stay with me any longer?" Liu Yue became even more courageous in teasing Ye Chen.

"I want to, the problem is that Yanyan is waiting for me" Although Ye Chen wanted to stay longer, Zhao Yanyan was waiting for him.

"Oh, I see, husband, you still haven't appointed your company's CEO, today I opened a job interview for candidates for CEO, you should personally interview them" Liu Yue told Ye Chen to interview the candidates for registration who had registered.

Because Ye Chen couldn't possibly carry out company duties alone, he needed Ceo to handle all the existing affairs.

"Yue what if you do it, I'm not very good at interviewing matters" Ye Chen tried to seek help from Liu Yue.

"I can indeed interview them, but I don't know what criteria are for your company's CEO." Liu Yue didn't know what kind of CEO Ye Chen wanted.

"It's up to you, the most important thing is that they can carry out the company's duties well and honestly" Ye Chen is not too demanding in this aspect, and besides as long as they can be honest and hardworking, the company will definitely develop quickly.

"Well, I understand, where are you going with Yanyan's younger sister?" Liu Yue immediately interrogated Ye Chen, if Ye Chen intends to go have fun then Liu Yue also wants to come with them, she does not want to be left alone.

That's Zhao Yanyan teaching me, going to the music instrument course, there will be a star Feng Xue" Ye Chen told Liu Yue what he and Zhao Yanyan would do.

Liu Yue: "Oh Feng Xue, I often listen to the song, I did not think Yanyan's younger sister idolized her, so you will go to a musical instrument site? "

Ye Chen "Yue you know where that place is?"

"Of course you know it's only 15 blocks from this company, you can even see it from up here" Liu Yue then pointed out the window.

Liu Yue Pointed towards the Building with 10 Floors, the distance from here is approximately 2 Km.

Alright I will take care of everything here, but I have one condition for you. "Liu Yue has Terms for Ye Chen.

"What is that ?" Ye Chen asked.

"Tonight I want you to accompany me to go to a party, there will definitely be a lot of great people present, I want you to mingle a little with them, so that your company in the future has a broad consultation" It turns out that the requirements of Liu Yue are very easy to do.

"Alright" Ye Chen immediately promised Liu Yue.

Liu Yue then descended from Ye Chen's body and smoothed his clothes.

"Oh yeah, Yue can you find 3 VVIP tickets for Feng Xue concert, I want the three of us to go there to watch together" Ye Chen asked Liu Yue to find a VVIP ticket.

"Hemmm, VVIP concert tickets? I'll try as much as possible to get it. "Liu Yue was a little hesitant when she said it, to get a VVIP ticket is quite difficult.

Ye Chen then left Liu Yue's office and descended downstairs.

"Someone save me" Ye Chen heard someone asking for help from a small alley.

Ye Chen immediately went to see who was asking for help, arrived at the small alley, Ye Chen saw that there were 3 men cornering a woman.

This woman was dressed quite strangely, by wearing big glasses with a large woman's beach hat, Ye Chen had difficulty seeing this woman's face, which was definitely this woman.

"Hey beautiful woman, let's play with us, we guarantee that you'll be satisfied playing with the three of us," one of the troublemakers spoke with a sordid face to this woman.

"I, do not want to go with you, someone please save me, beautiful woman who is being cornered by the three intruders. This is screaming for help.

"Hahaha, scream at will, anyway no one will come here" to the three men approaching Beautiful women, even their hands are itching to touch this beautiful woman.

The beautiful woman continued to retreat, unfortunately behind was a wall so she could not escape.

"Are you not ashamed in broad daylight trying to grasp this beauty?" Ye Chen patted one of the shoulder of this intruder.

"Go mind your own business" the three men annoying angry because there are people who try to interfere with their pleasure.

Ye Chen strengthened his grip on the shoulders of the evil man and threw him back until he entered the trash can.

Seeing his partner thrown, the two other intruders rushed towards Ye Chen, wanting to beat him with the weapons they could find.

Ye Chen was lazy to deal with these intruders, Ye Chen waved his hand and the two evil men were flown up and into the garbage cans too.

Ye Chen then approached the beauty who was currently frightened, "hey miss, you better leave this place now, too, it's not safe to stay here.

After saying that Ye Chen turned around and left this narrow alley.

The beautiful woman followed Ye Chen and left this narrow alley.

Chapter 90 - Fake Feng Xue

"Hey Wait", the woman just now called Ye Chen again.

Ye Chen turned "what is it?" Asked Ye Chen.

"Can you take me somewhere I am lost and do not know the direction" beautiful woman begged Ye Chen for getting lost.

"Sorry, I'm in a hurry, you can just ask someone else for help." Ye Chen did not have time for this, and continued to go to Zhao Yanyan's place.

"Wait Wait" again this beautiful woman stopped Ye Chen.

"What else?" Ye Chen is helpless in response to this woman.

The beautiful woman hesitated, but she began to open her sunglasses and her beach hat.

Now Ye Chen could see this woman's real face, this woman had a perfect oval face, with long straight brown hair, the blue eyes she had made her look like a beautiful princess.

"Beautiful" Ye Chen slightly admired the Beauty in front of him.

"Now can you help me go to the place I want to go" this beautiful woman asked Ye Chen to help her.

"I told you I don't have time you can find someone else to help you, bye" Ye Chen turned and left.

Beautiful women were made shocked by Ye Chen's attitude just now, it needed to be known by many people who wanted to take her away but she always refused, and now she suddenly was rejected by the person in front of her. "Does this person not know me, who does not know me in the country?" Beautiful women overtook Ye Chen and blocked his way.

"Stop, what is your relationship, do you not know me?" the beautiful woman blocked Ye Chen's path with a slightly dissatisfied face.

"So who are you? Have we met before?" Ye Chen did not remember seeing this woman before.

"You, you," Feng Xue pointed at Ye Chen with her finger, her breathing began to pull down very angry, this person really didn't know her at all.

Seeing Ye Chen's face not lying Feng Xue sighed, he felt his popularity was lacking until the man in front of him really didn't know him at all.

"I am Feng Xue a female star." Feng Xue introduced herself to Ye Chen.

"Ahahahaha" Ye Chen laughed seeing this woman claiming to be a female star of Feng Xue, how could a star be in a place like this? Impossible.

" why are you laughing? is there something funny ? "Feng Xue doesn't understand why the man in front of him suddenly laughed.

"Yes, there is something funny that is you, where there is a super star in a place like this, what's more he claims to get lost, if you want to lie you should not be too high, ahahaha" Ye Chen kept laughing.

Feng Xue was angry because this man dared to doubt his identity "I'm not lying, have you never seen me on TV before" Feng Xue puffed up his cheeks feeling dissatisfied with Ye Chen.

Seeing the woman who claimed Feng Xue was dissatisfied, Ye Chen felt even more funny "I will take you to the place you want but don't lie like that anymore" Ye Chen pinched the cheeks of the woman who claimed Feng Xue.

"I am Feng Shui Xue and I never lie" Feng Xue tried to release Ye Chen's hand from her cheek.

"Well, well, I understand, Feng Xu is a fake, so where are you going?" "Asked Ye Chen.

"I Want to Go to a Musical Instrument course in this city, do you know the place?" Feng Xue told me where she wanted to go.

"What a coincidence I also intend to go there, then let's just go together" It seems like this girl like Zhao Yanyan intends to meet the real female star Feng Xue.

Feng Xue wore black sunglasses and her beach hat again and walked next to Ye Chen.

"Hey, what's your name?" Feng Xue doesn't know the name of the person who saved her.

"I am Ye Chen, what is your real name? Ye Chen told Feng Xue his name.

"I told you my name is Feng Xue, why don't you understand?" This man is so annoying why he doesn't believe what she says.

Seeing this woman still insisted Ye Chen said nothing more.

"Miss Feng how did you end up with three intruders just now? "Chen Chen wants to know how Feng Xue ended up with those three intruders.

"Because the car I was riding in broke down I was forced to walk so that it wouldn't be stuck, unfortunately when in the middle of the trip my cellphone ran out of power so I didn't know the direction of the road, I intended to ask some people who were hanging out on the side of the road, they said that they can take me, but I never thought they would even want to do things that are not obscene to me "Feng Xue tells the beginning of the incident that made him stuck with 3 intruders.

"You are indeed very stupid huh, how can you believe so easily to strangers you just met" Ye Chen laughed at the innocence owned by this fake Feng Xue.

"Who are you calling stupid, my IQ above 130 you know" Feng Xue did not accept being called stupid by Ye Chen.

"Well, Miss Genius." Ye Chen felt this beautiful woman was a little funny.

"Why did you go to the music class building yourself? Are you a student there too?" Feng Xue asked Ye Chen.

"No, I went there because there was an appointment with someone to see the female star Feng Xue together." Ye Chen smiled at Feng Xue.

Feng Xue blushed slightly when looking at Ye Chen, Feng Xue just realized that although this guy was annoying but he was very handsome, Feng Xue had met many male stars and male actors who were handsome, but they still lost when compared to Ye Chen.

Feng Xue just heard that Ye Chen wanted to see Feng Xue, wasn't she already in front of him, was this person blind, Feng Xue smiled wickedly, she wanted to see Ye Chen's reaction when he found out that he was the real Feng Xue.

The two continued to walk together towards the instrument course..
