

Chapter 821 - Taoji Sect

Tai Peng tried to break away from Ye Xiu's tail, unfortunately Tai Peng's strength was unable to break Ye Xiu's twist that was too strong.

Tai Peng Didn't expect that Ye Xiu's strength would be this strong, even with a fairly high cultivation base, Tai Peng still couldn't afford to break away from Ye Xiu.

"What you do is useless, you will not be able to escape my Little Xiu's abilities" Ye Chen told Tai Peng that he would not be able to escape Ye Xiu's power.

" Who.. .. you.. . two? " Tai Peng again asked who exactly Ye Chen and Ye Xiu were.

"We already said you don't need to know who we are, what you need is that you answer our questions" Ye Chen said to Tai Peng to answer his question.

"Quickly tell me where the other nine tailed fox races are, otherwise don't blame us if you break your neck." Ye Chen asked again about the whereabouts of the other nine tailed fox races, Ye Chen also didn't forget to threaten Tai Peng to want to talk about the existence from a secret prison used to hold race the nine-tailed fox.

When Ye Chen gave a warning to Tai Peng, Ye Xiu started to strengthen his knot, if it continued like this then Tai Peng's neck could really break.

"Fine, I'll say it please spare me" Tai Peng finally gave up, he wanted to reveal the existence of a hidden prison that was used to imprison the members of Clan the Nine-tailed Fox.

"Little Xiu, you can loosen the knot." Ye Chen told Ye Xiu to loosen the knot on Tai Peng's neck.

Ye Xiu nodded at Ye Chen, herself starting to loosen her tail around Tai Peng's neck.

Tai Peng finally breathed quite a sigh of relief, he felt that every breath he took was so precious.

"If you dare to lie to us with your words, then I will kill you." Before asking a few questions, Ye Chen didn't forget to warn Tai Peng.

"Glup.. " Tai Peng swallowed his saliva, he felt a very strong killing aura from Ye Chen.

This made Tai Peng feel the terror emanating from Ye Chen.

"So where is the hidden prison used to imprison the nine-tailed fox race ?" Ye Chen asked Tai Peng regarding the location used to imprison nine-tailed fox race .

"The secret prison used to imprison the nine-tailed fox race is in the mountains behind the Taoji Sect, that's where all the Demi Humans I have come from." Tai Peng told Ye Chen where the location he got from the nine-tailed fox race.

"Where is the exact location, tell us quickly." Ye Chen wanted more detailed information about the information that came from Tai Peng.

Tai Peng began explaining the existence of the place where the nine-tailed fox race was held, himself telling Ye Chen and Ye Xiu that the owner of the place had very good relations with several Shaolin leaders, so no one had dared to touch the place until now.

"I see, the person who restrains the nine-tailed fox race has a pretty good relationship with some of the Shaolin leaders, I didn't expect that the people in Shaolin would do something like that." Ye Chen couldn't help thinking that the Shaolin people would have a relationship with slave suppliers.

"It's because some people from Shaolin need resources to increase our strength, by capturing and selling Demi Human some of the Shaolin members can quickly increase our strength, after all for the people from Shaolin Demi Human is the enemy" Tai Peng told what details that Ye Chen wanted.

Tai Peng actually said an immense secret, if people outside heard of this, their view of Shaolin which was one of the great powers in the Kunlun Holy Land would change.

Even though this is only done by a handful of people, it will still have an impact on the reputation of Shaolin, moreover there are some high-ranking Shaolin officials who are involved in this.

"Master, do you think the information from this person is true or false?" Ye Xiu asked if the information from Tai Peng was true or just a lie.

"This person didn't lie to us, I can confirm this." Ye Chen told Ye Xiu what Tai Peng said is a truth.

"If what this person said was the truth, that means, my clan members were detained in the mountain at the back of the Taoji sect," Ye Xiu said to Ye Chen.

"To find out about that, let's go and find out if there really are people from your Clan or not." Ye Chen invited Ye Xiu to go to the Taoji sect, where Ye Chen and Ye Xiu would get answers to questions. they.

"Master, then what are you going to do with this person?" Ye Xiu asked what they should do to this person.

"Let's bring him, he can be a guide for us, this can also be in case he lied to us" Ye Chen wanted to bring this person to guide their way, all Ye Chen was on guard so that this person didn't lie to the two.

"Didn't you say that you would forget me, how could you lie to me" Tai Peng felt dissatisfied when he heard what Ye Chen had just said.

"Indeed, when I said I wanted to let you go, I never said that I wanted to let you go, I just said that I won't kill you, so don't misunderstand us" Ye Chen said to Tai Peng.

Ye Chen never said that he would let Tai Peng go, before Ye Chen only said that he would not kill Tai Peng.

"You dare to trick me, watch out for you." Tai Peng felt angry when Ye Chen dared to deceive him, this made Tai Peng angry.

"Hehehehe, it's your fault for daring to play with people from little Xiu's Clan, so feel the consequences" Ye Chen chuckled at Tai Peng.

Tai Peng could only grit his teeth when he heard Ye Chen's words, Ye Chen really is a shameless person, dealing with Ye Chen is quite troublesome.

"Let's go" Ye Chen invited Ye Xiu to leave this place, later after everything was resolved by Ye Chen, Ye Chen could come back and free all for the sake of the humans in this place.

For the time being Ye Chen would leave the demi humans in this dungeon, they would be safe in this place.

Ye Chen and Ye Xiu left this dungeon, the two of them immediately rushed towards the Taoji sect where the nine-tailed fox race was being held.

Ye Chen was currently carrying Qiqi in his arms, meanwhile Ye Xiu was holding back Tai Peng from running away from the two of them.

Since the Taoji sect was not too far from Shaolin, Ye Chen, Ye Xiu and Qiqi were able to arrive at the Taoji sect very quickly.

The Taoji Sect was built under the mountains, the buildings owned by the Taoji Sect could be said to be quite magnificent, they had huge buildings towering like a skyscraper.

"Oh so this is the Taoji Sect." Ye Chen looked at the Taoji Sect, the Taoji Sect was bigger than he had previously imagined.

Chapter 822 - Meet Unexpected People

"So where is the entrance to the hidden prison you said earlier" Ye Chen asked Tai Peng about the hidden prison that Tai Peng previously talked about.

"The hidden prison I just said is behind that mountain" Tai Peng pointed to a mountain at the very back.

Ye Chen looked at the mountain that Tai Peng was pointing at, it was obvious that this rear mountain could not be inhabited by anyone.

"Ye Chen's elder brother, are mom and dad there?" Qiqi asked whether her father and mother were there or not.

"Your father and mother are probably there, let's go over there to take a look." Ye Chen invited Qiqi to go and see if it was true that there was a nine-tailed fox race in this place or not.

"Yay, finally Qiqi, will meet father and mother." Qiqi looked very happy when she heard this news, she wanted to meet her father and mother immediately.

Ye Chen and Ye Xiu could only smile when they saw Qiqi who became very cheerful, this little girl was very cute when she was cheerful like this.

"You have got what you want from me, please let me go right now" Tai Peng asked Ye Chen and Ye Xiu to let go of themselves.

Ye Chen ignored Tai Peng's words, Ye Chen wouldn't just let this person go.

"Little Xiu, let's go." Ye Chen invited Ye Xiu to go and see if the secret prison was indeed on the mountain that Tai Peng pointed at.

Ye Xiu nodded, herself following behind Ye Chen.

Ye Chen and Ye Xiu flew very fast, in just an instant the two of them had reached a place where the mountain that was suspected of being a prison for demi humans.

"God Eyes" Ye Chen used his God Eyes technique to see what was inside this huge mountain, when Ye Chen used the God Eyes technique, he saw that in this mountain there was a prison that was enormous in size, there were at least tens of them thousands of prison cells in this inside mountain.

Ye Chen began to look at the contents of the prison cell, he found that there were several demi humans from various races gathered in this place.

Ye Chen also found that there were tens of thousands of human race demi-humans imprisoned in this cell.

" How ?" Ye Xiu asked how the result was found by Ye Chen.

"There is indeed a considerable number of nine-tailed foxes inside, it seems that what this person said is true." Ye Chen immediately informed Ye Xiu of his findings.

Inside, Ye Chen found that there were quite a number of nine-tailed fox races imprisoned within this place.

"Very good, then let's save them right now" Ye Xiu was quite happy when she heard the news from Ye Chen, Ye Xiu wanted to immediately save people from her Clan member

"Custody in there are very strict, if we want to save all Demi human ,then we have to beat all the guards in this place" Ye Chen told Ye Xiu that there were dozens of times more guards than in the dungeon they had just visited.

"We can go straight against everyone and free all the prisoners" Ye Xiu said to Ye Chen to fight everyone in there.

"No" Ye Chen immediately shook his head, he did not agree with what Ye Xiu was trying to do.

"Why don't you agree?" Ye Xiu asked why Ye Chen didn't agree with her.

"Little Xiu, let's first find out who the leader of these people is, the guards inside are just an insignificant anchovies, it's useless to beat them but can't catch the main brain in this matter" Ye Chen told for Ye Xiu to catch the leader of this conspirators., that way in the future there would be no more problems like this.

Ye Xiu finally understood what Ye Chen wanted, it turned out that Ye Chen wanted to first catch the leader of these conspirators.

"Let's sneak inside." Ye Chen invited Ye Xiu to sneak inside.

Before sneaking inside, Ye Chen didn't forget to knock on Tai Peng and hold Tai Peng's body somewhere that no one would find.

It was too at risk for Ye Chen to bring Tai Peng inside, it might ruin everything.

Ye Chen and Ye Xiu entered the secret prison, the two of them immediately went to find the whereabouts of the leader of these people.

When Ye Chen entered the secret prison, he saw a lot of demi humans who were handcuffed and in chains using a chain that was quite large and heavy, the chain that binds Demi Humans was a special chain that could temporarily seal the power of humans.

This made Demi Humans power so weak that they would not be able to fight back when they were mistreated by the guards in this place.

On the other side, Ye Xiu felt very angry when she saw the treatment that the guards gave to the Demi Humans, the Demi Humans were being tortured and abused by these people.

"Little Xiu, I hope you can calm down, don't let us get caught" Ye Chen told Ye Xiu to be more calm in facing the scenery in this place.

"Master, these people are really very cruel, I feel like killing them" Ye Xiu told Ye Chen that he wanted to kill people who did cruel things like this for the sake of Humans.

"I know how you feel right now, but try to be more calm in dealing with this matter, there will be times when you can do whatever you want to these people." Ye Chen tried to calm Ye Xiu so as not to act rashly.

Their main focus now is to find out who the leader of these people is, after knowing the leaders of these people Ye Chen and Ye Xiu can immediately execute these criminals.

Meanwhile, Qiqi who was in Ye Chen's arms was looking for the whereabouts of her parents, unfortunately Qiqi still hasn't found any signs of her parents around here.

Ye Chen and Ye Xiu sneaked into the inner part of the prison, they were constantly trying to find the whereabouts of the leader of the Demi Human sales gang.

Ye Chen also used his God Eyes to find out the whereabouts of the leader of the Demi Human sales gang.

When Ye Chen searched around this place, he found a very interesting thing, there was the figure of someone Ye Chen knew.

"Little Xiu come here." Ye Chen pulled Ye Xiu along with himself towards a place.

Ye Xiu was quite curious about where Ye Chen was going to take herself, Ye Xiu could only surrender when she was pulled by Ye Chen.

Ye Chen took Ye Xiu to a very special room, in this place the leader of this gang was likely to be.

Ye Chen and Ye Xiu peeked into the room, the two of them saw what was in this room.

When Ye Xiu peeked into the room, she found a familiar figure.

"Nibi, why is he here?" Ye Xiu was surprised when she found Nibi figure in this room.

Chapter 823 - Shocking Truth

Ye Xiu didn't know why Nibi could be in this place, especially now that Nibi was talking to the man in this room.

"Master, what do you think is doing Nibi in this place?" Ye Xiu asked Ye Chen what might be doing Nibi in this place.

There was no way Nibi would be caught by these people.

"Shh, let's listen to their conversation." Ye Chen wanted Ye Xiu to calm down a little and listen to the conversation that was being held by Nibi and the person inside.

Ye Xiu nodded to Ye Chen, himself tried to calm down and listened to the conversation that was being held by Nibi and the mysterious man.

"Ling Tong, I beg you to quickly remove the nine-tailed fox race from this place right now" Nibi said to the man in front of him.

The name of the man in front of Nibi turned out to be Ling Tong, he was the leader as well as the person who moved this syndicate from behind the scenes.

"Hey Nibi, why do you look panicked like that, quickly explain to me what happened, let your older brother solve your problem" Ling Tong asked Nibi who looked very panicked as if he was being chased by a ghost.

"Bad things are happening, you know that the woman who once female leader of the Nine-Tailed Fox Clan has returned, if she finds this place, then you will be destroyed." Nibi warned Ling Tong that Ye Xiu who was the leader of the Nine-tailed Fox Clan had returned.

"Oh, so your Queen has returned, I heard that your Queen has white fur which is very rare, if it is sold we can get lots of Profound Crystals." Ling Tong's first thought was that he could get lots of Profound Crystals by selling rare nine-tailed foxes like Ye Xiu.

In Ling Tong's mind, there were only Profound Crystals, with Ling Tong's Profound Crystal being able to do whatever he wanted in the Kunlun Holy Land.

The Kunlun Holy Land did not use paper money like the mortal world, here Profound Crystal was a medium of exchange that was often used by cultivators to buy goods and resources such as pills and medicinal plants.

So it wasn't strange that Ling Tong was so obsessed with Profound Crystals, that with Profound Crystals he could do whatever he wanted.

Even the power he has today results from the Profound Crystal that he got from selling the Demi Human to be made slaves.

Moreover, this is a nine-tailed fox that has strong enough strength, usually a nine-tailed fox will be used as a Guardian to protect the homes of rich people, so the price he can sell for a nine-tailed fox race will be very high.

"Listen don't mess with Ayaka, she is mine, I won't let anyone get her." Nibi immediately warned Ling Tong not to touch Ye Xiu, Ye Xiu was hers, Nibi would not let anyone but herself have Ye Xiu.

"Hahaha, so you have a crush on the former Queen who once ruled your Clan, that Nibi is very funny, if that woman finds out that you are one of the masterminds behind the destruction of Clan the Nine-tailed Fox, I wonder what that woman will do" Ling Tong laughed satisfied when he heard what just said Nibi.

Ling Tong did not expect his brother will be fancied to former nine-tailed fox Clan leader, Ling Tong just found out about this.

No wonder Nibi always told himself to catch a nine-tailed fox that had white fur, apparently this was the reason.

"I definitely won't let him know about this matter, that's why I want you to immediately move the nine-tailed fox race from this place right now." Nibi again said to Ling Tong to immediately move the nine-tailed fox that was in this place.

"Nibi, what you ordered is almost impossible to do, the nine tailed fox is an arrogant creature and quite difficult to control, moving them all together is impossible to do." Ling Tong told Nibi what he just said is something that is quite impossible to do in a short time.

It would take at least a little longer to move the nine-tailed fox race from here to elsewhere.

"I don't care, please you quickly remove all the nine-tailed foxes that you have captured from this place right now, if not then, Boom.. .." before Nibi could finish his words, an explosion occurred behind him.

This explosion was very loud, this explosion destroyed the place behind Nibi.

"You don't need to hide anything from me anymore, I've listened to everything you've done." Ye Xiu appeared in front of Nibi and Ling Tong, Ye Xiu saying she already knew everything.

Ye Xiu couldn't help thinking that Nibi could do something like this, Nibi actually sold his own people for a few Profound Crystals, this was something Ye Xiu could not tolerate.

Ye Xiu was really very angry with Nibi for disappointing her, even though Ye Xiu thought that Nibi was a good and wise person, she didn't expect Nibi to have a connection with the gang that sold Demi Human.

Ye Chen couldn't do much, he could no longer hold back Ye Xiu, who was already angry when she learned the truth that she had not known so far.

The real reason for the destruction of the nine-tailed fox Clan was not Ye Xiu's fault, it turned out that this was Nibi's fault, Nibi was the one who made the enemy know the hidden location of the nine-tailed fox Clan.

"Ayaka, please calm down, I can explain all this." Nibi frantically tried to explain what happened to Ye Xiu, he didn't want Ye Xiu to hate him.

"Nothing needs to be explained, I already know everything, it turns out that you are plotting with these people to attack Clan members your own, Nibi are you not ashamed of yourself?" Ye Xiu scolded Nibi all

out, Ye Xiu looked so annoyed at Nibi who had dared to sell his own Clan members to people like this to become slaves.

"Nibi, don't waste your time explaining to this woman, I will help you train this woman so that she will be obedient to you" Ling Tong said that he would help Nibi get Ye Xiu.

Ling Tong was a slave trader, he had trained enough slaves to be obedient, so it wasn't difficult for Ling Tong to train an arrogant woman like Ye Xiu.

Nibi looked at Ling Tong, what Ling Tong said was true, he wouldn't be able to explain anything to Ye Xiu anymore, Ye Xiu definitely wouldn't want to listen to his explanation.

"Please help me get this woman." Finally Nibi agreed to ask Ling Tong for help to find Ye Xiu who was his ideal woman.

"I will definitely make you two pay for what you have done to my clan members." Ye Xiu's body began to be enveloped in yellow light, it could be seen that Ye Xiu was ready to fight Nibi and Ling Tong.

When Ye Xiu revealed her strength, this place began to shake violently as if it was being hit by an immense earthquake.

Ye Xiu no longer held back her strength, she immediately released the pressure of a tenth level Overlord Realm.

"Hehehe, it's interesting, it looks like the Queen of the nine-tailed fox is quite strong, I think I'll have a little fun here." Ling Tong's reaction was quite strange, Ling Tong looked quite happy when he saw the strength that Ye Xiu was showing.

Chapter 824 - Ye Xiu Vs Ling Tong

Ling Tong looked quite happy, it had been a long time since Ling Tong had fought someone who had a cultivation level comparable to him.

Ling Tong is currently at the tenth level of the Overlord Realm, it can be said that Ling Tong's strength is comparable to Ye Xiu's.

Ling Tong started to take out his own power, when Ling Tong took out his own, the place shook more and more horribly.

Ye Xiu's strength and Ling Tong's strength met, the meeting of the two of them made the situation in this place even more chaotic.

Small boulders began to crumble from the ceiling of the Cave, it could be seen that this place was about to collapse.

It was undeniable that Ye Xiu and Ling Tong had similarly strong cultivation bases, when the two powers of the same level met, it would create even more terrible destructive power.

"Big brother Ye Chen, what will elder sister Xiu do?" Qiqi who was in Ye Chen's arms asked what Ye Xiu was going to do now, why did Ye Xiu look so scary when she was angry.

"she is teaching the man who has locked up Qiqi and all the members of the Qiqi Clan, so Qiqi has to support what Sister Xiu is doing." Ye Chen told Qiqi what was happening right now.

Ye Chen had to lower his speaking style a little so that Qiqi could understand what was going on right now.

"I see, elder sister Xiu, fight." Qiqi started to give a cheer to Ye Xiu, hoping that Ye Xiu would fight hard against the bad guys who had imprisoned her, her father and mother.

Qiqi really is so innocent, she was easily fooled by Ye Chen's words.

Ye Chen could only smile when he saw the innocence possessed by Qiqi, this little girl was really quite easy to be tricked by Ye Chen.

Ye Chen focused his attention towards the battle Ye Xiu was fighting, he wanted to see what kind of battle Ye Xiu was going to do.

"Earth Crush" Ling Tong's was the first to attack Ye Xiu, he immediately used the technique to attack Ye Xiu.

When Ling Tong used a technique called Earth Crush, the ground beneath Ye Xiu's feet immediately collapsed downwards and made a large enough hole.

Ye Xiu fell into the hole that had appeared due to the collapse of the ground, she was now trapped in the middle of a huge hole.

"Prepare to be buried alive, feel this." Ling Tong began to touch the ground beneath him.

When Ling Tong did this, the wall around the hole where Ye Xiu was standing began to look narrow and wanted to squeeze Ye Xiu's body in the hole.

Ye Xiu's body began to be crushed by the stone wall around him, if it continued like this Ye Xiu could be completely buried in the ground.

"Senior sister Xiu, be careful." Qiqi saw what happened to Ye Xiu, she began to warn Ye Xiu who was currently in the hole to get out of this place immediately.

Too bad Ye Xiu still didn't seem willing to move, she looked quite calm in the face of the attack that Ling Tong was trying to make.

"Bamm.. ." The ground had closed completely, Ye Xiu's body was now buried in the ground.

"Hehehe, this is easier than I thought." Ling Tong was satisfied when he saw Ye Xiu had managed to lock himself in the ground.

"Ling Tong, did you kill her?" Nibi asked if Ling Tong had killed Ye Xiu.

It would be bad if Ling Tong killed Ye Xiu, even though Ling Tong had promised to give Ye Xiu to himself.

"You don't need to worry and worry like that, I didn't kill that fox woman, I just locked her in the ground for a while." Ling Tong began to explain that he had only locked Ye Xiu underground for a while.

After Ye Xiu was completely helpless, Ling Tong would release her and start giving Ye Xiu a special chain for Demi Humans.

The Special Chain that Ling Tong was referring to was a chain that could make Demi Human's power decrease.

"Okay, let's take care of these two people." Ling Tong turned his attention to Ye Chen and Qiqi, it's time for him to take care of these two people.

For Ling Tong, taking care of Ye Chen and little girl Qiqi was not a difficult thing, he could easily take care of both of them.

Ling Tong walked towards Ye Chen and Qiqi, himself intended to catch Ye Chen and Qiqi.

"Big brother Ye's Chen, that person came here." Qiqi said to Ye Chen, if Ling Tong came here with very evil intentions.

"Qiqi, you do not need to worry, that person would not be able to do something to us, little Xiu will definitely be able to overcome him very easily," Ye Chen told Qiqi that Ling Tong wouldn't be able to do something bad to the two of them.

Ling Tong smiled when he saw Ye Chen's words, this person really believed in Ye Xiu, even though Ye Xiu had himself sealed under the ground and it was impossible to get out.

When Ling Tong had just walked a few steps forward, from the underground suddenly appeared several white tails that attacked him.

"Blam" Ling Tong's was hit by this tail until it bounced off the wall.

"Bam" Ling Tong's hit the wall with great pain, he didn't have any resistance when he was hit by the tail just now.

Ye Xiu emerged from the underground, staring at Ling Tong with an intense murderous gaze.

"You can be free very easily from the dirt prison that I made?" Ling Tong was quite surprised when he saw that Ye Xiu could easily escape the attacks he made.

"Of course, your strength just now is too weak, it won't be able to imprison me." Ye Xiu told Ling Tong that the attack just now was very weak.

"How dare you underestimate me, I will kill you" Ling Tong was quite angry when he was belittled by Ye Xiu, Ling Tong started to get serious enough when fighting Ye Xiu.

"Thousand Large Stones" Ling Tong's started throwing thousands of stones which were quite large in size from the ground.

All the boulders of enormous size immediately charged towards Ye Xiu.

"Boom.. ., Boom.. ., Boom.. ., Boom.. .," The large rock that was heading towards Ye Xiu shattered into pieces.

Ye Xiu didn't let this attack get to her, before it could reach her, Ye Xiu had already used her tail to deflect all the boulders that were pointing towards her.

Ye Xiu crushed all the boulders that were aiming at her.

"Enough of playing games, I'll beat you right away." Ye Xiu felt that he had enough playing with Ling Tong, the time to get serious about fighting Ling Tong.

Ye Xiu took her Chi Yin Hand Fan, it's time for her to try what kind of weapon the Chi Yin Hand Fan is.

A hand fan that looked beautiful appeared in Ye Xiu's hand, this was an extremely beautiful hand fan.

Ye Xiu started to open the Chi Yin Hand Fan, when the Chi Yin Hand Fan was opened by Ye Xiu, an extremely powerful blow appeared and pushed everyone back.

Ye Xiu was quite surprised when she saw what just happened, it was unexpected that just opening the Chi Yin Hand Fan could make such a powerful blow.

Chapter 825 - Enemy Reinforcements Are Here

"What the hell?" Ling Tong was quite surprised when he saw the power of the fan in Ye Xiu's hand, the fan in Ye Xiu's hand had quite a terrifying strength.

Ye Xiu started swinging her fan at Ling Tong, immediately a very powerful blow passed overhead at Ling Tong's.

"slash" The wall around this place was split into two parts, this cut was so neat that it looked like a large and sharp sword cutting through the walls in this place.

Since the mountain had been split in two by Ye Xiu, they could now see the sky that was in the Kunlun Holy Land.

Ling Tong was very shocked when he saw Ye Xiu cut the huge mountain in half with just one swing, if the attack just now hit Ling Tong, maybe now Ling Tong's head would have broken off.

Ling Tong had to be very careful with the Chi Yin Hand Fan in Ye Xiu's hand, if he wasn't careful with the Chi Yin Hand Fan in Ye Xiu's hand, Ling Tong could lose his life.

"Wow, that's great, I didn't expect Chi Yin Hand Fan will be that great" Ye Chen muttered in his heart, he didn't expect it to be Chi Yin Hand The fan will be this strong.

Not only was this mountain cut by Ye Xiu's Chi Yin Hand Fan, the small mountains around here were also cut by the Chi Yin Hand Fan in Ye Xiu's hand.

Ye Chen was very sure that Ye Xiu just now didn't fully exert her strength, if Ye Xiu was serious about using the Chi Yin Hand, then the damage would be even more terrible than this.

Ye Xiu was again taken aback by the power of the Chi Yin Hand Fan in her hand, this hand fan was so terrifying, just by using the little ability she had, Ye Xiu could cause such damage.

"Get ready, I will immediately defeat you and bring back all the Clan members that you have imprisoned." Ye Xiu said that he would definitely bring back all nine-tailed fox races that had captured by Ling Tong.

"I won't let you do that, Nine Great Wall." Ling Tong began to make the nine fortresses impregnable in front of himself, this fortress had been strengthened by Ling Tong so it was quite difficult to break through.

Ye Xiu's attack would definitely not be able to penetrate into the huge fortress he had created using all the strength he had.

Ling Tong already felt safe behind his fortress, now he only had to attack Ye Xiu from behind this fort.

For an earth element user like Ling Tong, attacking enemies from a distance is quite easy to do.

"I will.. ." before Ling Tong could finish his words, the fort he had just created was swept flat by Chi Yin Hand Fan with utmost ease.

The Chi Yin Hand Fan very easily swept through the Nine Great Wall made by Ling Tong, the Nine Great Walls like a piece of trash swept by the Chi Yin Hand Fan.

Ling Tong gawked when he saw that all of his fortresses were swept flat by the Chi Yin Hand Fan in Ye Xiu's hands, he couldn't believe that his strongest defensive technique was so easily swept away by Ye Xiu.

"What is this woman, why does she have such a terrible power?" Ling Tong was completely at a loss for Ye Xiu's strength which was beyond his senses.

Nine Great Wall was the defense that Ling Tong was most proud of, this was a fortress that had been strengthened with a considerable amount of Profound Energy, it was unexpected that the Nine Great Wall could easily be destroyed without a fight.

Ye Xiu again swung the Chi Yin Hand Fan towards Ling Tong, Ling Tong's body was immediately blown away by the force of the blow created by the Chi Yin Hand Fan.

Ling Tong's body was flown hundreds of kilometers by this blow, it could be seen that the Chi Yin Hand Fan's blow was so strong that it could blow Ling Tong that far.

"Boom" Ling Tong's hit the ground so hard that it bore a hole that was quite large.

"Cough.. . , Cough.. . , "Ling Tong started coughing up quite a large amount of blood, it can be seen that Ling Tong suffered quite serious injuries from the attack just now.

"damn ,This hurts so much." Ling Tong cursed very loudly, the pain he was suffering from was extremely painful.

"Wush.. ."Ling Tong listened to the sound of the wind blowing from the front of his body.

When Ling Tong looked forward, Ling Tong found that Ye Xiu was already in front of him who had started walking towards him.

"Stop, don't get close." Ling Tong tried to stop Ye Xiu who was approaching him, this time Ling Tong felt quite a threat from Ye Xiu.

Ye Xiu didn't stop walking towards Ling Tong at all, Ye Xiu started to raise her nine tails, Ye Xiu's tail looked like a spear that was ready to stab Ling Tong's body anytime.

"Stop, don't come any closer" Ling Tong tried to stop Ye Xiu who was walking closer and closer.

"You will die" Ye Xiu immediately used her nine tails to pierce Ling Tong's body, Ling Tong's body was very easily penetrated by Ye Xiu's nine tails.

"Uhhh" Ling Tong's body twitched as Ye Xiu's nine tails pierced his body, Ling Tong felt an extremely intense pain that he had never felt in this life.

Ling Tong did not immediately die when he received Ye Xiu's attack, he only lost consciousness when his body was pierced by Ye Xiu's tail.

Ye Xiu didn't kill Ling Tong right away, he could still use Ling Tong to search for the existence of the nine-tailed fox that Ling Tong had sold to the rich people and influential Clans in the Kunlun Holy Land.

Ye Xiu intended to bring Ling Tong's body back to the mountain which was used as a prison for Demi Humans.

.
. .
.

Meanwhile Ye Chen and Qiqi were currently surrounded by thousands of people from the Taoji Sect, Shaolin Sects and Ling Tong's men.

These people were most likely people with close ties to Ling Tong and who took part in the sale of Demi Human.

"Are you the one who made a mess in this place?" one of the people from the Taoji Sect asked Ye Chen in a harsh and furious tone.

It could be seen that this person was angry because Ye Chen had interfered in their underground business.

"Yes, I really am the one who has made a mess in this place, don't you guys like what I'm doing?" Ye Chen said to everyone who surrounded him in a tone that was quite arrogant.

"You arrogant young man, we will kill you for daring to make a mess in our place." One of the Tao higher ups said that they would kill Ye Chen.

"big brother Ye Chen, these people are creepy." Qiqi huddled in Ye Chen's arms, telling Ye Chen that people were so terrible.

"Qiqi you don't need to worry, these people are just a bunch of clowns, they won't be able to do anything bad to us." Ye Chen told Qiqi that people wouldn't be able to do anything bad.

Chapter 826 - Dig Up Information From Ling Tong

The people from the Taoji Sect, Shaolin and Ling Tong's men were very annoyed at Ye Chen who dared to say that they looked like clowns making jokes.

"Die" The people from the Taoji Sect, Shaolin and Ling Tong's men simultaneously attacked Ye Chen, they shouted as loud as they could because they wanted to kill Ye Chen.

They all charged towards Ye Chen at the fastest speed they could do.

"You fools, One Hundred Thousand Fire Swords" Ye Chen immediately used the One Hundred Thousand Fire Swords, around Ye Chen's body appeared hundreds of flaming swords.

Ye Chen ordered this floating sword to attack all the enemies around him.

The hundred flaming flying swords immediately charged towards the enemy who was heading towards Ye Chen.

"Slash. ., Slash. ., Slash. ., Slash. ., Slash. .," All the enemies who tried to attack Ye Chen were immediately slashed by the flying flames around Ye Chen.

One Hundred Thousand Fire Swords easily injured everyone who tried to injure Ye Chen.

Seeing their comrades and allies injured under Ye Chen's sword, the people who had not been injured immediately pulled themselves back as far as possible, they didn't want to simply put their lives in Ye Chen's hands.

"You guys are smarter than I thought, looks like I have to use the new power I got a little bit." Ye Chen intended to use a new technique he got from the Sage God's legacy.

Ye Chen started to raise one hand of him forward, himself opening his palms wide open.

"Sky Wind Law" a very strong wind came out from Ye Chen's body, this wind was blowing hard towards the people around this place.

"Arghh" all of the people around this place were immediately blown away by Ye Chen, they were all blown hundreds of kilometers by the very strong winds that came out of Ye Chen's body.

In just a matter of seconds, this whole place was clean, everyone who surrounded Ye Chen had been flown by Ye Chen in all directions.

The power of Sky Wind Law seemed to be as strong as the power displayed by Ye Xiu's Chi Yin Hand Fan, this technique was also able to repel enemies around him easily.

It was clear that if all the enemies hit by Ye Chen's technique were seriously injured, they must have suffered minor injuries when they received such a strong wind collision.

"Wow amazing, big brother Ye Chen you are really amazing." Qiqi praised Ye Chen who drove out the bad guys who previously wanted to bully them.

"Qiqi, I told you before that they are just clowns making jokes, driving them away is not a difficult job for me." In front of the little girl Qiqi, Ye Chen started to boast about himself.

"Master, what's going on here?" Ye Xiu came together with Ling Tong who had been heavily injured, Ye Xiu asked what happened when he had just left this place for a moment.

"Nothing happened, just a few clowns trying to find trouble with me, correct Qiqi?." Ye Chen winked at Qiqi.

"That's right, big brother Ye Chen just kicked all the clowns away from this place." Qiqi said that what Ye Chen said was the truth.

"Oh.. ." Ye Xiu nodded at Ye Chen and Qiqi, he believed what Ye Chen and Qiqi said.

"Master, can you heal this guy a little first, I have a little business with him." Ye Xiu wanted Ye Chen to heal Ling Tong so that she could ask about the existence of the nine-tailed fox that Ling Tong had sold.

"Okay, just leave this matter to me." Ye Chen nodded at Ye Xiu, he would heal Ling Tong a little so that Ye Xiu could ask Ling Tong a few things.

Ye Chen started to heal the wounds suffered by Ling Tong, while Ye Chen healed Ling Tong's wounds, Ye Xiu went towards Nibi who was not far from the two of them, it was seen that Nibi was very scared when he saw Ye Xiu coming towards him.

"Miss Ayaka, please don't be angry, I can explain everything to you, please give me more chance" Nibi again said to Ye Xiu that she could explain what happened.

Without saying anything, Ye Xiu immediately hit Nibi's face and body as hard as she could, it was seen that Ye Xiu was venting all her anger on Nibi who had betrayed Clan her own.

How did Ye Xiu not get angry when he found out that the person who had betrayed her and the entire Clan was Nibi, Nibi had sold and killed countless members nine-tailed fox Clan for just a few Profound Crystals, this made Ye Xiu furious.

"Ah no my face, please stop, Please someone Help me" Nibi begged Ye Xiu, begging Ye Xiu not to hit his handsome face.

"You still dare to think of things like that?" Ye Xiu looked even more angry when she listened what Nibi said, this man really still had time to think about his face when he was hit by her.

Ye Xiu hit Nibi increasingly and stronger, Nibi's face started to become battered when she was hit by Ye Xiu very hard, which must have been very painful for Nibi.

From afar, Ye Chen could only sigh, it seemed that Nibi was really going to be battered in the hands of Ye Xiu who was currently very angry.

After about 10 minutes of beating Nibi, Ye Xiu finally wanted to stop, Nibi's face looked very battered after being beaten up by Ye Xiu.

After satisfied beating up Nibi, Ye Xiu returned to Ye Chen's side, it just so happened that Ye Chen had finished healing Ling Tong's wounds.

Ye Chen did not completely heal Ling Tong, he only made sure that Ling Tong didn't die.

"Little Xiu, I've finished healing him, now you can ask this man what you want" Ye Chen told Ye Xiu that he had finished healing Ling Tong, now Ye Xiu could ask Ling Tong what he wanted.

"Master, thank you very much." Ye Xiu thanked Ye Chen for helping her heal Ling Tong.

Ye Xiu immediately tried to wake Ling Tong who was still unconscious.

With the little strength Ye Xiu used, Ye Xiu was able to wake up the unconscious Ling Tong.

Ling Tong immediately woke up with a shock, thinking that he had died by Ye Xiu's hands.

"Quickly tell me, where are you selling people from my Clan?" Ye Xiu immediately asked where Ling Tong was selling people from her Clan.

Ye Xiu wanted to know the details about where Ling Tong sold the nine-tailed foxes, she wanted to know all the details from Ling Tong.

"I won't tell you about it." Ling Tong refused to tell Ye Xiu the details about the slave sale issue.

The issue of slave sales was a taboo subject, which was why Ling Tong refused to talk to Ye Xiu about this matter.

"So you refuse to talk, alright, then don't blame me if I come back to make you dying like that." Ye Xiu had to get this information, she didn't care if he had to use force to do that.

Chapter 827 - Evil Slave Hand

Ye Xiu began to use some means to get Ling Tong to talk about the existence of people from her Clan, whom Ling Tong had successfully sold to others to become slaves.

It was very difficult for Ye Xiu to get Ling Tong to talk about this matter, Ye Xiu had no other choice but to act ruthlessly on this matter.

.
. .
.

Ye Xiu had done all kinds of ways to get Ling Tong to talk, unfortunately this man still kept his mouth shut and didn't want to be spoken to Ye Xiu.

Ye Chen saw how persistence Ling Tong was, this man was obviously very persistent in keeping the secrets he had.

"Little Xiu, stop it, you won't be able to make him speak in that way, let's use another way to make him Speak." Ye Chen told Ye Xiu to stop right now, there's no going to be violent enough to make Ling Tong Speak.

"Then what should we do now?" Ye Xiu asked what they had to do to get Ling Tong to talk.

"How about we give him the slave seal, with the slave seal we can make this man speak what we want, if he dares to cheat, then he will feel unbearable pain" Ye Chen came up with the idea to give the slave

seal to Ling Tong, let Ling Tong felt the feeling of being a slave like the Demi Human he had been selling so far.

Ling Tong looked quite panicked when he heard what Ye Chen was going to do, Ye Chen wanted to give himself a slave seal, this was what Ling Tong was most afraid of.

The slave seal was quite a terrible thing, once Ling Tong received the slave seal, his freedom would be taken away from him.

"Damn it, where did the reinforcements I previously summoned go to, why haven't they arrived yet?" Ling Tong started cursing those who had close relations with him.

In such an important situation, these people really didn't come and help him, this made Ling Tong very upset.

The current Ling Tong still didn't know that the reinforcements he had just call had been defeated by Ye Chen with just one strike.

If Ling Tong found out about this matter, perhaps Ling Tong would already be in a desperate situation.

Ye Chen started giving a slave seal to Ling Tong, Ye Chen purposely gave a slave seal the most dangerous the world has ever seen.

This slave seal would make Ling Tong feel like he was in hell if he dared to lie to Ye Chen and Ye Xiu.

This slave seal is called Evil Slave Hand, this seal can easily be transferred between the old owner and the new owner, plus the Evil Slave Hand can make anyone obey the owner.

If they dare not obedient then be can sure they will suffer pain that can not be imagined by anyone in this world.

Ye Chen got this slave seal from Chu Yuechan, Chu Yuechan once said that this is the most terrible slave seal that this world has ever seen, even the most disobedient demon being in this world can obey when getting the Evil Slave Hand.

The seal of the Evil Slave Hand began to engrave on Ling Tong's body, now that Ling Tong has officially obtained of the Evil Slave Hand.

"What did you just give me?" Ling Tong asked what just Ye Chen gave to himself, Ling Tong felt a bad feeling about this matter.

"in a minute you will know" Ye Chen smiled evilly at Ling Tong, in a little while Ling Tong will definitely find out how terrible the slave seal of the Evil Slave Hand is.

"Little Xiu, this is for you, now you can do whatever you want to him." Ye Chen gave Ye Xiu's possession of the Evil Slave Hand , this way Ye Xiu could do whatever she wanted to Ling Tong.

Ye Xiu received the Evil Slave Hand from Ye Chen, with this Ye Xiu could do whatever he wanted to Ling Tong.

"I ask once again, to whom did you sell people from my Clan?" Ye Xiu asked Ling Tong.

"I won't tell you" Ling Tong refused to tell Ye Xiu the matter.

When Ling Tong defied Ye Xiu, suddenly Ling Tong felt a terrible pain in his body, Ling Tong felt that his body was like being chopped by thousands of invisible knives.

"Argh.. . , it hurts" ,Ling Tong started rolling on the ground, the pain in his body was terrifying.

This was even more terrifying than what Ye Xiu had previously done to him, Ling Tong himself had never felt such terrible pain.

" It really hurts. . . , anyone, help me. "Ling Tong began to ask for help, he couldn't bear to feel this terrible pain.

Ling Tong's body felt as if it was being chopped into thousands of pieces, this was simply terrifying for Ling Tong.

Ling Tong's body was still completely intact, it was just that the pain in his body was getting more and more painful.

Ye Chen and Ye Xiu observed Ling Tong who started rolling on the ground, it was obvious that Ling Tong was seen in pain by the slave seal of the Evil Slave Hand.

Ye Chen did not expect that the reaction of the person who has the slave seal of the Evil Slave Hand will be like this, it seems that the slave seal of the Evil Slave Hand is indeed something very terrible to use on people.

"Please stop it.. . , I'll say it.. . " Ling Tong finally gave up, he couldn't endure this excruciating pain, the pain he was currently suffering from was truly inhuman, this was the most terrible thing Ling Tong had ever experienced in this life.

"Then hurry up and say it "Ye Xiu told Ling Tong to immediately say what he needed.

Ling Tong started to say the information that Ye Xiu wanted ,himself started telling anyone who had bought the nine-tailed fox from him.

Ye Xiu listened carefully to any individual or Clan who had bought the nine-tailed fox from Ling Tong.

After getting what he needed, Ye Xiu no longer needed Ling Tong, Ye Xiu immediately crippled Ling Tong's cultivation base so that in the future he would not throw tantrums again.

After his cultivation base was paralyzed by Ye Xiu, Ling Tong fainted again, seeing that he was unable to endure the torment of the Evil Slave Hand .

"Master, do we have to search one by one the people who have bought people from my Clan?" Ye Xiu asked if they should look for one by one the people who had buy Nine-tailed Fox From Ling Tong

"Little Xiu, for this problem let us ask for help to Shiyun, with the help of people who have a high position in the Holy Land Kunlun, she can solve this problem easily" Ye Chen told Ye Xiu to let Zhang Shiyun help find the individuals and clans who had bought slaves from Ling Tong.

With Zhang Shiyun's intelligence army, it would definitely be easy for Zhang Shiyun for individuals and the Clan who had bought slaves from Ling Tong.

"I have no problem about it, as long as people from my Clan can be found, I will follow all the plans you have." Ye Xiu agreed with what Ye Chen wanted.

Chapter 828 - Qiqi's Mother

Ye Chen started calling Zhang Shiyun using a voice transmission stone, himself did not forget to tell Zhang Shiyun to bring some people here to bring the bad guys to justice.

"I've told Shiyun about your Clan's problem ,soon she will definitely come here" Ye Chen told Ye Xiu that Zhang Shiyun will come here soon.

Ye Xiu nodded to Ye Chen, now they just have to wait for the arrival of Zhang Shiyun.

Moments later Xing Mei came to where Ye Chen, Ye Xiu and Qiqi were.

"Where did you go to play?" Ye Chen said to Xing Mei who had just come to his side.

"I'm not playing, I just cleaned up some enemies that came towards you" Xing Mei told Ye Chen that she had just cleaned up enemies that came to this place.

"Are you lying to me, obviously I defeated all the enemies, how can you say that" Ye Chen looked dissatisfied with the answer given by Xing Mei.

Obviously Xing Mei was trying to lie to Ye Chen, Ye Chen had just defeated all the enemies that came here, how could Xing Mei say that she defeated the enemies that were heading towards Ye Chen.

Xing Mei couldn't say anything when she heard what Ye Chen had just said, from the beginning Xing Mei had deliberately let the enemy escape to make Ye Chen feel troubled.

Unexpectedly, Ye Chen cleared all the enemies very easily, this made Xing Mei feel dissatisfied, she could not come and mock Ye Chen again.

All of Xing Mei's plans to deal with Ye Chen failed completely, she could not mock Ye Chen's abilities.

Xing Mei turned her face away, She not daring to answer Ye Chen's question.

"You naughty girl" Ye Chen said to Xing Mei who was in front of him, this girl is really quite naughty.

Ye Chen shifted his gaze from Xing Mei towards Qiqi who was next to him, Ye Chen began to squat in front of Qiqi.

"Qiqi, let's go find your father and mother" Ye Chen invited Qiqi to find the whereabouts of his father and mother.

"big brother Ye Chen , let's go right now" Qiqi looked very excited when she heard that Ye Chen invited her to look for her father and mother.

Ye Chen carrying Qiqi, himself began to walk towards the prison used to hold the Demi Human and the nine-tailed fox race that was in this place.

Ye Xiu saw the closeness of Ye Chen and Qiqi, she smiled when she saw Ye Chen was very attentive to Qiqi.

"You lolicon" Xing Mei taunted Ye Chen who was close to Qiqi who was a little girl.

"How dare you insult my master like that, what right do you have to insult my master like that" Ye Xiu was unhappy when she heard Xing Mei say something bad behind Ye Chen's back.

Ye Xiu began to like Ye Chen, she thought Ye Chen was a good man and quite understanding to her, Ye Chen even wanted to bother to help herself in this kind of situation, that's why Ye Xiu was attracted to Ye Chen.

"Indeed, why if I call the man Lolicon, are you angry with my recent words?" Xing Mei said cynically to Ye Xiu who was next to her, Xing Mei did not like Ye Xiu's words recently.

"Of course I'm angry, you have no right to say that to the master" Ye Xiu answered the challenge from Xing Mei, she was not afraid of girls like Xing Mei.

Ye Xiu and Xing Mei glared at each other, there was a flash of dissatisfaction between the two.

The two look ready at any time to fight each other.

"Hemp.. .." Ye Xiu and Xing Mei both turned their faces away, both looking dissatisfied with each other.

Fortunately Ye Chen has left this place, if Ye Chen is still here, maybe Ye Chen will be interested in the ongoing enmity between Ye Xiu and Xing Mei.

Ye Chen is currently accompanying Qiqi to look for her parents in the company of humans who are in this place.

It's hard enough to find someone among the tens of thousands of prisons in this place, Ye Chen and Qiqi have to go through one by one to find what they are looking for.

"Qiqi, if you see your parents around here, you just tell me" Ye Chen told Qiqi to talk if she found both her parents.

"Fine, I'll do it" Qiqi nodded to Ye Chen, she would shout if he found his parents around this place

Ye Chen and Qiqi started walking around this place, they both started looking around this place.

They saw the Demi Human who were imprisoned by Ling Tong, all looking shabby and helpless in the detention cell.

"Big brother Ye Chen, these people look pretty sorry" Qiqi felt sorry when he saw for the Demi-Humans in this situation.

"Yes, they are quite a pity, later we will free them all" Ye Chen said that later he will free all Demi-Humans in this place.

For a while Ye Chen did not release for the Demi-Humans beings who are in prison for a special reason, not all for the Demi-Humans beings here behave well, if Ye Chen releases everything without a supervision then it will be a very serious problem, maybe the demi-humans behaved badly and even attacked the other demi-humans.

That is the reason Ye Chen did not directly liberate all the demi-humans in this place.

"Big Brother Ye Chen, there's my mother" Qiqi suddenly said when she saw her mother's figure "where?" Ye Chen asked where Qiqi's mother was.

"There" Qiqi pointed to a cell not far from this place.

Ye Chen followed the direction indicated by Qiqi, when Ye Chen followed the direction indicated by Qiqi, he found a female fox confined in a special detention cell whose size and density were much larger than most cells used to confine Demi Human.

At first glance this woman bears a resemblance to Qiqi, with a figure that has developed very nicely.

"Is that woman your mother?" Ye Chen asked again if the woman was really Qiqi's mother.

"Yes, Big Brother Ye Chen, she is my mother" Qiqi told Ye Chen that she was her mother.

"Then let's visit her now" Ye Chen invited Qiqi to go see fox the locked female.

The female fox looked very sad, she was seen thinking of something that made her feel very sad.

"Mother" When the fox woman felt sad, she listened to a cheerful voice of her daughter.

The female fox immediately looked ahead, when she looked ahead, she saw the figure of Qiqi standing in front of the prison cell door.

"Qiqi" the fox woman immediately ran towards the cell door, she immediately went to hug Qiqi who was outside the detention cell.

This woman was so happy when she saw Qiqi appear in front of her, she even started to shed tears when she saw Qiqi back on her.

Qiqi just kept quiet when hugged by her mother, she did not understand why her mother cried like this. what really happened, why did her mother even cry when she met her.

Chapter 829 - Yu Ting & Nie Nuren

"Mother why are you crying" Qiqi asked why her mother was crying like this, was her mother unhappy when she saw herself back?

"No dear, I'm not crying, I'm just happy to see you again" Qiqi's mother said that she was not crying, she was happy because she could meet Qiqi again.

she thought he would never be able to meet her daughter again, unexpectedly the sky still gave her a chance to meet her daughter again.

From afar, Ye Chen saw the reunion that was held by this mother and daughter, he was happy to see Qiqi find her parents again.

Ye Chen started walking closer to Qiqi and her mother, he started to stand in front of Qiqi and her mother.

Qiqi's mother felt someone approaching this place, she hurriedly looked towards Ye Chen's arrival.

Qiqi's mother wondered who this handsome young man had just arrived, she wanted to know who this handsome young man was.

"Who are you" Qiqi's mother asked about the origin of Ye Chen, She wanted to know who Ye Chen was and what she wanted in a place like this.

"This mother is Ye Chen's older brother, she is the one who saved me" Qiqi told her mother about the identity that belonged to Ye Chen.

"So you are the one who has save my daughter, thank you very much for saving my daughter, my name is Sayu, I am the mother of Qiqi." Sayu started introducing herself to Ye Chen, she told Ye Chen about her name.

Sayu also started kneeling and thanked Ye Chen for saving her daughter from the hands of those terrible bad people.

If Qiqi falls into the wrong hands, then Qiqi will definitely suffer all her life.

"lady Sayu, you don't need to be thankful like that" Ye Chen tried to stop Sayu's actions, which were quite formal, Sayu looked like an ancient woman full of extraordinary character.

After being persuaded by Ye Chen, Sayu finally got up and lifted her face.

Ye Chen began to free Sayu from this cell, he began to destroy the cells and chains that were used to shackle the body and strength that was possessed by Sayu.

When Ye Chen had freed Sayu, Qiqi was finally able to hug Sayu as she pleased, now there was nothing to stop Qiqi from hugging her mother.

"Mom, where is daddy now, is he here?" Qiqi asked about her father's whereabouts.

"That, your father.. ", Sayu looked confused when she heard the question that came from Qiqi, she didn't know what to say to Qiqi about the fate of her husband who had been taken to another place because he fought Ling Tong.

Ye Chen saw the awkwardness that Sayu had, he immediately knew that Qiqi's father was currently not in this place.

"Qiqi let's go free the prisoners who are in this place." Ye Chen tried to distract little girl Qiqi, he started asking Qiqi to go free the other prisoners.

"Let's go." Qiqi looked very excited when Ye Chen invited him to go free the prisoners, he was stinging enough to free the people in this place.

Ye Chen and Qiqi started going to free some of the prisoners in this place, it just so happened that they were focused on releasing those nine-tailed foxes that were being held in this place.

Sayu could only sigh when she saw Qiqi leaving with Ye Chen, she didn't know where it had taken her husband.

Zhang Shiyun finally arrived at this place, she brought several people to accompany her to this place.

After Zhang Shiyun's arrival the situation started to get better, with the help of the people that Zhang Shiyun had brought here, they were able to quickly free and supervise all for the Demi-human in this place.

Ye Xiu immediately told about the individual and the Clan who had bought people from her Clan, she started telling Zhang Shiyun to help her find the people that Ling Tong had managed to sell to the buyers.

Zhang Shiyun nodded at Ye Xiu, she would do her best to bring the people who had sold Ling Tong to the buyers.

Because this was a request from Ye Chen, Zhang Shiyun immediately responded to solve this problem, with people who had been given the slave seal by Zhang Shiyun, Zhang Shiyun should be able to quickly solve this problem.

Ye Xiu only needed to wait very calmly for the results of Zhang Shiyun's subordinates.

In addition, Zhang Shiyun ordered his subordinates to arrest the people from the Taoji Sect and Shaolin who were involved in this matter, Zhang Shiyun would not let these people get away with it after committing the crime of hunting and selling demi-humans.

Even Zhang Shiyun also called the ruler of Shaolin to take responsibility for the wrongs committed by his subordinates who had committed crimes like this.

Shaolin is a very strict place when it comes to disciplinary matters, the leader of Shaolin will definitely not remain silent when he finds out that this kind of thing is being done by some of the disciples and higher-ups from Shaolin.

Even the leader of Shaolin must apologize publicly for this matter, otherwise Shaolin's reputation will definitely be tarnished because of this incident.

In addition, Zhang Shiyun would definitely suppress the Shaolin leader, Zhang Shiyun would not let this matter pass.

.
. .
.

Meanwhile, in the mortal world, to be precise, in a hotel that looks very luxurious.

Currently Yu Ting is soaking in a warm bath that is quite large, at least this bathtub is enough to accommodate dozens of people in it at once.

"Master, why didn't you come?, It's been several weeks, but you still didn't answer the message I sent." Yu Ting was still waiting for his master to come here, until now her master still hasn't given Yu Ting a reply.

Yu Ting needed her master to help her deal with Lin Rouxi, Yu Ting had a deep grudge against Ling Rouxi who had humiliated her.

Yu Ting was now a cultivator, the view she had in revenge was no longer what she used to be, she needed someone really strong to deal with Lin Rouxi, Yu Ting's strength was still insufficient to deal with Lin Rouxi, that's why Yu ting needed her master to help herself get revenge on Ye Chen and Lin Rouxi.

"Ting'er, what's wrong with you texting me, is there a serious enough problem to happen to you" suddenly a female voice spoke to Yu Ting.

Yu Ting knew this voice very well, it was clear that this voice belonged from her master.

"master" Yu Ting's hurriedly got up from the bath, she immediately knelt down and saluted her master who had come here.

A woman with a hot figure appeared in front of Yu Ting, it was clear that this woman's appearance was very seductive to the men who saw her.

Even though this woman had a hot figure, when compared to Xue Suyin, this woman still had quite a distance.

Master Yu Ting is one of the elders who came from the Spring Palace, this woman clearly has a cultivation base that is not weak, this woman's cultivation level is the 9th stage of the Overlord Realm, with such strong strength, this woman is already worthy of being an elder with a decent high up position in the Spring Palace.

Yu Ting's master name is Nie Nuren, she is the person who has guided Yu Ting into like now.

Without Nie Nuren, Yu Ting would not have been able to obtain the wealth and luxurious facilities that reside in the mortal world.

Chapter 830 - The Gates Of Eternity Sec Has A Meeting

"Quickly tell me, what's the problem that you call me like this?" Nie Nuren asked what was the problem with Yu Ting calling herself here.

Recently, Nie Nuren has been quite busy looking for new talents to become a disciplet, she is looking for talented women all over the world to become a disciple who is obedient to her.

"Master, this disciple is currently having a serious problem, please help me get revenge." Yu Ting told Nie Nuren that she had serious problems that he couldn't handle.

"What a serious problem you can't handle, aren't you a cultivator at the Emperor Realm stage," Nie Nuren said to Yu Ting.

"Master, my enemy has a much higher cultivation than what I currently have, so I can't win against her." Yu Ting told Nie Nuren that her enemy Lin Rouxi had a much higher cultivation than hers.

If only Lin Rouxi didn't have a cultivation base higher than her current hers, Yu Ting wouldn't have bothered asking Nie Nuren for help.

" What ! ! !, in a mortal world like this there are people who have a higher cultivation base than yours? " Nie Nuren was quite surprised when she heard this news, she did not expect that in a mortal world like this there would be a cultivator who had strength above Yu Ting.

"That's absolutely true." Yu Ting nodded at Nie Nuren.

"You're not lying to me, are you?" Nie Nuren told Yu Ting whether or not he was lying or not.

"Master, I'm not lying, did you know that the teachers in my school have a much higher level of cultivation than what I currently have." Yu Ting reported about Lin Rouxi who had a very high cultivation.

"So the teacher at the school where you studied was a cultivator? " Nie Nuren started to hold her chin using her left hand.

This discovery made Nie Nuren a little surprised, how could a teacher from a mortal world like this have a higher cultivation base than Yu Ting's, even though Yu Ting is currently at the Emperor Realm stage, there is no way an ordinary teacher can match cultivation which was owned by Yu Ting.

As far as remember Nie Nuren could, in this mortal world there were only a few cultivators who could reach the Emperor Realm realm, even those were strong individuals who came from sects and government organizations.

Such people would not possibly want to interfere in a mortal's life, they would definitely prefer to cultivate to increase the strength they possess.

"Very well, I will help you solve this problem, I will definitely help you avenge the revenge you have." Nie Nuren finally promised to help get revenge on Yu Ting's enemy.

"Thank you so much for Master for helping me." Yu Ting was very grateful to Nie Nuren for helping her.

"Ye Chen, teacher Lin Rouxi, you two get ready, soon my master will pack you two" in her heart Yu Ting could already imagine what would happen to Ye Chen and Bitch Lin Rouxi, both of them would definitely bend their knees before Nie Nuren's strength.

"Before that I want to make some preparations first." Nie Nuren said that if she wanted to make some preparations before fighting Lin Rouxi, she had to know what kind of enemy she was going to fight.

Nie Nuren is a woman who is quite careful in doing something, she doesn't just go and kill the enemy just like that, it takes some preparation and careful planning to fight the enemy.

With sufficient planning and preparation, Nie Nuren can always defeat all of her enemies very easily, this is the reason Nie Nuren can become an elder in the Spring Palace.

"Master, I understand." Yu Ting understood, she would not rush into forcing Nie Nuren to quickly go and fight Ye Chen and Lin Rouxi.

There is still a long way to go, Yu Ting will let Nie Nuren do whatever she wants, as long as Yu Ting can make Lin Rouxi to her knees, Yu Ting didn't mind being told to wait any longer.

Nie Nuren started to take off her clothes, a sexy naked body appeared in front of Yu Ting.

Yu Ting looked at Nie Nuren's body, she was quite jealous when she saw Nie Nuren's body which has grown so perfectly.

With Nie Nuren's sexy body, Nie Nuren could easily attract the interest of men in this mortal world.

Nie Nuren began to enter the bath that was used by Yu Ting, she began to wash her slightly dirty body.

"Ting'er quickly tell me, information about the person you were talking about earlier." Nie Nuren asked for some information about Lin Rouxi.

Yu Ting started telling Nie Nuren the information she had, she explaining everything she knew about Lin Rouxi and Ye Chen.

Nie Nuren listened carefully to the information Yu Ting said, she was analyzing what to do next.

Yu Ting and Nie Nuren started to bathe together, the two of them started to enjoy the bath while exchanging some information about Lin Rouxi and Ye Chen.

.
. .

Meanwhile at the Gates of Eternity Sect.

Currently in a special room gathered several people with a fairly high cultivation base, it can be seen that these people are the elders and influential people in the Gates of Eternity Sect.

They all seemed to be discussing something very important, it must be something serious was happening, It was quite rare for influential people in the Gates of Eternity Sect to gather in one room like this, when influential people gathered, something very important must have happened. once.

A manly and mighty man sat in the middle of the room, it seemed this man was Hong Man who was the Sect Leader of the Gates of Eternity Sect.

"Have you guys found the news of my son's murder?" Hong Man asked if they had found any clues about who killed his son he loved the most.

The people in this place could only remain silent when they heard questions from Hong Man, they couldn't find the killer from Hong Won at all.

"Have you still not found the person who killed my son?" Hong Man was furious when he saw these people fell silent when he heard his words.

"Sect Master, we are still in the process of searching for more evidence to find who killed your son, this killer is so powerful that it has not left a trace".

One of the elders in a high position told Hong Man that they were having a hard time finding clues to the person who killed Hong Won.

Hong Won's assassin was so great that all the people sent by the Gates of Eternity Sect were unable to find a hint of the mystery of Hong Won's death.

Hong Man was furious, he really wanted to know who the person who killed his son was, if he knew the killer of his son, then Hong Man would definitely eliminate that person and everyone who had connections with that person.

"Hong Man, forget about your son's problem for a while, we here have a more serious problem than the problem of your child's death." An old man with white hair and white beard started to interrupt Hong Man, he was sick of hearing Hong Man always talk about his son.

Currently the Gates of Eternity Sect is in a quite difficult position, after failing to gain territory from the royal family, now the relationship between the Gates of Eternity Sect and the royal family has become even more distant.

The two of them were now completely enemies and could possibly fight at any time.
