

Chapter 831 - Hong Man's Decision

The name of the old man who had just interrupted Hong Man's words was Hong Gijun. He was one of the most senior elders in the Gates of Eternity Sect, his position was almost comparable to that of Hong Man.

With Hong Gijun's position on par with Hong Man, Hong Gijun was naturally brave enough to criticize something Hong Man shouldn't have done as a sect leader.

"Hong Gijun, you don't have a child, so you don't know how I feel right now." Hong Man said to Hong Gijun who doesn't have a child.

Hong Gijun is a cultivator who is crazy about the world of cultivation, every day Hong Gijun is always cultivating to the point that he is not interested in a woman.

"I do not have children, but you still have countless concubines, you can make new ones with your hundreds of concubines ." Hong Gijun was not angry with Hong Man's insinuation, he instead teased Hong Man.

Hong Man was getting angry with the words said by Hong Gijun, he felt like fighting with Hong Gijun.

In large gatherings like this, things like disagreement had become commonplace among the higher ups of the Gates of Eternity Sect, so the elders were used to seeing Hong Man and Hong Gijun teasing one another.

"You two do not bring personal affairs into this place, here we are discussing the issue of the royal family were preparing to attack us" A very old man spoke to Hong Man and Hong Gijun.

From the appearance of this old man, it could be seen that this old man was much older than Hong Man and Hong Gijun, the position of this old man should not be inferior to that of Hong Gijun either.

This old man's name is Hong Tien, he is a great elder like Hong Gijun, Hong Tien is a very wise person, if not for his too old age perhaps Hong Tien will become a Sect master.

"We don't need to be afraid of women. Damn it, that woman is not strong enough to threaten Sect our."
"Hong Man was not afraid of the royal family, to him the royal family was not a serious threat.

"Hong Man, the current royal family is no longer what they used to be, now that they have the allies Spring Palace by their side, that means the strength of the royal family is getting stronger and stronger."

"Plus Zhang Shiyun has completely mastered all the major Clans in this Kunlun Holy Land, one word from Zhang Shiyun's mouth can make all the major Clans move against us all." Hong Gijun told Hong Man that the Royal Family had collaborated with the Spring Palace.

In addition, Zhang Shiyun had really made everyone obey him, this would focus the royal family's strength and become much stronger.

"What Hong Gijun said is true, the royal family has now become very strong after collaborating with the Spring Palace, their strength is probably comparable to us, this is something we should take into account

well." Hong Tien quite agreed with Hong Gijun's words, The current royal family is no longer the royal family it used to be, now the royal family is something that the Gates of Eternity Sect must reckon with.

Hong Man gritted his teeth a little when he heard this, Hong Man the most disliked when he saw that there was another power capable of threatening the Gates of Eternity Sect, he had to quickly get rid of threats like the royal family and the Spring Palace.

"Do you have any other information about the royal family?" Hong Man asked all the elders in this place, he wanted to know if there was any other information that would be useful for them to know.

"report Sect Master , I just heard the news that Queen Zhang has reached the legendary realm, it is said that Zhang Shiyun can defeat someone in the Half-step towards Divine Realm with just one hand." One of the elders reported an important finding to Hong Man. , Hong Gijun and Hong Tien.

" What ! ! ! " Hong Man was quite surprised when he heard the news that one of the Elders in front of him had just conveyed.

he did not expect that Zhang Shiyun had reached a legendary realm that no one in the history of this world had never penetrated.

It was not only Hong Man who was shocked when he heard this news. Hong Gijun , Hong Tien and all Elders who were in this place were shocked when they heard this news.

"Are you serious ?" Hong Man questioned the authenticity of this news.

"Sect Master, this news is still confusing, what I found, Shen Guo who has stepped into the realm of half-step towards Divine Realm has been killed by Zhang Shiyun with just a few moves, in addition Zhang Shiyun did not leave a single body of Shen Guo. "Elder said that this information is still not confirmed the truth.

All the elders in this place became noisy when they heard this, Zhang Shiyun could kill someone who was half-step towards Divine Realm very easily, how strong is Zhang Shiyun right now, the people here wanted to know about this issue.

" Sect master, what are you going to do now?, All decisions are in your hands." Hong Gijun began to say to Hong Man, he was waiting for the decision that Hong Man would take to solve this problem.

For this time Hong Gijun was not too brave to speak up, if Zhang Shiyun was so strong that he could kill a cultivator who was half a step towards Divine Realm, then he and Hong Tien were not worthy of being Zhang Shiyun's opponents.

Only the ancestors of the Gates of Eternity Sect could possibly overcome Zhang Shiyun.

" Sect Master, make your choice right now." Hong Tien also told Hong Man to determine the choice he would make in this matter.

Just like Hong Gijun, Hong Tien also did not dare to make rash decisions in this matter, he completely left the decision to Hong Man to take the necessary action in this situation.

All of the Elders were also waiting for Hong Man's decision, they wanted to know what Hong Man would do in this kind of situation.

Hong Man felt depressed in this situation, he had to immediately come up with the answers these people wanted.

"I want you to immediately give orders for this Sect disciple to come back right away, then activate the strongest defensive Array we have, send some of our greatest spies to find information about the moves made by the royal family and the Spring Palace, for Zhang Shiyun problem, I will talk to the ancestors."
"Hong Mam finally made his choice.

Hong Man decided to close the Gates of Eternity Sect for the time being, if the news about Zhang Shiyun who had reached the legendary stage was true, then Zhang Shiyun could be an enormous threat to the Gates of Eternity Sect.

Hong Man couldn't be too relaxed when faced with a big threat like this, he had to be firm in the face of a big threat that could harm the Gates of Eternity Sect.

"We will immediately do as the Sect Master ordered." All of the elders compactly answered Hong Man's orders.

"Good, now you can go." After giving orders to these people, Hong Man told them all to leave right now.

All the elders did not leave him here, they immediately went to carry out the orders from Hong Man.

Even Hong Gijun and Hong Tien also left this place, the two of them still had some business to settle.

Now in this room only Hong Man is left.

"Damn this problem is so troublesome." Hong Man felt that this problem was really very troublesome, he had to make a very difficult choice like this.

Hong Man now had to go to discuss this matter with the ancestors, he had to ask the ancestors to help deal with Zhang Shiyun.

Chapter 832 - Ye Chen & Ye Xiu (1)

Ye Chen currently spent the time he had in the Nine-Tailed Fox Village, in Nine-Tailed Fox Village Ye Chen accompanying Qiqi and Ye Xiu here for a while.

Every day the nine-tailed foxes that have been sold are found, those who are found are immediately brought to this village to get treatment and severe trauma recovery.

The total number of survivors is quite large, it is estimated that 1/2 of the number of nine-tailed foxes in the past are still alive, while the rest may have died or are hiding in a place very far away.

Ye Xiu couldn't do anything about this matter, she could only give an explanation to the abandoned family.

"big brother Ye Chen, Sister Mei, let's play" again Qiqi invited Ye Chen and Xing Mei to go to play, in recent days Qiqi always invited Ye Chen and Xing Mei to go play with her.

Xing Mei was quite happy to play together with Qiqi, she just enjoyed playing together with Qiqi.

Xing Mei was also still a girl, so it wasn't strange that Xing Mei was already playing with Qiqi.

While Ye Chen had to accompany these two girls to play, Ye Chen looked like the babysitter assigned to look after Xing Mei and Qiqi.

Because Body of Xing Mei's Heavenly Seven Constellations, Ye Chen benefited quite a bit from being around Xing Mei, Ye Chen felt like he was cultivating for a long time when he was near Xing Mei.

"Qiqi, don't bother our benefactor anymore." Sayu told Qiqi not to always bother Ye Chen, it's not good to bother Ye Chen like that.

"Lady Sayu, you don't need to worry, I'm not bothered by this at all." Ye Chen told Sayu that she wasn't bothered by what Qiqi was doing.

"Once again, forgive my daughter for disturbing you." Sayu continued to apologize to Ye Chen, She apologizing for Qiqi's actions who always clung to Ye Chen.

Ye Chen could only smile when he heard Sayu's words, this woman still insisted on apologizing for what Qiqi had been doing all this time.

"Inside the banquet is quite lively, why are you guys outside" Ye Xiu suddenly came over, Ye Chen, Xing Mei, Qiqi and Sayu.

Ye Xiu invited Ye Chen and Xing Mei to come inside and enjoy the banquet that was being held.

"Qiqi let's go inside, there are some delicious cakes in there." Sayu found a suitable reason to invite Qiqi inside.

"Yes.. , yes.. , I like cakes, let's go inside. "Qiqi quite likes cakes, she immediately invited her mother to go inside to get some delicious cakes.

Qiqi didn't forget to invite Ye Chen and Xing Mei into the banquet.

Ye Chen had to refuse Qiqi's invitation, he wanted to be here to discuss something with Ye Xiu.

Meanwhile Xing Mei had no business here, so Xing Mei joined Qiqi and Sayu inside.

"Little Xiu, what are you going to do next?" Ye Chen asked what Ye Xiu was going to do next.

"Master, what are you talking about?" Ye Xiu didn't understand the meaning of Ye Chen's words.

"I was asking whether you will live in this place or not?" Ye Chen asked whether Ye Xiu would stay at this place or come along with him.

Ye Xiu smiled when she heard Ye Chen's question.

"Master, do you think I should stay in this place or come with you?" Ye Xiu asked Ye Chen what she should do.

"The decision is yours , if you want to stay in this place I won't mind" Ye Chen told Ye Xiu that he didn't mind if Ye Xiu chose to stay in this place.

"That's not the answer I wanted." Ye Xiu was very annoyed when she heard the answer given by Ye Chen.

Even though Ye Xiu really hoped that Ye Chen wanted her to stay by his side.

Ye Chen was completely insensitive to what Ye Xiu wanted, even though Ye Xiu only hoped that Ye Chen would ask himself to stay by his side.

"Then what answer do you want?" Ye Chen asked Ye Xiu.

"You idiot" Ye Xiu was annoyed because Ye Chen did not understand what she wanted, Ye Xiu who was angry immediately left Ye Chen, Ye Chen was very insensitive to what she wanted.

Ye Chen started scratching his head, he didn't understand what was going on at all, why did Ye Xiu suddenly get angry like that.

"Women are really strange and difficult creatures to understand." Ye Chen felt that Ye Xiu was quite difficult to understand.

Ye Chen chased after the angry Ye Xiu, he started to chase Ye Xiu who was going to the banquet.

Ye Chen started to enjoy the banquet held by the Clan Nine-Tailed Fox, the people from Clan were the Nine-Tailed Fox very kind and very friendly towards Ye Chen and Xing Mei.

The banquet was continuously being held, Ye Chen was quite drunk from drinking the wine provided by Clan the Nine-tailed Fox.

The wine made by Clan was the Nine-Tailed Fox very special, just drinking a bottle made Ye Chen look very drunk .

Ye Xiu was forced to help Ye Chen back to his room, there Ye Chen could rest in peace.

Due to the increasing number of residents in this village, this village became a crisis of places, the people from Clan the Nine-tailed Fox had just started building several places for their residence.

It is estimated that this process will take a few more weeks, while the people stay in the tent given by Zhang Shiyun.

Ye Xiu had brought Ye Chen back to her room, Ye Xiu quietly laid Ye Chen on her bed.

After laying Ye Chen into the bed, Ye Xiu sat right beside Ye Chen's body, herself starting to watch Ye Chen who was drunk.

"Yanyan, I want you" Ye Chen started delirious, he was currently dreaming with Zhao Yanyan.

Ye Xiu who was beside Ye Chen could listen to what Ye Chen said, it seemed that Ye Chen was dreaming of Zhao Yanyan.

It cannot be denied that Zhao Yanyan is Ye Chen's first woman, so Ye Chen will definitely love Zhao Yanyan more than anything.

Ye Chen who was drunk suddenly hugged Ye Xiu who was near him.

Ye Xiu was quite shocked when Ye Chen embraced herself like this.

"Master, what are you doing?" Ye Xiu asked Ye Chen who suddenly hugged her from behind.

"I want you" Ye Chen whispered in Ye Xiu's ear, he currently wanted Ye Xiu.

Ye Xiu's face immediately reddened when she heard what Ye Chen said to her.

Ye Xiu knew that Ye Chen was dreaming of Zhao Yanyan, surely at this time Ye Chen thought of herself as Zhao Yanyan.

"Master, I am not Yanyan, I am Little Xiu" Ye Xiu said to Ye Chen who was hugging herself quite tightly.

Ye Chen looked speechless when he heard Ye Xiu's words, Ye Chen looked confused by the same words he heard from Ye Xiu.

"Little Xiu then I want you", Ye Chen changed his words, he said he wanted Ye Xiu.

Ye Chen is currently drunk, of course Ye Chen doesn't have time to care about the identity of the woman in front of him, all he wants is to do this together with this beautiful Milf in front of him.

Chapter 833 - Ye Chen & Ye Xiu (2)

Ye Xiu fell silent when she heard what Ye Chen said, it was unexpected that Ye Chen wanted her.

Ye Xiu didn't know what to say in a situation like this, whether she should give herself to Ye Chen or not.

Ye Xiu was a virgin, she had never done anything like that with any man.

To be honest, Ye Xiu already likes Ye Chen, she doesn't mind doing things like that together with Ye Chen.

Even though Ye Chen was quite drunk, he still had a little bit of awareness, he clearly saw a beautiful Milf sitting in front of him.

Ye Chen wanted to get this beautiful Milf, he wanted to do Dual Cultivation together with the beautiful woman in front of him.

Ye Chen didn't care if this woman was Ye Xiu, he wanted to do it together with Ye Xiu.

"Master, do you really want me?" Ye Xiu asked Ye Chen seriously enough, Ye Xiu would be angry if Ye Chen just teased her.

"Of course I'm serious, I want you to be Little Xiu" Ye Chen began to prove his seriousness, he began to open the kimono that Ye Xiu was wearing.

Ye Chen had wanted to have Ye Xiu for a long time, he had endured long enough to get Milf's well-developed body.

With only a little strength, Ye Chen could easily take off Ye Xiu's kimono.

Now Ye Xiu's naked body was displayed right before Ye Chen's eyes.

Ye Chen could see Ye Xiu's two double peaks which were G Cup size, this size was quite large and could make other women jealous.

Ye Chen started to try the taste of the huge double peak that was in front of his eyes, he began to reach out and hold onto these two large and soft balls.

When Ye Chen held Ye Xiu's double peak, he found that it was very soft, it was like the best sponge in this world.

"Emmm" Ye Xiu started to groan when Ye Chen touched her double peak, somehow Ye Xiu felt something strange on her body when Ye Chen touched her.

A feeling of comfort and a slight sting began to creep through Ye Xiu's body, Ye Xiu felt a very comfortable feeling.

Ye Chen began to squeeze the two towering peaks in his hands like a cookie dough, she began to enjoy the feeling of touching this soft thing.

On the other side Ye Xiu started to let out a very seductive groan, Ye Xiu couldn't help but feel the great comfort and goodness that Ye Chen gave her.

Ye Chen started to look at the pink cherry buds which were still very fresh, Ye Chen opened his mouth and started to taste the pink cherry which was still very fresh.

"Ahh.. , master, wait a moment. "Ye Xiu couldn't stand what Ye Chen was doing, he felt a very strange feeling all over her body.

Ye Chen didn't want to stop, he was already enjoying the taste of the fresh pink cherry in his mouth.

Ye Xiu's body began to writhe like a snake that was hot, it could be seen that what Ye Chen was doing was too good for Ye Xiu.

Ye Xiu's sweet and seductive moan sounded quite loud, if it continued like this then the people in this village could hear her screams.

The size of the village is still quite small, if Ye Xiu makes a sound too loud, then the people outside can hear it very clearly.

"Master, let's move places." While Ye Xiu still had consciousness, Ye Xiu told Ye Chen to change places.

"Move to where?" Ye Chen, who was still half conscious, asked where they should move.

According to Ye Chen, this place was quite suitable for having intimate relations with Ye Xiu.

"Let's go to the fairy gate, there won't be anyone bothering us." Ye Xiu invited Ye Chen to go to the Dual Cultivation room inside the fairy gate, in that room Ye Chen and Ye Xiu could freely do whatever they wanted. want.

"Fine." Ye Chen immediately nodded at Ye Xiu, Ye Chen wanted to get Ye Xiu as soon as possible, so he would do whatever it took as long as he could get Ye Xiu.

Without wasting any time, Ye Chen immediately led Ye Xiu inside the fairy gate.

Because Ye Xiu had a master and servant connection with Ye Chen, Ye Xiu could easily go in and out of the fairy gate without the need to first become Ye Chen's woman.

After entering the fairy hall, Ye Chen immediately took Ye Xiu to the Dual Cultivation room, this room was devoted to doing Dual Cultivation together with women who could already enter the fairy gate.

Ye Chen himself rarely used this Dual Cultivation room, he only used this Dual Cultivation room occasionally.

After arriving in the Dual Cultivation Room, Ye Chen immediately laid Ye Xiu on the bed.

After that he started to take off the clothes he was currently wearing.

Ye Xiu saw Ye Chen who looked a little troubled when he took off his own clothes, seeing this, Ye Xiu decided to help Ye Chen take off his clothes.

"Master, let me help you." Ye Xiu started to get up from the bed, she started walking towards Ye Chen.

Ye Xiu with very gentle movements began to help take off the clothes that Ye Chen was wearing.

Now Ye Chen's body was left with only a pair of underwear that was holding a hefty little brother.

Ye Chen's younger brother has been seen waking up from a deep sleep, it can be seen that Ye Chen's younger brother is ready to fight at any time.

Ye Chen's strength is getting stronger every day, even though a few days ago Ye Chen had just fought 3 Vixens like Xue Suyin, Zhang Shiyun and Nanhua Caiyi, but now Ye Chen looks like he has recovered and is ready to fight again with Ye Xiu.

Ye Chen had endured this uncomfortable feeling for a long time, he wanted to immediately let go of the uncomfortable feeling that was in his body.

Ye Xiu saw the last part she had to let go, Ye Xiu's heart began to beat rapidly as she had to release the last piece that sealed Ye Chen's younger brother.

When Ye Xiu let go of this part, she had to be prepared to suffer the consequences.

Ye Xiu started to help Ye Chen remove the last part, when Ye Xiu helped remove the last seal holding Ye Chen's younger brother.

An enormous, extremely long object appeared in Ye Xiu's eyes, this huge and super long object slapped Ye Xiu's face who was not far from Ye Chen's body.

"Huh?" Ye Xiu was quite surprised to see the size of Ye Chen's large weapon, this size was similar to that of an orc.

"Does this belong to the master? This is enormous." Ye Xiu was surprised by the size of Ye Chen's huge object, this size was something enormous.

"Little Xiu please help me deal with this uncomfortable feeling." Ye Chen said to Ye Xiu to help himself overcome this uncomfortable feeling.

"Master, what should I do now?" Ye Xiu asked what to do in a situation like this.

Ye Xiu was a virgin woman herself didn't know what to do in a situation like this.

"I want you. . . ." Ye Chen started whispering what he wanted to Ye Xiu, hoping that Ye Xiu could help him play a game he had never done before.

"Are you sure you want me to do that?" Ye Xiu asked if Ye Chen really seriously wanted her to do something like that.

Chapter 834 - Ye Chen & Ye Xiu (3)

"Of course please do what I said earlier." Ye Chen told Ye Xiu to do what he just said.

Ye Xiu nodded, herself starting to pull out the fox tail and ears she had.

Ye Xiu started to use her white tail to squeeze Ye Chen's large object.

When Ye Xiu did this, Ye Chen felt a very comfortable feeling, it was very soft and very comfortable.

The movements that Ye Xiu made were very gentle, Ye Xiu looked like she was caressing the precious object she had.

Ye Xiu tried to be as gentle as possible when holding Ye Chen's large object, Ye Xiu was afraid that she would injure Ye Chen's large object.

This is the root of life that is owned by a man, if anything happens to this thing, there will be many women who feel very sad.

Apart from using her tail to help Ye Chen, Ye Xiu used her other tail to stimulate Ye Chen's body, Ye Xiu's movements were still very clumsy, it seemed that Ye Xiu was still doing something like this for the first time.

Ye Chen could feel a comfortable feeling around Ye Xiu's soft tail, Ye Chen started stroking Ye Xiu's tail, Ye Chen looked like he had found a soft bolster that was very comfortable to hug.

Ye Xiu started to feel a strange feeling when Ye Chen stroked her tail, somehow every touch Ye Chen made can make Ye Xiu feel very comfortable feeling

"Master, please don't do that" Ye Xiu begged Ye Chen not to do this. this, Ye Xiu couldn't stand this kind of good feeling.

"Little Xiu, this feels so soft, I'm happy to hug this." Ye Chen was still a little drunk, he loved hugging Ye Xiu's soft white tail.

Ye Xiu was helpless with this, it seemed like he could only surrender to this.

Ye Chen continued to hug and stroke Ye Xiu's tail, after being a little bored, Ye Chen started to move his hand to Ye Xiu's fox ear.

Ye Chen started to play with Ye Xiu's fox ears with his fingers.

"Ahh, don't be that part." Ye Xiu immediately tried to stop Ye Chen, this ear is a very sensitive part, Ye Xiu always felt a strange feeling when someone touched her fox ear.

Ye Chen just remembered that these fox ears were the most sensitive part of Ye Xiu, Ye Chen could stimulate Ye Xiu by touching the two cute ears in his hands.

"Little Xiu, you don't need to worry, you just continue what is below, these fox ears look so cute." Ye Chen said to Ye Xiu who was below him.

Ye Chen is really very honest, maybe this is due to the effect of being a little drunk, so Ye Chen is very honest when talking to Ye Xiu.

Ye Xiu's face turned red when she heard Ye Chen's praise, it turned out that Ye Chen had a fetish like this on her.

Ye Xiu had no choice but to let Ye Chen play with her fox ears, she let Ye Chen do whatever he wanted to herself.

Ye Xiu started to focus on serving Ye Chen's younger brother who was in front of her, she wanted to make Ye Chen happy with her skills.

Ye Chen and Ye Xiu started comforting each other, both of them trying their best to make each other happy.

Ye Chen's younger brother has become very hard at this time, it can be seen that Ye Chen's younger brother wants to immediately take Ye Xiu's first Time.

Without saying anything to Ye Xiu, Ye Chen began to lift Ye Xiu's body and lay her down on the huge bed.

After laying Ye Xiu's body on the bed, Ye Chen began to open Ye Xiu's two legs, when Ye Chen opened Ye Xiu's two legs, he found a secret garden that was very beautiful.

Seeing this, Ye Chen's younger brother became more and more excited, Ye Chen's younger brother couldn't wait to try Ye Xiu's honey cave tastes.

Ye Xiu closed her eyes, she already knew what Ye Chen would do next.

Ye Xiu was a little afraid of Ye Chen's big thing that would break into her honey cave, she didn't know if something that big could fit her.

"Little Xiu, are you ready to become my woman?" Ye Chen whispered in Ye Xiu's ear, Ye Chen told Ye Xiu to preparing herself to become his woman and feel the indescribable feeling that exists in the world.

"Master please do it gently, I will be yours." Ye Xiu said to Ye Chen with a shy expression.

After the recent incident, for some reason Ye Xiu started to be shy towards Ye Chen, this was very different from Ye Xiu who was quite arrogant when talking to Ye Chen.

Seeing that Ye Xiu had given himself the green light, Ye Chen no longer held back, he raised his weapon to break into Ye Xiu's honey cave which was still very tightly locked.

"Ouch" Ye Xiu felt her body torn apart when Ye Chen's large object entered, this feeling was very painful for Ye Xiu who was still a virgin.

Blood started to come out which proved that Ye Xiu was still a pure virgin.

"master, This hurts so much." Ye Xiu complained to Ye Chen about the pain she was experiencing because Ye Chen's object was too big.

"I will ease the pain you have." Ye Chen said to Ye Xiu that he would ease the pain that Ye Xiu had.

Ye Chen started using his Passion Goddess technique, when Ye Chen used the Passion Goddess technique, Ye Xiu felt that the pain immediately disappeared, the pain was immediately replaced with a very comfortable feeling.

This feeling of comfort was something Ye Xiu had never experienced in this life, this feeling was even more extraordinary than Ye Chen's touch.

"Ahh.. . It's very comfortable." Ye Xiu started shouting at Ye Chen, she felt a very comfortable feeling from Ye Chen.

Ye Chen was confused when he saw the reaction shown by Ye Xiu, even though Ye Chen had not moved yet, but Ye Xiu was already groaning with a voice that seemed to really enjoy this.

Ye Chen has just cultivated the Passion Goddess technique, so this is the first time Ye Chen has used the Passion Goddess technique on a woman.

It was unexpected that the effect of the Passion Goddess technique would be far more extraordinary than the king's heart technique that Ye Chen often used to satisfy all his women.

It looks like this Passion Goddess technique is much stronger than Ye Chen's king's heart technique.

Ye Chen only had time to learn a little about the Passion Goddess technique, unexpectedly the effect would be like this.

Ye Chen decided to start moving, when Ye Chen started to move, Ye Xiu felt a very good feeling, Ye Xiu's brain began to empty, there was only an endless joy Ye Xiu could think of in her brain.

"Ahh.. . " In just a few seconds, Ye Xiu had already reached the top, Ye Xiu could no longer stand the very good feeling she felt.

Ye Chen did not stop when he saw that Ye Xiu had reached the peak, he had just started moving, there was no way that Ye Chen would immediately stop when he had just started a battle with Ye Xiu.

Ye Chen kept moving, Ye Chen not forgetting to absorb the pure Yinqi that Ye Xiu had just released.

"Master, please stop. I can't take it anymore" Ye Xiu immediately begged Ye Chen, she couldn't stand the Very Good feeling she felt.

If Ye Xiu continued to feel Very Good feeling, Ye Xiu felt that she would lose her sanity.

Too bad Ye Chen didn't listen to Ye Xiu's whining, because of the influence of the wine, Ye Chen became more and more aggressive, Ye Xiu's honey cave was quite tight and comfortable enough that Ye Chen felt a very comfortable feeling when drilling into it.

Ye Xiu's Milf body was indeed the best, Ye Chen was very satisfied to get this body.

Ye Xiu started to be completely attacked by Ye Chen, Ye Xiu started to make a very satisfied face when doing Dual Cultivation together with Ye Chen.

In just a short amount of time, Ye Xiu has been conquered by Ye Chen, now Ye Xiu will no longer be able to leave Ye Chen after tasting the taste of the forbidden fruit given by Ye Chen.

"Master is stronger, make me completely yours." Ye Xiu told Ye Chen to be even stronger, now in Ye Xiu's mind there was only Ye Chen.

As per Ye Xiu's request, Ye Chen started pumping even stronger and faster, this naturally made Ye Xiu feel even more joy than before.

Ye Xiu was really drunk with this Very Good feeling, she did not expect that doing this would be so much fun.

If only Ye Xiu had known this from long ago, Ye Xiu would have wanted to be Ye Chen's woman for a long time, so that every day Ye Xiu could feel this kind of feeling with Ye Chen.

Ye Chen started to become an unstoppable raging bull, Ye Xiu's body was completely messed up by Ye Chen, Ye Xiu's appearance looked pretty bad, Ye Xiu's body was now covered in sweat, it could be seen that Ye Xiu was very tired. when dealing with Ye Chen.

After more or less doing Ye Xiu for 6 hours, Ye Chen already felt the signs that he was about to erupt, he was ready to give Ye Xiu the most precious essence he possessed.

Ye Xiu was almost unconscious, she couldn't do anything at this point.

Ye Xiu could only passively accept what Ye Chen would do to her.

"Little Xiu, I've reached my limit." Ye Chen said that he couldn't take it anymore.

"Byur.. . , Byur.. . , Byur.. . , Byur.. . , "Ye Chen took out an enormous amount of Yangqi Essence, Ye Xiu's body was immediately filled with Ye Chen's Yangqi Essence which was extremely pure.

Ye Xiu immediately collapsed on the spot, he was no longer able to fight against Ye Chen who was too strong.

Ye Xiu realized that Ye Xiu had completely fainted, there was no way Ye Chen could continue Dual Cultivation together with Ye Xiu, if Ye Chen forced him to continue, then it was certain that Ye Xiu's body would be completely damaged.

Ye Xiu was a virgin, it was quite difficult for a virgin like Ye Xiu to endure Ye Chen's terrifying strength, if this continued, Ye Xiu could die under Ye Chen's younger brother who was too strong.

Ye Chen hugged Ye Xiu's unconscious body, he put Ye Xiu in his arms, Ye Xiu looked very peaceful when in Ye Chen's arms.

Ye Chen felt sleepy too, he decided to sleep together with Ye Xiu.

Ye Chen slept while hugging the beautiful MILF in his arms, anyone would smile when they could hug Beautiful MILF Ye Xiu.

Chapter 835 - Zhao Yanyan Break Through

Time quickly passed, after sleeping for a while Ye Chen finally woke up.

When Ye Chen woke up, he found that he was hugging a woman.

The woman Ye Chen was hugging was Ye Xiu, Ye Xiu is currently sleeping quite peacefully, it can be seen that Ye Xiu is very tired because of the long battle that the two of them had previously done last night.

Ye Chen was a little confused by what happened at this time, he started to remember what happened last night.

After remembering for a while, Ye Chen finally remembered what happened last night, it was clear that last night he did this together with Ye Xiu.

"I really did it with Little Xiu?" Ye Chen said to himself in disbelief, Ye Chen thought last night was a dream, unexpectedly that last night was not a dream.

Ye Chen did Dual Cultivation together with Ye Xiu who was currently in his arms.

Ye Chen smiled when he found out that last night was not a dream, it meant that now Ye Xiu was completely his.

Ye Chen finally got a Beautiful Milf like Ye Xiu, this is a very good thing for Ye Chen.

Ye Chen began to hug Ye Xiu tighter, he began to stretch out his hands towards Ye Xiu's fox ears.

When Ye Chen grabbed Ye Xiu's fox ears, Ye Xiu started to wake up, she felt someone holding the sensitive part he had.

When Ye Xiu opened her eyes, she found that the person who was playing with her ears was Ye Chen.

"Master, don't play that thing again" Ye Xiu complained to Ye Chen who played with her ear.

Ye Xiu felt a strange feeling every time Ye Chen did this to her.

"This is so cute." Ye Chen liked to play with these fox ears, he felt happy doing this.

Ye Xiu snuggled even more in Ye Chen's embrace, feeling comfortable when she was in Ye Chen's embrace.

"How long do you want to sleep like that" When Ye Chen and Ye Xiu were making out on the bed, a woman said to Ye Chen and Ye Xiu.

Ye Chen and Ye Xiu immediately turned their heads to see which woman was talking to the two of them, when the two of them looked at the source of the voice, Ye Chen and Ye Xiu found that the owner of this voice was Chu Yuechan.

"Yuechan, what's wrong?" Ye Chen asked what Chu Yuechan had to do with himself.

"You two hurry up and wake up, Yanyan has successfully Break Through to the Divine Nascent Realm, you better go see her." Chu Yuechan told Ye Chen that Zhao Yanyan had successfully Break Through to the Divine Nascent Realm.

"Really, then I want to see it." Hearing Chu Yuechan's words, Ye Chen couldn't wait to see Zhao Yanyan who had Break Through to the Divine Nascent Realm level.

"Little Xiu do you want to come?" Ye Chen asked Ye Xiu if she wanted to come to meet Zhao Yanyan.

"Master, maybe I won't come with you, I'm still very tired." Ye Xiu told Ye Chen that she wouldn't be able to come together with Ye Chen to meet Zhao Yanyan.

Ye Xiu was still very tired, plus Ye Xiu's two legs still felt soft due to the long battle she had together with Ye Chen last night.

"Okay, then rest in peace here" Ye Chen told Ye Xiu to rest in this place while he went to see Zhao Yanyan.

Ye Xiu nodded, she would rest in this place for a while and recover.

"Let's go" Ye Chen invited Chu Yuechan to go see Zhao Yanyan, he wanted to see where Zhao Yanyan was right now.

"Let's go, I'll take you to where Yanyan is." Chu Yuechan happily escorted Ye Chen to the place where Zhao Yanyan was.

Ye Chen and Chu Yuechan left the Dual Cultivation Room, the two of them headed to the place where Zhao Yanyan was.

Ye Xiu saw Ye Chen and Chu Yuechan leaving, she decided to return to rest for a while.

Because Ye Chen's treatment last night was extremely harsh, Ye Xiu's lower body was still very swollen, it might take a little while for Ye Xiu to recover to normal.

After leaving the Dual Cultivation Room, Ye Chen and Chu Yuechan immediately rushed to where Zhao Yanyan was, it just so happened that at this time Zhao Yanyan was trying out her new power along with Xue Suyin.

Up in the sky, Ye Chen saw the battle that Zhao Yanyan and Xue Suyin were doing, both of them exchanging several blows in the air.

In this exchange, Ye Chen can see that Zhao Yanyan is getting a very good advantage, it is very likely that Zhao Yanyan is stronger than Xue Suyin.

"Hey Yuechan, what is the current level of Yanyan?" Ye Chen asked Chu Yuechan about Zhao Yanyan's current level.

"fufufu, guess what level Yanyan is at right now." Chu Yuechan did not immediately answer Ye Chen, she instead told Ye Chen to guess what level Zhao Yanyan currently had.

"Has Yanyan stepped into the Divine Nascent Realm Early Realm?" Ye Chen started to guess Zhao Yanyan's current level, he began to guess that Zhao Yanyan was at the 1,2 or 3rd level of the Divine Nascent Realm.

"Wrong" Chu Yuechan said that if Ye Chen's answer was wrong, Zhao Yanyan was already at a higher level than that.

"Wrong ?, Then what is the current level of Yanyan?" Ye Chen asked Chu Yuechan again about this important matter, he really became curious about the level that Zhao Yanyan had.

"You have to guess for yourself." Chu Yuechan refused to tell Ye Chen Zhao Yanyan's rank, she tried to act mysteriously in front of Ye Chen.

Ye Chen was annoyed with Chu Yuechan who acted mysteriously in front of him, even though Ye Chen only wanted to know the level that Zhao Yanyan had, he didn't expect Chu Yuechan to act mysteriously like this.

"husband" ,Zhao Yanyan and Xue Suyin's called Ye Chen who had just arrived at this place.

When Zhao Yanyan and Xue Suyin saw Ye Chen around, the two of them immediately stopped their sparring practice and went to see Ye Chen and Chu Yuechan.

"Yanyan, it looks like you have finished break through, congrats." Ye Chen congratulated Zhao Yanyan for break through to the Divine Nascent Realm level.

Now Zhao Yanyan was able to take revenge on Hong Man and the Gates of Eternity Sect who had made both her parents die so tragically.

Zhao Yanyan hugged Ye Chen in front of her, she trying to thank the Divine awakening pill that Ye Chen had previously given, thanks to the Divine Awakening Pill Zhao Yanyan was able to break through to the Divine Nascent Realm.

"Husband, thank you very much, if it wasn't for you, maybe I still need more time to reach this realm.

"Zhao Yanyan was very, very grateful to Ye Chen, thanks to Ye Chen that he was now at the Divine Nascent Realm level.

"You're welcome, oh yeah, Yanyan, what level do you have now?" Ye Chen asked what realm Zhao Yanyan had right now.

Having failed to get information from Chu Yuechan, Ye Chen decided to ask Zhao Yanyan directly.

"Husband, why don't you try to guess it." Just like Chu Yuechan, Zhao Yanyan also started to act mysteriously about the level she possessed.

"-_-", Ye Chen is so helpless, why is everyone acting mysterious like this, even though he just wants to know what level Zhao Yanyan is currently at.

Chapter 836 - Preparing To Attack Gates Of Eternity Sect

"Why are you all acting mysteriously like that to me, have you been conspiring to do this to me from the start?" Ye Chen said to Zhao Yanyan and Chu Yuechan, these two women must be doing this to him on purpose.

"Fufufufu" Zhao Yanyan and Chu Yuechan giggled, both of them looking very happy when they saw Ye Chen in this state.

"Husband, it won't be fun if you can't guess." Zhao Yanyan told Ye Chen to guess the level she had reached at this time.

"Okay, I'll start guessing", Ye Chen had no other choice but to guess Zhao Yanyan's cultivation level.

Ye Chen started to look at Zhao Yanyan, he began to estimate the current level Zhao Yanyan had.

"Have you reached the top of Divine Nascent Realm?" Ye Chen started to guess that Zhao Yanyan was already above the seventh stage of the Divine Nascent Realm.

"That's right." Zhao Yanyan said to Ye Chen that she had reached the top of Divine Nascent Realm.

"What ! ! " Ye Chen was quite surprised when he heard this, he had no idea that Zhao Yanyan could break through to the Top of the Divine Nascent Realm with just one step.

Zhao Yanyan's talent in cultivation was terrifying enough, she was able to break through to the peak realm of the Divine Nascent Realm with ease.

"Fufufu" Zhao Yanyan smiled very beautifully when she saw the surprised face shown by Ye Chen, it seemed that Zhao Yanyan had succeeded in making Ye Chen surprised by the increase in strength she had done.

"Yanyan, have you really reached the top of Divine Nascent Realm?" Ye Chen still couldn't believe what he was hearing from Zhao Yanyan.

"Husband, what I said earlier is true, I have reached the ninth level of the Divine Nascent Realm," Zhao Yanyan told Ye Chen that he had reached the ninth level of the Divine Nascent Realm.

"Hey Yuechan, is what Yanyan said true?" Because Ye Chen could not know Zhao Yanyan's current rank, Ye Chen asked Chu Yuechan who could find out what level Zhao Yanyan had.

"Master, Yanyan didn't lie to you, Yanyan has indeed reached the ninth level of Divine Nascent Realm." Chu Yuechan confirmed what Zhao Yanyan had said.

Ye Chen was speechless when Chu Yuechan confirmed what Zhao Yanyan just said.

"Wife, you are amazing, so from now on you will not need protection from me anymore" Ye Chen said to Zhao Yanyan who was in front of him.

"That's not true, I still need you to protect me if something happens" Zhao Yanyan said that she still needed Ye Chen if bad things happened.

Even though Zhao Yanyan had become very strong, Zhao Yanyan still needed Ye Chen, there were some things that Zhao Yanyan couldn't do alone.

Ye Chen felt a little comforted by the words Zhao Yanyan said, it seemed that Zhao Yanyan was still thinking about him.

"Husband, from now on I can fight with you, I will try to help you as much as I can" Zhao Yanyan said to Ye Chen that he would help fight on Ye Chen's side.

Zhao Yanyan wanted to be of use beside Ye Chen, Zhao Yanyan wanted to be a devoted wife to her husband.

"Yes." Ye Chen nodded at Zhao Yanyan, Zhao Yanyan's current strength would be very useful for Ye Chen.

With Zhao Yanyan around, Ye Chen's camp was getting stronger and stronger.

Ye Chen already has 5 women who are in the Divine Nascent Realm, this strength alone is enough to shake this entire land.

In addition, Ye Chen also has strength comparable to cultivators at the stage Divine Nascent Realm, so no one can beat Ye Chen on earth.

"Yanyan, when are you going to attack the Gates of Eternity Sect?" Ye Chen asked when Zhao Yanyan would go to attack the Gates of Eternity Sect.

"Husband, I intend to attack them tomorrow." Zhao Yanyan had decided to attack the Gates of Eternity Sect as soon as possible, she could no longer delay attacking the Gates of Eternity Sect.

Zhao Yanyan wanted to quickly destroy the Gates of Eternity Sect and take revenge on Hong Man.

"So you've decided to attack the Gates of Eternity Sect tomorrow, well, I'll be back in the capital soon." Seeing that Zhao Yanyan had decided to attack the Gates of Eternity Sect tomorrow, Ye Chen had to return to the capital as soon as possible.

Ye Chen, Zhao Yanyan, and Xue Suyin discussed some matters of the Gates of Eternity Sect.

After talking enough about the Gates of Eternity Sect, the three decided to go their separate ways, Zhao Yanyan and Xue Suyin decided to prepare everything, while Ye Chen intended to see Ye Xiu and take her back to the capital.

Since Ye Xiu's condition was quite dire, Ye Chen had to take care of Ye Xiu for a while until she was completely healed.

Ye Chen needed a little more time inside the fairy gate to take care of Ye Xiu, after Ye Xiu was fully healed and could walk a little normally, Ye Chen immediately invited Ye Xiu to leave the Dual Cultivation room.

The two of them returned to the Nine-tailed Fox Village to say goodbye and return to the capital.

Ye Xiu had decided to continue to be with Ye Chen, she would follow Ye Chen wherever she went, she was now Ye Chen's woman too, so wherever her husband went she had to follow: V.

The people of the Nine-tailed Fox Clan felt very sad when they heard that Ye Xiu was leaving this village, if Ye Xiu left this village, then who would lead them all.

Nibi who was the leader of the previous Clan became a traitor and had been tried by the people of the Nine-tailed Fox Clan, he got the punishment she deserved for what he had done.

Ye Xiu ordered the people of the Nine-tailed Fox Clan to find a new leader suitable to replace Nibi's position, he was no longer interested in becoming a Queen of the Nine-tailed Fox Clan.

"big brother Ye Chen, sister Mei, you should come see Qiqi if you have time." Qiqi told Ye Chen and Xing Mei to come and visit her if you have time.

"We will definitely come and visit Qiqi if there is free time." Ye Chen and Xing Mei promised to visit Qiqi when they had free time.

"Ayaka, so you are really going to leave this village?" Liyu asked Ye Xiu.

"Aunt Liyu, I've decided to follow the person I like, I hope you can understand what I'm doing right now." Ye Xiu explained to Liyu that she had made up her mind to follow Ye Chen.

I will not go against the decision you made, as long as you feel happy then do what you want, but you need to know, you are always welcome if you want to come back to this place, this is your home too, so you can come here whenever you are want ", Liyu said to Ye Xiu that she would always be welcome to this village.

"Okay, I understand." Ye Xiu understood, she would always remember this place, this was her Clan, there was no way that Ye Xiu would forget her own Clan .

Ye Chen, Ye Xiu and Xing Mei decided to return to the royal capital, the three of them waved their hands at the Nine-Tailed Fox Clan escorting them off.

Ye Chen, Ye Xiu and Xing Mei shot flying towards the capital, the three of them quickly disappearing from the sight of the people from the Nine-Tailed Fox Clan .

Chapter 837 - Time To War (1)

After leaving the nine-tailed fox village, Ye Chen, Ye Xiu and Xing Mei dashed towards the royal capital, the three of them using full speed to quickly return to the royal capital.

"Master, why are you in such a hurry to go, did something happen?" Ye Xiu asked Ye Chen what happened, she wanted to know from Ye Chen what happened.

Ye Xiu and Xing Mei did not yet know the reason why Ye Chen had invited them back to the royal capital.

"We will help Yanyan do something, so we have to come back as soon as possible." Ye Chen told Ye Xiu and Xing Mei that they were going to help Zhao Yanyan against the Gates of Eternity Sect.

Even though Zhao Yanyan had become a very powerful cultivator, there was no harm in them helping Zhao Yanyan against the Gates of Eternity Sect.

If everyone helped Zhao Yanyan, then Zhao Yanyan's chances of winning Hong Man would be enormous.

"So we will help sister Yanyan, okay, I will definitely help" Xing Mei looked quite excited when she heard this news from Ye Chen, she couldn't wait to help Zhao Yanyan against the Gates of Eternity Sect.

Xing Mei and Zhao Yanyan's relationship was very close, when Zhao Yanyan was in trouble Xing Mei would definitely come and help Zhao Yanyan take revenge on the Gates of Eternity Sect.

"So that's how it is, then I'll also help Yanyan." Ye Xiu would also help Zhao Yanyan, she wanted to try the new strength she had.

After cultivating with Ye Chen, Ye Xiu's strength had increased very rapidly, Ye Xiu had also reached the fifth level of Divine Nascent Realm, Ye Xiu's increase in strength was also amazing, this was probably because of the Passion Goddess technique ,which Ye Chen had just cultivated.

that Ye Chen had just cultivated, this earned Ye Xiu a sizeable increase.

On the other side, Ye Chen is still trapped in the realm of half a step to Divine Realm, he still can't break through to Divine Nascent Realm, it seems that Ye Chen still needs some time to break through to Divine Nascent Realm.

Ye Chen was quite happy when he heard the answers given by Ye Xiu and Xing Mei, these two women were willing to help Zhao Yanyan against the Gates of Eternity Sect.

Ye Chen, Ye Xiu and Xing Mei quickly arrived at the royal capital, the three of them immediately headed to the royal palace to meet Zhao Yanyan and the others.

When the three of them arrived at the royal palace, Ye Chen, Ye Xiu and Xing Mei saw that there were already so many people gathered in the royal palace, these people were the strongest cultivators gathered by Zhao Yanyan, Zhang Shiyun and Xue Suyin, Nangong Xiang and Nanhua Caiyi.

With the strength of this many people, it was clear that there would be an enormous battle in this Kunlun Holy Land.

All the strong cultivators belonging to the royal family are gathered in one place, plus there are still Zhao Yanyan, Zhang Shiyun, Xue Suyin and Nanhua Caiyi who are at the stage Divine Nascent Realm, this combination is truly terrifying.

"Everyone, this time we will fight against the Gates of Eternity Sect, we will destroy and flatten the Gates of Eternity Sect into land, from now on we will lead this Kunlun Holy land." Zhang Shiyun began to address everyone who was here, herself was trying to raise the morale of these people to get excited against the Gates of Eternity Sect.

"Woah" all the cultivators in this place shouted as Zhang Shiyun gave they speech.

The people from both the royal family and the Spring Palace started to become fiery when they listened to Zhang Shiyun's speech, they all couldn't wait to destroy the Gates of Eternity Sect which was the most powerful force in this Kunlun Holy Land.

The Gates of Eternity Sect have long dominated the Kunlun Holy Land as the most powerful force, sometimes they are arbitrary in their actions, it's time to destroy and flatten the Gates of Eternity Sect to land.

"Alright, let's go right now, we will immediately go and attack the Gates of Eternity Sect" seeing all the people she which call have gathered, maybe now is the time to attack the Gates of Eternity Sect, they shouldn't delay any longer.

If they delay any more time, then that will give the Gates of Eternity Sect a chance to escape.

Everyone nodded, they were all about to head for the Gates of Eternity Sect.

Zhang Shiyun looked at Zhao Yanyan, Zhao Yanyan nodded in satisfaction at Zhang Shiyun, Zhang Shiyun had represented what she wanted to say.

"All of you have finished getting ready, so fast." Ye Chen came to the side of Zhao Yanyan, Zhang Shiyun, Xue Suyin, Nangong Xiang and Nanhua Caiyi.

"Husband, Ye Chen, master." All the women compactly called out to Ye Chen who had just arrived at this place.

"Actually we wanted to wait for tomorrow to carry out the attack, but all preparations were completed very quickly, so we decided to immediately attack the Gates of Eternity Sect as soon as possible" Zhao Yanyan explained to Ye Chen what had happened.

All preparations had been completed, there was no point in holding back attacks against the Gates of Eternity Sect.

"I see." Ye Chen nodded at Zhao Yanyan, what Zhao Yanyan was doing was absolutely right, the faster they move, the more limited the enemy's movement will be.

"Let's go to Gates of Eternity Sect, it's not good to stay in this place." Zhang Shiyun invited everyone to immediately go to the Gates of Eternity Sect, they shouldn't let the troops wait anymore.

Ye Chen, Zhao Yanyan, Xue Suyin, Nangong Xiang, Ye Xiu, Nanhua Caiyi and Xing Mei nodded, they really should go to the battlefield right now.

Without Ye Chen, Zhao Yanyan, Xue Suyin, Nangong Xiang, Ye Xiu, Nanhua Caiyi and Xing Mei the troops would definitely have a hard time fighting the Gates of Eternity Sect.

Ye Chen, Zhao Yanyan, Xue Suyin, Nangong Xiang, Zhang Shiyun, Ye Xiu, Nanhua Caiyi and Xing Mei went to the Gates of Eternity Sect, they all caught up with the cultivators who had already gone to the Gates of Eternity Sect.

The cultivators that Zhang Shiyun had gathered were truly people at the peak of the Overlord Realm, when they all flew, black clouds and loud thunder resounded along the path that this group of cultivators passed.

The weak cultivators on the street were completely shaking and shrunken when they met this group of cultivators, they were like ants looking at such a terrifying monster.

With the combined speed of all the cultivators in the group, they all quickly arrived at the Gates of Eternity Sect.

The Gates of Eternity Sect is now surrounded by thousands of cultivators at the peak of the Overlord Realm, they are completely cornered and unable to escape anymore.

The troupe of cultivators did not directly attack the Gates of Eternity Sect, if they wanted to attack the Gates of Eternity Sect, they first had to destroy the defensive array activated by the Gates of Eternity Sect.

"Clang.. ., Clang.. ., Clang.. ., Clang.. .," Seeing that there were countless strong cultivators who had surrounded this place, the disciple in charge of guarding the gate immediately sounded the alarm bell for alarm.

Hearing the alarm bells ringing extremely loudly, nearly all of the disciples and elders within the sect walked out like an ant.

Even people who are practicing closed cultivation have to leave where they are doing private cultivation.

All the disciples and elders who were in the Gates of Eternity Sect came out to see what was going on right now.

Chapter 838 - Time To War (2)

When the disciples and elders who came from the Gates of Eternity Sect came out, they all saw that the surrounding Gates of Eternity Sect were filled with thousands of cultivators who had extremely high cultivation bases.

"Are we being attacked", almost all the disciples and elders said in their hearts, they all suspected that they were currently being attacked.

everyone started to wonder Who was the group that dared to attack them, did these people not know that this was the Gates of Eternity Sect, if they dared to find trouble with the Gates of Eternity Sect, then it was certain that all of them would have a very big impact. very bad.

Hong Man, Hong Tien and Hong Gijun also came out while listening to the alarm, the three of them immediately came out and wanted to see what was going on outside.

When Hong Man, Hong Tien and Hong Gijun came out, they saw that the Gates of Eternity Sect had been surrounded by countless strong cultivators who had very high cultivation bases.

"What is this ?, who are these people?" Hong Man asked which group would dare to find trouble with his Sect.

" Sect Master, it looks like these are cultivators who come from the royal family and the Spring Palace, they have surrounded us and closed all the escape routes we have." One elder reported what happened to Hong Man, Hong Tien and Hong Gijun.

"What, how did this happen, why didn't the spies we have report this?" Hong Gijun was furious when he heard this news.

It was unexpected that the royal family would carry out such a massive attack, it was obvious that this was the most massive attack that Honghad ever seen Gijun.

Plus now that the Gates of Eternity Sect were so cornered, they would definitely find it difficult to do anything to get out of this situation.

"The royal family and the Spring Palace are really moving so fast, the spies we sent have probably been eliminated by the royal family and the Spring Palace." Hong Tien looked calmer than Hong Gijun, he easily analyzed what was happening right now.

"Old man, did not we send our best people to be spies how they can easily be removed by the royal family and Spring Palace" Hong Gijun to Hong Tien said that the possibility of spies they send may not be so easy to be removed.

"That's why you are stupid, you underestimated your enemy, the royal family and the Spring Palace are now quite strong, they of course can easily get rid of the spies we sent" Hong Tien said that Hong Gijun was stupid.

"Did you say old man? I'm stupid?" Hong Gijun was furious when he listened to what Hong Tien said, he felt his dignity being trampled by Hong Tien in public.

Around here were gathered disciples and elders from the Gates of Eternity Sect, Hong Tien's words embarrassed Hong Gijun.

"It's useless arguing like that, we are already surrounded, we have to find a way out of this situation." Hong Man told Hong Hijun and Hong Tien not to argue anymore.

What they need to think about right now is how to get out of this situation, if it continues like this they will be the object of attacks from these people.

"We have no choice but to fight these guys from within the Barrier Array, that's the only way we can win." Hong Gijun immediately suggested fighting the enemy from within the Barrier Array, the barrier array they created could make the enemy feel very troublesome at all.

"I hate to admit it, but it seems like it's the only way we can win against the enemy that surrounds us right now." Hong Tien hated to admit it, but Hong Gijun's suggestion had a point too.

If they attacked enemies from within this Array, their chances of winning would be even higher.

Hong Man also thought the same as Hong Gujin, the only way they had was to attack the enemy from within the Barrier Array.

"Everyone, let's join hands to attack the enemy." Hong Man immediately ordered all the disciples and elders who were present to join hands in attacking the enemy who had surrounded the Sect.

All the disciples and elders were ready to fight, they would definitely protect their Sect from this attacking enemy.

.
. .
.

Just as the people from the Gates of Eternity Sect were ready to make an attack on the cultivators who surrounded their sect, Ye Chen, Zhao Yanyan, Xue Suyin, Nangong Xiang, Zhang Shiyun, Ye Xiu, Nanhua Caiyi and Xing Mei had just arrived on the scene. battle, they saw the situation of the Gates of Eternity Sect which had been completely surrounded with no room for escape.

"So this is the Gates of Eternity Sect, it's enormous." Ye Chen saw the territory of the Gates of Eternity Sect, the territory of the Gates of Eternity Sect was enormous, it was almost comparable to the royal capital.

For a Sect, the size of the Gates of Eternity Sect could be said to be enormous, it was even bigger than the Shaolin and Spring Palace that Ye Chen had visited.

It was not only Ye Chen who thought this way, Zhao Yanyan also thought the same thing as Ye Chen, the Gates of Eternity Sect were truly enormous.

Zhao Yanyan was observing the Gates of Eternity Sect from afar, while Zhao Yanyan was observing the Gates of Eternity Sect from afar, she found the figure of Hong Man.

This man was the one who had forced Zhao Yanyan's father and mother into a desperate situation until they both died.

Zhao Yanyan gripped her hand tightly, looking like she wanted to go and kill Hong Man.

Ye Chen who was beside Zhao Yanyan could easily see Zhao Yanyan's behavior change, you could see that Zhao Yanyan hated Hong Man more than anything in this world.

"Husband, it looks like they want to attack our people." Xue Suyin and Zhang Shiyun simultaneously said to Ye Chen.

The two of them told Ye Chen that the people from the Gates of Eternity Sect were ready to carry out attacks on a large scale.

Ye Chen looked at the people from the Gates of Eternity Sect, it could be seen that they were intending to carry out an attack on an enormous scale.

The clouds around this place became more and more black, lightning began to strike everywhere, this lightning strike was not a natural phenomenon, it was clear that this lightning strike was being controlled by someone.

Right now the people from the Gates of Eternity Sect were focusing all their profound energy on Hong Man, they all banded together to help Hong Man use the Thunder Rain Laws technique.

this was a technique that Mo Coun had used when fighting Ye Chen, the difference is that in Hong Man's hands the Thunder Rain Laws became a very frightening technique, Hong Man had mastered this technique to the highest level.

In addition, all the elders and disciples of the Gates of Eternity Sect helped Hong Man to strengthen the Thunder Rain Laws technique, surely this technique would be a terrifying ultimate technique.

"This is bad, looks like this is an area attack." Ye Chen felt the terrible power of the Thunder Rain Laws technique, if these people were to be hit by this powerful technique, they would definitely be injured and die.

Ye Chen intended to thwart the technique that Hong Man and the people from the Gates of Eternity Sect were trying to use.

"Husband leave all this to me, let me handle this." Zhao Yanyan said that she would handle this matter.

"Okay" Ye Chen immediately stopped, he didn't go to stop Hong Man and the people from the Gates of Eternity Sect.

Chapter 839 - Time To War (3)

Zhao Yanyan started to come forward herself and started waving her hands, when Zhao Yanyan did this, a very beautiful zither appeared in Zhao Yanyan's hand.

The weapon that appeared in Zhao Yanyan's hand was of course the Saint Light Zither, Zhao Yanyan gloriously plucked the Saint Light Zither in her hand, Zhao Yanyan played a Goddess Melody Technique.

"Light Shield" Zhao Yanyan used the Light Shield to protect everyone from the attacks that were about to be launched by Hong Man.

Zhao Yanyan combined the Goddess Melody Technique technique with the Light Shield, apart from increasing all the strength of the allies, Now Zhao Yanyan also protected them from future attacks.

Zhao Yanyan could not only create a light shield near herself, Zhao Yanyan was now also able to make a light shield for the allies he wanted to protect, it could be said that Zhao Yanyan's rank had already advanced, now Zhao Yanyan was more and more proficient in the techniques she cultivated.

Everyone started to be enveloped by a light of shield, when they were enveloped by the shield of light they all felt a sense of comfort.

The people who were enveloped by the Light Shield also felt that their strength had increased a lot, now they all felt that they could do anything at this very moment.

Ye Chen was quite surprised when he saw what Zhao Yanyan was trying to do right now, he didn't expect Zhao Yanyan to do something like that.

Zhao Yanyan really combined the Goddess Melody Technique with the Light Shield into one, this would be the best support for the cultivators who became allies.

On the other side Hong Man had finished making preparations to use the Thunder Rain Laws, now it was time for him to attack all the enemies that surrounded this place.

"All of you go to hell, fall Down Thunder Rain Laws" Hong Man shouted in a very loud voice, everyone within a hundred kilo radius could hear the sound that Hong Man made very clearly.

Even Ye Chen who was quite far away could hear Hong Man's screams.

The million thunderbolts began to strike all of the cultivators who surrounded the Gates of Eternity Sect, the thousands of cultivators in this place were struck by thousands of thunderbolts which had extremely terrifying destructive power.

If they didn't currently have Zhao Yanyan's protection, it was certain that these people would be struck by lightning and turned into charcoal.

"Rumble.. ., Rumble.. ., Rumble.. ., Rumble.. ., Rumble.. ., Boom.. ., Boom.. ., Boom.. ., Boom.. ., Boom.. ."

lightning continued to rain down around the Gates of Eternity Sect.

It seems that the lightning strike hasn't shown any signs of stopping.

The people who were struck by lightning were currently safe, they were completely unharmed by the lightning strike that had struck them.

These people are very grateful for Zhao Yanyan's kindness who has given them all this super strong protection, if Zhao Yanyan had not protected them, they would have become charred.

Because the lightning strikes were so many, the people of the Gates of Eternity Sect couldn't see whether the cultivators who surrounded them had been killed, they were currently too focused on channeling the profound Energy they had for Hong Man.

This lightning strike lasted for several minutes, after a few minutes, the lightning strikes began to have subsided.

The Thunder Rain Laws was a high ranking technique, to use this technique required an enormous amount of Profound Energy.

That's why these people couldn't sustain the Thunder Rain Laws any longer than this or they would run out of their Profound Energy.

Hong Man decided to stop the Thunder Rain Laws, he thought this was enough to kill the people who had dared to besiege the Sect.

Very thick smoke began to envelop this place.

This smoke was of course the result of countless lightning strikes, even the ground around the Gates of Eternity Sect looked like a volcanic crater emitting lava.

The people of the Gates of Eternity Sect strongly believed that the enemies surrounding them had been removed, there was no way the enemy could survive the onslaught of the combined attacks carried out by all the disciples and elders of the Gates of Eternity Sect.

The smoke that enveloped this place began to subside, as the smoke began to subside, the people of the Gates of Eternity Sect began to be able to clearly see whether the enemy had been annihilated or not.

When the smoke cleared there were countless shadowy figures above the sky, all the people surrounding this place looked still healthy and in very good shape.

"What. . .!!!" Everyone from the Gates of Eternity Sect was greatly shocked when they saw the enemy was unharmed after receiving the combined attack carried out by all the disciples and elders.

This is really very absurd at all, how could people still be alive after receiving such a lethal attack, all the disciples and elders of the Gates of Eternity Sect could not imagine what just happened.

On the other side, Hong Man began to grit his teeth, he could not believe that the enemy was still alive after receiving countless lightning strikes.

Hong Man was very confident in the Thunder Rain Laws he had just used, the technique just now should be enough to kill all the enemies surrounding this place.

"What the hell are these guys, how come they don't get hurt after receiving consecutive hits like that." Hong Gijun also couldn't believe that the enemy was still alive after receiving such consecutive hits.

Seeing this matter, the morale possessed by the disciples and elders from the Gates of Eternity Sect began to shrink, they began to fear the enemies surrounding this place.

"This is really bad, the morale of the disciples and elders is starting to shrink, if it continues like this they will lose their fighting spirit." Hong Tien was the first to notice the strangeness shown by the disciples

and elders of the Gates of Eternity Sect, it is clear that the disciples and elders of the Gates of the Eternity Sect was starting to lose their fighting spirit.

"All of you don't need to worry, we still have a chance to win, within this barrier we will always be safe from enemy attacks." Hong Man hurriedly gave a speech to all the disciples and elders.

Hong Man must not let the morale of these people become gloomy, if that happens, then they will lose to the enemy.

"Woah" Everyone around Hong Man shouted in a loud voice, it seems that their fighting spirit returned after listening to the speech that came from Hong Man.

Hong Man was deeply trusted by everyone in the Gates of Eternity Sect, they all believed that with a Sect Master like Hong Man, they still had a lot of chances to win against the enemy.

From afar, Zhao Yanyan saw that the people from the Gates of Eternity Sect were very excited, Zhao Yanyan could not let this happen, she had to make the morale that the people of the Gates of Eternity Sect have to shrink.

Zhao Yanyan started playing the Saint Light Zither in her hand, when Zhao Yanyan played the Saint Light Zither, an extremely powerful light force came out from the Saint Light Zither.

This power of light is like a wave in the sky.

"boom" the power of Light that Zhao Yanyan had just released slammed into the barrier Array belonging to the Gates of Eternity Sect.

"Crack.. ." The barrier array that had been constructed since the era of the first ancestor of the Gates of Eternity Sect easily shattered upon receiving this wave of light attack.

Everyone within the Gates of Eternity Sect fell silent when they saw what had just happened right before their eyes.

Chapter 840 - Started The Battle With The Gates Of Eternity Sect (1)

Everyone from the Gates of Eternity Sect could not believe what they saw just now, a strongest Array that could protect the Gates of Eternity Sect was easily destroyed by a single zither that was carried out by Zhao Yanyan.

"What just happened?" Everyone from the Gates of Eternity Sect became so noisy, they really didn't know what had just happened, how could the barrier array protecting this sect just be destroyed.

This barrier array was made by the first ancestor of the Gates of Eternity Sect, the power of this Array was unquestionable, this barrier array could ward off all enemy attacks that wanted to harm the Sect.

It was unexpected that the barrier array was shattered by a single strike by Zhao Yanyan.

"Everyone, now attack them all." Zhao Yanyan ordered all cultivators to go and attack the Gates of Eternity Sect.

All the cultivators from the royal family and the Spring Palace immediately went towards the Gates of Eternity Sect, they were all ready to fight against the people of the Gates of Eternity Sect.

With the added power of the Goddess Melody given by Zhao Yanyan, these people were very confident in fighting the Gates of Eternity Sect, they all seemed unafraid of the Gates of Eternity Sect.

Since the incident just now the morale of the people from the Gates of Eternity Sect dropped, they looked terrified by the enemy attacking them, if a barrier created by an ancestor could be destroyed, then that meant the enemy was really very strong.

"Quickly set up a defensive formation, the enemy is starting to attack us." Hong Man ordered everyone from the Gates of Eternity Sect to immediately set up a defensive formation.

If they just stay silent, then the enemy will flatten them very easily, if they want to win they have to fight the enemy who is heading towards them.

All the disciples and elders of the Gates of Eternity Sect immediately set up a defensive formation, they steeled their hearts to fight against the enemy.

As their morale dropped, the people of the Gates of Eternity Sect were afraid when fighting the enemies that were coming, some even trembling against the enemies that attacked them.

If they weren't surrounded by the enemy, it might be that a lot of people would have fled from the battlefield.

Since their path of running had been blocked, they all had no choice but to fight the cultivators from the royal family and the Spring Palace.

"Bam.. ., Booom.. . Clank.. ., Bam.. ., Booom.. . Clank.. ., Bam.. ., Booom.. . Clank.. ., Bam.. ., Booom.. . Clank.. .," "The battle began to break out, the cultivators who were under Zhao Yanyan's command had fought against the cultivators who were under Hong Man's command.

In terms of the number of Gates of Eternity Sect, it is clear that the number of disciples and elders in the Gates of Eternity Sect is currently almost hundreds of thousands of people, in terms of numbers alone, it can be seen that the Gates of Eternity Sect are far superior to the troops owned by the royal family and the Spring Palace.

Unfortunately in terms of strength it could be said to be inversely proportional, the strength of cultivators from the royal family and the Spring Palace could be said to far exceed the Gates of Eternity Sect.

Everyone that Zhang Shiyun and Xue Suyin gathered were the best cultivators at their disposal, so this was truly pure full power that the royal family and the Spring Palace had.

The Gates of Eternity Sect began to be suppressed by the cultivators of the royal family and the Spring Palace.

"Let's join in" Ye Chen invited all the women to join the battle, it was no fun if they only watched from a distance.

"Come on" all the women answered unanimously, they all couldn't wait to join the battle.

Nangong Xiang, Xue Suyin, Zhang Shiyun, Nanhua Caiyi, Ye Xiu and Xing Mei couldn't wait to join the battle, they wanted to fight against people from the Gates of Eternity Sect.

When Ye Chen Nangong Xiang, Xue Suyin, Zhang Shiyun, Nanhua Caiyi, Ye Xiu and Xing Mei joined in, the Gates of Eternity Sect were under heavy pressure.

The people of the Gates of Eternity Sect did not expect that the situation would turn out like this, they were all completely suppressed by the enemy.

Gates of Eternity Sect. It was the strongest Sect in this Kunlun Holy Land, it was unexpected that the strongest Sect in the Kunlun Holy Land would be in such a desperate state.

Hong Man was very angry when he saw the situation that happened to the Gates of Eternity Sect, the Gates of Eternity Sect were completely shattered and badly damaged in the hands of cultivators from the royal family and the Spring Palace.

"All of you bastards, I will definitely make you all pay for what you have done." Hong Man looked very angry at the people from the royal family and the Spring Palace, he wanted to kill everyone from the royal family and the Spring Palace.

Hong Man's body began to be enveloped in profound lightning, it was clear that Hong Man had used the full power he had.

Hong Man immediately rushed towards the enemy not far from him, he would kill all the enemies in front of him.

When Hong Man wanted to head towards the enemy, in front of Hong Man came down a young woman who was very beautiful like a goddess, this woman carried an extraordinarily beautiful zither in her hand.

The woman blocking Hong Man's path was of course Zhao Yanyan, Zhao Yanyan wouldn't let Hong Man do what he wanted, Zhao Yanyan would decide to fight Hong Man.

Hong Man was quite surprised when he saw the beauty that had just appeared right in front of him, this woman was truly the most beautiful woman he had ever seen in this life.

The beauty possessed by Zhao Yanyan even surpassed the beauty possessed by Hong Man's wife and concubine.

Hong Man started to show some interest in Zhao Yanyan who was in front of him.

Hong Man is a man who likes beauty, he has thousands of women outside and inside the Sect, so when he saw Zhao Yanyan's beauty who looked like a goddess, of course Hong Man would immediately be attracted to Zhao Yanyan.

"Beautiful young lady, who are you," Hong Man said to Zhao Yanyan who was in front of him.

Zhao Yanyan felt disgusted and amused when she saw the gaze shown by Hong Man, this man was really quite shameless.

"Hong Man, do you know who I am?" Zhao Yanyan asked Hong Man back.

"Beautiful young lady, I don't know who you are, you can introduce yourself to me" Hong Man said to Zhao Yanyan who was in front of him.

This man was really the same as Hong Won, he was really shameless when he met a beautiful woman.

It seems that Hong Won's traits are inherited from his father.

"I am Zhao Yanyan, the daughter of Zhao Jung and Wu Zheli who you forced to commit suicide" Zhao Yanyan introduced who she was to Hong Man.

Hong Man was quite surprised when he heard that Zhao Yanyan was the daughter of Zhao Jung and Wu Zheli.

"So you are the biological daughter of Wu Zheli, hahaha, it is fitting that you are beautiful as if you inherited the beauty that was owned by your mother." Hong Man laughed when he heard that Zhao Yanyan was the daughter of Wu Zheli.

In the past, Hong Man failed to get Wu Zheli, now he has the opportunity to get Wu Zheli's beautiful daughter like a goddess
