

Chapter 861 - Elf Village Location

"I want to ask, do you know about the hidden Elf Village?" Ye Chen asked Nangong Xiang about the hidden Elf village.

"Elf Village? What do you need to ask about Elf Village?" Nangong Xiang asked Ye Chen need to find the Elf village.

"I want to find some important ingredient to cure God Slaughter poison." Ye Chen told Nangong Xiang what he was hugging for the Elf Village.

"Oh, so that's the reason you are looking for Elf Village." Nangong Xiang now understood why Ye Chen was looking for Elf Village.

"So, do you know where the Elf Village?" Ye Chen asked Nangong Xiang.

"I might know a little about the existence of Elf Village, The problem is that it can't be visited all the time." Nangong Xiang told Ye Chen that the Elf Village couldn't be visited all the time.

"What do you mean?" Ye Chen asked Nangong Xiang.

"I mean, the Elf Village is in a special place that only opens once every few thousand years," Nangong Xiang said to Ye Chen.

The Elf Village was in a special place where the entrance was only open once a few thousand years, it meant that Ye Chen couldn't go to that place for now.

"What !!!" Ye Chen panicked enough when he heard this, he did not expect that the Elf Village would exist in a special place that opens only once every few thousand years.

"Hey Yuechan, how long can Ling Yin survive from God Slaughter poison?" Ye Chen immediately asked Chu Yuechan what time Ling Yin had.

"At most 4 years and at least 3 years," Chu Yuechan told Ye Chen that Yong Heng sleeping box could only slow down the spread of God Slaughter poison for 3 ~ 4 years.

If it's more than that, then Chu Yuechan can confirm that Ling Yin's body won't be able to endure any more than that.

Ye Chen panicked when he heard about the news from Chu Yuechan, Ye Chen only had 3 ~ 4 years left, there was no way he could wait thousands of years to head to the Elf village.

"Then what about Linger?" Ye Chen asked Chu Yuechan.

"Sister Lanling is still more fortunate than Ling Yin, at most the seal I used could withstand the spread of poison for more than 5 years." Chu Yuechan also explained that Fu Lanling's condition was slightly better than Ling Yin.

This news was really terrible for Ye Chen, the two women really couldn't wait that long.

"Xiang, is it really that long it takes to head to the Elf Village?" Ye Chen asked Nangong Xiang.

"Ye Chen, the entrance to the Elf Village, only opens once every thousand years, and only a few people can enter there." Chu Yuechan told Ye Chen that only a few people could enter the Elf village.

Nangong Xiang's words didn't help Ye Chen, Ye Chen became even tenser when he heard that only a few people were allowed into the Elven village.

Ye Chen's chance to get God Slaughter poison will be getting smaller and smaller.

"Ye Chen, you are lucky enough to ask this, as I remember in 2 years the entrance to the hidden Elf Village will open, you can use this to go to the Elf village," Nangong Xiang told Ye Chen the good news.

He told Ye Chen that the entrance to the Elf village would open in 2 years from now.

"Is it true?" Hearing this, Ye Chen felt that he still had a chance to save Ling Yin and Fu Lanling.

"But it won't be easy, surely you will have many rivals who want to go to the Elf village." Nangong Xiang told Ye Chen that there would be many rivals to go to the Elf village.

"Why are there so many people who want to go, do they have their own interests?" Ye Chen asked Nangong Xiang.

"Yes, you could say that people who leave the village of Elves will usually get a very significant increase in strength, this makes it a special attraction for every cultivator in this world." Nangong Xiang told the reason why Ye Chen would have so many competitors when trying to enter the Elf Village.

"It doesn't matter, I can definitely win against all of them." Ye Chen was very confident in his abilities, he was sure that he could win against all competitors.

"Ye Chen, I hate to say this, but with your current strength, it seems like your chances of winning against a competitor are quite small, we are talking about people from God Realm, so there will be many geniuses from all over the God Realm who will gather to join you." can enter the hidden elf village.

"Nangong Xiang said that if this was not as easy as Ye Chen imagined, there would be many geniuses competing to enter the elven village.

"You don't need to worry, there are still 2 years of time left, I really believe that I can get stronger in 2 years," said Ye Chen to Nangong Xiang.

Ye Chen still has 2 years, it is more than enough to get stronger and fight the geniuses of God Realm.

"Master, that is such a good determination." Chu Yuechan fully supported Ye Chen's decision, she completely agreed with the enthusiasm shown by Ye Chen.

Nangong Xiang saw the enthusiasm shown by Ye Chen, it seemed that Ye Chen really wanted to help Ling Yin and Fu Lanling from God Slaughter Poison.

"Alright, I'll tell you where that place is." Nangong Xiang will tell you the place where the entrance to the Elf village is located.

Ye Chen started listening intently to the explanation that came from Nangong Xiang.

"So the place where the entrance of the Elf village is in the Immortal springs forest, and that place is in a star called the Green Star of Life," said Ye Chen to Nangong Xiang.

"Yes, that is the place where the entrance of the Elf Village is, as to whether you are worthy or not to enter the Elf Village, it depends on the abilities you have." Nangong Xiang said to Ye Chen.

"Thank you very much, I will remember this carefully." Ye Chen said that he would remember Nangong Xiang's words well.

Nangong Xiang nodded at Ye Chen, she was happy when she could help Ye Chen solve his problem.

"Ye Chen, what are you going to do with this God Slaughter Poison, are you going to keep it or destroy it?" Nangong Xiang asked about what Ye Chen was going to do with the God Slaughter Poison on the ground.

"It's better if we just destroy it, this thing is so terrible, keeping it will harm us all." Ye Chen didn't want to keep something that could threaten him and the people around him.

God Slaughter poison is a very dangerous poison, just touching it a little can create big problems like this.

"Well if you really want to destroy it, I will support what you do" Nangong Xiang just agreed with what Ye Chen wanted to do.

The God Slaughter poison had made Ling Yin and Fu Lanling in this state, it was not good to keep such a dangerous thing.

Ye Chen intended to use the Heavenly Silver Flame to burn the God Slaughter poison.

Chapter 862 - Throw God Slaughter Poison Into The Abyss

When Ye Chen used the Heavenly Silver Flame to burn God Slaughter poison, he found that the Heavenly Silver Flame had difficulty burning God Slaughter poison.

God Slaughter poison provided a very fierce resistance when burned by the Heavenly Silver Flame.

"Ye Chen, do you need help?" Nangong Xiang intends to offer her own assistance to Ye Chen.

"Please help me" Ye Chen of course accepted the assistance given by Nangong Xiang, there was no way Ye Chen would refuse the assistance given by Nangong Xiang.

Nangong Xiang started to help Ye Chen by using the Heavenly Gold Flame that she had, she began to use the Heavenly Gold Flame to burn God Slaughter poison.

Ye Chen and Nangong Xiang combined their Heavenly Silver Flame and Heavenly Gold Flame.

When the Heavenly Silver Flame and Heavenly Gold Flame were combined, it became a fire that was terrifying enough, it could burn anything it touched to ashes.

With the combination of the Heavenly Silver Flame and Heavenly Gold Flame, the God Slaughter Poison still gave a very fierce resistance.

God Slaughter poison is really very difficult to destroy, even with the combined strength of the Heavenly Silver Flame and Heavenly Gold Flame, this is still not strong enough to destroy God Slaughter poison which looks quite stubborn.

"Master, don't waste your profound energy, you won't be able to destroy that thing in the normal way, you'd better take it and throw it somewhere." Chu Yuechan told Ye Chen not to waste the profound energy he had.

Even if Ye Chen used his Heavenly Silver Flame, it would take quite a long time to completely destroy the God Slaughter poison in front of him.

Rather than wasting time on destroying God Slaughter poison, it would be better for Ye Chen to use the time he had to cultivate and increase his strength.

Hearing Chu Yuechan's words, Ye Chen decided to stop exterminating the God Slaughter Poison, which Chu Yuechan said was absolutely correct, it would be a waste of time to destroy God Slaughter Poison.

It would be better for Ye Chen to start using his time to cultivate and increase his strength.

"Xiang is better if we just stop this, we will waste time if we destroy this thing, we better just throw God Slaughter poison somewhere far from human reach." Ye Chen told Nangong Xiang to throw God Slaughter poison into a place. out of reach of people.

"Looks like it's a very good idea." Nangong Xiang agreed with what Ye Chen said, it seemed like getting rid of the God Slaughter poison would be very difficult to do.

Even after she and Ye Chen combined their Heavenly Flames, they were still struggling enough to destroy the God Slaughter poison.

Because it was decided, Ye Chen began to use his strength to take God Slaughter poison and put it in a special Special bottle.

After putting God Slaughter poison into the Special bottle, Ye Chen then went to find a very remote place to throw this thing away.

God Slaughter poison is an object that is very dangerous, he must not allow this object until it is found by someone and misused again to poison someone.

After a while, Ye Chen found a place that was perfect for him to throw God Slaughter poison.

"Looks like this is a suitable place." The place Ye Chen chose was a deep and dark abyss, it was a very suitable place to cast God Slaughter poison.

Ye Chen threw the Special bottle containing God Slaughter poison into the deep and dark abyss, himself randomly releasing the container containing God Slaughter poison into the abyss.

Since the Special bottle was using was had an extremely complicated seal, it wouldn't break even if thrown into a deep abyss.

"Alright, I have to go back now." After confirming that the God Slaughter poison had been thrown away from the reach of humans, Ye Chen decided to return to his villa and see Ling Yin's condition.

God Slaughter poison was now buried in the abyss, it was quite unlikely that God Slaughter poison could be found by someone.

.

Ye Chen returned to the villa, when he returned to the villa, he found Liu Yue and Mu Lanling who had just returned from somewhere.

"Where did you two just go?" Ye Chen asked where Liu Yue and Mu Lanling had just gone.

"husband", Liu Yue and Mu Lanyin were quite surprised when they saw Ye Chen was already near the two of them.

"So where were you just now?" Ye Chen asked where Liu Yue and Mu Lanyin were from just now.

"We just finished an urgent business," Liu Yue told Ye Chen what the two of them had just done.

"Urgent business? , What is urgent business?" Ye Chen asked what kind of business Liu Yue and Mu Lanyin had just done.

Liu Yue and Mu Lanyin looked at each other when they heard Ye Chen's question, both of them looked confused when answering Ye Chen's question.

Liu Yue and Mu Lanyin didn't seem to want to tell Ye Chen about Yu Ting's problem, both of them better keep this a secret from Ye Chen.

"We just went to try to find an antidote for sister Yin's poison, Liu Yue came up with a sensible reason, she told Ye Chen that the two of them had just been looking for an antidote for Yu Ting.

"Are you two looking for an antidote?, Do you two know about the poison in Liu Yue's body?" Ye Chen asked Liu Yue and Mu Lanyin.

"No, We not know" Liu Yue and Mu Lanyin both shook their heads, they both said that they didn't know the poison that Ling Yin's body had.

"So you two want to lie, tell the truth wherever you are." Ye Chen smelled the scent of lies from Liu Yue and Mu Lanyin, it was clear that the reason Liu Yue said was completely absurd.

Liu Yue was utterly helpless, it seemed the two of them really couldn't hide this from Ye Chen.

"Husband, actually the two of us just sealed someone somewhere." Liu Yue said that the two of them had just sealed someone somewhere.

"Sealing someone? Who did you two seal?" Ye Chen was curious about who Liu Yue and Mu Lanyin were sealing.

"That, she is Yu Ting." Liu Yue told Ye Chen that the two of them had just sealed Yu Ting in a place far from the reach of humans.

"Yu Ting, why did you do that to her?" Ye Chen wanted to know the reason Liu Yue and Mu Lanyin did something like this.

Ye Chen himself still didn't know the depth behind the attack that caused Ling Yin and Fu Lanling to be hit by God Slaughter poison, so it wasn't strange that Ye Chen asked Liu Yue and Mu Lanyin's reasons for doing this to Yu Ting.

"It is because. ..." Liu Yue started explaining the reason why the two of them did something like this to Yu Ting.

Ye Chen was quite angry when he heard what Yu Ting had just said, it was unexpected that the brain behind this mess was Yu Ting.

Ye Chen really couldn't stop thinking about the way of thinking that Yu Ting had, even though Ye Chen had forgotten everything and stayed away from Yu Ting, unexpectedly, the woman was still looking for a problem with Ye Chen.

"Husband, are you angry with what we did?" Mu Lanyin asked if Ye Chen was angry with what the two of them just did.

"No, I'm not angry with that, what you two did right now, it was enough to give Yu Ting the opportunity many times, it's time for her to feel the consequences for his actions." Ye Chen was not angry with what Liu Yue and Mu Lanyin had done, according to Ye Chen, the two of them had done the right thing by sealing Yu Ting in immortal ice.

What Liu Yue and Mu Lanyin were doing could be said to be quite benevolent, the two of them did not immediately kill Yu Ting and instead sealed her in immortal ice that would not melt.

From now onwards, Yu Ting will live alone in a remote place far from humans, Liu Yue and Mu Lanyin have put Yu Ting in a place that is really difficult for someone to find.

"Come in." Ye Chen invited Liu Yue and Mu Lanyin into the villa.

Chapter 863 - Pick Up Mu Nianci At The Frozen Ice Sect

Several days had passed since Nie Nuren and Yu Ting's incidents of attack.

Ling Yin was currently in a very safe place, she would be safe for the time being until Ye Chen could obtain the antidote for God Slaughter poison.

Meanwhile, Zhao Yanyan, Fu Lanling, Zhang Shiyun, Xue Suyin, Nanhua Caiyi, and Ye Xiu had returned from the Kunlun holy land and settled in Ye Chen's Villa.

They all decided to return immediately when they heard the news that Ling Yin's condition was quite bad.

Even Zhang Shiyun and Xue Suyin left their leadership to people they trusted, the two of them could still give orders even though they were quite far from the Kunlun Holy Land.

Currently, Fu Lanling was able to carry out her usual activities, the poison in her body was temporarily suppressed by the seal given by Chu Yuechan.

so Fu Lanling looks normal and can do things as usual.

Meanwhile, Ye Chen spent most of his time cultivating and practicing, he continued to hone his abilities and strengths.

Sometimes when he was free, Ye Chen would do Dual Cultivation together with his women to quickly breakthrough to the Divine Realm realm.

With Ye Chen's efforts, Ye Chen is getting closer and closer to Divine Realm level, maybe in a few weeks, he can break through to Divine Realm Level.

"Husband, do you have time?" Mu Lanyin came to see Ye Chen, he seemed to have a problem to discuss with Ye Chen.

"Wife, What's wrong with you ?" Ye Chen immediately asked about Mu Lanyin's needs.

"Husband, I want to discuss something about my master." Mu Lanyin said that she wanted to discuss Mu Nianci together with Ye Chen.

"What's wrong with Mu Nianci, did something bad happen?" Ye Chen asked if something happened with Mu Nianci.

"master just went back to the Frozen Ice Sect, she said he wanted to stay in the Frozen Ice Sect." Mu Lanyin told Ye Chen that Mu Nianci had gone to the Frozen Ice Sect.

"What is the reason for her doing such a thing, aren't all the women from the Frozen Ice Sect living here in peace?" Ye Chen asked the reason why Mu Nianci left this place.

Even though the women from the Frozen Ice Sect felt comfortable living in Ye Chen's Villa, in fact almost all the women from the Frozen Ice Sect had become Ye Chen's women.

Even Feng Xi, Mu Fei, Murong Xia were getting used to living in this place, so what was the reason Mu Nianci left his villa.

During the move to Ye Chen's Villa, Mu Nianci was only an occasional fairy in her room, she always stayed in her room and spent time cultivating.

Even Ye Chen rarely saw Mu Nianci leave her room.

"Master said that she was not suitable to live in this place, that's why she decided to return to her cave in the Frozen Ice Sect." Mu Lanyin told Mu Nianci's reason for leaving this place, it seems Mu Nianci doesn't like staying at Ye Chen's place.

Moreover, Mu Nianci felt displeasure when she saw female disciples from the Frozen Ice Sect become Ye Chen's women, Ye Chen was a bad influence on women from the Frozen Ice Sect.

Mu Nianci felt that if she stayed too long in Ye Chen's villa, she would be dragged into the whirlpool and could no longer return like a female disciple from the Frozen Ice Sect.

"So what do you want to do, she left because of her own will, so it is quite difficult to make her back," said Ye Chen to Mu Lanyin.

"That's why I'm looking for you, I want you to make the master come back to this place again." Mu Lanyin wanted Ye Chen to bring Mu Nianci back to this place.

Mu Lanyin couldn't possibly allow Mu Nianci to live alone in the ruins of the Frozen Ice Sect building, it wasn't good for Mu Nianci at all.

Ye Chen was a little dizzy when he heard the request from Mu Lanyin, the request from Mu Lanyin was really quite difficult for him.

Mu Nianci is a woman who is much colder than Mu Lanyin, it is quite difficult for Ye Chen to persuade a woman like Mu Nianci.

In addition, Mu Nianci's relationship with Ye Chen was not very good, it could be seen from Mu Nianci's attitude who never once came to see Ye Chen even though he had lived in this villa for a long time.

"Husband, can you do something about it?" Mu Lanyin asked Ye Chen.

Ye Chen couldn't possibly refuse Mu Lanyin's request, he inevitably had to accept Mu Lanyin's request.

"Okay, I will try to bring Mu Nianci back here." Ye Chen promised Mu Lanyin that he would bring Mu Nianci back to this place.

"Thank you very much." Mu Lanyin thanked Ye Chen for accepting her request.

"Okay, then I'll go to follow Mu Nianci." Ye Chen decided to immediately go after Mu Nianci, he would try to bring Mu Nianci back to this villa.

If Ye Chen couldn't use ordinary means to persuade Mu Nianci, then Ye Chen might have to pick up Mu Nianci by force.

A cold woman like Mu Nianci would definitely be very difficult to overcome, Ye Chen had to use a tough approach to persuade a woman like Mu Nianci.

Ye Chen immediately went to the Frozen Ice Sect, he didn't want to waste the time he had, Ye Chen would immediately bring Mu Nianci back to his Villa.

Mu Lanyin saw Ye Chen's departure, she hoped that Ye Chen could persuade Mu Nianci to return to this villa, it would be great if Ye Chen could make Mu Nianci enter the harem.

Mu Lanyin felt very sorry for her Master who had been alone for hundreds of years, if she could have a man like Ye Chen, perhaps Mu Nianci would start changing her overly cold and aloof attitude.

Ye Chen used his full speed to go to the Frozen Ice Sect, in a short time Ye Chen had arrived in front of the ruins of the Frozen Ice Sect.

"Approximately where is Mu Nianci now" Ye Chen began to search for Mu Nianci's whereabouts, he began to use his Spirit Sense to search for Mu Nianci's whereabouts.

When Ye Chen used his Spirit Sense, he could easily spot Mu Nianci's whereabouts.

Mu Nianci was currently in a cave that was a little far from the ruins of the Frozen Ice Sect.

"Eh, what was Mu Nianci doing there?" Ye Chen started to wonder what Mu Nianci was doing at that place.

As far as Ye Chen remembered, the cave Mu Lanyin was in was not the cave Mu Lanyin had previously lived in, it was clear that this was another cave that Ye Chen had never seen before.

Being a little curious about what Mu Nianci was doing in the Cave, Ye Chen decided to go and see in the Cave.

When Ye Chen left and entered the cave, he found that Mu Nianci was kneeling in front of a coffin made of ice.

Seen from any angle, this place was clearly someone's tomb, Ye Chen began to wonder about the owner of this tomb.

"ancestors, forgive me for failing to guard the Frozen Ice Sect, I don't have the face to facing you anymore," Mu Nianci said in front of the coffin made of Ice.

From Mu Nianci's words, it could be seen that this was the tomb belonging to the founder of the Frozen Ice Sect.

Chapter 864 - Persuaded Mu Nianci

"Is this the final resting place of the Frozen Ice Sect's first founder?" Ye Chen started to wonder if this was a final resting place that belonged to the Frozen Ice Sect's first founder.

If you look at this place which only has one icebox, it can be seen that this is the final resting place for the founder of the Frozen Ice Sect.

As a founder of the Frozen Ice Sect, surely this woman would be given a special resting place.

"Master, the person in the icebox is still alive, I can feel it," Chu Yuechan told Ye Chen that the person in the icebox was still alive.

"Huh?.. " Ye Chen was a little confused when he heard what Chu Yuechan just said.

He did not understand what Chu Yuechan meant, how could Chu Yuechan say that the person in the Ice Box was still alive.

Obviously, this is a tomb that is devoted to resting places, it means that the person in the icebox must be gone.

"Master, I didn't lie to you, it looks like the person in the icebox is still alive, it's just that the essence of life is very weak, so it's hard to know," Chu Yuechan told Ye Chen that the person in the icebox was still alive and has a very weak essence of life.

If Chu Yuechan had not been a little more thorough, it was very likely that Chu Yuechan would not have known about this matter.

" Are you sure?" Ye Chen asked Chu Yuechan.

Ye Chen himself still had doubts about what Chu Yuechan said, if indeed the woman who was in the box was still alive, then that meant that all this time she was just sleeping.

"If you really don't believe it, you can use the God Eyes technique you have to see for yourself the woman in the icebox." Chu Yuechan told Ye Chen to take a look at the woman in the box made of ice for yourself.

"Okay, I'll try to see it." Ye Chen would try to look at the woman in the icebox in front of Mu Nianci.

"God Eyes" Ye Chen could instantly see everything, now Ye Chen could see the figure inside the IceBox.

Ye Chen found that in the Ice Box there was a woman who had a very beautiful face, a woman who had long black hair with some decorations on her head.

In addition, this woman was also wearing a white Ice Phoenix outfit that made her look like an innocent fairy who was not tainted by the dirt in this world.

"Wow, the woman inside is beautiful." Ye Chen had to admit that the woman inside the IceBox was very beautiful, this woman could be said to be a fairy who was still innocent and had never been tainted.

"See , your eyes are almost out of place." Chu Yuechan said to Ye Chen in a sarcastic tone.

Ye Chen was currently focused on glaring at the woman who was inside the Ice Box, obviously, Ye Chen didn't blink when he saw the woman who was inside the IceBox.

"Hehehe," Ye Chen chuckled when he heard Chu Yuechan's words.

Ye Chen was speechless when listening to Chu Yuechan's words, from the start Ye Chen was indeed too glaring at the beautiful woman who was in the IceBox.

"Yuechan, do you really believe this woman is still alive, I see that this woman is not breathing," Ye Chen told Chu Yuechan that he did not see the woman in the IceBox breathing.

"If you take a closer look at this woman's body, you will definitely find something interesting." Chu Yuechan told Ye Chen to take a closer look at the woman's body in the IceBox.

"Okay, I'll try it." Ye Chen decided to take a closer look at the beautiful woman's body.

When Ye Chen used God Eyes in more detail, he found a naked body that belonged to a beautiful woman.

Ye Chen's blood started to rise when he saw the perfect body of a beautiful woman who was inside the IceBox.

The beautiful scenery in the Ice Box was a temptation that Ye Chen could not endure.

"Sigh.. , Calm down. "Ye Chen tried to calm himself down, trying to stay calm in a situation like this.

Ye Chen began to look through the skin of beautiful women, when he looked through skin of beautiful women, Ye Chen found that this woman's veins and meridians were still functioning.

Even though the flow of veins and meridians was quite slow, Ye Chen could conclude that this woman was still alive.

"Yuechan, what do you think happened to that beautiful woman?" Ye Chen asked Chu Yuechan about what happened to the woman who was inside the IceBox.

"Hemm, there are several possibilities that could happen, firstly she used a special method to be in hibernation mode, second she was injured and forced into this state, and the last possibility is that this woman has an excess of pure Yinqi so that she has to be in her current state in order to remain. can survive. "Chu Yuechan had several possibilities that might happen.

"Why are there so many possibilities?" Ye Chen asked Chu Yuechan.

"If you really want to confirm her condition, you better get close and see her at close range," Chu Yuechan said to Ye Chen.

Within this distance, Chu Yuechan was still having trouble ascertaining the condition of the beautiful woman who was in the IceBox, so Chu Yuechan could only guess what might happen.

If Ye Chen wanted to confirm the condition of a beautiful woman, Ye Chen couldn't help but get closer.

" Who is that ?" When Ye Chen was discussing with Chu Yuechan, Mu Nianci suddenly turned around and said to Ye Chen.

Ye Chen's and Mu Nianci's eyes met each other, the two of them met face to face.

When Ye Chen and Mu Nianci's eyes met, Mu Nianci suddenly blushed, she looked a little embarrassed when she met Ye Chen.

Mu Nianci still remembered the embarrassing incident she had together with Ye Chen at that time, almost every day this incident continued to flash in Mu Nianci's mind.

This was also one of the reasons why Mu Nianci left Ye Chen's Villa, she didn't want to be in the shadow of an embarrassing incident at that time.

"Ye Chen, what are you doing here, how dare you go to this holy place," Mu Nianci said to Ye Chen in an extremely cold tone.

Mu Nianci very quickly returned her cold image in front of Ye Chen.

Ye Chen became helpless when he saw Mu Nianci who was so cold towards him, this woman was really very troublesome.

Even though Mu Nianci was a very beautiful woman, it was a shame that Mu Nianci was too cold so it was very difficult for Ye Chen to approach.

"I came here to pick you up back to the Villa" Ye Chen told Mu Nianci that he wanted to take her back to the Villa.

"I don't want to go back to that place, you can go and leave me alone." Mu Nianci told Ye Chen to go and leave herself here alone.

Ye Chen sighed when he heard Mu Nianci's answer, as he thought this woman was very difficult to persuade using words.

"Come on, are you going to live in this place alone?" Ye Chen said to Mu Nianci.

"I'm better off living here alone than living at your place," Mu Nianci said to Ye Chen.

Chapter 865 - Kiss Mu Nianci

Ye Chen: "-_-".

Ye Chen was very helpless when he heard Mu Nianci's words, Mu Nianci's words were so piercing, it was as if Mu Nianci didn't need Ye Chen and could live alone.

"Are you sure you don't want to come with me?" Ye Chen said to Mu Nianci.

"I told you that I would never go with a man like you." Mu Nianci refused to come along with Ye Chen.

"If it's like that I will take you by force" Ye Chen said that he would forcibly take Mu Nianci away from this place.

"You dare?" Mu Nianci said to Ye Chen.

"Why not, I will take you back by force, even if I have to use shameless means for that." Ye Chen will definitely bring Mu Nianci back.

"We'll see." Mu Nianci took out her ice sword, she would not remain silent, she would definitely fight Ye Chen.

"Why don't you just be an obedient girl, it will make all of this easier." Ye Chen told Mu Nianci to be an obedient girl.

If only Mu Nianci had been such an obedient girl, it was possible that Ye Chen wouldn't be too inconvenient like this.

"Who are you calling a girl? , I am old enough to be your great grandmother," said Mu Nianci with dissatisfaction.

"Hahaha, who would believe that you are an old woman, you are still beautiful like a woman in 30 years old." Ye Chen laughed when he heard what Mu Nianci had just said.

Mu Nianci is still very beautiful, who would believe that Mu Nianci is hundreds of years old.

Mu Nianci slightly lost her composure when she heard Ye Chen's praise.

Somehow Mu Nianci felt her heart be sweet when she listened to Ye Chen's praise.

"no.. ., no. . ., no. . ., I can't be fooled by the words of this man." Mu Nianci tried to fight against the sweet words spoken by Ye Chen, she must not be ensnared by the sweet words of Ye Chen.

"Your sweet words won't work on me." Mu Nianci told Ye Chen that her sweet words wouldn't be able to make Mu Nianci change her mind.

Ye Chen only smiled when he heard Mu Nianci's words, this woman really couldn't be honest with her own heart.

Ye Chen might have to train Mu Nianci to be honest with her own heart, Ye Chen knew he had to do something to make that happen.

"You better get out of this place right now, before I force you out." Mu Nianci drove Ye Chen away from this place.

Mu Nianci didn't like it when she saw Ye Chen's smile that seemed like he was plotting bad things against her.

"Then why don't you try it." Ye Chen told Mu Nianci to try to expel himself from this place.

"Don't blame me for not warning you from the start." Mu Nianci immediately headed towards Ye Chen, she raised her ice sword to attack Ye Chen.

Seeing Mu Nianci's arrival, Ye Chen began to stretch out his hands, intending to fend off Mu Nianci's attacks using his bare hands.

"slash" Mu Nianci was no joke, she actually cut Ye Chen who was in front of her.

Before Mu Nianci's Ice Sword could cut Ye Chen, Ye Chen had stopped him using his own hand.

It was very easy for Mu Nianci's ice sword to be stopped by Ye Chen's hand.

Ye Chen didn't miss this good opportunity, he stretched his right hand towards Mu Nianci's waist, Ye Chen pulled Mu Nianci's body closer to him.

Mu Nianci's body trembled slightly as Ye Chen hugged her.

"You pervert, hurry up and let me go right now." Mu Nianci tried to rebel, trying to escape Ye Chen's embrace.

It's a shame that the efforts made by Mu Nianci did not successful, she couldn't escape Ye Chen's embrace.

"Mu Nianci, I want to ask you something." Ye Chen whispered in Mu Nianci's ear.

Mu Nianci's body turned hot when Ye Chen whispered in her ear.

"What do you want to ask?" Mu Nianci replied to Ye Chen.

"Your attack was clearly not wanting to hurt me, did you not want to hurt me from the start?" Ye Chen asked Mu Nianci.

"Who says I don't want to hurt you, right now I really want to kill a pervert like you." Mu Nianci immediately denied that she didn't want to hurt Ye Chen.

"You really can't be honest with yourself, it seems like I have to make you honest with yourself." Ye Chen immediately grabbed the veil that was wearing on Mu Nianci's face.

When the veil was removed, Mu Nianci's beautiful and cold face was exposed before Ye Chen's eyes.

No matter how many times Ye Chen saw Mu Nianci, Mu Nianci was clearly a very beautiful woman who rarely existed in this world.

Plus the special body of Mu Nianci's Frozen Glass Heart makes Mu Nianci a very special woman for men who can have it.

Mu Nianci was quite surprised by what Ye Chen was doing, again Ye Chen took off her veil and saw her real face.

"Let go of me now, otherwise I will kill you," Mu Nianci told Ye Chen to let go.

Unfortunately, Ye Chen didn't want to let Mu Nianci go, he started kissing Mu Nianci who was in front of him.

Mu Nianci's eyes widened when she saw herself being kissed by Ye Chen, this was the second time she was kissed by Ye Chen, the feeling of being kissed by Ye Chen was really very pleasant, this could not be described by Mu Nianci.

Mu Nianci's body started to become weak and helpless, the ice sword in her hand started to come loose, Mu Nianci didn't have resistance against Ye Chen.

Ye Chen hurriedly threw the Ice Sword away, he starts using his two hands to hug Mu Nianci's body.

Now that Mu Nianci was completely embraced by Ye Chen, she now couldn't escape Ye Chen's wolf claw.

The normally cold and calm woman-like water started to change when she was in Ye Chen's hand.

Ye Chen and Mu Nianci kissed for approximately 5 minutes, because Mu Nianci was already out of breath, Ye Chen was forced to let go of Mu Nianci.

Mu Nianci felt her body weak, herself helplessly collapsing into Ye Chen's embrace.

Mu Nianci leaned her face and body on Ye Chen, she was completely helpless when kissed by Ye Chen.

Somehow the kiss this time was much more intense than a few months ago, this time the kiss from Ye Chen was so extraordinary that it made her helpless.

Most likely this was because of the Passion Goddess technique used by Ye Chen, Mu Nianci could not withstand the pleasure provided by Ye Chen's increasingly skilled abilities.

"Nianci, you are my woman, you can't run away from that." Ye Chen whispered to Mu Nianci that she had been his woman a long time ago.

According to the rules of the Frozen Ice Sect, every woman who shows her true face to a man, they must either marry or kill that man.

Here Mu Nianci had no choice but to marry Ye Chen, she couldn't possibly kill Ye Chen, her heart couldn't do that.

Mu Nianci did not answer Ye Chen at all, she felt ashamed to admit that she liked Ye Chen.

As the ancestor of the Foren Ice Sect, Mu Nianci could not admit this kind of thing, she still had pride.

Chapter 866 - Nine Exquisite Goddess Body

Mu Nianci didn't know that Ye Chen was such a persistent man, he would definitely make Mu Nianci be honest with himself.

In order to do that, Ye Chen will do all kinds of means.

"Why are you just silent? , don't you want to? " Ye Chen asked Mu Nianci.

Too bad Mu Nianci didn't answer Ye Chen's words, she still refused to admit it.

"Alright, then let's see if you want to talk or not." Ye Chen intended to kiss Mu Nianci back in his arms.

"Stop, stopping, this is the tomb of the ancestors, we shouldn't do something like that here." Mu Nianci immediately stopped Ye Chen, this is the place belonging to the First Ancestor of the Frozen Ice Sect, they shouldn't do something like this in the place of the first ancestor from the Frozen Ice Sect.

"I don't care, if you don't want to say it then don't blame me for doing this." Ye Chen said to Mu Nianci that he wouldn't stop before Mu Nianci acknowledged himself.

Mu Nianci was so helpless, why did she have to meet a man like Ye Chen who confused her.

If only she didn't meet Ye Chen, maybe Mu Nianci could still live her peaceful life.

"Fine, I admit it." Mu Nianci had to admit that Ye Chen was a man worthy of herself.

Even though Ye Chen was a big Pervert, at least he was still a good man.

Ye Chen of course was very happy when he heard this, he was very happy to hear Mu Nianci admit himself.

Ye Chen was quite happy to hear Mu Nianci's words, even though Mu Nianci was still cold and expressionless, at least Mu Nianci had already acknowledged himself.

Ye Chen could definitely change the coldness and indifference that Mu Nianci had towards him.

"Let's get away from this place, you can't interfere with other people's resting places." Mu Nianci invited Ye Chen to leave this place.

This was not a suitable place to live in, the two of them could disturb the calm of the Frozen Ice Sect ancestor.

"Nianci, the woman in the Ice Box is still alive, she is only in hibernation mode." Ye Chen told Mu Nianci that the woman in the Ice Box was still alive.

"What did you say just now?" Mu Nianci showed Ye Chen her shocked face, she couldn't believe what Ye Chen had just said.

Ye Chen again told Mu Nianci that the woman in the Ice Box was still alive.

"Ye Chen, are you trying to trick me, the first ancestor didn't exist thousands of years ago, how could he still be alive, you're making it up" Mu Nianci couldn't believe what Ye Chen said.

According to him, it was absolutely impossible, considering that it had been thousands of years since our first ancestor was buried in this place.

"If you don't believe, let's prove it." Ye Chen intended to prove the words he had just spoken to Mu Nianci.

Ye Chen let go of Mu Nianci, he started walking towards the direction where the Ice Box was placed.

"Wait, what are you trying to do?" Mu Nianci immediately stopped Ye Chen's stupid act.

Of course, it proves my words just now. "Ye Chen said that he wanted to prove his words just now.

"Ye Chen, you don't need to do that, we better just leave this place." Mu Nianci invited Ye Chen to leave this place, she didn't want to nod the resting place of the ancestors who had built the Frozen Ice Sect.

"Nianci, believe me, what I said earlier is true, let's see if we can wake up the woman in the Ice Box ." Ye Chen told Mu Nianci to believe in himself.

Ye Chen couldn't possibly joke about this matter, he didn't like disturbing the resting place of the deceased at the very least.

Mu Nianci saw the seriousness shown by Ye Chen, Ye Chen definitely couldn't possibly lie about a matter like this.

"Are you sure that the first ancestor is still alive?" Mu Nianci asked Ye Chen.

"He's still alive, but I don't know if I can wake her up," said Ye Chen to Mu Nianci.

Ye Chen might be able to confirm that the woman in the Ice Box is still alive, but he can't be sure that he can wake up the beautiful woman in the Ice Box.

"Alright, then let's see." Mu Nianci finally wanted to believe in Ye Chen.

If indeed what Ye Chen said was the truth, then that would be an extraordinary thing.

Ye Chen and Mu Nianci drew closer to the Ice Box, the two of them were now standing right in front of the Ice Box.

"I'll start opening it," Ye Chen told Mu Nianci that he would start opening the lid of this Ice Box.

Mu Nianci nodded, she invite Ye Chen to open the Ice Box in front of her.

Ye Chen started trying to lift the lid from the Ice Box, when Ye Chen tried to open the lid Ice Box, Ye Chen found that this Ice Box was so heavy that he had to use 100% of his strength to move the Ice Box cover.

"Bang" when the cover fell to the ground, the ground underneath immediately cracked and made a sizeable hole.

"What the hell, why is the cover of this thing so heavy" Ye Chen grumbled when he lifted the lid of the Ice Box.

Ye Chen didn't expect that the Ice Box cover would be that heavy.

Mu Nianci was quite surprised when she saw Ye Chen managed to open the lid of the Ice Box, for thousands of years there had never been a woman from the Frozen Ice Sect who could open the lid of this Ice Box.

When the lid of the Ice Box was opened, Mu Nianci saw the figure of a woman who was very beautiful like a Goddess who had descended into this world.

"So beautiful." Mu Nianci was shocked when she saw the beauty possessed by the first ancestor of the Frozen Ice Sect, it was unexpected that the first ancestor would be such a beautiful woman.

Mu Nianci had never seen the figure of the Frozen Ice Sect's first ancestor, she knew very little about the Frozen Ice Sect's first founder from the records left by the predecessors.

"Yuechan, what do you think?" Ye Chen asked Chu Yuechan's opinion regarding the woman in front of him.

"Master, this woman owns the Nine Exquisite Goddess Body." After closely observing Chu Yuechan, she could confirm that this woman in front of her was the owner of the Nine Exquisite Goddess Body.

"What is that?" Ye Chen asked Chu Yuechan.

Ye Chen did not know at all about the Nine Exquisite Goddess Body that Chu Yuechan had just said.

"It was a special body that belonged to the goddess of beauty in the past, it could be said that a woman who had this body was destined to become a peerless woman, even the beauty of Nangong Xiang and Dongfang Xiu could be defeated by this woman." Chu Yuechan began to explain to Ye Chen about the Nine Exquisite Goddess Body

The goddess of beauty is a woman who has incomparable beauty in the God Realm, it is said that only the goddess Shen Niang is able to compete with the beauty possessed by the goddess of beauty.

"Really?" Ye Chen could hardly believe what Ye Chen said, it was unexpected that the first founder of the Frozen Ice Sect would have such a special body.

Mu Nianci's Special Body alone made Ye Chen shocked, unexpectedly that the woman who founded the Frozen Ice Sect also had a Special body that was extremely rare in this world.

Chapter 867 - Ye Chen Started To Break Through

"Besides that, the owner of this body also has an ability that can make the user cultivate very quickly without any obstacles." Chu Yuechan began to tell Ye Chen about the greatness of Nine Exquisite Goddess Body.

"Then what is the reason for this woman to be in this condition?" Ye Chen asked what was the cause of this woman in her current state.

"It's probably because the Yin Qi in this woman's body is unstable." Chu Yuechan was beginning to be able to make a definite conclusion from the condition of the beautiful woman who was in the Ice Box.

"Is it because of her cultivation?" Ye Chen asked Chu Yuechan.

"It could happen, there are so many possibilities for that, it could be because of the Nine Exquisite Goddess Body that makes this woman the advantage of Yin Qi, you know that Nine Exquisite Goddess Body is almost the same level as the owner of the primordial Yin Body." Chu Yuechan started lectured Ye Chen with words that were complicated and a little difficult to understand.

Luckily Ye Chen was smart, so he could understand what Chu Yuechan was talking about.

"So to wake up this woman, all we need to do is stabilize the Yin Qi she has," said Ye Chen to Chu Yuechan.

"Yes, you can try it first," Chu Yuechan told Ye Chen to try it first.

"Fine, I'll try." Ye Chen would try what Chu Yuechan said, he would try to absorb the Yin Qi of the Frozen Ice Sect's first ancestor.

Ye Chen started extending his hand towards the woman in front of him.

"Ye Chen, what are you trying to do?" Mu Nianci immediately stopped what Ye Chen was trying to do.

Mu Nianci forbade Ye Chen to touch the body that belonged to the Frozen Ice Sect's first ancestor.

"I want to try to wake her up." Ye Chen told Mu Nianci that he intended to wake the Frozen Ice Sect's first ancestor.

"How do you do it?" Mu Nianci asked Ye Chen, she wanted to know how Ye Chen had awakened the Frozen Ice Sect's First Ancestor.

Ye Chen began to tell Mu Nianci the way he had, he told Mu Nianci that he would try to absorb and stabilize the Yin Qi in this woman's body.

"Is there no other method but to touch it?" Mu Nianci asked Ye Chen.

"Of course, other methods that can be used are.. .", Ye Chen whispered in Mu Nianci's ear in a voice that was like a mosquito.

Mu Nianci's face was stiff when she heard what Ye Chen just said.

"You can't do that." Mu Nianci immediately scolded Ye Chen for wanting to do something shameless to the Frozen Ice Sect's First Ancestor.

"So how can I still not use the first method, or should I use the second method that I said before," asked Ye Chen to Mu Nianci.

"You can use the first method, but remember not to take the opportunity to do something bad to the first ancestor." Mu Nianci warned Ye Chen not to take an opportunity to do something bad to the Frozen Ice Sect's first ancestor.

"Okay, I understand." Ye Chen nodded at Mu Nianci, he wouldn't do anything bad to this woman.

Ye Chen began to stretch out his hands towards the woman in front of him, he began to touch this woman's body.

Mu Nianci turned her eyes to the side, Mu Nianci not wanting to see what Ye Chen was doing to the Frozen Ice Sect's first ancestor.

According to Mu Nianci what Ye Chen was doing was quite embarrassing for her to see with her own eyes.

Ye Chen began to focus on the woman's body in front of him, he began to try to absorb the Yin Qi of the woman in front of him.

When Ye Chen absorbed this woman's Yin Qi, he found that this woman's Yin Qi was very pure, if Ye Chen could harvest this woman's Yin Qi then it was certain that Ye Chen could immediately rise to the Divine Realm realm.

It's quite a shame that Ye Chen couldn't do that, if he did something like that in front of Mu Nianci, then the reputation he had would be destroyed in front of Mu Nianci.

Ye Chen focused on absorbing the Yin Qi that this woman had, he tried to absorb this woman's Yin Qi as fast as possible.

Even though Ye Chen had used the maximum speed he could use, it was still very slow compared to conducting a direct Dual Cultivation session.

That meant that Ye Chen had to be a little patient in this process.

Time began to run very quickly, it didn't feel like 1 day was quickly passing. until now Ye Chen still hasn't finished absorbing the Yin Qi of the beautiful woman in front of him.

It could be seen that this woman's accumulated Yin Qi was too much, if only this had been a normal woman, they would have died long ago due to the effect of this excess Yin Qi in this amount.

On the other side, Mu Nianci continued to be beside Ye Chen, she continued to accompany Ye Chen in this place.

Apart from accompanying Ye Chen, Mu Nianci was also in charge of guarding Ye Chen against doing anything bad to the Frozen Ice Sect's first ancestor.

In her heart, Mu Nianci began to wonder if Ye Chen could really bring the first ancestor back to her senses, this was quite impossible to do considering that the first ancestor had lived thousands of years ago.

When Mu Nianci started questioning Ye Chen, suddenly the eyelashes belonging to the Frozen Ice Sect's first ancestor trembled slightly.

This little thing did not escape Mu Nianci's watch, Mu Nianci could see that the eyelashes belonging to the first ancestor of the Frozen Ice Sect were slightly trembling.

"Is Ye Chen really not lying?" Seeing this amazing incident, Mu Nianci began to believe what Ye Chen said.

It seems that what Ye Chen said is the truth, the first ancestor is still alive.

Ye Chen didn't have time to see what was going on, he was too focused on absorbing the Yin Qi belonging to the Frozen Ice Sect's first ancestor.

Time is running out, it doesn't feel like 2 days have passed again very quickly, in these two days Ye Chen has never had the slightest rest, he is too focused to absorb the Yin Qi belonging to the Frozen Ice Sect's first ancestor.

Here Ye Chen got quite a benefit, which was why Ye Chen didn't want to stop absorbing the Yin Qi belonging to the Frozen Ice Sect's first ancestor.

What Ye Chen was doing right now was the same as he had been practicing for several weeks.

The pure Yin Qi of the Frozen Ice Sect's first ancestor was so good for Ye Chen, Ye Chen felt that he would soon break through to the first level of Divine Nascent Realm.

After feeling like he had sufficiently absorbed the Yinqi belonging to the first ancestor of the Frozen Ice Sect, Ye Chen decided to immediately use this Yinqi to break through to the Divine Nascent Realm realm.

"Nianci, I will break through, please protect me," Ye Chen said to Mu Nianci that he would immediately break through.

"Huh?" Mu Nianci was quite surprised when she heard that Ye Chen was about to break through, she did not expect Ye Chen to break through just from touching the Frozen Ice Sect's First Ancestor.

Ye Chen started to sit cross-legged and closed his eyes, himself starting to focus on breaking through.

Mu Nianci could only watch Ye Chen from afar, she only saw Ye Chen who was break through.

"Rustling" from behind, Mu Nianci heard a sound rustling.

Mu Nianci immediately turned her head to see the origin of the voice in Behind.

Chapter 868 - Ye Chen Kissed Sleeping Beauty

When Mu Nianci looked back, she found that the body of the First Ancestor was trembling quite strangely enough.

Seeing this, Mu Nianci immediately went to see what was going on.

When Mu Nianci took a closer look at the First Ancestor, she found that the First Ancestor's body was emitting a chilly air.

The approaching Mu Nianci felt chills in her body, this chill was really so cold that it made Mu Nianci who was an Ice cultivator feel chills.

"Hey Ye Chen, what happened to the ancestors?" Mu Nianci asked Ye Chen about the oddity that had happened to the Frozen Ice Sect's first ancestor.

Too bad Ye Chen couldn't answer Mu Nianci's question, Ye Chen was currently too focused on breaking through, he couldn't be bothered at this important stage.

Mu Nianci was confused about what to do in a situation like this, she didn't know the condition of the Frozen Ice Sect's first ancestor at all.

If she did something wrong, then Mu Nianci could make a loss to the Frozen Ice Sect's first ancestor.

Inevitably Mu Nianci had to wait for Ye Chen to finish making a breakthrough.

The cold air began to spread very quickly, this cold air began to fill this cave.

Mu Nianci couldn't help but retreated to Ye Chen's side, sitting right beside Ye Chen.

For some reason Mu Nianci felt that Ye Chen's side was much warmer than anywhere else, so when she was on Ye Chen's side, Mu Nianci did not feel a sharp chill.

Since Ye Chen had inherited the power of the Sage God, the cold air released by the Frozen Ice Sect's first ancestor couldn't affect Ye Chen.

Mu Nianci could still be safe as long as she remained by Ye Chen's side, she would not be affected by the cold as long as she was beside Ye Chen.

The cold air became more and more extreme, this place was quickly covered by an ice that was very thick.

If only Mu Nianci was not beside Ye Chen, Mu Nianci would most likely be turned into an Ice statue by this cold air.

"Ye Chen, hurry up." Mu Nianci expected Ye Chen to quickly break through, only Ye Chen could save them from the current situation.

Ye Chen was still in the process of making a breakthrough himself and was trying hard to break through to the Divine Realm realm.

"BOOM" Ye Chen finally broke through to the first level of the Divine Nascent Realm.

After completely breaking through to the first level of the Divine Nascent Realm, Ye Chen opened his eyes.

Ye Chen began to grasp his hands, he was trying to test his strength after breaking through to the first level of the Divine Nascent Realm.

"So this is Divine Nascent Realm first level," Ye Chen said in his heart.

Somehow Ye Chen felt so different from just a moment ago, Ye Chen felt that his body and soul had become very strong.

"Master, congratulations on breaking through to the first level of the Divine Nascent Realm." Chu Yuechan congratulated Ye Chen on breaking through to the first level of the Divine Nascent Realm.

Now Ye Chen has gone one step further to walk the path of becoming a god who will shake this world.

"Hehehe, thank you very much" Ye Chen was grateful for the words given by Chu Yuechan, this was all thanks to Chu Yuechan who had made Ye Chen to this level.

If only Chu Yuechan had not been beside Ye Chen, maybe Ye Chen would not have arrived at this stage.

"Ye Chen, you finally wake up, hurry up and do something about the first ancestor's condition." Mu Nianci immediately told Ye Chen to do something on the condition of the first ancestor of the Frozen Ice Sect.

"Huh?" Ye Chen was confused by what Mu Nianci had just said, he began to look at the Frozen Ice Sect's first ancestor.

When Ye Chen looked at the Frozen Ice Sect's first ancestor, Ye Chen saw that around the Frozen Ice Sect's first ancestor's body, there was a cold air that filled the entire room.

"What happened?" Ye Chen had absolutely no idea what was going on, why the body of the Frozen Ice Sect's first ancestor had become like this.

"Master, it looks like this woman is unconsciously releasing her power, no matter where you look, this woman is still trapped in her dreams." Chu Yuechan told Ye Chen what was happening right now.

It seems that the Frozen Ice Sect's first ancestor unconsciously emitted a defensive aura from the enemies around her, this was a normal reaction because this woman was still trapped in her long dream.

"Oh, is that so, then all we need to do is just bring her to her senses," said Ye Chen to Chu Yuechan.

"You are absolutely right, all you need to do is revive it by stimulating it." Chu Yuechan told Ye Chen to awaken the first ancestor of the Frozen Ice Sect by stimulating her.

"How?" Ye Chen asked Chu Yuechan.

"Master, you must be more proficient at this matter than me, you can use the way you normally do to stimulate someone to wake up." Chu Yuechan told Ye Chen to use all means to stimulate this beautiful woman to wake up from her sleep.

"Okay, I understand." Ye Chen understood very quickly what he had to do.

"Nianci, may I know the name of the Frozen Ice Sect's first ancestor?" Ye Chen asked about the name of the first ancestor of the Frozen Ice Sect.

"The first ancestor's name is Mu Xueying." Mu Nianci told Ye Chen the name of the first ancestor of the Frozen Ice Sect.

It turned out that the name of the first ancestor who had founded the Frozen Ice Sect was Mu Xueying.

"Mu Xueying." Ye Chen muttered the name that was owned by the beautiful woman who was in front of him, it turned out that this woman's name was Mu Xueying.

according to Ye Chen, the name of the first ancestor of the Frozen Ice Sect was very beautiful, she was exactly the same as the figure of a goddess who descended from the sky.

"Okay, I'll try to wake her up." Ye Chen said that he would try to wake Mu Xueying from the long sleep she had been through for thousands of years.

Ye Chen started walking towards Mu Xueying, Ye Chen quickly arrived in front of Mu Xueying's body.

Ye Chen began to wonder what he should do to wake Mu Xueying.

Actually, Ye Chen had a lot of methods that he could use to wake Mu Xueying up, unfortunately that method was quite extreme, surely Mu Nianci would be very much against the method Ye Chen was going to use.

"Fine, I will try to call her name, who knows she can wake up this way." Ye Chen tried to call out Mu Xueying's name, maybe this could successfully wake Mu Xueying up from her Dream.

"Mu Xueying, Mu Xueying, Mu Xueying" Ye Chen whispered right into Mu Xueying's ear, he tried several times to do this.

When Ye Chen did this, he found that there was no reaction in Mu Xueying's body, it could be seen that this method was not effective enough to wake Mu Xueying.

"Master, are you playing around, Do something more stimulating." Chu Yuechan scolded Ye Chen who seemed to be playing around.

Chu Yuechan told Ye Chen to be more serious in waking Mu Xueying.

"Yuechan, behind there is Nianci, if I do something bad that woman will definitely be angry" Ye Chen told Chu Yuechan the reason he did this.

"Actually, you are a man or a coward, why should you be afraid of Mu Nianci, be your usual self." Chu Yuechan told Ye Chen to be his usual self.

Chu Yuechan's words were quite piercing for Ye Chen, This was very prickling for Ye Chen.

Ye Chen did not accept when he was treated like this by Chu Yuechan, he did not want to be called a coward by Chu Yuechan.

Ye Chen started to bring his face closer to Mu Xueying, he started kissing Mu Xueying's lips.

What Ye Chen was doing was like a prince kissing a sleeping princess.

Mu Nianci who was behind gasped when she saw what Ye Chen was doing, she couldn't believe that Ye Chen would do something like that.

Chapter 869 - Mu Xueying Wake Up

Ye Chen actually kissed Mu Xueying who was unconscious.

Mu Nianci wanted to stop Ye Chen's actions that had crossed the line.

Mu Nianci's heart felt bad when she saw Ye Chen kissing Mu Xueying, I don't know if this was because Mu Nianci was jealous when she saw Ye Chen kissing Mu Xueying.

Mu Nianci headed towards Ye Chen, intending to stop what Ye Chen was doing to Mu Xueying.

Just before Mu Nianci intended to stop Ye Chen, the cold air in this room suddenly disappeared, the temperature in this room returned to normal as before.

This discovery made Mu Nianci surprised, "Did Ye Chen method just now succeed in awakening the first ancestor?" Mu Nianci began to wonder if Ye Chen's method of kissing had managed to wake Mu Xueying from her long sleep.

Looks like Ye Chen's method worked, with very slow movements once Mu Xueying started to open her eyes.

When Mu Xueying opened her eyes, she found Ye Chen's face right in front of her.

Ye Chen looked at Mu Xueying, who had come to her senses, couldn't help but have to end the kiss she was doing.

Mu Xueying's lips were so soft and so delicious, Ye Chen was a little reluctant to let go of Mu Xueying's lips.

Ye Chen and Mu Xueying looked at each other, Mu Xueying looked confused when she saw a very handsome young man appear before her eyes.

Mu Xueying had just woken up from a long sleep for thousands of years, there must be a little confusion in her mind.

Mu Xueying looked quiet about when she found out that Ye Chen had just kissed her.

If these were replaced by normal women, they would definitely scream when they were kissed by a man they didn't know.

Mu Xueying started to wake up from the ice box she was in, Mu Xueying was currently sitting on top of the ice box.

"Was it you who woke me up?" Mu Xueying asked Ye Chen, she wanted to know whether Ye Chen was the one who had awakened herself from her long sleep for thousands of years.

Mu Xueying stared at Ye Chen with an extremely profound gaze, it was as if this gaze could unearth whatever secrets the opponent had.

"Yes, I did it." Ye Chen said that he was the one who had awakened Mu Xueying.

At first Ye Chen was quite nervous about the gaze that Mu Xueying had, Mu Xueying's gaze was so deep that it made Ye Chen stay wrong.

"I see, thank you very much for waking me up from my long sleep, I owe you a lot." Mu Xueying thanked Ye Chen who had awakened herself from a long sleep for thousands of years.

if only Ye Chen had not come and absorbed her Yin Qi, Mu Xueying would probably have remained in this Ice Box indefinitely.

Ye Chen couldn't say much to Mu Xueying, Mu Xueying's tone was quite indifferent to him.

Mu Xueying was not like the woman from the Frozen Ice Sect who acted coldly towards men, Mu Xueying was more towards a man indifferent.

"You're welcome." Ye Chen answered Mu Xueying's words.

Luckily, Ye Chen was used to an indifferent woman like Mu Xueying, so she didn't have too much trouble talking to Mu Xueying.

"Ancestor, Mu Nianci's younger generation salutes you." Mu Nianci immediately knelt in front of Mu Xueying, herself saluting Mu Xueying who had just come to her senses.

Mu Nianci was quite happy when she saw Mu Xueying really come back to life.

If this was discovered by the female disciples of the Frozen Ice Sect, they would all be shocked to see the founder of the Frozen Ice Sect alive.

Mu Xueying shifted her gaze from Ye Chen towards Mu Nianci.

Mu Xueying saw that Mu Nianci was wearing the set of plain white clothes that belonged to the Frozen Ice Sect.

"You're a member of the Frozen Ice Sect?" Mu Xueying asked if Mu Nianci was a member of the Frozen Ice Sect.

"Yes, I am a member of the Frozen Ice Sect, to be more precise I am a former Sect Master." Mu Nianci introduced herself in detail to Mu Xueying.

Mu Xueying nodded to Mu Nianci, she didn't expect the Frozen Ice Sect to still exist even though thousands of years had passed.

"Come here." Mu Xueying told Mu Nianci to come closer to her.

Mu Nianci obediently drew closer to Mu Xueying, herself standing inches away from Mu Xueying.

Ye Chen looked at Mu Nianci, he had never seen Mu Nianci become so obedient as she is now, it seemed that Mu Nianci had a lot of respect for Mu Xueying as her superior.

Mu Xueying stretched out her hand towards Mu Nianci's forehead, a blue light appeared on Mu Xueying's finger that was used to touch Mu Nianci.

When Mu Xueying did this, some very detailed information entered into her memory.

This information must have come from the memories of all the Sect Masters who once led the Frozen Ice Sect.

Mu Nianci is a former Sect Master, she certainly still has memories that belonged to some of her predecessors in the past.

After obtaining the memories from Mu Nianci, Mu Xueying now knew everything that had happened.

"I didn't expect that the Frozen Ice Sect would deviate far enough from the time I first formed it." Mu Xueying did not expect that the Frozen Ice Sect would deviate far enough from the time she first founded this Sect.

"Ancestor, forgive the younger generation for not being able to properly guard the Sect." Mu Nianci immediately apologized to Mu Xueying.

Mu Nianci of course knew what Mu Xueying was talking about right now, it seemed that Mu Xueying was offending about the women from the Frozen Ice Sect who had completely become Ye Chen's women.

"Do you know the mistake you have done?" Mu Xueying asked Mu Nianci.

"The younger generation certainly knows the mistakes that have been made." Mu Nianci of course knew the mistakes she had made.

"Then do you know what you have to do to make up for that?" Mu Xueying asked Mu Nianci.

"Of course." Mu Nianci of course knew what she had to do to make up for that.

"It's good if you know now do it." Mu Xueying said to Mu Nianci.

Mu Nianci looked at Ye Chen who was behind her body, Mu Nianci didn't know whether she should do this or not.

She can't do something like that because it feels pretty hard to do.

"Sorry ancestors, it seems I can't do it." Mu Nianci said that she couldn't do what Mu Xueying ordered.

"What do you mean, isn't that a very easy thing to do," Mu Xueying said to Mu Nianci.

"But ancestors, I like him, so I can't do that," Mu Nianci said to Mu Xueying.

Mu Nianci liked Ye Chen, herself unable to kill Ye Chen.

Mu Xueying: "-_-"

"You don't really know what I'm saying?" Mu Xueying said to Mu Nianci.

"Huh?" Mu Nianci looked confused at Mu Xueying's words, she did not understand what Mu Xueying was really talking about.

"I'm talking about the Sect's rules that have been changed arbitrarily" was actually talking about the Sect rules that the Frozen Ice Sect leader had changed to become what they are today.

Chapter 870 - Conversation With Mu Xueying

It seemed that Mu Nianci had misunderstood what Mu Xueying was talking about, Mu Nianci initially thought that Mu Xueying was offending the relationship she had with Ye Chen.

It was unexpected that Mu Xueying was discussing the Frozen Ice Sect's rules that had strayed far from the start of her founding the Sect.

"Ancestor, please explain in more detail, the younger generations don't know what you are talking about." Mu Nianci really did not understand what Mu Xueying was referring to.

That was why Mu Nianci wanted Mu Xueying to explain more clearly what she had previously meant.

"I'm talking about a rule that prohibits relations between a woman from the Frozen Ice Sect and an outsider, that rule is the same as a rule that restricts the freedom a person has." Mu Xueying told Mu Nianci about a rule that she thought was inappropriate for taking away freedom owned by a woman.

In the past, Mu Xueying made the Frozen Ice Sect for the abode of neglected and persecuted women, this Sect should be able to gain their freedom to do whatever they have.

Hearing this, Mu Nianci finally understood what Mu Xueying was talking about.

It turned out that Mu Xueying was alluding to the matter of the rule prohibiting women from the Frozen Ice Sect from contacting people from the outside world.

"Ancestor, I really don't know anything about that matter, I only preserve the rules that came from the predecessors only." Mu Nianci did not know about the matter at all, she only followed the rules made by the previous ancestors.

"I also know that you don't know this, now you know about this matter, so I hope you can clear this matter." Mu Xueying hoped that Mu Nianci could remove this rule from the Frozen Ice Sect.

"Very well, I will do what the ancestors said." Mu Nianci will obey what Mu Xueying said, she will carry out the orders Mu Xueying gave her.

"It's good if you understand, I hope the Frozen Ice Sect can return to how it used to be." Mu Nianci hopes that the Frozen Ice Sect can return to how it used to be.

Let the women have their freedom, they can do whatever they want as long as it's not out of bounds.

Mu Xueying turned her gaze towards Ye Chen, Mu Xueying looked back at Ye Chen with a very deep gaze.

"So you are Ye Chen, I never thought you managed to get almost all the women from the Frozen Ice Sect, you are indeed something." Mu Xueying said to Ye Chen who was in front of her.

Since Mu Xueying had obtained Mu Nianci's memory, she naturally knew a little about Ye Chen's problems.

Ye Chen actually got all the women from the Frozen Ice Sect, it was quite a shock for Mu Xueying.

"Hehehe, Miss praises me too much." Ye Chen rubbed his nose, not expecting Mu Xueying to praise him.

Mu Xueying started to get up from her Ice bed, she started to stomp her feet on the ice floor.

When Mu Xueying put her feet on the floor, she found that her feet felt soft, this was probably due to the effect of her being asleep for a long time, it was affecting Mu Xueying's body.

With a little bit of effort, Mu Xueying finally got used to walking on the floor again.

Mu Xueying started walking towards Ye Chen, herself now standing right in front of Ye Chen's body.

Mu Xueying started to take Ye Chen's wrist, she began to feel Ye Chen's body.

Ye Chen was confused by what Mu Xueying was doing, he didn't know what Mu Xueying was trying to do to him.

Mu Nianci was just as curious as Ye Chen, she wanted to know what Mu Nianci was trying to do to Ye Chen.

A few moments later Mu Xueying opened her eyes, she now knew a little about Ye Chen.

"It is only fitting that your luck with Many women, so you have an ancient (Yang) body." Mu Xueying finally understood the reason for the increase in strength experienced by the female disciples of the Frozen Ice Sect who had become Ye Chen's woman, it turned out that the reason they were able to rise so quickly was that Ye Chen is the possessor of ancient (Yang) body.

The possessor of the ancient (Yang) body was destined to be with women, if they did not do that then there was one possibility, namely death for the owner of this body.

If Ye Chen's ancient (Yang) body was published to God Realm, there would definitely be countless women targeting Ye Chen for their own benefit.

The temptation that came from the benefits of the ancient (Yang) body could not possibly be resisted by the beautiful women and goddesses of the God Realm, they would definitely use Ye Chen as a personal furnace to simply increase their strength.

Ye Chen can be a tool used by women to increase the strength they have.

If that happened, it would be quite terrifying for Ye Chen, just imagine Ye Chen being chased by millions or maybe even hundreds of billions of women from God Realm, that would definitely be very funny to see.

"How do you know that easy?" Ye Chen was quite surprised when he saw Mu Xueying know that he had an ancient (Yang) body, even though Ye Chen did not do anything that might expose his ancient (Yang) body to Mu Xueying.

"It's because I have Nine Exquisite Goddess Body, so I can easily feel your special body." Mu Xueying told Ye Chen the reason why she could easily know Ye Chen's Ancient (Yang) body.

Mu Xueying possessed Nine Exquisite Goddess Body, Ye Chen's Ancient (Yang) body would be useful enough for her to overcome the excess Yin Qi that was attacking him.

This is good news for Mu Xueying, now Mu Xueying can practice without thinking that her Yin Qi is unstable.

The reason Mu Xueying was forced into a long sleep state for thousands of years, was because her Yin Qi was unstable because it could harm her, Mu Xueying had no choice but to sleep in the ice box to continue to live.

Ye Chen didn't expect that the reason Mu Xueying found out about his Special body was because of such a thing.

Mu Xueying was smarter than Ye Chen thought, in addition, Mu Xueying was very complicated, it was almost the same as Zhao Yanyan's thought which was hard to guess.

"Let's go out." Mu Xueying invited Ye Chen and Mu Nianci to leave this place.

It had been a long time since Mu Xueying had a breath of fresh air, she wanted to try to breathe in the fresh air that was outside.

Without waiting for the answer from Ye Chen and Mu Nianci, Mu Xueying started walking towards the exit.

Ye Chen and Mu Nianci looked at each other when they saw what Mu Xueying was doing.

"Nianci, This female is quite complicated to understand, was the first founder of the Frozen Ice Sect really like this?" Ye Chen asked Mu Nianci.

"I also didn't know that the first ancestor would become like this, this is far from the image I have." Mu Nianci was the same as Ye Chen, she did not expect that Mu Xueying would become like this.

Mu Nianci thought that Mu Xueying would become a woman that was much colder and heartless than her, but Mu Xueying pointed out that she was a mysterious and difficult woman to understand.
