

Chapter 881 - Treating Mei Yueli's Wounds That Were Getting Worse (1)

Mei Yueli is really very strange, why do women become creatures that are so difficult to understand, this makes Ye Chen feel dizzy.

"Why are you still here, hurry and leave right now" Mei Yueli ordered Ye Chen to immediately leave this place.

" Fine.. ." Ye Chen had no choice, he immediately left this room.

After all, Ye Chen's original intention was to meet Xia Qingyu, so now Ye Chen will go see Xia Qingyu.

Ye Chen left this room, himself went in the same way as when he entered this room, Ye Chen used the window as an exit.

Mei Yueli turned around to see if Ye Chen had really left this room, after confirming that Ye Chen left this room, Mei Yueli felt very relieved.

"Sigh.. ., what happened just now, why I don't feel scared when I touch Ye Chen? " Mei Yueli began to wonder why she didn't feel afraid when she came into contact with Ye Chen.

This was the first time Mei Yueli felt fearless around a boy.

Mei Yueli was so confused by this, she began to wonder what really happened to her.

"Cough.. ., "While Mei Yueli was thinking about the problem just now, suddenly Mei Yueli coughed in a voice that looked quite painful.

Mei Yueli used her hands to cover her cough so as not to be heard by the people outside.

When Mei Yueli looked at her palms, she found that there was blood on her palms.

"Looks like my wound is getting worse." Mei Yueli's wound seemed to be getting worse, you can see that Mei Yueli's wound is getting worse.

Several days ago Mei Yueli ignored Ye Chen's warnings not to fight, as a result Mei Yueli's wounds became even more severe than before.

Even though Mei Yueli's condition had initially improved, due to her own actions, the wounds she had had gotten worse.

Mei Yueli started rubbing the blood on her hands and mouth, after she finished cleaning the blood, Mei Yueli started to take a change of clothes for herself.

Mei Yueli started to change into a new one, there was no way Mei Yueli would come out wearing just the coat that Ye Chen gave her.

.
. .
.

Meanwhile, Ye Chen was now sneaking downstairs, searching himself for the existence of Xia Qingyu who was downstairs.

Xia Qingyu was currently in the guest room, it could be seen that Xia Qingyu was reviewing some important documents belonging to Ye Chen's company.

Xia Qingyu looked very serious when reviewing documents, she seemed very focused on the documents on the table.

Seeing this, Ye Chen wanted to give Xia Qingyu a little surprise.

Ye Chen started sneaking towards Xia Qingyu's side, with the skills that Ye Chen had, Ye Chen could easily get behind Xia Qingyu.

Ye Chen stretched out his arms to embrace Xia Qingyu from behind.

Xia Qingyu was shocked when she sensed someone was hugging her from behind, Xia Qingyu immediately gave a resistance when she saw a stranger hugging her.

Xia Qingyu slammed Ye Chen behind her body, Xia Qingyu was a cultivator, so it wasn't strange that Xia Qingyu could now fight back when someone had evil intentions on her.

"Bang.. !" Xia Qingyu slammed Ye Chen right on the table in front of her, the table in front of Xia Qingyu instantly shattered into pieces.

Ye Chen was easily slammed by Xia Qingyu, Ye Chen did not put up a fight when he was slammed by Xia Qingyu.

Ye Chen was quite surprised when he saw Xia Qingyu was very reliable when he slammed himself, it seemed that Xia Qingyu was really good at defending himself.

"Qingyu, why are you slammed me" Ye Chen complained to Xia Qingyu who slammed himself.

"Ye Chen, how could that be you, I thought earlier was a flower thief" Xia Qingyu looked surprised when she saw that the person she slammed just now was Ye Chen.

Xia Qingyu really didn't expect Ye Chen to be the one who would embrace her.

Xia Qingyu still thought that Ye Chen was still not in this city, so it wouldn't be strange for Xia Qingyu to think of Ye Chen as a flower thief.

Ye Chen got up from the floor, he again trying to hug Xia Qingyu who was in front of him.

This time Xia Qingyu didn't fight back like before, she was quite obedient when she was hugged by Ye Chen.

"Qingyu, so you thought I was a flower thief?" Ye Chen asked Xia Qingyu.

"Of course, who told you to sneak into this house" Xia Qingyu said to Ye Chen.

"If you really think I am a flower thief, then I will become what you want" Ye Chen suddenly started kissing Xia Qingyu who was in his arms.

"Umm.. ." Xia Qingyu was a little surprised by Ye Chen's sudden invasion, Ye Chen was really too brave to do this.

Xia Qingyu tried to push Ye Chen away, she didn't want to do something like this in an open place like this.

This is the living room, where someone could come and see what the two of them were doing.

Ye Chen didn't really care about this, he greedily kissed Xia Qingyu who was in front of him.

Xia Qingyu was the owner of a pure Yin body, so it wasn't strange that Ye Chen wanted to be close to Xia Qingyu.

Xia Qingyu's pure Yin Qi was an attraction in itself for Ye Chen.

Ye Chen and Xia Qingyu kissed for almost 15 minutes, Xia Qingyu, who initially refused, began to sink into the kiss that was shared with Ye Chen.

"Ehemm. . ." When Ye Chen and Xia Qingyu were busy kissing, suddenly someone coughed at the two of them.

Hearing that someone was bothering them, Ye Chen and Xia Qingyu immediately separated.

The two of them looked at the origin of the sound, when Ye Chen and Xia Qingyu looked at the origin of the sound, they both found that Mei Yueli was standing right in front of the steps.

Mei Yueli while crossing her arms under her double crest, Mei Yueli looked dissatisfied when she saw what Ye Chen and Xia Qingyu were up to.

From the expression shown by Mei Yueli, Mei Yueli looked a lot like a woman who was jealous when she saw her husband making out with another woman.

"Sister Yueli, when were you there?" Xia Qingyu asked since when had Mei Yueli been here.

"I was just here about 5 minutes ago" Mei Yueli told Xia Qingyu that she had been here since 5 minutes ago.

That means Mei Yueli saw all the scenes Ye Chen and Xia Qingyu did.

Xia Qingyu's face turned red when she heard this, Mei Yueli had actually seen the embarrassing scene she had together with Ye Chen.

On the other side, Ye Chen looked very relaxed when he saw Mei Yueli, he didn't seem to mind if Mei Yueli saw what he was doing together with Xia Qingyu.

"Qingyu, why have you been looking for me in recent days, do you have any problems?" Ye Chen asked to Xia Qingyu.

"I am not the one who has a problem, I am looking for you to see the condition of sister Yueli, for some reason her condition has deteriorated a little in the past few days" Xia Qingyu told the reason why she asked Liu Yue for news about Ye Chen

Chapter 882 - Treating Mei Yueli's Wounds That Were Getting Worse (2)

"Huh, Miss Mei Yueli's injuries are getting worse?" Ye Chen asked Xia Qingyu.

"Yes, in the last few days, Sister Yueli's injuries have gotten worse." Xia Qingyu replied to Ye Chen, telling Ye Chen that Mei Yueli's condition had worsened in recent days.

Ye Chen immediately turned his attention to Mei Yueli, Ye Chen started examining Mei Yueli from top to bottom.

Mei Yueli turned her attention away from Ye Chen, herself not daring to look at Ye Chen .

After seeing Mei Yueli for a while, Ye Chen finally realized that Mei Yueli's condition had indeed worsened.

"What are you actually doing, didn't I tell you to rest so that your wounds recover quickly" Ye Chen immediately scolded Mei Yueli.

It must be that Mei Yueli had violated the taboo that Ye Chen had previously said, Mei Yueli must have just fought which made her injuries even worse.

"Humph.. ." Mei Yueli didn't answer Ye Chen, she still turned her attention in another direction.

"You.. ." Ye Chen felt neglected by Mei Yueli, this woman was quite annoying too.

"Ye Chen please calm down" Xia Qingyu tried to calm Ye Chen who looked dissatisfied when he saw Mei Yueli who didn't listen to his warning.

Because of Xia Qingyu, Ye Chen finally wanted to calm down and accept the attitude Mei Yueli was displaying.

"Husband, can you heal sister Mei Yueli?" Xia Qingyu asked if Ye Chen could cure Mei Yueli, whose condition had gotten worse.

"Dear Qingyu, it's easy, the problem is whether you can make this woman want to compromise, do you know she dislikes me ," whispered Ye Chen to Xia Qingyu.

Ye Chen told Xia Qingyu that he could indeed heal Mei Yueli, unfortunately Mei Yueli probably wouldn't want to do that.

"Ye Chen, you don't have to worry about that problem, I will persuade it for you." Xia Qingyu said that he would persuade Mei Yueli.

Xia Qingyu immediately went to Mei Yueli's side, She started discussing the method that Ye Chen had suggested to treat Mei Yueli.

Mei Yueli was a little reluctant to accept Ye Chen's method of making her take off her upper clothes, she still couldn't accept it.

"Sister Yueli, why do you always refuse like this, your condition is getting worse, you better think more about yourself, don't let this get worse and difficult to treat." Xia Qingyu was not tired of persuading Mei Yueli, She tried her best to make Mei Yueli want to be treated by Ye Chen.

Mei Yueli began to think about Xia Qingyu words, her condition was indeed getting worse, her whole body was aching and weak, if it continued like this, something even worse would happen.

Mei Yueli didn't want to die like this, it seemed like she had to accept the method Ye Chen was trying to do.

"Fine, I'll try Ye Chen's method." Mei Yueli finally agreed with what Xia Qingyu said, she was willing to try Ye Chen's method.

"Very good." Xia Qingyu was relieved when she heard this.

Xia Qingyu returned to Ye Chen's side, she told Ye Chen that Mei Yueli was willing to be treated.

"Then let's find a suitable place to do that." Ye Chen told Xia Qingyu to find a suitable place to do Treat for Mei Yueli.

"You can use my room, no one will bother you to treat sister Yueli." Xia Qingyu told Ye Chen to use her room to treat Mei Yueli.

"What do you think, sister Mei Yueli?" Xia Qingyu asked Mei Yueli.

When Xia Qingyu said to use her room, Mei Yueli's face turned slightly red.

Mei Yueli remembered the embarrassing incident she had with Ye Chen.

the previous incident was still very fresh in Mei Yueli's memory.

"Sister Yueli, why is your face red, are you not feeling well?" Xia Qingyu saw that Mei Yueli's face was turning red, she immediately asked whether Mei Yueli was okay or not.

"I'm fine, I agree to use your room." Mei Yueli quickly agreed with Xia Qingyu's suggestion.

"Okay then let's go" Ye Chen invited Mei Yueli to go to Xia Qingyu's room.

Mei Yueli started following Ye Chen into Xia Qingyu's room.

Xia Qingyu also followed the two, wanting to make sure that nothing would happen to Mei Yueli.

The three of them arrived very quickly at Xia Qingyu's room.

"Dear Qingyu, you can wait outside, I will give treatment to Miss Mei Yueli, make sure outsiders do not interfere." Ye Chen forbade Xia Qingyu to come inside, he told Xia Qingyu to wait outside the room.

"Okay, I understand." Xia Qingyu was very obedient to Ye Chen's words, she would make sure that no one would disturb Ye Chen while doing treatment for Mei Yueli.

Ye Chen and Mei Yueli entered the room, after entering the two of them closed the door of this room again.

"Now hurry up and take off your clothes." Ye Chen immediately told Mei Yueli to take off his clothes.

"You turn around first" Mei Yueli told Ye Chen to turn around, she didn't want Ye Chen to see herself taking off her clothes.

"I've seen everything, there's nothing you need to hide from me anymore" said Ye Chen to Mei Yueli.

When Ye Chen said this, Ye Chen felt an aura of anger from Mei Yueli.

This aura of anger was so strong that it even gave Ye Chen goosebumps.

Ye Chen just made a mistake, Mei Yueli must be angry with him.

"Didn't I tell you to forget what you saw earlier, do you want me to erase those memories from your head" Mei Yueli said to Ye Chen.

"Miss Mei Yueli please don't be angry, I was just kidding, ahahaha" Ye Chen tried to act stupid, it would be troublesome if Ye Chen offended Mei Yueli, surely there would be nothing good when he offended Mei Yueli.

"Hemp.. ." Mei Yueli sniffed coldly at Ye Chen, she was not satisfied when she saw Ye Chen.

"Turn around right now." Mei Yueli told Ye Chen to turn around.

Ye Chen obediently turned around, himself now turning his back on Mei Yueli's body.

After confirming that Ye Chen had really turned around, Mei Yueli immediately took off her clothes, now Mei Yueli could be said to be half naked.

Mei Yueli used her hands to cover several important areas.

Even though Mei Yueli had already prepared her own heart, she still felt embarrassed when she did this in front of a man.

Mei Yueli started to climb into the bed, she started to turn around and turn her back to Ye Chen's body.

"Now you can turn around." Mei Yueli told Ye Chen to turn around right now.

Hearing this, Ye Chen immediately turned around, when Ye Chen turned around, he found Mei Yueli's beautiful naked back.

"is this not a problem" Mei Yueli asked Ye Chen.

"Of course it doesn't matter." Ye Chen didn't mind this.

Ye Chen started to get closer to Mei Yueli, he started to take out his set of golden needles.

"Are you ready?" Ye Chen asked if Mei Yueli was ready for a treatment session.

"I'm ready, hurry up and do it now" Mei Yueli was ready, she told Ye Chen to immediately treat herself.

Chapter 883 - Treating Mei Yueli's Wounds That Were Getting Worse (3)

Seeing that Mei Yueli was ready, Ye Chen immediately started a treatment session with Mei Yueli, himself starting to stab some of Mei Yueli's acupoints.

"It will a little hurt, You better hold on for a moment," Ye Chen told Mei Yueli to endure the pain for a moment.

"I see." Mei Yueli understood, she would try to endure the impending pain.

Seeing that Mei Yueli was ready, Ye Chen began to take medication, he began to use the profound energy he had to remove the dirty blood that was in Mei Yueli's body.

"Cough... .." The dirty blood that was on Mei Yueli's body started to get pushed out, Mei Yueli started vomiting large amounts of blood.

After all the dirty blood had been drained from Mei Yueli's body, now all that needed to be done was to heal Mei Yueli's injured internal organs.

"Miss Mei Yueli eat this." Ye Chen gave Mei Yueli a pill.

Mei Yueli didn't ask many questions, she immediately accepted and put Ye Chen's pill into her mouth.

After Mei Yueli ate the pill he gave her, Ye Chen now started the process of healing Mei Yueli's internal organs.

This process will take some time, so Ye Chen will have to be patient in this process.

After spitting out a lot of dirty blood, Mei Yueli felt better, her body no longer felt as painful as before.

Mei Yueli started to feel her body warm, Ye Chen's Energy felt very comfortable for Mei Yueli.

Little by little the wounds suffered by Mei Yueli got better and better, Mei Yueli was getting better and more feeling better over time.

After approximately 3 hours, Ye Chen finally finished, he was done to heal Mei Yueli's injured internal organs.

"Fine, it's finished." Ye Chen said to Mei Yueli that the treatment was finished.

Mei Yueli was relieved to hear this, she hurriedly put back the clothes on her body.

"Ye Chen, what about the wounds I have?" Mei Yueli asked Ye Chen about the injuries she had.

"Your wound is almost completely healed, you should rest enough for the time being," said Ye Chen to Mei Yueli.

Mei Yueli's wounds would soon heal as long as she had enough rest for a while.

Mei Yueli felt relieved when she heard this, soon her strength will recover as usual.

"Miss Mei Yueli, exactly what did you do to get your wound like this?" Ye Chen asked Mei Yueli.

Ye Chen wanted to know the reason why Mei Yueli's injuries were so bad.

It should have been the reason Mei Yueli's injuries had gotten so bad because she had fought a battle or used too much of her strength.

"that.. ., a few days ago I went to the grave belonging to God of War." Mei Yueli told Ye Chen that a few days ago she went to the tomb of God of War.

"Huh.. ?" why did you go there didn't I already say that it is a prison of a very dangerous demon. "When Ye Chen found out about this, Ye Chen immediately scolded Mei Yueli.

It wasn't a tomb, it was a prison for an extremely dangerous demon.

"Yes, I just want to go there alone, and besides, there are plenty of people who go there, so I'm also interested in this issue," said Mei Yueli expression of innocent

Interest early Mei Yueli coming to earth was to seek rumors about inherited from God of War, so it wouldn't be strange for Mei Yueli to come here too.

"Many people? What do you mean?" Ye Chen asked Mei Yueli.

"There were a lot of people from God Realm who went to that tomb, so I was attracted and went to that place, unfortunately, my strength was not at its peak, so I couldn't win against these people and was forced to retreat," said Mei Yueli to Ye Chen.

Mei Yueli had just told Ye Chen why her injuries had gotten so bad, it turned out that Mei Yueli had just had an argument with people from God Realm.

Ye Chen felt bad when he heard about this matter, if the demon in that prison was freed from his seal, it would be a disaster for the Earth and this whole world.

Ye Chen of course knew how cunning the demon that was sealed in the prison was, if the Demon in the prison was freed then surely the earth would be in the most difficult times in this world.

"Master, is it possible that the person who has massacred several small towns is a demon sealed within that prison?" Chu Yuechan said to Ye Chen.

Chu Yuechan began to guess that the possibility of the demon being the perpetrator who had massacred millions of people, it was likely that this demon was the person that Ye Chen was investigating.

"The possibility could happen, if until the Demon really comes out of that prison, then it will be quite a big problem." Ye Chen thought the same thing Chu Yuechan thought, he also started to think that the person who had to carry out the massacre was the Demon who had previously almost tricked Ye Chen.

"You should go and have a look at the prison used to seal demons, if he really has escaped then it can be ascertained that he is the culprit," Chu Yuechan said to Ye Chen.

"Alright, later I will go check the prison where the Demon was sealed".

Ye Chen was a little reluctant to return to that place, the demon prison was a troublesome place to visit.

"Miss Mei Yueli, can you tell a little about the people from the God Realm that you met." Ye Chen wanted to find information about the people from the God Realm who Mei Yueli fought.

"I will tell the people I met and fought against." Mei Yueli began to tell about the people she met.

From the story that Mei Yueli said, Ye Chen could conclude that if the people of God Realm came to this land together with the higher-ups of the big Faction, it seemed that the big faction leaders were the ones who had guided the people of God Realm to this region.

"This is bad, it looks like Zhang Shiyun and Xue Suyin are in danger". After listening to Mei Yueli's story, Ye Chen felt that Zhang Shiyun and Xue Suyin were in danger.

If Zhang Shiyun and Xue Suyin met people from God Realm, they would be in danger.

Looks like Ye Chen should immediately go to see Zhang Shiyun and Xue Suyin.

.
. .
. .
. .

Meanwhile on the border of the nation's capital.

There was a handsome young man in a suit standing looking at the nation's capital.

Around this young man's body began to be enveloped by a very terrifying dark aura, this dark aura could give people chills just from approaching him.

This young man smiled to himself as he looked at the country's capital which looked very densely populated.

"Hahaha, this is really a very large city, here is a lot of fresh blood worthy of being harvested" This young man laughed when he saw that there were hundreds of millions of people living at the same time in this city.

If he manages to absorb the blood in the bodies of the people in the nation's capital, then his strength will increase very rapidly.

This young man was a perpetrator who had absorbed the people in several cities to the point that they looked as dry as bones.

It was unexpected that the person who would be the perpetrator in this massacre would be a young man who was still quite young.

Chapter 884 - Find Zhang Shiyun And Xue Suyin

The youth started flying towards the capital, he began to look for fresh prey to increase his strength.

From now on the national capital will be a dangerous place, there will be a lot of people who died because of this young man.

.
. .
. .

We return to Ye Chen, Xia Qingyu, and Mei Yueli.

After he finished healing Mei Yueli, Ye Chen immediately walked out of Xia Qingyu's room.

Outside Xia Qingyu was waiting for news from Ye Chen and Mei Yueli, she was eagerly awaiting news from Ye Chen and Mei Yueli.

"Click" Ye Chen opened the door, Ye Chen came out to meet Xia Qingyu.

"Ye Chen How about?, Did it Success?" Xia Qingyu asked Ye Chen about Mei Yueli's state.

"Dear Qingyu, Miss Mei Yueli is fine, you don't have to worry anymore," Ye Chen told Xia Qingyu that Mei Yueli was fine.

Xia Qingyu felt relieved when she heard this, it seemed that Mei Yueli's condition had improved and there was no need to worry anymore.

"Dear Qingyu, I have to go" Ye Chen said to Xia Qingyu that he had to go right now.

There was an important matter for Ye Chen to do.

"Ye Chen, where else do you want to go?" Xia Qingyu asked where Ye Chen intended to go.

Even though Ye Chen just came to see her, she didn't expect Ye Chen to just want to go.

"Dear Qingyu, I have to go do something very important, if I have time, I'll be with you next time." Ye Chen told Xia Qingyu that he had a very important problem.

It was for this reason that Ye Chen couldn't stay here for a long time, if only Ye Chen didn't have a problem of his own, Ye Chen would definitely spend time together with Xia Qingyu.

"Okay, I can understand." Xia Qingyu could understand Ye Chen's problem, she understood that Ye Chen was a very busy person.

As a woman Xia Qingyu must be able to understand this, she must not be selfish in having Ye Chen.

Ye Chen started to hug Xia Qingyu who was in front of him, Before leaving he wanted to kiss Xia Qingyu again. Ye Chen didn't forget to kiss Xia Qingyu, Ye Chen himself didn't know when he could be with Xia Qingyu again.

Xia Qingyu obediently accepted this farewell kiss, she didn't know when to see Ye Chen again, so it was fine if she had a farewell kiss like this.

The two of them kissed for approximately 5 minutes, after feeling enough Ye Chen immediately separated from Xia Qingyu.

Ye Chen was actually a little reluctant to leave Xia Qingyu, too bad he had to make sure Zhang Shiyun and Xue Suyin were safe, he couldn't let anything bad happen to Zhang Shiyun or Xue Suyin.

Ye Chen had already missed which put Ling Yin in such a bad condition, Ye Chen didn't want this incident to happen again.

Ye Chen said goodbye to Xia Qingyu, himself quickly flying towards the nation's capital.

Xia Qingyu could only see Ye Chen's departure, she hoped that nothing bad could happen to Ye Chen.

"Qingyu, where did Ye Chen go?" Mei Yueli walked out of the room, asking Xia Qingyu about Ye Chen's departure.

"Ye Chen just left, he said he has an important business," Xia Qingyu told Mei Yueli that Ye Chen just left.

"What.. ! go away!, How can he go like that, he hasn't given me the jewelry he promised before. "Mei Yueli was annoyed when she heard this, even though she wanted to collect the earrings that Ye Chen had promised her before.

Even though Mei Yueli had been waiting for the jewelry made by Ye Chen using the Heavenly Goddess Diamond for a long time, she wanted to see what kind of jewelry Ye Chen made.

"Sister Yueli, maybe Ye Chen forgot about it, maybe next time you can collect it, for now, it looks like Ye Chen is quite busy," Xia Qingyu told Mei Yueli to collect Ye Chen another time.

"No, I want my jewelry now, I will go after it." Mei Yueli wanted her jewelry right now, she wanted to see how beautiful her jewelry made of Heavenly Goddess Diamond was.

Xia Qingyu was helpless when he heard this, it seemed impossible to persuade Mei Yueli to something like this.

Mei Yueli was quite a stubborn woman, it was hard to persuade Mei Yueli.

"I will go after Ye Chen," Mei Yueli said that she would catch up with Ye Chen, it seems that Ye Chen is not too far from this place.

"Sister Yueli, you just recovered, don't do anything weird." Xia Qingyu warned Mei Yueli not to do anything strange.

Mei Yueli just recovered, if Mei Yueli did something strange, maybe Mei Yueli's condition would worsen again.

"Qingyu, you don't need to worry, I'm fine, now I've completely recovered." Mei Yueli felt completely recovered.

So Xia Qingyu no longer needed to worry about herself anymore.

Mei Yueli immediately disappeared from Xia Qingyu's face, herself leaving to catch up with Ye Chen.

Xia Qingyu was helpless when she saw Mei Yueli who had gone after Ye Chen, it seemed impossible to change the will of Mei Yueli who was quite stubborn.

"OK, I'll just go back to work." Xia Qingyu didn't want to think about this constantly, she still had work to do.

Xia Qingyu decided to return to her unfinished work.

.
. .
.

Ye Chen was currently using the Profound Ark to head towards the capital, himself using the Profound Ark to shorten the time it took to arrive at the capital.

By using the Profound Ark Ye Chen was able to reach the capital very quickly.

After arriving in the capital, Ye Chen immediately went to look for Xue Suyin and Zhang Shiyun's whereabouts.

Ye Chen used his connections to find the exact location of Xue Suyin and Zhang Shiyun's whereabouts.

It just so happened that Xue Suyin and Zhang Shiyun were currently outside the capital, from the location of the two of them, the two of them were currently not far from the location of the Demon Prison that Ye Chen had once visited.

Seeing Xue Suyin and Zhang Shiyun approaching that dangerous place, Ye Chen immediately dashed towards where the two of them were, he had to stop Xue Suyin and Zhang Shiyun from entering the location where the terrible demon was sealed.

With use full speed, Ye Chen rushed towards Xue Suyin and Zhang Shiyun.

In a short time, Ye Chen descended in front of Xue Suyin and Zhang Shiyun.

When Ye Chen came down, Ye Chen made a big hole, the dust also flew everywhere because of the impact just now.

The two Sexy beauties were shocked when they saw someone fell right in front of them.

Xue Suyin and Zhang Shiyun were on high alert by the presence of a mysterious person who had just fallen right in front of the two of them.

When the dust had completely disappeared, Xue Suyin and Zhang Shiyun saw a familiar figure.

"husband" Xue Suyin and Zhang Shiyun simultaneously called Ye Chen.

The two of them didn't expect that Ye Chen would appear right in front of them.

Ye Chen advanced towards Xue Suyin and Zhang Shiyun.

"Are you all right?" Ye Chen asked about the state of Xue Suyin and Zhang Shiyun, he wanted to know whether Xue Suyin and Zhang Shiyun were okay or not.

Chapter 885 - Mysterious Young Man (1)

"We're fine" Zhang Shiyun and Xue Suyin told Ye Chen that they were both fine.

"It's good that you guys are fine." Ye Chen felt relieved when he heard that Zhang Shiyun and Xue Suyin were fine.

"Husband, why are you here?" Zhang Shiyun and Xue Suyin asked why Ye Chen was in this place.

"It's because I'm worried about the safety of both of you." Ye Chen told Zhang Shiyun and Xue Suyin why he could be in this place.

At first, Ye Chen was worried about Zhang Shiyun and Xue Suyin's situation, who might meet people from God Realm.

"Where are you two going?" Ye Chen asked where Zhang Shiyun and Xue Suyin were now.

"We both intend to go to the place where the higher ups of the Big Faction are, according to the information we get, they should be around this place," Zhang Shiyun told Ye Chen that the two of them were looking for the whereabouts of the big faction rulers of this world.

Zhang Shiyun and Xue Suyin wanted to drive these people away from this area, they had broken the agreement by breaking into the Kunlun Holy Land territory.

This was a very serious offense for having dared to break into the territory of someone else's faction.

As the leader of the Kunlun Holy Land Faction, Zhang Shiyun and Xue Suyin shouldn't just let this go.

This could create discontent from the inhabitants of the Kunlun Holy land.

"This place is quite dangerous, we better get out of here," Ye Chen told Zhang Shiyun and Xue Suyin that this place was quite dangerous.

"Dangerous, why?" Zhang Shiyun and Xue Suyin didn't understand why Ye Chen said that this place was dangerous, even though neither of them felt the danger around this place.

"You two don't know it yet, but the higher-ups of the faction most likely came together with people from God Realm, if you meet them, it will be very dangerous." Ye Chen told Zhang Shiyun and Xue Suyin about the news he had heard from Mei Yueli.

Zhang Shiyun and Xue Suyin were quite surprised when they heard this, they both did not expect that the higher ups of the Big Faction would be together with people from God Realm.

No wonder they are so brave to break into other people's territory, it turns out that they have strong support behind them.

Luckily Ye Chen came to warn the two of them, if only Ye Chen didn't come, Zhang Shiyun and Xue Suyin would have met the people of God Realm.

"Husband, then what are you going to do next?" Zhang Shiyun asked what Ye Chen would do next.

Is Ye Chen going to expel these people or let these people remain on earth?

"I intend to keep an eye on the people of God Realm, I need to find out the strength of the enemy before dealing with them." Ye Chen told Zhang Shiyun and Xue Suyin his plan to deal with people from God Realm.

Zhang Shiyun and Xue Suyin nodded when they heard the plan Ye Chen wanted to carry out, both of them quite agreed with the plan Ye Chen had done.

Ye Chen's plan was quite good, first, they had to find out the enemy's strength, after knowing the enemy's strength, they could deal with the enemy.

"Ye Chen finally I found you." From the sky fell a beautiful woman in red clothes and a veil covering her face.

This beautiful woman descended right in front of Ye Chen, the beautiful woman who had just come down was of course Mei Yueli.

Mei Yueli looked dissatisfied with Ye Chen, she really had to follow Ye Chen to this place.

Mei Yueli herself didn't believe that Ye Chen could fly this fast, even Mei Yueli who had a high enough cultivation had a hard time catching up with Ye Chen.

"Miss Mei Yueli what are you doing here?, Didn't I tell you to rest for a while".

"I want to ask for my earrings" Mei Yueli expressed her intention to come here, Mei Yueli collected her earrings from Ye Chen.

Ye Chen: "-_-"

Zhang Shiyun and Xue Suyin looked at Mei Yueli, both of them were very curious who this veiled woman was.

Mei Yueli turned her attention towards Zhang Shiyun and Xue Suyin, Mei Yueli was quite surprised when she looked at Zhang Shiyun and Xue Suyin, Mei Yueli did not expect that there would be two very beautiful and sexy women like Zhang Shiyun and Xue Suyin.

Zhang Shiyun and Xue Suyin were very seductive, Mei Yueli had never met such seductive and sexy women as Zhang Shiyun and Xue Suyin.

In addition to Xue Suyin's enormous size, Mei Yueli began to wonder if Xue Suyin did not feel heavy lifting two large objects like that.

"I'm busy, will give it later" Ye Chen said that he was busy.

"I want it now" Mei Yueli insisted, she wanted her earrings right now.

Mei Yueli couldn't wait to see how beautiful the earrings Ye Chen made for her.

Mei Yueli is so stubborn, this woman is completely unable to compromise.

"Husband sees that there are clouds that are red like blood in the direction of the capital." Xue Suyin suddenly said to Ye Chen that in the direction of the capital there were clouds that were red like blood.

Hearing this, Ye Chen immediately looked at the capital, when he looked at capital, he did see that in the direction of the capital there was a cloud that was red like blood.

This phenomenon is already familiar to Ye Chen, it is clear that this phenomenon is very similar to what was in the recording that he had previously seen.

"It's bad, we have to go to the capital as soon as possible." Ye Chen took Zhang Shiyun and Xue Suyin to the capital, Ye Chen felt a bad feeling about this.

"Come on." Zhang Shiyun and Xue Suyin agreed with Ye Chen, both of them also felt bad feelings about this matter.

For the time being, Ye Chen will forget the problem of the people of God Realm, he will first focus on the problem of evil cultivators who kill people and suck their blood essence.

"Hey, where are you going, Ye Chen, don't ignore me." Mei Yueli shouted at Ye Chen who had headed towards the capital.

Mei Yueli felt annoyed at being ignored by Ye Chen, for some reason the feeling of being ignored was very unpleasant.

Mei Yueli had no choice but to pursue Ye Chen, she immediately went to catch up with Ye Chen, Zhang Shiyun, and Xue Suyin.

Ye Chen, Zhang Shiyun, and Xue Suyin immediately arrived near the capital, when the two of them arrived near the capital, Ye Chen, Zhang Shiyun and Xue Suyin saw a familiar scene.

There were some people whose blood came out of the body and was sucked into the sky, while these people scattered to go to save themselves.

The atmosphere of the capital city is very gripping, there are lots of people running to save themselves from this bloody phenomenon.

Ye Chen looked up at the clouds, trying to find the existence of the person behind this red cloud.

"God Eyes" Ye Chen used his God Eyes to find out the location of the enemy.

Using God Eyes, Ye Chen very quickly discovered the existence of people who were hiding and absorbing blood secretly.

Chapter 886 - Mysterious Young Man (2)

"Who is that ?" Ye Chen started to wonder about the identity the young man who was hiding behind the clouds had.

This young man seemed foreign to Ye Chen, plus this young man possessed the power of darkness it was certain that this young man was an evil cultivator.

"You save the people, I will go to meet the enemy." Ye Chen said to Zhang Shiyun and Xue Suyin to save the people below.

Meanwhile, Ye Chen intends to meet the enemy above the sky.

Zhang Shiyun and Xue Suyin nodded at Ye Chen, the two of them would do their best to save the people they could save.

Ye Chen immediately went towards the young man in the sky, when Ye Chen arrived near the mysterious youth, he found that this mysterious young man was focused on absorbing the blood of the people below.

Ye Chen was quite angry when he saw this, this person was so relaxed when he killed millions of people in this way.

"Bastard, feel this, Breaking Meteor Blow" Ye Chen immediately attacked the mysterious young man using the Breaking Meteor Blow.

"Bamm" The mysterious young man was hit by Ye Chen's attack and was blown away several hundred meters.

This young man was injured by the sudden attack made by Ye Chen.

"Who bastard would dare to attack me?" The mysterious young man was furious at Ye Chen who had dared to attack him, he was really annoyed at the person who had attacked him while absorbing blood from the people below.

"I was the one who bothered you" Ye Chen appeared in front of the mysterious young man, he told the mysterious young man that he was the one who had attacked him.

"You bastard, you dare to bother me again, you really are a trouble maker." The mysterious young man shouted at Ye Chen, he looked quite angry at Ye Chen.

Ye Chen was confused when he listened to what the mysterious young man had just said.

From the words that this mysterious young man had just spoken, this person seemed to know about Ye Chen.

"Who are you, have we met before?" Ye Chen asked if the two of them had met before.

"You bastard, you forgot me, this time I will definitely kill you" it seemed that the mysterious young man didn't want to tell Ye Chen his identity.

The mysterious young man began to use the dark power he had, it seemed that this young man was intending to attack Ye Chen.

"Ying'er come out" Ye Chen did not remain silent, he immediately called Ying'er to help himself overcome this mysterious young man.

In this option, Yin Ying'er is the best choice for Ye Chen to fight against evil cultivators who cultivate the power of darkness.

Divine Yin Yang Sword immediately appeared in Ye Chen's hand, after Divine Yin Yang Sword appeared in his hand, Ye Chen immediately cut down the mysterious young man in front of him.

"Slash.. ." a very powerful slash cut through the mysterious young man in front of Ye Chen.

"Arghhh" The mysterious youth was injured when he received the slash attack that came from the Divine Yin Yang Sword.

"Damn, this hurts so much." The mysterious young man felt immense pain when he received the attack that came from the Divine Yin Yang Sword.

Black-colored blood came out from the body of a mysterious young man.

This mysterious young man looked in great pain when he received the attack that came from the Divine Yin Yang Sword.

It seemed that the attack that came from the Divine Yin Yang Sword had a profound effect on this mysterious young man.

Seeing that the Divine Yin Yang Sword could injure this mysterious man, Ye Chen again tried to attack the mysterious man.

This time, Ye Chen used the full strength he had to kill this mysterious man.

"slash" Ye Chen returned to slashing towards the mysterious man, this time Ye Chen used the full strength he had.

This mysterious man was more vigilant than before, turning himself into darkness and dodging the attacks launched by Ye Chen.

With extremely agile movements, the mysterious man dodged the attacks made by Ye Chen.

Seeing the mysterious man dodging his attacks, Ye Chen launched another attack on the mysterious man.

What is certain is that Ye Chen didn't just let this person run away, Ye Chen launched a barrage of attacks towards the mysterious man.

The speed possessed by this mysterious man was so great that Ye Chen barely saw the movements this person had.

This person was like teleporting from one place to another place, this made it difficult for Ye Chen to predict the movements of the opponent.

"Hahahaha, how, you can't see my movements right?" said the mysterious man to Ye Chen.

Ye Chen tried to focus on seeing the movements of his enemy, he didn't want to be fooled by this young man's words.

"I'm behind you" a mysterious young man suddenly got behind Ye Chen, himself attacking Ye Chen with his palms that are very dark.

Ye Chen hurriedly used his Divine Yin Yang Sword to deflect the attacks aimed at him.

"Bamm" suddenly Ye Chen was hit by an attack belonging to a mysterious young man.

Ye Chen was forced back several hundred meters when he received the attack just now.

The attack just now hit Ye Chen's chest.

Ye Chen held his chest, the attack just now felt enough for Ye Chen.

"What just happened, didn't I just ward off it?" Ye Chen looked confused by what just happened.

Even though Ye Chen was very sure that he had warded off an attack from the enemy, it was unexpected that the enemy's attack could still hit him.

"Master, take a good look around you." Chu Yuechan told Ye Chen to take a good look at what was around him.

Ye Chen began to see what was around himself, he began to observe the red clouds around him.

"Don't tell me this is a domain?" Ye Chen finally realized that this entire black cloud was a domain.

"master You is already in the enemy's domain, so it wouldn't be strange if you had a hard time fighting that mysterious young man." Chu Yuechan said to Ye Chen.

No wonder Ye Chen seems to be having a hard time fighting the enemy, it turns out that this is the enemy's Domain area, so it's not strange that Ye Chen is heavy against his enemy.

"Give up, you won't be able to win against me." The young man appeared several meters in front of Ye Chen, this person told Ye Chen to give up right now.

"Whoever wants to give up someone like you, I will defeat you and end the cruelty that you have committed." Ye Chen pointed his Divine Yin Yang Sword towards the mysterious young man.

"You will not be able to stop me, everyone on this planet will be a resource for me to increase the strength I have." The young man said that no one could stop him.

This person really had the ambition to turn everyone on this earth into a resource to increase the power that he belonged to.

"Let's prove it, I will definitely stop you" Ye Chen said that he would stop this person's bad behavior.

"Azure Dragon Domain" Ye Chen opened his own domain to destroy the domain that belonged to a mysterious young man.

When Ye Chen opened the Azure Dragon Domain, a dragon's roar was extremely loud and sounded all over the sky.

An extremely powerful ancient pressure began to appear around this place.

The Azure Dragon Domain started shaking up the domain that was owned by the mysterious young man.

The red clouds that were around Ye Chen began to collapse when they were swept away by the roar of the Azure Dragon projection.

Chapter 887 - Mysterious Young Man Managed To Escape

"Damn it." The mysterious young man shouted when he saw his domains being swept up by Ye Chen.

Without his domain, he would have a hard time-fighting Ye Chen.

"Damn, I have to step back for a while." The young man decided to temporarily step back.

"Where are you going?" Mei Yueli suddenly came, she launched an attack on the mysterious young man.

"Boom". A burst of flames hit the body of the mysterious young man.

The mysterious young man was immediately seriously injured when he received an attack from Mei Yueli, Mei Yueli's attack was strong enough to injure him.

Mei Yueli was already keeping an eye on this mysterious young man, it was obvious that this mysterious young man was an evil cultivator cultivating darkness.

Cultivators with the power of darkness must immediately be killed and exterminated, there is no place for darkness cultivators in this place.

"You Bitch, how dare you get in my way." The mysterious young man was angry when he saw Mei Yueli bothering him who intended to escape from this place.

"An evil cultivator like you I will not let escape, there will be no place for you in this world" Mei Yueli said to the mysterious young man.

The body of the mysterious young man suddenly recovered very quickly, all the burns he had suffered from Mei Yueli's attack were very fast recovering.

Only the attack from Ye Chen's Divine Yin Yang Sword still left a mark on the mysterious man's body.

"If I want to run away, the two of you will never be able to stop me," The young man said that Ye Chen and Mei Yueli would not be able to stop himself from wanting to escape from this place.

The body of the mysterious young man began to turn into particles of darkness, it could be seen that this mysterious young man was intending to run away right now.

"Ye Chen, don't let him escape." Mei Yueli told Ye Chen not to let the Demon Cultivator escape just like that.

"I understand." Ye Chen already understood what he had to forget, he shouldn't let this mysterious young man escape from this place.

Ye Chen started to raise his Divine Yin Yang Sword, Ye Chen intended to go attack the mysterious young man.

Mei Yueli did not remain silent, she also used the power of her fire to attack the mysterious young man.

Both Ye Chen and Mei Yueli launched an attack on the mysterious young man.

"Hahaha, it's too late." The mysterious young man laughed at Ye Chen and Mei Yueli, himself completely disappearing into thin air.

Since the mysterious young man had disappeared, Ye Chen and Mei Yueli's attacks did not hit anything.

"He managed to escape." Mei Yueli did not expect that the Cultivator Demon managed to escape from her and Ye Chen's encirclement.

"Maybe he is still around here, let's search." Ye Chen said to Mei Yueli to try to find the whereabouts of the person just now.

Most likely the person just now was still around this place.

"You might be right, let's look for that person's whereabouts, maybe he is still hiding around this area." Mei Yueli agreed with what Ye Chen just said, it looks like a mysterious young man is hiding around this place.

Ye Chen and Mei Yueli split up and searched for the mysterious young man, both of them using various methods to find the location of the mysterious young man.

While the situation in the city is extremely tense, people are still running to save themselves.

There were countless people who had died or had lost a great deal of blood essence.

Until now, aid from the government has not come to help these people who are dying.

Zhang Shiyun and Xue Suyin started helping people who were injured, they gave some healing pills to people who were injured.

It was a pity that the number of pills Xue Suyin and Zhang Shiyun possessed was extremely limited, the pills Zhang Shiyun and Xue Suyin had were not sufficient to give to the immense number of victims.

Zhang Shiyun immediately sent a voice transmission to Lord Guardian, she told Lord Guardian to immediately go and tell the government to immediately provide assistance in dealing with victims who had died or who were injured.

With the order given by Zhang Shiyun, who had now become the complete ruler of the Kunlun Holy Land, Lord Guardian would not dare to waste time, for sure Lord Guardian would immediately carry out Zhang Shiyun's orders.

Meanwhile, Ye Chen and Mei Yueli were still focused on finding the whereabouts of the mysterious young man they had previously fought, until now the two of them had still not found the whereabouts of the mysterious man they had previously fought.

"How is the result?" Ye Chen asked Mei Yueli, Ye Chen wanted to know the results Mei Yueli got.

"I did not get anything, did you find traces of that person?" Mei Yueli asked Ye Chen.

Ye Chen shook his head, he also didn't find a clue about the mysterious young man running away.

That man was really very clever at escaping, not even a hint of a rhyme he left when he fled.

Ye Chen began to be curious about the identity of the mysterious young man just now, he wanted to know who the mysterious young man had just now.

Judging from the words spoken by the mysterious young man, the mysterious young man knew Ye Chen quite well, which must have met Ye Chen before.

Ye Chen began to remember whether he had ever met this person.

"Should we look for it again?" Mei Yueli asked Ye Chen.

"Looks like it's unnecessary, for a while that person will definitely not come out, he has a wound, so it's likely that person won't come out," said Ye Chen to Mei Yueli.

The Divine Yin Yang Sword's attack carried out by Ye Chen had managed to injure that person, so for a while, it seemed like that person would go into hiding to treat the wound.

"Husband, how did it go?" Zhang Shiyun and Xue Suyin came towards Ye Chen, the two of them immediately asked whether Ye Chen had caught an Evil Cultivator or not.

"I couldn't catch it, that person got away." Ye Chen told Zhang Shiyun and Xue Suyin that the person who had made a mess had left this place.

Zhang Shiyun and Xue Suyin nodded at Ye Chen, the two women could tell that this person must be really amazing.

This person managed to escape from the encirclement of Ye Chen and Mei Yueli, so it was certain that this person was very strong.

"Husband, what are you going to do?" Zhang Shiyun and Xue Suyin asked what Ye Chen was going to do next.

"I want to go somewhere first, I want to confirm something." Ye Chen wanted to go somewhere to confirm something.

"Then the two of us can accompany you to go" Zhang Shiyun and Xue Suyin offered to accompany Ye Chen.

"No-no, I will not allow you to come" Ye Chen forbade Zhang Shiyun and Xue Suyin to come with him.

" So what ?" asked Zhang Shiyun and Xue Suyin.

"That place is very dangerous, you two shouldn't come," Ye Chen told Zhang Shiyun and Xue Suyin that the place he was going to visit was very dangerous.

That's why Ye Chen strictly forbade Zhang Shiyun and Xue Suyin from joining him.

Ye Chen didn't want Zhang Shiyun and Xue Suyin to follow him to such a dangerous place.

"Then are you going to go alone?" Zhang Shiyun asked Ye Chen.

"Of course not, I'll go with her" Ye Chen pulled Mei Yueli's hand who was beside him.

Chapter 888 - The Suspicion That Ye Chen Had

Mei Yueli was shocked when she saw Ye Chen holding her hand, she not expecting Ye Chen hold herself right in front of Zhang Shiyun and Xue Suyin.

"You guys please take care of everything here, if that person comes back then you two can immediately give a voice transmission to me, then I'll go first" before leaving Ye Chen did not forget to warn Zhang Shiyun and Xue Suyin to contact him if something was bad It happens again.

Ye Chen immediately went to bring Mei Yueli along with himself, Mei Yueli could only surrender when she was dragged away Ye Chen left this place.

Zhang Shiyun and Xue Suyin looked at each other when they saw what Ye Chen had just done.

Zhang Shiyun and Xue Suyin started shaking their heads, they looked helpless when they saw what Ye Chen had just done.

"Looks like husband has his own activities, let's guard around this place" Xue Suyin invited Zhang Shiyun to guard around the nation's capital.

"OK" Zhang Shiyun quite agreed with what Xue Suyin said.

The two of them could stand guard in this place, maybe that person would come back again and try to absorb the blood belonging to the people in this city.

.

Meanwhile at Mei Yueli and Ye Chen's place.

"Ye Chen, where are you taking me?" Mei Yueli immediately stopped Ye Chen's movements, herself asking where Ye Chen would take herself to.

"Just come with me." Ye Chen told Mei Yueli to come with him.

Mei Yueli was dragged back by Ye Chen out of the capital city border, after feeling that this place was far away.

Mei Yueli was really confused by what Ye Chen was doing, what Ye Chen was doing was really very confusing for Mei Yueli.

Ye Chen brought Mei Yueli near a forest which was quite quiet, in this place there was hardly a single person in sight.

Mei Yueli started to wonder why Ye Chen brought herself here, actually what did Ye Chen want by bringing herself to such a lonely place.

"Don't tell me that he intends to do bad things to me?" Mei Yueli started to think that Ye Chen wanted to do something bad to her.

Mei Yueli's mind started to run very wildly, Mei Yueli really thought that Ye Chen wanted to do something perverted with her.

"Well, we are already far enough away, this is a suitable place and it will not be found by anyone." Ye Chen said that if this is a suitable place, there will not be anyone here who can find both of them.

Mei Yueli's heart skipped a beat when she heard what Ye Chen had just said.

Looks like Mei Yueli's guess was right, Ye Chen wanted to do something bad to her.

Mei Yueli felt confused as to what she should do for now, whether she should fight back or not if Ye Chen really did something bad to her.

Ye Chen started to bring his face closer to Mei Yueli, he wanted to whisper something to Mei Yueli.

Mei Yueli's heart was beating faster and faster, Mei Yueli felt herself getting nervous and very tense as Ye Chen got closer to her.

"Okay now you can go" Ye Chen said to Mei Yueli that if she could leave this place, Mei Yueli's job as a supporting actor had been completed

"Huh? , What!" Mei Yueli was shocked when she listened to what Ye Chen had just said.

She didn't expect that Ye Chen would say something like this.

"What did you just say, you took me all the way to this place just to say that" Mei Yueli looked very annoyed with Ye Chen.

"Yes of course, I just wanted to tell that to.. ., ahhh.. ." Before Ye Chen could finish his words, Mei Yueli stretched out her hand to pinch Ye Chen's ear with all her might.

"Ahhh, it hurts.. ., what are you doing hurry up and let me go.. ." Ye Chen screamed in pain, he felt that his ears could fall apart if Mei Yueli continued to be pulled with this strong power.

Mei Yueli didn't care about Ye Chen's request, Mei Yueli seemed to be taking all the anger when she had towards Ye Chen.

Even though Mei Yueli thought that Ye Chen wanted to do something with her, it was unexpected that Ye Chen would throw herself out after taking her to a lonely and remote place.

Mei Yueli's thoughts seemed too wild, she really thought that Ye Chen would do something bad to her.

This thought might have been caused by the previous incident where Ye Chen peeked and pushed himself to the floor, Mei Yueli thought that Ye Chen was a pervert who likes to do bad things to girls.

After a few minutes, Mei Yueli finally wanted to let go of Ye Chen's ears.

After being released by Mei Yueli, Ye Chen immediately grabbed his ear, he felt that his ear felt like it was burning.

Mei Yueli really didn't know the meaning of restraint, this woman had actually done something very cruel to him.

After being satisfied to vent her anger on Ye Chen, Mei Yueli left Ye Chen alone, Mei Yueli was leaving this place with an annoyed face.

Ye Chen looked a little absent-minded when he saw Mei Yueli just leaving.

"What the hell, why is this woman so hard to understand?" Ye Chen really can't stop thinking about Mei Yueli, Mei Yueli is really very hard to guess.

Ye Chen still felt that his ears were hot by Mei Yueli's actions, Mei Yueli was really very cruel, even though Ye Chen was the one who had helped himself several times when he was injured.

"Master, where are you going?" Chu Yuechan wanted to know where Ye Chen was going.

"I intend to go to the Demon prison, I want to see if the Demon prison in this place is still sealed or not." Ye Chen expressed his intention to go to the prison where the demon was sealed.

Ye Chen wanted to confirm that the Demon at that time was still in prison.

"Why do you want to do that?" Chu Yuechan asked Ye Chen.

"Did you see the young man we just fought?" Ye Chen said to Chu Yuechan.

"Of course, that man has such extraordinary cultivation and abilities, it will definitely be very difficult to deal with him" Chu Yuechan said to Ye Chen.

Chu Yuechan had already seen the battle that Ye Chen and Mei Yueli had fought, even with the cooperation of Mei Yueli and Ye Chen, that person could still escape very easily.

"I feel that that young man is quite similar to the Demon I fought at that time." Ye Chen suspected that the young man he had just fought was a demon Ye Chen had fought against.

"Why can you think that the young man just now is a demon that you fought back in the past, I feel that the two of them are different people" Chu Yuechan said to Ye Chen.

"This is an instinct I have." Ye Chen told Chu Yuechan that this was his instinct.

Chapter 889 - Meet Sun Yang Again

"Then go, do whatever is according to your instincts right" Chu Yuechan said to Ye Chen to follow his instincts.

Chu Yuechan wanted Ye Chen to train his instincts, that way Ye Chen became more and more powerful at doing everything.

"Alright, then let's go to that place." Ye Chen decided to go to the place where the Demon prison was.

It just so happens that the location of the entrance to the Demon prison is not far from this place.

With Ye Chen's flying speed, it only took Ye Chen a few moments to arrive at the entrance to the place known as the tomb of the God of War.

If Ye Chen hadn't entered and saw what was inside for himself, Ye Chen would definitely still think that this was the tomb of the God of War.

"Ye Chen looked around this place, around this place there are some footprints that look quite new, it is estimated that these footprints were still a few days ago.

"Looks like Mei Yueli was right, a few days ago God Realm people came to this place."

Seeing these footprints, Ye Chen began to believe that what Mei Yueli said was true.

People from God Realm had just come to this place, they were definitely aiming for the rumored treasure.

If the people of God Realm knew that the treasures inside had been secured by Ye Chen, they would definitely be very disappointed.

In this place there are only sealed demons, there are no more treasures or inheritances in this place.

Ye Chen started to wonder who the person had spread such rumors, there must be someone who had spread these rumors on purpose.

Most likely the people who had spread the rumors were the servants from Nang Bu.

Only those people are most likely to spread these rumors.

If only Ye Chen could stop these people, Ye Chen would definitely stop these people.

This problem is really very troublesome for Ye Chen, Ye Chen feels that if the earth will no longer be like it used to be, there will definitely be more people from God Realm who will come to this place.

"I just hope that people from God Realm don't release the demons that are sealed in there." Ye Chen only hoped that people from God Realm didn't break the seal of demons.

If it was true that the demon's seal had been removed, then it was most likely that the young man who had just fought Ye Chen was a demon sealed underground.

If the young man just now was a Demon sealed underground, then that would be very dangerous, surely he would continue to try to extract blood essence from humans to strengthen himself.

Ye Chen started to enter the cave, himself at full speed began to head towards the bottom of this prison.

Since Ye Chen had to walk quite a long way, it took Ye Chen a long time to reach the core of the Demon Prison.

While on the way to the inside, Ye Chen could see that there were some corpses that looked quite foreign.

These corpses must be relatively new, they must be the ones who died forcing their way into this place.

This place was full of deadly traps, this was also the reason why Ye Chen didn't let Zhang Shiyun, Xue Suyin and Mei Yueli come along with him.

Ye Chen continued his journey, he continued his journey to the Demon prison core.

On the way Ye Chen met a lot of corpses, be it from the God Realm or the higher ups of the big factions.

The reason Ye Chen knew that people were from the Big Faction, was because Ye Chen could see that the clothes these people had were from modern Earth.

So Ye Chen could guess that most likely these people were from a large faction.

Ye Chen was quite pity when he saw what happened to these people, they were used by people from God Realm for this kind of thing.

Now that perhaps the power possessed by the large faction would decrease greatly, they had lost important people, surely the large faction would experience a considerable decrease in strength.

This matter was none of Ye Chen's business, so Ye Chen didn't really care about it.

Ye Chen continued his journey, himself focused on the original purpose of coming here.

Ye Chen didn't want to bother looking for the treasures that belonged to those who had died, Ye Chen knew that the treasures they had were definitely taken away by their own friends.

This world is quite cruel, people are starting to think about themselves.

Ye Chen continued his journey, ignoring the people who had passed away.

When Ye Chen had almost reached the very core of the prison, he suddenly turned towards the back.

"How long do you want to hide and follow me, come out quickly, I already know where you are" Ye Chen said to someone who was secretly following him.

Ye Chen had been aware of this person's existence for a long time, it's just that Ye Chen was waiting for the right time to expose this person's existence.

A woman with a veil appeared right in front of Ye Chen, the beautiful woman who appeared in front of Ye Chen was Mei Yueli.

It turned out that the person who had been following Ye Chen had been Mei Yueli, not expecting Mei Yueli to follow Ye Chen secretly.

"Why are you following me secretly?" Ye Chen started asking the reason why Mei Yueli was following him secretly.

Actually Ye Chen didn't expect that the person who would follow him was Mei Yueli, he thought it was someone else who was eyeing him.

"I just wanted to find out where you went." Mei Yueli said that she wanted to know where Ye Chen was going.

Mei Yueli had no other intention when she followed Ye Chen to this place.

Actually the reason Mei Yueli followed Ye Chen was because Mei Yueli was worried about Ye Chen's safety, she was afraid something would happen to Ye Chen, that's why Mei Yueli decided to follow Ye Chen.

Mei Yueli was embarrassed to admit this, so it wasn't strange that Mei Yueli only said that she was following Ye Chen out of curiosity.

Ye Chen really can't think anymore about Mei Yueli, this woman is really so very complicated.

Whereas previously Mei Yueli was angry and left on her own, it was unexpected that Mei Yueli would come back again and follow her.

For some reason Mei Yueli fluctuates like this so often.

"Come with me" Ye Chen told Mei Yueli to come along with him to the core.

Mei Yueli nodded at Ye Chen, herself following Ye Chen towards the core of this Demon prison.

Since Ye Chen knew the location of this place well enough, he could easily reach the location of the core used to seal demons.

Ye Chen immediately looked at the coffin that was used to seal Demon.

When Ye Chen looked at the coffin, he found that the coffin was open, meanwhile there was absolutely nothing inside the coffin, it was empty.

This proves that the sealed Demon was completely liberated.

"Ancestor Sun Yang, are you still here?" Ye Chen immediately summoned Ancestor Sun Yang's remaining soul

Chapter 890 - Earth In The Past (1)

"young man , you came back to this place again" A voice spoke to Ye Chen.

This voice clearly belonged to Sun Yang's ancestors, Ye Chen began to look around this place, trying to find Sun Yan's whereabouts.

When Ye Chen looked around this place, Ye Chen found that Sun Yang's figure was not around this place, only the voice that Ye Chen could hear.

"Stop looking, you won't be able to see me" Sun Yang said to Ye Chen that Ye Chen wouldn't be able to find him.

"Ancestor Sun Yang why didn't you show yourself?" Ye Chen asked Sun Yang, he wanted to know why Sun Yang didn't appear like the last time.

"I can't do that, the rest of my soul is getting weaker, if I do that I can disappear from this world" Sun Yang told Ye Chen the reason why he didn't show himself like last time.

Sun Yang's remaining soul was getting weaker, if he showed himself in front of Ye Chen, then it could shorten his time.

"Ancestor Sun Yang what really happened to this place, why are the chests that were previously used to seal demons open?" Ye Chen immediately asked the main point, he wanted to know why the chest was used to seal demons.

"A few days ago there were some people who came to this place, those people who had broken the seal that sealed the demon." Sun Yang told Ye Chen what had happened.

A few days ago people from the God Realm came and broke the seal that was used to seal demons.

"So it's true that the Demon at that time is now free" said Ye Chen to Sun Yang.

"Yes, the demon from that time has managed to get out." Sun Yang confirmed that the Demon at that time had managed to get out of this place, right now maybe the Demon was roaming around looking for prey.

It seemed that Ye Chen's guess was correct the young man back then was probably the Demon sealed in this place.

Now that Ye Chen has found the answer he wants, Ye Chen now knows that the young man must have been a demon at that time.

"Sun Yang's ancestor, but why is the appearance of a demon so different, I can barely recognize him anymore" said Ye Chen to Sun Yang.

"It's because the Demon back then had taken over the body of one of the people who came to this place, so naturally his appearance was different from before." Sun Yang started to explain to Ye Chen what happened.

"Then what happened to that Demon's real body?" Ye Chen asked Sun Yang.

"Most likely this time Demon it still can not use his real body, this time Demon is still too weak because he had been separated from the seal, now he needs a lot of blood to cultivate" Sun Yang explained to Ye Chen about why Demon is not using the original body .

"I see." Ye Chen nodded after hearing Sun Yang's explanation, finally he understood what was going on, it turned out that that person was deliberately sucking the Blood Essence of the earth's inhabitants for his own benefit.

"Ancestor Sun Yang, then what will happen if that being gets its real body?" Ye Chen asked what would happen if the Demon managed to get its original body back

"If that Demon can use its original body, then there will definitely be a mess that you can't imagine" Sun Yang told Ye Chen what would happen if it reached Demon if he managed get his real body.

there will be a calamity very big both on earth and God Realm.

Ye Chen was a little horrified when he heard this, it seemed like there would be a tremendous amount of destruction if the Demon used his real body.

"Ye Chen, who are you talking to?" Mei Yueli asked who Ye Chen was currently talking to.

Mei Yueli couldn't hear what Sun Yang said.

Unlike Ye Chen who could still listen to Sun Yang's words, Mei Yueli could neither hear nor see Sun Yang's presence, so it wasn't strange that Mei Yueli was confused when she heard Ye Chen talking alone like a fool.

"You can't hear Ancestor Sun Yang's voice?" Ye Chen asked Mei Yueli.

Mei Yueli shook her head, she really didn't hear any sound in this place, this place was very quiet, she could only hear Ye Chen talking to himself like a fool.

"He can't hear my words, only you can hear my words." Sun Yang immediately said to Ye Chen that only Ye Chen could listen to his words.

Meanwhile Mei Yueli would not be able to listen to Sun Yang's words.

"I see." Ye Chen finally understood what happened, it turned out that Sun Yang's ancestor made a personal voice transmission that only Ye Chen could hear.

Ye Chen started explaining what happened to Mei Yueli, he told Mei Yueli that he was talking to the guards guarding this place.

Mei Yueli was a little surprised when she heard this, she didn't know why Ye Chen knew the guards of this place.

Mei Yueli began to feel that Ye Chen was very mysterious, Ye Chen kept a lot of secrets that really made people from God Realm like Mei Yueli dumbfounded.

After explaining to Mei Yueli, Ye Chen wanted to go back to discuss something with Sun Yang.

"Ancestor Sun Yang, why are there several demons on this planet, actually what happened to this place in the past." Ye Chen asked Sun Yang a question.

Ye Chen had been curious about this for a long time, he wondered why on earth there were several demons that were sealed, actually what happened in the past to the point that there were so many demons on earth.

"Do you really want to know this story?" said Sun Yang to Ye Chen.

Ye Chen nodded at Sun Yang, he wanted to know everything.

"In the past, while still in the top era of Gods, Gods & Demons fought each other on the borders of the God Realm & Demon Realm".

"God & Demon are fighting each other to fight over the territory owned by each Realm" Sun Yang started telling stories from the past '

"Ancestors, why did God & Demon fight on the border, why didn't the God Realm side directly invade into the Demon Realm "Ye Chen started why didn't the gods in the past directly invade the Demon Realm territory.

It would be very easy if they rushed at the enemy.

"Listen to my story carefully first" Sun Yang told Ye Chen not to interrupt his story.

Ye Chen immediately closed his mouth tightly, he no longer dared to interrupt Sun Yang's story.

"Neither God & Demon in the past did not dare to rush into the other party's territory, if a Demon enters the territory of God Realm, then they will become weak and helpless, meanwhile when God enters Demon Realm territory, then they will also become weak, because of this both Demon & God don't dare to fight in enemy territory, they only dare to fight in their own territory "said Sun Yang to Ye Chen.

Ye Chen nodded after hearing this, he now understood why God & Demon only dared to fight in the border area between God Realm & Demon Realm, it turned out that this was the reason.
