

Chapter 891 - Earth In The Past (2)

"One day a Demon Clan called Blood Soul came, it was a Demon Clan with a very terrifying special ability." Sun Yang finally started telling about the most dangerous Demon Clan in this world.

Ye Chen started to listen carefully when Sun Yang talked about the Blood Soul Clan, he wanted to know what kind of Demon Clan Sun Yang was talking about.

"Blood Soul Clan is a Demon Clan that has the ability to take over someone else's body and turn that body into his new vessel".

"In the past the Blood Soul Clan used this ability to infiltrate the God Realm, they took over the body of a God and used it to destroy everything in God Realm".

"Because of the Blood Soul Clan, the Gods began to distrust each other, they began to suspect each other as the incarnation of a Demon." Sun Yang began to tell what this Blood Soul Clan was like.

It turns out that this is a clan that has the ability to take over other people's bodies.

" Then, what happens next ?" Ye Chen asked Sun Yang.

"The Supreme Gods finally gathered to discuss a way to solve this problem, finally a plan was made to lure all the members of the Blood Soul Clan out of their hiding places.

"The Supreme God decided to use an object that may interest belongs Blood Soul Clan, it was decided to use a legacy left by Legendary Demon God to provoke Blood Soul Clan to come out and show themselves"

"And the little star where you live is a location chosen to be a place to lure Blood Soul Clan members out of hiding, "said Sun Yang to Ye Chen.

Ye Chen nodded after hearing this, from here alone Ye Chen can understand what happened.

It seemed that Earth was chosen as the location to lure the Blood Soul Clan out of their hiding place.

"After all the planning was carefully prepared, the supreme gods immediately carried out their plans, they gathered various gods with the strongest power to help".

"Did you guys manage to win easily?" Ye Chen asked Sun Yang.

"At first everything went according to plan, but when things went wrong, there were some of the Gods who turned out to be overpowered by the Blood Soul Clan, this of course created a mess among the existing Gods".

"All the initial plans failed miserably, in the end we couldn't help being forced to fight fully with the Blood Soul Clan in this battle, there were so many Gods who died".

"The Blood Soul Clan is much more numerous and stronger than everyone thought, they possess extremely terrifying strength and are hard to kill.

"Due to the difficulty of killing the Blood Soul Clan members, everyone agreed to seal the Blood Soul Clan on the earth we are currently in".

"All the supreme gods combine their powers to create a seal that is so powerful that it seals demons in the core of this planet." Sun Yang finally told Ye Chen that the members of the Blood Soul Clan were sealed within the core of this planet.

It could be said that in the depths of planet Earth there are a lot of demons who are still sealed.

Ye Chen held his breath when he listened to Sun Yang's story, it was unexpected that long ago this planet was a place that was used as a battlefield between God & Demon.

In addition, the inner part of the earth is sealed by all the Demon Clans which are extremely dangerous.

If all the demons on this planet were free, then Ye Chen could no longer think about what would happen to this world.

Ye Chen now also understands more about why there are so many treasures on earth precious, most likely these treasures come from Gods who once existed on earth.

"Just from this short story, do you understand what happened?" Sun Yang asked Ye Chen.

"Yes, I already understand what happened, it can be said that in the past Earth was a place used to battle and seal the Blood Soul Clan" Ye Chen said to Sun Yang.

"It's good if you understand, the earth is indeed a place to seal the Blood Soul Clan, so it's not strange if you can meet many demons in this place." Sun Yang told Ye Chen the reason why there could be demons on Earth, apparently it's still not that much. with the original number of demons sealed in the earth's core.

"You have to immediately stop the Demon that runs away from this place, if he succeeds in breaking the seal belonging to his friends, then something terrible will happen" Sun Yang told Ye Chen to immediately stop the Demon who had escaped from this prison.

If the Demon releases his friends from the Blood Soul Clan, then a major disaster will no longer be avoided.

"Sun Yang ancestors, please tell me how to defeat this Demon." Ye Chen asked Sun Yang for advice on how to defeat the Demon.

The demon Ye Chen fought against was too great, he had some very troublesome techniques for Ye Chen to fight.

"You won't be able to kill that Demon, he is the leader of the Blood Soul Clan, so it's quite difficult to kill this demon." Sun Yang told Ye Chen that it was impossible to kill the Demon who was imprisoned in this place.

"Then how do I beat him?" Ye Chen asked how he had defeated a demon, if it was not possible to kill a demon, then what should Ye Chen do now.

"You can use that coffin, that coffin is an artifact that has the ability to seal demons, you can use this coffin to seal a demon back" Sun Yang told Ye Chen that he could use the coffin in this place to seal a demon.

Using the golden coffin heirloom, Ye Chen was able to re-seal the Demon back to where he should have been.

"Ancestor, please tell me how to use that thing." Ye Chen asked Sun Yang to explain how to use the golden coffin.

Sun Yang happily explained a way to use the golden coffin heirloom to seal a Demon.

Ye Chen now understood how to seal a demon, all Ye Chen needed to do was put a demon into the golden coffin artifact.

"Alright, I've told you what to do, now it's time for me to go again" Sun Yang said that he was going to go.

Sun Yang had told Ye Chen what to do, now it was time for Sun Yang to leave.

Ye Chen nodded, now that he had got everything he needed, so Ye Chen let Sun Yang's ancestor go.

After Sun Yang said that he was going to leave, Ye Chen no longer listened to the voices around him, around him it became very quiet.

Ye Chen no longer wasted time, he immediately went to retrieve the golden coffin in the middle of this room.

Ye Chen tried to lift the coffin in the middle of this room, unfortunately this thing was very heavy.

"Yuechan, is it possible to put this thing into the fairy gate?" Ye Chen asked if he could enter this thing into the fairy gate.

"Of course you can" Chu Yuechan told Ye Chen that he could enter this thing into the fairy gate.

"Very nice". Ye Chen immediately put the golden coffin into the fairy gate storage room, this way Ye Chen no longer bothered to carry this heavy object in his hand.

Chapter 892 - Give Mei Yueli A Lesson That Will Not Be Forgotten

"Ye Chen, what are you trying to do?" Mei Yueli asked what Ye Chen was trying to do right now.

Mei Yueli still didn't understand what Ye Chen and Sun Yang had just talked about, which was why Mei Yueli asked what Ye Chen was going to do.

"I want to use that thing just now to seal the young man we met earlier." Ye Chen told Mei Yueli what he wanted to do.

"How to?" Mei Yueli asked Ye Chen.

Mei Yueli wanted to know the workings of the golden coffin that Ye Chen had just put into the fairy gate.

Ye Chen told Mei Yueli how to use the artifact just now, Ye Chen told this so Mei Yueli could help himself seal the Demon.

Mei Yueli nodded, she now understood what thing Ye Chen had just picked up, it turned out to be an object that was used to seal demons.

"Let's get away from this place" Ye Chen invited Mei Yueli to leave this place, Ye Chen wanted to immediately go find the whereabouts of that Demon.

"Why hurry, let's find some treasures in this place." Mei Yueli still wanted to stay in this place for a while, she wanted to find some valuables that might be in this place.

This was where Mei Yueli came to earth, therefore she wanted to find the treasures in this place.

"I told you that in this place there are no more treasures, this is a prison, don't get your hopes up." Ye Chen reminded Mei Yueli that in this place there was no treasure she was looking for.

So it was useless for Mei Yueli to waste her time looking for something, she wouldn't find anything in this place.

"I don't believe it, there must still be a treasure in this place, you must be trying to hide something from me right?" Mei Yueli was even suspicious of Ye Chen, suspecting that Ye Chen had monopolized the treasures in this place for himself.

"-_- " Ye Chen felt helpless when he heard Mei Yueli's words, somehow this woman was so troublesome.

"It's up to you, you can keep looking for what you want, I'll come out first" Seeing that Mei Yueli didn't want to be taken out of this place, Ye Chen decided to leave this place alone.

Ye Chen didn't want to stay in this place for too long, there was no point in being in this place just to accompany Mei Yueli to search for treasures that were not in this place from the start.

"Where are you going, I won't just let you go." Mei Yueli immediately stopped Ye Chen, she didn't want Ye Chen to leave herself in this place alone.

Mei Yueli still needed Ye Chen as a guide, she wouldn't just let Ye Chen go.

"Don't drag me into your personal matters, I want to get out of this place." Ye Chen told Mei Yueli not to drag himself into her personal matters.

If Mei Yueli really wanted to find a treasure in this place, Mei Yueli could go alone to find it, Ye Chen didn't want to bother in this kind of matter.

Mei Yueli was quite annoyed when she heard this, Ye Chen really rejected her.

Mei Yueli was a beautiful woman who was quite popular in her Sect, although Mei Yueli was afraid of men, there were still many men in the Nine Immortals Peak Sect who were love Mei Yueli.

The peak where Mei Yueli lived was famous for the beauty of the women who inhabited the place, so it wasn't strange that there would be lots of applicants who were willing to do anything if Mei Yueli asked.

And now that there was a man who dared to reject himself, this was a very annoying matter for Mei Yueli.

Ye Chen tried to get past Mei Yueli, he wanted to leave this place immediately.

When Ye Chen passed Mei Yueli, he was stopped by Mei Yueli again.

Mei Yueli really didn't let Ye Chen leave this place just like that.

"Why are you so stubborn, quickly get out of my way" said Ye Chen to Mei Yueli.

Ye Chen felt that Mei Yueli was very harsh, it was very difficult to change Mei Yueli's way of thinking.

"You won't be able to leave this place, I won't let that happen." Mei Yueli said that she wouldn't let Ye Chen go.

Mei Yueli will use her strength to restrain Ye Chen from leaving this place.

"Are you sure you can keep me in this place?" Ye Chen said to Mei Yueli.

"Of course, my strength has recovered, you won't be able to win against me." Mei Yueli arrogantly said that if her strength had recovered, Ye Chen now wouldn't be able to win against her.

"You are quite arrogant after your power returns, it seems I have to let you know the greatness of mine".

Looks like Ye Chen has to teach a lesson for Mei Yueli will never forget, let Mei Yueli know who he really is.

Ye Chen began to stretch out his hands towards Mei Yueli's body in front of him.

With Ye Chen's lightning speed, he managing to touch Mei Yueli's body, Mei Yueli didn't seem to put up a fight when this happened.

"It's time to try the Passion Goddess technique." Ye Chen wanted to try using the Passion Goddess technique on Mei Yueli.

He wanted to try how strong the Passion Goddess technique was compared to the king's heart technique he had.

When Ye Chen used the Passion Goddess technique, suddenly Mei Yueli's body felt hot and uncomfortable.

Mei Yueli felt that her body was very weak and didn't have a single strength left in her body.

In addition, Mei Yueli's mind felt strange, she felt very lustful, there were lots of lewd scenes that appeared in her mind.

Mei Yueli suddenly fell forward right in Ye Chen's arms, Mei Yueli was panting in Ye Chen's arms.

"What did you do to me?" With an unstable voice, Mei Yueli asked what Ye Chen was doing to her.

Mei Yueli felt really really strange, she had never felt this kind of feeling in her life, she suddenly became aroused like a very thick woman.

Ye Chen was a little surprised when he saw the prowess of the Passion Goddess technique, the Passion Goddess technique was far more powerful than what Ye Chen had expected.

In just seconds, Mei Yueli was immediately transformed into a woman who looked very stimulating and very lewd.

"Hehehe, of course I want to teach you a little proper lesson, I will definitely let you know who I am." Ye Chen started to put a wicked smile towards Mei Yueli.

Ye Chen seemed to enjoy doing this kind of thing to Mei Yueli.

Mei Yueli felt a bad feeling when she saw the evil smile shown by Ye Chen.

She felt that Ye Chen would do something bad to her.

Ye Chen started to touch Mei Yueli who was in his arms, he began to stimulate Mei Yueli with the fingers skills he had.

"Um, ahhh ♥□♥□♥□" Mei Yueli started to make a coquettish voice which was enough to stimulate anyone to listening .

Mei Yueli felt a very pleasant feeling in her body when Ye Chen's fingers touched her body.

This feeling was so wonderful, Mei Yueli had never felt this kind of feeling in her life.

Chapter 893 - Mei Yueli Passed Out

Ye Chen enjoyed doing this, it was very nice to tease and teach a stubborn woman like Mei Yueli a lesson.

Ye Chen continued to use his fingers to tease Mei Yueli, Ye Chen did not hold back his abilities, he used all his abilities to seduce Mei Yueli.

"Ahhh ♥□♥□♥□" With the skills possessed by Ye Chen, Mei Yueli very quickly reached the peak of happiness, this feeling was really comfortable, Mei Yueli felt like she was in heaven.

Mei Yueli couldn't believe this feeling, she couldn't believe that this feeling was so comfortable.

From childhood until now, this might be the first time Mei Yueli felt this kind of feeling.

"Huff" Mei Yueli started to pant, you can see that Mei Yueli was very tired, Mei Yueli felt that the strength in her body had disappeared.

Ye Chen didn't just let go of Mei Yueli, he wanted to do this more and more.

If it's just this, then it won't be enough for Mei Yueli, Mei Yueli should be taught a lesson so that she knows who Ye Chen really is.

No matter how strong a woman was, if they faced Ye Chen's hand skills, they would turn into this kind of state.

Ye Chen continued to stimulate Mei Yueli, he touched Mei Yueli in a very stimulating motion.

"Ahhh ♥□♥□♥□" Mei Yueli let out a sweet-sounding groan again.

She seemed to really enjoy Ye Chen's hand skills.

Mei Yueli's body seemed to be trembling because of the pleasure provided by Ye Chen, she really had started to lose her mind.

Now that all Mei Yueli had in mind was endless pleasures, Mei Yueli had actually entered into the abyss of endless lust.

"So do you now know who I am?" Ye Chen whispered in Mei Yueli's ear.

Mei Yueli's body trembled again when she heard Ye Chen's words.

Ye Chen's words made Mei Yueli's body tremble, just from Ye Chen's words could make Mei Yueli feel so aroused.

Ye Chen's words were like a voice belonging to a devil trying to seduce Mei Yueli.

Because the pleasure was too great, Mei Yueli could no longer answer Ye Chen, she really was completely in control of lust.

"Ahhh, Ahhh, Ahhh ♥□♥□♥□" Mei Yueli continued to let out a sweet groan, Mei Yueli's voice echoed very clearly in this room.

This sound could really make anyone who heard it feel aroused, it was unexpected that a ignorant virgin woman like Mei Yueli could make a sound like this.

If Mei Yueli was trained by Ye Chen, surely Mei Yueli would be a very seductive woman on the bed.

In just ten minutes Mei Yueli had come out dozens of times, Mei Yueli's endurance was really very weak.

Mei Yueli suddenly lost consciousness of hers, she was no longer able to endure the feeling that was given by Ye Chen.

Ye Chen saw that Mei Yueli had fainted, Mei Yueli was completely defeated by Ye Chen.

Ye Chen smiled with satisfaction seeing this, Mei Yueli really was completely defeated by him.

With this Mei Yueli would no longer dare to go against himself, this time's lesson would definitely let Mei Yueli know who she was.

Ye Chen purposely did not overdo things to Mei Yueli, she still valued Mei Yueli as Xia Qingyu's friend.

If only Mei Yueli had not become close friends with Xia Qingyu, Ye Chen would probably have done more than this, it was likely that Ye Chen would have fun with Mei Yueli's well developed body.

"Master, you are quite naughty, you really made this woman in this state, fufufu." Chu Yuechan giggled when she saw what Ye Chen was doing to Mei Yueli.

Ye Chen had completely beaten Mei Yueli to her current state, what happened today would definitely not make an impression on Mei Yueli's heart.

Mei Yueli will definitely have a hard time forgetting about this for the rest of her life.

"Just let it go, this woman is too arrogant and stubborn, let her accept the punishment for daring to challenge me".

Ye Chen deliberately did this to punish Mei Yueli, let Mei Yueli's attitude change to him.

Ye Chen is a good person, he has been nice enough to Mei Yueli several times, unfortunately Mei Yueli doesn't seem to think of Ye Chen's kindness.

This was what prompted Ye Chen to do this to Mei Yueli.

At least Ye Chen had seen Mei Yueli's lecherous face, this would be a beautiful keepsake for Ye Chen.

"Alright, now let's get out of this place." Ye Chen intended to leave this place.

Ye Chen took Mei Yueli along with himself to leave this place.

Ye Chen carried Mei Yueli on his back, he carried Mei Yueli to leave the Demon Prison.

Mei Yueli, who had fainted and was taken by Ye Chen, left the Demon Prison.

Ye Chen hurriedly went outside, he didn't want to waste time in this place.

Using full speed, Ye Chen immediately walked out of this place.

After leaving, Ye Chen immediately went to see Zhang Shiyun and Xue Suyin, he wanted to know the current situation.

Ye Chen immediately went to where Zhang Shiyun and Xue Suyin were, in just a matter of minutes, Ye Chen finally met Zhang Shiyun and Xue Suyin.

It just so happened that Zhang Shiyun and Xue Suyin were observing the capital from above, both of them were trying to find out the whereabouts of a Demon.

Ye Chen met Zhang Shiyun and Xue Suyin, he asked Zhang Shiyun about the conditions in this place.

Zhang Shiyun told Ye Chen that the current conditions in the capital were still safe, that person did not return to attack the capital.

"Good, then for a while we go back to the villa first to strategize against that person" Ye Chen invited Zhang Shiyun and Xue Suyin to return to the Villa first.

In this matter Ye Chen needed Mu Xueying's help to fight the Demon.

Ye Chen himself would definitely have a hard time fighting demons, which was why he needed help from Mu Xueying and the others.

"Husband, you can go back first, we still have something to do." Zhang Shiyun and Xue Suyin still had something to do, they couldn't come back with Ye Chen.

"Alright, if you really can't participate, but please be careful, the enemy we are facing is terrible, if you meet him use this." Ye Chen gave the teleportation stone to Zhang Shiyun and Xue Suyin.

With this teleportation stone, the two of them can save themselves at any time if they encounter a demon.

"Husband, thank you very much." Zhang Shiyun and Xue Suyin thanked Ye Chen, both of them thanked Ye Chen for giving them an object that could save their lives.

"Then I'll go first" Ye Chen said goodbye to Zhang Shiyun and Xue Suyin, intending to bring Mei Yueli back together with himself to the Villa.

Zhang Shiyun and Xue Suyin waved at Ye Chen, they both saw Ye Chen and Mei Yueli leaving.

Zhang Shiyun and Xue Suyin immediately left to settle their business, both of them intended to welcome the people from the Great Faction who came to the Kunlun Holy Land territory.

Zhang Shiyun and Xue Suyin had just received news that all major factions were coming to this place with a large number of troops.

These people definitely didn't come with a good intention, there must be something behind all of this.

Chapter 894 - Mu Xueying And Mei Yueli's Reunion

Zhang Shiyun and Xue Suyin were prepared for the worst that could happen.

.

.

Meanwhile Ye Chen was now carrying Mei Yueli flying towards his villa.

For the time being let Mei Yueli stay in his villa, there was no way that Ye Chen would bring Mei Yueli who was in this condition to Xia Qingyu's house.

It was certain that Xia Qingyu would be suspicious and start questioning himself, it was better for the time being that Mei Yueli stayed in his villa.

Mei Yueli who was behind Ye Chen's back started to wake up, Mei Yueli's eyelashes trembling.

Mei Yueli started to open her eyelids, when Mei Yueli opened her eye, Mei Yueli's vision was still a little blurry.

When Mei Yueli had fully regained her sight, she found that in front of her was Someone's back.

As far as Mei Yueli could remember, previously she was still in the room with Ye Chen, but why did she suddenly find herself in the outside world.

Mei Yueli felt very confused when she saw this, Mei Yueli's brain still hadn't fully recovered because of what happened inside the Demon Prison.

Mei Yueli started trying to remember the hazy memories of her time with Ye Chen.

An embarrassing scene began to flash across Mei Yueli's head, that scene was very embarrassing for Mei Yueli, Mei Yueli really couldn't help thinking that she would show such an embarrassing thing in front of Ye Chen.

Mei Yueli didn't know why she could do something like that just from the touch of Ye Chen's fingers, her previous feelings were so good that they couldn't be expressed in words.

Mei Yueli buried her face on Ye Chen's back, feeling very embarrassed by what had happened before.

"This is his fault, why did he do that to me" Mei Yueli felt that this was all Ye Chen's fault, if only Ye Chen didn't tease her, maybe Mei Yueli wouldn't show her embarrassing side like that.

Ye Chen felt a movement coming from his back, Ye Chen knew that Mei Yueli had regained her consciousness.

" You already woke up ?" Ye Chen asked Mei Yueli who was currently on his back.

Mei Yueli didn't answer Ye Chen's question, she still felt embarrassed when she talked to Ye Chen.

"Hey, why are you silent, do I need to do things like before so you want to talk" Ye Chen said to Mei Yueli.

"You bad guy, how could you do that to me" Mei Yueli was angry when she heard the words Ye Chen said just now.

Mei Yueli started hitting Ye Chen's back using her fists.

Mei Yueli didn't use any strength to beat Ye Chen at all, it seemed like she just wanted to vent her anger on Ye Chen for what Ye Chen had previously done to her.

Ye Chen smiled when he saw what Mei Yueli was doing, what Mei Yueli was doing was like a woman complaining to her partner.

Ye Chen continued his journey to take Mei Yueli flying to his villa.

Mei Yueli who was on Ye Chen's back became quite calm, she seemed to be enjoying being on Ye Chen's wide and warm back.

"Why is a man's back so wide and very comfortable" Mei Yueli began to think that Ye Chen's back felt wide and very comfortable.

Mei Yueli felt comfortable when she was above him,

Mei Yueli had no idea where this thought came from, this thought suddenly appeared in Mei Yueli's brain.

Mei Yueli didn't say much, she enjoyed being on Ye Chen's back.

Ye Chen finally arrived at his villa, after arriving at his villa Ye Chen brought Mei Yueli down and into the villa.

When Ye Chen entered the villa, it happened that he did not see a single female figure welcoming him, it seemed that women had their own busyness.

Ye Chen took Mei Yueli to a special family room in the Villa, there was a suitable place for Mei Yueli to rest and recover.

Ye Chen couldn't possibly bring Mei Yueli to his room, it would be a misunderstanding if one of the women found out.

When Ye Chen entered the family room, he found that Mu Xueying was in this room, it was seen that the two of them were watching the news on the television in this room.

The news that Mu Xueying was looking at was news about an incident that had befallen residents in the capital.

Mu Xueying carefully listened to the news anchor on the television.

Mu Xueying was a smart woman, she quickly adapted to the technological developments in the modern earth.

"Did you see what was in the box thing?" Mu Xueying suddenly said to Ye Chen who was behind her.

Mu Xueying has detected Ye Chen's whereabouts, so Mu Xueying knows that Ye Chen is currently behind her.

"Of course, that time I was in that place." Ye Chen of course knew about the incident that happened in the capital, he happened to be there to help fight a demon who intends to absorb the blood essence of the capital's inhabitants.

"Do you already know who the person behind all this?" Mu Xueying asked Ye Chen.

"Of course I already know, the person behind all of this is a demon from the era of the gods." Ye Chen told Mu Xueying that the perpetrator of all this was a demon from the era of the gods.

Hearing this, Mu Xueying immediately turned around and looked at Ye Chen, she couldn't believe what Ye Chen had just said.

"What did you just say?". Mu Xueying again asked Ye Chen.

Ye Chen repeated his words again, telling Mu Xueying that the culprit was a Demon from the era of the gods.

Mu Xueying looked surprised when she heard this, she couldn't believe that the culprit was a demon from the god era.

If what Ye Chen said was true, then that would be very bad news.

"Xueying senior sister Is that you ?" Suddenly Mei Yueli who was on Ye Chen's back spoke, Mei Yueli suddenly called Mu Xueying who was in front of him.

Mu Xueying immediately looked at the woman behind Ye Chen, she wondered who the woman was on Ye Chen's back.

Mei Yueli who was on Ye Chen's back immediately jumped towards Mu Xueying, Mei Yueli suddenly hugged Mu Xueying who was in front of her.

Ye Chen and Mu Xueying were both confused when they saw what Mei Yueli was doing.

"Xueying senior sister, This is really you, I can't believe you are still alive." Mei Yueli looked happy when she saw Mu Xueying still alive.

"Who are you?" Mu Xueying didn't know about Mei Yueli, she felt a little strange about Mei Yueli.

"Xueying senior sister, it's me Yueli, have you forgotten me?" Mei Yueli told Mu Xueying who she was.

Mu Xueying began to look at Mei Yueli who was in front of her, it was true that Mei Yueli looked very much like Mei Yueli who was still a little girl.

"You really are Yueli?" Mu Xueying asked Mei Yueli.

Mei Yueli nodded at Mu Xueying, she was glad that Mu Xueying finally remembered herself.

Chapter 895 - Ran Away From The Sect Because Of An Arranged Marriage

Mu Xueying was quite surprised when she saw Mei Yueli who had grown into a very beautiful woman with a well-developed body.

"You have now grown into a very beautiful woman, I barely remember you." Mu Xueying said to Mei Yueli who was in her arms.

Mu Xueying started stroking Mei Yueli's head that was in her arms, Mu Xueying looked like a mother who was spoiling her child.

It was strange that Mei Yueli seemed to be enjoying what Mu Xueying was doing, Mei Yueli seemed to really enjoy her head being petted by Mu Xueying.

Mei Yueli started to remember her past together with Mu Xueying when she was young, in the past Mei Yueli was often treated like this by Mu Xueying.

So it wouldn't be strange for Mei Yueli to like her to be needed this way by Mu Xueying.

Ye Chen was quite stunned when he saw what had just happened, he did not expect that Mei Yueli would know Mu Xueying.

"You two know each other?" Ye Chen asked Mu Xueying and Mei Yueli.

Ye Chen wanted to know since when Mu Xueying and Mei Yueli had known each other.

"Of course, we both come from the same peak of the Sect." Mei Yueli told Ye Chen that they both came from the same peak.

Ye Chen was shocked again when he heard this, it was unexpected that Mei Yueli and Mu Xueying came from the same Sect.

That meant that Mu Xueying was from the same peak as Mei Yueli, both from the same Sect, Nine Immortals Peak.

"Senior Sister, where have you been all this time, do you know that the master has been looking for you all over the place?" Mei Yueli said to Mu Xueying.

Hearing Mei Yueli's question, Mu Xueying immediately looked away, Mu Xueying seemed to avoid the question that was being asked by Mei Yueli.

Ye Chen saw Mu Xueying's strangeness, it seemed that something was happening between Mu Xueying and her master.

Otherwise why did Mu Xueying look like she was trying to avoid the question that Mei Yueli had asked her.

Ye Chen became curious about what really happened, he wanted to know what had happened to Mu Xueying and her master in past.

"Yueli, as long as I am in this place, I will continue to live in this place." Mu Xueying told Mei Yueli that she had been living on earth all this time.

"Senior Sister, why are you living in a remote place like this?" Mei Yueli asked why Mu Xueying lived in a place like this.

"I have my own reasons for that." Mu Xueying refused to tell Mei Yueli about the reason she had decided to leave the Sect and live in this place.

Ye Chen became more and more curious about what was going on, he was getting more and more curious about Mu Xueying's past.

"Senior Sister, please tell me, I want to know about that matter." Mei Yueli whined to Mu Xueying, she really wanted to know the reason why Mei Yueli left the sect and had to live in a remote place like the earth.

Mei Yueli actually started acting like a little girl in front of Mu Xueying.

Mu Xueying was helpless when she saw what Mei Yueli was doing, even though Mei Yueli had grown up, she still acted like a child in front of her.

Mu Xueying turned her eyesight towards Ye Chen, she saw that Ye Chen was just as curious about how Mu Xueying could leave the sect.

"Are you also curious about this?" Mu Xueying asked Ye Chen.

"Hehehe, of course, I'm a little curious about this." Ye Chen told Mu Xueying the truth.

Ye Chen wanted to know a little about Mu Xueying's past, after finding out that Mu Xueying was from the same Sect as Mei Yueli, Ye Chen's curiosity towards Mei Yueli became even greater.

"The reason I left the sect was because my Master tried to affianced me with someone I didn't like." Mu Xueying told the reason why she was able to leave the Sect.

It turned out that the reason Mu Xueying left the sect was because she had tried to be affianced with someone she didn't like.

"Huh? How could you master that to do that to Senior Sister?" Mei Yueli could hardly believe what she had just heard, she didn't expect that her master would affianced Mu Xueying with someone she didn't like.

Even though Mu Xueying was the favorite disciple of Master, how to master able to affianced Mu Xueying to someone else, this was completely inconceivable to Mei Yueli.

"Master has a good reason for doing that, it's because my condition is getting worse every time due to excess Yin Qi, that's why Master has decided to find someone worthy of me." Mu Xueying started telling Ye Chen and Mei Yueli about her past.

Ye Chen and Mei Yueli listened carefully to Mu Xueying's past.

It seemed that the reason Mu Xueying had run away from the Sect was because she didn't want to be affianced with someone she didn't like.

It was like a story that Ye Chen often listened to in novels, a woman runs away because she doesn't want to be arranged with someone they don't like.

"So that was the reason for staying in this place, it turns out that from the start you were deliberately hiding in this place to avoid engagement?" Ye Chen now understands why Mu Xueying who has high cultivation can be on earth, it turns out that Mu Xueying is running away from an arranged marriage.

No wonder at that time Mu Xueying had said that she founded the Frozen Ice Sect to find women who would accompany her alone, apparently this was the reason.

"So that's the reason Senior Sister left." Mei Yueli finally understood why Mu Xueying left the sect several thousand years ago turned out to be an arranged marriage with a person she didn't like.

"So now you two know the reason why I left the Sect?" Mu Xueying asked Ye Chen and Mei Yueli.

"Yes, now we understand." Mei Yueli and Ye Chen simultaneously answered Mu Xueying.

"It's good if you both understand, please keep this matter a secret from others, I don't want anyone else to know about this matter." Mu Xueying told Ye Chen and Mei Yueli to keep this matter a secret.

Ye Chen and Mei Yueli nodded, both of them promised to keep this matter a secret from outsiders.

"Senior Sister, you have to help me find justice." Mei Yueli suddenly asked Mu Xueying to help her seek justice.

"Who would dare bully you?" Mu Xueying asked who had dared to bully Mei Yueli.

"That man is the one who dared to bully me." Mei Yueli pointed at Ye Chen, herself telling that Ye Chen was the one who bullied her.

Mu Xueying immediately looked at Ye Chen with an extremely sharp gaze.

Mu Xueying's gaze was very uncomfortable for Ye Chen, Mu Xueying's gaze seemed to penetrate Ye Chen's body.

"How can he bully you, isn't your cultivation much higher than his?" Mu Xueying started to wonder how Ye Chen bullied Mei Yueli.

It was clear that Mei Yueli's cultivation was far above Ye Chen's, if Ye Chen dared to bully Mei Yueli, Mei Yueli would have defeated Ye Chen very easily.

" that. .. " Mei Yueli looked troubled while trying to answer Mu Xueying's question, she couldn't possibly tell Mu Xueying about the scene she had previously experienced with Ye Chen.

Chapter 896 - Can You Make Me One Too

"Yes, how could I do that, if I dared to bully you, you would have beat me up before I could do that." Ye Chen immediately raised his voice to defend himself.

Mei Yueli didn't have any proof of bullying from the start, so Mei Yueli wouldn't be able to complain to Mu Xueying.

"It's obvious that you have been bullying me." Mei Yueli pointed at Ye Chen in a very dissatisfied manner.

Ye Chen is truly a shameless man, he actually dares to twist the facts.

"Then do you have evidence that I have done bullying?" Ye Chen asked Mei Yueli, he wanted a proof that he had done bullying.

Mei Yueli didn't have solid evidence, which was why Mei Yueli couldn't prove it to Mu Xueying.

"Yueli, tell me how Ye Chen bully you, there's no way Ye Chen can do that to you right?" Mu Xueying still couldn't believe that Ye Chen was bullying Mei Yueli.

In terms of cultivation, Mei Yueli was clearly far above Ye Chen, if Ye Chen really did bully Mei Yueli, Mei Yueli would have beaten Ye Chen up.

Mei Yueli gritted her teeth, she was really very annoyed with Ye Chen.

In his heart, Ye Chen laughed with satisfaction, he was happy to see Mei Yueli cornered like this.

"Forget it." Mei Yueli sniffed coldly, it was useless if this matter continued, she would lose even more of her face.

Originally Mei Yueli intended to ask Mu Xueying for help to pack Ye Chen, not expecting that Mu Xueying would instead defend Ye Chen.

This made Mei Yueli very, very upset, why would Senior Sister Xueying want to defend a lewd and shameless man like Ye Chen.

Mu Xueying shook her head when she saw what Mei Yueli was doing, it seemed that even though it had been thousands of years Mei Yueli was still the same as an unreasonable little girl.

"Ye Chen, hurry up and give me my earrings." Mei Yueli collected her earrings from Ye Chen.

She wanted to immediately see the earrings that Ye Chen had made for her.

"Can't you ask nicely and be a little gentle?" Ye Chen asked Mei Yueli.

The tone that Mei Yueli used was unpleasant to listen to, it was like a bandit asking her victim for something.

Mei Yueli's mood wasn't very good right now, so the tone Mei Yueli used was a little harsh to Ye Chen.

"Yueli, you have to be more polite and gentle when asking something from someone." Mu Xueying scolded Mei Yueli for the attitude she had just shown.

Mu Xueying wanted Mei Yueli to be a little more courteous towards Ye Chen, after all Ye Chen was still the benefactor who had saved her.

So Mu Xueying hoped that Mei Yueli could be a little polite and respect Ye Chen.

Mei Yueli couldn't believe that Mu Xueying continued to defend Ye Chen, actually what happened that Mu Xueying wanted to defend Ye Chen instead of herself.

Mei Yueli started to think that Ye Chen might have given something to Mu Xueying so that Mu Xueying would really defend Ye Chen like this.

"You heard what Mu Xueying just said, hurry up and ask more politely and kindly." Ye Chen started to pose a victory pose in front of Mei Yueli.

Mei Yueli could only grit her teeth, she had no choice but to back down for now.

"Ye Chen, I beg you to give me the earrings that you promised before." Mei Yueli tried to ask her back in a slightly gentler tone than before.

Even though Mei Yueli's tone sounded gentle and polite, Ye Chen could still feel a slight trace of hostility in Mei Yueli's words.

"That's good enough, this is your earrings " Ye Chen passed a box containing the earrings he made to Mei Yueli.

Mei Yueli immediately received the box given by Ye Chen, Mei Yueli couldn't wait to see what was in the box in her hand.

Mei Yueli started to open the box in her hand, when Mei Yueli opened the box in her hand, she saw that a pair of earrings looked very beautiful.

Mei Yueli's Ruby eyes shone when she saw the earrings in the city, these were the most beautiful jewels Mei Yueli had ever seen.

Mei Yueli's mood immediately improved when she saw the jewelry in her hand, she was completely satisfied with the jewelry that Ye Chen had made for her.

Mu Xueying was curious about the object Mei Yueli asked Ye Chen, Mu Xueying began to peek at the thing in Mei Yueli's hand.

When Mu Xueying peeked at the box in Mei Yueli's hand, she found a pair of earrings that were very beautiful.

Mu Xueying felt that she wanted one like the one in Mei Yueli's hands.

Mu Xueying was a woman, naturally she liked things like jewelry to beautify herself.

The temptation of the Heavenly Goddess Diamond was too strong for a woman, so it wouldn't be strange for Mu Xueying to show a little interest with the pair of earrings in Mei Yueli's hand.

Mei Yueli started to take out a pair of earrings made of Heavenly Goddess Diamond, she started wearing this pair of earrings.

When Mei Yueli wore a pair of Heavenly Goddess Diamond earrings, she looked even more beautiful, Mei Yueli's aura of beauty became even stronger when wearing earrings made of Heavenly Goddess Diamond.

Mei Yueli immediately went to the mirror in this room, she wanted to see what her appearance would look like after wearing earrings made of Heavenly Goddess Diamond.

When Mei Yueli looked at herself in the mirror, she found that her appearance had become even more beautiful just because of the pair of tiny earrings she was wearing.

Mei Yueli is really very satisfied with this, he is satisfied with Ye Chen's handicrafts which are very beautiful when he uses them.

Ye Chen saw Mei Yueli's mood change, Mei Yueli looked very happy when she got the pair of earrings she made.

Heavenly Goddess Diamond is indeed extraordinary, it can make the mood of a woman who was previously angry to be happy and happy.

Ye Chen couldn't wait to give all of his wives the jewelry made of Heavenly Goddess Diamond, he wanted to see the reactions of all of his wives when they got jewelry made of Heavenly Goddess Diamond.

Until now, Ye Chen hasn't given his wives any jewelry made of Heavenly Goddess Diamond, he still hasn't had the chance to do that.

Due to the incident in the Kunlun Holy Land and Ling Yin's attack, Ye Chen did not have time to give all the women the jewelry made of Heavenly Goddess Diamond.

Problem after problem kept coming, which made Ye Chen feel very inconvenient.

"Ye Chen, where did you get such beautiful jewelry?" Mu Xueying suddenly spoke to Ye Chen using voice telepathy.

Mu Xueying wanted to know where Ye Chen got such a beautiful jewelry from.

"Of course I made it." Ye Chen told Mu Xueying that he was the one who had made a pair of earrings for Mei Yueli.

"Then can you make me one too, I will pay a high price if you want to make me one like that." Mu Xueying asked Ye Chen to make one like Mei Yueli's, Mu Xueying didn't even hesitate to pay a high price if Ye Chen wanted to make one like Mei Yueli's.

Ye Chen didn't expect that Mu Xueying would be interested in the jewelry he made.

It seemed that Mu Xueying was attracted to rare items like the Heavenly Goddess Diamond.

Chapter 897 - Mu Xueying's Smile

"Are you really interested in the jewelry I make?" Ye Chen asked Mu Xueying.

"Of course, I am a little interested in the jewelry you make." Mu Xueying showed interest in the jewelry made by Ye Chen.

The Heavenly Goddess Diamond is indeed an attraction that is very difficult to resist for every woman who sees it, even a cold and indifferent Goddess will be attracted to the Heavenly Goddess Diamond.

"So how much pay do you want? , I can give you all the resources you want. "Mu Xueying asked about the payment that Ye Chen wanted.

Mu Xueying was very confident in her resources, so it wasn't strange that Mu Xueying would dare to offer such a high price if Ye Chen was willing to make a pair of earrings for herself.

"I don't want something like that, I want you." Ye Chen pointed at Mu Xueying, himself telling Mu Xueying that he wanted Mu Xueying.

Mu Xueying's expression was normal when she heard Ye Chen's words, Mu Xueying looked indifferent when she heard what Ye Chen just said.

Mu Xueying is extraordinary, she can be very calm when listening to the temptations that come from Ye Chen, it is quite rare to see a woman act normal when teased by Ye Chen.

Ye Chen started scratching his head, he was confused when he saw Mu Xueying who looked normal when he teased him.

Mu Xueying is truly a very calm and indifferent woman, it is quite difficult to move this woman's heart.

"Why didn't you react when you heard my words just now?" Ye Chen asked Mu Xueying who was in front of him.

"I know that you are trying to flirt with me, so hurry up and say what you want in return," Mu Xueying said to Ye Chen.

From the start Mu Xueying already knew that Ye Chen was trying to tease her, which was why Mu Xueying was still calm when she listened to Ye Chen's words.

"You really are boring, can't you just put on an expression that's a little pleasant to look at?" Ye Chen was completely helpless when he found out about this.

"Ye Chen, I'm discussing a serious business with you, so please don't mess with me." Mu Xueying told Ye Chen to be a little serious when doing business with her.

"Fine, this is for you." Ye Chen threw a small box at Mu Xueying.

Mu Xueying caught the box that Ye Chen had thrown, she began to look at the contents in the small box that Ye Chen had just thrown.

When Mu Xueying opened the box that Ye Chen had thrown, she found a pair of very beautiful earrings.

This earring had a different pattern from Mei Yueli's, it was as beautiful as the one Mei Yueli was wearing.

Mu Xueying smiled slightly when she saw the beautiful earrings in her hand.

Mu Xueying's smile was so beautiful, Ye Chen felt a little dazed when he saw the smile shown by Mu Xueying.

The smiling Mu Xueying was really very beautiful, she really looked like a goddess when she smiled like that.

It seemed like a fair price to exchange the Heavenly Goddess Diamond jewelry for the smile that Mu Xueying had.

Unfortunately Mu Xueying's smile only lasted a moment, Mu Xueying returned to the way before, she returned to a calm and indifferent appearance.

"So what do you want as payment." Mu Xueying asked what Ye Chen wanted in exchange for the earrings in her hand.

"You don't have to pay with the things you have, I just hope you can help me if I need your help." Ye Chen didn't want Mu Xueying's belongings, he only wanted Mu Xueying to help him when he needed help.

"Are you sure about that?" Mu Xueying asked Ye Chen again.

"Yes, I am absolutely sure." Ye Chen told Mu Xueying that he was very sure of what he had just said.

"OK." Mu Xueying nodded at Ye Chen, she agreeing with what Ye Chen wanted.

Mu Xueying did not expect Ye Chen to give herself the Heavenly Goddess Diamond for nothing like this, Ye Chen was really too kind to give herself such a valuable item for free.

Mu Xueying immediately kept the jewelry box in a safe place.

"How do I look, do I look beautiful?" Mei Yueli returned to Ye Chen and Mu Xueying's side, herself asking Ye Chen and Mu Xueying about her current appearance.

"Of course you are beautiful." Ye Chen was the one who commented on Mei Yueli.

Ye Chen told Mei Yueli that she looked more and more beautiful.

Mei Yueli looked very happy when she listened to Ye Chen's praise, her heart felt sweet when Mei Yueli listened to the praise given by Ye Chen.

"Boom. . . ." an extremely violent explosion occurred, it seemed the origin of this explosion came from outside.

"What happened?" Ye Chen started to wonder what was going on out there, how come there was an explosion going on out there.

"Let's see." Mei Yueli invited Ye Chen and Mu Xueying to go and look outside.

Ye Chen and Mu Xueying immediately nodded at Mei Yueli, the three of them immediately went to check the situation outside.

When Ye Chen, Mei Yueli and Mu Xueying got outside, they saw the city burning everywhere.

There were countless hysterical screams of despair that could be heard from afar.

Ye Chen immediately used his God Eyes technique to see what was going on.

When Ye Chen used the God Eyes technique, he saw that there were thousands of people who carried weapons and had strength attacking the people in the city.

From the looks of it, Ye Chen could tell that these people were not cultivators, obviously they were from the large faction that controlled the world.

These people actually attacked this city and spread fear to the people in the city.

Several people attacking the city started heading towards Ye Chen's villa, it seemed that they wanted to attack the Golden Eagle district.

Ye Chen did not remain silent when he saw these people attacking his residence, Ye Chen immediately stepped forward to stop the people who had attacked this city.

"Ye Chen, wait a moment." Mei Yueli called Ye Chen, who had first gone to fight the people who had attacked the city.

"These people don't seem to come from this land? ,Are they from the big faction that controls this world?" Mu Xueying saw that these people were not from this land, it was clear that these people were from the great faction that controlled this world.

"Senior Sister what are we going to do, are we just going to watch or help?" Mei Yueli asked what they should do now, whether the two of them should interfere in this matter or not.

"Let's help, we can't allow this persecution to continue." Mu Xueying intended to help solve this problem.

Mu Xueying owed Ye Chen a lot, she couldn't possibly let Ye Chen's hometown be destroyed by these people.

"Senior Sister, then I want to go see my friend first." Mei Yueli wanted to see Xia Qingyu's condition, she was afraid that bad things would happen to Xia Qingyu.

"Go away." Mu Xueying allowed Mei Yueli to go see Xia Qingyu.

"Fine." Mei Yueli nodded, she immediately went to Xia Qingyu's place.

Mu Xueying took her veil, she immediately put the veil on her face, after wearing the veil, Mu Xueying immediately went after Ye Chen, who had already gone against the people who had attacked the city.

Chapter 898 - Big Faction Started Attacking The City

Ye Chen was currently going to face the people who attacked the city, Ye Chen was now standing right in front of the people who had dared to attack the city where he lived.

"Who exactly are you?" Ye Chen didn't beat people straight away, Ye Chen first wanted to confirm where these people had come from.

"Look, we finally found one of the dogs from the Kunlun Holy Land, let's kill this person." When these people saw Ye Chen, they all immediately wanted to kill Ye Chen.

Judging from the words these people just spoke, it seemed that the targets of these people were cultivators who came from the Kunlun Holy Land.

These people immediately attacked Ye Chen, they all launched all kinds of attacks towards Ye Chen.

The attacks of these guys were really varied, each of them all had their own special abilities.

"Looks like you guys refuse to tell where you're from, then don't blame me for using violence against all of you" said Ye Chen to the people in front of him.

These people didn't seem like they would tell Ye Chen about their origin, it was better that Ye Chen just beat them and find out where they came from.

"Booom. . ., Bammm. . ., Booom. . ., Bammm. . ., Booom. . ., Bammm. . .," several attacks hit Ye Chen's body.

A fairly strong explosion occurred around Ye Chen's body, around Ye Chen's body was now enveloped by a thick black smoke from the explosion.

The black smoke that was around Ye Chen's place began to disappear, when the thick black smoke that was around Ye Chen disappeared, Ye Chen's figure was no longer visible.

"Hahaha, we managed to kill one dog from this Kunlun Holy Land too easily." One of these people looked very happy when they found out that Ye Chen had died.

"Hahaha" everyone in this group started laughing and laughing at Ye Chen's death.

"What are you all laughing at" Suddenly from behind came someone's voice.

The people who were laughing before immediately stopped laughing, they all immediately looked towards the back.

When they looked towards the back, they saw Ye Chen's figure who was already standing right behind them.

These people started to panic, they all immediately retreated backwards.

Too bad Ye Chen didn't let these people just back off, Ye Chen started to launch attacks on the people in front of him.

"BAM, BAM, BAM, BAM," Ye Chen knocked on these people, he very easily knocked out the group that came from the big faction.

After knocking these people helplessly, it was time for Ye Chen to find out where they had come from.

"Quickly tell me where you are from" Ye Chen pulled the collar of one of the enemies in front of him.

This person was clearly the one who previously shouted the loudest, most likely this person was the leader of this group.

"I won't tell where I'm from." This person refused to tell Ye Chen where he was.

"You are stubborn, then don't blame me for being cruel" Seeing these people being naughty and unwilling to answer questions from him, Ye Chen was forced to use some harsh means to force these people to speak.

Ye Chen didn't have the time to ramble on with these people, in the city there were still a lot of enemies hanging around waiting to be defeated.

Ye Chen began to use some means to make the person in his hand want to speak.

"Arghhh. . ., stop. . ., stop it. . ., oke . . ., oke . . ., I'll talk." The person in front of Ye Chen finally wanted to talk, he couldn't stand what Ye Chen was doing to him.

"Hurry up and speak." Ye Chen told the person in front of him to talk.

"I come from Chaos Bridge" this person told Ye Chen that they were from Chaos Bridge.

Ye Chen now knows that it turns out that these people are from Chaos Bridge,

"what did Chaos Bridge do to attack this city?" Ye Chen asked why these people attacked this city.

"I don't know about it, I was just ordered by my superior to attack and destroy the city that is in the territory of the Kunlun Holy Land faction." This person didn't know the reason for attacking this city.

They were all ordered only to attack cities in the Kunlun Holy land and destroy them.

"You useless bastard." Ye Chen threw this person flying away, he thought this person was completely useless.

"Chaos Bridge, how dare you mess up my place of residence, I will definitely make you regret it." Ye Chen would not let this matter pass, he had to make Chaos Bridge pay for what they had done.

Ye Chen looked at the people from Chaos Bridge who was lying on the ground, what Ye Chen should do to these people.

"Cling. . ." Suddenly the people from Chaos Bridge turned into ice statues.

Seeing this incident, Ye Chen immediately looked up to the sky, above the sky Ye Chen saw a beautiful woman wearing a white shirt and a veil.

"Mu Xueying?" Ye Chen muttered softly in his heart.

This was Ye Chen's first time seeing Mu Xueying wearing a veil on her face, for some reason when Mu Xueying put on her veil, she looked more and more seductive and beautiful.

Mu Xueying descended right in front of Ye Chen's body, "Ye Chen don't waste your time with these people, look over there it looks like these people don't belong to the same faction." Mu Xueying pointed somewhere.

Ye Chen looked at the direction Mu Xueying was pointing, when Ye Chen looked in the direction Mu Xueying was pointing at, he found that there were several groups that were fighting each other.

Judging from the battles they had, these people weren't from the same faction.

There was no way they would fight if they were from the same faction.

Ye Chen started to wonder what factions were attacking this city, why did all of the factions suddenly decide to fight in this city.

Even though all factions already have their respective territories, they shouldn't be allowed to fight or create chaos in the territory belonging to other factions.

Actually Ye Chen wouldn't really care if this group fought and killed each other, the problem is that these people were fighting in someone else's territory, it would be very detrimental to the people who live and are in this city.

"What will you do now?" Mu Xueying asked what Ye Chen was going to do now.

"I will beat everyone" Ye Chen said that he intends to defeat everyone who has dared to attack this city.

"Then let me help you." Mu Xueying offered her assistance, she was willing to help Ye Chen beat people.

Ye Chen nodded lightly at Mu Xueying, he naturally received assistance from Mu Xueying, if the two of them intervened, this matter would be resolved more quickly.

Ye Chen and Mu Xueying immediately split up, the two of them immediately went to fight the people who had caused trouble in this peaceful city.

"Boom. . . , Boom. . . , Boom. . . ,"Explosion after explosion continued, the city was really in a state of chaos.

People run to save themselves from the explosion and the rubble of the existing buildings.

the townspeople don't even know what happened to their city, suddenly there are lots of explosions, fires, earthquakes around the city.

These people thought that they were being attacked by a large-scale terrorist organization.

Chapter 899 - You're A Liar Bitch

Ye Chen immediately went towards the enemy, he immediately fought every enemy he encountered.

Ye Chen didn't care at all which faction group he faced, Ye Chen fought all the big factions that had made a mess in the city.

"Boom. . . , Boom. . . , Boom. . . ,"Everywhere there were explosions, in this city the fighting actually broke out.

The city that used to look good is now burning and covered with ruins all over the place, the people in the city were crying and looking desperate when this happened.

Ye Chen started to knock out enemies one by one, himself very easily paralyzing every enemy he encountered.

While paralyzing the enemy, Ye Chen tried to find the group leader of the large faction that was attacking this city.

He intends to capture all the leaders of the large faction group.

When Ye Chen was looking for the leader of these people, Ye Chen saw that there were about 4 people fighting in a very large city square,

Ye Chen clearly observed these people, judging by the strength they put out, they strong enough.

"Are they the leaders of the Big Faction group that attacked this city?" Ye Chen started to suspect that these people were most likely the leaders of the Big Faction group that attacked the city.

Ye Chen immediately went down to determine whether these people really were the leaders of the large faction group that had attacked the city.

"Baam" Ye Chen descended right in front of the four people who were fighting.

When Ye Chen came down, the four people who were fighting immediately stopped their battle, the four of them immediately looked at Ye Chen who had just arrived at this place.

These people looked very foreign to Ye Chen, they didn't know who Ye Chen was.

"Are you the leaders of the people who have attacked the city?" Ye Chen immediately asked if these people were the leaders of the large Faction group that attacked the city.

These people were silent, they seemed unwilling to answer Ye Chen's question.

"How presumptuous you are young man, do you not know you are talking to. . . , Bam. "Before any of the four could finish his words, Ye Chen had already knocked this person down to the ground.

A large trench was formed as a result of the friction caused by Ye Chen's attack.

Ye Chen's attack was so strong, the person who was hit by Ye Chen fell unconscious.

The remaining three people who were here were shocked when they saw that one of their opponents could be defeated by Ye Chen with just an attack made by Ye Chen.

Even though Ye Chen's attack looked very relaxed, but the impact that was caused was enormous.

"I ask once again, are you the leaders of the people who have attacked the city." Ye Chen shouted to the three remaining people, Ye Chen has started to dislike people from the great faction controlling this world.

Too bad these people remained silent, they refused to answer the question that was given by Ye Chen.

Since these people refused to tell Ye Chen, Ye Chen had to find out the answer alone.

Ye Chen started attacking the three people in front of him.

"Shadow Clone" Ye Chen used the Clone technique to battle these people.

In front of Ye Chen, 3 Clone shadows appeared, these three Clone shadows directly attacked towards the three people who were suspected of being the leaders of the people who had attacked the city.

The three Clones made by Ye Chen deftly attacked the enemy in front of him.

The three enemies in front were immediately alert, they immediately attacked the Clone made by Ye Chen.

"Evil Dark Spear".

"Blood suck ripper"

"a thousand green poisonous snakes"

Each of the three launched their attacks to welcome Ye Chen's Clone.

Seeing the incoming attack, the three Clones made by Ye Chen immediately used the techniques they had to fight the enemy.

"One Hundred Thousand Fire Swords" each from the Clone made by Ye Chen used the One **Hundred Thousand Fire Sword** technique.

Hundreds of fire swords appeared around the body of the Clone made by Ye Chen.

Hundreds of flying flaming swords began to aim in the direction of the enemy's attack.

One Hundred Thousand Fire Swords very easily broke all attacks launched by the enemy.

Ye Chen's clone didn't waste any time, they immediately took advantage of this opportunity to knock out the three enemies in front of them.

With good timing and cooperation, Ye Chen's Clone was able to capture all three enemies.

Now these three people have been caught by Ye Chen.

After all the enemies have been captured, it is time for Ye Chen to interrogate the three.

"Tell me what is your name." Ye Chen went to the first person, he immediately asked what this person's name was.

"I won't tell you, you better kill me" the first person refused to tell Ye Chen who he was.

"Pah", Ye Chen slapped the face of the man who was in front of him very hard, this man's teeth suddenly fell out when he was slapped by Ye Chen.

The first person fainted immediately because the slap by Ye Chen was so violent.

The sound of the slap just now was loud enough for anyone who heard it to hear.

Ye Chen went straight to the second person, it just so happened that the second person was a woman.

"What is your name?" Ye Chen asked the woman in front of him.

Ye Chen hoped that this woman would answer himself, Ye Chen didn't really like hitting a woman.

"My name is Yuke, I am an important person from Carmilla's Rose" A pretty woman with pale skin answered Ye Chen's question, this woman said that she was one of the important people of the Carmilla's Rose faction.

This woman's name is Yuke, she is a person who has a fairly important position at Carmilla's Rose.

Yuke felt scared when she saw what Ye Chen had just done, she was afraid of suffering like the two previous people.

"What is your purpose in attacking this city?" Ye Chen asked the purpose of this woman in coming to attack the city where he lived.

"I was ordered by leader to find the assassin who killed the higher ups from the Carmilla's Rose faction who came here a few days ago?" Yuke told Ye Chen the reason she came here.

"If you came here looking for the assassins of the higher ups of the Carmilla's Rose faction, why are you causing trouble in this town?" Ye Chen asked Yuke.

Ye Chen wanted to know why Yuke made a mess in this city, even though his goal was only to find the person who had killed the higher ups of the Carmilla's Rose faction.

"It's because the Yagatama Orochi Faction, Chaos Bridge, and Devil Lucifer came and started a large scale battle." Yuke told Ye Chen what happened.

Initially Yuke just wanted to find a killer in disguise, unexpectedly, the Yagatama Orochi, Chaos Bridge, and Devil Lucifer faction came and attacked them.

A battle was inevitable when one of the Yagatama Faction, Oochi, Chaos Bridge, and Devil Lucifer attacked.

Eventually the city became a battle zone between the Carmilla's Rose Faction, Yagatama Oochi, Chaos Bridge, and Devil Lucifer.

"You're a liar bitch, aren't you the one who attacked us first, you women from Carmilla's Rose are not good women" suddenly the man next to Yuke raised his voice.

This man told me that what Yuke said was a lie

Chapter 900 - The Current State Situation

The name of the man who just spoke was Aldo, he was from the Faction Devil Lucifer.

"Who are you calling bitch liar, you shameless devil" Yuke said to the man who had just mocked herself with a bitch call.

Yuke really doesn't like it when she hears someone who dares to call herself a bitch. It's an insult to her.

"Are you saying you want to fight?" Aldo challenged Yuke to fight, he was not satisfied when he heard what Yuke had just said to him

"who's afraid of your threat" Yuke accepted Aldo's challenge, she was not afraid to fight against Aldo.

Ye Chen patted his forehead when he saw what was going on, these two people still had time to argue even when they were in this condition.

"Then come on" Aldo immediately invited Yuke to fight, he would teach this female vampire a lesson.

"Come on" Yuke started to release a terrible blood aura, it can be seen that Yuke intends to fight against Aldo.

"You two shut up" Ye Chen shouted to Yuke and Aldo, he was annoyed to see what these two people were doing.

It seemed that each of the people from the Big Faction couldn't get along, they continued fighting whenever they met.

Yuke and Aldo immediately fell silent when they heard Ye Chen's shout, they trembled when they heard Ye Chen's voice.

"Quickly say what do you mean just now?" Ye Chen told Aldo to tell him what he meant earlier.

"Actually what this woman said was a lie, it's obvious that the woman from the Carmilla's Rose faction ambushed and attacked first" Aldo told Ye Chen that Yuke was the one who attacked them first.

That's why Aldo and his followers put up a fight.

"You are a liar, since when we attacked you first, obviously you are the first to look for trouble" Yuke denied what Aldo said.

"Who are you calling a liar, you bitch" Aldo shouted to Yuke who was in front of him.

Ye Chen raised his eyebrows, he was not satisfied when he saw Aldo and Yuke have different stories.

Ye Chen began to wonder which of these two people himself should believe.

"Master, these people are really very troublesome, you better just knock them, there's no point in letting them continue to fight like this." Chu Yuechan told Ye Chen to knock Yuke and Aldo who were berating each other.

Ye Chen quite agreed with the advice given by Chu Yuechan, these two people didn't help at all, they only added to Ye Chen's headache.

Yuke and Aldo threw taunting words at each other, people who see and hear this will definitely be very upset.

Ye Chen decided to knock these two people unconscious.

"Yuechan, is Qing Cheng inside the fairy gate?" Ye Chen asked where Qing Cheng was, whether Qing Cheng was inside the fairy gate or not.

"She should be currently training with Mu Lanyin." Chu Yuechan told Ye Chen that Qing Cheng was currently training with Mu Lanyin.

"Good, hurry up and call her, tell him I need her help." Ye Chen told Chu Yuechan to call Qing Cheng, Ye Chen needed Qing Cheng's ability to seek information from these annoying people.

"Okay, I'll go and tell her." Chu Yuechan nodded at Ye Chen, she would tell Qing Cheng that Ye Chen needed her help.

"Ye Chen, how are the conditions here?" Mu Xueying came over to Ye Chen, she asked about the current condition in Ye Chen's place.

"Everything is good, I managed to knock out the leader of the people who attacked this city." Ye Chen told Mu Xueying that he had succeeded in capturing and incapacitating the leaders of the people who had attacked the city.

"I see." Mu Xueying nodded at Ye Chen.

"How about yourself? Have you finished defeating your enemy?" Ye Chen asked Mu Xueying, he wanted to know if Mu Xueying had finished defeating her enemy.

Mu Xueying nodded at Ye Chen, she had finished fighting all the enemies that had attacked this city.

With Mu Xueying's level of cultivation, Mu Xueying could easily defeat all the enemies, the enemies who attacked the city were not moved when they met Mu Xueying.

In the blink of an eye, they were turned into Ice statues by Mu Xueying.

Ye Chen and Mu Xueying sensed that there were several people at full speed coming to where they were right now.

Ye Chen and Mu Xueying immediately looked towards the arrival of the people heading to their place.

There were dozens of people in ancient clothes coming towards Ye Chen and Mu Xueying, from a glance, these people were likely cultivators from the Kunlun Holy Land who was ordered by Zhang Shiyun to go help repel the invaders who attacked this country.

"Lord Ye Chen, I was ordered by the Queen to come to help." A woman knelt in front of Ye Chen, she told Ye Chen that she was ordered to come here to help Ye Chen and the others.

After Ye Chen got Zhang Shiyun as his woman, the people in the Kunlun Holy Land started to think of Ye Chen as the new ruler, so it wasn't strange for this woman to call Ye Chen the title Lord.

Ye Chen nodded at the woman kneeling in front of him, even though these reinforcements came a little late, they were still willing to come and help.

"Tell me what is the current situation?" Ye Chen asked the woman in front of him about the current situation.

"Report, the current situation is very chaotic, the entire territory of the Kunlun Faction was attacked and destroyed, the number of casualties continues to increase, currently the cultivators of the Kunlun Faction are trying to repel the enemy." This woman told Ye Chen about the current situation.

It turned out that not only this city was attacked, it turned out that all the places in the territory belonging to the Kunlun Holy Land were also attacked.

"Do you know which faction is attacking?" Ye Chen asked what faction attacked the Kunlun Holy Land territory.

"There are four factions that have been confirmed, namely Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer, meanwhile the Holy Church and Blue Esper still haven't shown any movement." The woman told Ye Chen about the faction that had moved to invade their territory.

Ye Chen nodded, finally getting quite useful information.

Now Ye Chen knows that the Carmilla's Rose, Yagatama Orochi,, Chaos Bridge, and Devil Lucifer factions are attacking this region.

"You guys go and help the people in this city." Ye Chen told these people to go and help people who were injured or trapped in the rubble.

All cultivators nodded to Ye Chen, they immediately went to carry out Ye Chen's orders.

"Hmmm, it turns out that you have quite a high position in this area ," Mu Xueying said to Ye Chen.

Mu Xueying just found out that Ye Chen was in a high enough position, that could be seen from the behavior shown by the people just now.

"It is not me who has a high position, one of my women who has such a high position" Ye Chen told Mu Xueying that he was not a person of high position, Zhang Shiyun was the one who had a high position in the Kunlun Holy Land.

"How many women do you actually have?" Mu Xueying asked how many women did Ye Chen have.

"I have many women, and in the future there will probably be even more" Ye Chen replied to Mu Xueying.
