

### **Chapter 91 - Do You Dare To Bet**

Ye Chen and Feng Xue arrived in front of the musical instrument course building, strangely there was no one outside this building.

there are only a few luxury cars parked neatly outside the building.

Ye Chen asked where the Feng Xue fans were, if Feng Xue really wanted to come here there would be many people waiting outside this building.

"Why is it so quiet, are we wrong building" Ye Chen looked carefully at this building, this is the same as pointed by Liu Yue.

"Indeed, because this is a private event so not many people know about it" Feng Xue explained to Ye Chen.

"Oh, I see." Ye Chen now understood why the outside of the building was quiet, maybe inside it was filled with many people.

"What are you waiting for, let's go inside" Feng Xue invited Ye Chen into the building.

"Sorry Miss, please show your invitation or membership card" Feng Xue and Ye Chen were stopped by security officers who were standing in front of the entrance.

Feng Xue took out an invitation paper and handed it over to the security officers.

The security guard took Feng Xue's invitation paper and checked its authenticity.

The security officer saw the name printed on this invitation paper, Feng Xue.

"Miss Feng finally you came, the Chief was waiting for you on the 10th floor" the security officer immediately changed his attitude to Feng Xue.

Feng Xue nodded and walked in.

"Wait for your invitation paper to show" Ye Chen was stopped by the security officer

"Didn't you see me coming to accompany her " Ye Chen pointed at Feng Xue.

Ye Chen didn't have an invitation so he could only ask for fake Feng Xue for help.

"Hahaha, are you kidding me? "Security guesses are laughing at Ye Chen, how could a big star Feng Xue invite someone like this to attend this way is impossible.

"Hurry and issue your invitation letter otherwise you may not enter," the security officer did not let Ye Chen enter.

"Let him in, I invited him" Seeing the tension between Ye Chen and security officer Feng Xue decided to speak.

"You heard her " Ye Chen arrogantly passed the Security Officer.

The security guard guarding the door could only see Ye Chen and FengXue disappear. "Damn, that boy is too lucky to be that close to the big star Feng Xue." Officers where Ranting is not satisfied.

Ye Chen contacted Zhao Yanyan to ask for her location.

"So where are you going now?" Feng Xue asked Ye Chen.

"I will go to the 6th floor, there is the person I will be looking for," Ye Chen answered.

"Okay" both of them then take the elevator to the top floor.

The elevator finally reached the 6th floor "I went first, see you fake Feng Xue" Ye Chen then came out of the elevator.

"You still dare to doubt my identity again, we'll see" Feng Xue smiled wickedly.

Ye Chen went in the direction Zhao Yanyan had told, Ye Chen finally arrived at a fairly large hall.

In the hall filled with hundreds of people, there were some food tables that were neatly placed, some people sat and talked to each other.

Ye Chen searched for Zhao Yanyan's whereabouts, Ye Chen finally found Zhao Yanyan. Zhao Yanyan was currently sitting alone, her face looked dissatisfied, many people were trying to get close to Zhao Yanyan but Zhao Yanyan drove them all away.

Ye Chen approached Zhao Yanyan "beautiful. May I sit by your side?" Ye Chen slightly changed his voice.

"Someone is sitting here, you better leave here" Zhao Yanyan didn't see Ye Chen coming, he thought this was someone else who was trying to approach him again.

"Ah too bad" Ye Chen looked disappointed and prepared to leave.

Zhao Yanyan immediately realized that this voice belonged to Ye Chen "Ye Chen, wait" Zhao Yanyan immediately pulled Ye Chen away from going.

Ye Chen: "Why did you pull me, didn't you say this chair was ordered by someone else, was it someone else that you just liked" Ye Chen looked very angry when he said it.

"That's not my intention, I think it's someone else who tried to approach me, I'm sorry" Zhao Yanyan apologized to Ye Chen Zhao Yanyan's face looked very guilty.

"Hahaha, I'm just kidding, don't be too serious" Ye Chen laughed at seeing Zhao Yanyan like this.

"Hate, you're playing with me again" Zhao Yanyan's hand pinched Ye Chen's waist.

"Help, my wife intends to kill me" Ye Chen and Zhao Yanyan looked very cool while joking.

People who had previously tried to approach Zhao Yanyan looked at Ye Chen with hostile eyes.

Ye Chen had unwittingly become an enemy of all the men here.

"Everyone welcome to the welcoming ceremony of the great star Feng Xue," someone climbed onto the podium and spoke.

Ye Chen had heard this voice this morning, Ye Chen saw the sound coming, it turned out it was Yun Hao who crashed into his car.

Even though Yun Hao's face was slightly swollen, he was still very confident in appearing in public.

"Why is he here?" Ye Chen wondered why Yun Hao came to this place.

"I forgot to introduce myself, I am Yun Hao, the young master of the Yun family, I came here to see my dear Feng Xua." Yun Hao said it out loud.

Yun Hao was not afraid of being a public enemy, these people in Yun Hao's eyes were an ant that would not threaten him.

Some people felt dissatisfied with Yun Hao unfortunately they could not take it out on Yun Hao, because Yun Hao's identity was too strong for them to offend.

"Well, because Feng Xue is experiencing a delay, I will play a piano music for you, I hope you will like it".

Yun Hao went to the piano nearby, Yun Hao sat down and relaxed his fingers. "Okay, I started." Yun Hao started playing the piano.

"Tone. . . . , nada. . . . , tone. . . . , tone. . . . , tone. . . . , tone. . . . , tone. . . . , tone. . . . , tone. . . . , tone. . . . , tone. . . . , tone. . . . , tone. . . . , tone. . . . ."

"Truly Extraordinary, Young Master Yun's skills must have practiced his abilities for many years".

Some people began to praise Yun Hao's piano playing skills.

"Ding" finally Yun Hao ended his piano playing.

"Pat. . . , pat. . . , pat. . . , pat. . . , pat. . . , pat. . . "Everyone applauded praising the Yun Hao Piano.

"Yawn, boring" Ye Chen who heard Yun Hao's piano sound felt sleepy because of boring.

"Who dares to say my piano playing skills are boring" Yun Hao heard as Ye Chen mocked his piano playing.

"I, why do you have a problem?" Ye Chen said loudly so Yun Hao would listen.

Yun Hao looked at the person who insulted him, apparently he was the one who extorted ten million dollars this morning.

"This is my chance to get revenge on him" Yun Hao laughed grinning.

"So you think my piano game is boring?" Asked Yun Hao.

"It was so boring that it made me sleepy, where did you learn to play the piano like that?" Ye Chen yawned slightly as he said it.

"Damn, watch out. You" Yun Hao felt so angry, this person really dared to embarrass him in front of the public.

Yun Hao: "Do you really play Piano better than me? "

"For me, your play just farts when compared to piano Play I have" Ye Chen told me the truth.

"If that's the case let's fight, who is better at playing the piano" Yun Hao gritted his teeth and won over Ye Chen.

" fight ? "Asked Ye Chen.

"Yes?, What's wrong are you afraid of what you just said" seeing Ye Chen a little hesitant made Yun Hao believe that Ye Chen just bragged just now.

"Who's scared, I just want to say the fight won't be fun without a bet, do you dare to bet with me? Ye asked whether Yun ha would bet with him or not

### **Chapter 92 - Let's Lick My Shoes**

"Fine, fine, let's bet" Yun Hao accepted the challenge Ye Chen had given

Yun Hao took out a jewelry box then opened it and showed it to everyone.

All the women here are immediately fascinated by the beautiful pendants in the jewelry box.

"This is a White Angel Pendant, this pendant is made of the best diamonds in the world, designed by world-famous jewelry craftsmen, costing around 5 million dollars" Yun Hao is proudly showing off his pendant to everyone in this room.

some people start to be surprised to find out the price of this pendant.

"Then what are you betting?" Yun Hao asked

" How about this ? "Ye Chen took out a card.

"Hong" when Ye Chen pulled out a card the whole room laughed, which fool would bet a luxury jewelry with a card.

Ye Chen was not angry at such a contempt "the contents in this card are 10 million dollars" Ye Chen was laughingly laughing at all these people in this room.

After Ye Chen told the contents of this card, everyone who had previously laughed at him was silent, they didn't expect the contents on the Ye Chen card to be 10 million dollars

Yun Hao saw that the card Ye Chen issued was his card, "This person really dares to use booty as a bet, but this is good. I can reclaim my money from this damn person." Yun Hao prepared an evil plan.

"Well, if that's your bet, let's just start." Yun Hao prepared to start the piano meeting with Ye Chen.

"Wait, young master Yun, if we raise the stakes again, I don't think this will please" Ye Chen said to Yun Hao.

"What increase do you want?" Yun Hao asked.

"What if it's like this, if you lose you have to lick my feet" Ye Chen lifted one of his legs and showed it to Yun Hao.

"You, you," Yun Hao pointed at Ye Chen angrily.

In this case Yun Hao had already been defeated, Yun Hao did not want to admit his defeat "You must have played a recording of Mr. Ji so that everyone believes it is you not" Yun Hao racked his brain to be able to find fault with Ye Chen because he did not want to lick Ye's shoes Chen.

Ye Chen: "Young master Yun, do you have proof that I cheated? "

How could Yun Hao have a Proof of Ye Chen cheating. .

"If you don't want to, just let me help you" Ye Chen rushed in front of Yun Hao and held Yun Hao's neck behind him.

Ye Chen then pressed Yun hao down right in front of his shoes "if you want me to take it off quickly lick my shoes".

Everyone in the hall was silent, they did not expect this young man to dare to offend the young master of the Yun Clan who was one of the 4 biggest clans in the capital.

Yun Hao couldn't really move right now, moreover Ye Chen's grip was getting stronger and making him sick.

Yun Hao gritted his teeth and licked Ye Chen's shoes.

Seeing Yun Hao Ye's pitiful face very happy, Zhao Yanyan's complaints and his car were finally avenged.

Ye Chen let go of Yun Hao and took the jewelry box that had become his "I will take this" Ye Chen returned to Zhao Yanyan's side.

Yun Hao who was on the floor looked at Ye Chen with a killing look, Yun Hao would definitely not let Ye Chen go.

### **Chapter 93 - Su Yuya**

On the tenth floor of this building Feng Xue was in front of the chief's room.

"Knock. . . ,Knock. . . "Feng Xue knocked on the door.

"Please come in" the person in the room is asking to enter in black.

After getting approval, Feng Xue entered the room, inside the room there was an adult woman who was around 35 years old, she wore after the teacher's clothes with wavy hair, this woman looked beautiful, glamorous and sexy, her body had developed maturely.

"Hehehe, sister Yuya hasn't met for a long time" Feng Xue looked very close to this woman.

This woman's name is Su Yuya, she is Feng Xue's senior and is also Mr. Ji's student.

"Finally you came, Xue's sister, I think you have forgotten me after becoming a big star" Su Yuya's expression was a little sad.

"How could I possibly forget Yuya's sister, I actually miss you so much" Feng Xue ran into Su Yuya's arms.

"See you have become a big star but your ego still spoiled like before" Su Yuya rubbed Feng Xue's hair.

"Heheheh" Feng Xue laughed in the arms of Su Yuya.

Feng Xue has not seen Su Yuya in almost 3 years, of course he misses Su Yuya.

"Why are you so late? Didn't I tell you to come on time, you can't even be contacted "Su Yuya asked why Feng Xue was late coming here.

Feng Xue told me why he was late coming here.

"Are you okay" Su Yuya immediately asked Feng Xue's situation, whether she was injured or not.

"I'm fine, fortunately there are good men who want to help me," Feng Xue said thankfully.

"Thank God, then where is that guy?" Su Yuya wanted to know who the person who had saved Feng Xue.

"Right now he should be on the 6th floor," Feng Xue said.

Su Yuya "The sixth floor, isn't that where everyone gathers, is he one of your fans? "

"Humf, what fan even he doesn't know who I am and he said that if I was a fake Feng Xue, that person was really annoying anyway" Feng Xue called Ye Chen annoying.

"Ahahaha, Xue's sister, I am curious about who that guy is, in this country where there might be people who don't know our beautiful Feng Xue Star" Su Yuya was quite curious about the person Feng Xue meant.

Feng Xue was a little embarrassed "Yuya's sister is prettier than me".

"Now I have and do not deserve a title like that, after all I have become an old woman now" at the age of 35 years stepped Su Yuya felt that he had begun to feel old.

"Yuya's sister who would believe you are old, you still even look like a 20-year-old woman, if we walk together people will definitely think we are sisters, Hehehe" Feng Xue told the truth to Su Yuya.

"You are still great at making me happy, let's go to the hall, there are already many of my music students waiting for you" Su Yuya invited Feng Xue to go down to the floor of Enah.

"Alright" Feng Xue followed behind Su Yuya.

When the two of them got out of their room listening to someone play Piano very beautifully, this music was no stranger to Su Yuya and Feng Xue.

"Little sister, what is this piano music might be Teacher" Su Yuya asked Feng Xue.

Feng Xue "Yuya's sister, this is indeed Master's piano playing style, maybe she came here? "No one can play piano this well except their teacher.

"Impossible, teacher can't come here, after all, teachers rarely leave the capital, if he comes, he must have contacted me first." Su Yuya knows that this is their teacher Mr. Ji.

"Then what are we waiting for, let's see who it is" Feng Xue said they went and looked.

"Alright let's go" Su Yuya led Feng Xue to take a look.

Ye Chen came back to Zhao Yanyan "Yanyan is a present for you" Ye Chen knelt down and handed the White Angel Pendant to Zhao Yanyan.

Zhao Yanyan was very touched by what Ye Chen was doing right now, she touched the Pendant that was inside the jewelry box, from the beginning it was shown that Zhao Yanyan really liked this Pendant.

"Ye Chen, can you put it on me?" Zhao Yanyan wanted Ye Chen to put this pendant on her neck.

Ye Chen stood up then took the pendant in the jewelry box

Zhao Yanyan turned around, this was done to make it easier for Ye Chen to put her Pendant on.

Ye Chen put a pendant around Zhao Yanyan's neck, Ye Chen's hands were sometimes dishonest and touched Zhao Yanyan's Jade Neck.

"Finished" Ye Chen finally finished helping Zhao Yanyan wear the White Angel pendant.

Zhao Yanyan looked at the pendant that was around her neck happily, Zhao Yanyan would look after the pendant as well as possible.

"Thank you," Zhao Yanyan immediately hugged Ye Chen.

because she was too happy Zhao Yanyan did not realize that there were many people around.

What's more some women are quite jealous of Zhao Yanyan to get this handsome and romantic man.

"Bang" the hall's door is opened by someone.

Everyone immediately saw who was entering, apparently there were two beautiful women standing at the door.

Everyone who was here except Ye Chen certainly knew her .they were Su Yuya and Feng Xue.

Feng Xue and Su Yuya looked around to look for Teacher Ji's whereabouts, unfortunately both of them did not see any sign of Teacher Ji's whereabouts.

"I want to know who just played piano" Su Yuya immediately asked who played piano just now.

"That's me" Yun Hao immediately advanced forwards Su Yuya and Feng Xue.

Yun Hao recovered very quickly and gave a smile to Feng Xue.

some people looked at Yun Hao in contempt, the person just now was Ye Chen not Yun Hao

"Who are you?" Su Yuya did not know this young man.

"Yun Hao, why are you here?" Feng Xue shouted at Yun Hao with dissatisfaction.

"My dear Xue'er I miss you so much" Yun Hao tried to grab Feng Xue's hand to kiss her.

Unfortunately Feng Xue brushed aside Yun Hao's actions. "Yun Hao, I ask you again why did you come here?" Feng Xue looked even more angry with Yun Hao.

"Xue's sister is he your acquaintance?" Ask Su Yuya.

"No, I don't know him at all" Feng Xue really hated Yun Hao who always clung wherever she was, even the guards she hired all the time didn't dare to get rid of Yun Hao so he wouldn't get close to her.

Yun Hao was very awkward when Feng Xue said she did not know him "come on Feng Xue I am your only number one, how can you forget me?" Yun Hao did not give up on getting close to Feng Xue.

"Hate, go away" Feng Xue kicked Yun Hao away once more.

#### **Chapter 94 - She's The Real Feng Xue**

"Ye Chen, see, she's coming?" Zhao Yanyan was very excited when the two beautiful women entered.

Ye Chen saw that the woman who just barged in looked beautiful, glamorous and sexy. "Is she Feng Xue? "

Ye Chen immediately realized that Fake Feng Xue followed behind the original Feng Xue, Ye Chen was very curious about this woman's identity.

"Yanyan do you know that woman?" Ye Chen pointed at Feng Xue.

"Huh, of course I know she is Feng Xue," Zhao Yanyan said to Ye Chen.

"What" Ye Chen couldn't believe that the woman he had helped was Feng Xue, Ye Chen thought she was a fake Feng Xue.

"So what are you interested in Feng Xue, if you like it you can make it your woman, but it depends on your ability to conquer Feng Xue, hehehehe" Zhao Yanyan laughed a little while saying that.

"It is impossible for him to be attracted to me, we also just met," Ye Chen said helplessly to Zhao Yanyan.

"Believe yourself, if you try it sure Feng Xue will be attracted to you" Zhao Yanyan wanted Ye Chen to try it.

"Well, it's up to you" Ye Chen didn't really think about it, after all Feng Xue must be angry with him, for having said she was a fake Feng Xue.

Su Yuya saw the dispute between Feng Xue and Yun Hao, it seemed that the relationship between the two was not very good

"Young master Yun, you said you were the one who just played the piano, is that true?" Su Yuya wants to know if Yun Hao is someone who has just played Piano as well as Mr. Ji.

"Of course it is me, who else is here who can play better than me" Yun Hao looks proud of himself in front of Feng Xue

The people who were in this hall denounced Yun Hao, this person was truly shameless even after losing the bet.

Ye Chen didn't want to interfere, let Yun Hao act as he pleased.

"Yun Hao, since when have you been able to play the piano that well, you must be bragging to me" Feng Xue could not believe that Yun Hao was the one who played the piano just now.

Su Yuya was more surprised because the person who had just played the piano was a very young man, moreover Feng Xue knew him "Feng Xue you know him".

Of course, earlier on the way here he understood me a little" Feng Xue said quite strongly.

Fan Feng Xue immediately looked at Ye Chen with a killing look.

"Damn this girl wants to get revenge on me" Ye Chen cursed in his heart.

If this was known by the fans of Feng Xue out there Ye Chen would definitely be a public enemy.

"Miss Feng what are you saying, this is the first time we have met, how could I possibly understand you, maybe you were mistaken." Ye Chen finally found an idea to get out of this situation.

"You" Feng Xue didn't expect Ye Chen to be very smart, Feng Xue had to find another way to deal with Ye Chen.

Feng Xue finally had a good idea to teach Ye Cehn a lesson "Yes maybe I was mistaken, then would you be willing to accompany me to sing?" Feng Xue asked Ye Chen very sincerely.

The crowd was waiting for Ye Chen's answer. If Ye Chen refused then Ye Chen would definitely be beaten in this place.

Ye Chen had to find a way to be separated from this woman, especially Ye Chen did not know Feng Xue's song at all.

Ye Chen got the idea "Miss Feng what if my only girlfriend accompanied you to sing, you don't need to doubt her ability because I trained her" Ye Chen made Zhao Yanyan replace her position.

Zhao Yanyan would definitely be very happy to be a duet with Feng Xue.

Feng Xue remembered, Ye Chen could still find a reason to avoid his plan, Feng Xue knew Ye Chen would definitely not recognize any of the songs he had, so he intended to embarrass Ye Chen in public.

"If that's what you want then fine" Feng Xue had no other choice, this time she would release Ye Chen.

"Dear xue, you shouldn't let that woman play a musical instrument, the skills she has are very bad" Yun Hao interrupted Feng Xue and Ye Chen.

### **Chapter 95 - Planned Murder**

"Yun Hao why are you still here, didn't I tell you to leave here, I think I don't like liars like you." Feng Xue was unhappy because Yun Hao always interfered in all her affairs.

"Xue, dear, I'm saving you from this woman's music, I've heard this woman play the zither, it gives me a headache." Yun Hao recounted his experience this morning.

"If you keep calling me like that I'll start ignoring you, anyway you and I don't have any relationship" Feng Xue was disgusted when called by Yun Hao.

"Fine, but listen to me this time, don't let this woman play a musical instrument for you, or you will regret it"

Yun Hao warned Feng Xue earnestly.

Feng Xue ignored Yun Hao and brought Zhao Yanyan up on stage, Feng Xue wanted to see how bad Zhao Yanyan was playing musical instruments, because Ye Chen himself said that he was training this girl.

Zhao Yanyan looked very cheerful and happy, because it was on the same stage as Feng Xue.

"May I know your name?" Feng Xue just realized that this girl was a little prettier than her, Feng Xue was a little suspicious of how this beautiful girl could be with that annoying Ye Chen.

"My name is Zhao Yanyan" Zhao Yanyan introduced herself.

"So, Zhao Yanyan, which of my songs do you want to play?" Feng Xue asked Zhao Yanyan.

"What if love is eternal. I like the song the most" Zhao Yanyan's request is the song Eternal Love.

Feng Xue is "fine".

Zhao Yanyan went to where the zither had been prepared beforehand, an eternal love song must be accompanied by using a zither.

"I thank you for coming to this event, to cheer you up I will bring my song which is eternal love for all of you, Zhao Yanyan let's play", Feng Xue immediately told Zhao Yanyan to play her zither.

All of you will definitely be very sorry to let that woman play the zither" Yun Hao has already closed his ears so as not to hear the music of Zither Zhao Yanyan.

Only a few people cared about Yun Hao's words

"Feng Xue. . . Feng Xue . . . Feng Xue . . . Feng Xue . . ." Some people started shouting calling Feng Xue's name.

"Hey, do you still want to be hit again?" Ye Chen was not satisfied. Yun Hao mocked Zhao Yanyan in public.

Yun Hao was speechless and didn't dare to speak anymore, Yun Hao only wanted to see everyone's suffering.

Zhao Yanyan started playing the zither "tone, tone, tone,"

"Wow is very melodious" everyone felt comfortable in their bodies when Zhao Yanyan played zither.

Su Yuya was very surprised to see that Zhao Yanyan could play so well, this was a very high level

a few weeks ago when Su Yuya taught Zhao Yanyan's class, to her knowledge, Zhao Yanyan was still unable to play this well.

What could make Zhao Yanyan develop that fast, was this related to the young man next to her.

Su Yuya became curious about Ye Chen.

Feng Xue was also immersed in Zhao Yanyan's zither, to the point that Feng Xue forgot to sing.

Yun Hao closed his ears very tightly, but the melody of Zhao Yanyan could still be heard a little by him, Yun Hao's head began to hurt again, "aghhh stop, your music makes my ears and head hurt" Yun Hao could not stand it anymore and shouted in a loud voice.

People who enjoyed Zither Zhao Yanyan's music were disturbed by Yun Hao's screams.

Zhao Yanyan also stopped playing the zither.

"Yun Hao, what's wrong with you, didn't you hear that he plays the zither very well?" Feng Xue glared at Yun Hao.

"If you don't like to just get out of here"

"Get out of here you are disturbing us enjoying this beautiful music"

"Let's kick him out of here"

Fan Feng Xue drove Yun Hao out of the hall, Yun Hao was dragged by so many people to the exit, these people then threw Yun Hao out of the hall "if you dare to come in again we will all hit you" before leaving everyone warned Yun Hao so as not to re-enter the hall

Yun Hao is helpless against so many Feng Xue fans, "just watch I'll make you regret." Yun Hao took out his cellphone and called someone.

"Bipp" call connected.

"What's wrong boy?" The voice on the other hand spoke.

"Father, I want you to kill someone for me," Yun Hao told his father to kill someone.

"Who is the person does he have a great background or not?" Yun Hao's father did not immediately approve of Yun Hao's request and first asked the background of the person who wanted Yun Hao to Kill.

"Your father doesn't need to worry about that person's background, even if he dies there won't be anyone suspicious," Yun Hao said, reassuring his father.

"If so, do whatever you like" Yun Hao's father immediately hung up.

After getting his father's approval, Yun Hao could now hire an assassin to kill Ye Chen, and kidnap Zhao Yanyan, Yun Hao could not wait to punish Zhao Yanyan in bed.

Yun Hao left this building, he couldn't wait to see Ye Chen die.

In the room Feng Xue and Zhao Yanyan collaborated so amazingly, everyone seemed to really enjoy the show that Feng Xue and Zhao Yanyan did.

Feng Xue and Zhao Yanyan didn't just play one song, they tried lots of Feng Xue's songs.

"Young master may I know your name" Su Yuya who from now on she wants to get acquainted with Ye Chen.

"I am Ye Chen, Zhao Yanyan's boyfriend" Ye Chen doesn't mind getting to know beautiful women like Su Yuya.

"Oh so you are young master Ye, my name is Su Yuya the owner of this place" Su Yuya introduced herself to Ye Chen.

"Before you said you were the one who taught Zhao Yanyan, is that true?" Asked Su Yuya.

Ye Chen "yes that's right".

There was no way Ye Chen could say that Zhao Yanyan learned the goddess Melody technique.

"Young master Ye, if you don't mind if you want to teach in this place, recently we have a shortage of teachers" Su Yuya offered a job to Ye Chen.

"Sorry Miss, but I have to refuse it," Ye Chen politely refused Su Yuya, Ye Chen didn't really know about musical instruments, anyway Ye Chen just copied what he saw in the video last night.

"Oh, too bad, if you change your mind you can contact me" Su Yuya handed her card to Ye Chen.

Ye Chen received Su Yuya's business card and put it in his pants pocket

"That was amazing, I have never been this happy before" Feng Xue gave praise to Zhao Yanyan.

"Thank you very much" Zhao Yanyan was a little embarrassed when praised by her idol.

Zhao Yanyan and Feng dropped from the stage and headed towards Ye Chen and Su Yuya

### **Chapter 96 - Take A Picture**

"That was a great performance" Ye Chen gave praise to Zhao Yanyan and Feng Xue.

Feng Xue: "This is thanks to Zhao Yanyan, she plays the zither very well".

Zhao Yanyan was still ashamed of being continuously praised by Feng Xue.

"Feng Xue may I take a picture with you? Zhao Yanyan made a photo request with Feng Xue.

"It doesn't matter" Feng Xue nodded at Zhao Yanyan.

"Ye Chen come take a picture with us" Zhao Yanyan invited Ye Chen.

Ye Chen: "Yanyan if I join then who will take photos of you? "

"We can ask other people to do it, let's just go" Zhao Yanyan dragged Ye Chen to come with her.

Ye Chen was helpless when being dragged by Zhao Yanyan.

Zhao Yanyan took out her cellphone that was going to take pictures, unfortunately when Zhao Yanyan tried to turn it on it could not.

"I forgot to charge last night" Zhao Yanyan just remembered that she didn't charge her cellphone last night.

"Ye Chen, let's just use your cellphone" Zhao Yanyan wanted to use Ye Chen's cellphone to take pictures.

Ye Chen gave his cellphone to Zhao Yanyan.

"Roughly we ask for help who to take pictures" Zhao Yanyan looked around to find someone who can help.

"Let me take the picture for you," Su Yuya offered to help Zhao Yanyan.

"Sorry to bother you Su head" Zhao Yanyan is not comfortable bothering Su Yuya.

"It's okay" Su Yuya doesn't mind helping

Zhao Yanyan handed Ye Chen's cellphone to Su Yuya.

Ye Chen, Zhao Yanyan and Feng Xue looked for the right position to take the picture

Zhao Yanyan's current position was on the right side and put her arm around Ye Chen's arm, Feng Xue was on Ye Chen's left side, while Ye Chen was in the middle of the two beautiful women.

Su Yuya "Xue's sister, move to the right a little" Su Yuya told Feng Xue to move to the right.

Feng Xue shifted her body to the right, Feng Xue leaned on Ye Chen's arm, Feng Xue was a little embarrassed, until now Feng Xue had never been this close to any man.

"Defend your position 3, 2, 1, click" Su Yuya finally took a picture of the three.

Feng Xue immediately moved away from Ye Chen, Feng Xue felt her heart beat faster than usual, her face was a bit hot.

Zhao Yanyan immediately ran to Su Yuya's side to see the results "good" Zhao Yanyan was quite satisfied with the picture taken by Su Yuya.

"Ye Chen come and see the results" Zhao Yanyan called Ye Chen to see the results of the picture that was just taken.

Ye Chen and Feng Xue approached to see the results of the picture taken.

When she saw the photos, Feng Xue suddenly wanted to ask for a copy, but she was ashamed to tell Zhao Yanyan.

"Zhao Yanyan may I borrow the cellphone properly, I want to call my personal driver to immediately pick me up" Feng Xue searched for an excuse and wanted to borrow the cellphone in the hands of Zhao Yanyan.

Zhao Yanyan didn't think much and handed Ye Chen's cellphone to Feng Xue.

Feng Xue deftly Sending photos to her contacts, Feng Xue then called the driver and told him to pick her up.

fter finishing calling the driver, Feng Xue returned the cellphone to Zhao Yanyan "Thank you"

"Sister Yuya I have to go, there are still many meetings scheduled in other places that I must attend today" Feng Xue said goodbye to Su Yuya.

"Well, I understand" Su Yuya didn't hold Feng Xue knowing that the current Feng Xue is a super busy female star.

"You two see you later" Feng Xue also said goodbye to Ye Chen and Zhao Yanyan.

Feng Xue left this hall and headed down.

After Feng Xue's figure disappeared there was nothing to do here "Yanyan let's go home too" Ye Chen invited Zhao Yanyan to go home.

Zhao Yanyan nodded "Su's head thanks for before" after Zhao Yanyan thanked her, Zhao Yanyan and Ye Chen left the hall too.

Seeing Ye Chen and Zhao Yanyan leave, Su Yuya smiled terribly. "Ye Chen, interesting man." Su Yuya was attracted to Ye Chen, her intuition said that this young man must have an amazing secret.

Because Ye Chen's car was damaged both of them were forced to take a taxi to return to the hostel where Zhao Yanyan lived.

"Husband thank you for today" today Zhao Yanyan looks very happy, Zhao Yanyan kissed Ye Chen's cheek, after giving a farewell kiss Zhao Yanyan immediately entered the dormitory.

"Sir, where do we go next?" The taxi driver asked where Ye Chen wanted to go.

"Just go to the alley in front." Ye Chen pointed to an alley in front of this car.

After arriving at a narrow alley Ye Chen paid a taxi and then got off, after receiving payment the taxi driver immediately left from here.

Ye Chen entered the alley, seeing that there was no one around here. Ye Chen immediately bounced up the sky

Today Ye Chen intended to find the Kunlun Faction that Zhao Jinshan had talked to himself about, if that was said

Zhao's grandfather was right there would definitely be many rare medicinal plants.

Because Ye Chen didn't have the money to buy ingredients to make pills, Ye Chen was forced to try to find the land of the Kunlun Faction, there must be a lot of valuable ingredients, Ye Chen could only hope that the place really existed in this world.

Ye Chen flew towards the mountains towards the Kunlun mountains

Ye Chen flew with the highest speed he had, within 15 minutes Ye Chen arrived near the entrance of Kunlun Mountain.

Ye Chen could feel that the Qi energy that was here was far purer than anywhere else Ye Chen had visited.

according to grandfather Zhao the entrance to the kunlun faction was within this vast mountain range, grandfather Zhao did not know exactly where it was located and only dared to say that there really was.

Ye Chen went around trying to find the entrance to the Kunlun Faction, day by little it began to get dark Ye Chen could not even find where the entrance was, what Zhao's grandfather said was lying.

"Hey Yuechan, can you help me a little to find the entrance that was told by Zhao's grandfather?" Ye Chen asked Chu Yuechan for help.

"Hehe, you finally asked me to help as well, if you did it earlier you should have found that place" Chu Yuechan laughed at Ye Chen.

"You mean you already knew where the entrance was from the start? Why didn't you tell me that earlier" Ye Chen almost burst into anger, Ye Chen almost searched for hours and found no results, and it turns out Chu Yuechan already knew the entrance to the Kunlun faction. .

Chu Yuechan "It's because you didn't ask the beginning"

Ye Chen "-\_-"

### **Chapter 97 - Kunlun Holy Land**

"Are you sure this is the place?" Ye Chen saw the cliff beneath him.

"I'm sure, I can feel the energy structure that is quite strong down there" Chu Yuechan was very sure this was an arrangement of teleportation arrays.

"Alright" Ye Chen dived into the abyss, under Dark enough, not even a light to touch this place.

After diving several thousand Meters, Ye Chen saw a red dot of light far ahead of him.

When Ye Chen approached the shape began to be clearly seen, this was clearly a Portal.

Ye Chen used his spirit essay to look at the situation around here, around here Ye Chen did not detect signs of life.

"It's strange why no one is guarding this portal, if this is the entrance of the Kunlun Faction then there should be someone guarding this portal, right?" Ye Chen is starting to doubt that this is a portal to the Kunlun faction.

"What are you waiting for quickly enter, with your strength when you won't have to worry about anything" Chu Yuechan told Ye Chen to enter this portal.

What was said by Chu Yuechan was also true, for what he doubted, this was also good to be an experience for him.

Ye Chen entered the portal, the view in front of Ye Chen turned white.

When Ye Chen opened his eyes Ye Chen was in a very scary Forest, the smell of blood in this place was very heavy.

Ye Chen looked around, there were a lot of piles of human skeletons scattered everywhere.

Ye Chen already felt something was wrong when he got here "Roarrrr" the cry of a magical beast was heard in this silent-looking forest.

There were a lot of Magic Beasts heading towards Ye Chen, the power of this Magic Beast was at least the same as cultivators who were in the early stages of the King Realm.

This Magic Beast began to swarm over Ye Chen as if Ye Chen was fresh meat that was just delivered.

"Roar" hundreds of magical beasts pounced on Ye Chen's collar.

"One hundred thousand fire swords", ten flying flame swords appeared behind Ye Chen "attack".

Ye Chen's fire sword cut every Magic beast that was close to Ye Chen, within 5 minutes Ye Chen cleared all the Magic Beasts that were nearby.

The second wave of Magic Beasts came again, this time the number was 5x more than before.

"I will finish with a single attack, DESOLATE PALMS first finger" the cloud began to form and a finger came out from behind the cloud.

"Bamm," The ground trembled violently as DESOLATE PALMS struck the Magic beast on the ground, the Magic Beast within a 5 Km radius were all dead.

Stronger beasts "roar" were awakened by being provoked by Ye Chen's strength.

Ye Chen detected that there were hordes of magical beasts that were closing in again towards him, this time there were several Magic Beasts that had the power to be at the peak stage of the ancient warrior Realm, approaching towards Ye Chen at full speed.

"Damn, this is dangerous" Ye Chen chose to run instead of spending his deep energy to fight with this many Magic beasts.

Unfortunately these beasts can also fly, every time Ye Chen passes the forest in front of him there is always a Magic beast that will join and pursue him.

Ye Chen looked back, behind at least there were thousands of magical beasts that were catching up with Ye Chen

Seeing this Ye Chen increased his flying speed to the maximum extent.

with full flying speed, Ye Chen left the magical Beast far behind.

Seeing their prey have gone Away These magic stars no longer chase after Ye Chen, the Magic Beasts turn around and return to their respective places

Ye Chen flew for almost 1 hour before he reached the outer portion of this Forest.

"Finally I managed to get out" Ye Chen had not flown at the maximum speed he had, this was enough to drain his deep energy.

First of all Ye Chen recovered his profound energy by eating the Peaches of Heaven, Ye Chen's energy immediately recovered.

The scenery on the outside of the forest is quite beautiful, this is far different from what is inside the forest.

Ye Chen flew around to look for someone to ask for directions, on the way Ye Chen did not see anyone at all

"Is this really the Kunlun holy land, why is there no sign of human life here?" When Ye Chen looked down he saw a familiar herbal plant.

Ye Chen came down and looked closer to the plant.

"This is the flower of life, if it is made in this pill it can extend the life of someone for several decades" Ye Chen immediately picked the flowers and put them into the fairy gate storage room.

Ye Chen continued his journey to explore this Kunlun land, on the way Ye Chen discovered a lot of rare plants that were rarely seen by Ye Chen.

This place is indeed worthy of being called the Holy Land of Kunlun

Ye Chen's journey this time was not in vain, Ye Chen harvested a lot of rare plants in this place.

"Master, it looks like in the southeast there is someone who is fighting very extraordinary." Chu Yuechan detected that someone was fighting in the southeast, the distance was about 500km from here.

"Let's look over there" Ye Chen flew towards the direction Chu Yuechan said.

When Ye Chen was less than 200 Km the place that Chu Yuechan said the sky here was filled with a bolt of lightning.

This must be the effect of the power of a high-level cultivator's fight "what kind of battle can affect the area around here".

Ye Chen flew even closer, Ye Chen descended on one of the nearby Tree branches.

From a distance Ye Chen could see that there were five middle-aged male cultivators fighting with a nine-tailed fox.

The situation of the two Parties was equally injured, five middle-aged male cultivators wearing old Taoist clothes.

Ye Chen wanted to eavesdrop on their conversation.

"Nine-tailed fox surrender right now, or we will kill you," said the Taoist leader said to the nine-tailed fox.

"Nine-tailed fox only incubates towards the five old Daos" It seems like the nine-tailed fox does not want to compromise with these five Daos.

"So it's your choice so we have no other choice, brother, let's attack together" five Tao cultivators made a Five-pointed Attack Formation, the five Tao Cultivators focused all their deep energy in the middle of the pentagon.

In the center of the pentagon Emits a very strong Blue light.

The nine-tailed fox also doesn't stay still, the nine-tailed fox focuses deep energy in its mouth.

Yellow light began to gather in the middle of the mouth of the nine-tailed fox.

"Shoot", energy gathered in a pentagon in a shot towards the tailed fox after "bamm".

The nine-tailed fox also moaned a laser towards the Five Daos.

"Ye Chen quickly leave here" Chu Yuechan tried to warn Ye Chen but it was too late.

The second "bang" of the great power that collided made a very violent explosion.

Even Ye Chen who had already kept a considerable distance was also affected.

## **Chapter 98 - Contract With The Nine**

Ye Chen was bounced as far as Tens Km, he crashed into a mountain before stopping.

"Cough, cough" Ye Chen coughed up blood

"Damn very strong" Ye Chen did not expect the impact of the attack. It was very strong, if Ye Chen was too close he would definitely be hurt worse than this.

"Of course they are strong, the strength of both Parties is in the Overlord Realm stage, you are still lucky to be saved, if it were someone else they would have been dying," Chu Yuechan explained to Ye Chen.

Ye Chen: "Overlord Realm? It's only proper that I can't feel their level of strength, apparently they are much stronger than me".

It seems like this is a dangerous place, many powerful cultivators are in the holy land of Kunlun.

"The two of them have used up all their deep energy in the attack just now, now whoever wins doesn't have any deep energy left, you better go there and see, who knows you can get the booty from both of them" Chu Yuechan suggested Ye Chen to go there again .

Ye Chen was also very curious. Who won the fight, whether the Fifth Tao / Fox with nine tails.

Ye Chen flew towards the battlefield, now everything in front of Ye Chen had changed, all the trees had disappeared, there was only a pile of earth and dust.

A large basin of 15 Km in diameter was formed in front of Ye Chen.

Ye Chen went down to look around, Ye Chen looked around and found the fifth Tao's body, there was no life energy in the bodies of these five people.

As for the nine-tailed fox Ye Chen could still feel life energy, even though it was very weak.

it looks like the winner of this fight is a nine-tailed fox

"Master, this is a very good opportunity for you," Chu Yuechan said excitedly.

"What good opportunity?" Ye Chen was confused by what we said by Chu Yuechan.

"Of course contracting with a nine-tailed fox, with such a wounded condition, the nine-tailed fox will definitely not be able to fight when you give it a contract" Chu Yuechan had to explain to Ye Chen.

"Are you sure the Nine-tailed fox won't fight back?" Asked Ye Chen.

"Take it easy, I will give you a soul contract technique, this technique is the strongest technique in the world of gods, after you use this technique to the nine-tailed fox, the nine-tailed fox will always obey

you, prepare yourself I will transfer this technique to you" Chu Yuechan the soul contract technique transfer to Ye Chen.

A collection of information entered Ye Chen's mind, Ye Chen began to study the Soul Contract Technique that Chu Yuechan had just given.

In just a few minutes Ye Chen had mastered it.

It was time for Ye Chen to try out the Soul Contract technique he had just learned.

Ye Chen walked towards the nine-tailed Fox which was currently lying weakly on the ground.

The nine-tailed fox slightly opened its eyes and looked at Ye Chen with great hostility.

"Calm down, I won't harm you," Ye Chen tried to calm down the nine-tailed fox.

Ye Chen touched to the Nine-tailed Fox began to use the Soul Contract Technique to the nine-tailed fox.

Ye Chen felt his soul and the nine-tailed fox began to be bound to one another, the contract was finally formed, the nine-tailed fox did not fight at all when the contract process was in progress.

The nine tailed fox turned into particles and entered Ye Chen's left hand.

Ye Chen's left hand appeared a contract sign, proving that the nine-tailed wolf now belonged to Ye Chen.

"Hehehe, congratulations master has gotten a very powerful Magic beast" Chu YuuChan congratulated Ye Chen for successfully taming the Nine-tailed Fox.

"Not bad," Ye Chen saw, the contract mark in his left hand.

Ye Chen tried to summon a nine-tailed fox, unfortunately the nine-tailed fox did not respond to Ye Chen's call.

Ye Chen: "It looks like the nine-tailed fox is resting"

Ye Chen then went to see the five old Taoist corpses.

Ye Chen tried to find valuable objects in the bodies of the five Taoist corpses.

After searching the bodies of these five corpses, Ye Chen only found 5 storage rings, it seemed that the five Daos were storing all the valuable objects they had in this storage ring.

Ye Chen definitely had a way to break into this storage ring.

Ye Chen then buried the five corpses properly, after finishing burying the corpse, Ye Chen immediately left this place.

Today Ye Chen's target of searching for medicinal plants has been fulfilled.

The Holy Land of Kunlun was still dangerous for him, Ye Chen decided to return first to heal his wounds and increase his strength, in the future he could come again.

Ye Chen flew towards the gloomy Forest where he had first entered.

After 15 minutes Ye Chen left, there were two people who came one woman and one man who came, this woman wearing a red shirt and wearing a mask, it was very difficult to see this woman's real face.

While the man next to this woman wore a complete golden armor, this man looked dashing with the golden spear he was holding.

"General Shun seems like there has just been a battle here" the woman in red looked around the former battlefield.

"Miss Fu, you're right, who do you think is the person who just fought here?" General Shun asked the woman in red.

The name of the woman in the red shirt is Fu Lanling, while the name of the man wearing the Iron shirt is Shun Buzi

Fu Lanling and Shun Buzi looked for directions in this place, they found a tomb, it seems like this had just been dug up by someone.

"Let's see who is buried here" Shun Buzi raised his palm the ground was immediately split into two. The bodies buried in the ground can now be seen by Fu Lanling and Shun Buzi.

"Isn't this the five twin brothers of the Taoji Sect, how the five of them died" Shun Buzi recognized the five Tao corpses.

"General Shun, do you know these five people?" Asked Fu Lanling to Shun Buzi.

"They are elders in the Taoji Sect, their strength should be in the 7th stage of Overlord Realm" Shun Buzi explained their identity to Fu Lanling.

"I see." Fu Lanling didn't really care about these five corpses, she was more curious as to who had killed these five people.

Fu Lanling "I really want to know who the person who killed them, maybe that person is not far from here".

"Then I will report this to the Taoji Sect first" Shun Buzi flew to the horizon and left Fu Lanling.

Fu Lanling looked for clues around the former battlefield.

Fu Lanling flew for a while before she found a torn shirt, this shirt was Ye Chen's

Fu Lanling called a bird doll, Fu Lanling then put a torn shirt in the mouth of the bird doll, the bird doll immediately flew towards Ye Chen.

Fu Lanling followed behind the bird doll.

## **Chapter 99 - Women With Pure Phoenix Blood**

With the help of Chu Yuechan Ye Chen's instructions successfully escaping the ancient Holy Land, he immediately ascended to the surface.

It was already morning, Ye Chen came down and enjoyed the pleasant morning sun.

"I want to go home and rest", because today is Sunday school is on holiday, today Ye Chen can rest quietly.

"Master, there is someone from below, she is heading towards you with a very high speed" Chu Yuechan told Ye Chen that under the Abyss there was someone wanting to rise to the surface.

A few seconds later a woman dressed in red and wearing a mask came out of the abyss.

Ye Chen couldn't feel this woman's level of strength, but Ye Chen felt dangerous when he was near this woman.

A spotted flying bird swiveled above Ye Chen.

Fu Lanling looked at Ye Chen, she looked up and down at Ye Chen's body, her stuffed bird detected that the fragments of clothes she found were indeed the property of this young man.

What made Fu Lanling feel strange was that the strength of this leader was only at the second level of the Earth Realm.

It is impossible for someone who has this low level to survive through the forest of death, where in the forest of death the weakest magic monsters are at the Emperor Realm stage.

Fu Lanling made the bird doll back to its side, the bird doll then pulled a piece of cloth from its mouth before disappearing.

"Tell me what is this torn shirt you have" Fu Lanling showed the torn shirt that was the same color as the one Ye Chen was wearing right now.

Ye Chen saw the torn clothes that were in the hands of the masked female jade, he just realized that the clothes he was currently wearing in several places had holes.

Ye Chen began to think that this woman might be an ally of the old Taoist, the masked woman must be suspecting him to be the fifth killer of the old Tao.

"It's not mine" Ye Chen did not admit that the torn shirt was his.

Ye Chen suddenly felt that Aura was very strong pressing on him, Ye Chen was very difficult to move his body.

Ye Chen looked towards the masked woman who was flying above the sky, this woman's eyes looked at Ye Chen very sharply.

actually what level of strength this woman had, even just from this woman's pressure could make Ye Chen difficult to move.

"Yuechan, what level is this woman's strength?" Ye Chen asked Chu Yuechan.

"You really want to know?, This woman is only at the level of Emperor Realm," said Chu Yuechan playing around.

How could Ye Chen believe that this woman was only the level of the Emperor Realm, Ye Chen urged Chu Yuechan to tell the truth "just tell this woman's level of strength"

Chu Yuechan "Ah, the master cannot be asked to joke" how can Ye Che be invited to joke in this situation, Ye Chen's condition is not good at all, the aura pressure from this woman is getting stronger and is pressing Ye Chen.

"This woman is in the peak stage of the 8th Level Overlord realm, in the near future she will soon break through to the 9th level Overlord realm, another one in the female body has pure blood. From Phoenix, the strength is definitely not weaker than the ninth level Overlord realm. , this woman is tens of times stronger than the Fifth Tao or the nine-tailed fox you just contracted. "Chu Yuechan explained in detail the power of the masked woman to Ye Chen.

Ye Chen was very surprised to know the power of the masked woman in front of him, the phoenix was a beast who in the past lived in the God realm, like this woman had pure blood of Phoenix, did this woman come from the God Realm like a teacher.

When Ye Chen was thinking the Masked woman asked him again.

"I ask once again if this torn piece is yours" Fu Lanling asked Ye Chen again, but this time his tone was very cold.

"Yes, yes. . . Why is that mine?" Ye Chen was forced to tell the truth, after all he was not the person who killed the five Daos.

Fu Lanling pulled all of her aura from Ye Chen's body, Fu Lanling then descended from the sky and stood a few meters away from Ye Chen.

Ye Chen was relieved that this woman's aura had vanished, now he could relax.

"Tell me if you were involved in the death of the five Daos" Fu Lanling immediately interrogated Ye Chen.

Ye Chen: "How come, do you not see that I am weak, how can I possibly defeat a strong person like them".

"Then do you know why they could die?" Fu Lanling asked the chronology of the deaths of the five Daos.

Ye Chen explained all the details of the battle between the five Daos and the nine-tailed fox which was currently in his left hand, there were some important parts he did not mention such as making a contract with the nine-tailed fox.

Fu Lanling listened to everything Ye Chen said, Fu Lanling was intrigued by the nine-tailed fox Ye Chen said.

The nine-tailed fox is a very powerful Magic beast, in the Holy Land, the existence of a nine-tailed fox is very difficult to find, it is appropriate for the five tao to risk their lives, if they can tame the nine-tailed fox it can become a Guardian as Taoji.

"So you have nothing to do with all this, I don't need you anymore" Fu Lanling gave a torn shirt to Ye Chen, Fu Lanling turned to go back to the portal to the Kunlun holy land.

Ye Chen was relieved this woman hadn't done anything strange to him.

Ye Chen didn't want to stay any longer, Ye Chen immediately flew through the Kunlun Mountains.

Fu Lanling who had arrived at the portal entrance to the Holy Land Kunlun stopped entering the portal, he just remembered that the young man had only been in the level 2 earth Realm "how can he go to the Kunlun holy land in a relaxed manner, did he hide the power from me?"

Fu Lanling was suspicious of Ye Chen, because his heart felt something was wrong, Fu Lanling returned to the surface to find Ye Chen's whereabouts, unfortunately Fu Lanling did not see any trace of Ye Chen's existence "where did the person go so fast he disappeared".

It turned out that Fu Lanling's suspicion was true that the person must have hidden his strength.

Fu Lanling tried to search around this mountain.

"That female master seems to have come back to you." Chu Yuechan sensed that Fu Lanling approached Ye Chen again.

"Huh? Ye Chen stopped immediately

Fu Lanling is already in front of Ye Chen "seems like you hid something from me?" Fu Lanling felt Ye Chen's strength was still in the second stage of the earth realm, how could this person fly this fast if he was only in the second level Earth Realm stage.

Fu Lanling became curious, what method this person used.

Fu Lanling again used her aura to suppress Ye Chen, the pressure this time was stronger than before, even Ye Chen who was in the sky immediately fell to the ground.

Fu Lanling also descended from the sky and walked towards Ye Chen: "I will let you go after you explain the truth to me."

Ye Chen felt it would be difficult to escape from this woman before he explained everything, Ye Chen began to think of escaping from the masked woman.

Ye Chen turned his head to find a way so he could get out of the current situation.

"Yes, I can try using that, it might work on this woman." There was an evil grin on Ye Chen's face.

### **Chapter 100 - Fu Lanling Uses Forbidden Techniques**

"mistress, please let me go, I already told you everything I know to you" because Ye Chen did not know the age of this woman Ye Chen called her a mistress.

Fu Lanling felt displeased at the call of the madam, she was still a girl, Fu Lanling was 200 years old, in the ancient world this age was still said to be very young.

Fu Lanling gave off an extremely strong killing aura.

"Glup", Ye Chen swallowed his saliva, the murderous aura that this woman was bathing in was very strong.

Step by step Fu Lanling approached towards Ye Chen who was currently lying on the ground.

10 meters, 5 meters, 3 meters as Fu Lanling drew nearer, Ye Chen opened his Flame vein.

"Bamm" bursts of power overflowed from Ye Chen's body, he felt that his strength increased several times.

The pressure from Fu Lanling now had no effect on Ye Chen, Ye Chen rushed forward and wanted to touch Fu Lanling's body and use the King's Heart technique.

Unfortunately Fu Lanling was faster than Ye Chen, Fu Lanling immediately retreated hundreds of meters backwards.

Seeing the increase in strength of this young man, Fu Lanling became even more alert.

Ye Chen failed to touch Fu Lanling, now Ye Chen did not have another chance, because Fu Lanling became wary of him.

"Damn it" Ye Chen had no choice but to run away from here, if he fought with this masked woman Ye Chen would definitely lose, even though he had opened the flame vein his power was still far from Fu Lanling.

Ye Chen flew with maximum speed to run away from Fu Lanling.

How could Fu Lanling let Ye Chen run, Fu Lanling was chasing after Ye Chen.

Ye Chen had already used the fastest speed he had, unfortunately Fu Lanling was chasing with a speed that was faster than Ye Chen, Fu Lanling was quickly in front of Ye Chen.

Fu Lanling poked at Ye Chen's forehead.

"Bamm", Ye Chen struck the ground, he rubbed his aching forehead, Fu Lanling's strength was too strong for Ye Chen.

Ye Chen thought about how to defeat this woman, Ye Chen's first plan had failed, even after using the power of the Sage Vein God Ye Chen still could not win this woman.

"Bad boys must be punished" fire emerged from Fu Lanling's palm. Fu Lanling threw a deep fire at Ye Chen.

The flames that Fu Lanling was throwing were getting bigger and bigger, "Bamm" a large fireball hit Ye Chen.

Fu Lanling held back strength so as not to kill Ye Chen.

where Ye Chen was currently in flames was burning like a sea of fire, Ye Chen himself stood in the middle of a sea of fire, not the slightest part of Ye Chen's body was burning.

Fu Lanling who saw this was very very surprised, she did not think this young man could withstand her fire attack.

"Hehehe" Ye Chen smiled, the strength of this woman's deep fire could not hurt him.

"Hahaha, is this the only ability you have, I think your fire is very weak" Ye Chen mocked Fu Lanling's fire power.

Fu Lanling was furious when the fire power was underestimated, "Domain of Phoenix", in the sky a fire dome appeared, this time Fu Lanling did not hold back her strength.

He already didn't care whether Ye Chen would live or die after receiving this attack

The temperature around Ye Chen became very hot

"We'll see if you can laugh after receiving this attack." Dome of the fire Down from the sky, when the dome of the fire Down the temperature is getting hotter, even the stones near Ye Chen are melting because of this heat.

"Bamm" Phoenix fire burns everything on the ground, with this technique Ye Chen must be dead.

After the fire disappeared, a giant-sized fire crater appeared, Fu Lanling was surprised to see someone still standing in the middle of the fire crater.

Ye Chen cleaned his clothes from the dust, if he did not have the inheritance from the god Sage, surely he would have been killed by this attack.

Fu Lanling looked at Ye Chen with eyes that did not believe this, after being hit by the mainstay attack Fu Lanling, this person really wasn't hurt at all, wasn't this crazy.

"Still too weak, is your ability only at this rate?" Ye Chen mocked Fu Lanling, it was very fun mocking Fu Lanling.

Fu Lanling clenched his fist, Fu Lanling was never underestimated like this as heir to the god of Phoenix Fu Lanling always received praise from everyone, no one had ever mocked her.

Fu Lanling soared higher into the sky, Fu Lanling let out Fire that enveloped her body, the fire grew bigger and formed an elegant Phoenix Beast in the sky.

Fu Lanling is in the middle of the Phoenix-shaped Fire.

This technique is called "Phoenix Fire God Body" to use this technique Fu Lanling burns Phoenix's blood in her body.

After burning Phoenix blood, Fu Lanling won't be able to use Phoenix fire for a month.

This is a forbidden technique that should not be used, today because it was insulted by someone Fu Lanling used this forbidden technique.

Phoenix dancing on the clear sky, this Phoenix then swooped down towards Ye Chen.

Ye Chen saw that the Phoenix of Fire headed towards him, Ye Chen could feel that the power of the Fire Phoenix was very strong, the Fire Phoenix descended like an Atomic Bomb.

Bang "a very strong explosion occurred in the Kunlun Mountains, the power of this explosion is equivalent to a nuclear bomb.

Half the land in China even shook when the Phoenix Fire God Body crashed into the ground.

A very large crater appeared in the mountains of Kunlun, Fu Lanling was very crazy, she destroyed 1/10 of the Kunlun Mountains.

Fu Lanling's breathing went up and down, she almost used everything she had to use the Phoenix Fire God Body technique.

There was no way anyone would have survived after receiving this technique, now Fu Lanling felt satisfied that he had defeated the person who mocked her fire power.

"That was really really amazing" from behind Ye Chen hugged Fu Lanling's hilt and used the king's heart technique.

Fu Lanling was surprised to see that this young man was still alive after receiving her forbidden attack, she thought this young man was dead.

"Ahh" Fu Lanling groaned, after being touched by Ye Chen, she felt his body was hot and uncomfortable.

Fu Lanling's body seemed to have no strength left to fight "what are you doing to my body?" Fu Lanling felt her body was very uncomfortable as there were thousands of insects crawling on her body.

"What's more, of course it's time for revenge" Ye Chen smiled wickedly, first Ye Chen took off Mask Fu Lanling to see this woman's real face.

Seeing Ye Chen want to take off her mask Fu Lanling tried to rebel, unfortunately that was of no use at all.

Fu Lanling could only surrender when the mask on her face was taken by Ye Chen
