

A True God 911

Chapter 911 - Against The Demons Again

Ye Chen, Zhang Shiyun, Xue Suyin, and Nangong Xiang decided to go see other factions such as Chaos Bridge and Carmilla's Rose.

When Ye Chen went to see these two large factions, he found that these two large factions had also been destroyed.

This was completely unexpected from Ye Chen, the four great factions like Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer had been completely destroyed by someone, this was something that would never be imagined by anyone.

"All the factions have been completely destroyed, what should we do now?" Ye Chen said to the women beside him.

since the four great factions had been destroyed, then there was nothing more that Ye Chen and the others could do.

Ye Chen's original intent had completely failed because this matter the four great factions that Ye Chen wanted to go to had already been crushed by someone.

Zhang Shiyun, Xue Suyin and Nangong Xiang also didn't know what to do for the current situation, their original objective had completely failed due to the destruction of the large faction.

Now they can no longer settle their business with Carmilla's Rose, Yagatama orochi, Chaos Bridge, and Devil Lucifer.

"Husband, if I can suggest to you, let's go to the Blue Esper Territory to see if they are still around or not." Xue Suyin suggested to Ye Chen to see if the Blue Esper faction still exists or not.

If even the Blue Esper faction was gone then it was likely that all of the factions in this world had been destroyed.

Among all the factions, the Blue Esper was the most powerful in terms of fighting strength and troop numbers, if even the Blue Esper was annihilated it could be concluded that all factions had been wiped out.

"Okay, let's see the Blue Esper faction too, whether they have been destroyed or not." Ye Chen just agreed to go see the Blue Esper faction, he wanted to see whether they were also destroyed or not.

Ye Chen, Zhang Shiyun, Xue Suyin and Nangong Xiang immediately headed for the Blue Esper faction.

They flew over to see if the Blue Esper faction was still around or not.

When Ye Chen arrived near the Blue Esper faction, he felt a tremendous and terrifying power around the Blue Esper faction.

"What is this? I feel a very terrible power." In his heart, Ye Chen felt a very terrifying power in the territory of the Blue Esper.

It was not only Ye Chen who felt a terrifying radiance of power, Zhang Shiyun, Xue Suyin and Nangong Xiang also felt the terrifying power in the territory belonging to the Blue Esper faction.

Ye Chen felt quite a bad feeling about this matter, he felt something very bad ahead there.

"Xiang you go back to the villa, find Mu Xueying and tell her if I need her help" Ye Chen told Nangong Xiang to return to the villa to tell Mu Xueying to come to this place.

Ye Chen felt that he needed Mu Xueying's help with this matter.

"Alright, I will immediately go find Mu Xueying." Nangong Xiang immediately set off to call Mu Xueying, he felt that the way ahead was too dangerous.

In this matter, it would be best to ask Mu Xueying for help with this matter.

"Do you want to stay here or come with me?" After Nangong Xiang left, Ye Chen asked Zhang Shiyun and Xue Suyin, he wanted to know whether Zhang Shiyun and Xue Suyin wanted to come with him or not.

Up ahead looked quite dangerous, so Ye Chen wanted to know if Zhang Shiyun and Xue Suyin would take a risk to go to a dangerous place together with him.

"husbands , Our will of course come with you, there is no way we will leave you alone" Zhang Shiyun and Xue Suyin said that the two of them would come together with Ye Chen.

The two of them didn't want to let Ye Chen go to a dangerous place alone, they would definitely help Ye Chen go to the dangerous place that was ahead.

"Okay, then let's go to the front." Ye Chen nodded at Zhang Shiyun and Xue Suyin, himself inviting Zhang Shiyun and Xue Suyin to come forward.

Ye Chen, Zhang Shiyun and Xue Suyin came forward, the three of them began to enter the Blue Esper's territory.

When Ye Chen, Zhang Shiyun and Xue Suyin had just entered Blue Esper's territory, the three of them saw an enormous battle taking place right before their eyes.

This battle was very strange, it could be seen that tens of thousands of people were currently surrounding just one person.

The person who is being surrounded is not just anyone, this person emits a very dense dark aura around his body.

Plus the murderous aura emitted by this person was extremely heavy, even someone like Ye Chen felt pressured by the aura this person emitted.

" husband, looks like he is the one who has destroyed this large faction controlling this world." Zhang Shiyun immediately pointed at the dark figure that was being surrounded by tens of thousands of people.

"You are right, it looks like this is the figure behind the destruction of the four great factions." Ye Chen agreed with Zhang Shiyun's words, it seemed that the person in front of them was the mastermind who had destroyed factions like Carmilla's Rose, Yagatama Orochi, Chaos Bridge, and Devil Lucifer.

Even though this person was covered in pitch darkness, Ye Chen could tell right away that this was a demon who had tried to trick him in the past.

"Husband, what are we going to do now, should we wait first, or should we join the battle immediately." Xue Suyin asked what they should do now.

"If we wait, that person will become stronger, we better fight against him right away." Ye Chen didn't like to wait and see the enemy get stronger, it's better to attack the enemy when he is still not too strong.

"You two come here, I have a plan against demons." Ye Chen told Zhang Shiyun and Xue Suyin to get closer to him, he told Zhang Shiyun and Xue Suyin about how to defeat this Demon.

Ye Chen told Zhang Shiyun and Xue Suyin that they had to seal the demon if they wanted to win.

Zhang Shiyun and Xue Suyin listened carefully to how to defeat this demon, it turned out that they couldn't kill this demon, all they could do was seal the demon back to where it should be.

"Let's go" Ye Chen invited Zhang Shiyun and Xue Suyin to come forward and attack the Demon.

The goal was clear, Zhang Shiyun and Xue Suyin had to help Ye Chen to seal the Demon.

"Ying'er come out" Ye Chen told Yin Ying'er to come out and help himself against the demons.

Yin Ying'er immediately came out, she turned into the Divine Yin Yang Sword in Ye Chen's right hand.

Ye Chen raised the Divine Yin Yang Sword in his hand towards the demon, he prepared to attack the demon.

.
.

"You are all stupid humans, you better obey and become my food" The demon burst out laughing at everyone in front of him.

It can be seen that the demons feel happy slaughtering these weak people.

According to the demon these people were extremely weak, they were all not suitable opponents for him.

On this earth the only person who could make a Demon inconvenient was Ye Chen, besides that there was nothing else that could make a Demon feel inconvenient.

Chapter 912 - Hun Chao

"Slash. ." Suddenly without being noticed by the demon, a sword slash landed on his back.

"Argh. . .sick . . , who dared attack me ? " The demon shouted very loudly when he received the attack from the Divine Yin Yang Sword.

Divine Yin Yang Sword is a weapon that kills God and Demon, so it is not strange that a Demon feels pain even though his strength has risen very sharply.

The demon started to turn around to look behind him, when he looked back, he saw Ye Chen's figure who was already in front of him.

"Damn, why are you always bothering me, don't you have anything to do but interfere with my business" The demon was furious when he saw that the person who had just attacked him was Ye Chen.

For the Demon, Ye Chen along with the Divine Yin Yang Sword were his natural enemies.

"Finally we meet again the imposter demon, I've been waiting for this meeting for a long time." Ye Chen said to the Demon in front of him.

Ye Chen finally met the Demon again, this time Ye Chen wouldn't let the Demon escape again.

"You bastard human, how dare you call this master with such an ugly name" The demon looked very angry when he heard the words Ye Chen just said.

"Do you have a name?, I thought you didn't have a name" Ye Chen said to the Demon.

Ye Chen didn't know that Demon had a name, he thought this person didn't have a name, so Ye Chen called him Demon.

"This master's name is Hun Chao, remember carefully the name of the person who will kill you" Demon said to Ye Chen.

It turned out that all this time the name of the Demon was Hun Chao, so far this person's name was Hun Chao.

Ye Chen just found out that the name of a Demon is Hun Chao, this is the first time a Demon has told Ye Chen his name.

"You have a pretty ugly name too" Ye Chen said to Hun Chao that his name was bad enough to listen to.

"Human bastard, how dare you insult the name of this great master, are you not afraid of the consequences that you will face" Hun Chao said to Ye Chen who was in front of him.

Unlike the reaction that Ye Chen wanted, Hun Chao didn't show any signs of anger like before, this time Hun Chao just gave Ye Chen a very strong killing aura.

"When I came here, I already thought about all the consequences I would face," said Ye Chen to Hun Chao.

Ye Chen already knew what consequences he would face when he came to this place, he would definitely fight all out against Hun Chao.

Hun Chao will definitely fight and fight when Ye Chen tries to seal him into the chest.

"Let's finish all this as soon as possible" said Ye Chen to Hun Chao.

Ye Chen wanted to finish this matter quickly, he didn't want to waste too long talking to Hun Chao.

"Master, you have to be very careful when fighting that person, he is now much stronger since you last met." Before fighting Hun Chao, Chu Yuechan did not forget to warn Ye Chen that Hun Chao had become stronger than last time they met.

Now that Hun Chao's strength had soared very high, this strength would not be imagined for Ye Chen.

"Yuechan, thank you for the warning you gave, I will try to be careful when fighting Hun Chao" Ye Chen had expected that Hun Chao would become stronger, this time he could not hold back his strength against Hun Chao.

Ye Chen immediately opened his Flame vein, he also immediately used pill to strengthen himself .

It could be said that Ye Chen this time spent everything he had to fight Hun Chao, Ye Chen did not hold back at all against Hun Chao.

Ye Chen started to attack Hun Chao who was in front of him, Hun Chao also came forward to attack Ye Chen, the two of them were getting closer and closer.

Both Ye Chen and Hun Chao launched an attack on each other

"Boom. . ." a very strong explosion occurred as a result of the impact of the attack made by Ye Chen against Hun Chao's attack.

In the exchange of the first attack, Ye Chen was forced back quite a distance by Hun Chao.

Hun Chao's strength was beyond Ye Chen's estimate, Hun Chao was so powerful that Ye Chen lost in the exchange of attacks just now.

Even though Ye Chen had used all the strength he had, unexpectedly in the exchange just now he still lost to Hun Chao.

"Hahaha, is that the only ability you have, you are really very weak" Hun Chao started laughing at Ye Chen who was now weak to himself.

After absorbing the blood belonging to billions of humans, Hun Chao's strength of course has increased very rapidly, if Hun Chao continues to be like this, it is certain that Hun Chao will soon be able to use his real body.

If Hun Chao could use his real body, there would be a catastrophe that no one in this world could imagine.

"Why are you just silent, don't you want to attack me again, if you don't want to attack me, then I will come to attack you." Hun Chao attacked Ye Chen again, he tried to attack Ye Chen.

"Slash. . ., Slash. . ., Slash. . ., Slash. . .," When Hun Chao was about to attack Ye Chen, Hun Chao felt a strong wind blowing around him.

This made Hun Chao's movements stop for a while.

Just now Zhang Shiyun and Xue Suyin used the *invisible Wind Slash* technique to attack Hun Chao.

Unfortunately the attacks carried out by Zhang Shiyun and Xue Suyin could not inflict a wound on Hun Chao, it can be seen that the attack just now was not strong enough to injure Hun Chao.

Apart from Zhang Shiyun and Xue Suyin, those people from Blue Esper also started attacking Hun Chao, they didn't miss the opportunity to attack Hun Chao who was busy with Ye Chen .

Thousands of direct hits rained down on Hun Chao's body, Hun Chao's body was currently covered in tens of thousands of attacks launched by the people from the Blue Esper.

This attack cast a variety of colors across the pitch black sky, creating a scene as if it were millions of fireworks being lit simultaneously.

The sky around this place became bright due to the sizable explosion light, everything became as clear as day.

A few moments later the large scale explosion finally stopped, right now everyone from the Blue Esper was looking to see if they had succeeded in killing Hun Chao.

After the huge explosion occurred, an extremely dense smoke enveloped the area around Hun Chao's body, everyone could not see whether Hun Chao was injured or not due to the attack they had just carried out.

Little by little the smoke began to dissipate, everyone from the Blue Esper nervously saw the result, they hoped that Hun Chao died under the attack they did.

After the smoke cleared, everyone could see that Hun Chao was still standing where he came from, Hun Chao did not move one bit from where he was standing.

"All of you lowly ants, do you think you can beat me with an attack like that?" said Hun Chao to the people from the Blue Esper.

The attack just now had no effect on Hun Chao, it felt like someone was throwing a soft cotton swab at him.

Chapter 913 - Reinforcements Are Coming

"Get lost all of you." Hun Chao immediately attacked the people who had previously attacked him.

Zhang Shiyun, Xue Suyin and the people from Blue Esper were hit by the deadly attack from Hun Chao.

Seeing this, Ye Chen immediately went to the side of Zhang Shiyun and Xue Suyin, Ye Chen immediately protected the two of them from Hun Chao's attack.

"Boom" A very large explosion occurred and swept away the people of the Blue Esper, everyone from the Blue Esper was flown in all directions, it was not known whether they were alive or dead.

Meanwhile Ye Chen was currently injured when he resisted the attack previously launched by Hun Chao.

Hun Chao's attack was too strong, even with the current cultivation Ye Chen had, Ye Chen was still injured by the attack just now.

"husband" Zhang Shiyun and Xue Suyin's looked worried about Ye Chen's injury, for the first time they both saw Ye Chen injury like this.

Zhang Shiyun and Xue Suyin felt guilty seeing Ye Chen hurt because of the two of them, if only Ye Chen didn't protect them, maybe Ye Chen wouldn't be hurt like this.

"You two hurry up and leave, the situation is beyond my control." Ye Chen told Zhang Shiyun and Xue Suyin to leave this place.

"No, we won't leave you in this condition." Zhang Shiyun and Xue Suyin refused to leave this place, they didn't want to leave Ye Chen who was in this condition.

Zhang Shiyun and Xue Suyin better stay here and accompany Ye Chen, they don't want to leave Ye Chen.

Ye Chen did not expect that Zhang Shiyun and Xue Suyin would still insist on staying with him, both of them seemed unwilling to leave themselves alone in this place.

Ye Chen was a little touched when he saw this, Zhang Shiyun and Xue Suyin were willing to accompany him in this dangerous condition.

"You two hurry up and go, I'll catch up with you later, if you stay here, then I will have a hard time protecting you two, I don't want anything to happen to you two." Ye Chen told Zhang Shiyun and Xue Suyin to immediately leave this place.

Ye Che didn't want anything bad to happen to Zhang Shiyun and Xue Suyin, it was better for him to endure all of this.

Zhang Shiyun and Xue Suyin didn't want to leave Ye Chen, they both didn't want anything bad to happen to Ye Chen.

"Hahahaha, look at the current you, the current you can't even win against me" Hun Chao looked very arrogant when he managed to injure Ye Chen, finally after all this time Hun Chao won against Ye Chen.

Hun Chao had lost twice at Ye Chen's hands, and this time Hun Chao finally won against Ye Chen, this was something that Hun Chao was quite proud of.

Ye Chen looked at Hun Chao who was in front of him, if Ye Chen had a chance, Ye Chen would definitely kill Hun Chao.

"Get ready, you three, I will send you all to the afterlife" Hun Chao said that he would send Ye Chen, Zhang Shiyun and Xue Suyin to the afterlife.

Hun Chao started to accumulate a terrifying amount of darkness power in his palm, just from his energy beam alone, it was certain that this power of darkness was terrifying.

"You two quickly get out of here" seeing this terrifying power, Ye Chen immediately told Zhang Shiyun and Xue Suyin to leave this place, if the two of them stay here, it will be very dangerous for the safety of both of them.

"We won't go" Zhang Shiyun and Xue Suyin refused to leave Ye Chen, both of them now hugged Ye Chen very tightly.

Ye Chen saw what Zhang Shiyun and Xue Suyin were doing, these two women really didn't want to leave him, they both had better accompany him to die in this place.

Ye Chen couldn't possibly let Zhang Shiyun and Xue Suyin die, he had to use the Heavenly Armor to protect Zhang Shiyun and Xue Suyin from Hun Chao's attacks.

"Feel this, **Dark Evolution Ball**" Hun Chao intended to throw the power of darkness in his hands towards Ye Chen, Zhang Shiyun and Xue Suyin.

Ye Chen was ready to use his Heavenly Armor, he would use Heavenly Armor for Zhang Shiyun and Xue Suyin.

"Hahaha" Hun Chao laughed creepily at Ye Chen, it was seen that Hun Chao really enjoyed momentum this.

"Cracked. . ." When Hun Chao intended to throw the power of darkness at Ye Chen, his body suddenly froze into an ice statue.

Hun Chao suddenly stopped in place, Hun Chao's power of darkness immediately disappeared when he was turned into an ice statue.

Ye Chen, Zhang Shiyun and Xue Suyin were shocked when they saw what happened to Hun Chao.

Seeing that Hun Chao had turned into an ice statue, Ye Chen immediately looked back, when Ye Chen looked back, he found that behind him was Mu Xueying who was floating above the sky while wearing a white veil that covered her face.

Mu Xueying was currently looking at Hun Chao, who had turned into an Ice statue.

"Senior sister, why are you flying so fast?" Behind Mu Xueying came Mei Yueli and Nangong Xiang, both of whom had just caught up with Mu Xueying.

Mu Xueying's speed was so fast, neither Mei Yueli nor Nangong Xiang was able to match Mu Xueying's speed.

Meanwhile Nangong Xiang immediately went to see Ye Chen, Nangong Xiang was a little worried when she saw Ye Chen who was bleeding a little because of the wounds inflicted by Hun Chao.

"Ye Chen, are you okay?" Nangong Xiang immediately asked about the situation from Ye Chen.

"I'm fine, this is just a light wound, you don't need to worry" Ye Chen told Nangong Xiang that his wound was still quite light.

Nangong Xiang felt relieved when she heard this, she was relieved to know that Ye Chen was not seriously injured.

Nangong Xiang was very worried when she saw Ye Chen injured, Nangong Xiang had never been worried like this by anyone.

Mu Xueying and Mei Yueli saw the worry and affection that Nangong Xiang showed to Ye Chen.

Even fools know what kind of relationship Ye Chen and Nangong Xiang can have.

The two of them must have a very special relationship, Mu Xueying and Mei Yueli were very sure about that.

"Crack. . . , Crack. . . , Crack. . . " suddenly the ice that covered Hun Chao's body began to crack.

"Bang. . . "The ice that held Hun Chao's body completely shattered into rubble scattered in all directions.

"You women are so troublesome, how dare you interfere with the fun I just started." Hun Chao was very unhappy when he saw Mu Xueying and Mei Yueli bothering him.

Even though soon Hun Chao could eradicate Ye Chen from the face of this earth forever.

"Yueli, let's join hands to fight the dark cultivator in front of us." Mu Xueying invited Mei Yueli to join hands against Hun Chao.

"Senior Sister, let's send this bad guy back to where he should be." Mei Yueli will gladly help Mu Xueying, she will make Hun Chao go back to where he should be.

Chapter 914 - Darkness Cultivation Seal

Mu Xueying and Mei Yueli immediately showed the strength they possessed.

Mu Xueying's body began to be enveloped in crystals similar to ice, while Mei Yueli's body was covered in red flames.

Mu Xueying surroundings were snow and cold, and Mei Yueli hot , and the temperature difference between the two was extremely extreme.

On the one side the temperature is so low that it can freeze whatever is around it, while on the one side the temperature is so high that it can melt whatever is nearby.

Fire and Ice are elements that intersect with each other, if they are brought together, they will attack each other.

"Let's go." Mu Xueying invited Mei Yueli to step forward and attack Hun Cao.

"OK." Mei Yueli nodded at Mu Xueying, herself and Mu Xueying advancing towards Hun Chao.

"**Darkness Chain**" From Hun Chao's body began to appear dozens of chains of darkness that had an extremely terrifying aura.

Dozens of these chains twisted like a tentacle ready to be used to catch prey.

"Come here, I will suck up the blood and souls you have." Hun Chao said that he would suck the blood that was owned by Mu Xueying and Mei Yueli.

Mu Xueying immediately made a weapon from the profound ice that she possessed, she made a one-handed sword that was very thin and flexible, even this one-handed sword had a very thin thickness.

It was not known why Mu Xueying made a one-handed sword out of ice that was so thin, it was likely that this sword would break immediately when faced with a fairly strong attack.

Meanwhile Mei Yueli made several fireballs the size of a basketball around herself, it seemed that these fireballs were about to be fired towards Hun Chao.

The fireball that Mei Yueli made was not an arbitrary fireball, the explosive power that this fireball could generate was quite terrifying.

Hun Chao welcomed the arrival of Mu Xueying who wanted to attack him, Hun Chao immediately controlled his chains to attack Mu Xueying who wanted to try to attack him.

Dozens of chains of darkness headed straight for Mu Xueying, these dozens of chains looked like a tentacle that wanted to catch Mu Xueying.

Mu Xueying did not remain silent when she found out that Hun Chao was trying to catch her, Mu Xueying began to use her ice sword to attack the chain of darkness that was coming towards her.

"Clank. . . , Clank. . . , Clank. . . , Clank. . . , "The clash between the chain of darkness and Mu Xueying's ice sword sounded very loud, it could be seen that the thin ice sword that Mu Xueying made was strong enough to face the chains of darkness that Hun Chao possessed.

Although this sword looks very thin, it turns out that this sword is very sharp, this can be seen from the chain of darkness that was partially cut by Mu Xueying's sword of Ice.

If Mu Xueying continued to attack Hun Chao's chain of darkness, it was certain that Hun Chao's chain of darkness would be cut by Mu Xueying.

Mu Xueying tried to divert Hun Chao's attention to her, Mu Xueying began to preoccupy Hun Chao with the incessant attacks she launched.

Mu Xueying's fighting style was beautiful to look at, she was like snow dancing in the sky.

"Feel this, explode." While Mu Xueying distracted Hun Chao, Mei Yueli started secretly shooting fireballs at Hun Chao, she immediately shot dozens of fireballs at Hun Chao.

"Boom, Boom, Boom, Boom, Boom, Boom," a continuous explosion rained down on Hun Chao's body, this explosion was extremely powerful, the explosion could be felt almost all over the earth.

because of this explosion, the earth began to tremble, this proved how powerful the explosion was generated by the dozens of fireballs that Mei Yueli created.

.
. .
.

Meanwhile, Ye Chen along with Zhang Shiyun, Xue Suyin and Nangong Xiang had retreated quite a distance from the battlefield held by Hun Chao vs Mu Xueying and Mei Yueli.

the four of them decided to retreat in order to avoid the impact of the high-level battles fought by Hun Chao Vs Mu Xueying and Mei Yueli.

Currently, Ye Chen can only see the battle fought by Mu Xueying and Mei Yueli, he is still trying to heal the wounds he has.

Ye Chen had absolutely no idea what level of cultivation Mu Xueying and Mei Yueli had, who he knew both had terrifying strength, they were both much stronger than the current Ye Chen.

Ye Chen hoped that Mu Xueying and Mei Yueli could defeat Hun Chao, so Ye Chen didn't have to bother fighting Hun Chao, Ye Chen only needed to seal Hun Chao.

.

.

Return to battle.

Mu Xueying had now retreated, she had now returned to Mei Yueli's side.

"Is it working?" Mei Yueli asked if the attack just now succeeded in killing Hun Chao.

"Stay alert, that person will definitely not be easy to beat." Mu Xueying told Mei Yueli to remain vigilant, the enemy would definitely not be that easy to lose with just a technique like this.

Mei Yueli nodded at Mu Xueying, she would still be on the lookout for Hun Chao.

Incredibly dense smoke enveloped the vicinity, it could be seen that this dense smoke was blocking a little of the vision that Mu Xueying and Mei Yueli had.

"Creek. . ., suddenly from behind the black smoke there were dozens of chains, at this time dozens of chains of darkness were heading towards Mu Xueying and Mei Yueli.

"Quickly evade" Mu Xueying told Mei Yueli to avoid the sudden attack launched by Hun Chao.

Mei Yueli managed to dodge it in time, meanwhile Mu Xueying immediately used her sword to cut through the chains surrounding her.

"Slash, Slash, Slash." Mu Xueying slashed and cut the chains of darkness trying to catch her.

This time, the chains of darkness around Mu Xueying were cut, this felt much easier than before.

" caught you" suddenly Hun Chao appeared behind Mu Xueying without being detected.

Hun Chao immediately touched Mu Xueying's body in front of him.

"You troublesome woman. Feel this **Darkness Cultivation Seal**." Hun Chao used a shackle of darkness seals to seal Mu Xueying's cultivation.

Mu Xueying's strength immediately vanished when she was hit by the **Darkness Cultivation Seal** used by Hun Chao.

Mu Xueying immediately fell to the ground as her strength was sealed by the Darkness Cultivation Seal technique.

"Senior Sister" Mei Yueli shouted at Mu Xueying, herself trying to save Mu Xueying who was currently falling down.

"Where are you going, now is your turn." Hun Chao appeared in front of Mei Yueli, Hun Chao tried to attack Mei Yueli who was off guard.

Mei Yueli didn't go to Mu Xueying's , she now had to focus on Hun Chao, if she didn't fight Hun Chao then it was certain that this person would attack her from behind.

Mei Yueli couldn't help but fight against Hun Chao, she took all her strength to fight against Hun Chao.

There was another fierce battle between Mei Yueli and Hun Chao, this time the two of them were both serious while fighting.

.

.

When Ye Chen went to save Mu Xueying who fell from the sky, he immediately caught Mu Xueying who fell from the sky.

Chapter 915 - Sacrifice That Ye Chen Made

"Hap. . ." Ye Chen caught Mu Xueying very quickly.

Luckily, Ye Chen was just in time to save Mu Xueying, otherwise Mu Xueying would hit the ground very hard.

" Are you alright ?" Ye Chen asked about the circumstances from Mu Xueying.

The current Mu Xueying looked quite pale, so Ye Chen was worried about Mu Xueying's situation.

"I'm fine, hurry and put me down." Mu Xueying said that she was fine, Mu Xueying told Ye Chen to put herself down.

Ye Chen naturally agreed to Mu Xueying's request, Ye Chen started to lower Mu Xueying to the ground.

Mu Xueying, who had just come down, sat down immediately, she trying to destroy the seal that Hun Chao had placed on her body.

Due to the seal that Hun Chao had placed, the current Mu Xueying was unable to use her cultivation base, all of Mu Xueying's strength seemed to vanish in the air.

For the time being, Ye Chen could only look after Mu Xueying, who was in the weakest state of her life.

If Ye Chen left Mu Xueying in this state, Ye Chen was afraid that something might happen to Mu Xueying.

.

.

Meanwhile Mei Yueli was currently fighting all out with Hun Chao, Mei Yueli looked quite depressed when she was fighting alone with Hun Chao.

In terms of battle experience, it was clear that Mei Yueli was no match for Hun Chao who had gone through a lot of bloody battles, which was why Mei Yueli was currently being completely suppressed by Hun Chao.

Hun Chao was quite aggressive, it seemed that Hun Chao didn't want to give Mei Yueli the slightest chance to rest for a while.

Hun Chao continued to attack and try to corner Mei Yueli.

"Feel this ***Darkness Palm***" Hun Chao started attacking Mei Yueli, it just so happened that Hun Chao had a good chance to attack Mei Yueli.

Mei Yueli, who was in a state of urgency, immediately tried to block the attack using her two arms.

Mei Yueli crossed her arms to fend off Hun Chao's ***Darkness Palm***.

"BAM" Mei Yueli was immediately flown by Hun Chao, Mei Yueli hit the ground in a very painful manner.

Hun Chao's strength was beyond expectations, Hun Chao was completely capable of defeating Mei Yueli who had a cultivation far above Ye Chen.

If even Mei Yueli wasn't able to win against Hun Chao, then what about Ye Chen, Ye Chen's chance of winning would be even smaller.

After defeating Mei Yueli, Hun Chao turned his gaze towards Mu Xueying, he had to defeat Mu Xueying, he thought Mu Xueying was a more dangerous threat than Ye Chen.

Hun Chao immediately went towards Mu Xueying, intending to kill Mu Xueying.

Ye Chen who was near Mu Xueying immediately detected Hun Chao's intentions, Ye Chen sensed that Hun Chao intended to target Mu Xueying.

Ye Chen started to lift the Divine Yin Yang Sword, Ye Chen also started to use the Heavenly Armor on his body, now Ye Chen's body is covered by a light armor which looks really cool.

Ye Chen had no other choice, he was forced to use the Heavenly Armor & Divine Yin Yang Sword to fight against Hun Chao.

If Ye Chen didn't use Heavenly Armor & Divine Yin Yang Sword then Ye Chen wouldn't be able to win against Hun Chao.

Even though Ye Chen used Heavenly Armor & Divine Yin Yang Sword, Ye Chen's chance to win against Hun Chao was still not high enough.

"Hahaha, you finally used that thing, let's fight seriously" Hun Chao was very happy when he saw Ye Chen decide to use Heavenly Armor.

Hun Chao was waiting for the moment to fight against Ye Chen who used Heavenly Armor.

Ye Chen immediately advanced towards Hun Chao, himself starting to attack Hun Chao earnestly.

This time Ye Chen was not kidding, he opened the Fire and Wind Veins at the same time, the burden that Ye Chen had to bear to use both of them was quite heavy, so it was likely that Ye Chen could not fight for a long time.

"**Darkness Chain**" Hun Chao used the chain to attack Ye Chen, he did not hold back his strength against Ye Chen who was currently seriously fighting against him.

Of course, Hun Chao knows how great the Heavenly Armor Ye Chen is using, Ye Chen's strength will increase rapidly when using Heavenly Armor.

"Bang. . ., Bang. . ., Bang. . .," The great power battle between Ye Chen and Hun Chao occurred, one after another collisions and collisions occurred.

In this battle, Ye Chen was still a little depressed by Hun Chao's strength, there was still a gap between Ye Chen's strength and Hun Chao.

Ye Chen was quite helped when using Heavenly Armor, Ye Chen's defense became much stronger than before, Hun Chao's attack had little impact on him.

Mu Xueying was trying to break the seal on her body, she still needed time to break this seal.

Mu Xueying could only hope that Ye Chen could buy time until she finished destroying the **Darkness Cultivation Seal** completely.

Ye Chen was currently continuing to fight Hun Chao, himself trying his best to win against Hun Chao.

Ye Chen was waiting for a suitable opportunity to seal Hun Chao into the gold chest he got from Sun Yang's ancestors, when Ye Chen had a chance, Ye Chen would definitely seal Hun Chao right away.

Too bad that opportunity didn't come either, Ye Chen had started to feel that he was at his limit, Ye Chen was no longer able to withstand the impact that had to be endured when using the fire and wind veins simultaneously.

Ye Chen's heart has started to ache because of using the Wind Veins for too long, if it continues like this sooner or later Ye Chen will lose by time.

Ye Chen might be able to be comparable to a demon, unfortunately he lost against time, he already had no time left.

Now that Ye Chen may only be able to rely on Mu Xueying, he hopes that Mu Xueying can recover as soon as possible and return to fight against Hun Chao.

"What is wrong. . .?, why are you getting weaker, show me your true strength hahaha. . ." Hun Chao burst into laughter when he saw Ye Chen cornered, he was very happy to corner Ye Chen like this.

Ye Chen could only survive, he could only withstand every attack launched by Hun Chao.

Hun Chao finally realized that something strange was happening, you could see that Ye Chen seemed to be trying to buy time with himself.

"Damn, you're trying to buy time with me so that woman can recover, I won't let that happen." Hun Chao wouldn't be that easy to let Mu Xueying recover, if until Mu Xueying recovered, then Hun Chao would have a hard time dealing with Mu. Xueying.

Hun Chao started to ignore Ye Chen, he started going towards Mu Xueying.

Ye Chen didn't let Hun Chao go to attack Mu Xueying, he deftly tried to stop Hun Chao from attacking Mu Xueying.

"You die." Hun Chao attacked Mu Xueying using all the strength he had.

Hun Chao was really targeting the life Mu Xueying had, he seemed eager to kill Mu Xueying.

Ye Chen immediately stood in front of Mu Xueying, himself holding back the attack that Hun Chao was trying to make.

"Cough" Ye Chen coughed up blood when he resisted the attack that came from Hun Chao, you could see that Hun Chao's attack had quite an impact when it hit Ye Chen's body.

Chapter 916 - Ye Chen Was Very Badly Injured

The Heavenly Armor used by Ye Chen immediately disappeared, Ye Chen had reached its limit, he was no longer able to use Heavenly Armor.

.

.

Meanwhile Mu Xueying who was in front of Ye Chen started to open her eyes, when Mu Xueying opened her eyes, she found that Ye Chen was currently in front of her.

Mu Xueying could see the immediate blood that was in Ye Chen's mouth, you could see that Ye Chen was badly injured while trying to protect herself.

Ye Chen smiled at Mu Xueying, a while after Ye Chen smiled at Mu Xueying, Ye Chen lost consciousness of hers and collapsed right in front of Mu Xueying's body.

Seeing this, Mu Xueying immediately caught Ye Chen into her arms.

"Ye Chen, wake up, don't scare me." Mu Xueying tried to wake up Ye Chen who was currently in her arms.

It's a shame that Mu Xueying's words couldn't reach Ye Chen, right now Ye Chen is already unconscious.

Mu Xueying looked panicked when she found Ye Chen didn't answer herself, for the first time Mu Xueying showed such an exaggerated panic.

Ye Chen's injuries were so bad, it wasn't strange that Mu Xueying looked so panicked about Ye Chen's condition.

Ye Chen continued to help herself, Mu Xueying felt that she owed Ye Chen a lot.

Mu Xueying didn't know how to get back at Mu Xueying.

"Hahahaha, you trash human, how are you willing to inflame yourself like that, you really are so stupid." Hun Chao insulted Ye Chen's stupidity who sacrificed himself to save Mu Xueying.

Mu Xueying didn't react when she heard Hun Chao's words, she was currently focused on Ye Chen who was passed out in her arms.

Regardless of Ye Chen being a lecherous and shameless person, Ye Chen was a very kind person, it was evident from Ye Chen who was willing to protect herself.

"Senior Sister, are you okay?" Mei Yueli came to Mu Xueying's side, immediately asking about Mu Xueying's situation.

Currently Mei Yueli is in a rather bad state, it can be seen that Mei Yueli's appearance is in tatters.

Mei Yueli was injured due to the attack previously carried out by Hun Chao, it wasn't strange that Mei Yueli needed time to recover.

Mu Xueying did not answer Ye Chen, you can see that Mu Xueying is currently focused on hugging Ye Chen in her arms, she is constantly trying to wake Ye Chen up.

"It's good if you two get together this will make it easier for me to kill both of you." In this way, Hun Chao would find it easier to kill Mu Xueying and Mei Yueli.

"Senior Sister, let's defeat this evil guy." Mei Yueli invited Mu Xueying to fight Hun Chao.

Too bad Mu Xueying still looked dazed, she was still devastated when she saw Ye Chen unconscious right before her eyes.

Mei Yueli started to see what was wrong with Mu Xueying, she found that Mu Xueying looked dazed and confused.

"Senior Sister" Mei Yueli's tried to wake Mu Xueying up, she was trying to make Mu Xueying wake up as usual.

Too bad what Mei Yueli was doing was in vain, Mu Xueying didn't listen to her at all.

"Senior Sister, I'm sorry. . , Pahh. . ." Mei Yueli was forced to slap Mu Xueying, Mei Yueli slapped Mu Xueying to bring herself to her senses.

The heat from Mei Yueli's slap woke Mu Xueying up, Mu Xueying finally got up.

"Why did you slap me?" Mu Xueying asked Mei Yueli.

"Senior Sister, it's because you looked dazed earlier so I was forced to slap you to wake you up." Mei Yueli told the reason why she slapped Mu Xueying.

If Mei Yueli didn't do that, perhaps Mu Xueying wouldn't have awoken.

Mu Xueying is now aware, she looks at Ye Chen who is currently in her arms, you can see that Ye Chen's condition is getting worse, if it continues, maybe something bad will happen to Ye Chen.

Mu Xueying could not let anything bad happen to Ye Chen, she would not let her savior be in danger like this.

"Let's step back for a while." Mu Xueying invited Mei Yueli to temporarily step back.

For Mu Xueying, Ye Chen's safety was her first priority for now.

"But how, this person definitely won't just let us go." Mei Yueli asked Mu Xueying about how to leave this place.

Hun Chao definitely wouldn't let the two of them just go away, this person would definitely block the path for the two of them to leave this place.

"You don't have to worry about that problem." Mu Xueying started to take out a blue crystal from her Space Ring, herself throwing the blue crystal towards Hun Chao.

The blue crystal that Mu Xueying had just thrown exploded, as blue ice exploding crystals began to form around Hun Chao's body.

There were a total of five enormous ice pillars forming around Hun Chao's body, these five pillars emitted a blue light like a barrier.

Hun Chao's body was currently trapped between the five pillars of Ice, it could be said that Hun Chao was currently trapped within this pillar.

"Do you think this can stop me, feel this" Hun Chao tried to destroy the barrier in front of him, he started attacking the ice barrier in front of him.

"Bang. . ." When Hun Chao attacked the rally that was in front of him, he found that the barrier in front of him didn't budge at all, it could be seen that the Ice barrier that was confining him was very hard and strong.

The strength of the Ice barrier was beyond Hun Chao's expectations.

"Let's go now." Mu Xueying invited Mei Yueli to leave this place, for the time being Hun Chao would not be able to get out of the ice prison.

Mu Xueying had to take Ye Chen away from this place, she had to treat Ye Chen immediately.

Mei Yueli could only follow Mu Xueying, she was very curious about what Mu Xueying had just used.

"Where are you going, come back." Hun Chao yelled at Mu Xueying and Mei Yueli, telling them both to come back to fight him.

too bad Mu Xueying and Mei Yueli continued to leave this place

"Senior Sister, what did you just use?" Mei Yueli asked about what Mu Xueying had just used.

"It's an Ice Jade Barrier, it's useful for sealing an enemy, master gave me that in the past just in case I run into a strong enemy." Mu Xueying told Mei Yueli what she had just used.

"I see." Mei Yueli finally understood what Mu Xueying had just used, it turned out to be an object that could temporarily lock up the enemy.

"Then how long can it last?" Mei Yueli asked how long it would last to lock up Hun Chao.

"Maybe around 7 days." Mu Xueying told Mei Yueli that the Ice Jade Barrier was able to last for 7 days.

Mei Yueli nodded to Mu Xueying, 7 days is quite a long time, it's enough to heal their wounds from this battle.

Mu Xueying and Mei Yueli immediately went to see Zhang Shiyun, Xue Suyin and Nangong Xiang.

Zhang Shiyun, Xue Suyin and Nangong Xiang hurriedly went to meet Mei Yueli and Mu Xueying, the three of them immediately saw the condition of Ye Chen who was in Mu Xueying's embrace.

" husband, Zhang Shiyun, Xue Suyin and Nangong Xiang were very worried about Ye Chen's current situation in Mu Xueying's arms, they wanted to know Ye Chen's condition for the time being.

Chapter 917 - Method To Save Ye Chen

"What happened to Ye Chen?" Nangong Xiang immediately asked Mu Xueying what happened to Ye Chen.

How could Ye Chen be in this condition, Ye Chen's condition was the worst that Nangong Xiang had ever seen, Nangong Xiang had never seen Ye Chen in this condition.

Zhang Shiyun and Xue Suyin also began to want to know what happened to Ye Chen, Both of them wanted to know why Ye Chen was in this condition.

"The problem is quite long if it must be explained, we better go back to take care of Ye Chen." Mu Xueying could not explain everything to Nangong Xiang, Zhang Shiyun and Xue Suyin, if they wasted time Ye Chen's life could be threatened.

"Let's go back first." Nangong Xiang quite agreed with Mu Xueying's words, they had to focus on Ye Chen's condition for the time being.

"Where are you guys going, Bang. . ." Hun Chao tried to break down the barrier Mu Xueying had created, himself repeatedly attacking the barrier set up by Mu Xueying.

This Ice Barrier was quite strong, with Hun Chao's current strength, Hun Chao seemed to have a hard time breaking down the barrier that held him back.

Mu Xueying, Mei Yueli, Zhang Shiyun, Xue Suyin and Nangong Xiang started to leave the territory of the Blue Esper, they began to ignore the screams made by Hun Chao.

Almost all of the women felt excessive worry for Ye Chen, they were all worried about Ye Chen more than anything.

Hun Chao was furious with what had happened, he was living alone in this remote place.

Hun Chao continuously attacked the Ice barrier that was holding him back, Hun Chao did not attack at all to destroy this barrier.

Meanwhile Hun Chao was busy breaking down the barrier that shackled him.

Mu Xueying, Mei Yueli, Zhang Shiyun, Xue Suyin and Nangong Xiang had brought Ye Chen to the villa, they immediately put Ye Chen on the sofa in the living room.

There were several women currently gathered in this room, one of whom was Zhao Yanyan, Liu Yue, Lin Rouxi, Mu Lanyin. Xiao Lulu and there are a few more.

All these women gathered to confirm Ye Chen's condition, they wanted to know whether Ye Chen was okay or not.

Zhao Yanyan and Lin Rouxi were the ones who checked the state of Ye Chen.

"How is the husband's current situation?" Liu Yue asked Zhao Yanyan and Lin Rouxi about Ye Chen's situation.

"husband has suffered very heavy internal injuries. Plus his body temperature looks quite Many Yang Qi . "Zhao Yanyan told all the women here that Ye Chen had suffered a very heavy wound, plus Ye Chen's body temperature looked really high.

Zhao Yanyan was afraid that if Ye Chen's ancient (Yang) body would relapse, it would be something dangerous for Ye Chen if it really happened.

"Then what should we do to heal it" Liu Yue asked what they should do now.

"I don't know" Zhao Yanyan said that she didn't know what to do with Ye Chen's current condition.

Zhao Yanyan was not a doctor, naturally Zhao Yanyan had no way of curing Ye Chen.

All the women who belonged to Ye Chen became worried when they saw this, it seemed they all had to find a reliable doctor to treat Ye Chen's wounds.

"Yanyan, can you hear me?" Chu Yuechan suddenly spoke into Zhao Yanyan's mind.

"Yuechan sister, I can hear you, what's wrong?" Zhao Yanyan asked why Chu Yuechan suddenly contacted him like this.

"I want to discuss Ye Chen's condition with you, I hope you listen to this carefully" Chu Yuechan said to Zhao Yanyan that he wanted to discuss Ye Chen's current condition.

"Fine, I'll listen to it." Zhao Yanyan said that he would listen to what Chu Yuechan would say to him.

Chu Yuechan started to say Ye Chen's condition to Zhao Yanyan, he also told Zhao Yanyan how to heal Ye Chen who was currently in a very bad state.

" Yuechan sister , are you sure we should use that method" asked Zhao Yanyan to Chu Yuechan.

"That is the only fastest way, do you want to see master continue to be in this state?" Chu Yuechan said to Zhao Yanyan.

Zhao Yanyan did not want to see Ye Chen in this condition, but what Chu Yuechan said just now was quite difficult for Zhao Yanyan to fulfill.

Chu Yuechan told Zhao Yanyan to find 3 women who were still virgins for Ye Chen, the three women who were still virgins had to do Dual Cultivation together with Ye Chen.

Here the problem is that all of Ye Chen's women are no longer virgins, most of them have done dual cultivation together with Ye Chen.

So Zhao Yanyan was confused about what to do in a situation like this, she didn't know what to do in this condition.

"Yanyan, you talk about this with other women, maybe they can help you find a virgin woman for Ye Chen." Chu Yuechan told Zhao Yanyan to discuss this matter with other Ye Chen women.

"Okay, I understand." Zhao Yanyan understood, she would discuss this with the others.

"One more thing, you have to hurry, Master can't wait too long." Chu Yuechan told Zhao Yanyan to quickly use the method she had just said, otherwise Yang Qi Ye Chen's strength would only get worse.

Zhao Yanyan nodded, she would quickly find a solution to this problem.

"Everyone please listen to me" Zhao Yanyan said to all the women in this place.

Zhao Yanyan told all the women who were here on how to save Ye Chen.

All the women in this place listened to the means that could be used to save Ye Chen.

"Yanyan, are you sure it works" Asked Nangong Xiang to Zhao Yanyan.

Among the women who were here, Nangong Xiang was among the ones who were still virgins, so she still had a chance to help Ye Chen.

"Sister Xiang, that's the fastest way to save husband, I hope you can help" Zhao Yanyan said to Nangong Xiang.

"Very well, I will help" Nangong Xiang nodded, herself to help on this matter.

Now that Zhao Yanyan has got one, it remains only to look for the remaining two women who are still virgins.

Zhao Yanyan started thinking about who should be willing to volunteer to help Ye Chen.

"Then I will also help" Mu Xueying volunteered to help Ye Chen as well.

All the women who were here were shocked when they heard what Mu Xueying had just said, they all didn't believe that Mu Xueying would volunteer like this.

"Senior Sister, how can you do something like that?" Mei Yueli began to question Mu Xueying's decision, she thought Mu Xueying's decision made no sense at all.

How could Mu Xueying want to do Dual Cultivation together with a man like Ye Chen, in her opinion, the two of them were completely incompatible.

"All this happened because Ye Chen tried to save me, so it is my responsibility too," Mu Xueying said to Mei Yueli.

"But. . ." Mu Xueying tried to change Mu Xueying's way of thinking.

"Don't stop me." Mu Xueying firmly said to Mei Yueli, she didn't want Mei Yueli to stop herself.

Chapter 918 - Li Qingzu Volunteered

Mei Yueli was speechless when she listened to Mu Xueying's answer, she could no longer go to stop Mu Xueying's decision.

"Why would Senior Sister want to do such a thing for this man?" Mei Yueli started to wonder why Mu Xueying would do such a thing with Ye Chen.

This was not like the Mu Xueying she knew, the Mu Xueying he knew would definitely not want to do something like this.

"Mu Xueying, are you sure about this?" Mu Lanyin asked if Mu Xueying would do that together with Ye Chen.

Mu Lanyin was afraid that Mu Xueying wouldn't be able to do that.

"You don't have to worry like that, I will definitely do what I said before." Mu Xueying told Mu Lanyin that she really wanted to help Ye Chen.

"Good, if that's your intention." Zhao Yanyan was delighted to see Mu Xueying willing to help Ye Chen.

"But I have a condition for all of you." Mu Xueying told everyone present that she had a condition.

"Say, as long as it's within your reach." Zhao Yanyan told Mu Xueying to state the conditions they needed to accept.

"I want you to hide this matter from Ye Chen, don't let him know about this matter." Mu Xueying told everyone the conditions they had to accept from her.

"Well if that's what you want, we will keep your secret" Zhao Yanyan immediately agreed to the conditions given by Mu Xueying, according to her the conditions were very easy for them to accept.

Now that there are 2 people who are willing, now it's just a matter of finding one more willing to help Ye Chen.

In this place only Mei Yueli was left who was still a virgin, so all the women here immediately looked at Mei Yueli with strange looks.

"Why are you looking at me like that, I don't want to do that" Mei Yueli immediately told everyone that she didn't want to do something like that together with Ye Chen.

She still didn't want to do something embarrassing like that with the opposite sex, even if it was Ye Chen, Mei Yueli still hesitated to do something like Dual Cultivation.

Everyone was disappointed when they heard such an answer from Mei Yueli, it seemed they had to find another woman.

"Sister Lanyin, are there any women from the Frozen Sect still virgins?" Zhao Yanyan immediately asked Mu Lanyin about the woman in the Frozen Ice Sect.

"Only master is left, it might be very difficult to convince him" Mu Xueying told Zhao Yanyan that only Mu Nianci was still a pure virgin.

The others were already Ye Chen's women and currently settled in the fairy gates, the women from the Frozen Ice Sect had been training inside the leaving gates to match their strength with Ye Chen's women who already had a rather high level of cultivation.

Zhao Yanyan felt a little disappointed when she heard this, it seemed that she couldn't rely too much on Mu Nianci for this matter.

"Sister Yue, you are quite close to Ye Chen's fiancée, do you want to come and help in this situation?" Zhao Yanyan tried to ask Liu Yue, she hoping to get a good answer from Liu Yue.

"Yanyan, maybe this will be difficult to do, that woman is quite shy with matters like this, I don't think she is ready for this kind of thing." Liu Yue told Zhao Yanyan that it was most likely that Xia Qingyu wasn't ready to do Dual Cultivation together with Ye Chen.

"Try to persuade him first" Zhao Yanyan told Liu Yue to persuade Xia Qingyu, who knows Xia Qingyu would want to help save Ye Chen.

"You can't do that to Qingyu, if you do that, Qingyu's future cultivation will be ruined." Mei Yueli immediately rejected Zhao Yanyan's wish to summon Xia Qingyu here.

Mei Yueli didn't want Xia Qingyu's Pure Yin body to be given to Ye Chen just like this, it would affect Xia Qingyu's cultivation.

"If we can't do that, do you have any other way?" Zhao Yanyan asked Mei Yueli.

Zhao Yanyan's gaze was quite sharp towards Mei Yueli, this made Mei Yueli feel quite intimidated by Zhao Yanyan's gaze.

Ye Chen's life was in serious trouble, Zhao Yanyan couldn't mess with things like this, she didn't want anything worse to happen to Ye Chen.

If Zhao Yanyan couldn't contact Xia Qingyu to come here, then Mei Yueli had to come up with a way to deal with this.

"that. . ., I don't know." Mei Yueli lowered her head, she had no other way.

"Yanyan don't bully her" Liu Yue told Zhao Yanyan to stop, quite pitiful to see Mei Yueli being bullied by Zhao Yanyan.

"Sister Yue, what should we do now, should we find a random woman outside?" Zhao Yanyan had no other choice, maybe she could only find a random woman out there.

"Hmmm, husband maybe you won't like things like that, we'd better find the acquaintances that husband has." Liu Yue felt that Zhao Yanyan's idea wasn't good, Ye Chen would definitely not like it when they looked for random women out there.

"Yes, I know what you mean, but under such circumstances we don't have much choice," Zhao Yanyan said to Liu Yue.

They don't have much time, they have to be quick in taking action.

All of the Ye Chen women here quite agreed with what Zhao Yanyan said, looking for a random outsider woman would be very easy for them to do.

"If it's okay I want to help" suddenly came the voice of someone who volunteered to help Ye Chen.

All the women who were in the living room immediately looked to the source of the sound, when they looked towards the source of the sound, they found Li Qingzu standing not far from the kitchen door.

From the start Li Qingzu had listened to all the conversations that Zhao Yanyan and the others had.

Lin Rouxi immediately approached Li Qingzu, "Qingzu, are you sure about what you just said?" Lin Rouxi immediately asked with a serious face about what she had previously said.

"Teacher Lin, I firmly believe in what I just said." Li Qingzu told Lin Rouxi that she meant it.

"But this would be unfair to you." Lin Rouxi said to Li Qingzu.

"Teacher Lin, I love Ye Chen, so it doesn't matter if I give it to the person I like, if Ye Chen doesn't want me in the future then it will be my fate" Li Qingzu said to Lin Rouxi.

"Don't talk like that, if Ye Chen doesn't want you, I'll pack it up." Lin Rouxi said that she would help Li Qingzu, Li Qingzu was a kind and very active woman, Lin Rouxi couldn't let anything bad happen to Li Qingzu .

Li Qingzu was willing to do that to prove her love for Ye Chen, if in the future Ye Chen dared to ignore Li Qingzu, Lin Rouxi would definitely beat Ye Chen up.

"Teacher Lin thank you very much" Li Qingzu thanked Lin Rouxi for support, Li Qingzu was happy that Lin Rouxi supported her.

"From now on you can call me sister Rouxi" Lin Rouxi told Li Qingzu to start calling herself with a name sister.

Chapter 919 - Bridal Room ?

"Thank you very much" Zhao Yanyan came to Li Qingzu's side, Zhao Yanyan was very grateful for Li Qingzu's understanding.

"Yanyan, you don't need to thank me, I did this voluntarily." Li Qingzu told Zhao Yanyan that she was doing this voluntarily without any coercion from any party.

Zhao Yanyan was happy to hear that Li Qingzu did this without any coercion from any party, Li Qingzu looked very sincere when she did this for Ye Chen.

With this all three people complete, now they can use methods to heal Ye Chen's wounds as well as Ye Chen's excess Yang Qi.

Now they just needed to prepare everything, they had to prepare rooms for Ye Chen, Nangong Xiang, Mu Xueying and Li Qingzu.

"Sister Suyin, please give them a copy of the **Queen Heart Silk** technique." Zhao Yanyan asked Xue Suyin to give Nangong Xiang, Mu Xueying and Li Qingzu copies of the **Queen Heart Silk**.

"Okay I'll give them a copy of the **Queen Heart Silk**." Xue Suyin didn't mind giving Nangong Xiang, Mu Xueying and Li Qingzu copies of the **Queen Heart Silk**.

"Meanwhile the others help me prepare the room and bring husband" Zhao Yanyan ordered all the women to help prepare the rooms for the four of them.

All the women present in this place nodded, they all immediately went together with Zhao Yanyan to prepare a room to treat Ye Chen.

"Prepare yourselves, I will give you the **Queen Heart Silk** technique." Xue Suyin told Nangong Xiang, Mu Xueying and Li Qingzu to get ready, she would transfer the Queen Heart Silk technique to the three of them.

Nangong Xiang and Mu Xueying nodded, while Li Qingzu still looked a little confused as to what was about to happen.

Xue Suyin started to transfer copies of the **Queen Heart Silk** technique to Nangong Xiang and Mu Xueying, since both of them were cultivators it would be very easy for Nangong Xiang and Mu Xueying to learn it.

Meanwhile Xue Suyin had to guide Li Qingzu, after all Li Qingzu was not a cultivator, so Xue Suyin had to work extra hard to guide Li Qingzu in order to learn the **Queen Heart Silk** technique.

Luckily Li Qingzu was a very smart woman, so Li Qingzu was able to learn the **Queen Heart Silk** technique.

Although not yet fully descry the road becomes a cultivator, Li Qingzu own capital outstanding talent is great, because that Li Qingzu will definitely be a great cultivator outstanding.

After a while Nangong Xiang, Mu Xueying and Li Qingzu had finished studying the **Queen Heart Silk**, now they just needed a real practice.

Nangong Xiang, Mu Xueying and Li Qingzu had already prepared themselves, they were all ready to do just that with Ye Chen.

Nangong Xiang, Mu Xueying and Li Qingzu were preparing to go upstairs, Zhao Yanyan and the others should have prepared everything upstairs.

"Eh wait a minute" Xue Suyin immediately stopped Nangong Xiang, Mu Xueying and Li Qingzu.

" What else ?" Nangong Xiang, Mu Xueying and Li Qingzu asked Xue Suyin.

"I almost forgot to warn you three, Husband's strength in that field is quite strong, you should cooperate well or you will all suffer" Before going into battle, Xue Suyin did not forget to warn Nangong Xiang, Mu Xueying and Li Qingzu about Ye Chen's fighting power.

Xue Suyin didn't want Nangong Xiang, Mu Xueying and Li Qingzu to be surprised by Ye Chen's fighting strength.

"Alright, we understand." Nangong Xiang, Mu Xueying and Li Qingzu nodded to Xue Suyin, they would work hand in hand.

After that Nangong Xiang, Mu Xueying and Li Qingzu went upstairs, Xue Suyin followed right behind the three.

Right now, there was only Mei Yueli in the living room, from beginning to end Mei Yueli was completely ignored by all the women in this place.

"They all ignore me" with a sullen face Mei Yueli sat on the sofa, Mei Yueli was very upset when she was treated unfairly like this by all the women there.

Mei Yueli could only stand by this injustice, she just sat quietly and waited for the result.

Mei Yueli wanted to know if Mu Xueying would really do that with Ye Chen, if that was the case then Mu Xueying would be tainted.

If master were to find out about this, then it would be quite a serious matter, Mu Xueying was master's favorite disciple, if master found out about this, he would definitely be very angry with Mu Xueying.

Too bad Mei Yueli couldn't stop this, Mei Yueli knew that she couldn't stop Mu Xueying's decision.

Under these conditions Mei Yueli only hoped that the master would not be angry when one day she found out about this.

Meanwhile Xue Suyin, Nangong Xiang, Mu Xueying and Li Qingzu had arrived at the door of the room where they would treat Ye Chen.

It just so happened that in front of the door there were already countless women waiting for the arrival of Nangong Xiang, Mu Xueying and Li Qingzu.

"Are you three ready?" Zhao Yanyan came over to Nangong Xiang, Mu Xueying and Li Qingzu, asking if the three of them had prepared themselves to treat Ye Chen.

"We are ready." Nangong Xiang, Mu Xueying and Li Qingzu in unison answered Zhao Yanyan's question.

The three of them were ready at any time to help treat Ye Chen's wounds.

"Very good, we have prepared everything inside, from here it's up to you what you want to do" Zhao Yanyan told Nangong Xiang that he had prepared everything.

Now all that remains is to leave the results to Nangong Xiang, Mu Xueying and Li Qingzu.

"Alright, then we will go in, let's go." Nangong Xiang was the first to take the lead, she invited Mu Xueying and Li Qingzu to enter the room.

Nangong Xiang, Mu Xueying and Li Qingzu finally entered the room, they all rushed inside.

Zhao Yanyan and the others could only watch the three enter the room.

"Yanyan, are you sure we don't need to keep an eye on them?" Liu Yue asked Zhao Yanyan.

"That's not necessary, let them do it alone, we'd better keep an eye on the situation of the enemy outside." Zhao Yanyan told Liu Yue for letting Nangong Xiang, Mu Xueying and Li Qingzu do their job.

"Alright" Liu Yue nodded, it seemed that they could only leave everything to Nangong Xiang, Mu Xueying and Li Qingzu.

.

.

Meanwhile in the room.

Nangong Xiang, Mu Xueying and Li Qingzu looked at the room they were currently in.

This room has been decorated very beautifully, there are so many flower petals sprinkled around this place.

The room they will use looks exactly like the room used for a bride's first wedding night.

"Geez, what is Yanyan really thinking?" Nangong Xiang shook his head when he saw the scene in front of him, this was truly something that Nangong Xiang had never imagined before.

Mu Xueying looked normal when she saw the scene in this room, her reaction was completely normal.

Meanwhile Li Qingzu looked very fond of the decorations in this room, he thought it was very beautiful.

Li Qingzu would do that in a place decorated like this, how could Li Qingzu not be happy about this.

Chapter 920 - Nangong Xiang, Mu Xueying & Li Qingzu In Bed (1)

currently Ye Chen was sleeping right in the middle, she was currently lying somewhere on top of the bed.

Ye Chen's face was red, it could be seen that Ye Chen's condition was getting worse.

"Are you ready?" Nangong Xiang asked Mu Xueying and Li Qingzu, she wanted to know if they were ready or not.

"We are ready" Mu Xueying and Li Qingzu simultaneously replied to Nangong Xiang, both of whom were already ready to heal Ye Chen with the Dual Cultivation path.

"Good, let's start right away." Nangong Xiang invited Mu Xueying and Li Qingzu to start right away.

Mu Xueying and Li Qingzu nodded, the three of them started to climb into the bed.

After getting on the bed, the three of them looked silent, they didn't know where to start.

The three of them looked shy while doing this together, even though they had prepared themselves, it was still very embarrassing for a virgin like them.

"Let's take off Ye Chen's clothes." Nangong Xiang invited Mu Xueying and Li Qingzu to take off Ye Chen's clothes.

The three of them started to take off every inch of Ye Chen's clothes, Ye Chen's clothes had been changed by Zhao Yanyan and the others, so the clothes Ye Chen was currently wearing were pretty clean.

With the cooperation of Nangong Xiang, Mu Xueying and Li Qingzu, the three were finally able to take off all the clothes Ye Chen was wearing.

When Ye Chen's clothes disappeared, Nangong Xiang, Mu Xueying and Li Qingzu could see Ye Chen's muscular body.

Ye Chen's body looks absolutely perfect, a body like this is the dream of every woman on modern earth, plus Ye Chen is very handsome, this makes anyone will definitely fall in love with Ye Chen.

Nangong Xiang, Mu Xueying and Li Qingzu started to look down, when the three of them looked down, Nangong Xiang, Mu Xueying and Li Qingzu saw Ye Chen's huge thing.

"That's huge!" Nangong Xiang, Mu Xueying and Li Qingzu simultaneously shouted in their hearts, they couldn't believe that Ye Chen's thing would become this big.

Ye Chen's has not yet fully awakened, if this thing wakes up, then its size will become much bigger and longer.

Among Nangong Xiang, Mu Xueying and Li Qingzu, only Li Qingzu had seen this before, even though she had seen this before Li Qingzu was still shocked when she saw it up close.

Nangong Xiang, Mu Xueying and Li Qingzu's faces turned even redder, they looked embarrassed when they saw the scene in front of them.

"Ehmm, so where should we start?" Nangong Xiang asked where they should start.

Nangong Xiang, Mu Xueying and Li Qingzu were both still virgins, the three of them looked confused as to what to do.

"We should start stimulating Ye Chen first, I heard it's the best way to get the boys to release their Essence" Li Qingzu was the one who gave Nangong Xiang and Mu Xueying advice.

Even though Li Qingzu had no experience with a man, Li Qingzu still knew how to have a relationship with a man.

"Alright, let's do that" Nangong Xiang agreed with what Li Qingzu said, they had to stimulate Ye Chen first.

The three of them started dividing up the tasks, Nangong Xiang was at the top kissing Ye Chen, while Li Qingzu and Mu Xueying were in charge of stimulating Ye Chen's younger brother who was at the bottom.

Nangong Xiang had already kissed Ye Chen, so it was not difficult for Nangong Xiang to kiss Ye Chen and stimulate him.

On the other hand Mu Xueying and Li Qingzu still didn't do anything, they seemed a little scared to begin with.

"Why are you two silent, hurry up and do your duty" Seeing that Mu Xueying and Li Qingzu were still silent, Nangong Xiang started to scold the two, she ordered Mu Xueying and Li Qingzu to do their job.

Mu Xueying and Li Qingzu looked at each other, they both began to strengthen the resolve they had to do this.

Mu Xueying and Li Qingzu simultaneously started to extend their hands towards Ye Chen's big thing, they gripped Ye Chen's big thing.

Mu Xueying held the bottom while Li Qingzu held the top, the two of them started to provide services to Ye Chen using their soft hands.

Ye Chen's thing became bigger and bigger when he felt Mu Xueying and Li Qingzu's hand movements, this was probably Ye Chen's natural reaction.

Mu Xueying and Li Qingzu were even more shocked when they saw the thing in their hands getting bigger, they didn't expect that it could still be bigger than before.

"Looks like it's working, let's go ahead" Seeing this, Nangong Xiang was very happy, it seemed that what they did managed to stimulate Ye Chen who was in an unconscious state.

Mu Xueying and Li Qingzu nodded, they continued to give hand service to Ye Chen.

Time began to pass, Nangong Xiang, Mu Xueying and Li Qingzu continuously served Ye Chen.

Too bad what the three of them did was fruitless, Ye Chen still hadn't brought out her Yang Qi essence.

Nangong Xiang, Mu Xueying and Li Qingzu were even more anxious when they discovered this, whereas their target was to harvest Ye Chen's Yang Qi and stabilize the Yang Qi within Ye Chen's body.

"How, is what we do not enough to stimulate it?" Mu Xueying asked Nangong Xiang and Li Qingzu, she wanted to know if what they were doing was not enough to stimulate Ye Chen.

"Looks like this isn't enough." Li Qingzu felt that what they were doing was not enough to please Ye Chen.

Nangong Xiang also thought the same thing as Li Qingzu, it seemed that what they were doing was lacking to please Ye Chen.

"Then what should we do now?" Mu Xueying asked what they should do now.

"Why don't you two try to eat that thing, I heard from Shiyun that Ye Chen likes it" Nangong Xiang said Ye Chen's pleasant way to Mu Xueying and Li Qingzu.

Nangong Xiang is good friends with Zhang Shiyun, of course she often confides about Ye Chen's problems to Zhang Shiyun.

Nangong Xiang often asked Zhang Shiyun Ye Chen's preference, Zhang Shiyun was such a person, of course the answer would lead to adult things in bed.

Mu Xueying and Li Qingzu's faces immediately turned red when they heard what Nangong Xiang had just said, they both couldn't believe that a beautiful goddess like Nangong Xiang would suggest such a thing to the two of them.

"Why, don't you want to do that?" Nangong Xiang asked Mu Xueying and Li Qingzu.

"It's not that we don't want to, but we are still unfamiliar with this, sister Xiang, why don't you set an example for the two of us, you seem quite experienced in this field" Mu Xueying asked Nangong Xiang to set an example for the two.

"That's right, please set an example for both of us." Li Qingzu also asked Nangong Xiang to set an example for herself.

" that . . ." Nangong Xiang looked nervous when she was cornered by Mu Xueying and Li Qingzu, she wasn't very experienced in this matter either.

"Why, doesn't sister Xiang want to do this?" Mu Xueying asked Nangong Xiang.

The words that Nangong Xiang had previously said were returned by Mu Xueying to Nangong Xiang.
