

A True God 921

Chapter 921 - Nangong Xiang, Mu Xueying & Li Qingzu In Bed (2)

"I have no experience in this matter" At the insistence of Mu Xueying and Li Qingzu, Nangong Xiang told the two that she had no experience in this matter.

"huh. . .?" Mu Xueying was quite surprised to hear that Nangong Xiang had no experience in this kind of matter, even though Nangong Xiang looked very confident compared to the two of them.

"Wait a minute, aren't you the Empress, have you never received this kind of education?" Mu Xueying asked Nangong Xiang.

"Of course I have, but in practice I have never done it," Nangong Xiang said to Mu Xueying.

Nangong Xiang may have received lessons like this, but in practice Nangong Xiang had never done it.

" \ (°O°) / " Mu Xueying surprised to hear this, not unexpectedly Empress Sun never do such a thing with Sun Quan, this is a shocking news for Mu Xueying once.

"Wait a minute, sister Xiang is still a virgin?, why didn't I realize this earlier?" Mu Xueying just realized that Nangong Xiang was still a pure virgin.

Mu Xueying started to wonder how Nangong Xiang was still a virgin, plus Nangong Xiang was willing to do this together with Ye Chen.

If Sun Quan found out about this, it would be a huge scandal in the God Realm.

Mu Xueying's brain was starting to get really messy, she was confused about Ye Chen and Nangong Xiang's relationship.

"Sister Xiang, since you have little knowledge of this matter, why don't you set an example for us." Li Qingzu asked Nangong Xiang to set an example for herself and Mu Xueying.

Nangong Xiang was again confused, she was a little confused about what to do to answer Li Qingzu, Nangong Xiang's knowledge in this field was very little, she only knew how to carry out normal relationships.

Nangong Xiang was at a loss as to what to do in a situation like this, if it continued like this then they would not be able to save Ye Chen.

If only Zhang Shiyun were in this place, it would most likely be of great help to them.

Nangong Xiang thought of finding one of Ye Chen's women who was experienced enough to help them in this matter.

"Wait a minute, I have it." Nangong Xiang almost forgot something, even though she had something that Zhang Shiyun gave her.

Nangong Xiang hurriedly looked for something in her Space Ring, she tried to find the object that Zhang Shiyun gave her.

Nangong Xiang finally found the thing she was looking for, Nangong Xiang immediately took it out of her Space Ring.

A book appeared in Nangong Xiang's palm, it turned out that the thing Nangong Xiang was looking for turned out to be a book.

Nangong Xiang hastily opened the contents of the book she had in her hand, within it Nangong Xiang saw some shameless poses of pictures.

It was clear that the book that Nangong Xiang had just opened was a technique for dual cultivation.

In this book there are a lot of poses that can be learned by every woman who sees it.

Nangong Xiang's face turned red when she saw this, she didn't expect this book to be so shameless.

Even though they thought this book was shameless, Nangong Xiang was still trying to learn what was inside, she steeled her resolve to help Ye Chen.

Listening to Nangong Xiang's intelligence, Nangong Xiang very quickly learned everything, now she knows how to serve Ye Chen properly.

Nangong Xiang's confidence grew after studying the book Zhang Shiyun gave her.

Luckily Nangong Xiang didn't throw this book away, otherwise he wouldn't be feeling so sorry.

"You two quickly learn this." Nangong Xiang handed the book in her hand to Mu Xueying and Li Qingzu, herself telling the two to study it.

Mu Xueying and Li Qingzu received the book from Nangong Xiang, both of them immediately saw the book that Nangong Xiang had given them both.

Just a moment after seeing the book, both Mu Xueying and Li Qingzu turned red, they didn't expect that Nangong Xiang would have a collection like this.

If the people of the God Realm found out that a Goddess like Nangong Xiang had something like this, then it was certain that they would be very surprised.

Mu Xueying and Li Qingzu started to study the contents in this book, both of them seemed very interested in the contents in this book.

While Mu Xueying and Li Qingzu were studying books on how to do Dual Cultivation, Nangong Xiang began to try out the knowledge he had previously learned.

Nangong Xiang started to hold Ye Chen's big object with her hands.

"It's great, Ye Chen really has extraordinary capital, it's only natural that women always boast about this, it turns out that this is the reason" Nangong Xiang understood why Zhang Shiyun and other women liked to discuss this matter so much, it turned out that this was the reason.

Nangong Xiang of course knew that the bigger a man's object was, the more wonderful the feeling would be.

Nangong Xiang wanted to know how it felt to try this big thing in her hands.

Ye Chen's thing had fully demonstrated its power, Nangong Xiang's one hand couldn't even grasp it, this showed that Ye Chen's thing was indeed very large and extremely majestic.

Nangong Xiang began to bring her face closer to Ye Chen's large object, first she set aside a portion of her golden hair so as not to disturb, after that Nangong Xiang began to open her Cherry lips.

Nangong Xiang started to eat Ye Chen's big thing, she put this big thing in her mouth.

"Cough. . ." When Nangong Xiang had just tried this big thing, Nangong Xiang immediately coughed painfully, it could be seen that Nangong Xiang was still not used to doing this.

Nangong Xiang thought that this would be easy to do, unexpectedly that it would be more difficult than she thought.

This thing was enormous, so Nangong Xiang felt great difficulty while trying the taste of Ye Chen's huge object.

"Ye Chen, why is yours so big, I'm in trouble" Nangong Xiang could only complain that Ye Chen's thing was too big, if only it was smaller, maybe Nangong Xiang wouldn't have any trouble :).

Nangong Xiang did not know that this big thing would become addicted to her, after trying the taste of this big thing, Nangong Xiang would definitely not be able to say that again.

Nangong Xiang started to try again for the second time, this time she tried to be earnest in helping Ye Chen for vent.

Ye Chen's safety is now the top priority, she can't just give up because of a problem like this, if Ye Chen's other women can why can't he too, she has to show that she can do this.

Nangong Xiang ate this big thing again, she started to put the big thing in front of her in quite small portions.

Ye Chen's body trembled slightly when he felt his belongings enter into a moist and warm place, this feeling was extraordinary. Ye Chen felt that Nangong Xiang's mouth was something extraordinarily good.

Even though Ye Chen was unconscious, it seemed that he could still feel the changes around him, it could be seen from the comfortable feeling that Nangong Xiang's service gave him.

Chapter 922 - Goddess Mouth Taste

Nangong Xiang saw the changes that occurred in Ye Chen's body, it seemed that what she was doing was working well, Ye Chen seemed to be enjoying this.

Nangong Xiang began to become even more serious in providing her services, she began to imitate every move she had previously seen in the book Zhang Shiyun had given her.

"Slurp. . . , juboo . . .juboo" Nangong Xiang noble sucked, sucked and played with this big thing, she felt that this big thing felt very delicious when she ate.

Nangong Xiang began to feel addicted to doing this, according to him doing this is not something bad, this is the most fun thing Nangong Xiang has ever done.

No wonder many women are crazy about doing this, it turns out this has its own pleasure for a woman.

It's a shame that Ye Chen is currently unconscious, if Ye Chen was currently conscious and saw what Nangong Xiang did to his little brother, Ye Chen would definitely be very happy.

One of the four beauties of the God Realm actually gave him a mouth service, how could Ye Chen not be happy when he saw and felt this.

If Ye Chen was currently conscious, he would definitely be happy and groan when he saw what Nangong Xiang had done for him.

Mu Xueying and Li Qingzu who were at the side saw what Nangong Xiang was doing.

It could be seen that Nangong Xiang was very eager to serve Ye Chen with all her heart.

In addition, Nangong Xiang seemed to really enjoy doing this for Ye Chen.

After seeing Nangong Xiang's face, Mu Xueying and Li Qingzu started to wonder whether doing so was fun or not.

With a little adjustment and a short practice, Nangong Xiang was now a bit proficient, now she could use her Cherry mouth to fully serve Ye Chen.

"Puah. .." Nangong Xiang spat out a large object, she looked at Mu Xueying and Li Qingzu who had been watching from the side.

"Would you like to try it?" Nangong Xiang asked Mu Xueying and Li Qingzu, she wanted to know if Mu Xueying and Li Qingzu wanted to try it too.

"Does doing something like that feel good?" Li Qingzu asked Nangong Xiang if doing so felt good and enjoyable.

"I can't put it into words, why don't you try it yourself to know the taste" Nangong Xiang told Li Qingzu to try it herself to know what it tastes like.

"Okay, I'll give it a try." With a red face, Li Qingzu started to get up the courage to try it.

Li Qingzu started to eat the big thing in front of her, she started to feel the taste of this big thing.

This thing was too big, the first time Li Qingzu tried it she felt an unbearable feeling of tightness.

Li Qingzu was forced to regurgitate what she had just eaten.

"cough. . , cough . . , cough . . Li Qingzu started coughing, she felt tight and it was hard to breathe, for a virgin like Li Qingzu, doing this was extremely difficult, Li Qingzu found it difficult to fully hold Ye Chen's object in her mouth.

"Do it slowly, don't rush it." Nangong Xiang gave Li Qingzu a little direction, she started telling Li Qingzu to do this slowly.

Li Qingzu experienced the same thing as Nangong Xiang's, so Nangong Xiang guided Li Qingzu to improve herself.

"Alright, I'll try it slowly." Li Qingzu nodded to Nangong Xiang, she started to slowly try it.

This time Li Qingzu did it slowly, she began to gradually get used to Ye Chen's large object.

Li Qingzu started serving Ye Chen as Nangong Xiang had previously done.

her head started to move up and down on Ye Chen's large object, it could be seen that Li Qingzu was trying to serve Ye Chen to the best of her ability.

Li Qingzu wanted to make the man she liked happy, that's why Li Qingzu tried to learn to make Ye Chen happy.

Even though Ye Chen was currently unconscious, Li Qingzu hoped that her feelings could be conveyed to Ye Chen.

"Jubo, Jubo, Jubo," Li Qingzu started sucking Ye Chen's big thing, she used her tongue to stimulate Ye Chen's big thing.

Just like Nangong Xiang, Li Qingzu also felt a pleasant feeling when playing with this big object, she thought it was very enjoyable and very enjoyable.

Mu Xueying saw Li Qingzu's face that seemed to enjoy Ye Chen's big object, it could be seen that Li Qingzu was also drunk by Ye Chen's female conquering weapon.

Mu Xueying became very curious, she also wanted to try what it was like to do that.

"Let's take turns, I want to give it a try." Mu Xueying said to Li Qingzu to change with her.

Li Qingzu looked at Mu Xueying, she started to stop serving Ye Chen and gave this big thing to Mu Xueying, actually Li Qingzu felt reluctant to leave the precious treasure in her hands, unfortunately he couldn't be greedy and have this thing alone.

Mu Xueying took the place of Li Qingzu now that she was kneeling right in front of Ye Chen.

Mu Xueying didn't waste much of her time, she lowered her head and started to open her mouth to taste Ye Chen's big thing.

"Humph. . ." With a single jolt, Mu Xueying stuffed almost of it into her mouth.

Nangong Xiang and Li Qingzu were shocked when they saw what Mu Xueying was doing, they didn't expect Mu Xueying to do such a thing right away.

Nangong Xiang and Li Qingzu knew very well how terrifying that thing was, they even dared to try a few pieces for fear of choking on eating this thing.

To think that Mu Xueying would do something like this so easily.

Mu Xueying actually felt suffocated by the size of Ye Chen's large object, but Mu Xueying tried to stop herself from choking.

After a while of making adjustments, Mu Xueying finally got used to this big thing.

Mu Xueying started to move her head up and down, trying to please Ye Chen.

Unfortunately Mu Xueying's skill was the worst among the three, Mu Xueying used her teeth to scratch Ye Chen's thing.

Ye Chen who was unconscious seemed to be frowning, it seemed that Ye Chen was feeling sick because of this.

If Ye Chen was currently conscious, Ye Chen would have screamed in pain because of this.

"Xueying stop for a moment?" Nangong Xiang immediately told Mu Xueying to stop, Nangong Xiang saw the changes shown by Ye Chen, obviously Ye Chen's natural reaction was different from before.

For some reason Ye Chen looked in pain because of this, luckily Nangong Xiang found this out, otherwise it might jeopardize the future of Ye Chen's younger brother.

Mu Xueying immediately stopped, she immediately pulled her head back from the battle.

"What is wrong?" Mu Xueying asked Nangong Xiang.

"Be honest with me did you just use your teeth?" Nangong Xiang asked Mu Xueying.

"Yes, I did do that." Mu Xueying did indeed do that, Ye Chen's thing was too big so she accidentally scratched it with her teeth.

"Don't do that, it will hurt Ye Chen object" Nangong Xiang told Mu Xueying not to do such a thing, if Mu Xueying really couldn't do it, then Mu Xueying wouldn't have to force herself to hurt Ye Chen.

Chapter 923 - Nangong Xiang, Mu Xueying And Li Qingzu Work Together To Serve Ye Chen

"I'm sorry, I didn't know about that matter." Mu Xueying apologized to Nangong Xiang, she really didn't know about this matter.

"You don't need to apologize like that, we are all studying here, so a mistake is natural." Nangong Xiang didn't mind this.

They were all still laymen here, so it wouldn't be strange for them to make a small mistake like this.

"Let's work together, it can speed things up." Nangong Xiang invited Mu Xueying and Li Qingzu to cooperate.

Instead of them watching each other, it was better for them to work together to quickly absorb Ye Chen's Yang Qi.

Mu Xueying and Li Qingzu completely agreed with what Nangong Xiang had said, they both thought it was a very good thing to do.

Nangong Xiang, Mu Xueying and Li Qingzu could share this huge thing at the same time, it would make things easier for them.

While it was a bit embarrassing to serve this large thing at the same time, it could at least reduce the error rate they made.

"slurp. . . Jubo. . . , jubo . . . , ahh. . .", Nangong Xiang, Mu Xueying and Li Qingzu started to crowd around Ye Chen's big thing, the three of them started sucking and licking Ye Chen's big thing greedily.

Three tongues began to dance around Ye Chen's huge object, clearly this was a boon that no one in this world could ever imagine.

All the men in this world would definitely be very envious when they saw Ye Chen being treated like a king by a beautiful goddess like Nangong Xiang, they would surely be jealous to death if they found out about this.

Nangong Xiang was a revered figure in the God Realm, she had countless secret admirers throughout the God Realm.

If these admirers knew the woman who became the goddess in their hearts did this, they would definitely have a heart attack on the spot.

Plus there was still a beautiful woman like Mu Xueying who had a beauty that was not inferior to Nangong Xiang, if Mu Xueying's special body had been fully awakened, then Mu Xueying would become a goddess among women in this world.

Even though Li Qingzu was inferior to Nangong Xiang and Mu Xueying, she was still a beautiful woman who was very difficult to find in this world, if properly cared for by Ye Chen, Li Qingzu would be a beauty that was not to be messed with.

As beautiful women with their respective charms continued to provide services for Ye Chen, the three of them dedicated themselves to serving Ye Chen.

Nangong Xiang, Mu Xueying and Li Qingzu started to use the **Queen Heart Silk** technique they learned to harvest Ye Chen's Yang Qi.

For Nangong Xiang and Mu Xueying this might be quite an easy thing, but for Li Qingzu who was still new to the world of cultivators, doing this was a little difficult to do, Li Qingzu had to learn a bit to absorb Ye Chen's Yang Qi.

With the combined skill of Nangong Xiang, Mu Xueying and Li Qingzu, it could be seen that Ye Chen was in some serious trouble, Ye Chen's thing started to shake like it was about to explode.

Nangong Xiang, Mu Xueying and Li Qingzu didn't notice the change in Ye Chen's thing at all, the three of them were already in quite deep passion.

"Byur. . ., Byur. . . Byur. . ." Ye Chen was finally defeated by the combined skill of Nangong Xiang, Mu Xueying and Li Qingzu.

Ye Chen ended up taking out an enormous amount of Yang Qi Essence.

It just so happened that Mu Xueying was the one who was eating Ye Chen's big thing, so Mu Xueying's mouth was filled with an enormous amount of Pure Yang Qi Essence.

"Glup. . ., Glup. . ., Glup. . .," Mu Xueying tried her best to receive all this Yang Qi essence into her.

Unfortunately the numbers were so huge that it was very difficult for Mu Xueying to handle alone.

Seeing Mu Xueying struggling like this, Nangong Xiang was forced to help Mu Xueying, taking Mu Xueying's place in order to receive Ye Chen's Yang Qi essence.

Nangong Xiang began to receive Ye Chen's Essence, she wholeheartedly sucked up all of Ye Chen's Yang Qi Essence.

Ye Chen continued to emit such a huge amount of Essence, Nangong Xiang could no longer hold back Ye Chen's amount of Yang Qi.

Unable to contain Ye Chen's amount of Yang Qi, Nangong Xiang gestured for Li Qingzu to accept Ye Chen's Yang Qi.

Li Qingzu understood, she had finally taken over from Nangong Xiang to receive Ye Chen's Yang Qi.

Li Qingzu started to receive Ye Chen's Yang Qi Essence, she started to try what the Yang Qi Essence tasted like.

When Li Qingzu tried it, she felt that it had a special, very delicious taste, Li Qingzu felt that this was the most extraordinary thing she had ever tasted.

Very quickly Li Qingzu was addicted to the taste, she sucked up the last remnants left behind by Nangong Xiang and Mu Xueying.

Nangong Xiang, Mu Xueying and Li Qingzu finally got their respective rations.

Nangong Xiang, Mu Xueying and Li Qingzu looked at each other, they were all currently only having the same thought, they were shocked and amazed by the Yang Qi essence that Ye Chen possessed, it felt completely impossible to use words .

Nangong Xiang, Mu Xueying and Li Qingzu felt that they would become addicted to Ye Chen's Essence sucking taste.

Nangong Xiang, Mu Xueying and Li Qingzu looked back at Ye Chen, when the three of them looked at Ye Chen, all three saw that Ye Chen still looked strong, this made Nangong Xiang, Mu Xueying and Li Qingzu very surprised.

It seemed that what Xue Suyin had said was true, Ye Chen's abilities were indeed very strong.

Currently the secret garden belonging to Nangong Xiang, Mu Xueying and Li Qingzu was like a flowing spring they felt they needed something to overcome this void.

Since all the preparations have been made, now is the time for the main event.

They would actually do Dual Cultivation together with Ye Chen.

"Are you guys ready for this?" Nangong Xiang asked if Mu Xueying and Li Qingzu had prepared themselves to have a real relationship with Ye Chen.

"We are ready" Mu Xueying and Li Qingzu had already prepared themselves, both of them were ready to do Dual Cultivation together with Ye Chen.

"Good, let's get started." Nangong Xiang invited Mu Xueying and Li Qingzu to start right away.

Nangong Xiang, Mu Xueying and Li Qingzu started to take off the clothes they were currently wearing on their bodies.

With quite beautiful movements, the three of them removed every inch of the clothes that were on their bodies.

This scene was definitely so beautiful, every man would definitely have a nosebleed when they saw the three beautiful women taking off their clothes with such splendid movements.

Nangong Xiang, Mu Xueying and Li Qingzu with swift movements began to disarm themselves, all of them quickly instantly turned into a naked state.

Li Qingzu looked at Nangong Xiang and Mu Xueying, somehow feeling a little inferior to these two beautiful goddesses.

Nangong Xiang and Mu Xueying were indeed very beautiful, they were indeed worthy of the title of Goddess.

Chapter 924 - Goddess Likes The Riding Position

"Why are you looking at us like that?" Nangong Xiang asked Li Qingzu who was looking at the two of them with such a gaze.

"No, it's just that you are very beautiful like a goddess." Li Qingzu told Nangong Xiang and Mu Xueying what was in his heart.

According to Li Qingzu, Nangong Xiang and Mu Xueying were extremely beautiful women, a beauty that they both looked like from another world.

When compared to herself, Li Qingzu felt inferior to the two.

Nangong Xiang smiled when she heard this, she thought Li Qingzu's words were very funny to her.

"You don't need to praise us like that, you yourself look beautiful too, believe in yourself" Nangong Xiang told Li Qingzu to believe in herself.

Li Qingzu understood what Nangong Xiang was trying to mean, from now on she would try to believe in her beauty.

"Alright, I want to give it a try first" Nangong Xiang said that she wanted to try it first, she couldn't stand this slightly uncomfortable feeling, she wanted to quickly fill her possessions with Ye Chen's big thing.

Without waiting for approval from Mu Xueying and Li Qingzu, Nangong Xiang immediately climbed into Ye Chen's body, it looked like Nangong Xiang was riding a horse, the difference was that she was currently riding Ye Chen.

Nangong Xiang looked at Ye Chen's size less weapon, she began to wonder if this thing could fit on her small body.

Nangong Xiang started to hold Ye Chen's big gun, she started to position Ye Chen's big object to fit right into the entrance of her honey cave.

Nangong Xiang's secret garden looks very beautiful, it looks beautiful and very perfect, plus there is only a little grass growing around this place.

"Ugh. . ." Ye Chen's weapon started to penetrate into Nangong Xiang's fort defense, it seemed that this weapon wanted to break through Nangong Xiang's defense.

Nangong Xiang started to raise her eyebrows, she felt an unbearable feeling of aches and pains in her body.

If Nangong Xiang wasn't a cultivator, she would have screamed and cried because of this pain.

Nangong Xiang continuously pushed the big object inside, she tried her best to get this thing in.

After great effort, Nangong Xiang finally managed to completely master Ye Chen's big thing, now Ye Chen's big thing is completely under her grasp.

Nangong Xiang started to get used to Ye Chen's, after a while the pain started to dissipate, the pain started to be replaced with a very pleasant feeling.

Nangong Xiang felt that this feeling was very comfortable and very good. After fully getting used to Ye Chen's thing, Nangong Xiang started to move up and down on Ye Chen's body.

"Ah. . ., well . . ., uh . . ." Nangong Xiang began to seek pleasure for herself, she felt this feeling very pleasant for her, Nangong Xiang felt a feeling of fullness in her body.

Nangong Xiang did not expect that this feeling would be so pleasant, she could not expect that this feeling would be so pleasant like this.

No wonder Zhang Shiyun always pushed herself to do Dual Cultivation with Ye Chen, it turned out that this was the reason, it was really very convenient and very good.

Nangong Xiang was so addicted to this, she might not be able to come back after trying the forbidden fruit like this.

Meanwhile, Ye Chen's breathing seemed to quicken, it could be seen that Ye Chen was enjoying what Nangong Xiang was doing to her.

Nangong Xiang's Honey Cave wall is the best it's twisty like a dragon's curve and has a very strong grip, of course this makes little brother very happy.

If only Ye Chen realized, Ye Chen would definitely be infatuated with the secret artifact that Nangong Xiang had.

30 minutes quickly passed, Nangong Xiang had truly plunged into the pleasures of Dual Cultivation.

"Ah. . . ." Nangong Xiang returned to vent, if I'm not mistaken this is already the 10th time since she started the battle with Ye Chen.

Nangong Xiang was already very tired, she felt that her waist was sore, Nangong Xiang felt that she should rest for a while.

When Nangong Xiang was thinking about taking a break, Nangong Xiang suddenly felt that Ye Chen's body was shaking slightly inside her body.

Seeing this, Nangong Xiang knew that Ye Chen would immediately confide in her.

Nangong Xiang did not waste this opportunity, she immediately used all the remaining strength to make Ye Chen lose.

Nangong Xiang increased the speed she had, herself moving up and down at a much faster speed than before.

When Nangong Xiang did this, naturally Ye Chen felt great pleasure, Ye Chen immediately shot all her Yang Qi into Nangong Xiang's flower core.

Instantly Nangong Xiang felt a warm feeling flood over her body, this warm feeling was really very comfortable, Nangong Xiang really really enjoyed this warm feeling.

Ye Chen's Yang Qi Essence continued to flow out, in an instant Nangong Xiang's flower core was filled with Ye Chen's Yang Qi Essence.

Nangong Xiang's stomach slightly bulged from this, Nangong Xiang looked like a woman who was pregnant.

After finishing, Nangong Xiang decided to leave Ye Chen's body, she had to cultivate the pure Yang Qi that she just got from Ye Chen.

With this much Yang Qi, Nangong Xiang would definitely gain tremendous benefits.

Right now Ye Chen's big thing still looked strong, there wasn't the slightest sign of weakness or fatigue.

After Nangong Xiang finished, Mu Xueying was the second to try.

Unlike Nangong Xiang, Mu Xueying seemed to be more hasty, without any preparation she immediately plunged a large object into her honey cave in one fell swoop.

After seeing Nangong Xiang's lecherous expression, Mu Xueying became even more curious and wanted to try what Dual Cultivation felt like.

Mu Xueying was a woman who was attracted to something foreign, so when she saw Nangong Xiang's reaction, Mu Xueying was immediately attracted and wanted to give it a go.

"Ouch. ." Mu Xueying felt pain as Ye Chen's huge warrior barged in forcibly into her small gate.

Mu Xueying had to endure this pain, she had to be able to endure this pain.

After a while of enduring the pain, Mu Xueying finally felt a feeling that was difficult for her to describe in words, it was clear that this feeling was very good and comfortable for her.

"Oh. . ., umm . ." Mu Xueying started to imitate what Nangong Xiang was doing, herself starting to move up and down at a fairly fast speed.

Mu Xueying's honey cave was cold and chilly, this made the hot Ye Chen feel melt when he was inside.

In addition, Mu Xueying's is soft and very deep, Ye Chen's thing can completely enter without any resistance

Mu Xueying started to make lewd and shameless faces, to think that an indifferent goddess like Mu Xueying would show such a face.

Mu Xueying was completely overpowered by the feelings that Ye Chen gave her, now all she could think of was to seek more and more pleasure.

"Ahh, I might not be able to come back again" Mu Xueying felt that she would never be able to come back again, after trying this feeling how could Mu Xueying be able to return to the way she used to be.

Surely she would never be able to return to the way she used to be, Mu Xueying would remember this beautiful thing, she would carve this in the depths of her heart.

Chapter 925 - Journey In Tonight Is Still Very Long

Mu Xueying was currently enjoying this good feeling, she really liked it.

Mu Xueying did not expect that doing something like this would be so much fun, this was truly something that Mu Xueying could not refuse.

Mu Xueying started to lean her body forward, the two mountain peaks that had just blossomed at this moment were tightly pressed against Ye Chen's body.

The size of Mu Xueying's double peak is quite large and at least it is almost the size of an F Cup, Mu Xueying started to kiss Ye Chen who was in front of her.

Mu Xueying moved with her heart's desire, she wanted to try everything she just learned from the book.

To think that Mu Xueying could be so aggressive like this, she was actually very different from the calm and always indifferent Mu Xueying.

The difference seen today is like heaven and earth, both completely different from what is often seen.

"Oh. . . , this is great." within 30 minutes Mu Xueying had already vented dozens of times, she loved the feeling of reaching the top, this was really really really good.

"Huff. . . , Huff. . . " Mu Xueying's breath was already completely messed up, she looked very tired when she fought Ye Chen.

Even though she was completely exhausted, Mu Xueying didn't want to give up, she didn't want to be defeated by Ye Chen in this way.

If Nangong Xiang could win against Ye Chen, then why couldn't she do the same.

So Mu Xueying decided to move faster and more aggressively so that Ye Chen could quickly defeat.

Mu Xueying's aggressive moves made Ye Chen reach his limit, it could be seen that Ye Chen would be defeated under Mu Xueying's pomegranate skirt.

"Byur. . . , Byur. . . , Byur. . . ." Ye Chen released Yang Qi into Mu Xueying's body, Mu Xueying's body was instantly filled with warmth.

The warmth was so comfortable, even Mu Xueying who was an Ice cultivator was comfortable with this.

After a long battle, Mu Xueying collapsed next to Ye Chen, it could be seen that Mu Xueying was already very exhausted.

Mu Xueying could only close her eyes and start cultivating the Yang Qi she had harvested from Ye Chen.

Li Qingzu saw that Mu Xueying's current condition looked very bad, it could be seen that Mu Xueying was already unable to fight Ye Chen.

Now that only she was left, Li Qingzu now had to step up and face Ye Chen.

With slow movements Li Qingzu started to try Ye Chen's big weapon, she started eating Ye Chen's weapon into her honey cave.

When Ye Chen's weapon entered into her, Li Qingzu felt a very painful feeling, this feeling was so painful that it made Li Qingzu want to die.

"It hurts" Li Qingzu couldn't help but cry when she felt this excruciating pain.

Ye Chen's weapon was really big, it was quite difficult to match her.

If this continued, perhaps Li Qingzu's body could be crushed by Ye Chen's weapon.

Li Qingzu had already made up her mind, after coming this far he would not back down like that.

Li Qingzu continued to advance through the battlefield that was getting deeper and more painful, Li Qingzu tried to do everything he could.

After a great struggle, Li Qingzu finally made it through passage, only a short time left before reaching the end.

Unfortunately, this was already Li Qingzu's limit, Li Qingzu felt that she could no longer advance, if this continued then her flower core would be destroyed.

"Finally, I became your woman" Li Qingzu was very happy because now that she was completely united with Ye Chen, now Li Qingzu was completely Ye Chen's woman.

Li Qingzu had no complaints in this matter, she was happy that she could be with Ye Chen.

Li Qingzu started to get used to the pain, after about 5 minutes, Li Qingzu got used to doing this, she now felt a comfortable feeling in her body.

Li Qingzu started to move, she started slowly, because Li Qingzu was the weakest between Nangong Xiang and Mu Xueying, Li Qingzu didn't dare to do it aggressively and quickly, she fought slowly and enjoyed every second like she was drinking drops of the finest wine in this world.

"Erm. . ,kyahh. . ." Li Qingzu's moan sounded very meek.

Li Qingzu was really very relaxed about having a Dual Cultivation session with Ye Chen.

Even though Li Qingzu's movements seemed slow and non-aggressive, Li Qingzu's honey cave seemed to be gripping Ye Chen's thing very tightly, Li Qingzu looked like she wanted to squeeze all the Yang Qi that Ye Chen had for herself.

After 40 minutes of long struggle Li Qingzu was finally able to made Ye Chen lose.

Ye Chen took out the amount of Yang Qi in Li Qingzu's flower core.

"Huft . . ." Li Qingzu's breath was already very heavy, it could be seen that Li Qingzu was very tired.

When Li Qingzu was no longer able, Nangong Xiang immediately took the place of Li Qingzu, she immediately re-started the second round of battle with Ye Chen.

"Ahhh, uhh. , umm . husband your is really strong and big." Nangong Xiang let out a very seductive moan and moaning sound, men's bones would surely melt when they heard Nangong Xiang's very seductive voice.

Nangong Xiang now completely considers Ye Chen as her own man, she will no longer be able to leave Ye Chen, from now on she will become Ye Chen's wife along with the others.

1 hour quickly passed, Nangong Xiang had already reached her limit, she was already unable to fight against Ye Chen's extremely powerful little brother.

Thanks to the time given by Li Qingzu and Nangong Xiang, Mu Xueying had recovered herself, now Mu Xueying was ready to start the second round of battle against Ye Chen.

Just like Nangong Xiang, Mu Xueying seemed to be very addicted to doing this, doing this was like tasting a forbidden fruit that was hard to stop and go back to.

"Ah. . . , umm . . . , Ye Chen you are so strong, I really like you." Mu Xueying let out a word that no one had ever imagined, it was truly unbelievable when Mu Xueying said this to Ye Chen.

The current Mu Xueying wasn't thinking straight anymore, she was completely confused by this endless fun.

If Mu Xueying could, she wanted to continue doing this forever together with Ye Chen, she loved this more than anything in this world.

After an hour or so, Mu Xueying lost, completely rendered helpless by little brother Ye Chen.

Seeing that Mu Xueying had finished, Li Qingzu immediately went to start the second round of battle with Ye Chen, she had been waiting for Mu Xueying for a long time.

Li Qingzu couldn't wait to start the second round of battle together with Ye Chen.

In contrast to Mu Xueying and Nangong Xiang who became aggressive after fully tasting the forbidden fruit, Li Qingzu looked calmer than the two.

Li Qingzu preferred to keep his thoughts to herself in her heart and not publish this to others.

In her heart Li Qingzu had repeatedly praised Ye Chen's younger brother for making her feel comfortable and good, this feeling was really worth trying.

If Li Qingzu knew this was pleasing Li Qingzu would have done this with Ye Chen long ago.

After 50 minutes, Li Qingzu also raised the flag of defeat, she really could no longer continue this battle with Ye Chen.

After Li Qingzu was subdued by Ye Chen's prowess, Nangong Xiang and Mu Xueying immediately fought over Ye Chen, both of them were fighting over Ye Chen's possession.

It seemed that both of them wanted to have Ye Chen right now.

Ye Chen who was in an unconscious state became the object of competition for beautiful Goddesses like Nangong Xiang and Mu Xueying.

if Ye Chen were to come to his senses right now, Ye Chen would definitely immediately pounce on the two beautiful goddesses who were fighting over him.

Finally Nangong Xiang and Mu Xueying made a deal, the two took turns serving Ye Chen.

Even Nangong Xiang and Mu Xueying provided the Double Sandwich service for Ye Chen.

The two beautiful goddesses truly dedicated themselves to Ye Chen with all their hearts.

Because Ye Chen's big thing was too big and long, Nangong Xiang and Mu Xueying's double peaks were unable to cover all of Ye Chen's big thing.

There are still so many parts they can't cover with the double tops they currently have.

"jubo, slurp . . . , jubo, slurp . ."Nangong Xiang and Mu Xueying licked the head of Ye Chen's gun, both of them looked like they were licking the most delicious Popsicle in the world.

Both of them looked so scared, they looked like they were eating the best food in the world.

"Byur. . ." Ye Chen was forced to vent again, the combined Sandwich service performed by Nangong Xiang and Mu Xueying was simply unbearable for the unconscious Ye Chen.

"Don't monopolize it " Nangong Xiang complained to Mu Xueying who monopolized Ye Chen's Yang Qi Essence, she wanted that too.

Mu Xueying finally shared the Yang Qi Essence to Nangong Xiang, the two of them shared with each other.

Nangong Xiang and Mu Xueying decided to try out some of the moves they had learned from the Dual Cultivation manual.

Nangong Xiang and Mu Xueying started doing countless experiments on the unconscious Ye Chen.

It could be said that the two were serving Ye Chen using all the abilities they had.

Li Qingzu, who was unconscious, woke up, joining the battlefield.

A very seductive moan and moan sounded from inside the room where Ye Chen, Nangong Xiang and Mu Xueying were, it seemed that the battle inside was extremely fierce for everyone.

The night is still long, the three will definitely continue their battle.

Chapter 926 - Ye Chen Woke Up

Several days had passed since Ye Chen's Healing Session started, in these few days Nangong Xiang, Mu Xueying and Li Qingzu were constantly looking to try their best to fight Ye Chen.

It was clear that the three of them were exhausted from the long battle they had gone through, the three of them were very tired from the long battle they had spent together.

During these few days the relationship between Nangong Xiang Mu Xueying and Li Qingzu became very close, the three of them actually became very close good friends.

The three of them had gone through a very long battlefield, so it was not surprising that their relationship had become very close.

.

.

At this time Ye Chen started to open the eyes that he had, he slowly opened his eyelids, when Ye Chen opened his eyelids, he found that now he was in a room that was familiar to him.

Ye Chen could easily tell where he was right now, he was currently in one of the rooms in his villa.

Ye Chen tried to get out of bed, when Ye Chen tried to get out of bed, he found that right beside him were Nangong Xiang and Li Qingzu who were currently lying on his chest, both of them were currently half naked.

This of course was very tempting for Ye Chen, how could Ye Chen not be seduced by the beauty of Nangong Xiang and Li Qingzu who was currently lying right beside his body.

Ye Chen smelled a familiar scent in this room, it was clearly a very familiar scent for a war veteran like Ye Chen.

Ye Chen looked at his body, he started to wonder why he was also naked, what actually happened when he fainted, Ye Chen wanted to know everything.

Ye Chen tried to remember what happened, when Ye Chen tried to remember what happened, he found himself very difficult to remember what happened.

The last memory that Ye Chen had was when he was attacked by Hun Chao, after that Ye Chen didn't remember anything anymore.

"Hey Yuechan what's going on here?" because he didn't get the answer he wanted, Ye Chen finally asked what happened to Chu Yuechan, Ye Chen hoped that Chu Yuechan would explain everything to him.

"Master, you have seen it yourself, haven't you, just now Nangong Xiang and Li Qingzu helped heal your wounds by Dual Cultivation." Chu Yuechan told Ye Chen that previously she had just done Dual Cultivation together with Nangong Xiang and Li Qingzu.

Chu Yuechan deliberately didn't mention Mu Xueying, she already knew that Mu Xueying wanted to hide what she had previously done with Ye Chen, that's why Chu Yuechan didn't tell Ye Chen about this matter.

Mu Xueying had already left this place, so it wasn't strange that Ye Chen didn't see Mu Xueying's whereabouts.

"I see." Ye Chen nodded to Chu Yuechan, now he believed that he did that with Nangong Xiang and Li Qingzu.

Even though Ye Chen was unconscious at that time, Ye Chen believed that he had made Nangong Xiang and Li Qingzu his women.

Nangong Xiang and Li Qingzu's appearances were a little disheveled, it could be seen that both of them had done the best they could when battling Ye Chen.

Both Nangong Xiang and Li Qingzu currently seemed to be sleeping very peacefully, currently both of them were really too exhausted.

Ye Chen smiled when he saw the peaceful faces displayed by Nangong Xiang and Li Qingzu, he really owed both of them a lot.

Ye Chen decided to make both of them happy, he would definitely take good care of women like Nangong Xiang and Li Qingzu.

Ye Chen started to hug Nangong Xiang and Li Qingzu's bodies, he hugged both of them in each of his arms.

The movement made by Ye Chen made Nangong Xiang and Li Qingzu wake up at the same time, both of them opened their eyelids and looked at Ye Chen.

"Husband. . ." Nangong Xiang and Li Qingzu simultaneously called Ye Chen, both of them already considered Ye Chen as their husband.

Nangong Xiang and Li Qingzu were overjoyed when they saw that Ye Chen had recovered, what they had been doing for the past few days turned out to be something that was not wasted.

Now that Ye Chen had completely recovered, thanks to Nangong Xiang's pure Yin Qi, Mu Xueying and Li Qingzu, now Ye Chen had recovered and his cultivation had increased quite rapidly.

"Thank you very much" Ye Chen could only thank Nangong Xiang and Li Qingzu, he didn't know what else to say in this condition.

Only thanks could be given by Ye Chen to Nangong Xiang and Li Qingzu.

Nangong Xiang and Li Qingzu nodded lightly to Ye Chen, both of them were happy to see Ye Chen was fine.

Ye Chen enjoyed hugging Nangong Xiang and Li Qingzu, for the time being Ye Chen did not want to be separated from Nangong Xiang and Li Qingzu.

"Did you guys really do that last night?" Ye Chen asked Nangong Xiang and Li Qingzu, he wanted to know if the two of them really took the initiative on their own to do Dual Cultivation together with him.

Nangong Xiang and Li Qingzu's faces turned red when they both heard what Ye Chen had just said.

"Stupid, why are you still asking about that matter?" Nangong Xiang complained that Ye Chen asked such a shameful thing.

"hehe" Ye Chen chuckled when he saw Nangong Xiang looking embarrassed like this, a beautiful Goddess like Nangong Xiang actually put on an embarrassed face like this, this was something that ordinary people rarely saw.

"I just want to know" Ye Chen said to Nangong Xiang.

"Of course we both do that." With a flushed face Nangong Xiang said to Ye Chen.

"Really, then why don't we try again" Ye Chen teased Nangong Xiang.

"You pervert" Nangong Xiang started hitting Ye Chen, she complained to Ye Chen who kept teasing her.

"Hahaha" Ye Chen laughed when he saw what Nangong Xiang was doing, it was really fun for Ye Chen to tease Nangong Xiang.

Li Qingzu on the other hand seemed to be silent, he seemed embarrassed to talk to Ye Chen.

"Qingzu, may I ask you something?" Ye Chen said that he wanted to ask Li Qingzu who was in his arms.

"What is that?" Li Qingzu said to Ye Chen, Li Qingzu wanted to know what Ye Chen wanted to ask him.

"Have you done that too?" Ye Chen asked if Li Qingzu also did the same as Nangong Xiang last night.

Li Qingzu nodded lightly, telling Ye Chen that she did Dual Cultivation together with Ye Chen.

"Ye Chen, you won't be angry with what I did, will you?" Li Qingzu asked Ye Chen.

Ye Chen smiled when he heard what Li Qingzu had just said, how could he be angry when he found out that one of the flowers in his school gave herself voluntarily to himself, this is the dream of almost all the boys in the school.

"How can I be angry with that" Ye Chen said sweet words to Li Qingzu.

It was obvious that Li Qingzu could easily succumb to the sweet words that Ye Chen had just spoken.

Chapter 927 - God Master One Sword

"Ye Chen, I don't mind if you don't want to take responsibility, I know my place." Li Qingzu said in a slightly sad tone.

Li Qingzu knew where she belonged, she wouldn't ask Ye Chen anything about this matter.

Li Qingzu was a good girl, she was really humble and didn't demand anything from Ye Chen.

If these were women who were hungry for treasure and power, they would have demanded a lot from Ye Chen or perhaps even demanded the resources that Ye Chen had.

"Don't say things like that, I'll take responsibility, there's no way I'll leave a woman like you behind" Ye Chen said to Li Qingzu that she would be responsible for everything that happened.

Li Qingzu did all this for himself, how could Ye Chen have the heart to make Li Qingzu like this.

The one who got Li Qingzu would be very lucky, Li Qingzu was a woman who didn't demand much, this was one that made Ye Chen feel happy for Li Qingzu.

Li Qingzu was overjoyed by Ye Chen's words, she didn't expect that Ye Chen would accept her like this.

Li Qingzu was now able to calm down, she finally got Ye Chen's acknowledgement.

"Why do you call me Ye Chen, didn't you call me husband before?" Ye Chen said to Li Qingzu.

"Husband" Li Qingzu shouted and hugged Ye Chen, it could be seen that Li Qingzu was very happy.

Ye Chen of course hugged Li Qingzu even tighter, he started to bring Li Qingzu closer to his body.

On the other hand, Nangong Xiang saw everything, she saw how romantic Ye Chen was, it was only natural that so many women fell in love with Ye Chen, apparently this was the reason.

Ye Chen looks too romantic, Ye Chen knows how to make women happy and comfortable.

This may be one of the reasons why Nangong Xiang is also interested in Ye Chen, Ye Chen can make Nangong Xiang feel happy and comfortable.

"Oh yeah, what happened to the battle?" Ye Chen asked what happened in the previous battle, did they win or not in the battle against Hun Chao.

"Husband, it's a shame the battle isn't over yet, the person who has injured you is currently only temporarily confined" Nangong Xiang explained the current situation to Ye Chen.

Nangong Xiang knew very little about the battle that Mu Xueying and Hun Chao had fought, so Nangong Xiang could only tell Ye Chen a little bit of information.

"I see." Ye Chen nodded to Nangong Xiang, it seemed that Mu Xueying was unable to defeat Hun Chao, and chose to retreat to bring himself back to this place.

"Yuechan, do you have a way to fight Hun Chao?" Ye Chen asked for a suggestion against Hun Chao, he found it difficult to fight Hun Chao.

"Hmm, Hun Chao's biggest weakness is the Divine Yin Yang Sword, you should try to find an extremely powerful sword technique so that you can wield the Divine Yin Yang Sword more strongly.

"Sword technique?" Ye Chen started to think about the suggestion that Chu Yuechan had just said.

It was true what Chu Yuechan had just said, Ye Chen didn't have a sword technique, he had only used the Divine Yin Yang Sword at random.

Perhaps Ye Chen should follow Chu Yuechan's advice, he might have to find a sword technique that was strong and invincible.

"Yuechan, do you have a technique recommendation for me?" Ye Chen asked Chu Yuechan, he asked if Chu Yuechan had a sword technique recommendation for him.

"What kind of technique do you want?" Chu Yuechan asked what kind of technique Ye Chen wanted.

"I want a technique that is strong and invincible." Ye Chen told Chu Yuechan about the technique he wanted.

"Puchi. . ." Chu Yuechan laughed when she heard what Ye Chen said.

"You really are like a child wanting such a technique," Chu Yuechan said to Ye Chen.

"Why, I want to win against Hun Chao, so I want the most powerful sword technique" Ye Chen wanted the strongest technique to defeat Hun Chao, he didn't want to lose to Hun Chao again.

"Fufufufu, if you really want a technique, then I'll find it for you, you wait a moment I'll be right back" Chu Yuechan laughed in a voice that was very pleasant for Ye Chen to hear, clearly Chu Yuechan's voice was like a fairy singing.

Ye Chen nodded to Chu Yuechan, he would wait for Chu Yuechan to find a technique for him.

While waiting for Chu Yuechan to find a technique for himself, Ye Chen would flirt a bit with Nangong Xiang and Li Qingzu.

"Husband don't be naughty" Nangong Xiang pinched Ye Chen's hand who was trying to act naughty.

"Come on Xiang, just a little bit, how can you be so stingy with me" Ye Chen complained when he saw Nangong Xiang reject him.

"Wasn't yesterday enough for you?" Nangong Xiang said to Ye Chen.

"-_- " Ye Chen fainted yesterday, how did he know what he had done together with Nangong Xiang and Li Qingzu.

"Master, I'm back." Chu Yuechan returned very quickly, she found a technique that was suitable for Ye Chen.

"What did you get for me?" Ye Chen asked what Chu Yuechan got for him.

"I got a sword technique called **God Master One Sword**, I think it's suitable for you" Chu Yuechan told Ye Chen about the technique she got.

"**God Master One Sword?**, is this technique any good?" Ye Chen asked Chu Yuechan.

"Of course, this technique is very good, a single slash can split the sky in two" Chu Yuechan said to Ye Chen.

Chu Yuechan explained to Ye Chen that this technique can he had obtained was a technique that could split the sky into two halves.

"Then give it to me, let me see." Ye Chen told Chu Yuechan to pass the **God Master One Sword** technique to him.

"This is it" Chu Yuechan gave Ye Chen what he wanted, she transferred the **God Master One Sword** technique information to Ye Chen.

A collection of information entered into Ye Chen's head, Ye Chen immediately studied the God Master One Sword technique that was just given by Chu Yuechan, he wanted to know if **God Master One Sword** was really that great.

When Ye Chen studied the **God Master One Sword** himself, he discovered that this technique looked quite powerful, it was said that a single slash could cut through anything.

Ye Chen quite liked this technique, he had already decided to learn the **God Master One Sword**.

Ye Chen began to study **God Master One Sword** in earnest, he tried to study every content in the **God Master One Sword** manual that Chu Yuechan transferred.

While Ye Chen was studying God Master One Sword, the current Nangong Xiang looked worried when she saw Ye Chen being silent and closing his eyes.

Nangong Xiang thought that Ye Chen was angry because she had rejected Ye Che's wish earlier.

"Husband" Nangong Xiang tried to call out to Ye Chen, Nangong Xiang's tone of voice was so soft that it could make Ye Chen's hard bones soften.

Ye Chen immediately opened his eyes when he heard Nangong Xiang's gentle voice, the goddess Nangong Xiang's voice made Ye Chen feel excited just from hearing it.

Chapter 928 - Dao Of Sword (1)

"Xiang what's wrong?" Ye Chen immediately asked Nangong Xiang, he wanted to know why Nangong Xiang said in a tone that sounded very gentle towards him.

"Husband, are you angry because of what just now?" Nangong Xiang asked Ye Chen.

Nangong Xiang wanted to know if Ye Chen was angry that she didn't allow Ye Chen to touch her.

"No, I'm not angry." Ye Chen immediately replied to Nangong Xiang with an expression that looked very ordinary.

expression Ye Chen's made Nangong Xiang even more convinced that Ye Chen was annoyed with her.

"If you're not angry why are you just silent?" Nangong Xiang asked Ye Chen.

"I am currently learning a new technique, so of course I have to be quiet and concentrate enough" Ye Chen said to Nangong Xiang.

Ye Chen told that he was learning a technique to deal with Hun Chao, no matter what happened this time he had to win, if Ye Chen lost again, then the fate of the earth would definitely be even bleaker than it is now.

"Oh" Nangong Xiang sighed, she felt relieved when she heard Ye Chen's words just now, it seems that Ye Chen is not angry with her.

Just now Nangong Xiang just misunderstood what Ye Chen was doing.

"What are you studying right now?" Nangong Xiang asked what Ye Chen was currently studying.

"I'm currently learning a sword technique, I don't think I have a sword technique yet" Ye Chen told Nangong Xiang that he was learn using a sword technique.

"Then you can continue, sorry to bother you" Nangong Xiang said to Ye Chen to continue mastering the God Master One Sword technique.

"Okay" Ye Chen was quite confused when he saw what happened to Nangong Xiang, this woman was quite complicated to understand.

Ye Chen decided to re-study and understand God Master One Sword, he tried to quickly learn God Master One Sword.

Ye Chen began to immerse himself in studying God Master One Sword, he was really very focused on studying God Master One Sword.

God Master One Sword was a little more difficult than Ye Chen thought, it was quite difficult for Ye Chen to learn just by looking at it, Ye Chen needed a practice to learn it.

Ye Chen might have to go inside the fairy gate to learn God Master One Sword.

Ye Chen started to open his own eyes, when Ye Chen opened his eyes, he found that Nangong Xiang and Li Qingzu were currently covering their bodies with a white blanket, both of them sitting on the edge of the bed watching Ye Chen.

Not wanting to disturb Ye Chen, the two of them didn't say much, both of them could only keep quiet.

"Xiang, try extending your hand" Ye Chen went to Nangong Xiang's side, he told Nangong Xiang to extend her hand.

Nangong Xiang very obediently stretched out her hand.

Ye Chen started to see Nangong Xiang's condition, when he saw Nangong Xiang's condition, Ye Chen found that when Nangong Xiang recovered, Nangong Xiang's meridians which were seriously injured had completely recovered.

Now Nangong Xiang's condition was really as good as it was at his peak.

Although Nangong Xiang's current strength is still not fully recovered, but from now on Nangong Xiang can start cultivating like a normal cultivator.

Ye Chen did not expect that his Yang Qi was useful enough to heal Nangong Xiang, it seems that Ye Chen's Yang Qi was quite effective in healing Nangong Xiang's old wounds which were very difficult to heal.

"Xiang, you've recovered now, how are you feeling right now?" Ye Chen asked Nangong Xiang.

"I am of course happy, now I can start cultivating and restore my strength to how it was before" Nangong Xiang said to Ye Chen.

Nangong Xiang was of course happy when he found out that her meridians were healed, now Nangong Xiang could restore her strength to its peak.

Nangong Xiang of course knew the reason why she was able to recover like this, this was because she did Dual Cultivation together with Ye Chen, Ye Chen had told her this before.

Unfortunately Nangong Xiang was still hesitant and not ready yet, so Nangong Xiang didn't dare to do it with Ye Chen.

Now that Nangong Xiang believed what Ye Chen had said, Ye Chen really didn't lie to herself about this matter.

Dual Cultivation is a fun way to increase your strength and get tons of benefits.

Nangong Xiang had certainly benefited greatly from Dual Cultivation together with Ye Chen, now Nangong Xiang's strength was still above Mu Xueying's.

"I'm happy too, do you want to come with me to go to the fairy gate?, I want to introduce the fairy gate to you" Ye Chen said to Nangong Xiang and Li Qingzu if he wanted to invite both to go to the fairy gate.

Li Qingzu was still quite confused by the fairy gate that Ye Chen was referring to, she didn't really understand what Ye Chen just meant.

"We want to clean up first, so maybe we will refuse." Nangong Xiang immediately answered Ye Chen, she wanted to clean up together with Li Qingzu.

Nangong Xiang already knew quite a bit about fairy gates from Fu Lanling and Ye Chen's other women, so Nangong Xiang was not confused when Ye Chen mentioned about fairy gates.

"Inside the fairy gate there is a large bathing place, you can try it" Ye Chen said to Nangong Xiang and Li Qingzu that inside the fairy gate there is a large bathing place, Nangong Xiang and Li Qingzu can use the bath as they please.

"Alright, we'll go with you" seeing Ye Chen still insisting on introducing the Fairy Gate to the two, Nangong Xiang naturally couldn't continue to refuse Ye Chen's invitation.

"Good, then let's go." Ye Chen was happy to hear this, he immediately hugged Nangong Xiang and Li Qingzu.

Ye Chen, Nangong Xiang, and Li Qingzu turned into a glimmer of light and entered the fairy gate.

Ye Chen, Nangong Xiang and Li Qingzu appeared inside the fairy gate, the three of them were currently in a flower garden that looked extremely beautiful.

Li Qingzu was very impressed when she saw the scenery around this place, this place is really very beautiful, it looks like a fairyland that Li Qingzu often saw in television series as a child.

Nangong Xiang looked around this place, this place is very beautiful and also has very pure Energy, it's only natural that all Ye Chen women feel at home while cultivating in a place like this.

"Yuechan" Ye Chen called out Chu Yuechan's name.

"What is wrong?" Chu Yuechan immediately appeared beside Ye Chen, she asked what Ye Chen needed to call her.

Nangong Xiang and Li Qingzu immediately looked at the beautiful fairy that had just appeared near them, both of them were quite surprised to see the beauty that Chu Yuechan possessed.

Chu Yuechan's beauty was truly extraordinary, she looked like a fairy from another world.

Even Nangong Xiang was quite surprised when she saw that Ye Chen had someone who could match her beauty.

Nangong Xiang started to ask where exactly did Chu Yuechan come from, why did she have a wing on her back.

Nangong Xiang began to suspect that Chu Yuechan was from a powerful ancient race, it could be seen from Chu Yuechan's terrifying strength.

Nangong Xiang's instincts told her that Chu Yuechan possessed terrifying strength, this woman might even be as strong as Sun Quan.

Chapter 929 - Dao Of Sword (2)

"Please take them around and go to the bathing place inside the fairy gate." Ye Chen asked Chu Yuechan to go and take Nangong Xiang and Li Qingzu around this place.

"Okay I'll do it." Chu Yuechan nodded, she would go and take Nangong Xiang and Li Qingzu to go around this place.

From now on the fairy gate would be their home, so they had to get used to this place.

"Come with me." Chu Yuechan asked Nangong Xiang and Li Qingzu to come with her.

"Husband, we go first" Nangong Xiang and Li Qingzu bid farewell to Ye Chen, the two of them now went together with Chu Yuechan around this place.

"Um" Ye Chen nodded to Nangong Xiang and Li Qingzu, he invited the two of them to go together with Chu Yuechan.

Nangong Xiang and Li Qingzu finally left together with Chu Yuechan.

Now here only Ye Chen was left alone, Ye Chen immediately returned to his original goal, he immediately went to the training room to practice **God Master One Sword**.

Ye Chen's goal remained that he would try to train **God Master One Sword** to an even higher level.

Ye Chen probably already understood the contents of the **God Master One Sword**, unfortunately he didn't really understand the **God Master One Sword**.

Especially what is meant by the Dao of Sword, this is something that is very difficult for Ye Chen to understand, Ye Chen is still confused about the **Dao of Sword**.

Ye Chen might have to practice it directly then he would understand what the **Dao of Sword** was like.

Ye Chen went to the training ground, he would try to practice **God Master One Sword**.

.

.

While Ye Chen was trying to practice **God Master One Sword**, Chu Yuechan was currently taking Nangong Xiang and Li Qingzu around all the locations that were inside the fairy gate, Chu Yuechan started to explain all the locations and uses of everything inside the fairy gate.

"Sister Xiang, by the way, where did Sister Xueying go?" Li Qingzu asked where Mu Xueying had gone, why when the three of them woke up Mu Xueying was not around.

"I don't know, maybe she left earlier, she probably left because she didn't want to expose what we've been doing together for the past few days" Nangong Xiang said to Li Qingzu.

Nangong Xiang knew that Mu Xueying didn't want to expose their relationship, maybe she would have hidden what happened last night and wouldn't have told Ye Chen this.

"I see." Li Qingzu nodded to Nangong Xiang, he now understood why Mu Xueying had disappeared earlier, apparently Mu Xueying didn't want to expose what they had done to Ye Chen.

"Miss fairy, have you told your husband about Mu Xueying's matter?" Nangong Xiang asked if Chu Yuechan had told Ye Chen about Mu Xueying's matter.

"You can call me Yuechan sister like the others, for that matter I still haven't told master, I still keep secret what happened last night, so for the time being master doesn't know about the relationship he has with Mu Xueying" Chu Yuechan told Nangong Xiang and Li Qingzu said that she had not told Ye Chen about Mu Xueying's problem.

Nangong Xiang nodded, it seemed that Chu Yuechan was helping Mu Xueying to keep this matter a secret from Ye Chen.

"Sister Yuechan, by the way where is the bathing place, I want to clean myself up immediately, my body is quite dirty" Li Qingzu asked where the bath was in this place.

Li Qingzu's body looked dirty and only wore one, so Li Qingzu wanted to quickly go and clean herself up.

"Alright, I will immediately take you to the bathing place." Chu Yuechan immediately escorted Nangong Xiang and Li Qingzu to the bathing place inside the fairy gate.

The bathing place inside the fairy gate was enormous, it could accommodate a large number of people inside.

After arriving in the bathing place, Nangong Xiang and Li Qingzu immediately went to wash themselves, they started to enjoy the water in this bath.

The water in the bath was very fresh, Nangong Xiang and Li Qingzu's bodies relaxed when they entered the bath.

"You two enjoy your time in this place, I will go first" Chu Yuechan said goodbye to Nangong Xiang and Li Qingzu, she wanted to go and see how Ye Chen was.

Nangong Xiang and Li Qingzu nodded, both of them inviting Chu Yuechan to leave them.

It seemed that Nangong Xiang and Li Qingzu would not be coming out of this bath for a while, they were quite enjoying bathing in this place.

Chu Yuechan immediately left Nangong Xiang and Li Qingzu, she immediately went to the practice room to see Ye Chen.

God Master One Sword was a technique that was not easy to practice, it required mastery of the **Dao of Sword** in order to use it.

The **Dao of Sword** is something that every sword master must seek and understand, it is not easy to master the Dao of Sword, even geniuses sometimes cannot understand or master the **Dao of Sword** in his life.

Chu Yuechan wanted to know if Ye Chen could master the **Dao of Sword** in the near future or not, he didn't have much time, so Ye Chen had to quickly master the **Dao of Sword**.

When Chu Yuechan arrived at the practice room, she saw that Ye Chen was currently using the Divine Yin Yang Sword to try **God Master One Sword**.

Ye Chen used a puppet provided in the practice room for the practice object.

This puppet had been set up by Ye Chen with a much higher cultivation level than the current Ye Chen's, so it should have a much stronger defense than the average enemy Ye Chen would face.

Ye Chen started to try the first move of the **God Master One Sword** called **One God Slash**, this move can cut all kinds of objects in a fairly wide radius.

"One God Slash" Ye Chen's tried to slash the practice puppet in front of him.

"Slash" The practice puppet in front of Ye Chen could easily parry One God Slash's slashes.

Ye Chen's attack looked nothing to a sword puppet.

"What, why isn't my attack strong enough?" Ye Chen started to wonder why Ye Chen's attack wasn't strong enough to cut through the training dummy in front of him.

Even though God Master One Sword's first technique was described as being able to cut through anything easily, why did the result turn out to be something like, This is not at all what Ye Chen imagined

"Your master looks quite troubled, do you need any help" Chu Yuechan came to Ye Chen side , Chu Yuechan intends to provide a favor for Ye Chen.

"Help, do you have a way for me to quickly master God Master One Sword?" Ye Chen asked Chu Yuechan.

"Of course I have a way for you to quickly master God Master One Sword." Chu Yuechan told Ye Chen that he had a suitable method for practicing God Master One Sword.

"Then tell me" Ye Chen told Chu Yuechan to quickly say the method of learning God Master One Sword.

"Okay, you hold this first." Chu Yuechan gave something to Ye Chen.

What Chu Yuechan had just given Ye Chen was a tree branch.

Chapter 930 - Dao Of Sword (3)

"What is this tree branch for?" Ye Chen immediately asked Chu Yuechan about the tree branch he just gave, Ye Chen wanted to know why Chu Yuechan gave himself a tree branch like this.

"Of course to practice, you should try to cut the practice dummy with this tree branch." Chu Yuechan told Ye Chen to turn this tree branch into a sword.

"Huh?, are you trying to joke with me?" Ye Chen asked Chu Yuechan.

According to Ye Chen what Chu Yuechan said was an impossible thing to do, even using the Divine Yin Yang Sword Ye Chen couldn't cut this practice puppet, how could he use this weak tree branch to cut the practice puppet.

"You tried it already." Chu Yuechan told Ye Chen to try it first.

"But. . ." Before Ye Chen could say anything, Chu Yuechan had already covered Ye Chen's mouth with her finger.

"Master, the **Dao of Sword** is something that must be sought with experience, if you only rely on the Divine Yin Yang Sword then you will find it difficult to learn the **Dao of Sword**." Chu Yuechan gave an explanation to Ye Chen.

Chu Yuechan wanted Ye Chen to search for his own **Dao of Sword** with the tree branch he gave him, if Ye Chen could understand the **Dao of Sword** then this fragile tree branch could become an extremely terrifying sword.

"Do you now understand what I'm saying?" Chu Yuechan asked Ye Chen.

Ye Chen nodded to Chu Yuechan, he understood what Chu Yuechan meant.

Chu Yuechan wanted Ye Chen to use this tree branch as an object of practice, if Ye Chen could master the Dao of Sword with this wooden branch, then that would mean that Ye Chen could definitely master all kinds of swords in this world.

Chu Yuechan was really quite ruthless, he wanted Ye Chen to try practicing with something like a tree branch.

Even a sword master would definitely not be able to do what Chu Yuechan told to do, the level of learning the **Dao of Sword** using a stick of wood was absolutely impossible to do.

"Alright, now try to understand the **Dao of Sword** in your own way." Chu Yuechan told Ye Chen to understand the **Dao of Sword** in Ye Chen's way.

Ye Chen nodded to Chu Yuechan, he would try to understand the Dao of Sword in his own way.

"Good, then I will go first." Chu Yuechan said to Ye Chen that she would go first.

Ye Chen started trying to use the God Master One Sword technique, he started trying to use this tree branch as a sword.

At first Ye Chen was a little strange about this, he was really not used to using a tree branch as a sword.

"Slash. . ." Ye Chen again tried to use **God Master One Sword** first move, **One God Slash**.

Unlike before, Ye Chen's slash this time really looked very weak, even the puppet didn't seem to feel anything from the attack that Ye Chen had just launched.

Ye Chen didn't give up trying to come back and kept trying to re-understand the **Dao of Sword**.

While Ye Chen was very busy studying the **Dao of Sword** and **God Master One Sword**, Chu Yuechan was in the distance watching Ye Chen's training.

At Chu Yuechan's side was a beautiful woman who was wearing a veil as well as watching Ye Chen's training.

"You gave such a heavy training method, are you sure Ye Chen can understand the Dao of Sword just from using a tree branch" the beautiful woman asked Chu Yuechan.

"Xueying, you don't need to worry, I believe that master can master the **Dao of Sword** even if he only uses a wooden sword, he is quite a genius and never gives up, I believe that he will work hard to learn the **Dao of Sword** and perfect **God Master One Sword**" Chu Yuechan said to Mu Xueying.

Chu Yuechan was very confident in Ye Chen's abilities, that's why Chu Yuechan increased the difficulty level in Ye Chen's training.

Chu Yuechan did this purely because she wanted Ye Chen to become a great and strong person, strength always starts from a difficulty, so the harder the practice, the stronger Ye Chen will be.

The woman who was talking to Chu Yuechan was of course Mu Xueying, Chu Yuechan brought Mu Xueying into the fairy gate secretly without Ye Chen or other women knowing

"the problem is he only has a little time, soon that person will be free from shackles, the Ice Jade Barrier won't be able to last for very long." Mu Xueying said to Chu Yuechan.

"It will be your duty to restrain Hun Chao until master is ready, you have already gained quite a lot of benefits from Dual Cultivation with a master, with your current cultivation, you must be able to restrain Hun Chao very easily" Chu Yuechan wanted Mu Xueying to hold back Hun Chao until Ye Chen completely mastered **God Master One Sword**.

Mu Xueying's face behind the veil slightly blushed when she heard Chu Yuechan remind herself of the Dual Cultivation Session she had previously held together with Ye Chen.

It was quite embarrassing to remember the craziness that she had previously done together with Ye Chen, it was the craziest thing Mu Xueying had ever done in her life.

That night Mu Xueying lost control of herself, she turned into a very aggressive and lewd woman, just remembering this made Mu Xueying feel ashamed to death.

Mu Xueying still couldn't believe that her calm self would turn so aggressive on the bed, it was something that Mu Xueying really couldn't imagine.

"Why are you silent?" Seeing the strangeness shown by Mu Xueying, Chu Yuechan immediately asked Mu Xueying.

"Nothing" Mu Xueying immediately regained her senses, she immediately told Chu Yuechan that nothing had happened to her.

"So how, can you do what I asked earlier?" Chu Yuechan asked if Mu Xueying could do what she previously asked to restrain Hun Chao until Ye Chen finished mastering **God Master One Sword**.

"Alright, I understand, I will do it." Mu Xueying nodded, she would do what Chu Yuechan wanted.

Mu Xueying would go and make sure Hun Chao wouldn't be able to fog up before Ye Chen completely mastered **God Master One Sword**.

"Thank you very much" Chu Yue Chan thanked Mu Xueying for helping to solve this problem.

If Chu Yuechan was currently able to get out of the fairy gate, she would definitely go and solve this problem herself, since she still couldn't get out of the fairy gate, then Chu Yuechan was forced to ask Mu Xueying for help to resolve this matter.

Mu Xueying left the fairy gate, she immediately went to Hun Chao's location in the Blue Esper realm.

Mu Xueying had completely left the fairy gate, now Chu Yuechan wanted to see what Nangong Xiang and Li Qingzu were currently doing.

Previously Chu Yuechan had not finished the tour for the two of them, she still had to take the two of them around this place.

.

.

The time inside the fairy gates flew by quickly.

The current Ye Chen continued and continued to train, himself trying his best to try to understand the **Dao of Sword**.

Unfortunately for several tens of hours of practice, Ye Chen still didn't understand the **Dao of Sword**, Ye Chen was confused about mastering the Dao of Sword.
