

Chapter 951 - Go To God Realm

The two women who had just arrived were of course Xia Qingyu and Mei Yueli, today was the first time Ye Chen saw Xia Qingyu wearing a veil to cover her face, plus Xia Qingyu was now wearing a white Phoenix outfit.

This of course added to Xia Qingyu's attractiveness, Xia Qingyu looked even more beautiful when she wore the white Phoenix outfit, Xia Qingyu looked like a moon goddess who had descended from the sky.

Ye Chen was dumbfounded for a moment when he saw Xia Qingyu in front of him, he thought that Xia Qingyu was really dazzling with this appearance.

Ye Chen didn't know why Xia Qingyu looked like this, it wasn't like the Xia Qingyu that Ye Chen usually saw.

"Qingyu, what's with that look of yours?" Ye Chen immediately went over to Xia Qingyu, he immediately asked about Xia Qingyu's current appearance.

"why, do I look weird?" Xia Qingyu asked whether her current appearance looked strange or not.

"No, you don't look weird, instead you look very beautiful and charming in that outfit." Ye Chen told Xia Qingyu that she looked stunning in the phoenix outfit she was currently wearing.

Xia Qingyu's heart was sweet when she heard Ye Chen's praise.

"Chiiii" Mei Yueli looked at Ye Chen with a strange look, it could be seen that Mei Yueli was not happy to see Ye Chen praising Xia Qingyu like that.

Ye Chen ignored Mei Yueli's gaze, he continued to stare at Xia Qingyu who was in front of him.

"Alright, since the person we've been waiting for has arrived, let's go now." Mu Xueying took Ye Chen, Mu Nianci, Xia Qingyu and Mei Yueli to the God Realm.

"Huh?, so the people you were talking about earlier were Mei Yueli and Qingyu, are they going to come with us?" Ye Chen said in surprise.

"That's right." Mu Xueying told Ye Chen that they had been waiting for Mei Yueli and Xia Qingyu before.

Ye Chen was completely dumbfounded when he heard that Xia Qingyu was going to the God Realm with them, this had never occurred to Ye Chen.

Ye Chen immediately looked at Xia Qingyu, he couldn't believe that Xia Qingyu would also go to the God Realm.

"Qingyu, why did you decide to go to the God Realm?" Ye Chen immediately asked why Xia Qingyu wanted to go to the God Realm.

"I'm quite interested in the world of cultivators, so there's no harm in going to the God Realm and training there." Xia Qingyu told Ye Chen the reason she went to the God Realm.

"But why to the God Realm?, can't it be here too?" Ye Chen asked Xia Qingyu.

"God Realm is a great place, I want to see this world more broadly" Xia Qingyu wants to see this world wider, this is what made Xia Qingyu interested in the world of cultivators.

"But it's a dangerous place there." Ye Chen warned Ye Chen that the God Realm was a dangerous place.

"So what?, can't I go to the God Realm with you?" Xia Qingyu asked Ye Chen.

"Not. . . , not. . . , of course you can" Ye Chen seemed unable to stop what Xia Qingyu wanted.

Xia Qingyu's decision to go to God Realm was unanimous, Ye Chen wouldn't be able to stop her.

Liu Yue couldn't help but smile when she saw what was going on right now.

Liu Yue came over to Xia Qingyu, she whispered a few words to Xia Qingyu.

Xia Qingyu nodded to Liu Yue, Xia Qingyu understood what Liu Yue had just whispered to her.

"Ye Chen we shouldn't waste any more time, let's go right now." Mu Xueying invited Ye Chen to leave right now.

"Okay I understand." Ye Chen nodded to Mu Xueying.

"The four of you quickly line up behind me" Mu Xueying told Ye Chen, Mu Nianci, Xia Qingyu and Mei Yueli to line up behind her.

Ye Chen, Mu Nianci, Xia Qingyu and Mei Yueli lined up behind Mu Xueying.

After making sure everything was lined up neatly behind him, Mu Xueying took out a high rank teleportation stone, this teleportation stone had been specially set up by Mu Xueying.

With this teleportation stone, they would all be teleported around the Nine Immortals Peak Sect.

Mu Xueying immediately used the teleportation stone, immediately in front of them appeared a black hole that was not too big in size.

"Let's go." Mu Xueying invited Ye Chen and the others to go inside.

Xia Qingyu, Mei Yueli, Mu Nianci and Ye Chen followed behind Mu Xueying.

Mu Xueying was the one leading the way, meanwhile everyone was following behind her.

Mu Xueying, Xia Qingyu, Mei Yueli, Mu Nianci and Ye Chen entered into the black hole, the five of them disappeared from the sight of all the women.

All the women could only watch Ye Chen leave, they all hoped that Ye Chen would be fine while in the God Realm.

"Sister Xiang, so what are we going to do now?" Zhao Yanyan immediately asked Nangong Xiang what they should do now.

"We might as well go to the God Realm, I will try to contact my good friend, I hope she will accept everyone to practice there" Nangong Xiang already had her own plans for herself and all the women here.

Nangong Xiang deliberately didn't tell Ye Chen this plan, Nangong Xiang didn't want Ye Chen to worry too much if they went to God Realm.

"Are your friends really going to accept us all?" Zhang Shiyun asked Nangong Xiang.

"You don't have to worry, she will definitely accept us all, after all Zhao Yanyan is on our side, she definitely has no reason to reject us" Nangong Xiang looked at Zhao Yanyan, with Zhao Yanyan, surely they all wouldn't be rejected .

"Meaning?" Zhao Yanyan was confused when she heard what Nangong Xiang had just said, she didn't understand what Nangong Xiang meant at this time.

Why did Nangong Xiang say that if there was Zhao Yanyan then they would be accepted by Nangong Xiang's friends, this made all the women feel confused.

"You will understand later." Nangong Xiang told Zhao Yanyan that he would understand this later.

"Yay, we're finally home too" a voice that looks cheerful and happy.

All the women immediately looked in the direction of the voice, when they looked in the direction of the voice, they all saw the arrival of Xing Mei, Xia Ningzi and Su Yuyu.

Xing Mei, Xia Ningzi and Su Yuyu were currently wearing a beach dress, it could be seen that the three had just enjoyed their vacation at the most beautiful beach on earth.

The vacation from Xing Mei, Xia Ningzi and Su Yuyu had been prepared by Liu Yue and the others, this was so that Xing Mei, Xia Ningzi and Su Yuyu would not interfere when they wanted to have dual cultivation with Ye Chen.

"Sister Yanyan, why are you all outside?" Xing Mei immediately went over to Zhao Yanyan and the others, immediately asking what they were doing out here.

"That, sister Yue, is big sister leave?" Xia Ningzi immediately approached Liu Yue, she immediately asked if Xia Qingyu had gone to the God Realm.

Coincidentally this morning Xia Ningzi received news from Xia Qingyu, Xia Qingyu told Xia Ningzi that she was going to a faraway place.

Chapter 952 - Saintess Shui Yixian

"She just left." Liu Yue told Xia Ningzi that Xia Qingyu had just left.

"Oh so big sister is gone" Xia Ningzi looked very disappointed when she heard this, she couldn't meet her older sister who had left.

"Ningzi you don't have to be so sad, Qingyu will definitely see you if she has time" Liu Yue tried to comfort Xia Ningzi.

"umm" Xia Ningzi nodded to Liu Yue, surely she would meet her older sister again.

"Huh? Ye Chen went to God Realm, why didn't I know about this matter?" Xing Mei on the other side screamed as she listened to what Zhao Yanyan had just said.

Xing Mei did not expect that Ye Chen would go to the God Realm without her knowing.

For Xing Mei Ye Chen was the best furnace, just being and hugging Ye Chen was like cultivating for tens of days.

Now that Ye Chen had gone to the God Realm, what should Xing Mei do now.

"Sister Yanyan, do you think you know where Ye Chen is going?" Xing Mei asked Zhao Yanyan.

"I don't know about it." Zhao Yanyan said that she didn't know where Ye Chen was going right now.

Zhao Yanyan deliberately didn't tell where Ye Chen was going, this was meant so that Xing Mei wouldn't bother Ye Chen, if Xing Mei were to look for Ye Chen, it would most likely cause Ye Chen a lot of trouble.

"Oh, what a shame" Xing Mei looked disappointed when she heard this, it seemed that she couldn't find Ye Chen without a clear clue.

Zhao Yanyan turned a proprietary gaze towards Nangong Xiang.

"Sister Xiang, let's discuss the matter beforehand, which woman are you referring to?" Zhao Yanyan wanted to ask who the woman Nangong Xiang was just referring to.

"Actually I'm not that close with that woman, I've only met her a few times." Nangong Xiang told Zhao Yanyan a little bit about the woman she was referring to.

"If you two aren't that close, is it possible that she will accept us?" Zhao Yanyan asked Nangong Xiang.

"Of course, that Saintess body that you have will definitely attract her." Nangong Xiang told Zhao Yanyan why she was so sure that she would accept them all.

It was because of Zhao Yanyan's Saintess body, Zhao Yanyan's special Saintess body would definitely attract her.

"So you two are talking about me?" A voice that sounded extremely gentle and full of majesty rang in the ears of Zhao Yanyan, Nangong Xiang and all the women in this place.

All the women immediately turned their heads to see where the voice they had just heard came from.

The source of the voice they just heard came from the sky, when they all looked up at the sky, all the women saw a golden light that was so dazzlingly shining that it shone across the earth.

This light is so dazzling that some people are unable to see it with their naked eyes.

This light descended towards the bottom of the place where Zhao Yanyan and the others were.

Zhao Yanyan, Liu Yue and all the women were alert when they saw this dazzling light approaching towards them, they all felt an extremely terrifying pressure emanating from this light.

Needless to say, this was beyond the imagination of Zhao Yanyan and the others, they had all never felt this kind of power in their lives.

The dazzling light began to dim slightly, this light began to dim and shrink to a size similar to that of a human body.

This light actually began to dim until it completely disappeared, when the dazzling light disappeared, all the women could see the figure of a beautiful woman in plain white clothes.

This woman's face is absolutely perfect, there is almost no flaw in this woman's beauty, this woman is also This woman's hair flows straight down, this woman's hair looks shiny and very soft.

This woman has a beauty comparable to Nangong Xiang and Dongfang Xiu, it can be said that women are worthy of being called a peerless beautiful goddess.

"Saintess Shui" Xing Mei immediately shouted when she saw the beautiful woman who had just appeared in front of them.

Xing Mei immediately felt scared when she saw the arrival of this beautiful woman, it was clear that Xing Mei already knew about the identity of the woman who had just appeared in front of her.

This beautiful goddess in front of her is really very great, almost everyone from the Immortal Destiny Star Realm knows the figure of this beautiful goddess.

Even people who had very high positions in the Immortal Destiny Star Realm had great respect for Saintess Shui.

"You are always one step ahead of everyone else." Nangong Xiang was helpless when she saw Saintess Shui already in front of them.

Even though Nangong Xiang wanted to come to see this woman, she didn't expect that this woman would actually meet Nangong Xiang first.

This beautiful woman's name was Shui Yixian, she was the only person with the strongest profound light power currently in the God Realm, so it was not surprising that Shui Yixian had earned the nickname Saintess because she possessed the power of light.

Shui Yixian smiled slightly when she heard Nangong Xiang's words, Shui Yixian couldn't say much in response to the words Nangong Xiang had just said.

Shui Yixian turned his gaze towards Zhao Yanyan, Shui Yixian began to serve closer towards Zhao Yanyan.

Zhao Yanyan looked straight at Shui Yixian, she could see that this woman in front of her had a slight match for her.

Shui Yixian looked at Zhao Yanyan who was in front of her, Shui Yixian smiled gently at Zhao Yanyan.

"Excellent, I finally met a suitable successor." Shui Yixian finally met Zhao Yanyan who had a Saintess Special body.

"Your name is Zhao Yanyan isn't it?" Shui Yixian asked Zhao Yanyan who was in front of him.

"How do you know my name?" Zhao Yanyan was immediately shocked when she saw Shui Yixian knew her name so easily.

"Yanyan, this woman has the ability to see far into the future, she can even see into the future worried that her lifespan will decrease, so it is not surprising that she knew about you a long time ago" Nangong Xiang told Zhao Yanyan about Shui Yixian's special ability.

Shui Yixian had the special ability to see straight into the future, so it was not surprising that Shui Yixian already knew very well about the Zhao Yanyan in front of her.

"Oh, I see." Zhao Yanyan nodded to Nangong Xiang, now she knew why Shui Yixian knew her name so easily.

Zhao Yanyan was quite surprised by the ability of this woman in front of her, this woman's ability was truly extraordinary.

"You're exaggerating it, I'm not that great." Shui Yixian said that she wasn't as good as Nangong Xiang said she was.

Even though Shui Yixian could see into the future freely, he could not arbitrarily tell others what he saw, otherwise Shui Yixian could still earn the wrath of heaven.

That's why there were some things that Shui Yixian couldn't say freely to others, Shui Yixian could only warn that person.

"What are you doing here?" Zhao Yanyan immediately asked why Shui Yixian had come here.

"How about we talk about this matter inside, this place is not suitable for talking." Shui Yixian said to go inside the villa and discuss what she wanted.

Chapter 953 - Sky Cloud Peak Star Realm

"Alright" Zhao Yanyan and Nangong Xiang immediately nodded, they both invited Shui Yixian to come inside and discuss the purpose of coming here.

Shui Yixian followed Zhao Yanyan and Nangong Xiang with a graceful gait, in terms of appearance and also this woman's temperament was absolutely perfect.

All the women didn't know what to say when they saw Saintess Shui Yixian walking into the villa.

This beautiful goddess is still quite foreign, they are curious about the identity and name of this beautiful woman.

"Young Sister Mei, who was the woman just now?" Lin Rouxi immediately asked Xing Mei, previously Lin Rouxi heard clearly that Xing Mei called Shui Yixian's name.

Xing Mei started to explain to everyone who the woman who had just arrived at this place was, everyone was shocked when they heard Shui Yixian's identity.

To think that this perfect woman was one of the strong women who stood at the pinnacle of the God Realm, they just found out about this matter.

All the women were curious what Zhao Yanyan, Nangong Xiang and Shui Yixian would talk about, they wanted to know what they were going to discuss.

Unfortunately, they couldn't go inside, the aura that was emitted by Shui Yixian was heavy enough for all women to feel.

all of them could only wait outside patiently and wait for news from Zhao Yanyan and Nangong Xiang.

.

.

Meanwhile Ye Chen, Mu Xueying, Mu Nianci, Xia Qingyu and Mei Yueli had already arrived at the star where Nine Immortals Peak was.

Ye Chen, Xia Qingyu and Mu Nianci set their feet on a place they had never been before.

Ye Chen started to look around this place, he saw a very wide expanse of grass around this place.

The wind here blows very hard, it's too windy here.

What surprised Ye Chen the most was the pure energy in this place, the pure energy in this place was much richer than the one inside the fairy gate.

If Ye Chen practiced here, then it was certain that Ye Chen's cultivation would definitely increase very quickly.

While Ye Chen was observing the surroundings, Xia Qingyu suddenly fell and knelt on the ground.

Ye Chen immediately stopped looking around, immediately headed towards Xia Qingyu.

"Qingyu, what's wrong?" Ye Chen immediately asked the state of Xia Qingyu.

"It's nothing, it's just that my body felt heavy and weak when I arrived here." Xia Qingyu told Ye Chen that her body felt heavy when she arrived here.

"This is a normal reaction, the pressure in this place is much higher than the earth, so it is not strange that you feel heavy when you are in this place, sooner or later you will get used to being under this pressure" Mu Xueying began to explain to Xia Qingyu why did Xia Qingyu's body feel weak and heavy when she arrived at this star.

Xia Qingyu's cultivation was still extremely weak, so it was not surprising that Xia Qingyu was unable to withstand the pressure that existed in this place.

"I understand." Xia Qingyu nodded, she would try to get used to this place.

"Qingyu, you better stay away from me, it would be dangerous if something bad happened" Mei Yueli told Xia Qingyu not to stay away from her.

If something was urgent, then Mei Yueli would immediately act and do something.

"Sister Yueli, thank you very much" Xia Qingyu thanked Mei Yueli who took such great care of her.

Mei Yueli nodded, Mei Yueli just didn't want anything bad to happen to Xia Qingyu when she was in God Realm, she would feel sorry for Xia Qingyu's grandfather if anything happened to Xia Qingyu.

Mu Xueying waited for Xia Qingyu's condition to improve, after improving they would continue their journey.

While they were waiting for Xia Qingyu to recover, Mu Nianci had already started trying to cultivate, it could be seen that Mu Nianci was very happy when she discovered that the Energy in this place was extremely rich.

For Mu Nianci this place was a paradise that she had dreamed of since a long time ago.

"Alright, let's go now." Mu Xueying led Ye Chen, Mu Nianci, Xia Qingyu and Mei Yueli to the direction of Nine Immortals Peak.

Ye Chen, Mu Nianci, Xia Qingyu and Mei Yueli nodded, they all followed Mu Xueying back to the direction of the Nine Immortals Peak Sect.

On the way Ye Chen asked Mu Xueying various things, he wanted to know the details about the star they were currently in,

Mu Xueying answered all of Ye Chen's questions, he told Ye Chen that this star was called Sky Cloud Peak Star Realm, this is a Star Realm of enormous size, where the population is around 250 billion people.

The Sky Cloud Peak Star Realm had countless mountains that were so high they even penetrated the clouds, so it wasn't strange that this place was called the Sky Cloud Peak Star Realm.

Mu Xueying also told Ye Chen that this star was a mid-level star with a fairly low rank.

That meant that this star was only slightly higher than a low-level star with a high rank.

Ye Chen nodded, now he understood a little about where he was now.

Ye Chen didn't really care about the star he was in right now, as long as he could train quickly, then it wouldn't be a big problem for Ye Chen.

Mu Xueying took Ye Chen, Mu Nianci, Xia Qingyu to a location that was very wide and filled with many ancient buildings, meanwhile in the distance Ye Chen could see nine peaks that stood very majestic.

Even without Mu Xueying explaining, Ye Chen already knew that this was the Nine Immortals Peak Sect.

Ye Chen didn't expect that the Nine Immortals Peak Sect would be this big.

The Nine Immortals Peak Sect is really very vast, it is estimated that the Nine Immortals Peak Sect is probably over 1 million km², the Nine Immortals Peak Sect's area is the same as several major cities combined.

Nine Immortals Peak Sect was much bigger than Ye Chen had expected, there were still so many parts that it was impossible for Ye Chen to measure at this time.

"We have arrived at the Nine Immortals Peak Sect." Mu Xueying told Ye Chen, Xia Qingyu and Mu Nianci that they had arrived at the Nine Immortals Peak Sect.

Mu Xueying started to explain a bit about the Nine Immortals Peak Sect to Ye Chen, Mu Nianci and Xia Qingyu.

The Nine Immortals Peak Sect was the largest sect in the Sky Cloud Peak Star Realm, the current population of this sect was in the millions, so it wasn't surprising that the Nine Immortals Peak Sect looked very dense.

Xia Qingyu and Mu Nianci admired the Nine Immortals Peak Sect, they didn't expect that the Nine Immortals Peak Sect would become this big.

Especially Mu Nianci, she looked shocked when she found out that the Nine Immortals Peak Sect had millions of members, how could the Nine Immortals Peak Sect manage such a large number of members, Mu Nianci really couldn't think of.

"Ye Chen" Mu Xueying called out Ye Chen's name.

"Yes, what is up?" Ye Chen immediately asked Mu Xueying, he wanted to know why Mu Xueying called him.

"Before we go in, I want you to do something" Mu Xueying told Ye Chen to do something.

"Do what?" Ye Chen wondered what Mu Xueying wanted.

Chapter 954 - Change Appearance

"I want you to change the appearance you currently have." Mu Xueying told Ye Chen to change his appearance for now.

"Huh, changing my appearance, so what?" Ye Chen wanted to know why Mu Xueying had told him to change his appearance.

"It's because you're too handsome, it would be really troublesome if you enter the sect with that appearance" Mu Xueying indifferently told Ye Chen the reason why she wanted Ye Chen to change his appearance.

Ye Chen's face is too handsome, this can cause a bit of chaos among the women in the outer court, Mu Xueying doesn't want Ye Chen to be seen in trouble because of this.

Ye Chen smiled quite proudly when he heard this from Mu Xueying, it seemed that Mu Xueying admitted that Ye Chen was a very handsome man.

"Don't put on that kind of expression, hurry up and do what Senior Sister says." Mei Yueli scolded Ye Chen, telling Ye Chen to immediately do what Mu Xueying told him to do.

"It's fine, you better not be angry like that, a grumpy woman usually gets old quickly" Ye Chen told Mei Yueli not to get angry like that.

Mei Yueli's face darkened when she heard what Ye Chen just said, she looked even more angry when she heard what Ye Chen just said.

At this moment Mei Yueli felt that she wanted to kick Ye Chen in front of her, this man gave Mei Yueli a headache.

Ye Chen started trying to change his appearance, he started to change his hairstyle to look like a geeky man..

Ye Chen who previously looked cool instantly turned into a geeky man when he changed his hairstyle.

"Hahahaha" Mei Yueli couldn't help but laugh when she saw Ye Chen's current appearance, she thought that Ye Chen's current appearance really looked like a geeky man.

Meanwhile Xia Qingyu and Mu Nianci looked normal when they both saw Ye Chen's current appearance.

Even though Ye Chen looked geeky, according to them Ye Chen was still quite a handsome man, it was very difficult to hide Ye Chen's good looks.

"Is this like enough?" Ye Chen asked Mu Xueying who was in front of him.

Ye Chen was lazy to wear a leather mask, he didn't like wearing things like that all the time.

Mu Xueying looked Ye Chen up and down, she thought this was enough to hide Ye Chen's good looks a little.

"That's enough" Mu Xueying told Ye Chen that this was enough to hide Ye Chen's good looks.

Ye Chen was relieved that Mu Xueying didn't ask him to wear a leather mask.

"Oh yeah, there's one more thing." Mu Xueying still had one more thing to say to Ye Chen.

"Oh my god, what else is that?" Ye Chen was already helpless, Mu Xueying really demanded more from Ye Chen.

"I want you to hide your true power, don't expose your strength too much." Mu Xueying warned Ye Chen not to expose her powers carelessly.

Mu Xueying knew that Ye Chen's strength was much stronger than it appeared on the surface, if Ye Chen were to show his true strength, in this Sect there would be very few disciples who could match him.

"Okay, it's a very easy problem" Ye Chen told Mu Xueying that it was a very easy problem.

Ye Chen was already an expert in the matter of concealing strength, so Mu Xueying didn't need to worry about matters like this.

"It's good that you understand, then let's go." Mu Xueying immediately invited everyone to enter the Nine Immortals Peak Sect.

When Mu Xueying, Ye Chen, Xia Qingyu, Mu Nianci and Mei Yueli were about to enter the Sect they were met with countless disciples going in and out of the Sect.

Almost all of the disciples stared at Ye Chen, Mu Xueying, Mu Nianci Xia Qingyu and Mei Yueli.

Everyone naturally focused their gazes on Mu Xueying, Mu Nianci, Xia Qingyu and Mei Yueli.

Beautiful women can easily become the focus of attention.

Since Ye Chen was currently changing his appearance, no one paid much attention to Ye Chen, who would pay attention to a man with a geeky appearance like this.

Mu Xueying, Mu Nianci, Xia Qingyu and Mei Yueli very easily ignored the stares of the people they passed.

Mu Xueying, Mu Nianci, Xia Qingyu and Mei Yueli completely ignored the gazes staring at them, Mu Xueying, Mu Nianci, Xia Qingyu and Mei Yueli thought of these people as empty air.

Ye Chen, Mu Xueying, Mu Nianci, Xia Qingyu and Mei Yueli walked towards a post not far from the Sect entrance.

Within this post were several people in charge of keeping an eye on the Sect's entrance from the commotion as well as bad guys trying to sneak into the Sect.

The people in the post immediately stood up when they saw the arrival of Mei Yueli.

"Hello Miss Mei" Everyone saluted Mei Yueli.

Since Mei Yueli's position was that of a core disciple, these people would naturally have great respect for Mei Yueli, they couldn't possibly dare to be disrespectful to a core disciple like Mei Yueli.

"I want to get someone into the Sect, can you guys take care of it for me?" Mei Yueli immediately told these people that she wanted to include Ye Chen in the Sect.

"Which one do you want to enter into a Sect member?" one of the men immediately asked Mei Yueli about who to include in the Sect.

"he" Mei Yueli pointed at Ye Chen, Mei Yueli wanted them to include Ye Chen in the Sect.

"Just me?, then what about Qingyu and Nianci?" Ye Chen immediately asked Mei Yueli about Xia Qingyu and Mu Nianci's fate.

"They will come with me while you are here." Mei Yueli told Ye Chen that Xia Qingyu and Mu Nianci would join her peak.

"How could that happen, isn't that cheating?" Ye Chen said to Mei Yueli.

According to Ye Chen what Mei Yueli did was really cheating, Ye Chen should join the normal path while Xia Qingyu and Mu Nianci immediately joined Mu Xueying and Mei Yueli.

"Our peak has no men, so you won't be able to join." Mei Yueli told Ye Chen that the peak she was training at was all female, so Ye Chen didn't have a chance to join hers.

"_-" Ye Chen didn't know What else to say under these circumstances, it was unlikely that he would be able to join Xia Qingyu and Mu Nianci together.

"Ye Chen, don't worry, I will help you find a suitable peak where you can train." Mu Xueying told Ye Chen that she would find a suitable peak for Ye Chen.

"Okay, thank you very much" Ye Chen thanked Mu Xueying, it seems that Ye Chen doesn't have to worry about this matter.

"Alright, let's go." Mu Xueying took Xia Qingyu, Mu Nianci and Mei Yueli to go see the peak lord.

"Ye Chen see you later" Xia Qingyu and Mu Nianci waved goodbye to Ye Chen, the two immediately left together with Mu Xueying towards one of the nine peaks.

Ye Chen waved his hand at Xia Qingyu and Mu Nianci.

"Enjoy your time in this place" Mei Yueli laughed at Ye Chen who was about to become an outer court disciple.

Ye Chen gritted his teeth as he listened to what Mei Yueli just said, this woman must have done this to him on purpose.

Chapter 955 - Sect Entrance Exam (1)

"Friends come with me" one of these people invited Ye Chen to come with him.

Ye Chen nodded, he immediately followed the person in front of him.

Ye Chen had to immediately settle all matters in order to join the Sect, it could be said that this was Ye Chen's first time joining a large Sect like this.

Ye Chen wanted to know what it took to join this Sect.

"Hey friend, what's your name?" The person at the front asked about the name that Ye Chen had.

"My name is Ye Chen" Ye Chen told the person in front of him calmly his name.

"Oh so your name is Ye Chen, my name is Hua Cujin, you can ask me whatever you play with me" Hua Cujin said that Ye Chen could ask him whatever he wanted.

"Thank you very much for the kindness of friend Hua" Ye Chen thanked Hua Cujin for the kindness shown.

It can be seen that Hua Cujin is quite a good person, this person is willing to explain to Ye Chen about this Sect.

Ye Chen slightly asked Hua Cujin about some pretty important points that he needed to know.

Hua Cujin started to explain some important points and rules about the Sect, Hua Cujin explained in a very concise manner for Ye Chen to quickly understand.

Ye Chen nodded slightly at what Hua Cujin just said, Ye Chen understood a little about the Nine Immortals Peak Sect.

The first rule in Nine Immortals Peak Sect was that junior disciples had to pay respects to senior disciples, otherwise there might be quite a troublesome matter.

The second rule is that fellow Sect disciples are forbidden to kill in the vicinity of the Sect. If you want to kill someone then you must use a life and death battle that needs to be submitted to the Sect elder, otherwise you will get a punishment.

One could escape a punishment if no one knew about it, therefore if one wanted to kill someone it would usually be done secretly.

In addition, there are still a lot of regulations conveyed by Hua Cujin.

Ye Chen didn't expect that the Nine Immortals Peak Sect's rules were that many, these rules were too torturous for Ye Chen.

Ye Chen is a person who doesn't really like complicated rules like this, he is quite a free person, this rule really shackles Ye Chen's freedom.

Ye Chen had to try to defend himself, he shouldn't back down because of a matter like this.

"We have arrived, this is the registration room to become a member of the Sect." Hua Cujin told Ye Chen that this is the room to register as a disciple of the Nine Immortals Peak Sect.

Ye Chen looked at the building in front of him, it was quite large for a Sect disciple registration area.

"Come on let's go inside" Hua Cujin took Ye Chen inside, to register as a Sect disciple.

With Mei Yueli's recommendation, Ye Chen would definitely enter the Nine Immortals Peak Sect very easily, Ye Chen might be able to directly enter the Sect without waiting for recruitment to take place.

Hua Cujin took Ye Chen inside, he immediately looked for the person in charge of this place.

Hua Cujin tried to find the elder in charge of this place.

Unfortunately after searching for a while Hua Cujin did not find the elder in charge of this place.

"How strange where did the elder in charge of this place go?" Hua Cujin started to get confused when he didn't find the elder in charge of this place.

"Friend, where is the elder in charge of this place?" Hua Cujin directly asked a disciple who happened to be in this place.

"Oh the elder is in the backyard right now, he is selecting people who try to join the Sect" the male disciple told Hua Cujin that the elder was selecting people who wanted to enter the Sect.

"Oh, I see, thank you very much for the information." Hua Cujin cupped his hands, he thanked the disciple who had informed the whereabouts of the elder in charge of this place.

"Ye Chen let's go to the back." Hua Cujin immediately led Ye Chen to go to the backyard.

Ye Chen nodded, he went with Hua Cujin to the backyard.

When Ye Chen and Hua Cujin reached the backyard, they saw that there were thousands of people gathered in this backyard.

"What's going on here, why are there so many people?" Ye Chen immediately asked why there were so many people here.

"Looks like it's a massive recruitment day that happens every few years." Hua Cujin immediately explained to Ye Chen that this was a massive disciple recruitment that the Nine Immortals Peak Sect took every few years.

"Oh I see." Ye Chen now understood why there were so many people here, apparently they were all just like him, they came to join as a member of the Nine Immortals Peak Sect.

"It's the elder in charge here, let's go and see him." Hua Cujin immediately pointed at the middle-aged man sitting while gazing at the participants who were about to take the Nine Immortals Peak Sect entrance exam.

This middle-aged man was the one in charge of everything in this place.

"Greetings Elder" Hua Cujin immediately saluted the Elder in front of him, it could be seen that Hua Cujin showed his respect for the middle-aged man in front of him.

"What is wrong?" The middle-aged man immediately asked why Hua Cujin had come here.

From the tone of this middle-aged man alone, it could be seen that this middle-aged man did not see Hua Cujin, to the middle-aged man Hua Cujin was not worthy of attention.

"Hua Cujin is used to the attitude of the elders towards ordinary disciples like him, in the eyes of some ordinary elder disciples they are not very worthy of attention.

"I'm here to bring someone to join the Sect." Hua Cujin told the Elder that he brought Ye Chen to join the Sect.

"Good, then get him to join the others." The middle-aged elder told Ye Chen to join the other participants.

"But Elder, this person was recommended by Miss Mei Yueli from the peak of the Jade Lotus." Hua Cujin told this Elder that Ye Chen was recommended by Mei Yueli who was from the peak of the Jade Lotus.

"Why is it that if he is recommended by a core disciple, he still has to take the entrance exam like the others?" This elder said that Ye Chen had to take the exam like the others.

"But" Hua Cujin tried to convince the middle-aged elder's decision.

If Ye Chen didn't enter easily, then Hua Cujin would definitely get into trouble.

Mei Yueli was a core disciple of the Nine Immortals Peak Sect, so an elder still had to give Mei Yueli some face.

"I don't care, if you really don't want to, you are welcome to leave this place." This middle-aged elder chased Hua Cujin and Ye Chen away, he told the two to leave the place if they didn't want to do what he wanted.

Hua Cujin was helpless when he heard this, Hua Cujin was only a disciple how could he go against the will of an Elder, Hua Cujin would definitely get in trouble if he dared to go against an Elder.

Chapter 956 - Sect Entrance Exam (2)

Ye Chen looked at this middle-aged man in front of him, it could be seen that this middle-aged man was quite arrogant.

It was clear that this middle-aged man dared to be arrogant because he had quite a high position, if this middle-aged man did not have a high position, it was likely that this middle-aged man would not be this arrogant.

Hua Cujin immediately turned his attention to Ye Chen who was currently behind him.

"Ye Chen seems like this Elder doesn't believe what I say." Hua Cujin said that this Elder didn't seem to believe what he said.

"No problem, I will handle this myself" Ye Chen said to Hua Cujin that he would take care of this matter himself.

It was not difficult for Ye Chen to clear the examination to enter the Sect.

"Then good luck, I have to go back to work" Hua Cujin bid farewell to Ye Chen. Hua Cujin had to return to his work as soon as possible.

If Hua Cujin continued to be in this place, then he would lose his commission.

Ye Chen nodded to Hua Cujin, he let Hua Cujin go back to where he was working.

After Hua Cujin left, Ye Chen immediately joined the other participants, entering into the crowd.

Ye Chen looked around himself, he found that most of these people were only at the early stages of the Divine Nascent Realm.

There were only a handful of people currently at the pinnacle of the Divine Nascent Realm.

With Ye Chen's current cultivation, it was certain that Ye Chen was the most powerful person in this place.

"Hmm, looks like I have to lower my strength a bit so it won't be too flashy." Ye Chen decided to lower his power so it wouldn't be too flashy.

If Ye Chen was too strong, then Ye Chen would definitely be very conspicuous among everyone.

The time for the test will be held after everyone is fully assembled, at this time the participants keep coming one by one, fortunately this place is very large, so it doesn't matter even though now there are a lot of people in the same place.

Ye Chen and the other participants were quite bored when they were told to wait for several hours, it was very boring when they had to wait for the other participants who still hadn't arrived.

After a few hours finally all the participants have gathered, it is now the women to start the test to enter the Sect.

The elder immediately got up from his seat, he immediately stood in front of all the participants who had gathered in this place.

"Hello everyone, my name is Gong Senye, I will be in charge here" Gong Senye said with great arrogance to everyone in front of him.

Everyone didn't dare complain when they saw the arrogance displayed by Gong Senye, they were all silent and listened carefully to what Gong Senye had to say.

Ye Chen sneered when he saw Gong Senye, this person was too arrogant when speaking to the participants present in this place.

Gong Senye started to talk about the rules for the Sect entrance exam, the rules are very simple, it is forbidden to cheat in this exam.

Here, Gong Senye will take all participants very seriously, so the chances of them cheating will be minimal.

All participants understand, they will try not to cheat on the test this time.

"Okay then let's start the first test." Gong Senye told everyone that the first test was about to start.

"Okay, this first test is very easy, you have to do a test to show your strength." Gong Senye told everyone that they had to show their strength.

All the participants were curious as to what kind of method would be used to test their strength.

"You must be wondering what method to use to test your strength, then let me tell you which method to use." Gong Senye would tell all the participants about the method to be used in this first test.

Everyone nodded to Gong Senye, they all wanted to know what method Gong Senye would use to test their strength.

"Did you see the arrangement of the walls over there?" Gong Senye had several very large stone structures that resembled a wall.

The participants immediately looked in the direction Gong Senye was pointing, when they looked in the direction Gong Senye was pointing, they saw that there were about 10 arrays of walls lined up.

The participants were a little confused when they saw this, they really didn't understand what Gong Senye was going to do.

"That will be a place to test your strength." Gong Senye told all the participants that the stone array would be a place to test their strength.

"Look carefully, I will show you the way." Gong Senye said that he would show the way to do it.

Gong Senye immediately went to get a spear that was in the corner, this spear had been prepared beforehand by Gong Senye.

All the participants watched Gong Senye carefully, they all wanted to know what Gong Senye was going to do.

Gong Senye took one of the spears, after picking up the spear, Gong Senye stood a few meters in front of the stone array.

Gong Senye began to breathe, he began to try to concentrate fully, after getting full concentration, Gong Senye began to take a stance.

It could be seen that Gong Senye was currently wanting to throw the spear that was in his hand.

Everyone's guess was right, Gong Senye threw the spear in his hand towards the stone array in front of him.

"Bang. . ., Bang. . ., Bang. . ., Bang. . .," the spear shot and pierced several stones at once. At least 8 out of 10 stones could be penetrated by the spear that was just thrown by Gong Senye.

"Do exactly as I did before, if you can break through 3 layers of stone, then you will pass to the next round." Gong Senye told everyone the conditions they had to meet in order to pass this first test.

Everyone immediately nodded, now that they all understood what they had to do.

All they needed to do now was pierce the rock with the spears they had prepared.

As long as they could break through a total of 3 layers, then they could move on to the next test.

"Each wave contains a hundred people, you need to wait your turn" Gong Senye told all the participants that each wave consisted of a hundred people.

Everyone understood, they already understood what they had to do now.

The number of people in this place is tens of thousands, it looks like the first test won't be finished anytime soon, Ye Chen may have to be more patient in this matter.

" are you ready ?" Gong Senye immediately asked if everyone was ready.

"We are ready" All participants answered very compactly, it could be seen that they were very enthusiastic in doing this test.

Only Ye Chen looked lethargic when facing this test.

"Good, let's get started." Gong Senye decided to start the first test.

The first wave started to advance to show their strength, a hundred people immediately threw their spears at the stone array.

"Bang . . ., Bang . . ., Bang . . ., Bang . . ., Bang . . .," hundreds of thunderous voices simultaneously rang out.

The participants were curious about the results of the first wave, they all wanted to know what the results of the first wave were like.

Chapter 957 - Ning Xia (1)

Meanwhile at the jade lotus peak.

Mu Xueying along with Mu Nianci, Xia Qingyu and Mei Yueli were currently climbing the stairs to the top of the jade lotus peak.

As the four of them climbed the stairs, they encountered several core disciples who were going in and out of the jade lotus peak

All the core disciples of the peak jade lotus wore a veil that covered their faces, all the women also looked beautiful and had a good temperament to look at.

In addition, the female disciple of the jade lotus peak had two different clothes, one was white and the other was red.

The color of these clothes indicated their cultivation, red meant cultivating Flame, while white meant cultivating Ice.

Both cultivators with different cultivations were able to live on the same mountain, this was thanks to Lord Peak being capable enough to manage this matter.

The female disciples started to look at Mu Xueying with disbelieving gazes.

Almost all the female disciples were shocked when they saw the arrival of Mu Xueying.

They all looked like they were seeing a ghost, all the women were completely taken aback by Mu Xueying's arrival to this place.

"Senior Sister is that you?" several women greeted Mu Xueying.

"Yes, it's me." Mu Xueying nodded lightly to the woman who greeted her.

"Where have you been all this time, Master has been looking for you for thousands of years?" one of the women asked where Mu Xueying had been going.

"I'm going to do something important." Mu Xueying didn't want to explain this matter too much, she only said that she was going to do something important and couldn't tell outsiders.

"oh" these women just nodded, they wanted to dig too much into the secrets that Mu Xueying had.

"Senior Sister, you better go see master, he might be very happy when he meets you" one of the women said to Mu Xueying.

This woman told Mu Xueying that Lord Peak would be overjoyed when she saw Mu Xueying return.

Lord Peak had been looking for Mu Xueying for a long time, she would definitely be overjoyed when she saw Mu Xueying was back.

"Is the master there?" Mu Xueying immediately asked if Lord Peak existed or not.

"That master seems to be cultivating in her room." These women told Mu Xueying that Lord Peak was currently cultivating in her room.

"I see, thanks for the information." Mu Xueying was grateful for the important information the women in front of her gave her.

"You're welcome" these ladies didn't mind helping Mu Xueying who had just returned after a very long time.

"Yueli, you take Nianci and Qingyu around this place, I will meet the master first." Mu Xueying told Mei Yueli to go escort Mu Nianci and Xia Qingyu around this place, let Mu Nianci and Xia Qingyu recognize the Jade Lotus Peak.

"Okay, I understand, I will do as you ask." Mei Yueli immediately nodded, she would escort Mu Nianci and Xia Qingyu around this place.

"Good." Mu Xueying nodded to Mei Yueli.

"Come on, let me show you around this place, this will be your home, so you should know the ins and outs of this place" Mei Yueli said to Mu Nianci and Xia Qingyu.

Xia Qingyu and Mu Nianci simultaneously nodded, the two of them started following Mei Yueli around this place.

Mu Xueying saw the departure of Mu Nianci, Xia Qingyu and Mei Yueli, now she had to go to see her master.

Mu Xueying immediately climbed to the very top of this mountain, there was a special room that belonged to Lord Peak.

Not just anyone is allowed to roam around this place without the permission of Lord Peak.

Mu Xueying looked at the huge building in front of her, although this building was huge, it looked very simple.

Before going any further, Mu Xueying paused for a moment, it could be seen that Mu Xueying was a little hesitant to come forward.

Mu Xueying started to think of some of the worst scenarios that would happen.

Surely the master will be very angry when she finds out that she is no longer a pure virgin anymore.

Mu Xueying was afraid that her master would get angry and look for Ye Chen, if that happened then Mu Xueying might not have the power to stop her master.

"Why do you stop there, hurry up and go inside right now." A female voice that sounded indifferent told Mu Xueying to come inside.

It was clear that this voice belonged to the master of Mu Xueying as well as the woman who became Lord Peak who became the ruler of this peak.

"Okay, Xueying understand." Mu Xueying nodded, she immediately rushed inside.

Mu Xueying did not dare to delay, it could be seen that Mu Xueying was very obedient to the voice of the woman inside.

Mu Xueying immediately rushed towards the entrance, she immediately opened the entrance to go inside.

When Mu Xueying opened the entrance, there was already a woman in the room who was currently behind the curtain, from behind this curtain it was quite difficult to see the real figure of the woman.

Only the shadowy figure of this woman could be seen by Mu Xueying, although only a faint figure could be seen, this woman seemed to have a perfect body shape, from her figure alone, it was certain that this woman must be very beautiful.

"Xueying pays respects to master" Mu Xueying immediately knelt down, she immediately saluted like master and disciple.

"You still remember to come back, I thought you had forgotten this place?" the woman in the curtain said to Mu Xueying who was in front of her.

"Master, I'm sorry." Mu Xueying apologized to her master, she really felt guilty for running away like this.

"Hmm" The woman inside the curtain sighed when she heard what Mu Xueying said, she didn't know what to do with Mu Xueying.

Mu Xueying had given herself pain for a long time, this woman had spent quite a long time looking for Mu Xueying, so it wasn't strange for her to be like this.

"So why did you decide to come back?" Lord Peak asked Mu Xueying, she wanted to know the reason Mu Xueying came back to this place.

"I want to go back and apologize to master" Mu Xueying returned because she apologized to her master named Ning Xia.

It was true that the name of the woman with the mysterious figure was Ning Xia, she was a Lord of Jade Lotus Peak.

Ning Xia was speechless, Mu Xueying actually came back to apologize to herself.

"So I you have decided to accept what I wanted a long time ago?" Ning Xia said to Mu Xueying, she hoped that Mu Xueying would not run away from responsibilities like this.

Ning Xia was doing this for Mu Xueying's favor, so Ning Xia hoped that Mu Xueying would accept the matchmaking she had said before.

"Master, sorry, I can't do that." Mu Xueying immediately rejected what Ning Xia said.

she did not want this matchmaking to take place, she wanted to determine her future life.

"Hmm" Ning Xia sighed again, it seemed that she was quite difficult to impose her will on Mu Xueying.

"Xueying, master is doing this for your good, I hope you can understand this" Ning Xia tried to persuade Mu Xueying.

Chapter 958 - Ning Xia (2)

Ning Xia was a person who cared for Mu Xueying, she really wanted the best for Mu Xueying.

There was no way that Ning Xia would do anything detrimental to Mu Xueying, Mu Xueying was Ning Xia's favorite woman, of course she would do anything for Mu Xueying's brighter future.

"Master, I know you have good intentions, but I have already chosen my own path." Mu Xueying said to Ning Xia that she had already chosen her own path.

Ning Xia was completely helpless when she heard Mu Xueying's words just now, it was obvious that it would be difficult to change Mu Xueying's way of thinking.

"Xueying you yourself should understand the special body condition you have, I hope you are wiser in listening to my words" Ning Xia didn't give up, she tried to convince Mu Xueying.

Ning Xia was still worried about Mu Xueying's Exquisite Goddess Body, she didn't want anything bad to happen because of Mu Xueying's Exquisite Goddess Body.

That's why Ning Xia found a suitable figure to overcome Mu Xueying's Exquisite Goddess Body.

The man who would get Mu Xueying was a very lucky person, in the future Mu Xueying would definitely become a peerless beauty that might even be able to match the beauty possessed by Nangong Xiang and Dongfang Xiu.

"Master, you don't have to worry about that problem, I've already taken care of that problem, so you don't have to worry anymore." Mu Xueying informed that she had already solved her Yin Qi problem.

Thanks to Dual Cultivation together with Ye Chen, Mu Xueying's problem was solved, now she didn't have to worry about the Exquisite Goddess Body's body for the time being.

"Huh?, you mean" Ning Xia's tone sounded quite surprised when she heard what Mu Xueying just said.

"Master, I have found a suitable man for me, so you don't have to do that matchmaking anymore." Mu Xueying dared to tell Ning Xia the truth.

"What !!" Ning Xia was completely shocked when she heard this from Mu Xueying, she couldn't believe that she would hear something like this from Mu Xueying.

Mu Xueying who was a pure woman she had seen do this with a man, this was something Ning Xia had never thought of.

"You. . . !, you. . . !, you really did that thing ?" Ning Xia asked Mu Xueying.

"Yes, I did." Mu Xueying confirmed what she had said earlier.

Mu Xueying told her that she had done that together with Ye Chen.

"Impossible, how could this happen?" Ning Xia still couldn't believe this matter, it was quite difficult for Ning Xia to believe what she just heard.

At this moment Mu Xueying lowered her head, she was afraid to look straight at her master who was currently behind the curtain.

"Xueying, who is that man, tell me right now." Ning Xia immediately asked who the man who had taken Mu Xueying first was, she needed to know about this matter.

"Master, can I not tell you the name of this person?" Mu Xueying said to Ning Xia.

Mu Xueying was a little reluctant to tell Ning Xia about Ye Chen, Mu Xueying was afraid that Ning Xia would do something bad to Ye Chen.

"So you want to act mysteriously with your own master?" Ning Xia's tone was disgruntled when she heard this.

Ning Xia did not expect that Mu Xueying would hide the man's identity from her.

"Not really, just don't want master to do anything bad to him" Mu Xueying said to Ning Xia.

Mu Xueying was currently trying to protect Ye Chen, so it wouldn't be strange for Mu Xueying to try to cover this up from Ning Xia.

"You don't have to worry like that, I promise I won't do anything bad to that person." Ning Xia promised Mu Xueying that she wouldn't do anything bad to the man who had done that to Mu Xueying.

Mu Xueying looked at Ning Xia, from what Mu Xueying saw, Ning Xia was a person who always kept her word, so Mu Xueying was very confident that Ning Xia would keep her promise.

"Master, that man's name is Ye Chen." Mu Xueying finally told Ning Xia who the man who had taken her first was.

"Ye Chen" Ning Xia muttered as she listened to the name of the man Mu Xueying said.

"So his name is Ye Chen, then where is he now?" Ning Xia immediately asked where the man was right now.

"He is currently in this Sect." Mu Xueying told Ning Xia that Ye Chen was currently in this Sect.

"You dare to bring him here?, aren't you afraid that Lou Tian will find out about this and kill him?" Ning Xia said to Mu Xueying.

Luo Tian was the one Ning Xia wanted to set up with Mu Xueying, Luo Tian was a step genius in this Sect.

It could be said that Luo Tian was the strongest disciple within this Sect, he was under the direct care of the Sect patriarch, so all elders and core disciples should respect Luo Tian.

Luo Tian was quite famous among the Sect's female disciples, he became the object of worship of the female disciples in this Sect.

Unfortunately Luo Tian was not interested in these women, he was more interested in the beauty possessed by Mu Xueying.

According to Luo Tian, Mu Xueying was the female figure he dreamed of, that's why Luo Tian had repeatedly tried to get Mu Xueying.

Unfortunately Luo Tian's path was not smooth, he was repeatedly rejected by Mu Xueying.

Until one day Luo Tian found out that Mu Xueying had an abnormality in the Yin Qi in Mu Xueying body so she needed a man.

Seeing this opportunity, Luo Tian immediately asked for help from the Patriarch of the Sect who was the master.

As a result, with the help of the number 1 person in the Sect, Luo Tian managed to make a proposal for Mu Xueying.

Too bad things didn't go well, Mu Xueying didn't agree and ran away from the Sect instead.

This irritated Luo Tian very much, Luo Tian almost spent all his time searching for Mu Xueying's whereabouts, unfortunately until now he couldn't find Mu Xueying's whereabouts.

If Luo Tian found out that Mu Xueying was back, he would definitely go and look for Mu Xueying.

"Master, you don't need to worry, Ye Chen is quite strong, so he should be fine" Mu Xueying said to Ning Xia.

"What kind of cultivation base does this man named Ye Chen have?" Ning Xia was curious about Ye Chen's current cultivation level.

Why did Mu Xueying look quite confident in Ye Chen's cultivation.

"He is currently in the early stages of the Divine Spirit Realm," Mu Xueying said to Ning Xia.

"Are you joking with me, that guy's strength is still far from Luo Tian's" Ning Xia felt that Mu Xueying was joking with her.

Luo Tian's current strength difference was thousands of times stronger than Ye Chen's.

So it wasn't strange that Ning Xia thought Mu Xueying was joking with her.

"now he may be weak, but in the future he will definitely become a strong and reliable person" Mu Xueying said to Ning Xia

Chapter 959 - Ning Xia (3)

"Why are you so confident with a man named Ye Chen?" Ning Xia felt strange about Mu Xueying, Mu Xueying trusted this man named Ye Chen too much.

Ning Xia wondered what was so special about this man that Mu Xueying had such confidence in the man named Ye Chen.

"That's because I firmly believe that the person I chose was not wrong." Mu Xueying said that the person she chose would not be wrong.

"I see." Ning Xia understood, she could see the confidence in Mu Xueying's eyes.

"master, I beg you not to bother with this matter anymore." Mu Xueying asked Ning Xia not to bother with this matter anymore.

"Okay, I won't bother with this matter anymore, but Luo Tian will definitely not let this matter, he will definitely aim for the man named Ye Chen you said just now" Ning Xia said to Mu Xueying.

"Master doesn't need to worry, I will take care of this matter, I won't let Luo Tian do anything bad to Ye Chen." Mu Xueying said that she wouldn't let Luo Tian do anything bad to Ye Chen.

"You have very high self-confidence, do you know Luo Tian's current cultivation?" Ning Xia asked Mu Xueying.

Mu Xueying shook her head, she didn't know Luo Tian's cultivation level.

"Luo Tian is currently at the peak stage of Divine Monarch Realm." Ning Xia told Mu Xueying Luo Tian's current cultivation level.

Compared to when Mu Xueying left, Luo Tian's level had certainly improved quite a lot.

"Master, don't worry, for now my cultivation level is still much higher than Luo Tian's." Mu Xueying told Ning Xia that her cultivation level was still higher than Luo Tian's.

"What?" Ning Xia looked in disbelief when she heard what Mu Xueying had just said.

Mu Xueying started to expend her own power, the entire room was instantly enveloped by profound ice.

Ning Xia focused her eyes on Mu Xueying, she couldn't believe what she just saw, Mu Xueying had entered the 6th level of the Divine Preceptor Realm, this was something that looked very shocking to Ning Xia.

"You really didn't disappoint me, you really are my most talented disciple." Ning Xia praised Mu Xueying's cultivation.

To think that Mu Xueying's cultivation would increase so much when she returned to this Sect, this was far beyond Ning Xia's expectations.

The reason Mu Xueying's cultivation increased a lot was because she did Dual Cultivation together with Ye Chen, besides Mu Xueying's Exquisite Goddess Body had also been fully awakened, this made Mu Xueying's cultivation rise very rapidly.

"Teacher praises me too much, I'm not that great" Mu Xueying said to Ning Xia.

when compared to Ning Xia it would be quite a distance away.

Ning Xia was already tens of thousands of years old, so it was not surprising that her cultivation would be so high, if Mu Xueying was given a little more time, perhaps Mu Xueying would be able to match Ning Xia's cultivation.

"You don't have to be modest, I am very proud of you." Ning Xia was proud of Mu Xueying.

Mu Xueying had truly exceeded her expectations, Ning Xia had absolutely not wrongly invited Mu Xueying to join, Mu Xueying was truly a rare talent rarely seen in this world.

"Master, I still have something to tell you." Mu Xueying said that she still had something to say to Ning Xia.

"What is that?" Ning Xia asked what Mu Xueying wanted to say.

This news made Ning Xia a little happy, all her anger towards Mu Xueying had completely disappeared.

"I brought two women that I want to include in this peak." Mu Xueying told Ning Xia about Mu Nianci and Xia Qingyu.

"You brought two women to be included in the peak? , You rarely do this," Ning Xia said to Mu Xueying.

"The masters of these two women are really very special." Mu Xueying told Ning Xia that Mu Nianci and Xia Qingyu had something quite special.

"Something special?" Ning Xia asked what Mu Xueying's words meant, she wanted to confirm what she just said.

"Yes, they are Mu Nianci and Xia Qingyu, each of them has a special body, Xia Qingyu with Pure Yin body and Mu Nianci with Frozen Glass Heart Special Body" Mu Xueying told Ning Xia about Mu Nianci and Xia Qingyu Special body.

Ning Xia did not expect that Mu Xueying would bring the diamond back when she returned to Jade Lotus Peak.

"Explain to me about their identities." Ning Xia asked Mu Xueying to explain about the identities that Xia Qingyu and Mu Nianci had.

Mu Xueying began to explain in detail the identities of Xia Qingyu and Mu Nianci to Ning Xia.

Ning Xia raised her eyebrows as she listened to what Mu Xueying just said.

"So these two women also have a relationship with a man named Ye Chen?" Ning Xia asked Mu Xueying.

"Yes that's right, one is Ye Chen's fiancée and the other promises to be Ye Chen's woman" Mu Xueying said to Ning Xia.

Ning Xia really couldn't understand how a man could get a woman with such a rare body in this world, this man named Ye Chen was too lucky, Ning Xia had never seen anything like this in her life.

"Your relationship is very complicated, I don't want to get involved in that matter." Ning Xia felt that Mu Xueying, Ye Chen, Xia Qingyu and Mu Nianci relationship was very complicated.

Ning Xia felt that she did not want to interfere in this matter.

Mu Xueying could only lower her head when she heard what Ning Xia had just said.

"Then where are the two of them now?" Ning Xia immediately asked where Xia Qingyu and Mu Nianci were at this time.

"The two of them are currently traveling together with Yueli, master do I need to Call them?" Mu Xueying asked Ning Xia.

"That's not necessary, you will give this to the two of them later." Ning Xia handed Mu Xueying two jades.

This Jade was a sign of membership of the Jade Lotus Peak, with this, Xia Qingyu and Mu Nianci would officially enter the Jade Lotus Peak.

Mu Xueying received the Jade from Ning Xia, she immediately kept the Jade that Ning Xia had given her.

"You may now leave, for the time being tell all disciples not to disturb me, I don't want to be bothered by anyone " Ning Xia told Mu Xueying to leave this place.

"Thank you, I'll excuse first." Mu Xueying paid her respects to Ning Xia, after which she left the room.

Ning Xia saw Mu Xueying's departure, she felt that something was slightly different from the current Mu Xueying.

Whether this was Ning Xia's feeling or not, Ning Xia felt that Mu Xueying looked prettier and more charming than before, Mu Xueying had transformed into a much more beautiful and charming woman than before.

"It seems Xueying's special body has fully awakened, I don't know what she will become in the future" Ning Xia didn't know what Mu Xueying would look like in the future.

Perhaps Mu Xueying would become a goddess figure that was adored by countless men in the God Realm.

Chapter 960 - Luo Tian

"Forget about it, I'm more curious about this man named Ye Chen." Ning Xia was more curious about the man named Ye Chen that Mu Xueying had previously talked about.

This man named Ye Chen was really very lucky, he managed to get a woman with a special body like Mu Xueying, Xia Qingyu and Mu Nianci.

Needless to say, what Ye Chen was doing right now was completely beyond Ning Xia's imagination, she still couldn't believe that someone could be so lucky as Ye Chen.

Ning Xia herself had never seen anything like this in her life, one could say that this was the first time Ning Xia had heard of something like this.

"Looks like I need to find out a bit about this man." Ning Xia was about to try to find out about Ye Chen, she wanted to know more about the man who had put the indifferent Mu Xueying into this state.

But for now Ning Xia still had something to do, she still had her own problems to do, so Ning Xia would not do anything to Ye Chen for the time being.

"Xueying has become so powerful, I think I should give her that." Ning Xia decided to give Mu Xueying a very rare gift.

Ning Xia started to create a layered barrier around her residential building, this would prevent anyone from interfering with what she was about to do.

No one knew what Ning Xia would do, for sure Ning Xia would do something quite serious once.

After greeting Ning Xia, Mu Xueying immediately descended from the peak, intending to see what Ye Chen was up to at the moment.

Mu Xueying wanted to see if Ye Chen was causing trouble or not when he had just joined the Sect.

"Whusss" when Mu Xueying wanted to go and see Ye Chen, she felt a very strong wind gust in front of her.

When Mu Xueying looked ahead, she found a man who was passable without descending in front of her.

This man had a dashing and cool stature, he really gave off a domineering aura.

Mu Xueying's temperament instantly turned cold when Mu Xueying saw the arrival of the handsome man who had just arrived.

"Luo Tian, why are you here" in a fairly cold voice, Mu Xueying said to Luo Tian.

For the first time Mu Xueying showed her cold side, the coldness shown by Mu Xueying could make anyone who heard it shiver.

The man who had just arrived was Luo Tian, he was the most genius man in this Sect.

Luo Tian really came very quickly and approached Mu Xueying, when Luo Tian heard the news that Mu Xueying had returned to the Sect, Luo Tian immediately went to Jade Lotus Peak to meet Mu Xueying.

Luo Tian smiled when he saw Mu Xueying, after not seeing Mu Xueying for a long time, Mu Xueying looked even more beautiful and charming.

Mu Xueying had an extraordinary allure to men who saw her.

"Xueying where have you been all this time?, I've been looking for you for a long time" Luo Tian asked where had Mu Xueying been all this time.

Luo Tian actually used a couple's tone towards Mu Xueying, it could be seen that Luo Tian was not affected by Mu Xueying's cold attitude.

Luo Tian was used to Mu Xueying's coldness, so it was not strange that he was not affected by the piercing aura emitted by Mu Xueying.

"Don't call me by that name, I'm not that familiar with you" Mu Xueying told Luo Tian that she wasn't that familiar with herself.

"Come on Xueying, didn't your master and my master match us up, why are you still unwilling to admit this?" Luo Tian said to Mu Xueying.

In his heart Luo Tian already thought of Mu Xueying as his future wife, Mu Xueying would be his Dao partner in cultivation, naturally Luo Tian would be very happy about this.

"I've rejected it many times, so don't bring it up again." Mu Xueying immediately rejected Luo Tian, it could be said that Mu Xueying looked merciless to Luo Tian.

After saying the things just now, Mu Xueying immediately walked away, Mu Xueying's goal remained the same, she wanted to see what Ye Chen was doing at this time.

"Xueying wait a minute, why are you in such a hurry, let's talk for a while" Luo Tian again blocked Mu Xueying's path, he didn't want Mu Xueying to leave so quickly.

Luo Tian had not seen Mu Xueying in a very long time, naturally Luo Tian wanted to enjoy this reunion a little.

"I don't want to talk about anything with you, get out of my way quickly." Mu Xueying pushed Luo Tian out of the way, she thought Luo Tian was really very annoying.

"I won't get out of your way." Luo Tian told Mu Xueying that he wasn't going to get out of the way.

"Luo Tian I warned you, so don't blame me for kicking you out of the way" Mu Xueying warned Luo Tian to get out of the way.

"Xueying, you won't be able to get me out of the way." Luo Tian really believed in his power, so Luo Tian was very sure that Mu Xueying wouldn't be able to get him out of here.

Mu Xueying was starting to lose her temper when dealing with Luo Tian, this man was really very annoying to her.

Mu Xueying started waving her hand, instantly Luo Tian's body was sent flying.

The current Luo Tian looked like a kite that had been severed from its strings.

Mu Xueying was really not kidding, Mu Xueying flew away Luo Tian who had dared to stand in her way.

"Bam" Luo Tian's body hit the ground with great pain, it could be seen that the attack just now was quite strong.

After flying Luo Tian, Mu Xueying immediately left this place, it seemed that Mu Xueying was indifferent and didn't care about Luo Tian's condition.

"Ouch it hurts, what the hell was that just now" Luo Tian tried to get up from the ground, he really felt pain in his body.

Mu Xueying's attack just now wasn't weak, it was actually so strong that it could injure Luo Tian.

If Mu Xueying had been more serious earlier, it was very likely that Luo Tian would have been more seriously injured than he is now.

"Xueying is just getting stronger, she really is an ideal match for me, it seems the heavens have brought us together" Luo Tian praised the strength Mu Xueying just displayed, Mu Xueying really deserves to be his partner.

"I will definitely get you, I swear to it" Luo Tian vowed to get Mu Xueying, whatever happens Mu Xueying must be his partner.

Luo Tian didn't want to give up, it was like he went to catch up with Mu Xueying, this man was very persistent.

While the page where the test is held.

Ye Chen and the participants looked at the results obtained by the participants in the first wave.

All the participants were surprised when they all saw the results obtained by the first wave of participants.

In this first wave almost no one was able to penetrate up to three layers, all of them were only able to penetrate the second layer and some were only able to penetrate the first layer.

This result was truly beyond everyone's expectations.

"All of you have failed, quickly leave this place right now." Gong Senye immediately ordered the failed participants to leave this place immediately, Nine Immortals Peak Sect didn't need weak people like this.
