

### Chapter 961 - Second Half Test

"Elder please give us all one more chance." One of the participants asked Gong Senye for a second chance.

"You guys have failed, you can try next year, now get out of here as soon as possible" Gong Senye snapped at the participants who had failed, he ordered the participants to leave this place immediately.

Gong Senye is sick of seeing participants who have failed, to Gong Senye these kinds of people are useless.

"The second wave is advancing fast." Gong Senye told the participants of the second wave to hurry up.

The second wave of participants immediately advanced, they immediately threw the spears in their hands.

"Bam. . , Bam. . ," the spear pierced through the stone array.

This time out of the hundred participants, there was only one person who made it through the third layer, the rest they couldn't afford to pass through the third layer.

"Good you passed, now go there" Gong Senye told one participant who passed this first test.

"Thank you very much" The first participant who passed thanked Gong Senye.

The first participant immediately went to a special location prepared for participants who passed this test.

Meanwhile the remaining 99 people have to leave this place, they must be patient because they have not been able to pass this first test.

They could try for a few more years, they still had a chance to get into the Sect.

wave after wave continued, countless participants had failed this first test.

Of the participants who had passed, there were only a few who could break through to the fourth layer, these people had quite a high cultivation.

Of all the current participants, there are only less than 1500 people left.

The selection to enter the Nine Immortals Peak Sect was quite difficult, not many people were able to pass this first round.

Finally, after a long wait, it was finally Ye Chen's turn.

Ye Chen was happy when he found out that it was his turn, Ye Chen had been waiting for this for a very long time.

"Wait" Gong Senye suddenly stopped Ye Chen.

" What is wrong ?" Ye Chen immediately asked Gong Senye.

Ye Chen looked normal when he was talking to Gong Senye, this was different from the other participants who looked very respectful towards Gong Senye.

Gong Senye raised his eyebrows, it could be seen that Gong Senye didn't like the attitude that Ye Chen had just shown.

Ye Chen looked disrespectful to him who was an elder within the Nine Immortals Peak Sect.

"Aren't you the one that previously recommended of Mei Yueli from Jade Lotus Peak?" Gong Senye said to Ye Chen.

"Yes, that's true" Ye Chen said to Gong Senye, Ye Chen confirmed what Gong Senye had just asked, he did come here on the recommendation of Mei Yueli and Mu Xueying.

"Then show the strength you have, don't let down the people who have recommended you, if you fail I will kick you straight away" Gong Senye said to Ye Chen.

"This is like child's play to me" Ye Chen told Gong Senye that it was like a child's play for him.

Gong Senye's face turned black when he heard what Ye Chen just said, according to Gong Senye, Ye Chen is a very arrogant man.

"We'll see, what kind of results you will get" Gong Senye muttered in his heart, if Ye Chen failed then Gong Senye would definitely kick this person out of this place.

Ye Chen immediately went to the front of the stone array that was used for the first test, around Ye Chen there were around 99 people who were ready to show their abilities.

In contrast to the other participants who were currently looking quite tense, Ye Chen currently looked much more relaxed, it could be seen that Ye Chen really didn't have a burden when he took this first test.

"Start" Gong Senye told everyone to start.

Ye Chen and the other 99 people started throwing the spears they had in their hands.

"Wushh" the spear thrown by Ye Chen shot out very quickly, this spear directly pierced the rock that was blocking his path.

This time Ye Chen had restrained himself enough not to use his full strength.

"Bam. . ., Bam. . ., Bam. . ., Bam. . .," the spear thrown by Ye Chen instantly pierced through the fourth layer of the existing stone array.

Ye Chen's results were not bad, it seemed that Ye Chen was in the category of strong people.

Ye Chen was quite disappointed with the results he currently got, even though Ye Chen intended to hit a score of 3 unexpectedly he actually hit a score of 4.

Gong Senye's face darkened when he saw the results obtained by Ye Chen, unexpectedly this man had a ability.

Since Ye Chen successfully passed this test, Gong Senye couldn't kick Ye Chen from this place.

"You who have passed join the participants who have passed" Gong Senye told Ye Chen and the few who had passed to join the participants who had passed the first round.

Ye Chen and the other participants who passed immediately went to the place of the participants who had previously passed, they were waiting for the second round of tests to begin.

The first round of testing continues, there are still many participants who have not had the opportunity to show their strength.

After several hours passed, finally everyone had the opportunity to show their strength, of the tens of thousands of people only about two thousand remained.

"As long as you have successfully passed the first round of tests, now we will move on to the next test." Hong Senye said to all the participants that they would continue the second round of tests.

All the participants wanted to know what the second round test was like, whether the second round test would be more difficult than the first test they had passed.

"Okay, everyone, come with me right now." Gong Senye told the remaining participants to follow him.

The second test will not be held here, the second test will be held elsewhere.

Ye Chen and the others immediately went after Gong Senye, they immediately followed behind Gong Senye.

Gong Senye led Ye Chen and all the participants to a peak that was not very high, when compared to the nine major peaks, this peak was quite a dwarf.

"We will do the test for the second round here." Gong Senye said that they would do the second round test at this place.

Ye Chen and the participants looked towards the peak, they were curious what kind of test they would do in this place.

"I will explain the rules in the test this time." Gong Senye intended to explain the rules in the second test.

All the participants immediately listened to what Gong Senye had to say, they were waiting for what they should do next.

"All you have to do is climb the stairs to the top, the first thousand people who can reach the top will pass for the next test" Gong Senye told all the participants the rules in this second test.

In this second test the participants have to climb the stairs to the top, the first thousand people who can reach the top will pass to the third test.

it could be said that from now on the participants had to compete for one of the thousand places available.

it could be said that half of the current participants would be eliminated.

**Chapter 962 - Elder Gong, You Look So Precious**

"are you ready?" Gong Senye asked Everyone.

"We are all ready" all participants very firmly answered Gong Senye's question.

"Good, then let's start right away, you guys wait for my cue" Gong Senye told all the participants to wait for his cue.

Gong Senye flew towards the peak, he would wait for all the participants at the peak.

"start" After reaching the top, Gong Senye started giving the signal to start the test.

All participants immediately tried to climb the stairs to the top peak.

The participants thought that this test would be very easy to do, who was the first to win.

They all ran as fast as they could, meanwhile Ye Chen looked very relaxed as he tried to climb the stairs.

Ye Chen looked like he didn't care about being the one to take first place.

Ye Chen knew very well that if this test wasn't that simple, there would definitely be a challenge prepared.

What Ye Chen had expected actually happened, when the participants reached the fiftieth rung of the ladder, they all felt a strong pressure oppressing them.

This of course made everyone's pace extremely slow, the previously very excited people immediately slowed down their speed.

It turned out that on top of Gong Senye using the cultivation pressure he had to suppress the existing participants, this was meant to complicate the steps that the participants would take.

The higher the stairs they will climb, the heavier the pressure will be on these people.

Gong Senye deliberately didn't tell this from the start, it wouldn't be nice if Gong Senye told this from the start.

All participants with difficulty try to climb every step that is in front of them.

Everyone's initial guess turned out to be wrong, they all just realized what this second test was like.

It turns out that this second test is not as simple as everyone thinks.

.

.

High in the sky, Mu Xueying saw the second test that Ye Chen and the other participants were currently going through.

Mu Xueying wondered why Ye Chen could follow this kind of thing, even though Mei Yueli had previously instructed to directly enter Ye Chen into the Sect.

No wonder before Mu Xueying had a hard time finding Ye Chen's whereabouts, Ye Chen actually followed this kind of thing.

Mu Xueying looked at the Elder who was in charge of this matter, if Mu Xueying didn't remember correctly, this Elder should be called Gong Senye, Gong Senye is an Elder who has been in the Sect for quite a while.

Gong Senye is an arrogant Elder, maybe this person forced Ye Chen to join this Exam.

It could be said that Gong Senye was already quite a senior among the Elders in the outer court.

Mu Xueying decided to take a look for a while, Mu Xueying wanted to see what Ye Chen would do.

Ye Chen was currently walking very casually, he passed by participant after participant who was in front of him, Ye Chen seemed unaffected by the pressure released by Gong Senye.

Ye Chen was previously in the last position, but now that Ye Chen is in the 1500th position, Ye Chen quickly passed the other participants who looked difficult.

Gong Senye looked at Ye Chen, he saw that Ye Chen was currently walking very leisurely.

Gong Senye felt that Ye Chen was walking so arrogantly, this man actually looked very relaxed when he received the oppressive pressure from him.

Suddenly Gong Senye smiled evilly at Ye Chen, he seemed to be plotting something evil against Ye Chen.

"I will teach this person an unforgettable lesson." Gong Senye intended to teach Ye Chen an unforgettable lesson.

Gong Senye started to strengthen his sense of power at one point, it could be seen that Gong Senye was currently eyeing Ye Chen alone.

The pressure around Ye Chen became stronger and heavier, it was tens of times stronger than the normal participants taking this second test.

Ye Chen immediately stopped in place as Gong Senye strengthened the pressure that was around him.

"Hahaha, feel it, next time you have to respect an elder like me", Gong Senye was very satisfied when he saw Ye Chen couldn't move under his pressure.

In the sky, Mu Xueying saw the changes that occurred around Ye Chen's body, it could be seen that the profound pressure around Ye Chen's body was much stronger than the other participants.

Mu Xueying immediately turned her gaze towards Gong Senye, Mu Xueying could see that Gong Senye did this on purpose to Ye Chen.

Mu Xueying intends to go down and help Ye Chen, she must not let Ye Chen be oppressed by Gong Senye.

"Xueying I finally found you" when Mu Xueying wanted to help Ye Chen, suddenly Luo Tian came, this man actually kept following Mu Xueying like a stalker.

Mu Xueying immediately stopped, she felt that Luo Tian was really very troublesome, this made it difficult for Mu Xueying to help Ye Chen who was being bullied by Gong Senye.

.

Ye Chen felt the pressure change around him, it could be seen that Gong Senye was deliberately increasing the pressure towards Ye Chen.

Ye Chen looked at Gong Senye, this man was really trying to do something bad to him.

"You idiot" in a fairly loud voice, Ye Chen said that Gong Senye was a very stupid person.

Ye Chen started walking forward again, it could be seen that Ye Chen still looked quite relaxed in the face of Gong Senye's pressure.

"What ! !?" Gong Senye was surprised when he saw that Ye Chen could still walk very normally under the intense pressure he exerted.

"This is really not normal" Gong Senye felt that if there was something wrong with Ye Chen, how could Ye Chen walk so leisurely under his deep pressure.

Gong Senye did not give up, he tried to strengthen the pressure he had.

The pressure around Ye Chen's body became more and more intense, if at this time Ye Chen's position was replaced by ordinary participants, they would have already fallen under the pressure on the steps and couldn't move an inch.

There were so many participants who had reached the top, after reaching the top they immediately sat on the ground, it could be seen that they were very tired.

Ye Chen continued to walk at a completely normal speed, he was finally able to reach the pinnacle at exactly the 1000th position or could be said to be in the last position.

Ye Chen very casually walked past Gong Senye, the deep pressure released by Gong Senye was meaningless to Ye Chen.

"Elder Gong, you look really sweaty, you look like you just had an intense activity." When Ye Chen passed by Gong Senye, he didn't forget to sneer at Gong Senye.

The fire in Gong Senye's heart rose when he heard the words that Ye Chen had just said, this man really humiliated him once.

As long as Gong Senye was an Elder, no one had ever dared to be rude to him, Ye Chen was the first one to dare to do something like this to him.

In this Sect the position of Elder is something that is respectable, disciples in the Sect must respect elders, what Ye Chen is doing at this time does not reflect the attitude of respect for an Elder.

Gong Senye started to lose his temper a bit, he wanted to hit Ye Chen who was behind him.

### **Chapter 963 - Mu Xueying And Luo Tian Arrived**

Gong Senye emitted a killing aura towards Ye Chen, it could be seen that Gong Senye was currently trying to attack Ye Chen.

Ye Chen could feel the killing aura emitted by Gong Senye towards him, Ye Chen immediately alerted and tried to fend off the attack that came from Gong Senye.

"Elder Gong" when Gong Senye was about to attack Ye Chen, suddenly from the sky came a very cold female voice.

Gong Senye immediately froze on the spot when he heard this cold female voice.

Gong Senye felt an extremely terrifying pressure, his body trembled when he felt the pressure emanating from this woman.

Ye Chen and all the participants who were here immediately looked up at the sky, when the participants looked up at the sky, they saw a beautiful woman wearing a veil floating down.

No need to ask again, all the participants, especially the men, gaped at the beauty of this woman, they had never seen a woman as beautiful as this in their lives.

They now looked like they had just seen a beautiful goddess descending from the sky.

Mu Xueying finally intervened, she couldn't stand it when she saw what Gong Senye was trying to do to Ye Chen.

Behind Mu Xueying was currently Luo Tian, this man seemed unwilling to leave Mu Xueying's side.

Luo Tian clung very tightly to the side, Mu Xueying, this made Mu Xueying feel uncomfortable.

Mu Xueying has repeatedly tried to chase Luo Tian away, but this man is very difficult to get rid of.

That was why Mu Xueying had no choice but to let Luo Tian be by her side for a while.

Gong Senye immediately looked back, when he looked back, he saw the figures of Mu Xueying and Luo Tian.

Gong Senye immediately broke into sweat when he saw the figures of Mu Xueying and Luo Tian, to an outer court Elder like Gong Senye, Mu Xueying and Luo Tian had a much higher position than his own.

"Miss Mu, young master Luo, what made you come to this place?" Gong Senye immediately went to greet Mu Xueying and Luo Tian.

Gong Senye didn't know that Mu Xueying had returned to the Sect, he was a little surprised when he saw Mu Xueying in front of him.

Mu Xueying didn't immediately answer Gong Senye's question, she looked at Ye Chen who was standing not far from her.

Ye Chen looked at Mu Xueying, previously Ye Chen already knew where Mu Xueying was watching him from a distance.

This also made Ye Chen very brave to challenge Gong Senye, because Mu Xueying and Ye Chen felt that he had a strong backing.

"Elder Gong, do you know why I came here?" Mu Xueying asked the reason why she had come here.

"Miss Mu, I don't know why you came here", Gong Senye said to Mu Xueying that he didn't know why Mu Xueying had come here.

"I came here to question why you let him participate in this kind of thing, didn't Yueli already recommended him to enter this Sect directly?" Mu Xueying pointed at Ye Chen who was currently standing not far from Gong Senye.

Mu Xueying used Mei Yueli as an excuse, she deliberately didn't expose her relationship with Ye Chen, this was so that Luo Tian wouldn't get into trouble with Ye Chen.

Gong Senye immediately looked at Ye Chen, he couldn't believe that Ye Chen would know someone like Mu Xueying who was one of the top core disciples in Jade Lotus Peak.

" That. . . , That. . . , That. . . " Gong Senye looked quite troubled when he answered Mu Xueying's question, he didn't know what else to answer Mu Xueying's question.

if it was only Mei Yueli, Gong Senye still dared to fight back, but when Mu Xueying came, Gong Senye's guts immediately shrunk.

In Nine Immortals Peak Sect Mu Xueying was quite famous, it was because Luo Tian who was the number one genius In Nine Immortals Peak Sect was chaser Mu Xueying.

If anyone dared to get into trouble with Mu Xueying then that would mean they were looking for trouble with Luo Tian.

That is not a good thing for Gong Senye, Gong Senye could be removed by Luo Tian, if that happens then Gong Senye can't do anything.

When compared to talented Disciples like Luo Tian and Mu Xueying, Gong Senye was nothing, the Sect would definitely have more to defend Luo Tian and Mu Xueying than him.

"Quickly answer now" Luo Tian shouted to Gong Senye, he told Gong Senye to explain everything to Mu Xueying.

It can be seen that Luo Tian is helping Mu Xueying to take care of Gong Senye, Luo Tian hopes that what he is doing right now can enter Mu Xueying heart.

Luo Tian of course knew Mei Yueli, if I'm not mistaken Mei Yueli was a member of the Jade Lotus Peak and had a fairly close relationship with Mu Xueying.

So Luo Tian didn't suspect that Mu Xueying had a relationship with Ye Chen, Luo Tian thought that Mu Xueying was helping solve the problem for Mei Yueli.

Luo Tian had seen Ye Chen up and down, this geeky man couldn't possibly have any relationship with Mu Xueying, it was an extremely impossible thing to happen.

"I'm sorry, I didn't know that he was recommended by Mei Yueli, I thought this person was just randomly using the identity of a Core Disciple to enter the Sect without a test." Gong Senye quickly found an excuse to answer Mu Xueying.

Mu Xueying slightly raised her eyebrows when she heard this, she was dissatisfied when she heard what Gong Senye had just said.

Gong Senye reasoning was quite reasonable, it was a little difficult for Mu Xueying to deny Gong Senye reason.

After all, from the beginning Mei Yueli did not give Ye Chen the Jade Lotus Peak disciple proof, this made Gong Senye not believe that Ye Chen was recommended by Mei Yueli.

"Your reasoning is completely unreasonable, how can you do something like that, you should have confirmed it before taking any action" Luo Tian scolded Gong Senye.

It could be seen that Luo Tian was quite aggressive, he didn't care about the excuse that Gong Senye had just said.

"Luo Tian is enough, you don't need to interfere in this matter" Mu Xueying immediately told Luo Tian to be quiet and not to interfere in this matter.

Luo Tian didn't help at all, this only made matters more complicated.

Luo Tian immediately fell silent when he heard what Mu Xueying had just said, not expecting Mu Xueying to be angry when he tried to lend his a hand.

"I will take him directly into the Outer Court Sect." Mu Xueying said that she would directly bring Ye Chen into the Nine Immortals Peak Sect.

"Miss Mu It seems impossible, it would be against the Sect rules if you brought the participants in like this" Gong Senye informed Mu Xueying that this was against the rules.

A participant in the Trials remained in this place, otherwise it would be quite a serious offense.

Mu Xueying started to think about the words that Gong Senye just said, she can confirm that this rule does exist

### **Chapter 964 - Training Door**

Ye Chen saw that Mu Xueying was currently in trouble, which was why Ye Chen decided to help Mu Xueying resolve this matter.

As for the matter of Gong Senye who previously wanted to attack him, Ye Chen would look for another opportunity to avenge what this fellow had done.

"Senior Sister, thank you for your kindness, I was able to do this test very easily, so you don't have to do that." Ye Chen immediately said to Mu Xueying who was currently in front of him.

"Are you sure about that?" Mu Xueying immediately asked if Ye Chen was really sure of what he just said.

"Yes, I'm very sure." Ye Chen said confidently, he would easily pass this test.

"Well if you are confident, I apologize on behalf of Mei Yueli." Mu Xueying apologized to Ye Chen, even though she had promised to bring Ye Chen into the Nine Immortals Peak Sect easily, Not expecting the result to be like this.

"It's okay" Ye Chen said to Mu Xueying.

Gong Senye was relieved to see that Ye Chen didn't mind this, otherwise Gong Senye would have lost his current position.

Mu Xueying nodded to Ye Chen, Mu Xueying decided to go and watch the exam from a considerable distance.

Luo Tian also followed Mu Xueying's departure, before leaving Luo Tian did not forget to look at Ye Chen.

Don't know what Luo Tian was thinking right now, he felt that something was wrong when he met Ye Chen.

Gong Senye was relieved when he saw Mu Xueying and Luo Tian leave, these two people made himself oppressed.

Gong Senye immediately looked at Ye Chen, this man was fortunate enough to have an acquaintance with Mei Yueli from Jade Lotus Peak.

"Everyone, let's move on to the next test, those who are not in the top thousand participants can immediately leave the Sect." Gong Senye said to all the participants who had failed to leave the Sect.

Participants who fail have no choice but to leave this place, they can't stay here anymore.

a thousand lined up and waited for the test when, they wanted to know what the third test they had to pass would be like.

"You all follow me." Gong Senye ordered all the participants to follow him.

All participants followed Gong Senye to the center of this peak, right in the middle of the peak there were many doors.

"This third test will determine your fate, you need to know that there will be a lot of monsters in there, all you need to do is fight and defeat them to get a point, as long as you get enough scores, you will be immediately accepted into the Sect, otherwise if the score you get is less then you will automatically fail." Gong Senye started telling them about the third test they were going to pass.

This place is called the Training Door, the Training Door is usually used to test the strength of outer court disciples.

The Magical Beasts inside were of course not real, they were just imitations, so it wouldn't be too dangerous for the participants.

If a participant was seriously injured, they would be automatically ejected from within the gate, so the risk of death was very small.

"Do any of you have any questions?" Gong Senye asked the thousand participants in front of him

"Elder, how will our score be calculated?" One of the participants asked about their calculated score.

"You guys take a good look at the monument." Gong Senye pointed to a large rock in the middle of this place.

The participants focused their eyes on the monument, inside this monument were engraved with the names of cultivators who had obtained the highest scores.

And the top position was filled by a cultivator named Luo Tian, he got the highest position in the history of the Sect with a score of 100,000.

up until now Luo Tian's record was still unbreakable, until now no one from the outer court disciples had been able to break Luo Tian's record.

"The monument is a place to see the results you get, as long as you get a score above 2500, you will qualify," said Gong Senye to all participants.

Everyone nodded, they all now understood what they had to do.

"Did you understand?" Gong Senye asked all the participants present.

all participants have understood, they already know what they have to do now.

"Good, then you can choose the door you want to use, your time is only one hour, after one hour you will be automatically kicked out of the door, besides that you are allowed to use various methods that you have, there is no limit to that "In this case, Gong Senye gives the participants the freedom to choose the door they will use, Gong Senye also tells the time that each participant has, plus the participants are allowed to use various ways to pass this third test.

The participants immediately choose the door they will use, because there are quite a lot of doors in this place, all participants can freely choose the door they will enter.

Ye Chen also started to go looking for an empty door, because Ye Chen wasn't picky, Ye Chen quickly found an empty door that he could use.

Because there is no cue, all participants can enter as they please.

Ye Chen and some of the other participants started to open the door and go inside.

As soon as Ye Chen entered the door, he found that inside the door was a fairly large forest.

A moment later, around this place there were several Magical Beasts that began to approach Ye Chen.

Ye Chen saw the arrival of this Magical Beast, he immediately picked up the broken branches that were around him.

Ye Chen intended to use these broken branches to fight the Magical Beasts that were coming towards him.

This was Ye Chen's first time fighting a Magical Beast from the God Realm, he wanted to know whether a Magical Beast from the God Realm was strong or not.

Even though Ye Chen knew this was not a real Magical Beast, he still wanted to see the power of this Magical Beast.

The Magical Beasts started rushing towards Ye Chen, it could be seen that they were all preparing to attack Ye Chen with their sharp teeth and claws.

"Slash" Ye Chen instantly slashed the Magical Beasts that attacked him, using a wooden stick, Ye Chen could easily kill all the Magical Beasts.

Ye Chen's Dao of Sword had improved considerably, so Ye Chen's swordsmanship had greatly improved.

Ye Chen finished killing the Magical Beasts that attacked him, Ye Chen saw that it was very easy, as if there was no challenge to do this.

"Roar. . ., Roar. . ., Roar. . . ." Just when Ye Chen thought that this was over, another Magical Beast came to Ye Chen, it seemed that the number of Magical Beasts was more than before.

"I thought it was over, there's more, I want to see how strong you guys are." Ye Chen wanted to see how strong the Magical Beast that just came was.

The Magical Beasts that just arrived have different forms, of course their strength should be much stronger than the first.

"Slash. . ., Slash. . ., Slash. . . ." Ye Chen started to fight with these magical beasts, he started to think of magic beasts as an object of training.

### **Chapter 965 - Get 150,000 Score**

Magical Beasts began to struggle against Ye Chen, it could be seen that they were unable to win against Ye Chen.

When Ye Chen finished killing Magical Beasts, another Magical Beast came here, this Magical Beast also looked much stronger than before.

Ye Chen now understands what happened, it turns out that the Training Door has its own level, as long as Ye Chen manages to defeat the Magical Beast, then he will automatically advance to the Next level and the enemy Ye Chen faces will become even stronger.

Ye Chen wanted to see how strong the Magical Beasts were in this place, that's why Ye Chen started to continuously kill the hordes of Magical Beasts that were currently approaching him.

.

.

Meanwhile outside the Training Door, one by one the participants began to fall, most of them unable to withstand the attacks of the hordes of Magical Beasts that were attacking them.

The Magical Beast horde is too difficult to deal with, not all participants can survive the Magical Beast horde attack.

The participants who had fallen immediately saw the score they had managed to get, it could be seen that they only got hundreds of scores, this was still far enough if they wanted to pass this third test.

Seeing the score they got, the participants felt very desperate, they had failed this last test, that meant they would not be able to enter the Nine Immortals Peak.

They had no choice but to do it again one day.

In the sky Mu Xueying and Luo Tian watched the course of this third test, they were observing every participant who failed in the Training Door Trial.

"They're so weak, they've only lost for a few minutes like that" Luo Tian mocked the contestants who failed very quickly.

According to Luo Tian, these people were so weak, they were not worthy to join the Nine Immortals Peak Sect.

Luo Tian was a person who had set a record high in History, so it was not surprising that Luo Tian could be arrogant and underestimate the participants.

"Just because your score is the highest, you can be this arrogant and underestimate those rookies, it's possible for those rookies to pass your score" Mu Xueying said to Luo Tian.

Mu Xueying didn't really like Luo Tian's attitude, Luo Tian underestimated these rookies too much just because they were still weak.

"Hahaha, that's really funny, They are just weak beginners, it's impossible for them to pass the score I made" Luo Tian couldn't believe that any rookie participant could surpass the score he had made in the past.

Until now in this Sect no one had ever been able to pass the Score made by Luo Tian.

It could be said that Luo Tian was invincible by anyone until now.

Mu Xueying hates Luo Tian more and more, this man is quite arrogant, he boasts everything he has in front of Mu Xueying, this feels quite annoying to Mu Xueying.

"We'll see." Mu Xueying said to Luo Tian to see what would happen next.

"Alright, I'll take a look, as long as you accompany me here, I'll be happy to stay here." Luo Tian didn't mind watching the exam as long as Mu Xueying was beside him.

Actually Luo Tian didn't care about the tests that these rookies were taking, all Luo Tian wanted was to be beside Mu Xueying.

It was an honor for Luo Tian to be close to Mu Xueying.

Mu Xueying didn't want to get too close to Luo Tian, she tried to keep the distance she had from Luo Tian.

Gong Senye is currently looking at the fallen contestants, they are all really disappointing Gong Senye, it seems that this year there is no great talent that Gong Senye can find.

Even though Gong Senye originally hoped that he could find a talent among tens of thousands of people, he didn't expect that everything was so normal, they weren't worthy to enter his eyes.

If Gong Senye could find such a great talent, then Gong Senye would get a great reward from the Sect, this was something Gong Senye had wanted from the start.

As time went on, there were a lot of participants who fell from the Training Door Trial, while there were also dozens of participants who managed to get the required score, so they were still considered to have passed this third test.

the participants who failed did not leave immediately, they recovered the profound energy they had used in the Training Door Trial.

All of these participants want to see who has passed this third test.

"Hey Look, the top name on the monument shifted?" one of the participants informed that Luo Tian's name on the monument had shifted.

Gong Senye and the people who were here immediately looked at the monument, when they looked at the monument they saw an empty name that managed to pass the score that Luo Tian had once earned.

The score that this mysterious person got rose very quickly in just a few minutes the mysterious person's score had hit 150,000.

This was quite surprising for the participants who saw this, they couldn't believe that anyone could get a score of 150,000.

They themselves couldn't even afford to get a Score of 5,000 how could this guy hit a Score of 150,000 so easily.

Gong Senye's eyes lit up when he saw that there was someone who managed to score 150,000, this was clearly a genius far stronger than Luo Tian.

Gong Senye must not miss this opportunity, he must know who this person has scored 150,000.

Unfortunately this person didn't write his name at the beginning, this made Gong Senye not know who the person who managed to get this 150,000 Score was.

.

.

"Impossible, how could that happen" Luo Tian couldn't believe what he just saw, he couldn't believe that his score was so easily passed by an unknown newbie.

Whereas previously Luo Tian was very confident that no one would be able to pass his score, unexpectedly in just a matter of minutes Luo Tian had to swallow his words again so painfully.

Luo Tian immediately looked at Mu Xueying, from now on Mu Xueying would definitely underestimate him because of this incident.

this was really very embarrassing for Luo Tian, Luo Tian felt that someone was slapping his face right now.

This time Luo Tian was really very annoyed, he wanted to find out who had passed his score so easily.

On the other side, Mu Xueying take a long breath when she saw the Score that managed to surpass Luo Tian, it was clear that this must be Ye Chen, only Ye Chen could do this kind of crazy thing.

"Even though I told you to keep your power a secret, why are you being so careless and exposing your power?" Mu Xueying was furious when she saw the unruly Ye Chen.

Whereas previously Mu Xueying had warned Ye Chen not to be too flashy, but Ye Chen didn't listen to his words and did something reckless like this.

After all this is over, Mu Xueying might have to take Ye Chen away from this place, Mu Xueying will scold Ye Chen completely.

It doesn't matter if Mu Xueying scolds Ye Chen all the way, Mu Xueying is Ye Chen's woman, it's a wife's duty to scold her husband who can't be controlled :).

#### **Chapter 966 - Senior Sister Why You Kidnap Me**

Everyone was currently waiting for the person who had gotten the highest score to come out.

Among these people Gong Senye was the most excited, he waited patiently for each participant to come out.

Gong Senye didn't forget to check the monument near him to see if the person who just came out was the one with the highest score.

The score on the stone monument continues and continues to grow, very quickly this score soars to touch the figure of 200,000.

This was definitely 2 times higher than the score that Luo Tian had obtained in the past.

Just like Ye Chen, some participants also forgot to write their names at the beginning, so the benchmark was their scores that had stopped and were no longer rising.

The number of participants who have left is increasing and increasing, now there are only less than 10 people left.

The score obtained by the mysterious person has also reached 220,000, It seems that this score has stopped at this point.

"Finally stopped, he will definitely come out" Seeing the Score monument stop counting, Gong Senye became very excited, it seems that the mysterious person who has already obtained a score of 220,000 is about to come out.

A few moments later a man came out, this man was covered in fresh blood, this man seemed to have just fought tens of thousands of Monsters at once.

"Is it him?" Gong Senye immediately concluded that this person covered in blood was the one who had obtained the highest score in history that even surpassed Luo Tian.

Gong Senye waited for a few more moments, but there was no sign of anyone else coming out.

That means this person is most likely the one who has obtained the highest yield and is a rare talent that is hard to find.

Gong Senye immediately went to the side of the man whose whole body was covered in blood.

"What is your name?" Gong Senye immediately asked the name of the man in front of him.

"I. . .?" This man was a little scared when he saw Gong Senye's overzealous attitude, this man was afraid that Gong Senye would scold him.

"Of course, who is here besides you?" Gong Senye said to the man covered in blood.

"My name. . . is Tu Bei." Tu Bei stuttered a little by telling Gong Senye his name.

Tu Bei was a bit of a coward, so it wasn't strange that Tu Bei would act like this when asked by an elder like Gong Senye.

"Tu Bei, are you the one who got that much score?" Gong Senye pointed at the monument where the score was recorded.

Tu Bei immediately looked at the monument pointed to by Gong Senye, he was quite surprised when he saw the score he got, he couldn't believe that he got that much score.

Even though Tu Bei only killed a few Magical Beasts, how did he get this much score, this made Tu Bei feel very confused.

"Quickly answer my question right now." Gong Senye ordered Tu Bei to answer his question right away.

"Yes, yes, yes, it's me." Gong Senye immediately replied that it was him.

"Very nice . . . , very nice . . . , then come with me." Gong Senye told Tu Bei to come with him, Gong Senye must tell this matter to the higher elders, surely the higher elders will be very happy when they see this.

"Elder Gong, then what about our fate?" the participants immediately asked their next fate.

"You guys who get enough points immediately go to the starting place and ask for a sign of being a disciple." Gong Senye looked indifferent about this matter, it could be seen that Gong Senye didn't care about this matter.

Gong Senye had just acquired an extraordinary talent, of course he didn't care about these ordinary participants.

Gong Senye took Tu Bei away with him, the participants were confused by what had just happened, they were completely ignored by Gong Senye.

Some time after Gong Senye and Tu Bei left this place, Ye Chen finally came out of the Training Door.

Ye Chen came out of the Training Door intact, not a single wound or dirt could be seen on Ye Chen's body.

Ye Chen didn't look like he had fought the Magical Beasts inside the Training Door Trial.

This was clearly different from Tu Bei who had his entire body covered in blood.

From this one could conclude that Ye Chen had not fought the Magical Beasts inside, so no one would have guessed that Ye Chen was the one who had hit Score on the monument.

"That was a bit of fun, unfortunately they are still too weak." Ye Chen was quite happy when he fought the Magical Beasts inside the Training Door, although the Magical Beasts were still quite weak, it was quite a warm-up for Ye Chen.

Ye Chen started to stretch his body, it could be seen that Ye Chen felt refreshed after fighting against such a large number of Magical Beasts.

When Ye Chen stretched his body, suddenly someone grabbed his collar and carried him away from this place.

Ye Chen was taken away without a fight, he couldn't fight the person who was currently kidnapping him.

Luo Tian could only watch the departure of Mu Xueying and Ye Chen, he was unable to catch up to Mu Xueying's speed which was too fast, it was obvious that the difference in strength they had was quite far.

"Damn it" Luo Tian was really irritated once, the man called Tu Bei had actually made him lose face in front of Mu Xueying.

The participants around here trembled when they felt the pressure of the profound aura released by Luo Tian, they looked very frightened at Luo Tian who suddenly became angry with himself for no known reason.

"I'll go back first" Luo Tian decided to go back first, he would find the right time to meet Mu Xueying again.

Today Luo Tian had already lost enough face because of Ye Chen, he couldn't possibly dare to meet Mu Xueying for the time being.

Luckily Tu Bei took Ye Chen's place, so the object of Luo Tian's anger naturally became Tu Bei.

Luo Tian left this place, Luo Tian left the participants who fell to the ground because of him.

Due to his previous anger, Luo Tian didn't realize what he was doing, he didn't realize that he had just bullied the participants in this place.

"Senior Sister, why did you kidnap me like this ?, quickly release me" Ye Chen asked Mu Xueying to release himself.

"You shut up for the time being." Mu Xueying told Ye Chen to be quiet for the time being.

Ye Chen didn't expect that Mu Xueying would scold him, it seemed Mu Xueying was in a bad mood.

Ye Chen didn't know that Mu Xueying was in a bad mood because of what he had done earlier.

Mu Xueying took Ye Chen to a quiet place, where Mu Xueying would give some lectures that Ye Chen had to listen to.

A while later Mu Xueying arrived at a secluded place, here no one would interfere with her affairs with Ye Chen, not even Luo Tian would find this place.

Ye Chen saw that Mu Xueying had brought himself to a place very far away from the Sect.

"Is it possible that Mu Xueying wanted to date out in a quiet place like this?" Ye Chen started to think about some shameless things.

### **Chapter 967 - Officially Become An Outer Court Disciple**

"Senior sister, why did you bring me to this place?" Ye Chen asked Mu Xueying.

"Don't call me by that name, it's quite strange to hear if you say it" Mu Xueying forbade Ye Chen to call herself Senior Sister.

Mu Xueying wasn't used to it and thought it was very strange to listen to.

Ye Chen smiled evilly when he heard this from Mu Xueying, he was even more delighted in teasing Mu Xueying.

Ye Chen wanted to try to chase after Mu Xueying, who knew he might get Mu Xueying in front of him.

Somehow Mu Xueying looked more and more beautiful and charming, this made Ye Chen want to try to get Mu Xueying.

Ye Chen knew that Mu Xueying would be hard to get, but he could try to seduce Mu Xueying first.

"Come on, I am now your junior, so it doesn't matter if I call you Senior Sister ", Ye Chen said to Mu Xueying.

"-\_- " Mu Xueying didn't know what else to say to Ye Chen, Ye Chen really couldn't be controlled by her.

"Ye Chen do you know why I brought you here?" Mu Xueying immediately asked Ye Chen.

"That, could it be that you want to date out in a place like this, Senior Sister you are really very brave, ouch" Before Ye Chen finished his words, Mu Xueying had already knocked Ye Chen's head.

"This hurts" Ye Chen felt a pain in his head, even though Mu Xueying just lightly tapped Ye Chen, he didn't expect it to be so painful.

Ye Chen started to wonder what cultivation Mu Xueying had, why she was so strong.

"Hey Yuechan, what is Mu Xueying's current cultivation?" Ye Chen asked Chu Yuechan Mu Xueying's current cultivation level, why Mu Xueying was so strong.

"Master, Mu Xueying's cultivation is already very high, you can't even imagine it." Chu Yuechan told Ye Chen that Mu Xueying's cultivation was already very high.

It was impossible for Ye Chen to imagine the current cultivation Mu Xueying had.

"So he's already that strong." Ye Chen didn't expect that Mu Xueying would become this strong.

"Ye Chen, here I am being serious, so don't play or I will knock you back" Mu Xueying warned Ye Chen to be more serious.

Mu Xueying tried not to spoil Ye Chen too much, she was also doing this for Ye Chen's sake.

"Okay, okay I understand" Ye Chen immediately nodded to Mu Xueying, now he will be serious.

Ye Chen guessed it was true that Mu Xueying was in a bad mood, so this wasn't the right time to tease Mu Xueying.

If Ye Chen tried to tease Mu Xueying who was in this kind of mood, then Ye Chen would definitely get bad results.

"Do you still remember what I said earlier?" Mu Xueying asked if Ye Chen still remembered what he said earlier.

"Yes. . . , yes. . . , I certainly still remember it." Ye Chen said to Mu Xueying that he still remembered what Mu Xueying had previously said.

"Then why did you do something reckless like before?" Mu Xueying said to Ye Chen.

Before scolding Ye Chen, Mu Xueying wanted to know what defense Ye Chen would say.

"I did that because I wanted to try to fight the Magical Beasts in the Training Door" Ye Chen told Mu Xueying that he just wanted to try as hard as the enemies in the Training Doors were.

"You made such a fuss just because you wanted to try to fight the enemy in the Training Door instead?" Mu Xueying couldn't believe what she just heard.

Ye Chen caused such a stir just because of a trivial thing like this.

"Ye Chen listen to me well, don't expose your strength too far, you must remember that you have a special body that can put you in danger." Mu Xueying tried to warn Ye Chen not to be too flashy.

"Okay, okay I understand" Ye Chen nodded to Mu Xueying, next time he would try not to be too flashy and cause a stir like earlier.

Ye Chen couldn't stand to hear Mu Xueying's lecture, that's why Ye Chen just nodded in agreement with what Mu Xueying just said.

"Good" Mu Xueying was relieved that Ye Chen understood, Mu Xueying hoped that Ye Chen wouldn't do anything reckless again.

"You are quite lucky to have someone take your place for what you did before" Mu Xueying said to Ye Chen.

"Huh?, what do you mean?" Ye Chen didn't understand what Mu Xueying just said.

Previously Ye Chen didn't know about the conversation that Gong Senye and Tu Bei were having, so Ye Chen didn't know what Mu Xueying meant at this time.

Mu Xueying couldn't help but explain what had happened to Ye Chen, herself explaining to Ye Chen about the matter that had previously occurred.

Ye Chen carefully listened story from Mu Xueying , after listening story from Mu Xueying, now Ye Chen understood what happened.

It turned out that previously someone had claimed his achievements, this person was brave enough to claim Ye Chen's achievements, Ye Chen didn't know what would happen to this person later.

Ye Chen doesn't really care what happens to this person later, it's useless to also think about this person, let him do whatever he wants.

"Ye Chen let's go to get the outer court disciple evidence for you" Mu Xueying invited Ye Chen to go pick up the uniform and the evidence was accepted in the Sect.

"Okay" Ye Chen nodded, he went to follow Mu Xueying to get the outer court disciple's evidence from Sect Nine Immortals Peak Sect.

Mu Xueying immediately led Ye Chen to the building which was the place where the first test was held.

Mu Xueying went straight in and went to ask for a set of outer court disciple uniforms and evidence.

When Mu Xueying asked for this, the disciple in charge immediately got Mu Xueying what she wanted.

This proved how strong Mu Xueying's position was within the Nine Immortals Peak Sect.

" Ye Chen ,This is for you." Mu Xueying handed the token ,uniform, and some important information for the new disciple.

Ye Chen happily accepted what Mu Xueying gave him.

" Ye Chen This is your residence number room, you better go and have a look." Mu Xueying told Ye Chen to go and see place of residence while in outside court

"You won't come with me?" Ye Chen asked if Mu Xueying would not come with him.

"No, I still have a problem, you can go alone, if you have a problem, you can go to Jade Lotus Peak to look for me, I will be there" Mu Xueying told Ye Chen that she would not come, Mu Xueying too didn't forget to tell Ye Chen where to look when he had an important matter.

"Okay I understand." Ye Chen nodded to Mu Xueying, Ye Chen can understand the busyness of Mu Xueying

After everything was settled, Mu Xueying left this place, herself heading towards the horizon.

Ye Chen could only watch Mu Xueying leave, he was alone again.

"Okay time to see where I live" Ye Chen decided to go and see where he lived for a while.

### **Chapter 968 - Looking For Contribution Points**

Ye Chen immediately went to the location where his room was, with a little hard work Ye Chen managed to find a room that matched the number on this key.

It just so happened that the door in front of him was still sealed, so Ye Chen had to use the key he got to break this seal.

Ye Chen immediately used the key he got from Mu Xueying to open the door of the room in front of him.

Ye Chen only needed to stick the key in his hand to the door, instantly the seal inside the door disappeared.

After the seal disappeared, Ye Chen was finally able to enter the room.

When Ye Chen entered the room, Ye Chen found that the inside was only 4 x 5 meters, it was quite narrow to live in.

Even the bed in Ye Chen's Villa was much bigger than this room.

Inside was empty, there was only one plain bed that looked very worn.

"This place is really bad" Ye Chen felt that this place was really bad, there was only one bed here, it looked quite worn and unfit for use.

If Ye Chen didn't need to cultivate in this place, maybe Ye Chen wouldn't want to stay in this place.

"Forget it, I'll fix this place" Ye Chen decided to go and repair this place to make it more livable.

Ye Chen had various kinds of furniture that he had previously purchased, he could use them to repair this place.

The biggest problem that Ye Chen had was that this room was too small, so Ye Chen could only put a few things in this place.

After a little touch from Ye Chen, this room finally became a little lively, it was much better than before which was too boring.

"Finally finished" Ye Chen immediately lay down on the luxurious mattress he had, this mattress was much better than before which looked worn and frail.

Ye Chen got up from the bed, he started to take out the uniform and notes he got from Mu Xueying.

Ye Chen started reading this note, in this note there were some important things that Ye Chen needed to know, for example such as how to get contribution points.

Ye Chen's way of getting contribution points is very easy, all students need to do is do the tasks assigned by the Sect, that way they will get a reward in the form of contribution points.

Contribution points can be used for various things, such as exchanging for medicinal herbs, pills, special training rooms and much more that can be used with Contribution Points.

It could be said that these contribution points were a currency for the disciples in this Sect.

After reading this brief note, Ye Chen finally understood more about being a Sect disciple.

"I will try to cultivate in this place for a while" Ye Chen will try to cultivate in this place.

He wanted to try as fast as he could cultivate in this place, Ye Chen started to sit cross-legged and closed his eyes, he started cultivating and attacked the Energy around him.

This room was indeed designed for cultivation, inside it was calm and peaceful, no one would disturb Ye Chen who was cultivating peacefully.

.  
.

While Ye Chen was cultivating, there was a great commotion outside, the news of Tu Bei getting a high score at the Training Door spread very quickly.

This naturally became a hot topic of discussion among outer court disciples, inner court disciples and even core disciples also talked about this.

A new genius appeared within the Sect, of course this would shock the entire Sect.

From now on there would definitely be countless people who would try to get close to Tu Bei for long term benefits.

Tu Bei would definitely get a Vip treatment in the Nine Immortals Peak Sect, an extremely talented person worthy of being treated differently by the Nine Immortals Peak Sect.

It was a hereditary tradition that existed in the Nine Immortals Peak Sect, talented disciples would receive special treatment compared to ordinary disciples.

Unfortunately Nine Immortals Peak Sect didn't know that the person who had passed the Luo Tian Score was not Tu Bei but Ye Chen, Ye Chen was currently hiding in his room and busy cultivating to increase his strength.

Time flies so fast, only half of the time has passed since Ye Chen entered this room.

After half month Ye Chen finally opened his eyes, cultivating in this place is indeed quite good, it is dozens of times faster than cultivating inside the fairy gate, unfortunately the time here seems to be running faster, it is not a good thing for Ye Chen.

"Yuechan, I want to ask you something." Ye Chen said that he wanted to ask Chu Yuechan something.

"Master what do you want to ask?" Chu Yuechan asked what Ye Chen wanted to ask.

"Do you have a way to increase my cultivation even faster than now?" Ye Chen asked Chu Yuechan.

Ye Chen wanted to get stronger as soon as possible, he should be able to become even stronger in the shortest possible time.

"If you only rely on cultivating in this place, you might not be able to level up quickly, you should use the Passion Goddess technique you have." Chu Yuechan gave Ye Chen a suggestion to get stronger as soon as possible.

Ye Chen has the Passion Goddess technique, this is a good asset for Ye Chen to accelerate his cultivation level.

"But here there is no Yanyan and the others" Ye Chen said to Chu Yuechan.

"You can go out and find some women who are willing to be with you, for a man like you, that would be very easy to do, after all Yanyan and the others would definitely not mind this." Chu Yuechan gave Ye Chen a suggestion.

"-\_- " Chu Yuechan's suggestion was too dangerous to do, Ye Chen might be called a pervert if he asked a random woman to do Dual Cultivation together.

This is not a Dual Cultivation Sect, so this kind of thing is difficult to do, Ye Chen also still doesn't understand women from the God Realm, so he doesn't know whether they will be easy to conquer or not.

"I'll just go out and have a look first." Ye Chen decided to go outside and have a look around the Sect.

Who knew there was something that could speed up Ye Chen's cultivation.

This is a large Sect, there must be pills, medicinal herbs and special training grounds that can be used to cultivate faster.

Ye Chen went out of his room, when Ye Chen came out, it just so happened that it was early in the morning, there were countless disciples starting to set out to earn a little contribution points.

Ye Chen walked together with this crowd towards the Sect hall where Disciples exchanged their earned contribution points.

Besides being used to exchange contribution points, this place is also used to take on a task to get contributions.

That's why there are many people who go to this place to get a suitable task for them to do.

Ye Chen first joined A Sect, so Ye Chen wanted to try to do his first duty as a Sect disciple.

Who knew there was something of value that he could exchange for contribution points.

### **Chapter 969 - Beautiful Milf Receptionist**

Ye Chen along with the other disciples went to the Sect hall, this was the place where Sect disciples took the contribution points they had earned from the work they had done.

Every second there are dozens of people leaving this Sect Hall, you can estimate for yourself how many people are currently visiting this Sect Hall.

"Wow, it's very crowded here." Ye Chen felt that this place was very crowded, there were a lot of people going in and out of this place.

Ye Chen decided to go inside and see what it was like inside, when he went inside, Ye Chen found that inside there were a lot of people taking contribution points or taking jobs.

Here there are hundreds of staff employed to handle all the things the students need, they can be said to be receptionists.

Even though there are a lot of assigned receptionists here, there are still very long queues, the number of outer court disciples is too large compared to inner court disciples and core disciples, so it's not surprising that this place is very crowded.

Ye Chen didn't really like waiting in line, he didn't like wasting time on things like this.

Ye Chen's queue was quiet, when Ye Chen looked around, he found that there was a receptionist who seemed to be alone, no one was queuing in front of this receptionist.

Ye Chen looked at the receptionist, when he looked at the receptionist, he found that this receptionist was beautiful.

The receptionist has a very well developed body, this beautiful woman also has a glamorous and charming face, it can be said that this woman is a beautiful Milf.

"Why is there no one in line in front of the beautiful Milf, don't they like this beautiful Milf?" Ye Chen started to wonder why there weren't any students in line in front of this beauty.

Aren't these people attracted to this kind of mature beauty?, that's quite strange.

Ye Chen was a little confused by the tastes of people from the God Realm, Ye Chen didn't know what the tastes of people from the God Realm were who ignored this beautiful Milf.

"Well, since no one is interested, let me go" Seeing that no one was intending to talk to this beautiful Milf, Ye Chen decided to go and give it a try.

"Hello" Ye Chen came over and asked the Beautiful Milf who was in front of him.

The beautiful Milf looked at Ye Chen, herself looking Ye Chen up and down.

"What do you need?" The beautiful Milf asked Ye Chen, she looked very indifferent to Ye Chen.

It could be said that this beautiful Milf was quite arrogant when talking on Ye Chen.

Some people in this place looked at Ye Chen with strange looks, they couldn't believe that if Ye Chen dared to talk to this beautiful Milf, Ye Chen would definitely be kicked out by this beautiful Milf.

"I want to ask you something" Ye Chen said that he wanted to ask the beautiful Milf something.

"Hoam, what do you want to ask?" The beautiful milf answered Ye Chen lazily.

Ye Chen raised his eyebrows when he saw the behavior shown by the beautiful Milf, no wonder no one wanted to queue in front of the beautiful Milf, apparently this was the reason.

"I want any items that can be exchanged for contribution points" Ye Chen asked the beautiful Milf about what items he could get if he exchanged contribution points.

"How many points do you have?" The pretty Milf asked how many points Ye Chen currently had.

"That, my points are 0" Ye Chen said that his points are 0.

"Sorry but you can't do anything with 0 points" The beautiful Milf told Ye Chen that with 0 points there is nothing to do.

"Then give me a mission that can earn me a lot of points" Ye Chen said to give himself a mission that contributed a lot.

"Then give me your token" the beautiful milf told Ye Chen to give his token to herself.

Ye Chen gave his token to the beautiful Milf.

The beautiful milf received the token from Ye Chen, she started to look at Ye Chen's history of contribution points.

When the beautiful Milf looked at Ye Chen's history of contribution points, she found that Ye Chen had never earned any contribution points.

Just looking at this beautiful Milf could conclude that Ye Chen was a new student.

"Are you a new student?" The beautiful Milf asked if Ye Chen was a new disciple.

"Yeah, I'm new here, so I don't know anything." Ye Chen told the beautiful a Milf that he was still quite new here, so he still wasn't very familiar with the point contribution system here.

"Then you can't take the mission in this place." The beautiful Milf said to Ye Chen.

" Why ?" Ye Chen asked the beautiful Milf in front of him.

Ye Chen felt that this beautiful woman wanted to make things difficult for him.

"The requirement to take on a mission outside the Sect requires a history of contribution points of 5,000 points" The pretty Milf told Ye Chen how to take on a difficult tier mission that had ample points reward.

"Why is there such a rule?" Ye Chen asked the beautiful Milf in front of him.

"Listen, the Sect cannot send a new disciple on a mission outside, it could affect the reputation of this Sect, so set a standard like this, you should just go" The beautiful Milf chased Ye Chen out of this place.

Ye Chen felt that the beautiful Milf was very unfriendly, it was only natural that no one would want to be close to the beautiful Milf.

Ye Chen shouldn't be angry because of the beautiful Milf's attitude, he should try to seduce this beautiful Milf into telling him how to get points.

"It's been a long time, I haven't used my Charm, let's use it now" Ye Chen decided to use his charm technique on the beautiful Milf.

The fastest way to deal with a woman like this is to use a charm technique, this will quickly melt this woman.

"Beautiful sister" Ye Chen called the beautiful Milf in front of him as beautiful sister.

" What else ?" asked the beautiful Milf to Ye Chen.

On the surface the beautiful Milf looked normal, but inside Heart the Beautiful Milf felt something strange.

"That, how can I get points?" Ye Chen asked how to get a point.

Ye Chen's way of asking was very polite, Ye Chen looked different from before which looked quite.

"You have to work for a while in the Sect, you can do tasks like guarding, gardening, raising livestock or picking medicinal plants in the wild." The beautiful Milf smiled at Ye Chen, herself telling Ye Chen how to earn points for novice disciples.

"Beautiful sister, which job do you think has a lot of beautiful women like you?" Ye Chen asked the job that many beautiful women like beautiful Milf were in front of him.

"If you are looking for a beautiful woman, then you can go to the medicine pavilion, there are many beautiful women who work picking medicine in the wild." The beautiful Milf told Ye Chen the work that many beautiful women were in.

The average beautiful woman would choose to pick medicine in the mountains around the Sect, it was the lightest job for a woman to do.

### **Chapter 970 - Fairy Zhen**

"Then I will take this job" Ye Chen said that he would go and take this job.

"Are you sure, it's rare for a man to be willing to do this kind of work." Beautiful Milf said that men in the Sect were very rarely willing to take on the job of picking medicinal herbs in the wild, this job wasn't very profitable for a man.

"It doesn't matter, as long as there is a beautiful woman like big sister, I will be happy and do it wholeheartedly." Ye Chen said with interest.

"You have such a sweet mouth, how many women have you tricked with that sweet mouth of yours?" The beautiful Milf smiled at Ye Chen, this woman's smile looked more and more enchanting, it could be seen that the attitude shown by this woman was starting to turned on Ye Chen.

It seemed that the charm used by Ye Chen worked very quickly.

Ye Chen didn't overdo it when he used his Charm technique, he was afraid that this woman would be weird when Ye Chen used her enchantment technique at full power.

As long as the beautiful Milf was friendly to Ye Chen, it was enough for Ye Chen, at least it was much better than before who looked indifferent and uncaring.

"Not really" Ye Chen chuckled at the beautiful Milf in front of him.

"So what should I do to get this job?" Ye Chen asked what he had to do to get this job.

"You can go to the medicine pavilion, there you just need to apply for a job." The beautiful Milf told Ye Chen how to register as a medicinal plant picker.

"Does beautiful sister have an acquaintance there so I can easily get this job?" Ye Chen asked if the beautiful Milf was in front of him, he wanted to know if this woman had any acquaintances in the medicine pavilion.

"Of course I have, do you want me to introduce a beautiful woman to you?" asked the beautiful Milf with a dazzling smile.

"Yes. . ., yes." Ye Chen nodded to the beautiful Milf in front of him.

The beautiful Milf smiled even more when she saw Ye Chen's behavior, for some reason she thought Ye Chen was quite funny and comforted her.

With Ye Chen's strange appearance and mannerisms, the beautiful Milf felt a slight attraction towards Ye Chen.

It had been a long time since the beautiful Milf had not been entertained like this, Ye Chen could really make her heart feel happy.

"Listen to me carefully, the medicine pavilion is led by a pretty woman who is quite famous with alchemist abilities, her name is Fairy Zhen, she is also the person in charge of the medicine pavilion, I can recommend you to her" The beautiful Milf told Ye Chen that she would recommend to Fairy Zhen.

"Really, thank you very much." Ye Chen looked very pleased to hear this, this woman was willing to recommend herself directly to the person in charge of the medicine pavilion.

"You look very happy, do you really want to meet the beautiful Fairy Zhen soon?" said the beautiful Milf helplessly.

"No, I'm just happy because big sister is so nice to me, I think big sister is a beautiful than Fairy Zhen" Ye Chen tried to compliment the beautiful Milf in front of him.

Ye Chen must not let this woman get angry or else she might end up being arrogant like before.

"Geez" The beautiful Milf couldn't do much when she heard Ye Chen's sweet words, she had a hard time fighting Ye Chen's sweet words.

It was like there was a special attraction when Ye Chen talked to her.

All the disciples next door stared at Ye Chen in disbelief, they all couldn't believe that Ye Chen would be so brave to tease and flirt with the beautiful Milf.

All the students in this place naturally knew about the identity of the beautiful Milf, that's why none of them dared to approach and disturb the beautiful Milf.

It turns out that this beautiful Milf has a special identity, it's only natural that all students try to avoid it.

"This is it for you" The beautiful Milf gave a green jade to Ye Chen, on the jade there were some engravings pretty special.

"Beautiful sister, what is this?" Ye Chen immediately asked what the beautiful Milf had just given him.

"You can use this Jade when you apply at the medicine pavilion, I assure you that you will be accepted immediately if you show this." The beautiful Milf said to Ye Chen the function of the Jade she had just given.

"Oh I see, then thank you very much" Ye Chen again thanked the beautiful Milf in front of him.

Beautiful Milf just smiled when she saw Ye Chen happy, somehow she felt happy when she saw Ye Chen happy, Beautiful Milf felt this was not her usual self.

"Beautiful sister, then I'll excuse myself first." Ye Chen said goodbye to the beautiful Milf in front of him, he wanted to immediately head to the medicine pavilion.

"Why are you in such a hurry, don't you want to accompany me here a little longer?" The beautiful Milf said to Ye Chen to stay here for a while.

"I want to do that, but I have to work and earn points, if Beautiful sister would give me the few points you have I might stay here" Ye Chen said to the beautiful Milf in front of him.

"I can't do such a thing" The beautiful Milf couldn't do what Ye Chen wanted.

"hehe, then I'll go first, see you later" Ye Chen waved his hand towards the beautiful Milf, he immediately left the Sect hall.

The beautiful Milf saw Ye Chen's departure, for some reason she felt a little lost when she saw Ye Chen leave.

"Ye Chen, this man is very attractive." The beautiful Milf muttered Ye Chen's name.

The beautiful Milf found out Ye Chen's name from the disciple token, inside the token was written Ye Chen's name.

The beautiful Milf felt that Ye Chen was a very attractive man, she had never met a man as attractive as Ye Chen.

It could be said that Ye Chen was the first man to feel this kind of attraction.

"Sorry for making you wait so long" A woman came and approached Beautiful Milf.

This lady came with something for the beautiful Milf, it could be seen that this was something that Beautiful Milf ordered.

"Is that my order?" asked the beautiful Milf asked the woman who had just come to her.

"Fairy Zhen this is the order you want" the female receptionist said to Beautiful Milf.

The female receptionist just called Beautiful Milf Fairy Zhen, this is quite strange.

"Good then give it to me" The beautiful Milf asked for the thing in the female receptionist's hand.

The female receptionist immediately gave the item to the beautiful Milf.

"Then I'll go" After getting what she wanted, Beautiful Milf left this place.

The female receptionist who could see the departure of the beautiful Milf, she was relieved when she saw that the beautiful Milf was not angry because she took too long to take orders.

The female receptionist immediately returned to her workplace, she began to open the queue again.

This time when the female receptionist opened the queue, there were a lot of people starting to queue, they finally dared to queue again.
