

A True God 981

Chapter 981 - Question From Yue Ya

Yue Ya tried to get up from the ground, when Yue Ya tried to get up, Yue Ya found that her body was in extreme pain when she used to move.

Yue Ya had no choice but to abandon her original intention.

Yue Ya looked at her body, Yue Ya now discovered that her current body was only covered by a blanket, all her clothes had completely disappeared.

"What happened to the clothes I have?" Yue Ya looked very panicked when she found out that the clothes she was wearing had disappeared and were replaced by a blanket.

this looked extremely embarrassing to Yue Ya, she had never worn anything like this in her life.

Plus right now there was a young man near her like Ye Chen, it would be a shame if her appearance was seen by this person.

"Wait a minute, don't tell me he gave me that, that means this person has seen my body?" Yue Ya's thoughts started to fly all over the place.

she felt that her mind was really messed up, it could be seen that Yue Ya was very confused about what was happening right now.

Yue Ya didn't know what to do when she found out that someone had seen her in the most disgraceful appearance in this world.

as a cultivator who occupied the peak of the God Realm, Yue Ya had never been in a situation like this.

Yue Ya had always kept things like this, he had never exposed his body to any man in this entire God Realm.

"What should I do now, do I need to silence him so he doesn't speak?" Yue Ya started to think of various ways to prevent Ye Chen from exposing this shameful thing to the outside world.

quite embarrassing to expose something like this to the outside world.

Ye Chen felt a slight movement from the back of his body, he knew that the beautiful goddess behind had regained consciousness.

Ye Chen didn't go straight to the beautiful goddess, Ye Chen first had to finish cooking the porridge he made, if Ye Chen died, then it is certain that it will be scorched.

After a while, Ye Chen finally finished cooking porridge for the beautiful goddess, now let the beautiful goddess eat her cooking.

Ye Chen went to bring his Hot Pot to the beautiful goddess, he put the Hot Pot near the body of the beautiful goddess.

what a coincidence, when Ye Chen got near the beautiful goddess, the beautiful goddess closed her eyes, it seemed that this woman was pretending to be unconscious in front of Ye Chen.

"Cough. . . , goddess, why are you pretending to be unconscious?" Ye Chen coughed lightly to make Yue Ya who was in front of him wake up.

Ye Chen didn't dare to look straight at the beautiful goddess, he was having a hard time resisting Yue Ya's temptation.

hearing something like this, Yue Ya had no other choice but to open her eyelids.

"So you already noticed that I woke up?" Yue Ya said to Ye Chen.

Yue Ya's tone was gentle and pleasant for Ye Chen to hear, not a trace of hostility could be felt by Ye Chen from this woman.

different from Nangong Xiang and Dongfang Xiu, this was probably the beautiful goddess that Ye Chen was most friendly with when they first met.

This beautiful goddess was clearly different having a different temperament with Nangong Xiang and Dongfang Xiu, Ye Chen felt a woman's tenderness from Yue Ya.

"Of course, you made a move that I can hear from a distance" Ye Chen said to Yue Ya.

"I see, for someone who is still quite young, you can do something like this." Yue Ya praised Ye Chen's ability to detect small movements that she had previously made.

"Hehehe" Ye Chen couldn't help but chuckle when he heard this, this beautiful goddess praised him.

"Goddess, may I know your name?" Ye Chen immediately asked the name of this beautiful goddess.

"My name is Yue Ya, who are you?" The beautiful goddess told Ye Chen her name.

"I am Ye Chen" Ye Chen told his name to Yue Ya .

"Ye Chen" Yue Ya muttered the name that belonged to the young man in front of her.

from Ye Chen's current appearance, it could be seen that Ye Chen was a good man and didn't get too attracted to women.

The current Ye Chen still maintained his strange appearance, he still had the appearance of an innocent geeky man.

"Ye Chen, I want to ask you" Yue Ya, wanted to ask Ye Chen something.

"What is that?" Ye Chen wanted to know what Yue Ya wanted to ask him.

"Are you the one who helped me?" Yue Ya asked Ye Chen, Yue Ya wanted to know if Ye Chen was the one who had saved her from the abyss of death.

"Goddess Yue Ya, in this place there is only me, who else if not me to help you?" Ye Chen said to Yue Ya.

Ye Chen told Yue Ya that he was the one who had saved her from the abyss of death.

If Ye Chen didn't help Yue Ya, then Yue Ya's fate would definitely not be known.

"So you really are the one who helped me" Yue Ya said to Ye Chen.

"Yes. . . ." Ye Chen immediately nodded to Yue Ya, he confirmed what he said earlier.

Yue Ya nodded to Ye Chen, she now knew that this young man was the one who had helped and brought her to this place.

"Ye Chen, I want to ask you one more thing." Yue Ya wanted to ask Ye Chen something.

"What else do you want to ask?" Ye Chen very patiently answered Yue Ya's question.

"Are you the one who took off my clothes?" Yue Ya asked if it was Ye Chen who had taken off her clothes.

Ye Chen immediately froze when he heard Yue Ya's question, Ye Chen felt a terrible pressure when Yue Ya asked him something like this.

Yue Ya even started to stare at Ye Chen with a very intense gaze, the gentleness that Yue Ya had previously shown disappeared when he discussed such a sensitive matter.

Ye Chen tried to avoid Yue Ya's gaze, he couldn't stand Yue Ya's stare at him.

"Why are you just keeping quiet, quickly answer my question right now?" With a dissatisfied tone, Yue Ya immediately asked Ye Chen.

Yue Ya had to get this answer from Ye Chen, she wanted to know what Ye Chen had previously done to her.

" that . . . , how to explain huh?" Ye Chen looked for a way to explain this to Yue Ya, it was obvious that it would be very difficult to explain this matter to Yue Ya.

"Just tell the truth, I don't like liars at all." Yue Ya told Ye Chen that she didn't like someone who dared to lie to her.

Ye Chen felt pressured by the gaze that Yue Ya gave him, it was very difficult for Ye Chen to endure this kind of gaze from a beautiful goddess like Yue Ya.

"Alright, I'll explain it to you" Ye Chen finally wanted to explain what happened to Yue Ya.

Yue Ya was satisfied when he heard Ye Chen was willing to be honest with himself, Ye Chen's judgment in Yue Ya's eyes grew even higher.

Chapter 982 - Feed Yue Ya

"So you did it by accident?" Yue Ya said to Ye Chen.

After Ye Chen's reasonable explanation, Yue Ya finally understood why her clothes were missing, apparently it was because of Ye Chen's accident.

"Yes, that's right." Ye Chen nodded to Yue Ya, he immediately told Yue Ya that earlier it was an accident.

"Ye Chen, listen to me carefully" Yue Ya told Ye Chen to listen to herself carefully.

" Yes, what is up?" Ye Chen would listen carefully to what Yue Ya said to him.

"You have to keep what you saw previously a secret, if until this scandal leaks out, you are the person I will look for first" Yue Ya warned Ye Chen not to tell this matter to anyone else.

if news like this leaked out, then Yue Ya would immediately look for Ye Chen and do something bad to Ye Chen.

"Glup. . ." Ye Chen gulped when he heard what Yue Ya just said, it seemed like Yue Ya really wouldn't let this kind of problem go away.

Ye Chen was still lucky that Yue Ya didn't lose control, otherwise just one index finger would be enough for Yue Ya to take care of Ye Chen.

"Do you understand what I meant earlier" Yue Ya said to Ye Chen.

Yue Ya wanted a firm answer from Ye Chen, she didn't want to mess around with matters like this.

"Okay. . ., okay I understand, I will keep this a secret" Ye Chen immediately nodded, he will keep this secret carefully.

After all, there was only Ye Chen and Yue Ya in this place, so there was no way that a secret like this would be leaked out just like that.

Ye Chen was the one who guarded this kind of thing from outsiders, he couldn't possibly let outsiders know about this kind of thing.

"Very good" Yue Ya looked very satisfied with Ye Chen's firm answer.

Ye Chen's firm answer was enough to confirm the seriousness that Ye Chen had.

"Goddess Yue Ya, I have made porridge for you, I hope you will taste it to get well soon" Ye Chen told Yue Ya to try tasting the porridge he made.

"Ye Chen, currently still can't move, looks like I can't eat something like that" Yue Ya told Ye Chen that her body still hurt a lot when moved, so Yue Ya couldn't taste what Ye Chen made.

"Do I need to help you?" Ye Chen intended to help by feeding Yue Ya.

"No need, it will be troublesome for you" Yue Ya refused what Ye Chen wanted.

"Are you sure, this porridge will get cold soon, if it's cold it won't be good to eat" Ye Chen said to Yue Ya.

"It doesn't matter I don't eat such things, I only eat dry rations" Yue Ya said to Ye Chen.

as a cultivator who had reached a very high cultivation, Yue Ya rarely ate food like Ye Chen's, at most Yue Ya would eat dry rations if she was really hungry.

"Oh, so you don't want to, then I'll just eat it myself." Seeing Yue Ya not eating this kind of food, then Ye Chen would eat it.

Yue Ya came from the God Realm, it seems that in the God Realm not many strong cultivators eat this kind of food, they prefer a dry ration to this kind of food.

Ye Chen happened to be quite hungry from not eating for several months, so he decided to start eating the food he made.

"Hmm, it tastes pretty good, I haven't eaten my own food like this in a long time." Ye Chen hadn't eaten his own food in a long time, so he missed the food he made himself a little.

Ye Chen had rarely cooked, a necessity that he needed had been prepared by all his beautiful and seductive wives.

Yue Ya started to see Ye Chen's way of eating, Ye Chen's way of eating was very voracious, this made Yue Ya's long lost appetite return.

"Why is he eating like that, is it really that good?" Yue Ya was really very curious about the taste of the food that Ye Chen made.

Yue Ya felt that he wanted to give it a little try, the problem was Yue Ya couldn't go back on his words again, Yue Ya had previously told Ye Chen that he only ate dry rations, how could he ask for the food that Ye Chen ate after saying such a thing.

Ye Chen very quickly finished half of the porridge he made, now only half was left.

Ye Chen intended to eat the whole thing, so he intended to eat the portion he had prepared for Yue Ya.

Yue Ya saw that Ye Chen had almost finished all the food alone, Yue Ya wanted to try it a little, but was too embarrassed to tell Ye Chen.

"Ahem" Yue Ya coughed to Ye Chen.

Ye Chen who wanted to eat immediately stopped his action, Ye Chen looked back at Yue Ya.

"What's wrong, is there something uncomfortable?" Ye Chen immediately asked Yue Ya, he wanted to know if there was anything wrong with Yue Ya.

"I'm hungry" Yue Ya told Ye Chen that she was hungry.

"Would you like a dry ration, I may have some" Ye Chen offered a dry ration to Yue Ya.

Yue Ya previously told Ye Chen that she only ate dry rations, that's why Ye Chen offered his dry rations to Yue Ya.

Ye Chen didn't really like dry rations, he brought dry rations just in case something dangerous happened that forced him to be in a bad situation.

"Don't you see that I'm sick, how can you offer such a thing to someone who is sick?" Yue Ya was helpless when she heard Ye Chen offer a dry ration for herself in this condition.

Yue Ya didn't know if Ye Chen was really stupid or pretended to be stupid in front of him.

"Goddess, then what do you want?" Ye Chen wanted to know what Yue Ya wanted.

Ye Chen really didn't understand the mindset of a beautiful goddess like Yue Ya, why every beautiful woman had such a complicated mindset.

"I want the food you made." Yue Ya told Ye Chen that she wanted the food made by Ye Chen.

"Huh?, didn't you just say you didn't eat this food, how can you ask for it back?" Ye Chen was really confused by Yue Ya, this beautiful goddess really made Ye Chen feel dizzy.

"I changed my mind, I'm hungry quickly give it to me" While trying to hide her embarrassment, Yue Ya told Ye Chen to give the porridge to herself.

"Okay. . ., okay. . ., okay. . . ." Ye Chen had no choice but to give in, there is an old saying that a woman is always right even if she is wrong, maybe this is the meaning of the saying.

"Open your mouth" Ye Chen fed the beautiful Goddess Yue Ya who was currently unable to move.

Yue Ya opened her mouth and took a mouthful of food from Ye Chen.

Ye Chen gave a small bite to Yue Ya, he made sure that it fit in Yue Ya's Cherry mouth

Chapter 983 - Please Help Me Change Clothes

Yue Ya started to taste the food made by Ye Chen, when Yue Ya tasted the food made by Ye Chen, she felt that the food that Ye Chen made was quite delicious.

After taking one bite from Ye Chen, Yue Ya again asked for a second bite from Ye Chen, it could be seen that Yue Ya really liked the food he made.

Ye Chen saw Yue Ya really liked the food he made, Ye Chen was quite happy to see this.

Ye Chen currently looked like he was feeding a very beautiful bird, that beautiful bird was of course Yue Ya.

Ye Chen looked at the beautiful goddess in front of him, Ye Chen's eyes couldn't leave his gaze from the beautiful goddess in front of him.

Yue Ya was too tempting, actually Ye Chen wanted to touch and admire the beautiful work in front of him.

unfortunately it was an impossible thing for Ye Chen to do, Ye Chen might be hostile to Yue Ya when he did something like that.

Yue Ya finished all the food made by Ye Chen, not so much Yue Ya would be so hungry to this extent.

After feeding Yue Ya, Ye Chen immediately went to clean up all the equipment, he cleaned up all the equipment and put it back into the fairy gate storage room.

Yue Ya was still unable to move, it could be seen that Yue Ya still felt excruciating pain when she tried to move, so Yue Ya would be temporarily unable to move from her current position.

Yue Ya felt bored when she was still unable to move, how long would she have to stay like this.

plus wearing clothes like this is really very embarrassing for her.

From earlier when Yue Ya saw Ye Chen's gaze on her, it was clear that Ye Chen was looking at her perfect body.

It was quite embarrassing for Yue Ya to be seen like that by a young man like Ye Chen, her heart couldn't calm down when she was stared at by Ye Chen like that.

Yue Ya wanted to put her clothes back on, she started to wonder how to put her clothes back on.

Yue Ya currently still couldn't use strength to change clothes, if she wanted to change clothes then she had to ask Ye Chen for help.

this was quite a difficult choice for Yue Ya, whether she should stay like that or ask Ye Chen for help.

After a long dispute, Yue Ya finally decided to ask Ye Chen for help.

"It doesn't matter right, after all he has seen my body" Since Ye Chen had seen her body before, it was fine if Yue Ya asked Ye Chen to change clothes for her.

"Ye Chen come here" Yue Ya told Ye Chen to go to her side.

"What is wrong?" Ye Chen immediately came to Yue Ya's side, he immediately asked what Yue Ya wanted to call him.

when Ye Chen arrived nearby, Yue Ya was suddenly speechless and speechless, it could be seen that Yue Ya found it difficult to say such things to Ye Chen.

"hi, why are you silent?, what do you want to say?" Ye Chen was very curious about Yue Ya, why did Yue Ya suddenly shut up and didn't talk to him.

after a while, Yue Ya finally steeled herself to say word to Ye Chen.

"Ye Chen please help me" Yue Ya told Ye Chen to help herself.

"What kind of help do you want?" Ye Chen asked Yue Ya.

Ye Chen wanted to know what kind of help Yue Ya wanted.

"Ye Chen please help me change clothes, it feels very uncomfortable to wear clothes like this" Yue Ya told Ye Chen what she wanted.

Ye Chen was instantly dumbfounded when he heard this from Yue Ya, Ye Chen couldn't believe that the beautiful goddess Yue Ya would ask him for a favor like this.

"What did you just say?, I didn't hear wrong" Ye Chen stuttered asking what Yue Ya had previously said to him.

Ye Chen probably just misheard what Yue Ya said to him.

"You didn't hear me wrong, please help me put on my clothes." Yue Ya asked Ye Chen to help her put on her clothes.

Sure enough, what Ye Chen heard wasn't wrong, Yue Ya actually asked herself to help change clothes.

In this situation, Ye Chen didn't know what to do, whether he should be happy or not in this situation.

if asked whether he is happy or not, then Ye Chen will definitely feel happy when he hears something like this, the beautiful goddess Yue Ya asked herself for something like this, how would Ye Chen refuse this kind of thing from Yue Ya.

Yue Ya started to take out a set of blue ancient clothes from her Space Ring.

an ancient blue garment appeared in front of Ye Chen, it looked beautiful and was made of the finest materials that Ye Chen had ever seen.

"Ye Chen please do it" Yue Ya told Ye Chen to do it immediately.

"Okay. . ., I understand." Ye Chen nodded, he immediately took the ancient set of clothes that Yue Ya gave him.

after that Ye Chen tried to wake Yue Ya up from the bed, Ye Chen hugged Yue Ya's body to make it easier to put on this ancient clothes.

Yue Ya's body trembled slightly when Ye Chen hugged her, this was Yue Ya's first time in close contact with the opposite sex, she had never done anything like this in her life.

the feeling of being hugged by a man was really very strange, Yue Ya felt warm and comfortable when being hugged by Ye Chen.

Ye Chen turned his back on Yue Ya's body, the reason Ye Chen did this was because Ye Chen couldn't stand Yue Ya's perfect body.

Yue Ya's perfect body was quite seductive, this made Ye Chen couldn't bear to look at Yue Ya from the front.

Ye Chen opened the blanket covering Yue Ya's body, when the blanket was picked up by Ye Chen, Yue Ya's perfect back appeared in front of Ye Chen's eyes.

Ye Chen immediately stopped and admired this beautiful work in front of him, he looked at this beautiful scene again.

Ye Chen thought he would never be able to see this beautiful scene again, unexpectedly that Ye Chen would still be able to see such a beautiful sight again.

Yue Ya immediately opened her eyes, why didn't Ye Chen move and quickly finish this.

This felt quite embarrassing for Yue Ya, Yue Ya wanted to get this over with as soon as she could.

"Ye Chen, why did you not move, hurry up" Yue Ya told Ye Chen to quickly help put on clothes for himself.

"Ah, I'm sorry." Yue Ya's voice made Ye Chen realize, he immediately rushed to help Yue Ya to put on his clothes.

When Ye Chen was going to help Yue Ya wear clothes, Ye Chen found that Yue Ya didn't give him an underwear, obviously Yue Ya didn't have an underwear.

Seeing this, Ye Chen started to think that most women from the God Realm didn't wear underwear on their bodies, after all, they could still maintain their shape even if they didn't wear things like underwear.

Chapter 984 - Express Feelings To The Beautiful Goddess

women from the God Realm really were so brave, they weren't even shy about not wearing any underwear on their bodies.

No wonder Dongfang Xiu didn't wear anything under her clothes, apparently this was the reason.

Ye Chen helped Yue Ya to put on clothes, with gentle movements Ye Chen helped Yue Ya to put on his clothes.

"Ah. . .," Yue Ya groaned slightly as Ye Chen helped herself to put on the clothes.

"What's the matter" Ye Chen asked Yue Ya. Ye Chen immediately asked what happened, Ye Chen was afraid of making a mistake that made Yue Ya feel uncomfortable.

"Nothing, just carry on" Yue Ya told Ye Chen to continue.

seeing Yue Ya say fine, Ye Chen had no choice but to continue helping Yue Ya put on clothes.

Previously when Ye Chen helped Yue Ya, Ye Chen's hand subconsciously touched some sensitive parts of Yue Ya's body, this made Yue Ya feel a very strange feeling in her body.

Yue Ya had never felt this kind of feeling before, so it wasn't strange that Yue Ya let out a groan when this happened.

Yue Ya herself could not believe that he would make such a sound, it was something Yue Ya had never done before.

Ye Chen continued to help Yue Ya put on his clothes, because Yue Ya's ancient clothes looked very complicated, Ye Chen needed a lot of time to apply them to Yue Ya.

when Ye Chen applied clothes to Yue Ya, Ye Chen took advantage of Yue Ya, Ye Chen pretended to accidentally touch Yue Ya's body, when in reality he was doing it on purpose.

how could Ye Chen not take a chance in a situation like this.

"I want more" Ye Chen wanted to touch more, unfortunately Yue Ya's current condition was very unlikely, if Ye Chen touched more, Yue Ya would probably feel pain.

Ye Chen had no choice but to endure this first, there were still more opportunities in the future to do something like this.

Ye Chen was very confident in his abilities, so it was not strange that Ye Chen believed that he could get Yue Ya.

Ye Chen will try to chase after this beautiful goddess in front of him, he is very interested in this beautiful goddess in his arms.

While being close to Yue Ya, Ye Chen didn't forget to absorb Yue Ya's pure Yin Qi, Yue Ya's virgin Yin Qi was extremely rich, just touching it could give Ye Chen immense benefits.

this made Ye Chen not want to let Yue Ya go, he needed Yue Ya's Yin Qi to cultivate.

With Yue Ya's Yin Qi, Ye Chen was confident that he would quickly break through to a higher level.

finally after a long time, Yue Ya wore her clothes properly and properly, now Yue Ya's appearance looked very graceful and beautiful.

anyone would be blown away by Yue Ya's beauty.

"thank you, you can forget me now" Yue Ya told Ye Chen to let go of himself.

"No, I don't want to let you go" Ye Chen refused to let Yue Ya go, he wanted to continue like this with Yue Ya.

"Huh?, what do you mean?" Yue Ya was confused by what Ye Chen had just said to her.

"Goddess, you are so beautiful, I want to hug you every time like this" Ye Chen whispered sweet words in Yue Ya's ear.

Yue Ya's heart became very fast when she listened to what Ye Chen had just said, there was a slight sweetness when Yue Ya listened to what Ye Chen had just said about her.

Ye Chen's praise made Yue Ya feel very happy, women are creatures who love compliments, that includes a beautiful goddess like Yue Ya.

"Ye Chen, we can't do that, please let me go" Yue Ya told Ye Chen to let her go, they couldn't do something like this.

Yue Ya was currently trying to rebel, herself trying to break away from Ye Chen.

Since Yue Ya didn't have any strength, Yue Ya seemed to have a hard time breaking away from Ye Chen.

if Yue Ya's strength had recovered, Yue Ya would have been able to easily fly Ye Chen away from her.

unfortunately for now it was impossible to do, she couldn't force Ye Chen to drive away, all Yue Ya could do was use her own words to stop Ye Chen.

"Why?, beautiful goddess, I like you" Ye Chen told that he had liked Yue Ya since their first meeting.

Ye Chen had already fallen in love with Yue Ya's beauty who was like a moon goddess who lit up everyone's dark path.

Yue Ya was completely dumbfounded by what Ye Chen had just said, Yue Ya didn't expect that Ye Chen would say such a declaration of love to her.

Yue Ya might have heard someone praise her beauty many times, but to hear someone express love like Ye Chen did right now, it was Yue Ya's first time.

"Ye Chen what did you just say, how can a little child like you say such a thing?" Yue Ya scolded Ye Chen for saying such a thing to himself.

to Yue Ya, Ye Chen was still a child who didn't know anything, so it wouldn't be strange for Yue Ya to call Ye Chen a child.

"Goddess, I'm not small, I'm an Big" Ye Chen told Yue Ya that he was no longer a child.

how could a veteran like Ye Chen be considered a child by Yue Ya.

what Yue Ya said was not wrong, Yue Ya and Ye Chen's age difference was quite far, Yue Ya's current age could probably be an ancestor for Ye Chen.

"If I say small, then you are small." Yue Ya didn't like hearing Ye Chen refute what she said.

"Do I need to prove that I am an Big?" Ye Chen said to Yue Ya.

Ye Chen didn't mind proving that he was a Big man.

"You want to prove it in what way?" Yue Ya still didn't understand what Ye Chen was saying at the moment, Yue Ya still didn't realize that Ye Chen was referring to his very strong capital.

"Of course with the relationship between a boy and a girl" Ye Chen said to Yue Ya.

Yue Ya's face immediately turned red when she heard what Ye Chen just said, she didn't expect that Ye Chen would say such a lewd thing.

"You big pervert" Yue Ya immediately shouted that Ye Chen was a big pervert.

Ye Chen just smiled when he heard what Yue Ya had just said about him, Ye Chen was already used to being called that by a woman.

so Ye Chen didn't react too much when called out like that by Yue Ya.

it doesn't matter even if Yue Ya finds it lewd, as long as Ye Chen can get Yue Ya, then Ye Chen is willing to listen to Yue Ya's taunts against him.

Yue Ya didn't expect that Ye Chen would smile when he heard what she just said, this man was truly shameless.

Yue Ya's assessment of Ye Chen dropped, Ye Chen was not what she had imagined.

Chapter 985 - Ye Chen Breakthrough

"Ye Chen, so you really don't want to let me go?" Yue Ya again asked if Ye Chen was unwilling to let go of herself.

"No, I won't let go of you" Ye Chen refused to let go of Yue Ya, he didn't want to let go of a beautiful goddess like Yue Ya.

plus Yue Ya could help his cultivation increase rapidly, Ye Chen couldn't possibly just let Yue Ya go.

"Don't blame me for kicking you out later." Yue Ya told Ye Chen that she would chase Ye Chen away when her strength returned.

"hehe, let's see when your strength will recover" Ye Chen chuckled to Yue Ya, although Yue Ya's strength had returned, it was not difficult for Ye Chen to deal with Yue Ya.

using the Passion Goddess technique Ye Chen could deal with Yue Ya very easily, so Ye Chen didn't have to be afraid of Yue Ya.

"Hemp, Let's see later" Yue Ya sniffed coldly at Ye Chen, Yue Ya promised to do something to Ye Chen when his strength had returned.

"I'll wait for it" Ye Chen just smiled when he heard the threat given by Yue Ya, he was not afraid of the threat given by Yue Ya.

as long as Yue Ya was in the palm of his hand, to Ye Chen, Yue Ya was not a threat to him.

Yue Ya couldn't say much when she listened to what Ye Chen had just said, it seemed that for the time being Yue Ya could only endure and accept what Ye Chen did.

as long as Ye Chen didn't do anything bad to herself, then Yue Ya wouldn't be too bothered by this matter.

Ye Chen was very happy when he saw Yue Ya was no longer fighting, this would make it easier for Ye Chen to cultivate.

Ye Chen decided to take a bed from the fairy gate storage room, it's not good for Ye Chen and Yue Ya to sit on the ground like that, it's better for them to sit on a soft bed.

Ye Chen carried Yue Ya up on the bed, he made a barrier around this place so that no one would disturb him and Yue Ya.

Ye Chen also made sure the temperature around himself was kept warm so that Yue Ya would feel a very comfortable feeling when she was around her.

Yue Ya was indeed currently feeling a comfortable and warm feeling emanating from Ye Chen, this feeling was very soothing to Yue Ya's soul.

all of Yue Ya's anger towards Ye Chen instantly disappeared when she felt this comfortable feeling.

Needless to say, this feeling was extremely comfortable for Yue Ya, she had never felt anything this comfortable in her life.

Yue Ya started to rest her head on Ye Chen's broad chest, closed her eyes and began to enjoy this comfort with all her heart.

Yue Ya didn't know how long she had been able to feel calm like this, this was probably the first time she had felt such a comfortable feeling.

Ye Chen started cultivating and focused on absorbing Yue Ya's Yin Qi, himself focused on reaching the next level using Yue Ya's pure Yin Qi.

time passed, for the time being, neither Ye Chen nor Yue Ya started a conversation.

Hours passed very quickly, in just a few hours, Ye Chen had already broken through to the next level, now Ye Chen was already at the third stage of the Divine Spirit Realm.

This was much faster than Ye Chen had imagined, if it continued like this Ye Chen would quickly increase his cultivation.

what Ye Chen did was not wrong, he had done what was absolutely right by hugging Yue Ya.

Yue Ya who was sleeping saw Ye Chen's breakthrough, she couldn't believe that Ye Chen could make a breakthrough when hugging her.

"How strange" Yue Ya felt a very strange feeling from Ye Chen, she felt that something was wrong with Ye Chen.

Yue Ya decided to find out what was wrong with Ye Chen, she stretched out her hand towards Ye Chen's wrist.

After a few hours Yue Ya's strength finally started to recover a bit, she started to be able to move a bit of her body.

Even though Yue Ya was able to move her body parts, Yue Ya didn't push Ye Chen away from her body, it could be seen that Yue Ya liked the feelings that Ye Chen gave her, Yue Ya started to feel like this young man named Ye Chen.

when Yue Ya touched Ye Chen's wrist, she found something quite shocking, Yue Ya discovered that Ye Chen possessed an extremely large Yang Qi.

" this . . ." Yue Ya was a little surprised to find something like this in Ye Chen's body, how could Ye Chen have this much pure Yang Qi.

Yue Ya began to suspect the secret of Ye Chen's body, it was clear that the only body that could possess something like this was the Ancient (Yang) Body.

Special bodies like this are very hard to find, this is very hard to find in this world

The ancient (Yang) body is a special body that is quite blessed, the Ancient (Yang) Body is a special body that is coveted by most people for their own benefit.

if it was true that Ye Chen had a body like that, then Ye Chen would be the target of the greedy women in the God Realm.

Yue Ya looked at Ye Chen who was making a breakthrough, Yue Ya felt sorry for Ye Chen, if someone exposed this matter then Ye Chen would not be able to live a peaceful life again in this God Realm.

"You are lucky enough to meet me, if it was another woman they might have kidnapped you" Yue Ya muttered in her heart.

Ye Chen was lucky enough that Yue Ya discovered this, if it was other women who discovered this, they might have kidnapped and taken Ye Chen away.

The Ancient (Yang) Body is a precious treasure for both its owner and a woman, on the one hand men can be with countless kinds of beautiful women, while women can get tremendous benefits from this Ancient (Yang) body .

Yue Ya would try to keep Ye Chen's Ancient (Yang) Body a secret, she would try to hide this from outsiders who tried to do something evil to Ye Chen.

although Ye Chen was quite reckless and lecherous, still Ye Chen was the one who had saved Yue Ya's life from death, Yue Ya must not let anything bad happen to Ye Chen.

Yue Ya thought that she was repaying Ye Chen for what Ye Chen had done for her.

Ye Chen was currently focused on breaking through, so he didn't know what Yue Ya had just done to him.

in this case Ye Chen couldn't be bothered with very trivial matters, otherwise this would hurt Ye Chen's own body.

Yue Ya pulled her hand back, pretending nothing had happened.

Yue Ya remained calm in Ye Chen's arms, she was getting used to Ye Chen's warm and comfortable embrace.

Yue Ya probably felt so comfortable in Ye Chen's embrace that she might already be addicted to it.

Chapter 986 - Kissing Goddess Yue Ya

With the effort put in by Ye Chen, Ye Chen finally managed to break through as well, now Ye Chen has finally entered the third level of the Divine Spirit Realm.

After completely breaking through to the third level of the Divine Spirit Realm, Ye Chen slowly opened his eyes.

Ye Chen was overjoyed at the rapid increase in his strength, and it was all thanks to the beautiful goddess Yue Ya in his arms.

if Ye Chen could, he would never want to let go of Yue Ya from his embrace.

Yue Ya would definitely be very surprised when she found out what Ye Chen was thinking at the moment, this man was very brave to even think about hugging her forever.

when Ye Chen opened his eyes, he saw that Yue Ya was currently still sleeping on his chest, Yue Ya's appearance when sleeping was very beautiful.

especially Yue Ya Cherry lips which looked very seductive, Ye Chen felt like he wanted to kiss Yue Ya for the first time.

I don't know what entered Ye Chen's soul at this time, Ye Chen suddenly started to bring his lips closer to Yue Ya's lips, Ye Chen immediately kissed Cherry Yue Ya's lips which were very seductive.

Yue Ya who was pretending to be asleep immediately opened her eyes, when she opened her eyes, Yue Ya found that Ye Chen's face was now very close to hers.

Yue Ya's eyes widened when she found out what Ye Chen was doing to her.

Ye Chen was currently kissing Yue Ya's lips, this was something Yue Ya had never thought of.

Yue Ya tried to use her existing strength to drive Ye Chen away from her.

when Yue Ya wanted to do that, Yue Ya found an extremely comfortable feeling flooded her body, this made Yue Ya's movements stop.

this feeling was so good, Yue Ya didn't know that the kissing feeling would turn out like this.

Yue Ya started to sink into Ye Chen's kiss, she started to enjoy this and cooperated with Ye Chen in this kiss.

Ye Chen was overjoyed when he saw Yue Ya not resisting and instead cooperating with him, this was a great thing for Ye Chen.

It could be seen that Yue Ya was still quite clumsy when kissing Ye Chen, this was probably because it was the first time Yue Ya had done something like this with a man.

Even though Yue Ya was still quite clumsy when she did this with Ye Chen, Yue Ya was currently struggling to learn from Ye Chen, she started to imitate Ye Chen's moves perfectly.

Yue Ya's talent was very talented, just from imitating Ye Chen's moves, Yue Ya could easily learn how to kiss passionately.

Ye Chen was quite surprised by the changes that Yue Ya made when he kissed her, in just a few minutes Yue Ya became very skilled in kissing nowadays.

"Beautiful goddess Yue Ya is really very talented." In his heart Ye Chen praised Yue Ya's skill as very talented.

This beautiful goddess is very talented at kissing, in just a short time Yue Ya was able to match Ye Chen's ability, this made Ye Chen quite surprised.

the two continued to intertwine and kiss passionately, it could be seen that they had both forgotten everything around them.

Even Yue Ya, who previously disliked Ye Chen, started to feel attracted to kissing, this was a very good thing for her.

After about 20 minutes, the two finally wanted to separate.

Now that Ye Chen and Yue Ya looked at each other, Yue Ya's gaze this time was different from before, it could be seen that Yue Ya looked at Ye Chen with a very gentle gaze.

"Big pervert, do you know the consequences of doing such a thing to this woman?" Yue Ya asked Ye Chen.

Yue Ya asked Ye Chen about the consequences Ye Chen would have for this.

"I don't care about the consequences I will get, as long as I can have you, I will face all the consequences" Ye Chen told Yue Ya that he was not afraid of the consequences he had to face.

"You. . ." Yue Ya did not expect that Ye Chen would answer this question so easily.

Yue Ya honestly had to admit that Ye Chen was a very brave man, he really wasn't afraid of the threats Yue Ya gave him.

Ye Chen smiled at Yue Ya, Ye Chen looked very happy when he saw Yue Ya's face like that when she heard Ye Chen answer.

"Ye Chen you have very sweet words, approximately how many women have you tricked with those sweet words?" Yue Ya asked how many women had fallen victim to Ye Chen's sweet words.

"There are already so many, one of them is you, my beautiful goddess" whispered Ye Chen in Yue Ya's ear.

"Geez" Yue Ya's face turned slightly red when she listened to what Ye Chen had just said, Ye Chen really wasn't shy and wasn't afraid to say such things to Yue Ya.

Yue Ya didn't know if it was a misfortune or luck when she met Ye Chen, this man had really changed her a bit.

"do you want to take a walk outside" Ye Chen took Yue Ya to go and take a walk outside the cave.

it was too boring and stuffy in here, that's why Ye Chen intended to take Yue Ya out to get some fresh air.

"It's up to you" Yue Ya told Ye Chen to decide for himself, he would go wherever Ye Chen went.

After all, Yue Ya still hadn't fully recovered, so for the time being he could only rely on Ye Chen.

"Okay. . . , let's go out." Seeing that Yue Ya didn't refuse, Ye Chen decided to go and took Yue Ya out to get some fresh air.

Ye Chen took Yue Ya to a fairly large meadow not far from the Cave where Ye Chen and Yue Ya lived.

the air in the meadow is quite refreshing, plus the scenery in this place is quite good, the wind in this place is not too strong so it is suitable for Yue Ya's current condition

"do you like this place?" Ye Chen asked Yue Ya who was in his arms.

Ye Chen asked Yue Ya if he liked this place, if Yue Ya didn't like this place then Ye Chen would probably take Yue Ya somewhere else.

"Pretty good" Yue Ya told Ye Chen that this place was pretty good, although it wasn't as good as her moon palace, it was good enough to just get some fresh air.

"Very good" Ye Chen was glad Yue Ya didn't mind this place.

Ye Chen took Yue Ya to shelter in a tree that was around this meadow, he took shelter under a tree while hugging a beautiful goddess like Yue Ya.

This sight was quite strange to behold, a man with a nerdy appearance hugging a beautiful goddess like Yue Ya, this was quite a strange thing for one to see.

Just imagine a beautiful goddess like Yue Ya wanting to be hugged by a man with such an appearance, it was impossible for anyone to think about.

Chapter 987 - Enjoy The Fresh Air, With The Beautiful Goddess

Yue Ya didn't care about Ye Chen's appearance, as long as she was comfortable with Ye Chen, then Yue Ya wouldn't mind this.

"Yue Ya, may I ask you something" Ye Chen wanted to ask Yue Ya something.

"What do you want to ask?" Yue Ya looked at Ye Chen, she wanted to know what Ye Chen wanted to ask her.

"That. . . , it's about the battle you had with a red dragon a few days ago" Ye Chen wanted to ask about the battle that Yue Ya had with a red dragon a few days ago.

"You mean the Flame Dragon?" Yue Ya asked Ye Chen.

"Yes, that's what I meant" Ye Chen told Yue Ya that was what he meant.

"What's wrong with that?" Yue Ya wanted to know why Ye Chen asked a question like this.

"I just want to know what thing you are fighting over with the Flame Dragon." Ye Chen got straight to the point, he wanted to know what thing Yue Ya and the Flame Dragon were fighting over.

"You know the previous battle I did?" Yue Ya was quite surprised when she heard that Ye Chen knew of the battle she fought with the Flame Dragon.

unexpectedly Ye Chen would see the battle that Yue Ya had fought together with the Flame Dragon.

"I don't know much about it, I only saw what the two of you were doing from a distance." Ye Chen told Yue Ya that he was watching the battle from a distance.

"You saw the battle I was fighting from a distance, how is that possible?" Yue Ya was again taken aback by what Ye Chen said.

how could Ye Chen see the battle she was having with the Flame Dragon from a distance, and Yue Ya didn't detect Ye Chen's presence at all, it was absolutely impossible.

"Yes" Ye Chen nodded to Yue Ya, confirming that he saw the battle between Yue Ya and the Flame Dragon from quite a distance away.

Ye Chen deliberately didn't mention that he possessed the God Eyes technique, Ye Chen didn't want Yue Ya to be wary of him, if Yue Ya knew that Ye Chen had a technique that penetrated everything, then Yue Ya would definitely be very wary of Ye Chen.

"So what thing do you want to take from the Flame Dragon?" Ye Chen asked Yue Ya again.

"I want to take the Flame Spirit Root from the Flame Dragon's hands, unfortunately that ugly dragon refuses to give it to me even after I offered him some attractive offers" Yue Ya told Ye Chen what she wanted from the Flame Dragon.

"So you're hunting the Flame Spirit Root from the Flame Dragon's hand?" Ye Chen asked Yue Ya again.

Yue Ya nodded to Ye Chen, she was indeed aiming for the Flame Spirit Root from the Flame Dragon's hand.

"Ye Chen, you yourself must know about my illness, right?" Yue Ya told Ye Chen about her illness.

"Of course I know, I took care of you, so I know what your condition is." Ye Chen nodded to Yue Ya, he naturally knew the Primordial Ice Spirit disease in Yue Ya's body.

"I am currently in dire need of Flame Spirit Root to cure my illness, if it continues like this then sooner or later I will lose my position because of the Primordial Ice Spirit within my body" Yue Ya told Ye Chen the reason why she was hunting for Flame Spirit Root in the Flame Dragon's hands.

it turned out that Yue Ya really really needed it for her own healing, Primordial Ice Spirit was very annoying to Yue Ya, this made Yue Ya feel uneasy when she had to do important things.

if at any time the Primordial Ice Spirit relapsed, then Yue Ya's power would disappear, this made Yue Ya feel so weak that she could become the target of her enemies.

Yue Ya had been hiding this from her enemies or those closest to her for a long time, Yue Ya tried to hide the Primordial Ice Spirit that was in her body.

Ye Chen nodded to Yue Ya, he understood what Yue Ya meant at this moment.

"You don't have to worry, I will try to find a solution for you" Ye Chen said that he would find a solution for Yue Ya.

"Thank you very much" Yue Ya was very grateful to Ye Chen, she felt happy about what Ye Chen had just said to her.

Ye Chen was really very considerate of herself, no one had ever done something like this to her.

Yue Ya herself knew that Ye Chen's words just now were only to comfort her, there was no way Ye Chen could do such a thing, what Ye Chen had done earlier was enough for Yue Ya.

The seal that Ye Chen had applied to the Primordial Ice Spirit was of great help to Yue Ya, this way Yue Ya would not have to worry about Primordial Ice Spirit for the time being.

Ye Chen is currently starting to think of a way to get the Flame Spirit Root from the Flame Dragon's hand, Ye Chen has many ways to get the Flame Spirit Root from the Flame Dragon's hand.

The biggest problem was whether Ye Chen was able to do that or not, with Ye Chen's current cultivation, it was quite difficult to get close to the Flame Dragon, especially if Ye Chen really had to fight against the Flame Dragon, then it was certain that Ye Chen would lose in this place.

but for the sake of the beautiful goddess Yue Ya who was in his arms, Ye Chen had no problem doing such a thing.

In addition, Ye Chen firmly believed that if there were many valuable items other than the Flame Spirit Root, Ye Chen could obtain it for himself.

Ye Chen would think about it later, he should first focus on increasing his cultivation, by being with Yue Ya like this, Ye Chen could increase his cultivation very quickly.

so Ye Chen had to make the most of this moment so he wouldn't regret it.

"Ye Chen, why are you alone in a place like this?" Yue Ya asked why Ye Chen was in this forest.

Yue Ya was a little curious as to why Ye Chen could be in this forest, let alone Ye Chen alone like this.

With Ye Chen's current cultivation, being in a forest like this was quite dangerous, Ye Chen could become the target of this horde of forest-dwelling Magical Beasts.

"I'm on a quest to find wild medicinal herbs in this place." Ye Chen told Yue Ya the reason he was here.

"Why are you looking for wild medicinal herbs in a place like this?" Yue Ya asked what Ye Chen would do with the wild medicinal herbs.

"Of course in exchange for a few contribution points, you might not know that I just joined the Sect, so I need some contribution points" Ye Chen told Yue Ya why he had to look for medicinal herbs in a place like this.

Ye Chen needed the contribution of Points to increase his cultivation speed, with the contribution of Points Ye Chen could rent a better practice room for him to cultivate.

"So you are still a new disciple in the Sect, I didn't expect a new disciple to dare to enter the forest like this, you really have such high courage" Yue Ya was quite surprised to find out that Ye Chen was still a new disciple in Nine Immortals Peak Sect.

for a new disciple Ye Chen's courage to be commended, he already dared to enter this dangerous place alone despite being quite new to the Nine Immortals Peak Sect.

Chapter 988 - Xiao Gang

"If I don't dare to take a risk, then I will never become strong" Ye Chen told Yue Ya the reason he took this kind of risk.

Ye Chen wanted to get stronger as soon as possible, he would never be able to get stronger if he didn't dare to take a dangerous risk like this.

No one can achieve success without taking every possible risk, only those who dare to take risks will become the strongest.

"You have very great principles." Yue Ya praised Ye Chen's principles, she thought Ye Chen's principles were enough to make Ye Chen become a great cultivator.

"Hehehe" Ye Chen smiled at Yue Ya, he was happy to receive a compliment from Goddess Yue Ya.

"Ye Chen, if I may know why you are so obsessed with strength?" Yue Ya wanted to know why Ye Chen was so obsessed with strength.

The reason Yue Ya knew this was because he saw through Ye Chen's eyes, he could see that Ye Chen was obsessed with strength.

"That's because there is something someone is waiting for me and needs me to save them" Ye Chen told Yue Ya the reason he needed a strength, there was a woman who was still waiting for Ye Chen to save him.

"Someone is waiting for you, who is a man or a woman?" Yue Ya immediately interrogated Ye Chen over what he just said.

"So why are you asking about that?" Ye Chen immediately asked why Yue Ya was asking about the matter.

"Nothing, I just want to know" Yue Ya said in a not very happy tone.

from the tone used by Yue Ya, it could be seen that Yue Ya was a little jealous, this woman seemed to be starting to fall into Ye Chen.

"They are of course women" Ye Chen told Yue Ya that they were both women.

one was Dongfang Xiu who was a beautiful Goddess recognized in the God Realm, while the other was Ling Yin who was a former Female Assassin, both waiting for Ye Chen to become strong in order to help them both.

"Hmm, so it's true that you mean a woman." Yue Ya looked dissatisfied when he heard this, his hunch was right that the person Ye Chen meant was actually a woman.

"What's with your answer?" Ye Chen asked why Yue Ya was responding to this in such a manner.

"Nothing. . ." Yue Ya turned her gaze away from Ye Chen.

Ye Chen didn't know what Yue Ya was thinking right now, Yue Ya was really a complicated woman for Ye Chen.

"Yue Ya" Ye Chen called out the name of Yue Ya who was in his arms.

"Hmm" Yue Ya just mumbled when she answered Ye Chen, this woman really looks angry with Ye Chen.

Ye Chen smiled slightly when he saw this, it seemed Yue Ya was angry with what he said earlier, this beautiful goddess was clearly jealous of Dongfang Xiu and Ling Yin, she was not happy when Ye Chen mentioned the two in front of her.

"Boss, we better go back, we've been looking for quite a while and haven't found what we're looking for" suddenly from a distance came the voices of several people talking about something

Ye Chen and Yue Ya of course had already detected the presence of these people.

this was a forest near the Nine Immortals Peak Sect, of course there were countless disciples from the Nine Immortals Peak Sect who came in and out of this forest to simply practice or seek fortune in this place.

These people started walking closer towards Ye Chen and Yue Ya, they seemed to be heading towards Ye Chen at full speed.

"Should we go?" Ye Chen immediately asked Yue Ya if the two of them needed to leave this place right now.

"I want to stay here for a while, if you want to go you can go alone." Yue Ya was in a bad mood, so Yue Ya's answer would naturally be like this.

talking to a woman who is in a bad mood is the most difficult thing for a man.

Ye Chen was helpless when he heard the answer Yue Ya gave him, how could Ye Chen leave Yue Ya who was in this condition with some unknown people.

Ye Chen couldn't possibly leave his future wife alone in a place like this, if Ye Chen did that, then Ye Chen was not a man.

seeing Yue Ya unwilling to leave this place, Ye Chen had no choice but to stay in this place together with Yue Ya.

Ye Chen tried to persuade Yue Ya not to be angry with him.

Ye Chen used many ways to get Yue Ya's mood back to the way it was before, unfortunately Yue Ya's mood still didn't improve even after being persuaded by Ye Chen with sweet and loving words.

Moments later, there were several people who appeared in front of Ye Chen, from the appearance of the uniforms they were wearing, it could be concluded that they were from the Nine Immortals Peak Sect like Ye Chen.

These people looked at Ye Chen, when they looked at Ye Chen, they immediately thought Ye Chen was a useless person, Ye Chen's appearance could make these people believe that Ye Chen was a weak and not great person. .

however, when these people looked at the woman in Ye Chen's arms, these people were shocked to see the peerless beauty in Ye Chen's arms.

"Boss, That lady is very beautiful, is she a goddess?" one of these people immediately voiced out that Yue Ya was an extremely beautiful woman.

The boss of the people called Xiao Gang, he is the most powerful person in this group.

Xiao Gang never leaves his sight of Yue Ya, he thinks Yue Ya is the most beautiful woman he has ever met in this life.

Xiao Gang was a very free man, he had slept with countless women he met, be it outside the Sect or within this Sect.

Xiao Gang uses the lure of strength and resources to draw women closer, few women in God Realm will not resist such free given power and Resources by someone, they are willing to satisfy Xiao Gang for the sake of some resources and strength.

"This woman is very beautiful, I want to have her" Xiao Gang felt that he wanted to have Yue Ya in Ye Chen's arms.

For that Xiao Gang will try to snatch Yue Ya from Ye Chen's hand, it is not difficult for Xiao Gang to snatch Yue Ya from Ye Chen's hand, he believes that Ye Chen is not his opponent.

Ye Chen looked at the people who had just arrived at this place, he could feel the unkind gazes that people wanted to give him.

Xiao Gang and his men immediately headed towards Ye Chen and Yue Ya.

"You, quickly leave the woman in your arms to me" When Xiao Gang arrived in front of Ye Chen, the first thing Xiao Gang said was about the beautiful goddess in Ye Chen's arms.

Xiao Gang wants the beautiful goddess in Ye Chen's arms, Xiao Gang wants Ye Chen to hand Yue Ya over to him.

"Who are you, I don't know you, after all who would give my wife to you" Ye Chen refused to give Yue Ya to Xiao Gang.

Chapter 989 - Threat From Xiao Gang

Yue Ya couldn't believe what Ye Chen just said, Ye Chen actually just called herself a wife.

In this God Realm perhaps Ye Chen who was the only person who dared to say such a thing right in front of Yue Ya, if this was said by others, perhaps they would receive a severe punishment.

"Hahaha, very funny" Xiao Gang felt funny when he heard Ye Chen mention the beauty in Ye Chen arms as a wife.

a man with a dull appearance like Ye Chen couldn't possibly get a woman as beautiful as Yue Ya, it was an impossible thing to happen.

"What's so funny about that?" Ye Chen asked what Xiao Gang was laughing at, according to Ye Chen there was nothing funny that Xiao Gang could laugh at.

Xiao Gang kept laughing, he really started to think of Ye Chen as a big idiot.

"Ugly man stop laughing, if you keep laughing like that, maybe your face will break soon" Ye Chen warned Xiao Gang to stop laughing, he didn't like hearing Xiao Gang's laughter.

Xiao Gang's laughter was shrill and uncomfortable to listen to, Ye Chen felt that it would disturb Yue Ya who was currently in his arms.

Xiao Gang immediately stopped laughing when he heard what Ye Chen had just said, Xiao Gang felt angry with what Ye Chen had just said to him.

no outer court disciple had ever dared to say something like this to Xiao Gang.

"Don't you know who I am?" Xiao Gang asked Ye Chen if Ye Chen didn't know him.

"I don't know you" Ye Chen said that he didn't know Xiao Gang, this was Ye Chen's first time meeting Xiao Gang, so Ye Chen didn't know about Xiao Gang.

Xiao Gang couldn't believe that Ye Chen didn't know him, had Ye Chen never heard of Xiao Gang who was one of the top disciples in the inner court.

"Bastard, you are an outer court disciple of the Nine Immortals Peak Sect right?" Xiao Gang asked Ye Chen.

Ye Chen was currently wearing an Outer Court Disciple from the Nine Immortals Peak Sect, so Xiao Gang could immediately tell that Ye Chen was an Outer Court disciple.

An outer court disciple like Ye Chen was just like an ant in Xiao Gang's eyes.

"You already know the answer, why are you asking me again?" Ye Chen was lazy to answer Xiao Gang, this man must already know about Ye Chen's identity, considering Ye Chen is currently wearing Nine Immortals Peak Sect clothes.

"It's presumptuous of you to speak to the boss like that, do you want to seek death?" One of Xiao Gang's subordinates snapped at Ye Chen at Ye Chen's disrespect for an inner court disciple like Xiao Gang.

In the Nine Immortals Peak Sect outer court disciples must respect inner court disciples, otherwise something bad will happen to those outer court disciples.

"You guys are the first to be presumptuous towards me and my wife, you should leave right now from this place" Ye Chen pushed these people away, there was nothing good about these people.

"You" Xiao Gang's men pointed at Ye Chen with anger, it could be seen that this person was angry when he heard Ye Chen's provocative words.

"Never mind, it seems my reputation isn't strong enough that someone doesn't know me." Xiao Gang stopped his men from attacking Ye Chen.

Xiao Gang would use his own identity, if Xiao Gang told Ye Chen about his identity, Ye Chen would definitely be very scared.

"Listen to me, my name is Xiao Gang, I am a top disciple in the inner court" Xiao Gang told Ye Chen about his identity.

Xiao Gang couldn't wait to see the expression Ye Chen would have after learning his identity.

Contrary to what Xiao Gang thought, Ye Chen looked normal when he heard that Xiao Gang was an inner court disciple, according to Ye Chen there was nothing special about it.

"What's with that expression of yours, aren't you scared when you find out my identity?" Xiao Gang asked Ye Chen.

"Why would I be afraid of something like that, even if you are a core disciple, I'm not afraid of you" Ye Chen told Xiao Gang that he wasn't afraid of Xiao Gang's identity at all.

Xiao Gang's identity didn't scare Ye Chen at all.

"Damn it" Xiao Gang cursed Ye Chen, it seemed that his identity couldn't bully Ye Chen.

this boring man turned out to be much more daring and arrogant than Xiao Gang thought.

"Listen to me carefully, I warn you to hand over that woman in your hands, if you don't hand her over to me, don't blame me for killing you" Xiao Gang warned Ye Chen to hand over Yue Ya right now.

"If you dare to kill me, then the Sect will not let you go." Ye Chen said to Xiao Gang about the Sect's punishment that would come to him when he killed another disciple.

"Hahaha" Xiao Gang and his men laughed when they heard what Ye Chen just said, according to them, what Ye Chen said was really very funny.

"To we, penalty is just a toy" Sect's penalty to Xiao Gang and the others was a toy, they had often received a lot of penalty for what they had done.

because Xiao Gang is a talented Sect disciple to lighten the penalty given to Xiao Gang.

In the God Realm, strength is everything, as long as you have a strength, you will be treated more special than ordinary disciples.

Nine Immortals Peak Sect also seems to be doing something like that, Talented disciples will be more nurtured and guarded than ordinary disciples.

Talented disciples were the foundation that would lead the Nine Immortals Peak Sect to be even better, so it was not surprising that the Nine Immortals Peak Sect would treat talented disciples better.

"You idiot, we are not currently in the Sect, if we kill you and throw you into the abyss, then no one will know about this, nor will the Sect bother to look for someone like you" one of Xiao Gang's men told Ye Chen the reason why they dared to kill Ye Chen.

now that they were outside the Sect, the Sect would not bother to take care of the killings that were outside the Sect.

As long as this is not known by anyone, then Xiao Gang and his men will be safe.

Ye Chen raised his eyebrows when he heard this, Ye Chen just found out that the punishment in the Nine Immortals Peak Sect is not as strict as he previously thought, there is still a loophole that can be used for people to violate it.

"So tell me, do you want to hand over the woman or not?" Xiao Gang asked Ye Chen again.

Xiao Gang wanted a satisfactory answer from Ye Chen, if Ye Chen gave himself an unsatisfactory answer, then Xiao Gang would kill Ye Chen immediately.

"I will not give my woman to you, I will protect her with all my might" Ye Chen told Xiao Gang that he would not give Yue Ya to man like Xiao Gang.

Chapter 990 - Battle Against Xiao Gang

Yue Ya's eyes widened when she heard what Ye Chen just said, she didn't expect that Ye Chen would say something like this.

Ye Chen said a word that would protect Yue Ya, Ye Chen's words just now were very touching for Yue Ya.

In this world there was no one who had said such words as what Ye Chen had just said to Yue Ya.

Yue Ya was a cultivator who was at the top of this world, so he neither needed nor needed protection from others, Yue Ya's strength alone was sufficient to protect herself from enemies or evil people in this world.

and right now when he was in a state of helplessness, Ye Chen said that he would protect Yue Ya, of course this made Yue Ya feel touched when he heard this.

"Hahaha, are you sure you can protect your woman from us, after I beat you, we will all take turns raping your woman right in front of you" Xiao Gang told Ye Chen what he would do after killing Ye Chen.

after Xiao Gang killed Ye Chen, Xiao Gang would rape Yue Ya right in Ye Chen's face.

Xiao Gang was so daring to say this in front of Ye Chen and Yue Ya, he didn't know that what he just said would be the beginning of the destruction of his life.

Yue Ya who was currently in Ye Chen's arms started to look at Xiao Gang, Yue Ya of course listened to what Xiao Gang just said, this man was very brave to say he would rape herself right in front of Ye Chen.

The words that Xiao Gang just spoke had already touched the bottom of Yue Ya's tolerance, Yue Ya felt like turning this person into a vegetable.

Yue Ya was still a very strong cultivator, although his current strength was far from being recovered, Yue Ya could definitely make people disappear from this world with just a flick of a hand.

if Yue Ya wanted to, right now she could make people in front of her disappear from this world.

Yue Ya only needed a snap of a finger and these people could disappear into air.

"You are very brave to say such words to my beautiful wife, are you not afraid of the consequences you will receive later?" Ye Chen also felt annoyed when he listened to what Xiao Gang had just said.

words From Xiao Gang, made Ye Chen's pride as a man feel trampled, Ye Chen would definitely make Xiao Gang feel the consequences for having dared to mess with the woman he liked.

"Then let's see if you can protect the woman you have, everyone attack and take the woman in that person's hands" Xiao Gang ordered all his men to immediately attack Ye Chen.

with the order given by Xiao Gang, these people immediately rushed to attack Ye Chen.

Yue Ya was a little worried when she saw these people intending to attack Ye Chen, with Ye Chen's current cultivation level, these people were quite dangerous for Ye Chen.

if something bad really happened, Yue Ya intended to lend a hand and help Ye Chen out of this situation.

"You useless people, feel this **Sky Wind Law**." Ye Chen immediately used the **Sky Wind Law** to repel people who wanted to get close to him.

A strong and super strong wind erupted from Ye Chen's body, this wind blew away the bad people along with the land and forest around this place.

even Xiao Gang who had a fairly high cultivation could easily be blown away by the **Sky Wind Law** that Ye Chen had just used.

The meadow that previously looked beautiful, has now turned into a very large expanse of crater.

The grass and earth around this place were blown away by the strong wind that Ye Chen had just released.

Yue Ya was quite surprised when he saw the power that Ye Chen had just used, he couldn't believe that Ye Chen could use this kind of power with his cultivation level at this stage.

it was obvious that the power that Ye Chen had just used was already close to that of a cultivator at the early stages of the Divine Tribulation Realm.

"How strange." Yue Ya muttered under her breath, she felt that Ye Chen was really very strange, how could Ye Chen have a strength that was so much higher than his current cultivation base.

this became a big question mark for Yue Ya, Yue Ya increasingly felt that Ye Chen was more mysterious than she thought.

Xiao Gang was blown away hundreds of miles by Ye Chen's strong wind, he hit the ground with great pain.

"Dammit, this hurts." Xiao Gang held his chest, he still felt a slight pain in his chest from the attack that Ye Chen had just launched.

even though Xiao Gang was still quite far from Ye Chen, unexpectedly he would still suffer injuries when he was quite far from Ye Chen.

Xiao Gang looked at his subordinates who were not far from him, when Xiao Gang looked at his men, Xiao Gang found that his subordinates were currently injured and unconscious.

It could be seen that these people suffered far more serious injuries than Xiao Gang's.

"Bastard, I will make him pay for what happened" Xiao Gang intends to take revenge for what Ye Chen just did, the man dares to hurt his loyal subordinates.

Xiao Gang would not let this matter pass, it concerns Xiao Gang's reputation among the inner court Sect Disciples.

Xiao Gang flew back towards Ye Chen, with a very fast speed Xiao Gang reappeared in front of Ye Chen.

Ye Chen saw the arrival of Xiao Gang, it seemed that this person still didn't give up even after receiving a warning from Ye Chen.

"So you are still alive after being hit by the attack just now, I thought you were dead" Ye Chen said to Xiao Gang.

"Bastard, so you intend to kill me" Xiao Gang was not happy when he heard that Ye Chen wanted to kill himself.

"I'd prefer if someone like you left, that way no one else would be hurt because of you."

Xiao Gang was really angry when he heard the words that came out of Ye Chen's mouth, even the veins on Xiao Gang's forehead popped out when he listened to what Ye Chen said.

"Bastard, I will kill you and give your corpse to the dog" Xiao Gang was really already furious, he gave off quite a strong killing aura towards Ye Chen.

Xiao Gang intends to kill Ye Chen and give Ye Chen's corpse to his pet dog.

"I want to see if you can kill me or not" Ye Chen wasn't afraid of Xiao Gang's threats and bluffs, Ye Chen instead directly challenged Xiao Gang.

Xiao Gang is an impatient person, he immediately rushed towards Ye Chen to kill Ye Chen.

Xiao Gang took out an iron rod from his Space Ring, it seemed that Xiao Gang intended to use this iron rod to attack Ye Chen.

The iron rod currently in Xiao Gang's hands was a Tier 6 artifact, it was good enough for an outer court disciple to possess a Tier 6 artifact like this.
