

A True God 991

### **Chapter 991 - Blackmail Xiao Gang**

"So you want to fight, okay I will join this battle, Ying'er come out" Ye Chen called Yin Ying'er, immediately Divine Yin Yang Sword appeared in Ye Chen's hand.

Ye Chen tightened his embrace on Yue Ya even more tightly, Ye Chen trying not to let Yue Ya fall from his embrace.

"Die you bastard" Xiao Gang was getting closer and closer to Ye Chen, Xiao Gang started swinging his iron rod towards Ye Chen's head.

Xiao Gang no longer cares about Ye Chen's life and death, what Xiao Gang wants now is to kill Ye Chen and take Yue Ya from Ye Chen's hands.

Ye Chen could see very clearly every move that Xiao Gang was about to make.

"Bam" Xiao Gang's iron rod hit the ground with great force, a huge hole immediately formed as a result of the impact from Xiao Gang's iron rod.

"Damn he managed to dodge it" Xiao Gang cursed Ye Chen who managed to dodge the attack that came from him.

even though the distance between Ye Chen and his iron rod was only a few inches, it should be quite difficult to dodge the attack just now.

Xiao Gang didn't give up, he tried to attack Ye Chen again.

This time Xiao Gang was more serious, he used a much faster speed than before to attack Ye Chen.

"Bam. . ., Bam . . ., Bam . . .," Xiao Gang continuously launched attacks at Ye Chen, it's a shame that all of Xiao Gang's attacks could be easily dodged by Ye Chen.

Ye Chen didn't seem to have a problem when he had to dodge Xiao Gang's attacks.

"Your attack is too slow, with that like a turtle, you won't be able to hit me" Ye Chen said to Xiao Gang.

Xiao Gang was getting more and more angry with Ye Chen, he attacked Ye Chen in a blind manner.

Yue Ya saw what Ye Chen was doing at the moment, Ye Chen was on purpose to anger Xiao Gang.

Yue Ya didn't know why Ye Chen did this, why did Ye Chen bother to make Xiao Gang angry like this, this would only endanger Ye Chen himself.

Ye Chen did this to exhaust Xiao Gang's profound energy, allowing Xiao Gang to run out of profound energy when trying to attack Ye Chen.

Xiao Gang struggled very hard to attack Ye Chen, unfortunately all the hard work done by Xiao Gang didn't pay off, still all the attacks launched by Xiao Gang couldn't hit Ye Chen.

"Huft" it could be seen that Xiao Gang was getting tired, he had used a lot of his profound energy to attack Ye Chen.

"How long are you going to run away like that, fight like a man" Xiao Gang told Ye Chen to fight with him like a man.

"So you want me to fight like a man, fine I will fight with you." After seeing Xiao Gang's profound energy was running low, it was time for Ye Chen to show his strength.

Ye Chen immediately used **God Master One Sword**, himself immediately entered into Dao of Sword mode.

Yue Ya who was near Ye Chen instantly noticed the changes made by Ye Chen.

"Dao of Swords?" Yue Ya looked genuinely surprised when she discovered that Ye Chen could reach the highest stage in sword arts.

in the God Realm itself there were only a few people who could understand the Dao of Sword, these people were usually sword masters who had dedicated their lives to the path of the sword.

it was not uncommon for one to need tens of thousands or even hundreds of thousands of years just to be able to learn the Dao of Sword.

this made Yue Ya wonder Ye Chen's age, whether Yue Ya was wrong in estimating Ye Chen's age from the start.

Yue Ya was very confident in her abilities, there was no way he would be wrong in estimating Ye Chen's age after having this close contact, it was clear that Ye Chen was still very young and had not yet reached 100 years old.

"**One God Slash**" Ye Chen used the first move of the **God Master One Sword** to slash the forest on the right side of his body.

when Ye Chen slashed at the forest beside him, thousands of miles of forest were instantly cut clean by Ye Chen's slash.

Xiao Gang gaped when he saw what Ye Chen had just done, he thought what Ye Chen had done was really insane.

Xiao Gang had never seen someone do something like the current Ye Chen did.

"Do you want to feel it too?" Ye Chen pointed his sword at Xiao Gang, he asked Xiao Gang if Xiao Gang wanted to feel his sword slash.

Xiao Gang's body immediately broke out in cold sweat when he listened to what Ye Chen said, if he had just received that slash, perhaps Xiao Gang would have died on the spot.

The power of the slash just now was terrifying enough that it sent chills down Xiao Gang's body.

Xiao Gang even started to think that he had just found the wrong opponent, the person that Xiao Gang thought was weak and useless, turned out to have terrifying strength.

Ye Chen started to get closer to Xiao Gang, Ye Chen wore an evil expression as he approached Xiao Gang.

Xiao Gang got goosebumps when he saw Ye Chen's evil expression, Ye Chen's expression was very frightening for Xiao Gang.

when Ye Chen took one step forward, Xiao Gang took 2 steps back.

Xiao Gang doesn't know why he retreated when he saw Ye Chen's arrival, for some reason Xiao Gang felt that he felt that Ye Chen was very dangerous for him.

Ye Chen saw that Xiao Gang was starting to get scared when confronted with him, fighting an enemy who had fallen morally was something very easy.

Ye Chen moved behind Xiao Gang using ***Nine Shadow Steps***.

After being behind Xiao Gang, Ye Chen immediately pointed the Divine Yin Yang Sword at Xiao Gang's neck.

"You don't have an escape route anymore, you better give up now." Ye Chen told Xiao Gang to give up right now.

"Glup" Xiao Gang swallowed his saliva, he couldn't believe that Ye Chen was already behind him, Ye Chen's movements couldn't be seen by Xiao Gang's eyes at all.

"Friend, earlier it was just a misunderstandings, so don't take it seriously." Xiao Gang said that what happened just now was a misunderstanding.

Xiao Gang really is a shameless man, after threatening Ye Chen and Yue Ya after throwing threatening words and disrespectful words towards Ye Chen and Yue Ya, Xiao Gang with an innocent face said that earlier it was a misunderstanding

"I don't care what excuse you have, you have made my wife and I angry, so you have to pay for what you have done" Ye Chen said to Xiao Gang to pay for what he had done.

Yue Ya was happy to hear what Ye Chen said, Ye Chen would take revenge for what a shameless bastard like Xiao Gang had said.

Xiao Gang deserves what he deserves.

Xiao Gang panics even more, he doesn't know what Ye Chen will do to him.

"Quickly give up everything you have in your body right now" Ye Chen told Xiao Gang to give up everything he had.

it looks like Ye Chen is going to rob Xiao Gang into poverty.

"Huh?" Xiao Gang and Yue Ya were both shocked when they listened to what Ye Chen just said

## **Chapter 992 - Destroying Xiao Gang's Future As A Man**

Ye Chen wants everything that belongs to Xiao Gang, he will take everything that belongs to Xiao Gang.

Xiao Gang was quite surprised when he heard that Ye Chen wanted his belongings, this man really looked like a bandit.

"Why are you silent, would you rather die than give up what you have?" Ye Chen told Xiao Gang to take out all the things he had.

"Okay. ., OK. ., I will give it to you." Xiao Gang gave his Space Ring to Ye Chen.

Inside this Space Ring is an item that belongs to Xiao Gang.

Ye Chen received Xiao Gang's Space Ring, he broke the seal of Xiao Gang's Space Ring.

After destroying the seal in Xiao Gang's Space Ring, Ye Chen saw if Xiao Gang had anything good in this Space Ring.

Ye Chen started looking for the contents inside Xiao Gang's Space Ring, hoping to find something good.

"I think, I was wrong about Ye Chen." Yue Ya looked helpless when she saw Ye Chen snatching Xiao Gang's belongings.

what Ye Chen did was not what Yue Ya had imagined, even though Yue Ya had thought that Ye Chen would instantly turn Xiao Gang into vegetables, Ye Chen didn't expect him to actually want to snatch Xiao Gang's belongings.

Ye Chen was very disappointed after seeing the contents inside the Space Ring, inside Xiao Gang's Space Ring there was nothing interesting, mostly just useless items like an aphrodisiacs and some useless pills.

"This fellow is so poor, is he really an inner court disciple?" in his heart Ye Chen started to think that Xiao Gang was not an inner court disciple.

how an Inner Court disciple could be so poor like this, this could not be imagined by Ye Chen.

"Are you joking with me?, where is the precious thing you have?" Ye Chen again pointed his sword at Xiao Gang.

Ye Chen couldn't believe that Xiao Gang was so poor like this, this man must be hiding his treasures somewhere.

"Friends are all I have, so please let me go." Xiao Gang said to Ye Chen that that was all he had.

Ye Chen looked at Xiao Gang, it was obvious that this person was trying to lie to him.

"Useless" Ye Chen kicked Xiao Gang who was in front of him.

Xiao Gang's body was blown away by Ye Chen's kick.

Ye Chen didn't hold back when he kicked Xiao Gang, Xiao Gang would definitely get a decent amount of damage from Ye Chen's kick.

"Ye Chen, why do you bother wasting time with a bastard like him, you should have just crippled him into vegetables straight away" Yue Ya said to Ye Chen.

Yue Ya hoped that Ye Chen would directly cripple Xiao Gang from the start.

"Yue Ya dear, we don't need to make that bastard a vegetable, what I did just now was enough to make Xiao Gang suffer for life" Ye Chen said to Yue Ya.

"What do you mean?" Yue Ya didn't understand what Ye Chen meant.

"It's better that you don't need to know about the matter" Ye Chen said to Yue Ya.

Ye Chen didn't want Yue Ya to know that Ye Chen had just kicked Xiao Gang's important part, if Ye Chen told Yue Ya about this matter, maybe in the future Yue Ya could do this if Ye Chen messed up.

"-\_- " Yue Ya didn't understand what Ye Chen meant at all, she didn't know what Ye Chen meant.

do you want us to go somewhere else or should we go back?" Ye Chen asked Yue Ya.

this place had been destroyed due to the battle he and Xiao Gang had fought, so this place was no longer fit to be inhabited.

"Let's go back, I've got enough fresh air" Yue Ya invited Ye Chen to come back, she already felt that she had enough fresh air.

"Okay" Ye Chen nodded, he took Yue Ya back to the cave to rest.

"Ye Chen, how old are you now?" On the way back, Yue Ya asked how old Ye Chen was.

"Hmm, maybe around 20 years old" Ye Chen told Yue Ya about his current age.

"20 years? . . ." Yue Ya was quite surprised when she found out that Ye Chen's age is still very young, Ye Chen's age can be said to be very young if you look at the average age of people in God Realm which can reach thousands or even tens of thousands of years.

"So why do you ask about something like that?" Ye Chen wanted to know why Yue Ya asked about that matter.

"No, it's just that I was quite surprised when I saw that you were able to understand the Dao of Sword at such a very young age." Yue Ya said to Ye Chen.

"Really, even though I'm quite difficult to learn this Dao of Sword, I need a few days to learn this Dao of Sword" Ye Chen told Yue Ya that he was quite difficult to learn this Dao of Sword..

"Puft . . ." Yue Ya coughed lightly as she listened to what Ye Chen had just said, she couldn't believe what she had just heard from Ye Chen.

Ye Chen learned the Dao of Sword in just a few days, this was the craziest thing Yue Ya had ever heard in her life.

"Why are you looking at me like that, do you think I look like a monster?" Ye Chen said to Yue Ya who was in his arms.

"You are indeed a terrible little monster." Yue Ya said that Ye Chen was the most terrifying little monster ever she had met.

what Yue Ya said was the truth, Ye Chen was a little monster who had ruined her innocent life.

if Yue Ya didn't meet Ye Chen, perhaps Yue Ya would still be a beautiful goddess who was still innocent and unsullied.

"Yue Ya don't talk like that, I'm not a little monster, I'm the most handsome man in this world" Ye Chen said to Yue Ya.

"You should probably look at your face in the mirror, you are still lucky if a woman is willing to be with you" Yue Ya said to Ye Chen.

Yue Ya actually didn't want to say this, but because Ye Chen was too arrogant and overconfident, Yue Ya couldn't help but remind Ye Chen of this matter.

"You don't believe me, Let's see later" Ye Chen told Yue Ya to take a look later.

later Ye Chen would show Yue Ya his true appearance.

Ye Chen wanted to see how this beautiful goddess would react when she saw Ye Chen's real handsome face.

Ye Chen was very confident in his good looks, he was sure that Ye Chen was one of the most handsome men in the entire God Realm.

Yue Ya didn't think much of this, after all she didn't really care about this matter.

Ye Chen brought Yue Ya back to the cave, after returning to the cave Ye Chen put Yue Ya on the bed to rest for a while.

After hugging Yue Ya for some time, Ye Chen finally let go of Yue Ya too.

Yue Ya lost her sense of comfort when Ye Chen let go of herself, somehow she suddenly felt this kind of feeling.

### **Chapter 993 - Sun Palace**

Ye Chen went outside the cave, he wanted to change his appearance as before.

After all, Ye Chen was currently outside the Sect, so it didn't matter if Ye Chen changed his appearance to his original.

After all, Ye Chen was still not very used to this kind of appearance, Ye Chen's boring appearance made it difficult for Ye Chen.

Ye Chen also wanted to give Yue Ya a surprise, he hoped that Yue Ya would be surprised when he saw her real appearance.

Inside the cave Yue Ya was currently waiting for Ye Chen very patiently, Yue Ya didn't know what Ye Chen was doing outside the cave.

Yue Ya felt that he wanted to see what Ye Chen was doing right now.

when Yue Ya wanted to peek at what Ye Chen was doing out there, Ye Chen suddenly entered the cave.

"Ye Chen ,Where have you been." Yue Ya's words immediately caught in her throat.

Yue Ya was currently looking at a handsome man standing in front of her, this man could be said to be the most handsome man Yue Ya had ever seen in this life.

Yue Ya was even slightly dazed when she saw this handsome man in front of her.

Ye Chen was very happy when she saw Yue Ya surprised like this, it seemed that the surprise prepared by Ye Chen had succeeded in surprising Yue Ya.

Ye Chen went to Yue Ya's side, he came closer and tried to hug Yue Ya.

Yue Ya immediately woke up when she saw Ye Chen approaching, she immediately became very alert when she saw Ye Chen approaching.

"Stop, who are you?" Seeing this handsome man approaching, Yue Ya immediately stopped Ye Chen.

Ye Chen smiled when he saw Yue Ya didn't know him, it seemed that this appearance could make Yue Ya not know Ye Chen.

"Goddess Yue Ya, don't you know who I am?" Ye Chen asked Yue Ya if she didn't know about him.

Yue Ya looked at Ye Chen up and down, she still didn't know it was Ye Chen.

Ye Chen's changes were shocking, so it wasn't surprising that Yue Ya didn't suspect that this handsome man in front of him was Ye Chen.

Seeing the confusion shown by Yue Ya, Ye Chen immediately rushed to the bed, Ye Chen hugged Yue Ya who was on the bed again.

Yue Ya was quite surprised by the bravery of this handsome man, this handsome man was so brave to hug herself without an approval of her own.

Yue Ya intended to drive this shameless handsome man away from her, Yue Ya was ready to use her power to chase Ye Chen away.

just as Yue Ya was about to push this handsome man away, Yue Ya suddenly felt a familiar feeling for handsome man.

"Ye Chen?" Yue Ya looked at the handsome man in front of him, from a glance this man had an almost identical appearance to Ye Chen.

the difference is this man is much more handsome and looks more dignified than before.

"You are Ye Chen?" Yue Ya asked Ye Chen who was in front of her.

"If I'm not Ye Chen, then who am I?" Ye Chen said to Yue Ya.

Ye Chen told Yue Ya that he was indeed Ye Chen.

"What happened to you?, why did you become like this?" Yue Ya asked what happened to Ye Chen, why did Ye Chen change so much that Yue Ya barely recognized Ye Chen.

"Hehehe, it's a bit of a long story to tell." Ye Chen didn't bother to tell Yue Ya this. Yue Ya didn't need to know about this matter.

"So how do you believe what I said earlier?" Ye Chen said to Yue Ya.

"I do not know?" Yue Ya looked away from Ye Chen, it could be seen that Yue Ya didn't want to face Ye Chen who was now a very handsome man.

Ye Chen's current appearance was truly the standard of a man Yue Ya could dream of, so it wasn't strange that Yue Ya didn't dare to look at the current Ye Chen.

"Hehehe" Ye Chen chuckled when he saw Yue Ya dodge this matter, it seemed that he had won this time.

Ye Chen pushed Yue Ya into the bed.

Yue Ya was quite surprised when he saw what Ye Chen was doing right now.

"Ye Chen, what do you want to do?" Yue Ya immediately asked what Ye Chen wanted to do.

Yue Ya's heart could no longer calm down when she saw Ye Chen plop herself down on the bed, this was like a scene where a man had his first night with a woman.

"What's more, of course I want to sleep with you" Ye Chen said that he wanted to sleep with Yue Ya.

Yue Ya's heart quickened when she heard what Ye Chen said, she panicked more and more when she heard what Ye Chen said.

"Our Ye Chen must not do such a thing" Yue Ya told Ye Chen not to do such a thing.

Yue Ya wasn't prepared for a serious situation like this, he didn't want to do something like that too soon

"So why, didn't we hug like this yesterday too?" Ye Chen said to Yue Ya.

Ye Chen only wanted to hug Yue Ya, so Ye Chen had no other intentions for Yue Ya.

just doing this was enough for Ye Chen, Ye Chen had already gained tremendous benefits when doing this with Yue Ya.

"Huh?" Yue Ya was shocked when she heard what Ye Chen had just said.

It seemed Yue Ya had misunderstood what Ye Chen had just said.

"How can I think of such a thing?" Yue Ya blamed the thought of hers running wild.

Yue Ya thought that Ye Chen wanted to go further into the relationship, unexpectedly this man only wanted to hug her like before.

"This is all his fault" Yue Ya could only blame Ye Chen, because of the words that Ye Chen said, Yue Ya's thoughts went wild.

Ye Chen hugged Yue Ya, he started cultivating while hugging the beauty on the side.

Yue Ya herself was curled up in Ye Chen's arms, herself continue sleeping in Ye Chen's arms.

.

.

meanwhile elsewhere in the main palace was the Eternal Sun Star Realm.

a young lady with a very Sexy body got up from the bed.

This young lady has an extremely perfect body and a very beautiful and dazzling face, any male who sees this young lady's beauty will instantly become the slave of this young lady.

The figure and beauty possessed by this young lady can be compared to the four beauties in the God Realm.

beside this young lady there was a man who was currently in a terrible state, this man had dried up like a skull.

"Useless." This young lady said that the man beside her was completely useless.

this man was already dead, so he was unable to listen to what the young woman had just said.

"Ru, come here" this young woman called the name of her maid.

a young woman with a rather beautiful appearance entered the room.

"Miss Sun, are you looking for me?" The woman named Ru saluted and asked the Sexy young lady.

#### **Chapter 994 - Search Ancient (Yang) Body**

"Take this person away from this place, I'm sick of seeing this person" a young lady Sun told Maid Ru to carry away the corpse of the man who was on the bed.

"Okay, young lady Sun, I will take care of this person as soon as possible." The maid named Ru will immediately carry out the orders given by the young lady Sun.

"One more thing, bring me a new one." This young lady Sun wanted a new man.

this young lady cultivated a cultivation technique that required a great deal of Yang Qi, which was why this young lady absorbed the Yang Qi of the man beside her to dry like this.

this woman was truly terrifying, the person beside her was dry like that from running out of Yang Qi.

"Miss Sun, but there are no men left, you have used them all" Maid Ru informed the young lady that there were no more men with a supply of Yang Qi left.

all the existing men have been sucked dry by this beautiful young lady.

The young lady looked dissatisfied as she listened to what Maid Ru had just said, she was furious when she heard that her supply of Yang Qi had run out.

Maid Ru looked scared when she saw the young lady Sun get angry, she immediately lowered her head and did not dare to look at the young lady Sun anymore.

"Is there nothing left?" asked the young lady Sun to Maid Ru.

"Young lady, I'm sorry, but they're all gone." Maid Ru told Young Lady Sun that the man with Yang Qi's supply had run out.

Young Lady Sun was furious when she heard this news, she desperately needed Yang Qi to continue cultivating, no matter what, Young Lady Sun had to be able to get a supply of Yang Qi.

"You go and find me a new one, I don't care what method you use, make sure you don't bring trash here, otherwise you will lose your life." Young lady Sun told Maid Ru to go and find a man with pure Yang Qi for herself.

"Very well, I understand." Maid Ru immediately nodded to Young Lady Sun, it could be seen that Maid Ru was very, very afraid of Young Lady Sun.

young lady Sun was known to be quite ruthless, she was almost as ambitious as Sun Quan, this beautiful young lady would do anything to gain power.

this young lady Sun didn't even care if she had to kill so many people to get what she wanted.

"You can do whatever you want, if anyone dares to resist, destroy their star, hurry up and leave right now." Young lady Sun told Maid Ru to leave as soon as possible.

"Okay, I'll excuse myself first." Maid Ru nodded, she would immediately do what the young lady Sun told her to do.

Maid Ru took the dead man's corpse, it was time for Maid Ru to bury this man.

young lady Sun saw the departure of Maid Ru, after the departure of Maid Ru, young lady Sun walked to the front of the window in her room.

the way the young lady Sun walked was so graceful and seductive that no man could imagine.

Every move this woman made was so seductive, she was truly like the reincarnation of Succubus Queen

the young lady Sun looking up at the heavens in the Eternal Sun Star Realm.

"That's really disappointing, why haven't I found anyone with a decent Yang Qi until now?" Young lady Sun was very disappointed when she found out that she didn't find a man with a truly worthy Yang Qi for her.

if young lady Sun were to obtain one with a large amount of pure Yang Qi, then it was certain that she would soon reach the pinnacle of cultivation.

"Ancient (Yang) Body, where is the person with the rarest body in the world?" Young lady Sun seemed to be looking for the whereabouts of the owner of the Ancient (Yang) Body.

Young Lady Sun had searched for the owner of this body throughout the God Realm for quite a long time, unfortunately she had yet to find the owner of the Ancient (Yang) Body.

"You'll see, if I ever find someone who has an Ancient (Yang) Body, I won't let it go." Young lady Sun definitely won't let go of the owner of the Ancient (Yang) Body.

the owner of this Ancient (Yang) Body will be the best furnace in this world.

Young Lady Sun smiled charmingly, she couldn't wait to imagine if she managed to find the Ancient (Yang) Body.

.  
. .  
.

Meanwhile, Ye Chen who was sleeping together with Yue Ya felt an uncomfortable feeling in his heart.

Ye Chen sensed something bad was going to happen in the future.

instinct Ye Chen very sharp, Ye Chen very, very confident with the instincts he had, instinct belongs Ye Chen would not deceive himself

Ye Chen saw Yue Ya in his arms, can be seen if Yue Yes now sleeping very peacefully once .

currently Ye Chen is constantly near Yue Ya, every second Ye Chen is always near Yue Ya, it can be seen that Ye Chen is not willing to let go of Yue Ya's amazing beauty.

Ye Chen knew that he would not be able to do this continuously, sooner or later Yue Ya would definitely recover his strength, if that happened, then Ye Chen would most likely not be able to hug Yue Ya like this again.

Ye Chen enjoyed the time he had with Yue Ya, every second was precious to Ye Chen.

Ye Chen hugged Yue Ya tighter, he hugged Yue Ya while absorbing Yue Ya's Yin Qi.

some days go by very quickly.

Without Ye Chen knowing, Yue Ya had already started to recover her strength, now Yue Ya had enough strength to go against the Flame Dragon and retrieve the Flame Spirit Root.

Yue Ya opened her eyes which looked very beautiful, Yue Ya looked straight at Ye Chen who was in front of her.

it just so happened that Ye Chen was currently in the critical phase of breaking through to the fourth level of the Divine Spirit Realm.

Ye Chen's cultivation speed was truly extremely fast, this was beyond what normal cultivators could imagine.

"Looks like it's time" Yue Ya felt that it was time for him to leave.

Yue Ya must not remain in this place, Yue Ya must immediately go to seize the Flame Spirit Root that is in the Flame Dragon's hands.

Yue Ya knew that being with Ye Chen was the happiest moment in her life.

however Yue Ya had her own problems to deal with, so she couldn't continue to enjoy the comforts of this place with Ye Chen.

Yue Ya Getting up from the bed, Yue Ya took very light steps before leaving this Cave.

before leaving Yue Ya didn't forget to look at Ye Chen who was currently in the critical phase of breaking through.

For some reason Yue Ya felt that it was difficult for her to leave Ye Chen, the feelings that Ye Chen had given her for the past few days made it difficult for Yue Ya to leave Ye Chen's side.

Unfortunately Yue Ya's matter was more important, so he decided to strengthen her resolve.

"Ye Chen, see you later" Yue Ya said goodbye to Ye Chen.

After bidding farewell to Ye Chen, Yue Ya left the Cave and headed towards the Flame Dragon's place.

### **Chapter 995 - Catch Up With Yue Ya**

Ye Chen was currently too focused on break through, he didn't notice the departure of Yue Ya who was beside him.

"Boom" Ye Chen finally break through to the next level, Ye Chen is now at the fourth stage of the Divine Spirit Realm.

After Ye Chen break through the fourth level of the Divine Spirit Realm, Ye Chen started to open his eyes.

"I finally break through to the fourth level of the Divine Spirit Realm." Ye Chen was overjoyed when he found out that he had break through to the fourth level of the Divine Spirit Realm.

Ye Chen's cultivation speed became extremely fast when he was with Yue Ya.

This kind of speed could not be imagined by Ye Chen, if Ye Chen continued like this, then he would very quickly reach a much higher cultivation very quickly.

Ye Chen turned his eyes to the side, looking for the whereabouts of Yue Ya who was supposed to be sleeping beside him.

When Ye Chen looked to the side, he didn't find Yue Ya beside him.

"Uh, where did she go?" Ye Chen immediately panicked when he didn't find Yue Ya near him.

It was quite strange to see Yue Ya had disappeared from beside him.

Ye Chen started looking for Yue Ya around this place, unfortunately Ye Chen didn't find Yue Ya around this place.

"Where did Yue Ya go?" Ye Chen started to wonder where Yue Ya had gone.

"Master, you won't find her around this place, the beautiful goddess has already left." Chu Yuechan told Ye Chen that Yue Ya had already left, Ye Chen would no longer be able to find Yue Ya around this place.

"Go away, since when did he leave?" Ye Chen immediately asked Chu Yuechan since when Yue Ya left.

"she left a while ago" Chu Yuechan told Ye Chen that Yue Ya left a while ago.

"Do you know where she went?" Ye Chen immediately asked Chu Yuechan about where did Yue Ya go.

"Hem, I don't know about that matter either, what I know is that she flew into the deep of the forest" Yue Ya told Ye Chen that Yue Ya flew to the deep of the forest.

Chu Yuechan himself didn't know what Yue Ya was doing at this time, all she knew was Yue Ya went to the deepest part of this forest where the Flame Dragon lived.

"Don't tell me he intends to go fight the Flame Dragon again?" Ye Chen immediately guessed that Yue Ya was going to fight the Flame Dragon again.

"Yes, it's highly likely that it could happen." Chu Yuechan said that it was highly likely that it could.

"Even though she's still recovering, why is she pushing herself like that?" Ye Chen felt annoyed when he found out Yue Ya was forcing herself.

when Yue Ya had just recovered, how could he be reckless and decide to fight the Flame Dragon.

Ye Chen probably knew that Yue Ya was a strong woman, the problem was that Yue Ya's strength had not yet fully recovered, if Yue Ya forced a fight under these conditions, then Yue Ya's chances of winning would be slim.

"So, what do you want to do, do you intend to catch up with her?" Chu Yuechan asked Ye Chen.

"Of course, I will follow her" Ye Chen was going to follow Yue Ya, he didn't want anything bad to happen to Yue Ya.

"That's a stupid thing, if you leave then you might die from being dragged down by the battle between the two." Chu Yuechan warned Ye Chen that he could die if he interfered in the battle that was taking place.

"I don't care about such things." Ye Chen told Chu Yuechan that he didn't care about that matter.

"Geez, you really can't be helped." Chu Yuechan felt that Ye Chen couldn't be helped anymore.

Ye Chen was quite worried about Yue Ya's safety, so it wasn't strange that Ye Chen was willing to go through danger for the sake of this matter.

You might think that what Ye Chen did was stupid, but in reality, what Ye Chen did was something that made women like Ye Chen.

"Please don't stop me" Ye Chen told Chu Yuechan not to stop himself.

"I won't stop you, but please be careful, you use Heavenly Armor to protect your body from being seriously injured when approaching a possible battle" Chu Yuechan said to Yue Ya.

Chu Yuechan would not stop Ye Chen, Chu Yuechan knew that she would not be able to stop Ye Chen's decision.

once Ye Chen had made a decision, it would be very difficult for anyone to stop Ye Chen.

"Thank you very much, I will remember that" Ye Chen understood, he would remember what Chu Yuechan said.

Ye Chen went out of the cave, he immediately flew to the deepest part of this forest.

Ye Chen hoped that if he could meet Yue Ya, it would be better if Ye Chen could stop Yue Ya before fighting the Flame Dragon.

Yue Ya was currently sneaking towards the hideout of the Flame Dragon, unlike before, Yue Ya this time did not blatantly fight the Flame Dragon like before.

Yue Ya knew that his current strength was almost comparable to that of the Flame Dragon, so when it came to fighting it was difficult to decide who would win.

"It's quite quiet here, where do you think the Flame Dragon has gone?" Yue Ya felt that this place was very quiet, she wanted to know where the Flame Dragon had gone.

Yue Ya was starting to worry that if the Flame Dragon prepared a trap for her, it could be that the Flame Dragon prepared a trap for her.

After the battle a few days ago, the Flame Dragon must have become extremely vigilant, the Flame Dragon must have prepared something if Yue Ya returned to this place.

"I'll go straight inside and get the Flame Spirit Root." Yue Ya decided to sneak inside and take the Flame Spirit Root that was inside.

"Um. . ." Just as Yue Ya was about to sneak inside, suddenly someone grabbed her mouth from behind.

Yue Ya was quite surprised when she found out about this, who was the person who suddenly appeared behind her.

Yue Ya intended to expel this person who had held captive her.

"Yue Ya, calm down?" Ye Chen immediately told Yue Ya to calm down and not make a fuss.

Yue Ya was very familiar with this person's voice, it was clearly Ye Chen's voice.

Yue Ya looked back, when she looked back, she saw that Ye Chen was indeed behind her.

Yue Ya was surprised when she learned that Ye Chen

"Ye Chen, what are you doing in this place?" Yue Ya immediately asked what Ye Chen was doing in this place.

"You're still asking why I'm here, isn't it because of you?" Ye Chen told Yue Ya that he was here because of Yue Ya.

Yue Ya didn't expect Ye Chen to say such words, unexpectedly Ye Chen was willing to endure danger to come to this place because of her.

Yue Ya might be happy about this, but on the other hand she was worried about Ye Chen's safety.

"Don't you know that this place is very dangerous for you, you better go back" Yue Ya told Ye Chen to go back, this place is not suitable for Ye Chen.

**Chapter 996 - Yue Ya Vs Flame Dragon**

"I also know that this place is very dangerous, but I am very worried about your current situation." Ye Chen knew that this place might be dangerous for him, but Ye Chen went to this place because of Yue Ya.

"You idiot, I've recovered, so you don't have to worry like that" Yue Ya told Ye Chen that she had recovered.

so Yue Ya hoped that Ye Chen would no longer worry about her like this.

According to Yue, what Ye Chen did was very dangerous for Ye Chen, it could harm Ye Chen by coming to a place like this.

"Still I'm still worried about you" Ye Chen told Yue Ya that he was still worried about her condition.

Yue Ya didn't know how to scold Ye Chen anymore, Ye Chen really looked very worried about him, so Yue Ya couldn't bear to scold Ye Chen.

"Who is the intruder who dares to enter the territory of this king?" When Ye Chen and Yue Ya were talking.

from the front came a loud and angry voice, hearing this Ye Chen and Yue Ya immediately became very alert.

The Flame Dragon came out from its hiding place, it appeared right in front of Ye Chen and Yue Ya.

Yue Ya looked at the Flame Dragon in front of him, after a few days of not seeing each other, Yue Ya finally reunited with the Flame Dragon who had injured him.

"Ye Chen, quickly leave this place right now, I can't currently protect you" Yue Ya told Ye Chen to leave this place immediately.

with Yue Ya's current strength, Yue Ya couldn't fight while protecting Ye Chen.

"You don't have to worry about that matter, I will try to help you" Ye Chen didn't want to leave this place, he wanted to help Yue Ya fight the Flame Dragon.

"Are you crazy?" Yue Ya couldn't believe what Ye Chen said, what Ye Chen said was completely unreasonable.

With Ye Chen's current strength, a single burst of Flame Dragon's breath of fire was enough to turn Ye Chen into ashes.

if Ye Chen stayed in this place, then Ye Chen would definitely die a gruesome death.

"Trust me, I'll be fine, you better focus on that Flame Dragon" Ye Chen told Yue Ya to focus on the Flame Dragon that was currently right in front of them.

Yue Ya really didn't know where Ye Chen's confidence came from, Ye Chen was very confident in his abilities.

Although Yue Ya could see Ye Chen's confidence was very high, Yue Ya was still worried about Ye Chen's safety.

Yue Ya had never felt worried like this, she was terrified when something bad happened to Ye Chen.

"You shameless human, after being defeated by this king, you still dare to come here again, are you seeking death?" The Flame Dragon roared at Ye Chen and Yue Ya, it could be seen that the Flame Dragon was furious when it saw Yue Ya come back to the place.

"Flame Dragon, quickly hand over that thing to this woman, if you still insist on not handing it over, then this woman will completely destroy you" Yue Ya gave a bluff to Flame Dragon.

rather than Yue Ya having to fight against the Flame Dragon, Yue Ya would rather take the Flame Spirit Root from the Flame Dragon's hands by bullying him.

"Hahahaha, did you think I would be afraid of that little bluff of yours" Flame Dragon was not afraid of Yue Ya's threat.

"Then don't blame me" Yue Ya had no choice but to fight against the Flame Dragon, after seeing the Flame Dragon's arrogance, she had no choice but to fight against the Flame Dragon.

Yue Ya started to release her profound energy.

when Yue Ya released her profound energy, suddenly the ground shook violently.

it could be seen that Yue Ya was using the full power he currently had.

Yue Ya knew that her strength had not yet fully recovered, which was why Yue Ya used all the strength she currently had.

"I have beaten you before, therefore this time I will beat you again" Flame Dragon said that he was able to defeat Yue Ya again.

The Flame Dragon has very high confidence in defeating Yue Ya, this place is also Flame dragon's territory, so it's not surprising that the Flame Dragon is very confident in his abilities.

The Flame Dragon began to emit hot flames that enveloped its body, this fire was so hot that it could melt any rock that was around this place.

both Yue Ya and the Flame Dragon were currently using the full strength they had, it could be seen that neither of them were holding back.

Ye Chen could feel an extremely strong power emanating from Yue Ya and the Flame Dragon, this power was so strong that Ye Chen's body felt extremely heavy.

"Bam" Yue Ya and the Flame Dragon started a very fierce battle.

The impact of the battle carried out by the two was truly overwhelming, Ye Chen was forced to retreat quite a distance by the impact of the battle carried out by Yue Ya and the Flame Dragon.

"So it's a high-ranking cultivator's battle." Ye Chen saw this high-level battle for the first time at this close range.

It was quite thrilling to see the strength that Yue Ya and the Flame Dragon possessed at close range like this.

The battle that Yue Ya and Flame Dragon fought was beyond Ye Chen's imagination, currently Ye Chen couldn't possibly get close and help Yue Ya.

"What should I do now?" Ye Chen started to think about what he should do now.

Ye Chen obviously couldn't join the battle, if he did join then Yue Ya would definitely find it difficult to protect himself.

"Damn it, why don't I have enough strength" Ye Chen cursed himself for not having enough strength, if Ye Chen had enough strength, surely he could help Yue Ya.

"Master, don't be so desperate, even if you can't join the battle, you still have something to do?" Chu Yuechan said to Ye Chen.

"Something that can be done?" Ye Chen started to think about what Ye Chen just said.

"I know." After thinking for a while, he finally knew what to do.

since Ye Chen couldn't fight the Flame Dragon, why didn't he sneak away to retrieve the Flame Spirit Root, after all, the Flame Dragon was currently busy with Yue Ya, so he definitely wouldn't have time to keep an eye on Ye Chen.

"Alright" Ye Chen had already decided, he was going to go inside the secret place of the Flame Dragon, at least this was what Ye Chen could do at this point.

"**Nine Shadow Step**" Ye Chen used the **Nine Shadow Step** to leave unnoticed by neither the Flame Dragon or Yue Ya.

Ye Chen went towards the place where the Flame Dragon hid the Flame Spirit Root.

while Ye Chen was starting to go inside, Yue Ya was currently quite busy fighting the Flame Dragon.

The battle between Yue Ya and the Flame Dragon was quite fierce, it could be seen that the battle was evenly matched.

### **Chapter 997 - Infiltrated The Flame Dragon's Lair**

"Human, you seem to have gotten weaker since the last time we met." Flame Dragon told Yue Ya that she had become weak since their last meeting.

"It's just your feelings." Yue Ya tried to deny that she had become weaker than last time.

Yue Ya didn't want to expose her weakness in front of her opponent, that's why Yue Ya didn't want to admit to the Flame Dragon that she was weak.

"Hahaha, then I'll just beat you and let you know not to mess with this king anymore" Flame Dragon said that he would defeat Yue Ya as soon as possible.

"I won't let you win just like that" Yue Ya said that she wouldn't let the Flame Dragon win just like that.

"Let's prove what you said" Flame Dragon said to Yue Ya to prove what she just said.

The Flame Dragon started to attack Yue Ya, it used its claws to attack Yue Ya.

**"Three Finger Dragon Claw"** The Flame Dragon used its three claws to attack Yue Ya.

Yue Ya was currently standing still, there was no sign of Yue Ya going to dodge the attack launched by the Flame Dragon.

"Slash" Three Finger Dragon Claw successfully hit Yue Ya's body.

Yue Ya's body was torn into pieces by the Three Finger Dragon Claw's attack.

"Hahaha, humans feel it" The Flame Dragon looked very happy when he saw Yue Ya getting hit by his attack, this was much easier than he imagined.

When the Flame Dragon was happy, he discovered that Yue Ya body in front of him was starting to blur and turn into Blue light.

Seeing this the Flame Dragon knew that what he had just attacked was Yue Ya's substitute body.

"You are too confident, feel this" Yue Ya launched a sneak attack towards the Flame Dragon, himself hitting the Flame Dragon with all the strength he had.

The unprepared Flame Dragon was instantly knocked down by Yue Ya's surprise attack.

"Bam" The Flame Dragon's huge body hit the ground very hard.

The ground below was instantly scattered by the impact of the Flame Dragon's body.

"too hard" Yue Ya felt that the Flame Dragon's body was too strong, her attacks were unable to penetrate the Flame Dragon's skin.

"Boom" Flame Dragon came out from the rubble of the ground, Flame Dragon looked at Yue Ya with an extremely intense look of hostility.

"Bastard, you only dare to attack me with a sneak attack like that" Flame Dragon was dissatisfied when he saw Yue Ya attack himself in such a manner.

"In a battle all kinds of means are allowed, so it doesn't matter if I use a surprise attack like that" Yue Ya said to the Flame Dragon.

this is an unofficial battle, so all kinds of means are allowed in this battle.

" Damn it. Then I will make you regret it." The Flame Dragon started to roar at Yue Ya.

The Flame Dragon's body began to be covered in magma that erupted from beneath its body.

Yue Ya saw what the Flame Dragon was doing, it seemed that this time the Flame Dragon would be really serious in fighting her

Yue Ya started to take out her sword, a very beautiful sword appeared in Yue Ya's hand.

Yue Ya's sword was called Moon Lord Sword, it was one of the high Tier weapons in the God Realm.

The Moon Lord Sword was at the Earth Tier rank, one could say it was a rare weapon that not just anyone could possess.

Yue Ya was a cultivator who possessed strength at the peak of this world, so it was not strange that Yue Ya possessed a high Tier weapon.

The current Flame Dragon had completely coated its body with Magma, now it was ready to battle Yue Ya with all its might.

Yue Ya raised the Moon Lord Sword, himself rushed towards the Flame Dragon to attack it.

The Flame Dragon didn't stay still either, the Flame Dragon headed towards Yue Ya.

"Clang . . . , clang . . . , clang . . . , clang . . . ," the two began to wage a fierce battle that shook this forest.

All the weak creatures around this place were running from the impact of the battle that Yue Ya and the Flame Dragon had fought.

.  
. .  
.

While Yue Ya was busy fighting the Flame Dragon, Ye Chen had currently slipped deep into the place where the Flame Spirit Root was.

In order to reach where the Flame Spirit Root is, Ye Chen relied on the help of Chu Yuechan, Ye Chen used the help of Chu Yuechan to get to the place where the Flame Spirit Root was.

"Yuechan, is it still far?" Ye Chen asked if the Flame Spirit Root's place was still far away.

"No, we'll be there soon." Chu Yuechan told Ye Chen that soon they would be where the Flame Spirit Root was.

"Good." Ye Chen was quite happy when he heard that the Flame Spirit Root was approaching.

"rumble. . . ,rumble. . . ,rumble. . . ,rumble. . . ," the stone walls that were around Ye Chen began to fall down on Ye Chen's body.

The earthquake caused by Yue Ya and the Flame Dragon's battle was so powerful, it made the area around Ye Chen's place become fragile and easily destroyed.

"The two of them are really crazy, this whole forest might be destroyed due to the battle they are doing" Ye Chen said in his heart.

The battle of Yue Ya Vs Flame Dragon was truly extremely formidable, the battle of these two could make all places shake and shatter like this.

If Yue Ya and the Flame Dragon fought on Earth, then it was certain that the Earth would completely crumble to the ground.

Ye Chen now understood the strength possessed by cultivators at the Divine Overlord Realm stage, their strength could no longer be imagined by mortals.

Right now Yue Ya's strength is still far from being recovered, if Yue Ya's strength really recovered, perhaps Yue Ya could destroy this star very easily.

"Master, you better hurry, otherwise this place will collapse soon." Chu Yuechan told Ye Chen to go get the Flame Spirit Root immediately.

If Ye Chen continued to be in this place, then Ye Chen could be buried alive.

"Okay-okay I understand" Ye Chen understood, he was going to rush over to retrieve the Flame Spirit Root.

Ye Chen now rushed forward, Ye Chen pass through and break through the various traps that the Flame Dragon had set up to prevent intruders from entering.

When Ye Chen went deeper, he found that this place was filled with extremely hot incandescent lava, the temperature in this place was probably almost exactly the same as the temperature of the sun.

Luckily Ye Chen was immune to heat, so he wouldn't be affected by the heat in this place.

"So this is the place." Ye Chen just found out that Flame Spirit Root grows in a place like this, it was quite difficult to imagine medicinal plants growing in such a high temperature place.

Ye Chen started to look around this place, he started to find out if there was a treasure in this place.

When Ye Chen looked around this place, Ye Chen could find that around this place there were a lot of big red crystals.

Ye Chen began to look and observe more closely, when Ye Chen looked at this crystal, Ye Chen discovered that this red crystal lump turned out to be a Divine Red Profound Crystal.

Ye Chen's brain was slightly confused when he found out that the crystal lump in this place was the Divine Red Profound Crystal.

### **Chapter 998 - Get Rich**

Ye Chen almost couldn't believe what he was seeing right now, Ye Chen rubbed his eyes to make sure once again that what he saw was real.

when Ye Chen rubbed his eyes, Ye Chen confirmed that what was in front of him was reality.

"This is great, I will become a rich man, Hahaha" Ye Chen was very happy to know that this was the Divine Red Profound Crystal.

In the God Realm , Divine Red Profound Crystals were already quite a valuable currency, with as many Divine Red Profound Crystals as Ye Chen could buy whatever he wanted.

This time Ye Chen had actually snagged a Jackpot, he didn't expect that in the Flame Dragon's lair there would be so many Divine Red Profound Crystals like this.

"Master, you're drooling." Chu Yuechan said that Ye Chen's saliva was dripping when he saw that chunk of Divine Red Profound Crystal in front of him.

After being told by Chu Yuechan, Ye Chen instantly wiped his drool.

when he saw the Divine Red Profound Crystal in front of him, it just so happened that Ye Chen was short of Profound Crystal.

90% of the Divine Rainbow Crystals currently owned by Ye Chen were brought by Zhao Yanyan.

Before leaving Ye Chen gave 90% of his Divine Rainbow Crystals for all his wives to use.

Ye Chen wanted the best for his wife, so Ye Chen would not be stingy about resources for his beloved women.

Now Ye Chen had a successor that was estimated to be far more numerous than the Divine Rainbow Crystal that Ye Chen previously possessed.

"hehe" Ye Chen really looks very happy, he really likes this place.

"Time to mine." Ye Chen felt that if this was the right time to mine, he would mine all the crystals in this place.

With a happy mood, Ye Chen started to mine the Divine Red Profound Crystals that were in this place.

To speed things up, Ye Chen summoned several of his clones to help him mine the Divine Red Profound Crystals that were in this place.

With a single command from Ye Chen, all the clones immediately went to mine all the Divine Red Profound Crystals in this place.

Ye Chen was really tempted by the Divine Red Profound Crystal I that was in this place, Ye Chen had even forgotten his original purpose for coming to this place.

Even though Ye Chen's original purpose for coming to this place was to obtain the Flame Spirit Root, he didn't expect Ye Chen to fall into the Divine Red Profound Crystal and forget about the Flame Spirit Root.

Ye Chen and the Clones skillfully dug up all the Divine Red Profound Crystals in this place, with the good cooperation between Ye Chen and all the Clones, Ye Chen managed to harvest a huge amount of Divine Red Profound Crystals.

Ye Chen took all the Divine Red Profound Crystals that were in this place, not a single one of them was left by Ye Chen.

After everything was gathered, Ye Chen immediately put everything into the fairy gate storage room.

With the limitless abilities of the fairy gate's storage space, all the vast amounts of Divine Red Profound Crystals could easily be put into the fairy gate's storage room.

"Hahaha, it's finally over, from now on I won't be in financial trouble." Ye Chen was overjoyed, with all the Divine Red Profound Crystals that he currently got.

With all the Divine Red Profound Crystals that Ye Chen managed to obtain from this place, it was certain that Ye Chen would have no trouble increasing his cultivation.

There were many things that Ye Chen could do using this Divine Red Profound Crystal, all the things that Ye Chen wanted could easily be bought.

Ye Chen could even exchange Divine Red Profound Crystals for Divine Rainbow Crystals, although for that Ye Chen had to pay a bit higher to exchange for Divine Rainbow Crystals.

Ye Chen was already used to cultivating using the Divine Rainbow Crystal, so it was not strange that Ye Chen preferred to use the Divine Rainbow Crystal to cultivate.

With this many Divine Red Profound Crystals, Ye Chen now had no need to be so frugal.

"Ahem, master, it's not that I don't like seeing you like this, but have you forgotten your original purpose for coming to this place?" Chu Yuechan reminded Ye Chen of Ye Chen's original purpose for coming to this place.

"The original purpose of coming to this place?" Ye Chen started to remember his original purpose in coming to this place.

"No, I almost forgot the original purpose of coming to this place", Ye Chen's original purpose in coming to this place was to obtain the Flame Spirit Root, how could Ye Chen even be tempted by the Divine Red Profound Crystal in this place.

Yue Ya definitely wouldn't be able to hold on for long, Ye Chen had to come back as soon as possible.

"Yue Chan, thank you very much for reminding me." Ye Chen thanked Chu Yuechan for reminding him.

If Chu Yuechan had not warned himself, perhaps Ye Chen would have forgotten about this matter.

"Next time you should be more restrained and not be greedy like that" Chu Yuechan told Ye Chen to refrain from being this reckless.

"Hehehe" Ye Chen chuckled at Chu Yuechan, Ye Chen knew that what he did was a mistake.

Just now Ye Chen was so greedy that he forgot everything, if there were enemies hiding around this place, then maybe Ye Chen had become food for the monsters.

"So where is the Flame Spirit Root?" Ye Chen started to wonder where the Flame Spirit Root he was looking for.

"It's over there." Chu Yuechan headed upstairs, right above this place.

Ye Chen immediately looked in the direction Chu Yuechan was pointing, when Ye Chen looked in the direction Chu Yuechan pointed, he saw that there was a plant that had roots emitting fire, this plant emitted a fire around the stems, roots and leaves, the fire at the root broke out quite brightly.

"Why is it floating?" Ye Chen started to wonder why the Flame Spirit Root could float like that.

"Master, the Flame Spirit Root is a medicinal plant that has its own consciousness, so it can move freely at will." Chu Yuechan explained why the Flame Spirit Root could float like this.

"I see." Ye Chen nodded to Chu Yuechan, now Ye Chen understood why the Flame Spirit Root could float like this.

It turned out that the Flame Spirit Root had enough consciousness to make it move.

"Master, you better go and catch the Flame Spirit Root." Ye Chen said to Ye Chen to go and catch the Flame Spirit Root.

"Okay, leave it to me" Ye Chen told Chu Yuechan to leave this matter to him.

Ye Chen would definitely solve this problem very quickly.

"You are too confident, let's see if with that confidence you can catch the Flame Spirit Root." Chu Yuechan wanted to know if Ye Chen could catch the Flame Spirit Root easily.

"This is easy, how difficult is it to catch a plant?" Ye Chen felt that catching the Flame Spirit Root would not be difficult.

"Then why don't you try it now." Chu Yuechan told Ye Chen to try it right now.

Ye Chen nodded, immediately went towards the Flame Spirit Root above.

Without wasting any time, Ye Chen stretched out his hand to catch the Flame Spirit Root.

Ye Chen used his hand speed to catch the Flame Spirit Root.

### **Chapter 999 - Capture Flame Spirit Root**

When Ye Chen was about to catch the Flame Spirit Root, suddenly the Flame Spirit Root disappeared.

"What ?" Ye Chen was quite shocked when he saw this, he couldn't see the Flame Spirit Root's disappearance.

Seeing this strangeness, Ye Chen immediately looked around himself to find the whereabouts of the Flame Spirit Root.

When Ye Chen looked around himself, Ye Chen discovered that the Flame Spirit Root was currently far behind Ye Chen.

" Since when ?" Ye Chen couldn't believe that the Flame Spirit Root was already behind him, the movement of the Flame Spirit Root was so fast that Ye Chen couldn't see it.

"Master, why is it that you seem to have a hard time catching the Flame Spirit Root?" Chu Yuechan asked why Ye Chen looked troubled when he was told to capture the Flame Spirit Root.

"-\_- " Ye Chen heard what Chu Yuechan just said, what Chu Yuechan said was a mockery to Ye Chen.

"I'm not serious, you see I'll be serious" In order to save his face, Ye Chen had no choice but to say that he wasn't serious before.

"Giggle" Chu Yuechan giggled when she heard Ye Chen's excuse, it was obvious that Ye Chen was making excuses so as not to lose face in front of himself.

Ye Chen focused his gaze on the Flame Spirit Root, this time Ye Chen will be serious about capturing the Flame Spirit Root.

Ye Chen used the **Nine Shadow Steps** to appear in front of the Flame Spirit Root, using the **Nine Shadow Steps** Ye Chen wished he could trick the Flame Spirit Root.

"Got you" Ye Chen immediately caught the Flame Spirit Root with his two hands.

When Ye Chen was about to catch the Flame Spirit Root, Ye Chen found that he was only grabbing empty air.

Once again the Flame Spirit Root disappeared from Ye Chen's sight in the blink of an eye.

"What's that?" Ye Chen again really didn't know what had just happened, why the Flame Spirit Root could disappear so quickly.

The movement of the Flame Spirit Root was much faster than Ye Chen thought, even after using the ***Nine Shadow Steps***, Ye Chen was still unable to outwit the Flame Spirit Root.

"Giggle. . ." Chu Yuechan giggled as she watched Ye Chen fail again when he caught the Flame Spirit Root, it could be seen that Ye Chen had a hard time when he wanted to catch the Flame Spirit Root.

Chu Yuechan didn't bother telling him how to catch the Flame Spirit Root, let Ye Chen figure out for himself how to catch the Flame Spirit Root.

Right now Flame Spirit Root was dancing in the air, what Flame Spirit Root was doing was like mocking Ye Chen.

If Flame Spirit Root could speak, surely Flame Spirit Root would mock Ye Chen for not being able to catch him.

"-\_- " Ye Chen felt insulted by what Flame Spirit Root did, this Flame Spirit Root dared to mock him, this made Ye Chen very angry.

"So you're mocking me, then let's see if you can escape this time" Ye Chen really looked very serious, right now Ye Chen even opened his Wind Vein.

When Ye Chen used Wind Vein, Ye Chen's speed increased very fast, with Ye Chen's speed increasing.

Ye Chen's confidence increased, Ye Chen was very confident that he could definitely catch the Flame Spirit Root.

Ye Chen again chased after Flame Spirit Root, himself using his full speed to chase after Flame Spirit Root.

The chase between Ye Chen and the Flame Spirit Root took place in this place, the two of them constantly circling in this place.

Ye Chen had a lot of trouble when he wanted to capture the Flame Spirit Root, yet again the Flame Spirit Root was still able to avoid him.

"This thing can fly that fast, how should I catch it?" Ye Chen started to think of a way to capture the Flame Spirit Root.

After thinking for a while, Ye Chen finally remembered something.

"Wait a minute, why would I bother chasing after Flame Spirit Root, when I have that technique?" Ye Chen almost forgot that he had a technique that could allow him to take whatever he wanted.

Yes, that's right, Ye Chen has a rare technique, **Perfect Steal**, by using the **Perfect Steal** technique, Ye Chen can take whatever he wants.

Ye Chen looked at the Flame Spirit Root in front of him, at this time Ye Chen saw the Flame Spirit Root dancing in front of him as if mocking Ye Chen.

Ye Chen smiled evilly when he saw this, soon the Flame Spirit Root would get its karma for daring to play with Ye Chen.

"Hahahaha" Ye Chen laughed evilly in his heart, this time Ye Chen will definitely get the Flame Spirit Root easily.

"**Perfect Steal**" Ye Chen used Perfect Steal on the Flame Spirit Root, when Ye Chen used this technique, the Flame Spirit Root immediately passed into Ye Chen's hands.

Seeing the Flame Spirit Root move into his palm, Ye Chen immediately grasped the Flame Spirit Root very firmly.

Ye Chen wouldn't let the Flame Spirit Root run away just like that after causing himself such trouble.

"Hehehe" Ye Chen returned to his evil laugh, he finally caught the Flame Spirit Root.

Flame Spirit Root tried to escape from Ye Chen's palm, unfortunately what Flame Spirit Root did was completely useless.

The Flame Spirit Root couldn't escape from Ye Chen's palm.

Ye Chen was quite annoyed with this plant that had this consciousness, if the Flame Spirit Root was useless to him, Ye Chen might have crushed and crushed the Flame Spirit Root in his hands.

"Yue Ya, do you have anything to store these annoying medicinal herbs?" Ye Chen asked if Chu Yuechan had anything that could be used to store these annoying medicinal herbs.

"Of course, I have it, you can use this chest for a while" Chu Yuechan gave a small chest to Ye Chen.

The chest that Chu Yuechan gave wasn't just any coffin, it was a chest used by Alchemists to store medicinal herbs that possessed consciousness like Flame Spirit Root.

Ye Chen received the chest given by Chu Yuechan, he immediately put the Flame Spirit Root into the chest given by Chu Yuechan.

"Finally it worked" Ye Chen was happy that he had managed to get what he needed, now Ye Chen just needed to go back and take Yue Ya out of this place.

Yue Ya's goal against the Flame Dragon was to obtain the Flame Spirit Root, after Ye Chen managed to obtain the Flame Spirit Root, Yue Ya should no longer need to fight the Flame Dragon.

"Master, congratulations" Chu Yuechan congratulated Ye Chen, she was happy to see Ye Chen managed to get the Flame Spirit Root without any help from her.

Ye Chen was proud of Chu Yuechan's praise, he was finally able to recover his face in front of Chu Yuechan.

"Let's go out From here." Ye Chen said to Chu Yuechan to leave this place.

"Master, wait a minute, is there one more treasure you haven't taken yet?" Chu Yuechan told Ye Chen that there were still treasures that Ye Chen had not taken.

"Huh?, there are other treasures?" Ye Chen was quite surprised when he found out that there were other treasures in this place.

"Of course, the treasure this time is hidden at the bottom of the magma beneath you." Chu Yuechan told Ye Chen that there was another treasure hidden at the bottom of the boiling magma beneath Ye Chen.

### **Chapter 1000 - Red Origin Pearl**

"Is there anything valuable down there?" Ye Chen looked down, he was very curious about what was down there.

"You should go downstairs and have a look." Chu Yuechan told Ye Chen to go downstairs and take a look.

"Okay, if you really believe that there's something good down there, then I'll go and have a look."

Ye Chen firmly believed in the words Chu Yuechan had just said, if Chu Yuechan believed that there was a treasure down there, then that meant that there was indeed a treasure down there.

Ye Chen swooped down, immediately diving into the molten lava beneath him.

It was very easy for Ye Chen to go straight into the lava.

What Ye Chen did could not be done by any cultivator, no sane cultivator would dare to enter into a puddle of scorching lava like this.

If it wasn't for Ye Chen having the Sage God inheritance, perhaps Ye Chen wouldn't have dared to do something crazy like this.

Since Ye Chen had the Sage God inheritance, Ye Chen didn't need to be afraid of this molten lava.

Ye Chen dived to the very bottom, himself diving at a very fast speed, in just seconds Ye Chen arrived at the bottom of the hot lava pool.

"Where is it?" Ye Chen started looking for the treasure that Chu Yuechan said, he searched very carefully for the treasure that Chu Yuechan said.

After searching for a while, in the distance Ye Chen found a small ball that emitted a red light.

"Is that?" Ye Chen started to guess that it might be something Chu Yuechan said.

To confirm that this was what Chu Yuechan said, Ye Chen started to approach the red light.

When Ye Chen approached Ye Chen found that this red light turned out to be a pearl.

"A pearl in a place like this?" Ye Chen didn't expect that under the lava pool there would be a pearl.

"master ,This is the Red Origin Pearl, this is a pearl naturally formed by the purity of the magma present in this place, from the aura it radiates, it is estimated that it has been formed for hundreds of thousands of years." Chu Yuechan told Ye Chen about the details of the Red Origin Pearl, which is in front of it.

The Red Origin Pearl is something that is very difficult to obtain, the probability of the formation of a Red Origin Pearl is very small, the probability of the formation of a Red Origin Pearl is only about 1:100,000,000.

So it can be said that this Red Origin Pearl is a treasure that is quite difficult to obtain.

"What is the function of this item?" Ye Chen wanted to know what the function of the item called the Red Origin Pearl was.

"Red Origin Pearl has many functions, inside the Red Origin Pearl there is a very large pure Energy that can be used for various things, even this you can use to cultivate and increase strength very quickly." Chu Yuechan started to explain about Red Origin Pearl to Ye Chen.

"Oh, so it's like that" Ye Chen nodded as he listened to what Chu Yuechan had to say, it turned out that this small item had many extraordinary benefits.

"Master, it is very likely that the Flame Dragon will use this Red Origin Pearl to evolve to a higher level." Chu Yuechan told Ye Chen about the possibility that the Flame Dragon would use the Red Origin Pearl to evolve to a higher form from now on.

"So the Flame Dragon wants to use this thing to become much stronger than it is now, it's a shame to give this to a dragon like him, I won't let him get this easily" Ye Chen wouldn't let the Flame Dragon use this Red Origin Pearl .

If the Flame Dragon managed to evolve using the Red Origin Pearl, then the Flame Dragon would definitely be more difficult to deal with, this would be quite dangerous for the residents of the Sky Cloud Peak Star Realm.

In order to save the survival of the hundreds of billions of people living in the Sky Cloud Peak Star Realm, Ye Chen decided to take this thing.

"Are you sure about that, if you take this thing, then the Flame Dragon will definitely not let you go." Chu Yuechan warned Ye Chen of the risks that Ye Chen would have to take.

"Yes, I already know the risks I will take." Ye Chen already knew the risks he would take when taking the Red Origin Pearl.

Ye Chen stretched his hand forward to take the Red Origin Pearl, Ye Chen easily grabbed the Red Origin Pearl.

"This is so easy." Ye Chen felt that retrieving the Red Origin Pearl was much easier than when he caught the Flame Spirit Root.

The Red Origin Pearl did not put up any resistance when it was grabbed by Ye Chen, this made it easy for Ye Chen to obtain it.

After getting the Red Origin Pearl, Ye Chen immediately put it into the storage room of the fairy gate.

Now that everything has been taken by Ye Chen, Ye Chen has left nothing in this place.

If the Flame Dragon knew that everything in this place had been taken away by Ye Chen, then it was certain that the Flame Dragon would be furious.

"Boom. . ., boom. . ., boom. . ., boom. . .," a while after Ye Chen took the Red Origin Pearl, the lava around this place started to become unstable.

The lava around where Ye Chen started became surging and unstable.

"It's bad, I have to get out of here as soon as possible." Ye Chen felt that something bad would happen, so Ye Chen decided to leave this place immediately.

Ye Chen rushed to the surface, trying to get up quickly.

With a very agile, Ye Chen has arrived at the surface, on the surface is much more terrible, lava began to gush up and gush upwards very fast.

"Boom . . ., Boom . . ., Boom . . ." rocks started falling and this place started shaking like it was about to collapse.

"Looks like this place is going to collapse ." Ye Chen felt that this place was really going to collapse.

This is what Ye Chen can see from the lava that is starting to rise upwards, it looks like there will be a big explosion in this place.

Ye Chen didn't want to be trapped in this place, he rather had to leave this place immediately.

Ye Chen flew as fast as he could at this time, Ye Chen's exit was not easy, Ye Chen had to pass through the rocks and dead ends that lay ahead.

.

.

Returning to the battle between Yue Ya and the Flame Dragon, currently very focused on fighting against the Flame Dragon, currently Yue Ya's situation was looking unfavorable, Yue Ya was starting to be suppressed by the Flame Dragon.

" Clang. . ." Yue Ya was forced to retreat when she received an attack from the Flame Dragon.

"If it continues like this, then I will lose." Yue Ya felt that if she continued like this, then Yue Ya would sooner or later suffer another loss at the hands of the Flame Dragon.

"Humans just accept your defeat, you won't be able to win against this king, hahaha" Flame Dragon satisfied laugh, he felt satisfied when he saw Yue Ya cornered like this.

Yue Ya was quite dissatisfied when she listened to what the Flame Dragon had to say, if Yue Ya's current strength was at its peak, then Yue Ya would have gagged the Flame Dragon's mouth.
