Walking down the hall of his new school, Damien could hear a faint smell of roses and apples

but half no idea where it was coming from.

His wolf was on edge threatening to come out anytime soon and search for this unknown smell

but he had to block attention

“Hi, guys! meet our new student Damien Thurston”The Teacher introduces trying to catch everyone’s attention.

Then the scent came again

Stronger this time and his eyes darted around the whole cla** only to be brought abruptly short by the girl sitting a the back roll.
