

AFTER MARRIAGE 104

Chapter 104: Then, Who Changed My Clothes?

Mo Shenbai remained silent.

Xu Youyou's heart raced in her chest as she looked down at the glass of water as she tried to recall what else happened last night. She was really depressed that she could not remember anything else.

Mo Shenbai quietly watched Xu Youyou frown. She looked frustrated and happy at the same time. He did not know what she was thinking but had a vague feeling that she was worried about something related to him. He could not help but feel happy when he thought about this.

Xu Youyou drank from the glass again. She truly could not remember if Mo Shenbai agreed to her chasing. After hesitating for a while, she asked tentatively, "You agreed to let me pursue you last night, right?"

Mo Shenbai was briefly stunned. 'Did she drink too much?'

When Xu Youyou saw that Mo Shenbai did not speak, she said sternly, "You... Don't think I forgot everything just because I was drunk! I remember!"

Mo Shenbai was both amused and frustrated. She had completely forgotten their exchange and even pretended to put on a front in front of him. Finally, he asked, "What do you remember?"

Xu Youyou's face turned red immediately. She clutched the blanket tightly as she said shyly, "You kissed me..."

Mo Shenbai raised an eyebrow. It seemed like she remembered what happened until the kiss and forgot everything after the kiss.

Xu Youyou mustered up her courage and raised her head to look at him with her bright eyes before she said, "Since you kissed me, you can't change your mind..."

Mo Shenbai was amused. Since he had kissed her, why did she still think that she needed to pursue him? He rubbed the bridge of his nose before he asked the question he had asked last night, "How do you plan to pursue me?"

Xu Youyou scratched her ear and said, "I, I haven't thought about it yet. Don't worry. I'll pursue you seriously."

Mo Shenbai: "..."

.....

Xu Youyou looked at him with a bright and beautiful smile on her face.

Mo Shenbai sighed inwardly. 'Forget it. As long as she's happy...'

"Let's go down and have breakfast."

Xu Youyou nodded before she looked at Mo Shenbai back as he walked toward the door. She suddenly thought of something and asked, "Then, the person who helped me change last night..."

Xu Youyou quickly stopped speaking.

Mo Shenbai stopped in his tracks and looked at her silently, not in a hurry to speak.

Xu Youyou's eyes widened. 'It can't be! It can't be! Don't tell me he really helped me change last night!'

Looking at her face that was filled with shame and anger, Mo Shenbai could not bear to tease her anymore so he said, "Remember to thank the helper later. She took care of you last night."

After saying that, Mo Shenbai left the room.

Upon hearing this, Xu Youyou let out a long sigh of relief. Then, she could not help but laugh again.

...

After class ended in the evening, Xu Youyou sent a message to Su Lanxu, inviting Su Lanxu out for milk tea. She had just gotten paid in the afternoon for her illustrations from the publishing house so she wanted to treat her best friend.

However, after a long time had passed, Xu Youyou still did not receive a reply from Su Lanxu. Hence, she decided to call Su Lanxu directly. The phone rang for more than ten seconds before the call finally connected.

Su Lanxu's weak voice rang from the other end of the line. "Hello..."

Xu Youyou could tell something was not right as soon as she heard Su Lanxu's voice so she asked, "Lanlan, are you sick?"

"It's nothing. I have a cold. I'll be fine after resting for two days," Su Lanxu said in a nasally voice.

"Then, I'll come and visit you! Do you have a fever? Do you need me to buy you medicine?"

"It's just a cold. Don't come. What if you catch a cold as well?" Su Lanxu refused. She knew Xu Youyou meant well and was very touched.

Xu Youyou said firmly, "I'm very healthy so I won't catch a cold from you! I'm coming now. Wait for me."

After saying that, Xu Youyou ended the call, not giving Su Lanxu a chance to refuse.

Before going to Su Lanxu's house, she went to the pharmacy and bought some medicines. She also bought some fresh fruit.

The journey to Su Lanxu's house was a little long. Xu Youyou looked outside the window before she closed her eyes to rest. However, she did not expect to fall asleep and dream.

In the dream, Xu Youyou was scolded by her classmates. They called her a shameless b*tch and accused her of selling her body to stand out. Then, a mature woman dressed in a royal blue coat even gave a hard slap on the face.
