

## AFTER MARRIAGE 161

### Chapter 161: Nervousness

Bai Qingyu's tears fell like rain. She kept shaking her head as she said, "It's not like that. A Yin, please listen to me..."

Bai Qingyun rose to her feet and reached out to Lin Yin.

Lin Yin did not hold her hand. Instead, he slapped her hand away.

Bai Qingyu screamed in pain and fell back down again.

Lin Yin looked down at her as she fell. He said frostily, "Bai Qingyu, take care of yourself in the future."

!!

After saying that, Lin Yin ignored Bai Qingyu's tears and left.

...

After the banquet ended, Su Lanxu took a cab back.

Mo Zhiyun was about to leave for the Mo residence as well when Xu Youyou thought of something. She grabbed Mo Zhiyun's hand and said, "Zhiyun, come to the Moon Pavilion with me. We can go to the university together tomorrow."

"Ah?" Mo Zhiyun was stunned. Then, she said hesitantly, "I don't think that appropriate. My brother doesn't like me going there."

"It's okay. I've already spoken to him," Xu Youyou said with a smile and eyes as bright as the stars, "He said you can come to the Moon Pavilion."

Mo Zhiyun's eyes widened in disbelief. "Really? Brother agreed to let me go to the Moon Pavilion?"

Xu Youyou nodded and held Mo Zhiyun's arm. "Yes. So come with me. We'll sleep together tonight."

Mo Zhiyun nodded with hesitation. "Okay!"

Three minutes later, in the car.

Mo Zhiyun sat in the passenger seat. She could not help but turn back several times to look at the two people sitting in the backseat.

Mo Shenbai's face was expressionless as usual. His gaze was lowered, and the aura he emitted kept people from approaching him.

As for Xu Youyou, she was very relaxed. She was looking at her phone and typing, as though she was sending a message to someone. She did not notice the profound gaze on her at all.

Mo Zhiyun's heart trembled. She suddenly felt like she should not have agreed to Xu Youyou's suggestion. However, now that she was in the car, she could not possibly get out of the car.

...

When they arrived at Moon Pavilion, before Mo Zhiyun could find an excuse to leave, Xu Youyou grabbed her hand and said enthusiastically, "Zhiyun, I'll show you my room!"

Mo Zhiyun could not help but glance at her brother, who had just gotten out of the car. She felt like crying when she saw that his expression seemed to have worsened.

Xu Youyou brought Mo Zhiyun to her room. After handing Mo Zhiyun a set of pajamas she had yet to wear, she asked the butler to bring up a set of new toiletries.

Mo Zhiyun looked at Xu Youyou's room before she asked curiously, "Youyou, you and my brother are sleeping in separate rooms?"

The room was filled with girls' things, and there were no men's clothes in the wardrobe. It was obvious that Mo Shenbai and Xu Youyou did not sleep together.

Xu Youyou bit her lip before she smiled cutely and said, "I don't sleep well so it's better to sleep separately."

Mo Zhiyun was naive but she was not stupid. She naturally could tell it was just an excuse. However, seeing that Xu Youyou did not want to say it, she did not ask further. Instead, she said, "I'm going to shower."

Xu Youyou pointed at the bathroom and said, "The bathroom's over there."

Mo Zhiyun brought her pajamas with her as she walked toward the bathroom. Halfway there, she thought of something. She turned around and said, "You should go and see my brother."

'Otherwise, I'm afraid I'd be killed in the night, and my corpse would be disposed of in the wilderness...'

Xu Youyou was naturally unaware of Mo Zhiyun's thoughts. She did not take Mo Zhiyun's words to heart. After Mo Zhiyun entered the bathroom, she was going to put her trophy away when she turned around and saw Mo Shenbai leaning against the door with a faint smile on his face.

"Come here," Mo Shenbai said lightly.

Xu Youyou did not do as he asked. Instead, she instinctively took two steps back and said nervously, "I, I think I hear Zhiyun calling me. I'm going to take a look..."

When Xu Youyou was about to walk to the bathroom, Mo Shenbai's gaze darkened as he strode forward and grabbed her arm.

"Huh?"

Xu Youyou did not have time to react before her feet were lifted off the ground.

Mo Shenbai carried her princess-style and turned around, leaving her room for his room.

"What are you doing? Quickly put me down!" Xu Youyou said in a hushed voice. It was too quiet at night. She did not dare to speak too loudly in case the helpers heard her.

Mo Shenbai did not put her down. Instead, he pressed her against the door, moving his knees between her legs to better support her.

Xu Youyou's face flushed red immediately. She could feel the muscles on his legs.

"Have you forgotten what you said in H City?" Mo Shenbai lowered his head and leaned closer to her. It was as though he was going to kiss, but he did not.

"I, I don't know what you're talking about," Xu Youyou said, pretending to be dumb.

"Didn't you say you're willing previously?" Mo Shenbai asked with slightly furrowed brows. He did not understand her reluctance now.

Xu Youyou looked at him before she quickly lowered her gaze and muttered, "Who hasn't had a moment of rashness?"

Previously, Xu Youyou had impulsively gone to H City. When she saw him in that state, she was moved and had a moment of rashness. At that time, she did not care about anything else.

Mo Shenbai smiled wryly when he heard her words. Then, he said calmly, "Next time, tell me when you're having a moment of rashness."

'I really can't bear it...'

Xu Youyou's face as she still red as she looked at him and asked sulkily, "You, why are you like this?"

"Like what?"

"Acting like a hooligan," Xu Youyou said. She did not dare to move at all since she was seated on his leg. She felt extremely embarrassed.

Mo Shenbai did not refute her words. Instead, he tightened his hold on her body before he whispered into her ear in a hoarse voice, "Since you say I'm acting like a hooligan, then I'll act like a hooligan."

Xu Youyou's eyes widened as her breathing hitched.

Mo Shenbai acted as though he did not know anything and continued to have his way with her.

Xu Youyou suppressed her voice. She held it in until her face was red, and she looked like she was about to pass out.

Mo Shenbai finally pulled away and helped her tidy her clothes. He kissed her on the cheek and said, "Alright, I won't mess with you anymore. Don't hold your breath..."

Xu Youyou panted heavily like a fish that had come ashore. She felt as though she was almost suffocated to death. Her clothes were slightly drenched in sweat. She leaned weakly into his embrace and said in a soft and delicate voice, "You're bullying me again..."

It was the same when they were in the hotel in H City. However, Xu Youyou could not resist him.

Mo Shenbai carried her, turned around, and sat on the couch, putting her on his lap. Then, he stroked her hair and asked, "You don't like it?"

Xu Youyou's eyelashes fluttered as she lowered her gaze and shook her head shyly.

Mo Shenbai could not help the smile that appeared on his face. There was so much affection in his eyes at this moment that it could drown a person. He said, "I won't force you so you don't have to intentionally bring Zhiyun here."

'What kind of person does she think I am? I just wanted her to be mentally prepared for the future...'

"I, I don't know how to face you," Xu Youyou said as she tugged at the hem of his shirt. She lowered her head and said in a small voice, "I, I'm not unwilling...It's just that... I'm, I'm a little scared and nervous..."

"Don't be scared or nervous," Mo Shenbai said before he kissed her cheek. He said gently, "It's my fault. I shouldn't have said those things and made you feel pressured."

Xu Youyou raised her head to look at him and said, "Then, don't be angry anymore, okay?"

"I'm not angry," Mo Shenbai said. He raised his hand and held her chin so she could not lower her head again before he continued to say, "I was just teasing you..."

Xu Youyou smiled, revealing her two dimples. "Then, can Zhiyun stay?"

"Let her sleep in your room tonight. Later, ask the housekeeper to clean a room for her."

Xu Youyou nodded. Before she could thank him, she heard him say in a low voice, "Sleep with me tonight."
