

AFTER MARRIAGE 44

Chapter 44: Xu Youyou, Just Wait to Visit Him in Prison!

“Lin Yin! Please show some respect.”

Finally, a hint of anger could be heard in Xu Youyou’s voice.

“Respect who?” Lin Yin said mockingly, “That gigolo? How much did you spend on him? Or did Su Lanxu pay for you? Look at the kind of things you learn from her.”

“F*ck! Lin Yin, you f*cking...”

Su Lanxu rose to her feet, fuming in anger. She was about to rush over when a figure suddenly came into the private room and kicked Lin Yin’s lower back.

Lin Yin, who was caught off guard by the kick, fell to the ground. Before he could react, the other party had already come forward to grab his collar before punching him in the face.

Xu Youyou and Su Lanxu were both shocked by this sudden turn of events. They gasped as they watched with their mouths agape.

After being punched, Lin Yin turned around and saw Xu Jialu’s face that was twisted in anger. He roared, “Xu Jialu! Are you crazy?”

Xu Jialu smiled disdainfully as he said, “Lin Yin, you still dare to show up in front of Youyou? Don’t you think you’re really shameless?”

Then, Xu Jialu raised his fist and punched Lin Yin again.

Enraged, Lin Yin swung his fist out.

Xu Jialu did not have time to dodge, and the punch caught the left side of his face, causing him to stagger a few steps to the side.

.....

“Brother!” Xu Youyou cried out and hurried to her brother’s side.

However, Xu Jialu stopped her from coming to his side. “Stand there.”

Then, Xu Jialu wiped the blood off the corner of his lips and said arrogantly, “Today, I’m going to kill this bast*rd...”

“Brother, don’t...”

Xu Youyou had only taken a step forward when Su Lanxu pulled her back. “Don’t go over. You might get hurt.”

Xu Youyou watched as Xu Jialu and Lin Yin punched and kicked each other. The things in the private room were quickly smashed to pieces.

Su Lanxu was afraid the two men would accidentally hurt them so she held Xu Youyou’s gift in one hand and pulled Xu Youyou to the side.

When Xu Youyou saw Xu Jialu being beaten up, she cried out anxiously, "Brother, be careful!"

From the corners of his eyes, Lin Yin saw that Xu Youyou was clearly only worried about Xu Jialu. She did not even spare a glance for him. With this, he grew even angrier and fought even more fiercely.

The commotion was so big that it soon attracted the attention of the security guards, and they called the police.

In the end, they were brought to the police station.

Since Xu Jialu had thrown the first punch, he was severely criticized by the police. Apart from that, if Lin Yin decided to pursue the matter, then Xu Jialu would be detained.

Lin Zhihuan came to the police station with her parents. When she saw Xu Youyou, she said mockingly, "My brother was kind enough to celebrate your birthday, but your brother actually beat him up. Although both of you siblings have parents, it's like you don't have parents at all. What a terrible upbringing!"

Li Zhihuan's parents only looked at Xu Youyou coldly before they left to look for their son.

Su Lanxu, who had just given her statement, heard Lin Zhihuan's words and retorted, "You're the one who has no parents! What kind of rubbish are you spewing from your mouth?"

Lin Zhihuan's face flushed red with anger. "Su Lanxu, you better watch your mouth!"

Su Lanxu was about to retort again when Xu Youyou stopped her and said, "Lanlan, forget it. There's no need to waste your breath on this kind of person."

In other words, Lin Zhihuan was an idiot, and it was a waste of time arguing with her.

However, Lin Zhihuan clearly did not understand Xu Youyou's meaning. On the contrary, she thought Xu Youyou was frightened. She said proudly, "Xu Jialu dared to hit my brother, we won't let this matter go so easily! Xu Youyou, just wait to visit your brother in prison!"
