

After Rebirth, Mrs. He Dotes On Her Husband chapter 10

Chapter 10: Hubby, You're Fierce to Me

Not many people were in the garden of the old residence. After all, everyone was busy socializing in the front hall at this time. Chen Wei'er walked around before she could hear faint voices. She went forward to take a look and saw He Xun sitting on the bench with his eyes closed. Luo Xinrui was also beside him, looking up and talking about something.

"Third Brother, I sincerely didn't do it on purpose. I don't know why Third Sister-in-law fell."

"Does Third Sister-in-law truly hate me? I don't know what I did to make Third Sister-in-law hate me so much that she's willing to sacrifice her own body."

"And Ye Li... She's crying in her room, but I've already stopped her. Third Brother, please don't be angry with Third Sister-in-law. I believe she didn't hit Ye Li on purpose."

Chen Wei'er's eyes almost rolled out of their sockets as she listened to Luo Xinrui's eccentric speech. He Xun, on the other hand, didn't speak from the beginning to the end. He closed his eyes and didn't even look at Luo Xinrui.

"Third Brother, I think I should apologize to Third Sister-in-law. Please don't fight because of me," Luo Xinrui said innocently.

Chen Wei'er listened to Luo Xinrui from the side and truly wanted to applaud her! With Luo Xinrui's acting skills, it would be a pity if she didn't become an actress.

"Sister Xinrui is such a sensible girl. Since you've said so, I can't refuse you. Apologize, I'll listen." Chen Wei'er smiled and walked to He Xun's side. She sat down slowly and took the opportunity to pull He Xun's arm. She leaned her head on He Xun's shoulder and rubbed it coquettishly. "Hubby, Sister Xinrui wants to apologize to me. When she's done, you have to promise me that this matter will be over. Don't be angry with Sister Xinrui anymore."

As Chen Wei'er spoke, she raised her eyebrows proudly at Luo Xinrui. Both of them knew that if they dared to make a move, they dared to take it. But they had to see if they could take it!

Chen Wei'er's sweet voice gave He Xun goosebumps. He lowered his head and looked at Chen Wei'er with a dark and unclear expression. Her bright and beautiful little face was looking at Luo Xinrui with raised eyebrows.

Luo Xinrui suppressed the anger in her heart and said, "Third Sister-in-law, I'm sorry. We had a misunderstanding just now. I hope you won't be angry."

Chen Wei'er grabbed He Xun's sleeve and looked up at him. There was too much inquiry in his eyes. Chen Wei'er immediately looked away and didn't have the mood to continue fighting with Luo Xinrui. "Okay, since Sister Xinrui has apologized, I'll forgive you." After saying that, Chen Wei'er was about to withdraw her hand, but He Xun suddenly clamped his arm tightly, not letting Chen Wei'er leave.

Luo Xinrui saw all these small movements. She gritted her teeth and tried to suppress her tone, "But there's one thing I want to remind you, Third Sister-in-law. No matter what, you shouldn't have hit Ye Li."

Chen Wei'er glanced at her and said, "I hit her because she deserved it!" Why don't you go and ask her what she did?"

Luo Xinrui was so angry that she didn't know what to do. She didn't expect Chen Wei'er to be so arrogant after hitting the He family's young lady. She also didn't expect He Xun to act as if he hadn't heard her and didn't care at all!

Why was it like this? Normally, shouldn't He Xun question Chen Wei'er? And then, Luo Xinrui would pretend to be the understanding one?

Seeing that Luo Xinrui didn't say anything, Chen Wei'er frowned in disgust. "Sister Xinrui, I'm talking to your third brother in private. If you have nothing else to do, can you leave? After all, it's a private matter between husband and wife. It's better for a young lady like you to not hear it."

Luo Xinrui tried her best to make her expression not look so ferocious. She squeezed out a sentence from between her teeth, "Alright!" With that, she turned around and left.

Chen Wei'er looked at Luo Xinrui's messy footsteps as she left and couldn't help but roll her eyes. This attitude? Luo Xinrui still wanted to fight with her?

Just as Chen Wei'er was complaining in her heart, she heard the man beside her say in a cold tone, "Still not letting go?"

Chen Wei'er was stunned.

'You were the one who didn't want to let go just now.' Was she hallucinating?

Of course, Chen Wei'er could only mutter these words to herself. She obediently removed her hand and lowered her head, giving people a very obedient feeling.

He Xun knew that Chen Wei'er only looked obedient, but in fact, once she was out of sight, her ability would be revealed with the slightest carelessness. Thinking of the disgust she had felt for him, He Xun took a step back and asked, "Why did you hit me?"

Chen Wei'er didn't directly answer He Xun's question. Instead, she looked at him with a wronged expression. "You're sincerely fierce to me?"

He Xun massaged his eyebrows. Even though he knew that she was pretending, he couldn't help but soften his heart. "I didn't scold you. I just asked you, why did you fight with He Yeli?"

Chen Wei'er grabbed the corner of He Xun's clothes, pouted, and lowered her eyes. "Hubby, don't be so fierce to me..."
