

## Chapter 101 Unexpected Gain

Fan Hunjun smiled coldly. "If you really love Li Shanshan, you should put behind everything for your relationship like she did. To put it bluntly, maybe you've loved her before, but your love for her is not comparable to your love for Fang Youqin's money. And, you guys have dated for so many years. I believe you're already tired of her, am I right? Now that someone like me—who doesn't understand the situation—is here to pick up the mess, you're more than happy to let me do so."

"Stop insulting my relationship with Shanshan. The relationship between me and her is very innocent and pure. It's not as dirty and messy as you think."

Fan Hunjun was shocked. "We already went and got our wedding certificate, yet you both still hugged and kissed under the big tree. Now you're telling me that you are very innocent and pure? Yes, in your eyes, I'm Thoughtless Hun. But, I'm not stupid!"

"You son of a b\*tch, don't pretend to be the victim after taking advantage of the situation. I don't know if Li Shanshan is still a virgin, but I have never touched her!" Zhang Junhao paused for a while, before continuing again, "By 'haven't touched her' I mean that I never had sex with her. As for hugging and kissing, who cares about such a trivial matter in this day and age?"

F\*cking hell, this is an unexpected gain. Li Shanshan is actually a virgin?

## Chapter 101 Unexpected Gain

Fan Hunjun had a glimmer of hope in his heart, but then it disappeared instantly without a trace.

In his opinion, if Li Shanshan was still a virgin, she would not have agreed with Fang Youqin's conditions so easily even if she was in a hurry to get the money to save her father's life.

Even if she had already promised Fang Youqin, she wouldn't have rushed to have sex with Fan Hunjun since he never made a request in that respect.

However, even if Li Shanshan was still a virgin, her heart belonged to Zhang Junhao. Even if Fan Hunjun could get her body, he would never get her heart.

Hang on, hang on. Don't get deceived by Zhang Junhao!

Fan Hunjun suddenly felt that Fang Youqin was right. No matter what happened between Zhang Junhao and Li Shanshan—or even if nothing had happened between them before—Fan Hunjun should only treat Li Shanshan as a piece of clothing.

He should wear it for a while longer if he felt that they were suitable, and throw it away if he did not feel like they were working out.

It was only through this way that Fan Hunjun felt that he would not be hurt.

If he listened to Zhang Junhao's words now, and

returned to the starting point and continued to love Li Shanshan as a goddess like in the past, she would still inevitably cheat after marrying Fan Hunjun, even if she had never slept with Zhang Junhao before.

Because of this, Fan Hunjun did not show any excitement at all after listening to Zhang Junhao.

Fan Hunjun looked at Zhang Junhao thoughtfully for a while, then suddenly nodded. "I understand that you have already had sex with Fang Youqin, and you've decided to marry her. However, you still try to keep quiet about it, and act oh-so-helpless, like you're being forced by your parents. You just want Li Shanshan to pity you and give her first time to you, am I right?"

Zhang Junhao's face turned red. Although he did not admit it, it already proved that Fan Hunjun was right.

"But there is one thing that I don't understand. Just look at Li Shanshan just now. She desperately fought me just for your sake. Since you have been in a relationship for so many years and she loves you so much, why haven't you had sex yet?"

Fan Hunjun's words left Zhang Junhao speechless. This was also the deepest wound he hid in his heart.

other girls. When she heard Zhang Junhao saying that he loved her and was willing to marry her, she almost fainted.

If Zhang Junhao had not been so desperate, Li Shanshan would have already slept with him.

Four years of college life and his constantly changing girlfriends had made Zhang Junhao grow from the righteous young man he once was into a sexually frustrated man.

He even got an encrypted cloud disk online, which contained details of his intimate time with other girls. He even made comparisons on how he felt during his intimate time with several girls. In the end, he vowed to have sex with many more girls so that he could have different sexual experiences.

When he saw how Li Shanshan almost fainted in excitement, Zhang Junhao immediately threw her on the lawn, kissing her as his hands fondled her all over.

Although Li Shanshan was in love, she was not stupid.

After feeling a burst of unprecedented excitement, Li Shanshan suddenly had a realization. She realized that the reason Zhang Junhao's attitude changed so fast was not because of his feelings for her, but because he was interested in her body only.

A man like him would end up discarding her in the

## Chapter 102 The Karma of Those Days

At that time, Wu Pinghui was already a fourth-year senior and would be graduating in one year.

Because of Zhang Junhao's passionate pursuit, they soon fell in love. Their love story quickly spread throughout the school, and Li Shanshan suddenly became a nobody.

After Wu Pinghui graduated from the college, the two were still in contact with each other in the beginning. However, when Zhang Junhao was in his third year of university, they seemed to have lost contact with each other.

After that, Zhang Junhao fell in love with the next two chairwomen of the student council. And in the end, he was dubbed by the students as the 'student council's jynx'.

When they entered their senior year, Zhang Junhao became the chairman of the student council. For some unknown reason, he started to pursue Li Shanshan instead.

Li Shanshan was both shocked and happy at the time. Before that, Li Shanshan would go cry under her bed sheets every time Zhang Junhao had a new girlfriend.

Just when she had lost all hopes in her love for Zhang Junhao, Zhang Junhao suddenly confessed to her. The heavens had finally poured out their blessings.

On the school field that night, Li Shanshan thought that Zhang Junhao was going to talk to her about

## Chapter 102 The Karma of Those Days

Back in the middle school, Fang Youqin and Li Shanshan had written love notes to Zhang Junhao to express their love.

At the time, Zhang Junhao was a vigorous and an upright teenager. What he wanted more was to be surrounded by a group of friends who would listen to his commands every day. He felt domineering in that manner, and he had not started to think about girls.

At that time, he ignored Fang Youqin's admiration, and he did not give Li Shanshan an answer. Therefore, Fang Youqin thought that Zhang Junhao fancied Li Shanshan, while Li Shanshan thought that he fancied Fang Youqin.

The two girls were extremely dejected, yet they were competing with each other in secret. They both wanted to win the other party and win the favor of Zhang Junhao.

During the college entrance examination, Fang Youqin flunked the test, whereas Li Shanshan and Zhang Junhao got admitted into the same college. Just when Li Shanshan thought that she no longer stand a chance with Zhang Junhao, Zhang Junhao became infatuated with Wu Pinghui, the chairwoman of the student council who was three years older than himself.

Zhang Junhao even asked Li Shanshan to help him in pursuing Wu Pinghui. Li Shanshan was so dejected at that time that she wanted to just hide in a hole forever.

end. Besides, weren't his numerous previous girlfriends enough to prove this point?

At the most critical time, Li Shanshan suddenly pushed Zhang Junhao away, and tried her best to rush out of the field.

Zhang Junhao immediately stopped her; he even knelt down and swore his love for her.

At that moment, Zhang Junhao was already out of control; he just wanted to get Li Shanshan's body.

Although Li Shanshan understood his purpose for doing so, she still liked him. So, she set a rule that stopped him from having sex with her, a rule that lasted until now; Li Shanshan would never allow Zhang Junhao to bed her before their wedding night.

## Chapter 103 A Misunderstanding

That was to say, the students have always had a misunderstanding that Zhang Junhao and Li Shanshan had been dating ever since they got admitted into the same college.

The truth was that, Zhang Junhao only started pursuing Li Shanshan on the eve of graduation.

However, when they graduated and went back to River City, they appeared in front of their classmates as lovers, so everyone thought they were already dating for a long time. Plus, they always liked to be intimate and affectionate in front of their classmates, so everyone was envious of them.

However, when Zhang Junhao was looking for a job, he found out that Fang Youqin's father had a close relationship with the principal of the school that he was working at as a substitute teacher. Because of the condition set by Li Shanshan, he could not have sex with her in a long time, so he went and chased after Fang Youqin instead.

Just like what Fang Youqin told Fan Hunjun, although Fang Youqin had given up on Zhang Junhao and had slept with other men, she still accepted Zhang Junhao with open arms when he appeared in front of her, all because she wanted to stay true to her original feelings.

Not only did she ask her father to help him solve his work problems, she also had sex with him without any hesitation.

It was because of that night that they were a little

## Chapter 103 A Misunderstanding

disappointed with each other.

Fang Youqin, who had had sex with other men before, could obviously feel that Zhang Junhao was bored when he was with her. That night when they slept together, Fang Youqin did not sense any kind of tension, excitement, fear and overwhelming emotions in Zhang Junhao that she had expected.

Zhang Junhao was very experienced and calm, coursing through their first affair as calmly as a veteran in the battlefield.

At that moment, Fang Youqin realized that the Zhang Junhao in front of her was no longer an ignorant teenager. She knew that he had bedded many women before from his performance that night. Even if he only had had sex with Li Shanshan, they must have done it for more than a thousand times.

Fang Youqin was instantly dejected because of that. It was as if she bought a brand-new dress only to find out that this dress had already been worn numerous times by others before when she finally wore it.

And Zhang Junhao's impression on Fang Youqin was almost the same, perhaps even more so.

In high school, Fang Youqin even wrote a love note to Zhang Junhao. When Zhang Junhao returned to River City after four years of college, he thought that Fang Youqin would still be as youthful and innocent as she once was. Plus, she was from a

rich family, so she would have been able to take care of him for at least a few decades.

To his surprise, Fang Youqin was already so experienced during their first sexual encounter, so much so that it blew his mind away. Zhang Junhao looked forward to taking Fang Youqin's virginity away from her, but it was not like that at all. After the deed, Zhang Junhao even paid special attention to the bed sheet.

Damn it, there was nothing on it.

Zhang Junhao froze on the spot. He wanted to pretend like nothing had happened between them as soon he went out, but when he returned home, he found a text message from Fang Youqin that said, I can help to establish your career in school, but I can also make you leave the school immediately!

When Zhang Junhao saw that text message, he immediately compromised, because he knew very well that having a stable job was the foundation of a man's life. If the foundation of his life was gone, how would he succeed in the world?

He immediately replied to Fang Youqin, saying that he left in a hurry because he had some urgent matters to attend to, and asked her to stop thinking too much about it.

Since then, Zhang Junhao had maintained contact with Fang Youqin, but on the other hand, he had not broken up with Li Shanshan.

## Chapter 103 A Misunderstanding

Despite this, Zhang Junhao had been rather despondent, because he could not get rid of Fang Youqin, and he had no way to get Li Shanshan's body. Until one day, he met Wu Pinghui—his first girlfriend during his university days—on the street. Only then did his hope was reignited again.

It turned out that Wu Pinghui's father was the owner of New Life Supermarket Chain in the whole province, and her family's fortune was worth several hundred million. That year, her father just so happened to come to River City to open a chain of supermarkets, and handed the management in River City to Wu Pinghui. Thus, Zhang Junhao secretly kept in touch with Wu Pinghui while keeping both Fang Youqin and Li Shanshan in the dark at the same time.

However, Fang Youqin and Li Shanshan, who both knew nothing, thought that Zhang Junhao was very close to the other party. So, everyone was frustrated. It was at this time that Fang Youqin met Fan Hunjun—who had just returned to the country—at the gate of the train station. And thus, she got the idea of forcing Li Shanshan into marriage by lending her money.

But the interesting thing was that, Fan Hunjun's return to China this time and Fang Youqin's plan had almost helped out Zhang Junhao.

When Zhang Junhao received a call from Fang Youqin and heard that Li Shanshan and Fan Hunjun had registered their marriage, he was filled with jealousy. He rushed to the door of the Civil Affairs Bureau and threw a tantrum in the office, before he simply walked away. However, Li Shanshan mistakenly thought that it was because he was still in love with her.

Li Shanshan had requested Fan Hunjun during the day to have sex with herself within a few days, because if she gave birth to a child within a year,

Fang Youqin would waive the 600,000 loan.

In the evening, Li Shanshan called Zhang Junhao to the hospital. She was prepared to go the hotel with him that night.

Li Shanshan intended to conceive Fan Hunjun's child as soon as possible, so she gave her words to Fan Hunjun, saying that they could have sex once a month. However, it depended on her period. If she got her period that month, they could do it again next month. But, if she did not get her period, it meant that Li Shanshan was pregnant, and then, she would not let Fan Hunjun bed her again in his life.

However, at the same time, Li Shanshan actually had a bold idea. She hoped to conceive Zhang Junhao's child, and then pretended the child belonged to Fan Hunjun as if she was writing a transfer cheque.

Zhang Junhao hurried to the entrance of the hospital. After seeing Li Shanshan, he pinned her down at the foot of the tree and kissed her before she had the chance to speak. Unfortunately, Fan Hunjun and Wang Xu happened to see this scene, and what happened next was tragic.

Zhang Junhao's front teeth were knocked off, and two of his ribs were broken.

However, Zhang Junhao did not feel any fear. Instead, he felt that Fan Hunjun managed to hit him because he was too careless. And he also felt that his two ribs were broken by chance only; it did

not prove that Fan Hunjun was a great fighter.

Zhang Junhao felt unlucky. If he was less anxious that night, he might not have run into Fan Hunjun. In that case, he would have been able to bed Li Shanshan.

Now, Fan Hunjun kept asking him why he did not slept with Li Shanshan even after dating for so many years. He had no other choice but to explain stubbornly, "Didn't I already tell you? The relationship between me and Li Shanshan is very pure. We won't do it before the wedding night—argh!"

Seeing that he was still lying, Fan Hunjun lay his hand on him without mercy. His punch happened to hit Zhang Junhao in the chest, and agonizing pain radiated from his two broken ribs again.

Zhang Junhao's face reddened as his blue veins bulged out. Beads of sweats immediately trickled down his forehead.

"You are still pretending to be a righteous man, when in reality, you're an outright despicable person!" Fan Hunjun coldly snapped. "I don't know why you didn't have sex with her back then, but I'm sure that you guys have decided to have sex last night, because Fang Youqin had an agreement with Li Shanshan. If Li Shanshan was pregnant with my child, the 600,000 loan would then be waived. Li Shanshan urged me to have sex with her, but at the same time she asked you out to the hospital. She was trying to cheat on me, am I right?"

## Chapter 104 Furious to No End

Zhang Junhao bared his teeth in pain. Fury welled up in his eyes, yet he could not say a thing.

"Remember this, Zhang Junhao. I originally wanted to forget everything that you owed me. This was why I gave you such a friendly greeting when I saw you at the entrance of the Civil Affairs Bureau. Don't blame me for paying your heartlessness with coldness. Didn't you say that you were going to come and get me after you recover? I'll wait for you. I'll wait for you for all my life. If I don't destroy you in this life, my name will no longer be Fan Hunjun!"

## Chapter 105 Girlfriend

Fan Hunjun realized that there was another woman by Mrs. Zhang's side. She was tall and willowy, beautiful with a certain aura around her.

"How couldn't I? I had been neighbors with your grandmother for so many years! Really now—"

"Oh, I heard that Junhao and Zhenqiang are in hospital, so I came to see them."

"I'm really grateful about that. Oh, yes, I heard that you've filed for a marriage certificate with Mr. Li's daughter?"

Fan Hunjun nodded.

"Congratulations on that. Remember to send an invitation for your wedding. The entire family will certainly attend."

"Thank you Auntie Zhang."

"Oh, that's right, you two don't know each other yet. Let me introduce you two." Mrs. Zhang pointed at the woman. "Wu, this is Junhao's classmate from back then. He's..."

Fan Hunjun immediately smiled and spoke up.  
"Fan Hunjun!"

"That's right," Mrs. Zhang said as she turned to face Fan Hunjun again. "This is Junhao's girlfriend. They were classmates from university."

Huh?

## Chapter 105 Girlfriend

Liu Zhenqiang nodded his head in reply, but he still dawdled his way back.

It just so happened that Liu Zhenqiang's wife, Yang Ting, arrived with some chicken soup.

Yang Ting was not well-acquainted with Li Shanshan, but they both knew each other, so they greeted each other by slightly inclining their heads.

Upon seeing Li Shanshan leave, Liu Zhenqiang hurriedly turned around and pulled Yang Ting downstairs. He said that he was bored because of being cooped up in the ward, so he wanted to spend some time at the square outside.

In truth, he didn't want to get involved with the matter between Zhang Junhao and Fan Hunjun, because he wasn't sure if he could come out on top.

However, Fan Hunjun did not care about where Liu Zhenqiang had gone. He walked toward the lift and pressed the button to go down. The lift soon came up, and four or five people stepped out of it.

Fan Hunjun turned his head to the side. Just as he was about to head into the lift after the passengers had left, he suddenly heard a woman call him. "Oh, aren't you... young Fan?"

Fan Hunjun turned around and instantly recognized that middle-aged woman as Zhang Junhao's mother. He hastily smiled and nodded. "Auntie Zhang, you still remember me?"

## Chapter 105 Girlfriend

Fan Hunjun initially didn't plan to touch Fang Youqin, but when he thought of how Zhang Junhao had tried to make him look bad, a nameless fire blazed to life within him.

Although someone else had exacted revenge for him—that little boy toy Lin Hongtao played Fang Youqin before his eyes—Fan Hunjun did not need anyone to do his work for him. He wanted to take all those accusations pinned on him and direct them to Zhang Junhao by using Fang Youqin.

Right then, a nurse pushed open the door and entered the room. Fan Hunjun immediately stood up and gave a slight nod at Zhang Junhao, as though they were old friends. “Just focus on recovering. I'll come see you when I have the time. Oh, right, don't forget to drink your chicken soup too.”

And with that, Fan Hunjun turned to leave. Zhang Junhao was so furious that his teeth were tightly clenched together, but there was nothing he could do. All he did was silently swear that the moment he could stand up, he would send Fan Hunjun to meet his maker.

Fan Hunjun did not see Liu Zhenqiang when he walked down the corridor.

Liu Zhenqiang had just sat down by the door when Li Shanshan came out. Since she was worried that Fan Hunjun would do something malicious to Zhang Junhao, she purposely urged Liu Zhenqiang to hurry back to the ward.

Chapter 106 Mournful For Others' Misfortune

"Nice to meet you, Mr. Fan. I'm Wu Pinghui." With that, Wu Pinghui gave a slight bow to Fan Hunjun.

"Nice to meet you." Fan Hunjun politely smiled at her.

"Young Wu, please go to the ward first. I'll be there in a few seconds after I've spoken with young Fan. Oh, Junhao's in Room 102," Mrs. Zhang said to Wu Pinghui.

"Alright, have fun chatting."

Wu Pinghui replied with utmost respect, and then she turned to head toward the room.

Mrs. Zhang reached out to take Fan Hunjun by the arm and pulled him toward the windows. She looked around, and once she had ascertained that the coast was clear, she spoke in a hushed voice, "Young Fan, I've heard that you've been overseas the past few years. I'm sure you don't know about what's going on here at home, am I right?"

Fan Hunjun didn't know what she was trying to say, so all he could do was smile and shake his head.

Mrs. Zhang sighed. "You're now legally married to the Mr. Li's daughter now. There's some things that I can't say, because those who aren't in the know may assume that I'm just trying to stir trouble. Then again, I'm very close with your grandmother. You've been alone without your parents since you were young, and I couldn't bear to see others bullying you."

Chapter 106 Mournful For Others' Misfortune

Fan Hunjun already realized what she was about to say, but he still continued to smile. "Auntie Zhang, I know that you're doing this for my own good. If there's anything you want to say, you can just say it directly."

"I'm afraid that you still might not know that the Mr. Li's daughter was classmates with Junhao in university. Actually, our Junhao had already been dating young Yu, but Mr. Li's daughter is a little shameless... Oh, sorry, sorry, I..."

"It's alright, you can continue."

"My lips were a little loose there. You two are already married now anyway. I hope that you can properly rein in Mr. Li's daughter. Young Wu's father is a big businessman. It must be a blessing from our ancestors for Junhao to be able to know her. I just don't want their impending marriage to be destroyed over the Mrs. Li's daughter."

"I understand."

"Young Fan, while I may be doing this for my son, I'm also doing this for you. You and Junhao grew up together. In my eyes, you're no different from being my own son. I don't wish to see you being accused like this, and have people tear you apart from the dark."

"Thank you, Auntie Zhang. I know that you're doing this for my sake. I'll remember your words."

"Alright, I won't continue holding you up. I should hurry to the ward." Mrs. Zhang had taken only a

Fan Hunjun kept walking ahead. He didn't even so much as look at her, but even so, he said to her, "An ugly wife still has to meet their in-laws eventually. Since you like him so much, isn't it odd that you keep avoiding his mother?"

"Are you sick in the head?" Li Shanshan followed him with quick steps and turned her head away. "I've already registered my marriage with you. You think I still have a chance to be with Zhang Junhao?"

"Since you know that you can't be with him, then why do you still care this much about him?"

"What does this have to do with you?"

"It has nothing to do with me, but you shouldn't ask me that either!"

They had already walked to the lifts then. Fan Hunjun pressed the button to go up.

However, Li Shanshan still resolutely placed herself in front of Fan Hunjun, her face dark as she asked him. "Thoughtless Hun, what do you mean by that?"

This was the first time that he was seeing Li Shanshan alone up close. Fan Hunjun realized that while her beauty was not as prominent as Fang Youqin and Wu Pinghui, she looked more down-to-earth and approachable.

In addition to that, Li Shanshan hadn't done her brows, nor did she put on lipstick. Her face was

Fan Hunjun shook his head and continued to walk towards the building that Li Haobo stayed at. He soon heard Li Shanshan's footsteps behind him.

few steps when she turned her head back to speak with him again. "Young Fan, just remember what I said. You must not tell anyone else that I'm the one who told you that."

"Rest easy, Auntie Zhang. I won't be that stupid."

"That's good. That's good."

As he watched Mrs. Zhang leave, Fan Hunjun could not help but shake his head. Li Shanshan, you're just humiliating yourself. I won't talk about how Zhang Junhao doesn't love you, but even his mother is sickened by you, and yet you're still shameless enough to do this?

Fan Hunjun rode the lift down. Just as he was about to walk toward the building that Li Haobo stayed in, Li Shanshan suddenly darted out from the side and stopped him with a low voice. "Thoughtless Hun, you didn't do anything to Zhang Junhao, did you?"

Fan Hunjun shook his head in disbelief. Zhang Junhao is already such trash. Why are you so blind? Why can't you see it?

Fan Hunjun sighed. "Sorry, I just lightly tapped him on the chest, but I didn't expect him to keel over like that. The doctors are currently working to save him."

"Huh? You despicable wretch!"

Li Shanshan shrieked and immediately charged toward Zhang Junhao's room.

bereft of makeup and skincare products. The fragrance drifting from beneath her collar was her own scent. While it wasn't as thick as the Fang Youqin and Wu Pinghui's scents, it was light and refreshing.

In that moment when he was caught off guard, that scene where she and Zhang Junhao passionately kissed each other drifted unbidden to the forefront of Fan Hunjun's mind. It felt as though a cockroach had suddenly crawled out of his mouth.

Fan Hunjun mentally shook his head vigorously, but he said, "I didn't mean anything else though?"

"I'm asking you, what did you do to Zhang Junhao just now?"

"Just call... oh, I forgot that his mum is with him now. Why don't you just text him? Wouldn't you know then?"

"Thoughtless Hun." Li Shanshan pointed at the tip of Fan Hunjun's nose with her finger. "Don't think that just because you gave me 600,000 bucks that you can parade yourself in front of me like that. I'm telling you that my words still haven't changed. If you dare to so much as touch even a single hair on Zhang Junhao's head again, I will hound you for the rest of my life!"

"Don't just throw your life away like that. You're still young, you still have many years to go."

Right then, the lift arrived. Fan Hunjun sidestepped

## Chapter 107 He Doesn't Need You

Li Shanshan and entered the lift.

Li Shanshan's attention had been all on Fan Hunjun. She didn't know that Fan Hunjun was heading towards her father's room.

She stood by the lift, stunned for a moment, only entering it when she realized it was the lift that led to her father's room.

"Why are you here?" Li Shanshan asked, uncomprehending.

"We're married on paper now. Legally, your father is my father-in-law. Since he's undergoing surgery tomorrow, of course I'm here to visit him, see if he needs anything of me."

"You're a wolf so don't pretend to be in a sheep's skin. My father has me to care for him. He doesn't need you!"

The door of the lift opened right then, and Fan Hunjun stepped out. Suddenly, he remembered that the contract that Li Shanshan signed with Fang Youqing was still nestled in his pocket.

He fished it out while abruptly turning around.

Li Shanshan walked toward him with her head lowered. In a moment of carelessness, the two of them collided and fell to the ground with a crash.

The contact with Li Shanshan's slender and soft body made Fan Hunjun's body react.

## Chapter 108 Unrepentant

“Urgh.” Li Shanshan let out a cry from the pain of falling. Then, she gritted out, “Are you blind? Don’t you watch where you’re going?”

“Sorry!” Fan Hunjun said expressionlessly. “This is the agreement that you signed with Fang Youqin. She asked me to give this to you when we bumped into each other earlier.”

With that, he handed the paper to Li Shanshan.

Li Shanshan took the agreement and looked at it, before peering at Fan Hunjun. “What are you playing at?”

“Nothing. You returned the money to her, so she returned the agreement to you. I’m just a middleman. What could I possibly be playing at?”

“Tsk, stop putting on a ruse. I thought you wanted me? Relax. Whether this agreement is with Fang Youqin or you, as long as I signed it, I will honor it.”

With that, she handed the agreement back to Fan Hunjun.

It seemed like Fang Youqin guessed right. Li Shanshan was indeed a woman of her word.

Fan Hunjun looked at her. “Your father will be having his surgery tomorrow. He should be okay tonight, right? I heard that the best hotel in this place is the River City Grand Hotel, a five star hotel. Why don’t I book a room?”

Li Shanshan froze for a moment. “Not today, I’m

not in the mood.”

“Then when?”

“Next month!”

Fan Hunjun nodded. “A very good answer and excuse. Your father’s surgery is tomorrow, and you indeed are not in good spirits. Most importantly, Zhang Junhao’s ribs are broken, so you can’t do anything with him. Next month, your father will be discharged from the hospital, along with Zhang Junhao. Quite a good thing for you I see.”

Li Shanshan blinked. “What do you mean?”

“Isn’t it simple? If I hadn’t broken Zhang Junhao’s ribs yesterday, tonight you definitely would have shared a bed with me, because that way, the child in your belly might very well be Zhang Junhao’s.”

Li Shanshan understood the implicit meaning in Fan Hunjun’s words in an instant. Her pretty face instantly reddened all the way down to her neck. “Thoughtless Hun, what kind of woman do you think I am?”

“What other kind of woman could I see you as? You love this man so much and so deeply, but you’re just a foolish woman who’s being played by him like a puppet!”

“Thoughtless Hun, quit trying to sow discord here. I’m warning you again, I don’t care what you say about me, but I won’t allow you to disparage Zhang Junhao in front of me!”

## Chapter 108 Unrepentant

Fan Hunjun chuckled. "Inside, you always thought that Zhang Junhao loves you, don't you? If it wasn't because of your father, you would have long since swanned off with him, am I right?"

"So what if that's true?"

"Don't forget that he couldn't possibly not have 600,000 lying around. You also better not tell me that his parents don't agree with your relationship. What age is this? If he truly likes you, do you think his parents would have been able to stop him?"

Li Shanshan was momentarily at a loss of words.

"Also, did Zhang Junhao tell you this? He never liked Fang Youqin. That Fang Youqin's pursuit of him is one-sided on her part, and in addition to that, he must have told you that he never even touched Fang Youqin before, did he?"

"Does this have anything to do with you?"

"I just want to let you figure out whether Zhang Junhao truly loves you, or only loves you for your body. Perhaps he treats you as a shirt that he could toss at any moment after trying it on for a while."

"I say, Thoughtless Hun, just how shameless are you? I'm telling you, since I signed that agreement, I will absolutely hold up my end of the bargain. However, you better not think that I'll spare you a bit of my attention, and will live with you for the rest of your life. You also don't have to slander Zhang Junhao in front of me. Let me tell you this

frankly: even if he doesn't like me, he'll be the only one that I love. You're scum when compared to him. If you slander him, I won't come to shield you."

righteous man. However, not only did he throw away his long-term relationship with Li Shanshan, he also discarded his dignity just to become a formal teacher."

Having heard the clip all the way up till then, Li Shanshan's expression changed, and her entire body began to quiver.

Zhang Junhao had told her before that Fang Youqin had been constantly pursuing him ever since they returned to River City. However, he said that he chased her away, and didn't say anything about the thing that happened between them.

But Fang Youqin clearly said that not only did Zhang Junhao get together with her, he had also obviously betrayed Li Shanshan, to the point that he lost all his pride in front of Fang Youqin.

The least tolerable thing to Li Shanshan was, Zhang Junhao had obtained his job through Fang Youqin's father. However, Zhang Junhao had told Li Shanshan that he had spent all his money and savings before he managed to secure his current position.

It was because of this that Zhang Junhao rode an electric bike to work and back, and why his parents controlled his finances. That was also why he was unable to contribute any money when Li Shanshan's father fell sick. However, now, it looked like everything was just a lie.

"You're lying. You're all lying. You're just conspiring with Fang Youqin to dig a hole and push me in!"

## Chapter 109 Lies

The first voice was Fan Hunjun's. "If I guessed correctly, Zhang Junhao was once the thorn in your heart too. The reason why you could get over him is because you had had sex with him, am I right?"

"I really don't have to hide anything from you. Indeed, as you said, Zhang Junhao is like an idol in my heart. I didn't want to give up just yet. I was as good as—if not better than—Li Shanshan in terms of appearance, figure, and temperament. When it comes to family background, I win her hands down even if her parents didn't divorce. I don't believe that Zhang Junhao would be so loyal to her."

"Then you threw yourself onto him, and he accepted you with open arms?" Fan Hunjun asked again.

Come on, throw myself onto him? Tsk, do you think I am as shameless as you? After graduating from college, he worked temporarily in the school. He heard that my father often donated to their school and was close with their principal, so he came and begged me every day. Then my father helped him to become a formal teacher, and so he began to pursue me.

"That was what happened?" Fan Hunjun asked.

Fang Youqin's reply rang again. "To be honest, I still thought of him as a great figure before we had sex. When he knelt in front of me and swore to love me forever with such a cowardice expression, I started to look down on him. I thought he was a

Fan Hunjun gave a faint smile. "Continue living in those dreams of yours then. I just want to give you a piece of advice: you can look out for yourself, but you can't be too shameless about it!"

"Who's being shameless here?"

Fan Hunjun waved the agreement before her, and then he tore it into pieces and tossed the scraps into the bin by the lift.

"Li Shanshan, you can get pregnant with Zhang Junhao's child, and then live like a baleful woman while raising your child as a widow. That's your freedom of choice, and it's also your right, but remember this now: I, Fan Hunjun, have the ability to sire children. I don't need anyone to pussyfoot in front of me, nor do I wish for others to do things behind my back."

"Just what on earth do you mean by that?" Li Shanshan asked, uncomprehending, as she looked at the paper scraps on the edges of the bin.

"I just want to tell you that I'd rather just give you the 600,000 bucks—no strings attached—instead of being accused of being a cuckold."

With that, Fan Hunjun took out his phone and played back the audio that Chang Kai had gotten for him.

Li Shanshan hadn't even prepared herself for this. Upon hearing the contents of the audio clip, she froze in an instant.

## Chapter 110 More Proof

Li Shanshan already had her suspicions. She already believed that Fang Youqin's words were the truth, but in order to save face, she could only continue to forcefully deny it.

Fan Hunjun smiled in disdain. "At first, I thought that Zhang Junhao was under Fang Youqin's thumb, and that was why he lied to you. However, when I met Zhang Junhao's mother downstairs earlier, it was then that I realized that you and Fang Youqin are just puppets dancing in the palm of his hand."

"Hmph, just continuing slandering him then. Continue your slander of Zhang Junhao!"

Fan Hunjun played yet another audio clip. Li Shanshan had just said "I don't want to listen to this" when Mrs. Zhang's voice floated from the speakers.

"You're now legally married to the Mr. Li's daughter now. There's some things that I can't say, because those who aren't in the know may assume that I'm just trying to stir trouble. Then again, I'm very close with your grandmother. You've been alone without your parents since you were young, and I couldn't bear to see others bullying you."

"Auntie Zhang, I know that you're doing this for my own good. If there's anything you want to say, you can just say it directly." Fan Hunjun's voiced resonated.

Mrs. Zhang continued, "I'm afraid that you still might not know that the Mr. Li's daughter was

classmates with Junhao in university. Actually, our Junhao had already been dating young Yu, but Mr. Li's daughter is a little shameless... Oh, sorry, sorry, I..."

Fan Hunjun replied, "It's alright, you can continue."

"My lips were a little loose there. You two are already married now anyway. I hope that you can properly rein in Mr. Li's daughter. Young Wu's father is a big businessman. It must be a blessing from our ancestors for Junhao to be able to know her. I just don't want their impending marriage to be destroyed over the Mrs. Li's daughter," Mrs. Zhang explained.

"I understand." Fan Hunjun replied.

"Young Fan, while I may be doing this for my son, I'm also doing this for you. You and Junhao grew up together. In my eyes, you're no different from being my own son. I don't wish to see you being accused like this, and have people tear you apart from the dark."

When the audio clip ended, Li Shanshan stood on the spot like a statue, her mouth agape.

Fan Hunjun didn't even bother to look at her as he spoke. "Do you understand now? Zhang Junhao was actually just putting on a front that day at the civil affairs bureau when he beat me up. He didn't choose Fang Youqin, or even you. He chose Wu Pinghui, who can bring glory to his family."

Li Shanshan still hadn't regained her senses.

Fan Hunjun continued. "I heard that Wu Pinghui's father is the owner of the New Life Supermarket chain. There's stores in every province, and in bigger cities, there won't just be one of them. Even River City has three or four of their stores. Oh, right, Zhang Junhao's mother said that they were classmates in university. You probably know her too, don't you?"

Of course Li Shanshan knew her. Zhang Junhao even asked Li Shanshan for ideas when he was pursuing her.

From Li Shanshan's impression, they had already long since separated. She hadn't expected them to be together again and so intertwined with each other, nor did she expect them to have gotten Mrs. Zhang's seal of approval.

Most importantly, in Mrs. Zhang's eyes, Li Shanshan was the one who was constantly clinging to Zhang Junhao, to the point of destroying Zhang Junhao's life. How Li Shanshan wished she could find a corner and kill herself by bashing her head against the wall.

Fan Hunjun continued speaking. "That Wu Pinghui went upstairs with Zhang Junhao's mother. Didn't you see her while you were waiting for me earlier?"

Li Shanshan had hastily left the ward because Zhang Junhao said that his parents would be here soon. When she did see Mrs. Zhang walk over, she was so scared that she slipped off to the side in an instant, and because of that, she never noticed Wu Pinghui.
