

All For You Chapter 10

The room.

“Bang-” Once he entered the room, Nian Xiaomu reached out and closed the door, and immediately, put the little Liu Liu in his arms on the sofa.

Seriously, he surveyed the little girl in front of him

Fine, soft hair, tied into a pill head.

The pink and tender little face, completely inherited Yu Yuehan advantages, obviously very similar face, placed on the little six six is cute, Yu Yuehan is an iceberg.

Against her smiling little face, and sweet little dimples

Nian Xiaomu’s heart was about to melt.

“Why do you want me to take care of you, you remember me?” Nian Xiaomu walked up and sat beside her, cupping her little face in a doting manner.

It was the only reason she could think of.

“Little Liu Liu hurts and bleeds a lot, see pretty sister” The little girl heard her words and anxiously tried to explain, even gesturing to her injured arm.

She was small, but she could remember who was good to her.

Uncle Doctor said that it was her pretty sister who saved her

“You can’t move your hand around!” Nian Xiaomu’s nerves fluttered and she hastily pressed her arm.

Carefully, he checked her over to make sure the stitches were not torn, only to find that it was time for her to change the medicine.

“Sit obediently and wait for me for a while.” Nian Xiaomu instructed, turning her head to search the room for the medical kit.

When the medical kit was not found, the door to the room was pushed open.

Fang Zhen Yi swept a glance at the exquisitely decorated and luxurious princess room, and a flash of amazement flashed in her eyes.

Immediately, she pressed down the greed in her eyes and raised her eyebrows to look at Nian Xiaomu.

“Young Han has said that it is the two of us who will take care of Little Miss together, what do you mean by hiding someone in the room?”

“.....” Nian Xiaomu originally did not intend to pay attention to Fang Zhenyi, but the moment she looked up, she found the medical kit she could not find, in her hand.

Fang Zhenyi met her gaze with a smug look on her face as she strutted forward carrying the medicine box.

“The housekeeper said that it was time for Little Miss to change her medicine, and was worried that you wouldn’t be able to take care of it, so she specially asked me to come over.”

Fang Zhenyi said, squeezing out a smile, “Come, little Liu Liu, sister will change your medicine.”

“.....” Little Liu Liu’s big eyes slid around and moved over towards Fang Zhenyi, but not to let her change the medicine, but to use the uninjured hand to drag the medicine box and move back to Nian Xiaomu’s side.

Smiling and bending her eyebrows, she spoke sweetly, “I only want pretty sister.”

Fang Zhenyi: “.....”!!!

In the study.

In front of the log desk, Yu Yuehan’s magnificent body was sunken into the office chair, holding a piece of information in his hand.

After reading only half of it, the cold aura coming from his body was about to freeze a thousand miles.

“Young master, according to the damage to the car, young miss’s car accident was probably not an accident” the assistant carried the pressure and reported back cautiously.

“Pa—” the assistant’s words fell, the information in Yu Yuehan’s hand, he was fiercely slammed on the desktop.

The deep black eyes were like a deep pool, and anger was constantly burning in the pupils, but he restrained it to death, and finally returned to calm.

The thin lips slightly opened, one word, “Investigate secretly, I want solid evidence!”

“Yes!” The assistant nodded respectfully.

Immediately, he put the other two pieces of information in his hand, both in front of him.

“Fang Zhen Yi and Nian Xiao Mu’s backgrounds have both been checked, Fang Zhen Yi’s background is ordinary, worker’s family, and she has always been regular herself, but it is Nian Xiao Mu

“Hmm?” Yu Yuehan raised his eyebrows.

“Back to the young master, we can’t find out the information of Nian Xiaomu before she was twenty years old, not at all!”
