

## All For You Chapter 17

Nian Xiaomu was only frozen for a few seconds, and when she came back to her senses, she rushed to his back and blurted out.

There were only six simple words, but they caused everyone in the living room, to suck in a breath of cold air!

Had she eaten a bear's heart and leopard's guts?

How dare she call the young master by his name, or use this tone of voice .....

The eyes of the people around, looking at Nian Xiaomu, were all filled with sympathy, as if they had already seen the end of her being thrown out of the villa.

Nian Xiaomu was also angry and confused.

Only when she noticed the gazes around her did she realise what she had done.

But when she thought that Yu Yuehan was actually going to fire her indiscriminately, she was furious again and refused to bow down first, no matter what she said!

“..... “Hearing this, Yu Yuehan's footsteps paused.

The long figure, standing at the entrance of the stairs, had a cold aura lingering all around him.

In the living room, the atmosphere changed in an instant.

Everyone held their breath, pinching a cold sweat for Nian Xiaomu.

The next second, a soft, sticky little body was seen running out of the room, running directly to Yu Yuehan and hugging his thigh.

“Po-po can't chase pretty sister away, I want pretty sister to take care of me!” Little Liu Liu puffed out her cheeks and her big eyes glared round and round.

Her arm was injured and she couldn't hold on to Yu Yuehan with one arm, so she hung on to him on her hands and knees, dragging him away.

“I've already given her a chance, she's the one who can't even do her job properly.” Yu Yue Han looked at the little girl hanging onto him with a headache, the coldness in his body instantly lifted.

Bending down, he picked her up.

“Daddy promises you that he can find you a prettier sister to take care of you tomorrow.”

“I don’t want it, I want this pretty sister!” Little Liu Liu pouted and sucked her little nose sadly.

“Little Liu Liu, no crying!”

“Wha-”

Before Yu Yuehan’s warning sounded, the little girl in her arms, at the thought of being separated from her pretty sister, tears had already started to fall down in torrents.

The heartbroken look made one’s heart seize up along with her.

The little head rubbed straight into his chest, choking with aggression, “I, want, pretty sister ..... bad poop .....”

Yu Yuehan: “.....”

“I can promise you anything, but not this, she must leave today!” Yu Yuehan coldly opened his lips, and without looking at Nian Xiaomu, he hugged little Liu Liu in his arms and turned around to go upstairs.

In the living room, there was an uproar.

Fang Zhenyi was the only one, with a face that could not hide her joy.

“Yu Yuehan, don’t you regret it!” Nian Xiaomu shouted angrily towards his back.

Turning her head to face the smug Fang Zhenyi, her eyes narrowed as she reached out to pick up the water cup on the coffee table and walked straight forward.

“Wow...”

The cup full of water splashed her face without mercy.

“Ah! Nian Xiaomu, you’re crazy!”

Fang Zenyi did not expect her to splash herself with water in full view of everyone and screamed out in fright.

The warm water instantly splashed the make-up on her face.

Together with her wolfish cry, she was in an unbearable mess.

“This cup of water, is my return to you, go out and better not let me meet you, or I will splash you once I see you!” Nian Xiaomu put the cup in her hand, heavily on the coffee table, without looking at the people in the living room again, she turned around and left.

The housekeeper looked back, “Nian Xiaomu, your daily salary for today .....

“No need, leave it for your young master to cure his brain!”
