

All For You Chapter 26

In the room, only the three of them were left.

Yu Yuehan and Little Liu Liu had fallen asleep, and she had been tossing and turning for most of the night, so sleepy that her upper eyelids were fighting with her lower eyelids.

But as soon as she saw the man lying on the bed, she forced herself to be alert again.

She couldn't sleep.

She mustn't sleep!

The next second, she couldn't help but glance at that handsome face.

When his eyes were closed, there was less of the icy coldness that kept people away and more of the warmth.

His handsome, angular face, at every angle, was perfect like a carefully carved work of art.

It was the first time that Nian Xiaomu looked at him so closely, and as she watched, she was unconsciously entranced

When she realized what she was doing, she immediately slapped her forehead.

The actual fact is that you will be able to get a lot more than just a few of these.

The actual fact is that you'll be able to get a lot more than just a few of these.

Even if Yu Yuehan was a heavenly dish, it wasn't her dish!

If she accidentally ate it, she might choke to death!

The bed was definitely out of the question, but she couldn't just stand here for the rest of her life.

Nian Xiaomu's eyes searched around the room, finally staring straight at the sofa next to the bed, and her eyes lit up!

Carefully moving away from Little Liu Liu's grip on her clothes, making sure that the little girl was not awake, she turned around and walked over towards the sofa.

Grabbing the cushion, she lay down in a catlike position.

In this position, she could just look at Little Liu Liu.

After staying up all night, there was already a faint white light outside the window, so Nian Xiaomu was too tired, and when her eyes closed, she fell asleep.

The quiet room, soon, only the sound of even breathing remains

It was in such a quiet and harmonious atmosphere.

The man who seemed to be sleeping, oohed and aahed and opened his eyes.

The next second, the long figure sat up from the bed.

With one hand propped up on his bent knee, he turned his head sideways, his eyes clear, not even half as if he had just woken up.

His eyes burned towards Nian Xiaomu, who was asleep on the sofa, and his eyes were inquisitive

In his mind, the assistant's reminder kept flashing.

Even the people around him knew that a person with an unknown background was not suitable to stay in the Yu family.

He had clearly dismissed her, but on the contrary, not even a night later, she was back in the Yu family.

Yu Yuehan's eyes narrowed as he paced up to the sofa and stared down at her peaceful sleeping face.

Seeing her frowning brow as she slept, he actually couldn't help but reach out and smooth it for her

"Nian Xiaomu, what kind of person are you?" Yu Yuehan slyly opened his lips.

"Well", as if she heard his voice, Nian Xiaomu rolled over, and her whole body looked like it was about to fall off the sofa.

Yu Yuehan instinctively reached out to hold her falling body.

Just after exhaling a breath, I realized that something was wrong.

In the palm of his hand, there were two soft masses that felt too good to ignore

Yu Yuehan's body stiffened slightly.

That even if he hadn't touched any woman, he knew what he had touched.

Without having the time to let go, the person in his arms looked like he was frozen, and as soon as he touched the source of warmth, he struggled to burrow into his arms.

Yu Yuehan's face, which normally hardly showed any emotion, had a somewhat cracked expression at the moment.

Whirling around, he turned around and threw Nian Xiaomu onto the bed.

Looking at the woman who had absolutely no intention of waking up, the light colour under his eyes became complicated.

Glancing at her, he saw her shiver and walked forward with a frown.

Just as she was about to cover her with the quilt, she suddenly turned around, not knowing what she had dreamt of, and suddenly murmured.

"I will live"

At these words, Yu Yuehan's hand, which had reached halfway into the air, gave a violent lurch.

Slightly narrowed black eyes!

All For You Chapter 27

Sure to Live What does it mean?

What was she, and what secrets did she hide?

Countless doubts surfaced in his mind with her unconscious words.

"Little Liu Liu is not afraid, there is sister", Nian Xiaomu curled up a little and muttered again.

A tightly knitted brow, as if he was holding on to someone.

"..... "Yu Yuehan was slightly stunned, looking at Little Liu Liu who was sleeping extraordinarily sweetly beside her, his gaze became softer.

Suspicion of her cut a few points with these words.

Perhaps, he had been overly concerned.

No matter what she was, at least, her concern for Little Liu Liu was not disguised.

Outside the window, the sky was gradually becoming brighter.

After a sleepless night, a trace of fatigue appeared between Yu Yuehan's eyebrows.

He walked forward and pulled the curtains tight.

Turning around, he found that Little Liu Liu had rubbed into Nian Xiaomu's arms at some point, his soft little body, like a kitten, nestled in her chest, baring his mouth in contentment

The two of them are clearly not the same in appearance

The two people, who obviously do not look alike, give the impression that they are inexplicably harmonious.

As if this is the way everything should be

quiet, beautiful

The first thing you need to do is to get a good idea of what you're doing.

He originally stayed in order to test Nian Xiaomu.

Whether it was her identity background or the fact that she was taking care of the sick Little Liu Liu for the first time, it made him uneasy.

But now, looking at the small and large couple in close proximity before him, he would have an illusion.

As if he was the superfluous one

—

The first thing you need to do is to get a good night's sleep.

When she opened her eyes in a daze and saw the unfamiliar room in front of her, she oohed and aahed and sat up from the bed.

"Little Liu Liu" Nian Xiaomu remembered something and looked anxiously to her side.

Beside her, a soft little figure was lying on the pillow, sleeping in a heap.

The fever had subsided and her delicate face had regained its natural whiteness.

The heart that Nian Xiaomu had been carrying fell back into her stomach.

Immediately, she felt something slide off her body.

When she looked down, it was the quilt.

She froze for a few seconds, her chaotic mind gradually regaining its sanity

The next second, realising that she was actually sleeping in Yu Yue Han's bed, she was so shocked that she almost jumped up!

Her hands covered her mouth to prevent herself from screaming out.

Then, without even thinking about it, I looked towards the other side of the bed!

Her heart didn't jump out of her throat when she didn't see Yu Yuehan on the other side of the bed.

But immediately, countless questions flooded into her mind.

She was obviously sleeping on the sofa, why had she run into the bed?

And where did Yu Yuehan go?

Could they have really slept together yesterday?

"Are you a pig, you actually slept so much," Nian Xiaomu pulled at her messy hair and cursed lowly in her heart in chagrin.

After spending the night with Yu Yuehan, she couldn't remember anything!

When Nian Xiaomu was in turmoil, in the study on the first floor, Fang Zenyi was standing in front of her desk with a pale face.

She had been called to the study by the housekeeper early in the morning.

At the thought of seeing Yu Yuehan, she was so excited that she almost couldn't even walk.

She was thinking that she would take advantage of the opportunity to behave well in front of Young Han and make him feel more favourable towards her.

But to her surprise, she had been in the study for several hours and the man sitting at the desk hadn't even looked at her!

All For You Chapter 28

Fang Zhenyi had been standing all morning and her legs were going numb.

But when Yu Yuehan didn't say anything, she didn't dare to disturb him, so she could only continue to wait.

Stealingly, she looked up at the man who was so evil and noble that she could not take her eyes off him, no matter where or when he was.

Every time she looked at him, the love in her heart increased by one more point.

Not to mention the fact that she could marry Yu Yuehan and become the most honourable young grandmother of the Yu family in the city, as long as he was willing to look at her one more time, even if she was left without a name or a share, she would still be in love with him!

She didn't know how long she had been standing there, but she finally saw Yu Yuehan put down the papers in his hand and raised his head from his desk.

His dark eyes were deep, his eyes cold.

It was clear that he swept over her body, but it was as if he saw nothing.

It was as if in his eyes, she was not worth mentioning at all.

With a slight movement of his hand, he threw a document onto the table.

Without waiting for Fang Zhen Yi to see what it was, she heard his indifferent voice, "What is your name?"

"Back to Young Han, my name is Fang Zhenyi!" Her heart fluttering with joy, she took a step forward and spoke eagerly, "Fang as in square, true as in true and good"

"Little Liu Liu's medicine box, did you get it wet?" Not waiting for Fang Zenyi to finish, Yu Yuehan spoke up, coldly interrupting her words.

At these words, Fang Zhenyi, who was incomparably excited a second ago, her face changed in a swish.

Her hands clenched into fists sheepishly, but her face struggled to maintain her composure.

"Young Han, what are you saying, I don't understand, wasn't the medicine box wetted by Nian Xiaomu? You even fired her because of this matter ah."

Can't panic, can't panic!

Only she and Nian Xiaomu were present at that time, as long as she denied it, Nian Xiaomu would have to admit it even if she didn't want to!

When she thought of this, even the last bit of weakness disappeared from her face.

When she raised her head, she was about to say something when she met Yu Yuehan's sneering gaze.

It was as if he was laughing at her naivety

"Pa—"

Yu Yuehan reached out and grabbed the papers on the table and threw them at her.

"Think clearly for yourself before you answer my question."

"....." Fang Zhenyi froze.

Staggered, she looked at the document that had fallen to the floor for half a second before reaching out to pick it up.

After just one glance, her face instantly turned pale!

Unbelievably, she stared at what was in her hand, and in her eyes, horror flowed

"How could this be?"

She thought that since there was no surveillance in Little Liu Liu's room, no one would know that the medicine box had been wetted by her on purpose.

But how could she have never imagined that Yu Yuehan would have someone check Little Liu Liu's room, and even take the cup that she had splashed the water into for testing, and collect her fingerprints from it!

The cup of water was brought in by the maid, but what was left on it was her fingerprints.

Nian Xiaomu hadn't touched it from the beginning to the end!

"Young Han, it's not true, listen to my explanation!" Fang Zenyi grabbed the document in her hand and lunged forward.

"I was only drinking the water in Little Miss's room because I was too thirsty, that's why on the cup, there were my fingerprints, the medicine box was already wet by Nian Xiaomu before I went in"

"Enough!" Yu Yuehan sank his voice, impatience flashed under his eyes.

Just two simple words made Fang Zhenyi fall to her knees with a thud.

Panicked, she crawled to him.

“Young Han, I really know I’m wrong, give me another chance, I really do want to take care of little miss.”

“.....”

“Besides, I’m more professional than Nian Xiaomu, Younger Han, have you forgotten? She’s only a half-assed caregiver, she can’t take care of little miss

All For You Chapter 29

Fang Zhenyi grabbed Yu Yuehan’s trouser leg and shed tears.

It was so hard for her to get into the Yu family, she couldn’t just leave like that

“If you really could take good care of little Liu Liu, you wouldn’t have disregarded her injuries and wet her medicine chest!” Yu Yue Han shook off the person in front of him with force, sweeping over the trouser leg she had grabbed, his disgusted gaze like it was stained with something dirty.

Cold eyes narrowed as a dangerous light swept across the bottom of his eyes.

If little Liu Liu had half-heartedly failed because of her, she thought she would still be here now!

“Young Han, I was spooked by Nian Xiaomu at the time, I will never do it again, you give me another chance,” Fang Zenyi reached out and wiped the tears off her face, crawled back up to him and looked at him with desperation.

“As long as Young Han can let me stay, no matter what I’m asked to do, I’m willing!”

If she was really fired from the Yu family, or for such a dishonourable reason, going forward, no one would ever hire her again.

Then she would have no future in this business.

Not to mention, she had also offended the most honourable young Han in H City

Fang Zenyi’s body shook like a sieve at the thought of this.

“.....” Yu Yuehan’s black eyes flickered slightly, the colour of light under his eyes, deep and unreadable.

It was only after a long time that his lips opened quietly.

“You only have one last chance.”

At these words, Fang Zhenyi was instantly ecstatic and nodded her head like a garlic, “Thank you young Han, don’t worry, I will definitely take care of little miss from now on with all my heart.”

Yu Yuehan’s upright body slowly stood up from his chair, his black eyes cold and indifferent.

Hearing her words was like hearing a joke.

“You think I will let you take care of my daughter again?”

“.....” Fang Zhenyi froze, not knowing what the words meant, and looked at him blankly.

“I can let you stay in the Yu family, but remember, from today onwards, no one is allowed to go near Little Liu Liu, everything about Little Liu Liu, I forbid you to touch it, do you understand!” Yu Yue cold eyes crossed as he spoke one word at a time.

There was no deliberate raising of the voice, but it carried a boldness that made people not dare to say anything.

“Yes!” Fang Zhenyi did not dare to retort at all, and soon, looked up again in confusion, “Then what do I have to do?”

The Yu family would not raise an idle person.

If she was useless, how could Young Han agree to let her stay?

“Do what, the housekeeper will tell you.” Yu Yue Han gathered his eyes and signalled that she could leave.

“.....” Fang Zenyi wanted to ask something else before meeting his warning gaze and snapped back.

Only when her figure disappeared in the doorway did the assistant walk in.

“Young master, you obviously already suspect that Fang Zhenyi has a problem, why do you still allow her to stay?” The assistant asked in a worried and puzzled manner.

Yu Yuehan moved his long fingers, and the pen in his hand snapped onto the document in front of him.

His dark eyes lifted slightly, and the curve of his mouth appeared to be a smile.

“In this villa, she is not the only one who has problems now.”

“.....” The assistant froze and instantly reacted.

The young master was trying to get them to spy on each other, to keep each other in check, just to see who, first, could not sulk and expose themselves!

“Anything else?” Yu Yuehan indifferently opened his lips.

The assistant then came back to his senses and hurriedly reported back, “Young master, Nian Xiaomu has woken up and is acting a bit strange alone in the bedroom.”

The assistant’s expression was simply incoherent.

Yu Yuehan: “.....”

He stood up from his chair and paced just towards the master bedroom on the first floor.

All For You Chapter 30

He had just reached the bedroom door when he heard a small, fragmented sound coming from inside.

It looks like someone is standing in the doorway and is muttering to himself.

Yu Yuehan’s eyebrows knitted, and hearing that it was Nian Xiaomu’s voice, he ghostly walked forward

“To go out or not to go out?”

“What if we bump into each other?”

“Pretend that there is nothing wrong no no, there would have been nothing”

Yu Yuehan: “.....”

She has been obsessing about this since she woke up?

Inexplicably, a petite figure emerged in his mind’s eye, standing behind the door gritting her teeth and stamping her foot, wanting to come out but not daring to do so.

The corners of Yu Yuehan’s mouth involuntarily curved up.

The assistant who was following him was completely stunned at the sight of this scene!

He looked at his boss in front of him with disbelief.

His boss had actually smiled?

Or smiled at a door!

It's over, why does he feel that not only Nian Xiaomu is weird today, but even his family boss is infected with weirdness

Behind the door.

Nian Xiaomu was still trying to do mental construction.

Leaving the Yu family was out of the question.

Not to mention that she needed the job in the first place, and even if she didn't, she couldn't feel at ease with little Liu Liu.

She couldn't leave until Little Liu Liu's injuries had healed.

But once she decided to stay, she would inevitably have to face that ice lump Yu Yuehan.

And last night

How did she somehow end up sleeping in his bed?

The first thing you need to do is to get a good idea of what you're doing.

As she said this, she reached out and unscrewed the door to her room and walked out in stride.

Just as she took a step, she ran headlong into a firm chest.

Her whole body was knocked backwards!

Just as she was dizzy, a strong arm, wrapped around her waist, steadied her body which was about to fall.

"Thank you" Nian Xiaomu pressed her forehead and subconsciously spoke.

The next second, seeing Yu Yuehan standing in front of her, she froze violently.

Turning her head to look at the door of the room, and Yu Yuehan who had been standing at the door for who knows how long

What she said, he heard it all?

The first thing you need to do is to get a good idea of what you're doing.

"....." Nian Xiaomu's face turned red.

She stood there awkwardly, not knowing what to say.

The first thing that happened was that she was ready to pretend that nothing had happened and slip away first, but Yu Yuehan had already narrowed his eyes and faintly removed his gaze from her.

His thin lips slightly opened, "Tell little Liu Liu to get up, it's time for her to eat."

Nian Xiaomu instantly let out a sigh of relief.

The moment she turned around, she even forgot to give him a grateful glance.

I didn't expect that the ice lump also had moments of kindness and understanding

"There's more." As soon as Nian Xiaomu walked into the doorway, a low magnetic voice sounded behind her, dripping with derision, "If someone feels they are at a disadvantage, I don't mind sleeping with her again."

Nian Xiaomu: "....."!!!

What do you mean sleep again?!

Rascal!

She thought he was understanding just now, but she was definitely the one who had her head caught in the door!

Nian Xiaomu's face turned red as she rushed into the room in one breath, and then closed the door with force.

Yu Yuehan slightly turned his head to the side, hands in his trouser pockets, looking at her furious look, his eyes deepened.

The original intention to tell her that he had not slept in his bedroom at all yesterday was silently dispelled
