

All For You Chapter 31

The villa dining room.

When Nian Xiaomu walked in with Little Liu Liu in her arms, a magnificent figure was already sitting inside.

Remembering what had just happened, her body stiffened slightly.

Immediately, she deliberately ignored the man with a powerful aura and went straight up with Little Liu Liu in her arms.

The little glutinous rice dumpling had just woken up and was still a little dazed, leaning into Nian Xiaomu's arms and pampering herself, and as soon as she saw the delicious food, her big beautiful eyes immediately turned bright!

"Hungry?"

Nian Xiaomu pinched her little face and put her on the children's chair.

He brought the meal that the chef had prepared long ago to her.

"Pretty sister eat together too!" With her uninjured hand, Little Liu Liu grabbed a small spoon and scooped up a mouthful of porridge, before bringing it to Nian Xiao Mu.

"....." Nian Xiaomu was slightly stunned, and immediately, shook her head.

Just as she was about to refuse, she heard Yu Yuehan's indifferent voice coming from the other end of the table, "Housekeeper, didn't you hear what Little Miss said?"

Housekeeper: "....."!!!

The Yu family was the number one family in h city, with a large family and naturally had the rules of the Yu family.

Little Miss Liu Liu was so young that the housekeeper didn't take what she said casually seriously, not to mention, it was against the rules.

The Yu family had never had a servant who could eat with the young master!

Even if Nian Xiaomu wasn't considered a servant in the Yu family, she was still just a small caregiver.

The housekeeper didn't expect to be reprimanded by the young master for this, so he turned around and went into the kitchen to get the dishes.

He personally put them in front of Nian Xiaomu.

“..... “Nian Xiaomu looked at the bowls and chopsticks in front of her and subconsciously looked up towards Yu Yuehan.

The fact that he was sitting calmly at the table, his handsome face, because of the backlight, haloed a touch of cold, noble aura, so that he raised his hands and feet are incomparably attention-grabbing.

It was as if he didn't even notice her, he was just eating slowly and methodically.

It was Little Liu Liu who was beside her. As soon as she saw the bowls and chopsticks brought up by the housekeeper, she immediately tugged at her hand, “Pretty sister, sit down quickly, there's so much delicious food!”

A pair of crystal eyes, like twinkling stars.

The bottom of her eyes were filled with anticipation.

She was still a bit torn, she was only a caregiver, in the Yu family, really not qualified to eat with Xiao Liu Liu.

But when she met Xiao Liu Liu's expectant eyes, she, who didn't have any sense of class, simply pulled out a chair and sat down.

She picked up her chopsticks and put some food into her little bowl.

Just as she was about to tell her to eat more, she saw the little girl raise her head with a smile, “Pretty sister only loves me and only gives me vegetables, not poa vegetables.”

Nian Xiaomu: “.....”

She was stunned, raised her head, and met Yu Yuehan's dark, heavy eyes.

In her heart, she was thinking, he has hands and feet where he needs her to clip vegetables, little Liu Liu already reached out and fished his bowl in front of her.

“Pretty sister, po-po wants vegetables too!”

Nian Xiaomu: “.....”

Is this a clip, or not?

Although she hadn't used her chopsticks, but who knows, he might have some kind of problem like not eating dishes that other people clip.

If he doesn't mind, just put it in the bowl and don't eat it anyway.

Nian Xiaomu's heart was set and she put the same dish as Xiao Liu Liu's into his bowl.

When she was about to eat, a small hand pushed her bowl in front of Yu Yuehan.

Smiling like a little fox, "Po-po, you haven't given pretty sister a dish to eat."

Nian Xiaomu was startled and was just about to say no, when Yu Yuehan already lifted his chopsticks and put a chopstick of green vegetables into her bowl.

All For You Chapter 32

"Poopie is so good! I love my pretty sister the most, you have to keep loving each other!" Little Liu Liu clapped her hands happily.

As soon as he opened his mouth, he almost made Nian Xiaomu fall off his chair.

She was able to stabilize herself and looked at Yu Yuehan again, but she felt that something was strange.

What love each other, say as if they have a leg

But it's just that she really doesn't remember how she climbed into his bed in the middle of the night yesterday, and it's embarrassing to think about it.

In the restaurant, the atmosphere became a little ambiguous for a moment.

If you don't know, if you walked in right now, you would think that this was a family of three having a meal.

It was so warm and harmonious that people couldn't bear to disturb it.

Compared to Nian Xiaomu's fidgeting, their father and daughter were calm. Little Liu Liu was still happily eating, holding a small spoon by himself, trying hard to stuff his mouth with delicious food, and not letting anyone help him.

As for Yu Yuehan

The fact that he did not say a word from the beginning to the end, but the indulgence of little Liu Liu, but also let people can not understand his mind.

The first thing you need to do is to take a look at the food you are eating.

"Young master, the old lady is here!" The housekeeper hurriedly came in from outside, with a panicked face, and reported back.

Upon hearing this, Yu Yue Han's face instantly turned bizarre.

"You take Little Liu Liu back to her room first!"

As soon as he put the chopsticks down on the table, he stood up from his chair, turned around and headed out.

Nian Xiaomu was just about to go and hug Little Liu Liu when she saw outside the living room, a kind and amiable looking but elegant grandmother, on crutches, pushing away the people who were helping her in some urgency.

"Don't stop me, all of you, I want to see my little heart!"

Nian Xiaomu was wondering about her identity when she heard the little Liu Liu in her arms shout out happily.

"Grandma!"

"Grandma, why have you come over?" Yu Yuehan stepped forward and reached out to help the visitor, his voice still clear and cold, but his attitude was very respectful.

It could be seen that he really respected the old man in front of him.

"Brat! My little heart had a car accident and you actually didn't tell me, do you still have me as your grandmother in your eyes?" Old Lady Yu huffed and pushed him away before walking over towards Little Liu Liu.

She hugged her heartily and looked her up, down and around.

Seeing Little Liu Liu's gauze-wrapped arm, her eyes instantly turned red.

"I told you a long time ago that you were too busy working to take care of my little darling, so you should find someone to come back and take care of her sooner, look at you, look at you, my little darling has not only lost weight, now she even has a broken arm!"

As soon as Old Lady Yu turned around, she glared at Yu Yuehan.

"Grandma, it was just an accident, Little Liu Liu is already fine." Yu Yuehan's complexion remained unchanged as he was lectured.

Faintly, he opened his mouth to explain.

"Grandma Tai, I already have my pretty sister to take care of me." Little Liu Liu poked her little head out of her arms and helped along to comfort.

“Sister there works, what you need is a mother!” Old Lady Yu followed her gaze and was slightly stunned to see Nian Xiaomu standing to the side.

In the next second, the eyes changed.

Pretty looking and with a good temperament, she was worthy of their Yu family.

And looking at this body, I guess she’s also good for breeding!

“Hello, old lady.” As soon as Nian Xiaomu opened her mouth, her hand was held by someone.

As soon as Old Lady Yu turned around, she walked up to her, “Little girl, are you married?”

Nian Xiaomu: “.....”

“If you’re single, consider my grandson?”

Nian Xiaomu: “.....”!

“Rich, tall and handsome, you’ll be a mother as soon as you get married!”

Nian Xiaomu: “.....”!

All For You Chapter 33

What was going on here?

Why did she have the illusion that she had walked into a supermarket and caught a clearance sale?

But the person who was sold off became the number one single nobleman in the city of H. The feeling was too fantastical!

The first thing you need to do is to look at the old lady in front of you and not dare to answer

“Grandma, Nian Xiaomu is Xiao Liu Liu’s caregiver, if you do this, you will scare her.”
The first thing you need to do is to get a good idea of what you’re doing.

His parents had passed away a long time ago, and he had been brought up by his grandmother.

But Old Lady Yu was a famous old boy, almost seventy years old, but still acting like a child.

Especially when she mentioned his marriage, she looked as if she wanted to send him away in a packet, which gave Yu Yuehan a headache.

“So your name is Nian Xiaomu?” Old Lady Yu held her hand and smiled even more kindly when she heard Yu Yuehan’s words.

“Don’t be afraid, grandma doesn’t eat people.”

Nian Xiaomu: “.....”

“Grandma, Little Liu Liu is hungry, are you sure you won’t let us eat first?” Yu Yuehan glanced at Nian Xiaomu, who was dumbfounded and unable to recover for half a second, and opened his lips in a rare act of kindness.

As his words fell, Old Lady Yu’s gaze finally moved away from Nian Xiaomu.

In the end, she gave him a white look.

“You just know how to perfume me, if it wasn’t for your delay in finding a good girl on your own, would I be so anxious?” The more Old Lady Yu spoke, the more she became distracted, turning around and sitting down on a chair.

“Tell me, it’s been two years, Little Liu Liu’s mother

“Grandma!” Yu Yuehan suddenly opened his lips, his voice becoming low.

As if the person mentioned just now was something forbidden.

“.....”

Old Lady Yu glanced at the dumbfounded Little Liu Liu, also noticing that she had said too much, and cleared her throat.

“Eat first, I’ll teach you a lesson later!”

This was the first time that Nian Xiaomu had met anyone in the Yu family other than Yu Yuehan and Little Liu Liu, and the first time that she had heard someone mention Little Liu Liu’s mother.

The woman who never seemed to exist

When she came back to her senses, she realized that the scene was now a bit awkward.

Everyone was seated, and she was the only one still standing.

The most crucial thing was that there was an additional elder at the table, or the head mother of the Yu family.

Would the elder care more about the rules and not allow her to eat at the same table?

“Little Mu Mu, what are you staring at, quickly sit down and eat.” Old Lady Yu seemed to have seen her hesitation, and with a stretch of her hand, she pulled her to sit down.

Without waiting for Nian Xiaomu to react, Old Madam had already poured a lot of dishes into her bowl.

Like an elder she admonished.

“Eat more, don’t follow the example of the youngsters nowadays and talk about losing weight at every turn.”

“..... Thank you, old madam.” Nian Xiaomu held the bowl, besides being surprised, a trace of inexplicable warmth flowed through her heart.

“You’re welcome, take your time to eat, when you’re done, we’ll discuss the marriage!” Old Lady Yu added with a benevolent face.

“Pff—” Nian Xiaomu indisputably choked.

Picking up the glass of water in her hand, she took a sharp gulp and looked at the old man in front of her with dumbfounded eyes.

Was this stubble too much to pass up?

Yu Yuehan actually did not stop

No, no, I can’t think about it anymore, just think of it as making the old man happy.

Eat and eat!

The first thing you can do is to look down and start picking up the rice, hating to forget all the things that just happened.

She didn’t notice that a deep gaze, from the moment she lowered her head, had been staring at her, her eyes dripping with inquiry.

She was afraid to marry him?

All For You Chapter 34

“Grandma, who told you about Little Liu Liu’s car accident?” Yu Yue Han gathered his eyes and his thin lips opened slightly.

Old Lady Yu froze, and a trace of hesitation flashed across her kind face.

Just as she was about to speak, she saw the housekeeper suddenly walk over to Yu Yue Han and lower her voice to say something.

Immediately, Yu Yuehan’s gaze turned cold.

The coldness that rejected people from a thousand miles appeared on his body.

Before Nian Xiaomu could figure out what was happening, outside the restaurant, a sharp voice came.

“I said why is there no one outside, it turns out that we are eating, did little aunt come at a bad time?” A middle-aged woman, luxuriously dressed and with an arrogant demeanour, walked in from outside.

She said that she had come at an unfortunate time, but her face was not half embarrassed.

Only when she looked at Yu Yuehan, a trace of timidity showed under her eyes, and then she quickly forced herself to calm down again.

“Something wrong?”

Yu Yuehan’s black eyes were slightly raised, without any intention of making pleasantries or courtesies, and he asked straightforwardly.

His powerful body leaned against the back of the chair, his cold face, noble and charming, just a casual glance at the person in front of him made Cheng Xiu Lu’s chicken skin rise, even the arrogance on his face, were immediately put away.

The eyes crossed over Yu Yuehan and looked first at Old Lady Yu who was sitting at the dining table.

“Mom, I’ve told you that Little Liu Liu is fine, why did you still come all the way here!” Cheng Xiulu walked up, her face anxious as if she was worried about Old Lady Yu, before rushing after her.

As the words left her mouth, she turned her head to look at Yu Yuehan again.

“Yue Han, it’s my little aunt’s fault, when I went to chat with your grandmother today, I accidentally let slip my mouth and let her know that little Liu Liu had a car accident, that’s what caused her to worry and have to come over to take a look.”

At these words, Yu Yuehan's deep black eyes immediately turned cold and beady.

Like a prism of ice, it shot towards Cheng Xiulu!

The Yu family's direct lineage was thin, and when it came to his grandfather's generation, there was only one son in the Yu family, his father.

It was a pity that he died young.

Yu Yuehan grew up following his grandparents and took over the group.

By chance, in the year his grandfather fell seriously ill, an illegitimate son, his little uncle, suddenly appeared.

Master Yu was already on his deathbed, having experienced the pain of losing his son, and his only wish was for his youngest son, who had been stranded, to claim his ancestry.

In order to avoid any change in the succession of the Yu family, when he took back his youngest son, Yu Huiwei, he also made a will.

Everything in the Yu family was to be inherited by Yu Yuehan.

The only thing left to him, Yu Huiwei, was the right to live in the Yu family villa and some group dividends.

As long as he could live in peace and quiet, he would be able to live his whole life without worrying about food and drink.

Unfortunately, before he died, Master Yu had misjudged the wrong person.

Yu Huiwei's ambition was not to be an idle man.

After being strictly forbidden by Yu Yuehan from touching any business related to the group, he then set his sights on the Yu family villa.

They were the ones most suspected of being involved in the accident.

"Yue Han, little aunt also knows that this time is my fault, your grandmother is not well, I should not have alerted her, but I am also worried about little Liu Liu", Cheng Xiu Lu saw his face was not right, and quickly explained in a false sense.

The Yu family today is all in the hands of Yu Yuehan.

He is the high and mighty young master, the person in charge of Yu's group, they just have the guts, they do not dare to offend in the open.

All For You Chapter 35

“Is that so? I thought that my little aunt was eager to become the head mother of the Yu family and deliberately stimulated her old man.” Yu Yue Han raised his eyebrows, his cold voice, like the cold wind of winter.

It blew past one’s ears without anger.

Old Lady Yu was almost seventy years old, and was deeply devastated by the sudden appearance of an illegitimate son before Old Master Yu’s death.

Her health had deteriorated a lot.

The doctor had explained that she needed to recuperate and usually avoided being stimulated.

This was also the reason why Yu Yuehan had suppressed the news when Little Liu Liu had a car accident.

But he didn’t expect that the news had reached her ears!

“I was wronged, mum, please help me explain to Yue Han, I really didn’t mean it,” Cheng Xiulu’s brightly made up face turned and twisted her head towards Old Lady Yu to plead for help.

As soon as she opened her mouth, tears followed.

“Okay, all cut the crap, still let my little heart eat properly?” Old Lady Yu only took one look at her before she frowned.

Waving her hand for the housekeeper to add a pair of bowls and chopsticks, she gestured for her to sit down.

“.....” Cheng Xiu Lu was admonished and clenched her fist with resentment, but when she thought of Yu Yue Han’s presence, she didn’t dare to get angry.

She sat down sarcastically.

After sweeping around the table, her eyes fell on Nian Xiaomu who was sitting next to Xiao Liu Liu.

“This is,” Cheng Xiu Lu asked as a flash of amazement flashed across her eyes, seemingly without meaning to.

Seeing that neither Yu Yuehan nor the old lady had any intention of answering her, she continued again abruptly.

"I heard that Little Liu Liu has an extra competent caregiver, and she likes it so much that she shouts pretty sister pretty sister all day long, could it be this one?"

The butler sniffed and respectfully returned, "That's her, her name is Nian Xiaomu."

"Nian Xiaomu" Cheng Xiu Lu shouted contemptuously, and immediately, she put her chopsticks heavily on the table and turned her head to scold.

"Housekeeper, are you old and confused? How dare you even change the rules set down by the Yu family's ancestors without permission!"

"..... Madam, I didn't." The steward was scolded with a bewildered look and explained with wide eyes.

"And you say you didn't? Then what is she? When did even an escort get to be on the Yu family's table?" Cheng Xiulu pointed at Nian Xiaomu, like a villain who had been given the imperial sword, and reprimanded the housekeeper in a high-handed manner.

Without waiting for the housekeeper to reply, Cheng Xiulu's gaze, then turned to Nian Xiaomu.

"And you, don't think that just because little Liu Liu likes you, you can be unbridled in the Yu family, even if the old lady is old, the Yu family still has me, it's not your turn to be unruly and foolish!"

"....."

Nian Xiaomu really experienced what it means to have a person sitting at home while the pot comes from the sky.

This "little aunt" was sick, right?

She had obviously done nothing, but how come in her mouth, she had become a demon that wreaked havoc on the country and the people?

Even Little Liu Liu was dumbfounded by her sudden shouting.

Blinking with her big eyes, she held a mouthful of rice, forgetting to swallow it.

"Have you said enough?" A hint of impatience swept across Yu Yuehan's brow, but he did not snap.

"Yue Han, I know you don't like what I'm saying, but the Yu family's rules were set down when your grandfather was alive, so they can't be allowed to do whatever they want, this Nian Xiaomu, nothing can be left at the dinner table!" Cheng Xiulu stared at Nian Xiaomu, as if she would not stop until she got up.

At these words, Yu Yuehan's face sank.

Just as he was about to say something, the person sitting in front of him suddenly stood up.
