

## All For You Chapter 4

Nian Xiaomu looked at the man's back as he left and shouted towards him.

At the sound of his voice, Yu Yuehan's feet gave a slight lurch, his stern back, permeated with a murderous hostility.

However, he did not stop and left straight away.

"Miss, I apologize to you, besides, this is my business card, if you change your mind about the compensation, you can contact me." The assistant shoved a business card into her hand, turned around and hurried after her.

When they reached the door of the operating room, the operating light was still on.

"Young master, your clothes are torn, do you want to go change first?" The assistant asked cautiously as he pointed to the shirt on him whose buttons had popped open.

It was the first time he had seen him in such a mess in all the years he had followed the boss around.

The shirt buttons had fallen off, his clothes were wrinkled, and the legs of his trousers were still stained with cake cream .....

When he thought of the woman who had dared to ask Yu Yuehan to apologize just now, cold sweat ran down the assistant's spine.

No need. "Yu Yuehan coldly opened his lips, his gaze never leaving the operating room.

Soon, the surgical lights went out.

"The child is out of danger, it's just that the anesthetic hasn't worn off, so I guess I'll have to sleep for a while longer." The doctor took off his mask and said joyfully.

"Speaking of which, it's also this child's life, originally our hospital was short of b-type blood, fortunately there was a kind-hearted person at the scene, donated a lot of blood to her, which saved a small life."

As the doctor's words fell, Yu Yuehan's brow knitted slightly and he turned his head to look at the assistant beside him.

This is her daughter's life-saving benefactor now .....

The assistant would understand, and busily ran towards the blood drawing room.

He soon ran back, "Young master, the nurse said the person has already left, just left."

“.....” Just left?

Yu Yuehan's eyes flickered slightly, just as he was about to say something, he saw the little girl being pushed out of the operating room, and immediately raised his steps and went forward.

The first thing you need to do is to take a look at the website.

She swept the business card in her hand, puffed up her cheeks in anger, and was just about to throw it into the trash, when she thought about it, she stuffed it back into her bag.

She turned around and entered the lift.

When he reached an office, he pushed the door open without saying a word and squeezed out his most pathetic expression.

“Honey, I'm sorry that your birthday cake is ruined, but I can give you my body in return .....” Before Nian Xiaomu could finish her words, a form had already flown over towards her.

She subconsciously reached out to catch it.

“What's this?”

“I've chosen your job for you, the detailed requirements are on it, interview tomorrow, any questions?” At the desk, a young woman wearing professional glasses looked up and pouted towards her.

Tan Avalanche, her best friend and her biggest debtor.

In the past few years, in order to keep her alive, Tan Beng Beng had not only poured out her family's money, but also incurred a buttload of external debts.

The thing Nian Xiaomu wanted to do most right now was to make money to pay off her debts.

“No problem.” Nian Xiaomu put the form away, her crystal eyes faintly flashing, “Then the matter of your birthday cake .....”

“Didn't someone just say that he was going to give his body to me.”

“I suddenly remembered that the person who crashed your cake left a business card for you to contact him, the matter of promising your body, he is more appropriate.” Nian

Xiaomu pulled the card out of his bag, slapped it on the table and gave her a kiss on the cheek, "Honey, I'm off to prepare for my interview, happy birthday!"

Then he ran away!
