The Almighty Dragon General Chapter 2199—James took a deep breath and looked at Thea and Winnie with a smile, saying, “Leave I’ll be fine.”

Thea was no longer the innocent young girl from before Hence, she did not linger for long She grabbed Winnie’s hand and turned to leave

“Daddy Daddy!”

However, Winnie called out for James, reluctant to leave

Thea hugged Winnie and looked at the Callahans, saying, “Grandpa, we should leave ”

James watched them leave,

After they left, James breathed a sigh of relief and turned to look at Yuvaan, saying coldly, “ I’m all yours now. I hope you’ll hold up to your end of the bargain and leave my family alone Or else, I’ll never forgive you.”

“Lock him up!”

Yuvaan ordered.

Then, James was taken away and imprisoned inside a dark and damp dungeon

At the same time, in Bane City.

Marcello and Jace were in the courtyard of the residence they were in.

“Jace, I just received news that James has been imprisoned by the Divinity Sect. What should we do now?”

Jace smiled faintly and said, “James possesses the Demonic Body, an invincible body of the Demonic Realm. Yet, his loyalties lie with the humans. He has to undergo some ordeals before he gives up on the humans and joins us.

“But”

Just as Marcello wanted to refute him, Jace waved his hand slightly and said, “No buts! The decision is final. Even Master would agree to this if he was here.”

Marcello sighed and said no more.

At the Divinity Sect on Mount Bane, James was imprisoned in a dark and damp dungeon. At the moment, he was tied up and lying on the bed while staring blankly at the black ceiling

Clack! Clack! Clack!

At that moment, the sounds of footsteps could be heard.

Then, the door opened.

“James “

A voice came

James turned his head Through the dimly lit lights, he could see that Yuvaan was here

With all his strength, he got up and sat on the ground Then, he looked at Yuvaan and cabl coldly, “Hurry up and take my life already”

Yuvaan smirked, “James, I’m a merciful man. As long as you hand over the Sacrilegious Ascension cultivation method, I’ll spare your life,”

Haha

James laughed

Yuvaan, so you went to great lengths just to obtain Sacrilegious Ascension. Since you already know I cultivate Sacrilegious Ascension, you should know how difficult it is to cultivate it Even if I give you the cultivation method, can you really manage to practice it?”

Yuvaan said, “That’s none of your concern As long as you give the cultivation method to me I’ll spare your life Deal?”

“You’ve got to be kidding me James was doubtful However, if Yuvaan kept his word, so what if he gave him the cultivation method of Carrilegious Ascension? Sarr legious Ascension was not easy to cultivate With Yuvaan’s physical capabilities, it would be impossible for him .I’m a man of my word ” Yovaan said

“Alright, it’s a deal.”

James did not hesitate at all. “Give me a piece of paper and a pen. I write them down for you Men, release him!”

The Almighty Dragon General Chapter 2200—As Yuvaan gave his order, a few disciples immediately walked over to James, untied him, and released his acupuncture points. That was because Yuvaan was unafraid of James. Even though James was the greatest fighter on Earth, he was nothing more than an ant in Yuvaan's

Soon, the material was ready.

James wrote the cultivation method of Sacrilegious Ascension and handed it to Yuvaan. Upon scrutinizing it, however, his face darkened.

“What is this?”

Stunned, he asked, “Is this how you cultivated Sacrilegious Ascension?”

James nodded and said, “That's why I said you won't be able to cultivate it even if I give it to you.”

“Are you playing tricks on me?!”

Yuvaan's expression darkened, and powerful True Energy gathered in his palm. Then, he struck James in the chest, sending him flying and crashing against the wall. James collapsed heavily to the ground and vomited a mouthful of blood.

Even though James had regained his strength, he did not stand a chance against Yuvaan.

“There's no way such a cultivation method exists! Don't blame me for what happens next if you don't come clean!” Yuvaan threatened James as he tore the piece of paper apart. To him, James was fooling around with him.

James crawled up from the ground with great difficulty.

Though he had given Yuvaan the real cultivation method of Sacrilegious Ascension, the latter thought he was messing around with him.

“It's not my fault that you don't believe me. What else can I do? Cut the cr\*p and kill me already.”

“Dream on! I'll give you another week. A week later, I'll hold a public trial at the Divinity Sect on Mount Bane!”

Yuvaan grunted and turned to leave.

James sat on the ground and sighed. Even though he had answered him honestly, no one believed his words.

He suffered great injuries. However, as he possessed a Demonic Body, his healing abilities were extraordinary. As Demonic Energy circulated throughout his body, his wounds recovered almost instantly.

For the next few days, Yuvaan would come to the dungeon every day to interrogate James about Sacrilegious Ascension and the cultivation methods for the Demonic Arts. To him, James only managed to acquire such a powerful physical body because he cultivated the Demonic Arts

He wanted to seize James' body for himself. However, that was the last resort.

For now, he would continue with the interrogation.

If James continued to keep his lips tightly sealed, he would have no choice but to seize his body after passing judgment on him.

For the entire week, James underwent excruciating torture. However, the pain was nothing to him. As he had once bathed in flames to train his physical body, he had acquired better resistance than ordinary men.

Since James continued to keep his mouth shut, Yuvaan had no choice.

A week passed in the blink of an eye.

On a morning a week later, James was tied up once again and led to the main hall of the Divinity Sect.

Then, he was tied to a stone pillar several meters high outside the hall.

A week ago, the Divinity Sect spread the word of James' public trial. As such, many people gathered outside the sect to watch the show. Most were Outsiders of the three thousand Sealed Realms, and there were even powerful figures who had sealed themselves off tens of thousands of years ago.

The Divinity Sect was crowded with people.

Outside the hall, Yuvaan looked at the Outsiders and stroked his beard, saying, "Ladies and gentlemen, welcome to the Divinity Sect. As you all may know, the earthlings are descendants of sinners who betrayed our ancestors. We suffered greatly, and countless innocent lives were lost.

"As a descendant of sinners, not only does James not repent of his sins, but he even colluded with the Demon Race and cultivated the Demonic Arts.

“I have summoned you all here today to witness the public trial of James Caden. May justice be served!”

Yuvaan’s voice boomed.

The people gathered were powerful, and the weakest among them were at the Immortal Ascension rank.

James, who was tied to the stone pillar, knew that his fate was sealed upon hearing Yuvaan accusing him of colluding with the Demon Race. At that moment, his mind raced, thinking of a way for him to make his escape.
