The Almighty Dragon General Chapter 2257–The Demonic Energy in Farley’s body was oppressive and terrifying.

James absorbed the vigorous Demonic Energy through his palm, allowing it to seep into his entire body.

At that moment, his body felt like it had been starving for a long time as it greedily absorbed the Demonic Energy. His physical strength immediately increased significantly.

In less than a minute, his physical strength had reached a rank equivalent to that of the Immortal Ascension’s Sixth Stair.

As he planned, his physical strength had reached even greater heights.

James could not help exclaiming, “This energy is so strong.”

However, his physical strength reached its limit shortly after, and he could no longer absorb anymore Demonic Energy from Farley’s body.

At that moment, the Demonic Lotus in his body also began absorbing Farley’s Demonic Energy. Soon, the Demonic Lotus grew and became even more sinister.

Soon, the Demonic Lotus eventually reached its limit.

However, James did not stop absorbing the Demonic Energy from Farley’s body.

The Demonic Energy flowed through his body and formed a mist-like energy in his Elixir Field. The energy became stronger and increasingly more concentrated. James found that he was beginning to lose his control over the Demonic Energy.

James was puzzled by the turn of events.

At that moment, Sophie’s voice came from within the Celestial Abode. It was a telepathic transmission that only could be heard by James.

“James, you have a Demonic Body, so you can only carry Demonic Energy. This Demonic Energy you’re absorbing is too strong and automatically accumulating within your body. Although you can’t control it as you are, it’ll benefit you later on.

“You can gradually absorb this Demonic Energy in the future.

“At a critical moment, you can even forcibly unleash this accumulated Demonic Energy to kill your enemy.

“Even a peerless powerhouse would likely die after getting struck by it.”

James came to a realization after Sophie explained it to him.

All of these were benefits his new body gave him.

James absorbed the Demonic Energy from Farley’s body for about two hours.

Two hours later, the Demonic Energy within Farley’s body was completely dispelled by James. The Demonic Energy gathered in James’ Elixir Field in the form of a mist.

Finally, the Demonic Energy had been completely expelled from Farley’s body.

Farley’s pale face slowly took on some color. He stood up from the ground, stretched his body,

and a joyful expression spread on his face.

The Demonic Energy had tormented him for years. He was already resigned to his death after being blighted by the Demonic Energy. The possibility of expelling the Demonic Energy from his body never once crossed his mind.

Farley felt great after his body was freed of the torturous Demonic Energy. He looked at James sitting in a lotus position on the ground and said, “Young man, I’m really grateful to you. If it weren’t for you, I would’ve been doomed.”

James stood up and said smilingly, “It wasn’t a big deal.”

“Your body is really extraordinary. You’re still fine after absorbing so much Demonic Energy. I wonder what was used to reform your body.”

Farley looked at James with admiration. He would never have expected the person to save him to be a low-ranked cultivator.

James smiled in response.

His body was reformed by the Demonic Lotus, but he only knew very little about it.

Farley took a deep breath and said, “Although the Demonic Energy in my body has been expelled, I still haven’t recovered my strength. I’ve been suppressing the Demonic Energy for the past few years and have nearly exhausted all my True Energy. It’ll take some time for me to recover. Moreover, the Divinity Sect has come to us with bad intentions.”

Hearing this, James asked, “What’s the Divinity Sect plotting?”

Farley replied, "I suspect they are colluding with the Fangs. Since I was injured, powerhouses of the Divinity Sect have constantly been sneaking into our clan, but I turned a blind eye to these happenings.

A ball of anger stewed in James' heart after Farley brought up the Divinity Sect.

He had to escape to the Ancient Realm because of the Divinity Sect's Elder, Yuvaan.

"Hmph," Farley snorted coldly and said, "I'd love to see what the Divinity Sect is trying to do."

Afterward, he turned to James and clasped his hands together. "Young man, thank you so much for saving me. Please don't tell others of my recovery, not even your teacher, Sir Yoan."

The Almighty Dragon General Chapter 2258—James nodded. He was unsure of Farley's plans but would hazard a guess that he intended to mislead the Divinity's Sect and try to force them into action. Then, he could wipe them all out in one fell swoop.

After speaking, Farley sat in a lotus position on the ground and closed his eyes.

"Sir Gideon?" James called out with some hesitation.

Farley opened his eyes and looked at James, saying, "From this point, I'll be hiding all signs I'm alive. I'll appear dead to everyone, and the news will surely spread throughout the Ancient Clan. Perhaps it might even become a worldwide sensation. You'll be the only one who knows that I'm in a state of suspended animation. I hope you help me keep it a secret."

James nodded and replied earnestly, "Alright. I won't tell anyone."

Meanwhile, Quintina was still waiting outside the cave.

Two hours had passed, but James had not come out yet.

She anxiously paced back and forth, waiting for him.

James walked out of the cave just as she was about to rush in to check on them.

As soon as she saw James, she rushed over and grabbed him, asking, "How did it go? How's my father?"

James looked at Quintina and uttered some brief consolation, "My condolences."

"Huh?"

Quintina was stunned. After a few seconds, she rushed into the cave and saw Farley sitting in a lotus position on the ground lifelessly. She immediately rushed over and shook Farley.

"Father!"

As soon as she shook him, he fell to the ground.

"Ahh!!!" Quintina bawled out.

Her cries attracted the disciples guarding the mountain. Soon, many people rushed over and saw Farley's body on the ground. Immediately, these guards knelt on the ground.

"Lord Yoan..."

Many clan members made their way to the cave.

Thoryn also arrived on the scene. Seeing Farley's collapsed body on the ground, he sighed helplessly. "In the end, he couldn't make it.

Thoryn issued the order, "Pass on the message that the opening of the Pagoda of Flames will also be delayed. Everything else will be continued after our clan leader's funeral and the appointment of a new clan leader

The night passed by silently

The next morning, a black cloth was hung in Mount Trinvard's main hall. All the Ancient Clan's members wore black funeral clothing. In front of the main hall was a coffin with a mat lying within it.

The man's face was pale and colorless. It looked like he had lost vitality a long time ago.

"Announce to the world that the Ancient Clan's leader has passed away. Invite those with close connections with our clan to attend his memorial service."

Thoryn stood in front of the main hall and issued the order.

Inside the hall, many people kneeled before the coffin. Keeling in the front was Quintina, who also wore black clothes.

At that moment, more people walked into the hall.

Yoan, James, the Divine Holy Emperor, and Harold were among the crowd. The Infernal Emperor, Emperor Tamerlan, and their disciples also attended the funeral.

As soon as the Divine Holy Emperor entered the hall, he asked, "What's going on? Did someone die?"

Although he was sure it was the Ancient Clan's leader, he had not confirmed it yet.

Standing in the main hall, Thoryn said apologetically, "My apologies, Divine Holy Emperor. Our clan leader has passed away, and the opening of the Pagoda of Flames will have to be postponed for now. After the funeral, we'll appoint a new clan leader and proceed with the competition."

"My condolences."

The Divine Holy Emperor walked up to the coffin and bowed gently.

The Almighty Dragon General Chapter 2259—As he stood before the coffin, the Divine Holy Emperor conducted himself respectfully.

After he bowed, he came closer to the coffin and pushed open the coffin lid.

Quintina stood up abruptly and shouted, "What're you doing? My father is already dead! What are you trying to do to him?!"

The Divine Holy Emperor turned to Quintina and apologized, "Sorry for my indiscretion. I simply could not bring myself to believe it. The Ancient Clan's leader is the strongest person in the Ancient Realm. I found it hard to believe he died so easily, so I wanted to confirm it with my own eyes.

After speaking, he turned to the person lying in the coffin.

Farley's face was ashen and had no trace of color. There were no signs of life in his corpse-like body.

After sensing no energy from Farley, the Divine Holy Emperor sighed in relief. He turned to the Gideons gathered in the main hall and apologized again. "I'm sorry for my disrespectful behavior."

The Divine Holy Emperor slid the lid back on the coffin.

Thoryn stepped forward and said, "We understand. Please go back and rest for the time being. We'll hold a memorial service when other close friends of our family arrive."

The Divine Holy Emperor departed immediately. He turned around and left with Harold.

Since it was the Gideons' family matters, Yoan did not linger around for long either. He left with James back to their momentary courtyard lodgings.

Inside the yard, Yoan sighed. "It's a pity that generation's strongest man died so miserably.

James said, "Perhaps it's fate. No one can escape the machinations of fate after all."

He promised Farley not to tell anyone, so he also kept their agreement a secret from Yoan.

Yoan said, "Since things have turned out this way, we have no choice but to wait for the Gideons to finish dealing with Farley's funeral."

James nodded. "Mhm."

The two continued to stay within the Ancient Clan's territory.

Meanwhile, the passing of the Ancient Clan's leader was announced to the world.

The news spread quickly throughout the Ancient Realm. Soon, many prominent figures of the Ancient Realm showed up one after another.

Even Welkin Academy's headmaster personally showed up to attend Farley's memorial service.

Seven days passed since Farley's death.

The Ancient Clan's close friends from throughout the Ancient Realm had gathered for the past seven days.

All the renowned powerhouses were present.

Farley's memorial service would be held the next day.

At night, the Ancient Clan's territory was brightly lit.

A masked man quietly waited in the forest outside the Ancient Clan's perimeter. Suddenly, a gust of wind whipped up the air.

A few people in black robes and black masks appeared.

“How’re things going, Holy Emperor?”

A voice croaked out the question.

“I’ve confirmed Farley’s death. All of the powerhouses of our realm are gathered in the Ancient Clan’s territory. It’s the perfect opportunity to destroy them at once.”

“My people are on standby. Tomorrow morning, we shall launch an attack on the Ancient Clan.”

After the brief conversation, the men in black left.

Then, the masked man took off his disguise. It was none other than Divinity Sect’s leader, the Divine Holy Emperor. He was also one of the most powerful people in the Ancient Realm.

A sly smile formed on the Divine Holy Emperor’s face.

He materialized powerful True Energy in his palm and destroyed the mask in his hand. Then, he stepped back into the Ancient Clan’s territory.

James did not sleep throughout the night.

He was not informed of the specifics of Farley’s plan.

However, Farley did mention that the Divinity Sect once conspired with the Fangs from the Demon Race.

“Will something happen tomorrow?”

James had a strong feeling that something would happen in the Ancient Clan the next day.

“What’re you doing, James?” Yoan’s voice called out to him.

James came back to his senses and replied, “N-Nothing.” “You look worried. I can tell there’s something on your mind.”

The Almighty Dragon General Chapter 2260—“I’m just pondering on something related to cultivating.”

James steered the topic away and began to ask Yoan about cultivation.

The night passed uneventfully.

The next day, many powerhouses from the Ancient Realm gathered outside the main hall on Mount Trinvard.

Those who came to the Ancient Clan had a sizeable amount of prestige and renown. Everyone held flowers in their hands and came to pay their respects one by one.

Since James was a disciple of the Welkin Academy, he was not qualified to enter the main hall. Thus, he watched from afar.

Boom!

Suddenly, a loud explosion went off in the distance.

Following the sound, an armed man rushed over and appeared in the main hall. He looked at Thoryn in a panic and said, "Elder Thoryn, we have a problem. Our protective formation is under attack."

Boom!!!

Another loud explosion ripped through the air.

The Ancient Clan's territory began to quiver and shake.

"Insolent fools!"

Thoryn's face darkened, and he said, "Who dares attack our clan's formation at this time? These people must have a death wish!"

"Warriors!"

Hearing his command, all the Ancient Clan's warriors readied themselves.

James heard the loud explosions while standing away from the main hall. Then, he sensed the ground shaking, and his brows furrowed. He thought to himself, 'Is something really about to happen?'

"Elder Thoryn, the formation has been breached! Enemies have infiltrated our territory!"

Another person rushed into the hall to report the situation.

"Haha!!!"

A burst of laughter resounded throughout the hall.

“It sure is lively here.”

A figure flew toward them from a distance.

The person was dressed in black and wore a black mask. He hovered in the sky above Mount Trinvard and looked at the powerhouse standing on the mountain. He laughed “Since all the powerhouses of the Ancient Realm are so neatly gathered here, it saves me the trouble of

finding you all.”

“Impudent b\*stard!”

The Divine Holy Emperor was the first to step forward and bellow at the enemy, “You’re in the Ancient Clan’s territory! Today’s the memorial service of the Ancient Clan’s leader! Don’t think you can act as you please here, you curs! Leave this place immediately, or this place will be your grave!”

All the other powerhouses watched in shock.

They were in the Ancient Clan’s territory, the strongest clan of the Ancient Realm. Their whole clan was full of powerful people.

All the powerful people from all over were gathered in the Ancient Clan’s territory. Who was the

person in a black robe and mask? How dare he barge into the Ancient Clan’s place and act so boldly?

At that moment, many cultivators wearing black robes and masks appeared from afar.

These uninvited guests confronted the Ancient Clan’s warriors at Mount Trinvard’s foot. “Who’re you?”

Welkin Academy’s headmaster also stepped forward and shouted, “We’re gathered to honor the memory of the Ancient Clan’s leader today. If you’re here to seek revenge, can’t until the ceremony has concluded?”

you wait

“Why’re you wasting time talking to him, Headmaster?”

The Divinity Sect’s Divine Holy Emperor’s face darkened. He leaped into the air, and powerful energy erupted from his body. The energy swept through the air and called forth a wicked

storm.

“Haha.”

The man in black floating in the air laughed and said, “Divine Holy Emperor, you’re at the Sage’s Third Rank. However, you’re still no match for me.”

“We shall see about that!”

The Divine Holy Emperor raised his hand, and a long sword appeared in his hand. A dazzling, golden light burst out from his sword.

Before the Divine Holy Emperor could move, the man in black already made his move.

Mysterious symbols appeared in his palms, vibrating with devastating power.

The Divine Holy Emperor took a direct hit, and his body plummeted from the sky, crashing outside the main hall on Mount Trinvard.

“It’s Curse Magic. Are you a demon?”

The Divine Holy Emperor got up from the ground and looked warily at the black robed man floating in the sky.
