Chapter 795

James lay on the bed and rested.

Soon, Thea was done showering. Draped in a towel, she walked over to James. who was deep in contemplation, and asked with

a delighted smite on her face, "Am I pretty, honey?"

Hearing this, James glanced at her.

Thea just came out of the shower, so her wet hair was a bit messy but also enticing.

Upon seeing this, James guiped. Then, he said smilingly, "What a shame that my body is in terrible shape."

Thea got on the bed and lay beside James. Embracing him in her arms, she consoled him gently, "You're gonna be fine. By the way. I noticed that you've been busy reading something. What book is it?"

"Just an ordinary medical book. I tried looking for ways to cure Gu venom. but after flipping through the pages day and night, I found nothing."

James said nothing about the second volume of the medicinal book.

"Oh. Thea continued, "Don't overthink things. Everything will be alright."

James put his thoughts aside and entered into a state of deep meditation.

As Thea was too captivating—nat to mention that they were currently having skin contact James hurriedly meditated to empty his.

The night passed silently.

The next day...

Thea woke up early in the morning and headed to Eternality.

After being admitted to the hospital for so long. there was much work for her to deal with at the company.

Thus, even before her injuries had completely recovered. she chase to go to work.

"It's time to eat, James."

Knock came on the door. Then, Tiara pushed it open and walked in.

She was wearing an outfit that was nat too glamorous or casual, which made her look like at presentable lady from 3 prestigious

James sat cross legged on the bed.

Upon sensing Tiara's presence. he opened his eyes.

Immediately, he raised his hand, and a strong gust of wind formed in his palms.

The suction force sent a glass on a table two meters away flying toward him, which he grabbed with ease. Upon seeing this, Tiars was delighted. She cried out, "Did it work?"

James breathed out some impurities and said smilingly, "The energy within my body is getting stronger. I can now control it and create a strange suction force."

After cultivating for so long, James could finally control True Energy and transform it into a powerful force.

He was now much stronger than before.

However, as his current True Energy was still weak, he could not completely remove the Gu venom. He could only suppress the

Gus inside his body and prevent them from damaging it.

Thara wore a delighted smile. Her smile accentuated her dimples, which

made her all the more adorable. "Now that you have cultivated True Energy, you won't die."

"Mh." James nodded.

He took a deep breath and said, "I finally pulled it through. Next, I have to cultivate more and remove the Gus inside my body."

"The Callahans are now having their meal. but they didn't prepare your portion. So, I made you some noodles. Are you eating

Gownstaars or do you want me to bring it up here?"
James said, "Up here. I guess. Seeing them faces mins
my mood."

"Sure."

Tiacs swift made ber way downstairs and brought the
bow! of noodles to James' room.

After tasting the noodles, James praised, "This is really
delicious."

She was delighted upon hearing this.

Affer breakfast, James did not remain in the villa but
instead went outside with Tiara.

While pushing his wheelchair, Tiara asked, "James.
about Thea...° However. not knowing what to say, she
shut her mouth
immediately.
