

## The Almighty Dragon General Chapter 911

James had no choice but to return home and wait for the news. He hailed a taxi back to Cynthia's villa.

Maxine hurriedly asked as soon as he entered the house, "How was it? Did you find her?"

James shook his head.

He walked over and sat down on the sofa.

Cynthia also asked, "Did you not find her?"

Maxine had already discharged the excessive Cold Energy in Cynthia's body, allowing her body temperature to return to normal for the time being.

Cynthia looked at James worriedly.

He took out his phone and opened the surveillance footage sent by the Blithe King.

Maxine leaned over and took a look.

After watching the footage, she asked with concern, "Who's that old man? Why did Tiara leave with him?"

James' expression was bleak.
