

The Almighty Dragon General Chapter 927

James immediately understood after hearing Maxine's explanation.

One person could not practice the cultivation method on the Moonlit Flowers on Cliffside's Edge alone.

Forcefully doing so would lead to problems.

This cultivation method had to be practiced by two people together.

It needed them to cooperate and practice.

The energy in Cynthia's body is indeed the purest form of True Yin Energy, and if she could learn to absorb the Cold Energy in her body, she could indeed practice the cultivation method. However, we lack someone with True Yang Energy."

She turned to James and asked, "What kind of True Energy do you have, James?"

"I-I don't know."

James was not sure of what kind of True Energy he had.
